One half of all puna, 'ind all moneys from the sale of naval prices, are applied for the payment of new pensions.

Citizens of Montana who served. during the No. levens war may receive pensions if disabled, pensions if disabled, and the process whether.

Pensibne cannot use identity plasgest.

Pensibne cannot use identify plasgest.

ble process whatever.

Pensions cannot be-legally pleaged,

survigaçon sort, assigned or treas-ferred.

But one pension is allowable to one-person at the same time, unless the aecond pension states that, it is in addi-tion to the first.

Possions are patd, quarterly.

Of the 110,673 army invalid claims filed in 1880, only 76,572 have been allowed.

month.
Only shout 50 per cont of the invalid claims (soldiers' daims and istinguished from widows' claims), filed since 1861 have been allowed.
If a pensioned widow marries for reacting ceases.

ension ceases.
Forty-two and three-quarter millrony-twi and three-quarter minor of dollars have been paid to pen-tioners of the war of 1812 since 1870, and of the Mexican war since 1866.

The number of rejected claims in 1850 was 56,679.

The number of rejected claims in 180 was 556,151; regest number of claims in 1889, vizz. 11,643. New York was second with 7,260.

York was second with 7,260.

The region of the claim in 1889 was 1820,541.

There was 470,060 claims pending 1820,541.

There was 470,060 claims pending 1820,541.

We are now paying about \$4,660.

Out annually to regioners of the Mexical war and the war of 1812 7,000.

This is more than three times as much as we paid on the same accounts during the second of t

anales good returns. Dakotas and No-brasis a little higher.

This source of the condition of win-ter wheat. As the time of harvesting, ire less favorable than, those of July. So far as threshing progressed there-sults are generally disappointing. The July average was 76.2, present aver-age, 18.5°

and, 2.5.7.

The general average of spring wheat flow also reduced from 8.3, 2.0.79.8.

The average for wheat of both kinds is 75.5. In 1886 the September average for wheat was 77. It was, 78 in 1881. The yield of spring wheat is unusually variable js the Dakotas, ranging from

The River and Harbor Bill.

'WASHINGTON, Sept. 14.—Congressnen Farquhar, of Buffalo, and Burton, "Washixatov, Sopt. 14.—Congress-men Farquhar, of Buffalo, and Burton,-of Cleveland, say they have ditect as-surances from the president that he will sign the river and harbor Bull, thus putting at rest the unessiness of those interested ju, jubo bill that it might meet presidential distance. Mr. Farquhar said that, it was the presi-culture of the president of the president only beyond \$25,000,000, for if it told to the president of the president of the view the bill have trimmed down until it was just inside the \$26,000,000 limit it was just in season in the president of the president Mr. Buttur may his pessentages from

the president have come since the bill was passed.
