Golden Wedding To Be Observed

P. F. Petersens Will Hold Open House Sunday at Home in Belden.

Mr. and Mrs. P. F. Petersens of Belden, who observe their golden wedding anniversary October 14, plan open house next Sunday from 2 to 5 and a family dinner for all their children next Monday.

Mr. Petersen, a native of Germany who came to this country at the age of 4, and Mrs. Peterson, the former Bertie Fritchen, a native of Washington county, Ia., were married at Wayne October 14, 1890. They lived near Altona and later near Carroll. After 10 years on a farm near Belden they moved into Belden in 1920. Both are active in the Reform church. They are in good health and raise a big garden each year.

The Petersens have seven living children, Mrs. Gertrude Friederich of Randolph, Mrs. Adala Griggs of Belden, Mrs. Ada Hyspe of Sioux Falls, Elmer of Belden, Wilbur of Wakefield, Alfred of Cairo, and Ira of Gresham. The eldest daughter, Mrs. Estella Ho-kamp, died May 17, 1932. There are 11 grandchildren.

Return from Trip To Eastern States

A nine-day trip over 2,234 miles took Mr. and Mrs. J. K. Johnson, Aletha and Beulah through Iowa, Illinois and Indiana, the four returning Monday. They found the best crops in eastern Iowa and western Illinois near Burlington, where they crossed the Mississippi enroute east. They visited Lincoln's tomb and the capitol in Springfield and went to Mr. Johnson's old home in Elliott, Ill., only one old store remaining as when the Wayne man lived there. In Rossville, Ill., they visited Miss Florence Drake, formerly of Wayne, who is nicely located and enjoying her dramatics teaching.

A cousin was visited in Tipton, Ind., and the party went through Wilkie's home town of Elwood. Another cousin, Mrs. C. V. Kaiser, was visited in Indianapolis. In Ann Arbor they planned to see Virgil Keeney but learned there are 14 crematories so gave up. They went through the Post cereal plant at Battle Creek, learning that Post, who died 20 years ago, started in 1895 with \$11 worth of wheat in a barn. Now his plants use two million bushels of wheat and corn every four months and the plants cover 40 acres. Returning through Kalamazoo, Burt Harbor, Michigan City and Gary, they stopped in Chicago with relatives and there saw the airports, zoo and other places of interest. On the final lap the party stopped at Hercher, Mr. Johnson's birthplace, and found nothing familiar but the cemetery.

A Prosperous Farmer Says This:

"As the farmer goes — so goes this country, and from the way things are going for me the country should look pretty good. I have a nice house, A-1 farming equipment, a car, and all the other things I need. Of course I owe a lot to the First National Bank — they helped me out with a ready farm loan when I wasn't in such good shape."

Spiritual Qualities
THE SIOUX CITY Journal calls attention to a write-up of Wendell Willkie in the current Christian Herald, a national inter-denominational publication, revealing the spiritual side of the candidate. The editor, Rev. Daniel A. Poling, concluded, after investigating Willkie's life from boyhood, with this observation: "I am not a political prophet. I do not know whether I have written about a man who will become president, but I am sure I have written about a man who is worthy to become president of the United States."

Dr. Poling asked Mr. Willkie this direct question: "What does religion mean to you?" Looking the pastor squarely in the eye, Willkie replied: "In a sense it means everything. It is life. Unless we can keep alive and strengthen the spiritual values in this world, there is no survival. Of course that is true of any time, but it is doubly true now. The church, above all other agencies, is our hope, and it is hope, not despair or fear, hope and faith that keep us on the march."

Saying that Mr. Willkie believes intolerance is one of the greatest social sins, the Journal quotes Dr. Poling further as follows in regard to the candidate's convictions: "He believes in America, America with her constitution and the bill of rights and all her civil liberties. And I believe that long after this particular incident is forgotten America will remember the moral integrity of Wendell Willkie. His religious philosophy is likethat of Will Rogers. Will once said, 'I never saw a man I didn't like.'"

Wisely Deferred
A NEWS REPORT in the Lincoln Journal virtually arouses suspicion that some fair meetings held under the administration of government agents, ostensibly in the interest of the AAA, are made to serve the national administration in its efforts for reelection. It is complained that R. L. Green, district representative of the AAA, in closing a talk at Broken Bow, asked farmers to remember "who made the program possible." Fred S. Wallace, state AAA director, explained that "the boys get a little over-enthusiastic at times." Green acknowledged the statement, but said he referred to the "fine men in that territory doing the work, and nothing else."

where all blessings flow. Also one may venture to add—the source of increased indebtedness, multiplied taxes, continued unemployment, restricted private enterprise, fleeing liberties, flattened confidence, rising fear, and ebbing hope. In essence, one is expected to feel joyful to the point of tears or laughter over dribbling returns from his own investment in costly federal bureaus. Restore faith, restore industrial activity, restore employment and restore demand, and the time would soon come when workers on the farm, in the factory and in business would be independent of painful restraint and unhappy commiseration.

