Superintendent Announces Student Registration Dates Kindergarten Enrollees to Take Tests

Supt. E. W. Willert announced registration for all city school students in the grades 10 to 12 to be Aug. 28 to 30 inclusive, between the hours 9 a. m. to 4 p. m.

Principal Fred Rickers will be present for all those who wish to change their registration since last spring. Freshmen must register Aug. 31 during the same hours.

Mrs. James Allen, who was to be home economics teacher at city school next year, has resigned to go to Winner, S. D., and Mrs. Herman Wacker will fill the vacancy.

Children of kindergarten age, whose fifth birthday falls between Oct. 15, 1951 and Jan. 14, 1952, are eligible to attend school by taking the pre-entrance examinations. Arrangements for the tests to be taken at the college must be made through Marie Wright, county superintendent.

The school board has launched a new policy for elementary tuition. Pupils outside of district 17 must pay \$3 a week.

Methodists Await 70th Anniversary

Wayne First Methodist church will celebrate its 70th anniversary and the 50th anniversary of the cornerstone laying of the present church building Sunday, Sept. 2.

Rev. Eugene Golay, former minister succeeded by the present pastor, Rev. Gary Weisberger at the 10 a. m. church services. Rev. Golay, now at Nashville, Tenn., will talk on the topic, "Steeples Against the Sky." Dr. Victor West, Lincoln, minister here six years prior to his term, will be master of ceremonies at the reminiscing program.

Mrs. Ralph Carhart is program chairman for the event and Mrs. J. T. Bressler, jr., church organist for the 25 years, will have charge of special music. Eugene Beckman will direct the adult choir and Mrs. John Ratliff will conduct junior choir. Bishop Dana Dawson, Topeka, Kan., will speak at the evening services.

Mrs. Carl Wright is compiling complete histories on the foundation of the church. Charles and Helen Gilderleeve and the late Mary Mason kept records which are being used for this history. The original church is part of the C. Orskott property. Half of the structure was torn down years ago.

The four circles of the church will serve dinner in the church basement. Mrs. Ed Seymour and Mrs. Willard Wittise are selling tickets.

Agency Heads Speak At College Panel

County leaders of three federal agencies spoke at a panel discussion before a rural sociology class at Wayne State college Monday.

T. P. Roberts, county chairman of PMA, William Owen of FHA and Wallace Buck of SCS discussed government agencies and their effect on the farmers.

After the panel, the group visited the Harry Schulz farm near Wayne to observe various projects being practiced under the agencies.

Tuesday the class went to Omaha to visit the stock yards, packing plants, serum company, machinery firm and Boys Town.

Small Fire Damages Awning and Window

A fire partially destroyed a canvas awning at the Wayne Farm Equipment company, 109 Main Friday afternoon.

Employees fought the blaze with fire extinguishers but were unable to put it out. The Wayne Fire Department answered the call and finally doused the fire.

According to W. J. Basler, co-owner, the source of the fire was unknown. One of the front glass plates was cracked by the heat.

AUDITORIUM DECISION PUT BEFORE CARROLL VOTERS

The citizens of Carroll will go to the polls Tuesday, Aug. 28, to decide whether or not they want a city auditorium. The proposal calls for issuing \$20,000 in bonds if the measure passes.

Rev. Robert Hupp Named State's Legion Chaplain

Rev. Robert Hupp, pastor of St. Mary's church, Wayne, was elected department chaplain for Nebraska's American Legion at the annual state convention in Omaha Sunday.

Pastor of St. Mary's since last November, Rev. Hupp managed the local Legion baseball team throughout the summer. He is also chaplain of the Wayne Legion post.

Rev. Hupp served three years as a Navy chaplain during World War II including 25 months aboard the USS Corregidor. He has held several posts with Catholic youth organizations since his discharge in 1946.

Annual Auxiliary Financial Report Receives Approval
The president's annual financial report was presented by Mrs. Hattie McNutt and accepted by members at a recent meeting of the American Legion auxiliary.

The report showed four food sales had been held during the year with Mrs. John Dinklau, Mrs. Christine Dillon and Mrs. A. H. Owens heading the sales. Total for the year was \$36.75.

Sale of 5,500 poppies brought the Auxiliary \$365.80. However, the poppies cost \$105.30 and \$1.90 was sent to hospitals so the net for the local chapter was \$82.50.

Donations made during the year were: March of Dimes, \$15; Red Cross, \$10; Nurses' gifts, \$6; Graceland, \$17; things party at hospital \$13; Christmas Girl Shop, \$8; Yanks Who Gave, \$10; recreation program for kids, \$25.

A total of \$60 was given to three families for child welfare and rehabilitation. Other gifts included toilet articles, pneumonia jackets, hair robes and a Christmas box to Wayne's nursing home.

Chamber Men Seek Calves

A Chamber of Commerce committee, headed by county agent Harold Ingalls, will make a trip through the small county next week seeking calves for the third annual Chamber of Commerce calf sale Oct. 1.

The committee has been in contact with several well-known ranchers and prospects are good for an outstanding bunch of calves. It is estimated 100 will be needed for the sale.

FORMER WAYNE RESIDENT INJURED IN SIOUX CITY

Don Cunningham, former resident of Wayne and brother-in-law of Mrs. C. H. Fisher, Wayne, suffered a broken shoulder (cap last Tuesday) when he caught his heel on the lower step of a bus and fell. The accident happened in Sioux City, his home, as he was going to work. He is hospitalized there.

Rain and Wind Damage Wayne County Corn Crop

Heavy rain and windstorms during the past week have caused considerable damage to the corn crop, according to T. P. Roberts, county PMA chairman.

Adding that the destruction has been spotty, Roberts pointed out corn has been pulled out by the roots in certain areas. Also, hail has added its toll to this year's crop in the Sholes district with farmers claiming 90 per cent loss in certain fields.

Heavy rains Sunday night added to the already serious condition. Soggy earth was not able to hold roots of the corn firm against the wind's blasts. Some flooding was reported near Carroll in the Deer Creek lowlands.

"There will be an actual loss in yield because the corn may not get to fill out," Roberts remarked when asked whether it was a question of yield or difficulty in harvesting by mechanical pickers.

Mann Heads New County 4-H Council

At a meeting of 60 4-H leaders and members at the county courthouse Tuesday evening, Clarence Mann, jr., was elected to head the new Wayne county 4-H council.

Other officers elected were Walter Gilbert, vice president; Donna Carlson, secretary; and Dick Longe, treasurer.

The council has been organized to advise and guide 4-H members on a county-wide scale.

