MILITIA COMPANY FOR WAYNE

Can Have a Company of the State National Guards if We Want It.

Adj. Gen. Culver in making an assignment of territory, entitled to a company, of the Nebraska National Guards, decided about a month ago that the North Platte country should be next in order of recognition. Representative J. O. Milligan, of Wakefield, took the matter up with the Adjutant at the time and strongly recommended Wayne for the honor. Milligan then wrote Wayne parties regarding the matter, urging them to talk it up and get the proper parties interested. There is a good list of available young men for such an organization in and around Wayne, and we believe they are all anxious to enlist. A militia company is a great benefit in many ways, and the discipline of the organization is of inestimable value to its members. It is often made the star social order of the community and the annual encampment affords a vacation of recreation that is above all, desirable. It should develop the qualities of manhood in its members and instill the reasons why our starry emblem should be honored upon every occasion. After all, the thrilling stories of the Nation's history are clustered about the soldier. A militia company in our midst would stimulate all the elements of patriotism and that begets a community loyalty that makes us forget our petty strifes in our anxiety for the general good. Why of course! Wayne should have a company of the National Guards, and we hope this opportunity will not go by default.

WANTED FOR FORGERY

Riley Ruth, of Altona; Inveigles His Brother-in-law.

A complaint was filed in the county court last week against Albert Ruth, better known as Riley Ruth, charging him with forging the name of Andrew Speich of Altona to a promissory note for the sum of \$100 which he sold to the First National Bank of Wisner. Ruth was the maker of the note and used Speich's name as surety. The crime alleged was committed in 1906, after which Ruth departed for parts unknown. He has relatives in Texas and it is thought that he has gone to that part of the country. Speich is Ruth's brother-in-law, and would be glad to see his kinsman or hear of his present place of residence. Wisner Chronicle.

THE CREAM STATION

Manager Gossard Reports it in Prosperous Condition

Manager Gossard of the local cream station is quite elated over the amount of business coming their way. The association is now patronized by about 125 customers and last week 55 cans of cream were shipped out, besides fourteen additional cans that came too late to be considered that day. The returns at present to the farmers is 30 1/2 cents per pound. During the first half of the month the price ranged around 27 1/2 cents, while during March the returns varied between 27 and 28 cents. The association method of handling the cream is certainly proving a success with farmers about Wayne. They don't find it necessary to buy stock in a questionable corporation, in order to realize top prices for their product.

READING ROOM AND GYMNASIUM

A Plan on Foot to Provide a Gathering Place for the Boys

A number of enterprising Wayne ladies have started a movement for a Reading Room and Gymnasium for the benefit of the boys. The need of a place where our youth might gather and spend their evenings and other spare hours, has long been felt by many of our Wayne people. A little investigation on the part of the ladies has revealed a strong sentiment in favor of the movement. Liberal support has been tendered the project and it seems possible that pledges for some \$2000 can be secured. Besides a room where choice books and the best of newspapers and periodical literature will be provided, it is proposed to have a well equipped gymnasium, with a swimming pool and various bath arrangements. In order that the boys may feel an individual interest in the affair it is thought best to charge a small monthly fee of all who enjoy the privilege. However, the amount will only be nominal and will be paid in once each month at a social meeting of all members, when light refreshments will be served.

The undertaking is certainly worthy, and the motives back of it appeal to the best sentiment of the community. Support it and thus stand by the boys.

DIED.

The infant daughter of Mr. and Mrs. Ole Granquist passed away on Thursday, April 18, 1907. Minna Ellen was one year, six months and twenty-four days old. The funeral service was held Saturday, April 20, from the St. Paul's Lutheran church conducted by Rev. C. J. Ringer.

AN IMPORTANT MEASURE.

The New Free High School Law Provides for Country Pupils After the 8th Grade.

The new Free High School law has passed both houses of the legislature with the emergency clause, has been signed by the governor, and is now in force. The emergency clause was necessary so as to legalize all preliminary arrangements necessary for the inauguration of this law for next year. Non-resident pupils will not be entitled to free high school privileges until all requirements have been met by pupils, patrons, and school districts before, at and after the school district meeting.

The purpose of this law is to provide for four years of free public high school education for all of the youth of this state whose parents or guardians live in public school districts which maintain less than a four year high school course of study.

