Corn Support Price Definitely 99 Cents

With the main corn harvest under way, Chairman Lloyd Morris of the Wayne County Agricultural Stabilization and Conservation committee, today announced that the price-support rate for 1960-crop corn in the county will definitely be 99 cents.

The county rate is based on a national average of \$1.06 a bushel. Under the law, the 1960 support rate for corn is fixed at 65 percent of parity/90 percent of the average farm price for the past three years. Under this provision, the 1960 support rate is six cents a bushel lower than in 1959.

The final rate is unchanged from the minimum price-support rate for the county announced several weeks ago. The minimum was a preliminary rate announced in advance of harvest to enable the corn price-support program to begin promptly. The final rate was determined on the basis of later information available at the opening of the corn marketing year Oct. 1.

To be eligible for price-support, corn must grade No. 3 or better (except that No. 4 because of test weight only is acceptable), must meet certain moisture requirements and must also be in adequate storage.

Any farmer wishing to apply for a corn loan should notify the price-support loan inspector in his community or apply to the County ASC office.

\$263 Still Needed for Community Chest Goal

The Wayne Community Chest has come up \$262.80 short of its goal of \$8,144, but there is a strong possibility that the goal will be reached. There are still 14 envelopes to come in from the business district and if these pledge the same amount as last year, it will bring the total to \$8,141.20, just a few dollars short of the goal.

Residents who were out of town during the drive, or for some other reason were missed by the workers, and still want to contribute can send their donation to the Wayne Chamber of Commerce.

Dry Land Corn Now Running 115 Bushel

Merle and Wallace Ring, who farm four miles east of Wayne, are currently picking what might be termed a record corn harvest. The men began picking Tuesday and are averaging 115-118 bushels per acre.

This is late corn, planted May 26 and is not irrigated. In addition, the land has been planted in corn for the past eight years.

Six rows of this corn, each 83 rods long, have been filling a triple box equipped with sideboards. So apparently the "August drought" had little effect on this dry land corn.

Tax Calendar Shows Taxes Due in November

The November Tax Calendar for Nebraska contained the following taxes due Nov. 15:

Federal income tax for individuals. The fourth quarterly installment and last day to file amended declaration of estimated individual income tax for taxpayers with fiscal year, will end Oct. 31. - Third quarterly installment, fiscal year ending Feb. 28, 1961.
- Second quarterly installment, fiscal year ending May 31, 1961.
- First quarterly installment, fiscal year ending July 31, 1961.
- Annual return on Form 1040 and adjustment of estimated tax to actual for fiscal year ended July 31, 1960.
- Annual declaration of estimated income tax on Form 1040-ES for fiscal year ended July 31, 1961.
- Nov. 30, is the last day to pay first installment of personal and intangible property taxes.

Final Three Days to Peak WSTC Homecoming Activity

A banquet tonight and homecoming festivities Friday and Saturday will bring to a climax WSTC's golden anniversary celebration.

Faculty and students of 50 years ago will take the seats of honor tonight in one of the major anniversary events.

About a dozen of the 1910-11 first faculty and graduating class are expected to attend the 60th Golden Years banquet at 5:30 in the Student Union. They will share their memories with a crowd of about 250 who have made reservations.

Principal speaker will be one of Wayne State's most prominent alumni, Val Peterson, 1927, former governor and now ambassador to Denmark. He is to receive the college's Distinguished Service award, the third bestowed this week. The first two went to Senator Gale McGee of Wyoming, a 1936 graduate, and Freeman Decker, 1930, state commissioner of education.

Lyle Seymour, president of the alumni association, will be toastmaster.

Friday's homecoming activities are of concern mainly to students. There will be the traditional bonfire and pep rally, followed by a dance.

Saturday brings the major homecoming carnival, starting at 10 a.m. with the parade of floats, bands, Queen Ann Groff, her attendants and former queens.

Under direction of the student council, the parade this year follows the theme of Golden Memo-

Mission Festival Draws About 1,000 to Service

About 1,000 people attended the Mission Festival Services at St. Paul's Lutheran church in Winside Sunday. Two services were held, with two different speakers for each service.

Speaking for the morning service was H. M. Ottenmoeller, African missionary. In the afternoon, Donald Reed, Norfolk, spoke.

Fourteen towns were represented at the festival.

Extension Officers' Training Classes Set

The training session for the 1961 Home Extension Club officers has been scheduled for Friday, Oct. 28 at the District Courtroom, Wayne. Plans of work will be discussed and the new club yearbooks will be distributed.

The training sessions are:

- 1:30-2:30 — Presidents and Vice Presidents.
- 2:30-3:30 — Secretaries and News Reporters.