Pending the writing and adoption of a constitution for the 4-H council, in order for the new organization to conduct business, the group voted to retain the two voting delegates from each 4-H club and all leaders and assistant leaders as council members.

of Wayne.
Fair books are now being rapidly rushed to completion and should be in the hands of exhibitors by next week.
The county fair board has done a good job of lining up exhibits and attractions for this year's celebration. Interest in 4-H work was stimulated and 4-H livestock exhibits in the coming fair are expected to be greatly increased over 1950.
Feature event of the opening day at the fair will be the performance of Jole-Chikwood's Auto Paradeville Wednesday evening, slated as one of the top ten shows in the nation, the troupe has added several new acts to its already a generous show.
Buildings at the Wayne fair grounds are being put in shape for

the four-day event. The roof of the grandstand is being tarred and volunteer workers are improving the school exhibit hall.
A new concrete platform will be used for judging hogs. The hog department entries have increased to necessitate an additional lot for that division.
Local horse races are planned every afternoon. Fair officials requested all horse owners who plan to enter these races to signify their intentions as soon as possible.
Stock car races will be held Saturday afternoon to provide more thrills for the crowd. Friday, Sept. 14 has been designated as school children's day at the fair. During the afternoon, all rides on the midway will run at a special reduced price.

Building a Better Community

—Wayne Herald Staff Photo

One of the larger new homes in Wayne is that belonging to Mr. and Mrs. John C. Carhart, at 922 1/2 Sherman street. The brick ranch-type home is 96 feet long and in some places is 55 feet wide. The living room is 19x26 and the master bedroom is 20 feet square. The walnut paneled dining room is 13x16. There are six rooms and two baths.

The home took about a year to complete and was finished by Frank Thielman, June 1. There is a partial basement, six feet deep under the two bedrooms and nine feet under the rest of the home. The home is air conditioned and contains two fireplaces. The one in the living room is of Arkansas stone and that in the master bedroom is of Texas limestone. The floors in David Carhart's bedroom and the hallway are done in the block pattern, and those throughout the rest of the home are typical ranch-type plank flooring.

One of the main features of the home is the spacious window space. Wherever one goes in the home wide views of light shaft across the

rooms. The huge livingroom window is 16 feet long, the largest in the home.

The livingroom walls are painted a pale copper color to blend with the light tan fireplace and the light-colored floors. Built-in bookshelves flank the fireplace and span into the corner of the home. The dining room is paneled, and is wallpapered in shades of tan and rose maroon. The bedroom belonging to David Carhart has two walls papered in a large splashy blue, maroon and white flower pattern; two walls are painted the same background blue. The drapes are a thick white material like those in the master bedroom.

The large master bedroom has been papered and painted in the color scheme of sun tan and blue. The dressing room and private bath are off the bedroom, finished extensively in blue and white tiling, and the closets are cedar lined.

Bob Carhart's masculine bedroom has knotty pine paneling and bedroom suite to match. The drapes and bedroom are a vivid maroon and furnishings throughout

the room complete the color scheme. The kitchen in the Carhart home is bright and striking with its grey and deep red walls and red mottled curtains to match. The work space is conveniently sectioned.

The location of the Carhart home on the long hill helps to seat it in a majestic background. Landscaping will be begun next year. Mr. Carhart is secretary and treasurer of Carhart Lumber Company, Wayne.

'Fifty-ners' Club Holds Achievement Day at Lutt Home

Achievement Day was held Friday by the new 4-H "Fifty-Oners" club. The meeting was held at the Lutt home with Mrs. Lutt and Mrs. Ed Long acting as co-hostesses.

FHA Loaning Funds Available for 1952

William J. Owens, county supervisor of the Dakota-Wayne unit of the Farmers Home Administration announced last week that funds are now available for loaning activities during the 1952 fiscal year. Owens states that the Farmers Home Administration has a very flexible program for helping operators of family farms. Whether the farmer's need is for land, livestock, equipment, improved managerial ability, or a combination of these essentials for successful farming, the agency has the tools to help him. Such loans are available to farm families who are unable to qualify for long-time credit through regular credit sources.

Monday afternoons are maintained as office days at the courthouse in Wayne and the second and fourth Tuesday afternoons in the courthouse in Dakota City.

FATHER OF WAYNE WOMAN DIED NEAR HUBBARD

Fred Bartels, 81, farmer and livestock feeder of the Hubbard community for many years, died Aug. 14 at the home of his son, Freddie Bartels, near Hubbard, where he made his home. He is the father of Mrs. Charles Heckles, Wayne.

Mr. Bartels was born in Weidman, Germany, 1870 and came to the United States and Dakota county in 1881. He worked as a farm hand near Dakota City, and soon bought a farm near Hubbard where he lived until 1936 when he and Mrs. Bartels moved to town. After Mrs. Bartels died in 1939, he lived with his sons, Roy and Freddie Bartels, near Hubbard.

Mr. Bartels was one of the county's pioneers who farmed during the years of drought and insect infestation. He was a charter member of the German Evangelical church, where the solemn burial is now located west of Dakota City. Mr. Bartels had been in charge of Taylor cemetery between Hubbard and Homer for 35 years.

Funeral services were held Aug. 16 at Salem Lutheran church west of Dakota City. Rev. W. Switzer officiated and burial was at Taylor cemetery.

Survivors include 10 children: Mrs. Charles Heckles, Wayne; Mrs. Tom Renz, Homer; Mrs. James Hoffmann and Mrs. Emery Pareshoe of Dakota City; Mahel Bartels, Sioux City; Freddie and Roy, Hubbard; George, South Sioux City; and Ollie and Melvin, Dakota City. Elmer Bartels preceded his father in death. Also surviving were three brothers, 42 grand children and 21 great grandchildren.

Nebraska Really Makes Hay While the Sun Shines

Besides being one of the top states in grain and live stock production, Nebraska ranks even higher in hay yields. Usually first in wild hay! One Nebraska county ships more hay than any other in the nation! Also first in broom grass seed, third in alfalfa, third in blue grass seed.

Your state rates equally high in the conduct of its taverns. Nebraska tavern owners are often commended for their efforts to operate in the public interest—efforts which have earned the respect and good will of the community.

Cooperating in the Foundation's continuing education program, tavern owners apply proven methods which are resulting in benefits to the community and to themselves.

180 Horsepower!

Chrysler FirePower V8
does for you!

YOU'VE HEARD THE TALK about Chrysler's revolutionary new V-8 FirePower engine... with its 180 horsepower, its amazing smoothness and acceleration...

NOW COME DRIVE THE REASON for all this excitement. Here is the most revolutionary advance in American motor car engine design in 27 years!...

HERE'S 180 HORSEPOWER... a full 200 horsepower more than that of the next most powerful American passenger car engine!...

A NEW KIND OF HIGH COMPRESSION... the first Hemispherical Combustion Chamber in an American car engine actually puts to work more of the energy contained in the fuel than other engines.

