Win Finals In Tennis Tourney Leo McMurphy and Robert Carpenter Take Cup Second Time in Annual Meet. Leo McMurphy and Robert Carpenter of Wayne, won for a second time the championship in the Tri-County Tennis association contest held at Pierce last week Wednesday and Thursday, receiving a silver cup for the honor. These young men took the same honor last year, and should they win another year the cup will be their permanent possession. This year the two defeated Galvort of York and Chilvers of Pierce, the score being 8-6, 5-7, 6-2 and 6-0. Twenty players from Wayne, Pierce, Madison, Cedar and Knox counties participated. The two Wayne young men played to the semi-finals in the singles. Carpenter lost to Galvort of York, the score being 9-7 and 6-4. McNamee of Norfolk, won from McMurphy by 6-2 and 6-4. Calvert won the singles, defeating McNamee by 6-4, 6-2 and 6-2. Mr. McMurphy and Mr. Carpenter went to Lincoln Sunday to participate in the state contest which continues through this week. Play opened Monday. McMurphy entered the senior singles, and Carpenter entered the junior singles. Together they went into the senior doubles. Official northeast Nebraska golf tournament will be held at Wayne from Sunday, August 19, to Thursday, August 23, and a number of golfers from this section will participate. The offi-

Former Wayne Girl Marries Miss Nina Johnson Becomes the Bride of Ray Pierce of Sacramento, Calif. Miss Nina Johnson, formerly of Wayne, Neb., became the bride of Ray Vaughn Pierce June 29, immediate relatives gathered at the young couple's new home in Sacramento for the wedding ceremony read by Rev. N. A. Christensen. After a motor trip to the northwest, Mr. and Mrs. Pierce returned to their home. The living room of the Pierce home was arranged with foliage and gladioli for the wedding. The bride wore pink georgette crepe, sleeveless, a graceful arrangement of pearls at the waistline in front being the only ornament. Her flowers were baby French roses, faintly pink, caught with pink satin ribbon. Mrs. F. A. Rich of Sacramento, formerly Miss Lillian Johnson, attended her sister's wedding, with which she carried a French bouquet. Merle E. Pierce was his brother's attendant. Mrs. Charles O. Johnson of Sacramento, the bride's mother, Mr. and Mrs. E. J. Pierce, the groom's parents, Mr. and Mrs. F. A. Rich of Sacramento, Mr. and Mrs. H. E. Smith (Vivian Johnson) of San Francisco, Mr. and Mrs. Merle Pierce of San Francisco and Master Junior Pierce and Mr. and Mrs. Elmer Mahoney of San Francisco (Ruth Pierce) witnessed the ceremony. A graduate of Chico State Teachers College, where she is affiliated with Delta Sigma sorority, Mrs. Pierce made her home in Chico until the last two or three years, since when she has been teaching in Sacramento. Both she and Mr. Pierce have a host of friends among the younger set in Chico, where he has attended the public schools and was graduated from the high school. Mr. Pierce, who saw service overseas during the World War with the 144th Machine Gun Battalion, is active in the work of the Lassen Council, Boy Scouts of America, and is a past president of the Sacramento Valley Achaean Club Association, as well as of the local club. Make Plans For Golf Tournament Committees Are Named for Annual Official Meet to Be Held in Wayne Soon. Official northeast Nebraska golf tournament will be held at Wayne from Sunday, August 19, to Thursday, August 23, and a number of golfers from this section will participate. The offi-

cial contest is usually held at Norfolk but the place was changed this year to Wayne, and this tournament will take the place of the annual local invitation meet. Qualifying rounds of the tournament will be held Sunday and Monday. Match play starts Tuesday, and the finals will be played Thursday. The country club board met last week Wednesday and named committees to plan for the tournament. They are as follows: Tents and showers, William Beckenhauer, chairman; A. W. Ahern, chairman; J. J. Ahern, chairman; J. C. Nuss and Carl Wright; greens and grounds, C. H. Fisher, chairman; C. M. Craven and Dean H. H. Hahn; publicity and prizes, F. S. Morgan, chairman; C. E. Wright and D. H. Larson. Nebraska County Tax Levies Fixed Lincoln, Neb., Aug. 3.—The total amount of taxes to be raised in Nebraska this year is \$6,439,262—\$5,751,574 for the general fund and \$687,688 for the capitol fund. Last year the total was \$1,779,299, accounted for by a special levy of 1.50 mills for wiping out an overdraft on the state general fund which had accumulated during the past 10 years because of a state levy too low to meet appropriations made by the legislature. County Finishes Cattle Testing Favorable Reports on Accrediting of Area Are Expected Here by September. Testing of cattle in Wayne county for eradication of tuberculosis has been completed under direction of Dr. D. M. Purdy and the county has been recommended for an accredited area. Report will probably be received from the state department by September. The percentage of reactors in Wayne county, after the final tests, was unusually low. An area is accredited after the percentage is less than one-half of one percent. Eight herds will be retested later, after the time limit, and this will then complete all testing for a period of three years. Summary of the five precincts in which a third test was necessary because of there being over one percent infection has been completed and the percentage is now very low. The record shows only two reactors in Chapin, three in Logan, four in Brenna, one in Deer Creek and none in Garfield precinct. Report on the five precincts is as follows: Chapin, 131 herds, 1,781 cattle, 2 reactors, 1.7 percent of herds infected and .0011 percent of cattle infected; Brenna, 120 herds, 1,651 cattle, 4 reactors, 3.3 percent of herds infected and .0023 percent of cattle infected; Logan, 68 herds, 1,004 cattle, 3 reactors, 4.4 per-

