VOL. XIV. NO. 36.

WAYNE, WAYNE COUNTY, NEBRASKA, NOVEMBER 14, 1889,

The OLD CORNER STORE

ACTUALLY GIVEN AWAY!

Commencing Monday, August 19th, we will give to all persons buying goods to the amount of \$25 or more an order for one of our

Life Sized Genuine Crayon Portraits

We challenge comparison as to the perfection of these portraits in likeness to the photograph from which they are made. We have also made arrangements with a large frame manufactory to mount and frame these pictures for patrons in the best style at ONE-FOURTH the usual cost of such framest. You can have either bronze or gilt frames, with first-class French picture glass, all ready to hang on the wall. You are, however, not obliged to purchase a frame at all, or you can purchase it at some other store.

This does not matter to us. We give you the picture and sell you the frame at cost if the property of the property of the property of the picture and sell you the frame at cost if

Remember that you need not buy \$25 worth of goods at any one time, but at different times, aggregating that amount.

OUR GUARANTEE!

we guarantee that these portraits are first class in every respect, and equal in style and execution to the crayons now on exhibition at our store. You are invited to examine for yourself. The above offer is made in the best of good faith.

The lower mammals live and flourish with comparatively little change of diet not so with man. He demands food not only dissimilar in its activagrosser nature, but differently prepare I a wood, for the effected necroni-limpulses, on which the digestive pro-cesses depend, to be properly supplied it has become necessary that a variety of effects impulses (through the over car, note, palate) reach the nerveu centers, attucing them to harmony, so that they shall act, yet not link with one another.

Cooking greatly alters the chemical and in consequence, the flavor, the and in consequence, the material and dispublikly, and the multivariation of foods. To flustrate: meet to the most of the most little gelatin, albumin, and fats. Salt meat furnishes less nutriment, a large part having thou temores of the period of the part of the period of the period of the period of the period of the times, and some frequently, find such food highly beneficial, the offert being doubtless not confined to the different period of the times.

Encouraging a Morse.

A Kansas horse this ran off a valuate animal, and being closely pursued in a thicket. He held the horse! hid in a thicket. He prevent his neighing, but the uek him down follow by the d, and he turned out to be chap with \$600 reward on his head. The Sheriff did the fair thing by the horse by presenting him with bushels of oats.—Chicago Liar.

Arkansas Is Growing.

The increase in the population of Arkansas has certainly been greated than 30 per cent during the last decade. We shall not be surprised if the federal sus of 1890 should prove to be near census of 1820 should prove to be near-ier 50 than seven 40 per cent. The growth during the last eight years has been heavy and continuous, and only within that period have any systematic and practical efforts been made to secure intigration. The course yotals; if therough work should be done, will found the record of Arrians a, mest Arkansas a mest 1890.
