

School Plans About Date Set for Bid Letting

Final plans and specifications for the new high school in Wayne will be presented to the board Tuesday, Oct. 12. Bid opening day has been set for Thursday, Nov. 18.

Davis & Wilson, Lincoln architects, have sent word that the plans are virtually unchanged from the most recent designs. They plan to have these plans in the hands of bidders by Oct. 18.

Three contracts are to be let. One will be for the general construction of the building, one for mechanical work and the third for electrical work.

Bids for fixed equipment will be let the same day as these three. This will cover equipment to be installed and not moved around and will take place following the opening of the main bids.

A third set of bids will be for special equipment and for movable fixtures. The date for opening these bids will be announced later.

The school district is currently condemning property to be acquired for school use. Frank Kemp's house has been moved and contractors can move in as soon as bids are let.

To Aid Fund, Girl Scouts of City Fix Toys

To help the Hospital Auxiliary bazaar, Wayne Girl Scouts are fixing toys to be sold. A good turn that will help in several ways, they need the help of the public to make it a success.

Any toys that can be repaired are needed. Those having toys may call 375-3186 or contact Mrs. Ruth Owen, Mrs. Bill Ross, Mrs. Max Lundstrom or Mrs. Arline Ulrich.

When a list of those having toys is compiled, the Girl Scouts will arrange for a pickup route to call at the homes. They will then bring in donated items and paint, repair or reassemble them.

The Hospital Auxiliary is planning a bazaar to raise funds for needed items at the hospital. This is the Girl Scouts' way of doing a good turn and helping a good cause.

Wayne County Reaches Four-Fifths Bond Goal

Wayne county has reached four-fifths of its savings bond sales goal with one-third of the year remaining for the one-fifth on the quota. Henry Ley, chairman of bond sales for the county, made the report.

This county was credited with purchases of E and H bonds worth \$34,089 during August. This brought the total for the year to \$308,500, or 83.6 per cent of the quota set for the county.

Nebraska residents bought \$46 million worth of bonds in August. It brought the state's total purchases to \$49 million for the year.

Three Inductees to Report Next Month for Service

Mr. Elda Jones, clerk of the Wayne County Selective Service office, reports the county will have to send three for induction in October. She also said the inductees would come from a dozen youths who took physically Tuesday.

A chartered bus was used to take boys for physicals and inductions to Omaha Tuesday. One was inducted from here and 12 went for physicals, 11 from here and one a transfer from Illinois. Cedar county boys were picked up at Hartington and Cumby county boys at West Point.

Bill Landanger, Carroll, was the lone inductee. He is the son of Mr. and Mrs. Fay Landanger and will be sent to Ft. Leonard Wood, Mo., for basic training.

Community Chest Benefit October 7

Jaycees, and Mrs. Jaycees of Wayne are combining forces in planning a carnival Thursday, Oct. 7 from 6 to 10 p.m. in the Wayne City auditorium. Proceeds will go to the Community Chest drive.

One of the carnival features will be a dunking board on which prominent residents will sit. By hitting the bullseye, competitors will be able to see said residents drop into a tank of water.

Other features will be dart games, duck pond, cake walk and other booths and games. Mrs. Steve Beach and Mrs. Dick Sutherland are in charge of plans with Mrs. Larry Westerman in charge of advertising.

Meeting Tuesday of last week, the Jaycees planned these events: Carnival, pillow sale by WHS students to aid the AFS fund; honey Sunday Nov. 21; a New Year's eve dance; and a membership drive.

Ted Bahde was elected state director; Larry Westerman, Larry Topp and Dean Magwire, board of directors; and Larry Westerman, "spoke" of the month. Bill Corbill was named chairman of the membership committee. Steve Beach, "spoke" and Arnie Otten, "speak up Jaycee."

Field Trip and Mum Day Will Be Held at Concord

A field tour of the crops and soil research now in progress at the University of Nebraska Northeast Station, Concord, will be held Sunday, Oct. 3, in conjunction with "Mum Day" according to Dennis Clegg, area supervisor and Gene Schwartz, area extension agent.

Tours are set for 2 and 3:30 p.m. conducted by Ulverd Alexander, station agronomist, and Schwartz. If enough people show up, the number of tours will be increased.

Those wanting to see mums will see a "breeding plot" where plants are identified by number and may become available from commercial sources if they pass NU standards. Concord itself has several mum plots where visitors may see beautification work.

Chemical weed control in corn, narrow-row spacing trials on corn, sorghum and soybeans and variety tests involving corn, sorghum, soybeans, castor beans alfalfa and clover can be observed and evaluated. Fertility trials on corn, alfalfa and broom will be seen in the tour.

Farmers can take tours while their wives, view mums or both can take tours and see the mums too. Everyone is welcome, city dwellers or country residents.

Band Day Goes from Sunny to Chill Wind

Band day in Wayne Saturday started off with the first sunshine in weeks and balmy breezes. Before the football game was over, the sun was down and the breezes had turned into a chill wind.

A parade in the afternoon attracted a big crowd and business came to a standstill while the WSC musicians and 20 other bands paraded. The Chamber of Commerce gave lunch to all the bandsmen and they stayed for the game.