The required conditions on the part of the non-resident pupil are:

1. For entrance to the ninth grade, that the pupil must have completed the course of study for the first eight grades. For entrance to the 10th, the 11th, or the 12th grades, that the pupil must have completed the work of the preceding grade.

2. That the pupil is unable to secure in the district of his residence the high school work for which he is prepared and desires.

3. The pupil must have a certificate signed by the county superintendent that he has completed the work of the required grade and is unable to secure the work of the desired grade in the district of his residence.

The parent has a small, yet very important part. The neglect of the parent to discharge his part means the loss of free high school privileges for the ensuing year. Section 3 reads: "The parent or guardian of any pupil desiring to take advantage of the provisions of this act for the free high school education shall make application, in writing, to the county superintendent of the proper county on or before the second Monday in June of each year. Such application must show the number of the public school district in which such parent or guardian maintains his legal residence, the number of pupils for whom free high school education is desired, and the high school grade which each pupil is to enter." This means that any parent desiring to secure free high school privileges for next year, must before June 10, 1907, make written application to the county superintendent as above indicated.

A Woman Tells How to Relieve Rheumatic Pains.

I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines but never got much relief from any of them until two years ago, when I bought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how wonderful it has worked.—Mrs. Sarah A. Cole, 140 S. New St., Doyer, Del. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is alone worth many times its cost. It makes rest and sleep possible. For sale by Raymond's Drug Store.

Word Was Received From President Dinsmore

On Monday of this week that a car of brick and cement for foundations for new machinery, were on the company's sidetrack and that a force of men were rushing the new machinery into place as fast as possible and that it would be running some time next month.

Do You Know that our old power plant only run one drill while the new one will run from ten to fifteen drills.

JUST THINK of the immense power we will now have and how much more rapidly we can develop the mine from now on.

As soon as this plant is installed we will begin to block out ore in the six veins we have already opened and get them in shape to supply a mill.

THE RICH STRIKE made a few days ago in the King Solomon, which according to a telegram I received and also according to the Denver Daily record, has caused more excitement among old time miners than any strike in camp. This strike, I say, is but one of the many that will be calling our attention as soon as the new plant is going.

THE BREAST OF THE TUNNEL will also be driven several times faster and it will be but a short time until we will open the Golden Centre and other large veins from which large quantities of ore have already been taken and shipped from the extensions.

A YEAR AGO I had the opportunity to get stock in the Mohawk mine at 75 cents per share, but I let the opportunity slip, and today it is selling on the Exchange for \$19.00 per share.

Now Friends, Mr. Farmer and Mr. Business Man

A good many of you have been listening to me through the columns of this paper for more than a year; a large number of you have heeded what I said and bought stock, but some of you haven't.

You have all seen the stock advance 150 PER CENT and I want to say right here that you will see a greater advance the next twelve months than you did the last.

The Reason For This Is Plain

We have just recently entered what is known as "the large ore zone" where hundreds of thousands of dollars worth of ore is already blocked out on other properties joining us and with the large plant of machinery we will be able to open it up, honey-comb and block it out very rapidly.

Do Not Let This Golden Opportunity

slip by but get in with the rest of us before another advance

One of the strongest objections to a

lot of so-called "mercerized cotton" fabrics in men's clothing is that the cotton isn't mercerized at all; just plain cotton. The term "mercerized" is made to cover a lot of cotton fraud.

You may find in many clothing stores fair-looking fabrics which are made of 90 per cent cotton and a thin veneer of wool; they really look and feel quite fleecy. You think you're getting a real bargain at \$10 or \$12.

The wool veneer will be worn off in ten days; the suit would be dear at \$4.50.

The safe way is to get clothes that are above all suspicion; all wool and no doubt about it.

A Miss Northrop, of Los Angeles, Cal., was a guest at the Oscar Lewis home the past week. The young lady is a niece of Mrs. W. Cook and a talented violinist. She came to Wayne from Chicago where she spent the winter as a member of one of the big orchestras.

The pressed brick for the new Mellor building arrived the first of the week, and the fine weather has enabled the masons to make a good showing on the first story. The brick, of a cream color, are being laid in red mortar, and the promises are that the building will be one of the most attractive of Wayne business structures.

