Ahern's
The Last and Best of the
Summer Clearing Sales
Begins Today, August 17th
HERE ARE OFFERED THE Greatest Price Reductions on the finest goods in the store. Not only are the money saving opportunities greatest but the goods are just what you will probably need for eight or ten weeks to come--that is the real test of a bargain--"Something you need, at a price below what you generally pay." Test these offerings by that rule. Profit and cost have not been taken into account in pricing these goods. I am willing to stand a loss on them just for the sake of having all the Summer Goods cleared out before the Fall Goods arrive. This stock must be kept Fresh and Up-to-date.

Take Your Choice of all the Dress Skirts for \$5
For only \$5.00 you may choose from 50 fine Voile Panama and Serge skirts that sold for \$7.50, \$10 and \$12.50. Every one of these skirts was new this spring, all sizes and good colors (mostly black)
Twice a year I make* this extraordinary offer on my best Skirts. If you attended the \$5.00 Clearing Sale of Skirts in January you know just what remarkable bargains these Skirts are at \$5.00. At that time every Skirt in the store was snatched up in short time. If you need a skirt this fall don't miss this opportunity to get one at a saving of \$3 to \$7. These skirts were all new this spring and summer. The styles are very similar to the Skirts shown for fall, the goods are just the same--the big difference is the price. Can you afford to miss such a generous saving?

Choose any \$6 to \$12 Summer Dress for \$3.50
25 Pretty, New Dresses to Select from.
These Dresses are made of dainty Lawns, Foulards, pattern Satens, Marquisettes and Cotton Voiles. They will be just the garment in which you'll take the most comfort the next six weeks. The styles are very new as none of these Dresses have been in the store over four weeks. At \$3.50 they cost but little more than a nice shirt waist.
During the next eight weeks one of these neat pretty wash dresses will save you much more than \$3.50 worth of wear on better dresses and skirts besides giving you a lot of cool comfort. They come in all sizes, 16 years to 40 bust.

Now! For the Clearing Sale of Summer Footwear
\$2.95 Buys your Choice of the finest \$3.50 and \$4.00 Pumps \$2.95
\$1.95 Buys your Choice of all the \$2.50 Pumps \$1.95

WAYNE WINS FIVE OUT OF SIX GAMES

RECORD OF BASE BALL FOR WEEK

Wayne Defeats a Semi-Professional Team from Omaha—More Money Needed for Expenses.

(From Base Ball Circles)

Wayne's crackerjack-base ball team is keeping up its great record of games won. Since last Thursday it has played six games and won five of them. Last Thursday the boys went to Laurel and won by a score of 10 to 1.

They deserve plenty of credit for winning that game. The club had reinforced their team by the addition of Catches Agnew, a former Omaha league man, and Pitcher Lewis, an Omaha city league man.

The team is a twelve-man ball team, a semi-professional club of Omaha, was defeated in a game with a score of 10 to 9.

Saturday the Wakefield team, which included four of Winside's best men, were beaten by a score of 5 to 3.

Monday there was no ball game. Instead, there was a burlesque performance given by the Wayne and Laurel teams. The boys started out with the intention of playing a game of ball, but at the stage of the game the exhibition resembled a ball game. The intense heat made it impossible to play.

The first two pitchers were exhausted before the game was half over and the players of both sides, artists, perspiration dripping from their fingers and blinching their eyes, were unable to throw or stop a ball.

The crowd was greatly disappointed as they expected a real hot game because of the rivalry of the Laurel and Wayne teams. Lewis has been spending money generously for new material and they now have a team that is hard to beat.

The next time these teams meet you can look for a solid game.

Wednesday Steno came over, and with Seidel who lately pitched a no-hit game in the box, they were trimmed in short order by a score of 13 to 0.

Wednesday night a game was played here for the first time, the final score being 10 to 2 in favor of Wayne.

Friday Wayne meets a crack team brought here by Pierce.

Tomorrow the much anticipated game with Winside is to be played.

Saturday the team plays in a tournament at Wayne.

No team in northeast Nebraska has the games to its credit that Wayne has. Its reputation has extended outside the county and it has received a number of letters from crack teams in South Dakota asking for games.

Arrangements are being made with Burke, S. D., Tabor, S. D., and Sioux Falls for games to be played here early in September.

