"What's New?"

THAT'S a favorite question with young men; they want to know what's the latest style. Here's one of them by

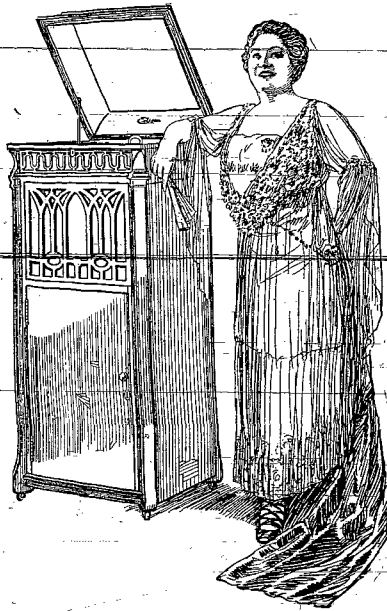

Hart Schaffner & Marx
Double-breasted "beaters"

We'll show you any number of smart variations, plaits, belts, yokes, crescent, vertical or slanting pockets.

These suits are some of the reasons why young men think of this store as the style center. We'll show you others.

Gamble & Senter
The home of Hart Schaffner & Marx clothes

Monday, Mrs. Walters remained for a longer visit.
Mrs. Gus Stone and Mr. and Mrs. Roy Johnson and son Harry were in Wayne Monday on their way to their home at Armstrong, Ia. The former had been visiting Mrs. Peter Pearson and the latter went to the Emil Johnson home in Wausa.
C. E. Carhart and L. W. Roe, councilmen and city clerk respectively, recently visited Central City on business, and while there learned that the town's electric rates are seven cents for light and four cents for power. It seems Central City's electricity is furnished by a Grand Island corporation, and is transmitted from that city. This fact in favor of newly owned public service plants appears to be overcome by the supreme joy of knowing and feeling that each taxpayer has a personal interest in the enterprise. The Wayne rate on lights is fifteen cents and on power eight cents.
Only fifty cents for a three months' trial of the Daily State Journal, Lincoln's only morning paper. This price is made just to get you acquainted and show you why nearly everybody reads The Journal. It stops when the time is up. Send seventy-five cents and we will mail you both the Daily and Sunday three months. You will be delighted with the big Sunday issue with its colored magazine and comic supplements. It's as interesting on Monday as on Sunday. Send in for a trial offer at once. These special prices will only last a short time. They are too cheap to last long. Address State Journal, Lincoln. s251ad

WINDSIDE

Mrs. Art Auker of Winside is editor of this department. Any news contributions to these columns from town centers will be gladly received by her. She is authorized to receive news for renewal subscriptions.

Dr. J. G. Neely went to Wayne Monday on business. Mr. and Mrs. George Galtier spent Monday in Norfolk.

N. H. Hansen was an Omaha passenger Sunday afternoon. Fred Dimmel of Norfolk, spent Sunday with relatives in Winside.

Mrs. G. Chapin and daughter, Miss Virginia spent Monday in Wayne.

Mr. and Mrs. Ross Peterson went to Grand, Neb., Monday to visit relatives.

Jesse Witte has purchased the truck line formerly operated by Percy Ross.

Miss Natalie Needham of Norfolk spent the week end with her cousin, Miss Ruth Needham.

Mr. and Mrs. V. Davis returned Sunday from Lincoln where they had visited for one week.

Mr. and Mrs. Edmond Sackert and Mrs. J. Overman and daughter, Edna, spent Thursday and Friday in Sioux City.

Mr. and Mrs. Lloyd Prince and Mrs. Frank Perrin motored to Sioux City to attend the Interstate fair Friday.

Mr. and Mrs. Clarence Rex and daughter, Betty, motored to Omaha Sunday to visit Mr. and Mrs. Russell Williams.

Miss Paula Mittelstadt went to Lincoln last week to attend the state university. Miss Mittelstadt is a sophomore this year.

Mrs. I. O. Brown, Mrs. Lute Miller and Mrs. Lena Schifer spent Thursday and Friday at the Interstate fair in Sioux City.

Mrs. Roy Carter left Saturday evening for Lusk, Wyo., where she will spend a few days' vacation on the Carter ranch near that place.

Mr. and Mrs. Frank Miller and son, Dick, left yesterday on an automobile trip through South Dakota making their first stop at Pierre.

Mrs. C. A. Anderson, Mrs. C. S. Clyde Holcomb went to Omaha Saturday and drove back in a new Nash automobile for M. L. Halpin.

Mr. and Mrs. H. Huffaker left last Thursday for their home in Silver City, Ia., after visiting Mrs. Huffaker's sister, Mrs. A. H. Carter and husband.

Mrs. James Hendrickson and baby arrived Tuesday night from Avoca, Ia., to visit at the home of her grandparents, Mr. and Mrs. Richardson Hodgson.

Frank Wilson returned Tuesday night from Grand Island where he went Monday to attend an officers meeting of the Masonic lodge, which convened there several days.

Rev. J. Bruce Wylie, H. G. Smith, C. A. Anderson, and Dave Fowler went to Wayne Monday morning to serve as jurors in the district court. They were excused and returned to Winside Tuesday.

Rev. J. Bruce Wylie filled the pulpit at the Methodist church Sunday in the absence of Rev. William D. Smith who went to Dixon, to which place he was transferred at the recent Methodist conference held in Lincoln.

Mr. and Mrs. F. E. Bright and family motored to Grand Island Saturday, returning to Winside Monday. They were accompanied by Mr. Bright's mother, Mrs. H. E. Wheeler, who had been visiting in Idaho and also several points in Nebraska.

Mr. and Mrs. William Benschoff, who had spent five months with relatives in Winside and vicinity during the latter part of the week to visit their son, Perry Benschoff, at Van Tassel, Wyo., from which place they will go to their home in Lindsay, Cal.

Mr. and Mrs. I. D. Brugger and daughter, accompanied by Mrs. G. A. Lewis and Mrs. L. D. Dysart, arrived home last Thursday evening from an automobile trip to South Dakota where they visited relatives and friends at Wessington, Huron, and other points.

The Charles Carr family had a narrow escape Sunday when the steering gear of the automobile gave way on the road between Winside and Hoskins causing the car to turn turtle. Luckily the occupants of the car escaped injury beyond a severe shaking up and bruises.

Mrs. Halpin, Hostess. Mrs. M. L. Halpin will entertain at the home of the Home Department at the regular monthly meeting next Tuesday afternoon.

Meeting Yesterday. Mrs. William Misfeldt was hostess to the Social circle yesterday afternoon. At the close of the evening Mrs. Misfeldt served luncheon.

Ladies' Aid Meets. Eighteen members of the Ladies' Aid society of the Grace Methodist church gathered at the home of Mrs. Irving Moses last Wednesday afternoon for a picnic dinner the ladies spent the afternoon quilting. Mrs. Moses was assisted by her sister, Mrs. H. S. Moses in duties as hostess.

Freshmen Initiated. Freshmen at the high school will be initiated in the mysteries of supper-class life with the sophomores, juniors, and seniors acting as hosts at the auditorium this evening. Games and refreshments will make up the program of the evening. Members of the high school faculty will also be guests at the evening's merriment.

Winside Markets.

Table with 2 columns: Item and Price. Items include Hens, Springs, Eggs, Butter, Oats, Corn, Wheat, Hogs.

Mrs. Auker Entertains.

Mrs. Art Auker was hostess to thirty ladies last Wednesday afternoon complimenting her mother, Mrs. William Benschoff of Lindsay, Cal. An arithmetic contest was an entertaining feature of the afternoon's program of games. Assisted by Mrs. L. S. Needham and Mrs. Harold Quinn, Mrs. Auker served

dainty refreshments. Several ladies from Wayne were guests of the afternoon.

To Stage Circus.

'Hey, Skinny! Run like everything!' This will be the cry at the high school Saturday, October 4, when the students will stage a regular circus. The event will be the opening feature of the scholastic year. Side shows just like those run in the 'big tops' are promised besides the regular show which the managers say will be full of thrills!

Farewell Party.

Rev. and Mrs. William D. Smith were honored at a farewell party in the parlors of the Methodist church last evening when members of the congregation and friends gathered to express their appreciation of Rev. Mr. Smith's work here during the past year. The departing pastor and his wife were presented with an appropriate gift as a remembrance for the efficient work they have done

while here. After a pleasant evening at games and music, refreshments were served. Rev. Mr. Storer gave a short talk expressing his gratitude for the kindly reception and the friendships he had formed during his pastorate. Rev. Mr. Smith will leave shortly for his new work at Dixon, Neb.

Entertaining Today.

Mrs. Walter Gaebler, Mrs. G. A. Mittelstadt, Mrs. Frank Perrin, Mrs. Lute Miller, and Mrs. I. O. Brown are joint hostesses this afternoon to the members of the Social circle at the Gaebler home. The guests will enjoy a unique program of games after which a delicious luncheon will be served.

Farm Sells High.

John Davis has sold his farm lying two miles north and one half mile east of Winside to C. E. Benschoff of this place. The land brought \$300 an acre, a record price in this vicinity. Mr. Benschoff also bought

the crops, livestock, machinery, and other equipment, and will take charge of the place within a few days. Although Mr. Davis' plans are not definite he expects to move to Colorado in the spring.

Picnic Saturday.

Miss Natalie Needham of Norfolk was guest of honor at a picnic Saturday afternoon when Miss Ruth Needham was hostess to a party of her girl friends. The girls journeyed to a grove two miles north of town, where outdoor games were played. An excellent picnic supper was served at the close of the day's entertainment.

The Great Danger.

Toronto Mail and Empire: Premier Hughes of Australia says that even today Germany is the best organized nation commercially. It would not be at all surprising if Germany, held together industrially by adversity and national discipline, marched ahead of the 'victorious'

nations torn by labor strife, profiteering and wars of classes.

Recital by Mabelle Wagner Shank at Laurel.

An unusual recital was held at Laurel on Tuesday evening of this week when Mabelle Wagner Shank sang, accompanied and assisted by the New Edison Phonograph, at the instance of the Jones Book-Music Store of Wayne. When the two sang together it was as though two artists with voices of the same quality and expression were singing. When the New Edison furnished the music alone, the large audience was astonished to discover that they could not tell it from the singer's own performance. Much interest was manifested in this new creation of the magician, Edison, by the 1200 persons present.

Brooks Curry of Sioux City spent Sunday in the C. A. Chace home in Wayne.

The Ed. V. Price & Co. Wholesale Merchant Tailoring Plant Chicago

Creators of that quality in tailoring that invites the question—

Morgan's Toggery

The Gateway to the largest high-class Wholesale Merchant Tailoring Establishment in America.

