

NAME LINDA BOYCE PRINCESSES

Less But Larger Farms With More Cattle Here

A decrease in the number and an increase in the size and value of land and buildings seems the standard of the census of agriculture, report on Wayne county.

The report shows Wayne county farms dropped 128 in number from 1954 to 1959, going from 1,393 to 1,265. The average size, however, has increased, from 203.1 acres to 275 acres.

Value of land per acre has gone from \$107.49 to \$179.29, up \$15.90. The value average per farm is up \$1,711 from \$35,617 to \$40,324.

Government farm programs and conservation work apparently took their toll, pointing cropland not harvested and not pastured from 72,200 acres in 1954 to 7,603 acres in 1959, an increase of 6,630 acres out of production.

Most farms in the county fell in the 200 to 499 acres size with 360 reported in 1954, 318 were reported in this size range. Also up, although the lowest in number, were the 500 to 999 acre size, going up five, from 18 to 23.

There was one farm reported in the 1,000 to 1,999 acre range.

The number of farm operators, whether living on or off the farm, owner or non-owner, was down correspondingly with the decrease in the number of farms.

The figure, though, seemed to be lower percentage-wise when compared to the farm number drop.

Using a 10 year figure, from 1950 to 1959, there was a considerable increase in the number of farms now served by improved roads. Out of the 1,265 farms in the county, only 298 were on dirt or unimproved roads. There are only 82 farms which are five or more miles from a hard-surfaced road.

The number of cattle and calves on farms showed an increase of 4,529, although 200 less farms reported this year. Wayne county ranks third in the state for number of cattle per farm.

Even with less farms reporting, the animal population in nearly every case was higher in 1959 than in 1954. Wayne county ranks fourth in the state in hogs and eighth in dairy cattle.

In crops grown, Wayne county is seventh in oats and soybeans, sixteenth in alfalfa and twenty-fifth in corn.

Kiwanis, Mrs. Jaycees Entertain Retarded Kids

The Wayne Kiwanis club and Mrs. Jaycees entertained several retarded children at the elementary school last Saturday. Bad roads prevented many of those invited from attending, but those attending had "one of the best times of their lives," according to one parent.

The party was complete with cookies, milk, candy and presents.

Hospital Foundation Files to Incorporate

Articles of incorporation to establish the Wayne Hospital Foundation were filed last week, listing Mary Einung, Herman Lundberg, Willard Wiltse, Ralph Carhart, Adon Jeffrey and K. M. Olds. The non-profit organization was established to handle gifts, trusts and other donations to the Wayne hospital.

Mrs. Lillian Berres Injured in Home Fall

Mrs. Lillian Berres on the staff of the Wayne city library, fell and fractured her hip Thursday in the home of her mother, Mrs. Christina Pedersen.

Mrs. Berres broke an arm Jan. 1, when she fell while walking downtown last winter.

1961 in Review as Reported in Wayne Herald's Columns

January
The new Leslie precinct school opened despite some weekend vandalism. A son was born to Mr. and Mrs. Vandal Bahn. Allen was the area's first baby of 1961. Bob Carhart and Willard Wiltse were named Wayne's outstanding young man and boss, respectively, by local Jaycees. Bill Virdon, Pittsburgh Pirates outfielder, spoke at the annual NE Nebraska Old Timers baseball meeting. Judy Stephens, Carroll, won the annual county spelling bee.

February
Fred Dale retired after serving on the WSTC faculty 46 years. Bids totaling \$655,000 were accepted for a new food facility building at WSTC. Laurel won the first annual Wayne junior high basketball tournament. Pierce defeated Oakland in the Husker conference basketball playoff at Wayne. Six candidates named to vie for three posts on the Wayne city council.

March
Meeting in Omaha, the State

Mayor Appoints Garth Dawson as Chief of Police

Wayne city council Tuesday night approved Mayor Koplin's appointment of Garth Dawson as police chief effective April 1, 1962. Present chief Dick Hansen returns on that date.

Dawson, 28, presently holds the rank of detective with the Chicago police force and is assigned to robbery now. He attended WSTC in 1951 and 1952, graduated from the Chicago Police Academy and has studied police work at Chicago University.

In taking the exam for detective, Dawson placed second out of over 3,000 taking the tests. He has a well-rounded police background, working in the planning division of the Chicago department, traffic and residential and -bum areas.

He is married, has four children and was originally from Royal, Neb.

In other action the council approved a building permit for Lester Hoffeldt to remodel his tavern.

Vehicle Licenses Sales Begin Jan. 2

The 1962 vehicle license plates go on sale Jan. 2, according to Leona Bahde, Wayne county treasurer. No action will be taken on mail in sales before that date.

The plates will be green figures on a white background and will have a blank space for the year.

The new plates do not have a year designation and do not have tags to put on them. Next year, 1963, tags similar to those used in 1961 will be used to designate the year.

JB Ranch Shows Cattle

JB Ranch, Wayne, has two head of cattle entered in the Ray Springle Memorial Hereford show at the 1962 National Western Stock show, Denver. The animals will be shown Jan. 15 and 17.

April

E. G. Smith, Fred Voree and Chris Tietgen assumed their posts on the city council after winning April 4 election contests. The State School Reorganization committee approved a Wakefield plan calling for merging of 15 districts. The Wayne Herald won first place for general excellence among Nebraska's weekly papers at the annual Nebraska Press association convention. Over 3,000 area high school students participated in the District III music contest at Wayne.

WINTER DECORATED trees and shrubbery in Wayne for Christmas with an icy lace, as this pine on the corner of Sixth and Pearl bears out. Wayne has experienced above average amounts of this frosty weather this year.

Wayne Industries Answer On Work for Industry Here

The Dec. 14 issue of The Wayne Herald carried a letter to the Editor, criticizing the Wayne Chamber of Commerce on the handling of industries seeking sites to build and urging that more effort go into the promotion of industry for Wayne.

Below is a letter from Kenneth Olds, president of Wayne Industries, Inc., the organization which handles requests of industries looking for expansion sites, in answer to the reader's letter.

Editor Wayne Herald, Wayne, Nebraska.

Dear Sir:

A recent letter from one of your readers charges that no concerted effort is being made to bring industry to Wayne, that, in fact, certain business men oppose new industry for our city. I feel obligated, on behalf of Wayne Industries, to report what is being done in this field and to deny that any industrial prospect has been rejected.

As most of the readers of your newspaper realize, Wayne Industries was formed as a corporation in 1958 to promote industrial development for Wayne. Many business men subscribed to stock in this corporation at \$100 per share, and an industrial site of approximately 16 acres was acquired. Recently an option for a period of one year was secured on an additional 125 acres adjacent to the present industrial site.

Representatives of a number of industrial prospects have visited Wayne to inspect the industrial site, study the labor market and consider Wayne as a prospective site for their particular industry. In each instance, members of the board of directors of Wayne Industries and the Secretary of the Chamber of Commerce have devoted their time, effort and money in working with these prospects with the hope of attracting them to Wayne. In no instance has any industrial prospect been rejected by Wayne Industries, and in all instances we have done everything in our power to interest these people in locating in Wayne. We are fully convinced that the business people of Wayne realize the value that such industry would have for this area, and we know of no instance where any Wayne business people have opposed the location of new industry here.

In attempting to attract new industry, it must be realized that we are in competition with hundreds of cities, not only in Nebraska but from most other states. Some areas are willing to subsidize new industry either through tax concessions or otherwise, and such competition makes it difficult for us to interest sound industrial prospects in our area. Securing industry for an area is a long-time task that can not be accomplished overnight, and one that requires the effort and support of all people in the community.