Wayne gave Annie Abbott the "cold shoulder." If the Norfolk News is correct she deserved it, for the opera house management at Norfolk cancelled her engagements after a night or two of show and ordered the outfit from the house, discovering to its thorough satisfaction that Annie as a "mind reader" was a "fake," and that the woman was a fraud of bold order, and not entitled to the patronage of theatre goers in North Nebraska or any other section.

Mr. and Mrs. J. W. Ott left yesterday on a visit with relatives in Missouri.

Wanted—Position in small family in town, by single lady. Will do housework for small wages and board. Inquire at this office.

Another of those joyous occasions, the annual smoker of the Commercial club is being arranged for. The committee will have the invitations out in a few days.

Mrs. H. G. Leisenring, left for California this morning to be gone some six weeks, on a visit with her parents and with various friends in different parts of the state.

Norris Epler, the five year old son of Mr. and Mrs. J. W. Epler met with an unfortunate accident while playing with several other boys in the hay mow of R. Philleo's barn, Saturday. It seems that a large opening in the floor was lightly covered with hay and thru this the little fellow fell, striking on his shoulder with the results of a fractured collar bone. He has suffered severely, but at present seems to be improving quite well.

A very enthusiastic campaign for new members for Ben Hur is going on in Wayne. Working under an unusual rate of examination fee only C. E. Wilkinson, Supreme Guide, and the members of Balthasar Court are working for 100 new members to initiate May 17th. The outlook is very encouraging, many new members have been written. 21 new members were accepted at last meeting Saturday night. The double dissolving stereopticon of Capitol City Court No. 23 Lincoln, Neb., will be brought here for the class initiation. Over 100 views from Book Ben Hur with illustrated songs, Holy City, Rock of Ages and Nearer My God to Thee will be shown. Class initiation may be put on in Opera house if arrangements can be made.

Manager Sprague, of the Standard Oil Co.'s Wayne station, got into a mix-up with a live electric wire while returning from one of his out-of-town deliveries last evening. At the intersection of the streets near the Lund residence the head team on the wagon, suddenly fell to the ground struggling. One of the other horses also came in contact with the wire and was badly crippled for a time. As soon as Mr. Sprague was able to discover the trouble and act, he managed to lead two of the animals away and drag the third. This morning the horses had apparently recovered from their shock. A wire on one of the side lines had become dislodged and broken. It was fortunate that some of the children in the neighborhood had not happened upon it.

MISS LOUISE McCLEESE DEAD

Locks Herself in the Room and Is Discovered Too Late to Save. —A Mysterious Affair.

All Wayne was startled yesterday afternoon by the announcement that Miss Louise McCleese had been found dead. The young lady has been acting matron of the Rest Room, located in the rear of the old Wayne National bank building, and it was here that the girl's aunt, Mrs. P. M. Corbit, came upon her prostrate body. Mrs. Corbit was in search of the girl, as she had not been home for dinner, and finding the door locked she thot to peer in at the window and seeing her niece lying upon the floor, she hastily summoned the inmates of the building. Miss Gussie Scadden, who is stenographer upstairs and Mr. Biegler, who conducts a shoe shop in the basement, appeared on the scene. Mr. Biegler managed to get into the room by a rear window and unlock the door. Several doctors were hurriedly called. When they arrived life was not yet extinct, but see was entirely unconscious until death came within thirty minutes.

The cause of death seems to be in doubt. We understand, that even the doctors were divided, two deciding on heart failure, while the others thot it might be from poison, as a two ounce phial, with a small amount of carbolic acid remaining in it, was found on the table in the room. No coroner's inquest has been held, so the real cause of death has not been determined by a jury.

Deceased was about seventeen years of age, in apparently the best of health and a suicidal intent appears but mere assumption. She has been staying with her widowed mother, and their home and relations have always been the pleasantest. She was a student at the College, and while not attending this term, she would have graduated with the class this fall.

It is certainly a sorrowful affair, and the deepest sympathy of our people goes out to the afflicted mother and relatives. Funeral services are to be held tomorrow either at the home or at the Baptist church in time to send the remains away on the two o'clock train, for Chicago, where burial will be made beside the remains of her father.

KEEP THE RECORD STRAIGHT.

