DEATH OF A. P. CHILDS.

Arthur P. Childs died at his home in Carroll, Saturday evening September 20, about nine o'clock, having suffered a stroke of paralysis while at work in his office, The Carroll Index. The family resides over the store of Chas. Robbins and at about the hour mentioned, Mrs. Childs heard a noise as if some one fell and going to the door noticed her husband crawling in an endeavor to get across the hall that separated the office from their living apartments. Upon asking her husband what the matter was, he replied in a low tone that he believed his left side was paralyzed. She aided him to the room and at once summoned a doctor but he gradually sank away until the time of his death three hours later.

Deceased was born October 1, 1848, and died September 20, 1902. He enlisted in Co. K. 56, New York Volunteers and served throughout the entire civil war. December 15, 1868, he was married at Jefferson, N. Y., to Miss Jessie M. Wheeler. Five children were born as the result of the Union, two of whom have died and three living, Louie, Chauncey and Mrs. Kittie Lathrop, of Parker, S. D., who, with her husband, was present at the funeral.

About 25 years ago Mr. Childs came to La Porte six miles southeast of Wayne which was then the county seat but a few years later was moved to Wayne to which place he moved and began publishing the WAYNE HERALD, formerly the Review published at La Porte. Two years later he was succeeded by R. M. Gohorn as editor and later established the Wayne Gazette, now The Democrat. A. P., as he was familiarly called, was an old settler in the county and ever interested in the advancement of the city and county. Without doubt he was one of the best newspaper men in the state, but, during Cleveland's administration, served as postmaster at Wayne and resigned from newspaper work. At the close of his official career he went to Parker, S. D. and engaged in newspaper business for a few years. Later he went to Norfolk where he became the publisher of The Times Tribune. From there he went to Carroll about two years ago and established The Carroll Index, where he had resided since, until death called him from the trial and cares of newspaper work. He was respected by all who knew him and he had been one of the pioneer citizens in northeastern Nebraska, his circle of acquaintances was large. He was a Mason, a Knight of Pythias and an Eastern Star in which lodge he still held his membership at Norfolk.

The funeral was held at the Methodist church in this city, to which place the remains had been escorted by the Masonic Lodge of which he had been a member.

The funeral was preached by Rev. C. C. Carter of Carroll, after which the remains were interred in Greenwood cemetery. The floral tributes were numerous and beautiful.

A most enjoyable time is reported by all, those present being Misses Lizzie Ellis, Nettie Perry, Faye Britton, Hattie Weber, Mable Young and Mable Feather, and Messrs. D. W. Winterburn, George Chubbah, Clyde Winterburn, Chas. S. Orr, Bruno Spears and Bert Ellis.

