Best of All Days Cooking School Set Here Oct. 24

Just two weeks remain until the doors of the Wayne City Auditorium will open for the Best of All Days cooking school Oct. 24.

Conducting the cooking school will be home economist Marilyn Fox.

She will conduct her demonstrations of food preparation in front of a large, overhead mirror which will enable every home-maker in the audience to view perfectly the actual preparation of the foods.

Miss Fox has traveled throughout the state putting on cooking school demonstrations and lectures. She is also one of the food staff writers for Farm and Home magazine and Dakota magazine.

The cooking and baking demonstrations of the Best of All Days school will feature such nationally known recipes as Alea Wean, Van Camp, Park and Beans, Pillsbury Flour, Fleischmann's Yeast, Nestle's Morsels, Bear Rabbit Molasses and Kraft Miniature Marshmallows.

During the free Best of All Days cooking school some lucky homemakers attending the session will go home with free bags of groceries. A quantity of grocery bags, filled to overflowing with food products, will be awarded as door prizes during the school. And there will be many other prizes, too, including party kits and mixing bowls, etc. And, in addition to the overflow of free prizes, every homemaker attending the cooking school will be given free Best of All Days cookbook, featuring the recipes demonstrated during the cooking school and other recipes.

This will be the only Best of All Days event in this immediate section of the state.

Community Chest Goal Set at \$8,400 for Oct. 21-26 Drive

Include 13 Agencies; Give Once, but Enough for All

This marks the eleventh year for the Community Chest in Wayne and never have the residents failed to meet their quota.

This year, again using the theme "Give Once For All" the Community Chest goal is set at \$8,400.

The Community Chest board reported that up to now every participating agency has received 100 percent of its quota. This serious support by every citizen has made this enviable record possible.

Thirteen agencies are served this year. They are:

Red Cross, Blind, Girl Scouts, Boy Scouts, Florence Crittenton Home, National Travelers Aid Association, Youth Activities, Remedial Speech Clinic, Salvation Army, United Service Organization and a new one this year, the Emergency-Disaster Fund.

This fund was established to supplement the aid now being given by the local Salvation Army committee. This will enable serious and immediate emergencies to be met with the least delay.

The drive will last for one week this year, Oct. 21 to 26.

The same procedure will again be used, with contributors being able to designate where they want their funds to go and will be able to pledge and make their contribution in four separate installments.

K. N. Parke Resigns As Chamber Manager

K. N. Parke, Wayne Chamber of Commerce manager for the past seven years announced his resignation from the office Monday. His resignation goes into effect Dec. 31, 1963, or "as soon as a replacement can be found," according to Parke.

A resident of Wayne for 40 years, Parke taught at Wayne State for 20 years, worked for Northwestern Mutual Insurance Co. for 13 years, and has served the Chamber for the past seven.

"I took the Chamber job as sort of a part time job along with my insurance business," remembers Parke, "but within a year or so the Chamber was demanding more and more time and I let the insurance go. Since then the Chamber load has grown with the town."

When asked what he thought was the highlight of his years as manager, Parke said there were many, but the cooperation among the merchants during the past couple of years was by far the most rewarding memory.

Future plans call for Parke to "just take it easy. It's about time," he said.

Show Income Increases For Wayne Counties

A larger segment of Wayne County's population than ever before is now to be found in the middle and upper income brackets.

Families who had been in the \$4,000 to \$7,000 category in 1962 moved into the \$7,000 to \$10,000 bracket. Their former position has been occupied, in turn, by families who had been in the \$2,500 to \$4,000 group previously.

The facts are brought out in a breakdown of 1962 incomes, conducted by Sales Management for the entire county.

It determines, for each community, whether the so-called "average income" is enjoyed by a large part of the population or whether it is merely a statistical figure resulting from a balancing off between very high and very low income classes.

Some 1,119 households in Wayne County had disposable cash incomes last year of \$4,000 or more, it is shown. This was after payment of their Federal and state taxes.

It marked a gain over the preceding year when there were 957 local households in the "over \$4,000" brackets.

The change in the one year amounted to 16.9 percent. The comparable gain in the United States was 2.7 percent. It was 10.8 percent in the State of Nebraska.

At the \$7,000 to \$10,000 level locally are 157 households, the breakdown shows, and, at the \$2,500 to \$4,000 level, 740 households. It all adds up, for the average family, to greater purchasing power than before. The increase in its net cash income has more than kept pace with the rise of the cost of living, according to the U. S. Office of Business Economics.

They will be making their annual inspection for fire hazards, bringing them to the homeowner's attention for correction in an effort to win \$5 in U.S. Savings Stamps.

CARDINAL BOLTON ... stopped by the Devils

Devils Outclassed 33-0 By South Sioux Cardinals

The Wayne High Blue Devils looked sharp in the first quarter, went to pieces in the second quarter and gave up in the third according to Coach Pete Kropp, as South Sioux City coasted to a 33-0 victory Friday night.

Wayne received the opening kickoff on their own 25 and marched 49 yards, picking up 49 yards rushing and three first downs before losing the ball on a fumble in a backfield hand off on the South Sioux 22.

Duane Rogers recovered the ball for South Sioux and the Cardinals wasted no time invading Devil ground. Halfback Pat Black scored on an end run with 2:56 left in the first quarter. Claude Bolton scored the extra point up the middle.

The Devils took the kickoff and once again started a drive but it was cut short as Rogers threw Rick Bornhoff for an 11 yard loss and Doug Manske was thrown for a 15-yard loss on the next play. Manske was forced to kick as the quarter ended, and the punt was blocked by Ron Cardwell, South Sioux recovering.

Eight plays later John Bunch gained to Cardwell for a 17 yard gain and a second South Sioux touchdown. The extra point was good, once again by Bolton, and with 8:19 left in the second period the Cards led 14-0.

Wayne received for the third time of the contest and marched to the South Sioux 48 yard line where South Sioux took over on downs. The next play of the game caught the Blue Devils defense off guard and Bolton scampered 48 yards for the third Cardinal TD. The try for the extra point was good but offensive holding was charged against the Cards. The ball went back to the 17 and the kick was low and wide, but the Cardinals were well in, 20-0.

South Sioux pulled another trick out of their sleeve and succeeded in getting the ball with an on-side kick of 19 yards. Wayne receivers watched the ball roll as the Cardinals piled on it and South Sioux had the ball on the Wayne 48. Two plays later Carl Castor threw an aerial to Cardwell who galloped to the 6 before being brought down by Doug Harrison. Harrison then threw Tom Graves for a loss back to the 14 but Cardwell was on the receiving end of another Castor pass the next play for the fourth South Sioux TD. Try for the extra point was no good.

