

Red Cross to Use Bequest For Community

Will Serve as a Memorial to Late Hattie F. Jacobs

Wayne county Red Cross board, meeting at Hotel Morrison Thursday evening to consult with Attorney Burr R. Davis and F. E. G... Will serve as a memorial to late Hattie F. Jacobs, expressed a favor of providing some community service that will be of permanent benefit in memory of the chapter's first secretary.

Stuart Sluett Baller, chairman, appointed J. H. Morrison, K. N. Parke and Mrs. Fred W. Nyberg on a committee to investigate possibilities and make recommendations on which action will be taken at the annual meeting in July.

DAVIS EXPLAINED that the Red Cross Nebraska Children's home in Omaha, Presbyterian church and Dr. Walter Bentback share equally in the residue of the estate after bequests of about \$15,000 have been made.

Although it is impossible to determine the actual value of the estate until real estate and other property are sold and until federal taxes are paid, Davis estimated the gross appraised value of the estate at about \$95,000.

THE BOARD went on record as favoring leaving possession to the two farms belonging to the estate without lease March 1, 1949, after the properties are sold Jan. 17.

Miss Irving explained that a bequest provides a trust fund which is to furnish some beneficial community service. A gift of this kind is usually placed in the national endowment fund for some helpful purpose in the home community.

DAVIS IS A member of the board, Miss Irving is secretary. Other members include: Mrs. Fred W. Nyberg, chairman; Mrs. Clara Heylman, secretary; Mrs. M. J. Kline, chairman of the board; Mrs. M. J. Kline, chairman of the board; Mrs. M. J. Kline, chairman of the board.

Contest Saturday For DAR Honors

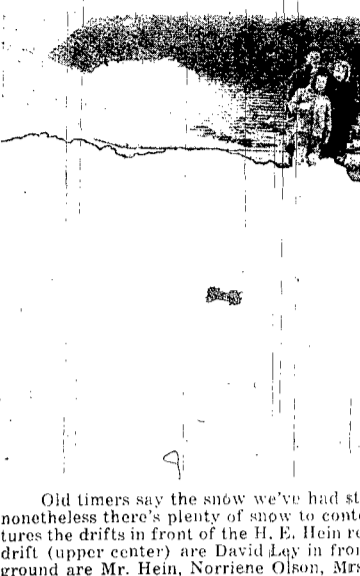

Saturday a group of high school senior girls, chosen for their scholastic and citizenship qualities, will compete for the annual DAR "good citizenship" award.

Girls whose names were received by the first of the week by Hattie Baller, chairman of the contest, as having accepted the invitation are Lois Tietgen, Pilger, Kathryn Radaker, Wisner, Mary Lea Jensen, Winside, Virginia Dehkinger, Wayne Prep, and Faunell Palmer, Wayne City.

After the contest, the girls will be guests of the chapter at a tea to be held in the YWCA home at the college student union building.

At Assessor's Office Irma Wentzel has started work in the office of county assessor. She is the daughter of Rev. and Mrs. K. F. Wentzel of Altona.

Not As Bad As '88, Say Oldtimers

Old timers say the snow we've had still won't compare with the blizzard of '88, but nonetheless there's plenty of snow to contend with. This photo, taken by Henry Ley, pictures the drifts in front of the H. E. Hein residence in northwest Wayne.

Standing on the drift (upper center) are David Ley in front, Jimmy Hein and Patty Olson. In the foreground are Mr. Hein, Norriene Olson, Mrs. Hein and Ginger Hein.

Misfeldt Heads County Board

William J. Misfeldt of Winside was named chairman of the board of commissioners for 1949, a post he also held last year.

A board of health for Wayne county was created, with Hans Tietgen, chairman, Dr. Roy Matson, physician, and Myrtle Wright, secretary.

THE DEPARTMENT regularly checks all equipment and keeps it ready for action at any time. The department said that constant practice of fire prevention measures by property owners and tenants will help keep Wayne's fire losses at a minimum in 1949.

## Win Fourth Straight Conference Victory

Another step up the ladder to top honors in the conference league fell to Wayne's Wildcats Tuesday night Jan. 11, when they came from behind a 23 to 20 intermission score to defeat Midland's Warriors 52 to 47 on the Warrior's court.

Midland's Gribble led the Warriors throughout the game both on offense and defense, scoring 23 points, 12 of these tallies being swished from the sidelines.

Jack Baumert and Vernon Harder gave the Cats the necessary spring punch to keep the Wayne 12-8 in the running. Harder scored consistently, netting 18 points, while Baumert poured in 17 points with 5 quick hook shots aiding the cause in the final minutes of play.

Coach Don Meek's men showed a smooth operating five, with plenty of spirit.

In contrast with the Wesleyan game the Wildcats notched only 17 fouls and the Warriors 16, with no players leaving the game.

