Start Enforcing New No Parking Ordinance

WAYNE POLICE WILL START enforcing the city's new no parking ordinance this week, Police Chief R. H. Hansen said today. The map above illustrates the streets throughout the town's residential areas affected by the new law. Sides of streets shaded with heavy black lines are those where no parking will be in effect at all times. Signs have been posted on all the affected streets.

County Judge David J. Hamer also announced that his policy on sentencing no parking violators would be a minimum-fine-of \$10 and costs. The streets involved are the east sides of Sherman, Pearl, Main, Logan, Nebraska and Windom and the south side of Seventh Portions of Tenth, Eleventh and Twelfth are also involved.

Expect 200 Women Here at the Expect 200 Women Are expected in Wayne next Thursday for one of a series of homemaker recognition days scheduled in Kansas, Nebraska and Howa. The event will be sponsored by the Wayne Chamber of Commercia in cooperation with the NE Nebraska agricultural extension server. Isosophic the Expect 200 Women Here at the Expect 200 Women Here at the Expect 200 Women Monday afternoon. Funeral arrangements were not available at pressitine Wednesday. He was found by Mr. and Mrs. Emil Christiansen, who were driving past and saw his body on the cooperation with the NE Nebraska agricultural extension server.

MARCH 31, APR 1 - 2 EARLY SHOW at 6 WEDNESDA'

LOW OVERHEAD

What it means to you in lower prices!

Voget is out of the high rent district, has no salesmanager, no salesmen to whom he would have to pay a salary and commission, and no floor man or women.

Only at VOGET'S PIANO HOUSE, 414 E. 5th St.

can you buy new Kimball consolettes, style 57, one of the most beautiful pianos made, in beautiful Autumn Walnut for only \$720. Let Voget show you the factory retail price list and you will find that Voget's price is over \$200 less and that Voget will not only sell one at this low price, but all he can sell.

nese pianos are 38" in height, they have the fam-These pianos are 38" in height, they have the tamous Kimball patented Direct Blow Action, they have the Kimball patented guaranteed for life Crowned Tone Board, can never go flat. It is laminated, will never split or crack open. Most of the pianos are not built this way. Then the tone board has 11 ribs where most of them have 10 and some have only 9 ribs.

Voget went to Melrose Park, III, last year to the Kimball factory, one of the finest and largest, and when they heard Voget's story and investigated it they transferred the agency to the Voget's Piano House. Now you can buy Kimballs for a lot less money.

Remember every piano that Voget sells carries a ten-year factory guarantee and Voget's 90-day money back guarantee. Voget also guarantees that the child can learn or you get your money back. Voget carries pianos in stock.

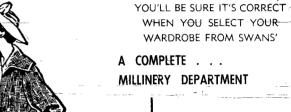

Kimball pianos have been made for over 100 years id are one of the largest selling pianos in America.

Voget has the finest equipment to move pianos with. Yes, it has rubber wheels so it cannot scratch

How Much Money **Should You Spend** For A Suit?

A Guide . . .

For Your Easter Suit Selection Many stores offer suits at this price, aiming at the customer who must consider price, but still wants a suit he can wear safely. A \$40 suit can be reasonably

\$40

\$50 \$55

Ten dollars more makes a whole of a difference, in Ten dollars more makes a whale of a difference, in better fabrics and added workmanship. The quality look of a \$50 suit can amaze you and it CAN BE a wonderful buy. But it depends where you buy it. If it's among the top-priced suits at a particular store, watch out! Our Curlee suit selection is a handsome one . . and these suits which cost only \$50-\$55 look. much more expensive. Your own particular needs are of first importance when we help you select a suit.