With a fine industrial site and with the favorable legislation that our unicameral has adopted, we feel confident that the continued effort of this community will result in the selection of Wayne as the location for new industrial development.

Sincerely,
Kenneth M. Olds,
President,
Wayne Industries, Inc.

Tax Survey Errs; Wayne Ranks Low Among 25 Cities

Reports by the Nebraska Tax Research Council, showing Wayne as having the largest percentage increase in taxes among the 25 major Nebraska cities, are erroneous and very misleading. This was revealed this week in a Wayne Herald study of the council's report.

The major factor in causing the council's error was the city's 1961 tax levy. The levy was reduced two mills to 22.10 after previously being reported to the Research Council as 24.10.

The two mill reduction was occasioned when it was learned the city council had inadvertently exceeded the maximum Levy for maintenance and operation of the local airport.

Most objectionable about the Council's report was its failure to cite the very favorable position of Wayne among the state's 25 major cities. Only one of the other 24 cities (Crete) collects a lower amount in school taxes. None of the 24 collects less in county taxes. Only five of the 24 (Alliance, Crete, Falls City, Holdrege and Plattsmouth) collect less in city taxes.

Had the Research Council's figures been accurate, Wayne's percentage increase in tax dollars paid by local citizens would have been 12.2 percent.

Although this percentage is relatively high among the 25 cities in the report (Holdrege, Norfolk and Omaha were higher), the conclusions in the Council's report fail to bring out the fact that Wayne's total tax collections have been the lowest or nearly the lowest in Nebraska for several years, compared with other cities of similar size.

The increases in 1961 were occasioned by expansion of school and city services and facilities, emphasizing the fact that Wayne is growing and progressing.

Must Approve Rental Property to Students

Rental property to WSTC students will have to be approved by the college after Jan. 1, 1962.

Anyone wishing to rent rooms, apartments or houses to students must apply to the Office of Student Personnel at WSTC for approval.

Three Accidents But No Injuries

Three accidents in Wayne during the past week damaged six autos but no injuries were recorded according to police reports.

The first accident occurred Thursday when autos driven by Darold Kraemer and Larry Senculid at the intersection of Third and Nebraska. The left rear fender and bumper on the Kraemer car were damaged, estimated at \$134.60. The Senculid a state-owned vehicle, sustained about \$28 in damages.

The second mishap occurred Christmas Day when an auto driven by Renee Eulberg hit a parked auto owned by Robert Dieck, Spencer, north of the corner of Seventh and Douglas. The left front of both vehicles were damaged.

The third accident occurred Tuesday when autos driven by Jerry Kingston and Mrs. Arnold Teez collided at the corner of Tenth and Walnut. Kingston was traveling east on 10th and Mrs. Teez south on Walnut.

The left front of the Kingston car was damaged and the right side of the Teez car was smashed. Both autos were damaged extensively.

Winner's Vote Tops 1960 by 10 Million

It took a pile of votes to win the Yuletide Princess contest this year when the counting ended since the second place vote this year was a greater than the 1960 winner's total.

But Linda Boyce, Wayne, is the Yuletide Princess for 1961 with a total of 40,645,000 votes. Sarah Ahlman, Wayne, was second with 31,197,000 votes, which would have won last year's contest.

Linda will receive \$100 from the Wayne Chamber of Commerce and the winners in the 16 other towns will each receive bicycles at the city auditorium Saturday at 2 p.m. These winners are:

Patty Everett, Wakefield, 14,771,000; Sandy Paulson, Concord, 9,807,000; Linda Long, Winslow, 9,757,000; Peggy Hoemann, Hoskins, 8,713,000; Bonnie Frahm, Carroll, 7,299,000; Pearl Hansen, Randolph, 7,200,000; Susan Thomas, Dixon, 5,711,000; Sandra Holland, Wayne, 5,415,000; Jean B. Smith, Laurel, 4,375,000; Christine Piller, Allen, 4,278,000; Linda Cury, Pilger, 3,900,000; Donna Johnson, Pender, 3,230,000; Cheryl Galt, Belton, 3,192,000; LeAnn Habroek, Emerson, 2,229,000; Janet Rohde, Colveridge, 2,021,000; and Maxine Gay, Hartington, 1,389,000.

An interesting sidelight to the contest occurred when one of the girls in another town realized she might possibly win the contest and asked that the votes be saved for another girl since she was going to have a good Christmas. The members of her seventh grade class secretly worked on vote collecting and along with the adults, won the contest for the second girl.

Holiday Tournery Opens At Rice Tonight at 7:30

The doldrums of holiday sports in NE Nebraska will be broken tonight as Wayne State opens its holiday basketball tournament.

Reports from the three visiting teams indicate this fourth annual tournament may provide the best balanced talent yet, although comparable scores establish Washburn university, Topeka, Kan., as a strong favorite.

Washburn and Northern State, Aberdeen, S. D., will take the Rice floor first at 7:30, followed by Wayne and North Dakota State Teachers, Valley City, at 9:15.

Tonight's winners will go for the championship trophy at 9:15 Friday after the losers play for third place at 7:30.

Wayne — a good host for three years in that it has always given the trophy — hopes to keep it this time. But the Wildcats will have to mind their game to win the title judging by opponent talents.

Although the four teams play in different conferences, a chain of comparative scores makes Washburn look formidable. The Kansans dumped Northwest Missouri State by 39 points, and Northwest later split with Wayne, winning by 18 and losing by seven. Wayne edged Northern State by one point after Northern trampled Valley City by 91.

Washburn has all five of last year's starters back, plus three

Kiwanis Sponsor Christmas Tree Burning Jan. 7

Wayne Kiwanis club will sponsor a Christmas tree burning ceremony at the ball park beginning at 7 p.m. Jan. 7.

Plans are now being made to have the choirs from all Wayne churches at the event.

Residents are asked to bring their trees to the ball park, or have them on their front parking by 1 p.m. Sunday and the Kiwanis club members will pick them up.

Such events are an annual affair in many towns and cities, signaling the end of the church's Epiphany season while reducing fire hazard of dry trees in the homes.

New Hunting Licenses Needed After Sunday

Hunters are reminded that if they intend to hunt pheasants after Jan. 1, they will need new licenses as well as 1962 bird stamps. The pheasant season continues through Jan. 14.

Permits and stamps bought for 1962 are good for the full calendar year.

Kant Named Assessor

Gary Kant has been named assessor for Hoskins. His appointment completes the list of assessors who will begin their work Jan. 2.

Wayne Prep Correction

Wayne Prep students will return to school Jan. 2 after the Christmas holidays. The return date was incorrectly reported to The Herald last week.

Wayne high classes also start Tuesday and college classes begin Jan. 8.

Babson Sees Better Year in 1962; Without Nuclear War and Retail Sales Up

Following is Babson's Business and Financial report for 1962 in which Babson sees a better year than in 1961.

1. I am hopeful for 1962; it should be a better year for my readers than 1961. Industrial production will exceed that of 1961.
2. There will be neither a nuclear war nor total disarmament in 1962. Considerable progress may be made toward a ban on atomic weapons.
3. Some 20 stocks may reach an average of 1,000 during 1962, although these will not necessarily be the 30 Dow-Jones stocks.
4. Retail trade will make new records during 1962. Increased newspaper advertising, especially in colors, will be a great boon to merchandising.
5. Commodity prices will act erratic during 1962. Agricultural prices will be held up by legislation, but many metals will sell for less.