Personal Property Taxes Due Nov. 1

The county treasurer reminded Wayne county residents today that personal property taxes will be due Nov. 1 and can't be paid before that date. Cards with the amount due will have been mailed by that time.

The first half taxes will be delinquent Dec. 1.

Wayne High Band will March at Hallowesta

Monday, Oct. 31, the Wayne High Marching Band will participate in the Hallowesta Festival at Norfolk. An expected crowd of 25,000 people will be on hand to participate in and watch the festivities.

There will be no judging of bands, but it will be an opportunity for the Wayne people to perform before thousands of people.

The band will be paid a maximum of \$50.00 for mileage, and will be fed a catered lunch at the City Auditorium at 6:00 p.m. The parade will get underway at 7:30.

Blankenau to Head Young Republicans

Francis Blankenau was elected president of Wayne State Young Republicans at an organizational meeting this week. Sally Morman was chosen vice president and Sue Peterson, secretary.

Named to the executive council were Del Ridder, Sandra Allsup, Ruth Mann, Joe Ernesto and Ron Rakowsky.

The group has plans for rally, with the date to be announced later. They will have a float in the homecoming parade Saturday. Other activities include a debate with the Young Democrats, a migration to Norfolk Nov. 4 and a trip to Laurel, Randolph, Hartington, Belden, Coleridge and Wakefield Nov. 5.

ASC Estimate Shows 1960 Corn Crop Down

Latest word from the Wayne County ASC office indicates that the national corn crop for 1960 is down about two percent from last year. The October corn crop is estimated at 4,258 million bushels, compared with 4,361 million bushels last year. The 10 year average is 3,270 million bushels.

Disappearance of corn from farms during the July-September quarter was the largest on record, the U. S. Department of Agriculture reports show. It amounted to 870 million bushels, compared with the previous record disappearance of 786 million bushels in the same quarter in 1959 and the average of 610 million.

Dignitaries Speak; Expect Record Crowd in Wayne

Wayne's biggest business has been bigger than usual this week as hundreds of visitors flocked to the Wayne State campus during golden anniversary week.

All events so far have been well attended, and Saturday's homecoming likely will attract one of the biggest crowds in Wayne history. Several hundred alumni, some from both east and west coasts, will return for the parade, game and dance.

Wayne citizens have added to the celebration, many attending the events and merchants putting up special show-window displays.

An estimated 1,500 persons visited the campus Sunday for the open house. Former students among them especially enjoyed the Golden Years museum in the Conn. library lounge, for it displayed hundreds of relics of the half-century past. The museum is open all the time through Saturday.

About 700 attended the Cleveland Play House production of "Volpone" Monday night, and more came Tuesday for the second play, "Candida." Consensus of opinion was that the audiences had seen splendid theater.

Tuesday morning Senator Gale McGee, Wyoming told a convocation crowd of about 1,000 that America faces immense tasks in the future, but he declared: "I fear the public is not prepared for the shock of the tasks ahead."

The 1936 graduate of Wayne State said America's achievements are meaningless when measured against the past instead of against the future and what must yet be done in a world of danger.

He recalled that when Russian Premier Khrushchev visited the U. S., 21 senators "dared to stay after Congress adjourned" to talk with the No. 1 communist.

McGee quoted Khrushchev as admitting that Russia lags behind America in economic achievement.

"But we will catch up with you," the Russian leader was quoted as saying. "Then watch out." Senator McGee did not elaborate on what Khrushchev meant by "watch out."

McGee cited a comment made years ago by French Marshal Pétain, who, when asked why France had lost strength, replied that France fell because its spirit of expectation of pleasure had exceeded the spirit of sacrifice and that France wanted to have more than it gave. The senator laid out this lesson for his audience to ponder.

At a luncheon for the convocation dignitaries, Gov. Dwight Burney spoke briefly with greetings to the college from the state. He declared that in the forthcoming state budget he is sure growth of state services will require more spending, because the people demand more services and want present work done better.

Wayne County at 58% Of Savings Bond Goal

Wayne county residents bought a total of \$44,850.00 worth of series E and H savings bonds in September according to county volunteer chairman Henry E. Loy, Wayne.

In the first nine months Wayne county sales totaled \$432,269.00 or 58.6 percent of the 1960 goal, while total purchases by Nebraskans amounted to \$67,430,559 for the period or 62.8 percent of the state goal for the year.

WAYNE STATE'S homecoming queen, Ann Groff right of Hartley, Ia., took special pleasure in one duty as a hostess Sunday during the golden anniversary open house. She is pictured in the golden years museum showing her parents and grandparents one of the displays, a room furnished like the 1910 dormitories at Wayne State.

