Services Held in Iowa for Wayne College Teacher

Dr. Hanawalt Dies While Addressing Campus Groups

Memorial services were held at the Methodist church here Friday evening for Dr. Murvle H. Hanawalt, 39, chairman of Wayne State's language division, who died early Wednesday evening, Oct. 13, as he participated in a panel discussion at a joint YWCA-YMCA meeting at the college.

Rev. Eugene Golay officiated, and Robert Hansen of Sioux City sang "The Holy City" and "Lead Me, Lead Me," Constantine Johnson was accompanist. Dr. V. P. Morcy, M. B. Childs, Y. K. Kessler, R. A. Schroiner, Dr. M. B. Street and C. V. Wall were pallbearers.

Relatives who came for the service were Otis Wheat of Marshalltown, Ia., Mr. and Mrs. Wilbur Wheat of Eldora, Ia., Mr. and Mrs. David Hanawalt and Harold Hanawalt of Hampton, Ia.

THE REMAINS were taken to Hampton, Ia., Saturday for funeral services and burial. The funeral, Rev. Glenn Kewley conducted the rites. Pallbearers were Donald Evans, Ezra Jaudner, Rufus Schwab, George Wheat, Otis Wheat and Theodore Wheat.

Among those who attended the service there were Dr. Victor P. Morcy and Dr. Howard Tomper of Wayne State college, Dr. and Mrs. Ray Bryan and Mr. and Mrs. Clarence Lindell, formerly of the Wayne faculty, and Dr. and Mrs. A. E. Brown of Iowa State Teachers college, Cedar Falls.

MURVLE HENRY HANAWALT, son of David and Sadie Hanawalt, was born March 4, 1909, in DuMont, Ia., and died Wednesday evening, Oct. 13, 1948, at the age of 39 years, 7 months and 9 days, leaving his wife, Mary; two children, Patricia Marie and David Bliss; his father and mother, Mr. and Mrs. David Hanawalt; one brother, Harold; other relatives and a host of friends in Wayne and among students and faculty members on the campus.

Following his graduation from high school in 1926 at Hansell, Ia., Mr. Hanawalt attended Iowa State Teachers college, Cedar Falls, from which he graduated in 1931. During the years between 1931 and 1936, Mr. Hanawalt taught in the Orange township consolidated high school and worked toward his master of arts degree, which was conferred upon him in the summer of 1935.

On June 2, 1934, he was united in marriage with Mary Agnes Hurling at Marshalltown, Ia. During the summer of 1937, the Hanawalts traveled extensively throughout the British Isles, visiting many points of literary and historical interest.

IN THE FALL of 1936, they went to Paola, Kan., where Mr. Hanawalt taught for two years. The following two years he taught in the junior college at Independence, Kan. Return to the University of Iowa in the fall of 1941, he resumed his work toward the doctor of philosophy degree which was conferred upon him in the spring of 1943.

The following summer, Dr. Hanawalt came to Wayne as a member of the college faculty. He was made chairman of the division of languages in the fall of 1946.

In Wayne, Dr. Hanawalt became one of the most beloved teachers on the campus. The Spizz college yearbook for 1948, was dedicated to him by the students. His death prompted one boy to remark, "Never have I heard a word of unfavorable criticism of Dr. Hanawalt." Another boy said, "He helped me more than anyone else except my own father."

WHEN HIS DEATH occurred, Dr. Hanawalt was serving the students speaking at a meeting of the college YMCA and YWCA. Having evaluated Religious Emphasis week, he suggested a concrete example of Christian cooperation and said "I wonder if we can do something about CARE packages?" Those were his last words.

In a recent letter to Dr. Hanawalt, a friend said, "You can hardly know how often you are in my thoughts and how often I have been thankful just to know that people of your integrity and steadfastness still pursue their way unmoved by the chaos of contemporary life."

Significant of Dr. Hanawalt's intellectual achievement was his election to several national honorary fraternities, including Delta Sigma Rho, Kappa Delta, Pi Sigma Tau Delta and Theta Alpha Phi.

He was a member of the Methodist church.

\$25.00 Cash Special Prize Offered in Herald Campaign

Everyone Starts Even on This Prize. Subscriptions Turned In Before Do Not Count On This Special Award

The Wayne Herald makes announcement today of a \$25 cash special prize to be awarded to the candidate turning in the largest report in the ballot box during this last week of the campaign except that the candidates winning the three car orders or optional cash awards and the three \$500 Kaiser or Frazer special car orders are not eligible for this prize.

This special prize is being given for the benefit of those who have had some misfortune or handicap and feel they cannot win one of the larger prizes. A number of candidates who have not reported recently should quickly see the opportunity that this prize offers for him or her to go out and put in a little concerted effort these next four days and emerge with a nice prize in addition to their cash commission or other prize they win, except that if they win a car order they are not eligible for this prize.

Everyone should realize that when the winners of the three car orders or optional cash and the three \$500 Kaiser or Frazer orders are eliminated from the eligible list on this special prize, it is likely that this prize will be won with a very small amount of business this week, as everyone has closed his or her two weeks of big votes and feel that they have turned in all the subscriptions they can secure.

The main reason for giving this prize is so that the management can conscientiously encourage each candidate this week. In most campaigns candidates keep entering during the entire first period, and by the time each has finished his or her individual two weeks the territory is pretty well worked, but in this campaign very few entries were made after the first two weeks, leaving a few localities to be worked by candidates from other parts of the territory. This made it necessary to give special awards in an attempt to get the job completed.