Creighton has a new telephone building and claims to be the first city in northeastern Nebraska to possess a building exclusively for telephone purposes.—Lincoln Star.

We do not wish to unnecessarily disturb Creighton's feelings of joyful distinction, yet to keep the record straight it must be said that the flourishing city of Wayne has had for several years a building that was erected and has been used exclusively for the purpose mentioned.—Beatrice Express.

Olof Olson left today for Washington where he will visit for awhile with his daughter.

Lillie Lucky arrived home from Coleridge Tuesday. She has been helping Mrs. Oldenberg get settled in their new home.

W. E. Gleason left Wednesday for western Kansas, where he will look over the country with a view to buying land.

Mrs. Gust Wantoch left Saturday noon for Bancroft in response to the sad news of the death of her brother-in-law, W. Watterman, to attend the funeral which will be held Sunday. Gust accompanied her as far as Norfolk.

N. H. Meier and wife came up from Hooper Saturday and visited until Tuesday at the Geo. Sweigard home north of town.

Vernon Zeimer came down from Holt County Saturday and visited home folks until Monday. Yielding the rod seems to agree with Vernon.

Henry and Dick Krause have been sawing lumber this week. The boys had better organize a corporation and go to selling stock so they can bust the lumber trust.

Albert Nitz took his son Charlie to Omaha yesterday morning on the early train, where he will enter the hospital for treatment. About a year ago while playing ball he was struck on the leg by a ball and since been unable to use the limb since then. The physicians who had the case in hand advised taking him to the hospital. It is to be hoped that the limb will be restored to its usual strength and usefulness.

Another of those "whirley-giggle huggin-bees" was given in Witzhick's hall last Saturday evening and all the fine young gals and boys for many miles around were there and judging from the way they all went after the huggin' act they must have figured this would be their last chance for a long time again. Anyhow they all enjoyed themselves and when the last "Home Sweet Home" was played their footsteps faltered and seemed to say "More Huggin'."

On Tuesday, just after dinner, considerable excitement was created on our streets by a family jar. It appears that John Reichert's wife had been over to Hadar at the bedside of her father, Mr. Barnhart, and one of the children at home with the father had taken sick. John on Tuesday started to go after his wife but stopped in Norfolk and filled up on "fire water," then drove out and got his wife. It appears from the wife's story that the bad whiskey had loosened John's tongue at both ends and he started abusing her by using vile threats, etc. When they were going through Hoskins they stopped in front of Anderson's Trading House and John got out to see the proprietor. Upon his return he found that his wife had alighted from the buggy and was taking the two children out. John fearing he was going to lose his better half run, grabbed her and tried to make her get back into the buggy, and upon her refusal handled her pretty rough. The marshal came along and took John to the calaboose. His wife filed a complaint before Justice Templin and John was brought before the magistrate, who liquidated the feelings of the injured wife by fining her "hubby" \$5 and costs. John rustled the money up and he and his wife again started on their homeward journey as happy as a pair of kittens. "Oh Lena, you know I always loved you."

Mrs. Joe Dobbin drove to Pierce Sunday. Her little nephew, Dallas accompanied her home.

One Dollar Cheaper.

During the one week of April 22 to 27, inclusive, the Lincoln Daily News will accept \$2 from mail subscribers for a whole year to May 1, 1908. The regular price is one dollar more than that. This cut price is good only during this Bargain Week, and all you have to do is to mail your \$2 the The Daily News, Lincoln, Neb., during that time, and you will receive the paper until May 1, 1908.

The News does not receive any free railroad tickets, and has cut off several traveling solicitors. Instead of paying out railroad fare, hotel bills and other expenses, these savings will be given to our subscribers direct by this big bargain offer. More things are being done this year for the people in Nebraska than ever before. The new deal seems to suit everybody who has not had some

sort of a pull. The Lincoln News keeps in the midst of the fight and wants every man who believes in a square deal on its list.

At \$2 for a whole year there is not a family in the state that cannot afford a daily paper. The News has the reputation of printing the truth and printing it plainly, no matter where it hits. Its the liveliest, snappiest newspaper proposition in Nebraska and if you become a subscriber at this cheap rate, you will stay with it for a long time to come. Remember the bargain week—April 22 to 27. The price will be \$3 after that week.