\$65

In this price range you should look for superior fabrics. And when you try on a suit in this field, you should be able to sense superior fit and "Feel" that added tailoring brings (what people in the trade call a suit's "expression") A sure guide in this price bracket is a reliable brand, one that is irrevocably comket is a reliable brand, one that is irrevocably com-mitted to constant standards of fit, style and quality—and one with a loyal customer following it must protect! J. Capps & Sons is such a brand... one of the leaders in this field, and offers many fabrics associat-ed with only the most expensive suits. Try one on; we promise the fit and feel of a Capps suit will delight

suit he can wear safely. A \$40 suit can be reasonably serviceable, initially appealing and in keeping with current style dictates. We have combed the market to find the best values available in the price range and you will be amazed at the fine fabrics and workmanship we offer you in our \$40 suits. It is always reassuring to know that any suit purchased from Swans' must be satisfactory in every way.

THIS NEW CATTLE BARN, made by concrete tilt-up construction is located at the NE Nebraska Experiment station, Concord. The barn is 276 feet long, but plans are to increase the length another 192 feet next year in an effort to accommodate more cattle. Animals now housed

in the barn are being used in a study comparing feeding value of chopped alfalfa hay vs. pelleted forms in a wintering ration. It's all part of the expansion, program now going on at the station, which also includes possible construction of a new headquarters building and combined laboratory.

Bill Lueders

Can't Catch Fish

No one would rather catch ish than Bill Lueders, which is omething all fish know. But ill likes to walk around the tore and listen to ladies' cominents on how nice is the hering, on the new low price on anned goods, the freshness of is vegetables.

Now Bill takes these memories with him when he fishes and gets sad when he can't hear them. In his daydreams he forgets to yank the line and the fish earl his bait and swim merrily away to grow fat for someone else. Which Bill don't mind a bit, if he can get back to the store to get more bargains for thrifty housewives.

Legion Sets Meeting

Plans for Meeting
Plans for Memorial Day services
will be made at the next American
Legion meeting, Adjutant Don Miller said Tuesday.
The meeting is slated for 8 p.m.
Wednesday evening at the Legion
hall. Miller asked that each Legionnaire make a special effort
lo-attend.

Wool Incentive Price Continues at 62 Cents

ACC Chairman Carl O. Sundell reminded wool growers today that the incentive price for wool during the 1959 marketing year 1s 62 cents a pound, the same as during the current 1958 marketing year The new year will start Apr. 1 and end Mar. 31, 1960.

Sundell said the USDA makes no recommendation whether wool should be sold before or after Mar. 31, when the current marketing year ends. That is a decision for the individual producer, based on market situation and other factors. After the 1958 marketing year ends Tuesday, farmers have 30 days to submit applications for payments to be made this summer and fall. On sales made after Tuesday, payments will be made in the summer, and fall of 1960.

Brownie Troop 130

Wayne—Brownie Troop 130 met with Mrs. Gordon Magdanz Monday, Mrs. William Kemp was co-hostess. New officers elected were Linda Doring, president; Marcheta Engle, vice president; Deanna Jorgensou, secretary, and Scarlet Magdanz, scribe. The girls dyed Easter eggs. Apr. 6 meeting will be with Mrs. Magdanz.

Social Security Agent
Slates Visit Next Week
A representative of the Norfolk
Social Security office will be at
the Wayne courthouse from 9 a. m.
to noon next Thursday.
Persons reaching retirement age
this year and expecting to earn
\$1,200 or less are urged to apply for
Social Security benefits about a
month before their birth dates.

Leader Training Meeting

A training meeting for Winside and Hoskins extension club leaders will be held at 1:15 p.m. Wednesday at the Mrs. Earl Anderson home north of Hoskins.

County Home Agent Myrtle Anderson holderson will present materials or the bread baking lesson to be presented at April club meetings.

Fremont Man Speaker at Kiwanis Meeting Monday District LL. Gov. Erwin Vonderlage, Fremont, was guest speaker at a Wayne Kiwanis Club meeting Monday at Hotel Morrison. Dr. Loyd Jensen and Wayne Marsh will be local club delegates to the international convention at Dallas, Tex. June 14-18.

What Is An American?

What is an American, anyway?

He yells for the government to balance the budget and then takes the last dime he has to make the down payment on a car.

He whips the enemy nations and then gives them the shirt off his back.

