Supt. Willert Cites Educational Goals At Kiwanis Meeting

Ability, personality, character—the development of these three traits form the main goal of our schools today. So said Supt. E. W. Willert of Wayne as he spoke to members of the Wayne Kiwanis club Monday.

He said we must first discover and develop the talents of our young people and then combine these abilities with a well-rounded personality. Finally, we must build character. "Keep the door open for ability."

Community-Wide Project Speaking of this triangular goal of education, Willert pointed out that education is a community-wide project.

Good health and a sense of humor are among the other elements necessary for a good education, he added.

Rosenbach is a disabled war veteran, having been burned by a steam explosion in a bake shop on board ship, Dallas Phillips was carrier on the route.

Doodads by The Dozen

When more and better doodads are doaded, Aldrich will use them. Lawrence E. Aldrich is the new freshman student at Wayne State college who drives a car that looks like a Christmas tree.

His 1934 Olds moves under the weight of close to 50 miscellaneous doodads. Attached inside and outside are shiny ornaments, reflectors, aerials, horns, mirrors, mud guards — and more useful and useless accessories than you can shake a stick at.

The collection causes quite a stir when parked downtown. A dazed spectator remarked Tuesday, "That stuff must be worth more than the car itself — I presume there's a car under there somewhere."

ATTENDANTS TO THE QUEEN

Three perky attendants for the Wayne State Homecoming queen who will reign for the northeastern Nebraska college's celebration on Saturday, Oct. 22, are these coeds. Left to right they are: June Ristow, freshman; Donna, sophom. and June, senior.

Guard Unit Recruits Eight

Wayne's National Guard unit has reported a gain of eight members since their recruiting drive started three weeks ago. The campaign here is a part of the national drive that is being publicized through newspapers this month.

At present the number of enlisted personnel stands at 49, with nine vacancies still existing. An added effort is being made by Capt. Robert Nelson and First Sergeant John Klupp, to gain the necessary number of new members.

General Guy Hemminger, announced that as soon as the overall total within a state has been fulfilled, the state quota would remain the same for that fiscal year. This means that each individual unit would be allowed only the number of men for the year that they had when quota was reached.

Two members recently discharged were Von Phillips and Robert Roberts who have moved to different locations. There is one transfer, Harvey Holcomb.

New replacements include: James Pond, Craig Junior Beckner, Wayne; Elton Greenwood, Wausa; Harry Swinney, Wayne; Theodore Rehnold, Wayne; Shirley Erickson, Dakota City; Bob Carson, Chgoke, Ia.; Don Reed, Norfolk.

The Guard's recruiting drive is scheduled to end Nov. 19, unless their quota is fulfilled before that date.

PICKER ALMOST TAKES A HAND

The first corn picker "hand" accident of the season to be reported to The Herald comes from this community near Wakefield.

Willard Hammer, 34, came through a mishap with all fingers saved, but four of them on his left hand were broken. Although he had turned off the power to remove a clogged stalk.

It wouldn't pull loose, so he started the power again to move the stalk. His hand was drawn in, and caught.

Some machinery of the picker had to be taken apart to release the hand.

Mrs. Lundstrom, Hilda Lundstrom, Mrs. Charles Okholm, Mrs. Rudolph Swanson and Mrs. Edwin Olson, all of Concord, were along to help surprise Mrs. Nelson. Other patients at the home joined in the party.

Sioux City Couple Buys College Inn

Sgt. and Mrs. G. L. Austin of Sioux City became the new proprietors of the College Inn restaurant at 148th and Wayne Oct. 13. Mrs. Austin has been active in the restaurant field for several years. Her husband is with the Army Air Force stationed at Minneapolis.

Mr. and Mrs. R. H. Kilpatrick, former owners, operated the campus cafe for two years. Mr. Kilpatrick left on a business trip to Lincoln Tuesday. Mrs. Kilpatrick says they may establish a business somewhere in Kentucky.

Building a Better Community

The new home located at 102 East Seventh street is a semi-California style house owned by Mr. and Mrs. D. Hall. The building was started in April of 1947 and was completed in August of the same year.

Plans were made and put into practice as the house was being built, and the results are something different than found in conventional type homes. One of the first things noticed in the 48-foot by 36-foot structure is the curved portion of the roof in what would have been the gable on the second story.

Seven rooms are contained in the house with a full basement completing the roominess of the home. The living room and dining room are connected by a large archway, giving them a total length of 36 feet in the two rooms.

Not Just Beef—Buffalo!

The closest most people get to a buffalo is the nickel in their pocket. Some even see them alive at the zoo.

But the people of Winside get one better. Every year they hold a buffalo supper and really get into the meat of it.

The annual buffalo feast, served in the family style, is sponsored by the Trinity Lutheran church. This year's meal is planned for Thursday, Oct. 27, from 6 to 8:30 p.m., with the Ladies Aid serving.

The young buffalo comes from the Niobrara game preserve, and a special crate had to be built to transport the game to Winside. Last year's affair drew some 400 persons.

Rev. B. J. Leahy, pastor of St. Patrick's church, Fremont, will be host to the convention.

A tea sponsored by the Fremont Altar society will close the one-day convention.

Rural Phone Group Fears Winter Service

Fearful of disrupted telephone service throughout the approaching winter, 18 representatives of farmer-owned telephone lines gathered at the Wayne auditorium Tuesday night to discuss their service repair problems.

One of the 18 rural lines south of Wayne was represented.

The group appointed John Lusch and William Wakamp to investigate the cost of replacing the present phone cable south of the city. A meeting of officers of the 16 lines will then be held to discuss the raising of necessary funds.

Meet to Hasten Cable Replacement

The men also agreed that 30 miles of poles extending east of Wayne from the present cable should be replaced, and that improvements should be made as far as possible before winter sets in.

Tuesday's three-hour session was called by chairman Ernest Frivert. John Kyl, Wayne Chamber of Commerce secretary, spoke briefly preceding the meeting.

William Schulz, manager of Wayne's Northwestern Telephone company, told the group that the company will assist the farmers with technical knowledge and the supplying of needed engineering tools.

88 Calves Sold At Club Auction

Eleven calves sold at the limit price of 60 cents per pound at the baby beef sale here last Thursday. The night sale, sponsored by the Wayne Chamber of Commerce and the county extension service, was held in the Wayne sale barn. Eighty-eight calves sold in two sales.

Four hundred persons packed the ring to watch the sale of 67 club calves sold, plus 21 additional calves. The total included 15 calves sold here Saturday morning to youngsters who couldn't obtain lots at the Thursday sale. These calves were purchased Friday at a 4-H club calf sale in Bassett.

Bidding was spirited. Gayland Wehrer, Norman Willers, Diane Lunt, Merlin Topp and Dick Longe each bought a calf at the limit price, and Don Perry, Terry Wehrer and Wayne Norman Anderson, Wakefield, bought two. Will Cost \$22.2 Per Cent

Sale receipts totaled \$12,487.13. Total expenses on all calves were \$8,968.18. Calves sold on the non-profit basis actually came to \$9,287.00.

The calves will cost members only 62.2 per cent of the bid price, after the cost is pro-rated.

Parade First Event Saturday's Homecoming

Plan Full Day Of Celebration

Last minute preparations are being made today on the Wayne State College campus for the annual Homecoming celebration Saturday.

Events of the day will begin with a mile-long parade in the morning at 10 o'clock. The Nebraska college football classic of 1949 begins at 2 p.m. when Wayne meets its yellow co-champion at the conference, Chadron State. The evening will feature a gala Homecoming dance.

A Hobo Week has been in progress to arouse added interest on the college campus. Men students grew whiskers to mark the pregame week while coeds have been wearing appropriate hobo costumes. Stunts have been placed at strategic points about the campus to show what the Wildcats intend to do to the Eagles of Chadron.

