HOW WE BECAME "EAGER BEAVERS"

Ever wondered how we came to be tagged "eager beavers"? If you think it's because we're so industrious, you've been hearing a lot of tail thumping on a hollow log. The real story is this.

One day we were building our house. Suddenly we spied the rabbit who turned out to be Blue Bunny, hopping along through the woods with a bucket of ice cream under his arm. He stopped and asked if we'd like to try some. We said sure. It so happened he was carrying Blue Bunny Burgundy Cherry. Well, one taste of that delicious cherry flavored ice cream, mixed with big, ripe, juicy, Burgundy cherries and that was it. You'd never guess a happier group of beavers and we've all become eager eaters of Blue Bunny Burgundy Cherry ice cream. It's our favorite!

What's great about Blue Bunny's Burgundy Cherry ice cream? It's Blue Bunny Burgundy Cherry ice cream. It's Blue Bunny Burgundy Cherry ice cream.