HERE'S EXCITING PERFORMANCE... responsiveness, acceleration, smoothness, which no other passenger car engine built in this country can equal today. And you can have it with FirePower even on non-premium grade gasoline.

HERE'S THE SAFETY OF POWER-IN-RESERVE greater than you've ever had at your command—a new high in the instant responsiveness which is the very essence of safety on today's highways!

YOU'LL LIKE CHRYSLER'S POWER BRAKING. TOO... smoother, gentler, swifter stops at any speed than you've ever known. At the touch of your toe, power from the engine helps put on the brakes... reduces foot pressure by as much as two-thirds!

AND HYDRAGUIDE... THE NEW POWER STEERING! It makes driving a car a brand new experience. At your touch on the wheel, hydraulic power provides four-fifths of the steering energy. Even at a standstill, you can turn the wheels with your thumb and one finger! A great safety feature.

COME DRIVE IT... ONLY A RIDE CAN SHOW YOU WHAT ONLY A CHRYSLER GIVES!

Wayne Girl Returns From Hawaiian Trip

Traveling in the United States could be made much more interesting if an old Hawaiian custom were practiced. The island custom is presenting a kiss for each lei given to one arriving or leaving the islands. Arel Lewis had 11 leis around her neck when she boarded the air plane for Wayne a week ago Friday. The leis are made of small orchids, tube roses, carnations, plumaria and pikaki, and range in price from 50 cents to \$3.

Miss Lewis described the people as Chinese, Japanese, Hawaiian, Filipino, and Samoan. The Hawaiian language is quite different with only 12 letters in the alphabet, five vowels and seven consonants. The women wear a loose-fitting short-sleeved dress called

the muu muu, and there is another Mother Hubbard dress with a mandarin collar and long sleeves. The hula costume is worn only during the hula, to dispute many popular movie versions. The men on the island wear regular light trousers and the bright flowered aloha shirt. During the ceremonial feasts they have a skirt which they wrap around them in place of the other costume.

The native feasts, luaus, are an all-day celebration, said Miss Lewis. She described the procedure from the time they dig a pit, into the morning for roasting the meat until the time her heaping plate arrived. The imu is lined with hot stones and on top of these are laid the goat and pork steaks. Diet covers the meat, and during the day the meat cooks until done. The removal of the meat is the ul-

imate climax of the feast and with it is served a food called poi which is made from the taro root. Miss Lewis described this as tasting like thick starch or paste, and was reminded that it is eaten at every meal.

Other foods eaten are a paw-paw fruit, papaya, pineapple, delicious fish, maki maki, and much coconut pudding. The Wayne lady admitted to eating octopus meat. She related the procedure of growing sugar cane; the fields are allowed to erode several years, and when they are ready the farmers burn the field. The stocks are taken and from this beginning comes our granulated sugar. Pineapple, grown on the higher region and sugar cane, grown on the lower sections of land, are the main products of the island.

Miss Lewis was visiting her aunt and uncle, Capt. and Mrs. A. R. Harris, on the island of Oahu on which are located Pearl Harbor and Honolulu. During a tour of Pearl Harbor, she visited "Battleship Row" and saw what is left of the Arizona. Only a small portion of the battleship juts out of the ocean and a flag always flies at half mast for those who are still encased in the ship. Many of the sailors were writing Christmas cards to their home folks when the Japanese attacked in 1941, and the Arizona sank in seven minutes.

Since the Korean war, the population and building have increased at a great pace. The soil of the island is an orange red, stated Miss Lewis, and there are many steep mountains, the highest ridge called the pali. On the pali road there is much wind and at times jeeps have tipped over while driving up the treacherous trail. The old craters have at one time formed lava tubes which have been made as the lava flowed down the mountainside and left a cave structure.

The Wayne native, daughter of the Dr. A. D. Lewis, was over 2,000 miles from the United States last Wednesday until Friday at the Gilbert Dangberg home, Winside. Mr. and Mrs. Woodrow Lutt and daughter, Columbus, spent last Sunday at the Otto Lutt home. Jeanne Smolski, daughter of Mr.

Wayne Woman Owns World-Wide Demitasse Collection

Frénchmen call them demitasse, meaning half-cup, and that is exactly what they are. Americans call them after dinner coffee cups, the doubly strong coffee to be drunk through a mint following dinner.

No matter what anyone else has tabbed them, Mrs. Orville Sherry admits them as one of her hobbies, and in this case it is not quantity but quality. Each of the 13 small cups in her collection is completely different in shape and color.

Mrs. Sherry's oldest demitasse is 150 years old, an original Haviland china from France. On the bottom of the cup is the phrase "Faire applied for" proving it to be authentic. It is white with a gold design something like a glorified "leur de dieu." Another white one is from Silesia, a country now nonexistent which was before the war a part of Czechoslovakia. This one is hand-painted with a bright scarlet tulip on its side. The saucer has jagged leaf-like construction around the edges.

A unique one of German Bavarian china is especially tall and narrow, and has a saucer which rises in the center where the cup rests. Mrs. Sherry received an English bone china set as a Christmas present. It is very dainty and has an antique design.

Mrs. Sherry received three wedding presents, two in Wednesday with embossed blue grape motif on a white background, and one in China with a Hamboam 22 karat trim. These of Wedgewood have different cups; one turns in at the brim and one turns outward in a tulip fashion. The other set has George Washington era figures in an oval frame.

Mrs. Sherry was in the woman's army for 31 months, beginning in February, 1943. She was stationed in St. Louis, Mo., during much of her service and she selected a couple from junk shops there. A lady in St. Louis who had more or less adopted her gave Mrs. Sherry a china set from Austria. Lavender and yellow flowers and gold trim decorated it.

One of Mrs. Sherry's friends who was stationed in England, brought her a demitasse cup made of English bone china. It has a corded design on the china with violet and the saucer has a gold circle motif making it quite unique. The demitasse cup and saucer from Mrs. Sherry's sister in law, Senechal piquery with a saucer to match like a cluster of leaves.

The southern-born Wayne lady recently won a bone china set from her bridge club. It is white with Mrs. Sherry's sister in law, Senechal piquery with a saucer to match like a cluster of leaves. Mrs. Sherry retains many other collections, such as stamps and coins. She admits being a gypsy at heart as witnessed by the versatility of places represented in her collections. She appreciates the old and the rare, and has proof of that in her attic. Much she has in room in the Orient because Mr. Sherry was in Korea for three months in 1945.

Mrs. Sherry's varied interests grant her the talent of appreciating those things which are an expression of excellent taste. Her hobbies prove the versatility of her enthusiastic collecting.

EXTRA PLEASURE FOR YOU!