Mrs. August Piepenstock arrived from the east last evening. S. R. Theobald was a west bound passenger Sunday evening. E. E. Gurney of Winfield, was a Wayne visitor Monday afternoon. Rev. Father Weber is visiting with his mother at Milwaukee this week. Mesdames Ley, A. A. Welch and Vincent were Sioux City visitors Saturday. Don't forget the grand ball at Alton next Saturday night. Everybody invited. H. C. Broome and wife of Omaha were here Tuesday to attend the funeral of A. P. Childs. W. H. Gildersleeve went to Merriam last evening with a view of purchasing a new castle. Ensign Moore was an arrival from Illinois last evening to look after property interests here. Morris Wadsworth was an arrival from the east last evening on his way to the ranch west of Carroll. When your throat is aggravating, call at O. D. Frank's, where you can obtain the best beer the market affords. Miss Kayle Jones of this city and Mrs. Frank Leary of Winfield departed for Ohio last Friday for a month's visit. The carnival at Norfolk was a failure on account of bad weather and the committee brought it to a close last evening. Don't forget that O. D. Frank, after these warm days, has bottles of beer for home use that cannot be excelled anywhere. Miss Nettie Nelson of Oakland, a sister of Mrs. John Elming and Chas. Elming of Lyons, an brother of deceased, attended the funeral Monday. Mrs. Vm. Roberts of this city, and son, of Carroll, were called to Red Oak, Iowa, on Monday to attend the funeral of her daughter, Mrs. S. S. Davis, who died on Sunday. Rev. C. J. Ringer went to North Platt Tuesday to attend the Synod of the Evangelical Lutheran churches in convention there. He will visit in Davinport a few days before returning home. Are you thinking of going to Dakota? If so do not fail to see me before going. I have been making regular trips for the last year into that country. I am thoroughly acquainted with the soil and the lay of the land and think I can save you some money and assist you in getting properly located. F. H. Kohl. If you want to see something that speaks volumes for Wayne and Wayne county just take a look at the statement of the First National Bank in this issue showing nearly a quarter of a million dollars on deposit and an immense volume of business transacted. The First National ranks high among the leading banking institutions in Northern Nebraska. Mrs. M. A. Wilson of Monmouth, Ills, and Mrs. M. J. Place and daughter Estelle, of Riverside, California, mother and sister of Cashier H. E. Wilson of the First National Bank, arrived in the city for a short visit for some time. Mr. Wilson had not seen his sister, Mrs. Place for more than seventeen years and their meeting was a most pleasant one. The Herald has been advised that David Cunningham, who had decided to accept the nomination for representative, has declined, having received a message yesterday, announcing the death of a sister in Pennsylvania, for which place he departed today expecting to be absent for several weeks. His friends regret that such is the fact. The vacancy will be filled by the committee duly authorized to fill it. The M. W. A. hold a state school of instruction at Lincoln on the 24th to the 26th. Head Consul Northcott, Abb Landis the great attorney, nearly every one of the several members of the constituent committee and many other prominent and leading workmen officials and deputies will be there. Our Dr. E. S. Blair, Head Physician will present a paper on some important medical features Thursday afternoon. Judge Hunter received a letter a few days ago from his daughter Leona at Manila, in which she states she is well pleased with her work there and that she has a delightful boarding place in a large residence supplied with every modern convenience. The students of night school are greatly pleased with their teacher and the work is interesting. She states that at times when she thinks how far away from home she is it causes a very strange feeling to arise. It would seem as though Wayne county could afford to make Dave Leary a deputy sheriff at the very least. With the officers far off the best of the county is in Leary's hands and out of the man that the bloodhounds and detectives could not locate. -Norfolk News. Newspaper men generally will be sorry to learn of the death of A. P. Childs of the Carroll Intex. A large part of Mr. Childs' new paper experience has been in Nebraska. He was of the old school. He learned his trade in the city in the old fashioned way and when new methods came in vogue he sought fields in the country where his knowledge of "the art preservative" would bring patronage. He was a printer before the war and laid down his stick to respond to his country's call. After the war he sought new fields in the west for the exercise of his ability and settled in Nebraska. He has scored many successes in this state and has always been able to find work in some department of his trade. He was warm-hearted and generous, and well liked by those who knew him. He was trained in the printer's art and knew that as his vocation, dying in the harness at Carroll, where he has been giving the people a readable country paper for the last few years in connection with the Norfolk Times Tribune. He belonged to a class of newspaper men that is rapidly passing away and being superseded by the newer school, with type-writers, making their paper more attractive and in "show men" that were not of the old newspaper business. -Norfolk News.

Would You knowingly buy unclean groceries for your table? Lion Coffee comes in sealed pound packages only, thus insuring freshness, strength, flavor and uniformity.

Dave Surber was a west bound passenger Monday night. Taylor Steen entertained a few gentlemen friends Saturday evening. Rev. H. P. Young, pastor of the M. E. church at Kenesaw, is here this week enjoying a visit with his brother E. E. Elsewhere in this issue is the statement of the Citizens' Bank, one of the oldest and most reliable banking institutions in the northern part of the state. With deposits well toward a quarter of a million dollars and a large volume of business, it makes a great showing for Wayne and Wayne county. A. B. Evernham and wife went down to Glenwood Saturday to fix up some of their property there preparatory to moving there, but not expecting to participate in a funeral, but quite suddenly on Monday morning Mrs. Sever's mother of Mrs. Evernham died. She was over sixty years of age. Tuesday the Evernham children and Mr. and Mrs. Joseph Cook went down to Glenwood. Mrs. Cook is also a daughter of the deceased lady. -Republican.

DIED. ELMING—At his home in this city last Saturday evening, John Elming, one of Wayne's most highly respected citizens and retired farmer, died after an illness of many months but his death was not unexpected. The funeral was held from the residence Monday forenoon at 10 o'clock, the services being in charge of Rev. Ringer, the remains being laid to rest in Greenwood cemetery. John Elming was born in Solberga Soken, Sweden, in 1852 and came to this country thirty four years ago, settling in Chicago, where he resided ten years. In 1878 he came to Nebraska and was united in marriage to Miss Ophelia A. Nelson in July of the same year. Several children were born to their union, two of whom, Frank and Ina are living, the others having died in infancy. Deceased and family have resided in Wayne since March 1901, and since moving here he had won the best of friends who learned of his death with feelings of deep sorrow. Mr. Elming, before retiring from active life, less than two years ago, had been one of the most successful and prosperous farmers in the Logan Valley southeast of here. The Herald joins the many friends of the deceased in extending to the bereaved family their sympathy in this their hour of deep affliction.