6. The official cost-of-living figure will rise slightly in 1962, but there may be a scandal in Washington over how this figure is calculated or adjusted. The real increase in the cost-of-living will be due to increased wages demanded.
7. The only certain shortages during 1962 will be in land suitable for parking places and waterfront property readily accessible to building lots; also for automobile "graveyards" near cities which have been zoned.
8. The building of shelters will look silly before the end of 1962. Certainly the Federal government will not underwrite the building of private shelter for individual families.
9. Good real estate must rise in price as the population increases. Elementary mathematics determines the price of suburban real estate. This is notwithstanding the claim of the "space companies," which are said to be inter-

ested in selling rights on the moon. There probably are crazier speculations.

10. While the land on which your house now stands should increase in value during 1962, the building itself depreciates from the moment when it is first occupied. A possible exception would be certain very attractive ranch houses painted in color.
11. Automobile production will be the most important statistical indicator during 1962. This applies to both the number of automobiles and their sales value. We now have no reliable figures for the latter.
12. We will gradually approach an average of two cars for every family. The life of automobiles should gradually increase. The percentage of automobiles annually destroyed will decrease in 1962.
13. Automobiles and gasoline will be, increasingly, sources for raising money by taxation. These means will be extended to include

an additional assessment on the manufacturers of automobiles.

14. Taxes, as a whole, will continue to increase in 1962 for every family. Business net taxes, however, will decrease in 1962, through the granting of depreciation refunds which can be done by executive order. The manufacturer may greatly increase his deductions for past investments and new machinery, plant and equipment. Douglas Dillon feels that such tax reductions will increase the purchase of new equipment, develop greater efficiency and result in a net improvement in the employment situation. This is good news for 1962.
15. Speculation in real estate and securities will be active during 1962; but good children will gradually be recognized as the best investment. Young people will be married earlier and will want to have large families.

16. Public education will gradually be reorganized during the years ahead. Schoolhouses will be built as places to "park the kids" while the parents are at work. New schoolhouses will be built so as not to be over one story high with lots of sunshine.
17. Owing to the lack of airport facilities and to inadequate equipment, there will be increasing airplane accidents during 1962.
18. With all the above changes plus increased public improvements and longer vacation periods, families must save somehow and cut somewhere. I think it will be in air-conditioned factories and have their home pantries filled with precooked foods.
19. The time is approaching when the weaving of cloth will be greatly curtailed. Clothes will be made like paper. Plastic coats are already on the market. These are produced by feeding the cellophane

20. We will hear more about automation during 1962. But the cost of building automatic factories is so great that the change is coming slowly. Even electronics has been overemphasized.
21. There need be no unemployment among steel workers during 1962. But Government unemployment figures will remain high. Foreign competition, due to low wages abroad, will be an important factor. Women will prefer to work in air-conditioned factories and have their home pantries filled with precooked foods.
22. Labor unrest will grow in extent and power. The Kennedy administration is friendly to union leaders and their demands. There will be demands for more "fringes" in 1962. A steel strike is possible.

23. This means that with increased taxes, prices of retail products will be higher. This will be blamed on "inflation" of money; but it will be due to inflation of living standards.
24. The real value of the dollar will decline slightly during 1962, due to the decrease in the productivity of labor. The electronics industry will temporarily suffer in 1962 if atomic warfare is outlawed. But otherwise the electronics industry will increase for some years to come and hold up the dollar value. Watch polymer chemicals and "epoxy" cements.
25. There will be enough money for mortgages insured by the Federal Housing administration in 1962. Plenty of money will be available for mortgages guaranteed by the Veterans administration, although this supply varies with different sections of the country. Interest rates on conventional loans not having government

guarantees will be a little higher. Real estate people will worry about the public's desire to build, rather than about their obtaining mortgage money.

26. The kilowatt hours of electricity produced in 1962 will exceed total of any previous year. This is favorable to utility preferences.
27. Steel production in 1962 will exceed this year's 100 million tons, but the increase will come from producing steel in colors.
28. Cement production will be about the same in 1962 as in 1961, but the industry's capacity to produce is increasing too rapidly in view of the demand. The cement manufacturers must give more attention to colors.
29. Expenditures for plant and equipment in 1962 will increase, supplemented by large appropriations for repainting factories and offices in many colors.

Mr. and Mrs. Carroll Marshall and sons, Opahia, came Saturday to spend Christmas in her parental Harry Wendel home. Harry jr., Omaha, arrived Sunday to spend the holiday.
Mr. and Mrs. W. C. Herrick enjoyed a pre-Christmas observance Sunday in the Rubel Hutchings home, Allen.

Christmas eve guests in the Charles Sar home were Mr. and Mrs. Leon Kolbe, Lake View, Ia.; Mr. and Mrs. John Goodnow, Wichita, Kan.; and Mr. and Mrs. W. O. Driskell and family.
Mrs. Bertha Wolter left Friday for Battle Creek where she will visit in the Klein home and will accompany them to California for a two week visit.

Arnold Parsons, Los Angeles, Calif. came Thursday night to spend Christmas in his parental, Hjalmar Parsons home and with other relatives. The Joe Anderson family joined them Friday in observance of the host's birthday. The Hjalmar Parsons and Arnold Parsons spent Christmas eve in the Anderson home.
Mr. and Mrs. Eldon Bull and family, Mr. and Mrs. Paul Stevens and family, Mr. and Mrs. Waldron Bull and family, and Mr. and Mrs. Howard Snakes and family, Wayne, were pre-Christmas dinner guests Sunday in the Charles Bill home.

Instead of the regular monthly meeting, 35 FHA girls and Mrs. Leona Brt went caroling to the Rest Home and hospital Tuesday evening.
Mr. and Mrs. Walter Haglund, Elmer Anderson, and Cora Haglund, were Christmas eve supper guests in the Norman Haglund home. All were Christmas dinner guests of Cora Haglund.

The Oscar Becker, Jr. family and Larry Becker were dinner guests Sunday in the Leslie Briney home, Ponca.
Mrs. Nadine Chapman, Jim and Lisa, San Rafael, Calif., came Thursday to spend the holidays in her parental Alfred Meier home. Other Christmas eve dinner guests in the Meier home were Mr. and Mrs. Art Schluessener, West Point, Mr. and Mrs. Ed Liedow, Bancroft, Mr. and Mrs. Art Schluessener, sr. and Dennis, Pender and Mr. and Mrs. Eugene Meier.

Larry Becker arrived Sunday from Kneifer Air Force Base, Bill, Minn., to spend the holidays with relatives.
Christmas eve guests in the Kermit Turner home were the Gerald Beckers, George Andersons, Charles Peters, Clair Walters family, Sioux City, Oscar Beckers, sr. and Oscar Beckers, jr., and Larry Becker.
Mr. and Mrs. Charles Peters and son spent the holiday in Correctionville, Ia. in the Marvin Peiken-schneider home and were Tuesday evening visitors in the Elmer Peters home, Battle Creek.

Mrs. Ernest Packer left Saturday for Cambridge, Minn., to spend Christmas with relatives.
Ivar Carlson and Mrs. Mamie Fink left Thursday to join Mrs. Carlson in Indianapolis, Ind., and to spend Christmas in the Rev. Laue home.
Mr. and Mrs. Bill Hoschar, Sally and Shawn, Bellevue, came Christmas Day to spend several days in her parental Roy Wiggins home.

School faculty, custodians, bus drivers, cooks, their wives and husbands enjoyed a pre-Christmas supper in Laurel following the high school Christmas musical program last Tuesday evening. About sixty attended.
Hilda Bengston spent Christmas in the home of her brother, Harold, Ponca.
Mr. and Mrs. Ernest Winegardner and family and Mrs. Anton Holmberg left Saturday for Hector,

Minn., to spend Christmas in the Chester Larson home.
Mr. and Mrs. Ben Linemann and family and Mr. and Mrs. Fred Hase and family, Liberty, were supper guests Thursday in the Mrs. M. B. Killion home.
Mrs. Mayme Borg left Friday for Alliance to spend Christmas with her son, Dale and family.
Mr. and Mrs. V. H. R. Hanson left Friday to spend Christmas in the Charles Nye home, Omaha.
Mrs. Mary Patterson visited Grace Gamble, Wayne, last Monday to Wednesday.