During halftime ceremonies at the game, the Homecoming queen will be crowned. She was elected by popular student vote. An invitational mile race with several regional colleges has also been scheduled for halftime activities. Wayne State's marching band will also perform.

Returning alumni will be able to meet acquaintances at the Student Union. A welcoming committee has made arrangements for former students to gather and visit. Mr. and Mrs. Cecil Wright, head the committee composed of graduates of Wayne who are now instructors at the college.

Prize Money Wayne's chamber of commerce is donating the money that is to be given in prizes to the winning floats in the parade. Various college organizations are working for hours in downtown Waynes on their floats for Saturday morning's parade. The entries will gather at the corner of First and Main. The parade will proceed up Main street and through the college campus.

'The Rains Came' Tuesday Night

In Wayne, rain Tuesday night was reported at 31 of an inch. The figure is the same—from the government rain gauge supervised by Herman Lundberg, and from the gauge of Charles Carhart, even after Mr. Carhart had allowed for the box elder bug that was swimming around inside the glass tube trying to push the mark higher.

More rain is reported east of the city. Art Munson said here yesterday that an unofficial gauge at his place showed 70. He lives 1 1/2 mile south and 1/2 west of Wakefield. And he added that, "It is a lot muddier out our way."

Cyril B. Evans in Cerado Ceremony

A double-ring ceremony in the congregation church in Sedgewick, Ia., Sept. 28, Melvin Dawn Schell, daughter of Mr. and Mrs. Erich Schulz, became the bride of Cyril B. Evans of Denver.

A seven-candle candelabrum, with white tapers, and twin bouquets of pink and white gladioli decorated the altar. Bows of white satin were fastened to the ends of the bouquets down the bride's aisle.

Music for the service was furnished by Mr. and Mrs. W. J. Erding and Rev. J. F. Lumsford officiated.

The bride wore a gown of old ivory satin, with portrait neckline and brown Spanish lace over a light fitted bodice. Bronze asters highlighted the short veil in place. She carried an orchid corsage with white ribbon streamers on a white prayer book.

Barbara Bauer of Denver, maid of honor, wore steel blue satin and carried a bouquet of asters. Her bridesmaid was of the flowers.

Divin Schulz, brother of the bride, was best man and Don Callen and Chris Eicher were ushers.

The bride's mother was the former Angela Jenik of Wayne and her father, Both grandmothers of the bride, Mrs. Anna Jenik of Sedgewick and Mrs. Dena Schulz of Wisner, attended the ceremony. Mrs. Harry Schulz, Wayne, an aunt of the bride, served the cake at the reception following the ceremony.

Guests attending from the Wayne area were Mrs. Dena Schulz, Mr. and Mrs. Rudy Kay and Ray Sultzer of Wisner, Mr. and Mrs. Harry Schulz, Don and Vern of Wakefield.

Activities at City School

Reporters: Lois Russell, Nadine Lange and Alan Grauer

Academic Work
Kindergarten children have been working in their book, "First Days in School," and are learning to follow directions.

The boys and girls have enjoyed hearing poetry, and are trying to memorize some of the verses. "Falling Leaves," "Poor Robin" and "Baby Seeds" are some each child can say alone.

Judy Griess and Diane Van Auker took care of the Kindergarten lookers this week.

Art class has been drawing pictures of Columbus' ships. The second grade gave a Columbus day story and sang patriotic songs.

Bill Witt of the second grade brought a very interesting article on the prairie dog to class. The article included life size pictures and diagrams of their underground homes.

Study Home Units
In the study of home units, the third grade have observed the houseboat of China, the Siamese home, the lake dweller's house, and the grass thatched hut of Africa. The third graders have now taken their spelling words from dictation.

Fourth grade geography class is studying Norway, slides of glaciers, the people of Norway, and the land of the frozen country. They are working on the reason for the "Midnight Sun" in Norway.

Arithmetic class of the fourth grade has turned detective and is looking for clues to tell them which process (add, subtract, multiply or divide) to use for solving story problems.

If the weather is fine, the fourth graders will begin study of the poem, "October's Bright Blue Weather," by Helen Hunt Jackson. This week.

Study Vitamins
The fifth grade has begun work on a notebook in health class which will contain a study of vitamins, and pictures of foods in which they are found.

The language class has had to call out the Coast Guard, to help save from drowning, the words which were used without help.

Spelling was much improved in the sixth grade with perfect scores going to Jerry Gubb, Sandra Haas, Glen Houdersheldt, Bee Kollmorgen, Sharon Larson, Charles Moller, Judy Ann Meyer, Kenner Palmer, Rita Pedon and Donald Vichtman.

The oblique projector was used in geography class, and pictures of London and all of England were shown. Also shown were lantern slides on Egypt, including pictures of the pyramids, the Sphinx, and the new irrigation methods.

Columbus day was observed in the seventh grade, where a program of original plays, pantomimes, patriotic poems and songs was held.

Some of the perfect scores in tests given by Mrs. Ray-Phillips were: reading test, James Marsh, Bobby Sieckman, Gloria Pfeil, Corrienne Olson and Ardyce Woods; hearing test, Laylene Nichols, Bobby Sieckman, Helen Shuffell, Gloria Pfeil, Steve Pawelski and Gary Golay; English test, James Marsh, Ardyce Woods; spelling, Delila Gilbert.

Men Against Germs
The eighth grade health class is studying a unit on "Men Against Germs." Joan Pawelski brought a copy of "The Story Behind Great Medieval Discoveries." The class is passing tests on germs to advance from a private's rating to a captain's rating. Those who are now captains are Evelyn Roberts, Joan Pawelski and Sharon Lindsay.

Perfect mastery scores in spelling went to Gloria Ahlers, Jerry Koff, Virginia Proett and Virginia Smith.

The high school has six-weeks tests this week.

Advanced homemaking planned and prepared a church supper for the relatives last Friday. They learned principles of quantity cooking and preparing this meal. Each student planned a menu and division of commitment. The menu planned by Billie Roberts was chosen to be prepared by the whole class.

The class is now studying formal tests and plans will be made for a tea to be served at Open House Nov. 10. Next week they will study buffet dinners, and will prepare and serve one.

Out and Ends
The kindergarten is watching a caterpillar brought by Carol Price spin a cocoon.

The children have measured themselves and now know which ones are the tallest and which are the shortest.

There were many visitors in school last week. Mrs. Clarence Carlson and Connie and Mrs. Albert Alderson and Clifford visited classes in the second grade. Mrs. T. C. Bathke was a guest of the fifth grade on Friday. Supt. E. W. Willert visited Friday in the eighth grade during current tests period.

Birthdays were celebrated by Gary Louge in the second grade and Allen Otto in the fifth grade. Allen treated his classmates and teacher to chocolate cupcakes.

There were new plants and flowers brightened the classrooms this week. Judy Kollmorgen brought a pepper plant and a cactus to the second grade, and Robert Fichtke presented them with a "Weeping Jew" plant. Fred Proett brought the sixth grade a beautiful bouquet of marigolds.

A string group, under the direction of Mr. Atkins, played for the BPA Wednesday evening.

The fourth grade received a letter from former classmate Mary Jean Wright, now of Aurora, Colo. Each child wrote her a short note.

Miss Hazel Reeve has been directing the sixth grade music class in some very difficult three-part harmony singing.

Beautiful fall leaves are forming a decorative border in two of the grades. The third grade has made silhouettes by spattering paint around leaves. Leaves dipped in paraffin decorate the eighth grade room.

