Consolidated With the Wayne Republican

THE WAYNE HERALD, THURSDAY, AUG. 14, 1913

VOL. 34, NO. 25

STEPHENS FROWNS ON COMMITTEE'S ACTION

ty ctairal committee to select postmasters for Wayne and Win side would fail. Letters from Congress-man Dan Stephens, indicate a determintion to insist on a primary for each point interested. The central commitadjournal to meet part Saturday tes aljearned to meet next Saturday, when it is proposed to choose postma-ters, but the plan, may be expected to the shandoned in view of the congress-man's attitude. Those who filed in ac-cordate with the motion of the com-mittee are the following: R. P. Will-liams, C.W. Reprod. S. J. M. Otherts and J. P. Marsteller for Wayne, and R. W. J. E. Marsteller 10r. Wayne, and E. W. Cullen, Clint Fry and Chase Shaw for Winside: There are, however, several other cadidates who doubtless failed to

finally be settled in a primary.

Commends Primary Plan

In his letter, Mr. Stephens says:

If commend this primary plan the Wayne county democratic central committee, and assure you that in my opinion it is the only feasible way of selecting candidates for postmaster. selecting candidates for postmaster. I most urgently request you to officially enderse it so that I may have your moral support in carrying out this great reform. It will be apparent to you at once that any other course can only lead to embarrassmout to all parties convenied because it will be impossible. of emblishes by your committee in view of my well-known position on this subject. Time and again I have announced that where there are contests for these offices primaries will be called. It would be exceedingly unwise for me to change that policy in view of my convictions that I am right; and if I did, it would lay me open so severt pub-

people rule. It has been a long time since the democratic party has been antended with the control of the gov ernneit. We ought, in our small way, and in our limited field; show the people we are honest and capable, and willing to practice what we preach?

Pass on Qualifications.

After an argument in favor of his

rimary plan, be continues: your committee, he r committee, however, to pass upor democracy of the candidates who the democracy of the candidates who may wish to file for these offices if you can't to do so, as it would be perfectly competent for you of also waste in the superant for you of also waste are the supirants for the office have reach as democrats that would entitle then to hold office under a damocratic administration. Further, than this, I would resommend you not to go, as it is a matter for the definience of Wayne and Winside respectively to settler.

The Larger Success

financial success, if you will notice, cones to the men who make use of a bank account for conserving and protecting their income and systematizing their financial affairs.

This doesn't 'just happen,' it is one of the primary laws of success that the man who would accumulate money must have method in the handling of his income.

No other plan is so methodical, so systematic, so easy to acquire, so easy to follow up, so safe, so, sure as depositing your income in a home bank and paying your bills by check.

There is no express attacked to starting an account at this bink.

Will you open an account with us, and give this plan a fair-trial!

seen among the same scenes and peoples as of yore—again the wise men visit the manger—again the water is changed to wine—in fact, all the loved history is once more presented as of old, but with the vividness and impressiveness of reality in that marvelous production

"From The Manger To The Cross"

This film has not been presented before in a town of this size. The pictures represent the life work of a prominent actor who lived the life of a Jew amid the Jews of Palestine In studying their customs, no expense was spared to accomplish the purpose of presenting Christ's life in the light of Truth. The cost of this film's estimated \$100,000.00. It is the most carefully planned film in the world. In consequence of these facts you see Christ as he really was You see His miracles preformed in a truly miraculous way.

A Free Trip To Palestine!!

pictures thrill you. It would be impossible to connect so graphically the events to their locations as is now possible during the HOUR AND ONE-HALF realistic entertainment.

CLOSE OF THE LOCAL TENNIS TOURNAMENT

In the final match of the singles ten-nis tournament for the city champion-sip, Frank Morgan defeated J. G. Miller three out of four sets and thus retains the bankers' cup for another year. The the canacers cup nor another year. Hack marks was started Saturday afternoon, but on account of unfavorable weather conditions, it was found necessary to postpone play. At this time, each player had won a set, and the 'games were three to two in favor of Frank on the third set. On Menday attended, and the was resumed and Frank won head. play was resumed and Frank won hand 5.2. Splendid tennis was displayed by both players, but the winner was play-ing an excellent game and was never in ger of defeat after the

ianger of defeat after the first:
Below is given a summary of allnatches played in the tournament;
First round—
Lewis heat Blair, 6-2, 6-2,
Gamble Beat Ringland, 6-1, 6-3.
Kemp beat Welch, 6-3, 6-2.
Gilderanevs beat Hahn, 6-1, 6-0. Second round-Paul Mines beat C. M. Craver. 6-1

Miller beat Lewis, 6-1, 6-1.

Kemp beat Main, 6-2, 6-0.

Kohl beat Gildersleeve, 6-3, 4-5.

Morgan beat Hickman, 6-4, 6-4.

Kiplinger beat J. H. Pile, 6-4, 6-1.