Wayne was disappointed because the Winside team did not come down Saturday. Their failure to appear was due to several unfortunate accidents.

Wayne is anxious to watch the city league teams at Sioux City and Omaha in their Saturday and Sunday games. In their estimation, these city league teams could win five out of fifteen games played with Wayne.

Wayne's team is ready to play any team in northeast Nebraska for the championship of this corner of the state. The only provision we make is that any team we play shall be composed of nine men, ten men who have played at least ten games together as a team representing the town from which they come. We realize that it is possible for any outside club to hire big league pitchers and have a very strong team.

But there is not a team in northeast Nebraska composed of players who have been representing their town for at least ten games, that meet our two conditions.

three out of five. If anyone thinks that it will be best to arrange the game between our two teams.

Most everybody felt badly because of the kind of ball played by both teams in the Wayne-Laurel game on Monday. No one felt any worse about it than the players themselves. Both teams played the school boys and it is a big blow to the player's pride to make such errors as were made Monday.

They were not of judgment which would tend to their best of base ball knowledge, but they were errors of execution—grounders were dropped, fly balls were dropped, pitchers gave out, and bad throws were made to bases. Anyone who follows base ball knows that all base ball teams have such errors.

Just recently you will notice the report of a game in the national league where the score is 20 or 25 to 0 or 4. They all have such days. The best Monday was enough almost to fry eggs on the ball diamond and we don't blame either team. The Laurel and Wayne teams are both composed of players who have repeatedly shown their lack of base ball knowledge, but they were errors of execution—grounders were dropped, fly balls were dropped, pitchers gave out, and bad throws were made to bases. Anyone who follows base ball knows that all base ball teams have such errors.

Just a word about the financial end of Wayne's base ball affairs. Last week the club had a day before the game receipts, which amounted to \$1,600.00, were sufficient to pay all expenses. The members of the Commercial club donated their services toward making the team a regular game, caring for grounds, etc. During the past two years the team has been composed of several home boys and a hired catcher and pitcher and Wayne was strong enough with the team was not strong enough to win for them. The Commercial club knows that Wayne people demand a winning team just as they demand that Wayne be a winner in every other respect and to get a winning team the club had to have more players than in former years.

The Commercial club has increased its expenses, but it has not increased the gate receipts. Consequently it has been necessary for the first time in the history of the club to have more players than in former years.

A Fountain Marvel

One of the natural marvels of France is the fountain or source of the Coligny, a small river in the department of the Basses-Alpes. Out of a mighty limestone wall about 1,000 feet high springs a fountain of water, yielding even in the driest times about 200 gallons a second, and forming a full born river, which carries the water a distance of some 100 miles for 100 feet of descent. It is thought that the water must pass under the mountain by subterranean channels at least a mile in length.

Miss Mae Erace of Battle Creek, was an arrival this morning to visit the family of G. W. Hixson.

Read Mattie and sister Mrs. B. Schwabild of Winside, vicinity, were Wayne visitors yesterday.

Mr. Thomas Parry of Doherty, Neb., visited Mr. and Mrs. Robert Verbin in Wayne the first of the week.

Miss Mary Keple of Omaha, visited Tuesday with her cousins, Messrs. Walter and Wm. Weber and family.

Mr. and Mrs. Clara Straker, who

FOOT BALL TEAM, WAYNE STATE NORMAL SCHOOL

It has rolled more pain and suffering, and saved more lives than any other medicine in use. Available for children and adults. Sold by all dealers.

RIGHT LEG FRACTURED.

Irwin Sears, 16-year-old son of Mrs. Nattie Sears, suffered a fracture of the small bone in the right leg just above the ankle while playing with a number of boys on the normal ground last Saturday.

One of his companions accidentally fell on his leg. Dr. S. A. Frazier was called and set the broken bone.

Well Dressed.

Charles Lund Grant, an authority on feminine beauty, discussed at a dinner in New York, the beauty of the English woman. He said that the English woman's type, most men, however, do not like. "She is so lean, you know," with a lean, well-kempt business. She is called a tall box in football playing.

A Japanese diplomat once discussed the English woman's beauty at a ball in Cavendish square. Comparing the English woman with others, he said, "I find out the former's most looks harder."—New York Tribune.