Halftime of the Morris-Wayne game saw the bands march on to be identified. Massed before the west stadium, they played just one piece and marched off, got in their buses and left.

No one blamed the bands for observing. It was a disagreeable night, the game was not close and the cold instruments were hard to play in tune. Nevertheless it was a successful band day for everyone but the visiting Minnesota football team.

Stanton Banker Killed

Leo Nixen, president of the First National Bank of Stanton, was killed Monday morning in a collision with a gas transport that had stopped for a railroad crossing at Norfolk. He was well-known in southern Wayne county.

BOARDING A BUS early Tuesday in Wayne was Billy Landanger, Carroll, this county's only inductee for September.

Wayne Firemen to Hold Annual Ball October 15

Firemen in Wayne will be called out this week and next to sell tickets but to set fires. They are planning their annual fireman's ball Friday, Oct. 15, in the national grand armory.

Ivan Creighton is president and Ivan Beeks fire chief. Both report they will appreciate all "contributions" in the VFD's only fund-raising event of the year.

The firemen will use the fire truck to call attention to their ticket sales. They'll have Paul Moorhead and his orchestra here for the dance and they expect the same quick response to their call for sales as they give to your calls for help.

Miss Stahly Will Be New Area Agent

A new area extension agent in home economics has been appointed by the University of Nebraska to serve at the Northeast station serving five counties. She is Margaret Stahly, Milford, who takes the place of Mary Jo Gross.

Miss Stahly will be affiliated with the area team consisting of Anna Marie Kreifels and Myrtle Anderson at the Concord station. They all work in Cedar, Dakota, Dixon, Thurston and Wayne counties.

A 1960 graduate of the University of Nebraska, her experience includes a tour in England and Wales as an International Farm Youth exchange student. She has also been county extension agent in Cumby county, received a national 4-H fellowship to the University of Maryland where she received her master's degree and has been dean of women, Bethel college, Indiana.

Mrs. Gross had work responsibilities in 4-H, foods, nutrition and health education. She resigned to devote her time to other interests and continues to reside in Wayne.

Rural Teachers to Attend Institute

Wayne county rural teachers will attend institute Monday, Oct. 4, so there will be no school that day. This includes all country schools plus the public and parochial schools in Hoskins and the Shiles school.

It may sound like a "vacation" for the kids but they will "pay." Achievement tests for grades three through eight will be discussed and these tests will be given the remainder of the week to the pupils.

There will be films, reading workshop and English workshop, according to County Supt. Gladys Porter. Sessions will be held in the county courthouse throughout the morning and afternoon.

Community Chest Drive in Motion But No Reports In

Wayne's Community Chest drive to raise almost \$9,000 got off to a good start with workers busy in both residential and college areas. Depressing weather was not expected to help much.

The city bases its summer recreation program, Midget, Pee-wee and smaller boys baseball, swimming program, park recreation and other such activities on the Chest. Most families in town benefit from this phase of the drive.

In addition, there is the Red Cross, aid to the blind, aid to unwed mothers, local emergency fund, remedial speech clinic, Traveler's Aid, Boy Scouts, Girl Scouts, Salvation Army, USO and others that benefit. All are counting on a good response so the Community Chest can be continued.

The big red feather in the lobby of the First National Bank has not started to get red yet. The more green stuff that is contributed the more red paint will be required.

This drive covers 13 funds and takes the place of a dozen drives. When you're contacted, you are asked to remember that and give accordingly.

YMCA Idea Topic Monday at Kiwanis

What it takes to have a YMCA was the main topic at the Monday noon meeting of the Wayne Kiwanis club. James Eggleston, Topeka, executive secretary of the west central area council for the YMCA-YWCA, was the speaker.

Eggleston showed strip film depicting what it takes to get a YMCA started and the benefits to be derived from having one. Emphasis was given the idea that no building is necessary the first few years.

Kiwanians had expressed interest in the idea of a YMCA so Eggleston was contacted. He said this interest in the youth of America is important and should become more widespread but YMCAs are beneficial to boys, girls and adults and not just the young so communities with them really profit.

Election of officers is to be held this coming week at the Kiwanis club meeting; announcement was made that used postage stamps are needed to be sent to Europe for auction with proceeds to go to an orphanage in Austria; and Harold Ingalls and Don Reed were reported as representing Wayne at the district meeting in Des Moines Chas Greenlee was a guest of the club.

Grazing Diverted Acreage Permitted

Wayne county (and other area) farmers will be allowed to graze feed grain diverted across after Oct. 1, according to J. H. Mohr, county ASC committee head. This means pasturing only, not harvesting of crop on the land.

A violation of the harvesting provision could result in putting the farm out of compliance. In cases of this kind, the total feed grain payment must be refunded.

No fall sign-up is expected to be held for the 1966-crop wheat, even if a program is enacted at once. Mohr said, Congress is considering approval of voluntary grain programs and if authorized, sign-up for both will be next spring.

In the meantime, farm wheat allotments have been determined under present legislation and have been mailed to producers. Farmers having questions about them should contact ASC office personnel.

WCHS Names New Members of Board

Seven new board members were named at the Monday night meeting of the Wayne County Historical society at the Wayne City auditorium. Around 20 members and 10 visitors were present.