At left are the queen's grandparents, Edwin Groff, Lake Park, Ia., and (in center) her parents, Mr. and Mrs. Myrl Groff, Hartley, Miss Groff is attired in a flapper-of-the-1920's outfit, in which she appeared as one of six Golden Girls.

John Berry Holds First Art Show of New Season

John Berry, former Wayne resident, displayed his paintings and drawings in the first art show of the year at the University of the Redlands in California.

A teacher at San Bernardino Valley College since 1953, Berry directs classes in painting, drawing, design and lettering. He is chairman of the art department there.

He has exhibited at Pasadena Art Museum, Oakland Art Gallery, Laguna Beach Invitational, National Orange Show, Ojai Art Gallery, Newport Harbor and the Lucien Labaud Art Gallery in San Francisco.

Remind Farmers of Three to Represent Salem at Conference

Wayne county farmers were reminded this week that the paying of wages to children if they actually work on the farm is a good tax saving device.

If the child is under 14 years old or a student, he can earn over \$800 and his parents can still receive full exemption if they provide over one-half of his support. Farmers can get the exemption and can deduct the wages as a business expense even if the child spends his wages on necessities. However, there must be a clear employer-employee relationship.

The Salem Lutheran church, Wakefield, will be represented by Paulette Fischer, Jerilyn Gustafson and Loren Olson at the Nebraska Conference Lutheran League Fall Convention to be held today and tomorrow at Grand Island.

Paulette was recently elected president of the Wakefield District Lutheran League, and Jena Hanson was named vice president. The new secretary is Francis Sullivan, Concord and Robert Seagren, Wausa is treasurer.

Pastor Carlson, Wakefield, was elected pastoral advisor of the group.

Wildcats Meet Peru with Conference Title Thoughts

Wayne State's football championship hopes will brighten or fade Saturday.

The Wildcats, 3-1 in the conference, square off at 2 p.m. against Peru State, leader of the NCC on a 4-1 record. The game will follow homecoming ceremonies scheduled to start at 1 p.m. in Memorial stadium. This is the final home game.

A Wayne victory over Peru will leave only one obstacle to a conference championship—the Kearney State game Nov. 5. Wayne and Kearney currently are tied for second in the half a game behind Peru, which has played one more conference tilt. Hastings fell off the perch Saturday in a loss to Doane, 27-12.

The Wildcats will have homecoming fever working in their favor. But aside from that, statistics and comparative records seem to give Peru the nod for a win.

The Bobcats have a 5-1-1 season behind them (Wayne, 4-3), and they have scored 128 points to the opposition's 52, while Wayne has managed 101 points to 136.

Wayne and Peru both beat Doane, Chadron and Nebraska Wesleyan by similar margins. Both lost to Hastings. Wayne losing by a bigger spread.

Wayne has not beaten Peru since 1950. Of their 37 games, Peru has won 21. Six ended in ties. Curiously, four of those ties were in Wayne homecoming games with Peru. In three other homecoming tilts Peru won two.

The Wildcats, after three straight wins, lost 30-12 to Lincoln University at Jefferson City, Mo., Saturday. Playing gingerly to avoid injuries in the non-conference fray, they must have a scoring punch only in the third period when they got both touchdowns. That was the only quarter Lincoln did not score.

Two key players stayed home with ailing legs — starting halfback Bob Schnitzler and defensive halfback Skeeter Mahler. Both are expected to be ready for Saturday duty.

Fullback John Bernthal tallied first for Wayne on a one-yard drive. Ron Bovill's kick went wide. Dave Munro added another TD soon after on an 18-yard scamper. Claire Gasper was stopped in trying to run a conversion. Lincoln plays under the two-point conversion rule. Three of its four conversion attempts by runs failed.

Wausa Maintains Lead in Cornfassel League

Conference leading Wausa rolled to an easy 34-7 win over cellar dwelling Newcastle Friday night to maintain their number one spot in the Cornfassel conference.

Wausa added 21 points in the last half after leading 13-7 at half-time.

South Sioux Tops Devils; Wayne Ends Season at Laurel

The Wayne High Blue Devils put up one of their best defensive stands of the year in the first quarter of their game with South Sioux Friday, only to be overpowered 27-0.

The Devils contained the Cardinals' end runs and power plays, but the sharp-shooting passing of the South Sioux quarterback Stull, soon opened up the defense. Stull threw several passes that could have been TDs or hurt Wayne badly, only to have his receivers drop them.

