**Wildcat Hoopsters Open 63-64 Season With Two Victories**

Wayne State eagles marked up a 59-55 victory in their basketball debut Saturday night coming from behind twice to down Northwest Missouri State at Maryville.

A pair of players who had not seen much varsity action last year came through with clutch efforts to pull the game out of the loss column. Sophomore forward Dean DeBuhr contributed 19 points — high for the game — and junior guard Dennis Torgerson hit four straight long shots late in the game to put Wayne back in the lead it had held more than half the game.

The Missouri hosts led until Wayne forged a 12-12 tie after 11 minutes of low-scoring maneuvers. It was junior guard Jim Murphy who brought Wayne even on a jump shot from the key, then a similar shot put the Wildcats

ahead. The half ended with a 29-25 Wayne advantage.

The second half continued with Wayne in command, sometimes by eight and nine points, until Northwest Missouri rallied for a 48-48 tie and went ahead, 52-48, with 5:40 remaining.

At this point Torgerson began his heroics, aided by a tightening of Wayne defenses. Result: the Cats added 31 points while holding the hosts to three.

Friday night the Wildcats go to St. Paul for a tussle with Hamline, then Saturday night against College of St. Thomas, also in St. Paul.

Wayne's performance Tuesday in the home opener — an 89-79 conquest of Westmar — gave Coach Al Svennington and his squad a strong boost for their games with the Minnesota powers.

Fans watched in delight as the Wildcats put an astonishing fast break into high gear during the last 5 1/2 minutes. From a scant 69-67 lead, Wayne tallied 20 points that broke Westmar's back.

DeBuhr's 25 points and Jon Garcia's 20 paced the Wildcats, but Westmar's Glen Miller led all scorers with 26. The first half ended with Wayne ahead 41-40 after the teams traded the lead 10 times.

**"I Tell My Customers Frankly Gas Clothes Drying Costs Less."**

Bud McNatt, McNatt's Hardware, Wayne, Nebr.

Operating costs are important on a clothes dryer that is going to last for many years. So my customers deserve to know that a Speed Queen gas clothes dryer is less expensive to operate. And because it runs on gas flame, maintenance costs are also low. An automatic Speed Queen gas clothes dryer dries clothes soft, sweet and fluffy — and it saves money while it's doing it.

## Letters to the Editor

November 25, 1963  
Dear Editor:

What great American citizens we are! With the death of our President John F. Kennedy the nation mourned. President L. B. Johnson and Governor Morrison proclaimed November 25, 1963, a national day of mourning in honor of Mr. Kennedy. So how did we show our respect?

Without checking with ministers in Wayne, stores were told to close for one hour. Many churches had scheduled memorial services earlier in the day, thus not giving employees the freedom to attend services as they might. This should have been the responsibility of the Mayor to also proclaim this day of mourning as to ask all stores to close.

While the day went on as usual in Wayne, the four small flags on only two downtown corners were being covered by Christmas decorations. One had to look twice to even notice this small bit of homage paid to our late President.

Surely we could give one half of or one day to show respect to one who gave nearly three years of leadership and his life for us. Let us all hope that we never have to witness this ordeal again, but let us not forget the freedoms that have been won by those who lead us.

Rowan Wittig

**Elinor Mitteis, Dwain Volwiler Wed November 19**

Carroll — Elinor Mitteis, daughter of Mr. and Mrs. Otto Mitteis, Verdigré, was married to Dwain Volwiler, son of Mr. and Mrs. Clarence Volwiler, Carroll, Nov. 18 in double ring rites at Evangelical United Brethren Church, Orchard. Rev. Alvin Smith, Orchard, officiated at the candlelight ceremony. Frances Hildreth, Norfolk, sang "The Lord's Prayer" and "The

Wedding Prayer," accompanied by Jolene Mitchell, Orchard. The bride, given in marriage by her father, wore a floor length white gown of Chantilly type lace and nylon tulle over taffeta, featuring a cameo neckline and fitted sleeves.

Mrs. Jan Curtis, Royal, was matron of honor. Her taffeta brocade street length dress was in sapphire blue. Bridesmaids, Francis Hildreth, and Mrs. Dan Har-meier, wore dresses identical to the matron of honor's.

Allen Volwiler, Wayne, was best man. Groomsman were Leslie Mitteis, Cheyenne, and Don Volwiler, Ushers were Leland Mitteis, Royal, and ringbearer was Verlyn Stoltenberg, Lincoln.

Hosting the reception were Jan Curtis and Mrs. Leslie Mitteis. Attending the guest book was Mrs. Mitteis. Mrs. Dale Stoltenberg, Lincoln, was at the punch bowl and Mrs. Dean Zimmerman, Bloomfield, poured coffee. Mrs. Loran Stoltenberg and Mrs. Don Volwiler, Carroll, cut the cake.

Waitresses were Barbara Ermeck, Bloomfield, Marilyn Block, Verdigré; JoAnn Butterfield and Ardith Moser, Orchard.

Ladies in the kitchen were Tillie Stevens, Marion Ickler, Marie Neuhaus, Orchard, and Doris Ickle, Jackie Block and Ethel Jelinek, Verdigré.

The couple took a wedding trip to Denver, and reside southwest of Carroll where the bridegroom is engaged in farming.

# Capitol News . . . More Advertising Space Needed on Interstates

LINCOLN — The state advisory highway commission would like to have a relaxation of the federal bureau of roads regulation which requires interstate highway signs to be 150 square feet or less. The commission would appreciate having the maximum changed to 500 square feet to permit more information to be made available to the motoring public.

The advisory group recommended also that the department of roads inquire into the possibility of constructing informational centers at strategic points along the super-highway at which tourist information would be distributed.

Nebraska is one of 20 states in which billboards have been outlawed on the interstate. State Engineer John Hossack recalled Nebraska enacted an anti-billboard law in 1961 to allow the state to get the benefits of a federal law which gave a "bonus" payment in return for billboard control. The federal law permits payment of a bonus of one-half of one per cent of the federal cost of the part of the highway within the state.

R. McBride, Minden, commission chairman, said petroleum interests suggested recently that the sign size restriction be changed to authorize signs up to 800 square feet. However, Hossack said this would not be practical.

Hossack termed the proposal "so far out of line that it would kill the effectiveness of our purpose. Such signs would look like a sore thumb and I don't think the federal bureau of roads would go for it." At the same time, the state engineer expressed the belief that a size limitation of 400 to 500 square feet would get approval.

Dan Ramsey, a commissioner from Scottsbluff, said if Nebraska is going to capitalize on the interstate "we can't count on the bureau to help us. The state must take the initiative."

McBride said the interstate in Nebraska will probably carry more than 25 per cent of the state's traffic, making it "more necessary that we make it possible for communities to advertise what they have to offer."

He added that there is some sentiment for outright repeal of the anti-billboard law. "If we don't act, this proposal will pick up support," he predicted.

### Signs Finance Bill

Governor Morrison has signed into law LB 11, the key interest rate measure of the special session of the legislature.

The gubernatorial signature came after Morrison had been assured by the attorney general that he felt the bill would meet constitutional tests. The opinion from the attorney general did not come as a surprise since he had issued a formal opinion early in the special session stating that LB 11 was constitutional.

