We challenge comparison as to the perfection of these portraits in likeness to the photograph from which they are made. We have also made arrangements with a large frame manufactory to mount and frame these pictures for patrons in the best style at ONE-FOURTH the usual cost of such frames. You can have either bronze or gill frames, with first-class French picture glass, all ready to hang on the wall. You are, however, not obliged to purchase a frame at all, or you can purchase it at some other store. This does not matter to us. We give you the picture and sell you the frame at cost it you wish it. We do this simply to