Neither team posed any serious threat until the fourth quarter when South Sioux took the ball on their own 4 yard-line and drove 96 yards in 14 plays to their final touchdown of the contest. Mark Quimby had honors as he paced from the 14 into the end-zone for the TD. Tom Graves passed to Cardwell for the PAT with 4:44 remaining in the game, and the score standing South Sioux 33, Wayne 0.

If understanding of offense and defensive Wayne athletes had to be chosen, Coach Kropp said it would be Jerry Granquist and Jerry Wehrer on offense, and Glen Carstens, Gary Lorenzen and Granquist on defense.

Wayne travels to Stanton Friday night to meet the undefeated Mustangs in a Husker West conference game, which could decide the eventual West conference king. Both Wayne and Stanton sport 3 wins and 0 loss conference records.

Dave Peterson, SDU, paced the field with 16:15 clocking over the new and hilly course on Wayne's campus. Carl Owczarszak, Wayne, was second at 16:36; Jake Schlicht, SDU, third, 17:07; Bob Fulstone, Wayne, 17:19; Barry Johnson, Wayne, fifth, 17:44.

Wayne State 'B's' Crush Westmar

The first quarter went scoreless, but after that — wow!

The Wayne State "B" team crossed the goal line four times in the second period, three in the third, and one in the fourth to vanquish the Westmar "B", 53-0, Monday afternoon.

Roger Dion and Dennis Radtke each scored twice; Tom Rogers, Larry Zerb, Paul Abernathy and Jim Connick, once each. Connick displayed a dependable toe, too, kicking five extra points. One conversion attempt was blocked, another fell inches short after a penalty set the kicker back 15 yards.

The Wildkittens played a slashing defensive game that limited Westmar to about 12 yards net rushing and intercepted four of 10 Westmar passes.

Wayne's rushing looked good (304 yards), but the passing was erratic, with three of 10 completed. Two of those went for touchdowns.

The Wayne "B" record now is 2-0. Next outing will be Tuesday against South Dakota "B" team at Vermillion.

Wisner Still Undefeated
Wisner's Bulldogs came up with their fifth straight win of the season and their third conference title Friday night as they defeated Wakefield, 34-19.

Gale Giese passed for 4 of the 5 touchdowns for scores of 20, 25, 35, and 40 yards. Bob Hurst scored from the 29 for the fifth Wisner TD. Dan Fischer scored two for the Trojans with runs of 1 and 6 yards, and Bob Baker scored the third with a 4 yard run.

Wildcats Overcome Doane Touchdown with 39-21 Win

Wayne State's rushing juggernaut rolled up a commanding lead in yardage Saturday night in a 39-21 win over Doane College.

But the Wildcats had a scare before they got started. The clock showed only 13 seconds elapsed when the scoreboard read Doane 7, Wayne 0. This came about when the Tigers, on their first play after taking the kickoff, uncorked a long pass play, Terry Discoe to John Hood, for 80 yards. Roger Nieveen kicked the first of his three extra points.

From that point on, Wayne moved convincingly on the ground and finally recorded 419 yards to Doane's 151. The Wayne air attack looked better than in previous games, and its air defense—except on that 80-yard bolt of lightning—held firm for the first time, allowing Doane 126 yards by passes.

The hosts struck three times on spectacular plays that built the score to 26-7. Jerry Kilcoin's 63-yard punt return and Pat Shimoda's 62 yard run produced touchdowns after electrifying broken field work, aided by some timely blocking. Then Kilcoin outdistanced the Doane secondary to snare a Dean DeBuhr pass and reach the end zone untouched, covering 59 yards.

Doane retaliated with its first sustained drive, going 90 yards from the kickoff. Dan Tesar plunged the last yard, and Nieveen's kick made it 26-14.

Another Kilcoin dash of 54 yards won the Tiger 11 early in the third quarter, and Burt Matthes ripped off the remaining 11 on the next play. Less than seven minutes later Matthes scored from 15 yards out, raising his season production to 30 points.

Shimoda's touchdown and three conversion lifted his to 29 points. Doane ended the scoring early in the fourth period with a two-yard Nieveen TD, capping a 75-yard drive.

Later, Kilcoin saw a touchdown run of 52 yards nullified by a penalty—the second time this year he has been thwarted this way.

Coach John Jermier used his reserves for the remaining time, and the game ended with a flashy 23-yard pass play from sub quarterback Bob Schneider to another sub, halfback Tom Rogers. It came close to going for a touchdown.

The game ended a Wayne-Doane series dating back to 1941—Wayne winning nine, losing seven, tying two. Next year Doane will leave the Nebraska College Conference to join a new association.

Wayne now stands 2-2 for the season, 1-2 in conference play.

Medical Mirror

RAW MEAT

Q. My children like to eat raw hamburgers. Is this harmful in any way?

A. The eating of raw meat should certainly be discouraged. Aside from the fact that cooked food is more digestible, certain meats, notably pork, should always be cooked. An estimated 17 million Americans have trichinosis, a disease caused by eating raw or improperly cooked pork, containing minute worms. Trichinosis can be avoided by briefly raising the cooking temperature above "normal" sometime during the preparation of pork. While hamburger isn't supposed to contain pork, only the butcher knows. Our advice: don't eat uncooked meat.

BURSITIS

Q. I have bursitis in my left arm and shoulder. What can I do to get relief?

A. Doctors now have methods of treating this troublesome condition which were not available a few years ago. Self-treatment is ineffective and inadvisable. See your doctor.

You just don't have that kind of control with any but a gas range. That little knob lets you choose the heat you need from a range of hundreds of cooking temperatures. You don't have that kind of control with that other cooking method—the wired kind. There's no waiting or potwatching with gas. Turn the burner of a gas range up, down, on or off and it goes up, down, on or off instantly. Gas gives you all the convenient, modern gadgets...and it gives you complete control, too. One thousand and one cooking heats at your fingertips...that's real top-of-the-range burner control. The only way you can get it is with a modern gas range.

If you live beyond the gas mains, see your friendly LP dealer.

Breakfast Ideas for Early Birds

With a better breakfast, the new "you" will emerge. Get yourself out of the orange juice, toast and coffee rut, and on the wide-awake trail to breakfast variety.

No time for a big breakfast? Depend on aluminum foil to store your breakfast overnight, ready to pop into the oven. You can do the preparation just ahead of the supper dishes if you like, then clean up all china and utensils.