There were some revisions made when the bill was debated in the Unicameral, but none of them were of the type which would make the measure invalid, according to Atty. Gen. Clarence Meyer.

LB 11 leaves the general usury limit at nine per cent on conventional loans; permits installment loans at a 12 per cent interest rate; and cuts the maximum amount of a small loan from \$3,000 to \$1,500. The first \$300 of a small loan could carry a 30 per cent interest rate and the next \$200 a 24 per cent rate. The maximum interest permissible on the last \$1,000 of a \$1,500 loan would be 12 per cent.

Morrison said after signing the bill that "he does not intend to know" if the interest rates are equitable. But, he said, "at least they are rates I consider reasonable."

He said, "this bill should establish order in what during the

may be received from the federal government to the public schools only, on the basis of a fixed amount per child in average daily membership.

State financial support to the public schools provide revenue and to equalize taxes paid by all citizens for school purposes.

## Co. Agent's Column

### Need to "Winterize" Lawns, Trees, Shrubs

This is the time of year to protect lawns, shade trees and shrubs against winter weather and storms.

Lawns should be soaked and trees watered heavily. This is especially important now as sub-soil moisture is deficient.

Trees leaves should be removed from lawns as they will mat and smother the grass if not removed.

Trees and shrubs need a good supply of sub-soil moisture during the winter. Water should be applied before the ground freezes. This is especially true for evergreen trees and shrubs.

Trees such as young sugar maples, Norway maples, tulip trees, lindens, and other thin-barked trees should be wrapped or protected them from sunscald. Wrapping the trunk with a commercial tree wrap is recommended. Wide strips of burlap can be used. Sunscald is a splitting of the bark on the south side of the tree. It occurs in all parts of Nebraska in the winter.

### NPK - Simpler Terms for Fertilizer

When you buy fertilizer, read the label, advises M.D. Weldon, University of Nebraska Extension agronomist.

Now there is one other bird, or animal, to which this protection should be extended, and which should have the benefit of a closed season. I mean all of us men, any if the law were properly set up, it would make that closed season from Thanksgiving until Christmas. The way it is right now, there is open season on us all year through, but the real campaign to hunt us down is conducted from about November 28th to December 24th.

You know if we were handed gently during that time, if all the family were just a little more kind, at least a bit more subtle, maybe the results would be better than under existing conditions. Just take a look around when you go down in the streets these days. What do you see? The hunter and the hunted. Mom with a predatory gleam in her eyes, and Dad with an harassed expression in his. She's thinking about what she has to get, and he's thinking about paying for it when she gets it.

Then too, there is that "men be damned" attitude, when a fellow does muster up courage to do a little shopping on his own hook. "Course he gets a few elbows in his ribs, a few dirty looks, maybe he humples over one or two small fry, who are hanging onto mother's hand, and who are even more tired and irritable than mother herself. But it's when he tries to make the upper floors that he really gets the works.

He waits for the elevator to open, and finally it does, and out comes the thundering herd. Unloading from that elevator comes a set of blocking backs, to whom Notre Dame would give scholarships, anytime. Remember the poem, "The Charge of the Light Brigade," how with cannons to the right of them and cannons to the left of them, rode the six hundred. Well, here's one poor man, not six hundred, not charging into the "Valley of Death," but simply trying to get on an elevator.

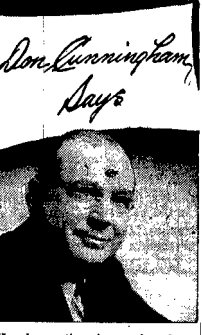

Finally he makes the third one. Squeezes 'em back, and draws in his stomach to make room for a couple of extra passengers. His destination is the third floor, where the household appliances are kept, but when he is finally able to emerge, he finds himself on fifth, among the lingerie. He gives up, and thirty minutes later he catches a "down" elevator, and emerges on the first floor, beaten, bruised and battered. A sadder but wiser man.

Bad Deal you say? Sure it is, but we must be gluttons for punishment, for we try it every year. Guess after all, we kind of like it.

Dec. 2, 1948: The city council ordered three traffic signals for the business district. They will be placed on Main at Second and Third and Fourth streets. Mrs. Harry Rhoady, Winside, first prize winner in the recent Wayne Herald trade expansion campaign, last Saturday received her award—a new Chevrolet. Two more Wayne county precincts have held their community AAA elections. Dr. J. T. Gillespie has sold his optometry practice here to Dr. William Koerber, Sioux City, and will move to Norfolk soon to be associated with his brother, Dr. F. W. Gillespie. Otto Olson is erecting a quonset building in the 100 block and will move his used car business there in a few days. It was disclosed that approximately 70 percent of the spuds in Nebraska need improving. The new vocational agriculture building south of the high school will be opened for display Saturday.

Dec. 1, 1938: Wayne county rural power district is about ready to make application to the state highway commission for permission to build lines in Wayne county. A proposition to do that the city was presented to Wayne councilmen at their meeting Monday evening. . . . Herbert Welch reported on the Good Citizenship contest held in Omaha before the Wayne college training school assembly Wednesday. Brown-McDonald Co., with headquarters in Hastings, has bought the Mercer B. Walker store in Beatrice. Pictures appealing to children have been booked by P. L. March to show at special matinees on Saturdays. . . . Eighteen students from Wayne county are among the 8810 students attending the University of Nebraska this semester. . . . About 2,000 bushels of corn were husked from 50 acres on the Evan Williams farm Friday by 72 men with 24 teams. . . . Winside school board had a special meeting Saturday evening to order a new section for the boiler at the schoolhouse. Wayne is one of the 15 high schools to attend a debate tournament at Emerson Dec. 10.

Nov. 28, 1933: Wayne State Teachers college Willis closed the 1933 school year with a game at Peru Friday evening, and captured third place in conference rating. . . . Rollie W. Loy, Wayne, was named on a committee with Woods Ganes, Pierce, and J. J. Delay, Norfolk, to meet with groups from other parts of the state to draft a permanent bankers' code to be submitted to the state association for final approval. All that stands between Wayne youngsters and a jolly time ice skating, is a good hard freeze. The pond at the east side of town has been flooded and promises an excellent surface for skating. . . . Clothing stores of Wayne will be closed all day Thanksgiving day. . . . Emil Barelman returned from conference Saturday afternoon. . . . The county did not even have no prize cows till the Democrats took over under Franklin D. Roosevelt. . . . Further more, allowed Clem, a 10-penny nail now and then might be good for a cow — make Ed milk rich with iron. But Ed wanted a investigation to see which one of them Democrats was throwing away good Government pork. . . . Yours truly, Uncle Zeke.

BEFORE THE SPEEDOMETER READS 30—HE'LL KNOW HOW NEW IT IS!

The second he touches his toe to the accelerator, his amazement will begin. For no previous Cadillac ever moved like this one!

At 10 miles an hour, the most powerful engine in Cadillac history will already be working its magic.

By 20 that great Cadillac transmission—the newly improved Hydra-Matic—the completely new Turbo Hydra-Matic—will reveal a smooth, flawless kind of action he's never felt in any motor car before.

And by 30 the whole splendor of this new Cadillac performance will begin to unfold. New response. New quietness. New balance and poise. New alertness.

At 40 or 50, the car will have so much added accelera-

tion that passing will be incredibly easy—with an extra margin of safety he's never known before.