Sandritter Talks To Schoolmen

"Every Nebraska teacher should be trained to play well the part of the psychological symbol that school children attach to them," Dr. G. Lee Sandritter, psychiatrist of the Norfolk State hospital told the Nebraska Schoolmasters association Saturday in their fall meeting on the Wayne State campus.

"Children transfer the effect of mothers, fathers, brothers, and sisters to their teachers and associates. If parents and family provide good background, children will develop normal adjustments and have good school experience. If bad background exists, teachers become weak symbols and valueless to helping a weak child make adjustments that lead to fruitful adult life."

Sandritter traced development of child from conditioning of basic drives and substitution of new individuals to take place of others he loses in process of growing up.

He said that schools could cut divorce rate, juvenile delinquency, mental health treatment and institutional care in half if teachers would handle psychological roles properly.

"Most important lesson of schooling is how to get along with people, not the A. B. C's."

Fred Hill, Omaha school administrator, presided at fall meeting on Wayne State campus. Educators from all Nebraska attended. Howard E. Tempora, dean, extended welcome and college music students provided entertainment.

New Encyclopedias At Wayne School

Wayne city school is using a recently purchased Bookmobile to transport a new set of World Book encyclopedia from room to room.

The encyclopedia was purchased for the school library. It has 20 volumes, with 18,000 pictures, 1500 of them colored. A letter unit system like that of a dictionary simplifies use of the volumes.

'NO, NOT MINE... BUD'S GOT MINE... THIS IS GENE'S'

In this Wayne county reserve champion Hereford group, shown as they looked to the judge at Ak-Sar-Ben, the group is enjoying a mix-up of "who's holding whose steer" at the moment. But it is to straighten them out for you.

At left: Gene Perry, Wayne, heeler for the group, his duty is that of head showman, who keeps the entire group in show-

ing position. Next to Gene is Robert Hansen, Wakefield, and he is holding "Heeler" Perry's purple ribbon winner. Then, Norman Willers, Wayne, and he is holding his own steer, also a purple ribbon winner. The wide smile is by Fred Feldman, Wayne, who is the other member of the champion group that is holding his own calf, a red ribbon winner. Now comes Bud

Anderson, a Dixon county boy from Wakefield, a good neighbor lending a hand by showing Don Perry's blue ribbon calf. On the right end is Don Perry, with a firm grip on another of brother Gene's calves, also a purple ribbon steer.

This Wayne county group of Hereford steers were all sold at the Ak-Sar-Ben auction, as reported last week.

Carroll Man Dies Sunday

Carroll Louie Bredemeyer, Carroll merchant and civic leader, died in a Columbus hospital Sunday evening. Funeral service will be held today, Thursday, at 2 p.m. at St. Paul's Lutheran church in Carroll.

OUT OLD NEBRASKA
by JAMES C. OLSON, Superintendent STATE HISTORICAL SOCIETY

One of the most colorful figures in old Nebraska was Elder Moses Shinn, itinerant preacher, shrewd businessman, and community "character." He is particularly noteworthy for his camp meetings in the Omaha area and for the ferry he operated across the Platte river near the present town of David City.

(There is some little confusion as to just which Shinn operated the ferry. Newspaper stories and other contemporary accounts refer to Elder Shinn; some accounts mention Dick Shinn; the legislative charter, granted in 1850, was to Stephen D. Shinn. There may have been one, two, or three Shinn's involved; in any event, a man popularly known as Elder Shinn was active in the ferrying trade at the David City spot in 1850.)

The Nebraska City News, April 16, 1859, reported: "We learn from a gentleman just in from Salt Creek that Elder Morse F. Shinn of Omaha has established a ferry on the Platte river seventy-five miles west of Omaha, and is making a heap of money ferrying the North Platte emigrants over on to the Great Central Route from Nebraska City."

The News, of course, was interested in persuading emigrants to depart westward from Nebraska City rather than from Omaha, and the story went on to say, "Seventy-five miles of the North Platte route has convinced these miners of the utter infeasibility and impracticableness of that route. We pity those who have already been duped into taking the North Platte route."

Despite such disparaging statements as the above, emigrant travel along the North Platte route—or Mormon Trail, as it frequently is called because of its heavy use by Mormons enroute to Utah—was heavy, and the Omaha-Council Bluffs area remained an important jumping-off place for emigrants.

And Elder Shinn appears to have been a well known figure among those who traveled the North Platte route. According to stories that have grown up about him, he frequently preached to large gatherings of emigrants and others at Omaha and Council Bluffs. Being practical as well as pious, he always took advantage of the occasion to mention that safe passage across the Platte could be had at his ferry.

Indeed, it has been reported—though not substantiated—that the Elder took further advantage of the camp meeting situation to intimate that safe passage to Heaven could be guaranteed only by crossing at Shinn's ferry at \$2.00 per team.

'How's the Corn' Question Brings Many Estimates

A quick survey by question of the "man on the street" reports a wide spread of estimates on corn yield this fall. Many have already started picking some for cribbing, but most for feeding. Generally, the opinion seems to be that a lot of corn still has too much moisture for safe cribbing.

Here are a few "guess estimates" on yield:

Ben Nissen, 7 miles southeast of Wayne, picked about 15 or 20 acres, yield about 50 bu., not as good as last year, seems like a poorer stand in that one field.

John Ronefeldt, 6 miles north-east—just started picking, looks like about a 50 bu. average so far.

Ed Guthrie, 4 miles south—around 25 or 30 acres picked thus far, maybe 50 bu. yield, and one small field did better than that.

George Rennie, 1 mile north of Pilger—yield not so good there, some of it going about 30 bu., spot there was dry in early August, didn't get rain right when it was needed.

Elder Lubberstadt, 2 1/2 miles north-east—bottom land, early picking looks like an 80 bu. yield. It looks good.

Jewel Landager, 9 miles north-west—has started picking about 20 acres, and just looks good, like maybe as much as 80 bu. yield.

Elvis Olson, 3 1/2 miles east, thus far picked 10 or 15 acres, seems to be going a strong 50 bushels.

John Russell Johnson, 3 miles north-east—on a good bottom land field, doing perhaps 90 bu. per acre, and is better than last year.

General opinion on quality "Most of the corn is good... if we just don't pick it too early."

Majority are Starting.

Eighty-five per cent of Wayne county farmers have already entered their corn fields for the big annual harvest, according to Don Warner, county agent. Moisture content has been checked and found to run between 24 and 26 per cent. To be safe for cribbing moisture should run less than 20 per cent.

Farmers in this area say that the chief reason for picking corn now is the ability, while waiting for corn to dry, early snow prevented many from getting into the fields with mechanical pickers. Some corn remained in the fields all winter.

Reports are that Knox and Cedar county handpickers are receiving 24 cents per bushel. Both those counties were harder hit by last week's wind storm than was Wayne county.

Everest and Hoskins precincts have done very little picking to date, while some fields north and east of Wayne have been entirely picked out.

PACKARD Ultramatic Drive

The last word in automatic, no-shift control!

'Way ahead in driving ease... because it's ahead in basic principles!'

Born of a 16-year Packard development program. Backed by seven million dollars' worth of new manufacturing facilities.

That's Packard Ultramatic Drive!

Come in—see for yourself why independent technical observers call it "the last word in automatic no-shift control!"

- ★ New simplicity: Naturally, there's no clutch pedal. And that's only the first hint of the convenience of Packard Ultramatic Drive! There's nothing new to learn. Just step on the gas, and steer!
- ★ New smoothness, new quietness. No jerking or "clunking," because there's no gear-shifting anywhere. No "racing engine" sensation, because there's no slippage at cruising speeds.
- ★ New economy: Ultramatic Drive saves gas—because there's no slippage at cruising speeds. And thanks to its advanced design, Packard Ultramatic Drive requires no complicated maintenance.
- ★ New safety: No chance of involuntary unexpected "down-shifts," which might cause a prolonged skid on slippery pavement. Packard Ultramatic Drive gives you smooth, gradual engine braking power for safe deceleration.
- ★ More responsive: No lag, at traffic speeds or highway speeds, waiting for gears to shift. For instant bursts of safety-sprint acceleration—just "tramp down."
- ★ More positive, more flexible: Your choice of high-range, or low-range operation. Easy shift from forward to reverse. Yes, you can rock the car in snow!

