potenting out of men who know ab-policify nothing about it. In nin-cases out of ton the increase in prices they complain of is on articles which pay the same or a less duty finn they did under the old law.

That there is a general apathy and indifference is a general aparty and indifference, among the republicans of Wayne county this year, is so plain that it yould up unetest to day it. This is due in, a great measure to a jumper of nawise nominations. The party has made some blunders that could and should have been avoided. to will be most unfortenate it this feel ing should induce any republican to refuse to vote, or permit his indifference to lead him so far as to refuse to support the state ricket. The state ticket is a good one, and every repub-lican should give it a hearty, cheertul and cordial support. There is no dan-ger of tepublican defeat except thro-republican indifference and careless-