All branches of endeavor must be generally flanked and encouraged by government, but these helps, involving obstructive interference, tend to break down individual initiative and put to flight the system built up through 150 years of toil and sacrifice.
The speaker who spoke with unguarded enthusiasm at Broken Bow, said further meetings over the state had been discontinued because "everybody attaches a political significance to any kind of a meeting we have." That being the case, we think wisdom would suggest postponement until after election. Then meetings galore may be held in all parts of the state without suspicion of more than one motive—spreading information and improving service. The election will soon be over and there is ample time before spring.

Arthur Knox, Washington correspondent of the New York Times, warns that the freedom of the press is threatened by new deal administrators, and, pointing out that the public is vitally concerned, seeks to arouse widespread opposition to any such steps. The fact that most American newspapers are against the new deal philosophy and the third-term threat is likely to intensify desire within administration circles to shackle the press. In doing so, however, the public would suffer equally with the newspapers. Without a free press, people could not depend on what they read and they would be uncertain what to conclude. They would grope feverishly for facts. Such suppression is inconceivable in free America.

Some complain that Willkie lacks a softly modulated voice. But it must be admitted that he talks straight to the point, that he is wholly in earnest, does not contradict himself and knows what he is talking about. Whatever he does, if elected, will tally with practical American common sense. He will know whence he is leading and what will happen when he arrives somewhere.

People are not so dumb they cannot see through new deal inconsistencies. They see through the camouflage of war hysteria to the wreckage of inner circle blunders. They know that economic forces which have suffered under incompetent leadership, must be reconstructed on a solid foundation better to speed and fortify the country's defense plans.

The late Gallup poll, which shows a small majority for Roosevelt in some important states, and which tends to dismay the weak-kneed and fearful, is disputed by General Hugh Johnson, columnist, who quotes the Dunn survey which reverses sufficient totals to insure the election of Willkie by a comfortable majority.

ABYSMAL

Mussolini's official newspaper recently charged Americans with being the most ignorant white race in the world. Dictator-controlled mouthpieces are so in the habit of saying things to influence home people that they regard truth as entirely unimportant. They use any falsehood that seems to answer an immediate demand. Subjects are not only kept in ignorance, but they are deluded into believing they are more intelligent than Americans who still have a free press and free speech, and who are still permitted to delve for facts and express honest opinions. Not even a fifth columnist here, streaked with yellow and dead to American advantages, would have the nerve to charge Americans with exceptional ignorance. As a matter of fact, most inventions, used the world over, were the creations of American genius. The accusation by the Italian newspaper reveals abysmal stupidity or surpassing perversion of mental processes.

with Finland. Seventeen per cent had no opinions. Only one per cent sided with the soviet union. Other questions proved the resolute, up-standing qualities of American youth, firmly wedded to the American plan of life, and ready to defend it if necessary. Explaining at the close, Dr. Gallup says: "These, then, are not the Americans of the Youth Congress—the disillusioned, embittered, and forlorn young people who have despair of American democracy and ideals. This is Young America, 21,000,000 boys and girls from every walk of life, looking toward the future with a steady eye, ready to meet life on its own terms, cheerful and unafraid. The young people of America are tough, loyal, hopeful, and more than willing to do their share."

Food Stamp Plan Participation Is Up

Wayne county's participation in the food stamp plan increased in September over August. The report shows that 59.1 per cent of those entitled to use the stamps did so in September and 56.6 per cent used them in August. Participation in the district as a whole decreased, being 65.4 per cent in August and 64.1 in September.
Percentages in other counties of the area for September are: Boone, 66.7 for Platte, 65.7 for Pierce, 62.9 for Stanton, 63.3 for Nance, 62.9 for Madison, 54.7 for Knox. Wayne was next to the lowest.

Sale of blue stamps, those used only for surplus commodities, totaled \$22,992.50 for the eight counties in September and \$22,696.50 in August, an increase the past month of \$296. Wayne county's sale of blue stamps increased \$202.50, being \$879.50 in August and \$1,082 in September. Increases include \$864.50 in Madison county, \$271.50 in Pierce and \$61.50 in Stanton. Decreases amounted to \$725.50 in Platte, \$1.50 in Boone, \$33.50 in Knox, \$353.50 in Nance.