E. V. Price & Co. (Identified everywhere by "Ye Jolly Little Tailor" trade-mark shown above)

Bringing to men of Wayne a tailoring service unpassed anywhere. As most men know, this great institution's scientific system brings right home to you the same tailoring service and satisfaction as if you placed your order personally with its tailors in Chicago.

This exceptional tailoring service means larger selections of fine imported and domestic wools, newer patterns, and prices pleasingly below the expected for tailoring service of so high an order.

Special thought has been given to the comfort and convenience of women, to whose good taste and discernment-wise men defer in the choice of fabric, quality, pattern and style. We will regard it a privilege to personally meet you and show you the various advanced ideas of tailoring service in relation to their emphatic advantage to you.

Special Notice

We are in receipt of a letter from Ed. V. Price & Co., this morning stating that on all orders received on and after October 1, there will be an increase in price of 10 per cent, so we must have your order by Monday noon, next, to get the present prices. Place your order NOW and have the finished garment come on when you want it at today's prices.

The Fall Stetson hats are in and they are beauties.

day evening—the occasion being Mr. Zutz' 85th birthday anniversary.

R. G. Rohrke and Wm. Woodman went to Wayne Thursday afternoon where Mr. Woodman took out his final naturalization papers.

Mrs. Gus Schroeder will leave this week for Hector, Minn., where she will meet Mrs. Euseb of Haktum, Colo. From there they will go to Santa Ana, Cal., to spend several weeks.

Look for the Sign

The Lessmann Loader

(Less Men Loader)
Something New

The machine that pays the largest dividends of any farm machinery you have.

The loader, if used, will pay for itself in one season.

Will load any and all kinds of manure as fast as you can haul it out. We have loaded eighty-bushel spreaders in three minutes.

We will not be in position to fill all orders for this fall's use on the farm as we have too many ahead to be filled.

A number of loaders will come to this territory, also Wakefield, Concord, Laurel, Carroll and Altona.

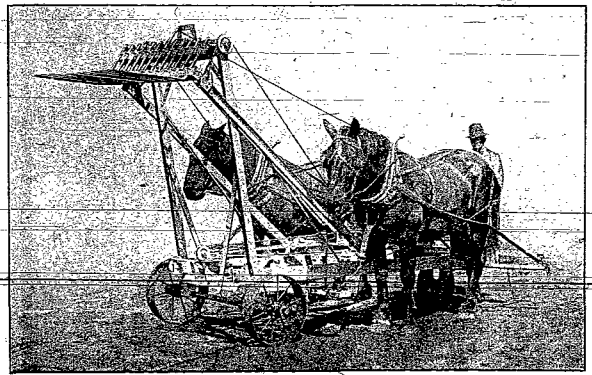

The loader has made a wonderful showing in a test at Des Moines, Ia., where it was tried out in a place where the loader would never be expected to work under any farm condition.

Everything about the loader is steel and cast-iron—only a few short pieces of oak planks on the machine.

Every tine on the fork is made of cold rolled steel shafting, capable of carrying 160 lbs. without injuring the fork in any way.

The only machine on the farm which is absolutely fool proof. We mean to say you can put any boy or farm hand on it and he cannot harm it in any way in use.

We would advise any one desiring a machine after seeing it work, to place his order for late fall or early spring work, as we will not be able to fill all orders as soon as you may think we can. In this case we would just ask a deposit of one hundred dollars and the balance when convenient. We will have agents soon, but at present you may place your order with H. F. Lessmann or Henry W. Lessmann.

The only machine that will load manure on spreader or wagon without driver leaving his seat on the machine.

We also have a small amount of booster stock left which we issued only as an advertising matter to men who will help to demonstrate and advertise the loader.

This stock, no doubt, in one year will double its value. It also entitles the holder to a discount on his loader which makes it worth while for him. The stock sells for \$250 per share, payable cash or terms.

This will last but a few weeks, if that long. It's going faster than we expected. When the amount set is reached, we will not issue any more stock of any kind in the Lessmann Loader Co. So if you wish some of this stock, act at once.

The parties named will also have stock application blanks for your convenience.

Lessmann Loader Co.

(LESS MEN LOADER)

814-820 Tuttle Street.

The Job of Insulation

Ordinary insulation nearly always gives way before the plates do, and the battery has to be reinsulated.

Willard Threaded Rubber Insulation protects the plates from the very beginning of the battery's life, and protects the car owner against the need of having the battery reinsulated.

Drop in, and we'll tell you about some of the long-life records that Threaded-Rubber Insulation has made possible.

Wayne Storage Battery Co.

Second Street, West of Main, Wayne, Neb.

NEBRASKA NEWS NOTES

Important State Happenings in Brief for Busy Readers.

Land Price Records.
That all sections of Nebraska are participating in the boom in land prices is proved by the prices being paid in recent sales. The old Farwick place near Norfolk was sold by Fred Biedinger to F. M. Leech of Canton for \$249,000. This 50-acre farm was bought by Mr. Biedinger eighteen months ago for \$192 an acre. This makes his gross profit on the sales \$56,000 on an acre of just \$2,400 cleared on this one sale. Another tract of about 30 acres near Fremont was purchased by T. D. Hartstock, a prominent breeder of pure-bred live stock near Janssen, for \$300 an acre.

Five hundred dollars was also the price paid per acre for a tract of 20 acres in Cedar county. Tom Baker sold the place to Frank Kubo, after having bought it two years ago for \$315 an acre. Approximately 60 per cent was the profit of this deal.

Death of \$10,000 Hog.
One of the finest Duroc hogs in the country, owned by Emil Schwick of Madison, died in the train recently while on route to the Iowa state fair. The big fellow tipped the scales at 1,000 pounds, and breeders who knew him were confident that he would have carried off the grand championship if he had lived to enter the show. Mr. Schwick, it is said, would not have taken a cent less than \$10,000 for him.

The hog was taken from Madison to Columbus on a truck for shipment to Iowa. When he reached that place he showed signs of illness. A veterinary was summoned to attend him. Mr. Schwick did not want to break up the show herd by leaving him so the veterinary got into the baggage car to take care of his patient on the trip. The big Duroc died just east of Fremont. The doctor says his death resulted from his becoming overheated on the ride to Columbus. He was insured for \$1,500—Cedar County News.

Co-Operative Selling in South.
When local buyers in Rapides Parish, La., offered from \$1 to \$1.25

per bushel for potatoes, the growers sold their crop at a profit. The price was far too low, so they induced four potato growers of the parish to market their produce on the co-operative basis. The shipment was sent to Chicago, where the potatoes were sold for \$1.65 a hundred pounds. This, the agent believes, will be an excellent for the farmers in that section, and he is of the opinion that in the future many growers will market their products co-operatively.

State Fair Statistics.
The first five days' attendance at the 1919 state fair at Lincoln exceeded last year's full six days' attendance by 20,000. The total attendance for the six days this year was 267,458. Forty-eight thousand five hundred more persons attended this year's fair than ever before.

The honors for agricultural exhibits at the fair were won by Douglas county; in the central district, Kearney county; and Box. Butte took first for the western district. It was also noted because its boys' and girls' clubs won first place in general demonstration and representation of Nebraska at the fair in Sioux City. Here they competed with twelve central western states for the championship of the fair.

More than usual attention was given this year to all the exhibits of the boys and girls. The demonstration teams were watched each day by hundreds of people. An Omaha canning team won a free trip to the interstate fair at Sioux City. The pig exhibits of more than ten pigs drew a particularly large number of visitors. One boy exhibited a litter which he sold for \$5,000.

Two Potato Crops a Year.
Two crops of potatoes on the same soil is the record of Jim Post, a farmer near Coleridge. He had heard a great deal about raising two crops a year and decided to try it out this year. After gathering his first quarter acre of potatoes, he planted several of the rows with new seed. The second crop is now larger than eggs and will mature nicely.

Improvements at Plainview.
The city of Plainview has decided to issue \$12,000 worth of bonds for an ice plant and \$24,000 for the extension of the electric lights. The vote which was taken about two weeks ago, was: 238 for ice plant and 35 against; 252 for extension and 20 against. The women seemed to be heartily in favor of both propositions, as out of the 102 women voters cast, there was only one against each proposition.

New Variety of Oats.
A new and improved variety of Kershon oat seed has been discovered by Prof. T. A. Kishelbach, crop department of the University of Nebraska, and tried out on two Douglas county farms. Jacob Sasse and Eggert Beck were the two farmers who gave it a trial. This new seed has produced 100 bushels of oats to the acre on the

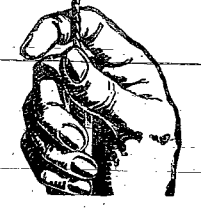

WHEN you see this famous trade-mark, think a minute! Think of the delicious taste of a slice of fresh toasted bread!

That's the real idea back of the success of Lucky Strike cigarettes. Toasting improves tobacco just as well as bread. And that's a lot.

It's toasted

Try a Lucky Strike cigarette

The Housewife's Suspicion.
Chicago Daily News: There is a mystery about the present sugar shortage, but the average housewife is convinced there is a profligate in the sugar barrel.

"WHY DON'T YOU WEAR KRYPTOK?"
"Yes, I too, wore those old-fashioned bifocals with their disfiguring seam. The seam annoyed me and blurred my vision. And I never realized how old those 'antiques' made me look until one day my daughter asked, 'Mother, what is that queer-looking crack in your glasses?' I forthwith went in search of two-vision glasses without the disfiguring marks. I found them in KRYPTOK."

KRYPTOK THE INVISIBLE BIFOCAL
Kryptok gives the convenience of near and far vision in one pair of glasses, without that age-revealing 'crack' or seam.

Little Belgian Queen of Song.
America.
Mlle. Alice Verlet, known in her own beloved country as the "Little Belgian Queen of Song," leaves America and its people. But her thoughts will wander back to her other home. Mlle. Verlet was living in her lovely little house near Brussels when the war started. Of course, she was obliged to flee and her home was pretty well wrecked by the Germans. Mlle. Verlet's piano, her furniture, her records, were all destroyed with that peculiar efficiency the Germans displayed in such cases.

But the house where she lived with the Grand Opera company in Paris, had very different kind of tenants. After Mlle. Verlet came to delight America with her singing, her Paris home was rented to some American officers who she knows will treat her cherished possessions with a far different spirit.

Mlle. Verlet's concert in Wayne on Friday, October 16, is something to look forward to, both for Wayne and for the singer herself. For Mlle. Verlet loves the Americans and enjoys singing to them.