By the second quarter the South Sioux line play jelled and the Cardinals began to move on the ground, particularly on end around sweeps. Passes took their toll on the Devil's defense and the Cardinals held a two touchdown lead at half time. Wayne failed to make a first down in the first half as the offensive punch again was lacking. South Sioux linemen repeatedly broke up the Devil's plays, almost as they got started.

Lessman was the bright spot of the game for Wayne, running mostly without the aid of blockers he managed to pick up some yardage in the second half.

Wayne ended their season Wednesday at Laurel.

Denesia, Dwyer Named On Husker Cage Roster

Former Wayne High three-sport star Roger Denesia, has been listed on the University of Nebraska freshman basketball roster. Denesia, 6-foot, 155 pounds, is working out at a guard position.

Another former Husker West conference player listed on the NU roster is Hartington Holy Trinity's John Dwyer. Dwyer is 6'2", 160 pounds, also working at guard.

Prep Battles Bancroft To 6-6 Tie Friday to End Panther's Season

Bancroft and Wayne Prep battled to a 6-6 tie Friday with Bancroft leading at the half and Prep knotting the score at 6-6 in the third quarter.

Bancroft lost one scoring opportunity in the last half, with the ball on the Prep three yard stripe. Butch Kai scored for Bancroft and Richard Johnson scored for Prep.

WSTC to Host NCC Cross Country Meet

Wayne State will be host Saturday morning to the Nebraska College conference cross country meet. The three-mile race will start at 11 a.m. on the Wayne country club grounds.

Kearney State won the event last year, and Wayne was runnerup.

That is likely to be the finish again this year. In five meets so far Wayne has lost only to Kearney while defeating Chadron, Nebraska Wesleyan and Doane, among NCC opponents.

The No. 1 Wildcat runner, Don Weitzenkamp, has lost twice this year, coming in second to Martin Mason, Kearney, and to Dean White, Doane. Mason edged Weitzenkamp by only one second.

In that meet, Kearney scored 21 points to Wayne's 45 and Wesleyan's 68, in a triangular at Lincoln last Wednesday. In dual scoring Kearney beat Wayne 21 to 40 and Wesleyan 15 to 49. Wayne defeated Wesleyan 22 to 34.

Besides Weitzenkamp, Wayne had three other runners in the first 15 who scored: Ken Katzer, sixth, Bob Gemmill, seventh, and Dean Kirk, thirteenth.

Saturday in Wayne, the Wildcats defeated the University of South Dakota 20 to 35. Wayne runners won the first four places and tenth place while South Dakota picked up fifth through ninth places. Weitzenkamp, winning in 15:51, came in more than a minute ahead of second place Katzer.

DICK HEITZMAN, Winnebago, a freshman at WSTC, had unusual help when he moved in the new men's dormitory. His two sisters, Judith (left) and Joanne (right), and Betty Jane Johnson, a sophomore co-ed, struggled into the dorm loaded with Dick's belongings. Usually fathers and/or brothers have these duties. Heitzman is one of about 50 students who became charter residents of Berry Hall over the weekend. One wing of the dorm is nearly finished.

CARL CURTIS' ACCOMPLISHMENTS FOR AGRICULTURE, Nebraska's basic industry

- Author of legislation that led to Missouri River Basin development, co-author of legislation resulting in small watersheds act.
 - Consistent and effective supporter of REA; author of act making available insured loans for irrigation wells.
 - Author of legislation creating the Welch Commission, appointed by President Eisenhower to study increased industrial uses of farm products.
 - Author of pending legislation to curb imports of livestock and meat; and to increase Nebraska sugar beet acreage.
 - Author of legislation resulting in lower income taxes for farmers through more favorable rates and allowances.
- Carl Curtis recognizes that the present farm program has many imperfections, and he also realizes that farmers are caught in a cost-price squeeze. He has voted for adequate support prices and against the lowering of supports.

WSTC to Host NCC Cross Country Meet

Wayne State will be host Saturday morning to the Nebraska College conference cross country meet. The three-mile race will start at 11 a.m. on the Wayne country club grounds.

Kearney State won the event last year, and Wayne was runnerup.

That is likely to be the finish again this year. In five meets so far Wayne has lost only to Kearney while defeating Chadron, Nebraska Wesleyan and Doane, among NCC opponents.

The No. 1 Wildcat runner, Don Weitzenkamp, has lost twice this year, coming in second to Martin Mason, Kearney, and to Dean White, Doane. Mason edged Weitzenkamp by only one second.

In that meet, Kearney scored 21 points to Wayne's 45 and Wesleyan's 68, in a triangular at Lincoln last Wednesday. In dual scoring Kearney beat Wayne 21 to 40 and Wesleyan 15 to 49. Wayne defeated Wesleyan 22 to 34.

