THE WAYNE HERALD, THURSDAY, JULY 6, 1911.

Volume 36, Number 21.

## GLORIOUS FOURTH IS HOT AS SMOKE ALL DAY

### SUPREMACY OF COLD DRINKS

People Celebrate and Enjoy Themselves Northward Tarry Elements

Hot weather is expected on the Fourth, and if it didn't come on that day the enjoyment of surrounding to come and tomorrow would be destroyed and dispensers of these two beverages would suffer serious disappointment. This year's Fourth was as hot as usual perhaps hotter and the demand for the hot and cold drinks was never again in the history of the country. Dealers in such goods ought to be fish today.

Accustomed business and toil were generally suspended and people attended public celebrations, or private parties to spend the quiet shade of homes. They drank, ate, sweat and otherwise had a joyous time. Agitation for a new Fourth has proven efficient, and the number of deaths and injuries this year showed a big decrease over that of 1910. The next morning's dispatch reported thirteen deaths as compared to twenty-eight last year, and 284 maimed persons, as compared with 358 a year ago. So civilization has made progress in twenty months in reducing the use of explosives on the Fourth.

Most Wayne people who left the city or vicinity to celebrate were elaborate preparations had been made, went to Michigan State University here, journeyed to Allen, where 2000 people had gathered from all parts of Dixon county. It was the only celebration in that county, and an attractive program had been arranged. Rev. Alexander Corkey was the center of the show, and the crowd gave his patriotic address close attention, applauding him frequently and enthusiastically.

Hoops was thronged with people, and the town did well with its program of entertainment. Professor G. H. Bright of Wayne was the orator of the occasion, and his speech was listened to with interest. The series of orations proved attractive entertainment for the listening people.

Wayne county people went to Stanton in automobiles and on the train, and that town was the scene of a multitude all struggling against torrid weather while trying to enjoy themselves. The baseball game between the Wayne team and the Stanton boys was a leading attraction, of which the following is a report:

TO OWNERS OF FRACTION ENGINES:

You are hereby notified that the law relating to the plunking of all bridges and culverts before proceeding thereon with a traction engine or separator, will be strictly enforced from this date, as per order of the county commissioners of Wayne county, Nebraska, this 10th day of June, 1911.

CLARE W. REYNOLDS, County Clerk.

When the stomach fails to perform its functions, the bowels become deranged, the liver and kidneys congested, causing numerous diseases. The stomach and liver must be restored to a healthy condition and Chamberlain's Stomach and Liver Tablets can be depended upon to do it. Easy to take and most effective. Sold by all druggists.

Without Signature, of Malvern, Ia.

NEWS ITEMS FROM

HERALD EXCHANGES

Cryal lake is reported gradually drying up and a proposition has been considered to pipe water into it from the Missouri river.

The town of Pierce has ordered a car of 10,000 gallons of crude oil with which to oil its streets. Its people are satisfied that it will put their streets in good shape, and have the enterprise to undertake the improvement.

Winship Tribune: The Savage carnival company will be in Winslow on July 25, 26, 27, 28 and 29. There will also be a good ball game each day. It has also been suggested that it be proclaimed "Home Coming Week," and that all former Winshippers be invited to "come-home" by relatives and friends living here at the present time.

Coleridge Blade: The Wayne Herald is advocating the consolidation of the four counties of Wayne, Dixon, Thurston and Dakota into three counties and thus eliminate a lot of expense. This will read good until the Herald states with good reason that it is not a good paper when the dove of peace will do well to scot for the tall peaks.

Omaha Examiner: Ex-Senator Allen gives as a reason for his indisposition to pass his bill for district judges that years and years ago he was "puffed" around his Madison home and now he wants to spend a good deal of his time in the shade of them. "If it affects a man that way, a great many Nebraska farmers must have never attended to their crops."

Laurel Advocate: J. W. Smith left a stalk of corn at his office last Thursday that he had only half an inch of being six feet in height. Mr. Smith is working one of the McCormick farms and stated to the Advocate that he had forty ears of corn so big that he had to quit cultivating it the day before he was in here. This was planted on the sixteenth of May, making it just forty-six days until he was to "lay it out." That is a pretty good growth, especially with the dry weather we have been having.

A. P. Borg, principal of the Coleridge school, is a candidate for the democratic nomination for superintendent of schools of Cedar county. Mr.

Borg went to Coleridge from Allen last fall. He graduated from the State Normal in 1907. The Coleridge Blade explains that the Democrats sought Borg for his record, two factors being his candidacies against him. Borg doesn't like the idea of running against ladies, and on the other hand doesn't want to retreat after having played "hood in the town." He ran against "Fool in Dixon" county two years ago and was defeated by twenty-seven votes.

Lincoln News: The new motor vehicle law, which goes into effect on July 7, lays down emphatic directions for automobile and drivers generally. It provides that any person operating a motor vehicle shall request or sign, by putting up the hand, from a person riding or driving a restive horse or other draught or domestic animal, bring such motor vehicle immediately to a stop, and if traveling in the opposite direction remain stationary so long as may be reasonable to allow such horse or animal to pass, and if traveling in the same direction, use reasonable caution in passing, such horse or animal, and if necessary assistance to the party having in charge such animal in so passing. Whenever any person traveling with any vehicle or conveyance on any road in this state shall overtake any other vehicle or conveyance traveling in the same direction and shall indicate to the driver thereof his or her desire to pass it shall be the duty of the driver of the vehicle in front of the nature of the ground or the condition of his load will permit it, to promptly turn to the right of the center of the road and the driver of the conveyance behind shall turn to the left and pass by without interfering or interrupting.

Watch Your Kidneys.

Their action controls your health. I recall what Foley Kidney Pills have done for my neighbor, Mrs. H. W. Allen, Quincy, Ill., says: "About a year ago my kidneys began bothering me. I had a swelling in my ankles and limbs, then head aches, and nervous spells, and later severe head aches. I was getting worse when I began taking Foley Kidney Pills. I kept on taking them until I was once entirely cured. I have a great deal to thank Foley Kidney Pills for and shall always recommend them."—Foley's Pharmacy.

THE WEEK WITH THE CHURCHES.

Methodist. (Rev. William Gorst, Pastor).

