Former Hartington Doctor Dies in Omaha Amidst Sad Circumstances—Three Herring Brothers Arrested Near Naper—Judge Graves Successfully Operated on for Appendicitis—Fell into Creek.

Wakefield citizens have leased grounds for a race track.

The Dixon county republican convention is being held in Emerson today.

The German Lutheran church at Emerson is to be greatly improved in the near future.

Winnebago Indians have recently received \$55,000 from the sale of their inherited lands.

Fifteen men are now at work building the new telephone line between Randolph and McLean.

At a republican caucus held in Wakefield Saturday evening J. O. Milligan of that place was endorsed as a candidate to represent Dixon county in the state legislature.

Fred Lumburg fell into the Logan creek at Wakefield Tuesday evening of last week while fishing, and would have drowned but for the help of some companions who were at hand.

Robert Steele has returned from a week's visit in Wayne. Mr. Wilson has been pretty badly rushed during Robert's absence, and we will bet a penny he wishes Robert's Wayne girl was an Allen girl.—Allen News.

Miss Anna Pilar, a Bohemian girl, aged 19 years, was found asleep on a railroad track two miles east of Verdell one night last week. She was attempting to walk to her home in South Dakota, and exhausted by hunger and long travel, sat down on the track and fell asleep.

The editor of the Verdell Outlook announces that he has been elected a delegate to the "republican senatorial convention" to be held in Lincoln next week. He is evidently absorbed by the prospect of nominating a senator and forgotten that state officers are also to be named.

Three Herring brothers, who have lived mysteriously in a rock house twelve miles from Naper, were arrested recently on the charge of horse stealing. It is complained that there has been systematic stealing of live stock in Boyd county for several years and a determined effort is to be made to bring offenders to justice.

Harry Kemp, who has been employed in the Boyd hotel at Wayne for several months past, has resigned his position and returned to his home in Randolph. Harry is at present undecided what he will do, but informed the writer that he had several propositions from base ball teams, and that he thought it probable he would accept one of them.—Randolph Reporter.

Jacob Lingner was arrested in Randolph charged with complicity in the burning of the Palace Livery stable which was destroyed at that place last week, together with its contents. Lingner was given a hearing before a local justice and bound over to the district court with bonds fixed at \$3,500, in default of which he was given into the custody of the sheriff at Hartington.

Dr. Gerlach, who formerly practiced medicine in Hartington, died suddenly in Omaha last week on learning that a constable had called at his home during his absence and taken his household effects to satisfy two months' rent that was due. A sick wife in the house did not seem to excite leniency on the part of the law. Neighbors of the family were greatly incensed over the cold-blooded action against the family.

Judge Graves was operated upon for appendicitis at St. Joseph's hospital in Omaha last Saturday morning, and is said to be getting along splendidly. Mrs. Graves is with him and Mr. and Mrs. Herman Freeze have visited him during the week. Later reports are to the effect that the judge was able to sit up Wednesday, is feeling fine and will be home next week. The judge is lucky even in misfortune.—Pender Republic.

The Tribune reports that the boys of Fremont have inaugurated a crusade against the use of tobacco. That paper comments in part as follows: "The boys ought to rally on such a cause like Japanese patriots in defense of their coun-

try. If any of them are persuaded to think tobacco a good thing, in any form except for sheep dip to kill ticks or cattle dope for exterminating warbles on stock, let them ask their mothers' opinion of it, or their father's view, even if he be addicted to its use, as he probably is. They will find a unanimous sentiment against it, not one word in favor of it."

A JUNE CARNIVAL

Week of Grand Festivities in Wayne.

BEGINNING MONDAY, JUNE 13

A St. Louis Carnival Company's Proposition to Come Here has been Accepted and all Necessary Funds to Carry on the Enterprise are Guaranteed—Thousands of Visitors will be Attracted.

Wayne is to have a grand street carnival for one week beginning June 13. The proposition of a St. Louis company has been considered favorably, ample funds raised and a week of attractions, big crowds and jollity assured. Mayor Britton had received a letter from R. C. Leburno, proprietor of the World's Fair Midway and Carnival company, offering to stop in Wayne for one week for \$500. The company proposes to go this way on its trip west, and having the way to spare, exhibits here for a comparatively small consideration.