Come morning, all you have to do is take the food from the refrigerator and place it in a heated oven. Or, in the case of yeast rolls, shape them, let them rise and shine at a best of all breakfast!

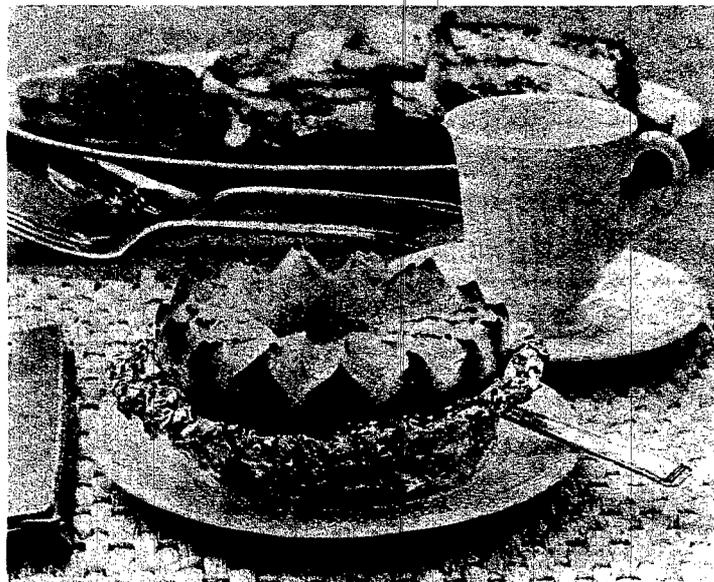

Orange Rolls rise early in the morning from rich refrigerated dough.

Quick Praline Rolls are a quick bread and yeast bread too! They take only an hour from start to finish.

New Baked Apple recipe: Fill centers with raisins and currant jelly. Spoon more jelly on top. Bake at 350° 30 minutes, basting well. Top with miniature marshmallows, broil 2-3 minutes. Serve!

This breakfast arrives on the table in just 15 early morning minutes — starts the day fast!

ORANGE ROLLS

- ¼ cup milk
- ½ cup sugar
- 2 teaspoons salt
- ½ cup (1 stick) margarine
- ½ cup warm water
- 2 pkgs. or cakes yeast, active dry or compressed
- 1 egg
- 4 cups unsifted flour
- 1 cup sugar
- ¼ cup grated orange rind
- ½ cup raisins (optional)
- ¼ cup melted margarine
- 2 cups sifted confectioners' sugar
- 3 tablespoons orange juice

Scald milk; stir in ¼ cup sugar, salt and ¼ cup margarine. Cool to lukewarm. Measure warm water into large warm bowl. Sprinkle or crumble in yeast; stir until dissolved. Stir in lukewarm milk mixture, egg and half the flour. Beat until smooth. Stir in remaining flour to make a stiff batter. Cover tightly with foil. Refrigerate dough at least 2 hours or up to 3 days.

When ready to shape, combine 1 cup sugar, grated orange rind and raisins, if desired. Divide dough in half. Roll out each half to an 18 x 9-inch rectangle. Brush with melted margarine. Sprinkle with sugar mixture. Roll up from long side. Cut into 1½-inch slices and place in two greased 9-inch cake pans. Cover; let rise until doubled, about one hour.

Bake in 375° oven about 25 minutes. Remove from pans and frost immediately with thin icing, made by combining confectioners' sugar and orange juice. Drizzle icing over orange rolls. Makes 24 rolls.

FRENCH TOAST

- 2 eggs
- 1 cup milk
- ¼ teaspoon salt
- 1 tablespoon sugar
- 1 cup sifted all-purpose flour
- 9 slices day-old bread

Combine eggs, milk, salt, sugar; beat. Add flour; beat until smooth. Cut bread slices in half diagonally. Trim off crusts if desired. Dip each piece into batter mixture, allowing excess to drain.

Fry a few pieces at a time in deep, hot fat (375°), about 2 minutes or until golden brown. Drain on absorbent paper.

Sprinkle each piece with confectioners' sugar and cinnamon. Makes six servings.

**To Make Ahead:* Let toast pieces cool completely on absorbent paper. When cool, place three pieces for each serving in center of a square of foil. Fold to seal, and refrigerate overnight.

In the morning, preheat oven to 375°. Place unopened packages of French toast in preheated oven. Heat 10 to 15 minutes, as grapefruit halves broil.

For a complete oven breakfast, Canadian bacon slices may be fried the night before; cooled and wrapped in foil overnight. Place in oven along with French toast to heat through.

QUICK PRALINE ROLLS

Grand National Bake-Off Winner
Mrs. Alice Houghtaling

- 1 pkg. active dry yeast (or 1 cake compressed yeast)
- ¼ cup warm water
- 2¼ cups sifted all-purpose flour
- 2 tablespoons sugar
- 2 teaspoons double-acting baking powder
- ½ teaspoon salt
- ¾ cup butter
- ½ cup scalded milk, cooled to lukewarm
- 1 unbeaten egg
- ¾ cup firmly packed brown sugar
- ¼ cup walnuts, chopped

Soften yeast in water. Sift flour with sugar, baking powder and salt into mixing bowl. Cut in ¾ cup butter, using mixer or pastry blender, until particles are fine. Stir in milk, egg and softened yeast; mix well. (Dough may be covered with foil and stored in refrigerator several hours or overnight. Shape rolls; let rise and bake as directed).

Toss on well-floured surface six to eight times to coat with flour. Roll out to a 15 x 10-inch rectangle.

Cream ½ cup butter. Gradually add brown sugar; cream until light and fluffy. Spread half of sugar mixture over dough. Sprinkle with ¼ cup walnuts. Roll up, starting with 15-inch side. Cut into 1-inch slices and place cut-side down on greased cookie sheets. Flatten rolls to ½ inch and spread with remaining brown sugar mixture. Sprinkle with ¼ cup walnuts. Cover.

Let rise in warm place (85-90°) until light, about 45 minutes. Bake at 425° for 10 to 12 minutes until golden. Serve warm.

For coffeecake, cut 18 rolls and place, sides touching, in two 9-inch square pans. Let rise and bake 15 to 20 minutes.