Karen Jean Childs Married Wednesday To Karl F. Curtis

Karen Jean Childs, daughter of Mr. and Mrs. M. B. Childs, Wayne, and Karl Frederick Curtis, son of Mr. and Mrs. J. B. Buser, South Sioux City, were married Wednesday at the First Baptist church, Wayne.
 Rev. Russell Daeken officiated at the afternoon ceremony. Mrs. Kenneth Wilbur Platenow, was soloist, accompanied by Mrs. Leo Handke, Omaha, at the organ. Bouquets of white chrysanthemums and stand baskets of pink poinsettia decorated the church.
 The bride wore a gown of bridal satin fashioned with long tapered sleeves, scalloped portrait neckline with a pastor of chintilly lace, sparkled with crystals and pearls. The bouffant skirt, enhanced by lavish panels of chintilly lace, extended into a chapel train with a waist butterfly flow of satin. Her fingertip veil of imported silk illusion fell from a demi-crown of pearls. She carried pink roses on a white ribbon.
 Janet Ethridge, Silver Spring, Mo., served her cousin as maid of honor. Bridesmaids were Shirley Banister, Rawlins, Wyo., and Nancy Lembeck, Denver, Colo. They wore identical ponssettia pink dresses with portrait necklines. The bell-shaped skirts were emphasized by long satin bows in the back. They wore matching pearl crowns with pink veils and carried cascade arrangements of white chrysanthemums.
 Wayne Boyd, South Sioux City, served as best man. Ron Bartels, South Sioux City, and Roger Schlichting, Lyons, were groomsmen. Ushers were Duane Granner, South Sioux City, and Donald Nelson, Humphrey.
 Candlelighters were Jack and Ned Buser and ring bearer was Kerry Buser.
 The mother of the bride chose a frock of Alencon lace in leaf green over beige taffeta. She wore a pink rose corsage.
 The bridegroom's mother wore a grape-colored french crepe dress with a white rose corsage.
 A reception in the church parlors followed with Mrs. Violet Swanson as hostess. Mrs. Violet Swanson, Mitchell, S. D., was in charge of the guest book. Mrs. Linworth Ethridge, Silver Spring, Md. and Mrs. Gayle Childs, Lincoln, cut the cake, while Mrs. Robert Collins poured Joan Anderson, Nebraska City, attended the punch table.
 Waitresses were Ann Childs, Lincoln; Shirlee Collins, South Sioux City; Mrs. Larry Berres, St. Louis, Mo., and Mrs. Larry Sheppard, Plainfield, Ia. Mrs. Mary Martin was chairman and the church ladies were in charge of the reception. In charge of the gift table were Mrs. Donald Nelson, Humphrey, Mrs. Lowell Hunter, St. Edward, and Sue Rapp, Aurelia, Ia.
 After a short wedding trip the couple will reside in Norfolk.

Girl Scout Notes
Troop 257
 Members of Girl Scout Troop No. 257 met Dec. 13 and made Christmas presents for their mothers. Jane Wynn served. They met again Dec. 20 and wrapped gifts for their mothers and had a grab bag. They went caroling Dec. 21.
Troop No. 192
 Troop No. 192 met with leaders Mrs. Orville Owens and Mrs. Charles Surber Dec. 19. The group sang Christmas carols at Dahl Nursing home and also attended a display at the notes by Mrs. Dale Flowerday on making Christmas decorations and paper roses. Cheri Watson furnished treats.
 Last week the troop met and made knapsacks for the Children's Indian Mission, Winnetka.

Corntassel League Tourney Slated at Coleridge Tuesday

Wayne Prep's Panthers will seek to extend their victory streak in eight straight games next week in the annual Corntassel conference tournament at Coleridge.

The Panthers, winners of their first five games, will meet New castle at 7 p.m. Tuesday in a first round game. Winner of this tilt will face Wausa, which drew a first round bye, in the semifinals at 8:30 p.m. next Thursday.

The second game Tuesday night will pit Coleridge against Niobrara. Wednesday's lone game sends Osmond against Verdugo. The tournament will serve as league debuts for Niobrara and Verdugo, which will become Corntassel members starting with next spring's track season.

Funds and consolation games are scheduled Friday night. Al Benson, Wakefield, and Jack Baumert, Wakefield, will officiate the tournament. On the basis of early season records, Prep and Coleridge have been established as pre-tourney favorites. Prep already holds a narrow 42-11 victory over Coleridge.

See By The Herald

Mr. and Mrs. Alvin Reeg and family visited Saturday with Mrs. Katie Reeg and Emilie Christmas dinner guests were Mr. and Mrs. Fred Reeg, Mr. and Mrs. Henry Reeg and Harvey, Mr. and Mrs. Herman Reeg and Mr. and Mrs. Richard Reeg and family.

In the afternoon Lt. and Mrs. Gilbert left for New York to visit friends and relatives. Lt. Gilbert will leave for Germany Wednesday.

Mr. and Mrs. Richard Canning, Omaha, were Sunday afternoon visitors in the Frank Gilbert home to visit Lt. and Mrs. Walter Gilbert.

Rural School News

District 1
Mrs. Gloria Lesberg, teacher
District 1 held a Christmas and birthday party combined on Dec. 15. The children presented their teacher with a birthday cake and cake plate among other gifts.

District 2
Norma Harms, teacher
Our school has stained glass windows. They are not really stained glass, but colored tissue paper for glass and black construction paper for lead has given the expensive appearance. The windows were the December art contribution of the upper grades.

Six Santas descending from the ceiling in balloons and a fluffy tissue tree were made by the lower grades.

A program was given Thursday evening, Dec. 14. A Christmas party was held Dec. 22.

A study of water is in progress on all levels. The upper grades are making a huge booklet to show their new learnings.

A Fabulous Flight by Robert Lawsons being read to all at reading time.

District 7
Mrs. Joan O'Mara, teacher
The pupils of District 7 presented their Christmas program Dec.

to several parents, relatives and friends. The program followed the theme of a television show. Each student announced the various plays, poems, and songs. Tunes solo and duet selections were played by all of the students. A delicious lunch was served by the mothers of the students.

Brenda Krusemark and Jan Johnson, first graders, are now learning to use the picture dictionary. They have finished evaluating their social studies units on safety and cleanliness.

Gary Krusemark and Donna Johnson held a cloth fair in our school. They had tables of wool, cotton, linen, silk, and flax materials. They saw a film on Johnny Appleseed and community workers. Bob McQuistan gave an interesting science report on a walking stick and a walking leaf.

Every week a student brings current events to school. They all enjoy hearing and reading about our community and world affairs. Our sweet potato vine is growing. It has vines approximately 15 inches long. They had tables of wool, cotton, linen, silk, and flax materials. They saw a film on Johnny Appleseed and community workers. Bob McQuistan gave an interesting science report on a walking stick and a walking leaf.

District 44
Marcia Adams, teacher
Penny Rees, LaTee Jones and Cinda Owens received one hundred in spelling. Mary Morris, Penny Rees, Charles Morris and Perry Jones, have had perfect attendance this year.

In fourth grade social studies Mary Morris brought a coffee grinder in connection with the study of pioneer life. While studying cotton the third grade studied a cotton plant from Texas. The first graders have made picture dictionaries of ten beginning sounds.

The mothers and pupils surprised the teacher on her birthday with a party and a lovely blouse. Our Christmas program was Dec. 14. With the money collected we will purchase some records and primary games and materials.