219 St. Patrick's Building, Corp. St. Louis, Mo., Omaha, Neb., New Orleans, La.

They Like it a Million!

Last week Buick set a proud record. The millionth Dynaflo Drive* was delivered to a happy owner.

That's a new peak in popularity for modern drives which take you from a standing start to any cruising speed desired with a smooth, unflinching swoop of power.

"The biggest advance since the self-starter" is what the motorist press called this Buick development back in 1948—and now a million owners can tell you how right that proved to be.

Here, they found, was a basically different way of delivering power. It was the first to get completely away from any gears which function in a series of fixed stages—the first to apply supercharging principles that did new tricks with spinning oil.

And how folks loved it!

They loved the freedom from strain in traffic. And the new "sweetness" of ride which every passenger could enjoy.

They loved the command it gives them of every traffic situation—and the relaxation it contributes to a long day's drive.

They loved its extra safety in slippery going, and the improved control in mud and snow.

As they piled up experience, they loved the unexpected savings of rear tire wear and the reduced strain on all driving parts, from engine to differential.

And finally—they loved what it does for the value of a Buick, as reflected in the extra dollars that Dynaflo adds to the resale price of a car.

Have you sampled this driving sensation?

There's no time like the present for discovering the thrills that more than a million Buick owners already know.

NEBRASKA FARM OUTLOOK

Economic Situation

Chances for Korean armistice still good, despite delay. Commodity prices will remain skittish pending final outcome. Temporary period of business irregularity due more to excessive inventories, slow demand and Government controls. Defense output will expand.

Farm prices will continue to be irregular. The new controls act removes additional rollbacks from beef but leaves the 10% rollback now in effect. Other price rollbacks on farm items are possible to a level of 90% of May, 1951 prices but are unlikely due to large production.

Prices paid by farmers will probably continue to increase due to provisions for manufacturers to raise their prices to include all direct and indirect

increases in costs. Installment credits have been relaxed to provide 18 months to pay on automobiles, 15% down and 18 months to pay for appliances, furniture and floor coverings. Home repair loans call for 10% down and payment in 30 to 36 months.

The Wheat Situation

Price Outlook

Nebraska wheat prices have been quite steady at about \$2.11 during the months of June and July. This price is 11 cents lower than the 1951 high of \$2.22 in February. It is also below the average Nebraska loan rate of \$2.23.

It is expected that wheat prices will stay near present levels during most of the harvest season. If they do, it is likely that a large amount of wheat will be stored under the price support program. This will be a factor in the amount of wheat on the market, and may prevent further declines during the rest of the harvest season, and help strengthen the market after the harvest is finished.

World production of wheat in 1951 is expected to be nearly the same as the crop of 1950. United States exports for the crop year 1951-52 are estimated to be at the same level as during the past year. Present prospects are for a carry-over of July 1, 1952, of about the same size as that of this year. However, an increase in world tension may stimulate foreign demands for United States wheat. On the other hand, a settlement of the conflict in Korea and an easing of the international tension might tend to weaken the world wheat market.

Wheat . . .

Prices about low of season and below support level. If continue below supports large quantity of wheat to go into storage under loans. National acreage goal slightly above 1951 crop seedings.

Supply Outlook

The wheat harvest in Nebraska was about 55 per cent complete as of the last of July, as compared to 66 per cent a year ago. Yields are varying from fairly good in the western part of the state to poor in the eastern third of Nebraska.

For the country as a whole, wheat supplies for the year beginning July 1, 1951, are estimated at 1,505 million bushels, an increase of 4 per cent over 1950. This represents the fourth largest total supply on record. The 1951 crop is estimated to be about the same as that for 1950, approximately 1,070 million bushels. Probable imports of 40 million bushels of wheat for feeding and a carry-over of 395 million bushels make up for the rest of the supply.

Demand Outlook

The expected disappearance of wheat for the year beginning July 1, 1951, is estimated at 1,144 million bushels. This includes 755 million bushels for domestic use and 365 million bushels for export. Remaining would be a carry-over for July 1, 1952, of 385 million bushels, which is 10 million below that of this year.

Domestic demand for wheat is quite stable, and has been so during the last 15 years. Accordingly, foreign demand is the most important factor in the wheat picture this year. There are several uncer-

ainties affecting foreign requirements besides production of wheat in other parts of the world. These are the size of the United States foreign aid program, and the extent of stockpiling in foreign countries, which are in turn affected by the diplomatic and military developments of the next few months.

The new national wheat goal for 1952 is substantially the same as for 1951. The Secretary of Agriculture has announced that there will be no acreage allotments and no marketing quotas for the 1952 wheat crop.

Relationship of Dairying To Soil Conservation

This year many Nebraska farms show evidence of good and poor land management. Fields in which fertility and organic matter are lacking are easily noticeable. In better land management dairy cattle can make a real contribution. Manure from dairy cows is a valuable by-product many times wasted or the value of which is not fully appreciated. An average Nebraska cow correctly fed will produce annually from 15 to 20 tons of manure. Each ton of this manure contains the equivalent of 100 pounds of a 10-5-10 fertilizer or one cow produces nearly a ton of this fertilizer every year plus organic matter not available in commercial fertilizer. Although it may not be possible to save all the fertilizing constituents there is much room for improvement. To stop losses in the fertilizing values of manures one must stop leaching, save the liquid manures and prevent excessive fermentation.

Practical methods which could be used in the saving of the fertilizing constituents in manure are

as follows: 1. piling of manure in a place with a concrete floor and a roof to prevent washing by rain; 2. building up bedding in an open shed or loafing barn; 3. the use of more absorbent bedding material like oat straw; and 4. disking manure into the ground immediately after it is hauled.

Are You Buying Good Nutrition?

Eating Habits Changed

Changes in our eating habits have taken place in the past 15 years. Now we are eating more fruits and vegetables, dairy products, fats and oils; fewer grain products and potatoes than in 1935.

Several reasons account for these changes. First among these is the fact that families today have increased incomes so that they can buy more food. In addition, improvements in food marketing and distribution have taken place. For example, oranges once were available only on very special occasions, such as Christmas. Now oranges can be found on the shelf of the grocery store in the smallest towns of Nebraska every day of the year. Another reason for changes is that homemakers today are more aware of the need of good food for their families.

Amount Spent for Food

All families spend money for food. In our United States we spend over one-fourth of our in-

Poultry

Broiler production expected about one-fourth larger. Chicken prices higher and increasing. Egg production declining and storage stocks are unusually low.

When Your Farm Needs a Friend

(The MONTHLY FARM OUTLOOK is reprinted from Notes on Nebraska Farm Business, a monthly publication of the Department of Agricultural Economics, Agricultural Extension Service, College of Agriculture, University of Nebraska, Lincoln. comes for food and families whose incomes are low spend an even larger part of their income for food. Families whose incomes are high spend more dollars for their food, but a smaller part of their income. These dollars can buy either good, fair or poor nutrition, depending on how they are spent.