At ten o'clock into the reports of the district Epworth League conference...

The members of the Sunday school will take their supper together this Thursday evening in the parlors of the church...

There will be the usual services held Monday evening...

First Baptist Church. (Rev. B. P. Richardson, Pastor).

The children's day services were very largely attended last Sunday...

At ten o'clock on Sunday morning, at 10:45 the pastor will give a communion address on "Christ, the Way," after which the ordinance of the Lord's supper will be observed...

Presbyterian. (Rev. Alexander Corkey, Pastor).

At ten o'clock on Sunday morning, at 10:45 the pastor will give a communion address on "Christ, the Way," after which the ordinance of the Lord's supper will be observed...

German Lutheran Church. (Rev. J. H. Karpenstein, Pastor).

JUDGE CHARLES B. LETTON. Fairbury News: Charles B. Letton has submitted to the voters of the state his candidacy for re-nomination to his present position...

court in 1906. Political history has been so rapid of recent years that it seems difficult to realize that the republican state convention of 1905 was the first gathering of the kind in which the progressive faction succeeded in electing its control. Mr. Letton was nominated after a bitter contest in which the progressives stood by him with remarkable fidelity...

Judge Letton is far from being a politician in the ordinary sense. His temperament is judicial in a student and not a declaimer. It can confidently be forecasted that his campaign will be substantially confined to submitting his name to the voters. He needs make no effort to win the admiration of the public and as a judge will bring to him the unanimous support of all men who desire to see honest men in office and able lawyers on the bench.

Sixty-one autos were registered at the office of the secretary of state on that date...

SHERIFF AND DEPUTY FINED. Lincoln Correspondence in Tuesday's Omaha Bee: Anton Bauman, Jr., sheriff of Dodge county, and W. W. Combs, his deputy, were fined \$25 each by Federal Judge T. C. Munger of the federal court here today for contempt of court in allowing Levi Munson of this city, sentenced to a thirty-day term in the county jail at Fremont for violation of the road law...

REPUBLICAN COUNTY CENTRAL COMMITTEE MEETING. A meeting of the republican county central committee will be held at the office of A. R. Davis in Wayne on Saturday, July 8, at 3 o'clock, p. m. for the purpose of submitting a convention and for the transmission of any other business that may come before the committee...

"Right now," Judge Muger told the prisoners that they would have to go to the tra time to make their remittance to the clerk of the court.

STATE NORMAL NEWS.

The board of education will hold a meeting in Lincoln on July 18.

Miss Precious Piper of Lincoln spent the Fourth with her sister in Wayne.

Miss Jewell and Miss Killen spent Sunday at Hancock, the guests of Miss Hillen Carter.

Miss Johnson of the kindergarten department, took advantage of the two days' vacation and spent Sunday at her home in Lincoln.

Mr. Glendon Braun, one of the successful teachers of Platte county is now student at the Normal. Mr. Braun is a graduate of the professional course of the Nebraska Normal college.

Mr. A. H. Viels of the board of education and member of the executive committee for the wayne school, was here last Monday afternoon and talked over with President Conn of the school.

Professor Bright and Miss McBeth each had a part in the Fourth of July celebration at Hopkins. Professor Bright gave the principal address of the day and Miss McBeth gave the "The Starving Missionary Ridge."

We were pleased to have so large a number of visitors as were present last Friday morning to listen to the patriotic program. Rev. Mr. Gorst was present and conducted the devotional exercises and the program as previously announced was carried out.

Mr. Gaud, contractor, and Mr. Craddock, architect, on the new library and science building, were in Wayne Wednesday making necessary arrangements to begin work on the new building. Excavating will start at once and the building will be well under way before winter.

Mr. Clifford Potts had planned to remain in school next year, but decided to teach after having received a tempting offer from one of the rural schools near Wayne. Mr. Potts expects to continue his studies by taking work in absentia and spending his Saturdays at the Normal.

The recital given by the department of expression on Thursday evening was a decided success and reflected great credit on the work being done by this department. Every number was exceptionally well rendered and the hearty applause given by the audience attested its appreciation of the efforts of the class.

Mr. Herbert P. Peterson of Essex, Ia., enrolled for special work in the commercial department on Wednesday. Mr. Peterson is a graduate from the commercial college of the Western Normal college at Seward, Ia., and will spend the summer here in order to continue under the instruction of Professor W. A. Wiley, who was his teacher in the former institution.

President and Mrs. Cnaan planned and very successfully managed a Fourth of July picnic for students who did not go home to spend the Fourth. A company of about seventy-five, consisting of students and members of the faculty and their families, enjoyed the afternoon and evening in the delightful grove about a mile northwest of the Normal school grounds. Variety of shade, a big picnic dinner, plenty of games and sports, with a few impromptu literary program were features of the day.

Quite a number of teachers who are at present attending the summer session of the State Normal school are planning to carry on a definite line of work during the year by correspondence. In order to aid the ambitious teacher who seeks to add to his professional training without loss of time from the school room, courses are offered which may be carried in absentia during the year. The names of teachers from neighboring towns have taken part in this institution, being present at classes on Saturdays. The opportunity to increase in this manner the professional training of the teachers of this section of the state is urged upon all who can reach the Normal on Saturdays; or, if this is impossible, to enroll for a course to be taken entirely by correspondence in English, history, economics, sociology, education, and in any of the sciences may be arranged.

CHARLES S. BEEBE, Secretary.

Cheap LAND

BEST CHEAPEST RELIABLE FARMING LAND IN THE UNITED STATES TODAY IS IN THE FAVOR OF RED RIVER VALLEY OF DAKOTA AND MINNESOTA. FOR INFORMATION AND CIBAP EXCURSION RATES, CALL ON US.

Christenson Bros WAYNE, NEBRASKA. TOWN OF NEWCASTLE DESTROYED BY FIRE. Newcastle, Neb., July 5.—Fire, supposed to have been started by fire-crackers, broke out in the living apartment of Tom Alce, over a store, and practically wiped out the business portion of the town Tuesday, causing a loss estimated at \$100,000.

