His activities in connection with the Wayne school have been previously reported.

**College Arranges Musical Programs For High Schools**  
Wayne State college speakers and entertainment bureau announced today that it would again provide a series of musical programs for high schools throughout northeastern Nebraska.  
Louis E. Ingelhart, director of the bureau, said the program has been delayed because of weather conditions in the state and that the college probably would be able to supply the programs only to high schools located near paved high-

**THE PROGRAM** series is one of the college's services for high schools in the region. The series presents college musicians in worthwhile assembly program at the high schools.  
Tentatively, the college plans to reach 60 schools through several tours totaling 2,175 miles. Nearly 30 Wayne State students will participate in the tours.  
THE MUSICAL programs include performances by a women's vocal sextette, a men's vocal trio, a trumpet trio, and other instrumental ensembles.  
In 1948, the college provided programs for 89 northeastern Nebraska high schools and traveled 3,625 miles.

# Mrs. L. Ring Writes From Rome

## Visits Many Historic Sites

Mrs. Lawrence Ring, now in Europe with a group of mid-western farm women, wrote this letter in Rome, Italy:

Our group, which is continuing our journey over the continent and enjoying every minute, arrived in Rome at 7:30 this morning. We came by sleeper with very good accommodations from Genoa, where we had dinner and a tour of the city.

There we visited the place where Columbus lived as a boy and the church in which he was christened, the castle which Sir MacKenzie of England owns high in the mountains back of the city, the wonderful harbor (Italy's best) filled with passenger and freight vessels, also the cemetery of Stagliene, the world's most unique burying ground. Monuments carved from marble have been erected there during the years of the owner's death and the work of many famed sculptors was seen. One million people lie within the grounds and the guide grew eloquent as he told us of the wonders of the place.

CONTINUING OUR visit in Paris since last I wrote, Sunday morning we were shown the palace at Versailles where the peace treaty was signed and there, as in so many noted buildings, we heard much of the history of three kings of France, Louis XIV (the good), Louis XV (the lover) and Louis XVI (the fool). The interior of the palace, formerly the home of the latter, was beautiful with paintings, mosaics and sculpture of which these people are very proud. Of course, many of these are tourist attractions and they hope during this year alone to draw 2 1/2 billion dollars from our people who will tour Europe.

Sunday afternoon we attended the opera, "Rigoletto," at the French Academy of Music and as it was a highlight of our tour, we were especially thrilled over the performance. Monday forenoon our sightseeing of the city was concluded when we saw the art exhibit at the Louvre. Many would-be artists were copying from the originals and we thought, doing a pretty good job of it.

NOTRE DAME cathedral was of special interest to many of our group and we were impressed by its magnitude and beauty. After dinner we were shown through the city hall which was a very special privilege as our guide said he hadn't been through since 1919. Then a few hours of shopping which all had planned for and we left at 7:45 for an overnight ride by train to the French Riviera, the garden spot of the continent. Our hotel, the Royal, was on the beach of the Mediterranean, ultra modern with a wonderful setting of palms and tropical foliage.

Our first sight of the sea's blue

waters at Marseille drew "ohs" and "ahs" and continued as we followed the coast line to Mentone near the Italian border. Here we enjoyed the very colorful Mardi Gras observed throughout the country on Shrove Tuesday, the day before the beginning of Lent.

THE AMERICAN flag flew with the French banner in our honor and we were given reserved seats for the parade by the children. There were flower bedecked floats, some participants were on foot and others riding on donkeys or vehicles, all very colorful and a profusion of flowers and gay costumes. We rushed from this to Monte Carlo, the noted gambling resort, which was humming with activity.

We saw the principality of Monaco, the world's smallest, governed by Louis II, whose people pay no taxes but use the revenue from the casino for expenses. A reception by city officials at which the prize winning contestants of the afternoon and their mothers were guests, was tendered us. We were given dolls in native costume as souvenirs, served tea and French pastries and enjoyed orchestra music. Everywhere in France people were so kind that we took our departure with a deep feeling of appreciation.

ENROUTE TO Genoa by bus we were checked for passports and baggage at the border six miles from Mentone and ran into our first difficulty when one member of our party had left her passport in her trunk atop the bus. This necessitated getting it down to produce the passport and caused us some delay. Two or three grips were also searched, after which we proceeded to Genoa.

Here in Rome we are at the Bristol hotel, within walking distance of downtown, which was appreciated by those who stopped for linens, silks and gloves when the stores opened from 3:00 to 7:00 after closing over the noon hour as is their custom.

SINCE 9:30 this morning until 3:00, we toured the city in a bus with a very competent guide who had a little trouble keeping the ladies together as so many are camera fans and saw so many chances for shots. He says the worst group he has taken around was a party of American girls who wanted to do as they pleased. We were glad to follow the leader, or fear of becoming lost in this city of 2 million.

We have today visited the Pantheon (famous in Rome's early history), the Roman Forum (ruins of its beginning), St. Peter's cathedral (largest and richest in the world), St. Paul's in London (second), and the Coliseum. It was here that many Christians were fed to wild animals in the early history of the church.

IT HAS BEEN cold and disagreeable here today with a flurry of snow. The wind has been penetrating and we have really chilled. We are getting along well in the shops and with linens as we did with the French frans.

No butter or cream is served with meals, otherwise our food is sufficient, well prepared and served. Coffee is as bad as in France so we do without, but do appreciate the tea and hot chocolate. We are served fresh fruit for dessert with each meal, with pastries if we like. Meat is plentiful and the bread is dark, always round biscuits with hard crust and large holes. Some say they are learning to like it.

THE PEOPLE here always seem to be busy, horses on carts are seen in numbers on the streets, hauling produce, rags or garbage. Women balance baskets, huge ones, on their heads with the greatest ease and their posture is the envy of all of us. One wonders how these people are able to exist when one sees their rocky soil, which is terraced high upon the mountains, planted to vegetables and grain. Our guide today said they couldn't feed themselves if it weren't for America.

The river Tiber, which flows through Rome is almost dry and they need rain badly here at present. Tomorrow at 11:00 we will be shown around Vatican city. Will continue next time from that point.

## Wisner, Oakland New Members of Pioneer League

Al Babe, Herb Wehrer, Walt Miller and John Kyl attended the meeting of the Pioneer Night Baseball league in Fremont Sunday. Red Schwange of Columbus was elected president to succeed Dr. Tomes of Schuyler.

Tekamah and Blair submitted resignations from the league because of the distance from other league towns. Oakland and Wisner were accepted as new members replacing them.

The group approved a 30-game schedule beginning in May with a mid-season split. Dividing the season in half will give the bottom clubs in the conference a chance for a fresh start in the second half with championship decided by a play-off.

Also approved was a new player regulation which provides that each team must have four home players on the field at all times.

The local baseball committee met Tuesday evening and reported excellent progress on plans for the 1949 season. The committee reminds Wayne baseball fans that all information concerning the baseball program may be surveyed at any time at the Chamber of Commerce office.

