CHEVROLET

America's Largest and Finest Low-Priced Car!

Yes, LARGEST... and the facts speak for themselves

Yes, FINEST... and here are the plain-spoken reasons:

It's **LONGEST** in the low-price field, a full 197 1/2 inches of spirited motion and clean, sweeping lines. It's **HEAVIEST** in the low-price field, a staunch and solid 3140 pounds in the model illustrated. It has the **WIDEST TREAD** in the low-price field, a road-firming 58 1/2 inches between centers of the rear wheels. Longer, heavier, with wider tread... that's the measure of Chevrolet's rock-solid value... big in looks, big in handling and riding ease, big in road-hugging performance. Why settle for less than a Chevrolet when Chevrolet is the lowest priced line in the low-price field.

FISHER BODY QUALITY, renowned for solid and lasting goodness. **UNITIZED KNEE-ACTION RIDE**, smooth and gliding. **VALVE-IN-HEAD ENGINE ECONOMY**, spirited performance at lowest cost. **PANORAMIC VISIBILITY**, with a big curved windshield and large window area. **JUMBO-DRUM BRAKES**, biggest in Chevrolet's field. **SAFETY-SIGHT INSTRUMENT PANEL**, with shielded instrument lights. **POWERGLIDE AUTOMATIC TRANSMISSION**, billion-mile-proved, combined with 105-h.p. valve-in-head engine optional on De Luxe models at extra cost.

Good reasons why MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CARS!

This is everything a fine car should be!

Of course, this brilliant performer is Fireball powered. It is cushioned by coil springs on every wheel. It provides, at no extra cost, the complete relaxation of Dynaflow Drive. It has durable and dependable sturdiness engineered into every mechanical part.

But the best is yet to be told. When you check the ROADMASTER price list, you'll find that the car of your choice can be yours for hundreds of dollars less than you'll pay for others with comparable reputation.