Before the fire was gotten under control one meat market, one general store, two saloons, two grocery stores, one clothing store, one drug store, the post office, the telephone exchange of the new State Telephone company, the Newcastle State bank, the Edwards & Bradford lumber yard and two hardware and furniture stores had been reduced to ashes.

The fire took about 1 p. m., and spread with amazing rapidity. About 3 o'clock, the water supply, which is furnished by a reservoir system, became exhausted. The wind was blowing from the south, but the flames made no progress against the wind. About 6 p. m. everything available for the flames had been consumed and the fire had worked itself out.

The losses, as nearly as they can be estimated, are as follows: Bank, \$3,000; Miss Hillen, millinery, \$1,500; Davidson & Anderson, drug store, \$5,000; A. Davidson, building, \$13,000; Foreman fruit store, \$800; H. B. B. building, \$2,000; Thomas Doughty, saloon, \$3,500; Thomas Doughty, saloon, \$3,500; Jones building, \$1,500; J. Dabrowsky, saloon, \$1,500; Jones building, \$6,000; T. Alce building, \$1,500; Dan McGrath, livery, \$5,000; O. A. Bladin, building, damaged, \$200; post office, \$5,000; Mounsey Bros., saloon, \$2,500; Pat. Hoy, pool hall, \$1,800; John Miller, saloon, \$5,000; Johnson Bros., building, \$3,000; Tom Hoy general merchandise, \$10,000; Thomas Doughty, saloon, \$3,500; Newcastle State bank, damaged, \$300; George Bolton, barber shop and residence, \$1,000; Frank Ray, building, \$1,800; Mrs. Peterson, residence, \$1,800; Dr. W. B. Torrey, office and residence, \$2,000; Addition & Gibbs, electric lights and telephone exchange, \$1,200; Edwards & Bradford, lumber yard and store, \$50,000.

The Edwards & Bradford company's loss yesterday makes the third consecutive Fourth of July fire for them. Last year their lumber yards and store at Krupp, Wash., was destroyed by fire, and two years ago the loss was at Belton, Neb.

MISSIONARY MEETING. The Presbyterian Missionary society will meet with Mrs. Dan Havigton Thursday afternoon, July 13. The following program will be given: Devotional—Mrs. Alce. Roll Call—From Palm U Home Works—Mrs. Hixson. Foreign Work—Mrs. Durrin. John Elliott, Appeal to the Indians. Results of Philanthropic Missions—Mrs. Britton.

THE PROPOSED NEW PARK. C. G. Clasen reports that he has met encouraging support in his enterprise to have a park and riding grounds in Wayne. Nearly enough season tickets have been bought to guarantee the undertaking. Names for the park should be sent to Mr. Clasen and three judges will be chosen to make the selection from the list submitted.

Regular meeting of the Order of Eastern Star Monday evening, July 10, at 8 o'clock.

THE CAUTIOUS MAN. A bank run on business principles, appeals to the cautious man as the place for his money. The one who lugs his cash around in socks or tries to secret it in the cellar, is most reckless, as numerous incidents of loss by so doing testify. The modern banking system safeguards one's savings and give them a chance to earn something. Your deposit in this bank is an eminently wise and sensible course to pursue.

# Herald for Printing

### THE EARLY DAYS IN TWO COUNTIES.

From the Wayne Review, published by Hunter & Childs, at LaPorte, July 7, 1881:

Too much rain makes it difficult to cultivate corn. Five hundred people attended the Fourth of July celebration at LaPorte, and enjoyed the speaking and races. William E. Jordan of Battle Creek has purchased land on Deer Creek from Messrs. Broadner & Patterson. Mr. Jordan will improve the land, and keep 2,500 sheep on it.

The Review devotes most of its pages to an account of the shooting of President Garfield by Guitreau in Washington July 2. A published letter with a picture in the afternoon says he was cracked and died at one time threatened to kill his sister.

From the Wayne Herald, published by W. H. McNeal, July 16, 1891:

Married, Mr. Fred Flickhoff to Miss Katie Hoeche, July 11.

J. H. Manning is building a big barn on his farm west of Carroll.

J. H. Miller gave a dance at his residence near Carroll, about thirty couples having attended.

The city council held a special meeting and let the contract for the building of the water works system.

The program is published for the second annual convention of the Wayne County Sunday School association.

At a meeting of the school board P. M. Corbin was elected president, E. J. Nangle treasurer, and W. W. Wright, main secretary.

About 12,000 acres of land in the vicinity of Norfolk are devoted to growing sugar beets, and the farmers expect to realize \$50 per acre.

From the Wayne Herald, published by W. H. McNeal, July 18, 1901:

A Windsor report stated that the weather was 110 in the shade at that place.

Home Wheaton returned from Sioux City, where he had seen a severe operation for kidney trouble.

Rev. Shirey of South Bend, Ind., preaches at the Presbyterian church, and is a candidate for the position as pastor.

A gentleman reports on his return from the southern part of the state that he has seen a practically no account of unfavorable weather. Another report in the same paper says a heavy rain visit southern Nebraska and Kansas and that an immense crop was assured.

From the Ponca Journal, published by William Huse and W. N. Huse, July 14, 1881:

Mr. Chapman is appointed postmaster at Ponca.

In front of the postoffice the mid is three feet deep.

Track laying on the railroad through Wayne county to Norfolk is progressing slowly.

The Ponca Courier has been sold by Mr. Welby to Mr. Munn, who was a former school teacher in Ponca.

On Monday night, up South creek, Thompson one cow all by a single thunderbolt. The cows were in a field together, and near a wire fence, along which the lightning ran and dealt out death to everything near it.

On Saturday night lightning struck the saw-mill out of town in South creek. Two herd boys were asleep in the barn at the time. The lightning passed between the boys, burning the feet of one, but otherwise not injuring them. The bolt set the barn on fire, and it was consumed.

### HOSKINS YOUNG MAN STRUCK BY BASE BALL

Saturday's Norfolk Daily News:—A. Peit of Hoskins, was painfully injured Friday evening when he was hit by a ball thrown by one of several traveling men playing catch on Fifth street between Madison and Norfolk Avenues. Peit was going south on Fifth street in his automobile when one of the players threw the ball, thinking it would go over the machine. The ball struck Peit on the right side of the nose, just below the eye, making a deep wound.