## Postpone Prep, Emerson Game

Too much snow in the wrong place, and particularly on the Emerson road, forced the cancellation of Wayne Prep's Tuesday night game here. Both regular and reserve team games had been scheduled but the Emerson team was unable to get to Wayne because of the blocked highway.

Next game for Prep is set for Tuesday night, Jan. 18, with Winsted the visiting team.

## Earle Wenbourne Wins Eighth Bout

Earle (Stub) Wenbourne outmanned Larry Davis of Bassett Monday night, Jan. 10, to carve out his eighth consecutive ring victory since turning professional.

The Wayne State college boxer took the decision after a six-round battle in the semi-windup of the Joe Louis-Sterling Ingram fight in Omaha's auditorium.

"Stub" weighed in at 163 pounds while Davis held a slight advantage of 2 pounds.

Monday night, Jan. 31, is the date set for Wenbourne's next fight in Omaha, but an opponent has not been named as yet.

## Four Wayne Staters Dropped from Squad

Wayne State's basketball squad has smoothed out some of its problems during the past week, following the dismissal of four first string squad members immediately after the holidays.

The four players dropped Jan. 3 are: James Strahan, Elmer Blackbird, Al Rabe and Richard Sund. Since no official action on announcing their suspension was taken until late Wednesday afternoon, Jan. 5 (after last week's Herald had been printed and mailed) it was impossible to carry the news until this week.

The dismissals were for "disciplinary reasons" according to last week's announcement by Coach Don Meek. President Victor P. Morry stated yesterday that the understanding of local people, parents, the student body and of the squad has been helpful and cooperative.

Using a new combination of players from his promising first string squad, Coach Meek's Wildcats have thus far continued to stay on the winning side of the ledger. They defeated Kearney here Friday night and followed with a win over Nebraska Wesleyan who came to Wayne Saturday night.

## Sacred Heart Takes Holy Trinity, 51-38

Hartington—Holy Trinity dropped a 51 to 38 contest to the tall, fast-moving Sacred Heart quintet of Norfolk Sunday on the local floor. Sacred Heart's close defense worked well, and the Trinity players were unable to connect with many of their shots.

Sacred Heart led 11 to 6 at the end of the first quarter, 22 to 20 at halftime and 34 to 26 at the close of the third period.

Samuel Colt invented the revolver.

## Allen Loses to Blue Devils

With 13 boys getting the nod from Coach George Bailey Tuesday evening, Wayne high's Blue Devils tried several combinations while winning from Allen here by a 46-31 score.

Allen's offensive attack failed to penetrate Wayne's defense early enough to get an even break in the scoring. They were denied a field goal during the first quarter, chalked up but two during the second quarter. However, Trube netted three out of three from the charity lane and his teammates added four more of the same to end the first half with an 11-11 count.

Wayne had 19 points at the half. Coach Bailey started a new combination in the front of the court in an effort to find a scoring combination. Virgil Rohlf and David Meyer led off at forwards, and Jack Fisher, Dick Baller, Warren Ellis and Dwayne Atkins all saw action, there in a variety of changes.

Don Tietgen took a heavy scoring load and counted a total of 25 points for Wayne. Fisher was in second place on scoring with six points. Trube of Allen made the best showing of the evening from the free throw line, sinking eight out of 11 tosses.

The scoring records by quarters shows Wayne kept the lead by 8-4, 19-11, 33-16, and 46-31.

In the curtain raiser Tuesday evening, the Wayne reserves battled the Allen reserves to a near draw for the first quarter, which ended with Allen scoreless and Wayne with a bucket. The lone basket was by Maurice Proett. The locals did, however, win the game on a final count of 21-15.

The half ended 6-5 for Wayne and at the third frame finish the score stood 15-9 with Wayne in front.

Score book records show six Wayne boys participated as the point makers. Led by Berry with seven, the others were Atkins, Proett, Price, March and Skeahan. Others seeing action were Carhart, Birdell, Jensen, Pfeil, Kohlmeier, Otto and L. Ellis.

Next game for Wayne high will be this Friday night at the city auditorium here, with Pierce. This promises to be an important test of the Blue Devils, since both Wayne and Pierce were nosed out by Norfolk in close games, and at the present time Pierce enjoys a rating as second ranking class B team of the state.

## Emerson Mauls Newcastle, 55-40

Emerson—Faced by R. Brandt and R. Maskell, who scored 13 and 12 points respectively, Emerson high school pummeled Newcastle, 55 to 40, on the Emerson floor Friday evening.

Kroger and Benedict of Newcastle each scored 18 points. Emerson grabbed a 15 to 10 lead in the first quarter, was ahead 27 to 20 at the midway point, and held a 43 to 35 advantage at the start of the fourth quarter.

Newcastle's reserves edged the Emerson seconds, 17 to 15, in the curtain raiser.