Appreciation.

I wish to express my thanks and sincere appreciation to all who sent me cards, letters, flowers, fruit and gifts during my illness in the hospital. Also, I wish to thank all who have given so many kindly services since my return home.—Susie Souders.

Mrs. O. A. Strahan of Malvern, Ia., came Tuesday to spend two weeks at R. W. Ley's and A. T. Cavanaugh's before going to California.

DEFENSE NEEDS.

As emphasized by Wendell L. Willkie, presidential candidate, the first step in fortifying American defense, is the mobilization of industry. Industrial plants must be given reasonable freedom with responsibility in meeting an emergency demand for increased armament production. Further, American economics should be fashioned according to the sound, fundamental pattern to infuse needed courage and strength. If the president knew for a long time of an impending international crisis, as frequently charged, he should have informed congress and included in "must" legislation due defense appropriations. His professed indifference to a third term could have had no influence against making earlier demands on congress. Under the light of what is now known, millions allotted to unnecessary projects could better have been used in providing means for defense. Considering the way the new deal has handled home affairs, it would seem eminently practical, in view of international problems, to change leadership. Willkie is a man of sufficient caliber and experience to preserve the American democracy in the most direct manner and with the least possible loss.

G. W. Childs Made Captain in Army

George Weldon Childs, son of Mr. and Mrs. A. E. Childs of Belden and brother of G. B. Childs of Wayne, is one of a number of officers promoted from rank of first lieutenant to captain by recent act of congress. Mr. Childs, a graduate of West Point military academy in 1936, was made first lieutenant last year. Because of the need for trained officers in the defense program, Mr. Childs and others have been advanced in rank several years faster than would be possible under ordinary circumstances. Mr. Childs was stationed in the Philippines two years. After his visit in Belden and here Captain Childs and his wife and daughter left Tuesday for Fort Brady, at Sault Ste. Marie, Mich., where army men guard canal locks. The G. B. Childs family spent the week-end with the family at the A. E. Childs home.

Wayne Winner Over Wesleyan

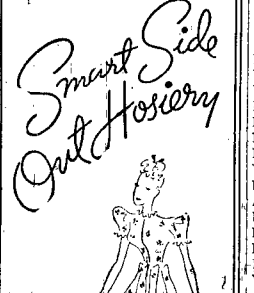

Wildcats Score in All Four Quarters to Score Third Shut-out Victory of Season On Gridiron Here Friday.

The Wildcats of Wayne State Teachers college went to work here Friday evening and scored a touchdown in each of the four quarters, marching to an easy 26 to 0 victory over the Plainsmen of Nebraska Wesleyan.

How They Scored. After an exchange of punts in the opening quarter, Wayne started a prolonged drive from its own 46-yard line that ended with a touchdown by Kozicek, who also punched over for the extra point. A 30-yard forward pass from Best to Retzlaff in the end zone provided the next counter early in the second period. After battling in midfield for most of the third quarter, Wesleyan tried a forward pass that was intercepted by Fay Webb on the visitor's 28, setting up the third touchdown play. A forward over the center of the line from Best to Lindahl provided six points and Retzlaff's line plunger was good for the seventh. With Garvin and Purizer doing most of the work, the Wildcats completed a 34-yard drive in the last period for six points.

Kozicek and Garvin Injured. The game put two Wayne men on the injury list, one possibly for several weeks. Kozicek, plunging halfback, suffered a painfully wrenched left shoulder early in the third quarter as he was attempting to recover a fumble. He is recovering nicely but will be out for six points.

of service for several weeks. Midway in the last period Garvin turned an ankle slightly after he had plunked five yards placing the ball on the Wesleyan one-yard line. He was taken out of the game, but reported for scrimmage Monday afternoon.

Uses Entire Squad. Coach Jim Morrison had 34 men in uniform Friday evening and used every one of them during the game, giving his new recruits some needed experience. Kozicek, Garvin, Lindahl, Retzlaff, Best and Warren showed up to good advantage for the black and gold.

Wesleyan Falls to Thwart. The visiting eleven had trouble getting its offensive going, getting no nearer to scoring territory than the 27-yard line. Although considerably outplayed, Wesleyan had some men who turned in good performances. Of these Owen, Magnuson, Ron Metzler, Druilner and Bowmister looked best.