Robin and Karen Evans from Denver were recent visitors. The first meeting of our Junior Bird club was held Dec. 15. It was decided that we would have bi-monthly meetings with dues of 5c per meeting. We will learn something interesting about birds each meeting.

District 32
Mrs. Cordelia Chambers, teacher
Attendance has been good during the last month. We are completing our first semester's classes and reviewing the work covered before.

Our Christmas program on Dec 19 drew a large crowd. Lower grades dramatized the Nativity scenes. Middle and upper grades sang carols. Part II consisted of dialogues, readings and seasonal songs. Kevin, Betty Jean, Mary Ellen and Virginia McGuire and Janet Stutzman played piano numbers. At the close, Santa distributed treats to all the children present. Lunch was served to all.

Our gift exchange and party was Friday afternoon. Julie Bierman and Dorothy McGuire were guests. School will resume Jan. 2.

District 51, Upper grades
Leland Beckner, teacher
The seventh and eighth grades have been diagramming sentences in English class. We had a film on diagramming which helped us to better understand it.

Christmas presents were made for the parents. For the mothers we painted pictures. For the fathers we had fun making several kinds of candy.

have made a nativity scene. The fifth graders are studying about Washington, D. C. The sixth graders have just completed a study of Peru, Bolivia and Chile. Veri Preston and Jana Reeg treated us on their birthdays.

Our Christmas party was held on Friday afternoon. We will have vacation until Jan. 2.

District 51, Lower grades
Mrs. Eunice L. Beckner, teacher
Our room is decorated with Santa Claus' candies, poinsettias, candles, angels and bells. We have a Christmas tree painted on the window and have it decorated. Also we have a Nativity scene and a Santa Claus.

Our Christmas party was Friday afternoon. Christmas vacation is until Jan. 2.

First grade will soon be getting their new reading books. They are studying about staying at home when you are sick, in science. The second grade is studying about moving things by wind and water. Third grade science is having to get along with others.

Third grade social studies is studying about different kinds of workers.

First and second grade have new arithmetic workbooks. Third grade is working with three place numbers.

Tournament	
(Continued from page 1)	
Northern had played two other games in two preceding nights.	
Northern's attack is carried by Gary Nygaard and Jim Kampen, who scored 26 and 21, respectively, against Wayne. The Wolves lack abundance of height, but are fast.	
Northern defeated Valley City 87-76 earlier in the season.	
Both the Dakota teams have worn their conference crowns many times - Northern nine times since 1946 when the South Dakota Inter-collegiate conference was formed, and Valley City six times in the 14-year tenure of Coach Bill Osmon.	
The Vikings went to the national NIAA tournament last year.	
Valley City will have the tallest regular in this tourney - 6-9 center Bill Vasey, who last year averaged 12 points and snared 29 rebounds. He has weight, 220 pounds, to match his height.	
Wayne will have the tallest average team of the four with 11 players six feet or taller.	

Roundup

(Continued from page 1)

May
Wayne's school board adopted a budget of \$249,590, which will require a 4.78 mill increase in the district's tax levy. Milton J. Hasel, former WSTC dean, was named president of Kearney State Teachers college. Wayne High's band won first place in competition at the state Elks convention. WSTC won the NCC baseball championship. Wakefield marked the eightieth anniversary of the town's founding. WSTC graduated 148 students at its golden anniversary commencement exercises.

June
Mrs. A. A. Welch, Wayne, observed her one hundredth birthday. School reorganization plans were approved by voters in elections at Wakefield, Emerson and Winside. Wayne's city council authorized an application for Federal aid for construction of sewage disposal facilities for the city. Don Easley, Des Moines, Ia., was named Wayne hospital administrator to succeed Gael Coleman, who resigned to accept a position at Grand Marais, Minn.

July
The Kiwanis club sponsored visits by three Wayne youths who stayed with Wayne residents Karl's store, Wayne, and Waldman Egg Co., Wakefield, both suffered damages in July 4th fires. Mike Karl was elected "Ideal All-State Boy." Jaycees painted the airport buildings and with the Chamber of Commerce, sponsored a flight breakfast and air show. Boy Scouts left for Canada-Minnesota canoe trip.

August
Electrical storm damaged business firms, houses and city electrical equipment. Council approved construction of 750,000 gallon standpipe near cemetery at a cost of \$68,850. Lee Nielsen showed the grand champion Hereford steer at county fair. Fred Marconit women's amateur golf tournament here. Council approved legend remodeling of fire hall to accommodate trucks.

September
New rural fire truck added to city fleet. St. Paul's Lutheran church observed eightieth anniversary. Over 100 Jaycees attended Wayne Jaycees' inter-club meeting. Wayne fire department began sponsorship of Junior Fire Patrol. Normal board approved \$300,000 for construction and remodeling at WSTC. Hal Sandahl and Joyce and Rosemary Gilliland showed purple ribbon animals at Ak-Sar-Ben show, Omaha.

October
Wayne Lions club received charter, elect Clifford Dahl president. Coleridge won Cornetshell conference title. Wayne High finished second in conference with 5-2-1 record. WSTC's Master's degree program got full accreditation. Myrtle Anderson, home Extension agent, honored by National Home Agents. A local businessman and farmers toured Denison, Ia., beef packing plant. Masons laid cornerstone for WSTC food service building.

November
Wayne High marching band received first place at firemen's convention, Norfolk. Lenore Ramsey,

WSTC debate coach, honored by Nebraska Inter-Collegiate Forensic Association for service. Community Chest within a few dollars of goal. Wayne Hospital Auxiliary bazaar well attended, netted over \$1,300. Annual Chamber meeting heard discussion of beef plant prospects for Wayne.

December
Gwynn Christensen resigned as WSTC head football coach. Roger Denesia made University of Nebraska traveling squad. College credit courses offered top high school students. St. Paul's Lutheran church featured live nativity scene. WSTC presented Christmas Oratorio instead of Messiah. Lyle Matz, Hoskins, entered the sixteenth district legislature race. Mayor appointed Garth Dawson, Chicago detective, as Wayne chief of police. Linda Boyce, Wayne, won Yuletide Princess contest.

Babson Report

(Continued from page 1)

30. Newsprint production depends upon the number of newspapers and the amount of advertising sold. I forecast a decline in the amount of newsprint sold during 1962, but advertising receipts may increase through the better use of colors. This may result in the increased use of coated paper to better take color printing—with a 50 percent increase in advertising rates.

31. Furniture manufacturers are marking up prices so that young couples will buy furniture in the raw and paint same themselves.

32. There will be some increases in color TV sales in 1962. In fact, I think the present TV market is far from being saturated.

33. First-class postage rates will not be increased during 1962. Hence, more money will be spent on direct mail selling. This should help job printers in 1962, as their present margin of profit is very small. Billboard advertising will increase during 1962, due to a new kind of paint.

34. Lumber will do well to hold its own in 1962 and much of it will be sold colored. Wait-to-wait carpeling will become even more popular, reducing the price of the best hardwood floors.

35. Pewee "scatter rugs" will be sold in 1962. Rug dealers must go to brighter colors, even for "orientals."

36. One of the greatest developments during 1962 will be the increased use of color in homes, offices, stores and factories. This should increase both the demand for and the price of good paint.

37. Exports will probably increase during 1962, but the surplus of trade in favor of the United States is constantly decreasing.

38. President Kennedy is encouraged by the recent elections in New York, New Jersey and Texas. This Democratic trend will continue during 1962, notwithstanding former President Eisenhower's campaign speeches.