Besides Weitzenkamp, Wayne had three other runners in the first 15 who scored: Ken Katzer, sixth, Bob Gemmill, seventh, and Dean Kirk, thirteenth.

Saturday in Wayne, the Wildcats defeated the University of South Dakota 20 to 35. Wayne runners won the first four places and tenth place while South Dakota picked up fifth through ninth places. Weitzenkamp, winning in 15:51, came in more than a minute ahead of second place Katzer.

IN NEBRASKA YOU PAY \$1.10 TAX ON TEN GALLONS OF GASOLINE!

How Do You Vote?

I Believe Gasoline Taxes Are Too High!

YES NO

HOW DID YOU VOTE?

No matter how you voted, these facts on gasoline taxes are important to you:

- In Nebraska, car owners pay \$1.10 tax on every 10 gallons of gasoline they buy!
- Gasoline taxes across the nation amount to a 50% sales tax—and that's five times as high as the tax rate on luxuries like diamonds and mink coats!
- Since World War II, there have been three increases in the Federal gasoline tax alone. This brought the Federal tax to 4 cents a gallon, in addition to the State tax of 7 cents a gallon!
- In the last ten years gasoline taxes have skyrocketed 51%—yet the price of gasoline itself has risen only 5.5% during the same period!
- Each year the average motor vehicle owner in this state pays \$86 for gasoline taxes alone. That's just a few dollars less than the average week's pay for most people!

National Increase 1950-1959	Gasoline Tax
5.5%	51%
Living Costs	21%
Gasoline Prices	5.5%

GASOLINE TAXES UP 51% IN TEN YEARS

HIGHWAYS AND GASOLINE TAXES

Your gasoline retailer, naturally, favors construction of the roads that the motoring public needs. He believes in fair and reasonable taxation for this purpose but feels that taxes on gasoline have now reached unreasonably high levels. He also believes that all special taxes on the motorist should be used only for highway purposes. Yet last year, out of every automobile tax dollar collected by the Federal Government from highway users, more than 40 cents went for non-highway purposes. If these automotive tax revenues were dedicated for highway purposes, there would be no need for the latest increase in the federal gasoline tax.

The Gasoline You Buy Is Taxed Too HIGH!

Two Wayne Sailors' Ship on Sub Search

Two Wayne brothers, Jim and Bill Hughes, are aboard the aircraft carrier "Kearsarge," which news reports have put at the scene of recent sightings of unidentified submarines off the United States coast. A commercial airlines pilot reported having seen such a submarine about 1,000 miles northwest of San Francisco earlier this month.

The sub sighting interrupted the first liberty for Jim and Bill after several weeks of sea maneuvers. Jim was waiting for Bill at the Naval Base gate when he saw the mast of his ship moving out to sea. He and 130 other members of the crew who were on liberty, were returned to the carrier the next day by airplane. Recent letters from the boys to their parents, Mr. and Mrs. Wallace Hughes, indicate they are in for a long cruise that will keep them at sea most of next year.

THE UNITED NATIONS flag was raised at the Wayne elementary school Monday in recognition of United Nations Day. Mrs. Fred Rickers' fifth grade class had charge of the ceremony, with Roger Schwanke presenting the flag to head custodian Leonard Schwanke, who raised it. Other classes also were present at the ceremony.

Mrs. Anna Addison Funeral Services Held Wednesday

Funeral services for Mrs. Anna Addison, 83, were held at 11 a.m. Wednesday at Hiscox chapel and at 2 p.m. at the Congregational church, Newcastle. Mrs. Addison died Monday morning at the home of her son, H. D. Addison.

Rev. E. R. Shirck officiated at the Wayne rites. Gordon Nedergaard sang "Abide With Me" and "Hold Thou My Hand." Mrs. R. E. Shirck was organist. Pallbearers were Ben Meyer, Otto Victor, Alvin B. Peterson, Charles Heikes, Everett Rees and John Hanson.

Rev. John Bender officiated at the services in Newcastle. Pallbearers were Joe Thomas, Phil Verzani, Melvin Benedict, Vincent Hoy, Merlin Sawtell and Russell Hanson. Burial was in the Newcastle cemetery.

Anna Ria Wyant, daughter of Mr. and Mrs. John Wyant, was born Dec. 10, 1876 at Potomac, Ill. She taught school several years near Huron, S. D. and later in Dixon county where she moved with her parents.

Mar. 8, 1900 she married John Addison at Newcastle where they made their home. Following her husband's death in 1940 she came to Wayne to live with her son and family. She was a charter member of the Newcastle Congregational church.