As candidates became separated in their vote standing, all we could do was to give additional prizes to that we could conscientiously encourage each one; now we are giving this prize for results this last period and eliminating the winners of the three car orders or optional cash awards and the other three \$500 special car orders on this special prize, as it is necessary for us to have each one's help to the end to accomplish what we set out to do. No candidate in the entire list has any reason for not being busy these last few days of this great drive. Candidates who do not win some kind of prize in this campaign, with the way prizes have been given, have no one but themselves to blame.

necessary by the polio epidemic this year. It will enable counties with numerous cases to uphold the pledge that "no victim of infantile paralysis shall go without the best medical care available for lack of funds, regardless of race, creed, color or age."

WAYNE COUNTY chapter members discussed plans for the January campaign. Wayne county raised 46 cents per capita in last year's campaign and hopes to raise \$1 per capita in January. Campaign Chairman Mrs. Chris Tietgen, head of the county drive since 1944, made a plea for cooperation to make the drive a success. She said a campaign of this kind takes a lot of time and work from volunteers, but that Wayne county people should cooperate to ready the county for any polio emergency.

Mrs. Tietgen attended a state meeting in Lincoln where plans were formulated to hold the great March of Dimes drive in all the states of the polio fight. An example of the economic effects of an epidemic are found in North Carolina where the polio outbreak cost \$3,000,000 for medical care alone and where the loss to the state in trade and business totals over \$10,000,000.

MRS. TIETGEN urges that this campaign be considered a March of Dollars rather than a March of Dimes. Bills were allowed Monday night for braces bought for LaDonna Ulrich of Hoskins and Elsie Novak of Wayne.

ing event attracted a record breaking crowd of alumni. Mary Lou Dickerson of Butte reignied as queen. Her attendants were Mary Frances Johnson of Tekamah, Helen Thorell of Bristow, Dorothy Thorsen of Sioux City, and Donna Rockwell of South Sioux City. About 300 couples attended the homecoming dance in the evening.

Leaders Agree Politics for All

Wayne county chairman of the republican and democratic parties are agreed that politics are not necessarily dirty and that every person should participate and contribute to existing political organizations.

T. S. Book, republican chairman, emphasized the machinery and history of political parties while Kenneth Olds, democratic chairman, spoke on the importance of politics to young people, at the Tuesday morning convocation at Wayne State.

BOOK TRACED the rise of two dominant political parties in the national scene and pointed out that politics is a legal part of the government.

He discussed behind the scenes activities and said that the party organization made it possible for others than wealthy persons to run for office and assured the people of a candidate carrying out campaign promises.

OLDS SAID that persons changing political affiliations from the traditional party of their parents represented a healthy change and that votes should be for issues and not against individuals or platforms. He blamed lack of interest on the part of citizens for the rise of corrupt machines and practices. Due to the primary laws and the vigilance of the parties, however, most candidates elected are honest, capable individuals.

Both speakers were introduced by Dr. V. P. Morcy, president of the college.

Al Clement, student member of the college's convocations committee, was in charge of the program that included a piano solo, "At the Doneybrook Fair," by Buford Jones.

Top of \$61.50 Paid for Calf

Gene Perry, exhibitor of this year's champion baby beef at the county fair, is already looking forward to next year. Gene paid top price of \$61.50 for one of the Hereford calves at the auction sale held here last Thursday evening.

Nearly 80 4-H club boys and girls were on hand to participate in the sale of 26 western Nebraska calves. The average selling price was around \$38.

Some of the sale was entirely a non-profit venture, each buyer was pro-rated back 14 per cent of the purchase price.

The Chamber of Commerce agriculture committee and Don Warner, county agent, conducted this project to bring the best in quality calves to Wayne county 4-H members. Tom Hughes was the auctioneer.

Warner asks anyone still wishing to purchase calves to notify him, as there is a possibility of getting more if the demand warrants.

Ballot Box Must Determine the Winners of Many Major Awards; Subscribers Should Give Now

All Reports Must Be In Ballot Box When Hour of 9 p.m. Next Tuesday Arrives. Closing Days Can Decide Many Winners Even Though Subscriptions Do Count Many Less Votes Than in Early Days of Campaign. Special Rate of Two Years' Subscriptions for \$5 Ends on Tuesday

Only four working days now remain before the final count in the Herald's mammoth prize campaign. Nine o'clock next Tuesday night, Oct. 26, is the final hour. These last few hours should see a battle of energy and perseverance such as has never been witnessed before in this part of Nebraska. Every hour should be used and every ounce of energy should be directed in the best channels to get results.

This is truly a most wonderful race between the most popular, capable and energetic representatives of the people of this section that has ever been inaugurated. The entire community and adjacent territory is waiting, watching, wondering who the winners will be.

Help your favorite now. The mailing list is not corrected again, as no subscriptions are accepted through the campaign office this week and subscribers who wish to help one favorite candidate without others knowing it have that opportunity this last week.

CANDIDATES AND terms of candidate should realize that subscriptions to count on the prizes must be in the ballot box before the closing hour of 9:00 p.m. next Tuesday. Other prizes are won or lost by a difference of one or two subscriptions.

We wish to thank the many loyal workers who have made this campaign such a success. The campaign management is especially appreciative of the friendly spirit that exists among the candidates and the true sportsmanship that each is showing in these closing days and we trust that we have never worked with more pleasant group of people.

The management of this news-page is most grateful for the genuine efforts of all candidates. The many complimentary remarks from candidates of the fairness of the whole campaign has been another of the most pleasant parts of the entire drive, and in the future we can be of a service to any of those who have taken part all that is necessary is to let the wish be known.

NEXT TUESDAY, Oct. 26, is the last chance for subscribers to save \$2 and at the same time help some deserving candidate to win one of the big awards.

