15 Percent Increase Expected In Enrollment at Wayne High

Roy Enroll

80 Freshmen

About a 15 percent increase in high school-envolument is expected at Wayne High for the opening of the 1859-89 term Monday, Supt. E. W. Willert said today.

The superintendent said about 240 high school students are expected to enroll. This compares with 210 last year. Biggest influx will be in the freshman class, where 80 students are anticipated. There were only 52 freshmen läst year. Grade enrollment is expected to be about the same as last year's 290. Classes will get underway at 9 a.m. Monday under a shortened schedule. Dismissal will be at 11 a.m. and 3 p.m. The same schedule will apoly to the Carroll grade school, Willert said.

Harold Osbon, new instrumental music instructor, has called a meeting of the senior band at 8 a.m. Monday at the band room. The band will perform at the Nebraska State fair next Saturday. Osbon comes to Wayne from Lyons. The only other new instructor on making. Buth Rosconner, the proposal of the plant and algebra. The only other new instructor on making. Marchant, Mary Ellis, science; Harold Macters, and provided the pand room. The band will perform at the Nebraska State fair next Saturday. Osbon comes to Wayne from Lyons. The only other new instructor on making. Marchant provided the property of the senior band at 8 a.m. Monday at the band room. The band will perform at the Nebraska State fair next Saturday. Osbon comes to Wayne from Lyons. The only other new instructor on making manners and conduct in and out of school and good study habits.

Brinkman-Larson Rites Held Sunday In Emerson Church

Elaine Brinkman, daughter of Mr. and Mrs. Henry Brinkman, Emerson, and C. Rodney Larson, son of Mr. and Mrs. Bertil Larson, Emerson, were married in rites Sundav evening at St. Paul's Luth-eran church, Emerson.

Pran church, Emerson.

Rev. Daniel Schroeder officiated at the double ring ceremony. Vernice Vahlkamn, Wayne, sang "I Love You Truly" and "The Lord's Prayer." Janice Holm, Omaha, was organist. The church was corasted with bouquets of blue and white carnations and baskets of white gladioli and blue carnations.

ions.
The brider given in marriage by the father, were a floor length town of Chantilly lace and tulle fashioned with a fitted bodiee, and a por-

inshinced with a fitted bodieniong tapering sleeves and a portrait neckline framed in scallops
and tridescent crystals.

The bouffent skirt was draped
in front over a tulle panel and
worn over there of ruffled tulle extending into a brush train. Her
fingertin silk illusion veil fell from
a starpoint cap of face and tulle
accented with pearls. She carried
a white orchid on a white lace. a white crehid on a white lace covered Bible with illies of the valley and bridal satin streamers. Melba Larson, Omaha, the bride groom's sister, was maid of honor. Mrs. Eugene Roeber was brides-moid. Both were gowns of frosted-white organza over celes'e blue laffeta.

taffeta.

The fitted bodices were fashioned with brief sleeves, and Sabrina necklines, dipping to Vs in back, The bouffant, ballerina I ength skirts were accented at the waist-line, with blue bows with stream-

The rest of the Wayne runs came in the sixth inning Tielsort walked after Lowell Zimmerman filed to short. Buhl was out on a pop to short. Buhl was been short. Buhl was out on a pop to short. Buhl was sailwas sister. Buhl was sister. Bu Bloomfield Today
For Playoff Game

Wayne and Bloomfield will play the first fame of a series to determine the Elkhorn Valley baschall league playoff champion tonight on the Bloomfield diamond.

Wayne downed Osmond in two straight games after losing the first of a best-of-three-series to gain the playoff finals. Bloomfield won the other semifinal saries by tripping Wausa in two straight games.

Bill Maus was the hitting star last Wednesday night as Wayne downed Osmond 10-2. Maus had two hits in four trips to the plated and drove in three runs. Twelve Osmiand errors were a big factor in the logisted score.

The two teams played one of the word of t

Marvin West, Omaha, won the annual men's amateur golf tournament at the Wayne Country club Sunday with a par 3-on-the second hole of a sudden-death playoff. The balding Omahan and Bob Harrison, Blair, a former Wayne club champion, tied tor first place honors after 27 holes with one under-par 107's. The two balved he first extra holes with pars but Harrison took a begey 6-on, the second as his first two shots found the rough.

A total of 114 golfers, representing 17 towns competed in the annual event. The field was one of the fastest in recent years as it took a score of 37 or better over the par-36 layout to qualify for the championship flight.

Trailing West and Harrison were Sam Alexander and Walt Smola, Omaha, who had 109. Ken French, Norfolk, and Rip Collins, Sloux City, tied for fifth with 110. William Hopkins, Plainview, last year's runnerup when Larry Berres established a tournament record of 101. Emished seventh with 112.

Wayne golfers walked off with four of the lower flight champion.