BROILED GRAPEFRUIT

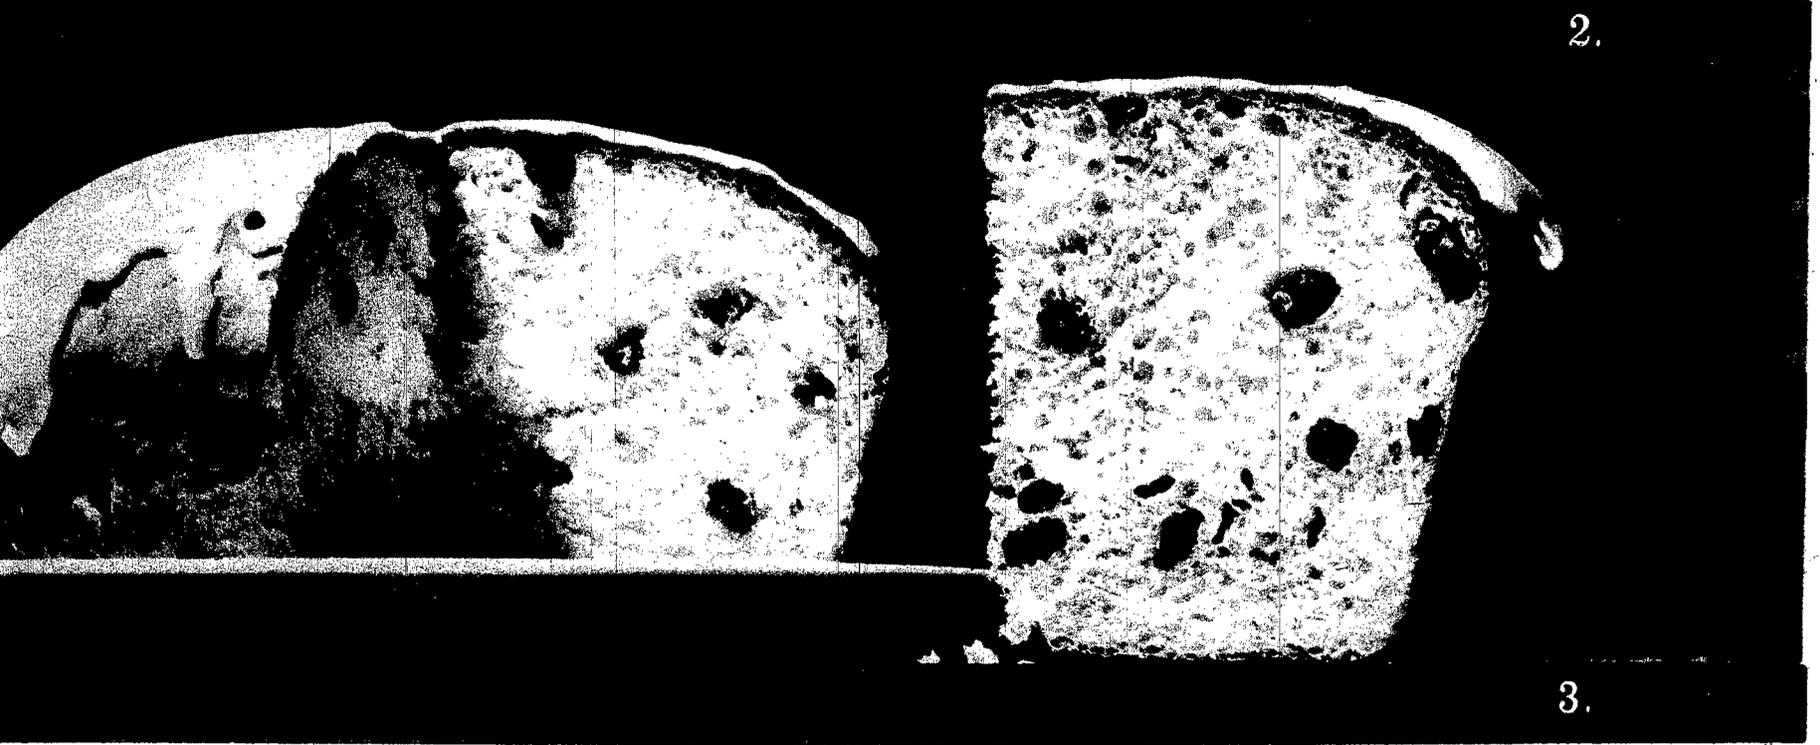

- Grapefruit halves
- Honey
- Butter

Core and cut around sections of each grapefruit half. Spread each half with 1 tablespoon honey. Place two or three dots of butter on each half. Place each half in the center of a square of foil. Bring up sides; press together over grapefruit. Refrigerate overnight.

For breakfast, open foil around grapefruit; push down to form cups. Place grapefruit 3 to 4 inches under broiler; broil until juices bubble and edges start to brown.

Dare to be Different!

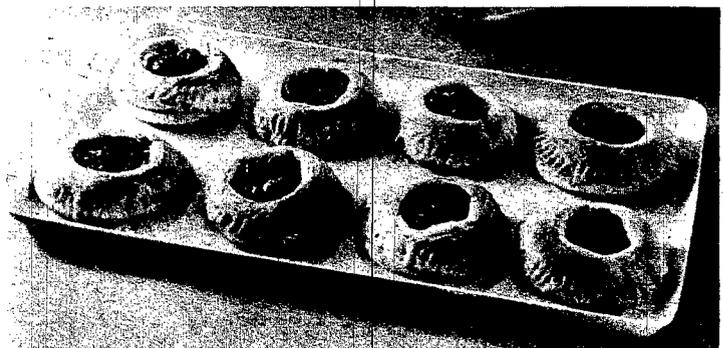

Imagination — the invisible ingredient — makes a banquet of everyday foods. You be the genie of your kitchen and try something different . . . it's easy, you know, no special skill required.

Plum-dinger Pie has a rich biscuit crust, of all things, under a "plump" filling. Serve it warm with your best vanilla sauce — this weekend?

Start with plain white cake — turn it into Chocolate Upside Down Cake. It's new, and different . . . and who can resist?

Cherry Nut Rolls have everything different — pecans in the filling, a yeast-bread "crust". Try this recipe on the men in your family.

PLUM-DINGER PIE

- 1 cup sifted all-purpose flour
- ½ tablespoon baking powder
- ½ teaspoon salt
- 3 tablespoons sugar
- ¼ cup shortening
- 1 egg
- 2 tablespoons milk
- 1 pound prune plums, pitted (8 plums)
- ½ teaspoon cinnamon
- ¼ teaspoon nutmeg
- 1½ tablespoons sugar
- 1½ tablespoons butter, melted
- 2 tablespoons currant jelly or apricot jam
- ½ tablespoon hot water

Combine flour, baking powder, salt, sugar; blend well. Cut in shortening until mixture resembles coarse corn meal. Add egg, milk, blend thoroughly. Spread dough in a greased 9-inch foil pie pan.