An American gets scared to death if we vote a hillion dollars for education, but he's cool as a curumber when he finds out we're spending three billion a year for smoking tobacco.

Lie yells for speed laws that will stop fast driving, and then won't buy a car if it can't make 100 miles an hour.

Hiles an hour.

He gripes about the high prices of things he nas to buy, but gripes still more about the low prices of things he has to sell.

He knows the lineup of every baseball team in the American and National leagues — and doesn't know half the words in "The Star Spangled Banner."

An American will get mad at his wife for not unning their home with the efficiency of a hotel, not have the hotel for not operating ike a home.

a nome. He'll spend half, a day looking for vitamin

Way Back

O Years Ago
Mar 28, 1929: Wayne will have talking motion picruss F. E. Gailey, proprietor and manager of the
ay theatre, has bought a talking picture machine
be installed in the theatre. The first talking pictre will be shown May 12. Rollie W. Ley left
cornessing for Chicago to attend a conference of
the American Bankers association. Wayne grade
public participated in a marble tournament before
the of the past week. Pupils of the seventh grade
officipated in Class A. Lloyd Dotson won the boys'
the by defeating Howard Kilborn. Louise Heidensch won the girls' title by defeating Ruth Rhodes.

Carbart wife early the property of the prop

When ...

pills to make him live longer, and then drive miles an hour on slick pavement to make up for time he lost.

An American is a man who will fall out with his wife over her cooking, and then go on a fishing trip and swallow half-fried potatoes, bunt fish and gritty creek water coffee made in a rusty gallon bucket — and think it's good.

When an American is in his office he talks about baseball, football or fishing, but when he is out at the games or on the lake, he talks business.

In America we have more experts on marriage in any other country in the world — and more

But we're still pretty nice folks. Calling a person "a real American" is the best compliment you can pay him. Most of the world is itching for what we have, but they'll never have it until they start scratching for it the way we did.

WAYNE SKELGAS SERVICE

Jeed Corn Sales

Of 1958 in Many Areas

HIGH NITROGEN fertilizer on your pasture this spring will increase forage yields substantially. Say agricultural farm managers. Results will be especially notice, able on pastures that haven't been fortilized in recent years. Not only will you benefit from more grazing, but the protein content of the grass may test over 20 percent early in the season and continue at a higher than normal level through the some experiments. 500 pounds per acre of 16-8-8 mixed fertilizer, increased pasture forage yields 3½ tons per acre.

SEED CORN SALES are running percent ahead of last year wareas of the Corn Belt.

If feldmen report. This increase are the corn acre are this spring. Though no severe shortage of steel is likely to develop, just the later through the content of the corn acre are this spring.

Though no severe shortage of steel is likely to develop, just the later through the corn acre are this spring.

NAL SAVING YOU MORE

SERVING YOU BETTER

Wakefield

Watch it pulverize the hardest ground, smooth your roughest field into a mellow, level seedbed. See it roll over rocks and stumps with ease.

A semiflexible frame and spring-cushioned gangs permit the No. 241 to climb over a stone like a caterpillar. No damage to blades or other parts. Your tractor doesn't have to hoist and drag it across an obstruction. Yet, it's rigid enough, strong enough, heavy enough to cut the toughest surface.

Buy an all-purpose Oliver and you'll have full angle cutting, thorough shredding of trash, accurate depth control in any soil. You'll cross waterways, travel to and from fields easier. You'll get prelubricated, sealed-forlife disc and wheel bearings. Built in four sizes—9½ to 13 feet.

SCHROEDER'S STORE

day afternoon. Mr. and Mrs. Lawrence Carlson were there Thursday evening.

Bob Barge accompanied his father to lowa on a business trip Wednesday. They returned Friday with Mrs. Barge and children.

Mr. and Mrs. Bud Erlandson and Linda were Sunday dinner guests in the Bob Mortenson home. Cherokee, Ia. They also wisted Mrs. Frlandson's parents, Mr. and Mrs. C. R. Ash spent Wednesday. Mrs. R. O. Mortenson. Mrs. G. C. A. Bard. Mrs. G. C. A. Bard. Wednesday and Mrs. Francis Fenton.