Notice.
As I will have to quit the ice business on account of my health, I will quit my existing ice business with you on or about promptly. Wm. H. Andreasen.

Brunswick Principles In Fine Tire Making

The reason you are interested in the name on your tire is that it identifies the maker. By knowing the maker you can judge his ideals of manufacture.

The only secret of a super-tire lies in the principles of the maker. His standards decide the quality. For there are no secrets in the tire industry.

What you get depends on what is behind the name on your tire. Brunswick, as you know, means a very old concern, famous for its good name. Since 1845 the House of Brunswick has been famous the world over for the quality of its products.

The Brunswick Tire is all that you expect—and more. Your first one will be a revelation. You'll agree that you've never known a better. And you'll tell your friends. So spreads the news among motorists. The Brunswick is the most welcome tire that ever came to market.

Try one Brunswick Tire. Learn how good a tire can be built. And remember, it costs no more than like-type tires.

There's a Brunswick Tire for Every Car Cord—Fabric—Solid Truck

KAY & BICHEL

Wayne, Neb.

Strongman for Buckle in excess of ordinary seed. On the Buck farm six more bushels per acre were the result of using it. In each trial the new and old seed were planted on the same field. The two farms-adjacent each other and are located a few miles west of Benson.

I am Your Worst Enemy.
I am the ruler of retail reverses.
I am the Lord High Potentate of Failure.
I am the reason for that downward-slant on your profit curve.
I am the cause of the silent sickness that stills your cash-register bell.

I am the origin of dissatisfied customers and loss of trade.
I am the element of chance that turns a winning business into a losing gamble.

I am the fountain head whence springs the majority of your trouble and worry.
I am the key to the problem why more than 15,000 retailers fail every year.
I am the why and the wherefore, the direct and proximate cause, the germ and the genesis of successful merchandising.

I am the Sticker, the Shelf-Lounger, the Left-Over, the nameless child of an unbusinesslike product!

I am the standardized product!

For State Teachers' Meeting.
Professor F. M. Gregg of University Place, Neb., announces that the following prominent educators have been selected to address the teachers of Nebraska at their annual meeting in Omaha Nov. 4-6 and 7, 1919: Prof. F. D. Barber, State Normal University, Normal, Ill.; M. L. Burton, president of the University of Minnesota, Minneapolis; Dr. W. W. Dykema, great leader of commerce, and a well-known musician, who is director of school music, Madison, Wis.; Geo. W. Eggers, art lecturer and "chale" talk man of the Art Institute, Chicago; Dr. Patty Hill of the Teachers' College, Columbia University, New York City, who is considered America's most distinguished kindergarten teacher. Many others will be added to the list before the convention opens.

Johnson's New Bravery.
Springfield, Mass., Republican: An extraordinary change of heart in Senator Hiram Johnson, who must have heard of the secret treaties a year ago, is now publicly charging his associates in the war with duplicity unparalleled in history. He did not venture to say it, brave as he is, when we were fighting "shoulder to shoulder" over there.

Using a Parachute.
Buffalo Commercial: Some optimistic persons say we have passed the peak of the high cost of living. If they are correct, then all we can do is to use a parachute to get us safely down.

THE WAYNE HERALD

The Oldest Established Paper in Wayne County.

Published Every Thursday.

Entered at the Postoffice at Wayne, Neb., as Second Class Mail Matter, No. 1286 under the act of March 3, 1879. Known office of publication, Wayne, Neb.

E. W. HULSE, Editor and Proprietor

Subscription \$2.00 per Year in Advance.

Telephone 146

The Literary Digest became an innocent victim of labor troubles last week, and was compelled to issue in abbreviated form, eliminating all advertising. The publication was issued at great loss rather than not issue at all.

The Railway Age says railroad employes will get possession of transportation lines by buying controlling stock in them, and then the publication goes on to show how they could do so. It points out that salaries have increased sufficiently beyond the increase in living expenses to enable putting considerable surplus into railroad stocks. In time employes would own the railroads.

The refusal to rent houses in cities to people because they have children is not very encouraging. Just lately it has been reported almost impossible for one with children to rent an apartment or any other place to live in Omaha. It is right to increase the race barriers in the way of living quarters and comforts ought to be removed. A municipality which expects to grow, ought to take a hand in solving a manifestly vexing and unfortunate problem.

One-sided and abnormally prejudiced and boastfully opinionated men make themselves disagreeable, and really contribute little to the progress of society. They are so busy finding fault with the way things are done that they haven't the time nor the spirit to help work out the public welfare. They would appear less selfish and would feel better if they could persuade themselves to cut out knocking and devote their energies to helpful and constructive policies.

The storm sewers, now in process of construction, will be completed this fall, and promise to be followed by paving operations early next spring. The means of play or having will be drawn and contracts awarded. A plan to pave the entire town with interrupted sidewalks is feasible. This would tear up the town only once. String the work over a term of years, and the annoyance incident to construction would be multiplied. Every real estate owner will want paving contiguous to his property. A movement to pave the entire town at once will soon find unanimous favor.

It is said a particularly ugly cut in the road between Wayne and Wakefield caused the injury of several people during the past week. The road is otherwise good. It is said this rut is not apparent, but

that a car bungs into it before the driver has time to apply the brakes. Though roads are generally very much improved, the annoying and dangerous thing for motorists to contend with is the unostentatious but beastly little rut between two hills. Most ruts, however, may be seen sufficiently in advance to avoid serious consequences. Sometimes a rut, like the one reported on the Wakefield road, has no accent or is not easily observable, and then passengers are likely to be scalped or have their backbones driven into their hats—not a happy experience. People who have the roads to fix, and who have the highways generally in fine condition, ought to do some specializing on the diabolical little ruts between hills.

STUDENTS ARE EXAMINED

Annual Test Conducted by Local Doctors—Other School Notes.

The annual medical examination of the school is being made this week. The men of the medical profession of the city have very kindly donated their services for this important work. Tuesday Drs. Blair and Hess worked all forenoon testing and examining for heart, lung, gland, throat, nose and ear trouble. Dr. Phillips continued the examination Wednesday forenoon. Drs. Lutgen, Ingham and Jones will conclude this part of the examination during the latter part of the week.

As soon as the medical men have completed their work the oculists of the city will examine the pupils' eyes for defective vision or diseased eyelids.

This examination will be followed by an inspection of the teeth by the city dentists, who will call attention to any decayed teeth, or diseased condition of teeth and gums.

Truant Law in Full Swing. There are just a few more citizens in Wayne who do not seem to know that the truant law has the same powers as the city marshal so far as school children are concerned. By the state law, children in excess of the size of Wayne are required to be in school the full nine-months of the school year. The truant officer has power to apprehend and bring to the school any child violating the above law.

Anyone not familiar with this law, who expects to keep his child out of school part of the time, would perhaps save himself cost and trouble by consulting an attorney.

Mr. Henkel has been duly installed as truant officer for the present school year, and will to the best of his ability enforce the provisions of the laws of the state, which are to be enforced by the superintendent or the board of education.

Grade Notes.

Mrs. Helen Blair visited the first and fourth grades Monday.

Thursday, Miss Viola Hague visited the fifth grade.

Mr. J. H. Peber visited the third and fourth grades Monday.

Miss Helen Blair visited the third and sixth grades Thursday.

Friday, Frank Whitney visited the second grade.

Doris Jordan of the second grade is ill this week.

High School Notes.

Thursday afternoon during the convocation period, the students enjoyed the following program: Biography of John Phillip Sousa, by Martha Crockett; the Victrola records, "High School Cadets" and "In the Spring," the latter played by Sousa's band; an article describing the playing of "The Star Spangled Banner" around the world by Sousa's band, was read by Floyd Carpenter.

During the convocation on Friday the high school students were addressed by Professor Lewis of the Wayne State Normal faculty. He took for his subject "The State Constitutional Convention," and explained some of the changes which should be made in the new constitution.

Wednesday morning the following officers were elected for "Watchword": Editor, Mitchell, assistant editor, Frank Kroger, assistant manager. These with Katherine Strickland, editor-in-chief, and How-Strickland, editor-in-chief, and How-Strickland, chief manager, make up the staff for the coming year.

That spelling is a subject often neglected in the modern high school common asterion. The Wayne school is preparing to change this opinion by having a spelling "bee" every Monday.

The assembly room has been divided into two sections, the north and south. Each section has a teacher for help. Thirty-six words will be given out several days before, and copied by all, so that they will have a chance to study them. On Monday the words will be pronounced by the principal and first one side and then the other will have an opportunity of spelling. Scores are being kept each week.

At the end-of-the-contest, the losing side will give the winners an oyster supper. The result of this week's trial was 3 to 2 in favor of the south side.

Hospital Notes.

Glean Jones of Wakefield, was operated on last Friday for appendicitis.

Mrs. T. L. Jones, living north of town, came to the hospital Tuesday, to receive attention for an injured shoulder suffered as the result of an automobile turning over.

Dr. S. A. Lutgen spent a few days this week in the Mayo clinics at Rochester, returned home today.

Ahern's Have The Ladies' Garments

Hundreds for You to Choose From

One entire store room stocked exclusively with ladies' ready-to-wear enables you to choose from by far the largest and finest stock of coats, suits and dresses in northeast Nebraska.

You can try on the latest and best styles gotten out by the eastern factories at any price you wish to pay from \$15 to \$150, but you will find the greatest showing at the popular prices of \$35.00 to \$50.00.

Ladies' ready-to-wear is our specialty. We supply the women folks of sixty other towns in Dakota and Nebraska by special sales from this store. You have all these garments to choose from here. We can please you and fit you at a very reasonable price.

Dresses (all wool) of serge and tricotine at \$25.00 to \$50.00

Suits (all wool) of the newest cloths at \$35.00 to \$60.00

Coats (wool and plush) every new cloth and color \$25.00 to \$150

A Great Saving Sale Tomorrow of

Wirthmor Silk Blouses

Last month we received on a contract placed many months ago our first shipment of WIRTHMOR SILK BLOUSES. Barely had the sale been announced before prudent shoppers, realizing the remarkable values they offered, eagerly purchased all that we could obtain.

Tomorrow the second shipment goes on sale. They are even more attractive we believe than our previous offerings. The savings they offer are incredibly large, you'll appreciate this the moment you see the winsome styles and note the splendid character.

Your Choice at Just \$5.00

The materials used are Crepe de chine, Georgette Crepe and Wash Satin, all of exceptional qualities. The workmanship is of an unusual high order, and they are cut on lines as will insure proper fitting.

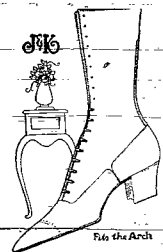

The quantity is limited; no more of the same styles will be obtainable; we therefore urge quick action to avoid disappointment.