Decorations for valentine's day and Washington's birthday were made during art period to decorate the room and windows. "The Secret of the Old Clock" by Carolyn Keene is being read for opening exercises. Everyone enjoyed the valentine party Feb. 14 at which valentines were exchanged and games were played. Ice cream and cupcakes were served by Mrs. Junck for lunch. We all regretted very much, Mary Jenkins leaving us to attend another district. District 18 (Ruth Texley, teacher) A hot plate was purchased and we have enjoyed hot lunches on Tuesday and Thursday of each week. Song books were purchased with fair money. Dolly Fiekle won the prize in our Good English contest which has been in progress for the last two weeks. We are sorry to see Willard Large leave our school. We wish to welcome Judith Graffis, Jerry Graffis and Mary Faith Jenkins to our school. Nearly everyone has had perfect attendance this month. Dolly Fiekle has missed only one day this year. Hatched and silhouettes of Lincoln and Washington decorated the windows during February. Booklets are being made in the third and fourth grade social studies classes. District 60 (Hildegard Buehler, teacher) This month Marietta, Norma Jean and Gerald Wittler have a perfect attendance record. Marietta has maintained that record since last September. We have decorated the windows with squirrels. The younger pupils made flower pots and planted a paper flower in them in art last week. In music we have heard the story and also the recording of the "Nutcracker Suite" by Tchaikowsky. We have studied several other composers and heard some of their music on records. Major scales is the work we are now on in music theory. In science the third, fourth and fifth graders have completed a unit on "Air." The lower grades have been concentrating on the subject of "Plants and Animals Which Grow." In fifth grade geography the section on the central states has been begun. District 55 (Mrs. Leonard Jones, teacher) The third graders are studying their multiplication and division of 3's and 4's. The fifth grade arithmetic are studying fractions and mixed numbers. In geography they are studying the southern states. Lela Kay Hamilton treated all on her birthday. She was presented with a gift from her teacher. A valentine party was enjoyed by all. Valentines were exchanged, games were played and refreshments were served. Six dollars and fifty cents was given to the March of Dimes. The fourth grade are studying their Roman numerals. Second team honors went to Robinson of Hartington; Duane Seitz, Carroll; Robert Ditman, Winside; B. Bernet, Randolph; Ronald Graf, Belden. Gold basketballs were awarded to the members of the all-star team.

trip could not be depended upon to be in the same place the next. The ever-shifting condition of the channel presented new problems on every excursion. As an early Sioux City editor wrote, "Of all the variable things in creation the most uncertain are the action of the river, the state of woman's mind, and the condition of the Missouri jury." The shifting sandbars provided a particularly ominous threat to river navigation. The pilot avoided them wherever possible. All to frequently however, that was impossible and the pilot had to get the boat across as best he could. With luck and skill he could jump or "grasshopper" the boat over the bar. Occasionally, though, the craft would become mired so deeply that his only recourse was to strike a large one head-on and drag the boat from its moorings by sheer human force. Now and then even the passengers had to man the tow-lines. Particularly dangerous were fallen trees lodged in the channel. To strike a large one head-on meant certain disaster because the fringes of the river steamers were easily pierced. It is little wonder, then, that a pilot skilled and responsible enough to guide a boat along the Missouri command a high salary and a high standing on the river. After all, men's lives as well as their property were entrusted to his care. When Nebraska was admitted to the Union—just 82 years ago this month—there was no opportunity of a constitution adopted in 1866. This anniversary period seems like a good occasion for examining that early document. The citizens of Nebraska territory were far from agreed that it was to pass a majority of the people. Aside from political considerations, there was a general fear that a state government would cost more than the people could afford. Those who favored statehood realized that if their proposition were to pass a majority of the people would have to be convinced that a state government could be operated cheaply and without an undue burden on the taxpayer. The constitution of 1866 was drawn expressly to guarantee that kind of government, and with the thought given to other considerations. Illustrative of the spirit of the document were the salaries provided for state officers. The governor was to be paid \$1,000 a year; the secretary of state, \$600; the state treasurer, \$400; and the auditor, \$800. The constitution was drafted in haste and adopted by the people after very little consideration. It was drawn, not by a constitutional convention, but by the legislature. So quickly was it adopted that it was signed by the governor only five days after it was introduced. Indeed, there was a great deal of complaint regarding the manner in which the document was pushed through the legislature. No amendments were permitted. The new house held no committee hearings whatever on it, and the members of neither house had printed copies for study. It is little wonder, then, that the instrument was hardly adopted before a clamor arose for a new constitution. A convention met in 1871, but the voters rejected the document submitted by that body. The need for a new constitution was so apparent, however, that another convention was convened in 1875. The work of this body was approved by the voters. The constitution of 1875 has undergone numerous amendments, although it still is the basic law of the state of Nebraska. An optician is one who makes or sells optical instruments.

GOP Plans for Founders' Day Lincoln. "Founders' day, annual act-to-address the republican party, will be held here March 29," it was announced by S. E. Torgensen, Kimball, president. It will be the 14th anniversary of the affair which was first held in 1936. Congressman Walter Judd of Minnesota, Mrs. Karl Mundt, wife of the South Dakota congressman, and Mrs. Roy Priest, national committeewoman from Utah, will be the speakers for the day-long affair to be held at the Lincoln hotel. Senator Hugh Butler, Senator Kenneth Wherry and Congressman Carl Curtis, A. L. Miller and Karl Stefan are all expected to be present. AT A NOON luncheon for the women, Mrs. Mundt and Mrs. Priest will speak. Members of the Nebraska Republican delegation in Washington who are present, along with Governor Val Peterson, will address the men's luncheon. Congressman Judd, well known to many Nebraskans, will address the evening meeting. Mrs. Priest is secretary of the Western State GOP conference which is made up of states west of the Mississippi river. She is one of the 15 members of the policy committee for the republican national committee. This year's observance of Founders' day is expected to attract more attention than those of the past because the state central committee will meet the preceding day. PARTY WORKERS are expected to be given an opportunity of appearing before the committee to express their views as to what steps should be taken to increase the party's national strength. The situation in Nebraska will also be discussed. The central committee is also expected to give its chairman, A. T. Howard, Scottsbluff, a vote of confidence. Howard has been attacked by some members of the party on the grounds his leadership does not reflect the views of the majority of the party members.

was introduced by Senator John H. Hays of Grand Island and a protective amendment by Senator John Adams of Omaha. The lower penalties, introduced by Senator Willard W. Olson of Lincoln, reduce the monetary limit of the minimum fine to \$100 and the minimum jail sentence to the first offense. Under the new law, however, other provisions remain as before. The bill also provides for a minimum fine of \$100 and a maximum fine of \$1,000. PROPOSERS of the bill, the important thing was the conviction of a driver on the amount of money found in the pockets of the driver. The Safety Council opposed the passing of the bill, fearing that the amendment was passed on the floor of the senate during the debate. Lincoln Legalized chemical tests for the drinking driver have jumped the first hurdle in the Nebraska legislature on its way for complete passage into law. The bill, which was debated on the floor of the senate on three occasions, has been amended to include lower penalties, certification of the testors by the department of health, and a clause to disallow a presumption of guilt to be made against a driver who refused to take the tests. The bill, introduced by Senators R. W. Hill of Hebron and Dwight Burney of Hartington, was sponsored by the Nebraska State Safety Council. IT SETS UP the test results which will be considered not under the influence, on the borderline, and under the influence. The certification of testors amendment

OUT OF OLD NEBRASKA

by JAMES C. OLSON, Superintendent STATE HISTORICAL SOCIETY The fame of Mark Twain's Mississippi River steamboat pilots has tended to obscure somewhat the usually exciting exploits of their counterparts on the Missouri. Indeed, in many respects, the job of a pilot on the Missouri was more dangerous and called for greater skill and judgment than did the same work on the Father of Waters. For the muddy Missouri, tumbling past eastern Nebraska, was as changeable as it was treacherous. Snags and sandbars met on one

**Harold Parr Marries**  
Donna Hayman at Ohio Church Service

Miss Donna Hayman, daughter of Mr. and Mrs. Earl A. Hayman of Fullerton, Ohio, exchanged marriage vows with Harold Parr Sunday afternoon at the Fullerton Methodist church in the presence of nearly 400 friends and relatives. Rev. Carl Wickham read the double-ring service. The bridegroom is the son of Mr. and Mrs. Henry Arrp of Wayne, who went to Fullerton for the wedding.