And even at the full legal limit, this new Cadillac car will be so steady and quiet that the only sensation of motion will come from the passing scenery.

And then, he will take restful note of the other great new Cadillac virtues—the extraordinary luxury of Comfort Control\*... the magnificent comfort of the new contoured seats... the marvelous roominess and convenience that come only with the "car of cars".

Want to find out yourself how new the 1964 Cadillac is? Your dealer is standing by with the keys. All he needs is you and thirty minutes.

### E. Manske Spends October in Europe

Mrs. Elsie Manske, Hoskins, returned Oct. 31 from Europe, where she spent several weeks, and enjoyed her first visit with several relatives. At Sommersell, Germany, she visited her father's birthplace, where cousins still live.

She met other relatives in Paderborn, Schömar, Detmold and Tinfrop, Germany, and reported a good year there, with much rain. Sugar beets were being harvested during her visit, and many piles of them were at the station, waiting to be shipped to the sugar factory. Their sugar is very coarse, reports Mrs. Manske. Other crops are mangels, raised for feed, maize and potatoes. Everyone is enjoying the plentiful food, after war years when it was scarce.

There are some small tractors for those who can afford them. Mrs. Manske's cousin uses for plowing, a horse and two cows. Women ride bicycles with carts behind to go to the country where they have large gardens. Almost everyone grows flowers.

At Victoria Station, London, England, Mrs. Manske joined a tour for a 1390 mile trip. They left by train for Dover, and spent two hours on a steamer to get to Calais. There the 84 people boarded two waiting busses for a scenic trip along the Rhine River, viewing vineyards, barges, fishboats and the Black Forest.

Before leaving the tour, Mrs. Manske visited Brussels, Belgium, Cologne, Bonn, Bad Elm, Baden and Feldberg, Germany, and Zurich, Lucerne and Interlaken, Switzerland. Here half the group took a two hour car wheel train ride to Gungfrau Mountain, 13,449 feet at the top. At 11,333 feet, was a hotel with dining accommodations, and a 60-foot ice tunnel with skating rink.

After traveling to Autum, France, and Paris, where she spent two days, Mrs. Manske left the tour and flew to Dusseldorf, Germany, there boarding a train to Detmold, to be met by relatives.

In New York, Mrs. Manske's brother Reuben Meierhenry, Pensacola, Fla., met her. She spent a day sightseeing before returning home.

'64 Pontiac

Here's why you'll like it.

Here's why you'll tell other people you like it.

Wide-Track, for instance. Wide-Track is what does away with tilting your way around turns. Pontiac's smoother, quieter ride is another thing you might point out. A big 389-cubic-inch Trophy V-8 is standard in each and every Pontiac. You get to choose from 34 engine/transmission teams to harness all that power. (Happy choosing!)

Now then—on to more of the things that

SEE THE ONLY DEALER WHO SELLS THE WIDE-TRACK CARS—YOUR AUTHORIZED PONTIAC DEALER

make the '64 Pontiac so thoroughly likeable. Frankly, we couldn't think of anything radical to do with this car. Oh, we made the styling even more stylish, as you can plainly see. We lavished even more care on the interiors. We even improved the light bulbs. But as for more vital things, why change? Improve, refine, sharpen—yes. Change—no. And you can tell that to your friends.

# The Harbinger

The Voice of Wayne High School

Volume 2 Thursday, December 5, 1963 Number 4

## WHS Participates In Band Clinic

Forty-six members of the Wayne High School band participated in the 14th Annual Husker Band Clinic at Stanton, Dec. 4. Two bands were in session during the day; a senior band directed by Jack Snider, Director of the University of Nebraska Marching and Collegiate Bands and a junior band under the direction of Paul Parker, Director of Bands at the Arbor Heights Junior High School, Omaha. The senior band consisted of approximately 220 members and the junior band numbered over 100 members.

Following the day-long rehearsal, the bands were heard in a public concert at 7:30 p.m. at the Stanton High School Auditorium. The public was invited. Member schools participating included: Lyons, Madison, Neligh, Oakland, Bender, Pierce, Plainview, Stanton, Wayne, Wakefield, West Point, and Wisner.

## A Few Tummy Ticklers

Old man appeared on a street corner. While walking down the street he had one foot on the curb and one foot on the street. He was bobbing up and down when a policeman approached him. Policeman: You better come with me, sir, you're drunk! Old man: Thank heaven, sir, I thought I was crippled.

Went to a drive-in theatre last night, and all I can say is — the screens are getting bigger and bigger, and the cars are getting SMALLER and LESS ATTENTIVE.

## News In Brief

School was dismissed Monday, Nov. 25, at the request of Governor Morrison for President Kennedy's funeral.

The Wayne High basketball team will be wearing new stretch pants for the season. It seems that the size of the team has made this move a necessity.

The Wayne High Fall Play has been rescheduled for Thursday, Dec. 5, at 7:45 p.m.

## Students and Faculty Thankful for Vacation

When the 3:15 bell rang Wednesday, Nov. 27, it marked the beginning of Thanksgiving vacation for the students and faculty of Wayne High.

The first Thanksgiving celebrated by the Pilgrims, Dec. 13, 1621, consisted of feasting and prayer to show the gratitude of the colonists that they were still alive.

The students and faculty celebrated Nov. 28, 1963, in much the same way as the colonists did their first Thanksgiving. The majority of students and faculty members either visited relatives or stayed home for a feast of the usual Thanksgiving dinner. Sometime during the day most took time out from their feasting to count their blessings and be a little thankful.

Friday, Nov. 29, the day after Thanksgiving, was spent eating left-overs and enjoying the holiday vacation.

When Monday morning came, the students and faculty trotted back to school, over-weight and satisfied to teach, learn, and wait until Christmas vacation.

## WHS Students Welcome New Faculty Member

One pretty, young lady, constantly on the move through the Wayne High halls, is winning a loyal following among both students and faculty members as the school year moves toward the mid-year. Mrs. Marie Mohr journeyed here this year from Bloomfield, to teach sophomore English and act as co-sponsor of the Pep Club.

Her home town is Remsen, Ia., although she was born in Sioux City and went to school in Le Mars, Ia. She attended Union Consolidated High School, Le Mars.

She attended Wayne State four years. At Wayne High she teaches English 10 and 7th grade Home Economics. She is also an assistant Pep Club sponsor.

Mrs. Mohr lives on a farm in the eastern outskirts of Wayne. Although she was just recently married, the farm life was no great change for her; she has lived on a farm all her life. Teaching and farm life keep her pretty busy, but she still finds time for her main interests which are sewing, cooking and reading. She also manages a little time for interior decorating.

Mrs. Mohr commented that she would like to continue teaching. Their home is permanently in Wayne.

## Journey to Kearney

Wayne (WH) — A group of excited high school students journeyed to Kearney for the N.M.E.A. Music Convention Thursday, Nov. 21.

Upon arrival at the Kearney High School the string players reported for tryouts. The first practice was scheduled for 7:30. Before this time the students registered, reported to their home, and ate dinner.

Three hour practices were held every morning and afternoon. Evenings were filled with concerts given by surrounding high schools and colleges.