39. President Kennedy will be more favorable to "big business" in 1962 only when he is able to use big business to increase employment. Profit margins will not improve during 1962, although most industries will do better in terms

of gross and volume.

40. Bond prices will not change much during 1962, except in the case of "non-taxables." European investors are buying American stocks and bonds feeling that their money is safer in United States industries and real estate. Even the first mortgage bonds of transcontinental railroads are being bought by Europeans. The manufacturers of West Germany are making huge profits through the use of new machinery and low wages. They are sending their money to the United States to be invested. They seem to prefer suburban real estate, shopping centers, and electric utilities. I hope they are not buying into too many "fly-by-night" new electronic companies.

41. Buying of mutual funds will continue to exceed selling in 1962. Considering that brokers make much more profit by selling Mutual Funds than by selling shares of individual stocks — and considering the thousands of salesmen selling mutual funds — this should help stock prices during 1962. Remember that the mutual funds operators must go to the New York Stock Exchange to purchase stock to support these mutual funds which salesmen are selling in the field.

42. The so-called "service industries" — including education, beauty parlors, travel, entertainment and government positions — should prosper in 1962.

43. Among the fastest growing industries in 1962 will be the plastics and glass industries. These materials will gradually take the place of wood, stone, cement and even some metals — except as these are colored. Plastics and glass will become more important building materials and perhaps be used much more for automobiles.

44. Some unexpected event for discovery will cause the Dow-Jones industrial average to sell much higher during the next few years. As an illustration of what one of these unexpected events will be, I mention the polymer developments in chemistry, including "DNA" and "RNA," which may provide the source of life and extend it — yes, perhaps restore it, in special cases.

45. I am bullish on Canada for safe investments during 1962. Canada has a small population of only about 18,000,000, but it is rich in natural resources and has a sound, progressive government. I do not expect

CARROLL ... Students Participate to Entertain Music Boosters

All grades of the Carroll school furnished entertainment for the Music Boosters Thursday evening in the auditorium. Primary pupils accompanied by their teacher, Mrs. Robert Boeckenhauer, sang several Christmas songs, with a solo part by Catherine Cook. The band, under direction of George Konopik, played four numbers. One of them, "The Marines' Hymn," was directed by Mark Johnson.

Carroll

Mrs. Arthur Cook
Phone 36

An operetta, "The Christmas Light," was presented by the upper grades. Isaac Jenkins, vocal instructor, was assisted by Mrs. Law-

rence Tenley and Mrs. Charles De-
nesia. Main parts were taken by
Miss Swanson, Elsie Janssen,
Mary Jo Cook, Raymond Junk,
Dean Junk, LeRoy Nelson, Mark
Johnson, Alan Cook, Linda Fork,
Anne Garwood, Cyndee Kerstine,
and Tilton Nelson. Patty Morris
substituted for Beverly Harmeier,
who was ill.

The audience, led by Mr. Konopik and accompanied by Mr. Jenkins, sang Christmas carols.
Hostesses were Mrs. Dallas Cunningham, Mrs. Tom Church, Mrs. Carl Janssen, Mrs. Verne Hurlbert, Mrs. Leo Stephens and Mrs. Clarence Morris.

Committee for January is Mrs. Lyle Cunningham, Laura Fredrickson, Mrs. Lynn Roberts, Mrs. Allen Stoltenberg and Mrs. Ernest Jen-

kins. Happy Workers and their families at a Christmas party Wednesday evening. Gifts were exchanged and cards played. Adolph Rohlf, Lonnie Fork, Mr. and Mrs. Clay Swanson and Mrs. George Stoltz won prizes. Mrs. Herb Brader will have the January hostess.

Christmas Party Held

Social Neighbors had their Christmas party in the Clifton Thomas home Thursday afternoon. Mrs. Ronald Whipple and Tammy, Laurel, were guests. For roll call each guessed who her secret sister was. The group purchased gifts for Mrs. John Rudebusch and Mrs. Egbert Lage, members who are ill. Gifts were exchanged. Pupils of District 80, taught by Mrs. Hazel Lambing, presented a program. January meeting will be with Mrs. Joe Allar. Mr. and Mrs. Loren Stoltenberg will have the evening card party.

Anniversary Observed

About 60 relatives and friends attended open house Saturday, honoring Mr. and Mrs. Julius Langdon on their sixty-fifth wedding anniversary. Besides gifts and flowers, they received telephone calls from Harlingen, Tex., Twin Falls, Idaho, and Denver. Mrs. Maurice Hansen thanked the anniversary cake.

All of their children were present for the observance, which also included a cooperative dinner. Christmas Day, they are Roy Landaniger, Omaha; Mrs. Neva Hurlbert, The Dalles, Ore.; Mrs. Pierce Jones, Colo.; Mr. Charles J. Johnson, Norfolk; and Faye Landaniger, Carroll.

Others from a distance were Mr. and Mrs. Bob Beyeler, Denver, and Mrs. Sherri Turner and children, Colo. In Mr. and Mrs. Landaniger have 17 grandchildren, 29 great-

grandchildren and two great-great grandchildren.

Friendly Wednesday Party

All members attended Friendly Wednesday Christmas party Wednesday with Mrs. Joan Fredrickson. Mrs. Lon Becker had charge of entertainment. Exchange of gifts was held. Mrs. Marvin Fuoss will have the January meeting.

Presbyterian Pot Luck

Mrs. Milton Owens had the lesson on "Joy to the World" for the Presbyterian Women's pot luck dinner at noon. Hostesses for the Jan. 3 noon dinner are Mrs. Wayne Williams, Mrs. Art Glass, Mrs. Marjorie Glass and Mrs. Ralph Olson. Lois Jenkins will be leader.

Stanley Morris' Feled

GST club held a surprise party Friday evening honoring Mr. and Mrs. Stanley Morris on their fifteenth wedding anniversary. Mr. and Mrs. Dwan French, Buhl, Idaho, were guests. Prizes went to Mr. and Mrs. Bob Johnson, Lynn Roberts and Mrs. Merlin Kemp.

Mothers Entertained

Kindergarten through fifth grade of the Carroll School entertained their mothers at a Christmas party Tuesday afternoon at the school. Entertainment consisted of a song singing and a film, "A Christmas Dream." Instead of a gift exchange the group made a cash donation to the Norfolk Opportunity Center. Co-operative lunch was served. Mrs. Robert Boeckenhauer and Mrs.

Lawrence Tenley are teachers of the grades.

Sixth, seventh and eighth grades and their teacher, Mrs. Charles De-nesia, entertained mothers of the pupils Friday afternoon. Gifts were distributed to the mothers.

Mrs. Glenn Clark and Mrs. Frank Cunningham spent Thursday with Mrs. George Coulter, Randolph. The Clarks spent the evening with the Cunningham.

The Herman Breitschneider family, Norfolk, were Saturday evening guests in the Arthur Cook home.

Mr. and Mrs. Merlin Lincoff have purchased the former Kraeger property from Lloyd Tenley and moved into it this week. Mr. Lincoff is employed in Wayne and Mrs. Lincoff teaches in Randolph.

Sally Fisher, daughter of Mrs. Leta Fisher, underwent a tonsillectomy Tuesday in Wayne hospital. Mrs. Lena Shuffelt was discharged from the hospital Friday and Virginia Cook returned home Saturday.

Mrs. Sydna Jones was released from Wayne hospital Friday and is home in the Marion Glass home.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is our person's opinion of topics that concern most of the readers.

You may not agree with an editorial — but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

Letter to Mr. Freeman

The following letter appeared in a recent issue of The Anoka, Minn. County Union:

Secretary of Agriculture
Dear Mr. Secretary:

My friend Bordeaux over in Terrebonne Parish received a \$1,000 check from the government this year for not raising hogs. So I am going into the not-raising hogs business next year.