A large basket of gladioli centered the altar which was flanked by palms and ferns. Glen Sheridan, pianist, and Ted Hayman, brother of the bride, presented music preceding the service. The bride was attired in a gown of bright satin hand-made by her aunt. Her tiara was fashioned of orange blossoms and held a veil with old lace trim. She wore cameo earrings and necklace, and carried rosesuds on a white Bible. Mrs. Jack Green, officiating, the bride was mation of honor. She wore a gown of pale yellow taffeta with matching braided tiara. She carried a colonial bouquet.

The flower girl was Lorna Jane Green, niece of the bride, who wore a pale green and is a member of the gown. She wore a matching braided tiara and carried a small colonial bouquet. Jack Green was best man and ushers were Richard Harc, uncle of the bride, and Clifford Hayman, her brother.

A reception for the families was held in the church parlors following the service.

When the couple left for a wedding trip, the bride was wearing a tan and brown suit with harmonizing accessories and a corsage of pink rosesuds. They plan to visit the Arps in Wayne sometime this week. The bride attended Last high school. The bridegroom is a graduate of the Nebraska School for the Blind and is a member of the American Radio Relay league. He was one of four final winners on the 1948 Horace Heidt nationwide talent show and is now a member of a Heidt entertaining unit. Mrs. Parr plans to travel with her husband.

RURAL SCHOOLS

District 85 (Betty Jensen, teacher) Bad weather has made attendance very irregular. But due to this a few stayed up on top with the honor roll. They were as follows: Deane Janke, Mardelle Meier, Marilyn Renter, and Norris Janke.

District 66 (Mrs. Alden Dunklau, teacher) All pupils were back in school this month after many absences the two preceding months. Rhythm band instruments were bought with program money. Pupil and teacher restated the black board during noons on stormy days last week.

Donna Mae Holt were on the entertainment committee. Darrell and Jacquelyn Hanson and Gary Grangquist brought refreshments. Roger Johnson also brought decorated cup cakes.

District 29 (Bonnie West, teacher) We regret losing two of our pupils, Ronald and Jere Milliken. They moved March 1. A surprise party was given for them by the teacher and pupils. Each was presented with a gift.

District 25 (Joyce Tarnow, teacher) "My Friend Flicka" is being read for opening exercises. Lila Bird and Marsha Mayberry edited our school paper this month. A farewell party was held for Judy Glessman who is moving to another school.

District 42 (Marilyn Claussen, teacher) Herbert Bapelman, Marcele Bapelman, Eleanor Mae Brudigan, Larry Kramer, Gary Lund, Nancy Turner, Gayle Utecht and Wayne Kramer had perfect attendance this month.

District 40 (Alice Brummond, teacher) A new spelling contest featured this month. Cherry trees were drawn for each one. Everytime a 100 was received that person added a cherry to his tree.

District 54 (Mrs. Lila Junck, teacher) School has been closed one and a half days this month due to bad weather. Mary Jenkins has begun number combinations in arithmetic.

with a lunch of ice cream and cookies. Miss Tarnow received several boxes of candy and a hankie. Our school room has been decorated with Washington and Lincoln silhouettes and valentine posters.

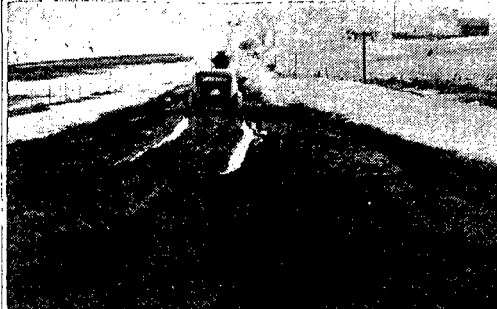

District 86 (Esther Buchter, teacher) Those having perfect attendance this month are Dale Nurnberg, Darrell Neitzke, Leon Neitzke, Ruth Nurnberg, Gene Nurnberg and Warren Kennedy.

District 51 (Mrs. Lila Junck, teacher) School has been closed one and a half days this month due to bad weather. Mary Jenkins has begun number combinations in arithmetic.

When There's Mud, Look for Odd Vehicles

When Wayne county roads are like this, as many of them are during thawing weather

farmers come to town with every conceivable sort of rig, many of them dating back to bygone days when fancy horse-drawn carriages were the best mode of transportation.

Christmas vacation was from Dec. 24 until Jan. 3.

District 40 (Alice Brummond, teacher) A new spelling contest featured this month. Cherry trees were drawn for each one. Everytime a 100 was received that person added a cherry to his tree.

birthdays were discussed during club meetings. Our next club meeting to cover Nebraska Day, March 1.

A valentine party was held and treats were given. King and Queen of Hearts were chosen to pass out the valentines. They were Dennis Janke and Beverly Milliken.

Pupils and teacher are grateful to the Wayne bulldozer crew who cleared the driveway on the school ground.

Library books read this month for opening exercises were "Pollyanna" by Porter, and "Bambi" by Saiten. Our next book is "General Grant," his autobiography.

District 72 (Mrs. W. E. Hanson, teacher) A valentine party was held Feb. 14. We played games and exchanged valentines.

School was closed seven days this month when the teacher had the mumps. Several days have been missed because of the weather.

Jure Gay Dunklau has started a new first grade reader. Howard Dowling is leaving us the first of the month and will attend school in Cedar county.

We are reading Hans Brikper for opening exercises. The eighth grade is busy reviewing for the spring tests.

District 73 (Pearl Ann Grieser, teacher) Attendance averaged about 50% this month because of bad roads and weather.

Washington's and Lincoln's birthday were observed and appropriate posters were made. The agriculture class is working on maps of Nebraska.

Transportation posters are being constructed in third grade social studies. The fifth grade has finished the north central states and have made maps and written reports.

The first grade alphabet booklets are nearly completed. Drawings in the fifth and sixth health classes have been completed and covers were made for their booklets.

was too bad to be outdoors. Skating and the swings are the chief interest when we can go out.

District 56 (Mrs. Betty Lou Morris, teacher) Those having perfect attendance during February are: Kenneth and Cecille Nettleton and Richard Jordan. Several were absent because of mumps and colds.

The following have an average of 90 or above for the four weeks: Donald Liedman, Judy Owens, Kenneth Nettleton and Richard Sloan.

Sixth grade social studies class is studying China.

Fifth grade is to begin the study of Canada. Lincoln's and Washington's life stories were reviewed in language periods and stories were told about them.

We were sorry to have Mary Jo

and Janet Hupp leave us on Feb. 22. They have moved to Norfolk and will attend school there. Our enrollment is now nine.

Pupils and teacher exchanged valentines. "Watch, Shephard of the Range" is being read for opening exercises. Some new games and library books have been purchased.

Donald Liedman won the spelling contest which lasted 10 weeks. He missed one of having 100.

Pictures of Washington and Lincoln were made during art period.

To Observe Anniversary Mr. and Mrs. Otto Heithold will celebrate their silver wedding anniversary Monday, March 21 with an open house in the evening for all relatives and friends.

Announcing Two Important Improvements For Wayne

The Wayne Creamery is determined to give the people of Wayne the best in dairy products . . . with this in mind we have made two additions to our operations to give you milk of Superior Quality.

1. Installation of a Clarifier

This new clarifier takes all sediment and foreign matter out of the milk, leaving it absolutely clean. All of our milk is clarified.

2. Addition of Vitamin D.

We are adding Vitamin D to our homogenized milk in the amount that the public health department specifies.