Starting Line-ups. Wayne (26) Wesleyan (0). Nitz LE, Druilner LE, Braasch LT, Brauk LT, Childs LG, Stevens LG, Page C, B. Merrill C, Grayell RG, Glock RG, Westphal RT, Johnson RT, Lindahl RE, Metzler RE, Warren QB, Magnuson QB, Best LH, Muekel LH, Morgan RH, Miller RH, Kozicek FB, Owen FB.

Wayne substitutes: Smith, Fay Webb, Bob Webb, Fitch, Underberg, Riley, Olson, Lukes, Peterson, Hungerford, Kelly, Retzlaff, McDermitt, Purizer, Garvin, Poledna, Little, Ansnes, Shell, Knott, Dale, Pile.

Wesleyan substitutes: M. Merrill Nieniar, Bowmaster, Vaughan, Curtis, Hawthorne, Hix, Dunn, Molek, Chamberlain, Axford, Varney, Schuck, Currier, Spooner.

Summary. WS NW. First downs 11 5, Yds. gained rushing 175 75, Yds. lost rushing 29 15, Net yds. rushing 147 60, Forwards attempted 16 13, Forwards completed 3 2, Fwds. intercepted by 3 3, Yds. gained forwards 58 33, Punts by 9 10, Ave. yds. punts 36 27, Punts returned, yds. 39 26, Fumbles 3 3, Fumbles recovered by 4 2, Penalties 2 1, Yards penalized 20 5.

Wayne Prep Nipped By Homer Thursday

Wayne Prep's "Little Wildcats" experienced their first defeat of the season here last Thursday afternoon when they lost a thrilling 19 to 12 game to the six-man team from Homer high school.

On a sustained drive in the last quarter the Prep lads had the ball down to within a yard of the Homer goal line as the final gun sounded, depriving them of what seemed like a possible victory.

Although playing the visitors even for the first two quarters, with the score 12-12 at the half, the Wayne team, badly crippled by the loss of Bob Hughes and Warren Finn who were out because of injuries, lacked the precision that comes with successful offensive work.

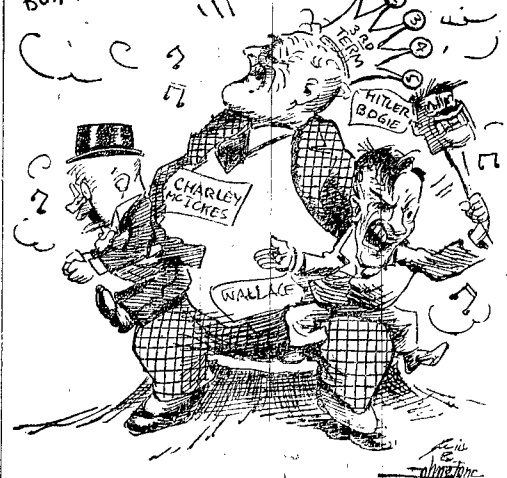

The staffing line-up for the local lads included Sprague and Max Gifford at ends, Whorlow at center, Bloss at quarter and Echtenkamp and Earl Hughes at the halfback spots. Dick Gifford at end was the only substitute used.

Make Trip to Chadron. Wayne squad probably going to Chadron are Lindahl, Nitz, Smith, Bob Webb, Westphal, Braasch, Underberg, Coryell, Childs, Riley, Olson, Lukes, Page, West, Hungerford, Kelly, Retzlaff, Warren, Purizer, Garvin, Poledna, Morgan, Little, Fay Webb. Kozicek is out with injuries.

Mrs. Harvey Olson of Norfolk, spent Monday with Mrs. Chris Tietgen.

Plan to Broadcast Homecoming Tilt

Football fans in northeast Nebraska will this year get a chance to hear a broadcast of one of the Wayne State football games. The athletic department of the college, in cooperation with the Wayne Chamber of Commerce this week completed arrangements with radio station WJAG at Norfolk for a play-by-play broadcast direct from the field of Wayne's homecoming day battle with Peru Teachers Saturday afternoon, October 26, at 2:15.

Wayne High Wins From Hartington

Wayne high school's football eleven Friday afternoon toppled a highly favored Hartington high school team by a decisive 26 to 0 margin. Coach Frank Sullivan's boys displayed a good deal of improvement in annexing their second conference victory of the season.

Increased aggressiveness on the part of the entire blue and white squad was very much in evidence with the line showing up considerably better than in previous games. Kessler, Stull and Powers were outstanding on ground gaining work with Kessler doing some smart signal calling.