The car was stopped by a companion and Peit was taken to the corner of Fifth and Madison Avenues in an unconscious condition. He lost much blood. He required about an hour's work on the part of men in the crowd, and a physician to put Peit in a condition to return home.

Peit is one of the twenty Hoskins boosters who arrived here Friday evening with five automobiles to attend the Hoskins July celebration. The boosters visited Winslow, Carroll, Sholes, Pierce, Hadam and Norfolk. The trip was featured with unalike occurrences, three blowouts, and the most

# Quick Meal Self Generating Gasoline Stove

Has-bake oven, warming closet, everything your range has, but so much better. They are on display in our window now. Come in and see just how nice they are.

## Craven & Welch

Persons, the injury to Mr. Pfeil. The water, started the engine used to pump water, a gasoline engine used to pump water, started the engine, attached to the boiler, turned it on the fire in her home and saved it from destruction by the blaze started by the gasoline explosion.

After putting out the fire Mrs. Baker collapsed and is now under the constant care of physicians, who offer little hope for her recovery from the frightful burns she received when the stove exploded. It is said the explosion occurred when Mrs. Baker attempted to fill the tank while the fire was burning. Mrs. Baker was the wife of a conductor on the Northwestern railroad and they lived on a small farm on the edge of Norfolk. They were quite well known here.

### KNOW IT WELL

Family Features—Well Known to Hundreds of Wayne Citizens. A familiar burden in every home, The burden of a "bad back." A lame, weak or an aching back Tells you of kidney ills. Doan's Kidney Pills will cure you. Here is Wayne testimony to prove it. W. H. Hoguewood of Wayne, Neb. says: "About a year ago my back was so painful and lame that I could scarcely get up after sitting. Other physicians who I consulted left me with no hope of recovery. Doan's Kidney Pills were needed. Doan's Kidney Pills had been used in our house for a similar complaint and had given such great benefit that I finally decided to take them. I was not disappointed with the results. I found relief almost immediately and in a short time was cured. I have since been free from kidney complaint and in return for this permanent cure, I have recommended Doan's Kidney Pills wherever I have had an opportunity."

### THE ASSESSMENTS.

Lincoln, Neb., June 28, 1911.—Secretary Seymour of the state board of equalization and assessment has received a few of the 1911 schedules from the county assessors showing this year's assessment of their respective counties. In Holt county the total assessment is "slightly less than that of last year." In DeWitt county, over \$100,000 less in a few of the western counties there is a moderate increase, while in others there is an increase in land assessment and a decrease on live stock, showing on the whole about an even total, as compared with last year.

The terminal tax-law is still a stumbling block to many of the assessors who succeed in getting tangled up with it in various ways and thereby causing trouble to the urban secretary when the returns come in from the counties. In some particular the revenue law is equivocal; and the legislature and the executive commission have never succeeded in making entirely clear quite a number of points in the matter of exemptions, the assessment of elevators, mortgaged property, etc. But no one has volunteered to make a better revenue law, and it is not likely that they will.

Secretary Purse is receiving the congratulations of his friends on the decision of the supreme court that his appointment as a member of the state railway commission by ex-Governor Shalshoberger is good to the next general election. Mr. Purse used to be a county printer out at Alma, the court reporter, farmer, lawyer, secretary, to the governor, and the man who was the man who stood between the railroad and the people that justice be done in the matter of rates, accommodations, and a square deal generally.

It has been the dread topic in the southeast part of the state since the oldest inhabitant can remember. W. M. W.

### EXPLOSION OF GASOLINE

Norfolk, Neb., June 28.—With all her clothing, except her shoes, burned from her body as the result of a gasoline stove explosion, Mrs. O. H. Baker, of Norfolk, rushed to a hospital, starting a gasoline engine used to pump water, a gasoline engine used to pump water, started the engine, attached to the boiler, turned it on the fire in her home and saved it from destruction by the blaze started by the gasoline explosion.

### COMMITTEE REPORTS OF EPWORTH LEAGUE

The following are the resolutions adopted by the recent district Epworth League convention held in this city.

We, your committee on temperance, report the following:

We rejoice with Wayne in the privilege of meeting where no saloons insult our hereabouts with foul smells.

We regard the losses of the temperance ranks of the state in that so many places have turned back like the proverbial sow "to her wallow in the mire," and especially does this apply to our capital city, Lincoln.

We commend the temperance laws that have been given us, such as the "eight o'clock closing law" and rejoice in the better enforcement of law by public officials.

We rejoice in the high ideals of the Epworth League and many other young peoples' societies along temperance lines.

We recommend the loyal support of the Epworth League to all temperance movements and more earnest and faithful prayer that the great demon may soon be driven from the land.

MRS. JOSIE N. JONES, JOSEPH I. SMITH, EUNICE MAURILL, Committee.

Report of the committee on resolutions follows:

For the benefits received from this convention, We, the committee on resolutions, are hereby submit the following resolutions:

Be It Resolved, That we, the Epworth League convention of the Norfolk district assembled extend a vote of thanks to the Wayne Epworth League for their untiring efforts to make our stay here so pleasant and profitable; also to the people of Wayne who have so kindly opened their homes for our reception, and entertainment.

Further be it resolved, that we tender a vote of thanks for the efficient service rendered by the choir of the Wayne church in furnishing music for the convention.

Also, be it resolved, that we extend our hearty appreciation to Mr. Ambler for his very efficient services during this convention. We also wish to express our regrets that his removal from the district makes his further service impossible.

Resolved, that a vote of thanks be extended to Dr. Schreckengast for his excellent and inspiring address, and we recommend that a copy of this resolution be sent to the district.

Further be it resolved, that a copy of these resolutions be written in the minutes of this convention.

W. O. ROMICK, LUCILLE MORGAN, GEORGIA AUSTIN, Committee.

### PROBATE NOTICE TO CREDITORS

In the County Court of Wayne County, Nebraska.

In the matter of the estate of Hannah E. Leah, deceased.