Try our rich Homogenized milk that has all the cream left in the milk and is evenly distributed in it. Our Homogenized milk has the same butterfat content as our pasteurized milk . . . We aim to keep it at 3.6% butterfat.

With these two additions . . . Clarifier, Vitamin D . . . with daily (except Sunday) delivery . . . priced at a fair price . . . we ask you to give us a try.

Pasteurized Milk, 17c Vitamin D Homogenized Milk, 18c

Wayne Creamery

"Your Locally Owned and Operated Creamery"

You Don't Guess with Milk in Glass. You Know!

You'll want to see what you are buying . . . that's why you'll insist on milk in transparent glass bottles. Also, milk pours easier from a glass bottle.

## Ideas Always Welcome

Most Nebraskans offer little opposition to a long-time better roads program, but not all Nebraskans are in favor of paying for it. Or perhaps, it would be more correct to say that they oppose some of the methods proposed to raise the needed revenue.

Bitter opposition has developed from some groups over the proposal to boost highway revenue by increasing the state-gasoline tax one cent per gallon, and by increasing motor vehicle registration fees.

Nobody cares to see taxes increased, but it is our firm conviction that Nebraska won't get "out of the mud" unless more funds are made available. This money must come from somewhere, and that means either an increase in certain existing taxes, or the imposition of new taxes.

The problem facing the legislature is a stiff one. Since better roads are demanded, it must find the money to carry out a highway program. Groups and individuals opposing the proposed gasoline tax and registration fee increases may have very good reasons for their opposition, but they must not be content merely with fighting the proposals. If they have better suggestions as to how the money should be raised, let them come forward with their program.

The legislature probably would welcome any help that can be given.

## When You're Counting Costs—

If Nebraska's business index has shown a general decline the past two months, one of the big reasons undoubtedly is the condition of the roads. For many weeks, roads in a large area of the state were solidly blocked with snow; now the same people who were snowbound are mudbound.

If you can get near them, look at most any rural road in the blizzard area. These roads, or "trails," are utterly impassable—and some state highways are in little better condition. When farm families can't visit their favorite towns and cities, a drop in business is inevitable.

Roads have a tremendous effect on the economy of the entire state. Failure to do something about the roads may cost the people of Nebraska far more than would be spent on the roads themselves.

## Wrong Time to Strike

The latest "strike" of the coal miners called by John L. Lewis may have been more ill-timed than the powerful mine leader realized when he directed the miners to stop work for two weeks.

Congress, you know, has been considering repeal of the Taft-Hartley act, a restrictive labor measure passed by the 80th congress despite bitter opposition from labor. Since President Truman based part of his campaign on a denunciation of the Taft-Hartley law, it has been taken for granted that his election could be construed as a popular demand for thorough revision, or outright repeal, of the law.

But now that Lewis has chosen to take his miners out of work again (with little apparent reason), will congress be as likely to pull the teeth out of the Taft-Hartley act? This was not the time to call a work stoppage—not while congress seemed ready to work out a less stringent labor law. It is to be hoped that our legislators will carefully consider the latest act of Mr. Lewis, who plays fast and loose with the welfare of the nation whenever he sees fit, before it decides to wipe out the Taft-Hartley law.

## 'Funny' Story

Davis County (Ia.) Republican: Funniest story of the year undoubtedly will be the joke being played on the state of New York by 1,500 persons who are drawing unemployment benefits from that state while basking in the Florida sunshine.

In other words, the people of New York are paying for the Florida vacations of that 1,500. The people of New York are sticking it out in the winter weather while the beneficiaries of their generosity (enforced by law) are enjoying themselves in the Florida sunshine.

Can anyone think of anything more ridiculous?

One of these days the world is going to be forced to return to the somewhat old-fashioned idea that we must WORK our way out of difficulties and earn our daily bread by the sweat of our brow. Down through the years, a number of substitutes have been offered, but all of them have proved to be failures.

## An Important Report

Sioux City Journal: Every citizen of the United States should take a keen interest in affairs of the treasury department for almost everyone contributes to its upkeep when tax paying time rolls around. It is to be hoped that the Hoover commission's report will win the support of congress and President Truman and not go the way of so many well-meant investigations of the past. Economies here and there in government easily could lighten the tax burden, but only as a roused public opinion can force the hands of the politicians and bureaucrats presently riding herd on our federal operations.

## IN BOOKLAND

by—  
Mrs. F. A. Mildner  
City Librarian

A VERY GREAT HONOR has come to me this week and I know that my work in the library won't be the title of First Lady of Wayne. Nothing like this has happened in my life has given me a greater boost in morale. Anyone who does a library will appreciate what I mean because one goes into the work knowing full well that as a general rule it is rarely noticed and seldom appreciated. You place yourself in a position where you are a part of an institution. Your duty is to serve the public and a great deal of that service is taken for granted. You do not expect it any more than does a doctor—you are simply there to make the library work. Perhaps that is one of the reasons why some people avoid the work. They feel that they are stuck away among the books while the stream of life goes flowing past them. Those of us who do the work know that the rewards are great, but just how great they could be never dawned upon me until this week. I am very humble and very proud. Yes, I am gratified too, for now I know that the people of Wayne really are interested in their library or they wouldn't have noticed me, as I am just a part of the place, although perhaps the part that makes the wheels go round.

RAISING A FAMILY are you? Having any problems? Who doesn't when they raise a family you may ask. Read the book "Just and Durable Parents" by James Lee Ellenwood. It is humorous but helpful and in it he discusses such things as the puzzle of personnel, democracy, education, fun and ideals at home. He ends up by admitting that homes are never easy. The author has the light touch but some

very sound ideas. It is a book you can't help but enjoy and one from which you are bound to extract some food for thought.

"UNDERSTANDING RADIO," by Eby is a very technical book and my limited knowledge of radio prohibits me from passing judgment on its worth. I am looking for it and usually get the program I'm seeking for but I cannot always guarantee that so I had to take the salesman's word that this was a complete book on radio for anyone who wanted to know all about them. It looks sufficiently complicated to do the job but you can check it out if you are interested and evaluate it for yourself.

### VFW and Auxiliary Elect New Officers

The VFW post and the VFW auxiliary elected new officers last week at a high school meeting. H. Myers was named commander of the VFW succeeding Dallas Geu. Leonard Wolff was elected senior vice commander; Ted Huettmann, junior vice commander; Dean Humphreys, chaplain; Louis Svoboda, quartermaster; Rocky Casper, Don Heyne, Don Feller, Archie Johnson and Burdette Hanson, board of directors; Jack Knieply, judge. The group made plans for a party for contributors to the VFW building fund. Mrs. Lucie Gabelman was named president of the auxiliary. Mrs. Virginia Nicola was elected senior vice president; Mrs. Avis Dewitz, junior vice president; Mrs. Leona Holland, treasurer; Mrs. Ann Mulford, concertress; Mrs. Emma Tainter, chaplain and Mrs. Lucille Schultz, guard.

### Local Declamatory Winners Selected

The local declamatory contest was held at the high school auditorium Monday evening. Winners will represent the school at the district contest in Wayne later this month. # Prof. Wait Tells Of Visual Aids

Wayne Woman's club, meeting Friday in the club rooms, heard Prof. Clifford Wait of Wayne State college faculty, explain how the visual education program brings the world into the classroom.