Slice plums; arrange slices, slightly overlapping on top of dough. Combine cinnamon, nutmeg, sugar, butter; spread over plums. Bake 25-30 minutes at 400°.

Combine jelly or jam with hot water; brush over fruit. Serve warm with your favorite vanilla sauce.

CHOCOLATE UPSIDE DOWN CAKE

- 1 6-oz. pkg. semi-sweet chocolate morsels
- ½ cup sweetened condensed milk
- 2 tablespoons water
- 1 teaspoon vanilla
- 1 white or yellow cake (mix or recipe)
- ½ cup nuts

Melt semi-sweet chocolate morsels over hot, not boiling, water. Remove from heat. Add condensed milk, water and vanilla, stirring until smooth. Line bottom and sides of 12 x 8 x 2-inch baking dish each way with double thicknesses of waxed paper. Pour in semi-sweet mixture. Prepare cake. Pour gently over semi-sweet mixture. Bake in oven temperature according to cake recipe, allowing a bit longer time (test cake for doneness). Invert cake on rack. Lift off baking dish. Let stand two minutes. Peel off paper. Press nuts in hot frosting. Cool. Cut into 2-inch squares, to make 15 servings.

SPARKLING MARSHMALLOW CREAM

- ½ pound (4 cups) miniature marshmallows
- 1 cup milk
- 1 cup sifted all-purpose flour
- ⅓ cup firmly packed brown sugar
- ¼ teaspoon salt
- ½ cup butter
- 1 cup (8¾-oz. can) crushed pineapple
- ¼ cup whipping cream
- ½ cup dates, cut
- ½ cup nuts, chopped
- 1 package (3 oz.) strawberry gelatin
- 1 cup boiling water

Melt marshmallows with milk in top of double boiler over boiling water. Chill until completely cold and slightly thickened.

Combine in small mixing bowl flour, brown sugar and salt. Cut in butter until particles are fine. Place in a 12 x 8 or 13 x 9-inch pan.

Bake at 400° for 10 to 12 minutes, stirring occasionally, until golden brown. Cool. Press into bottom of pan.

Drain pineapple; reserve juice. Add water to juice to measure 1 cup. Beat whipping cream until thick. Fold dates, nuts, pineapple and whipping cream into thickened marshmallow mixture. Spoon over crust. Chill while preparing gelatin.

Combine strawberry gelatin and boiling water. Add reserved pineapple juice. Chill until mixture is slightly thickened but not set. Spoon over marshmallow mixture. Chill until firm, 6 to 8 hours or overnight. Serves 8.

