Subscription, \$2.00 Per Year In Advance **Propaganda** die and poor taste in discrediting the middle west as a suitable area in which to live and rear a family. Says the Jour-nal-Stockman: New Form Of THE Omaha Journal-

nal-Stockman: "The West, the breadbasket of the na-tion, is being given a bad black eye by Professor Tugwell's screen drama, The Plow that Broke the Plains. This cinema presentation of the history of the agricul-tural development of the great trans-Mis-sissippi plains region is frankly a warning to farmers that the plains country is a poor place for a man to take his family, a poor place to live and make a living. "For the first time in the bitters of

"Aside from sentimental and practica y "Aside irom sentimental and practical with objections, the propriety of a governmental their bureau deliberately maligning a marvelous-ly rich agricultural section of the country by means of manufactured motion pictures is certainly open to question."

Limited THE Institute of Public Opin

Limited THE Institute of Public Opin Survey on a canvass of the country for opinions, devoted its efforts the past week to finding out the prevailing popularity of run, as for any other group. Even the man on relief should want to get back to a real job, which he cannot do if govern-a real job, which he cannot do if govern-ing a.majority in prevailing popularity of the Roosevelt administration. The con-clusion was that Roosevelt was leading in thirtysiztates with the opposition expres-ing a.majority in gleven states. A majority in towns of 2.500 and under registered against the president, while a majority in metropolitan centers voted for him. Granting that billions of dollars to spend'at the discretion of the president will wield a powerful influence, it must be remembered that a lot of thinking voters mad that they will voice firmly dis-metals, multiplied bureans and mounting pedges, multiplied bureans and mounting taxes, and that they will voice firmly dis-necessary to interpret popular judgment apporting in all states but twelve against few weeks later contradicted by the Institute of Public Opinion. The 'republican presidential nomina-tion must be made, with party principles set forth, before a line of opposition com-pletely forms and the battle of the care tick. That wages to industrial workers pay a profit to the nation, while salaries paid to sovernment employes make a deficit. The weeks later contradicted by the more set forth, before a line of opposition com-pletely forms and the battle of the care the rational weakth, but reduces it sovernment employes make a deficit. That wages to industrial workers pay a profit to the nation, while salaries paid to sovernment employes make a deficit.

Public Opinion. The 'republican presidential nomina-tion must be made, with party principles set forth, before a line of opposition com-pletely forms and the battle of the cam-plagin is actively on: A characteristic Lit-erary Digest poll in mid-summer would be seriously prophetic.

sernously prophetic. J. Edward Hoover and his army of G-men deserve unqualified support in their efforts to rid the country of criminal ele-ments. Gangster power had become a men-ace to lawful pursuits in large cities. Kid nappinge terrorized persons of possible paying ability. Increasing murders ap-palled the peaceful order. Entry of the federal government into the business of running down criminals has broken gang-ster raks and put criminals to rout. The growfil certainty of being caught has ho doubtied many inclined to criminal ways, to feff consequences and resist the evils persistent activities, orderly society has become more secure. Transing wages and buying products made by wages. That confiscatory income taxes reduce the opportunity to employ workers, both in business and out of it. That government paper when they are al-ready loaded with idle money, and have no choice. That spendthrifts always come to a bad end, whether they be individuals or govern-ments, even though they flourish for a time on somebody else's money. Patrick Henry asked for liberty or doubtied many inclined to criminal ways, to fear consequences and resist the evils persistent activities, orderly society has become more secure. Transfer the secure detained to the secure de

Treplently girls and boys in their 'teens get the roolish notion into their heads that home life is humdrum, and they venture out unknown and unprotected by elders, to see the world and help manage it. Only this week three Omaha girls, 15, 18 and 19 years old, disappeared and caused much anxiety. The young person often wants more excitement than the home routine af-fords, and if he breaks home moorings, he is certain to reap a harvest of bitter regrets. One thing that helps make a young per-son satisfied with home life is work with a share of responsibility and with due cash rewards. Nothing like ideness and no fix-red purpose to start a fever of discontent. get the roolsh notion into their heads that home life is hundrum, and they venture out unknown and unprotected by elders, to see the world and help manage it. Only this week three Omana girls, 15, 18 and 19 varse oid, disappeared and caused much anxiety. The young person often wants more excitement than the home routine af-is certain to reap a harvest of bitter regrets. One thing that helps make a young per-son satisfied with home itre is work with a share'of responsibility and with due cash rewards. Nothing like idleness and no fix red purpose to start a fever of discontent. THE WAYNE HERALD E. W. Huse, Editor and Proprietor. porting satel maintaining.

On one thing the two major party or-ganizations agree—fixing over the primary system, so that nominations may be made more understandingly. A committee of re-publicans and democrats recently consid-ered changes in the law and decided to recommend convention approval of candi-dates for state offices. The matter will be submitted to the legislature next January

Chairman Jim Farley exhibited his qualities as a smooth politician in his North Dakota speech this week. He was careful to make extravagant claims, and not bother much with facts. He even found good in the NRA which proved a huge barrier to recovery long before the supreme court set it aside as unconstitu-tional tional

In addition to its value in making veg-In addition to its value in making veg-etation grow, hot weather causes perspi-ration to exude from persons who do not work enough to sweat. In that respect hot elements collaborate successfully with doctors and other health agents.

The Coming Election.

s veit in 1932, either because of prohibition or on account of general dissatisfaction 1 with economic conditions, will go back to 1 their own party. No one really knows whether present icconomic conditions will favor the party in power or the opposition. "But it is certain that if Mr. Roosevelt's policies are, in part, unsound, uneconomic and even dangerous, they will be as bad for the farmer and the laborer, in the long run, as for any other group. Even the man on relief should want to get back to a real job, which he cannot do if govern-mental policies are calculated to kill jobs. Broadly but accurately speaking, no one will suffer more from continued retkless expenditure than the thrifty small farmer or the careful working man. To try to make out that those who have fathered this policy are the true friends of the people is a false

That the "rich man" spends his in-come paying wages and buying products made by wages.

who's who. Nebraska Farmer: It has been the oft expressed opinion of Secretary Wallace that payments under AAA should not be made public las it would subject farmers to "undue annoyances."