The highlight of the trip was the concert given Saturday night. The orchestra, directed by Marvin Raben, assistant conductor of the Boston Symphony Orchestra, presented three pieces. Lloyd Pfautsch, choral director at Southern Methodist University, led the choir in six songs. The band, under the direction of Dr. Manley R. Whitcomb, professor at the school

of music at Florida State University, concluded the concert with three selections.

The weekend came to a close when the tired students stumbled into their own homes at 3:30 Sunday morning.

## Pep Club Prepares For Basketball Season

During the basketball season Wayne High Pep Club plans to have skits as part of the Pep Rallies. Three Pep Club Council members, Shirlee Nissen, Ann Casady and Ellen Baker are in charge of organizing each skit. The first will be presented at the first Pep Rally. Skits will not be prepared for every game, but several are being contemplated.

For out-of-town games a bus will be used to transport Pep Club girls to and from the games. Senior girls will go to the first away game, junior girls the second, etc. When there are vacancies, the empty seats will be filled by volunteers. A small sum of money will be charged in order to pay the bus driver and buy gasoline.

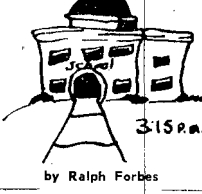

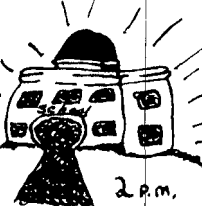

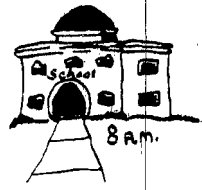

## German Club Holds First Banquet

Wayne (WH) — Wayne High's German Club held a banquet in the All-purpose room of the elementary school Nov. 26 at 6:30. German students attended the banquet. Mrs. Sandra Zaretsky, the German teacher, along with her husband, Warren Zaretsky, WSC student, and Mrs. Zaretsky's sister, a freshman at WSC this year, sponsored the group.

The meal consisted of German ham, wienerschmitzel, wieners and sauerkraut, assorted vegetables, and salad, with German Chocolate cake highlighting the desserts. The girls from the German Club brought and served the food.

After the meal a short business meeting was conducted by president Linda Seymour. It was decided to go Christmas caroling Dec. 19. Recordings made the week before by each of the classes of German songs were played back during the evening.

Following the meeting a relay race was held to see who would clean up. The losing group got the job. Dancing, American and German style, completed the evening.

## Music Departments Active at Wayne High

Donald Schumacher, band director, has said the orchestra will have a combined concert with the choir Dec. 16, at the City Auditorium.

The musical selections have not been decided on yet. The choir will join the orchestra in singing different musical selections.

Both the choir and band do not have anything pressing them for the near future and are just sight reading different arrangements.

Mrs. Kropp, choir director, stated that a Girl's triple trio is being started this week. Sopranos are Candy Vaughn, Connie Bottorfson, and Linda Kane. Second sopranos are Nancy de Freese, Sandra Olds and Kathy Hansen. Altos are Debbie Wightman, Virginia Witt, and Shirlee Nissen.

## No School for Students Wednesday

Wayne (WH) — Yesterday open house was held at Wayne City High School for Parent-Teacher Conferences of students of the Junior and senior high school level. The following conference schedule was followed — 9:00 a.m. to

12 noon; 1:00 p.m. to 4:00 p.m. and 7:00 p.m. to 9:00 p.m. Parents were encouraged to come, as friendly conferences encourage the teacher, give confidence to the parents, and help the student, which leads to better relationships between teacher, parent and student.

## 'B' Squad Works Hard

The Wayne High B squad has been sweating and running just as much as the varsity boys, according to their new coach, Dan Cahill.

Coach Cahill has stated that the squad should be very strong both on offense and defense, because of their size and speed. The team has size in Gary Morehorst (62), and Dean Elofson (61). The speed comes in the form of Mark Robinson and Jack Manske.

Other boys, likely to see action this season, are Don Koeber, Lowell Lutt, Mark Greim, Dave Noyes, Leon Jorgenson, Glen Nichols, Bob Reeg, Maurice Beckenhauer, Keith Tietgen, Jim Chambers, and Larry Echtenkamp.

Dec. 6, both the varsity and the B-squad, will travel to Tekamah for the opening game of the 1963-64 basketball season.

## P-TA Scheduled For Tuesday

Wayne (WH) — In the interest of organizing a P-TA in Wayne, a community meeting is being scheduled for Tuesday, Dec. 10, 8 p.m. in the high school gymnasium, at which time Mrs. Lester McMaster, District III director of South Sioux City will meet with the group.

At this community meeting it will be discussed if one unit should be organized to cover all schools and all grades, or if separate units should be organized for kindergarten through sixth grade and seventh through twelfth grade.

All parents are urged to attend his meeting.

## Big "Breakthru" to Higher Corn Yields!

### Family

**SINGLE  
CROSS  
and  
3-WAY TYPE  
HYBRIDS**

### There is something NEW in Corn!

Yes—there's something NEW in Seed Corn—something Different. It's the DeKalb XL Family—a brilliant scientific achievement in corn breeding. These hybrids represent a greater concentration of desirable qualities which promise high yields—greater disease resistance—superior stalk strength—the ability to take the EXTRA stresses of modern, intensive farming—high populations and heavy fertilization.

All experimental lines are deliberately exposed to every possible hazard. Only those few, TOUGH enough to survive, are used in breeding DeKalb's XL varieties.

**IMPORTANT**—From all indications, DeKalb XL varieties are going like "wild fire." Be sure of your supply. See your DeKalb Dealer. Don't put it off.

Often overlooked, the insurance program of a farmer can be profitably utilized to accumulate money for a down payment or used as collateral for a loan through regular channels.

Consider what William P. Schany, a tenant farmer at West Bend, Iowa, is doing.

Schany, a hard-working, progressive farmer of 41, within three years' time is ready to lay down \$10,000 as a down payment on a farm of his own. That \$10,000 will come from the cash value of \$50,500 worth of permanent type insurance policies he has been buying since 1954.

Schany and his wife want a farm of their own; they've proved that they can do a good job on the 400 acres they've run on a share-crop basis for the last 10 years. Also in the picture is the fact that plenty of help is growing up in the form of seven children, ages 3 weeks to 13 years.

"I believe in borrowing money on insurance only for productive purposes," Mr. Schany pointed out. "And this will be a good, productive investment."

The Schanys are firm believers in an adequate insurance program, pointing out that their policies provide protection for the growing family, a means of gathering together an estate, protection of that estate, and a forced means of saving dollars which can be used as in this case—the purchase of a farm.

"I bought a \$1,000 20-pay life when I was 17 and working on a construction job," Schany recalled, "and I thought I was covered. In 1954, my insurance

man sold me a \$10,000 policy and explained the facts of life. I haven't had to be sold since and the rest of the policies, totaling \$72,600, I have bought voluntarily."

Mr. Schany wants to buy a farm of 240 acres or more; he'd even consider buying the place that he is crop-sharing now. He owns a good supply of machinery and equipment and without any hired help, but using the man-sized aid of 13-year-old Billy, farms the 400-acre unit. Income is derived mainly from some 500 head of hogs sold per year and 210 head of cattle that go through his feedyards. During the winter, Schany is busy in his farm shop, fixing and building equipment, saving high overhead dollars that can go instead into his insurance savings program.

