THE DEMOCRATS HOLD FORTH Nominate a Full Ticket--No Volun-

teer for Sheriff.

George Wilbur, W. S. Goldie and Ed. Collies were appointed a concentree on resolutions and their report was a plea for equal taxation, and the balance of the resolutions were given up to a condemnation of earthing republican, and charging the republicans with all the life, spoint, choomic and political, with which the country and the world in general ever was, is now or ever will be afficted, except the cracifixion, the war of the rebellion the Francis Prusisian, the Boer outbreak and the un pleasantness between Japan and Ru and it is somewhat surprising that Roosevelt didn't get a swipe for bring ions into a conference that eventually brought about peace.
The reading of the resolutions was rendered in a very dramatic and telling

of district court way by Gold and at the conclusion

when the jary will be present and an the resolutions was completed the chair upointly large list of jury trials will be problement and an appointed Wilbur, Goldie and Theo. Barnhart to get up a delegation to go je following are the cases that received to the state convention and the following are trial next work:

(Walt Gaebler Jr. C. Barrels, Junes Methods Scheenfeldt vs. Fannie and Guire, F. A. Berry, R. H. Skiller, J. E.

artention Monday, in Juding those set for forty ferial next week:

(Robert Schoedfeldt vs. Fannie and Hose (Goeller J. C. Barris, J. J. M. Massie; Otto Fredericksen, W. E. Brown ad higher dawiff eiges vs. Wayne county, and all the Lawiff eiges vs. Wayne county, and all the Lawiff eiges vs. Wayne county, contained by agreement.

Not week: Whyne county, and all H. Michell. The following ticket was nominated; County, clerk, Charles Reynolds; treasured to the county, and should be supported by the contained of the county of the coun vention attempted to nominate a com-missioner for the First district, but after considerable display of oratory it from the first commissioner's district were to do this and after the county convention alijourned the delegates of the district put J. H. Mitchell of Logan in nomination; Dr. G. Nieman was nominated for coroner.

Strange as it may seen, up to this into the nomination of a candicate for heriff had not been brouched an twhen niter everything elschairman, in a voice plainly indicating the hopolass, task some follow who about to be assigned, amounted that it remained for the convention to make a choice for that office. A stillness like unto the grave, fell pron the assembled statesmen and anxiety was plantly de-picted on every face until finally a heroic brother proposed to pass the task up to the central committee and then came protests from Ziegler and Goldie. and the result was that after much consultation the nomination was given t Weatherholt of Hoskins, "be causeline wash to present to decline," but the Hoskins del-kation entered a pro-test spainst the convention thus taking advantage of the goutleman's absence and forcing him to the slaughter, , but was nominated the convention journed before a reconsideration coul

Notes of the Convention.

In choosing a complete ticket democrats displayed more courage the the republicans showed a week prior

Pat Coleman says: "Plum Creek never was without a delegation in a democratic county convention while I was in the predict, and then the brave old patriot heaved a sigh that was almost painful.

The smiles that re-red orthe beaming faces of Charley Reynolds and Jack Cherry, as they we'r renominated, and owing to the fact that they are the only candidares for their respective offices was worth going failes to see

Ceorge Wilbur ranked out some very nice compliments for J. H. Massie in his speech placing that gentleman in nomination for county judge, but Enoble Hunter will produce at effect at education time that will put George's effect. ely in the shade

Prohistoric Bones.

The Pender Republic reports that the bones of a mastodon were unearthed by railroad graders near Baucroft recent ly. They are partially petrified, and were taken in charge by a man who like-ly intends to mount them. Evidence that huge animals, now extinct, had possession of this section of the glob at one time, appears occasionally. On dable looking devil,—and nature did well in stopping further reproduction of the species. The plesiasaurus discovered near Ponca was taken to Chicago and properly mounted and is doubtless still on exhibition there.

Damage By Hall.

The roots of rain, wind and hall have been devoting bruch attention to this feet by the rain which fell in brronts Friday night, Sunday night and Monday, was not needed; but diff to special damage. It was accompanied by half in some localities, however, doing considerable injury. Northwest of town Friday night bail stones as large

se walnuts fell and stripped grape vines and apple and plum trees of their fruit. The corn was not hurt, though it is believed it would have been if the wind had been blowing. During Sunday night's torm, hail swept an area of three or four miles west of Meskins, knocking down the corn crop. Also was considerably damaged. It is said the last storm was so severe in that locality that hundreds of sparrows

Albion News' Welcome,

The Albion News welcomed the army Methodist preachers to its town last reck with these words: "As a semi-official spokesman for the

ople of Albion, we extend the glad hand to the preachers now sojourning in our midst. We want you to feel at home with us, and not hesitate to call for anything not in sight necessary for your comfort or convenience. The only thing of a convivial nature that we lack is a public saloon, and in this we rejoice. From observations we are confident that you are capable of generating a sufficient degree of hilariousness without any artificial stimulant. The grand ustoding of the poultry yards informs as that there is no danger of a 'drouth' in that direction, and the hydrant water of exceptional quality. We have no curtew bell and the lights burn until midnight. The city is yours and whope you will enjoy your visit with us.

