The cleverest fool in Christendom so clever that a big New York manager has corralled him for life is the subject of an enormously interesting story by Rufus H. Gillmore. His adventures line up with those of Sindbad the Sallor, with the added merit of being all true. In 'The Mystery of Dreyfus' Charles Edward Russel, looking back through a perspective of more than a decade throws new light on one of the most amazing and momentous happenings in modern history.

Backache, headache, sideache,

A Wayne citizen tells you how to
ure them all.

Mrs. Henry Hansen, of Wayne Nebr., says: "I was subject to at tacks of backache for years, always being worse during cold weather on when I over-exerted myself. At night I could not sleep on account of the pain in my back and I felt miserable. Last spring I began using Doan's Kidney Pills and in short time they made me feel like a different woman. I take pleasure in recommending this remedy."