Farm families, even though they produce some of their own food, still spend many dollars for food. In Iowa, homemakers who kept accounts in 1950 found that they produced only one-third of their food and purchased two-thirds of what their families ate. No matter where families live, in the city or in rural areas, it is important to spend food money wisely to have good nutrition for the family.

Dollars Needed for Food

How much does a family need to spend for food in order to have an adequate diet? An estimate is given in the table below. Since farm families buy approximately two-thirds of their food, they would need to spend approximately two-thirds of the amounts given in the table for adequate diet.

Estimated Cost of One Week's Food, Bureau of Human Nutrition and Home Economics, Food Plans, March 15, 1951*

Family Make-up	Lowest	Moderate
	Adequate Diet	and Adequate Diet
Family of four (with children 2 and 5)	\$15.60-\$16.75	\$21.75-\$22.50
Family of four (with children 8 and 11)	\$18.15-\$19.55	\$25.25-\$26.50

* Prices were average Retail Prices of Food in 50 Large Cities Combined, released periodically by the Bureau of Labor Statistics.

How can the homemaker spend money wisely for food? Some of the foods which have high nutritional value at comparatively low cost are the following: white potatoes, whole wheat bread, rolled oats, beef and pork liver, dried beans, carrots by the pound, spinach, and milk (fresh, dried or canned). The homemaker should emphasize these foods to get the most value for the dollars she spends.

New Ways of Cutting Milk Making Costs

Eastern Nebraska dairy farmers are organizing dairy marketing associations which are aimed at cutting marketing costs and producing quality merchandise. Many country milk routes have been revised by exchange of customers. The truckers are eliminating duplication of routes and keep-

ing mileage at a minimum, yet maintaining capacity loads. The farmers like it because the milk arrives at the plant at an earlier hour. The trucker enjoys the shorter routes and less hours on the road. The processor welcomes the fresher product. The entire arrangement is handled through a pool. Each trucker is notified as to where he is to deliver his milk. Seldom will he have to unload at more than one dairy.

The Dairy Situation

High Milk Production

Good pastures and cool temperatures have favored a high level of milk production per cow during recent months. In June, for example, milk production on United States farms was a trifle higher than last year and the fourth highest production for the month on record. Production of 61.9 billion pounds of milk for the first six months of the year, however, was about 1 1/2 per cent less than in the same six months in 1950.

Although annual total milk production has not varied greatly in the last few years the production per capita has decreased because of increasing population. Daily milk production per capita in June was 2.72 pounds, the smallest for June in more than 20 years of record. Because larger quantities of milk are being consumed as fluid milk, manufactured into evaporated milk, made into dried whole milk and ice cream, less remains for the manufacturer of butter. The per capita consumption of butter has decreased but the total consumption of butter remains high because every day 3,660 more prospective consumers are available.

Butter Stocks Lower

The government has disposed of its stocks of butter and cheese acquired during the price support operations of 1950. This tended to cause the price of butter and cheese to rise above support levels early in 1951. The trend of these prices during the remainder of 1951 will be prorated to the production of butter and cheese available in the amount consumers are willing to take at the higher prices.

Cash receipts of dairymen will probably enjoy a near record total because of the prospects of a larger production. Higher costs will offset much of the expected gain.

Less Cows, Higher Production

Today in Nebraska fewer cows are being milked than at any time in the last 50 years. In 1900 there were 460,000 cows and heifers two years old and over kept for milk. This number gradually in-

Hogs

Pig crop expected to be second largest in history.

creased to about 750,000 in 1933 and 1934. After that people started to let calves run with cows and as times improved farmers milked fewer cows. Today the number is 467,000 which is 62 per cent of the 1933-34 number. Although milk cow numbers have decreased the production per cow has increased. This increase in production per cow has not offset the decrease in cow population. Since accurate records have been available the following changes have occurred:

Year	Cows	Milk Prod. Per Cow Lbs.	Ret. Prod. Per Cow Lbs.	Total Milk Prod. Million Lbs.
1900	460,000			
1905	525,000			
1910	590,000			
1920	535,000			
1930	642,000			
1932	672,000	4,100	156	2,755
1934	755,000	3,880	147	2,929
1936	668,000	3,950	150	2,639
1938	601,000	4,180	159	2,512
1940	635,000	4,280	163	2,718
1945	595,000	4,350	163	2,588
1950	477,000	4,870	185	2,323

In view of the need for better land management, more legumes and better grassland farming and more consumption per capita of milk, there is a place for more and better milk cows on Nebraska farms.

LEGAL NOTICE

IN THE COUNTY COURT OF WAYNE COUNTY, NEBRASKA. IN THE MATTER OF THE PETITION OF THE WAYNE COUNTY RURAL PUBLIC POWER DISTRICT, A PUBLIC CORPORATION, TO CONDEMN CERTAIN LAND IN WAYNE COUNTY, NEBRASKA, FOR THE PURPOSE OF ACQUIRING A RIGHT OF WAY TO CONSTRUCT, OPERATE AND MAINTAIN AN ELECTRIC TRANSMISSION LINE.

WAYNE COUNTY RURAL PUBLIC POWER DISTRICT, a Public Corporation, Petitioner vs. George Nielsen and Georgia Nielsen, husband and wife, Esther P. Quackenbush and Joseph H. Quackenbush, wife and husband, and Evelyn A. Hendrickson, Defendants.

Notice is hereby given that you are hereby notified that the Wayne County Rural Public Power District, a public corporation, finds it necessary to construct immediately an electric transmission line in Wayne County, Nebraska, in and upon and over the following described lands, to-wit:

A strip of land 30 feet in width along the North side of the East Half of the SW 1/4 and the West Half of the West Half of SE 1/4 of Sec. 26, Twp. 26, Range 2, in Wayne County, Nebraska.

You and each of you are hereby further notified that on the 19th day of Sept., 1951 at the hour of 10 o'clock in the morning, unless sooner demanded, the appraisers heretofore appointed in the above proceeding will enter upon, inspect, view and proceed to assess damages accruing to you and each of you by reason of the appropriation of the above described land to the Wayne County Rural Public Power District, for its said purposes of constructing an electric transmission line in the manner prescribed by law. You and each of you will appear in court accordingly.

Dated at Wayne, Nebraska, this 11th day of August 1951.

Wayne College Students Wed Last Saturday

First Presbyterian church in South Sioux City. Rev. John A. Orange performed the double-ring ceremony.

Robert Knuth, accompanied by Mrs. George Shrader, sang "Be-cause" and "Till the End of Time."