The materials in these blouses were contracted for last spring by the manufacturer. Since that time the price of these fabrics has almost doubled. The cost to us and to you was figured on the basis of the material when bought. A notable instance of how this store working in intimate co-operation with the right type of manufacturers exercises liberal savings for those they serve.

Beauties in Brown

Also in gray and black kid and in brown calf also patent-leather. Many interesting combinations shown in

J & K Boots for Women

Moderate Prices

\$7.50 to \$9.00

Will buy military heel shoes similar to those shown in cut above, made of fine brown or black calf skin—or kid or nub. These are real leather shoes with oak-tanned soles, the kind that wear and keep their shape and take a nice polish. The leather is of a fine quality, too, that gives the shoe a dressy look.

\$10.00 to \$12.50

are the prices of our very finest black kid boots with high Louis heels. The kid is genuine and fits to the foot and looks like glove leather. It will stay good looking, too, and the shoes will hold their shape because they are properly made. You can have either turned or welt-sewed soles and your choice of medium Louis heels of leather or extra-high heels of beautifully finished wood.

\$10.00 to \$11.50

are the prices of our beaver, grey and brown kid shoes with cloth tops of the best fabric. The lower part of these shoes is made of the very finest kid leather, and colors are the fall shades most in demand. The cloth tops either match the leather or come in contrasting shades. Cloth top shoes are again in great demand because in them one can get all the style and wear of a leather shoe at a considerable saving.

\$15.00

buys our finest gray or brown, all kid leather shoes with kid covered wood heels. Nothing finer in leather or workmanship is to be had, and if you want the prettiest shoes you can get, these will satisfy you. They are really wear. We sold shoes of similar quality last fall and our customers are wearing them yet and speak of how well they still look.

\$5.00

will buy patent shoes with black cloth tops for dress wear, and you'll speak of how well they still look.

All the above prices are for guaranteed leather shoes, well made and up-to-date in style. Most of them would cost \$20.00 per pair more if we bought them now, and the best grades cost \$30.00 more. We are selling our shoes on the old market at a big discount and guaranteeing satisfaction.

Outing Flannels, all colors at 35 cents a yard.

Order Your Winter Potatoes at The Basket Store. Five Cars Contracted—Two Cars Rolling Because. You are assured of being pleased in quality and price. Our potatoes are all No. 1 government standard and sacked at 20 pounds each. None but matured stock will be offered for winter use. LEAVE YOUR ORDER—subject to young approval. We will phone you as cars arrive. This will save you all unnecessary worry regarding late delivery and the possibility of labor trouble and frosted potatoes. None but Minnesota, well matured, Early Ohio—fine for table or stock.

Carload Cabbage. Due to arrive tomorrow. Now is the time to secure cabbage for kraut making. Special price in quantities. Leave Orders for Onions. Carload to arrive about October 15. Carload Washington Box Apples. Arrive next week. An apple a day will keep the doctor away. Parents who give their children access to apples are contributing much to keeping their physical condition perfect and are much less subject to contagious diseases. Apples will sell about 75c per box higher than last year. While the price they are cheaper than doctor bills. Get a box on arrival of car.

Bulk Coffee Sales are Big. Everyday we are saving patrons 10 to 15 cents per pound on bulk coffee in 25 and 50 pound lots. That's the reason we are meeting any competition and getting the business. Heretofore, mail order buyers admit we have it on the big eastern concerns and again we get the business and the patron goes away from annoying delays. If you buy a quantity of coffee from this store and it fails to please in every particular, don't keep it, but return the very first opportunity and your money will be refunded. We sell coffee just the same as every other article in this store—under a positive guarantee of satisfaction. Our sales on coffee the next thirty days, we predict, will break all previous records. Our offerings are away below the market—the blends are sure to please, and, too, you would be surprised how many are effectively reducing their coffee expense by returning to buy in car lots. We are offering you an advance on the common sense idea of buying bulk coffee and getting in real good merchandise what they pay for. A coffee can with a fancy label costs the consumer a dime, added to the cost of the coffee, of course. When it is empty, the can will not buy. It's a loss. Encourage economy by buying coffee and any other items in bulk. See our display of bulk coffee; try them out; buy them in 25 pound lots and be convinced you are saving at least 20 per cent on your coffee expenditure.

The Sugar Situation don't look good. We are selling on a 25 pound limit and we ask consumers to cooperate with the situation by using no more sugar than is possible for the next three weeks. We are offering a special advance on 5c per bag per week and it's our purpose to distribute this equally among our patrons. Let everyone use sugar sparingly and none will be deprived entirely. Special Offer. ANY BRAND WHITE LAUNDRY SOAP—100 BARS \$5.50 With a \$15.00 grocery order. Soap 65¢ to buy of the jobber about \$7.00. Our soap, like many other items, was long before the advance. This offer is much to your advantage. Potatoes, cabbage, coffee will apply to soap up to the \$15.00 order. If you need soap within the next ninety days, this is a big saving.

...of the new students at the Wayne State Normal, took place Friday evening in the basement of the church. Over one hundred and twenty-five enjoyed a many amusing group games, which made up the evening's entertainment. Refreshments were served at the close of the evening. Miss Beard Entertains Class. Mrs. J. W. Beard entertained her Sunday class at the manse on Tuesday evening. The class organized and elected the following officers: president, Miss Eva Scriven, vice-president, Mrs. A. R. Davis, secretary, Mrs. Elizabeth Betcher, missionary secretary, Miss Jesse Leask. Committees were appointed to attend to various phases of the winter work. The class is planning to cooperate with the church in planning various social functions for the coming months. Refreshments were served at the close of an enjoyable evening. Dinner for Joe Elwood and Leo Pryor. A dinner party was given Sunday at Mr. A. Pryor's home on last Sunday in honor of Joe Elwood of Chicago and Leo Pryor of this place. The former was recently discharged from the army, where he held the rank of lieutenant. The following were dinner guests: Mrs. E. A. and family of Windy Hill, Mr. Jordan and family of Windy Hill, F. R. Pryor and children of Carroll, Mrs. J. T. Elwood of Chicago, J. H. Brugger and family of Coleridge, Mrs. E. A. and Mrs. A. J. Kerwin of Wayne, Mrs.

...ly dinner at Mrs. Mary Murphy's home. W. C. Ring was a Sioux City visitor Tuesday, accompanying Leola Ring in his Ford. Mr. and Mrs. Ernest Packer and sons were supper guests at Cleve Atcheyne's Tuesday evening, in honor of his birthday. Mr. and Mrs. A. J. Erickson, Ernest Joseph and David drove to Topeka Friday for a brief visit with relatives. Mr. and Mrs. Isaac Miller and Mrs. Will Miller and Margery drove from Lyons Tuesday and spent the day at the Peter Miller home. Philip Wickstrom came up from Oakland Saturday evening and returned Sunday with his family who have been enjoying a week's visit at the Oak home. Little Carl Wickstrom remained for a longer visit. A quarter section of land lying in the farm from J. O. Milligan, Consideration was \$325 per acre. This included a fine addition to Mr. Lundberg's already fine improved stock farm. Joel and Paul Dahlgren left on Thursday morning in the latter's roadster for a visit with friends at Winner and Platte, S. D. They returned Tuesday evening. They visited Mrs. E. E. Erickson and Peter Samuelson and families. Word has been received from Mr. and Mrs. Charles Oak of their arrival at Corvallis, Ore. They made the cross country trip by auto. They have purchased a home there and will spend the winter there. Mrs. M. A. and Mrs. Walter Oak accompanied them.

...NEWS Social Forecaster. The Minerva club supper next Monday night will be held at the home of Mr. and Mrs. B. H. Eichen. The Ladies Aid society of the Presbyterian church will hold a special meeting with Mrs. A. A. Welch at 2:30 on October 1. The W. C. T. U. will hold its first meeting of the club on Friday afternoon, October 1, at 7:30. An excellent program has been outlined for the day. Come prepared to pay dues. The Eastern Star will hold a special meeting Tuesday evening, September 30, when a school of instruction will be conducted by St. Edwards. A covered dish supper will be served at 6:30 o'clock.

...In Honor of Mr. and Mrs. D. W. MacGregor. The intermediate league of the Methodist church entertained Wednesday night at the J. M. Cherry home in honor of Rev. and Mrs. D. W. MacGregor who are leaving for the new home they have bought in the league presented Mrs. MacGregor with a hand-painted fruit-dishes and farewell gifts. About thirty girls were present. Annual Reception to Normal Students. The annual reception given by the Epworth League of the Methodist

THE EARLY DAYS IN TWO COUNTIES

From the Wayne Herald of Sept. 25, 1912.
Mrs. J. J. Williams is visiting with relatives at Iowa City, Ia.

Numerous Wayne people are attending the carnival at Sioux City this week.

W. H. Gilgrelieve went to Merriam last evening with a view to purchasing cattle.

A. A. Welch returned home from Hartman Monday where he went on legal business.

Today's markets are: Corn, 43¢; wheat, 50¢; oats, 20¢; eggs 14¢; butter, 14¢; hogs, \$7.00.

The excursion train from Wayne to the national G. A. R. encampment at Washington, D. C. were \$30.25 in December, 1912.

Markets in Chicago: Cattle \$1.00 to \$8.00; hogs \$1.25 to \$7.50; wheat No. 2 Red, 73¢ to 74¢; corn, 57¢ to 58¢; oats, 26¢ to 26½¢; butter, 20¢ to 22¢; eggs, 18¢ to 20¢; potatoes, 30¢ to 36¢ a bushel.

Phil Kohl sold on Tuesday to Geo. De Witt of Portovaine county, Ia., 38 acres of land of J. T. Bressler's and 82 acres of L. D. Bruggman's at an average price of about \$50 an acre.

Robert Jones, Robert Pritchard, J. Simmerman, Geo. Rohmer, J. Norton, James Ritchey, and Byron Mossman were among the Carroll people who came to Wayne to attend the funeral of A. P. Childs.

Arthur P. Childs died at his home in Carroll, September 20, after several weeks of illness while at work in his office, the Carroll index. Mr. Childs published the Wayne Herald about twenty-five years ago and afterwards started the Wayne Democrat. He was one of the old type of newspaper men, having a large part of his experience in Nebraska.

From the Ponca Journal Sept. 28, 1887.

The county fair met with gratifying success. Great credit is due to the managers of our fairs, when we consider that only two have been held, which have been more than self-sustaining, when, as we believe, the others have cost the county such matters have been that for the first two or three years, the fairs are unable to pay premiums, and generally fail to clear necessary expenses.

