This sweet, smooth and sassy new Chevy has its own built-in "dollar-saver"—America's favorite six!

Hard to believe? But this big Beauty is a bottom-priced Chevrolet "One-Fifty." It's got Body by Fisher quality written all over it. And it has a peppery, sweet-running "Blue-Flame" six under the hood to make your gas stops few and far between.

Like all new Chevis, it brings you a very special sureness of control. This is a quality that just can't be measured in dollars and cents. Lots of cars that cost lots more just don't have it. Come in and see how much pleasure we're passing out these days at Chevrolet prices!

'Big beauty with small-budget ways!'
It's powered by Chevy's famous six.

The "One-Fifty" 2-Door Sedan with Body by Fisher—one of 20 beautiful new Chevrolets for 1957!

Only franchised Chevrolet dealers display this famous trademark