Card of Thanks. To the many kind friends who have been of so much assistance to us during the sickness and death of our beloved husband and father, we wish to express our sincerest thanks. MR. ELMING, FRANK ELMING, INA ELMING.

CANCEROUS

ULCERS Are in many respects like other ulcers or sores, and this resemblance often proves fatal. Valuable time is lost in fruitless efforts to heal the sore with washes and salves, because the germs of Cancer that are multiplying in the blood and the new Cancer cells which are constantly developing keep up the irritation and discharge, and at last sharp shooting pains announce the approach of the eating and sloughing stage, and a hideous, sickening cancerous sore begins its destructive work.

No ulcer or sore can exist without some predisposing internal cause that has poisoned the blood, and the open discharging ulcer, or the festering sore on the lip, cheek or other part of the body will continue to spread and eat deeper into the flesh unless the blood is purified and the Cancer germs or morbid matter eliminated from the circulation.

S. S. S. cleanses the blood of all decaying effete matter. It has great antitoxic and purifying properties that soon destroy the germs and poisons and restore the blood to its natural condition. And when pure blood is carried to the ulcer or sore the healing process begins, the discharge ceases and the place heals over and new skin forms. S. S. S. is a strictly vegetable blood purifier containing no mercury or minerals of any description.

If you have an ulcer or chronic sore of any kind, write us about it, medical advice will cost you nothing. Books on Cancer and other diseases of the blood will be sent free.

As the years go by the greater is the demand for intelligent labor on the farm. The man who knows just enough to hitch up and unhitch a team and to labor ten to fifteen hours daily, and no more, is not the man for this day and age on the farm. Some men never get above the first round of the ladder. They stick close to the ground. They are not ground boys, neither do they display as much intelligence sometimes. What is needed is thinking as well as working. Work is the key note, but knowing how and when to work is the mainspring of modern agriculture.—*Homestead.*

It is a great affliction for a woman to have her face disfigured by pimples or any form of eruptive disease. It makes her morbid and sensitive, and robs her of social enjoyment. Disfiguring eruptions are caused by impure blood, and are entirely cured by the great blood-purifying medicine, Dr. Pierce's Golden Medical Discovery. It removes from the blood the poisonous impurities which cause disease. It perfectly and permanently cures scrofulous sores, eczema, tetter, boils, pimples and other eruptive diseases which are caused by the blood. It increases the action of the blood-making glands and thus increases the supply of pure rich blood.

"For about one year and a half my face was very badly broken out," writes Miss Carrie Adams, of 215 West Main Street, Butterfield, Mich. Either branch of the legislature may propose amendments to this Constitution, and if the same be agreed to by three-fifths of the members elected to each house, such proposed amendments shall be entered on the Journals, with the year and day, and published at least once each week in at least one newspaper in each county where a newspaper is published, for thirty days immediately preceding the next election of senators and representatives, at which election the same shall be submitted to the electors for approval or rejection, and if a majority of the electors voting at such election on such proposed amendment shall vote to adopt such amendment, the same shall become a part of this Constitution. When more than one amendment is submitted at the same election, they shall be so submitted as to enable the electors to vote on each amendment separately.

All ballots used at such election on such amendment or amendments shall have written or printed thereon the following: For proposed amendment to Constitution relating to (here insert the subject of the amendment) and against proposed amendment to the Constitution relating to (here insert the subject of the amendment) and the vote of each elector voting on such amendment or amendments shall be designated by the elector by making a cross with a pen or pencil in a circle or square to be placed at the right of the lines the words "For or Against the proposed amendment," as he shall desire to vote thereon, or by indicating his preference on a voting machine when such machine is in use.

I, Geo. W. Marsh, secretary of state of the State of Nebraska, do certify that the foregoing proposed amendment to the Constitution of the State of Nebraska, is a true and correct copy of the original enrolled and engrossed bill, as passed by the Twenty-seventh session of the legislature of the State of Nebraska, as appears from said original bill on file in this office, and that said proposed amendment is submitted to the qualified voters of the State of Nebraska, for their adoption or rejection at the general election to be held on Tuesday the 4th day of November, A. In testimony whereof, I have hereunto set my hand and affixed the great seal of the State of Nebraska, Done at Lincoln this 23rd day of July, in the year of our Lord One Thousand Nine Hundred and Two, of the Independence of the United States the One Hundred and Twenty-sixth, and of this State the Thirty-sixth.