A game scheduled for Tuesday with Wayne Prep was called off because of bad conditions. Emerson is scheduled to play Wakefield on the Wakefield floor tomorrow (Friday).

Mr. and Mrs. Ed Haas were Sunday dinner guests at the Earl Jones home.

## A Program of Education All Can Approve

A chief function of the Nebraska Division, U.S. Brewers Foundation, through its educational program, is to urge strict enforcement of the law by public officials and strict observance by tavern operators.

To accomplish this goal tavern operators are regularly visited and informed in such important matters as (1) good tavern conditions, (2) accepting community responsibilities, and (3) meeting all obligations that go with the privileges granted under a beer license.

Meetings are held with dealers to which citizens and local officials are invited to discuss local community problems and how to improve them.

This continuing industry-public educational program has long proved effective and will, of course, be pursued during the coming year.

## Coleridge Dumps Hartington, 35-30

Hartington—Playing here Jan. 5, Coleridge high's basketball team clipped Hartington high, 35 to 30, in a closely played game which was the dedicatory contest for Hartington's new auditorium-gymnasium.

C. Storm counted 16 points for the winners; Gene Ready and Ray Hegert scored 10 apiece for Hartington.

Hartington went into a 4 to 3 lead in the opening quarter and at halftime the score stood at 14-11. Coleridge edged ahead, 24 to 19, in the third period and still held a 5-point advantage when the game ended.

Hartington travels to Creighton for a game tomorrow (Friday).

Mr. and Mrs. Ed Haas were Sunday dinner guests at the Earl Jones home.

As you saw by the announcement in The Herald last week, Mr. Seymour has retired from the creamery business and we have assumed its ownership and operation. We have a few statements we wish to make relative to the creamery.

The past five years that Mrs. Ellis and I have been associated with the creamery, we have met and made many new acquaintances and friends. These we value most highly, for friends are a necessity to any business.

To Our Farmer Friends

Without your cooperation, there could not be a Wayne Creamery. The quality of the produce you bring to the creamery enables us to make our high grade products.

By selling your produce to the Wayne Creamery, you can always be assured of receiving the highest market price, with fair weights and tests. We have an expensive Toledo scale, the only one of its kind in Wayne, which assures you of accurate weights.

Delivery Service

Our daily delivery service will be maintained as in the past, to assure that your daily dairy needs will be supplied.

We extend a very cordial welcome to all our old friends and customers, and invite all the people of Wayne and community to avail themselves of the service and advantages of dealing with the Wayne Creamery.

Mr. and Mrs. W. L. Ellis

The personnel of the creamery are trained and experienced in the duties they perform, and we know their first thought is service to you.

**LISTENING TIME**  
Hurry, hurry, hurry if you haven't signed the Record Register this month. We draw the 15th, you know. The lucky winner will take home Russ Case's album, "The Music America Loves." We sold a lot of these at Christmas time so we know it's pretty popular. Just sign your name, that's all there is to it. Remember, we have new albums arriving now and then. Better check them over... Something we haven't puzzled out yet is why the younger generation buys classical, jazz, and big band albums and their elders buy the big band. Well, it's all here for anybody's tastes... Don't forget the children. We have single records just for them, too, as well as albums... We're constantly adding to our stock of single classical records, and we always have poppas, westerns, ballads, hymns, just a little of this and that. In fact, we think you're sure to find something you like.

## Dixon News

### Dixon Post Office Has Good Year

According to Postmaster H. L. Balsler, the volume of business done by the Dixon postoffice in the last calendar year was the largest since he became postmaster in the fall of 1929. Stamp sales were the best in the past 28 years, but bond sales dropped because there were no campaigns here the past year. When Balsler became postmaster the postoffice was ranked fourth class and was housed in an old frame building. Since then it has alternated between third and fourth class several times, according to the volume of business, but has been in the higher classification

## When We Service Your Car

WE ARE THINKING OF

# "Day After Tomorrow"

We may be wrong, but we still believe there will be a time when we will be asking you to please drop in and see some of the nice automobiles we have in stock for immediate delivery at new low prices.

And if our hunch is right, the time will come when we will be very glad that a lot of motorists have learned to depend on us for motor car service.

Our business here is selling and supplying automotive transportation to this community in the form of new cars, used cars, parts, materials and skilled labor. We expect to continue in this business when the market again becomes truly competitive.

That is why we are investing in more facilities, building up our plant and sparing no effort nor expense to learn more about our business and to become more proficient in all that we do.

The only real profit to be gained in this era of high prices and easy sales as we see it, is the good will of people who will make this establishment their permanent motor car home. On that basis, we solicit the patronage of local motorists.

## Voc Ag Students At Campus School Receive Jackets

The students in the IFA chapter of the campus high school, and their supervisor, Don Meilike, last week received FFA jackets they had ordered.