Notice is hereby given, That the creditors of the said estate will meet the Administrator of said estate, before me, County Judge of Wayne County, Nebraska, at the county court house in said county, on the 18th day of July, 1911, and on the 18th day of January, 1912, at 10 o'clock a. m., each day, for the purpose of presenting their claims for examination, adjustment and allowance. Six months are allowed for creditors to present their claims and one year for the administrator to settle said estate, from the 18th day of July, 1911. This notice will be published in the Wayne Herald for three weeks successively prior to the 18th day of July, 1911.

Witness my hand and seal of said court, this 26th day of June, 1911.

(Seal) JAMES BARTON, Judge.

Swanson returned to their home at Hazen, Ia., this morning after a few days' visit with

their daughter, Mrs. C. M. Christensen, and family. The infant child of Mr. and Mrs. R. J. Malloy died Saturday, and the funeral took place from the Catholic church in Wayne Sunday afternoon. Rev. Father Kearns officiating. Rev. C. J. Binger and wife, who attended the general synod of the Lutheran church at Washington, D.C., and afterward visited relatives and friends in Pennsylvania, arrived home this morning. Lincoln State Journal: A beautiful new edict opera "Genera's" written and arranged by Mrs. John W. Evans of Omaha, was given last Friday and Saturday nights by local talent, and played to crowded houses. The next meeting of the Bible Study circle will be held on Wednesday at the home of Mrs. C. M. Christensen, south of the Ward school building. This meeting is for the women of the town, and all will be welcome. Mrs. L. A. Richardson of the Children's Home Finding society, has placed two girls, aged 8 and 9 years, in Wayne homes this week, one with the family of G. W. Elder and the other with the family of J. Wintarschick.

Mrs. Daisy Seiffing, who it is well known at Wayne and vicinity, is to be married tonight to Mr. William Stunger at Piler. The happy groom has charge of a grain elevator at Piler. The Wayne county friends of the bride will attend the wedding at Piler. Elder's line of pure tea, spices and extracts. It's a pleasure to use these products—so fragrant and pure. Use one-half the quantity you usually do. A trial of this line will demonstrate what the term "Quality" really means. H. R. MERRILL, CO. Miss Helen G. Leach of Willsboro, Pa., arrived in Wayne on Saturday morning to spend a few weeks at the home of Dr. and Mrs. W. C. Wightman. She came by way of the Great Lakes from Buffalo to Duluth. Miss Leach had Mrs. Wightman associated in school work in Salt Lake City. The opera, "Genera's" will be presented at the Wayne opera house on the evening of July 14 with a cast of 150. Besides the story of the play, many beautiful dolls with color effects, and many up-to-date specialties will be introduced, including minstrel dances, pickinny cake walk, rainbow Maypole dance, many fine solo duets,

trios and quartets, both instrumental and vocal. Don't forget, it's for the benefit of the new public library, and don't forget the date, Friday evening, July 14. The opera of "Genera's", in five acts, will be given at Wayne opera house Friday evening, July 14, under the auspices of the library board for the benefit of the new public library. One hundred and fifty local people will be in the cast. The opera is written and arranged by Mrs. John W. Evans, of Omaha, around the beautiful poem of the same name. It will be of interest to know that the story of Lord Lovell and his bride Genera is actually founded upon facts. While traveling in Europe a few years ago Rev. G. L. Conley, then of Blair, Neb., saw the identical old chest Genera hid in, in the old home of Sir Walter Scott at Abbotsford on the Tweed in Scotland. This chest was richly carved and presented to him while traveling in Italy by some of the warm admirers of his writings. The chest originally came from Venice. The play is staged, trained and costumed by Mr. and Mrs. John W. Evans of Omaha. MONEY TO LOAN AT FIVE PER CENT. Optional payments on Wayne county farms. We also write insurance on both city and farm property. Sell and trade land and properties of all kinds. See us for a square deal. Fisher & Johnson—over postoffice. J6-4f NOTICE TO NON-RESIDENT DEFENDANT. In the District Court of Wayne County, Nebraska. R. B. Merrill and E. P. Peterson, Plaintiffs, vs. R. H. Perry, Defendant. You, R. H. Perry, defendant in the above entitled cause, are hereby notified that on July 1st, 1911, Henry Peterson died an applicant or petitioner in said Court in the above entitled cause stating that R. P. Peterson, one of the plaintiffs in said cause departed this life on February 25th, 1911, and that Henry Peterson is the qualified and acting Executor of the Estate of said Deceased, and asks and prays that said action as to the said R. P. Peterson, Deceased, be revived in the name of said Henry Peterson, as executor of the estate of said R. P. Peterson, deceased. You are further notified that on July 1st, 1911, a conditional order of revival issued out of said Court in favor of

BASEBALL Wayne--Winside FRIDAY AT WAYNE 3:00 P. M. MERRILL, and B. P. PETERSEN, Plaintiffs. and HENRY PETERSEN, Executor. J6-4f See and hear the bridesmaids, the merry maids, the Handy Andy lads, the rainbow girls, the madcaps, the bubble-balls, the coons, the pickeninnies, Japanese maids, Rose girls and many others at opera house, "Genera's" Friday night, July 14. THE DEPTH OF THE DRY MULCH. (Wallace's Farmer). It is now generally, in fact almost universally conceded that the maintenance of a mulch of dry dirt on the corn field is the very best possible method of conserving moisture. The problem is: How deep should this mulch be? Like the depth of plowing this is one of the questions that cannot be answered specifically, for the very obvious reason that circumstances alter cases. It is agreed by all that the best

FRIDAY AT WAYNE

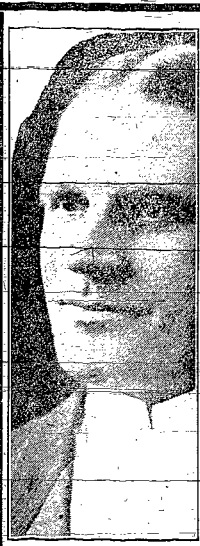

3:00 P. M.

Battery for Wayne: Alderman and DePew.

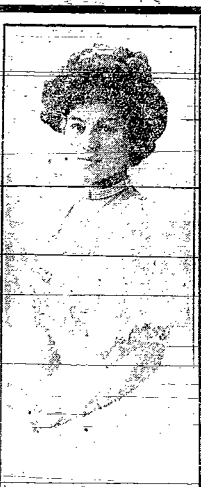

**SAY,** if you don't think this is to be a fine Chautauqua program, and that you'll like every bit of it, you just ought not to think that way. It is a fine program and you'll like every bit of it.