New members of the board are Robert Boeckenhauer, Wayne; Robert Jones, Carroll; Ben Meyer, Wayne; Mrs. Harold Hein, Wayne; Don Wightman, Wayne; Ervin Ulrich, Hoskins; and N. L. Ditman, Winside.

Program members included two vocal solos by Patty Dangberg accompanied by Mrs. Paul Dangberg, modeling of Biblical costumes by Mrs. David Theophilus and colored slides of Norway shown by Cliff Dahl. Coffee and cookies were served at the close of the meeting.

Silver Dollar Drawing Thursday Night at 8 - \$150

Antiques are not exactly hobbies but the WCHS believes in promoting its own cause so some of the items from the museum will be shown. Included are an old-fashioned corn planter and a sleigh from generations ago.

The show is sponsored to raise funds for a museum in Wayne county. At present many of the old items owned by the WCHS are in boxes or stored so they cannot be seen.

Knitting, needlepoint, ceramics, rugmaking, upholstery, plaquemaking, paintings, Indian artifacts, miniature horses, pennants, mosaic, purses out of rugs, trap shooting, antique ammunition, buttons, locks, elevators and plastic flowers are among the hobbies scheduled for showing.

Those who have not seen the variety offered by some hobbies will have a chance to learn a lot. It's something the entire family will enjoy and no one will deny it's a worthy cause.

Outline English Study

Meetings by all English teachers in the District 17 school system are being held Wednesday nights to prepare a course of study to be used by staff members. Supt. Francis Haun reports. The meetings were scheduled in an attempt to present a unified curriculum for junior and senior high English departments. The full English staff is attending and submitting course outlines to help prepare the course of study.

Plan Square Dance Group

A centennial square dance group is to be formed in Wayne. Plans are indefinite but classes will probably get underway in November. Purpose is to get residents prepared for the centennial observance in the state and county in 1967. Dave Chambers of WHS will instruct in a series of other things that will feature fun and knowledge in new and old square dancing steps. Further details will be given later.

Council Tables CATV Offers; Lets Bids on Sewer, Paving

Two applications for CATV (cable television) were tabled by the Wayne City council Tuesday night. Early the council accepted bids for construction of sewer and installation of paving.

Budd Bornhoff represented a national CATV company, which has local stockholders in presenting a plan for cable TV on 12 channels with emergency announcement facilities, FM music and other features. The firm would start work within 60 days after granting of a franchise and would have CATV within a year.

Jack Martin appeared on behalf of a group of local men and a South Sioux City group interested in a CATV franchise. He said no firm offer was made as to what could be offered but it would be similar to the above. The council decided to seek more information before deciding on the matter.

Sanitary Sewer Districts 27 and 28 were assured work when Herb Charleston, Fremont, was awarded a contract for \$6,537.10. This work is all in the Westwood addition.

Trio of Vehicles Damaged at Carroll

Damage ran high in a Friday night automobile accident in Carroll. Three vehicles were involved one of them totally demolished.

Driver of the only moving car was Vernon Schnoor, Carroll. He was blinded by lights coming from the north, many Winside people being enroute home from Hartington at the time.

His northbound car first hit the parked car of Mabel J. Fredrickson, Lincoln, pushing it into the parked car of Dewey Thomas Carroll. Then the Fredrickson car ran into a tree and the Schnoor car and Thomas car continued north.

Schnoor told Trooper Don Matzika, NSP, that he had seat belts but did not have them in use at the time. He was thrown into the windshield and his head went through it, causing head cuts and bruises.

The Thomas and Schnoor cars suffered several hundred dollars damages each. The Fredrickson car was a total wreck.

District PTA Conference Will Be in Hoskins Hall

Hoskins will host the District III PTA conference Tuesday, Oct. 5, in the Fire Hall. Mrs. S. A. McMaster, Jr., South Sioux City, district director, will preside.

Sessions get underway at 9:30 a.m. and last until 3:15 p.m. All PTA members, administrators, school board members and other interested people are encouraged to attend.

"How Strong Is Your Bridge?" will be the theme, being based on the "bridge-like function" of the PTA between parents and school personnel and between teachers and administrators to parents and communities. "Two way traffic can be maintained," is one idea of this theme.

Serving on the district counseling committee this year is Rev. John Volz, Wayne, president of the Wayne PTA unit. Representatives from Cedar, Dakota, Dixon, Thurston and Wayne counties will take part.

Highlighting the first session will be a program workshop by Dr. Galen Saylor, NU. It will give PTA members information on how to function effectively on PTA committees.

The second session opens with a melodrama followed by a symposium concerning cooperation among parents, teachers and school administrators. Symposium participants will be Gordon Namberger, Wakefield, for parents, Ella Larson, Laurel, for teachers, C. E. Pembroke, South Sioux City, for administrators and Mrs. Henry Ley, Wayne, for school board members.

Discussed will be these questions: What do you like about PTA? What can we do to improve PTA? and How can we strengthen the bridge?

Area Enjoys One Day of Sunshine

Saturday was a nice day in the Wayne area. Sunshine was allowed to slip in after three weeks of cloudy and mostly drizzly weather.