Right now the Schanys are paying premiums totaling \$1,645 a year on their insurance. The cash value of the policies, including interest and dividends, is increasing at the rate of \$1,548 per year. Thus the cost of his \$72,600 protection is only \$97 a year now.

The cash borrowed on Schany's policies can be paid back at a rate of his own choosing.

There are other financial benefits to Schany in the insurance program, too. For one thing, he's a better prospect for a regular bank or lending agency loan with such a protection plan in the background. And on year-to-year financing, such as for cattle loans, bankers feel more like making loans to adequately insured farmers.

# better spreader

**100 shredding teeth... new paddle design. Result? Finer shredding, wider spreading. Bold ideas from New Idea.**

Let farmers talk about spreaders and here's what they ask for. One that will shred finer, spread wider, last longer. One that'll take big chunks of hard-packed manure in stride. Now see why so many more farmers rely on a New Idea to fill the bill.

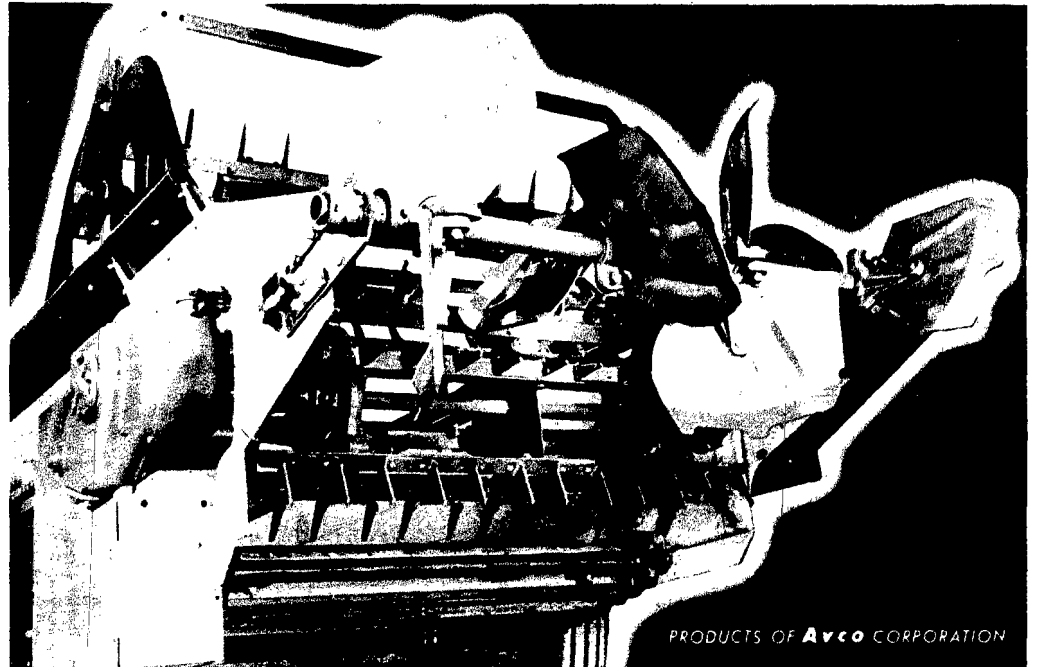

**Finer shredding:** With New Idea, 100 triple staggered teeth on a 4-bar upper cylinder and a 6-bar lower cylinder give finer shredding. Cleans itself, too.

**Wider spreading:** Newly-designed distributor paddles lay down controlled, uniform pattern because they are stronger, heavier, with cupped, serrated edges. They dig in, slice deep, spread wide.

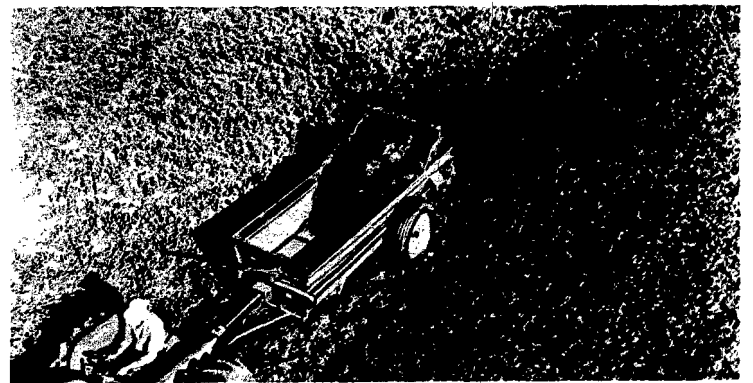

**Longer lasting:** Check 'em off of this partial list: Wooden sides and bottom, hot sprayed paint, heavy-gauge steel flares, welded "A" frame hitch on all PTO models, optional endgate. And all New Idea spreaders have a full year written guarantee.

Lots of our bold ideas are taken for granted; and they should be. But when you shop for a spreader, don't think these features are in all makes. See for yourself at your nearby New Idea dealers. New Idea, Coldwater, Ohio...

**where bold new ideas pay off for profit-minded farmers**

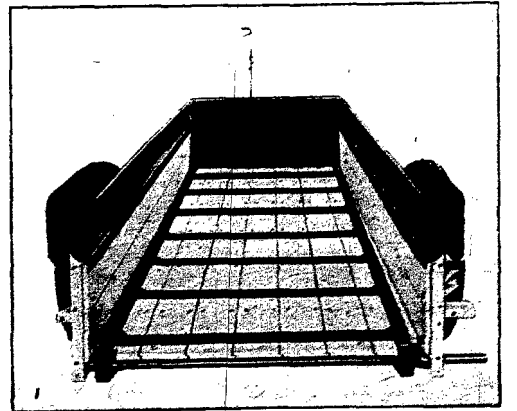

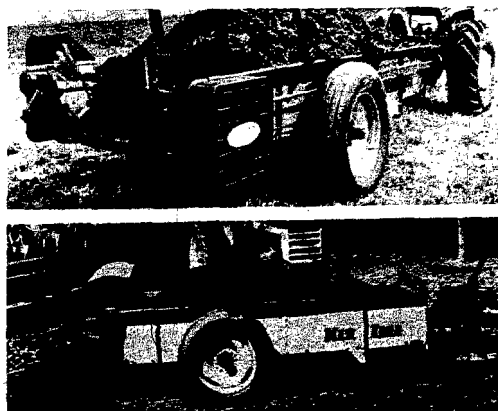

**TOP DRESS OR SPREAD HEAVY.** New Idea chunk busters spread manure evenly in a uniform pattern to protect tender plants, and to provide even, healthy growth. For more profitable soil building... for more economy of handling... and for an all-round better spreader... see your New Idea dealer now.

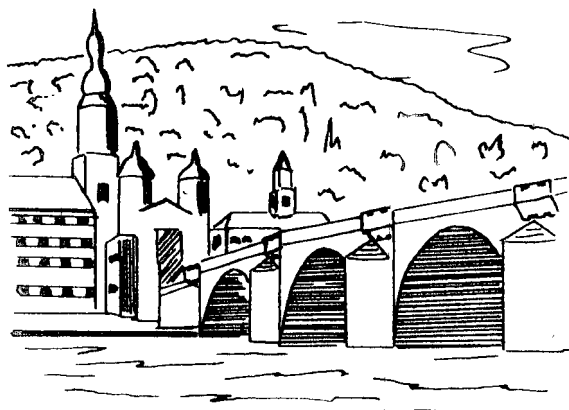

**TYPE YOU WANT; SIZE YOU NEED.** World's most complete line now includes 125 and 155-bushel Single Beater spreaders; 130 and 160-bushel Flail spreaders; 125, 145 and 180-bushel Cylinder/Paddle PTO's; and 70, 75 (4-wheel) and 95-bushel Cylinder/Paddle ground driven.