Each jacket is blue in color with yellow lettering. The FFA emblem is on the back of all the garments and each jacket is personalized with the owner's name.

Don Meilike's jacket is gray, designating his position as supervisor.

**Class Committee**

A committee was appointed this week to select the senior class play. The date set for the presentation of the play is March 31.

Those on the committee are Virginia Denkinger, Harriet Phipps, Don Banister and Roy Ronjfeldt. Laura Franklin is in charge of the play.

**Honor Supervisor**

The girls of home economics 2

gave Dora Wood, class supervisor, a Christmas surprise party during the class hour, Thursday afternoon, Dec. 16.

All the girls presented her with a gift, and Ardye and Audrey Stevens of her chemistry class gave her a gift at the party also.

Refreshments were brought by the girls of the class. They included sandwiches, two kinds of cake, cookies and ice cream.

**Operate Concession**

Pep club met Monday, Jan. 3, after school to select girls to work in the concessions stand during the college game, Friday, Jan. 7.

The concessions stand is in the hall at the city auditorium. Patrons may either come to the stand or buy pop, crackjacks and ice cream bars from girls circulating in the crowd.

Two high school basketball boys and two grade school basketball boys have volunteered to help the Pep club girls with concessions.

**Return Annual Papers**

The first 10 pages of the annual have been printed and were re-

turbed last week. Three more picture pages have been prepared and were to have been sent to the company early this week.

**Study Electricity**

Chemistry class has been shown some very shocking experiments the past week. These experiments, along with explanation, were made on dry cell and storage batteries, demonstrating how electricity is produced. The class is studying what part electricity plays in the chemical world.

**Write Lyric Poems**

Patly Denesia's section of the freshman English class. They have also written several limericks. Harold Dickau's part of the class is writing short stories and informal essays. Laura Franklin is supervisor of the class.

Several of these poems, essays and short stories will be published in a school magazine which will be out about the end of January.

**Faculty Vacations**

During her Christmas vacation Frances Phillips traveled through

more states than any other member of the Wayne prep faculty. She spent Christmas at the home of her parents in Texas and then went to the home of her sister in Albuquerque, N. M. During the course of the trip she traveled through eight states.

Laura Franklin was not far behind. Her vacation covered seven states. After stopping at her home in Kansas for two days, she went to Flagstaff, Ariz., to visit her brother, Lulu Way during her vacation had the pleasure of fishing through the ice for northern pike at a lake near her home in Michigan.

Mr. and Mrs. A. F. Gulliver were planning to travel by airplane to Kansas City to spend the holidays with their son and his family, but because of the severe storm all the plane reservations were cancelled. Therefore, they spent Christmas at home in Wayne.

M. J. Hassel and his family spent the holidays in Omaha and New-moan Grove, and Dora Wood went to her home in Lincoln for the holidays.

D. J. Meilike stayed in Wayne over the holidays, and Dr. M. B. Street and his family also spent the Christmas vacation at home in Wayne. C. V. Wait stayed with his family at their home in Wayne, and according to him he did the least bit of work he could do.

**Study Social Problems**

In round-table manner, the sociology class, taught by practice teacher Ted Graham, and supervised by Clifford V. Wait, has been discussing poverty and pauperism, crime and criminals, the physically and mentally handicapped, causes and care, also injury, illness, and unemployment. The class is also making notebooks filled with materials pertaining to those subjects.

**Sixth Grade**

Mrs. Ed Meese and Mrs. Yalb Keszlet were visitors at the Christmas program.

Identifying the more common rocks and minerals has been an interesting part of the science work the past week.

The new history unit centers about the development and growth of industries in the United States.

**Fifth Grade**

Friendly letters were written telling about Christmas vacation.

Review tests for the end of the unit in arithmetic were completed.

Pictures of snow landscapes have replaced the Christmas pictures. The art class plans to make pictures of snow scenes.

The reading class is enjoying an adventure tale about whale hunting.

Techniques for teaching spelling were demonstrated for Profr. George Costerisan's class.

**Fourth Grade**

Barbara Hughes brought wood showing the hour glass cutting a beaver does with his teeth.

"Life in Ancient Times" is in use.

Patly Denkinger brought a book of informational stories because it helped with reading lessons.

Lessons in geography are about Mediterranean countries.

Donna Faye Lorenzen entered grade 4 just before vacation.

**Third Grade**

Seven people had perfect spelling records Friday.

January seems to be a month when several people celebrate their birthdays. This week Betty Becks and Billy Hughes each brought treats in honor of their birthdays. The Ronke twins have their eighth birthday Sunday.

The social studies unit about home affords opportunities for art expression. The children have been telling the story of lumber in pictures. An interesting letter written from Oregon told many facts about trees and lumbering.

The group is learning to burrow in subtraction.

**Second Grade**

Julie Brown went to the Ice Cycles in Omaha during the Christmas vacation.