Special During August Parents, see that your children's teeth are in perfect condition before school opens in September. It is an established fact that children cannot do so well in their studies if they are hampered with aching teeth. Small defects may be easily removed and save later annoyance and cost. When entering school, every child needs and deserves the support of sound, healthy teeth. During the month of August, preliminary to the opening of school, all school children's teeth will be cleaned at half price. Dr. R. W. Casper Office over F. S. Berry's Law Office Phone 120

THE KNOT-HOLE No. 10 Wayne, Nebraska, Thursday, August 9, 1928. Vol. 2 "Ford will soon have his aeroplane on a quantity production basis," says a Detroit dispatch. Well, at least, they'll never hold back traffic on the hills. A bungalow, roofed and sided with EDGEWOOD staining shingles, using special color scheme, is the most looking home you ever saw. INSULATION — Each square inch of red cedar possesses 6,000 to 10,000 minute air cells. This, with three overlapping butts, creates in EDGEWOOD shingles a sidewall or roof that possesses ten per cent to forty-seven per cent greater insulating qualities than any other standard exterior building material. Think that over when tempted to buy a substitute. Harvest's just about over. It's a good time now to make some fence. 26-inch American fence as low as thirty cents per rod. ECONOMY — EDGEWOOD roofs or sidewalls cost less to construct and less per year of service. They will save you from ten to thirty-two per cent on sidewalls and from \$1.00 to \$5.00 per square on roofs. "Marriage," says the conductor of a Heart Column in one of our metropolitan dailies, "is a fifty-fifty proposition." Yeah! Fifty for this and fifty for that. Our Iowa Gates swing easily, latch automatically and wear indefinitely. When you consider that EDGEWOOD shingles cost less, wear longer and insulate better than any substitute, asbestos excepted, can you afford to use the substitute at any price? Homosidy, we don't think so. Information Wanted — We're perfectly willing to believe that "matches are made in heaven," but where, oh where, did the cigarette lighters come from? You can't trust a man who brags about being the boss in his own home; he will lie about other things, too. Give your hogs a clean feeding floor. They will be healthier, you'll be ahead. The cost is within the reach of any man who owns his farm. What is full of holes and yet holds water? Why, a sponge. What about house rooms that need repair? Fix up the attic into a den, extra sleeping quarters, or a children's play room. Just use wall board. Do it yourself. "EVERYTHING TO BUILD ANYTHING WITH"

Omaha Scouts Here On Tour

City Boys Stop in Wayne Friday Night Enroute Home From Trip Through State.

Omaha boy scouts and their leaders, who spent two weeks on a roving tour through north Nebraska to promote friendship among the boys and to strengthen interest in the scout movement, arrived in Wayne Friday evening on their return route. They were scheduled to be here Thursday but were delayed on the journey, due to breaking through a bridge at Long Pine. They had been in Hartington and went from there to Schuyler Saturday. About thirty were in the group.

Wayne boy scout troops and leaders, Prof. A. F. Gulliver, Henry Ley and W. R. Ellis, greeted the visitors Friday evening and had them as guests at dinner that evening at the Palace cafe. Mr. and Mrs. L. C. Haugness were guests in the Prof. A. F. Gulliver home.

The Omaha scouts pitched tents on a vacant lot east of Bressler park for the night. Some of the Wayne scouts pitched tents there also and camped with them. The Omaha boys presented a program of scout work in the evening and had their council fire.

A large truck brought the Omaha visitors here. The boys had been on the trip almost two weeks and visited about twenty-five towns.

The Omaha group consisted of twenty-four boys, Scout Executive and Mrs. L. C. Haugness, an Omaha scout master and driver. The boys represented seventeen Omaha troops and one Wahoo troop, two boys being from Wahoo.

All boys are first class scouts and each has at least eight merit badges. One boy, Coit Campbell, has forty-three merit badges and is an Eagle scout. He has been chosen as one of the thirty scouts of the country to go to Glacier national park this month for trail building.

After going through Wayne in

their truck, the Omaha boys presented a program at the lot near the park. They sang around the campfire. A knot tying contest between patrols and a fancy knot tying contest followed. Three patrols competed in pyramid building. First aid demonstration was conducted. Signaling followed and the program closed with stunts by the various patrols.