And it doesn't cost much, either—only about 15c a number, and that's easy—easy if you get a season ticket, and not bad if you don't.

Get a season ticket, and go every day—you'll like it all right, and you'll wish it were to last all summer.

**STARTS**  
**August 11th**  
**LASTS A WEEK**

MISS HAZEL LATHROP, SOPRANO

MRS. H. RUTHVEN MACDONALD, PIANIST

MRS. EVELYN JORDAN

and sick headache. Sold by all dealers.

**Foley's Honey and Tar Compound.**  
Is effective for coughs and colds in acute and chronic persons. It cures, no harmful drugs, in the low package. Beware of imitations. **Foley's Pharmacy.**

Sufferers of the bowels, whether induced by violent exercise or injury, are quickly relieved by the free application of Chamberlain's Liniment. This liniment is equally valuable for muscular rheumatism, and always affords quick relief. Sold by all dealers.

The world's most successful medicine for bowel complaint is Chamberlain's Colic, Cholera and Diarrhoea Remedy. It has relieved more pain and suffering and saved more lives than any other medicine in use. Invaluable for children and adults. Sold by all dealers.

Those Who Take Foley Kidney Pills For their backache and bladder troubles, and for annoying urinary irregularities are always grateful both for the quick and permanent relief they afford, and for their tonic and strengthening effect as well. **Foley's Kidney Pills.** **Foley's Pharmacy.**

**Kidney Diseases Are Curable** under certain conditions. The right medicine must be taken before the disease has progressed too far. **Dr. Perry A. Pitman, Hale, Tex., says:** "I was down in bed for four months with kidney and bladder trouble and gall stones. One bottle of **Foley's Kidney Remedy** cured me well and sound." Ask for it. **Foley's Pharmacy.**

**To Drive Mosquitoes Away.**  
Now that the nerve-racking sting of the busy hilled mosquito is beginning to work its torture, Uncle Sam has hastened to the rescue with a mixture that is claimed will keep Mr. Mosquito at a distance. A pamphlet by **Dr. L. O. Howard** has just been issued on this subject. "Take a few drops of the following mixture in a tarter lemon over the head of the bed in a warning that keeps the little drillers at a distance while the sleeper rests in dreamland." **Oil of Eucalyptus, one ounce; spirits of camphor, one ounce; oil of cedar, one-half ounce.**

**Hay Fever and Summer Colds**  
Must be relieved quickly and **Foley's Honey and Tar Compound** will do it. **R. M. Stewart, 1014 William St., Chicago, writes:** "I have been greatly benefited during the hot summer months with hay fever and find that by using **Foley's Honey and Tar Compound** I get relief." Many others who suffer similarly will be glad to benefit by **Stewart's** experience. **Foley's Pharmacy.**

**RAIN AND SNOW AS FERTILIZER.**  
Besides furnishing moisture, rain and snow actually increase soil fertility, says the **Wallace Farmer.** All soils must have an abundance of nitrogen in them or plants cannot grow well. Most soils are deficient in nitrogen, and nitrogen now or will soon become lacking in this important element unless special care is taken to enrich them by the return of manure, the use of clover or the application of fertilizers rich in nitrogen.

A Canadian chemist now tells us that considerable nitrogen comes from the air by means of rain and snow. All over Canada, he has carefully analyzed the rain and snow for three years and as a result has found that precipitation for the year 1908 brought down 4,323 pounds of nitrogen per acre; for 1909, 5,354 pounds, and for the year 1910, 6,826 pounds. The precipitation at Ottawa for these three years averaged about thirty-five inches, which is about the same as that over much of our own belt territory.

If our country's precipitation brings down six pounds of nitrogen each year, is that of any particular help to our agriculture? Well, as far as nitrogen is concerned, it is as though some 1,200 pounds of manure were scattered on each acre free of charge each year. Pure in another way, it is as though 90 cents' worth of commercial nitrogenous fertilizer were applied to the land per acre. Six pounds of nitrogen will replace about one-fourth of that carried off in the ordinary corn crop yearly.

Teething children have more or less diarrhoea, which can be controlled by giving Chamberlain's Colic, Cholera and Diarrhoea Remedy. All that is necessary is to give the prescribed dose after each operation of the bowels more than natural and then castor oil to cleanse the system. It is safe and pure. Sold by all dealers.

**ALFALFA FOR COLD CLIMATES.**  
For a number of years, says the **St. Louis Globe-Democrat,** the department of agriculture has been searching for a variety of alfalfa that would withstand the rigors of the northwestern climate, and as a result of investigations and experiments, **Charles J. Brand, physiologist** at the University of Wisconsin, has found such a variety in **Green Alfalfa.** This variety

was brought over from Baden, Germany, in 1877, by **Wendelin Strum,** who settled in **Clarks, Cal.** or **Cal.** **Minnesota,** where the alfalfa not only proved to be more durable than most other varieties, but also to be more resistant to the severe winters which sometimes winter killed.

To the usual subject, **Strum alfalfa** appears to be very much like all other alfalfas, but a closer examination of it is found to be more diverse than most kinds, showing individuals of upright and decumbent growth next to one another and having a greater diversity in flower color than prevails in common alfalfas. An alfalfa has a certain range of flower color, but this has more diversity of color than any cultivated variety.

**WILL NEVER KNOW SECRET.**

Tampa, Fla., June 25.—"The secret of the destruction of the battleship Maine will never be known," said General W. H. Bixby, chief of engineers in charge of the work of raising the Maine, upon the arrival here today from Havana. The destruction of the vessel was such, says General Bixby, and the deterioration has been so great that it will be impossible to tell whether the ship was blown up from a force from within or without. The greatest force, however, was from the inside, indicating that the forward magazine had exploded. Whether this was from a sympathetic explosion caused by a torpedo from the outside may forever remain a mystery.

General Bixby says that unless the fragment of a torpedo is found there is no way of connecting some outside agency with the blowing up of the vessel.