**LONG LASTING.** Clear, yellow pine boards make up the sides and bottoms of every New Idea spreader box. They're treated with water repellent Penta preservative — then sprayed, tops, bottoms and sides, with hot paint for added protection.

In some lands at this time of year the sun is brightly shining and palm trees are the only thing to decorate; in other places snow has come and wooden shoes are put outside the door for Father Christmas.

Wherever it is, the homemaker is busy making special dishes. If there's German in your background, Lebkuchen needs no introduction. Literally this is "sweet cake". The recipe is characteristically hard and chewy. Lebkuchen develops a better flavor upon storage. Begin your holiday preparations early.

Stollen, too, is from Germany. These are sweet, fruit-filled breads baked in the form of a folded-over roll, like a large Parker House roll. Some cooks put a layer of sugar and cinnamon between the layers, sometimes this is omitted. But almost always the baked loaf is frosted and then decorated with chopped or slivered walnuts, or perhaps with sliced candied cherries.

Stollen are traditionally served in Germany for Christmas breakfast. Often thin slices are served with tea or a glass of wine to guests or callers during the holiday season, as fruit cake is served in England. But this sweet fruited bread is suitable as a special treat at any meal.

#### LEBKUCHEN

4 cups flour  
 1/4 teaspoon soda  
 3/4 teaspoon cinnamon  
 1/8 teaspoon cloves  
 1/8 teaspoon nutmeg  
 2/3 cup light corn syrup  
 1/2 cup brown sugar,  
 firmly packed

2 tablespoons water  
 1 egg, slightly beaten  
 3/4 cup (3 ounces) shredded  
 candied orange peel  
 3/4 cup (3 ounces) shredded  
 candied citron  
 1 cup walnuts, chopped

Sift flour once, measure, add soda and spices, and sift together three times. Combine syrup, sugar, and water and boil 5 minutes. Cool. Add flour, egg, fruits and walnuts, press dough into a cake, wrap in waxed paper, and store in refrigerator 2 or 3 days to ripen.

Roll 1/2-inch thick on lightly floured board. Cut in 1 x 3-inch strips. Bake on greased baking sheet in moderate oven (350°F.) 15 minutes. When cool, spread with Transparent Glaze. Store at least one day before serving. Makes about 5 dozen cookies.

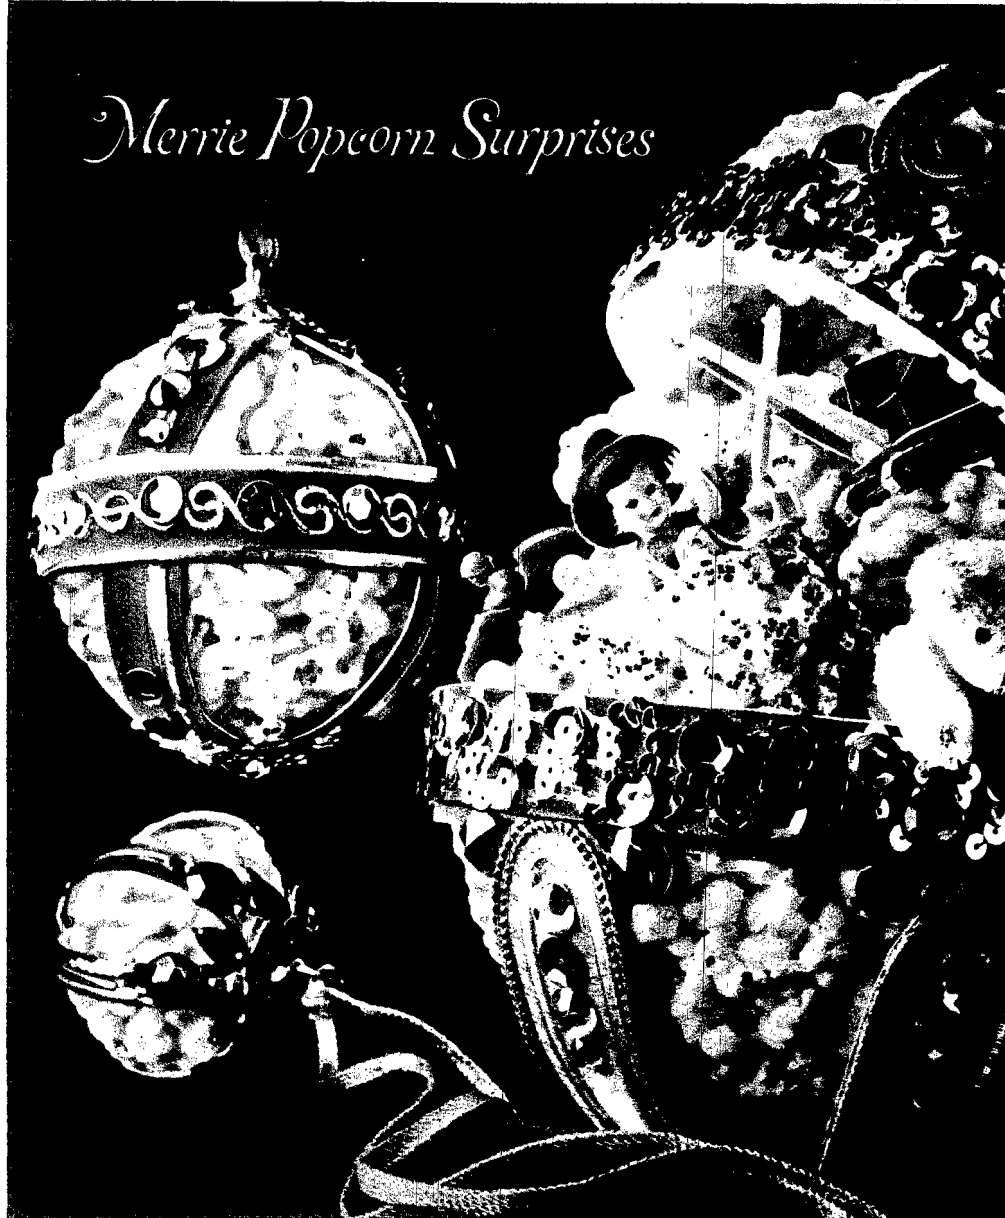

To make Transparent Glaze, combine 1 cup sifted confectioners' sugar and 1 1/2 tablespoons boiling water. Add 1/2 teaspoon vanilla. Beat thoroughly. Spread on Lebkuchen while Glaze is still warm.

## Merrie Popcorn Surprises

## The new way to cook is with Karo!

Look at all these festive holiday surprises you can create for your family with Karo's tasty, easy-to-make popcorn mixture.

#### Karo Popcorn Mixture:

Prepare 5 qts. popcorn. In 3-qt. saucepan, mix 3/4 cup Karo Red Label Syrup, 1/4 cup margarine, 2 tbsp. water, 1 lb. confectioners sugar and 1 cup cut-up marshmallows; stir over low heat until mixture just boils. Pour over popcorn in large pan, toss to coat.