Names of those taking part are listed below according to the district within which they reside. Subscribers have the privilege to give their subscriptions to anyone they wish, but give now. Don't wait for candidates to come back for subscriptions as they will likely be overlooked in candidates' hurried work these closing hours.

If you cannot bring your subscription to the office, either call your candidate or call the office and someone will call for your subscription and see that it is gotten into the hands of the candidate you direct, but do it now and save your \$1 while helping someone win their prize.

District No. 1 District No. 1 consists of the territory inside of Wayne city, Winside, Strabon and Hunter precincts. One of the three car orders first announced or cash equivalent and one Frazer or Kaiser order and three of the district prizes must be awarded to candidates residing in this district. Listed below are candidates entered in this district.

Sorrell Pounds Nebraska GOP

Frank E. Sorrell, democratic candidate for governor, lambasted Gov. Val Peterson and the state administration for spending with little results when he spoke at a street corner rally in Wayne Saturday night. Sorrell's theme was the lack of good roads in Nebraska for the amount of money spent.

He says the people of Nebraska are not unhappy about the amount of money spent on the state—they are unhappy about the condition of the roads the state does have. "There is no reason for having roads in this condition," Sorrell told the crowd, "just as there is no reason for not having better management of the tax funds available for roads."

This platform is better management and utilization of available tax funds. He asserted the republican platform was based on more taxes and more spending.

Sorrell commended Senator Norris Schroeder for his road bill, passed in the last session of the legislature.

Nebraska is a Great State

It's a good day's drive across the state of Nebraska—but, all the way, it's an outstanding state—a state of great people. One whose high level of civic consciousness has set the standard for a high level of business ethics.

In keeping with such a tradition, the Nebraska Division, United States Brewers Foundation, was formed more than 10 years ago—the first of 19 states now following this program—to maintain wholesome conditions in retail beer outlets.

The brewing industry's Self-Regulation program is designed not only to insure the sale of its product in keeping with public sentiment and with the high standards of the industry itself, but to protect beer's economic benefits to the public. During all these years the taxes paid by this industry have gone into the public treasury, reducing the state's taxes by millions of dollars.

Wildcats Trounce York to 53-0 Tune

Wayne State's Wildcats are expected to hold onto their half-game lead in the Nebraska College conference as the nine-team loop returns to conference business after three squads added lustre to the league by smashing victories over non-conference rivals last week.

Hastings college, which shelved Westmar college of Le Mars, Ia., will entertain the Wildcats on Saturday in what promises to be a top caliber ball game. Wayne dumped the Indians 31-0 in the season opener while Hastings drubbed them 30-13. The Hastings eleven is looking for its first conference win, having suffered two defeats to top contenders earlier.

Other top games will feature Friday clashes between Doane at Kearney and Nebraska Wesleyan at Peru State. Chadron State travels to Midland where the Eagles are apt to pin another defeat on the Warriors. York college will attempt to reverse its fortunes against Sterling of Kansas after a 53-0 setback at Wayne last Saturday.

WAYNE STATE must beat Hastings to remain in the league lead; tie games or losses by other contenders will give Wayne a boost toward the championship. The Wildcats will have to beat Kearney State on Oct. 29 to be assured of at least a tie for the honor.

Coach Bob Kahler's squad is at top strength and has demonstrated plenty of fire in workouts this week. He probably will start the following line-up:

Ends—Gene Metz, Lincoln, and Jim Strahan, Wayne.
Tackles—Roland Schluensner, Bancroft, and Darrel Cyphers, Ponca.
Guards—Fred Arnold, Stanton, and Rex Johnson, Wayne.
Center—Vernon Harder, Anthon, Ia.
Backs—Galen Moyer, Scribner; Al Babe, Wayne; Don Kane, Stanton; and Rolly Gast, Plainview.
BEFORE ONE of the largest homecoming crowds on record, Wayne State marched closer toward the Nebraska college conference championship by completely outmaneuvering the York college Panthers, 53 to 0, last Saturday afternoon.

After a murderous first half in which the Wildcats scored 39 points to none for York, the Panthers stiffened and held the Wildcats to only 14 points in the second half, meanwhile doubling their own score. The Wildcats seemingly could do no wrong, and often were aided and abetted in their score-

ing spree by the bewildered Panthers.

Al Babe, Wayne, launched the Wayne State landslide by scoring twice in the first quarter. He capped his performance with a third touchdown early in the fourth quarter.

Other Wayne Staters to score included Pearson, Moyer, Strahan, Donelson and Harder. Harder finished with five extra points with eight attempted placekicks. The accurate passing of Don Kane accounted for the Wayne offense that never stopped rolling.

Wayne's Wildkittens dumped an erstwhile unbeaten Morningside college "B" team, 13 to 0, in a night game Monday.

Charles Watson, Plainview, bucked the first touchdown over from the 3-yard line midway in the second quarter. In the third period, two Spencer, Ia., players—J. Dee Ferguson, tackle, and Bob O'Hara, halfback—grounded a punt blocked by Ferguson in the end zone for the other score.

James Pennington, Wayne, caught a pass in the end zone for the extra point.

Kenneth Hughes, Geneva, was outstanding at guard as the entire "B" squad outclassed Morningside.

Bloomfield Nips Randolph, 13-12

Randolph Bloomfield spoiled Randolph high school's homecoming football game last Friday night by scoring seven points in the last quarter for a 13 to 12 victory.

Randolph led 12 to 6 at the close of the first half, but Bloomfield had the edge in the final quarter.