Come in now for your introductory drive!

the United States and she plays cello and piano. She maintains a cottage in northern Wisconsin where she spends her summers. Last summer when she motored to California she began a new hobby, that of collecting rocks. She brought back many rocks from the state but admits that she has not classified them yet.

As she'd obviously be the case Miss Williams says that she loves small children and she likes to see them develop. "Every child should be educated according to his own ability; his outstanding talent should be established to the fullest extent."

Miss Williams maintains that everyone should have hobbies. She tries to develop interests in the children because "at some time all of us need an outlet."

Miss Williams states three points of her conception of teaching importance which she emphasizes to her practice teachers: the teacher must know her subject matter; she must be acquainted with discipline; and she must teach through correlated units. In this way all practicing college students will find it easier to supervise children of that age group.

Hook Farm Progress Winner In Soil Conservation Program

Project Rated On Contouring And Terracing

The T. S. Hook farm operated by Harry Goebbert was selected this week as the Progress Winner in the 1949 Sioux City Program Agriculture Program. The basis of this award was the progress made in adopting soil conservation methods in 1949.

For the past three years, the Sioux City Chamber of Commerce and the Journal-Tribune publications have sponsored a program whereby the three top conservation farms in a county are selected to

compete for area and state awards in the Sioux City trade area. This year they are doing the contest for the one farm doing the best conservation work from January 1 to October 8, 1949. Hook and Goebbert had completed most of their conservation work early this spring and were not aware of the fact that Sioux City was making an award for the farm doing the most conservation work in 1949.

The principal conservation accomplishments on this unit in 1949 are: 120 acres of terraces constructed, 120 acres of contour farming, and the shaping and partially seeding 5 acres of waterways.

Farms were scored on the basis of a uniform score sheet used in other counties in northeastern Nebraska, and selection was entirely on the basis of points.

Other farms in the county scored very close to the Hook farm for practices established this year are as follows:

Mrs. H. Hansen, Wayne, owner; Leo Hansen, Wayne, operator; John Kunkle, Pennsylvania, owner; Leo Hansen, Wayne, operator; Carl Frevert, Wayne, owner; Clifford Baker, Wayne, operator; Alvin Wagner, Hoskins, owner and operator; Eddie Lay, Wayne, owner; Lawrence Hansen, Wayne, operator; Norris Schroeder, Hoskins, owner and operator.

The three top farms entered by the Wayne County Soil Conservation District in the Sioux City program this year are those of David Rees, Carroll; Louis Willers, Winside; and N. F. Schroeder, Hoskins. These farmers together with Hook and Goebbert will be honored at a banquet in Sioux City in November.

Oh, This Can't Be!

Yesterday we heard that a bill has been introduced in Congress to impose severe punishment for the publishing of any criticism concerning a public official. We don't know any details as yet, but...

If that be true—we are not just taking a step down the road to government dictatorship. We are running. It would seem that the member of Congress who introduced that bright idea, if it has been done, would be in line for a right smart run of criticism, nation wide.

A Government Telephone?

As every school child knows, this country has the best and most extensive telephone service in the world—and by so wide a margin as to make comparison ridiculous. All of it has been developed and provided by private enterprise, at rates which are publicly regulated and reflect the cost of carrying on the service plus a reasonable profit. Under these conditions, does it seem either wise or necessary to pour out government money, which belongs to all the people, for subsidizing telephone service for special areas?

That is what a bill now in congress would do. It would authorize the Rural Electrification Administration to make 35-year loans at 2 per cent interest to extend rural phone service to farms not receiving it.

What makes this particularly remarkable is that, according to an authority on the telephone business, "Service is now available, without construction charges to the subscriber, to 85 per cent of the occupied farms of the United States. It is a problem, at the most, in not more than 15 per cent of the total rural area of the country." In short, most of the farmers who lack service now simply don't want it, don't need it, or think it not worth the trouble and cost.

It was proposed that the bill be amended so as to avoid the use of federal funds, to duplicate service in areas where telephone companies are already on the job. This reasonable stipulation was turned down by the measure's sponsor. Thus, should it pass in its present form, costly and wasteful duplication of existing facilities would be inevitable.

This is typical of the insane drive to have the government do everything for everybody, regardless of cost or necessity. And, equally important, it is another phase of the campaign to eventually socialize the enterprise of the nation.

Your Strong Right Arm

We mean to deliberately bore you with this subject... since this is the second time The Herald has brought it up in as many weeks. But...

Please keep your strong right hand—or arm—out of those husking rollers on your picker! (And if you are left-handed, then we mean that hand.) Just because the daily press picked up our warning of a couple of weeks ago and reprinted it—we haven't got "teched in the head" on the subject. During the corn picking season we are just trying to keep the warning before you.

Consider again that it might be inconvenient to get along without all your fingers—or a hand—or an arm. So prize them highly, and remember again—shut off the power before you reach.

As one newspaper man so aptly said it last week, "The hand or arm you save will surely be your own."

Please Kids—The Bicycle

Will you remember... that some of the folks you meet on the sidewalk... when you are riding your bicycle on that sidewalk, are maybe not as agile as you are. It is a bit difficult for an elderly person to jump out of your way—and win—every time. So, it might be a good idea for you to take the lead in courtesy. Why don't you turn out? There are a lot of folks hereabouts who would appreciate it.

October

The fields have purple mists of grain; The garden's paucity is plain, Though heavy plumes of goldenrod By every roadside bow and nod. Now many little friends with wings Have gone; a cricket-chorus sings A throbbing, more autumnal tune; A teasing wind that begs a boon Of every flaming golden tree Brings echoes of a surging sea. Thus, fall comes on; the day grows thinner; And we have candlelight at dinner. Sjanna Solum in Christian Science Monitor

IN BOOKLAND

by Mrs. F. A. Mildner City Librarian

OVERHEARD IN THE LIBRARY was an elderly woman telling an assistant that today's fiction is better than it was "It has more body"—the assistant agreed, "it certainly has." For that very reason we are trying to be very careful in our fiction selections. One that we can recommend is The Long Love by John Sedgwick. It has broad all right but for a change it is a tale of a perfect marriage rather than one of the triangles and incompatibility. The leading character is a man in the publishing business in the days when best sellers were just beginning to create a furor and the publishers were worrying over the new fangled magazines like the Reader's Digest because they were afraid that if people could get all that reading matter for a quarter they would never read books.

ARE YOU BUILDING or repairing your home? From the looks of things around Wayne it seems that nearly every one is so we knew that you would want help along these lines at the library. We have a great big new book called HOME REPAIRS MADE EASY. It has 2056 pictures and covers your home from cellar to roof—everything the beginner or expert needs to know. You can save money and increase the value of your home by following these instructions. We also have another smaller book called 101 WAYS TO INCREASE THE VALUE OF YOUR HOME. A practical, money-saving handbook for the home owner who wants to, modernize a bathroom, enclose a porch, narrow a hallway, insulate or make other lasting improvements. Then we also have the new Popular Mechanics plans for a CONCRETE BLOCK HOUSE which you can build yourself. These and numerous other books of house plans should be of some help if you have any building in mind.

OF COURSE YOU KNOW HAZEL! We have Ted Kay's new book of Hazel cartoons for your amusement. We also have a new story by Helen Topping Miller on the rental shelf.