**Treasure Balls:** Turn 1-qt. bowl upside down, wrap double thickness of foil around the outside. Dampen hands, press enough Karo popcorn mixture over foil on bowl to cover. Lift popcorn-covered foil off bowl. Repeat to make second half of ball. Let both ball halves harden. Remove foil from each half, fill with toys, favors, small popcorn balls made from the remaining mixture rolled in colored sugar. Use decorative ribbon to tie halves together. Trim with sequins, fake jewels. Make other festive treats using Karo Popcorn Mixture:

**Snowman:** press together 3 popcorn balls—small, medium, large—gumbdrop makes hat, candies make eyes and nose.

**Candle:** press mixture into empty cream carton. Unmold. Candy cane makes wick.

**Christmas Tree:** press mixture into a lightly oiled funnel. Unmold. Dust with green sugar. Use large gumbdrop to make base.

#### Karo® Syrup adds a wholesome kind of sweetness that's easy to digest!

... because it supplies DEXTROSE, a quick energy sugar that needs no digestion. Karo Syrup gives delicious new flavor and appetizing new texture to food. Makes everyday dishes much more interesting. That's why the new way to cook is with Karo!

### GERMAN STOLLEN

- |                                   |                                       |
|-----------------------------------|---------------------------------------|
| 1 recipe Basic Sweet Dough        | 1 teaspoon grated lemon rind          |
| ½ cup chopped walnuts             | 1 tablespoon soft butter or margarine |
| ¼ cup finely cut candied cherries | 2 tablespoons sugar                   |
| ¼ cup finely cut candied citron   | ½ teaspoon cinnamon                   |

Make Basic Sweet Dough. Stir in walnuts, citron, cherries and lemon rind before adding last portion of flour. Then finish mixing dough and knead. Shape into smooth ball. Place in lightly greased bowl. Cover and let rise until doubled (about 2½ hours). Punch down. Cover and let rest 5 to 10 minutes. With palms of hands press dough into oval shape a scant ½ inch thick. Spread half of oval with soft margarine or butter. Mix sugar and cinnamon. Sprinkle over margarine or butter. Fold unspread half lengthwise over sugar and cinnamon, making edges even. Lift to lightly greased baking sheet. Curve the ends slightly. Press down the folded edge (not the open edge). This helps the loaf keep its shape as it rises and bakes. Cover and let rise until doubled (about 1½ hours). Bake in moderate oven (350°F.) 30 to 35 minutes. Remove from baking sheet. When cool, frost and decorate. Makes 1 loaf.

#### Frosting

- |                                   |   |
|-----------------------------------|---|
| ¾ cup sifted confectioners' sugar | 3 candied cherries, sliced              |
| 1 tablespoon top milk or cream    | 2 tablespoons chopped or sliced walnuts |

Mix sugar and milk or cream to make a smooth thick frosting that will just pour. Pour it over top of loaf, letting frosting drip down sides. Decorate with sliced cherries and sprinkle with walnuts.

### BASIC SWEET DOUGH

- |  |                                 |
|--|---------------------------------|
| 1 package active dry yeast, or 1 cake compressed yeast | 1 teaspoon salt                 |
| ¼ cup warm water                                       | 2 tablespoons melted shortening |
| ½ cup milk   | 2¼ to 3 cups flour              |
| ¼ cup sugar  | 1 egg                           |

Sprinkle dry yeast into warm (not hot) water. (Crumble compressed yeast into lukewarm water.) Stir until dissolved. Scald milk. Pour into large mixing bowl or into large bowl of electric mixer. Add sugar, salt and shortening. Cool until just warm. Stir in 1 cup flour. Mix in dissolved yeast. Add egg and beat hard. (Egg may be beaten separately and then added to batter.) Stir in 1½ cups flour. Sprinkle 2 tablespoons of the remaining ¼ cup flour on bread board or pastry cloth. Turn dough out on flour and knead, adding more flour as needed to make a soft dough. Knead until dough is smooth and satiny (about 5 minutes). Shape into smooth ball. Wash mixing bowl and grease lightly. Press top of dough ball into bowl, then turn dough over. Cover and let rise until doubled (about 2 hours.) Punch down. Cover and let rest 5 to 10 minutes. This dough is the foundation for German Stollen and Russian Kulich.

Leckerlis are a Welsh cookie especially popular at Christmas. Because Leckerlis soften and lose none of their quality through storage, this cookie may be made ahead of the holiday rush.

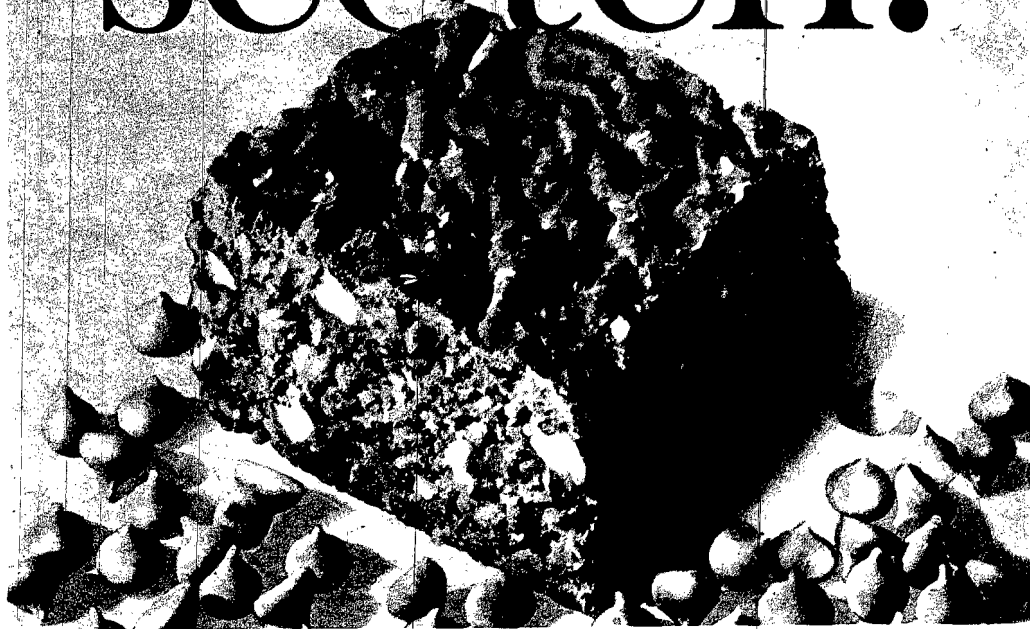

- |                                      |
|--------------------------------------|
| 4 cups flour                         |
| 1 teaspoon baking soda               |
| ½ teaspoon salt                      |
| 1 teaspoon cinnamon                  |
| ¼ teaspoon nutmeg                    |
| ¼ teaspoon cloves                    |
| ¼ teaspoon ginger                    |
| ¼ cup finely cut candied orange peel |
| ¼ cup finely cut candied lemon peel  |
| 1½ cups walnuts ground fine          |
| 1 cup light corn syrup               |
| 1½ cups sugar                        |
| ¼ cup shortening                     |
| ½ teaspoon grated lemon rind         |
| 1 tablespoon lemon juice             |
| 1½ teaspoons imitation rum flavoring |

### LECKERLIS

Sift together flour, baking soda, salt and spices into a large bowl. Prepare fruits and nuts; set aside. Combine syrup, sugar and shortening in a heavy saucepan; heat to boiling point; stir frequently. Remove from heat; add fruits, walnuts, lemon rind, lemon juice and imitation rum flavoring; mix well. Pour on top of dry ingredients. Combine thoroughly, finally working mixture with hands until dough is well blended. Divide dough into six equal portions. Roll each portion onto lightly floured board into a rectangle 10 x 6 x ¼-inches. Cut into 15 cookies, each 2 x 2 x ¼-inches. Place on lightly greased baking sheet. Bake in a 350°F. (moderate) oven 10 to 12 minutes. Frost and decorate as desired. Store in tightly covered tins. Yield: 7½ dozen cookies.