Between halves, the Pop club marched, forming a double line with each bowing to the king and queen, Bob Munter and Florence Schuler. The queen's attendants were Mildred Barstach and Mary Ann Eudebusch. Jim Flanders attended the king, Virginia Miller, drum major, and Patty Pock and Sara Jo Alwood, majorettes, led the procession.

After the game, members of both the Pop club and football teams of both Randolph and Bloomfield high schools attended the homecoming dance and reception at the high school auditorium. The king and queen presided over the festivities. The Pop club served lunch.

THIRD QUARTER—Brindley kicked off into the end zone for a touchback. Wisner took over on their 20. Price picked up 4 yards. The Bulldogs were offside on the next play but Larry McMaster made up the 5-yard loss by going to Wisner's 36. Ted Horrell fell on a Bulldog fumble on the 30 of Wisner to help set up Wayne's third touchdown.

Brindley got to the 23. Fisher went to the 13 on an end run. Runs by Brindley and Fisher put the ball on the 6. The Wisner line tightened up and held the Blue Devils. The Bulldogs took over on downs on their 7. Larry McMaster fell on his own fumble back to the 3.

Wisner punted to their 34 where Wayne took over. On the first play Tietgen threw a pass to Dion who caught it on the 6, fumbled, but alert Bob Smith fell on it on the 4. Fisher smashed over two plays later. Tietgen's kick was low. Score: Wayne 19, Wisner 0.

Fisher returned to his kicking off to Wisner's 31. After two running plays gained nothing, Larry McMaster threw to Radkie who was downed on Wisner's 49. The Blue Devils pushed the Bulldogs back until they kicked from their 35. The kick was bad and Wayne took over on Wisner's 44.

FOURTH QUARTER—Whitcome intercepted a Tietgen pass and returned to the 45 of Wisner. Reno Pfeil in turn intercepted a long Bulldog pass to Wayne's 25. Dion made 10 yards on an end run. On third down, Brindley quick kicked back to Wisner's 44 where he nailed the lead. The Bulldogs could make nothing and Larry McMaster punted to the 47 of Wisner.

Fisher went to the 39. Dion plowed to the 34. Fisher again drove to the 29. Wayne's second began to lose yardage and Fisher took over on their 42. Radkie drove to his 39. Two passes from Whitcome to Radkie put the Bulldogs on Wayne's 16. But Dion stopped the threat by intercepting a pass and going to Wayne's 37, where the game ended.

Blue Devils End Victory Famine

(By Paul Einung)

The Wayne Blue Devils drove their forks into their victory famine to kill their streak of defeats, 19-0, last week Wednesday. This conference victory was played in Wayne.

The whole Wayne high team played good hard football with Warren Ellis, Ted Horrell, Dick Baller, Dick Dion, Jack Fisher, Brad Brindley and Bob Smith turning in one of their best games of the season. Such an accomplishment by hard work merits a play-by-play description.

FIRST QUARTER—Larry McMaster kicked off for Wisner and Brindley returned 15 yards to Wayne's 36-yard line. Fisher stumbled on the 29 for a loss of 7 yards in the first play. After an incomplete pass by Don Tietgen, Brindley smashed to the Blue Devils' 40. By a short end of a first down by 6 yards, Brindley punted to Wisner's 29. Two downs gained 6 yards for the Bulldogs, but on the third play they fumbled and Smith recovered for Wayne on the 30 of Wisner. Brindley started around left end in, punted up in preference and scampered over to score on the first down. Tietgen converted. Score: Wayne 7, Wisner 0.

Wisner was only able to return Tietgen's kickoff to their 12. Dion intercepted a pass and ran to the Bulldogs' 5-yard line and he was yard but on the second play Fisher fumbled on the 13 and Tietgen fell on it. Wisner took over on their own 10 after a short run and an incomplete pass. An offside penalty on Wisner put the ball on the 5. On the next play Radkie skirted around right end and brought the ball out to the 25 and a first down. But from there the Bulldogs had to kick on fourth down after being stopped. Tietgen got under the punt, dropped it and Wisner recovered on their 48. After three downs of incomplete passes the Bulldogs were forced to punt. But Baller broke through the line, blocked the kick and Wayne recovered on the Bulldogs' 38. Fisher went to the 30 as the quarter ended.

SECOND QUARTER—The Blue Devils smashed to the 29. Brindley drove to the 25 and a first down. Runs by Brindley and a pass by Tietgen put Wayne on Wisner's 13. Fisher took the ball on the next play around right end to score. Tietgen's kick was blocked. Score: Wayne 13, Wisner 0.

Brindley kicked off to Price who returned 10 yards to the 29 of Wisner. The Bulldogs could not make any yardage and were forced to kick. Jim Flanders returned to Wayne's 40 but a clipping penalty put the Blue Devils back to their 25. Fisher made 3 yards on an end run and Brindley smashed to the 32 on the next play. Tietgen worked his way to Wayne's 37. The Blue Devils were set back on a 15-yard punt and Brindley punted to the 45 of Wayne. Two penalties put the Bulldogs back and Dion intercepted to the 20 of Wayne. Brindley made 2 yards as the half ended.

THIRD QUARTER—Brindley kicked off into the end zone for a touchback. Wisner took over on their 20. Price picked up 4 yards. The Bulldogs were offside on the next play but Larry McMaster made up the 5-yard loss by going to Wisner's 36. Ted Horrell fell on a Bulldog fumble on the 30 of Wisner to help set up Wayne's third touchdown.

Brindley got to the 23. Fisher went to the 13 on an end run. Runs by Brindley and Fisher put the ball on the 6. The Wisner line tightened up and held the Blue Devils. The Bulldogs took over on downs on their 7. Larry McMaster fell on his own fumble back to the 3.

