Pilger Here Sunday.

Ahout 2,500 people gathered at the Kay amusement park south of Wayne Sunday when the House of David baseball testm won from Bloomfield by a score of 7 to 2, and the Wayne Modern Woodmen won from Pilger 5 to 2. Both contests were close and interesting. The Bloomfield band furnished music. The Modern Woodmen planned to hire the Wayne band but becasse of practice for the State fair contest, the local group was unable to play.

Wayne Woodmen meet the Deer Creek Giants of near Carroll next Sunday at the Kay park here. A close game is assured.

The Wayne Modern Woodmen plan games this fall to raise funds for the school band, the proceeds to help pay for the community Christmoney for the community Christmoney for the community Christmoney for the community Christmas fund. Feathers are enjoying a strong revival, particularly the light past ed, feather pasts, and double pompons, are talso smart.

Trimmings lalso make use of many ornaments and other interesting novelties that are far more claborate than they have been for many seasons in the scheme toward making things more claborate. Metal is enjoying a very great demand right at this time. We noted metal being used on lats of the dressier type land in the drape toghes, of which there are many variations. An outstanding feature of the new fall hats is that they appear much younger this season than they did last.

"Knockout Reilly." Richard rewestle paramount starring edirected by Malcolm St. Clair.

Autumn, with its crispy coel days de-mands an appropriate hat; something a little richer in fabric, warmer in color, more lavish, perhaps, in trimming than the enervating heat of summer could allow.

Our collection of new Autumn styles from Gage is generously endowed with the moment's chic here are hats in sizes, shapes and colors for every type and taste,

Abundant Harvest Brings Prosperity

At this season all rejoice in the abundant crops being harvested. They are a reward for the summer's labor. Independence is gained by saving each year a percentage of one's harvest. One of the surest and easiest ways to save is to get the most possible use from everything a person buys. Clothes can be made to last much longer than you planned. This is possible by having them skillfully cared for. Frequent cleaning and pressing, together with needed repairs, will add beauty and life to your garments. to your garments.

Are You Ready for Fall and Winter?

A new lining, a slight alteration in style, dyeing or cleaning and pressing will do wonders for your last year's coats, suits and dresses which you will soon want for the fall and winter season. We are equipped to give prompt and expert service in these lines. And you can serve economy in this way.

The Social Circle club met last
Wednesday afternoon at the home
of Mrs. Perry Brodd. Eifteen
members and six visitors were
present. Roll call was answered
by naming a favorite book. Mrs.
Harry Tidlick gave a book review
of "Mannequin." The hostess
served a two-course luncheon at

Notice of Application for Tax Deeds.

Notice is hereby given that on the 22nd day of August, 1925 I bought at private sale of the County treasurer of Wayne county, Nebriska, lot 26, of Taylor and Wachb's addition to Wayne, Nebri, for the taxes on said lot for the years 1922 and 1923 amounting to the sum of \$71.70 and that I have since paid the subsequent taxes, thereof for the years 1924, 1925 and 1926 amounting to the sum of \$81.51. That said Lot was assessed in the name of R. Hatti. You are further notified that the time in which you may redeem said property will expire on

Announcing The Imperial Landau at a New Low Price

The Chevrolet Motor Company announces a price reduction on the beautiful Imperial Landau

The "Body by Fisher" is of special design and is finished in ultra smart colors of genuine Duco. Oblong windows, a low roofline and brilliantly nickeled windshield frame and landau bars emphasize its stylish, dashing annearance.

You owe it to yourself to see this masterpiece of craftsmanship and value—to see how it combines all the advantages of Chevrolet's advanced engineering and proved design... smoothness, snap and high speed roadability... unfailing dependability, finger-tip steering and restful comfort.