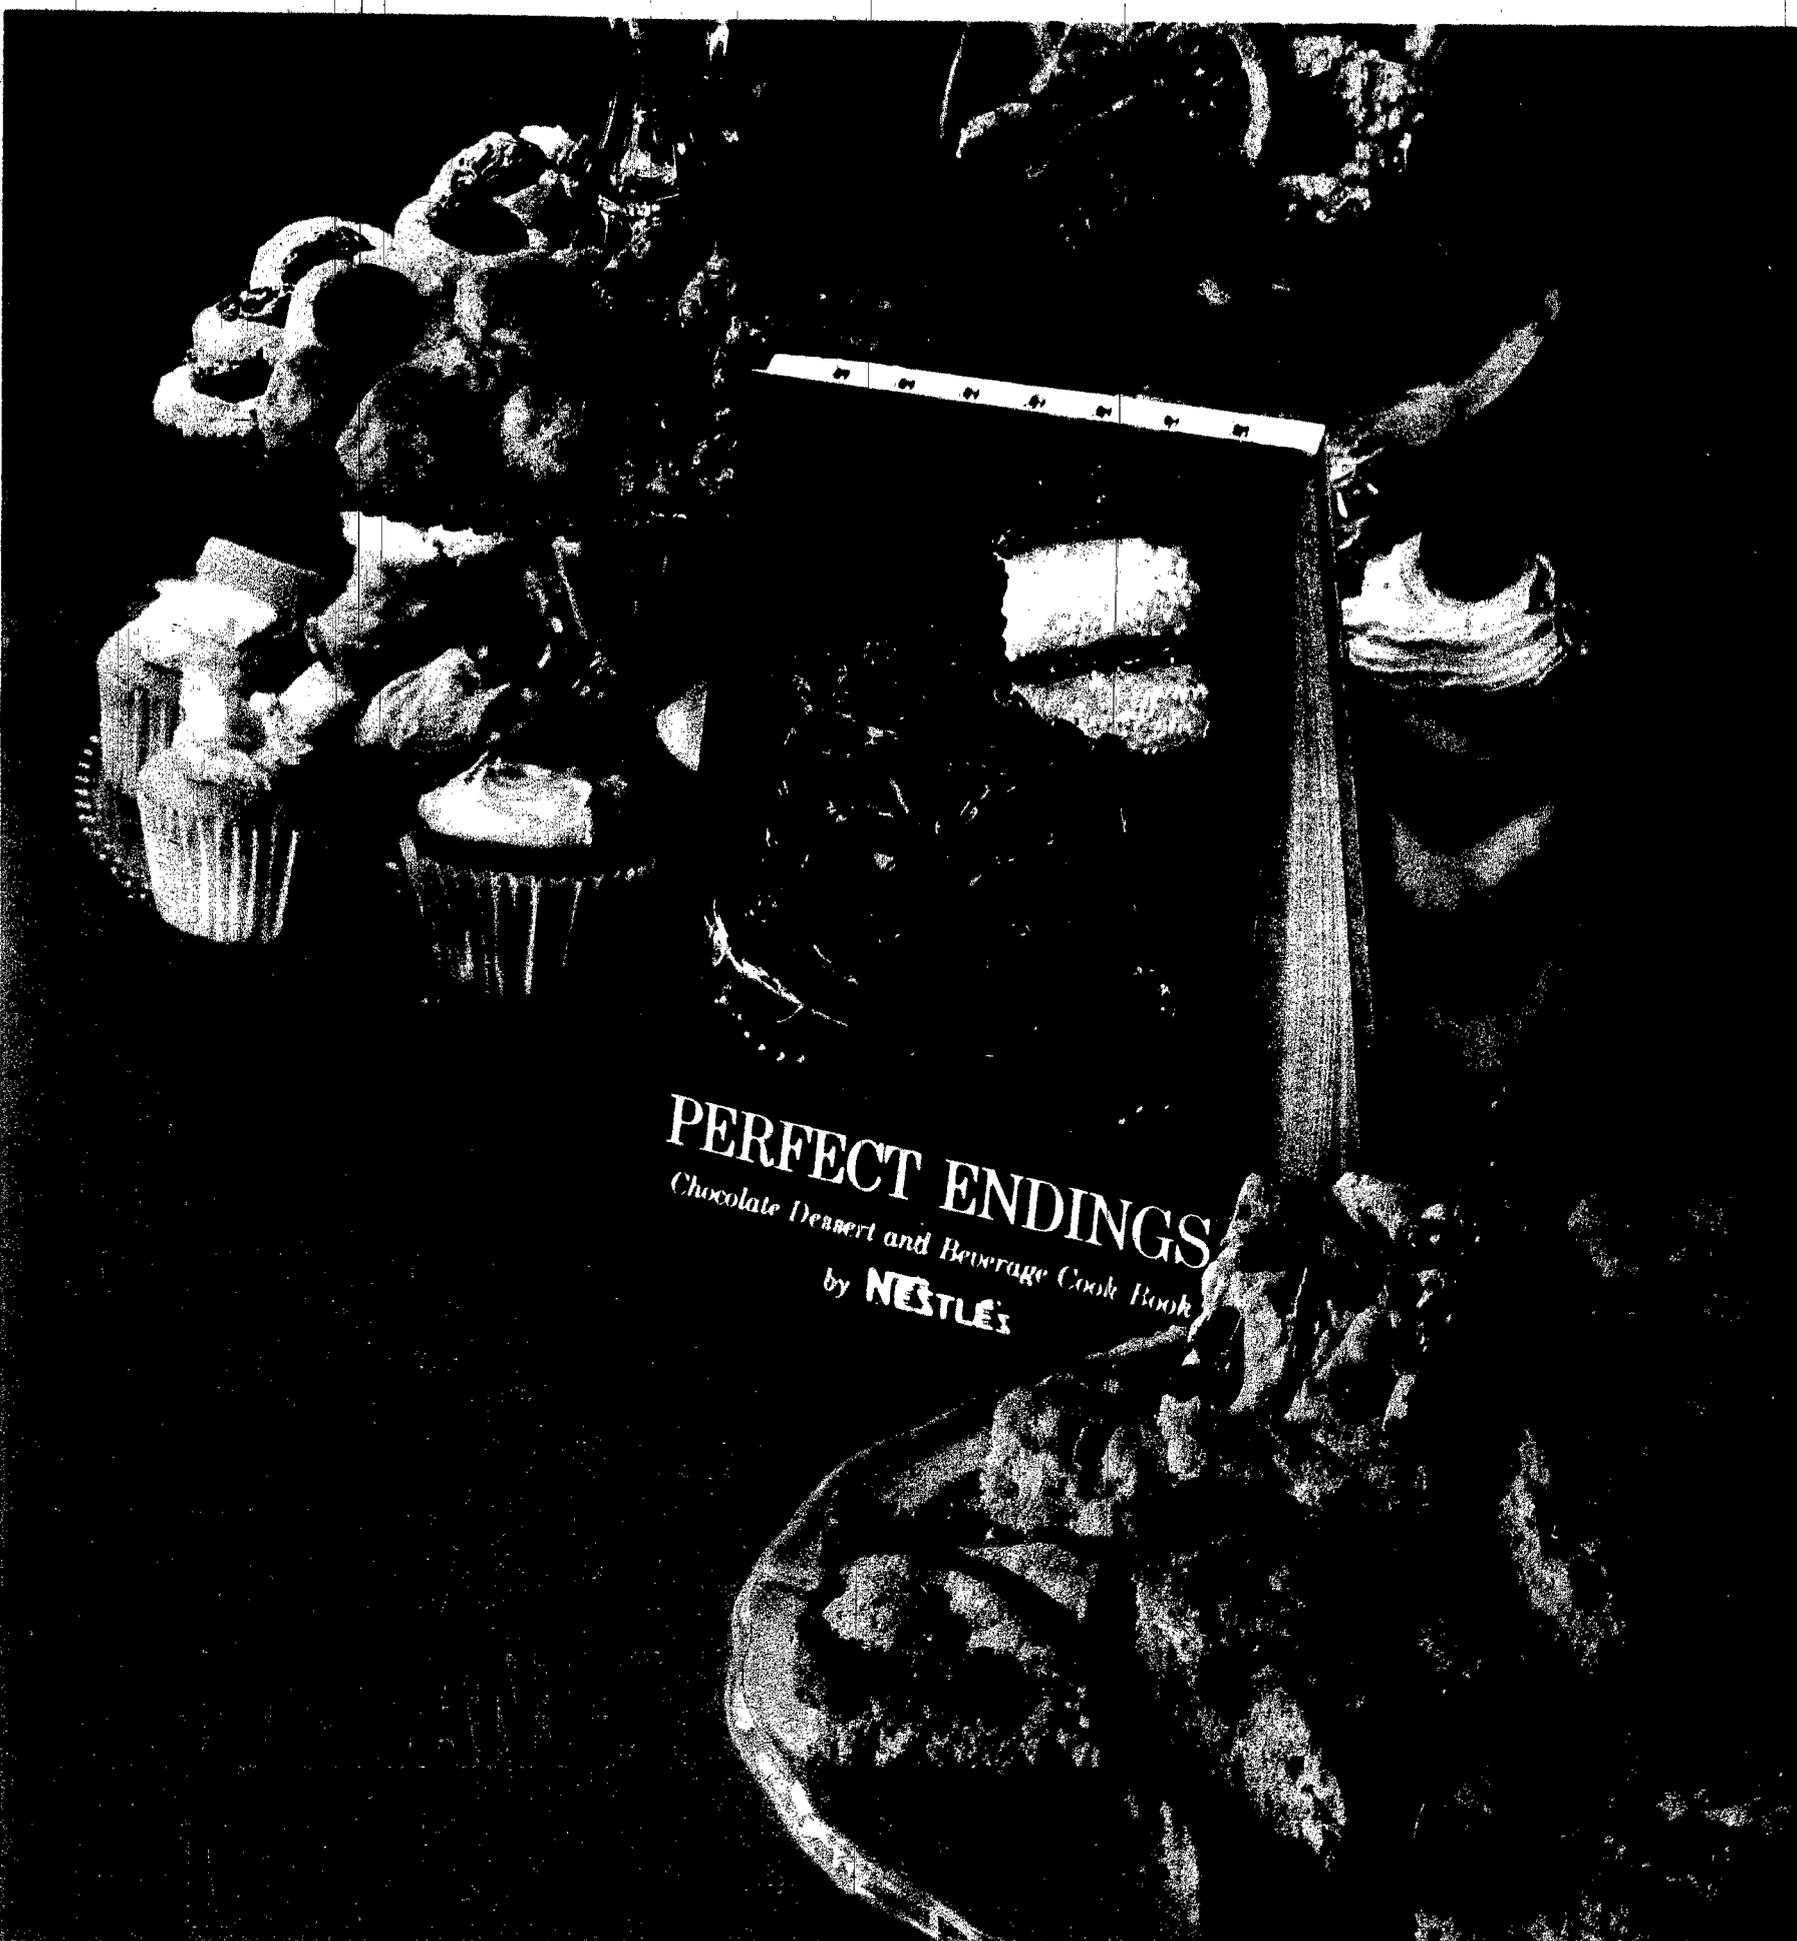

CHERRY NUTS

- 1 cup milk
- 3¼ cups unsifted flour
- ¼ cup sugar
- 1 teaspoon salt
- 1 teaspoon grated lemon rind
- 1 cup (2 sticks) margarine
- 1 pkg. or cake yeast, active dry or compressed
- ¼ cup warm water
- 2 eggs, beaten
- 1 can (1 pound) cherry pie filling
- ½ cup chopped pecans

Scald milk; cool to lukewarm. In large bowl combine flour, sugar, salt and rind. Cut margarine into flour mixture. Sprinkle or crumble yeast into warm water in warm bowl; stir until dissolved. To flour mixture add yeast, lukewarm milk and beaten eggs. Combine lightly. Refrigerate for at least 2 hours or up to 2 days.

Turn ½ of batter onto well-floured board. (Batter will be soft and sticky). Roll to ¼-inch in thickness. With 3-inch cookie cutter cut circles, about 2 dozen, and place on greased baking sheets. Combine cherry pie filling and chopped pecans. Spoon mixture on center of circles. Brush circle edges with milk. From remaining dough, using a 3-inch doughnut cutter, cut the same number of circles; place over filling. Press edges together with floured fork.

Bake in 400° oven, 10-15 minutes. Makes about two dozen.

- 1 cup milk
- 2 tablespoons dark molasses
- 2 tablespoons sugar
- 2 teaspoons salt
- ¼ cup (½ stick) margarine
- ½ cup warm water
- 2 pkgs. or cakes yeast, active dry or compressed
- 2½ cups whole wheat flour
- 2 cups all-purpose flour

Scald milk; stir in molasses, sugar, salt and margarine; cool to lukewarm. Measure warm water into large warm bowl. Sprinkle or crumble in yeast; stir until dissolved. Stir in lukewarm milk mixture. Add whole wheat flour; beat until smooth. Stir in enough additional white flour to make a soft dough. Turn out onto lightly floured board. Knead until smooth and elastic, about 10 minutes.

Place in greased bowl, turning once to grease top. Cover; let rise until doubled in bulk, about 1 hour.

Punch dough down and turn out onto lightly floured board. Divide in half. Form each half into a 12-inch roll; cut each roll into 12 equal pieces. Form into balls. Place in two greased shallow casseroles or two greased 8-inch round layer cake pans. Cover. Let rise until doubled in bulk, about 50 minutes.

Bake in 375° oven about 25-30 minutes, or until done.

Whole Wheat Casseroles are extra rich and nutlike. Bake and serve them in a casserole so they stay warm and pretty right to the last bite.

Surprise! Party!

Surprise your guests with a beautiful buffet — and surprise yourself with how easy it can be. For the first "main attraction" on your table, prepare a delicious ham (with luscious glazed topping), that requires little or no attention from you while it's baking.

Add festive and original touches by serving your canapes and hors d'oeuvres on unique, hand-made serving pieces.