Wisner punted to their 34 where Wayne took over. On the first play Tietgen threw a pass to Dion who caught it on the 6, fumbled, but alert Bob Smith fell on it on the 4. Fisher smashed over two plays later. Tietgen's kick was low. Score: Wayne 19, Wisner 0.

Fisher returned to his kicking off to Wisner's 31. After two running plays gained nothing, Larry McMaster threw to Radkie who was downed on Wisner's 49. The Blue Devils pushed the Bulldogs back until they kicked from their 35. The kick was bad and Wayne took over on Wisner's 44.

FOURTH QUARTER—Whitcome intercepted a Tietgen pass and returned to the 45 of Wisner. Reno Pfeil in turn intercepted a long Bulldog pass to Wayne's 25. Dion made 10 yards on an end run. On third down, Brindley quick kicked back to Wisner's 44 where he nailed the lead. The Bulldogs could make nothing and Larry McMaster punted to the 47 of Wisner.

Fisher went to the 39. Dion plowed to the 34. Fisher again drove to the 29. Wayne's second began to lose yardage and Fisher took over on their 42. Radkie drove to his 39. Two passes from Whitcome to Radkie put the Bulldogs on Wayne's 16. But Dion stopped the threat by intercepting a pass and going to Wayne's 37, where the game ended.

Leigh Eleven Tramples Prep

Wayne Prep's Panthers were on the short end of a 37-18 score Friday afternoon as Leigh's high school eleven more than doubled Prep's 15 points.

From its first 40-yard ramble and conversion, which came early in the first quarter, Leigh was not in danger.

The boys of Coaches Lee Clobber and Elmer Blackbird made good in the second quarter as Babe's 25-yard pass connected to Thompson who tallied the first six points. Half time score stood at 13-6.

In the third quarter, a Babe-Thompson pass combination gave the Panthers another 6 points. A Thompson Babe pass was good for a 40-yard touchdown. Babe's kick for the extra point was not good.

From the 10-yard line, Leigh scored a touchdown in the last quarter. The extra point was made by a kick.

A Panther touchdown was made with a pass from Babe to Parenti to Gramberg. A pass for the extra point failed.

The game was played at Leigh.

Wenbourne Cools Oklahoma Lad

Earl Wenbourne smashed his way to the seventh straight victory for himself when he TKO'd Oklahoma City's Eddie LaMar at the ring match on Omaha's city arena here last Friday night.

The first round was also the last for the Oklahoman as he was downed twice under the fierce lashings of Wenbourne. A TKO was scored for the Wayne State college student when his opponent was unable to start the second round.

Hartfield was originally scheduled to tangle with Wenbourne, but was injured during training and LaMar was chosen to fill his shoes.

Since entering professional boxing, "Stub" Wenbourne is known to have scored one KO, two TKO's and has decided his other four opponents.

Randolph was upset by Bloomfield, 13-12, Friday night after leading at half-time. They remain in the conference cellar with four losses and one win.

Pierce's Bluejays should not be surprised at their weekend playing non-conference games.

Pierce Bluejays Jar Hartington

Hartington—Coach Darrold Bohler's high school eleven dropped their game, 32 to 0, Friday night when they tangled with the unbeaten Pierce Bluejays.

Pre-game reports gave Pierce a definite edge over the Hartington team, but were a trifle awry when the third quarter showed Pierce in the lead, 13-0, and fighting for every yard of ground gained.

Pierce's Luebe tallied the first two touchdowns for the Bluejays during the first half with Zierke and Fisher each adding six points in the final quarter. A pass interception by Ferris gave the winners their final score, which will play Friday, Oct. 22, at Coleridge in a non-conference game.

West Point Lashes Oakland Eleven

West Point—Diets scored two touchdowns last Friday as the West Point Cadets swept to a 25-6 victory over the Oakland eleven in a match played at West Point.

The Cadets scored once in the first quarter and twice in the second quarter, while managing to hold their opponents to nothing.

Highlight of the game came as Diets intercepted an Oakland pass and galloped 50 yards to pay dirt. Diets and Nigman stood out for the Cadets on all-around play in the second quarter as Diets while left tackle Hensel turned in an outstanding game of defensive ball.

Coach Irv Miller's boys entertain the Wakefield Trojans on the West Point gridiron Friday, Oct. 22.

You Can't Swim the Mississippi with a Million Head of Cattle

The Mississippi River always has been the "continental divide" in the geography of the livestock meat industry. In the old days the great herds of longhorns trailing north from Texas had many rivers to cross. The Red, The Canadian, The Big Blue, The Platte... but there was never a trail that ended east of the Father of Waters. The Mississippi was, and is, one river you couldn't swim with a million head of cattle.

It's a staggering job to get the nation's meat from producer to consumer. Two-thirds of the meat animals are produced west of the Mississippi... two-thirds of the meat is eaten east of it. On the average, meat has to be transported more than 1,000 miles. It's a big job—p huge job. Just consider: in 1947 alone, this job of getting the nation's meat from the farm and range to the cooking range involved 32,158,000 beef animals, 24,014,000 sheep and lambs, 82,579,000 hogs!

Harvesting any national crop—from wheat to meat—is a big job. Big machines are needed. Who uses binders when combines are more efficient? Similarly, in the processing and nationwide distribution of meat it takes large-scale, efficient "machinery." There's a need for all of us—producers and meat packers; shippers and marketing people; transportation lines; wholesalers and retailers. We all play a part—whether we are individuals or companies, whether we operate locally or on a nationwide basis.