"We do not expect to find any human remains," General Bixby said. "The crew's compartments have disappeared entirely." General Bixby will leave tomorrow for Washington.

**Woman loses a clear, rosy complexion.** **Burdock Blood Bitters** restores the blood, clears the skin, purifies the ruddy, sound health.

**NATIONAL DAIRY SHOW.**

The preliminary announcement of the sixth annual national dairy show is now being sent out. The show will be held at Chicago, October 28 to November 5, and it is hoped to make it the greatest educational exposition of the class which has ever been held. Fifteen thousand dollars will be offered in cash premiums for dairy cattle, and there will be a large number of special premiums awarded in the milk, cream and butter test. Scholarships in the national judging contest will be given by several western agricultural colleges. Anyone desiring further information should address the National Dairy Show association, Chicago.

**Chamberlain's Stomach and Liver Tablets** quickly attack the liver, cleanse the bowels, to expel poisonous matter, cleanse the system, cure constipation

# COUNTY CORRESPONDENCE

## GARROLL VICINITY.

Many family gatherings were held July 4.

A large crowd enjoyed the celebration in Mr. Davis' grove west of town.

Miss Blanche Bartels is spending a week's vacation from her sewing work at home.

Mr. and Mrs. E. A. Spickler visited with William Glette and family near Wayne Tuesday.

George Leach left Wednesday morning for Howard, S. D., to visit his parents and look at land.

Mr. and Mrs. Guy Simmerman of Laurel spent the Fourth with Frank Henderson and family.

Mr. and Mrs. Wm. Simmerman of Wayne, Neb., are visiting friends and relatives in this vicinity.

Mr. and Mrs. Joe Jones left last week for an extended visit in New York and other points of interest in the east.

Corn is nearly all laid by and farmers are starting and cutting their early oats and winter wheat. The small grain is better than was expected early in the season.

## WAKEFIELD VICINITY.

A nice little shower fell here Monday evening.

Miss Anna Gradert went to Sioux City Tuesday.

Miss Katie Smith of Laurel visited friends here this week.

Miss Mabel Holmgren went to Pendleton to spend the Fourth.

Mr. Harry and Edwin Burman left Wednesday for Ault, Colo.

Wakefield celebrated in Allen, Pender, Coleridge and other places.

John Crane's little baby died last Saturday evening and was buried Monday.

Edgar Larson of Tama, Neb., came home that Saturday to spend the Fourth.

Robert and Lois Patrick went to Bonala Monday to visit their sister, Mrs. Walte.

Mr. J. W. Stanton and family moved into the house just vacated by Charles Beck Friday.

Nora Larson and Kate Carpenter came home to spend the Fourth. Ruth are attending Wayne College.

Last Sunday the Presbyterian Christian Endeavor held evening service out of doors, and the church proved very satisfactory.

Mr. W. Warner, who has been visiting relatives and friends here for the past six weeks, returned to his home Saturday in Edmonton, Canada.

Wakefield was very quiet the Fourth, but had a ball game at the baseball park between the Rough Necks and the Roughies. The Roughies beat by the score of 11 to 4.

Misses Alice and Emma Westraad and Mr. Prosser from Omaha, Jennie and Kate McCorkindale, Mauda McKim, Miss White, Frank Westraad of Wakefield, and Herb Kinney of Jackson went to Crystal Lake Saturday, and Mrs. C. A. Sanderson accompanied them as chaperon.

## HOSKINS.

Shm Baker was a Wayne visitor Sunday.

Mrs. Buss, Jr., is critically ill at her home.

Miss Everett Zinner spent the Fourth in Hokins.

Miss Bertha Moratz spent the Fourth in Omaha.

John Atrenschmidt spent the Fourth in Stanton.

Mr. John Crosby of Puffer was in town on the Fourth.

Mr. Frank Hart left for Omaha this Thursday morning.

Mr. L. Krantz spent the Fourth with friends in Norfolk.

Wm. Palmer of Sioux City spent the Fourth with home folks.

Claman, Coach's helper at Emerson, came Wednesday of last week.

Miss Wilkins of Homer, Neb., is staying at the August Deck home.

The Misses Ross and Anna Martini were the guests of Dorothy Gean.

Miss Doris Green is filling Miss Nelson's position in the telephone office.

Mrs. Aron and Miss Rilda returned from their visit to friends and relatives in Iowa.

The Misses Linda and Martha Winers and Agnes Zatz of Norfolk were the guests of Miss Rilda Aron.

The ball game between Spring Valley and the Singers resulted in a victory for the former, the score being 8 to 0.

Mr. George Cook and infant son of Murray, Neb., are spending a week's visit for parents; Mr. and Mrs. Louis Zeller.

Miss Annie Nelson left Thursday morning for Aberdeen, S. D., where she will spend several weeks, during her vacation from her work at home.

Frank Phillips went to Omaha on Sunday. From there he will start

on a vacation trip west to Alliance and other points.

Five auto loads of Haskins hoes returned last Friday evening from their strenuous day's work of advertising Haskins' Fourth in a circuit of eight towns.

Frank Sedstrom returned Sunday evening, from a visit in his boyhood scenes in Sweden. He expresses himself as better pleased with the land of his adoption and glad to get home.

Among those who took in the ball game between Winside and Norfolk on Sunday were: Dora Green, Glen Green, Frank Hart, Ben Francis, Ben Fesler, Mr. West and Niel Waterbolt.

A crowd of 2,000 people assembled in Haskins to celebrate the glorious Fourth. The program of the day opened with a parade of twenty floats, several bands, fire company and gaily decorated autos. In the afternoon games and races were in order. The enjoyable day closed with a ball at Wetzlich's hall.

## WINSIDE.

Avery Stockham returned Monday from a few weeks' outing at Bucklin, Kan.

Mrs. Neil Bergman went to Norfolk Friday to visit her aunt, Mrs. C. S. Hawk.

Miss Ruth Berry of South Sioux City is visiting with Mr. and Mrs. F. S. Tracy.

Alex Gabler came up from Omaha Monday evening to celebrate with the home folks.

Born, June 30, to Mr. and Mrs. Charles Nureberg, who live southwest of Winside, S. D.

Born, Monday, July 3, to Mr. and Mrs. John Bencks, who live southeast of Winside, a girl.