Guaranteed to give you perfect satisfaction, and will go farther than any other coffees. Last week we made 4 gallons of coffee from one pound of the "Iowa" brand, our 25 cent retail coffee. Ask any one who has sampled it how it pleased them. The other goods are equally good goods for the money. Proof of the quality of these coffees is shown in the fact that their sales increased 80 per cent in 1906 over the sales of previous years. Try some of these excellent goods and you will know why.

To Please the Mothers

We have this year put in a complete stock of Boy's and Children's blouse waists, which we are going to sell at 50c each. We have them in the plain colors in Blue, Grey and Tan Chambras, and in neat stripes and checks in Madras and Oxford Cheviots; goods that have service in them, and will not fade out when washed.

Don't Get Sidetracked

with the idea that you can sit down and make your Boy's waists any cheaper than you can buy these, you certainly can if you not count your time worth anything, and no mother can afford to sit down and make her boy's waists at a saving of only 10 to 12 cents per garment.

Child's Wash Suits

We have the largest assortment of Child's Wash Suits that has ever been shown in Wayne. We have them in Sailor Blouse and Buster Brown styles, with large sailor collars and the new Peter Pan collars at prices that range from 50c to \$2.50 per suit.

We ask the mothers of Wayne and vicinity to come to our store and look at these lipes, as they are worthy of your consideration, and the prices are within the reach of all.

CLUBS AND SOCIETY.

The Minerva club met with Mrs. Guy Wilbur Tuesday afternoon. Roll call was answered by quotations from Scotch authors. Current Events Paper, "Robert Burns" Mrs. Bert Brown Song Mrs. Meyer Reading from Scott Mrs. Horn The club will meet week after next at the home of Mrs. Henry Ley.

Mrs. A. T. Witter was hostess at a card party Thursday evening in honor of her daughter, Mrs. Hammond, of Blair. After playing ten games of High Five, Mrs. D. E. Miller captured the first prize, a china plate, and Mrs. Strahan the consolation, a china cup and saucer. The dainty hand painted score cards, the work of Mrs. Hammond, were very much admired. Light refreshments were served and the company dispersed at a late hour. A. T. tells us that it was a jolly crowd of ladies, and it was pretty tough on him to be shoved out in the kitchen, but such is life.

The S. D. Relyea home was the scene of a merry surprise party last Thursday evening. The occasion being in honor of Miss Stockings' birthday. The surprise was complete. When she came down stairs to answer a phone call she was met by a crowd of young ladies and showered with chewing gum, tin horses, little flat-irons, tops, etc. The girls played all the new games, such as charades and "Miller boy," when Mrs. Relyea brought in a lot of candy and other good things which helped to complete the evening's celebration. The following are the names of the guests: Mrs. Phillips, the Misses Craven, Mason, Olmstead, Mae Cunningham, Virginia Cunningham, Olmstead, Beucheman, Wallace and Manning.

The U. D. club met with Mrs. J. G. Miller Tuesday afternoon. The study period was devoted to the study of Tennyson and his works.

Mrs. Dan Harrington was hostess to the Monday club on their usual afternoon. The study was devoted to the "History and Classification of Music and Musical Instruments."

The Shakespear club met with Miss Mary Mason Tuesday evening and began the study of "As You Like It." The next meeting will be with the Misses Manning and Wallace at the home of Dr. Williams.

Mrs. Chas. Culler was hostess to the Fortnightly club Tuesday afternoon. Roll call was responded to by quotations from Holmes followed by the study of "Nebraska Birds," discussion of "Jamestown Exposition" and "Ideas on House Furnishings." After which the hostess served dainty refreshments. The club will meet with Mrs. Ed. Johnson on the first Tuesday in May.

The Acme club is well represented at the district meeting of the women's clubs being held at Stanton this week. Mesdames Bressler, Pile, Mines, Williams, Jacobs and Walter Weber were among those going Wednesday morning. Upon special invitation of the Chaces at Stanton, the Wayne delegation is being entertained at their home.

The Acme ladies gathered at the home of Mrs. Jacobs this week. Mrs. M. S. Davies handled the subject of "American Orators" and cited many of the striking passages from their speeches. Mrs. J. G. Mines gave an interesting account of the "War with Spain." Next week the club meets with Mrs. Bartlett.