Citizens met Monday evening to consider the proposition, and appointed a committee consisting of Mayor Britton, Geo. O. Terwilliger and O. D. Franks to solicit the necessary funds.

Mr. Terwilliger being unable to act, Ralph Rundell took his place, and he and Mr. Franks canvassed the town Tuesday and before night reported that they had a guarantee of all the money needed to carry on the enterprise. Therefore, Mr. Leburno was wired to arrange to stop here.

The company has a first class brass band and with their 110 performers will give three free exhibitions twice each day for one week. Mr. Leburno says he can receive reduced railroad rates and is sure he can draw people from every direction and so entertain them that they will want to stay through the week. There will be a variety of new attractions to interest everybody.

Wayne seems especially fortunate in being able to secure a high class carnival company. It will attract thousands of people and there is every reason to expect that none will be disappointed. It will truly be a week of gala days in Wayne and will be looked forward to with joyful expectations.

LOCAL NEWS.

The lodge of M. W. A. will hold its regular meeting next Tuesday evening and all members are urged to be present.

Byron Moseman has traded his Union hotel property in Wayne to A. G. Bonert for 115 acres of land near the town of Page in Holt county. The exchange will be completed on the 20th inst.

The HERALD has received from W. O. Gamble samples of alfalfa grown on his land near North Platte. The alfalfa has already attained a growth of eight inches. It is one of the most profitable crops that can be raised.

Commencement exercises of the high school will be held on the evening of Friday, June 3. Instead of the usual orations, a miscellaneous program will be carried out. There are sixteen young folks in the graduating class.

The school board met Monday evening and filled the remaining vacancies in the corps of teachers for next year as follows: Mrs. Nellie Jones, eighth grade; Miss Elsie Ringler and Miss Gertrude Gregg, either the fourth and fifth grades, or sixth and seventh grades.

At an adjourned session of the city council next Monday evening, the question of enlarging the power of the electric lighting plant will be presented and discussed and all tax payers are invited to attend and express their views. The present plant has been insufficient for some time and improvements are necessary to increase the power to meet the demand. Those who are interested should be on hand next Monday evening and give the council an idea of the popular feeling in regard to the matter.

The case against Harry Hirsch, who was arrested on complaint of his wife, occupied the attention of Judge Hunter's court last Saturday. As alleged, he had been beating his wife, and the original suit was brought to place him under bonds to keep the peace. On reflection, Mrs. Hirsch refused to prosecute that action, and so Hirsch was allowed to plead guilty to the charge of assault and battery. Accordingly, he was fined \$5 and costs, amounting in all to \$12.

VERY COMPLIMENTARY NOTICE

One of the most original comments, because of its emphatic way of expressing its approval of the Big Campbell Brothers' show, which exhibit here Tuesday, May 17, is the following from the Evening Herald, of Charleston, West Va.: "Every promise that Campbell Bros. made was fulfilled and more so. The people were astonished and especially surprised. The show was impressive. The best circus acts ever seen in Charleston were given under the big tents of the Campbell Bros. The menagerie and museum was superb. To particularize it would require a page. The Campbell Bros. are gentlemen and know how to handle a large crowd and make every body feel at home and they know how to please them."

A STARTLING TEST.

To save a life, Dr. T. G. Merritt, of No. Michigan, Pa., made a startling test resulting in a wonderful cure. He writes, "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and had not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them only 50c at A. F. Lane's.

Do you need more blood, and more flesh, do you need more strength this spring? Hollister's Rocky Mountain Tea will bring them all. It is full of iron, and makes you feel like a new man. Sold by Raymond's Pharmacy.

LADIES AND CHILDREN

Who cannot stand the shocking strain of laxative syrups and cathartic pills are especially fond of Little Early Risers. All persons who find it necessary to take a liver medicine should try these easy pills and compare the agreeably pleasant and strengthening effect with the nauseating and weakening conditions following the use of other remedies. Little Early Risers cure biliousness, constipation, sick headache, jaundice, malaria and liver troubles. Sold by Raymond's Pharmacy.

QUICK ARREST

Y. A. Gullidge of Verona, Ala., was twice in the hospital from a severe case of piles causing 24 tumors. After doctors and all remedies failed, Buckle's Arnica Salve quickly arrested the inflammation and cured him. Arnica salve and kills pain. Sold by Raymond's Pharmacy.