The bride chose a white eyelet Japanese silk gown with a scalloped neckline. The sleeves and hem of the skirt were also scalloped, and her mitts were of white nylon. Her Juliet cap was of seed

pearls with rosettes on either side, and a fingertip veil of white illusion fell from it. She carried a white Bible with pink roses and white streamers.

Mrs. William Young was her sister's matron of honor. She wore black and white. Both had pink carnation corsages.

A reception was held at the home of the bride's parents, Mrs. Donald Kane, poured, Mrs. Jack Wright cut the cake and Mrs. Doyle Nelson served. Mrs. Belle Senry was hostess.

The bride and bridegroom both graduated from South Sioux City high school and attended Wayne State. The groom will continue at school next year while they live in Wayne, moving here Sept. 1. The couple is spending three weeks in California.

Gymnastic Troupe at Fair

The Six Tip Tops, above, will present their gymnastic routines at the grandstand shows during the Wayne County Fair on Sept. 12-13-14-15. Their acts will just be part of the entertainment offered by the Barnes-Carruthers Theatrical Co.

The bride graduated from Winside high school and attended Wayne State college. She taught at district B1 the past two years and will continue this year.

The bridegroom attended Ponca high school and is employed at a garage in Wayne.

For her going-away ensemble, the bride chose a tan suit with green accessories, and carried a red rose corsage.

The couple will live in Wayne.

Gloria Swanson Wed August 5 To Harry Leseberg

Herald's Special News Service

Winside Gloria Adelen Swanson, daughter of Mr. and Mrs. Edgar Swanson, Winside, and Harry F. Leseberg, Wayne, son of Frank Leseberg, Ponca, were married August 5 at 2 p.m. at Trinity Lutheran church in Winside. Rev. Wallace J. Wolf officiated at the double-ring ceremony.

Alma Lautenbaugh played the wedding marches and accompanied James Thompson who sang "Be-cause" and "Till the End of Time." The church altar was decorated with tall baskets of salmon colored gladioli, lavender asters and ferns. Orchid streamers and green bows marked the pews.

The bride, given in marriage by her father, wore a gown of white nylon marquisette with a fingertip veil of white illusion and a train. The skirt was accented by panels of Chantilly lace extending from the waistline to the train. The fingertip illusion veil was decorated with tiny seed pearls and she wore a two-strand necklace and earrings, gifts of the bridegroom. Her flowers were red roses.

Geraldine Swanson was maid of honor for her sister. She wore an orchid formal and carried white carnations. Mrs. Clara Swanson, rings were gifts of the bride and she also wore a necklace and bracelet of rhinestones. Bridesmaid was Marilyn Swanson who wore a gown of green. Her rhinestone ensemble was a gift of the bride.

Mavis Swanson and Patty Morris, flower girls, wore orchid and green organdy dresses and carried white baskets of rose petals. The Duane Swanson was ring-bearer at his sister's wedding.

The bride's mother wore an aqua dress with a pink carnation corsage.

A reception for 125 guests was held at the church parlors. Mary Lea Jensen had charge of the guest book, and Glenna Wade and Mrs. Lowell Baker were in charge of the gifts. Mrs. Clair Swanson, Carroll, presided at the bride's table which was centered with a five-tier wedding cake. Mrs. Glen Wade cut the cake. Waitresses were Shirley Franzen, Mary Lou Waide and Janice Swanson. Mrs. Leo Jensen, Mrs. Elmer Mrs. Walden Bruggen and Mrs. Gus Nelson assisted in the kitchen.

Concord Marilyn Anderson, daughter of Mr. and Mrs. Earl H. Anderson, Concord, and Winton Wallin, son of Mr. and Mrs. Wymore Wallin, Concord, were married Aug. 11 at Concordia Lutheran church in Concord by Rev. Ernest Nelson. The double-ring ceremony was performed at 7 p.m.

May Pearson, Wayne, played music preceding the ceremony and Mrs. Wallace Magnuson sang "O Promise Me." Other songs were "God Gave Me You" and "A Nuptial Benediction." Palms, ferns and baskets of white and orchid gladioli decorated the church.

The bride's gown was of Chantilly lace fashioned with a high neckline, net yoke and hertha roll-over. The snug fitted bodice ended in a full skirt which had a senior train. Her bouquet was of white carnations and she wore a pearl necklace, a gift of the bridegroom.

Mrs. Harley Bard, Wakefield, was her sister's matron of honor, and she wore green marquisette over tulle. Leola Johnson, Omaha, was junior bridesmaid, and she wore orchid marquisette. Both carried colonial bouquets of white asters and yellow carnations.

Mary Jo Mord, Wausa, were candlelighters, Barbara Johnson, Concord, was flower girl.

Best man was Ronald Anderson, Madison, Wis., brother of the bride. Arlen Wallin was his brother's attendant, and Harley Bard, Wakefield, and Wallace Magnuson, Concord, were ushers. The ring wore tan gabardine suits.

Mrs. Anderson wore grey with green accessories and the groom's mother wore blue with white accessories. Both ladies had pink carnation corsages.

A reception was held at the church parlors. The bride's table was decorated with white tapers and pink and white roses. The cake was cut by Hazel Nygren and Mrs. Anderson poured. Mary Jo Nord served ices. Waitresses were Karen Clark, Naomi Nelson, Marie Lindgren and Alice Anderson. Mrs. Dean Backstrom was in charge of

the guest book. Mrs. Evert Johnson and Mrs. Clifford Stalling had charge of the gifts.

The bride attended Wayne State Teachers college and taught for two a half years. She is organist at Concordia Lutheran church.

The bridegroom also attended Wayne college and served in the air force. He is farming.

For her going-away ensemble, the bride wore a beige dress with green accessories. She had a yellow rose corsage.

The couple will live on a farm south of Concord.

Maxine Mason, Crete, sang "The Lord's Prayer" and "Until," accompanied by Mrs. Clarence Ranslow, Grand Island. The church was decorated with floor baskets of pink and white gladioli, greenery and candelabra, and the pews were marked with mistletoe bows. The aisle was carpeted in white.

The bride's gown was of nylon marquisette with a three-yard train. The dress had a stand-up collar and long sleeves. It buttoned down the front and had a bustle back. The fingertip length nylon veil was of lace. She carried red roses.

Her attendants were Mrs. Lester Engel, Grand Island, who wore green organdy, and Mrs. Frank Schultz, Grand Island, in pink organdy. Nancy Leika Thibouton, 14, was candlelighter, and Ann Kay Dalgas was flower girl.

Robert Erickson, Wakefield, brother of the bridegroom, was best man. Ushers were Frank Hladky, Tobias Glibber, Omaha, and Rex Grossart, Cairo, 11, at the First Congregational church in Grand Island. Dr. Frank Peyton read the double-ring lines.

navy blue crepe with white accessories.