30 Years Ago

Aug. 29, 1929: Fire, starting from a gasoline stove not completely generated, caused a blaze at the Prof. A. F. Gulliver home: One wall of the room was burned somewhat. The cornerstone for Neihardt hall was laid at WSTC Tuesday. F. S. Berry gave the address_and Masonic Grand lodge had charre of-rites. Howard Fuhrman, son of Mr. and Mrs. Ernest Fuhrman, sustained a fractured left aim when he fell from a pony last week. The small daughter of Mr. and Mrs. E. F. Winters. Hoskins, was bitten by a dog while playing last week. The child is being kept under observation for a few days. Wayne County Fair board voted to have floors placed in the new general exhibit hall now days Wayne County Fair board voted to have floors placed in the new general exhibit hall: now under construction . . . A display of old relies a the Winside post office was one of the most interesting features of the Wayne county old settlers pience. Mrs. William Benshoof displayed a guil made in 1884.

25 Years Ago

Aug. 23, 1934: Will Meyer suffered broken ribs.

Severe bruises and possible internal injuries whena horse kicked him... Wind, which accompanied
rain and hal, did considerable damage west of Carroll. Two chimneys were blown from the Congregational church and Bonner Morris windmill was
Situpped... Neighbors and other friends were entertained Saturday-evening at a barn dance at the
Frank Mellick place. The Brugger orchestra furnished music... Wayne public library is being redecorated throughout. The work will require about
two weeks... Mrs. W. F. Robinson, Wayne, has
just been awarded a certificate of recipe endorsement by Better Homes & Gardens for her recipe,
"Frozen Pineapple Custard."

20 Years Ago

Aug 24, 1939; J. M. Roberts narrowly escaped screons injury-Friday morning when he was attacked by a bull while working in the Read to at his farm northwest of Wayne-Mr. Roberts has a sprained right ankle and wrist, three broken ribs and is considerably bruised. .. Carl Wright, Wayne, was runnerup in the championship flight of the North-cast Nebraska golf meet held at Norfolk. Clifford Erwin received a fractured wrist when he fell from a horse while driving the cattle home from pasture. .. W. R. Ellis was in Des Moines the first of the week attending the national convention of shorthand reporters. Five-County Opental associations. shorthand reporters . . COMMENT EDITORIAL

The editorial department of a weekly newspaper an important department. Normally it is one per-i's opinion of topics that concern most of the

reaers.

It is the duty of an editorial writer to search all waidable facts before he sits down to write. From this basis the writer should be able to give a clear sicture of important topics.

if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your to an important subject that you may have

Let's Give Our Children 'A Brake'

Consider, as back-to-school time approaches, these five facts from the National Safety coun

1. Accidents are the leading cause of death hool-age children.

thool-age children. 2. More than 2,500 children 5 to 14 years ge are killed annually in accidents involving

3. More than 1,100 of those children are

4. A total of 150,000 children in the 5-14 group are injured each year in motor vehicle

age group are injured each year in motor vehicle mishaps.

5. One out of 12 students injured in a "school-jurisdiction" accident is on his way to or from school.

That's the problem — and back to school time is when the problem reaches its peak. Solution to the problem?

tion to the problem?
Parents should teach their children to stop,
look and listen before crossing streets. It's not
old fashioned to be safe. Parents also should set
a proper example. Don't expect a child to obey
a rule you violate.

Motorists should also take precaution Motorists should also take preclairium of the area's schools prepare to open their doors. Keep your car in good condition. Pay special attention to tires and brakes. You can't blame the garage men if your car doesn't stop quickly enough in an emergency. Drive slowly near schools and slow down ere children are walking or playing. Expect unexpected from children. Most of them get trunning from behind parked cars or crossing the middle of an intersection.

All motorists should take heed to the "10

Mil motorists should take need to the lo mmandments of Safe Driving" composed by Wayne Prep students, Bennett Viken and Bill akinger. They are:

If you drink while you drive, you may

2. Sleep in bed, not at the may be dead:

3. Park while you neck or you'll be a wreck

Don't speed; all speed limits heed.
 Don't be reckless at the wheel or consequences you may feel.

6. Never a racer be or another day you DEAR MISTER EDITOR:

Wayne Among Towns to Get Funds for Improving Airport

Designating sites for airports.
Authorizing purchase of aircraft for the state.
Selecting and approving pilots to be employed by the state.
Assisting the director in formulating regulations and policies to be-carried out by the department.

Funds-for operating the department come from a tax on gasoline sold in the state for use in airplanes. No state property tax money goes to the department.

Nebraska is in the middle of an aviation boom, sourred by a network of local airline service. Fif-teen-eenmunities went before the commission asking \$170,300 in state and \$2.4 million in Federal airport funds for 1980-61. The increase in aviation interest was evidenced by the number of cities seeking financial aid.

The commission approved 1960-

cial aid.
The commission approved 196061 funds for Lincoln, Omaha, Alliange, Bassett, Cambridge, Fairbury, Grand Island, Hasting, Heningford, Imperial, Kimball, NorthPlatte, Ogallala, Gordon and

Herrington Resigns

sions ion had been rumored for some assistant to Brooks and head of time in the Capitol. It is known the governor's traffic safety comthat Herrington, for years active in mittee, said 15 recommendations private tax and appraisal matters, were made to the Legislature and had wanted to return to non-public work.