Survivors include a son, Huber D. Addison, Wayne; a daughter, Mrs. Mary Newton, Wayne; a sister, Mrs. Edna Thomas, Chadron; three brothers, Millard, Maskell, Russell, Larchwood, Ia., and Ben, Sioux City; four grandchildren, Mrs. Mary Ann Murphy, Omaha, John B. Tom and Jeanie, Wayne, and three great-grandchildren.

Funeral Services For Everett Witte Held in Winside

Funeral services for Everett Witte, 58, longtime Winside resident and business man, were held last Tuesday afternoon at St. Paul's Lutheran church, Winside.

Mr. Witte died last Saturday at his home following a lengthy illness. Rev. H. M. Hilpert officiated at the rites. Mrs. Virgil Schlak, Norfolk, sang "Rock of Ages" and "Asleep in Jesus." Mrs. Carl Ehlers was organist. Pallbearers were Frank and Don Weible, Carl Trounman, Warren Jacobsen, George Voss and F. C. Witt. Burial was in Pleasant View cemetery.

Everett Witte, son of Mr. and Mrs. William Witte, was born June 2, 1902 at Elkhorn. The family moved to a farm near Winside at 1907 and into town in 1923.

Mr. Witte entered the Army in 1919 and served three years in Germany. He received an honorable discharge after six years in the service and returned to Winside. Sept. 6, 1939 he married Lydia Kant at St. John's Lutheran church, Denver.

He was associated in business

with his brother Roy until 1944 when he entered the produce business. He retired in 1959 due to ill health. He was baptized and confirmed Aug. 10, 1936 by Rev. H. M. Hilpert and was a member of St. Paul's Lutheran church, Winside.

Mr. Witte was an ardent booster of his community and served as secretary of the Community and Lions club 10 years.

He was preceded in death by his parents, four brothers and a sis-

ter. Survivors include his widow, two daughters, Mary Louise, a senior in nurse's training in Omaha, and Sally Ann, a sophomore in Winside high school, and a sister, Mrs. Harry Granquist, Wayne.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

It is the duty of an editorial writer to search all available facts before he sits down to write. From this basis the writer should be able to give a clear picture of important topics.

Curtis Deserves Support

Most Nebraskans know the AFL-CIO is waging a strong campaign to oust Carl Curtis as Nebraska's senator. We have touched upon this campaign before and urged our readers to support Senator Curtis in his campaign for reelection.

This support for the Senator is not based alone upon his battle with the union bosses. It is also based on Curtis' very outstanding record of public efforts in behalf of Nebraska and America. We particularly point to these efforts by Senator Curtis:

His adherence to constitutional principles, private enterprise and the American way of life.

His outstanding record in favor of economy so needed to maintain the value of the purchasing power of the income of our wage earners, our farmers and our businessmen.

His unexcelled record in conserving our natural resources of soil and water; as author of the resolution that brought forth the Missouri river basin flood control and irrigation plan, and as leader in enactment of the Republican river

You may not agree with an editorial... but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

basin legislation, he has added to the wealth and income of our state.

His knowledge of the Federal tax structure and his efforts to bring about justice and equity to every segment of our population.

His consistent support of Nebraska agriculture and his many accomplishments that have added to the net income of Nebraska farmers. He is recognized as the leader of the only long-range farm program that offers hope — the industrial uses of our farm surpluses. In the meantime, he has voted and worked for practical measures to benefit the farm families of Nebraska.

His common sense and humanitarian attitude in the field of Social Security which has benefited the lot of those who receive benefits as well as those who pay for our Social Security system.

His vigorous and untiring leadership in behalf of Nebraska and his dedication to legislation and other matters promoting Nebraska's welfare.

In appreciation of this excellent record of brilliant public service, we feel Nebraskans should return Carl Curtis to the U. S. Senate.

threatening fire starting in weeds at the H. W. Winterstein farm southwest of Wayne Saturday afternoon was controlled before damage resulted.

County Agent's Column

As would be expected in these changing times, new products for agricultural use appear on the market in a steady stream. Many of these have real merit; they do a job for you and help you make a profit.

But other products may be of questionable value. Or they may be grossly overpriced. Or both. These are often sold by honestly enthusiastic persons who use scientific sounding sales talk, promising great benefits hitherto not available. They promise benefits based on "knowledge" which is often the product of pure fancy.

Just about everybody would like to get something for a little or nothing, and it is human to hope that science will give us a "magic" or "cheaper" way of solving our farming problems.

Products of questionable value are seldom entirely worthless, but they may be worth very little in relation to their cost. They often carry an enormous markup to pay for the great sales cost. Rarely do they prove to be a profitable investment.