Scouts prepared their breakfast at the camp Saturday morning. They left for Schuyler and North Bend. They visited Tokamah and Blair and reached Omaha Monday.

Ireland, George Bruns, Nelse Granquist, Magnus Westlund and W. E. Lindsay. Much of the oats yielded around forty bushels to the acre. Some yielded an average of thirty-five bushels and a few fields averaged thirty bushels to the acre. Splittgerber Brothers had an extremely heavy yield, their fields making an average of sixty-two bushels to the acre. Barley on the George Schalus farm yielded thirty bushels per acre and wheat mixed with grass seed averaged twenty-five bushels per acre.

Wayne Man Wins Land Deal Case

Sioux Falls, S. D., Aug. 8.—Federal Judge Elliott today sustained H. H. Hahn, Wayne, Neb., in his case against F. M. Kremer. Brookings for recovery of approximately \$30,000 in a deal for a Brookings county farm.

In June, 1919, Hahn entered into a contract with a third party for the sale of the farm and the third party assigned his part of the contract to Kremer, who agreed to assume the obligations of the original purchaser.

Bebe Daniels In Thrilling Film

A lifetime of thrills crowded into one hectic week!

Careening through the air in a breeches buoy, a sinking ship at the end of the line and her deadliest rival on the other! A fight with a jewel thief on his yacht at sea, a mad escapade in a speeding automobile, a clash with a super-sensitive Rajah at a garden party and a love scene on the Statue of Liberty's eyelashes!

These are just a few of the things that Bebe Daniels went through during the making of her latest picture, "Hot News," which comes to the Crystal theatre August 12 and 13. She plays the part of a newsreel camera girl, whose quest for news of the most torrid variety leads her into all sorts of dangers and complications.

While thrilling to a high degree, the humorous side of the situation is never for a moment forgotten.

AFFILIATING MEMBER

The man who does not permit his legs to be pulled every day for purchase of things he does not need or for favors he cannot afford to bestow, is possessed of great courage.

Wisner is planning to entertain the editors of northeast Nebraska on Friday of this week, and it promises to fully maintain its reputation for generous hospitality.

We would say there is ample justification in taking a vacation while neglecting creditors if when one returns, refreshed and reinvigorated, he is able to speed up energies and thus more quickly and more easily meet prior obligations.

We had supposed that tipping helped employers only by making it possible to keep down wages to employees, but a report states that waitresses in a New York office shop not only receive no wages but pay \$10 a week for their jobs.

MISAPPREHENSION.

O. Bryon Copper in Fremont Herald: "Being one of the smugly contented occupants of the band wagon of modern optimism, who think no evil and see no evil in these times of republican party perfection..."

entirely on tips to make wages besides paying for their jobs. In figuring on new laws, it would seem wise to have one of the widest scope to make it a crime either to give or accept tips.

C. S. Harris who is known to northeast Nebraska publishers as an editor of extraordinary editorial ability, is making the Dixon County Advocate, published at Ponca, a very readable newspaper.

By experience it is found that the non-advertiser pays for the advertiser's advertising. Note the story of the mouse trap factories in today's Herald. Of three manufacturers, one advertised, and on account of steadily increasing volume of business was able to cheapen production and sell cheaper to dealers, who in turn, were able to sell cheaper to customers.

A Kansas farmer contributes an article to Nation's Business setting forth what he thinks really ails agricultural communities. He thinks they are over-taxed to keep up an unnecessary number of offices, agents, bureaus and boards and other government activities.

The Progressive Magazine announces its reversal of attitude regarding Hoover, changing from opposition to support. The magazine had opposed Hoover on the assumption that he was antagonistic to the people of Germany after the armistice, but a careful investigation proved unmistakably that the presidential nominee was sympathetic and helpful in urging relief.

LOOKING AHEAD.

Ponca Advocate, July 26: "Word comes from Sioux City that the Advocate and the Wayne Herald are to be sued jointly for \$50,000 by C. C. Charles on the grounds, presumably, that he could use the money, though what in the world a country editor could ever do with \$50,000 all in a lump, like he might get it, is a mystery unless it were to promote a 300 muscle exercise a minute."

"Getting the Advocate's share of that \$50,000 will be a grand initial test of the exercise." "After he gets that other \$25,000 from Huse, Bro. Charles can confidently guarantee his system to wash a boy's face behind the ears or give a Wallingford nervous prostration."

If the above from the Ponca Advocate, now ably edited by C. S. Harris, is true, suit presumably will be based on our little pancegry to touching Charles' 300-muscle exerciser. The story was reproduced in several newspapers over the state, all helping rather than damaging a creation that is reported able to energize every human muscle, probably making the individual operated on hasten to his task—dig, lift, throw, pull, milk a cow, wear a calf, or do any other needful thing—with renewed energy and joy-provoking bubbings in his bosom.

WAYNE NEBRASKA

Change To Cash Approved

The past week it has been demonstrated to us that you approve the cash system. Saturday's business was almost \$200.00 more than formerly, when we added charges and cash together.