University of Nebraska, part of the educational enrichment program of the state, is becoming widely known in the field of education. Other projects sponsored in the training program include health, correspondence study and traveling art galleries. Thirty schools, among them Wayne high and Wayne prep, are testing the use of films in the education of youth. Results show that in most cases the classes using films as supplemental material gained more than those not having

teachers instructing a class about wheat farming. Wait was introduced by Mrs. M. B. Childs. VONA LOU WILSON and Cleone Heine, accompanied by Jacqueline Curtis, sang. Miss Wilson's number was "Romance," by Romberg, and she and Miss Heine sang "Sympathy" from "The Firefly." Mrs. Russell Anderson presented the musicians. The club voted to join the "Build a Better Community" contest being

### Know Your Faculty

Mrs. M. B. Street, Mrs. V. P. Morrey and Mrs. V. A. Senter were chosen on the nominating committee. New officers will be elected next time.

MRS. A. J. KIRWAN was serving chairman. She was assisted by Mrs. W. A. Wollenshaft, Mrs. A. C. Norton, Mrs. Otto Olson, Mrs. W. H. Phillips, Mrs. Walter Phipps, Mrs. William Sharer, Lettie Scott, Mrs. W. B. Vail, Mrs. Mae Young and Mrs. M. N. Foster.

The next meeting is changed from March 25 to April 1, when John Kyl will speak on "Youth Problems of Today." Mrs. A. J. Lynch will be serving chairman.

Jessie Boyce, head of the mathematics division. A slight retention of her southern drawl gave Mrs. Woodriddle away as she told of teaching in Kentucky and Louisiana before coming to Wayne.

IN DISCUSSING the backwardness of education in certain sections of the country, Mrs. Woodriddle explained that the Louisiana teaching system has certain advantages over the northern states.

A common misconception is that of a low salary scale in southern schools. At the present time, the length of time one continues in the same position with an increase comparable to length of time one teaches. Tenure of position is a state law which Nebraska does not have at the present time, but which most southern states have installed as a protective measure for teachers.

"WE WOULD BE educationally better off by broadening our tax base," Mrs. Woodriddle stated, and explained how this system is being carried on successfully in Louisiana and the advantages thereof.

Instructing 11 months out of 12 leaves scant time for Mrs. Woodriddle to give vent to her hobby of fishing, but she does manage to get in an occasional weekend of angling during good weather.

A summation of experiences in Wayne show Mrs. Woodriddle a busy woman with a large job and a commendable perspective of things to come.

Wayne city school was the first recipient of her efforts in instructing in the fundamentals and intricacies of English.

IN 1946 Wayne State Teachers college claimed Mrs. Woodriddle for the English department. After serving a year in this capacity, she assumed the duties of mathematics instructor in conjunction with

# Wayne Prep Driver Students Learn Sportsmanship's Value

"Sportsmanlike Driving" is the name of the driver education course open to all students 15 or more years of age. Many Wayne prep students have signed up for the course. An anticipation for the day when they shall receive the drivers' certificate.

The driving course stresses the importance of sportsmanlike driving for the protection of the pedestrian, and also the driver. This course deals with the individual, both as a driver and as a pedestrian. It provides an understanding of what the job of a driver is and of the importance of building sound traffic habits. It demonstrates how the "human element" affects driving and walking and how one may correct or compensate for deficiencies.

The course shows a step-by-step procedure for driving a car. It presents the essential facts about what makes the car run, what the various gauges and devices are, and how the engine produces power. Edgar Lee is the class instructor, and Tony Netherland is the supervisor.

MEMBERS of the journalism class observed the preparation for the printing of The Wayne Herald Tuesday, March 8.

The operation of the linotype machines was explained by the operators. Mr. Schwartz explained how the advertisements were prepared with the use of molds into which hot lead is poured.

Although the students were unable to see the actual printing of the papers, Mr. Schwartz explained the various operations which the press performs, including the printing, cutting, and folding of newspapers.

The class was accompanied by the student teacher, Duane Dorr, and supervisor, Laura Franklin.

HOME ECONOMICS 2 girls saw the film, "The Way to a Man's Heart," Wednesday, March 9.

This film showed what foods are needed for healthful living. It also showed many important steps in broiling and roasting meat. It showed that meat cooked at a low temperature loses only half as much weight and juice as meat cooked at a higher temperature.

This film was important to the class, Miss Wood said, because they are studying food preparation and table service.

FIVE NEW BOOKS of interest and value have been added to the Wayne prep library. These books range from the 1949 World Almanac to Jim Corbett's book of his experiences with the man-eating tigers of Kumaon.

"Look at America: the Midwest," written by the editors of Look magazine in collaboration with Louis Bromfield, should be of particular interest to all students at Prep. This book is the fourth of a series of regional guidebooks of America, and offers a graphic presentation of both well-known and unfamiliar facts about this region.

To read "Johnny Tyerman" by Esther Forbes, is to live through two dramatic years of our country's history during the Revolutionary war and to see these great events through the eyes of an observant boy.

Donald Culross Peattie, America is not an abstract idea; it is a living body of actual experience. What actually happened in early America and the story of the men who helped to make us what we are is the theme of "Journey into America."

THE WAYNE PREP annual staff and their advisor, Laura Franklin, will be able to relax a little now. The last nine pages of the annual have been prepared and were sent to the publishing company the last part of last week. The

senior play page and the basketball page were among those sent in broiling and roasting meat. It showed that meat cooked at a low temperature loses only half as much weight and juice as meat cooked at a higher temperature.

Also included were three pages of snapshots. These are a special feature this year, as there usually has been only one snapshot page in each annual in previous years. This completes all work on the annuals until May, when they will be assembled and distributed.

THE WORLD geography class of the campus high has been studying that phase of geography known as "Conservation of Natural Resources."

Three movies covering this study were shown last Monday, March 7. Two other movies pertaining to the same subject were shown to the class Thursday, March 10.

Maps locating the climatic regions, the chief rivers, and the important industrial cities were made by each pupil.

Bert Wayt and Stanley Samuelson are the practice teachers under the supervision of Arthur Looby.

THE JUNIOR class at Wayne prep was in charge on concessions at the class C play-off game held at the college auditorium Wednesday, March 9. Popcorn, pop, crackerjack and ice cream bars were sold. With the exception of pop, everything sold out. The profit of the selling is to go into the junior class treasury to help pay for the junior-senior banquet in the spring.

"Adventure Days" was the name of the film seen by Frances Phillips' American history class Wednesday, March 9, in the projection room. This film emphasized the dependence of people upon newspapers. Student teacher is Opal Witt.

"CONQUEST" was the movie shown to world history class on Wednesday, March 9, in relation to their study of Napoleon.

This film is a character study of Napoleon, according to Mr. Wait, rather than a detailed study of his career. Napoleon's life was filled with hate, love, despondency, loneliness, and above all, the dream of a "United States of Europe."

According to Mr. Wait, Napoleon's one ambition was to crush Great Britain, his hated rival of the seas.

In the opening scene Napoleon is introduced at a reception held in Moscow in 1806. The film shows the victories of Napoleon, something of his married life, his desire to build a United Europe for his son to rule, his imprisonment on Elba followed by his spectacular return to power, and his final imprisonment on St. Helena.

"THE HOUSE of Rothschild" was the movie shown to the 10th grade world history class Friday, March 11.

This movie is about the banking concern started by a Jewish family with five sons. These sons went out to Europe to set up branches of the main bank, which is in London. These banks were established to loan money, not for war, but for peace. Banks were set up in Frankfurt, Paris, Vienna and Naples.

"The House of Rothschild" showed the class how the banking system played a part in the Napoleonic wars, which they are studying now.

SIXTH GRADE—The college class in upper elementary observation and methods observe the geography lesson last Thursday afternoon.

Last Monday afternoon the film "Children of Holland" was used to supplement the student's study of Holland.

The history of the sequoia trees was an interesting part of the science study about the rise of modern plants.