A reception was held at the home of the bride's parents. Mrs. Verne Dalgas poured, and Janet Pepper and Mary Jane Powell cut the cake. Shirley Lumbard was in charge of the gifts and Helen Camaras had the guest book.

The bride attended Doane college as did the bridegroom. The bridegroom spent 18 months in the navy and is now teacher and basketball coach at Broken Bow.

For her going-away ensemble, the bride chose a navy blue summer suit with beige accessories. After a trip to Colorado, the couple will live in Broken Bow.

and four prizes in colored wore Jeanette Kitchner, Donna Wischnor and LaVonne Echtenkamp, Verlene Magnuson, Delores Anderson and Charm Volters. Girls who won first and second in white were Jeanette Anderson and Joleen Carlson. Joleen Carlson and Jeanette Anderson practiced a demonstration to do at the fair on laying the table, and Jeanette Kitchner practiced how to sprinkle clothes and arrange for ironing. The next meeting will be Aug. 17 with Cynthia Buehner at 2 p.m.

Scramblers met Aug. 17 with Cynthia Buehner and roll call was answered by a health tip. Questions were filed out in the "How do you do" leaflet and members were weighed and measured for the health record. Jeanette Anderson and Joleen Carlson practiced the demonstration for the fair and the next meeting, Aug. 24, will be achievement day at which members will display exhibits.

Clean-up Should Start in Washington

(Editor's Note: The following was written by Jack H. Lowe in his column, "The Love Doctor" published in the Sidney Telegraph. We heartily agree with his views.)

I'm not one of those who goes along with the distinguished Senator who wants football abolished at West Point because they caught most of the football team cheating at exams. He might as well advocate that we do away with the government in Washington because some of our elected and appointed performers in high places have been playing grabs with the public money.

Not that I condone kids who take the easy way of getting through school but, in the final analysis, they are only emulating a pattern which has been set for them by their elders. Public mortality has dipped to an all-time low in these United States and it certainly is no surprise to learn that college kids have been infected by the same bug which has hit the folks who should be setting the example for young'uns.

It isn't heartening to learn that the nation's future generals have been slipping through West Point with a minimum of effort but it isn't upsetting me to the point where I want to burn the military academy to the ground. I find by reading the papers that a goodly number of senators and representatives are incensed but I would like to suggest that they clean up the crooked mess they have been sprouting around them in Washington before they cast about for new fields to purify.

If the kids of today have lost sight of righteous living you can chalk up a big goose egg for their parents and advisers who should have been paying more attention to their jobs. I hate to admit it but kids were cheating at exams when I was a kid, too, and they also were smoking marijuana and turning over automobiles. The mould hasn't been changed—only the degree and tempo of living. We do everything on a bigger scale nowadays so instead of cheating mildly at exams or puffing cautiously on a reefer, the kids go all out. They're trying to keep up with the old folks.

This nation could stand a stern re-appraisal of its moral standards, and the job should start in Washington. If politicians and their hangers-on are going to make hay while the public digs deeper and deeper to pay for their didoes, then we can't expect our kids to maintain a Sunday school and tea party pace. We're all so busy trying to make a little more money that we can't take time out to try to repair the dike before the waters of corruption flood the whole country.

No, Senator, I can't go along with you in your outraged blast at West Point. A few kids have been caught cheating and you would make an example of them as a lesson to the nation and the world that the United States will not stand for anything which smacks of dishonesty. You have the right idea, Senator, but you're starting at the wrong place.

Let's not try to cure the nation's ill by kicking a bunch of naughty boys out of school. Before we're serious about halting the cancer before it condemns the entire country, let's get at the heart of the sore. Let's weed out the crooked politicians; let's throw the bigtime gamblers behind bars; let's put some teeth into the laws governing dope peddling to kids. And let's elect men and women to public office who command the respect of the people and are willing to work diligently to preserve that respect.

The first barrel of apples we should clean out is in Washington. There are plenty of good apples in the bunch, but there are far too many bad ones. There's an old saying that when a fish starts spoiling, the stink comes from the head. Most of the internal odors one finds in this country are originating on the banks of the Potomac. When that condition is corrected, perhaps our kids will take the hint.

Way Back When...

30 Years Ago
Aug. 25, 1921—During the past week the concrete base for the paving has been completed and the laying of brick has started. The Herald is informed that the new brick smokestack at the city power plant which is going up rapidly, will be completed and ready for use by Sept. 4. The new chimney, replacing metal smoke stacks of short life, will last unpaired for many years. The business men on the east side of Main street defeated those on the west side in the ball game played Wednesday afternoon by a score of 28 to 21. The finals in the golf tournament for the city championship were played last Sunday when F. S. Morgan defeated W. C. Hunter, 6 up and 5 to go. William Kay, sr., and his son, Clarence Kay, started a truck line from Wakefield to Sioux City this week.

25 Years Ago

Aug. 26, 1926—Henry, Herman and Lorenz Kay have organized a company to establish and develop an amusement park on a 25-acre tract of ground a few blocks southwest of the bridge on lower Main street. Foundation for the addition to the grandstand at the Wayne county fair grounds is in and construction of the superstructure will be started next week. The original grandstand seated 1,200 and with the addition the capacity will be increased to 1,800. The new radio broadcasting station at The Wayne hospital is ready and in operation for testing. Dr. S. A. Lutgen has secured the services of Merritt Shum of Clarinda, Ia., for operating the sending set. The Joe Baker car, driven by Ralph James and Mrs. Lillie Morse's car, driven by Ralph Morse, collided at the intersection of Pearl and Third streets in Wayne Friday afternoon.

20 Years Ago

Aug. 20, 1931—Graveling of the newly graded road from Winside eight miles east to the start of highway three miles south of Wayne is well under way, about half being finished at this time. F. G. Dale, with first honors in the championship flight, defeated Charles Smith of Norfolk in the finals of the invitation golf tournament held in Norfolk Sunday. Margaret Shemel plans to leave Friday for a trip to Mexico, then to New Orleans and Vera Cruz. When a gas line broke in the plane he was flying over Wayne Wednesday last week, Ervin Erxleben made a forced landing and brought the plane down in the Weber pasture south of town without any difficulty. Registration for high school students in the Wayne public school will be held Friday and Saturday and school will begin Labor day, Sept. 7.