Wayne's first touchdown in the first quarter came on a lateral pass from Kessler to Powers. The two touchdowns in the second quarter came on a run by Powers and another lateral from Kessler to Powers. In the last period, Stull, on a reverse, did a nice bit of broken field running, covering 60 yards to cross the double line for the last Wayne tally. Stull converted two of the four attempts for extra point.

Attempting only one forward pass, the Wayne lads resorted to line plays and behind-the-line passes to pile up a total of 11 first downs. The Hartington lads were credited with only two first downs, one by virtue of a 15-yard penalty on Wayne.

Coach Sullivan used 22 men, substituting quite frequently to give his underclass griders an opportunity to gain some experience. Several of these boys saw action for the first time and showed up satisfactorily.

Friday of this week the local lads meet Wakefield here in a non-conference tilt with Wayne the favorite, according to reports. On October 18 the Wayne team goes to Allen to meet one of the strongest eleven in this territory.

Summary. W H. Kick-offs 2 3, Forwards attempted 1 4, Forwards completed 0 1, Forwards incomplete 1 2, Fwds. intercepted by 1 0, Penalties 3 0, Yds. of penalties 25 5.

Make Club Change.
Wayne Men's club, at its regular meeting Wednesday evening last week in Hotel Stratton, voted to change the constitution so as to make the club a social instead of civic service group. This action was taken as the Chamber of Commerce has absorbed civic work.

Mrs. E. J. Flesher who has been in Rochester, Minn., the past three weeks for physical examinations, remains about the same.

Work on Highways Nearby Progresses

Grading has started on an eight-mile road project on highway 15 between Laurel and Coleridge. This sector, a new routing of the highway, will progress as long as weather permits. The sector of this highway between Wayne and Laurel was surfaced the past year.

Grading is 80 per cent finished on the new routing of 81 between Madison and Humphrey. All the hard surfacing on 61 between 98 and 20 has been completed except the sealing. Between Pierce and Hildal highway 13, grading is 95 per cent complete and the road will have a clay surface. Chaying between Pierce and Foster is under way on 13 now and contracts for graveling on this sector are to be let. The Foster-Plainview stretch is finished.

Concrete surfacing between Homer and Winnebago on 77 has been completed. The bituminous mat on the same highway between Winnebago and Walthill is ready for sealing.

LIFTING THE SHADOW OF DREAD

The discovery of Anti-Toxins, Serums and Vaccines is one of the accomplishments of Medical Science, of which all Doctors are proud, and for which they are profoundly thankful. These have helped to lift some of the dread, which parents endure during the infancy and early childhood of their youngsters.

It is almost criminal these days, for children to be left to the mercy of common but deadly diseases, such as diphtheria, smallpox and lock-jaw, with preventive serums easily available. Many deaths, grave illnesses and life-long after effects can be avoided by proper attention and timely immunization.

Consult your Doctor and protect your children against these drains on growth and development.

SIASCONSET, NANTUCKET ISLAND.

As all golfers know, playing as much as two rounds of an 18-hole course is pretty much for a day's play. Mr. Statz went around more than eight times. If all wouldn't have been so much of a feat had it not been for the average score. He was in bed for a week after the achievement—reason: sore feet.

A PROCLAMATION FOR REGISTRATION

Day for Selective Training and Service Act of 1940.

WHEREAS, by virtue of the authority vested in him by the Selective Training and Service Act of 1940, the President of the United States has proclaimed that every male citizen of the United States, other than those excepted specifically by the above mentioned Act, and every male alien residing in the United States who has attained his twenty-first birthday anniversary and has not attained his thirty-sixth birthday anniversary must register for service under the above mentioned Act on October 16th, 1940, and

WHEREAS, the Governors of the several states are charged with the duty under the above mentioned law, and the President of the United States has called upon the Governors of the several states to provide suitable places and personnel to effect such registration,

NOW, THEREFORE, I, R. L. Cochran, Governor of Nebraska, in conformity with the law and with the proclamation of the President of the United States, do hereby proclaim:

1. The first registration under the Selective Training and Service Act of 1940 will take place on Wednesday, the sixteenth day of October, 1940, between the hours of seven a. m. and nine p. m.

2. In order to facilitate and expedite the registration, I call upon the county clerk, or similar official, of the various counties to arrange for the use of the customary precinct polling places as registration places.

3. Inasmuch as there is no provision for compensation incident to conduct of the registration, I call upon those who in the past have served as clerks and other officers of election boards to volunteer their services, and those on whose property the voting places are customarily located to place their property at the disposal of the county clerks, or similar officials, as a patriotic duty.