Mr. and Mrs. E. E. Hypse, who returned Thursday evening from a four-month stay in California, were dinner and supper guests Sunday in the Lawrence Ring home. C. F. Sandahl was also there.

For C. L. Bards' wedding anniversary and Mrs. Bard's birthday Wednesday, supper guests in the Bard home were Mr. and Mrs. Lawversary.

Tough-built Chevy truck bulls its way deep into the woods for mammoth loads

This big Series 60 Chevy bulls its way as far as 8 miles into the Louisiana woods, fights over ruts and jagged stumps...then grinds back out with towering loads of logs! The Sabine Lumber Company attests to the truck's ability to take it: "Chevrolet makes the best truck for our type of operation."

Out where a truck is known for the beating it can take, Chevy's making friends fast. Truckers like the

way these toughies hold up; the way they wade right in, take their lumps, yet stay in shape.

Today, it's grit that Chevy's showing the trucking industry. Real toughness that pays off in jobafter-job dependability... in ability to get work done at least expense. You can match Chevy muscle against any tough light, medium-or heavy-duty job and know you've got it beat!

Your Chevrolet dealer's ready right now to meet your special work requirements. Stop by and see him soon.

No job's too tough for a Chevrolet truck! CHEVROLET

The wider the track...

the better the ride!

Slide in behind the controls of this gorgeous automobile, pull away and feel what happens-or doesn't happen-at the first curve or

corner. Less lean. Less sway. Wide-Track Wheel design is the reason. No other car, only Pontiac, has it. The wheels are five inches farther apart. This widens the stance but not the car. You're

steadier, balanced, more secure. Narrow track cars can't match it. This is a big year for Pontiac—with many more to come. It

can be your big year, too, Get a bright new Wide Track Ponting

from a dealer and take it out for a drive today.

home.

Friday afternoon visitors in the
Rollie Rennick home were Mr. and
Mrs. Jack Milligan and family,
Wayne, Mrs. Tom Milligan, Mrs.
Jun Rennick, Mrs. Roderick Chris-

Ray Kling Tells New **Use For Leftovers**

From Easter Hams

Leftover ham probably will appear in various guises after Easter dinner, but few main dishes have more appetite appeal than this Vegetables with Ham Sauce, according to Ray Kling, local salessman of the Meadow Gold Dairy, It's hearty and filling, yet not too high in calories since skim milk is used in making the sauce.

The recipe was developed by estrice Cooke, director of the eadow Gold test kitchens in Chi

Vegetables with Ham Sauce (Six Servings)

1 medium head cauliflower, cooked
Or 2 packages frozen broccoli, cooked
14 cup butter
14 cup butter
14 cup flour
Dash pepper
1 heaspoon-prepared mustard
2 cups skim milk
12 cup finely sliced celery, cooked
1 cup ground cooked ham.

Melt butter in saucepan, stir in flour, pepper and prepared mustard Gradually add skim milk cook over low heat, stirring constantly, until smooth and dhickened. Add celery and ham; heat until hot. Spoon over hot vegetable, Sprinkle with paprika, Garnish with shees of hard-cooked eggs and strips of pimiento.

ED WOLSKE AUTO SERVICE

Mrs. Bruggeman Honored at Hoskins P-TA Meet Tuesday

'I See by the Herald'

STATE FARM MUTUAL AUTOMOBILE INSURANCE COMPANY
Mome Office—Ricomington, Illinois

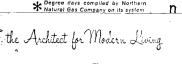

Place | The Mark | Thomas | A. 1997 | Market | The Sales | ## Hoskins P-TA Meet Tuesday ## Hoskins | Place | The Sales | ## Hoskins | The Sales | The Sales | ## Hoskins | ## Hoskins | The Sales | ## Hoskins | The Sales | ## Hoskins 1957-58 Ω 1958-59 -20 30 -40 aren't you glad you heat with modern natural GAS

be telling your grandchildren how it was back in '59. That's how cold this winter has been.