What I want to know is, in your opinion, what is the best kind of farm not to raise hogs on and the best kind of hogs not to raise? I would prefer not to raise razorbacks but if that is not a good breed not to raise I will just as gladly not raise Berkshires or Durocs.

The hardest work in this business is going to be in keeping an inventory of how many hogs I haven't raised. My friend Bordeaux is very joyful about the future of this business.

He has been raising hogs for more than 20 years and the best he ever made was \$400 until this year when he got \$1,800 for not raising hogs. If I can get

\$1,000 for not raising 50 hogs, then I will get \$2,000 for not raising 100 hogs.

I plan to operate on a small scale at first, holding myself down to about 1,000 hogs which means I will have \$80,000. Now another thing: These hogs I will not raise will not eat 100,000 bushels of corn.

I understand that you also pay farmers for not raising corn. So will you pay me anything for not raising 100,000 bushels of corn not to feed the hogs I am not raising? I want to get started as soon as possible as this seems to be a good time of the year for not raising hogs.

Sincerely,
Octave Broussard

P.S.: Can I raise 10 or 12 hogs on the side while I am in the not-raising hogs business — just enough to get a few sides of bacon to eat?

To get anywhere you must have an idea and sell it to somebody who can see a profit in it for himself.

Capitol News . . .

Governor Plans Campaign To Lower Highway Accidents

The New Year will bring renewed effort to try to curb the present waste of human lives on Nebraska's highways. Nebraska governors in the past decade have tried various methods to try to stop the slaughter, with varying degrees of success.

In 1961, the total fatalities again climbed past the 310 mark, which is nearly one death per day. Since 1958 there has been an even more concentrated accent on highway safety.

But, in 1961, motorists drove more and faster, state officials say.

Gov. Frank Morrison said one of the goals of his administration in 1962 is to expand existing programs on traffic safety and institute others.

"We've still got a long way to go to teach people to drive safely and to practice safe driving habits," the governor said.

The last three Nebraska governors have tried to dramatize the problem of traffic safety. Victor Anderson made personal broadcasts to try to stem the death tide. Ralph G. Brooks made many speeches and took to a helicopter on patrol.

Gov. Morrison has instituted committees and urged motorists to turn their headlights on in daylight during holidays to remind each other that they need to drive safely.

The 1961 death toll in Nebraska was higher than for 1960 but under the national average.

Liquor Violations

There is apparent state-wide trend toward less arrests for liquor law violations, but penalties are greater. That's the report from the State Liquor Control Commission in its annual report of activities.

The commission said 98 licenses had their permits suspended

Mail Route Funds

State Engineer John Hossack says the Legislature should re-evaluate the needs and permit counties to use mail route funds on regular county roads. He said the mail route law, which earmarks a portion of state gasoline tax collections for use by counties—only on mail routes, is a case "in which the pattern no longer fits the need."

Such a new law, Hossack said, could permit counties to spend the money on heavily traveled roads that are not mail routes. Original intent of the law was to provide for graveling of the mail routes.

Some thought should also be given, Hossack said, to improving county roads that will provide access to the Interstate Highway.

Decker Post

The State Board of Education will meet in January to decide which individuals will be interviewed for the post of state commissioner of education. Hamilton F. Mitten, board president, said a selection will be made only after a full and complete study of all the candidates.

Insurance Department

The State Insurance department has set into motion a new plan for getting more information to the public on insurance and activities of the department. A monthly bulletin has been inaugurated by Insurance Director Frank Barrett at the request of Gov. Frank Morrison.

Barrett says the bulletin will keep the governor better informed as well as state senators and the public. Among information included in the first bulletin is the fact that nearly 400 companies are licensed to sell accident and health insurance in Nebraska.

Sewage Progress

Nebraska cities are moving ahead in the program to provide adequate sewage treatment facilities. T. A. Filipi, secretary of the Water Pollution Control Council, says so far 73 treatment facilities have been completed in Nebraska and eight more are under construction.

Filipi made his report to the State Board of Health.

Chickens

The State-Federal Division of Agricultural Statistics doesn't believe in counting chickens before they are hatched.

But it certainly does after the chickens are hatched. It reported that during the first 11 months of this year, Nebraska hatcheries produced 17.6 million chicks, a slight drop from the 17.8 million hatched in 1960.

County Agent's Column

Control Cattle Lice

Cattle lice which normally increase in number during the winter can be controlled with chemicals. Robert E. Rosale, University of Nebraska Extension entomologist, says there is a need to control cattle lice on livestock throughout the state.

However, the entomologist says there are two things to remember when spraying a cattle for lice: (1) Do not spray dairy cows with the same chemicals used to control lice on beef cattle, and (2) Spray beef cattle long enough in advance of slaughter to avoid harmful residues in meat and fat.

Only two sprays are recommended for control of cattle lice on milking dairy cattle — rotenone and pyrethrum. Rotenone can be used at the rate of one to two pounds of five percent dust per 100 gallons of water as a spray. Pyrethrum can be mixed by diluting the concentrate of one percent pyrethrums and 10 percent synergists at the rate of 2½ gallons of water. Rotenones can be used as a dust on the 0.5 percent to 1.0 percent strength. These materials have little residual effect; therefore, lice that hatch after treatment will require control.

For control of lice on beef cattle there is a wide choice of chemicals but certain restrictions must be followed to avoid residues in meat and fat. Here are the suggested chemicals:

- Lindane 20 percent emulsion concentrate,
- Toxaphene 60 percent emulsion concentrate,
- Co-Ral 25 wettable powder,
- Ronnel 24 emulsion concentrate,
- Methoxychlor 25 emulsion concentrate, and

No Sacrificing for Him

Malachuk 57 percent emulsion concentrate.
New Crops Conference

A new crops conference will be held on the College of Agriculture campus Jan. 26, according to Dr. D. G. Hanway, chairman of the Department of Agronomy. The meeting will be held in the biochemistry and nutrition building auditorium beginning at 9 a. m. and concluding at 4 p. m.

Purpose of the meeting is to acquaint central and eastern Nebraska agricultural and business leaders with the progress of and outlook for the safflower, castorbean and high amylose corn programs in Nebraska. Dr. Hanway stated.

Farm leaders, county agents, university staff members, as well as legislators and bankers who are interested in new crops, are invited to attend. Speakers from the U. S. Department of Agriculture, Nebraska Agricultural Experiment Station and representatives of appropriate processing and marketing industries will participate.

Tax Guide Available

Many Nebraska farmers may be paying more Federal income taxes than necessary, and in some cases they are not taking advantage of tax options that can save a good deal of money over the years, according to University of Nebraska Extension farm economists. The 1962 Farmer's Tax Guide explains the interpretation of the new legislation affecting a farmer's income and gives examples of several ways to fill out tax forms. Copies of the 1962 Farmer's Tax Guide can be obtained at county Extension offices throughout Nebraska.

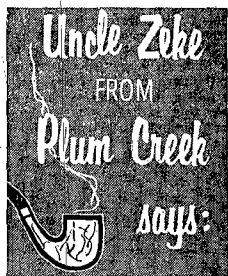

Have you ever noticed the ever growing number of people who carry cameras or kodaks? Take a look around you some day and you'll marvel at what you see along this line.

Here's a fellow carrying a little contraption about as big as two pill boxes. All of a sudden he whips the thing up to his eyes, takes a snort, presses a little gadget, and lo, he has another camera shot. Here's another guy with a contraption in a leather case dangling over his shoulder, and big enough, heavy enough and unwieldy enough to make a pack mule groan.