ATTENTION CHILDREN AND YOUNG PEOPLE: Do you want to win a horse? Here is how you can do it and there are no big tips to send in or anything like that. Walter Farley, the author who has written those grand horse stories about The Black Stallion is giving away a horse just because he wants to find a good home for one. He says that when he was small he wanted a horse himself and couldn't have one and now that he is grown and has made some money by writing his books he wants to give a horse every year to some child who loves horses. All you have to do is name the horse. You just write the name you think would be good and send it to him. Come to the library for the address. You must have your parents' consent as he wants to be sure that you are able to care for the horse as he wants it to have a good home. This author has written a new book called The Black Stallion and Satan which you will be wanting to read.

Second grade from the campus school accompanied by Thelma Myers, teacher, visited the library Tuesday of last week.

Ed, the Arrow Stage line bus driver, swears he is going to leave the door of his bus open sometime to let all the people flock on, then shut the door and take off, collecting tickets at the destination. He says that people just rush to get on a bus, not asking where it is going or where it came from. If a bus is standing ready they are determined to climb aboard.

Fritz Milder thinks this has possibilities and would be interested in acquiring an old bus just for experimental purposes. Any one having a bus for sale?

The life of a bachelor is not for H. E. (Jim) Hein. Last week when he got dressed and downtown in time to catch the bus to Lincoln (his car is conventionally) he picked out the only shirt he owned with cuff links... and then, shades of the comics, he couldn't find one cuff link! We trust the rest of his day went better than the start.

Everyone cooperated to take \$16.16 from a Lawrence Kalish, a "too smart" salesman from Denver, last week in county court. Kalish was charged with parking his car in front of a fire hydrant — was arrested by Policeman Gene Bornhoff. He parked in front of Larson's... went in there to peddle his wares... whereupon Bornhoff arrested him. For purposes of identification Kalish is described as the (X % 1 1/2) kind of a character who already had an overparking ticket from Fremont.

Senator Norris Schroeder favors "grass roots" reporting of the sessions of the unimpaired legislature. He was interested in his criticism of certain of the legislation in his talk to the Wayne BFW club last week. The senator says the daily newspaper and wire service reporters who cover the sessions see it through city-trained eyes and report it correctly, but from their angle. According to the senator The Wayne Herald or any other weekly newspaper close to the agricultural interests of this state would give a better picture of what goes on in legislative chambers.

Calling for news from The Herald sometimes brings odd answers. The other day our Janeene Griffith was trying to get someone to answer on a country line. She heard a receiver go up but no response. In desperation she said, "This is The Herald. Who is this?" and a man's voice answered "Nobody."

FALL MENACE

(Editor's Note: With Nebraska's hunting season due to open Oct. 21, the following column by Ray Van Norman is especially timely. Van Norman, a College of Business Administration senior at the University of Nebraska.)

It's that time of year again. The time of year when leaves are turning color and falling. The time of year when short, warm days are climaxed by crisp, cool evenings. The time of year when Saturday means stadia throughout the land are packed with screaming crowds. But to millions it is, besides all these things, the time of year when ducks grow restless in the North and begin their southward trek.

If a hunter, you know the thrill of hearing the spine-tingling whir of wings in the semi-darkness of dawn. Then, over your blind close to the lake, a cloud of mallards circles in for a splash landing on the water just beyond. You sit there chilly and tense, eager to blast away at your elusive target, hardly breathing for fear of frightening your prey.

"The Other Guy"

Then, on the other side of the lake, WHAM! Some over-eager mired has fired and the lake seems to come to life and fly away. The reward for your vigil possibly will be a sprinkling of buckshot. For, in honoring the prescribed hunting laws, you didn't snap a shot at those beautiful mallards for which you so patiently waited. It wasn't yet sunup.

Careless hunters, this year as always, will cause a large number of casualties among sportsmen. Many will be ones of mental anguish resulting from just such situations as that cited above. Much more serious, though, are the physical casualties.

A hunter who causes either type of casualty is neither excusable nor wanted. He is out of bounds on a lake, river, or in a corn field. He is a menace to the society of sportsmen.

Good hunters follow a more or less code of ethics. What to do under the many circumstances which arise in the pursuit of game is, to a great extent, instinctive. But what can be done with the few who fire and then calculate?

Since there neither are nor can be for this sport the inflexible rules of conduct found in other sports, the only possible solution seems to rest in a test program.

Require A Test?

As one way of tackling the problem, the state might well consider requiring each applicant for a hunting license to pass a test comparable to that required for a driver's license. In addition, careless conduct while hunting should be subject to punitive action, such as revocation of license for specific periods of time. Each penalty would be determined by the seriousness of the violation.

Perhaps this suggestion, or something similar, would eliminate "Hair-Trigger Harry" and "First-Shot Freddy" and give true sportsmen a shooting job with the ducks. More important, if thoughtless sprayers-of-lead were made to think in order to hunt, a few unnecessarily lost lives might be saved.

After all, some attempt would be better than no attempt because the "Fall Menace" already has gone uncurbed for too long a time.

By JAMES C. OLSON, Superintendent of STATE HISTORICAL SOCIETY

Though we've never objected to taking the day off, we've often wondered just how Nebraska happened to designate Oct. 12, the day on which Christopher Columbus discovered the new world, as a legal holiday. Considerable digging in old legislative records and back newspaper files, although not completely satisfying our curiosity, did provide considerable information regarding the designation of the holiday.

Columbus Day was made a legal holiday by an act of the 32d session of the state legislature, approved by Gov. Chester H. Aldrich, April 7, 1911. The bill, S. F. 201, was introduced by Democratic Senator J. H. Buhman of St. Liberty, a farmer and banker representing what was then the 17th senatorial district.

The bill occasioned little if any discussion, and made its way through the legislature in routine fashion and with but slight opposition. Indeed, the first general discussion of the whole matter seems to have occurred on Oct. 12, 1911, when Nebraskans, much to their surprise, found their banks and public offices closed for the day.

From that discussion it would appear that members of the Fourth Estate, at least, were not enthusiastic over the prospect of an additional day off. The Evening Bee, in a news story outlining Omaha's plans for the day, commented with apparent approval, "The Board of Education failed to discover any reason why it should quit business because Columbus went out on a sea cruise 408 years ago and sighted land."

The attitude of the students was not reported. In all probability, they could have found good and sufficient reasons for honoring the discovery of America by closing school for the day.

The Beatrice Daily Sun commented: "Americans are not holiday lovers. A week without a holiday is a failure in countries where people take more time to enjoy life than we do, but in this country an extra day off is an irritation." The Nebraska State Journal took more than a half a column to express its sense of irritation: "Like a bouquet from the desert arrives the announcement that there will be no mail this afternoon. Neither will be clinking of coin be heard in the banks. The tax gatherer's window will be closed. Nor will the rest of the public officials do any labor."

Fearing the addition of further holidays, the banking and public office businesses are clearly imperiled by this holiday movement. We must save them.

That the "holiday movement" didn't reach the proportions feared is indicated by the fact that since 1911 only two new holidays have been designated in Nebraska—Lincoln's birthday, and Armistice Day.

TAVERN MEN TRAVEL, TOO

When tavern men travel for vacation or business they invariably drop in on other tavern keepers in an attempt to learn newer and better methods. This practice is encouraged because it tends to improve tavern operations in the public interest. In addition, the Nebraska Division, U. S. Brewers Foundation maintains a trained man who visits all the taverns in the state, observing better practices and relaying them where needed. Thus, the state's general level of tavern operation is being steadily improved and the public interest better served.

