Amos Rosacker s twent the past to refer has been much talk during the past car of the need for small industry in Wayne, ome effort has been made in this line but only individual citizens working without sponsorship for any organized group.

Much can be done about attracting healthy addistry to Wayne, but there is much to be done afforce any industry is likely to move to our town. The complete picture is well-discussed in the following reprint from the Bridgeport News-Blade:

"Hardly a week goes by but that some person loss not drop theiremark to us that "what Bridgeott needs is small industry".

"We'll agree. To survive, many small cities are

We'll agree. To survive, many small cities are to have to rely on industry to hold popular and maintain and increase trade. But there industries.

\* \*

15 Years Ago

Jan b 1941.

"This was brought to light at the recent Ne-braska Industrial Symposium held in Lincoln, where one of the main speakers, J. O. Peck, Co-tumbus civic leader, outlined the success of his city in securing a number of small manufacturing and distributing plants.

protection are provided.
"In addition a brochure was prepared with all essential information. This, would include labor supply, transportation facilities, housing available or passible, electric, gys and, water resources, etc.
"Peck also brought out that it is "important that a community have a meeting of minds and complete unity among the people". This was an essential factor in attract-

NO KNOCK

FAST STARTS

ing fourteen new industries to Columbus in the post ten years.

"In addition to all this, there is the possibility of local people financing and developing small industry. But not too often the mortality rate among these industries is high.

"So, if the people of Bridgeport, or another small community, think that industry is just going to move in, they'd best reconsider.

"If these people really want to attract industry, it will take plenty of planning, work and leadership—and some financing. It can be done. Other towns have proven it.

# Way Back When . . .

30 Years Ago
Jan. 7 1926: Mr. and Mrs. C. C. Bastian, Wall celebrate their golden wedding anniversities permits their children Jan. 71 1926: Mr. and Mrs. C. C. Bastish, Wlayne, will celebrate their golden wedding anniversary Jan. 16. If the weather permits their children will be home for the occasion. One hundred member club held a dance Monday evening in the Wayne Community house. The number of marriage licenses issued by County Judge J. M. (Chelry in 1925 was 73, in 1924 it was 46 and the number in 1923 was 64.

where twice leader, purined unable civic leader, purined with securing a number of small manufacturing and distributing plants.

"First; Columbus acquired a sizable tract of land adjoining the civit to offer as industrial sites.

"Second: local financing erected three buildings which were made available to me industry.

"Third; all utilities, railroad siding and fire protection are provided.

"In addition a brochure was prepared with all additions a brochure are available.

"In addition a brochure was prepared with all additions are additions as a second as of closed of the second and a control of the second and a c

City Librarian

STORY HOUR BEGINS THIS WEEK. TODAY at 3 p.m. bithe little pre-school folks are all welcome. If there are any in your family this is an opportunity to introduce them to books and the library. Saturday children of school age have their hour. We are planning to use a series of filmstrips as a part of our program each Saturday. There is the complete history of Nebraska from the lime of the coming of the white man all on film and we will feature stories of early days in the west. Walso have filmstrips based on the Landmark series of hobks which the volunteers find so [accination.

OUR FILM, THIS WEEK IS "GOLDEN GLOVES Across the Sea." We are showing it Thursday evening at the library but it will be here until Saturday so if anyone is interested in borrowing a boxing film call the library and reserve your date and time.

ool teachers will be interested the International Lesson Ar-are the lesson texts, side by I lames and Revised Standard n. inc, king James and kevised Standard ver-For every lpsson this year there are these c helps: text, explanation, application and ag suggestions. In addition there are maps ne drawings articles on special days, daily reading and audio-visual resources.

vou think you can't afford a big-bodied, bigpowered, pig-muscled Buick like the one shown here—we'd like to set the matter straight.

If you can afford any new car, you can afford this strapping and stunning Buick Special Sedan—and

For this Buick is tagged within a few dollars of the well-known smaller cars—and actually costs less than some models of those very same cars. The price we show here proves it.

So maybe you can understand why Buick-for two years running now-has outsold every other can in the land, except two of those well-known smaller

But low price is just part of the picture.

Hig reason for Buick's soaring sales sweep is that folks are finding here a lot more automobile for the money — more style boldness, more power thrill, more ride stability and more solid structure than the same dollars buy elsewhere.

passenger Buick Special Sedan, Model 48, illustrated, and ocal taxes, additional. Prices may vary slightly ng communities. A wide variety of extra-cost equipaccessories available at your option.

Just ask yourself: wouldn't you rather go traveling with the lift and life and pace and poise of a stunning new Buick—when it's all yours at just about the price of a smaller car?

If your answer is yes, then the time is now-

Drop in on us this very week-tomorrow would be fine—and we'll scat you at the wheel of the biggest and most beautiful bundle of high-powered Buick ever offered in America's low-price field.