Notwithstanding the fine display in some departments, we hope should another so favorable a year be vouchsafed to us, to witness in our third county fair one that will far exceed its two predecessors and do credit to the soil and resources of the county. That ours is one of the finest stock counties in the state is perhaps generally conceded; that it is a superior agricultural county is not so generally allowed, and its warmest friends entertain serious doubts that it ever can be a fruit producing county. We hope in a short time that our farmers will realize the importance and value of improved grades of cattle, and perform that which is within the range of their ability—send cattle to Omaha that shall take the prize at the state fair, and establish at the exhibition the finest county fair in the exhibition of stock in the state of Nebraska. Stock raising is now and always will be the most profitable branch of farming in Dixon county, and money cannot be better invested than in the improvement of stock.

Germination of Seed Wheat Low.

The department of agriculture wishes to call the attention of all farmers who intend sowing wheat this fall to investigate the germinating properties of the seed they expect to use.

Owing to the small yield of winter wheat in many sections of the state the quality in a good many cases is considerably below the normal. The normal percentage of germination is calculated from the germination tests made by the division of seeds of this department for the year 1918 was 98.85 per cent.

Samples of wheat reaching this office in the past few weeks show as low as 50 per cent germination, the range for a large number of samples being from 50 to 91 per cent of germination.

The department advises that in all cases the best seed obtainable be used for seeding purposes—even if this must be shipped in from other points. In all cases where any doubt exists as to the percentage of germination of seed a sample of such seed should be sent to the department of agriculture, Lincoln, Neb., where a germination test will be made free of charge.

Several samples obtained from shipments into the state show the presence of "barrel seed," which is very difficult to separate from the wheat as the size of the seed is about the same and the ordinary cleaning machinery will not separate the two seeds.

Barrel seed is seed very commonly found in Nebraska and an effort should be made to prevent the same from being introduced into the state through this means—Department of Agriculture, Leo Stuhr, secretary.

Real Thing in Thrills.

St. Paul Pioneer-Press: The aviators to Pershing in New York and Washington must have delighted him, but his visit to his boyhood home in Missouri will be nothing less than "the thrill that comes once in a lifetime."

Have You Thought of Colorado?

You want to put your money into land that you can afford to buy now—land that will be a paying investment in a few years.

Kit Carson County is Waiting

Eastern Colorado land is due for the same kind of a boom as has come to eastern Nebraska. It will sell at four times the price of today.

Advantages of Kit Carson county in eastern Colorado for the homeseeker and investor

Climate—Mild summers and winters; plentiful rainfall; hot winds unknown.

Location—Territory is on main line railroad, from Denver to Chicago.

Soil—Black loam with clay subsoil.

For further information see

Notice to Creditors.

The State of Nebraska, Wayne county, ss.

In the matter of the estate of Herman Hinrich Dunkla, deceased.

To the creditors of said estate: You are hereby notified, that I will at the county court room in Wayne, in said county, on the 4th day of October, 1919, and on the 4th day of February, 1920, to receive and examine all claims against said estate, with a view to their adjustment, and allowance. The time limited for the presentation of claims against said estate is six months from the 4th day of October, A. D. 1919, and the time limited for payment of debts is one year from said 4th day of October, 1920.

Witness my hand and the seal of said county court this 8th day of September, 1919.

J. M. CHERRY, County Judge. (Seal)

Notice of Settlement of Account. In the County Court of Wayne County, Nebraska.

The State of Nebraska, Wayne County, ss.

To all persons interested in the estate of William S. Brown, deceased. On reading the petition of Hauer F. Wilson, executor, praying a final settlement and allowance of his account filed in this court on the 15th day of September, 1919, and for distribution of residue of estate, it is hereby ordered that you and all persons interested in said matter may do and appear at the county court room in Wayne, Nebraska, on the 20th day of September, 1919, at 10 a. m.

J. M. CHERRY, County Judge. (Seal)

to stock a man to show cause, if any there be, why the prayer of the petitioner should not be granted, and that notice of the pendency of said petition and the hearing thereof be given to all persons interested in said matter by publishing a copy of this order in the Wayne Herald, a weekly newspaper printed in said county, three successive weeks prior to said day of hearing.

(Seal) J. M. CHERRY, County Judge. S1813

Notice of Hearing. In the county court of Wayne county, Nebraska.

In the matter of the estate of William B. Gamble, deceased.

The State of Nebraska, Wayne county, ss.

To all persons interested in said estate: You, each and all, are hereby notified that Emma E. Gamble has filed a petition in said court alleging that William B. Gamble departed this life intestate on or about the 23rd day of August, 1919, and praying that Emma E. Gamble be appointed administratrix of said estate. Hearing will be had on said petition before me at the county court room in Wayne, Nebraska, on the 20th day of September, 1919, at 10 a. m.

J. M. CHERRY, County Judge. (Seal)

Contradictory. B. L. T. in the Chicago Tribune: Just what does the trade jargon mean. "Experience essential, but not necessary."

WHY

The "Exide" Starting and Lighting Battery

For Your Automobile

Because

It is dependable.

It is durable.

It is easy to care for.

It can be maintained at low cost.

It embodies over thirty-one years of specialized storage battery building experience.

It is built on the basis of low up-keep cost rather than low first cost.

It is made, and backed up by the largest manufacturer of storage batteries in the world.

There is more power and punch in the "EXIDE" Giant than in any other starting battery.

CHANGE IN LOOKS SURPRISED THEM

People Astonished By Big Improvement Shown By E. G. Bates After He Takes Tanlac

"It's, it's astonishing," he continued, "how Tanlac has put me on my feet when I was completely down and out and nothing else ever did me the least bit of good. I certainly do feel thankful and everybody will agree with me that I have the best of reasons for praising Tanlac when I tell them I had not been able to eat a meal in ten years without suffering agony afterwards. I would almost double up with cramping pains caused by the gas on my stomach and I would not go so dizzy and blind that I had to find something to lean on for support would have fallen off my car. If I ventured to eat anything except

something very light I would have to lay off for a week and my work was just a drag and a burden to me for years. I was so badly constipated that I had to take a laxative every night, and I took so much strong medicine for indigestion that my stomach was in terrible shape. I got in such a bad fix that I couldn't stay on my run more than half the time and when I did work I was so weak and run down that I was in misery all the time.

"I knew very well I couldn't go much longer unless I got something to help me to get at my work. I don't know what to do. It was about this time that I heard some of the boys talking about 'what a great medicine Tanlac was. I also noticed in the papers where it had done some good work so I bought a bottle, and it began to work. I know it helps a man when he's down and out. Just a few doses stopped gas locking on my stomach. Then I quit having cramps and dizzy spells and was so much pleased that I took care never to miss a dose of Tanlac. So I stuck right to the treatment and now I never feel a sign of my old troubles. I am now on my run every day and as I said, all the boys say they never saw me looking better. But no wonder I'm looking better. I haven't missed eating a big meal three times a day since right soon after I started on Tanlac, and I am never bothered with a particle with cramps, dizziness, constipation or anything else. In fact, I am as well and strong as I could wish to be, and I'm here to tell you that's a great change, for I was doubtful about ever being any better. So it is that I have the best of reasons for feeling thankful and will always boost Tanlac for the good health I now enjoy."

Tanlac is sold in Wayne. S251ad

A Rug Message to the Purchasing Agent of the Home

The decreasing buying power of the dollar that is stimulating thrift in many worthy directions is apt to induce some housewives to sacrifice quality in an attempt to save. This is a false economy. When you buy

Killian Rugs

Remember that excellence of materials and conscientious manufacture insure many, many years of service and that, judged by the greatest of all economical tests—durability—you'll find KILLIAN'S RUGS actually cost you less.

The following list is only a few of the grades we are showing; all moderately priced:

- Whittall's Anglo Persian, Karghiensen, Shah Abas, Bigelow's Imperial Ispahan, Karghiensen, Shah Abas, Shuttelworth Karnack Wiltons, Whittall's Royal Worcester, Whittall's Anglo India, Whittall's Peerless Body Brussels, Yonker's Seamless Axminster, Bussarah Axminster, Smith Wilton Velvets, Sanford's Cashmere Wiltons.

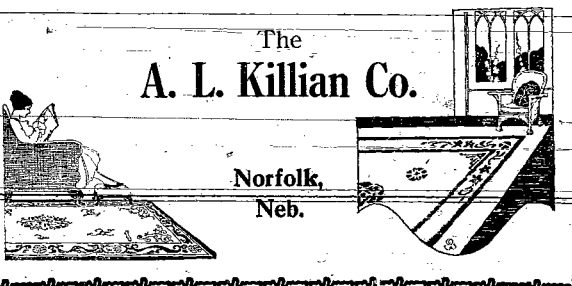

We sell the famous

Hoover

Electric Suction Sweeper

Insist on having a Hoover. It can be connected to any ordinary electric lamp socket of 110 volts; either direct or alternating current.

"Just run your Hoover over." It beats—as it sweeps—as it cleans.

The A. L. Killian Co.

Norfolk, Neb.

SPRAGUE—The Hand-Built Tire

Sprague Tires are hand-built throughout. That's one reason why they give you more mileage—why they are so much cheaper in the end. In the making of these tires, human hands place layer upon layer, first of fabric and then of rubber. Their work is inspected and re-inspected many times. It must be perfect. Machines could turn out tires faster. But machines could not give you the high quality workmanship that you have learned to expect in Sprague Tires.

Sprague's Are Built of the Best Materials

PURE PARA RUBBER the richest and most costly of all goes into every Sprague Tire. Tires using 40 to 60 per cent pure Para Rubber are considered good tires. Sprague tread and sidewalls are 70 per cent pure Para Rubber. Is it any wonder that they wear longer and give you better service while they wear?

SEA ISLAND FABRIC made of the strongest cotton that grows, is used exclusively in Sprague Tires. The Sea Island cotton used in these tires costs more, but it means far greater mileage—and mileage is the measure of a tire's worth.

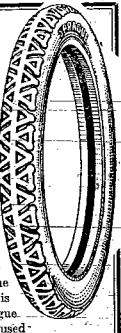

Sprague Tires have an extra ply of fabric. They weigh from three to five pounds more than ordinary tires.

Not only is the best fabric used, but the life of this fabric is not stretched out of it in an effort to make it build more tires.

Sprague Tires have proved by their performance that quality materials, backed by quality workmanship, are cheaper in the end. Test them against the best tires you now have and you'll soon appreciate the economy of Spragues.

PREMIUM LIST FOR FAIR
Exhibition of Pure Bred Stock, Farm and Home Products.