Many of our former customers came in and took advantage of our cash prices. New faces bought who had seldom entered our store. Why Not **Pay Cash and Save?** Coupon books in \$10 and \$20 denominations make it handy to get the same as credit accommodations. A good number buy these books, payable in advance, and get 1 per cent discount—not so much extra, but it helps.

Mrs. Dorothy Barnard Linn of St. Edward, also resigned her position in the grades. These two vacancies have not yet been filled.

Return After Visit In The Northwest

Mr. and Mrs. G. W. Kingston arrived home last Thursday noon from Spokane, Wash., where they had spent three months. They were with Mrs. Kingston's mother until her death and then visited friends in the northwest and Canada. They were glad to return to Nebraska.

Heat in the northwest was intense this summer, the Kingstons found, reaching 108 and 113 in and near Spokane. The stones seem to reflect the heat and make the air hotter than here in Nebraska.

Fruit crop this season has been excellent in the northwest. Winches shipped out 116 carloads of grapes this season, and apricots were so plentiful that many went to waste. Wheat crop is, not especially good, the yield being estimated at about half of normal. Farmers in the west have large acreage, from 700 to 1,000 acres, and raise wheat. Rainfall in the west has not been plentiful this summer, but a general rain through Montana, North and South Dakota fell when the Kingstons were on their way home. Only about one-third of Washington is tillable, and fruit land is irrigated. Rocks in places like hay stacks are seen.

At Waterville, Wash., the Carroll people visited Mr. Goll, son of former Wayne butcher. Mr. Goll has a well and is making good. They saw Mr. and Mrs. Henry Witten and Mr. and

Mrs. Henry Gettman at Douglas Wash. Mr. Witten farms about 480 acres, and the Gettmans have a nice home there.

Small towns and many large ones in the northwest are losing prestige and are decreasing in size, the Kingstons found.

Four Generations In Family Group

In order that the four-generation group in Mrs. Sarah Williams' family might be together, Mrs. Williams and Mr. and Mrs. V. G. Williams and family went to Worthington, Minn., last Thursday to visit in the Arthur Parry home while Mr. and Mrs. A. W. Turner and two daughters, Miriam Ruth and Jeanette Elaine, of Wheaton, Ill., were there. Mrs. Williams, Mrs. Parry, Mrs. Turner and Miriam Ruth Turner comprised the four generations. Mrs. Turner was formerly Miss Elizabeth Parry. The Williams family returned Sunday, and Mrs. Sarah Williams remained for a week or two.

The Carroll people followed rainstorms all the way to Worthington Thursday, after leaving Sioux City. They were in rain most of Sunday also, the downpours stopping in Cedar county. They returned through Sioux Falls and Yankton. Many places had three and four inches of rain. Highways were badly washed and many pit holes were made in the road bed. The best road they found was between Yankton and Wayne.

Crops along the way looked good, Mr. Williams reports. After traveling through so much rain and on such rough roads the family felt that getting home was the best part of the ride.

Buys Sheep From Wisconsin Stock

C. H. Morris bought two Oxford Down rams from the George McKerrow & Sons sale of purebred sheep which he and Mrs. Morris attended last week in Pewaukee, Wis. The McKerrows are known over the world for their sheep raising and they ship and buy in all parts of the world. Mr. Morris sold one of the rams he bought to a man in Lakeville, Ill., and shipped the sheep Monday. The other he will keep here. People from fifteen states attended the sale and proceeds amounted to \$10,000.

Mr. and Mrs. Morris stopped in Chicago enroute home and visited their son, Harold Morris. They had also gone to Madison, Wis., and to points in Iowa. They reached home Saturday.

Crops were looking fine in the sections they visited and they had had plenty of rain.

(Rev. H. F. Krohn, Pastor) Sunday school at 10 a. m. Services in the English language at 10:30 a. m. We preach Christ crucified. In spite of advanced civilization man today is as much in need of a Savior from sin as his grandfather was. Visitors at our services are always welcome.

The Ladies' Aid society meets at the church Wednesday, Mrs. Fred Hellweg and Mrs. Emil Otte hostesses.

Methodist Church.

(Rev. G. H. Johnson, Pastor) The last quarterly conference was held at the church Friday evening. The reports of the church work were all encouraging. There has been a nice increase in membership, and a thirtyfive percent increase in all benevolence. All benevolent money had been collected and sent in before the 1st of August. At the pastor's request for a year's leave of absence, the board voted to release him after the services on Sunday, Aug. 26. The only change on the official list was the addition of Dr. D. R. Ehlers and Mrs. Gus Paulsen to the board of stewards.

As there are only three more Sundays that we will be with you, we hope that the interest and attendance during that time will be the best ever. We have several members that we have never seen in church since we came. The church has made a ruling that if a member stays away from church services for two years and fails to support it, he shall be requested to withdraw. Now you know you do not want to live without a church home. Begin your activities before you will be asked to withdraw. Start next Sunday.