Over the years, we at Swift have worked to perfect our nationwide system of marketing. We, and 26,000 other commercial slaughterers, provide a competitive cash market for your livestock. We buy your animals and dress them. We process and refrigerate them. We distribute them to the retail store wherever. (Our earnings for all these essential services are only a fraction of a cent a pound.) Because this big job is done efficiently, you producers are assured of markets... consumers everywhere are proud of our part in building the "1,000-mile bridge," the "bridge" which carries meat from the point of surplus production to the point of consumption. So long as all America wants meat it will take efficient nationwide organizations to bridge that 1,000-mile gap.

All That Glitters Isn't Profit
Government reports tell of farm and ranch income from livestock that totals more than 17 billion dollars. Many folks read those reports and say—"No wonder meat is so high. Livestock producers must be coining money."

Feed Pregnant Sows To Control Anemia
By M. L. Buchanan
North Dakota Agric. College, Fargo
Pig anemia has long been recognized as a nutritional disease causing death losses in young pigs. A new program at the North Dakota Agricultural College controls anemia. In this work pregnant sows were fed a ration that included copperas, an iron compound (feeding grade sold in most drug stores). Pigs from such sows had a high iron content in their blood stream. Their death loss was less than 10% from birth to weaning. This mortality figure compares with an estimated national average loss of about 34% during the same period. Other litters that had insufficient iron in their blood were of lighter weight at birth. They grew less rapidly during the first week of life. And they were more likely to be laid on or chilled.

DETAILS OF THE FINAL COUNT

In order to maintain the utmost secrecy as to the number of subscriptions and votes turned in by each candidate in this, the last period of The Herald's prize campaign, the race is being brought to a close under a sealed ballot box system.

No subscription whatever will be accepted through the Campaign Department this period, but instead, candidates themselves deposit their final collection in the SEALED BALLOT BOX located in the State National Bank. By so doing, no one, not even the publisher or campaign management, can possibly know the voting strength of the respective candidates this period, which precludes any possibility of favoritism and insures fairness to the minutest degree.

The sealed ballot box will be in the lobby of the State National Bank, where it will be available for turns during the regular banking hours Tuesday, and Tuesday after 7:00 p.m. it will be available in the BANK LOBBY for candidates to make their reports until the closing hour of the campaign, 9:00 p.m. Tuesday, October 26, when the race is declared closed.

When the final hour arrives, the campaign will be declared closed. The judges will break the seals and immediately thereafter, or as soon as the votes can be issued on the subscriptions contained therein, the last vote count will begin. The winners will be determined by merely adding the vote totals and those contained in the ballot box.

It is expected to require some time to tabulate the reports in the ballot box to determine the winners. However, the official count will be completed Tuesday night and the names of the winners and the number of votes of each will be announced in Thursday's Herald, October 28.

CANDIDATES, ATTENTION!

Heretofore, candidates have had the privilege of reporting subscriptions by phone as late as the closing hour of the various vote reductions. This will not be permitted the last night of the campaign. All votes and subscriptions must be in the sealed ballot box when the race is closed at 9 o'clock sharp on Tuesday night, Oct. 26.

Important Notice!

Make sure the stubs and money check perfectly in the ballot box and observe the rule printed elsewhere on this page, which says in part: "Personal checks will positively not be accepted in the ballot box for more than \$6 drawn on the same person."

All subscriptions deposited in the sealed box must be accompanied by cash, or personal check not to exceed \$6 drawn on the same person. This rule is made in fairness to all candidates, and will be strictly adhered to.

After the business meeting cards and wahoo were played and prizes awarded. Mrs. Peters served lunch. The new trays were used for the first time. The next meeting will be with Mrs. Viola Nelson on Nov. 10. A card party was held in the Ed Strathman home Friday evening, Oct. 15.

Methodist church more than 35 years were honored, along with past presidents of the organization, at the meeting of the Woman's society last Wednesday.

Mrs. S. A. Lutgen, who was in charge of the special program, began with a brief resume of the history of the church. She told that the first class was organized in 1881 when Rev. W. H. Carter, pastor of the Wisner church, made trips to Wayne each Sunday to help with the services.

By agreement of the following year, enough members had joined the class to have it organized as a Methodist charge. Rev. D. C. Winship was appointed to serve both Wayne and Wakefield. As today, a housing problem existed and Winship could find no living quarters in either town.

The Wakefield parish, however, got busy and built him a home, so he established himself there. By means of a tent revival meeting, the Wakefield group secured a large membership and soon they built a church and hired the minister for full time.

THE WAYNE congregation too continued to grow until by 1883 it was large enough to begin thinking of building a church here.

Funds were solicited and Mrs. William Miller, who lived on the property now occupied by the Charles Heikes family south of town, headed the list of subscribers. She gave \$100 which she had saved from butter and egg money and with which she was going to purchase a buggy to take the place of the old buckboard wagon.

Others were eager to give when they saw the sacrifice Mrs. Miller had made. With the subscription money and the addition of a \$400 loan from the national church extension council, a church was built. The location was the same as it is now, only at that time it was at the extreme north edge of the town.

Most of the labor was donated by members of the church. Some, who were unable to do carpentry or mason work, volunteered to do the work on the farm if the farmer would work on the church. Notable among the latter was Mr. Sewell, father of Pearl Sewell, who took care of the Miller farm so that Mr. Miller could come to town to work on the new building.

Rev. H. C. Pottinger of Wisner came to the church as its first pastor. Although a cripple, he put in many hours doing work as a carpenter.

THE NEW church was dedicated in 1884. The late Mrs. P. C. Crockett was the first president of the women's group, then known as the ladies aid.