Second attraction: a centerpiece "tree" to shine like Christmas over your sweetest dessert. Surprise! Party!

Highlight an engagement party or anniversary buffet with sentimental Sweetheart Cake. For the cake-shy, serve tiny cups of old-fashioned Chocolate Creme.

Baked ham, always welcome, always delicious, perfect for buffet serving. Festive touch is the tasty glaze. Snacks are arranged on an aluminum foil "olive tree" and pineapple.

Decorations for any silver anniversary celebration, this tree of roses can celebrate a lovely birthday, too.

SWEETHEART CAKE

- 1 cup shortening
- 2 cups sugar
- 4 eggs, beaten
- 1 teaspoon vanilla
- 3 cups sifted cake flour
- 3 teaspoons baking powder
- 1/2 teaspoon salt
- 1 cup milk

Grease and flour two heart-shaped foil pans. Cream shortening until soft. Add sugar gradually, continuing to cream until light and fluffy. Add eggs and vanilla. Beat thoroughly.

Sift flour, baking powder and salt together. Alternately add in thirds, flour mixture, milk; beat well after each addition.

Pour into foil pans; spread evenly. Bake 30 to 35 minutes at 350°. When done, remove from oven; let stand 5 minutes. Turn out onto cooling rack; turn, top side up; cool. Frost with Fluffy Pink Frosting.

BUFFET HAM

Wrap ham in foil, using double folds in foil to completely seal; bake in a preheated 425° oven for 25 to 30 minutes per pound. This is average time for a 6 to 8-pound ham.

If a meat thermometer is used, insert through the foil wrapper. Internal temperature should be 160° when ham is done.

About one-half hour before baking time is completed, remove ham from oven. Open foil and press down around meat. With sharp knife, make diagonal cuts 1/8-inch deep and about 1/2-inch apart, across entire fat surface of ham. Repeat at an angle to make squares or diamonds. Stud top of ham with cloves.

Spread with glaze and return to oven for 30 minutes, until ham is done and glaze is brown.

Marmalade Glaze: Mix one cup honey with 1/2 cup orange marmalade and dash of Tabasco.

Cranberry Glaze: Mix 1/2 cup light molasses with one cup canned whole or jellied cranberry sauce.

CENTERPIECE

Crush 12 x 4-inch strips of super-strength foil into ropes, then form them into smooth circles. Join six or seven circles into a ring, by tying together with string or tape. This is the base of the tree.

Make another slightly smaller ring, using fewer foil circles, and place it on top of the base. Continue adding smaller and smaller rings of foil circles until only one sits at top of the tree.

To add color, fresh or artificial flowers are attached among the foil circles with pins or ribbon bows. Top the tree with the appropriate numerals, or simply another flower.