December and January had 2953* degree days — the degrees of heat it takes to keep the temperature at a comfortable level. Last year, these same months had only 2321* degree days. It has meant higher heating bills for everyone. But our customers who heat with natural gas are still saving 15 to 20% over other fuels.

You save money with natural gas—and you get a world of convenience never dreamed possible in old-fashioned days. A touch of your finger and every corner of your home radiates with warmth and comfort. No matter how much snow and ice clog the streets.

For cold weather you just can't beat economical, clean, dependable,

Plain talk to the man who thinks "all cars are built alike today"

"The one thing we know car buyers want above all in an automobile is quality. Yet many people assume that all cars today are pretty much the same

LEMMT JUDGE in this respect.

This is far from being the case. I can name at least 30 basic differences in the design of our '59 Mercury. Naturally, we feel these differences make Mercury a better car. For example:

EXTRA STRENGTH STARTS WITH THE FRAME The backbone of every Mercury is the frame. We use a heavy box-type construction—the heaviest in the industry. Competitors uselframes that are up to 125 pounds lighter.

WE BUILD QUALITY YOU CAN SEE

struction. This type of hood can be twisted and turned with the slightest pressing—often flutters and vibrates when the car is in motion. At Mercury, on the other hand, we use a double-panel construction—two layers of steel with the insulation sandwiched in between. Not only is Mercury's hood more rigid, but it looks better. YOU FEEL THE QUALITY WITH EVERY STOP

adjust themselves mechanically. You save money by eliminating periodic adjustments. And you are safer because Mercury brakes stay properly adjusted for the linings.

...AND EVERY TIME YOU TAKE THE WHEEL

shocks that would otherwise travel up to the steering wheel. Mercury, unlike some cars, gives you this with either manual or power steering.

WE HAVE PLENTY OF PROOF THAT THIS IS THE BEST-BUILT CAR IN AMERICA TODAY

THE BEST-BUILT CAR 'N AMERICA TODAY We know it is the greatest Mercury ever designed and built. Never in Mercury's 20-year history have we had so much value in the product itself, Mercury has advantages everywhere bver competition. The four described on this page are only typical. In future messages I'll tell you about dozens more—in styling, comfort, in everything you want in a car. more-in styling, comforthing you want in a car.

FARMERS FEEDERS BUSINESSMEN

Of Northeast Nebraska

(Especially Concord Township)

WILL GET YOU

When You Buy A Membership In The Northeast Nebraska Experimental Farm Ass'n.

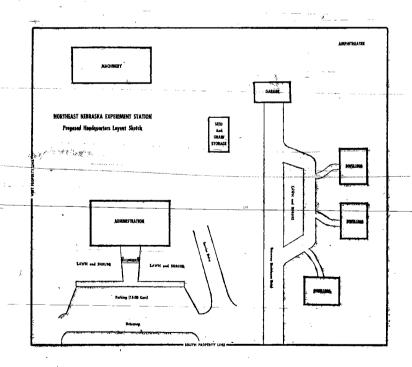

Here's What We Need

Nebraska have been working together for several years to pro-mote the Northeast Nebraska Experimental Station. Two years mote the Northeast Nebraska Experimental Station. Two years of crop variety testing and one year of cattle feeding experiments have been completed. Expansion of the present program and addition of new fields of research now require an additional staff and added building facilities. An administration building is necessary to provide office and laboratory facilities for the present and future staff of the station. It would provide space for group meetings and thereby add greatly to the effectiveness of the experiment station program.

Here's How We Can Get It

Mr. C. D. Haskell, Laurel, Nehraska, has generously proposed the following offer to the Northeast Nebraska Experimental Farm Association and the University of Nebraska:

- If we farmers, feeders and businessmen buy 1,000
 memberships at \$25 each for a total of \$25,000,
 Mr. Haskell will match this amount for a total of
 \$50,000.
- The University of Nebraska will then match this amount for a grand total of \$100,000 to be used for buildings at the Northeast Nebraska Experi-ment Station at Concord, Nebraska.
