DR: BULL'S COUGH SYR FOR ALL LUNG TROUBLE

THE MILLION DOLLAR POTATO

MILLIONS OF WOMEN USE CUTICURA SOAP exclusively for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and healing red, rough, and sore hands, in the form of baths healing red, rough, and sore hands, in the form of baths for annoying irritations, inflammations, and chafings, or too free or offensive perspiration, in the form of washes, for ulcerative weaknesses, and for many sanative antiseptic purposes which readily suggest themselves to women, and especially mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used it to use any other, especially for preserving and purifying the skin, scalp, and hair of infants and children. Currectiva Soar combines delicate emollient properties derived from Currectiva, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other medicated or toilet soap ever compounded is to be compared with it for preserving, purifying, and beautitying the skin, scalp, hair, and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines in One Soar at One Practs, viz., Twenty-Flye Cents, the best skin and complexion soap, the best toilet and best baby soap in the world.