Less had wanted to return to non-public only one was not realized increasing penalties for first-offense speeders.

that herrington, for years active in mittee, said 15 recommendations that Herrington, for years active in mittee, said 15 recommendations muttee commission. C. H. Fibes bach. Scottsbluff, is chairman. Members are Jess Quinn, Gothenburg; M. M. Meyers, Omaha; Albon B. Hall, sr., Alliance, and Francis Casey. Plattsmouth. Ex. officio secretary is State Aeronautics Director Jack Obbink.

Members of the commission are appointed by the governor with consent of the Legislature. They get no salary, but do receive expenses incurred in performing their duties. The commission acts in an advisory capacity to the director of aeronautics in addition to these duties:

Supervising and directing allocation to tase duties:

Supervising and directing allocation of state and federal funds for construction and maintenance of airports.

Designating sites for airports.

Authorizing purchase of aircraft for the state.

Selecting and approving pilots to be employed by the state.

Co-Ral Sprays, Trolene Boluses Good for Controlling Cattle Grubs Until October

Co-ral sprays or trolene boluses can be used from now until October or early November for effective cattle grub control, cattle raisers were told this week.

rearly November for effective cattle grub control, cattle raisers were told this week.

Robert E. Roselle, University of Nebraska entomologist, noted that grays are used, the early treatment if label, directions and warnings are heeded. Cost of using Nebraska entomologist, noted that grays are used, the early treatment is preferred as the spray must reach the skin in order to be effective. Boluses can be used up to November, however.

The transment after that date may eause an adverse/reaction, Roselle warned.

When systemics are used properly, control of cattle, grubs rean be expected-to the 8ts of Depretent, if will have some dead branches presylve the university specialists.

yet known to occur in Nebraska Spraying at this time would not be generally recommended even if Dutch elm disease was known to be present. We do recommend that dead and

dormant DDT spray to protect communities and cities sh valuable individual shade trees and concentrate on removal and burning of AlL dead and dying elm trees. It will be very unlikely that the disease can be program after the disease has completely controlled with the very detected.

Wiring Check Good Guard Against Costly Farm Fires: Mechanical Feeding Big Aid

Form Fires; Mechanical Feeding Big Aid CHECK Your Wirins if you have installed electrical equipment this summer Bigger motors may mean trouble from overloaded wires.

Length of line as well as size of wire are important. Agricultural engineers point out that a No. 12 wire will safely power; a two-horsepower motor operating on 230 violts, 100 feet from the fuse box. But when the same motor is 260 make storage space a prepiliting feet from the fuse box. But when the same motor is 260 make storage space a prepiliting feet from the fuse box. But when the same motor is 260 make storage space a prepiliting feet from the fuse box and the first from the first from the fuse box and the first from the first

A SILO UNLOADER and mechanical feeding actitities can save up to 12, hours a day over hand feeding. It will pay if you feed a center

DEAR MISTER EDITOR:

1. Don't ever pass on a hill or you may have a genetic git control of roads, rent, prices, production, power, a doctor-bill.

2. Don't run a stop sign or you will surely perk, eredit and crops. It's beginning to look like there ain't nothing worthwhite left to control but the hereafter and I figger Congrow you may not be alive.

10. Don't ever try a chain of cars to pass It's pass will git started on that at the next session.

11. Don't ever try a chain of cars to pass It's pass will git started on that at the next session.

12. Don't ever try a chain of cars to pass It's pass will git started on that at the next session.

13. Fact they've already set and

They carried the corpse by wag-on to the church, where a long sermon was preached, sometimes lasting fer two hours or more. Then when they got to the grave

hour.

I can't see what they we made but one real improvement since them days, Mister Editor. Now they don't devote more a ten-minute sermon to the departed.

But like buggy whips and corsets, the old feshioned funeral

sets, the old fashioned tuneral ain't in demand no more. The relatives is in too big a hurry to git home and divide up the loof. And as ears git faster Things will git worse. The relatives used to have

longs to a labor union or not, all a feller can hope fer m that he'll pass over afore the ticians git control of the after.

that it costs less to run a full page ad than it does to send post card to all the readers of The Wayne Herald.

cost "Zorie Heating."

Easily Installed Wall Heater — So compact it fits in a single stud space. Efficient, so floors stay warm even on the coldest days. Available with fan to give forced air heat that can make your entire home comfortable. Single and dual models available.

Ask Peoples Natural Gas or your Coleman Dealer about the Exclusive \$500 Coleman Warranty Bond.

Coleman MODERN FLOOR FURNACE

brings you MORE comfort MORE usable floor space

Coleman Super-Circulation re-heats and re-circulates the air three to five times an hour. There are no "chilly" periods...no drafty corners. Coleman operates automatically with a specially designed burner that helps reduce gas bills. Now's the time-to-prepare for the winter months ahead by installing a Coleman Floor Furnace.

DUAL WALL MODEL — Fits in the wall between two rooms, with baseboard register in each room. Takes no floor space, gives low-cost "Zone Heating."

Easily Installied Wall Heater — Sa compact