The congregation grew so rapidly that by 1897 it had outgrown the church and a new fund was started for the erection of a larger building. The cornerstone was laid in 1901, and the present Methodist church was dedicated in 1902. The old building was moved to the east part of town. One half of it served as the Crockett family home and the other half was rented out until Ralph Crockett tore it down a few years ago to make room for a modern bungalow.

Of the women honored at the program Wednesday, Mrs. Mary Hunter was the oldest, not only in years of age, but in time of membership since she belonged to a Methodist circle in LaPorte.

Mrs. Winifred Main, another honored member, came to Wayne in 1888, the bride of D. C. Main, the president of the Citizens National bank. She has been a continuous, active member since that time, working in the choir, the aid and missionary society. A life membership pin was presented to Mrs. Main during the program.

OTHERS HONORED for their years of inspiring work were Mrs. Guy Albert, Mrs. Alice Fisher, Mrs. Emma Gamble, Mrs. Olive Gossard, Mrs. Gene Gildersleeve, Mrs. Henry Giese, Mrs. Mary Hunter, Mrs. W. E. Lindsay, Mrs. Ida Reynolds, Mrs. Mary Welbaum and Mrs. William Hoguewood and Mrs. C. H. Bright.

Members who have joined the society since coming here to make their homes were Mrs. Laura Udey, mother of Mrs. M. V. Crawford, and Mrs. Margaret Thomas, mother of Mrs. Dave Theophilus. All these ladies were given corsages.

Those who were honored but were not present were Mrs. Ed Ellis, who recently moved to Cozad, Mrs. Henry Preston, who leaves soon to winter in Florida, and Harriett Fortner and Mina Muntz, both at the Crowell home in Blair.

CORSAGES WERE also presented to the past presidents of the society who still reside in Wayne. They are Mrs. T. B. Heckert, Mrs. L. A. Methodist Woman's Organization Honors 35-Year Members and Past Presidents

Methodist church more than 35 years were honored, along with past presidents of the organization, at the meeting of the Woman's society last Wednesday.

Mrs. S. A. Lutgen, who was in charge of the special program, began with a brief resume of the history of the church. She told that the first class was organized in 1881 when Rev. W. H. Carter, pastor of the Wisner church, made trips to Wayne each Sunday to help with the services.

By agreement of the following year, enough members had joined the class to have it organized as a Methodist charge. Rev. D. C. Winship was appointed to serve both Wayne and Wakefield. As today, a housing problem existed and Winship could find no living quarters in either town.

The Wakefield parish, however, got busy and built him a home, so he established himself there. By means of a tent revival meeting, the Wakefield group secured a large membership and soon they built a church and hired the minister for full time.

THE WAYNE congregation too continued to grow until by 1883 it was large enough to begin thinking of building a church here.

Funds were solicited and Mrs. William Miller, who lived on the property now occupied by the Charles Heikes family south of town, headed the list of subscribers. She gave \$100 which she had saved from butter and egg money and with which she was going to purchase a buggy to take the place of the old buckboard wagon.

Others were eager to give when they saw the sacrifice Mrs. Miller had made. With the subscription money and the addition of a \$400 loan from the national church extension council, a church was built. The location was the same as it is now, only at that time it was at the extreme north edge of the town.

Most of the labor was donated by members of the church. Some, who were unable to do carpentry or mason work, volunteered to do the work on the farm if the farmer would work on the church. Notable among the latter was Mr. Sewell, father of Pearl Sewell, who took care of the Miller farm so that Mr. Miller could come to town to work on the new building.

Rev. H. C. Pottinger of Wisner came to the church as its first pastor. Although a cripple, he put in many hours doing work as a carpenter.

THE NEW church was dedicated in 1884. The late Mrs. P. C. Crockett was the first president of the women's group, then known as the ladies aid.

The congregation grew so rapidly that by 1897 it had outgrown the church and a new fund was started for the erection of a larger building. The cornerstone was laid in 1901, and the present Methodist church was dedicated in 1902. The old building was moved to the east part of town. One half of it served as the Crockett family home and the other half was rented out until Ralph Crockett tore it down a few years ago to make room for a modern bungalow.

Of the women honored at the program Wednesday, Mrs. Mary Hunter was the oldest, not only in years of age, but in time of membership since she belonged to a Methodist circle in LaPorte.

Mrs. Winifred Main, another honored member, came to Wayne in 1888, the bride of D. C. Main, the president of the Citizens National bank. She has been a continuous, active member since that time, working in the choir, the aid and missionary society. A life membership pin was presented to Mrs. Main during the program.

OTHERS HONORED for their years of inspiring work were Mrs. Guy Albert, Mrs. Alice Fisher, Mrs. Emma Gamble, Mrs. Olive Gossard, Mrs. Gene Gildersleeve, Mrs. Henry Giese, Mrs. Mary Hunter, Mrs. W. E. Lindsay, Mrs. Ida Reynolds, Mrs. Mary Welbaum and Mrs. William Hoguewood and Mrs. C. H. Bright.

Members who have joined the society since coming here to make their homes were Mrs. Laura Udey, mother of Mrs. M. V. Crawford, and Mrs. Margaret Thomas, mother of Mrs. Dave Theophilus. All these ladies were given corsages.

Those who were honored but were not present were Mrs. Ed Ellis, who recently moved to Cozad, Mrs. Henry Preston, who leaves soon to winter in Florida, and Harriett Fortner and Mina Muntz, both at the Crowell home in Blair.