Jerry Kingston and Sharon Grier are still absent because of illness.

We all learned to write our names in the Morse code and send them on a telegraph set as a part

**Duane Lindsay Move**

Mr. and Mrs. Duane Lindsay moved Saturday to Lyons, Mr. Lindsay, who has been working at the City grocery, will travel for the Curtis Candy Co.

**Property Deeds**

Chris Lueders and wife to Rustell F. and Doris F. Lutt, Jan. 4, for \$20,500, the N<sup>1</sup>/<sub>2</sub> of the NE<sup>1</sup>/<sub>4</sub> and the NE<sup>1</sup>/<sub>4</sub> of the NW<sup>1</sup>/<sub>4</sub>, 10-26-4.

**Takes Omaha Position**

Mr. and Mrs. Oscar Peterson took their daughter, Florence, to Omaha Friday, where she started work Monday with the American Optical Co. She has been working for Dr. M. W. Gettman in Sioux City.

## Y-Teen Names New Officers

The regular Y-Teen meeting which was scheduled for Monday, Jan. 3, was cancelled because of weather conditions. The club met Jan. 4 after dismissal to elect new officers.

Voting was done by ballot. The cabinet officers previously selected three candidates for each office and the club members voted for one of the three.

The new officers are: President, Shirley Gildersleeve; vice president, Nell Durnham; secretary, Billie Roberts; and treasurer, Barbara Debus. The retiring officers are: President, Faunel Palmer; vice president, Mizz Home; secretary, Phyllis Foster; and treasurer, Clacie Simmerman.

The new officers will be installed at a special ceremony Jan. 17, with a devotional and refreshments as a part of the program.

**Student Election Soon**

The first semester will soon close and the student body president will be elected to take office in the second semester. He or she will be from the three lower classes as the term doesn't expire until the close of the first semester next school year.

In order to place a candidate in the election, a petition containing the signatures of at least 50 students plus the signature of the candidate, must be turned in to the principal by Jan. 12. Election will be held this week.

**Thespians Meet**

Thespians held their regular meeting Jan. 10 when a special program was presented for the benefit of anyone interested in joining the club. Members of the troupe took part in the program.

Semester tests will be given Thursday and Friday of this week.

**Eighth Grade**

Betsy Ross has returned to school after being marooned in Omaha because of road conditions.

Albert Nelson has returned after an absence of four days following the holidays.

The second five tied the first

five 4-4 in a basketball game played at the city auditorium Tuesday night.

Perfect spelling scores were earned by the following: Betsy Ross, Patly Jeffrey, Gary Jeffrey, Jack Korff, Charles Price and Donald Fiedler.

**Sixth Grade**

Perfect scores in last week's spelling mastery test were earned by Ronald Brindley, Delia Gilbert, Gary Coagy, Horriene Olson, Steve Pawelski, Gloria Pfeil, Donna Reibold, Helen Shufelt, Bob Sieckman, Kathryn Stammer, Billy Jim Wagner and LaVonne Nickols.

In arithmetic the class is ready to take up work in discussion of fractions.

The unit on the Roman Empire was completed in history.

LaVonne Nickols is a new pupil enrolled in the class.

Attendance has been good in spite of the weather and cold, since the first of the year.

**Third Grade**

Those who made perfect scores in the mastery spelling test on Thursday were Lenny Fern, Tommy Beckner, Jimmy Hein, Carol Jo Gifford, Mary L. Pawelski, Renee Wilse, Jimmy Bales, Lynn Jeffrey, Gary Struhm, Carol Beckner, Julianne Lamp, Ronny Stirtz, Duane Fitch, Patly Strong and Mary Wright.

Third graders are keeping a record of the weather which includes temperature, wind, directions of clouds, time of sunrise and sunset. Last week Renee Stirtz and Mary Wright recorded the temperature each day and Jim Hein read the weather report as it was given in the daily paper. The children brought pictures of winter sports.

The class had a unit on the months. They wrote riddles about the months and paragraphs describing their favorite month. Those who spelled the names of the months correctly in a written test on Friday were Julianne Lamp, Ronny Stirtz, Carol Jo Gifford, Renee Wilse, Carol Beckner, Mary Pawelski and Mary Wright.

## Wildcats Win Over Kearney and Wesleyan

Wayne State's basketball team in two wins the past weekend to share top honors with Peru in the Nebraska College Conference with a record of three wins and no losses.

Coach Donald Meek's smaller squad checked out a close 54 to 53 win over Kearney Teachers Friday night, Jan. 7, in an overtime period.

Wayne's Wildcats held a 31 to 27 halftime edge with the Antelopes evening the score at 45-all with six minutes of playing time remaining.

**LOWELL KOEHN** hit the winning bucket in the overtime period to boost Wayne to their win and also to carry off scoring honors.