FOURTH GRADE—A film used in geography period has stimulated a great deal of interest in map making. Films were also used in health and reading classes. Each student teacher is now able to operate the projector.

Fourth grade enjoyed being guests of the kindergarten as they presented work of a circus unit. A song was written about the bal-

# Wayne Girls Visit Midland College

Fremont — Four Wayne high school students were among some 200 from Kansas and Nebraska who recently visited Midland college here on Senior day, an occasion intended to familiarize high school seniors with college life at Midland. Left to right above are Dorothy Allvin, Joann Wert, Lila Dorman and Donna Baier. Rev. J. H. M. Shier, who accompanied them, is not pictured. The day's activities included an inspection of the college, a sightseeing tour of Fremont, dinner at the College Commons, a quiz program, square dancing and a play, "Peer Gynt."

loons which were received as favors. Letters were written to Kenneth Temporo who was absent several days.

Reading drill tests with standardized ratings show that the ability of the class is high, with all making progress.

SECOND GRADE—Helen Hasebrook is back in school after being ill for a week.

Tuesday the children saw a film called, "I Never Catch Cold."

The kindergarten invited the second grade to their circus which was presented Friday morning.

FIRST GRADE—Donna Jean Hughes, Donovan Walter, Steve Temporo and Danny Beeman had perfect test scores for "Round About" readers.

We have been drawing birds in art. The robin and woodpecker seemed to be quite easy to draw. Spelling and writing have improved. Nearly everyone has had perfect papers for the last few weeks.

KINDERGARTEN — Kindergarten pupils had fun entertaining their mothers when they gave a program which completed their circus unit.

They have completed their circus booklets and can read them.

# Wayne High School Reveals Honor Roll for Fourth Period

The honor roll for the fourth six-week period, has been announced as follows: Dwayne Atkins, Billie Benthack, Donald Draghu, Bob Carhart, Phyllis Foster, Daisy Lee Nelson, and Fauneil Palmer, 1.0; Dick Baller, Rosalyn Ellis, Joan Grimmer, Billie Leonard, David Meyer, Claire Simmerman and Derelea Woods, 1.25; Charlotte Brindley, Donna Day, Robert Foote, Vivian Hofeldt, Nadine Lage, Shirley Maben, Shirley Pinkelman, Leroy Schulz, Bob Smith, Faye Vahlkamp and Joann Wert, 1.5.

Joan Beckenhauer, Alice Benthack, Harold Corzine, Joanne Damme, Howard Hoeseman, Janet Larsen, Kenneth Lipp, Betty Mohlfeld, Joann Nelson, Bonita Sorenson, Lois May Spahr, Gladys Temme, Don Tietgen and Lois Wieland, 1.75.

Donna Baier, Dick Canning, Phyllis Debus, Janis Derry, Bonnie Foote, Robert Goshorn, Twila Heiler, Lois Hendrickson, Mary Ann Hoeman, Vernon Hollman, Joanne Kabisch, Marie Kalkofen, Victor Kniesche, Don Koilmorgen, Bobbie Milkik, Maxine Nelson, Heinz Otto, Marlene Sackman, Tommie Skeahan and Margaret Swinney, 2.0.

AT A SPECIAL candlelight service Wednesday, March 9, six new members were initiated into the National Honor society. There is no higher honor given to a high school student than admission into this society. A committee of three faculty members selected students who they felt were worthy of membership in the organization.

The new members are Lois May Spahr, Donna Day, and Claire Simmerman, seniors and Shirley Maben, Fern Mohr and Lanita Woods, juniors. Other members are: Dick Baller, Fauneil Palmer and Phyllis Foster, who were admitted into the society in 1948.

An alumni member, Cleone Heine, spoke. Mothers of the initiates were invited to attend the ceremony.

EIGHTH GRADE—The eighth grade enjoyed characterizing the play, "Spreading the News," in reading class. They also wrote original poems this week.

SEVENTH GRADE—Larry Eubberstedt celebrated his birthday by treating his classmates to candy bars.

The reading class has been memorizing "The American Creed" and studying "The Man Without A Country."

Charles Messerschmidt, Paul Koplin and Larry Eubberstedt are learning how to carve candy dishes from wood.

Perfect scores in the weekly spelling test, were made by Gloria Ahlers, Bob Baller, Jerry Korf, Charlie Messerschmidt, Joan Pawelski, Wilma Temme and Ruth Weseloh.

SIXTH GRADE—Sixth grade had pictures taken for the school annual.

The class enjoyed the picture show given about the circus.

Gary Golay showed the class an

interesting picture sent from Fochow, China. This picture was carved from cork and assembled to show a Chinese temple, trees and bushes. Tiny boats were mounted on the small lake. The background was done in blue water color. The intricate design showed skill and painstaking effort.

Perfect scores in spelling weekly mastery test were earned by Deilia Gilbert, Jim Marsh, Nancy McMullen, Norriene Olson, Steve Pawelski, Gloria Pfeil, Donna Reibold, Leland Reibold, Helen Shuffelt, Bob Sackman, Billy Jim Wagner and LaVonne Nickols.

SECOND GRADE—The second grade enjoyed a 35-minute circus film Monday morning.

Mrs. O. K. Brandstetter visited our room Thursday morning.

Attendance has been quite normal this week after four weeks of very irregular attendance due to sickness.

We learned "The Wind," by Robert Louis Stevenson, in language and are now making a poem booklet.

FIRST GRADE—We celebrated another birthday this week. Lionel Lester was 7 years old last Tuesday, March 8, and his mother and little brother, Danny, brought treats for everyone in the room. Lionel and Danny also dressed up in their new cowboy outfits to show how well-dressed cowboys

look. The first grade has been rather small again. We've missed five of our boys and girls all week.

Miss Britzmann made a large calendar of the month of March and everyday we record the weather and the daily temperature on our own calendar, in our workbooks, just like the big one on the bulletin board.

Monday morning we all had a surprise. We went down to the movie room and saw a movie on the circus parade.

We also did fingerpainting on Monday afternoon. It was lots of fun to use our hands for a brush. Some of the best paintings we are sending to the county fair.

In science we are reading about plants that live in water and plants that live in dirt. So we are each bringing a coffee can for a vase and a sweet potato to see how plants grow in a vase and then we will plant seeds in a dish and watch them grow.

KINDERGARTEN The Pintner-Cunningham tests were given this week in the kindergarten.

We have three new large animal pictures in our room. They are mounted on colored cardboard and are very colorful.

The kindergarten enjoyed two new record albums this week, "Pe Wee the Piccolo" and "Rusty in Orchestraville." These records help us recognize the instruments in the orchestra.

The kindergarten had their pictures taken for the school annual on Thursday.

## Wayne High Blue Devils Win Class B Tournament Last Week

(By Paul Einang)

Wayne high's Blue Devils pinched out a strong South Sioux City squad Friday, 37 to 34, in the finals of the district class B tournament, gaining a long awaited trip to Lincoln for the state playoffs.

The Blue Devils had been defeated previously by South Sioux in scheduled play, 37 to 34, but they were keyed up for this battle and turned in one of their best performances this season.

Black's first point free throw for South Sioux started a landslide of baskets from Wayne sharpshooters as Fisher, Tietgen and Dion hit 7 points before South Sioux again connected on Smith's short set up.

Meyer, Tietgen and Berry kept the net hot in the last half of the first period, while Jorgensen, Black, Smith and Magers sparked the opponents, leaving the count 17 to 9, Wayne, at the start of the second quarter.

Tietgen and Rohlf each made 3 in the half period to hold Wayne up. Counters by Black, Jorgensen, Magers and Smith put South Sioux only 4 points behind, 23 to 19, at intermission.