Dr. B. M. McIntyre left today for New Haven, Conn., on account of the illness of his father.

Miss Nellie Bright, who has been feeling quite badly for a couple of weeks, is slowly improving.

Mr. and Mrs. Robert Pettin of Wayne have been spending several days with their son, Frank, and family.

Mrs. Nels Jensen arrived from Herman, Neb., Friday, for a few days' visit with relatives and friends.

The Misses Jesse and Edith Carter returned Wednesday from a week's visit with friends of Tilden, Neb.

The Laurel ball team came down last night and played a very good game. The score was 5 to 2.

L. C. Mittelstadt came down from Norfolk Friday and spent the day looking after his business interests here.

Mr. and Mrs. W. A. Anderson, of Wayne, Neb., arrived in Winside Wednesday to take charge of the telephone exchange.

Frances Fish came up from Omaha Friday to spend a few days with his sister, Mrs. Charles Needham, and celebrate the Fourth with friends here.

Wagnie will cross here with the local train at the Winside ball park this Thursday, afternoon, and Winside will return the game there tomorrow, Friday.

A pair of twin girls were born to Mr. and Mrs. Frank Hart, Friday, August 5, at Cherry, who has located here ever since the town started; reports this as being the first incident of the kind within the city limits.

George Ulrich and family arrived in Winside Friday from Green Bay, Wis., where he was engaged in business.

After a vacation with his father and brothers, they will go to Portland, Ore., where he will engage in the same line of work.

On last Friday the bonneters for the Fourth July celebration at Hoskins started a good supply of advertising material, which they used freely. They got a great number of people from this vicinity to help swell their crowd on this occasion.

The brick building on Main street was started early in the spring, and is to be ready for occupancy in a few weeks. The new structure will be a one-story brick, veneer, finished with a steel ceiling. We understand that the work will be commenced soon, which will be welcomed by all, as this building will stand as a landmark object.

July Fourth was a very quiet day in Winside. The people scattered in various directions. Some went to Haskins; others to Stanton, and a number went to Alliance with the ball team. There were also celebrations at different places in the country which were largely attended, and the townspeople who could not just away celebrated in the park.

Mrs. Clyde Hodgson, who had kind care of this office here for the past three years, has resigned her position; and shipped her goods to Ravenna, Neb., where her husband has a good position. She accompanied her mother, Mrs. Orr, to Dakota City last night, where she will spend a few days visiting before going to her new home.

On last Sunday afternoon Norfolk teams down with victory stamped on

## J. R. Rundell & Co.

their every countenance, but it was all over after the game. Score was 3 to 1 in favor of the home boys. Both teams worked hard for the game. The attendance was unusually large. People have learned where to go when they wish to see a good clean game of base ball.

The graduates of the Winside high school were very much pleased when last week's edition of the Wayne Herald came out, to see the celebration of their prominent state. The cut was fine, giving an exact likeness of each and every one, and as this compliment came unsolicited from them, it is highly appreciated.

Winside's baseball team were invited to Alliance to play July 4 with the Laurel team, and it was with much pleasure that they accepted. Laurel felt good over the arrangements, too, for they went down to Allen feeling that they had a walkaway, but it proved to be only a slight indication. When the scores were footed up they found Winside had defeated them 6 to 1.

Orin M. Bock, aged 34 years, son of Hugo Bock, died Tuesday, July 4, at Alliance from an attack of typhoid fever, with which he was stricken two weeks ago. Orin's mother having died when he was a mere babe, he has always lived with his grandparents, Mr. and Mrs. John Bock, who feel the loss most keenly. The funeral services were held at their home on Thursday at 10 o'clock. Rev. Press officiating. His remains were laid to rest in the Winside cemetery. The friends deeply sympathize with the bereaved ones in their great sorrow.

Omaha Herald: Mrs. John W. Evans of Omaha has written and staged a two-act operetta entitled "Governor" or "The Mystery of the Governor" which met with great approval at its initial performance. Two hundred persons are required in its production, which is particularly adapted for local talent performances.

Omaha Herald: Mrs. John W. Evans of Omaha has written and staged a two-act operetta entitled "Governor" or "The Mystery of the Governor" which met with great approval at its initial performance. Two hundred persons are required in its production, which is particularly adapted for local talent performances.

The best light operetta ever given in Wayne will be put on at Wayne Opera house by local talent for benefit of the new public library under auspices of the library board; 150 of the best talent in Wayne will take the leading parts and a feast is in store for all who take out to help the public library cause.

# GOOD MORNING! Was Your Coffee GOOD THIS MORNING?

Perhaps the coffee was all right, but it was not properly ground. It makes a lot of difference how it is prepared. That's why we have installed a new model HOBART ELECTRIC COFFEE MILL to give our trade better service. We could not buy better coffee, but we found a way to make a big improvement in the grinding. This new mill will grind just as fine or coarse as ANY. ONE may want it. And it will PULVERIZE just right for any kind of a Drop Pot. And it is a pleasure for our clerks to give you just what you want—while you wait, if you desire. Let us show you "HOW MUCH BETTER" we can serve you.

Good Coffee Headquarters

# BEAMAN'S GROCERY, "Where You Get Good Things to Eat."

AS YOU HANDLE YOUR MONEY

so shall your success be measured. The easiest, most convenient way of handling money is by the use of checks. They mean the prevention of loss and all deposits. Try the check system by opening an account at THE FIRST NATIONAL BANK. It will not be long before you experience a benefit of such an account. Business will go smoother, losses will be less and a disarrangement about payments will be impossible.

- Gold Decorated Earthen Tea Pots—Extra Special 25c
- Fine Fabric-Box Writing Paper per box 10c

# AND OTHERS

Next week we shall move our Variety store to the J. G. Miller building. While we have done our level best in the old stand to give Wayne and vicinity as good a variety store as possible, we were necessarily handicapped in many ways by the small room we had at our disposal. This is now done away with and our new location will give us ample opportunity to show what an up-to-date variety store can give in the way of variety of goods, low prices, and special bargains. We aim to make this the best Variety Store of northeast Nebraska, and a credit to Wayne. Look for more particulars in next issue of this paper.

# Wayne Variety Store