Gurney's Proposed Invention. In my judgment the demand of the morning, is for a steam plow that the verage farmer can use. The time for lowing is generally short and the armer is muchle to get that work done, some day it will be that such plows will verage farmer can use o used as threshing machines are no They will go about from farm to used. They will go about from farm it farm turning over the ground at a much an acre. I am thinking of taking an 'evening off and devising a steam plow with a capacity of forty acres a day to fill a long-felt want."—Fremont

Soliciting For New Church.

Otto Frederickson of Logan precidet, was doing some Boliciting in town on Saturday for the new Swedish Lutheran church being erected at Wakefield. Mr. redericksen informs us that the church when completed will cost about \$12,000 It will be one of the up-to-date, substantial church buildings of which a great many more gence the great prairies of North Nebraska than the most vivid Imagination would dared have pictured twenty yea, even ten years ago, i would be possible to bulld in so short

A gasoline stove was responsible for fire which hurried the hose company to the residence of G. W. Crossland at moon on Friday. In the attempt to arry the flaming stove from the house irs, Grossland had her arms from th we down badly bursed. A leak in stove started the trouble, and was owed by the gasoline tank falling into the flames and exploding. The light damage

It will be remembered that Mr. Fish and family left Winside lust spring and took up their abode on one of the Rosebud homesteads.

Death From Appendicitis.

Mr. and Mrs. Fred Treutler's S-year-old daughter who underwent an opera-tion for appendicitis, performed by Dr. A. S. Jonas of Omans, on Monday of last week, died at her home in Alto on the following Wednesday. The funeral took place at Altona Saturday Electric Line to Emerson.

It is reported that Norfolk capitalists contemplate building an electric line from that city to Emerson.

OF ROYAL BLOOD

Anna Holdobler a Prin-

REMEMBERED BY WAYNE COUR

the Fortune Due Her.

Ipldobler who lived on a farm in Way value near Wakefield and who left due weeks ago for Chicago where they were committed to an asylum, are still tracting attention. A long article ap peared in Saturday evening's Siou City Tribune, making the claim tha Mrs. Holdobler is a real princess of In allogation that is apt to be disputed b those who were present when she was cavorting and swearing like a pirat; it the county judge's office in Wayne, and that a fortune of \$5,000,000, now

"To prove her claim," the report go on to say, "Mrs. Holdobler relies upo a string of pearls about her wast an one imbedded in her flesh. The pear arts strung upon catgut and were pu around her waist when she was a mor dia and she lived at Bombay and Cal dia and she lived at Bombay and the courts with Louise Mackrott, a Grenar woman, who had always been with the family. Finally her guardian also war mpredered and all the jewels of the house of Gujed Singh were stoler. More Pearl left alone, out one pearls from her flesh and went man descent. While living there German noblewoman whom she ha often seen in India, sold her \$5,000,000 Pearl visited England, but after long correspondence with India failed to convince the bank officials that she was entitled to the money. Mote Pearl became discouraged and married Hold obler and came to America Late

formation to fully establish her claim to the money. She and her husbaut left for Europe. At 'Chicago the anticipition,' after a hasty examination knowing nothing of the payl in the woman's flesh, sent her to the fittind asilum, and at Dunding, where she is now pondering upon the ill fate that ha pursued her. The ten pearls about he waist were worth \$18,000. She has all and the control of them to appear to the paylor of them to the position of the property of them to the paylor of the pa

prised to know that they were wrestling with royal blood when Holdobler and wife were brought before the county court on account of disturbing the peace. and will wonder at the vicious manne white in custody. They will perhaps conclude that that is the way royal cloud acts under restraint.

Still their representation at the public crib has been tolerated for a long time.

year an innovation that ought to be the same lends as those of langer dura-tion. An all-summer's task of plying for votes is an unhappy experience for

The republican party in Wayne county is of ainple proportions, but its representatives are a trifle too quiet to make the proper showing There should have been a few flights of loratory hat Saturday to have stirred the air and aroused enthusiasm. There was plenty of the latter, but it was modestly con-cealed, whereas it should have been first for a position.

Congonial temperament and tact are as essential in the school teacher as essential in the school teacher as book love. In fact, ability to win the respect of pupils and arouse them to volunitary effort, avoiding the part of a tyrant in discipline, should above scholarship.