In the game played Saturday night with Nebraska Wesleyan, the game ended 52 to 46 with Wayne State's forwards on top of the heap.

Practically two different teams ended up playing after eight men were dismissed from the game. Gene Baumert of Wayne and Bob Kettner led the fray after a flurry of fistfights.

**CLIFF SQUIRES** hit for the Plainsmen to quickly chalk up a 12 to 1 lead for the Lincolmites. Lowell Koehn netted two buckets after the half-time period to bring the Cats back 23-25.

An 8-point lead gave Wayne the necessary margin to oust Wesleyan's final attack and pull a 52 to 46 win from the rough encounter.

A total of 53 fouls were called with Wayne collecting 23 of the ticks.

## WHS Trounces Madison 45-27

(by Paul Einung)

After losing to Wakefield last week, the Wayne High Blue Devils came back and stormed past Madison 45 to 27, at Madison Friday.

The home team piled up a 4-point lead early in the game by baskets from Demmel and Severs for 12 points. Don Tiengen and Al-an Cramer accounted for Wayne's 8 tallies in the first quarter. But pivot shots by Tiengen and field goals by Dick Bailett edged the Blue Devils ahead 19-16 at the half.

**IN THE THIRD** period Wayne came out in better form and began to overpower their opponents in the man-to-man game. The Blue Devils made 8 points and held Madison to 3 in the quarter while in the last period, Wayne went basket crazy. Dick Bailett, Don Tiengen, David Meyer and Dick Dion totaled 18 points to Madison's six.

Guards Dion, Pfeil and Cramer kept the ball moving and frequently moved it into Tiengen's hands, while forwards Ellis and Bailett did a good job under the basket.

**TIENGEN BROKE** previous scoring records so far this year for Wayne high by making 24 points in this game.

Several second team players saw action in the fourth quarter. They are Warren Perry, Richard Berry, Don Skoehan, David Meyer and Dwayne Atkins. They continued the game capably after rolling over Madison's reserves. 24-16, a second team contest. High points were Jim Birdsell, 11, and David Meyer, 6.

## Prep Girls Begin Basketball Tourney

Audrey Stevens' basketball team won a smashing 24 to 12 victory over the team captained by Margie Conry in the first game of the Wayne campus school girls physical education round-robin tournament. Donna Victor led scoring on the Stevens team with 14 points; Margie Conry was high scorer on her team with 12.

In the second game, June Klug's aggregate downed Pat Buck's team, 16 to 8. June led the scoring on her team with 10 points; Shirley Smith scored 6 points for Pat Buck's squad.

Five girls from the four teams organized will be chosen to represent the physical education class basketball team. They will be selected in accordance with their performance in the tournament.

Teams organized are:  
Capt. Audrey Stevens and Donna Victor, forwards; Darlene Anderson and Cleone Fredrickson, guards.  
Capt. June Klug and Barbara Grier, forwards; Patty Victor and Rose Roeder, guards.  
Capt. Pat Buck and Ruth Fuoss, guards; Marjorie Banister and Shirley Smith, forwards.  
Capt. Margie Conry and Joyce Kingston, forwards; Alice Anderson and Joy Gramberg, guards.

## Trojans Breeze Past Ponca, 63-19

Wakefield Wakefield's Trojans continued merrily on their way of holding a straight win record last Friday night, Jan. 7, by walloping Ponca high, 63 to 19, in a game played at Ponca.

Reserves of the two teams tussled, with the Wakefield boys pulling down a 16 to 9 win.

Trojan reserves continued playing during the first team game after the first team quickly piled up a safe lead in the initial quarter.

Harold Hyspe racked up 15 tallies for the winners with Anderson and Lueders following with 10 points each.

Wakefield high rated top team in class C competition at the present time.

## Winside Scampers Past Beemer, 47-25

Winside—A decisive 47 to 25 victory by the Winside high basketball team over Beemer put Coach Delmar Ward's men back in the scoring column Wednesday night, Jan. 5.

Although no player was outstanding for either team, the Winside cagers had control of the game at all times.

## Wisner Wilts Before Pender Cagers, 18-13

Wisner—Wisner high cagers lost a 18 to 13 decision to Pender's netmen Friday night, Jan. 7, in a scoring contest on the Wisner floor.

Score at intermission was a 7-7 tie.

Scoring honors went to Whitcomb of Wisner and Fry of Pender as each collected 6 points.

In the opening game of the evening, Pender reserves dropped Wisner's "B" squad 33 to 6.

## Polio Sports Event Tonight

Wayne county residents will be treated to a fast and interesting boxing card as has ever been presented by the nationally rated Wayne State Wildcats as the athletes pitch in to boost the county's polio drive funds with a benefit show at the Wayne city auditorium tonight (Thursday).

Coach Don Meek will start the sports program by sending his scrappy "B" squad against a "B" contingency from Norfolk Junior college in what promises to be a spirited basketball tilt. The tip-off is set for 7 p.m.