In presenting the premium list for the first annual Wayne Fall Festival and Stock Show, October 16 and 17, attention is directed to the fact that outside the women's and children's department no cash prizes are offered.

The live stock breeders have agreed to show for ribbons only with a view to assure the public that the stock is being shown for the purpose of comparison and the educational features alone.

Rules and Regulations Governing the Show.

No admission of any sort will be charged.

No entry fees will be charged.

All entries must be with the secretary, D. H. Cunningham before 6 p. m., October 7.

No stall rent will be charged but exhibitors must furnish own feed and bedding.

All entries must be made in strict compliance with the official premium list and awards made in compliance therewith.

Animals must be exhibited at such time and place as the superintendent shall direct.

No article or animal on exhibit shall be removed before 6 p. m., October 17th.

The association will do all it can to protect and care for all articles placed on exhibit but in no case will it be responsible for any loss or damage that may occur. Stock will be allotted stalls and space in accordance with the time the entries are made. Competition to be open and not confined to Wayne county except school exhibits. All live stock to be on grounds by night of the first day of the fair, judging to start at 1 p. m., October 16. W. J. Kennedy of Sioux City, judge.

All articles in Domestic Science and Art Department to be in place by noon of the first day of the fair. Judging to start at 1 p. m., first day.

Admission free. Refreshments will be served.

Articles in each class must be in place by morning of second day. Awards on same to be at 10 a. m., second day.

Ages on animals entered for show will be based on September 1 date. If animals are eligible for the classes on September 1, 1919 they shall be eligible to be shown at this show.

Class A—Horses and Mules.

TO AVOID CAR SHORTAGE

Director of Railroads Asks Co-Operation of Shippers.

Walter D. Hines, director general of railroads, has authorized the following statement, asking the further co-operation of shippers and receivers of freight in promoting freight car efficiency:

"During the war, no one was more patriotically helpful than the American shipper. With zeal and efficiency he did his part in the common cause.

"The railroad administration had excellent opportunity to observe this attitude during the war and has appreciated heartily the subsequent continued co-operation of the great majority of the shippers.

"The time has now come for renewed efforts by both the railroad administration and the shippers and receivers of freight so that the nation's transportation service may be rendered with the greatest satisfaction possible under the circumstances.

"An unusually heavy grain and coal movement, deferred repair and the construction of public highways in all sections of the country and the concentrated requirements of suddenly reviving business, combined with the usual transportation requirements at this time of the year, threaten a serious lack of transportation facilities unless all parties interested co-operate in securing the greatest possible amount from the existing limited transportation facilities.

"If this connection attention is invited to the following extract from a recent public statement of the president:

"We have now got to do nothing less than bring our industries and our labor of every kind back to a normal basis after the greatest upheaval known to history and the winter just ahead of us may bring suffering infinitely greater than the war brought upon us if we blunder or fail in the process. An admirable spirit of self-sacrifice, of patriotic devotion and of community action guided and inspired us while we were in the line of duty. We shall need all these now and need them to a heightened degree, if we are to accomplish the first tasks of peace."

"The railroad and the transportation will do its full part. The car service section in Washington and the various regional organizations are striving earnestly to secure a fair and just distribution of the existing equipment as well as to meet the requirements of individual shippers.

Of the 100,000 cars which the railroad administration ordered constructed, 59,409 had been completed on September 13 and are now in service, and this number is being increased at the rate of over 900 each working day. Instructions have been issued to all regional directors to bend every effort to speed up road and yard movements, to secure heavier loading of equipment, to establish and maintain complete and accurate yard checks, to reduce the number of bad order cars, to make prompt delivery to connections, to effect early deliveries at freighthouses and teamtracks, to reduce the number of freight cars used in the transportation of common material and to expedite the movement of grain cars in terminals.

The hours of labor of car shop employees have been increased and every effort is being made to speed up road shops and in the shops of private concerns to whom the work is being referred to reduce the number of bad order cars.

"I earnestly urge all shippers and receivers of freight to redouble their efforts to promote freight car efficiency.

"Shippers of freight can assist:

1. By loading all cars to full visible or carrying capacity.
2. By prompt loading and release to the carrier.
3. By ordering cars only when actually required.
4. By eliminating the use of railroad equipment in trap or transfer service when tonnage can be handled by motor truck.
5. By reducing the diversion and reconignment of cars to a minimum.

"Receivers of freight can assist:

1. By prompt unloading of cars and notice thereof to the carrier.
2. By ordering goods in quantities representing the full safe carrying capacity of cars and disregarding trade units.
3. By ordering from the nearest available source.
4. By pooling orders so as to secure full car load.

"A resumption of intensive loading will not merely reduce the number of cars under load but will also relieve congested terminals where it is a question of track room rather than of equipment.

"With a strong concerted effort on the part of the railroad administration and the shippers and receivers of freight, it is hoped that during the period of abnormally heavy traffic with which we are now confronted the nation's transportation needs may be met with reasonable satisfaction to all parties.

"I earnestly ask the continued and even more effective co-operation of all shippers and receivers of freight."

Old Settlers' Reunion in Cedar County.

The thirtieth annual reunion and meeting of the Cedar County Pioneers' and Old Settlers' association

Well Supply Your Wants For Early Fall Wear

True Economy in September Buying

YOU have been waiting for this fall—for two years—for the time when the war would be over and new clothes would be a matter of true economy. Even in peace times, you don't want to spend money unnecessarily; you want to get all possible value for every dollar.

You'll Find a Large Assortment
of New Fall Goods Here at Prices
Which Cannot be Duplicated.

- Two unusual pieces of all-wool plaid, in blues and browns at **\$3.50**; 42 inches wide. This was an unexpected purchase, which means a great opportunity for you. **\$2.50**
- French serges in all the popular colors at **\$2.25** and **\$2.85**
- Shimmering satins—taupe and burgundy are two of this season's favored shades; priced at **\$2.25** and **\$2.85**
- Silk poplins at **\$2.50** a yard, in brown, tan, old rose, navy blue, and other colors.
- Make yourself a 'tam.' We have three pieces of a new velvet, especially suited for making the soft tams so popular this fall. It is a yard wide and only **\$2.15** a yard. Don't miss the glowing 'poppy' color, the rich, dark brown and taupe.
- You will find crepe de chines in a wide range of color at **\$2.00**—**\$2.25**—**\$3.00** yard; and 40 inch Georgettes at **\$2.00** and **\$2.25** a yard

It's Blanket Time

Cool, fall nights make you remember that you need to lay in a supply of blankets. We are prepared with blankets at almost every price in plain colors and fancy plaids. Priced at **\$2.90**—**\$3.50**—**\$6.00**.

See Our Line of Flannels

Warm clothes are health insurance for children. Look over our stock of outing flannels before making the kiddies' winter sleeping garments. They come at **30¢** a yard in 27-inch widths.

A Novelty in the Bag Line

Do you want something different in a bag—one which will harmonize with afternoon gown or tailored suit? See the "E. E. Bag" at **\$2.00**. These bags are made on velvet in imitation of the finest imported French headed bags, in guaranteed fast colors which will not wear off. They can be cut to any size or shape and be made up with a variety of bag tops.

Phone 139, Wayne, Nebraska

LOCAL NEWS

Mr. and Mrs. Van Bradford went to Omaha Tuesday.

Mrs. Grace Jones of Carroll, spent Saturday in Wayne.

Mrs. S. Ickler went to Creighton Monday to visit relatives.

Mrs. B. P. Fendergast of Gretna came Monday to visit Miss Margaret Coleman.

The Elwin Strong company was in Wayne the first of the week en route to Bloomfield.

P. C. Crockett returned Saturday night from the Sioux City fair where he had spent several days.

The first frost, first real reminder of approaching winter, spread over this territory Monday night.

Dr. T. J. Jones and wife went to Sioux City Tuesday to consult a specialist in regard to the latter's eyes.

R. B. Judson left Sunday afternoon on a trip to Omaha and Kansas City to buy furniture for his store here.

W. R. Thomas, W. L. Heribert and Fred Wilcox of Carroll were in Wayne Tuesday morning en route to Omaha.

H. W. Burnham of Sholes, was in Wayne Monday to visit his three daughters who are students in the State Normal.

Wayne county's contribution to state funds from the 1919 assessments will be \$87,853.38 as compared to \$30,853.12 in 1918.

Fred Victor who lives north of town, went to Sioux City Monday to interview the cattle market with a view to buying some feeders.

Mr. and Mrs. John Beating left Monday afternoon for Balaton, Man., to visit Fred Hefti and family. Mrs. Hefti being the daughter of Mr. Hefti fractured a leg some

time ago, and Mr. Beating expects to be of assistance to him for a month.

Ralph Bohner who is employed by the Nebraska Telephone company at Norfolk, spent Sunday with his parents, Mr. and Mrs. A. G. Bohner, in Wayne.

Geo. T. Porter went out to Stuart, Neb. Monday evening, and expected to journey from there to an inland town to serve papers on witnesses wanted in the district court at this place.

Mr. and Mrs. A. Franzen with her daughter and husband, Mr. and Mrs. John Schroeder, left Monday for Omaha, where they will visit Mrs. Franzen's sister, Miss Mary Fisher.

Mr. and Mrs. Sam Beating returned home Monday from a trip to Chicago and Rock Island, Ill., and Davenport, Ia. They were gone about four weeks. They moved from Davenport to Wayne thirty-four years ago. Mr. Barnes says people he had not seen since 1885 recognized him without explanation which shows that he is retaining his youth.

Mr. and Mrs. C. C. Bastain left by automobile last Friday for Chester, Mo., to visit their son, Adam. Not knowing of their visit, Adam Bastain came to Wayne to visit his parents and other relatives, having mistaken some sheep in Sioux City. He cut short his visit here and left Monday for Chester to be there to entertain his parents.

Notice.

I have taken up on my enclosed premises known as the Hugo Splitter farm, eight miles south and three miles west of Wayne, one stray steer coming 2 years old, black with white face. Owner may have property by proving same and paying cost.—Jacob Waggoner. s183ad

John Deere

The Bridge Trussed Slegless Elevator

When you're putting up a new elevator or corn crib, YOU WANT—

The Biggest Capacity with the Least Building Cost

The cost of putting up a corn crib and granary in one and equipping it with a John Deere elevator, is actually less than the cost of putting up an old style crib alone. Come in and see us for estimates of different cribs which can be built.

An Elevator which will Not Sag

This steel portable elevator is bridge trussed with channel steel braces that run from the center at the bottom to the top at each end. When the elevator is assembled, this channel bridge trussing zig-zags from one end to the another. The result is secure bracing and trussing.

