**Demands Are Mounting.** National Red Cross offices have compiled some figures to contrast the demands of the Red Cross in recent years. The organization had 53,365 soldiers and sailors in 1940 and 126,515 in 1941. The Red Cross maintained 1,500 nurses in military and naval service in 1940 and 6,500 in 1941. Those trained for first aid totaled 379,860, in 1940 and 577,267 in 1941. Volunteer blood donors numbered 10,000 in 1941, and the organization asks for 200,000 in 1942.

Disasters reached a peak in 1937 when 1,075,000 were helped. Such work was needed in 1941 by 217,201. Red cross had 540,207 volunteers for sewing, etc., in 1940 and 1,215,597 in 1941. Aid to foreign war victims amounted to \$2,662,353 in 1940 and \$4,087,052 in 1941. The organization has 268,004 trained in water safety. To meet emergencies the Red Cross anticipates much heavier demands in 1942.

District of Columbia has the greatest percentage of participation in Red Cross, this being 21.1. Connecticut, Massachusetts, Ohio, Montana, Wyoming and Nevada are the only other states with more than 10 per cent membership. Iowa and North Dakota are only midwestern states with 8 to 10 per cent. Nebraska, South Dakota, Kansas and Colorado are in the group with 6 to 8 per cent membership. Nebraska's being 6.8. States with less than 6 per cent are mainly in the south.

Loren Page of Pilger, student at Wayne college, broke bones in his right hand October 25 in the homecoming game with Chadron.

### Three of Family In Fatal Mishap

### Frank Buss, Wife and Son Of Pilger Are Killed in Train-Car Crash

Mr. and Mrs. Frank Buss, 37 and 34 respectively, and their son, Donovan, 10, of Pilger, were killed instantly Saturday morning in a train-car collision near the entrance to the fair grounds at Lincoln. The three were going to the fair site to attend a poultry convention.

The Buss car, traveling about 40 miles an hour, was struck in the right side and was knocked about 70 feet. The three were thrown from the machine and were almost unidentifiable. Mrs. Buss' body was pinned beneath the car and the others were thrown clear of the wreckage. The train was a mass of twisted metal.

Probably the last person to converse with members of the family was T. W. Hughes, of station employe. Mr. Buss had asked the way to the fair grounds and Mr. Hughes rode part way with the family to direct them. As Hughes alighted about 100 yards ahead of the accident scene, Buss remarked, "Well, we helped each other that time, didn't we?"

The train crew said the whistle was blown for the crossing and the rate of travel was about 40 miles an hour at the time.

Mr. Buss, formerly of Hoskins, was a son of Mr. and Mrs. Herman Buss of this place. Mrs. Buss was a daughter of Mrs. Gotlieb Blair of Norfolk.

Funeral rites for the three were held Tuesday at St. John's church at Pilger.

Mr. and Mrs. Buss leave two other sons, 12 and 14.

Thomas Church, 33, and E. Davis, 21, were arrested by Sheriff H. Pile and Chief of Police Geo. Bornhoff to face serious charges filed against them at LeMars, Ia. Both waived extradition. Sheriff Frank Scholer and County Attorney Heneman of Plymouth county, Iowa, came for them Thursday. The men were placed under \$5,000 bond by LeMars officials.

Thomson, 51 hogs; Nels Peterson, 91 steers; Ray Agler, 6 sows; Erwin Graves, 7 hogs; Ernest Splittgerber, 14 steers; J. L. Harmer, 62 hogs and 28 pigs; B. Gronc, 6 steers. The top on steers last week at Sioux City was \$12 on heifers \$11.85, on hogs \$10.40 and on lambs \$11.60.

### Three New Members Welcomed by Club

Dave Theophilus, Ralph Carhart and H. D. Addison were welcomed as new members of Kiwanis club Monday at the group's regular weekly meeting at Hotel Stratton. A new quartet, which was introduced and which furnished numbers, includes Wm. Beckenhauer, F. L. Blair, C. L. Pickett and Dean Clarence McGinn. Mr. Beckenhauer also led group singing.

Reports of the Iowa-Nebraska meeting at Fremont were given by A. V. Teed and Dean McGinn.

### Numerous Changes Are Noted by One After Long Period

A period of 36 years has resulted in many changes in Wayne, according to Mrs. C. H. Leebrock of Atwood, Kan., formerly Minta Lewis of this place. Mrs. Leebrock with her daughter and son-in-law, Mr. and Mrs. Ralph Denny, and 2-year-old Carolyn Ann Denny were here Saturday to call on friends when returning home from a trip to South Dakota. They had visited Mrs. Leebrock's sister, Mrs. E. F. Jones, formerly Etta Lewis, at Gonyea and had also gone to Sioux Falls, Mitchell and other points.

Mrs. Leebrock and Mrs. Jones are daughters of the late Mr. and Mrs. O. C. Lewis. The family came to Wayne county in the early days and lived on a farm seven miles southwest of Wayne, in Breonna precinct. The three daughters in the family attended school in Wayne. The Lewises later moved into Wayne and lived in the house now occupied by the Ray Surbers. Mr. Lewis was elected county sheriff and served for some years.

Minta Lewis attended the Nebraska Normal school when the late J. M. Pile was president and the late L. S. Conn one of the instructors. Only one building then housed the school. After completing her course she taught in schools of the county. Her first term was in the school four miles north of Carroll and the late Miss Charlotte M. White was county superintendent then, this being 47 years ago. Minta later taught under supervision of Ed. Lundberg. After their marriage, the Leebrocks moved to Kansas.

Mr. and Mrs. Lewis and one daughter died some years ago.

### Game Concluded In Scoreless Tie

### Wayne and Peru Battle in Snowy Snow in Game at Peru Saturday

A scoreless tie was the record Friday evening when Wayne and Peru colleges battled three inches of snow in a football game at Peru.

Each team made two first downs and both wound up with a minus yardage. Between halves the teams changed clothes, but after the first play in the second half they were just as soggy as before. Peru's Claire Callam punted out on the Wayne 65-yard marker in the third period but Best booted 65 yards to get Wayne out of danger. On three kicks in that period Best averaged 53 yards. The ball stopped dead at the end of every kick, buried in the soupy snow.

Most of the game was played between Peru's 10 and Wayne's 25 yard line and consisted of a succession of punts. Wayne completed none of 12 passes and two were intercepted. The Wildcats were handicapped by hurts recently sustained by Pete Kozick, Bud Best, Horace Purizer, Dick Peterson, Bill Steckelberg and Pi Page.

### Sustains Injuries While Picking Corn

Elmer Harrison's right arm was bruised and muscles in his left shoulder were pulled Thursday afternoon when his team became frightened and ran about a half mile in a corn field, one back wheel of the wagon going over Mr. Harrison's right arm. The wagon contained about 40 bushels of corn but the weight did not break the arm bones because the ground was soft from recent rains. When the horses started to run Mr. Harrison reached for the reins and he was pulled down. The team stopped in a muddy part of the field.

Buy's Piece of Land. When 300 acres of land and some Hartington city property belonging to the Henry Hirschman estate were sold last week in Cedar county, O. G. Nelson of Wayne, bought 160 acres of land at \$39 an acre.