The clouds came back in Sunday and it has rained a little since then with rains continuing into Wednesday. Almost an inch and a half of rain fell last week.

State National bank gauges showed 36 of an inch Monday, 01 of an inch Tuesday and an even inch up until 8 a.m. Wednesday. Rain was still falling Wednesday at midmorning.

Temperatures have dropped as low as freezing and have been in the 60s and 70s most of the time. Even when it was not raining the clouds hung low and the world was a depressing gray.

Some have forecast that the rains will end soon—and then the snows will start.

Just Few Feet Away from \$100

Mrs. Minnie Daum, Wayne, residing at 219 1/2 Main, was probably just a few feet away from winning \$100 Thursday night. Her address is right in the business district.

She was not present in the store of a participating firm so she did not get the money. Possibly this is the closest anyone has ever been to a winning site and not won.

This makes the drawing this week \$150. It will buy a lot of umbrellas, overshoes and raincoats or even some mud tires — just in case this weather keeps up for another week, or month, or year.

Premiere Showing of Film Here Next Tuesday Night

A 15-minute color film that cost the state centennial commission \$13,700 to have prints made will be premiered in Wayne Tuesday, Oct. 5, at the City auditorium. Showings are scheduled at 7 and 8:30 p.m.

It's "The Wayne County Centennial Story" and was adapted from films made by Walt Tolman, Wayne, and Ralph Tolman, Lincoln, at the centennial kickoff this spring. The first showing in Nebraska, it will be the start of a tour of three sets of prints which will take the story to every county in the state.

Dignitaries to be here for the premiere will be Don Shrinier, state centennial director, Ed Sykes, assistant director, and Henry Ley, state banking director who will tell how much the "local pitch" meant in the plan. Cliff Dahl is Wayne county chairman. He will be present along with Wayne county centennial committee members and mayors of the towns in the reception line.

A short style show will be put on by women of Winside to lengthen the program to about one half hour. Special music is also a part of the schedule.

Mrs. Chris Tietgen and Mrs. Harold Field, county centennial membership co-chairmen have been soliciting memberships in the business district. This week for WCHS and will continue their work later. Everyone will be contacted before they are through.

Grace Lutheran to Hold Mission Rally

A dynamic Chicago executive and a well-known Battle Creek minister will speak at the Grace Lutheran church Sunday, Oct. 3, at the church's annual mission rally. The public is invited to the morning and afternoon services and to the fellowship luncheon at noon.

Glen Peglau, Chicago, is president of National Builders Mortgage and Finance corporation, a member of the Illinois Bar association and founder of Global Orphans, Inc. in River Forest, Ill., he is active in youth work and is leader of the Explorer Scouts of his church.

Peglau has been directly responsible for placing four planes at the disposal of foreign missionaries in hard-to-travel areas, has secured 14 Jeeps and a five-ton truck and has set up a \$10,000 scholarship fund to help needy youths receive a medical education for overseas medical mission work.

The idea of using airplanes to help missionaries in remote areas came to him as he was on a moose hunt in the north woods of Canada. A man of action, he started investigating with the above results.

Rev. Eugene Vetter, pastor of St. John's Lutheran church, Battle Creek, is the speaker at the mission vesper at 2 p.m. Peglau will speak at the 10 a.m. service. The luncheon at noon will be served by the women of the church.

Don Schumacher will direct the church's three choirs in special music for the two sessions. Pastor E. J. Bernthal of Grace Lutheran is in charge.

Court Fines \$382 During Past Week

Court fines in the county totaled \$382.50 the past week. Judge David Hamer's decisions resulted in \$57.50 being levied in court costs and the rest in fines.

Biggest fine was \$100 apiece for two young men, Gary Ray, Charles City, Ia., and John Meyer, Fort Dodge, Ia. They paid that sum plus \$5 apiece court costs on charges of possessing alcoholic beverages as minors. Sheriff Don Weible brought charges Sept. 20.

The following day, Jerome Burbach, Hartington, paid a fine of \$10, court costs of \$15 and was ordered to make restitution on two insufficient fund checks totaling \$22.00. He had been charged by County Attorney Charles McDermott.

Sept. 22 Harris Johnson, Newman Grove, was fined \$15 including court costs of \$5 on a speeding charge. Trooper C. Franssen of the Nebraska Safety patrol issued the ticket.

The same day, Donald Kurp-gewell, Lyons, paid a fine of \$20 and costs of \$5 on a charge of disorderly conduct. Officer E. L. Hailey of the Wayne police department made the complaint.

First of two cases Sept. 24 involved Rebecca Vaughn, Wayne. She paid a \$15 fine and \$5 costs on a charge of speeding brought by Trooper Franssen, NSP.

Eater that day, Hal Sandahl, Wayne, was cited for failure to yield the right of way. He paid \$10 fine and \$5 costs on the charges brought by Chief of Police Vern Fairchild.

Viola Murphy, Wakefield, also appeared on a charge brought by Chief Fairchild. She paid \$50 fine and \$22.50 costs Sept. 25 after being charged with driving with alcoholic content of more than 15% in her blood.

Finally, Sept. 23, Louie Jensen, Wayne, was charged with issuing no-account check. Attorney McDermott signed the complaint. The defendant was bound over to district court on \$500 bond.