4. I further call upon all public officials of the state of Nebraska and all subdivisions thereof and all citizens generally to give a full measure of loyalty and patriotic cooperation in carrying out the provisions of the Selective Training and Service Act of 1940. I especially urge all employers to give those in their employ every consideration which will assist them to fulfill their duty to register.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the great seal of the state of Nebraska to be affixed.

Done at the Capitol in the city of Lincoln, this 28th day of September, in the year our Lord, nineteen hundred and forty.

/s/ R. L. COCHRAN, Governor of Nebraska.

By the Governor: HARRY SWANSON, Secretary of State. 01011

NOTICE OF SETTLEMENT OF ACCOUNT

In the county court of Wayne county, Nebraska.

The state of Nebraska, Wayne county, ss.

To all persons interested in the estate of William Ave, deceased: You are hereby notified that on the 1st day of October, 1940, Lloyd Ave, filed his final account and petition for distribution of the residue of said estate, a determination of the heirs and for a discharge. Hearing will be had on said account and petition at the county court room in Wayne, Nebraska, on the 18th day of October, 1940, at 10 o'clock a. m., when all persons interested may appear to show cause why the prayer of the petitioner be not granted.

Dated this 1st day of October, 1940. (Seal) J. M. CHERRY, County Judge.

NOTICE OF HEARING.

In the county court of Wayne county, Nebraska.

In the matter of the estate of Mattie Martin, deceased.

To the heirs and creditors of and all persons interested in the estate of Mattie Martin, deceased: You are hereby notified that on the 25th day of September, 1940, Carlos D. Martin filed his petition in the county court of Wayne county, Nebraska, alleging among other things, that Mattie Martin, a citizen and resident of Wayne, in Wayne county, Nebraska, died intestate therein on February 4th, 1932, seized and possessed of the following described real estate, to-wit:

The tract of land formerly comprised in Lots Ten (10) and Eleven (11) of Taylor's Addition to Wayne, in Wayne county, Nebraska, and also the tract described as beginning at the southeast corner of said Lot Eleven (11), thence running south 80 feet to the north line of Lot Nine (9) in said Taylor's Addition, thence running west along the north line of said Lots Nine (9) and Ten (10) to the west line of Taylor Avenue in said Taylor's Addition, thence running north 80 feet to a point due west of the south line of said Lot Eleven (11), thence running due east along the south line of said Lot Eleven (11) to the place of beginning, and that she left surviving her as her sole and only heirs at law, the following named persons: Frank Martin, her husband, Nellie Nelson, her daughter, Ora R. Martin, her son, Carlos D. Martin, the petitioner, her son, Frank A. Martin, her son, and Alice Mae Boyce, her daughter, and that there were no deceased children of said decedent; that petitioner is now the owner of an undivided interest in and to said real estate having derived title thereto by mesne conveyances.

Petitioner prays for a decree determining the time of the death of

said Mattie Martin and the names of her heirs, fixing the degree of kinship of said heirs, and the right of descent of her said real estate, barring the claims of creditors of said deceased and for such other and further relief as may be just and equitable.

Said matter is set for hearing before the county court in the court house at Wayne, Wayne county, Nebraska, on the 11th day of October, 1940, at 10 o'clock a. m., at which time and place, all persons interested in said estate, both heirs and creditors, may appear and show cause why a decree should not be made and entered as prayed in said petition.

Dated this 25th day of September, 1940. (Seal) J. M. CHERRY, County Judge. s2613

Shoe Week at Larson's Reveals Way to Comfort

Experts Explain Importance Of 'Last' in Obtaining Perfect Fit.
Women who have always believed that correct length and width were enough to insure properly fitting shoes, are due to have their eyes opened, this week according to Larson's local Red Cross shoe dealer.
In fact, during National Red Cross Shoe Department week (October 7 to 12, Larson's is inviting all the ladies to come in for a personal demonstration of the importance of the correct last for obtaining a more beautiful, more comfortable fit.
"The last, according to Mr. Florence, manager of the Red Cross Shoe department, is the wood over which the shoe is formed, and the nearer this last conforms in all its proportions to a woman's individual foot, the more perfectly the shoe will fit her.
"Red Cross Shoes," says Mr. Florence, "are made over the exclusive foot-portioned 'Limit' lasts, result of measuring thousands of women's feet in action and repose. As a result, shoes made over these 'Limit' lasts fit better, give more foot freedom and comfort, and enable a woman to walk with