An Elevator to Save Work

Unloading corn or small grain with an elevator saves twenty to thirty minutes on a load. Besides saving time, it makes the work easier. Boys and hired help appreciate an effort to reduce the drudgery of farming. They are more inclined to stay on a farm where labor-saving machinery is used.

C. W. Hiscox

Wayne, Neb.

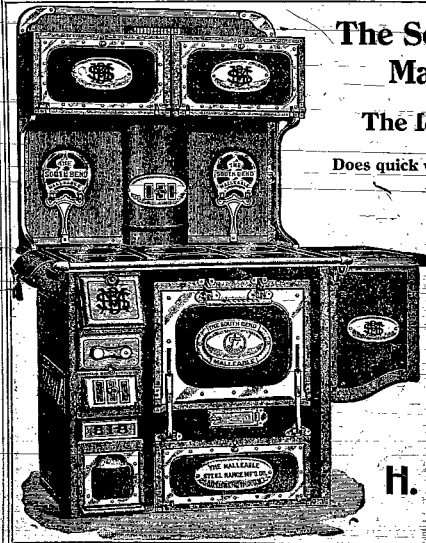

was held at Hartington on Tuesday, Sept. 23, 1919. The picnic and reunion started about noon and the program at 2 o'clock, on the high school campus.

Must be the Hartington band which was a feature of the occasion. The address of welcome was delivered by James Lively, president of the association and the memorial report by P. E. O'Gara, secretary. The religious, educational, and industrial development of the country was reviewed by several speakers. The principal address of the day was delivered by Frank S. Howell of Omaha.

The plans made by the organizers were carried out so efficiently that all who attended felt that they had spent an afternoon of unusual interest and enjoyment.

Lincoln Journal: With the price of live hogs slowly drifting toward the normal isn't it time for bacon to make a start in the same direction?

Times News: We understand that it is unhealthily to eat between meals, but we are not going to worry about that until we get some meals to eat between.

NEW LINOTYPE IS COMING

The Latest in Type Casting Machine Ordered for Herald.

When in 1911 the Herald installed its present linotype machine—the first one in north Nebraska outside of Norfolk—a few local friends nudged one another and whispered fears for the future of the publication, believing the equipment too large for the town. Following the original linotype came new presses, rollers, motors and a raft of other things, all of which convinced some people that the editor was crazy. When the Herald doubted its floor space. These increased burdens of expense were reasonably sure to kill the whole proposition.

Now another suicidal thing has been done. The Herald has just ordered for delivery a linotype machine—acknowledgedly the latest and best machine for the purpose on the market. The new machine will be installed, probably in six weeks, at a cost of over \$4,000. This new linotype will enable most all advertising work as well as set composition to be done by machine.

The original linotype is as good as new, and it will be kept on the job to co-operate with the new one in quicker and better newspaper production. The old machine will be cut up and manured and otherwise looked after just as carefully as though it were the only public on the beach.

The Herald modestly admits that it has the best set of men and job specialists, linotype operators and pressmen in the state and their skill, already reflected in the newspaper and other products of the plant, will be accentuated and facilitated when the new machine of matchless versatility arrives. The public has reason to look for improvement in the Herald within the next few months, and when it hits its standard it will stay there. The Herald's venturesomeness is based on almost complete confidence in the future of Wayne and Wayne county.

Closing Out

PUBLIC SALE!

Having decided to leave this locality, I will sell, commencing at 10 o'clock, on

Wednesday, October 1 My 160-Acre Farm

Located one mile south of Hartington Catholic cemetery; 8 miles north and 2 miles west of Coleridge; 17 miles north, and 5 miles east of Randolph, and 22 miles east of Bloomfield. Big Personal Property Sale

I will sell all my personal property consisting of

Horses, Cattle, Hogs, Poultry, Farm Machinery, and Farm Equipment

Terms: Usual sale terms will be given.

HENRY ROLFS, Owner

Col. E. J. Roddewig, Auctioneer

Cedar County State Bank, Clerk

AK-SAR-BEN'S SUMMIT.

Gaiety Theatre, the One Thing Left In Omaha With a "Kick" in It.

To go to Omaha to Ak-Sar-Ben of any other time in the past—before afternoon or evening at the popular Gaiety, is to count the trip a failure.

It was long ago decided that as great an institution as Ak-Sar-Ben it would not only be less interesting and no where near the great success it is as an annual event were it not for the climax to all the fun and frolic as furnished by the Gaiety theatre, which seems to be the Mecca of every visitor to Omaha. The big, glorious, musical burlesque shows staged at the Gaiety twice each day constitute a form of amusement that it is impossible to witness elsewhere in the western section of the country and are entirely unlike anything presented in the home town because of the very bigness of the offerings. During Ak-Sar-Ben parade week the Gaiety will present to its thousands of lady-and-gentleman patrons the greatest musical attraction it has ever been able to offer—James E. Cooper's famous "Roseland Girls." This big organization of half a hundred people will present a pot-pourri of fun, music and song, the like of which you have never seen. Gay and glittering costumes by the hundred—pretty girls by the score, massive stage settings until one is bewildered, are but a portion of the big show's equipment.

On parade days and nights the curtain will not rise until after the express has passed the Gaiety. It will be wise to procure your seats immediately upon arrival in Omaha as the crowds of dozens of seeing the rosy "Roseland Girls" will be enormous and hundreds will be turned away seatless. An effort is being made whereby local ticket agents may sell a round trip ticket to Omaha, including a reserved seat at the Gaiety, thus adding much interest and convenience. True indeed is the trite saying: Your most urgent errand to Omaha is to visit the Gaiety—for, it, is the truth.

CONCORD NEWS

Mrs. Dave Paul was in Sioux City Friday attending the fair. N. C. Nelson was a business visitor in Sioux City Friday. Elmer Wilmarth and Edna Smith were Dixon callers Saturday evening. For Sale! Five Improved Farms Within 5 miles of Norfolk. Prices from \$155 to \$325 per acre. Good terms. Come and see them. Jerry A. Brown AND J. E. Haase OWNERS NORFOLK, NEB.

**Chase County
Land**

LAND

**Chase County
Land**

Buy a farm in Chase county and it will pay for itself in one year. Improved land sells from \$55 to \$75. Good terms. Last week we sold land to seven men from Wayne and vicinity.

Leads State

In 1916 government statistics show that Chase county led the state of Nebraska with an average winter wheat production of 34.6 bushels per acre. Corn that year was 21.5 bushels and alfalfa 3.8 tons. In 1917-1918 crops were better. This year wheat is going from 20 to 40 bushels; corn 20 to 40 bushels. Great county for hogs. A good example is on the Kilpatrick ranch where 4,000 to 5,000 pigs are raised yearly. They feed 5,000 bushels of corn per month.

Some Remarkable Facts About Chase County

It has an altitude of approximately 3,200 feet. Its surface is made up of level tables bordered by broad areas of gently rolling land. Five-sixths of its 888 square miles is of this easily tillable character having a deep soil ranging from chocolate colored clay to a black, sandy loam of unusual fertility. The balance of the county is of more rugged contour, growing excellent grasses and making splendid pasture lands. Chase county has never had a crop failure.

Considering that only 25 per cent of the land in Chase county is under crops, we may readily calculate advantages offered here for new settlement and the increase in wealth and enhancement in values.

Imperial, the county seat, is a town of 1,000 population, and is located in the center of the county. This place is well equipped to care for the marketing of the grain and other crops and to supply the necessities and luxuries required by the people. Strong banks and large stores with well selected stocks reflect the substantial condition of the county.

Wayneta is a beautiful village of 600 souls, located in the southwestern part of the county on the Frenchman river. Other villages in the county are Lamar, Zell, Best, Blanche, Champion, Enders, Chase, and Catherine. These small trading points furnish markets for cream and other farm produce.

All we ask is the privilege of showing you this land.

For further information see

H. D. GILDERSLEEVE, Wayne, Nebraska

CHURCH CALENDAR

Methodist Church.

Regular services will be held next Sunday. The new pastor, Rev. William Kilburn, will preach the initial sermon of his pastorate here Sunday morning.

Evangelical Lutheran Church. (Rev. H. A. Teckhaus, Pastor.) Sunday, September 28: 10 a. m., Sunday school. 11 a. m., morning service.

Wednesday, October 1, at 8 p. m., choir practice. Every Saturday at 3 p. m., catechumenal instructions.

First Baptist Church. The morning service of worship is at 10:30. The pastor will preach on "The Peace of Jesus." This service is followed by the Sunday school. We have an interesting class of young people and are glad

to have any students of the Normal share this class with us.

The B. Y. P. U., meets at 7 p. m. The evening preaching service at 8. The subject will be "The Unlimited Resources of God." On Wednesday the evening mid-week service at 8. We want this to be the people's own service. Come and help make it so.

English Lutheran Church. (Rev. J. H. Fetterolf, Pastor.)

A hearty invitation is given to all to attend the session of the Sunday school next Sunday at 10 a. m. The annual election of officers will be held at this time. If you are interested you will be there.

Public worship with sermon at 11 a. m., and 8 p. m. The subject of the morning sermon: "The Only Sin that Condemns." The evening subject is: "Law and Grace."

All the young people are urged to attend the meeting of the Luther League at 7:15 p. m. The program

as outlined for the winter months should inspire our young people to diligent study.

There will be a meeting of the officers of the church tomorrow (Friday) evening at 8 o'clock in the pastor's study.

The books will be open to receive the annual offerings of the congregation until next Sunday. Those who failed to return their envelopes can do so any time this week, or next Sunday.

The Presbyterian Church.

(Rev. J. W. Beard, Minister.) Sunday, September 28, will be observed in all the Presbyterian churches and Sabbath schools as Rally Sunday, the purpose being to marshal this great host for the work of the fall and winter. We in Wayne, a company of this splendid army, join in the invitation to every member of the church, Sunday school and Endeavor society is earnestly urged to attend. We also want every friend of the church to unite with us.

Sunday school at 11:30. Morning services at 10:30. The subject of the morning sermon, "The New International Banner." Senior Endeavor at 7 o'clock; subject of the Endeavor study, "The Christian Athlete." Donald Miller leads, this study. Evening preaching service at 8 o'clock. Theme of the evening sermon, "The Men of an Hundred Percent." Good singing. A hearty welcome. A well spent day. Come.

Card of Thanks.

We wish to tender heartfelt thanks to neighbors and friends for their sympathy and assistance during our recent bereavement in the death of our dear mother, George Wheeler, Mary Bock, Mrs. Anna Pork, Mrs. Carolina Schuppner.