Derold Johnson to Represent Wayne in FFA Radio Contest

Derold Johnson, son of Mr. and Mrs. Andrew H. Johnson of Wayne, was selected as Wayne's radio voice at a meeting of Future Farmers of America which met Oct. 8.

Derold will represent the Wayne chapter in a radio voice contest at the district level. The contest will be held in the college student union building Nov. 12.

Sixteen members and two guests were present at the meeting. The chapter voted to change their meeting date from the second and fourth Monday of each month to the second and fourth Thursday of each month.

With the change in the meeting date, the chapter hopes to use the swimming pool for after-meeting recreation.

Rep Club Bus
Rep club is chartering a 37-passenger bus to take members, other high school students and sponsors to the football game with Wabasha Friday night, Oct. 21. Thirty-five students are planning to attend the game.

W Club Meets
The W club of Wayne Prep met Tuesday last week. They elected officers and chose the queen and her attendants for the homecoming game on last Friday.

Officers are as follows: President, Carroll Thompson; vice president, Tim Baker; secretary, Treasurer, Wayne Samuelson.

They chose a queen from the senior class and four attendants, one from each of the four high school classes. In proceeding years the student council decided that the "W" club should do the choosing.

June Klug, Queen
June Klug reigned as queen at the homecoming game with Leigh last Friday. Margie Conry, senior; Donna Victor, junior; Margery Ransister, sophomore; and Joyce Echtenkamp, freshman, were the attendants.

Homecoming Float
It was decided that the pep club would use Randall's pep and hayrack for their float in the

homecoming parade Friday afternoon at four. The members of the pep club rode on the float during the parade.

Pat Buck, Joyce Echtenkamp and Lois Temme were appointed for the decorating committee.

Grade Six
New captains have been chosen for the teams which compete during the physical education period.

Jeanette Bastor and Joan Price are captains of the girls' teams and David Ratzliff and Dale Woelher, of the boys' teams.

Donald Sherry observed his birthday of Oct. 11 by treating his fellow students with candy bars.

Students have been comparing the early roads of our country with those of the present day and their influence upon the growth of trade and population of the area east of the Mississippi river.

Grade Four
Joann and Diana Rohrke brought materials used in drawing lessons.

A series of short tests in arithmetic is being given several times a week. Each must be completed before taking the next.

Geography lessons are now about Iceland.

Grade Three
In order to learn to read and understand maps the class is working on a map of Wayne. They are putting in the important businesses that contribute to our living, the children's houses, the school, the church, etc.

Five pupils had perfect spelling records this week.

Miss Stolpe is directing the making of a movie, An Old Dog and a New Trick.

A film, Safety in the Home, was shown.

Grade Two
Those with perfect spelling lessons this week are Stephen Tempero, Donna Hughes, Billy Reeg, Miss Koeber, Sandra Clark, Dick Jugel, Walter Meyer, Michael Perry and Donnie Beeman.

Billy Reeg, Donna Hughes,

Michael Perry, Virginia Breen, Walter Meyer, Monte Schram, Sandra Clark, and Donovan Walters have each read a story to the rest of the class.

Some of the children illustrated the poem, The Elf Man. Others composed an original poem about autumn.

The class visited the public library this week. Mrs. Miliner read a story and played some records. While there the children found several books easy enough for them to read.

During National Fire Prevention Week, the pupils discussed ways of preventing fires and read stories about firemen.

In science class, Miss Johnson has been helping the children learn about trees.

Grade One
Jerry Austin and Stephanie Fishback have entered the first grade.

One division of the first grade has finished the Dick and Jane readers while the other has finished Sandy Wants a Home.

Autumn Has Come is the song created by the first grade in Miss Wendelberg's class.

Kindergarten
Interesting pets have been brought to school by the pupils.

Marlin Lessman brought a large land snail and Nancy Field brought a turtle.

Students studied the duties of firemen and special fire fighting equipment.

They took a trip to the fire station and were surprised by a ride back to school given to them by the fire chief. A film on the firemen helped clarify ideas.

Deborah Walters celebrated her fifth birthday at school.

RANDOLPH

By Mrs. Ross Louthan

RANDOLPH BAND AT SIOUX CITY EVENT

The Randolph school band, under the direction of Jack Johnson, was one of five out-of-town bands who participated in the East Sioux City high school homecoming celebration last Saturday. Before leaving on a chartered bus, the band marched down from the school through Randolph's main street where they played two numbers. Virginia Millander, majorette, led the band followed by cheerleaders Betty Hughes, Anna Belle Louthan, Margaret Broer and Mila Sohier. The band performed and played in Laurel on route. Massed bands played before the football game at Sioux City and each director present conducted one number.

WIND STORM DAMAGE SEVERE AT RANDOLPH

The wind storm last week did considerable damage around Randolph. A plate glass window at Buchanan drug store was broken and a window at the high school was blown in.

At the C. H. Scott home in the east part of town a double garage was demolished. Electric power was off during the storm and branches and limbs from trees were scattered over the lawns and streets.

Junior Class Play Scheduled Nov. 8

The Junior class play "That's the Ticket" will be presented at the Carroll Community Hall Nov. 8.

The cast includes: Hubert Nelson, Irene Isom, Eleanor Hank, Nancy Waller, Dorothy Peterson, Lowell Rohlf and Franklin Block.

The Sophomore class had a skit party at the rink in Wayne Wednesday of last week. Seniors and Freshmen are planning a skit party.

Roloff Litt, Wayne State college student, has been hired to direct the Carroll band, beginning duties at once.

Richard Kirwan also a Wayne student, will coach athletics and teach a class in shop. He will begin duties Nov. 14.

WCSB Birthday Party Held Wednesday

Observing the anniversary of the founding of WCSB, a birthday party was held at the Carroll Methodist church last Wednesday afternoon. About 100 ladies were present from churches in and near Carroll and from the Methodist church at Winside.

Mrs. Frank Cunningham was chairman of arrangements and Mrs. Roscoe Jones was program chairman.

Mrs. John Peterson and Mrs. Clarence Volwiler lighted nine candles in observance of the anniversary of the program and Mrs. Levi Roberts, president, extended greetings.

The Missionary lesson, "Why Mission Schools," was presented by Mrs. Roscoe Jones, Mrs. Elma Flattow, Mrs. Dow Love, Mrs. C. R. Garver, Mrs. Levi Roberts, Mrs. Sue Vann, Mrs. James Fredrickson, Mrs. James Hampton, Mrs. Joy Tucker, Mrs. M. I. Swihart, Mrs. Freeman Clark and Mrs. Clarence Beaton.

Playlet was given by Mrs. James Troutman, Mrs. Willie Cary, Mrs. Art Auker, Mrs. Harold Neely, members of the Winside WCSB. A quartet, Mrs. Cecil Thomas, Mrs. Bob Johnson, Mrs. Sue Vann, and Mrs. C. R. Garver, sang. Mrs. Ray Kelley reviewed the book "Siam Doctor."

A life membership pin was presented by the organization to Mrs. Frank Rees for her mother, Mrs. Emma Garwood. Mrs. Garwood lives at the home of a daughter in Warsaw, N. Y., and has been a member for 56 years, joining as a charter member in 1893.

Mr. Leonard Barstow was dining room chairman and Mrs. W. R. Scribner had charge of the kitchen.

FAT STEER CONTEST

WINNERS

VIS-VITA was introduced a little more than 2 years ago. Since that time, it has produced top market—and top profit—livestock very consistently. This year a few of our younger feeders had a chance to show Vis-Vita fed livestock at various shows. Almost invariably, animals fed Vis-Vita placed in the top winners. It shows Vis-Vita produces a fine show finish as well as a top market finish.