"It Certainly Does Pay To Buy Good Paint"

Dealers Who Sell Good, Well-Known, Trade-Marked Paint Can Positively Prove to You That Cheap, Bargain Paint Is Expensive

Expensive because it lives a good shorter life than good paint. Good paint only costs a few cents more, too. It lasts from two to three times longer than cheap paint. Costs a little more first and saves quite a bit more later. You'll really pay more for cheap paint than for a good, well-known, quality product.

About Nebraska and Nebraskans

Will M. Maupin.

Answers to last week's questions:

- 1. 77,000 square miles.
2. The Atchison & Nebraska, now a part of the Burlington system.
3. Two: Thomas Tibbles, people's independent, 1900; Charles W. Bryan, democrat, 1924.
4. James E. Boyd, former mayor of Omaha and governor of Nebraska.
5. First, Omaha; second, Lincoln; third, Grand Island, Hastings, Beatrice (You don't catch us on that). Fourth, North Platte; fifth, Norfolk; sixth, Kearney, Scottsbluff. (Nor on that one, either.)

Six times in the last ten national campaigns Nebraska has been represented on the ticket of a national political party. In 1892 it was represented by Thomas H. Tibbles on the People's Independent ticket. In 1896, 1900 and 1908 by W. J. Bryan on the democratic ticket. In 1924 by C. W. Bryan on the democratic ticket and now in 1928 a former Nebraskan is running for vice president on the prohibition ticket. Almost forgot—a former Nebraskan, Charles G. Dawes, was

elected vice president in 1924. That makes seven out of ten. James A. Edgerton, former Nebraskan, now living in Alexandria, Va., is the prohibition candidate for vice president.

Mr. Edgerton was formerly engaged in the newspaper business in Nebraska. It was his uncle, "Jim" Edgerton, who was candidate for judge on the Nebraska supreme court against Judge Post in 1892. He is an uncle of Frank Edgerton of Aurora. You simply can not keep these Nebraskans down.

A pioneer of the Mormon Trail days, Mrs. Sarah Ann Owen, died at her home near Sheldon on July 6, aged 80 years. She was born in England and came to this country with her parents, Mr. and Mrs. Oliver in 1860. They were converts to the Mormon faith. The Olivers started from Florence for Utah with ox teams. Their wagon broke down near the present town of Sheldon, but after making repairs they started on, only to suffer another break down. The mother then insisted upon returning to Sheldon, then Wood River Junction, and took up a homestead. Later the father left his family and went on to Utah, where he remained. The daughter, Sarah, later married Joseph Owen and became a member of the Methodist church. She died on the farm where she had lived for sixty-eight years.

The Schuyler Sun has entered

upon its 57th year which is but another indication that Nebraska is growing old. It was founded before the golden spike was driven at Promontory Point, before Lincoln had a railroad, before Nebraska had a population of 100,000, and before the second bridge had been built across the Missouri river to Nebraska shores. For the last twelve years the Sun has been published by Fred Carroll.

Do not be discouraged if you ever are away from home and have trouble cashing a check. Col. Charles Lindbergh, the best known and most widely photographed man alive dropped into North Platte recently, and not only was he unable to find a room in a hotel but a cafe cashier refused to cash his check for \$4 because he didn't know the colonel. That cafe man will go down in history alongside the ball player who stole second with the bases full, and Merkle, who failed to touch second and lost a world's championship.

John B. Berry, who died in Omaha, recently was one of the great railroad builders of the west. He built the Northwestern's extension from Long Pine, to the Black Hills, he designed and constructed the Union Pacific passenger station in Omaha, and laid out the great yards that take care of the immense transcontinental traffic passing through that city. He also constructed the Lane cut-off at Omaha and the Lucion cut-off of the Union Pacific across Great Salt Lake. One of his great feats was revising the Union Tracks in Wyoming, going through the Sherman tunnel and doing away with the Dale creek bridge and heavy grade.

Dr. George A. Miller, pastor of the First Christian church, Omaha, sailed for Europe, on July 20. He was accompanied by his wife and son. This is Dr. Miller's fifth trip abroad. His first trip was in 1914, when he conducted a party of students from Northwestern University through the Holy Land.

Roland Locke, Nebraska's great sprinter and football player, failed to qualify in the try-outs for the Olympic games, but was allowed to accompany the athletes who did. Locke has several world's records to his credit. Poor physical condition, due to protracted illness, is given as a reason for his failure to qualify. However, Nebraska will be represented on the American Olympic teams by Lloyd Bahh of Falls City, who has also broken several world's records as a sprinter.

At a recent dedication of the Thirty Mile Canal irrigation project, in Dawson county, midway between Copad and Gothenburg, 3,114 automobiles were parked on

the grounds. Comparatively few were "flivers." Estimating four passengers to the car the total attendance was in excess of 12,000.