The box sociale given at the Ben Hur rooms on Saturday evening was an all round success. A large number being present, and all entered into the evening's pleasure with a spirit of good will. A large addition in new members will be announced in the near future by and through the earnest efforts of Bro. C. E. Wilkinson, who is certainly an enthusiastic worker in this line.

THE WAYNE NORMAL.

News and Comment as Gleaned From the Columns of the April Alumni Echo.

The Carroll school board has elected Miss Vennerberg as principal. She is all right and no better selection could have been made. Two other Alumni were elected, Pearl Sewell and Ella Buck. All these members are most successful and the membership rejoice at their success.

Miss Edna Britton of '05 Scientific who went to Aberdeen, Washington as soon as she graduated remains at increase of salary. She has best of health now and her work gives best of satisfaction to her pupils, patrons, and superintendent. She has not visited her home since going west.

O. L. Taylor of '93 Teachers and '96 Scientific is located in San Francisco where work is plenty and wages are high. He taught successfully several years but quit the work to take up the mechanic's trade. He likes the country in the west and may remain on the coast a few years at least.

Mabel Nieland of the '06 Teachers' class has made good in her teaching. She has made much improvement in the last three years and we know no reason why she should not equal the record of her older sister. Her school is in the Emerson district but located in Thurston County. She may be '08 Scientific.

Mr. W. O. Sand of '95 class and his wife Jennie Mettlin of '94 class are nicely situated at Earlville, Illinois, where he is engaged in a profitable business. They were friends to every student and all are glad to know they are so successful. We hope they may visit the Normal.

One of our oldest Alumni brothers was a college caller recently. We refer to Harvey Mason who is always cheerful and enjoys going over college days with all their fun as well as hard work. He is with the Payne Investment Company of Omaha and is located in N. Y. Life Building where he will always be glad to see his friends.

Winside retains Nellie Ross as intermediate teacher and we doubt if the school could get a better. She is enthusiastic, judicious, practical and always ready to help, or at least those were some of her strong characteristics as a student. All members of the '03 class enjoyed her friendship and rejoiced to see her last Alumni Day and hope to see her next.

Ira G. Steele of '03 Teachers' is in mercantile business at Lake Andes, S. D. His wife was Miss Emma Best of Decatur. She was a student here several terms. They are getting along the very best. Ira says his little daughter will be a Normalite fifteen years hence. The school was very much pleased to receive a letter containing this information.

The president of this school has always insisted that School discipline should compare favorably with that of real life. If students fail to keep a large part of their engagements, such as absenting themselves from classes, failing to take assigned parts on literary programs, and do much of their work wrong or superficially, they are not entitled to that recognition and assistance into positions such as should come to the punctual, reliable students who are always at their place of duty.

The older educational institutions boast of the types of men produced by them. It is true that they have tended to develop certain strong characteristics, so we read of the Yale man, the Harvard man, the Dartmouth man. We know and appreciate the characteristics of each such life. The Normal School has produced the "Normal Spirit," which means hard work with a power of initiative that is making itself felt more and more in all social institutions. Such a spirit will not perish but will be a great instrument in developing a larger personality.

These beautiful spring days full of sunshine causes us to stop and ask "Do we carry ourselves in our daily lives?" To make a life bright as to carry ourselves with you. Let us see to make friends to be friendly, let us be happy to be made others happy. The way to make yourself a useful member of society and your personality to be useful, the way to secure harmony is to yield without the sacrifice of principle or personality to the will of the majority if their plans be fair; the way to be a true friend is to do your part well do unto others as you would have

them do unto you. Touchiness and stubbornness should be reasonable.

C. E. Wilson of '00 Scientific after several years of the very best teaching left the work for farming and is doing well. He has a large farm near Wessington, S. D. Several of the Normalites are located in that part of the state and expect good results from their investment and farm experience.

May Preston of '99 Teachers was a strong teacher and taught several years in town schools. She is no longer Miss Preston but Mrs. May Naegelge and lives on a farm near Plainview. She had many friends at school as she was here about three years and was recognized as a substantial young woman.

A most loyal Alumnus is found in Anna Lund of the '98 Teachers'. She has not taught but remains at home with her father. There are no other living members of the family. She is a great friend of the students and her friendship is appreciated by the school and faculty. Her pleasant home is on College street where she gladly sees school friends.