The following item from the Sioux City Journal refers to a young woman who is well known in Wayne. She is a niece of Mrs. C. A. Chace. "Maj. Constantine Bras of Rumania, is visiting in Sioux City, and attending the Interstate fair. Maj. Braun married a former Sioux City girl, Miss Ethel Wheeler. Since the war closed he has been Balkan correspondent of the London Times and Chronicle. Since the armistice he has interviewed Golchak, Lenine and Trotsky and was in Budapest the day of Bela Kun's coup."

Grim and Wrinkled Still. Omaha World-Herald: Grim-visaged-war is still having an awful time in getting his wrinkled front smoothed out.

Simplify Your Farm Hauling Problems

Cut out costly hauling methods—do twice the work in half the time it takes teams to do it—increase your profits

With GMC Power Wagons

Every farmer realizes that his hauling costs are soaring skyward. The expense of keeping his horses has doubled in the past year, but they can do no more work than heretofore. Moreover, at best they will only average three or four hours' actual work a day and they are liable to fatal sickness or injury.

Dozens of farmers have bought GMC trucks this summer to do their hauling with. They have found that after installing GMC power wagons their farm hands have time for work that formerly could not be done, that fewer work horses are necessary, that there is a consequent reduction in cost of feeding, stabling, and grooming, and that barn space is released for other purposes.

What's more, not only is the daily maintenance cost on the GMC as low, if not lower, than on a team, but, unlike horses, costs nothing to keep it while idle. Horses devour profits in feed whether they work or not—the minute the GMC engine stops, so do the running expenses. But not only is low operating cost a distinct GMC advantage—its ability to move the loads faster makes it of great practical value to the farmer.

THE FARMER WHO INSTALLS GMC TRUCKS

WILL SAVE TIME AND MONEY

Each truck will retire from two to three teams. The loads handled will be greater, and they will be moved faster—thus twice as much will be done in a given period.

He will save money because the cost of maintenance and upkeep on a truck is far less than for the number of teams needed to do the same amount of work.

Put It Up to Us to Show You Why You should Use GMCs on Your Farm

WAKEFIELD NEWS

Miss Mordie Coleman of the Herald staff is editor of this department, and will visit Wakefield every Tuesday. Any new contributions to these columns from town-grown writers will be gladly received by her. She is also authorized to receive new or renewal subscriptions.

Mr. and Mrs. Abbie Childs and family went to Osmund Sunday. The C. E. TenEyck family left Sunday by car for Chicago. George Childs returned Thursday by car from a business trip to Pitts-

burgh. Mr. and Mrs. L. Whittier are spending the week in Minneapolis. The Pfeiffer has installed a hand counter in his building near the depot.

Mr. and Mrs. Lemuel Hoogter left Friday to spend a week in Minneapolis.

Mrs. Ella Fath of Red Oak, Ia. came Saturday to visit Mrs. Hannah Wenzelander.

Dr. G. W. Henton and family returned Saturday after spending a week in Omaha.

W. J. C. Smith left Tuesday for Illinois where he will visit at Winnebago and Rockford.

Miss Grace Kay, Miss Grace Long and Miss Alta Chinn spent Friday at the Sioux City fair.

Euzelle Martin left Saturday for Omaha after spending a week's vacation with Clarence Johnson.

Edward Mathewson left Tuesday for his second year of work at a military academy at Geneva, Wis.

A daughter was born Sept. 15 to Mr. and Mrs. Bert Levene of Wakefield.

Rev. PAUL Orr was in Plainville the first of the week attending the installation of the new Presbyterian minister at that place.

Will Murphey went Monday to Gordon to visit his family until time for corn picking. Murphey has recently moved to Gordon; he has crops in, near Wakefield.

Mr. and Mrs. Edgar Hise and daughter, Ione, and Elmer Hipse left Saturday for Bristol, where they will go into business. They

have been visiting their parents, W. Hipse, for about five weeks.

Mrs. Lillian Brown is visiting at Allen this week.

The Walter Lapp residence has been rented to a family from Ponca.

Stella Mottrell and Anna Kay spent Sunday at the D. H. Kay home.

Walter Leap loaded his car Saturday and left with his family Monday for their new home at Lincoln.

Doyle Childs of Sioux City, who was formerly a Wakefield boy, has enlisted in the national army for three years.

George Oliver of Tracy, Minn., is visiting his mother, Mrs. Charles Oliver and his brother, Ray Oliver, and family.

Mrs. M. McCorkendale left Monday evening for Laurel, where she will visit a week with her daughter.

Mrs. W. P. Westrand.

J. K. Johnson loaded his first load of goods to his new farm near Wayne on Thursday. They expect to move in about a week.

Mr. and Mrs. Almond Anderson and daughter, Pearl, left last Wednesday for a two weeks' visit with relatives at Rock Island, Ill.

Mr. and Mrs. J. P. Larson of Wayne spent a few days last week with Mr. and Mrs. J. K. Johnson and the John Bjorkland family.

Mrs. Lolla Long and sisters, Miss Ella and Miss Nettie Thompson left Tuesday evening for California, where they will spend the winter.

Work was started Monday on the Charles Soderberg residence, which is to be built on the lots north of J. K. Johnson's house.

Marijorie Beebe left Friday for Iowa State College, Ames, Ia., where she will finish her senior year in the home economic course. Her father and mother, Mr. and Mrs.

C. Beebe took her as far as Sioux City by car.

Mr. and Mrs. H. E. Lay and Mr. and Mrs. Charles Craven visited the Charles Beebe family on Saturday.

Edna Nyberg came Saturday from Sioux City, where she is taking nurse's training to visit her parents, Mr. and Mrs. Fred Nyberg.

Mrs. Olen Peterson of Omaha, granddaughter of Mrs. C. I. Childs, arrived Friday for a few days' visit. Mrs. Peterson spent the first of the week in the country with Mr. and Mrs. L. W. Acton.

Mr. and Mrs. Martin Olson of Concord spent Sunday at the H. H. Childs home. Mrs. Olson remained until Monday. Her mother, Mrs. W. O. Metten, accompanied her home to remain for an indefinite length of time.

Carnival week was a busy and exciting week for Wakefield. The boys progressed rapidly, dry goods stores and military shops feeling the influx of trade especially, not to mention the amounts of gasoline sold at all stages. The crowd was the largest on Wednesday and Saturday nights. The home coming for the soldiers, an affair, which was staged on Wednesday was a great success. About one hundred service men registered during the day. The longest which was served to them and the band men at night was more than appreciated. A regular feed, it was, reports were also attended. Bill games, cornual spots, and dancing wound up the week.

err trip. They enjoyed it very much.

Mr. and Mrs. LeB Keenan and family and Austin Bressler and family left for Washington and talk over the Bullitt testimony. If a dozen at a time.

Mr. and Mrs. A. V. Dolph and Wayne and her daughter from Cherokee, Ia., motored to Neligh, Neb. Sunday to visit Ed Dolph's. They report Ed doing well, especially in raising good watermelons.

Pleasant Valley church congregation to the number of about forty gathered in the average battery in Wakefield Monday evening to bid Rev. Frank Williams and wife farewell as they leave for Allen this week. The evening was spent en-joyably, playing games and visiting. In behalf of the church, Mrs. George Huskirk, Jr., presented Rev. Mr. Williams with a substantial check, to which the latter responded. Delicious refreshments were served at the close.

Keep an Eye on Tires and Battery
The tires that relieve your car from the shock of the road, and the storage battery that supplies current for lighting and starting are similar in several ways, according to Mr. J. A. Gurnon, the local Willard expert.

It is easy to see that there is a resemblance between the air held under pressure in the tire and the electricity held ready for service by the battery. In both the tire and battery you are depending on common but invisible forces.

Of all points of similarity between tire and battery, however, the strongest is that of care required. Your tires, for instance, may go on mile after mile without giving you a bit of trouble. Then on a little stretch of rough road there may come a "pop" and you're on a flat.

When the tire was a good tire it to the minute it blew, and could have been repaired at small cost; but for weeks, perhaps for months, it may have been wearing deeper into the casing.

These conditions are closely paralleled in the case of the battery with electricity instead of air as the force to be held in check; and the insulation in place of the tire casing.

When the battery is new the installation is perfect just as a new tire casing is free from flaws. As time goes on some slight wear may develop. If you watch your battery it can be taken care of at very small cost and no serious trouble will come up.

We matter how perfect your tires or battery are it pays well to keep your eye on them and stop the little troubles before they develop into big ones.

Washington Post: The Boston policemen have rights, but not all the rights.

Kansas City Times: No one would be surprised to see some clouds loom up in Secretary Lansing's official horizon when the President gets over to Washington and talks over the Bullitt testimony. If a dozen at a time.

Women's Part in the Fair

There is an old and much cherished belief among men that women do not know how to work together and moreover will not do it. War activities did much to change it, and by the time the Wayne county fair has reached a successful conclusion, the women of Wayne county will have definitely proved the fallacy of the old belief.

The Wayne Woman's club responded immediately to the plea of the pure bred stock breeders for help in arranging the exhibits. Instantly the thoughts of that prize jar of sun-cured strawberries, handwoven bed spread, special variety of pickles, knitted lace, new recipe for chocolate cake, or "Rising Sun" quilt came to the mind of every woman and the home economics exhibit was even then an assured success.

Each club of the town and country represented in the Woman's Club is planning on having a part in the fair. "My bread may not be as good as Mrs. Smith's," remarked one woman, "but I'm going to take some anyhow. If we all wait for Mrs. Smith, we won't have any exhibit."

That is the keynote of the women's work -- "Don't wait for your neighbor; exhibit something yourself." If everyone in Wayne county is actuated by this same motive, the coming exhibit will be a triumphant success in all departments.

Poland China Sales

I will sell a total of 150 pure bred Poland China pigs of the best type, on dates and places as follows:

**Randolph

"John Hostetter, a former resident of Bloomfield and now known to most of our readers, now living in Waterloo, Iowa, is rapidly getting into the magazine class in the moving picture line. He has just acquired the Royal Theatre in Sioux City and this now gives him a chain of seven picture houses! He has

three in Waterloo, one at Cedar Rapids, one at Charles City, one at Marshalltown and now one at Sioux City. His brother, Jim, is now associated with him and is in charge of the Marshalltown house. Geo. Norman has charge of the theatre at Charles City. Mr. Hostetter, we understand, also had his eye on the Palace at Sioux City, but someone beat him to it!"

Intervention Policy Weakened.
Springfield, Mass., Republican: Intervention in Mexico on account of the lack of protection there for American more, a policy now being so convincing a policy now that two Mexicans have been forcibly taken from the jail in Pueblo, Colo., and lynched by an American mob. No protection for Mexicans exists in Colorado, and Colorado hasn't the excuse Mexico has.
