The McKinley tariff bill is proving uch a grand good thing that democrats all over these U. S. are becoming elated with it. Why, even in congress the democratic representtatives only wish to make a few changes in it. They dare not carry out the plans enrolled in the platforn they promulgated in securing thier election, by opposing the McKinley bill and wilfully misrepresenting it, thereby-securing a landslide in which republican representatives were de feated right and left. But the law has been in effect for some time and the great good that has befallen the people therefrom has caused a reaction and the democratic congressmen are assuming the role of coward and DARE not carry out the platform upon which they were elected.