The lead dwindled to only 2 points in the third period, 28 to 26, with Black, Jorgensen, Magers and Smith leading the trailers, Tietgen, Dion and Rohlf furnished Wayne's points in this quarter.

The outlook was not too bright for Wayne at the start of the curtain quarter. Their 8 point first period lead had now dropped to 2 and things were not any brighter when Black eluded all would-be blockers to dribble under the basket for the tying score.

FISHER PUT Wayne out in front again with two swishers from the foul line. Tietgen's turn shot widened the lead 4 more. Black hit from the side and Dion came right back with a long field goal. Jorgensen collected two free throws for his side and then, with one and

a half minutes left in the game, Black bucketed a long field goal to tie it all up, 34 to 34. Tietgen was fouled shortly after but missed his free throw. Black took the ball, went into his corner, shot and made it. It looked like the end, but Jorgensen was detected fouling Rohlf on the play and the basket was nullified, giving new hope to Wayne fans. Rohlf missed his free throw, but Tietgen was fouled and he sank the winning point. Magers' close shot from the rim but did not go in as the game ended.

BLUE DEVILS edged out Stanton the night before, 31 to 30. Tietgen led the scoring in the first period with 8 points, sparking a Wayne basket spree. The first quarter ended 11 to 5, Wayne, and the halftime score 15 to 15 as Stanton slowly caught up in the second period.

Baskets by Robinson and Matheson nosed Stanton ahead, 23 to 22, after the half but Tietgen's 7 points and Rohlf's last free throw gave the Blue Devils a winning score just before the gun.

SOUTH SIOUX downed Bloomfield on the same night in an overtime period, 33 to 29. The first quarter ended in a 7-7 deadlock, with Prescott and Klatt leading Bloomfield, and Smith, Hanlon and Jorgensen leading South Sioux. Bloomfield slipped behind, 17 to 15, at halftime.

The third period ended in another deadlock, 24-24, and the last quarter also ended in a tie, 27-27, causing an overtime. Free throws by South Sioux gave them a winning lead in the extra period.

## Wakefield Trojans Whip West Point In Playoff Match

Playing last Wednesday at the Wayne college auditorium, the Wakefield Trojans trampled the West Point Cadets, 55 to 38, in the class C playoff, thus earning the right to enter the state tournament in Lincoln this week.

The Trojans will be out for a repeat performance in the state meet. Last year they won the state class C title, and also won it in 1944.

Harold Hyppie paced his team in the playoff game last week by sinking 21 points, while Anderson and Ring scored 11 and 10 respectively. Doner of West Point counted 16.

Box score follows: Wakefield (55): Hyppie 21, Anderson 11, Ring 10, Doner 16, Soderberg 8, Lueders 5, Lueders 1, Anderson 5, Pospisil 1, Jelinek 1. West Point (38): Joe Jerman 6, Jim Jerman 2, Howard 3, Hoelsing 0, Peatrowsky 0.

## Coach Don Meek Awards Letters To 11 Wildcats

Coach Don Meek, Wayne State basketball mentor, designated 11 of his Wildcat basketball squad members as letter winners for the 1948-49 hardwork campaign.

They are: Al Bahe, Wayne; Jack Baumert, Stanton; Gene Baumert, Stanton; Francis Hanson, Meeker; S. D. Vernon Harder, Anselon, Ia.; Layk Kapaska, Battle Creek, Ia.; Don Kane, Stanton; Lowell Koehn, Pierce; Bill Kropp, Stanton; Max Mossman, Inman; and George Sorenson, Bancroft.

Gus Hinrich, Pender, received the student manager's award. Vernon Harder, who has played guard for the Wildcat aggregations for the past three years, is the only senior.

Statistics for the season for individual players follow: J. Baumert, c, 80 70-107 230; Bahe, g-f, 53 24-43 130; Koehn, g-f, 51 26-62 128; Harder, g, 47 23-45 117; Kropp, f, 37 38-60 112; Kane, f, 30 21-34 61; Wayne aggregation, 35 to 22, in the first round of play.

SO ONCE AGAIN Wayne boys travel to Lincoln to pit their ability against the skill and ball knowledge of other strong contenders from over Nebraska.

Class D is handled differently because of the need to eliminate a greater number of teams before the state meet.

To do this, a district tournament is held, after which a regional round is played off to decide the entrant for the state tourney.

The Wayne campus high school came close to the state tournament several years in succession, but always lost in the district semifinals until 1941 when the team finally went to the state meet.

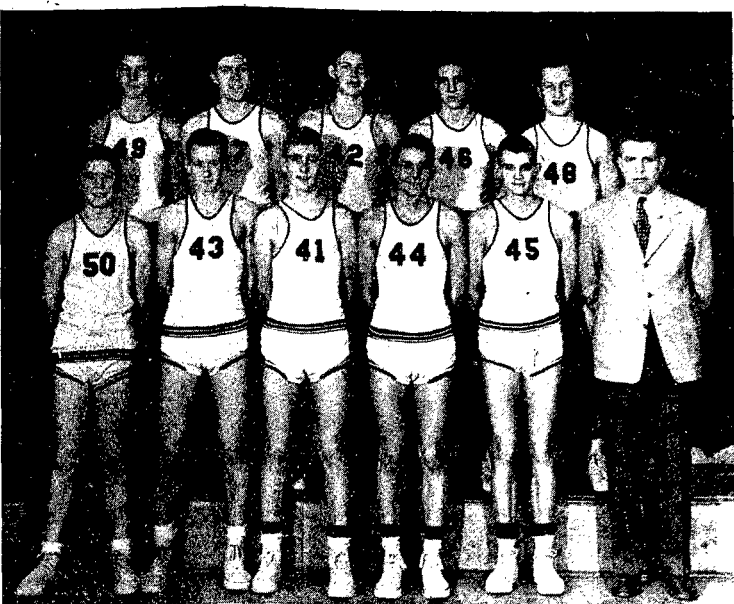

A CLOSE LOSS that year to St. Francis of Humphrey in the finals was the closest prep came to taking top billing. Performers in 1941 were Kenneth Whorlow, Donald Echtenkamp, Eddie Sprague, Dale Bloss, Robert Hughes, Max Gifford and Kenneth Echtenkamp.

Returning to Lincoln in 1946, prep lost in the semifinals. Team members included Bob Shively, Al Bahe, Bill Morrison, Earl Echtenkamp, Charles Surber, Jim Killion, Joel Gillespie, Dave Hamer and Dick Banister.

A RESUME of Wayne teams shows that in the past 10 years, Wayne has represented the state only in 1939, 1940, 1947 and 1948.

Commendation and encouragement should be given to coaches and teams and to the loyal support given these teams by Wayne boosters.

## Blue Devils in State Tournament Play Four Times During Past Seven Years

The Wayne high Blue Devils, who won the district tournament here last week, were scheduled to meet Gothenburg yesterday afternoon in the first round of the state tournament in Lincoln. Left to right in the picture are: (front row), David Meyer, Richard Berry, Reno Pfeil, Alan Cramer, Dick Dion, and Coach George Bailey; (back row), Jack Fisher, Bob Smith, Virgil Rohlf, Don Tietgen and Dick Baller.

Wayne might well be proud of the basketball ability of her high school students from the past to the present.

By entering a team in the state tournament in class B competition this year, a four out of seven record has been set. Other teams gaining state admission were those of 1942, 1944 and 1945, with the 1949 team now participating.

Wayne Prep also won its way to a try at state class D honors three times in the past 10 years with five district tournament wins in the same length of time.

AXEL BUNGARD coached a high school team to the state championship in 1942 with a decisive 26 to 19 win over Sidney in the finals.