Still another bird with a telescopic arrangement to take movies. Cameras to the right of you, cameras to the left of you. Day or night makes no difference. They can ply their avocation any time. Comes a cloudy day and they adjust some sort of a light meter. Comes night and they pop the flash bulbs. Go to a night show some place and you think there is a host of lightning bugs or fireflies lit loose. They leave you blinking your eyes like a load in a hail storm.

The subjects they choose vary from the baby, clad only in a diaper, to grandpa in his fur coat, vintage 1905. A couple of years ago I was taking a cruise around New York City. We had gotten out to where you could get a fine view of the Statue of Liberty. Now I had never had the opportunity of seeing this shrine before, and I was really looking at it with rapt attention. Suddenly I was aware of someone backing into me. It was a fellow with a camera. Naturally I wanted him to get a good picture, and as he kept backing up, I kept backing up. That was alright, for here

DEAR MISTER EDITOR:

Zeke's preacher came by the country store Saturday night, told the fellers he was trying to get his nerves back in shape from a pretty hard week.

He reported that a things got started on the wrong foot last Sunday morning when he had a few words to say about drinking and gambling. He got a unsinged letter Monday advising him that drinking and gambling was a disease and a matter for the medical profession. It was caused, the letter claimed, by someone that happened to a feller in his youth, like wearing him too young.

The good Parson said he recollected when he was a boy his Uncle Cyrus come home drunk ever Saturday night and his old lady used the rolling pin on him. Now allowed the Parson, she'd probably give him a shot of penicillin. He said it looks like disease has took over all the sins and it might be better for him just to pass out a few pills at Sunday school and go on home.

But the hard part of the week, he told the fellers, come Friday night when he in the Fund Raising Committee met to report on the annual canvass. After counting up the pledges it was voted that the church budget was in a state of emergency and it might be necessary to name a Emergency Committee to work on the problem.

One feller, for instance, told Sam he didn't believe in making no pledges. He said things was so uncertain these days that he didn't sign nothing in no shape or form. Rufe told the Committee he happened to know this feller was buying his car, his motor boat and color TV set on the installment plan. Rufe couldn't figure out how he was getting all them things without signing something.

Another member told Charlie that he didn't use no envelopes, just dropped a big handful of money loose in the plate. He allowed as how the congregation would be surprised at how much he dropped in the plate loose ever Sunday. The Parson said he took all the loose offering one Sunday and divided it among the members that says they give loose and

was a guy so intent on getting a picture of the famous lady of freedom that he was willing to go to almost any end to help him. However, after he backed me dazed near half way across the boat, I discovered he was shooting an entirely different picture. He was getting a shot of a garbage scow? Why? You answer that one. All I can say is that some people have a great taste for knickknacks.

Then, too, it has gotten so you can't get to see a lot of things any more. Always some ambitious camera fiend squatting in front of you and obscuring the view or popping up ahead of you just when you were getting a good look.

Did you ever take a look at the mine run of the finished products? They really are dillies. Generally the explanation is that the light was bad, somebody moved or there was a double exposure. Somehow or other the buildings in the home movies slant off toward Kelly's, and in some of them you can't tell whether the human subject is going to Sunday school or coming home. Getting odd and crotchety, you say? Huh-uh. Just don't care about a amateur photography. Don't like home brew, either. Nothing wrong in that, is there?

Way Back When . . .

10 Years Ago

Dec. 27, 1951: Rdy Beeks, Wayne, mail carrier on star route to Norfolk, received a fractured pelvis bone and internal injuries last Wednesday when the mail truck went off the grade as he pulled to the right to allow a car to pass causing him to lose control of the vehicle. Wayne's fire department answered two farm fire calls this week. Monday morning at 2 a. m. they went to Herman Heinemann farm, occupied by Floyd King where a cabinet blaze in a pantry caused slight damage. At 11:30 a. m. Monday they were called to the Ed Damme farm where a soot fire had started in the chimney of the farm home. . . . Temperature readings for the week's period dipped below zero at almost every night and the long-range forecast calls for more of the same. . . . Mr. and Mrs. Fred Wittler left Wednesday for Oakland, Calif., where they will spend the holidays with their son and daughter-in-law, Mr. and Mrs. LeRoy Wittler. . . . Cecil Wriedt wins first place for the second straight year in the city-wide holiday home decoration contest.

15 Years Ago

Jan. 2, 1947: The Salvation Army will establish in Wayne a local service unit with its own local committee, fund and program. . . . Otto Baier, Wayne, will hold a farm sale Wednesday and they will move to Salem, Ore. . . . Keith Erickson, son of Mr. and Mrs. Raymond Erickson, Wayne, suffered a skull fracture and a three-inch cut over the right eye last Thursday when a pulley broke and struck him while he was helping load hay into a barn at the Gunnar Swanson farm. . . . Mrs. Chris Luaders, who is leaving for a visit in Holland, will make an effort to visit graves of young men of this territory who gave their lives in that vicinity. . . . Wayne county rural public power district has just received an allotment of \$260,000 for 192 miles of line construction. This will serve an additional 320 farmers.

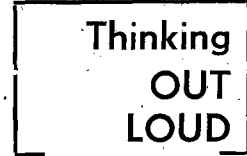

20 Years Ago

Jan. 1, 1942: St. Paul's Lutheran church, Carroll, will have a new basement beneath the entire structure this spring. Excavation has started and men of the congregation are doing the work. . . . The 26 baskets furnished by local clubs and other groups brought holiday cheer to 152 needy families

it come to seven cents apiece. He said the major problem was then putting it in loose members.

Ed told the preacher that if he was in his fix he'd invent a new kind of offering plate. Ed said he had someone in mind like a plate that, if you put a paper bill in it, the bill would float to the bottom real quiet. If you put in small silver, a bell would ring, and if you put in pennies, it would snap y a o r picture. Ed figured the preacher could get the film whole sale and that after the first couple Sundays, he wouldn't need no film. The good Parson thanked Ed, said he would take the idea up with the Emergency Committee.

Yours truly,
Uncle Zeke

Grace Lutheran Church E. J. Bernthal, pastor

WHAT IS TIME?

One of the greatest and most mysterious gifts of God to man is time.

We think of time as duration. We standardize it by measuring the movements of the planets. It takes 365 days, 6 hours, 9 minutes and 9.6 seconds for our earth to make its circuit around the sun.

When such a revolution, beginning at a stated point which on our Gregorian calendar happens to be midnight, January 1, is completed, we say a year has passed.

Again, we set up milestones along the pathway of time—birthdays, anniversaries, holidays, the changing seasons, and the coming of a New Year—in order that we may reflect a little on the progress of our journey and its meaning for tomorrow.

Despite the fact that men have already been fascinated by time, it has remained the great mystery and the locked door. Man has gone a long way to conquer space, but the secrets of time remain locked in the silences of eternity.

Nearly four hundred years ago Shakespeare placed upon the lips of Macbeth just about the sum total of what man, unaided and alone, is able to say about time: "Tomorrow and tomorrow and . . ."

WONDER BUILDING®
BASEMENT LIVING SHELTER
PROTECTS YOUR FAMILY
AT LOWEST COST!

Father and son can easily erect shelter with simple nut and bolt assembly.

Be prepared — act now — put a safe, secure Wonder Building Living Shelter in your basement. It provides the positive protection your family needs until the danger passes. The basement Living Shelter is lowest in cost and the easiest to install. Rugged steel panels, shipped as a complete unit, assemble with supplied nuts and bolts — nothing else needed! Sand over the top of the panels that fill into the construction unit, completes the shelter for maximum protection. Fully approved by the Office of Civil and Defense Mobilization! Ample living space for six people. Call or write for more information today.

\$425.00

Sand coverage to baffled area quickly completes shelter.