July 15 was the 124th anniversary of the arrival of the Lewis and Clark expedition on Nebraska soil. They landed from their boat on the Missouri at the mouth of the Little Nemaha river, not far from where Rulo, Richardson county, is now located.

How many of these questions can you answer? The answers will appear next week:

- 1. Who was Logan Fontenelle?
2. What county in Nebraska has the greatest irrigated acreage?
3. In what county was the first irrigation canal constructed?
4. Where was the original Fort Kearney located?
5. Did Nebraska ever have a foreign born governor?

Back she came... A millionaire's wife -and BROKEN-HEARTED

As far back as Cherry could remember, poverty and squalor were the only life she had ever known. Many a lonely, aching night, through hot tears of self-pity, she had gazed with wistful, longing eyes into a dream-world of love, tenderness, compassion, beauty—a world that seemed forever beyond her reach.

she came. With bleeding heart she saw snatched from her all the love, comfort and happiness she had fought for so bravely and so long. What strange circumstances conspired to crush her under this frightful load of misery? Why must she exchange an honored name for the bitterness of shame and degradation?

You will want to read the whole heart-breaking story, exactly as Cherry tells it. It is entitled "Shattered Dreams," and appears complete in the September issue of True Story Magazine.

Shreds and Spreads As It Should Be Done

That is what the McCormick-Deering spreader will do for you. Hundreds of farmers say the McCormick-Deering spreader is the best money-making machine they own—it can be used every day of the year and best of all, it makes the job of spreading easy. The load is pulverized and spread evenly beyond the wheels by the widespread spiral. The result is a perfect, uniform distribution which is the secret of successful spreading.

We have the latest make of McCormick-Deering spreader which we will be glad to demonstrate. It is built from the ground up to meet the requirements of present-day agriculture and to serve efficiently through the years to come. It embodies the highest principles of design, good workmanship and manufacturing skill.

Weekly reports were made on their operating performance and in every instance the reports have been favorable. To the man who owns one, the McCormick-Deering spreader is a source of satisfaction. His spreading costs are reduced because the durability of the machine minimizes upkeep and extends the investment over years of satisfactory service.

For three years this new product has undergone rigid field and laboratory tests under the direct supervision of Harvester engineers. During the past eighteen months several hundred of these spreaders have been in constant use in all sections of the country.

If you need a new spreader, see us and we will explain what we have to offer. Any of the McCormick-Deering spreader products will do the thing you want done—increase soil fertility and crop yields.

Remember we have repairs for all machines and can serve you promptly.

LaPorte News
(By the LaPorte Com. Club.)
Mr. and Mrs. Henry Baker were dinner guests of Mr. and Mrs. Ray Hammer. Miss Clara and Miss Tillie

Wischhof, Mrs. Carl Washmuth and Mrs. Marie Schmier spent Monday evening with Emma Korn.

A number from this vicinity attended the funeral of Mack Mathiesen in Wakefield Tuesday. Mr. and Mrs. Ferdinand Hammer and family called at the Carl Dose home Sunday evening. Miss Izora Laughlin and Helen Marie were Saturday afternoon callers at the Henry Doring home. Mrs. Henry Baker spent the first of the week at the Henry Doring home assisting with cooking for threshers. Miss Helen Beck who is staying with Mrs. Carl Bichel was a guest of the LaPorte Community club at their picnic Sunday. Miss Anna and Miss Gertrude Lutt motored to Carroll Monday to visit Miss Clara Linn who was a teacher in the Nelson school when the Lutt girls attended there. Wm. Johnson and Mr. Tweedy who have been working in this vicinity left Tuesday for the harvest fields of South Dakota. They took a tent along and expect to camp out. Mrs. Henry Baker and Mrs. August Kuy assisted Mrs. Ray Baker in cooking for threshers Tuesday. Mrs. Ray Baker assisted Mrs. Laughlin Wednesday of last week. Mr. and Mrs. Elmer Harrison and Marjorie drove to Wakefield Sunday evening to see the new baby in the Robert Hanson home. Mrs. Hanson and Mrs. Harrison are sisters. Word was received Saturday

from Mr. and Mrs. Kasper Korn that they had boarded their ship Tuesday and expected to sail at 1 o'clock for Germany where they will spend about two months. The rain that came to this vicinity Sunday evening was very welcome. Corn had been curling for several days and several fields were firing. The tassels on the late corn were burning. It is hoped we will get a much heavier rainfall soon.

Mr. and Mrs. Otto Lutt, Louis, Anna and Gertrude Lutt motored to Sioux City Tuesday morning. The men attended the sale of a load of hogs they had on the market that day. A very large number of friends and neighbors attended the funerals of Mrs. Daniel Baier and Mrs. V. Richardson last week. Sympathy is extended to the bereaved and especially to Mr. Richardson who is very ill in a Sioux City hospital.