One of our quiet, good Alumni girls is Agnes Coleman of Wayne, who remains at home and does not expect to teach. She was one of the hardest working members of the '03 Scientific. She did her best in every particular. She is quite a frequent visitor and is always welcome. She is an enthusiastic Alumnus and will be found at Alumni meetings.

Arthur Miller is a very successful Methodist minister at Cheney, Washington; J. B. Cash is Baptist minister at Mexico, Mo., Loyd Cunningham is Presbyterian minister at Emerado, North Dakota; A. B. Sheldon is Methodist minister at Cottonwood, Montana; Ed. King has been in the ministry several years but is resting this year. They are all remembered as excellent Normal students.

"Preventives" will promptly check a cold or the Grippe when taken early or at the "sneeze stage" Preventives are little candy cold cure tablets, and Dr. Shoop, Racine Wis. will gladly mail you samples and a book on colds free, if you will write him. The samples prove their merit. Check Colds with Preventives and stop Pneumonia. Sold in 5c and 25c boxes by Felbers Pharmacy.

Order of Hearing on Petition for Appointment of Administrator.

In the County Court of Wayne county, Nebraska, State of Nebraska, ss County of Wayne.

To Diedrick Meyer, Uncle of Diedrick Meyer, deceased, and to all persons interested in the estate of Diedrick Meyer, deceased:

On reading the petition of Diedrick Meyer, Uncle of said deceased, praying that the administration of said estate be granted to him, the said Diedrick Meyer, Uncle as administrator. It is hereby ordered that you, and all persons interested in said matter, may, and do, appear at the County Court to be held in and for said county, on the 27th day of April A. Does Coffee disagree with you? Probably it does! Then try Dr. Shoop's health Coffee. "Health Coffee" is a clever combination of parched celery and nuts. Not a grain of real Coffee, remember, in Dr. Shoop's Health Coffee, yet its flavor and taste matches closely old Java and Mocha Coffee. If your stomach, heart or kidneys can't stand coffee drinking, try Health Coffee. It is wholesome, nourishing and satisfying. It's new even for the youngest child. Sold by Ralph Standard.

For Catarrh, let me advise you. Do not give up, a Free trial bottle of Dr. Shoop's Catarrh Remedy. It is a new white, creamy, soothing, antiseptic balm that gives instant relief to Catarrh of the nose and throat. Make the free test and see. Address Dr. Shoop, Racine, Wis. Large jars 50 cents. Sold by Felbers Pharmacy.

WEAK, WEARY WOMEN

Learn the Cause of Daily Woe and End Them

When the back aches and throbs. When housework is torture. When night brings no rest nor sleep. When urinary disorders set in. Women's lot is a weary one. There is a way to escape these woes.

Doan's Kidney Pills cure such ills. This is one Kansas woman's testimony.

Mrs. Melissa A. Love, of 211 Hendricks street, Fort Scott, Kan., says: "Last winter I had an attack of the grip, and it affected my kidneys so that I suffered for a long time afterwards with pain and lameness in the small of the back. I felt this trouble coming on all during the fall, and a cold I took was the final means of bringing it to a climax. If I swept the floor or exerted myself in any other way, I had to go and lie down, but the dull heavy aching would commence again as I got up and stirred around. My son urged me to try Doan's Kidney Pills, and I got a box at T. W. Atkins' drug store, and began using them. I found such gratifying relief that I continued the treatment until the trouble had entirely disappeared. My experience certainly warrants me in recommending Doan's Kidney Pills to others."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

Astonishing how much bitter medicine a man can stand if he is not given an overdose at the start.

The News—No Pure Drug Cough Laws would be needed, if all Cough Cures were like Dr. Shoop's Cough Cure is—and has been for 20 years. The National Law now requires that if any persons enter into a cough mixture, it must be printed on the label or package. For this reason mothers and others should insist on having Dr. Shoop's Cough Cure. No poisonous chemicals in the Shoop's labels and name at the bottom, else it must be on the label. And if it is not on the label, it is not Dr. Shoop's Cough Cure. Take no other cough medicine with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and see No poison marks there! You can always be on the safe side by demanding Dr. Shoop's Cough Cure. Simply refuse to accept any other.