Plum Pudding, long an English favorite, has taken on a new appearance in American homes. It's chilled, cut into cubes and decorated to make Festive Dessert Kabobs.

### FESTIVE DESSERT KABOBS

1 pound English-style plum pudding  
 Red Currant Jelly  
 Flaked or fine-grated coconut  
 Preserved kumquats  
 Maraschino cherries  
 Pickled watermelon rind

Chill plum pudding. Cut into 3/4-inch cubes and press each onto toothpick. Spread cubes on all sides with red currant jelly. Roll cubes in coconut. Or roll cubes in granulated sugar and alternate on wooden picks with kumquats, maraschino cherries or watermelon rind.

**Stuffed Fruit Confections:** Stuff pitted soft prunes or dates with crumbled English-style plum pudding. If desired, garnish with strips of preserved kumquats or candied cherries.

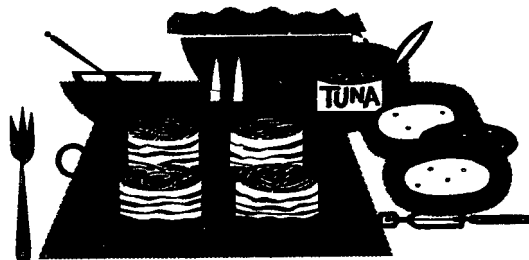

### SUGARPLUM CAKE

1 1/2 cups prunes	1 teaspoon cinnamon
water	1 teaspoon nutmeg
2 cups sifted flour	1 teaspoon allspice
1 1/2 cups sugar	1 cup buttermilk
2 1/2 teaspoons baking powder	3/4 cup cooking oil
1 1/4 teaspoons soda	3 unbeaten eggs
1 teaspoon salt	1 cup walnuts, chopped

Cook prunes with water until tender. Drain; pit and cut into small pieces. Sift flour with sugar, baking powder, soda, salt, cinnamon, nutmeg and allspice into mixing bowl. Add buttermilk, cooking oil and the prunes. Beat 1 1/2 minutes. (With electric mixer, blend at lowest speed, then beat at a low speed. Or beat 225 strokes with a spoon.) Add eggs. Beat 1 1/2 minutes. Stir in walnuts. Turn into 13x9x2-inch pan, greased and floured on bottom. Bake at 325° for 40 to 45 minutes. Serve warm with whipped cream and Sauce. To reheat, cover with aluminum foil and place in 350° oven 15 minutes. (Note: For a more moist cake, pour Butter Sauce over hot baked cake.)

**Butter Sauce:** Combine 1 cup sugar and 2 tablespoons cornstarch in saucepan. Add 1/2 cup buttermilk, 1/2 cup butter and 1 teaspoon vanilla. Bring to a boil; boil 1 minute, stirring constantly. Serve warm. If too thick, thin with a few drops water.

# Chicken of the Sea Tuna

From Russia comes Kulich, a sweet bread baked in tall, slender loaves. As the loaves rise above the tops of the cans in which they are baked, they take on the form of domes similar to those seen in pictures of some Russian churches. Kulich was originally a holiday bread, but it is appropriate the year round. Its round slices add interest to any meal, whether they are served fresh or lightly toasted.

Popular when friends drop in for a holiday chat, is the Russian recipe for Mazourka or walnut cake. Makes an ideal dessert at dinner time.

#### KULICH

1 recipe Basic Sweet Dough    ¼ cup chopped walnuts  
¼ cup raisins    1 teaspoon grated lemon rind

Make Basic Sweet Dough. Stir in raisins, walnuts and lemon rind before mixing in the last cup of flour. Then finish mixing dough and knead. Shape into ball. Place in lightly greased bowl. Cover and let rise until doubled (about 2 hours). Punch down. Divide into halves. Shape into balls. Press each ball into greased 1-pint can (such as fruit or juice cans), or 1-pound coffee or shortening cans. Cover and let rise until doubled (about 1½ hours). Bake in moderate oven (350°F.) 30 to 35 minutes. Turn out of cans at once. When cool, frost tops with confectioners' sugar frosting and decorate with walnuts and sliced candied cherries, or sprinkle with small colored candies.

#### Frosting

½ cup sifted confectioners' sugar    2 tablespoons slivered walnuts  
2 teaspoons top milk or cream    2 candied cherries, sliced

Mix sugar and milk to make smooth, thin frosting. Pour over tops of loaves. Decorate with walnuts and sliced cherries. To serve, cut slices from top to bottom so each slice has a bit of frosting.

#### MAZOURKA (WALNUT CAKE)

9 egg yolks    1 pound walnuts, ground  
2 cups sugar    ½ pound candied fruit peel, ground  
9 egg whites    2 tablespoons lemon juice  
3 cups flour

Beat the yolks in a bowl; add the sugar and beat well. Beat the whites in a separate bowl until stiff but not dry and fold into the yolk mixture carefully. Add the flour, walnuts, candied fruit, and lemon juice, mixing lightly. Preheat oven to 325°F. Butter a flat pan, about 8 by 12 inches, and dust lightly with flour. Pour the mixture into it. Bake for 30 minutes at 325°F., or until a cake tester comes out clean. Dust with powdered sugar. The resulting cake will be about 1 inch high and should be served in long, thin slices.

Many famous Christmas foods have come to us from Sweden — one of them is Swedish Fruit Soup. A favorite for its versatility, Fruit Soup can be served as an appetizer or for dessert. This is the time of year to introduce a Swedish dish that's sure to become a favorite with your family and friends too.

#### SWEDISH FRUIT SOUP

½ cup pearl tapioca	1 cinnamon stick
6 cups water	1 tablespoon grated orange rind
2 cups apple juice	2 teaspoons grated lemon rind
¼ cup sugar	¼ cup orange juice
1 package (12 oz. or 2 cups) mixed dried fruit, cut in small pieces	2 tablespoons lemon juice
1 cup raisins	

Soak tapioca in water to cover 2 to 3 hours. Drain. Combine in a large saucepan water, apple juice, sugar, dried fruit, raisins, cinnamon stick and the tapioca. Simmer until the tapioca is clear, the fruit tender and the mixture slightly thickened, 2 to 3 hours. Stir occasionally to prevent mixture from sticking to the bottom. Stir in orange rind, lemon rind, orange juice and lemon juice. Serve warm or cold, plain or with whipped cream. Makes 3 quarts.