How would you like to improve your chances of winning the Wayne County Fat Steer Contest — and get a big extra prize if you win? All you have to do is feed your calf VIS-VITA throughout his feeding period. If your calf has been fed VIS-VITA and wins first place we will give you \$100.00! If he wins second place, we will give you \$50.00!

And, what is more, by feeding VIS-VITA, you really increase your chance to win! Here's why:

Produce Winning Steers

VIS-VITA helps your calf excel in all parts of the contest. (1) VIS-VITA produces a 3 to 4 lb. daily steer gain. (2) VIS-VITA costs about 4c a day to feed — you save on protein and gain. (3) VIS-VITA produces a top finish. You can show the judges (1) Fastest gains (2) At lowest cost (3) With market topping finish.

The purpose of our offer is to introduce VIS-VITA to your fathers. By the records you keep, he can see how amazingly cheap it is to get 100 lbs. of gain — with VIS-VITA. He sees the reasons too—better appetite, better digestion, increased water intake, top health.

VIS-VITA contains nothing but concentrated vitamins, including APF - B12. 100 lbs. supplements 100 bushels of grain. We recommend cutting protein supplement 50% when using VIS-VITA. Our offer closes Saturday night of this week. Make your arrangements for VIS-VITA before then.

Wayne-Chadron Game Big Feature of Homecoming

The Wayne, (Neb) Herald, October 20, 1949 3

Battle May Settle College Conference Race

Wayne State's nationally recognized Wildcats will tangle with Chadron State's Eagles in a game that well might settle the 1949 Nebraska college conference race. So far Wayne is undefeated in conference play, and Chadron has 7 to 6 bluish against its record of three wins.

In 1948, the teams were co-champions of the league after Wayne ousted Chadron with an early season 17 to 14 loss. Chadron came along fast to batter other teams and ended up with the same record as Wayne had after the Wildcats lost two weeks later to Nebraska Wesleyan.

Chadron always is a late-comer to football power and this year is following that pattern since Head Coach Ross Armstrong has returned to full duties following an operation early this fall.

Coach Jack Wink named a 33-man squad for the Wayne State-Chadron State Homecoming football game at 2 p.m. Saturday, Oct. 22, at Wayne. He turned over same captain chores to Al Bahe, senior from Wayne, who will be laying his last home football game for the Wildcats.

Starters for the game are: Ends — James Strahan, Wayne, and Gene Metz, Lincoln.

Tackles — Daren Cyphers, Ponca, and J. Dee Ferguson, Spencer, Ia.

Guards — Richard Hatt, Sioux City, Ia., or Kenneth Hughes, Geneva, and Fred Arnold, Stanton.

Center — Richard McDonald, South Sioux City.

Backs — Dan Joiner, Nebraska City, Don Kane, Stanton, Al Bahe, Wayne, and Ralph Conner, Wakefield. (If Wayne kicks off, Bill Fund, Norfolk tackle, will start in place of Joiner.)

Wayne reserves will include: Ends — Ralph Conner, Wakefield, Jack Baumert, Stanton, Bill Morrison, Wayne, Chris Muller, Wayne, Bill Kropp, Stanton.

Tackles — Gordon McKay, Creighton, Ronald Breyne, Naperville, Ill., Kenneth Lowin, Bloomfield.

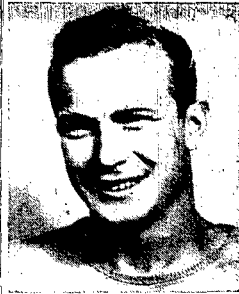

Guards — Rockne Coppel, Bancroft, Merlyn Miller, LeMars, Ia.

Centers — Mickey Nielson, Sioux City, Ia., Pete Kropp, Stanton.

Backs — George Sorenson, Bancroft, Merlyn Miller, LeMars, Ia., Gerald Meyer, Scribner, Duane Luebe, Pierce, Cameron Ostrand, Rosalie, Charles Carlson, Connie Demit, South Sioux City, Louis Ganskow, Neligh.

Kane has thrown 8 TD passes. Bahe has caught 6 of these and Strahan caught 2.)

4 Wildcats End Home Career Saturday

Jim Strahan
175, Wayne

Al Bahe
165, Wayne

J. Dee Ferguson
185, Spencer, Ia.

Daren Cyphers
190, Ponca

Football fans will see four Wayne Staters play their final home game of the season this Saturday afternoon when Chadron and Wayne clash on the field here.

James Strahan and Al Bahe of Wayne, Daren Cyphers of Ponca, and J. Dee Ferguson of Spencer, Ia., all graduating seniors, end their football careers against the team that co-championed with them last year.

Jim Strahan is a native Wayneite and played on Wayne High's football eleven in 1942, 1943 and 1944. Wayne ranked up well among the leaders in state competition during those years. Jim's TD runs were very similar to those he makes in college play.

Handy Pass Snagger
His football playing was interrupted for two years while he served duty with the navy, but since

returning to Wayne he has spent four years on the college varsity. His position of end has been ably held down with the threat of his pass snagging ability giving the Wildcats opponent trouble, as last year's record of points earned proves.

Teammate Al Bahe holds a similar record in Wayne in that he graduated from Wayne Prep in 1945 when the Preppers boasted an undefeated team in six-man competition. Al's sparkling runs and rugged defensive play made the campus school team top in the state.

Since then Al has racked up an enviable record in college competition. He has played varsity ball all four years. During that period he has been a consistent ground gainer for the Wildcats, holding down a backfield position. Last

year he had the conference high scorer and is far out in the lead again this year in points earned.

This major is in physical education and he intends to teach after graduation next spring.

J. Dee Ferguson, 24-year-old senior from Spencer, Ia., has been handling the tackle assignment in the Wildcat line in an able manner. He played football for the first time only three years ago. A graduate of the Spencer high school in 1945, "Fergie" played basketball and was out for track, but football wasn't in his schedule. Since coming out for football at Wayne in his sophomore year, he has played a dependable, steady game. He has helped make the Wayne line rank among the top in defense.

Daren Cyphers has held the post of varsity lineman for four years, and has established for himself a reputation for ruggedness. He graduated from Ponca high school in 1947, spent two years with the navy, started at Wayne in the fall of 1946.

Strong Line—Good Team
A strong line is one of the first and foremost things that a team is a good winning combination, and Daren has proved that a good backfield must have line support.

A broken wrist in his sophomore year didn't keep him from seeing a whole schedule of action. These four Wildcats along with their teammates are out to play to win this Saturday. It will be necessary for them to turn their usual fine work to stop Chadron's Eagles.

Prep Trips Leigh 36-12 In Homecoming Contest

Wayne Prep turned back a big Leigh team 36-12 last Friday evening on the college gridiron. The game was Prep's third victory of the season while Leigh suffered their second defeat having only been defeated by Platte Center previously.

Thompson kicked off for Wayne Prep to open the game. Leigh was unable to gain and punted on fourth down. Prep immediately took to the air lanes to march for a touchdown. Bahe hit Morey with a pass to set up the score and a few plays later Bahe flipped to Thompson for 25 yards and a TD. Bahe converted for Prep making the score 8-0 as the first quarter ended.

Leigh fought back in the second quarter. On a series of set runs and reverses they put the ball on Prep's eighteen yard line from where Hobel faked a reverse and skirted his own right end to tally for Leigh. The try for extra point was no good. Leigh kicked off and Wayne Prep started to move only to have their bid fizzle when Trofholz of Leigh intercepted a pass intended for Anderson. Leigh went for a quick touchdown with Hobel going for an end run from the ten yard line. Again the conversion failed.

Leigh kicked off to Wayne Prep with four minutes remaining in the half. On a quick opening play Beyer exploded through the right side of his line and cut back and went 60 yards to pay dirt. Bahe faked a kick and hit Benson with a pass for the extra point making the score 15-12 in favor of Prep at halftime.