Use of the product gives numerous beneficial side effects — extra dividends, all highly desirable but well-clothed in words of mystery.

Benefits claims are supported by large numbers of testimonials — "unsolicited" of course. Claims are largely opinions, not supported by data developed from research or trials conducted by responsible investigators.

Instructions ordinarily strongly recommend the use of standard practices of good management which by themselves might well produce all the benefits that can be seen or measured.

In other words, the advice you get may be worth more than the contents of the package!

Capitol News... Predict 80% Jump in College Students in Next 10 Years

Lincoln — Nebraska will have to house in the next 10 years some 15,600 more students in institutions of higher learning. And that, says Dr. Lyman Glenn who is surveying the problem for the Legislature, is equal to two complete Universities of Nebraska.

An 80 percent increase in students predicted by Glenn is based on the assumption that there will be a boost of eight percent in the number of high school graduates wanting to go to college.

Glenn made a report to a special committee of the Legislature which in turn will present information to the 1961 Unicameral which meets in January. He said the fastest growing educational institutions in the state are the University of Omaha and the state's four junior colleges at McCook, Fairbury, Norfolk and Scottsbluff.

Of those in colleges in Nebraska, 50.5 percent are in state financed institutions — 30.7 percent at the University of Nebraska and 19.8 percent at the teachers colleges in Wayne, Peru, Chadron and Kearney.

There are 1,243 full-time faculty members in Nebraska colleges which had an undergraduate student population of some 20,000 last year, Glenn said.

The picture painted by Glenn raises the problem of state financial support in the next decade for institutions which are already big users of property tax dollars.

Health Department

The State Health department has hired a public relations firm to tell why the department needs 44 percent more in state property tax money. At a State Board of Health meeting, Leonard L. Larson, Lincoln, said the firm, John B. Quinn and Associates, was engaged by the board July 6 for \$500 per month.

Larson will contact legislators and doctors in connection with a proposed reorganization of the department as recommended in a report by the U. S. Public Health Service. By law the board can carry on a health education program and make plans on organization of the department.

Several state agencies, notably the highway department, game commission and University of Nebraska, have their own public relations staffs.

Aeronautics

Repercussions were expected to continue this week over the firing of State Aeronautics Director Jack Obbink by Governor Dwight Burney. Burney claims Obbink was on a trip made by the state plane in the early morning hours of Sept. 24 to Kansas City which carried Robert Kennedy as a passenger.

Kennedy is campaign manager for his brother, Sen. John Kennedy, Democratic presidential nominee.

Burney says Obbink is unable to prove that the plane was on state business. Obbink says he had business with in Kansas City.

Burney declined to recognize Obbink's firing and said he had a valid appointment until Jan. 5. The State Supreme Court ordered Obbink, however, not to interfere with department operation.

The State Motor Vehicle department has taken in more than \$1 million in new revenue, its director, Alvin Scissors, says. Scissors says \$774,000 of the money came from interstate registration of commercial vehicles required by a law passed by the 1959 Legislature and the remainder, or \$238,419, from permit fees required by the same bill.

In addition, the director reported, he collected \$46,325 in fees for reinstatement on drivers licenses as provided under the new financial responsibility law passed by the 1959 Legislature.

Also collected by the department, Scissors said, was \$44,171 in fees for getting driver information for credit bureaus and insurance companies.

During September, 55 disabled persons completed rehabilitation activities and 12 were employed as teachers. That's the report of Fred Novak, director of the division of rehabilitation services for the State Department of Education.

Novak said that is an "exceptionally high" percentage of disabled persons going into the teaching field. Total monthly expenditure for the 55 persons in September was \$23,552, Novak reported, for an average cost of \$428 each.

At the end of September, 1,654 persons were in an active rehabilitation program in Nebraska. Novak said the division will need more money the next biennium to handle its cases and make use of available Federal funds.

Reviewing the Eisenhower administration, when its books are closed after eight prosperous years, four years of balanced budgets will be revealed, more than the Democrats have been able to manage in 20 years. These are only a few facts of the story which proves Republican domination of the White House means a reign of fiscal prudence, restrained spending, in all monetary matters.

They are commended to the thinking American who is concerned about his own and his family's financial welfare during the next eight years. They should be a mandate to vote Republican on Nov. 8. — Denton, N. C. Davidson Record.

Then there's the tale which has an American and a Dutchman discussing their respective flags. The Netherlands flag, the Dutchman explained, has three stripes — red, white and blue. "We say," he went on, "they have a connection with our taxes. We get red when we talk about them, white when we get our tax bills and we pay them till we're blue in the face."

