The efforts of the republican con-gress were strongly bulkwarked by a conselections and efficient republican administration. I do not believe that the western fat mer, naturally republi can, born are u-

Burlington Hawkeye: The Iowa isomocrats condemn the McKinley bill and declare for free trade, yet a promi-ent business man from Des Moines iess than forty new establishments have n that city since the states that no black that only a stabilishments been founded in that dity sinc bill the domocrats condemn, b a law. We shall not worry about the vote of Des Molnes. much

Democratic papers are actually dis-satisfied with the proceedings of the Rapublican state convention! The platform is a distateful to them as the ten commandments have always here to the father of Democracy. the ten commadments have always been to the father of Democracy, and they express dislike against all the candidates for the same reasons that the devil has siways opposed good men ten commandme in to the father of

St. Louis Globe-Democrat: When such a man as Governor Boles of lowa is taiked of aga presidential possibility it goes to show what little respect the democrats have for that office since it was occupied by Grover Cleveland for four years. four years

A bushel of corn or potatons this year buys about four timos as much sugar and other luxaries as it did a year ago. And yot the farmer is liv-nobber McKinky law." Let free trad-ess gat frosh handkorchiots and con-tinue to weep briny tears.

St. Louis Globe-Democrat: The Republicans might well pray for a Democratic victory in lowa this year if that would give Boles the preside-tial nomination next year. He is proty nearly as small and as unsympa-thetic as any man over seriously men-tioned by any barty in connection tioned by any party in con-with the presidential candidacy.

Brooklyn Chronicle: Cor. Boles on Monday pardonied another batch of whiskay. criminals. The governor sees the necessity of having more votes. Fortunately the penitentiary unstalawhil for

sty-num or is sp uggled in now and the divine, is stly is But the op n saloon enforced. But the open saidon h 'out' of eligity or more counties it lows, and almost .nobody in these counties, cretainly no considerable number, not even a respectable minor-ity, wants them restored. But in fit teen or twonty counties the saloon still exists and persists, and in nearty, it not quite, all such counties, in every rable ity where the law is ignored, the ocratic party is in supreme con-

trol. That is seignal, striking fact. Take Dubuque Clinton. Davenport, Musca-line, Burtington, Fort Madison, Keo-tak, Ottamwa, Council Bluffs, Sioux City, et al., --every one of these towns are over-whelminging democratic. No. Dul e to enforce the law effort is made the effort is made there to enforce the law; the officers violate that can take and en-courage others to break the law is a flow that the law is a flow that the law is a may "Well regulato" the traffic by a may "Well regulato" the traffic by a saloons \$00 a month. or \$000 a year; it was never over \$300 a part before; but under this improved mothod the traffic is not a particle should findilor-ated or "regulated." In Burthouton thay law saloons \$20 a "month, and "regulated." In burn--saloons \$25 a month, e" them so well that the allowed to run open on Snudays, soll to minors, and do about as they please Where democrats control, they license Where democrats control, they licens now, license as much as they dare, i cense as much as they would be likel to do if they got control of the legisl siy we us at using got control of the legisla-ture and substituted a license for the prohibitory law that they ignore. The liquor men are restive under the present tax, say if is encomous, and "I they state, the tax will go, as they will domand that whiskey traffic shall be as free as the sale. of dww mode they state, us tax will go a start demand that whiskey traffic shall be as free as the sale of gry goods, gro-ceries, &c. That party does set the license stakes in its platform at \$250; later at \$500; but the liquor men kniced so vigorously, the party has kicked so vigorously, the para never dared to name that figure --Washington Press.

Down On Pensions

L. F. Livingston, president of the eorgia Farmers' Alliance, visited To-eka, Kansas, lately, and initiated the larsas-farmers into the Georgis Alli-nce methods. But he has views on Using calibration and solver a fellower. Georgia peka, K ansas-farmese acc methods. But he has vie-he Union soldier's pension as follows: I must take stronger ground against be infamous pension swindle, for I healthy burmers, healthy burmers, eness by a or than our eiled to ould was and our southern people won't stard that swindle any longer. 'Mr. Liv-ingston has more courage than some of his northern followers who think as he does but have not the sand to say so.-Iowa Capital.