WHEN THE SAP RISES

Weaklings should be careful. Coughs and colds are dangerous then. One Minute Cough Cure cures coughs and colds and gives strength to the lungs. Mrs. C. E. Fenner, of Marion, Ind., says: "I suffered with a cough until I run down in weight from 148 to 92 pounds. I tried a number of remedies of no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by Raymond's Pharmacy.

Stomach pain, relieves more and suffering, prevents more heart aches and diseases than any other remedy. That's what Hollister's Rocky Mountain Tea will do. 25c a bottle. Sold by Raymond's Pharmacy.

Neuer Quasthaan.

Der größte Quastdampfer der Gegenwart ist für die White Star Line von Harland & Wolff in Belfast gebaut. Fracht- und Passagierdampfer "Baltic", der im November 1903 vom Stapel lief. Er ist 732 Fuß lang, 75 Fuß breit, hat 50 Fuß Raumbreite und eine Wasserdrängung von rund 40,000 Tonnen bei 28,000 Tonnen Leberfähigkeit; sein Stapelgewicht betrug 15,000 Tonnen. Die beiden vierfachigen Dampfmaschinen sollen dem Schiff eine Fahrtsgeschwindigkeit von 16.5 bis 17 Seemeilen in der Stunde geben. In England ist man der Meinung, daß für die mangelnde Geschwindigkeit des "Baltic" im Vergleich zu den Schnell-dampfern die durch die hervorragende Größe des Schiffes bedingte Unannehmlichkeit den Passagieren einen befriedigenden Ersatz bieten soll. "Baltic" ist jetzt der vierde Reisendampfer der White Star Line; "Oceanic" hat 17,274, "Geltic" 20,904, "Gedric" 20,980 und "Baltic" 24,000 Brutto Registertons. Hiergegen haben allerdings die deutschen Schnelldampfer mit ihrer bekannten, diesen englischen Fracht- und Passagierdampfern weit überlegenen Fragegeschwindigkeit zurück; Kaiser Wilhelm der Große hat 14,350, "Deutschland" 16,502, "Kronprinz Wilhelm" 15,000 und "Kaiser Wilhelm II." 19,500 Register-Tons. Die "Baltic" soll 350 Mann Besatzung erhalten und 3000 Passagiere aufnehmen können. Der Stapelhof erster Klasse liegt auf dem Oberdeck und hat 370 Sitzplätze.

Das Kloster Sankt Just.

Karlo V. Thronbesteigung und sein nachheriger Reichthum.

Das spanische Kloster Sankt Just, in dem der deutsche Kaiser Karl V. seine Lebensjahre beschloß, liegt, wie damals, auch heute noch abseits von der großen Siedelung, und nur sehr selten verirrt sich ein Verandaungesessener dorthin. Am leichtesten ist der Ort mit der Bahnstrecke, die von Madrid nach Vifafon führt, zu erreichen. Man kommt zunächst an Torrijos, dem Viehlingaufenthalts-Reis des Grafen, vorbei, sieht in der Ferne die gewaltigen, mit Schnee bedeckten Gipfel der Sierra de Guadalupe, berührt dann den Tajo bei dem uralten Talaree de la Reina, wo Wellington die Franzosen schlug, und verläßt dann in Royal moral den Tajo, um auf einem Markt thierische Produkte von 21 englischen Meilen Länge an Elbengärten vorbei in nordwestlicher Richtung durch verschiedene molerisch gelegene Dörfer nach Guadalupe zu gelangen. Man dort erreicht man in einer halben Stunde das Kloster. Es liegt an einem Bergabhange und wurde im Anfang des 15. Jahrhunderts von Hieronymus aus Valencia an der Stelle einer dem hl. Crispin geweihten Capelle gegründet. Jetzt gehört es einem Marquis v. Alcala, der es nach der barbarischen Verwüstung durch die Franzosen so weit wie möglich wiederherstellen ließ. Doch gibt das vorhandene keine rechten Anhaltspunkte für die Größe und Pracht, die der Klosterkirche beigemessen werden kann. Man trifft nach dem Kloster ein, das im Jahre 1573 in Brüssel der Krone erstanden hatte, im Februar des folgenden Jahres in Sankt Just ein und verbrachte den Rest seines geschäftigen Lebens an der Spitze des Klosters ererbtes Gebäude. Hier lebte er, und zwar keineswegs als Abt, wie manche glauben, sondern als verehrter, von zahlreicher Dienerschaft umgebener Herr, der auch weiterhin noch für die Politik Interesse hatte und seinem Sohn noch manche Rathschläge ertheilte, sich im Hebräer oder seiner Liebhaberei der Mathematik mit medizinischen Instrumenten, namentlich Uhren, hingab, nicht lange allerdings, denn am 21. September 1558 betritt er die Welt, 58 Jahre alt, der Tod. Seine Leiche wird freilich, in einem Weisung beigesetzt, dann nach 16 Jahre hier, bis sie nach dem inzwischen fertiggestellten Escorial in Madrid übergeführt wurde. Der höhere Sarg, in dem der kleinere ursprünglich eingeschlossen war, wird noch heute gezeigt, allerdings mit dem der Leiche Bedienung während der auf seinen Wunsch schon zu seinen Lebzeiten veranfalteten Leichenfeier gelegen habe. Die Zimmer sind jetzt edel und herrlich. Im Schlafgemach hing einst die schöne "Gloria" von Tizian, die sich jetzt im Prado-Museum befindet und der Empfehlung des Kaisers, seiner Gemahlin, seines Sohnes Philipp und seiner Gattin in den Gefilden der Seligen dargestellt. Von der Terrasse hat man einen herrlichen Blick über die fruchtbare Guadalupe. Der Pavilion, die Sommerküche, der Stein, den der Kaiser benutzte, um sich in den Sattel zu schwingen,