CORSAGES WERE also presented to the past presidents of the society who still reside in Wayne. They are Mrs. T. B. Heckert, Mrs. L. A. Editorial Tributes to E. W. Huse

The Herald devotes its editorial column this week to the late E. W. Huse, former Herald publisher who died last week after a lifetime of service to his community and state. The following paragraphs are from editorials written by publishers who recognized his achievements and his contributions to his fellow men.

Nebraska State Journal: In the death of Eugene W. Huse of the Wayne Herald, Nebraska lost a pioneer newspaper man who in fifty years made his paper one of the largest weeklies in the state, a model of typography, outstanding in its news and editorial columns. He was an editor who never admitted the necessity for moderating his strong opinions, and his influence extended far beyond his immediate community. Mr. Huse was a strong supporter of the teachers college at Wayne, and of worthy civic projects, served the Nebraska Press association as president, and was high in the councils of the republican party, though he never sought elective office.

Jimmy Lawrence in the Lincoln Star: This concerns an early associate in the newspaper business, in fact the first. E. W. Huse, for years owner and publisher of the Wayne Herald, one of the finest weekly newspapers in the United States, was one of the noblest men we have ever met.

He exemplified the enduring virtues which have made America the country it is. He was gentle, kind, fair-minded, a thoughtful man of deep convictions, but always tolerant and charitable. In all the years we can't recall ever hearing Mr. Huse saying a mean thing undeservedly. He was a sensitive man, who knew how to live his own life usefully in all of the things he cherished and believed to be good for his country.

Sioux City Journal: Another grand old man of journalism passed when Eugene W. Huse of Wayne, Neb., died last Wednesday at the age of 73. That community and surrounding ones where he had friends in large numbers will mourn and miss him. For in the many years of his ownership and editorship of the Wayne Herald until its recent sale he had served the public in various ways. More than an editor and newspaper owner, Mr. Huse was a public spirited man, a leader in civic work in the community he loved and that loved him and he was able through his influence and industriousness to obtain many things for his city and his neighbors.

A friendly man, as honest as anyone could be, public spirited and highly intelligent, "Gene" Huse made a rich journalistic contribution to the places and the times in which he lived. He was a good editor, a successful publisher and an upstanding citizen, a man devoted to his family, his friends, his neighbors and his community. He really lived to some purpose.

The book given by the Minerva club for Mr. Fred S. Berry has arrived. It is a biography of William Herndon, Lincoln's friend, law partner, and biographer. He was Lincoln's companion of the boisterous circuit-riding days, mayor of Springfield, political boss, a poet and a dreamer. The book is especially appropriate in view of the fact that Mr. Berry was a lawyer himself and a man who might have had much in common with Mr. Herndon in his day. The introduction of the book is written by Carl Sandburg.
A book has also been given by the Minerva Club in memory of Mr. Eugene Huse but the selection has not yet been made.

The 1949 FRAZER

Trailblazer-of cars to come!

Once in a blue moon the stylists and engineers outdo themselves. They create a car that goes beyond today and sets the pattern for cars of the future.

This is what they have done with the FRAZER for 1949!

Low, sleek and differently handsome it is the trailblazer in style of cars to come. Its exclusive colors and fabrics have made the world's leading fashion designers fall in love with it. They call it "the dream car".

The same car, the FRAZER for 1949, has even won the hard-to-win hearts of the test drivers who must relentlessly punish a car mile after mile for weeks on end. They say the Frazer makes such driving no punishment for them. Its driving ease and riding comfort "make 600 miles a day a breeze," they say.

There's a thrill waiting for you at your dealer's today. With 100 new features, improvements and refinements, the 1949 FRAZER is ahead of its time . . . out front—trailblazing the way for all the cars to come. First to break clean and scrap tradition, the cars from Willow Run have done it again. Because unlike other "new" cars built since the war, they've road-proved their dependability—2 billion miles worth! Value-proved to a quarter-million justly proud owners. See and drive the new FRAZER now! It's at your dealer's. Kaiser-Frazer Corporation, Willow Run, Michigan.

Wakefield News

BY MRS. BEN FREDERICKSON

Former Wakefield Pastor Dies at Elm Creek, Nebr.

Funeral services were held Sunday in Elm Creek for Rev. Edward L. Peterson, 78, former Methodist pastor in Wakefield, Pilger and Carroll, who died last Thursday at his home in Elm Creek. Burial was in Kearney.

Rev. Peterson is survived by his wife and five children, Mrs. Maurice Rolston of Wakefield, Donald and Paul of Denver, Rev. Ellis Peterson of Oroville, Calif., and Mrs. Donald Gates of Juntura, and 10 grandchildren.

Among those from Wakefield who attended the services were Mr. and Mrs. Maurice Rolston, Mrs. Alma Davis and Roy Fredrickson. Mrs. Rolston was called there earlier in the week and remained for a time with her mother.

Receiving his call to the ministry early in life, Rev. Peterson entered Morningside college, Sioux City, to prepare himself for Christian service. After his formal training he came to Nebraska and was ordained into the ministry of the Methodist church.

In his obituary it was said, "His ministry was marked by the kind of courage that made him stand for the things that are right and just without regard to personal sacrifice. His was a life of self-giving; it was not necessary for people to request his help, for he intuitively sensed their needs."

Rev. Peterson was married on March 6, 1901, to Naomi Farrow. The Petersons served the Wakefield Methodist church in 1933 and 1934, and also served in Carroll, Pilger and Oakdale.

Three years ago he was placed on the retired list, but was unable to remain inactive and accepted the call to the pastorate of the Elm Creek Methodist church, where he remained until his death last Thursday.

Mrs. Darwin Nimrod is the former Ruth Lederer of Wausau. The couple were married in Wausau Oct. 3. A complete story of the wedding appeared in last week's Wayne Herald.