Semi-final round— Miller beat Francis Jo Morgan beat Kohl, 6-2, 6-3,

Final round F. S. Morgan beat J. G. Miller, 3-

nmary of final match

In the city doubles handicap nent. Miller and ment. Miller and Ringland defeated Morgan and J. H. Pile by scores of 25, 64, 3-7. A large and enthusiantle gallery was present to witness this match which proyed to be very close and intreasting. The features of this match were the splendid all around playing of Mossrs Ringland and Pile. match were the splendid all around playing of Messrs Bingland and Pile The players regret that Harry Fisher prohibits the use of spiked shoes or probablis the use of spiked stoes on his tennis court-an this awarded, very much to the disadvantage of Jim Pili who seemed to have no little difficulty in maintaining his equilibrium. Har-sey had no difficulty in handling the speedy serves of his opponents, and his ability along this line no doubt had in press and the server of the spiked of the spiked press and the server of the spiked of the spiked of the speedy serves of his opponents, and his server worself.

The rain came in time to insure a fair to an banks. 8. 689.57

Due, to state and record to a fair to an banks. 8. 689.57

Due, to state and the proper of the county of the count was fast crowing reason for glam was miss -growing reason for sharm But it is show that Waye county said can stand a long drouth. Its recupers tive names as wonderfelt spream in the renewed life and growth of vegeta-tion since the rain. The most pro-nounced pessions cannot now fall to feel optimistic and encouraged. With the rule of high price, a reliefed crop will not prevent prosperous conditions. ounced pessimist cannot now fail to Correct Attest: B. JONES, Cashier. cel optimistic and encouraged. With the rule of high price, is reduced trap [H. C. HENNEY]. If In the prevent prosperois conditions.

There are many people who are not this lith day of August, 1913, raily and habitually howest. They are grand square in their dealines, and

urally and habitually honest. They are fair and squart in their dealings, and they have a right to expect similar treatment in return. But they don't al-ways get it. Generosity is sometimes met by swinish avarice and little-context paramony. The magnathrous spirit is chilled by a manifest effort to indities of soil that endure. It pays to develop magnatificity, even though it is not always appreciated or recipro

During the last few years, Wayne has de several important improvements ade by outside capital. The state put a new handing costing \$50,000 for a State Normal last year, and will eing eracted, will cost \$22,000. While uses improvements' exused an expendi-are of considerable effort and some toney on the part of local people, the ulk of the capital in each case has once from the outside. If outsiders are future of the place, doesn't it look as though the city ought to be able to insure capital for a new hotel building

Work Bryan has taken the world into his public vendue to the highest bidder for confidence. He carries his lunch to each, at the east front doo work with him. His most expensive of the courthouse in the Cit "Mr. Bryan has taken the world into his confidence. He carries his lunch to work with him. His most expensive think is granginken—diluted with wafar, —it costs little. He doesn't smoke, chew, circe, drink rum, or gamble. H. HE cannot live on \$12,000.a year, it is truly a wonder how the control of the cont truly a wonder how the rest of the world manages to get along."

The Emergency Value of Big Organization

When a real catastrophe happens to a telephon system, such as the recent tornadoes, fires and floods, the value of a big and centralized organization is quickly shown.

To meet great emergencies and to give efficient and dependable service at all times, the Associated Bell Companies operate under one policy and as one system for universal service.

Long Distance Bell Telephone Lines Reach Nearly Everywhere.

One of the questions in a recent ex

amination on Theory and Art of Teaching: "It is said that no one has any
business inquiring as to the out ofschool life of the scaecher. Take a position wor this and defend by good asswered the question thus: "It think the
aparents of the pupils' who are attending school have a right to inquire into
the vurtur-School life of the teacher.
A teacher is an eximple before her popile, and if she is unwomanly in her
conduct outside of school, she is sure
to earry this to some extent into her amination on Theory and Art of Teach conduct outside of senior, says is and to carry this to some extent into her school room. Therefore, I think the parents have a right to know what kind of a life the teacher leads outside the school room. 17 She is entirely right,

OUTBUILDINGS

Noglect of outbylkings-is a source of demonstration to many children. Ne-braska has a law that there shall be two, as far, angart, as the grounds-will permit. Each should be seriented as the street of the street of the street. The walls should be kept clear from obseen language and pictures; School boards whould see to it that all the outbylkings are post in a sunitary constitution. Neglect of outbuildings is a source of and it is rather hard to excuse one who outbuildings are put in a sanitary conwould ask for such a thing to be dition before school begins.

DEATH OF ME, SUNDAHL Christian M. Sundahl was born in enmark, August 24, 1842, and died at ne at the form of Sholes, Neb., Stinday morning at 3 o'clock, August 10, 1913, aged 70 years, 11 months, and 17 days. He was brought up by Christian parents, and baptized in the Evangelical Lutheran and Louis Sandahl of Carrall, and Mrs. Jurgeason of Hay Springs. The de-crased-was a good bubband and neigh-bor, ever thoughtful of his aged and in-valid wife. —He had a jolly word and pleasant smile for all. After having lived in various parts of the state, the deceased moved to Sholes in the spring of 1012, and has since resided here. Mr. Sundahl's illness began several months-age and for several words it was known.