The boxing card starts at 8:20 and features four bouts. They are: 115 pound class—Francis Kimberly, 118, vs. Randolph Johnson, 115, Marshalltown, Ia. 155 pound class—Don Suhr, 153, Pender, vs. Kenneth Frazier, 153, Missouri Valley, Ia. Heavy pound class—Cliff Sovereign, 127, Royal, vs. Russ Monteth, 128, Newcastle.

Main event, 175 pound class—Chris Jensen, 173, Waterloo, vs. Paul Hartnett, 172, Hubbard, 1948 Northwest college champ.

## Wildcats Meet Peru Saturday

Wayne basketball fans will see the two leading contenders for the Nebraska College conference lead Saturday night, Jan. 15, in Wayne city auditorium when Wayne State's Wildcats and Peru State Teachers college cagers vie for top place.

Each team at present, has three victories and no losses to their credit. Peru dropped Doane, York and Wesleyan in games played to date, while Wayne's Wildcats outmaneuvered and outgunned Midland's Warriors, Kearney's Antelopes and Nebraska Wesleyan's Plainsmen.

## Church Reports Made At Annual Meeting

The Salem Lutheran church program is expected to be completed this spring with six more rooms added to the rear of the church, a new heating plant, and redecorating of the church sanctuary, according to a report made at the annual meeting of the church congregation Thursday.

Officers elected at the meeting are: L. W. Hyspe, church secretary; Joseph Johnson and Arthur Florine, deacons; C. A. Sar, Wilbur Petersen and Herman Muller, trustees; R. G. Hanson, W. L. Byers and Ronald Harding, auditors; and Edna Collins, financial secretary. T. M. Gustafson was appointed delegate to the conference convention, with G. F. Koester as alternate.

Rev. C. W. Wiberg reported a total attendance of 16,617 at all services. The total confirmed membership is 594 adults and 170 children. The church treasurer's report showed a \$9,028.30 expenditure for benevolent purposes and \$15,926.53 for current expense and improvement purposes.

## New Markets are Born in a Test Tube

New products are developed, new uses are found for meat and by-products in Swift's Food Research Laboratories. Thus but "scientist-salesmen" help you find wider outlets for your livestock.

Many million head of livestock are marketed annually. Demand for meat from these animals has been increased by Swift research.

From livestock country to city counter, science blazes the trail for a thriving livestock-meat industry. Among these trail-blazers are 400 trained personnel in the Swift research laboratories and test kitchens. Pioneer-scientists, they develop new meat products—find new uses for more and more livestock by-products. Scientist-salesmen, they create new markets—better values for your livestock.

Yes, their work means money to you . . . millions! The average annual commercial slaughter for the last ten years was over 28 1/2 million cattle and calves, nearly 65 million hogs, and over 22 million sheep and lambs. That's a lot of meat—and it's a lot of by-products, too! Cowhides, pigskins, and sheepskins, by the millions, for everyday leather goods. Well over 50 million pounds of pulled wool annually for cloth and clothing. Thousands of tons of lards and soaps for home and industry. Carloads of animal feeds. Tons of hair for upholstery. This list is almost endless.

Research found how to derive life-saving pharmaceuticals from animal by-products. Here numbers are important. For example, tiny glands from many thousands of animals must be saved to produce one pound of adrenalin, powerful heart stimulant. To yield one pound of crystalline insulin, vital in the treatment of diabetes, the pancreatic glands of 20,000 cattle are needed. Important, too, is albumin, tuberculosis "detector" recovered from cattle blood—and many more beneficial, all-important medicinal products derived from animal slaughter.

Now recent research has developed an entirely new line of important chemicals from fatty acids. One chemical from fat makes clothing water-repellent. Another is a flotation agent, useful in the separation of phosphates for fertilizers. Another prolongs the life of synthetic tires by causing them to run cooler. And detergents, "soap substitutes," have been recovered for use with hard water in the home and industry. So the list grows, from day to day.

Yes, science performs a direct, very valuable business service for you, the livestock producer. Through new products and new markets, it 1) maintains or improves the position of meat on the American menu; 2) often reduces the price we get for the meat to less than we pay for the live animal; 3) enables the meat packer to pay you more for all your livestock.

Stuck his tongue on a frosty pump!

## Business Must Serve

As you look about your own neighborhood you'll find some men who are assets to the community, others who add nothing to community life. These good citizens may be large operators or "little fellows." You do not rate them by the size of their operations but by their characters, abilities and what they contribute to the good of the community.

This same principle holds true in business. The business that performs worthwhile services to the community is an asset, whether it be a local concern or a big national organization.

In our livestock-meat industry both large and small meat packing plants are essential. Two-thirds of our country's livestock is raised and fed west of the Mississippi, where the great grasslands and grasslands are . . . Two-thirds of the meat is eaten east of the Mississippi, where most of the people live. Large packers are needed to handle the processing and distribution of meat for a nation of 145,000,000 people.