The nominees, each of whom is well knewn and well qualified, should and will receive the united support of their above scholarship.

The doctors have been trying to diagnose the disease of Baron Komura who has been ill in his New York quarters.

While doctors consistently flaure out the acting of a disease correctly, they are often wrong and not infrequently make ridiculous and sometimes grievous mistakes.

Done the disease of Baron Komura who has been ill in his New York quarters. While doctors occasionally flaure out to complained that the extra cost to the state by reason of compelling officers to state by reason of compelling officers to wayne.

Would You Keep Your Plants Blooming All Winter? Do You Enjoy the Luxury of Getting Up in Warm Rooms without having to Kindle Fires? If so, Buy

Cole's Original Hot Blast Stove

Investigate To-day. Even Heat Day and Night. Fire Never Out.

It is the most economical stove made for soft coal, slack or lighte coal, because it burns the gas half of this fue wasted up the chimney with all other stoves. Cuts the fuel bill in two.

of this fuel wasted up the chimney with all other stoyes. Cuts the rue libit in two.

It is the most economical hard coal stove made, and the best wood stove. 1st, because it has twice the positive radiating surface of any hard coal stoye. 2d, because it is air-tight, thus giving perfect control over hard coal or wood fire and insuring a slow, economical combustion. You get all the heat in your room avoid insuring a slow, economical combustion.

We have told you much about Cole's Original Hot Blast. Please read the following letters telling

FOR SOFT COAL

ENCY IOWA, November 24, 1903

DIE MANUFACTURING Co., Change, Ell.
Genelium Vour stove is very satisfactory. I used a Round Oak for a number of years and noted the quantity
of all of L. I find you. Hot these will de the same service with at least one half the coal. One year ago I used an
mation flat blast which was not satisfactory, as it was not air-right and could not be made so, hence would not
define even note or keping of the hot by dig. Col. Hot Blast is tight, and has kept fire for us for two mights
of the coal note or keping of the hot dig. Col. Hot Blast is tight, and has kept fire for us for two mights
of the willow attention, and blazed up on opening up the drafts without a fresh supply of fuel. The heat is
of the pulson as you want to and it is possibly to maintain the temperature desired in the room.

Very truly yours,

C. F. GOLTRY.

MONTROSE, COLO, Charles, M.

1 that 1 1 to El 1 Socie that if I were without a heater I would not accept any other kind a second, that is Cold he in a condition has did the good points in favor of Cones Hot Blast are first, the great con to that, and second, the sale and perfection with which the heat can be regulated.

1. HOLMON

What Three Ministers at Evansville Say of the Stove for Soft Coal

Annual of ant for Cales Hot Blast, Examerille, Inc

Deer Stries Be, using the Coles Hot Blast Stove purchased of you for our class room, I regard it as a realizable better the way where the sum of the store were sum to dit way where such that it way where such that which is a great saver of fuel, easily regulated, giving 4 und diplits several times to my knowledge without attention, and is a great saver of fuel, easily regulated, giving 4 und m heat day and night.

A. L. BENNETT, Parter M. E. Church.

If someway, Agent for Collett II First, Francisk, Ind.

For vary, Weart greatly pieces, with our todes Hot Blast Stove. We burned it last winter in a very same room in the parties and with the everytion of once or twice the fire was not out the entire winter. The Hot Blast dualit wild perfectly, consumes far and smoke and uses less coal than any stove I ever saw to more morning to did that Blast for a very five firetist.

Your promium of Colds (Hot Blast for a very five firetists).

Ray, F. Reller, Pador St. Paul's Church, 12th Acc, and Mangan St.

H. I. Simmons, A. on Coles Met Black, Exampellic, Ind. Dear Sir, —The two 12 inch Coles, Het Black Heaters I purchased for the Howell M. E. Church have been very satisfactor. They's left for 60 found, giving a uniform heat with the least possible amount of fuel.

Very traly yours,

REV. A. D. BACHELOR, Partor Hencell M. E. Chired.

BERRY, Wis., November 24, 1903.

Gentlemen. I want to say a few words of prace for Cole's Diginal Hot Blast Slove purchased of you seemed work sign. I noted to the control of the cole of t

and any other stove manufactured. [Upon that and your own recombination I played one in my nome.] I am joining had contained a greater amount of the played one in the same space, and getting a greater amount of the played of the same space, and getting a greater amount of the played of the same space, and getting a greater amount of the played of the same space, and getting a greater amount of the property is samely a samely a greater satisfaction and multi-heat with hard coal that a large base burner I am using in another part of the fittle promised Collect 10th Black at the most economical and best heading stove for hard coal verse saw.
