ty Trianter, Ways

THURSDAY, FEB. 6, 1890

The Iowa legislature has not yet

Pierce county, after repeated fail-ires, has voted bonds for a new court

The proclamation opening the Sloux reservation is to be issued this

Secretary Blaine has again been afflicted by the loss of his daughter, Mrs. Coppinger, who died after an illness of a few days.

One of the things that go to make political predictions unreliable is the rapid growth of the Farmers Alliance nd the uncertainty as to what ex tent it will act as a separate political

E.T. Hnuser, democratic ex-goverfor of Montana, says that the demo-crate who claim to have been elected to the senate from that state have no try to make capital for the party.

South Dakota is wrathy over the opert published by Chicago news-papers in regard to the condition of papers in regard to the condition of the people in a number of the counties in the state, and the legislature has passed a representatives to vote against Chicago for the world's fair. That is striking the Windy City bew the belt.

Secretary Tracy's residence Washington was destroyed by fire Monday morning, his daughter and her maid being burned to death in the building, and his wife killed in at empting to escape from the hurning building by leaping from a window.
The secretary himself had a very
narrow escape, and several others in
the building were badly injured.

South Dakota wants it understood that the stories of suffering and destitu tion in that state are only exaggerated but are wilful and malicious lies, sent out to injure the state. Most of the statements are probably true enough, but the South Dakotians would rather a few-hundred people would starve to death than have the country believe that there could be any failure of crops

The position of Wayne county in regard to the portion of the reserva-tion cut off from this county, seems to be misunderstood. The county of course does not wish to lose a portion of its best territory it the people liv-ing there-are willing to remain in Vayne county. If they do not wish to remain in the county, the county es not wish to compel them to, but we believe nine-tenths of the p on the reservation would prefer to re-main in Wayne county, and the county will claim them until it can he shown that they wish to cut loos

The action of Speaker Reed in re sing to permit a minority to block gislation by refusing to vote is one f to the coun Of course the democrata will how about his revolutionary course ust as the republicans would have howled but the case been reve audicanna the case been reversed, and the ruling been nade by a demoratic speaker. It is time the faction by which a member who has been present during the discussion of a question and taken perhaps an active part in it is considered absent because he refuses to vote, was done away with. It is well that the republican had a clear majority of their on when the first contested election cas ker's counting those pr but not voting to make up the quo-rum, but is probable that such a will be made in the house rules

The centennial of the establishment of the United States supremount was celebrated in New York

The senate of the North Dakots agislature has passed a bill legalizing the establishment of a lottery on the Louisiana plan. It is said that the bilt will easily pass the house, and pass both houses over the governor's

The item taken from the Pender Times last week in regard to copying the records of this county for the us of Thurston county, would give the impression that Mr. Wright had been volunteering advice to the Thurston county authorities. This is not a fact Thurston county ass here last sum-mer in reference to copying the rec-ords and was refused access to them, he consulted Mr. Wright with regard to the best means of determining whether Thurston county has a right to the records and expressed a desir to get the matter settled in some way as quickly as possible. It was then that Mr. Wright suggested that they could get could do it by procuring s writ of mandamus to compel the of icials of this county to permit then to copy the seconds. This met with Mr. Myers' approval, and he was in favor of proceeding at once and get ting a decision from the suprem court as to the legality of the organ ization of Thurston county. Nothing further was heard of the matter unti a faw weeks ago a letter was received still persisted in their refusal to per-Washington to make a contest and asked Myers why he did not proceed as he had been in favor of doing sev eral months ago. That is as far as he has gone at any time in making sugons to the Thurston count. anxious to get the matter into court. As a matter of fact the Thurston coun ty people, or to speak more accurately the officials at Pender, do not want the question tested. They boast con-siderably of their confidence in the lethe question tested. gality of the act creating Thurston county, but they are mighty careful to keep out of court. The county at is very brave-with his mouth -and announces that he will com-pel this county to come to time. This

is what we are waiting for up here, and the action can't be commenced too soon to suit this county. IS CONSUMPTION INCURABLE?