"That's just how it is here," replied the American, "only we see stars, too." — Arlington, Tex. Journal.

It is not the hope of this paper to ever be able to dictate how any citizen of this state will cast his vote. It is our sincere belief that for the present we should avoid like the plague the nominees of the Democratic party for president and vice president. It is our belief that this nation, and the way of life we hold dear, can best be preserved by voting for the Republican nominees, be the vote cast as a member of the Republican party or be it cast as a member of the newly-formed "Democrats for Nixon and Lodge." — Abbeville, S. C. Press-Banner.

Uncle Zeke FROM Plum Creek says:

Dear Mister Editor: I've saw several items in the papers here lately that's got me worried and mighty uneasy. A fellow named Joseph Campobasso that's a member of the State Board for licensing barbers in Massachusetts has warned the folks in that state that it's \$100 fine or 90 days in jail for a mother to cut her kid's hair on

account of her not having a license. Then a feller in Washington that had spent \$600 on his new car in the first 90 days painted a big lemon on the car. The Dealer went to court and the Judge made the feller take it off.

In Georgia the Attorney General has ruled that a feller don't have to have a fishing license to fish in his own pond, but the piece said it was expected that the Georgia Supreme Court would overrule the Attorney General in the matter.

It looks like to me, Mister Editor, that in a few more year a feller won't have no personal liberty in this country. It's agin the idea of modern Government for a man to do anything anymore without some sort of tax on it. The next step is to make a feller get a license to dig fish bait, to catch fish in his own pond, and I predict he'll finally have to get a license to cook his own fish in his own skillet.

We was talking about this matter at the country store Saturday night and Ed Doolittle allowed as how the only way a feller could keep from running afoul of all the rules, regulations, and taxes was to stay in bed all day. And Sam said if he kept this up long enough they'll put a tax on sleeping more'n six hours.

It's gitting a heap later than we think in this business of perfecting our personal freedom. For instant, I'll bet ole Thomas Jefferson and George Washington never had a haircut except at home, and I was 18 year old afore I ever saw inside a barber shop.

I blame a heap of this stuff on the legal profession. About three-fourths of all our lawmakers is lawyers and they go in strong for more laws and the more complicated they make 'em the better they like 'em. I was reading not long ago where a jury setting on a case in Boston, after hearing the lawyers for the defense and prosecution argue fer four hours, and after being in deliberation six hours, sent out and ask the Judge who the de-

partment in the case was. The first time you can get around to it, Mister Editor, I think it would be a public service fer you to write a editorial on the subject.

Yours truly, Uncle Zeke

Wakefield, Nebr.

This is an answer to a choice made in your Letters to the Editor column last week regarding the mailing of a portion of the Congressional Record by Representative Larry Brock.

This was strictly a reprint of the Congressional Record and is permissible as a government document and is done by Republican Congressmen as well. It is very important that the people of the Third District know officially, through the Congressional Record, what their Congressman is saying and doing as their elected representative in Washington.

"It is not how it was mailed that bothers my opponent," said Congressman Brock. "It is the fact that the land grant colleges of the midwestern states completed a survey, as well as the Department of Agriculture, to explore the so-called free market for farmers and came up with the answer that corn would sell for 6 cents per bushel if the nation dropped its controls over agriculture. This information, naturally, did not please the big corporation farmer from Dakota City and he wished to suppress such information getting out to the average family farmer."

dinner costs less with Gas

NEW AUTOMATIC GAS RANGES

Dinner costs less because cooking costs less with gas. In fact, gas is the thriftest fuel available for use in your home. With gas, even the trickiest dishes turn out perfectly every time, because you can set your gas range for just the heat you want — from a slow simmer to a rolling boil, and everywhere in between. New, modern gas ranges save you time, too. Automatic controls on burner and oven do away with so much of the watching and waiting. And all new AGA-approved ranges have automatic oven lighting . . . you don't need to use a match to light the oven.

Another savings — free Peoples' service, available day or night for every gas appliance.

STATE BOARD OF EDUCATION DISTRICTS

Who is your representative on the State Board of Education? Do you know your representative's position and stand on major controversial educational issues?

A local school board is close to the people they serve and are known by them, being elected by all the voters.

It is a dangerous buck-passing system without a means of pin-pointing responsibility with the disillusioned and frustrated public chained to a merry-go-round.

The members of the state board of education are far removed from those they represent; unknown by 90% of the voters, and elected by districts for six-year terms on a staggered basis.

The chief school official is appointed and accountable only to the six-man board—not the general public he serves.

There is no direct parallel in the two systems. Wherein, then, lies your true representation and the assurance of consideration?

Your vote is urgently needed to correct this condition.