Mr. and Mrs. Rudolph Hammer, Mr. and Mrs. Ray Hammer, Mr. and Mrs. John George, Mr. and Mrs. F. C. Hammer and family spent Monday evening at the Frank Bargholtz home helping Mrs. Bargholtz celebrate her birthday anniversary. Glenn Swartz and Leslie Sweeney were nearly overcome with the excessive heat Wednesday while threshing at the E. M. Laughlin home. Mr. Sweeney was able to return to work Saturday but Mr. Swartz did not recover so early. Threshing in this vicinity will be pretty well completed by the end of this week.

Special Order Your Winter Coat NOW!

John F. Ahern who travels for one of the leading Ladies' Coat manufacturers of the country has just returned from his western selling trip with his sample trunks.

He has arranged to show this line of Fall and Winter Coats to our customers at our store during the next 10 days before returning them to the factory.

This is a very special privilege for our store and gives us an opportunity to show our customers an assortment of Coats we could not otherwise provide.

You are invited to come and look over these garments and order any one you like, made up to your special measure, without extra charge. Each garment comes in several different colors and materials so you are sure to find one that will please you and fit you unusually well.

If you require a special size or are particular about having an individual style, come now and select it from this sample line and have your Coat made to order. It will be delivered to you early this fall.

There is no extra charge for this service, in fact we are going to ask less than regular prices for these special order garments. You will find unusual values at every price from

\$29 to \$119

New Fall Dresses Coming

A. W. Ahern is in Chicago this week attending the Style Show and buying Ready to Wear for the many Special Sales which he will hold this Fall in surrounding towns.

All these purchases will be shipped here first and opened at our store where our customers will have opportunity to choose from them. This is another special service which enables our store to maintain leadership in the Ready to Wear business.

The hundreds of garments which it is necessary for us to buy each season for the special sales we give in 40 of the surrounding towns are all shown here in our store first giving our customers the benefit of a larger and better selection of Ready to Wear than is shown in nearby city stores and at much below city prices.

In next week's papers we will have special news for you of the New Dresses which are now beginning to arrive.

"Have You Heard About the Bargains In Summer Goods at Ahern's?"

Don't these Reductions on Summer Dress Materials Interest You?

Our \$1.35 and \$1.50 Printed Celanese Voiles and silk embroidered French Voiles are now 95c. . . . Corticelli's loveliest \$3.50 Silk Crepes in the latest balloon dot and flowered designs are \$2.58. All the newest summer designs in Printed Silk Crepe De Chines that sold up to \$2.50 are now \$1.95. . . . Washable printed Swisses, so popular all season for school dresses, are now 39c. . . . One group of Voiles and Dotted Swisses that was marked 38c and 50c is now reduced to 15c.

Could You Use One of these Short Lengths of Silk to Good Advantage?

From among the Silk Remnants you could probably select, at a saving of almost a half, some 1/2-yard to 2 1/2-yard pieces of fine printed silk that would do nicely for some garment you are planning to make over. Some of these lengths are enough for a girl's dress. They are very cheap.

Will You Have Enough Sheets, Pillow Cases and Towels To Do This Fall?

Here are three very special bargains in good qualities that it will pay you to buy now and lay away. . . . An excellent grade of 9-4 bleached sheeting—good weight and no dressing, is priced 78c for 2 1/2 yards. . . . Pillow tubing, 42-inches wide, linen finish, almost equal in quality to e-Pouet, is priced 25c yard. . . . Bath towels, extra heavy, 1 1/2 pounds to the pair, 24-inches wide and 45 inches long, regular 75c towels, are on sale at 50c each. The mill sold us a case of these towels at one-third discount because of little irregularities in the weave which are hardly noticeable and which do not affect the usefulness or wearing qualities of the towels a bit. . . . A good weight, bleached Shaker flannel is priced 17c. . . . Unbleached muslin, suitable for dish towels is 4 yards for 25c.

Do You Need Summer Dresses—Either Wool, Silk or Cotton?

White Jersey Dresses are popular now. They are very practical and good looking. The half dozen we have remaining are made of fine No-More Jersey that will keep its shine and look fresh and new after every washing. They are tastefully trimmed in Red, Lavender and Blue appliqued flannel. The sizes are 16-18-20, which will fit up to 38 bust measure. These are \$12.95 dresses marked down to \$8.95. . . . One group of Silk Dresses in colors suitable for summer wear—some of them printed silks—others washable crepes—are priced now \$10.75; formerly they sold up to \$19. . . . Among the wash dresses of cotton prints—Organize, Swisses, and Rayons—are many new styles received within the past month. They are clever Basque effect styles as well as styles for more conservative tastes. The trimmings are novel and colorful appliques, sashes and contrasting collars and cuffs. Plenty of large sizes are here up to 52-inch bust measure. The prices are very moderate—Group One is priced \$1.95; Group Two is priced \$2.95; Group Three, which includes all the tub silk and Rayon dresses that sold up to \$8.95, is now priced \$4.95.

Have You Enough Cool, Comfortable Lingerie for the Remaining Eight Weeks of Hot Weather?