und der die Kaiserin von Spanien, Maria Theresia, besuchte, sind noch zu sehen. ATTEMPTED ROBBERY

Bank at Carroll Attacked Without Success.

News reached Wayne early yesterday morning of an attempted robbery of the First National bank at Carroll, ten miles from here. At 2 o'clock in the night a terrific explosion of dynamite wrecked the vault door of the bank and aroused people living in the neighborhood. The robbers, three or four in number, became frightened and fled before reaching the safe where the money is kept, and made good their escape after exchanging shots with citizens. Sheriff Mears was notified and has since been on the lookout for the bandits. Yesterday forenoon he arrested a couple of strangers on suspicion, but they proved that they were not engaged in the robbing business and were released. M. S. Merrill is president and Geo. Merrill is cashier of the bank that was attacked.

The HERALD's Carroll correspondent gives the following account of the robbery: An unsuccessful attempt was made at an early hour yesterday morning to rob the First National bank at this place. Some parties who were sleeping in the rooms just over the bank were aroused by the noise, gave the alarm, and in a few minutes had a number of men on the scene. But the robbers had fled taking with them \$29 which had been left in a drawer at the cashiers desk. The robbers made an entrance at the front door by means of a skeleton key, and attempted to dig their way into a vault with some tools previously procured at the railroad tool house. This proving slow work, they blew open the door of the vault, but were frightened away before the safe could be opened. Dr. W. H. Phillips who lives over the Brown & Beebe store, all of which is in the same building with the bank, opened fire on the men who staid on the outside. HOW HYOMEL HELPS THE HEALTH.

Kills the Germs of Grip, Catarrh and Colds, "Costs Nothing if It Fails." Says E. J. Raymond.

Now that Hyomel can be obtained in nearly every town and city in the country, it is possible to buy from druggists a health giving climate to be carried in the purse or pocket. By breathing it a few minutes four times a day you can soon cure grip, coughs, colds and even the worst and most chronic cases of catarrh.

E. J. Raymond has seen so many remedies made by the Ely and Hyomel treatment, that he will sell it with a positive agreement to return the money if it fails to cure.

A complete outfit costs but \$1. and consists of the pocket inhaler, medicine dropper and sufficient Hyomel to last several weeks.

It effects a cure in the worst catarrhal troubles and if breathed at the commencement of a cold or grip, will check it quickly and prevent sickness. Extra bottles of Hyomel can be obtained for 50 cents.

When breathed through the inhaler the germ-killing and health-giving Hyomel goes to the most remote cells of the throat and lungs, killing all the catarrhal germs, soothing the irritated mucous membrane and vitalizing the blood with oxygen. At this season of the year, every one should have a Hyomel outfit to prevent and cure catarrhal troubles, and ward off influenza, pneumonia and similar ailments.