Swift & Company has grown with the expansion of the United States in the past 65 years. That's because we perform services of value to the people of America—to farmers, ranchers, meat dealers, and consumers of meats. We have to be efficient to provide these services. Meat packers have applied to meat products the economies of mass-production and mass-marketing. We have developed one of the lowest cost food distributing systems in the nation. By saving by-products and by reducing waste, we increase the value of producers' livestock.

But so keen is the competition—in both the buying and selling ends of our business—that these services have averaged us, over the years, earnings of only a fraction of a cent per pound of meat.

To all of our friends on the farms and ranches of America, we of Swift send our sincere best wishes for a happy, peaceful and prosperous New Year.

## Grass Silage a Good Winter Feed

Good quality grass or legume silage makes an excellent winter feed for all roughage-consuming animals—dairy and beef cattle, sheep, and even horses. Some have found it useful in feeding brood sows, and poultry, too. Grass silage may replace either a part or all the hay in a ration for dairy cows. Most dairymen who use it prefer to feed some dry hay with the silage. Since average grass silage contains only about 25% to 30% dry matter, it requires roughly 3 lbs. of silage to replace 1 lb. of well-cured hay.

In dairy rations, grass silage can replace corn or sorghum silage. On a dry matter basis it compares favorably with corn silage in total digestible nutrients, and if made from legumes or a mixture of legumes and grass, the digestible protein content is higher. This means that a smaller amount of protein supplement is needed to balance the ration.

For beef cattle, grass silage can be fed to breeding herds, fattening cattle, or young stock. It may replace a part or all of the corn silage, hay or both, though some dry roughage is recommended. Since grass silage has high carotene content it is especially valuable in winter rations likely to lack vitamin A.

Ensiling is not a magic method of making good feed out of poor roughage. Grass silage made from good material, well preserved and free from spoilage, needs no particular feeding precautions. Moldy or spoiled silage loses its palatability and much nutritive value; and it may be toxic, especially to sheep and horses.

**PEOPLES NATURAL GAS CO.**

Your dream of having gas heating in your home can and will come true some day . . . so don't give up just because right now there isn't enough Natural Gas to supply all of those who want it for heating. Supplies of gas in the fields are entirely adequate, and the pipe line company supplying us with gas for your community is rushing construction so that more and more Natural Gas will be available. The bottleneck that is delaying pipe line construction is the scarcity of large diameter steel pipe and other metal products necessary to increase transmission capacity from the fields. This situation is being corrected as fast as humanly possible.

**Martha Logan's Recipe for PORK AND NOODLES** (Yield: 5 servings)

1 pound ground pork  
1 egg  
Seasoning  
Flour  
2 tablespoons shortening

1 4 oz. package noodles  
2 quarts boiling water  
1/2 cup diced green pepper  
1 cup diced cooked rutabaga

Combine pork, egg, and seasoning. Form into 1-inch balls. Roll in flour. Brown in hot fat. Boil noodles in salted water 10 minutes. Drain. Combine noodles green pepper, and rutabaga. Place pork balls on top. Bake in a moderate oven (350° F) about 40 minutes or until pork is well done.

**QUOTES OF THE MONTH**

Animals have done more to make America great than any other one thing. Directly and indirectly, animals account for about 80 per cent of the jobs in the food industry, and the food industry accounts for about 55 per cent of the total employment in this country. *Chicago Daily Drivers Journal*

Soil testing with the Illinois tests not only saves the average farmer \$50 for every \$1 spent on testing, but increases food production by using every ton of fertilizing material where it will do the most good. *Roger H. Bray and A. U. Thor, University of Illinois*

BY MRS. CARL JANSSEN

## Carroll Begins Polio Fund Drive

January, 1949, starts a new year and with it we start our continuous fight against that dreaded plague, poliomyelitis.

Mrs. W. F. Scribner is chairman of this local drive and will be assisted by a number of volunteers.

"The Carroll community has been very fortunate in the past several years in that it has not been struck by this disease; however we all know that in the past year more cases were reported than ever before in history.

"Last year we collected \$720.00 for this drive. For 1949 our quota has been set at \$1,000.00. To start our campaign the committee in charge is asking every farmer to bring corn and put it in the ring which the American Legion has erected on the vacant lot just north of the Bonta blacksmith shop (where the trace movies are shown during the summer months). At the same time you bring in your corn, please register with Norman Clark at the Farmers State bank.

After all of the corn has been delivered it will be disposed of and the proceeds turned over to the county polio fund.

"Each and every business man in Carroll will be called on to do his share in this drive in the very near future.

"Let's all give so that when we meet a victim of this disease we can say with a clear conscience, 'I did my share to help him recover,' she says.