Final Rites Held At Martinsburg For Kurtis Rahn

Wakefield—Funeral services for Kurtis L. Rahn, 3, were held Sept. 23 at Trinity Lutheran church, Martinsburg. Kurtis died Sept. 26 at Wakefield hospital following a lengthy illness.

Rev. Steven Gudwillo, Sioux City, officiated at the rites. Herbert Ellis sang "Jesus Is Always There" and "Jesus Tender Shepherd Thou Hast Stilled." Mary Rahn was organist. Pallbearers were Carroll Rahn, Duane Harder, Larry Lubberstedt and Charles Mahler. Burial was in Silver Ridge cemetery, Martinsburg.

Kurtis Loving Rahn, son of Vande and Jacquelyn Roberts Rahn, was born Jan. 1, 1961 at Wakefield. He is survived by his parents; two sisters, Katherine and Kandace; a brother, Kregg; grandparents, Mr. and Mrs. Walter Rahn and Mr. and Mrs. LeRoy Roberts, and his great-grandfather, Gus Swanson.

Hit-Run Mishap One of Two Accidents in City

A hit and run accident in a parking lot was one of two reported to Wayne police the past week. The main clue on the mishap was orange paint left on the damaged car.

Chief of Police Vern Fairchild investigated the accident which occurred behind the Coast-to-Coast store Sept. 23. Warren Summers, Wayne, came back to his pickup and found the door on one side smashed in and no one around. Orange paint was left at the point of impact.

The only other traffic accident occurred near the Fourth and Main intersection on Main, Mrs. Kathryn Roekwell, Wayne, backed away from the curb, her car striking the right side of a car driven by Mary Ann Pollard, Wakefield, who had stopped for the traffic signal.

Officer Keith Reed who investigated reported about \$60 damage to the Pollard vehicle.

Meeting in November

Wayne County Teachers association will not meet in October. It met this month in Winside and meetings are scheduled every other month. The Nov. 18 meeting is scheduled at Wayne with Ann Campbell of the Lincoln Public Schools the featured speaker.

About Over 65 Benefits SS Man Will Have News

If you are over 65, you may want to know of some of the new health insurance protection to be offered starting July 1, 1966. A social security man will be here Thursday, Oct. 7, to explain the plan.

John Cook of the Norfolk office will be in the courthouse from 1 to 3 p.m. that day to help explain the program as well as to confer on any other matters concerning social security. Those who have appointments will get preference and these may be obtained by writing Social Security, Box 884, Norfolk.

Hospital insurance which will help pay hospital bills and voluntary medical insurance to pay doctor's fees are available. A lot of questions about the insurance can be answered during the two-hour visit of the social security representative.

Two Cases of Larceny Checked by Policemen

Two cases of larceny were among the matters investigated by the Wayne policemen the past week. Only two automobile accidents were reported but there were plenty of other calls for assistance.

One store owner reported a saddle had been taken from his garage. A woman lost her purse when it was taken from the seat of the car while parked downtown. Neither has been recovered.

Vandalism, seldom seen in Wayne, resulted in extensive damage at a new home. A plastic piece over the front door was broken, Thermopane doors were broken and a sawhorse was broken.

Hay Stack Fire Burns Several Days at Farm

Another resident reported someone had ridden horses across his lawn, leaving deep hoof holes across his wet yard. A mailman threatened to quit serving one area unless a dog menacing him daily was chained to the Terry Janku farm to the northwest of the junction of Highways 35 and 98. First alarm came in Wednesday night and the fire still smoldered over the weekend.

Carroll and Winside firemen were called to the scene which is about the same distance from each town. Winside firemen were called back later when the fire threatened to blaze anew. The volunteers from the two fire departments were able to keep the fire from spreading to nearby residential area; a stray dog was impounded; help was given to apartment residents locked inside by another resident of apartment who locked the doors so no one could get in or out, and funeral escorts were provided.

The police also served extra hours Saturday in helping with clearing streets for the band day week included Bob Ostegard, Dix-parade and for controlling the crowd.

Area Shippers

Area shippers to Omaha last week included Bob Ostegard, Dix-parade and for controlling the crowd.

Wayne State Faces Kearney After Rout of Minnesotans

Defender Kearney State vs. contender Wayne State, here Saturday. That game of information is enough to magnetize Wayne football fans who recognize the potential and the stakes involved.

Certainly all the elements of a "classic" clash will be present when Wayne and Kearney square off in Memorial stadium at 8 p.m. Saturday — half an hour later than usual game time.

Apart from the teams, there will be added interest because this will be Parents day at Wayne State — parents of all students invited to visit the campus in the afternoon and attend the game at night. Dads of the football players will enjoy a special privilege, sitting on the sidelines.

What are the factors making this game exceptional?