15 Years Ago

Aug. 27, 1936—For the second time this season Jack Morgan of Wayne, on Sunday won the "short-stop" golf tournament sponsored by the Meridian Heights club at Norfolk. Wayne county farmers this week received \$37,000 in benefit payment checks in the AAA program. David Sanders, Ponder, junior at Wayne State Teachers college, placed first in the men's division of the Midwest tennis festival at Creighton university in Omaha last Thursday. Mary Louise Crouch, who holds a master's degree with a major in library science from the University of Illinois will take the place of Mildred Snyder as assistant librarian at Wayne State Teachers college. The main objective of the Resettlement administration is to rehabilitate farmers who have come up against a "stone wall" because of crop failures, hail, drought, insect pests and financial losses.

10 Years Ago

Aug. 28, 1941—Mrs. R. W. Casper and Mrs. Clarence Wright plan to leave Sept. 6 for Victoria, B. C., to attend the supreme convention of PEO which is in session Sept. 9 to 12. P. A. Theobald has resigned as manager of Pullerton Lumber company yard here and Dave Theophilus, in charge of the Pullerton yard in Carroll, will become manager here. Dick Gifford, son of Mr. and Mrs. Dallas Gifford, underwent an appendectomy Tuesday. Zoning is planned for Wayne business and residence sections so as to protect property owners. Project application for the proposed NVA girls' training center in the A. V. Teed property near the court house was filed out yesterday and sent to Lincoln for approval. John Ulrich caught a mudcat in the Elkhorn at Pilger Saturday, a fish weighing 17½ pounds and measuring nearly three feet in length. Frances Denesia resigned her election to teach in district 78 to accept a position in Newcastle.

In Bookland

by Mrs. F. A. Milder
City Librarian

THESE ARE THE AUGUST DAYS WHEN there is time at the library to make new posters, to catalog books, to file cards and to do those hundred and one other jobs that never seem to get done. Soon school will be starting again and the circulation will increase until there isn't a moment to spare for the routine tasks. Yes this is the time of the year when they should be done but it is like pulling teeth. We sit and stare at the mountains of work and feel like the man who said he wasn't afraid of work—On no! He could sit right down beside it and go to sleep! Perhaps these are the vacation days and we are feeling the need of a vacation... we might even slip away for a few days and find out if the sunshine, rest and fresh air tonic will help. So if you call at the library and the librarian isn't around you will know she is out looking for the rejuvenation to carry her through the winter.

JUST ARRIVED IS THE LITERARY GUILD book for September "Oh, the Brave Music" by Dorothy Evelyn Smith. The critics have compared this book to "A Tree Grows in Brooklyn" and "I Capture the Castle." They are not alike in story content at all but perhaps they have the same appeal, especially to women readers. This one is an English story which charms the reader as the author has skill in her story telling. For a first novel it seems to be destined for success. We have also just received some new books on craft and wood-carving for our classes for next winter. Anyone wanting a preview of these books may ask at the office but they will not be put into circulation until the hobbies group has had a chance to see them.

AS LAST WEEK WAS RAINY THE RECORD player was worked overtime again. Any week when it rains we can depend upon the circulation to rise and the children to flood the library where they look at pictures and play the records. Anybody have any new records to donate? If the children don't get tired of listening to the same ones, the librarians certainly don't.

West Point Nine Captures Legion Midget Tourney

Wayne Drops 5-4 Thriller To Champs

Breaking loose for six runs in the bottom of the sixth inning, West Point capped the American Legion midget baseball tournament finals at the Wayne ball park last Wednesday night with a 10-4 victory over Oakland.

West Point gained the finals by downing Wayne 5-4. Oakland was forced to go an extra inning before taking its semi-final battle from stubborn Lyons, 7-6.

West Point grabbed a 2-0 lead in the first two innings but Oakland rallied for three runs in the top of the third. West Point knotted the count in their half and went ahead 4-3 in the bottom of the fifth. Oakland made it 4-4 in the top of the sixth but the champions exploded in their half for six runs on four hits.

Wayne and West Point put on a rough battle in their semi-final tilt. Wayne missed a chance to run the game overtime in the last of the seventh as Vogel missed the plate with the tying run.

Both Oakland and Lyons scored in the extra frame of their tilt. Lyons got one run on two walks and a single by L. Zimmerman. Stanton was the hero for Oakland as he sent a long fly to right field that scored two runs in the bottom of the eighth. The game was tied at 5-5 after the regulation seven innings.

State Deer Season Opens December 8 In Picked Counties

Lincoln—The period Dec. 8-17 has been selected by the Nebraska Game Commission as the inclusive dates for the state's third consecutive deer season. This announcement was made at the recent meeting of the Game Commissioners in Lincoln.

The hunt will be held in Dawes, Sioux, Scotts Bluffs, Morrill and Banner counties with the exception of the Wildcat Mills Big Game refuge in Scotts Bluff and Banner counties. Chadron State park in Dawes county and federal refuge areas in all open counties. Hunting hours will be from sunrise to sunset. One male antlered deer with a fork on at least one antler will be permitted each hunter.

New changes in the regulations were: (1) No deer may be transported outside of the open designated county unless the official metal deer seal has been first attached; (2) Deer taken must be immediately tagged after killing on antler with signed hide tag and delivered to a scaling and checking station with the hide and head intact; (3) No shotguns will be permitted, and (4) Any deer hunter violating any hunting regulations during season will forfeit his official deer permit.

A group of 1,200 big game hunters, an increase of 200 over 1950, will be granted permits for the December hunt. Interested sportsmen have until Aug. 31 to obtain official application blanks for deer permits from the county clerks offices, conservation officers or by writing to the Nebraska Game Commission.

A drawing will be held on Sep. 15 to determine the 1,200 permit holders.

Norfolk Drops 3-1 Tilt to Wayne

Although out to seven to five Wayne's Elkhorst Valley baseball team took a 3-1 decision from Norfolk at the latter's park Sunday night.

Two safe bunts and an error in the sixth inning gave Wayne the margin. Babe Berka, former pitcher for the Wayne Collectors, struck out 12 Wayne batters. There were nine errors in the game, four by Wayne.

Midgets and Dads To Picnic Tonight

All Midget baseball players who participated during the summer, and their fathers, are invited to a picnic to be held tonight (Thursday) at the country club at 6 p.m.

Everyone is asked to meet at the ball park at 6 p.m. The picnic will be held at the country club at 6:15 p.m. Transportation will be provided for those who do not have cars.

Norfolk Wins Shutout From Legion Nine

Gale Mussiman was too much for the Wayne batters as the Norfolk pitcher led the visiting Junior Legion team to a 14-0 victory over the Wayne Juniors on the local diamond Sunday afternoon.

Wayne used three pitchers in an effort to stem the tide. Palmer, Henegar and Skehan went to the hill, with Palmer getting the loss. Center-fielder Wehrer touched Mussiman for two singles in three trips to the plate to lead the offense for Wayne. Johnson of Norfolk got the only extra base hit, a triple in the fourth.