Opening the third period Leigh kicked off to Bahe who made a nice return to the twenty yard line. Prep unable to gain, punted to Hobel who was smacked immediately. Leigh began to march until Bahe snatched a Leigh aerial and went 30 yards for a score. The attempted extra point failed as Bahe's pass fell incomplete. Leigh unable to gain after having received the kickoff punted to Prep as the third quarter ended. Prep 21, Leigh 12.

Prep started moving again featuring a consistent ground attack. With Beyer and Bahe going most of the ball totting, Prep put the ball on the eight yard line from where Bahe took a handoff from Samuelson and went over standing up for the score. Bahe dropped kicked for the conversion. Thompson kicked off to Hobel who on an attempted reverse was smacked on his own one yard line. Two passes fell incomplete and Hobel punted out of danger. On a series of running plays Prep again got within scoring position. On a sneak Bahe sped through the line from three yards out to score. Prep's final touchdown. Benson snatched a pass for the extra point making point. Prep kicked off to Reichmuth who returned to the twenty yard line. With time running out on them Leigh took to the air. An intercepted pass put an end to the threat as the game ended in Prep's favor 36-12.

The statistics showed that Prep had a decided edge. Wayne had 9 first downs to 5 for the visitors. Prep gained 160 yards rushing as Leigh gained 147. There was only 15 yards in penalties showing that

Wayne High Drop 15-0 Tilt With Stanton

Stanton proved to be the better team on their home field Friday night when they defeated the Wayne High Blue Devils 15-0. A good turnout of Wayne fans went along to see the battle.

Passes from Alan Craner to Duayne Atkins were the big yard-gaining factors for the Blue Devils. They were unable to advance by land. Marvin Gosborn, Atkins, Harold Corzine, David Meyer, Dale Nelson, and Bob Smith helped to keep the opponents from running up a higher score.

The first touchdown was set up by reverse play which went to the Blue Devils' 35. A few plays later Stanton passed 10 yards for the TD. A line buck failed to produce the extra point and the half ended 6-0, Stanton.

An end run gained 40 yards for the opponents to the Wayne 7 in the third quarter. Stanton drove the ball over two plays later. The conversion was made on a center smash.

Threatening again in the last quarter, Stanton fumbled. The ball rolled into the Wayne end zone where it was covered by the Blue Devils which gave 2 more points to Stanton.

Hartington Next
Wayne will play Hartington Friday, October 21 on the local college field.

The Wayne High first team will be minus the rugged playing of guard Harold Corzine for the remainder of the season. Harold who is a senior this year, received a broken ankle in the Stanton game Friday, and will be unable to participate in further action. This lands a serious blow on the Blue Devils as his outstanding blocking and tackling have been the highlights of every game. Richard Jensen has tentatively filled his position.

Junior Devils Down Stanton Small Fry

The Wayne junior high grid team proved they were made of good stuff when they downed a rough Stanton outfit, 6-0, in a game played on the Wayne State college practice field. Good blocking and solid tackling by the entire Wayne team kept the Junior Blue Devils out of hot water most of the time. Tip-top performance by Line Backers Tietzort and Zapp plus the vicious tackling of Defensive End Vic Forth made it plenty tough on the Stanton offense.

The game was highlighted by the single touchdown plunge by Fullback Mark Tietzort on a hand-off from Quarterback Rodney Tietzort. The try for extra point failed when Fullback Jim Henegar was tackled a yard short of the goal line on an end run.

The Junior Blue Devils used the two platoon system of substitution to good effect. Even at that six of the Wayne starting eleven saw action through the entire game. They were: right and left tackles, Lowell Johnson and Jim Davis, fullback, quarterback and tailback, Mark Tietzort, Rod Tietzort and Jim Henegar. The starting line-up was as follows: Tackles, Johnson and Davis; guards, Paul Koplin and Loren Ellis; ends, Jim Atkins and Jerry Korff; backs, Tietzort, Henegar, Larry Johnson and Tietzort.

The two teams meet again at Stanton on Wednesday, Oct. 19. The Junior Blue Devils will be gunning for their second win in two starts over the ruggier boys from Stanton and, needless to say, hometown support will be appreciated.

York Scare's Wildcats But Drop 26-14 Game

Wayne's Wildcats came through their Friday evening game with York college unscathed, but with added respect for the men from York. Wayne ran up a 20-6 half-time lead to withstand the final York drive and take the decision 26-14.

Statistics gave the game to York all the way with their 237 yards gained rushing almost doubling that of the Wildcats 153.

Al Bahe, Wayne State back, started things off in the first period with an interception of Wayne's pass and a 65-yard run back for the first game tally. His placement a moment later was good for the 70-yard quarter time lead.

Two runs in the second period of 23 and 30 yards were also good for TD's and the necessary lead to hold the Wildcats from the rally that York staged as Wooters broke through the center of the Wayne line and galloped 63 yards for the first York points. Soukup kicked the conversion.

Coach Jack Wink gave the bench a clearing in attempting to find a combination that would stop York, with 31 men seeing action for the Wildcats' first game.

Final scoring for Wayne was done in the third period with Jim Strahan breaking through the line to block a York punt from their end zone. He recovered for the final Wayne six points.

Wayne's eleven threatened twice before the game ended, but couldn't drive the necessary remaining yards. Wooters scored the York TD in the last quarter after York marched 83 yards to the Wayne goal.

Prep to Meet Wausa This Friday

Friday, Oct. 21, Prep hopes to avenge their only shut-out last year. Wausa ruined Prep's Homecoming last year as they went home with a 25-0 victory. This year Prep will travel to Wausa to repay the homecoming victors.

Having chartered a bus the Prep club will attend the game and a good turnout from Prep is expected.

Prep met Leigh last Friday in this year's homecoming debut. About 29 cubic feet of poisonous gas is created with each pound of coal consumed by a steam locomotive.

Wayne Athletes Draw National Recognition

Wayne State went to the top of the field both nationally and in the Nebraska College conference this week when the National Collegiate Athletic Bureau released their first set of statistics for the national's small colleges, institutions generally having enrollments of about 5,000 or less.

The official service bureau of the National Collegiate Athletic Association had the following report on Wayne State:

Don Kane of Wayne State rates number one in the pass-and-run performances so far in the nation. He has built up a personal offense total of 728 yards in five games, 403 in rushing and 325 passing. He is an old hand at picking up plenty of yardage, having contributed 1425 yards to the Wayne Wildcats' national recognition this year, enough to rank him third in the country.

Al Bahe is rated as the fourth best pass receiver in the nation and also as number 10 in rushing performances. Kane rates eighth in rushing and tenth in passing. James Strahan, Wayne left end, received recognition as the fourteenth best pass receiver in the nation.

And the Wildcats are officially tabbed as ninth best defensive team in the country since they have limited their opponents to only an average 121 yards per game.

Bahe will switch places with Kane in rushing rating as a result of the York college game when Kane's net was limited when he was trapped for losses in pass plays that failed to jail.

Bahe's biggest achievement in the York game was breaking his own Nebraska College conference scoring record. In 1948 he set the loop's mark with 60 points. He booted an extra point and scored

three touchdowns to raise his 1949 conference total to 61 points. His total for the year is 73 points. "Wayne is pretty proud of its record so far this year and we're more than pleased to see the team and some of its individuals get the national recognition they deserve. We've felt all along that Nebraska had one of the best small college leagues in its Nebraska College conference" and it's quite an achievement for one of the teams to rank among the leaders of the nation's hundreds of smaller colleges.

Both teams were evenly matched and the game was either way most of the time. Lewon was hero of the Hartington team as he scored their first TD on a 67-yard run on a double reverse play. A line