Here are some excellent Lingerie Bargains: Cool Voile Teddies and Step-ins—daintily lace trimmed, washable and good wearing, are only 78c now. Light weight Rayon Combinations, one-piece garments that take the place of vest and step-in, come in pink, peach, yellow and lavender, and are reduced in price to 78c and 95c. . . . Regular \$1.25 quality Rayon Vests and Bloomers are on sale at 95c. . . . Sheer, comfortable Night Gowns of pink nainsook, attractively lace trimmed, are 88c. . . . Pretty Pajamas of daintily flowered quality Washable Crepe are \$1.45 and \$1.68. Dress Slips of Pure Silk Pongee and of Baronet Satin, in white and all the popular colors, are \$1.95 now for the usual \$2.50 quality. You will find something you need on the Lingerie Counter priced at a very good saving.

Are You Planning School Dresses for the Little Daughters?

You could get their print dresses here now ready-made at a good saving. Attractive styles in Cinderella Dresses are marked down to 95c, \$1.38 and \$1.69. They are made of printed broadcloths and washable suitings—pretty trimmed with tuckings, fagginges and fancy buttons and appliques. Each dress has separate bloomers made of dress material and every dress is guaranteed fast color. If they fade you may have a new dress free. School is but a few weeks away—these saving prices are very timely.

Would You Be Interested in a Bathing Suit Bargain?

We would like to close out the remaining suits before fall and have given them a good mark-down to do so. There is a very nice selection of styles and colors to choose from. They are all Columbia and Pelton suits, perfect fitting and will give splendid service. The regular \$5.00 suits are now \$3.95. The lighter weight, all wool suits are now \$2.95. The finest \$5.75 and \$6.00 suits are \$4.60.

Will Any of the Children Need Another Play Suit to Finish Out the Summer?

It would pay you well to buy them during this sale. The following described suits are made by the Koveralls Company and are of the best sulphur-dyed Khaki and Stifel's Indigo Blue Twills. These materials are the best to be had, there is extra wear in them and they will come from the tub bright and good looking. Because the prices are low, do not think of them as being cheap, light weight garments. They are marked down low to close them out and make room for other winter goods. . . . Children's 1 to 8 year sizes Khaki or Pin Stripe Navy Blue Play Suits, made in button front, drop seat styles are now 95c. 10 to 12 year sizes \$1.35. Boys' extra quality Khaki Unionalls—made just like the men's high grade unionalls—are marked down to \$1.60. This is a saving of 60c. 8-11-12-13 and 15-year sizes only are left. Girls' Khaki Middies, Girl Scout Regulation, are \$1.35. Girls' Khaki Bloomers, \$1.60 quality—sizes 10 and 12 year only are left—priced now at \$1.60—75c. Little Boys' Wash Suits, clever styles by Tom Sawyer, made of Blue, Green, Rose and Tan Suiting, in the 2 to 4 year sizes are 95c—those made of heavier suitings suitable for 4 to 6 year old boys are marked down to \$1.35. All these garments are very good bargains.

Do You Wish to Order Something Special in a Winter Coat?

J. F. Ahern will be here Saturday and all next week with his samples of Ladies' Winter Coats from a leading Cleveland manufacturer. You are invited to come to our store, see new samples and select a style you like. You can then order your coat made up in a material which you can choose from the many samples which he will show you. If you require a special size — if you want an exclusive style or something particularly nice, this is an exceptional opportunity for you. There is no extra charge for this special service—in fact these special order coats will be priced below regular. A. W. Ahern is attending the Chicago Style Show this week and buying a stock of Ladies' Fall and Winter Dresses. We will have news of these for you in next week's paper.

Do You Know that We have a Grocery Department?

Not seeing any Groceries in our show windows or on the front shelving, you may not be reminded that we do have a real live Grocery department. It is operated for us by Mr. Fitch who is one of the most capable and obliging grocers you ever dealt with. Every week he has Special Grocery Items advertised in this paper that it will pay you well to watch for and buy. Folks from the country will find it very convenient to drive up to the rear of our store to unload their produce and load up their Groceries. We have just had the rear lot graded—you can park your car there nicely. As our Grocery Department does not have rent to pay for valuable window and front store space, there is a good saving in expense and this economy we can pass on to our customers. We do it by means of trading stamps which bring you a saving of 3c on every dollar purchase. In other words, you get \$1.00 of groceries for 97c. This steady day-by-day saving on everything you buy in foodstuffs amounts to a good deal more at the end of a year than the occasional savings you make by shopping around for bargains. You will be surprised at what these 3 per cent savings amount to in a few months' time. For economy, good service and good quality foodstuffs try our Grocery department.

Ladies' Rest Room

There is a clean, convenient, well lighted toilet room for Ladies and Children at the foot of the stairs to our North Basement. You will be comfortable at our store—it is cooled by electric fans—well ventilated and especially well lighted. You are invited to make our store your home when you are in town, whether you have any trading to do or not.
