Commencing Monday, August 19th, we will give, to all persons buying goods to the amount of \$25 or more, an order for one of our

Life Sized Gennine Crayon Portraits

We challenge comparison as to the perfection of these portraits in likeness to the photograph from which they are made. We have also made arrangements with a large frame manufactory to mount and frame these pictures for patrons in the best style at ONE-FOURTH the usual cost of such frames. You can have either bronze or gill frames, with first-class French picture glass, all ready to hang on the wall. You are, however, not obliged to purchase a frame at all, or you can purchase it at some other store. This does not matter to us. We give you the picture and sell you the frame at cost if you wish it. We do this simply to

Many people will wonder how we can afford it. Our answer is that it is done as nent. No other such inducement can or will be offered by any other house in wayne.

Remember that you need not buy \$25 worth of goods at any one time, but at different times, aggregating that amount.