- Wayne fields a team credited with the best possibility in years to bag the Antelopes — a feat accomplished by the Wildcats only once (in 1960) since 1954.
- A 510-ramp last Saturday over Minnesota-Morris gave the Wildcats a feel of victory.
- Wayne defense proved capable as it pounded Morris for a net loss of 36 yards.
- On the other hand, Kearney fields a team almost intact from 1964, including ace passer Neil Kaup, a scrambling quarterback.
- The Antelopes suffered their first loss in nine games when Fort Hays (Kan.) State stymied them, 21-13.
- The winner will become a favorite for the conference title.
- Added up, these factors indicate a grid spectacular in store.
- Wayne, lackluster in its first-game loss at Northwest Missouri, deployed a formidable offense with plenty of variety against outmanned Morris.

Six Wildcats contributed to the scoring rout. Fullback Burt Matthews rammed over twice, both times from one yard out. Halfback Jerry Kropp also tallied twice, the first time on an 18-yard pass from Quarterback Dean deBuhr, the second on a 37-yard sprint.

Linebacker Dave Bross enjoyed a rare glory for a defender when he chased a Morris fumble into the end zone and covered it for a TD. End Roger Benley took a deBuhr aerial four yards to score, then added the point with a run, his first in four seasons. Halfback Dennis Kirby also converted the point for his own two-yard TD run.

He attempted seven conversion kicks, made only three as a brisk wind played tricks.

Halfback Van Stackelberg, though crippled by a shoulder injury, scooped in the third of deBuhr's scoring passes for 19 yards. A fourth-period safety resulted when Morris Quarterback Dennis Melchior got caught in his own end zone.

Matthews, still below his 106-yard rushing average of the past two seasons, proved himself a quick-kick artist for the second game. After a rare-for-him loss of seven yards from a muffed handoff, put Wayne back on its own two. Matthews booted a third-down punt that rolled to the Morris 15 — and 88-yard gain. Last week he surprised Northwest Missouri State the same way for 69 yards. Normally deBuhr does Wayne's punting.

Kirby staged some spectacular broken field running enroute to a 85-yard total on 12 rushes. He started at halfback in place of the injured Stackelberg.

Randy Bernard, usually a line-backer, got a chance at ball-toting when Coach John Jermer began subbing his offensive regulars. Result: Bernard added 21 yards on seven tries. Halfback Blake Oleson sparkled on defense, with two interceptions.

Around 200 Boys Expected in Area PP&K Competition

Around 200 boys between the ages of 8 and 13 are expected to take part in the Hunt, Bass and Kick contest being sponsored by the Wayne Lions club, Wortman Motor Co. and Ford. Registration is still open for boys who come to Wortman's with their parents to sign up. No purchase is necessary.

Harold Maciejewski is director of the local competition. He is basketball coach at WHS and head of the athletic department. Ken Daugherty and Gene Behmer are handling plans for Wortman's.

Maciejewski reports the Wayne competition will be held Saturday, Oct. 9 at 2 p.m. in the Wayne State stadium. It will be open to the public and no admission will be charged.

Star Musical, consultant to the president on physical fitness, has emphasized physical fitness programs as an integral part of American life. He praised the PP&K program for its promotion of this idea.

Footballs, helmets, pro football jackets and plaques are among the ideal prizes. State competition leads winners to Washington for the finals, a National league playoff and other awards. Details on the contest and a list of officials will be given next week.

Cross County Racing Begins at Wayne State

Cross country season begins today (Thursday) for Wayne State distance runners, with South Dakota U. and Yankton College coming here at 4 p.m.

Coach Carl Ellermeier reports a squad depleted of durable Carl Owczarzak and Ken Kutzer, both graduated, and currently listing only one letterman, A. D. Benson of Sidney, 18. Two others, Peter Strals of Bloomfield and Bruce Hopkins of Glenford, N. Y., have run cross country.

A promising freshman addition is Dave Hasebroek of Wayne, who won numerous laurels in high school track and cross country. Jerry Holmberg of Lyons, a track hurdler, is taking a crack at the distance sport.

Rounding out the squad are Larry Wehrer of Wisner, Dennis Schuyler of Grand Island, and Dennis Preston of Tripp City, Omio.

Other meets scheduled: Nebraska Wesleyan here Oct. 16 (homecoming day); at Chadron State Oct. 23; Nebraska College Conference here Oct. 30; AAU meet at Kearney Nov. 6; NAIA District 11 meet at Omaha Nov. 19; NAIA national meet at Omaha Nov. 27.

The annual high school invitational meet will be Oct. 19.

Neligh Edges Wayne Blue Devils 12-6; Stanton Friday Night Foe of WHS Unit

Despite an impressive first half both offensively and defensively, the Wayne High Blue Devils were unable to stop Neligh in the second half as the Warriors edged Wayne 12-6. Neligh's touchdowns were the result of 50- and 46-yard sustained drives in the second half, while Wayne's lone touchdown came with 29 seconds left down the first half on an 81-yard pass play from Lynn Lessmann to Leon Jorgensen.

Neither team came within scoring distance in the first quarter as possession of the ball was exchanged five times. Then on the last play of the first quarter, Neligh recovered a Wayne fumble that put them on their own 30-yard line. Wayne's defense demonstrated its strength in holding Neligh to 3 yards, forcing a fourth and 7 situation.

The first penalty of the night for Wayne occurred on the next play as a roughing-the-kicker violation was called, giving Neligh 15 yards and an automatic first down. Neligh then moved the ball to Wayne's 23 on a pass from Dennis Plak to Richie Bollwitt. The Warriors ran three plays before calling time out with a fourth and 11 situation prevailing.