FLUFFY PINK FROSTING

- 2 egg whites, unbeaten
- 1 1/2 cups granulated sugar
- 5 tablespoons cold water
- 1 1/2 teaspoons white corn syrup
- 1 teaspoon vanilla
- Few drops red food coloring

Place egg whites, sugar, water, corn syrup in top of double boiler; beat until thoroughly blended.

Place over rapidly boiling water. Beat constantly with hand or electric beater until frosting will stand in peaks on beater.

Remove from heat; add vanilla, red food coloring; blend.

CHOCOLATE CREME

- 1 pkg. (6 oz.) semi-sweet chocolate morsels
- 1 teaspoon water
- 1 1/2 cups milk
- 6 tablespoons granulated sugar
- 7 tablespoons heavy cream
- 5 large or 6 small egg yolks

Slowly melt chocolate morsels in top of double boiler, with 1 teaspoon water. When chocolate has melted to a smooth cream, stir in milk. Place over direct flame and bring mixture to a boil. Remove from heat.

Beat sugar, cream and egg yolks together. Very slowly pour the hot chocolate mixture into the cream mixture, beating hard all the time.

Pour the mixture into individual cups or small custards. Set the cups in a pan with one-inch of water on the bottom. Bake in a 225 to 250° oven for 50 minutes. Let cool, then refrigerate several hours. Remove from the refrigerator one hour before serving. Don't be alarmed if this Creme isn't as thick as ordinary chocolate puddings — it isn't supposed to get very thick. This recipe makes four servings; repeat recipe as needed for number of guests. Do not double recipe.

OLIVE TREE

Cover a 3-inch foam ball with foil. With scissors, punch a hole in the ball and slide over the point of a foil-covered candle. Anchor the candle with clay, sand or foil in a medium-sized foil-covered flower pot; spread artificial grass at the base of the candle.

Circle the top of the pot with two strips of bright ribbon; pin a perky bow midway up the candle. Insert about a dozen artificial leaves in the foam ball, circling it in a single line like petals on a sunflower. Stick olives into ball with toothpicks.

CANAPES

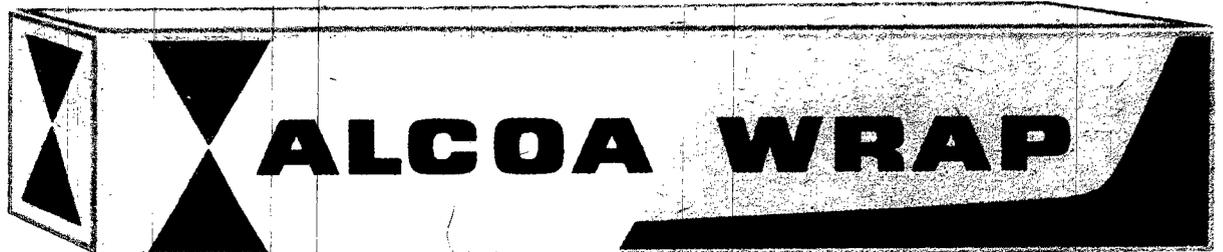

For serving small sandwiches, cover a pineapple with foil, except for the sharp pointed leaves. Black olives, on toothpicks, go on the leaves; sandwiches stick to the fruit with picks.

SNOWCAP SHORTCAKE

2 cups sifted all-purpose flour
3 teaspoons baking powder
1/2 teaspoon salt
1/2 cup margarine
1/4 cup milk
1 quart strawberries, sliced and sweetened
2 cups miniature marshmallows

Sift dry ingredients together. Cut in margarine until mixture looks like coarse crumbs. Add milk; stir just enough to moisten. Pat into greased 8-inch layer pan; bake at 450°, 18 to 20 minutes. Split into two layers; fill and top with strawberries. Sprinkle with marshmallows. Broil 2 to 3 minutes until lightly browned.

WILLIAMSBURG BUNS

1/2 cup milk
1/4 cup sugar
1 teaspoon salt
1/4 cup (1/2 stick) margarine
1/4 cup warm water (105°-115°)
1 pkg. or cake yeast, active dry or compressed
1 egg, beaten
2 1/2 cups unsifted flour
1/2 teaspoon nutmeg
1/2 teaspoon mace

Scald milk; stir in sugar, salt and margarine. Cool to lukewarm. Measure warm water into large warm bowl. Sprinkle or crumble in yeast; stir until dissolved. Add lukewarm milk mixture, egg and half the flour. Beat until smooth. Blend in spices and remaining flour. Cover; let rise in warm place, for 1 hour.

Stir batter down. Divide among 12 greased muffin cups, filling them about 3/4 full. Let rise in warm place, until dough rounds slightly above tops of cups, about 1 hour.

Bake in 400° oven, 15 minutes or until done. Makes 12 rolls.

SWEET PORK STEW

2 pounds pork shoulder or steak, cut in 1/2-inch cubes
1 teaspoon salt
1/4 teaspoon ground ginger
1/4 teaspoon pepper
1 can (14 oz.) pineapple chunks
1/4 cup firmly packed brown sugar
1 chicken bouillon cube
1/4 cup molasses
1/4 cup vinegar
1 can sweet potatoes
2 tablespoons cornstarch
1/4 cup cold water

Trim all fat from pork; brown cubes in heavy skillet. If desired, sliced onion and green peppers can be browned with the pork. Sprinkle with seasonings. Drain syrup from pineapple, reserving liquid. Add enough water to pineapple liquid to make 1 1/2 cups; stir in sugar, bouillon, molasses and vinegar. Blend into pork mixture. Cover, simmering, until meat is tender.

Add cornstarch to cold water; blend. Stir into pork mixture, cooking and stirring constantly until sauce thickens and boils. Add pineapple and sweet potatoes. Cover and simmer until potatoes are hot. Serves six.

BEAN-BEEF SOUP

1/2 pound hamburger
1 cup (1 large) onion
3 1/2 cups water
1 envelope vegetable soup mix (or onion soup mix)
1 cup chopped celery
1 large can pork and beans
1 cup tomato juice
1 tablespoon Worcestershire sauce

Sprinkle skillet with salt, lightly brown beef. Stir in onion and celery, sauté until soft. Add water; heat until it boils, then stir in soup mix. Cover. Cook 10 minutes. Stir in pork and beans, tomato juice and Worcestershire sauce. Heat to a simmer. It's ready to serve six.

1 cup sugar
2 eggs, beaten
2 teaspoons baking soda
2/3 cup hot water