Members of the championship team included Robert Murray, Jack Kessler, Bob Stull, Ray Murray, Willis Lessner and James Strahan. Duke Derry, Dick Gifford, Don Harvey and Rod Love.

Two years later Coach Rex Speece placed a winning Wayne high combination in Lincoln who were placed in the state finals by York, 25 to 18.

Don Kanzer, Dick Sund, Dick Sala, Delbert Jensen, Paul Powers, Bob Meyer and Jim Strahan made up the 1944 Wayne squad list.

A year later found Don Kanzer, Dick Sund, Dick Sala, Howard Sala, Darrell McPherran, Lowell Wayne and Lloyd Russell again returning to the state tournament, Holy Name of Omaha upset the Wayne aggregation, 35 to 22, in the first round of play.

John Sherlock, Wildcat Boxing Captain, will make his final bout before a home audience Friday night against Stan Sturenburg, class B Hastings welterweight. The fighting Irishman from Emerson, Neb., has been one of Wayne State's main stays in establishing a high reputation in the college boxing circles. John will earn his third letter in boxing at Wayne State this year and has fought regularly on the Wildcat squad in both the 145 and 155 lb. class.

John is a veteran and served in the Navy during the last World War, where he did considerable boxing. John is majoring in Commerce and Business and has a minor in physical education. His plans for the near future will be looking for a coaching and teaching position.

Wakefield Bowling Report: Wakefield Bowling results for last week's play follow: Women's League - Shmoob Gals won all 3 from VFV; Buzz Bees won 2 out of 3 from Nett's Nettles.

## Boxing Tourney Here Friday Eve

Mittmen from four colleges meet at Wayne this Friday night, March 18, as Wayne State boxers play host to the quadrangular invitational meet in Wayne city auditorium.

The invitational meet replaces the Nebraska college tourney held in Wayne the past two years. Weight divisions have been set up for bouts in the 120, 125, 130, 145, 155, 165 and 175 and heavy-weight with regular collegiate boxing rules to be followed throughout the tournament.

Preliminary matches will begin at 7:00 p.m., with finals commencing at 8:00 p.m.

Coach Don Emery's sluggers whetted their appetite for toady honors with last Saturday's seven-win over Hastings college last Saturday night, and have been preparing a strong offensive for the coming fray.

A team trophy will be awarded the college earning the most points, with individual winners receiving statuettes and runners-up a pair of golden gloves. Individual awards will be made in each weight division.

To date the Wildcat ring men have rung up victories over Wisconsin college of Lake Charles, La., Wisconsin State Superior, Wis., and two wins over the Hastings Bronco leather pushers. DePaul's rugged team took a win from the Wildcats in early season frays, when the Waynites traveled to Chicago for the meet.

Three hours of good entertainment is promised for fans this Friday night when the two Nebraska teams, and a Minnesota and an Iowa team clash for ring supremacy.

## New Plymouth on Display

Plymouth's new special deluxe is featured above. Brilliant new styling is combined with outstanding riding comfort, increased roominess, and sweeping mechanical improvements in the new line of Plymouth automobiles.

Completely redesigned, the new Plymouth has a longer wheelbase for a better ride and more road stability, but less front and rear overhang for easier parking and garaging. While the silhouette has been lowered and the width decreased, there is more head and leg room and seats are wider. Typical of Plymouth's many refinements is the ignition-garage combination, with which a turn of the key starts the engine.

The new Plymouths are sleek in appearance. New rear-end styling provides a graceful balance with the horizontal grille lines which emphasize the broadness of the front. Fenders which blend perfectly into body lines are nevertheless separate and detachable, thus avoiding sheet metal panels so costly to repair or replace.

The new Plymouth line includes nine distinct automobiles. Special deluxe and deluxe types are on a 118-inch wheelbase, one inch longer than last year's. Special deluxe models are: four-door sedan, club coupe, convertible club coupe and station wagon. In the deluxe group are the four-door sedan and the club coupe. In addition, Plymouth will build three deluxe models on a brand new 111-inch wheelbase, a two-door sedan, a three-passenger coupe, and a new body type, the Suburban.

The 97-horsepower engine has improved performance and efficiency with a new design cylinder head which increases compression ratio to 7 to 1. A new chrome plate compression piston ring reduces cylinder wear and provides greater protection during the break-in period. There are improved rings for greater oil economy, with a newly-designed intake manifold induces quicker, smoother engine warm-up and produces faster throttle response.

Body styling which produces greater passenger room without excessive bulk also increases visibility. V-type windshields have 37 percent more area and provide excellent vision without distortion. Windshield wipers clear 61.5 percent greater area and the rear window is 2 percent larger.

MRS. HAROLD GOSHORN

## Elmer Johnson Dies in Colorado

Mrs. Homer Harmer received word of the death of her brother, Elmer Johnson, 70, at Fort Collins, Colo., on Feb. 14. He was found in his apartment, badly burned and died in a hospital the same day.

Mr. Johnson farmed in South Dakota many years, retiring about 14 years ago, at which time he suffered a stroke. He lived for a couple of years with Homer Harmer before going to Ft. Collins.

Mrs. Harmer was in Mississippi at the time of his death and because of travel conditions at the time was unable to attend the funeral.

## Graduates from Air Force School

Aubrey A. Horn, youngest son of Phillip Horn of Carroll, graduated recently with the class of '49, from the U. S. Air Force Field School in Atlanta, Ga. He attended grade and high school in Allen and joined the navy when he was 17. After his return from navy duty, he took up flying at the Sioux City air base and then signed up permanently with the government.

He was sent first to Texas and later to the Air Force Academy where he received his diploma, finishing as a licensed pilot on a B-49.

He flew a group of 11 officials from Atlanta to Washington, D. C., for President Truman's inauguration, making the flight in three hours, and spent 10 days in the capital.

He is expected to return to a visit after which he will go to Washington, D. C., where he will be flight instructor in a U. S. Air Force school.

## Committee Seeks Red Cross Funds

The local Red Cross funds drive, conducted by Mrs. Clair Theophilus, has been hampered by the inability of the committee to solicit in the expected road conditions.

**Designed to Cut Delivery Costs**

# THE 'Jeep' PANEL Delivery

**'JEEP' ENGINE POWERED**  
104" WHEELBASE

**Willys-Overland Sets the Pace in the Panel Field**

**LESS 'DEADWEIGHT'** to cost you money every mile. The "Jeep" Delivery has a gross weight of 4,000 lbs. with rated payload of a half-ton. Think how that will cut your gasoline and oil bills—saves tires, too.

**BIG LOAD SPACE** in the sturdy all-steel body of the "Jeep" Delivery. Interior measures 117 inches from dash to rear doors, 58 3/4 inches at widest point, 48 3/4 inches floor to top. Comfortable driver's seat.

**CAN'T BEAT 4 CYLINDERS** for economy. The 63 h. p. "Jeep" Engine has the performance you need—but how it stretches gasoline mileage! And maintenance costs less with a 4-cylinder engine.

**PARKING'S NO PROBLEM** with the "Jeep" Delivery. Short turning radius and 104-in. wheelbase let you park easier in small curb space. Nimble and maneuverable in traffic to speed up delivery service.

**FUNCTIONAL DESIGN** gives the "Jeep" Panel Delivery distinctive style as well as practical efficiency. Note how the fenders give easy access to wheels... protected position of headlights... full-opening hood.

**LEVEL RIDE** is a big "Jeep" Delivery feature. Front wheels independently sprung to smooth out bumps and keep tires vertical. Easier riding for the driver... more protection for the cargo... longer wear from tires.