The first scoring opportunity of the night for either team failed as Neligh chose to attempt a field goal from the 24. The kick went off to the left and Wayne took possession on the 20. Forced to punt on the fourth down, Lessmann kicked the ball to the 40 where the ball was downed.

Neligh then moved the ball to Wayne's 24 before Wayne again regained control of the ball. On the first play from scrimmage, Lessmann hit Keith Lehmann for three yards. With time running out, Lessmann faded back to pass but could not find a receiver and was thrown for an 8-yard loss.

Again the Devils took to the air, this time Lessmann hit Leon Jorgensen on the 25. Jorgensen broke away from two Neligh tacklers and galloped 75 yards for Wayne's touchdown with only 39 seconds left in the first half. The extra point was not good, but Wayne held a 6 point lead over Neligh in their first home game of the season.

Hunting Seasons Nearing in State

Goose season opens Friday, Oct. 1, in Nebraska and other hunting seasons are fast approaching, the Nebraska Game Commission reports. Bag and possession limits for geese is five.

The pheasant season for cocks only extends from Oct. 23 to Jan. 23 with a bag limit of four and a possession limit of 20. A special cock and hen pheasant season includes the Northeast and Panhandle counties and lasts from Jan. 8 to Jan. 23.

Quail may be hunted Oct. 30 to Jan 2 with 6 and 18 the daily bag and possession limit. Grouse season opened Sept. 18 and runs through Oct. 31 in the western part of the state with 2 and 6 the bag and possession limits.

Ducks, mergansers and geese may be hunted Oct. 20 to Nov. 28 with the duck limits 4 and 8. A special teal season extended from Sept. 4 to 12. Deer hunting is from Nov. 6 to 14, antelope season Sept. 18-20 and turkey season Oct. 30 to Nov. 7 in special areas.

Hunting guides may be obtained from the Nebraska Game Commission or from most stores selling sporting goods or fishing and hunting supplies. NebraskaLand magazine also carries information on the seasons.

straight incomplete passes before the whistle sounded ending the first half of play.

Neligh started the second half by recovering a Wayne fumble on the mid-field stripe, after which they ran nine consecutive plays that put them on Wayne's 20-yard line.

The Warriors then scored their first TD on a 28-yard sprint by Richie Bollwitt around right end. The extra point attempt failed, and the game was in a deadlock with 6:34 remaining in the third quarter.

Wayne was in control of the ball as the third quarter ended, but was unable to move the ball effectively against Neligh's strong defense. The tie-breaking touchdown came when Neligh moved the ball from the 50 to the Wayne 8 in five plays.

Richie Bollwitt scored for the Warriors on an 8-yard smash. The PAT was blocked by Ed Sherry, but it failed to benefit the Devils as they were unable to score in the remaining 1:02 of play.

Lehmann gained the most yards rushing for Wayne, carrying the ball 10 times for a total of 59 yards. Neligh's leading rusher was A. J. Melcher who totaled 54 yards while running the ball 14 times.

Allen Rasmussen led the Devils' defensive attack with 11 unassisted tackles. Ed Sherry accounted for 7, followed by Phil Kelton with 6 and Kendall Longe with 5.

Wayne will travel to Stanton Friday night to try and even the mid-season mark at 2-2.

Hartington Holds Off Winside Last Half Earning 21-14 Win; Pilger Next WHS Foe

A hustling Hartington Wildcat team established a 21-0 half-time lead and then held on for dear life Friday as Winside's Wildcats came storming back to pull up 21-14. A desperation WHS pass missed by inches gave the in-tercepted receiver and was intercepted or the story might have been about a tie game.

Stepping out of the conference for the first time this season, Winside goes to Pilger Friday night. The Pilger team has not had much luck this season but can be expected to perform best on their home gridiron.

A pass from Larry Redel to Roger Hill for 71 yards set up Winside's second touchdown in the third quarter. Hartington had built its first half lead on the strength of the pounding legs of Gary Olson and Bob Folkers, who carried for a total of 225 of their team's 293 yards.

For the third consecutive game Hartington failed to throw a pass, basing their entire offense on hustle, hard hitting and hawking. They intercepted two of the Winside aerials.

Red Wacker kicked off to the 13. HHS returned to the 34 and the steam was on Olson and Folkers did most of the carrying with Roger Miller adding 5 and Folkers giving the final yard. Olson made the extra point to put the coup at 7-0.

After fumbling the kickoff, Winside put on a drive of its own, Dick Ditman going 2, Bob Wagner 3, Bob Dangberg 8, Wagner 8, Redel 3, Wagner 7, Dangberg 3, Ditman 3, Wagner 3 and 7 and a 15-yard penalty added to an incomplete pass ending the drive. Roger Hill booted for the Red and White.

Thrown for losses twice, once a six-yard setback by Donald Longe, Hartington had to kick. Dangberg made 3, Ditman 7, Redel 2, Ditman 2, Dangberg 2 and Hill had to kick again. From the 35, Olson shot like a scared antelope through the entire Winside line for 65 yards and a TD. Folkers added the extra point and it was 14-0.

