PEOPLE HELPING
DEALERS ARRIVE
AT CASH BASIS

WE understand more people
are paying as they go, thus
helping dealers to operate
more nearly on a eash basis.
This policy encourages economy in buying, and enables the
dealers to do business at less
cost. It is not considered, a
disadvantage to pay bills
monthly, but it is important
not to abuse such extension lof
credit. In the matter of a bill
in a store or a note in a bank
or elsewhere, it is of supreme
importance to dne's credit to
appear on time and either nay
or arrange for an extension

planter mechanism come in and look this McCormick Deering planter over. You will be surprised to see how so many good features have been secured with so few parts—check-row, straight drill, hill-drop drill—and hoppers in which flatdrop, edge-drop, or full-hill drop plates work equally well. It has a simple, variable-drop device—vou simple, variable drop device—you can change the number of kernels to the hill instantly or in the case of a drill, you can change the distance between the kernels and the row.

Runner or disc openers, automatic marker (twin disc if preferred) in face equipment to suit your needs. It's the smoothest combination of time prover principles you ever saw in a corn planter.

Coats with Capes Coats with Scarfs Fur and Furless Coats

Every one of these coats was taken from our regular spring stock and drastically reduced.

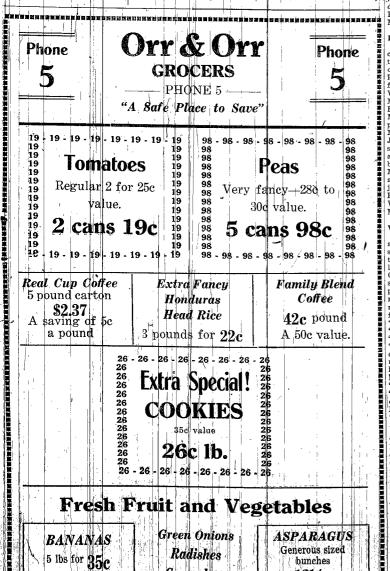

We have no cheaply tailored coats bought especially for sale purposes.

It is early for a clearing sale but we have two stocks of coats to close out and are compelled to act,

Both our store stock and the stock of nice coats we use our out of town sales are included.

It is very unusual to offer such a selection this early end of the season prices.