Redel returned the kickoff from the 3 to the 38, Ditman picked up 8 and 5, Redel hit Ditman for 9 yards on a pass, Redel gained 1, Ditman 2 and HHS set WHS back 11. Hill kicked to the 22. Unstoppable, Hartington drove Folkers made 7, Wittgins 5, Olson 9, Miller 5 and Folkers galloped 51 yards pulling away to score. Wittgins added the extra point and Hartington scoring was over. The half ended as Redel returned the kickoff from the 15 to the 47.

Dangberg received the second half kickoff on the 10 and returned to the 30. Wagner made 4, a Redel to Hill pass clicked for 16, Ditman made 4 and the host team held. A kick by Hill went to the 8 where Dangberg covered the ball which had been juggled about. Two plays later Winside had a score, Ditman making 1 and Redel the final 7. Hill booted the PAT to make it 21-7.

Wacker's kick went to the 2 and was returned to the 21. Three plays failed to gain so the Purple and White kicked. Ditman picked

up 4 but Bill Eickhoff intercepted the next pass. Olson made 4 and Folkers before Winside held. Three plays later Winside tallied again when Ditman went 4, a 15-yard penalty set them back and Redel passed to Hill for 71 yards. Redel went over from the six and Hill kicked the extra point to put the count at 21-14 and end the evening's scoring.

Wacker's kickoff went to the 16. A penalty put HHS on the 20 and from there Hartington drove with Olson going for 7, Wittgins 2, Folkers 4 and 12. The three then managed to pick up five first downs before the visitors held. Redel passed to Wacker for 8 but HHS held. Three more plays failed to gain and Winside took over, completing one pass from Redel to Wagner for 13 but having Miller intercept on the 50 and returning to the 28. This plus a 15-yard penalty gave Hartington the ball on the Winside 13 but the game was over after one play.

Terry Thies led WHS tacklers with 10. Wacker had 9, Randy Brudigan, Kendall Longe and Roger Hill 7, Wagner 5, Redel, Dangberg, Warren Gallop, and

Winside Game Moved Up

Winside's game with Dodge was moved ahead one day. Originally scheduled for Wednesday, Oct. 27, it is now scheduled for Tuesday, Oct. 26. Coach Pete Kropp said the change was necessary because of Dodge's inability to line up officials for Sept. 27. Many of the schools having games early in the week because of teachers convention. Those having schedules should make the change on them.

Third-Ranked Wakefield Pressed by Pendragons

Entering the game as the state's number three team in Class C high school football the Wakefield Trojans had their hands full Friday night in defeating Pender 7-0.

Pender held a statistical edge in the fray, but the Wakefield defense was tough when it had to be stopping Pender on the 13 and one-yard lines.

Lonnie Nixon plunged for one yard for the game's only touchdown. Dick Brownell passed to Paul Eaton for the extra point. Charlie Anderson and Nixon were defensive standouts for the Maroons.

The Trojans, 2-1 for the campaign thus far, play at Ponca Friday night.

Captains Named, Flag Football Teams Ready

Captains have been named for three teams of players in flag football in the city recreation program made possible by the Community Chest. Boys in the fifth and sixth grades make up the teams and boys in junior high are in a league of their own.

The Werewolves named Kelly Dill captain; the Vampires chose Todd Bornhoff; and the Monsters elected Mike Creighton. Each

heads an eight-man team that practices at 4 daily.

Hank Overin, who is in charge, said games would be played Mondays and Tuesdays from 4:30 to 6 by this group. Each game would pit one team against the other two, alternating each time so every team gets a chance to see what it can do alone against the other two.

The junior high team will play volunteers from the freshman class Saturday at 11. All games are played on a 70 by 40 field laid out at the baseball park. The public may attend free of charge.

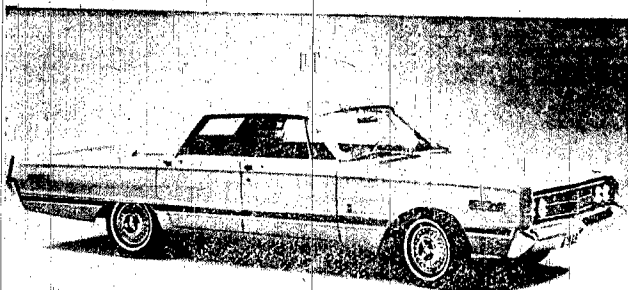

Bowling Program for Phys Ed Gets Started

For the first time in history, bowling is being offered as an activity in phys ed at Wayne high school. Supt. Francis Haun reveals 383 youngsters in junior and senior high are taking bowling.

The seventh and eighth grades bowl three times a week and the other groups either two or three times a week. Judy Tietz-sort and Harold Maciejewski are in charge.

Al Bahe of Melrose lanes secured some smaller shoes and drilled new finger holes in balls. This was necessary to accommodate the smaller feet and hands of the youngsters.

During rainy weather this is considered a good inside activity but the program just started Wednesday of this week. Since it was

Mercury for 1966 again moves forward as a premium car in the medium-price field with tasteful styling changes, new engines and important additions to the option list, including disc brakes. Standard in top-of-the-line Park Lane series (above) and optional in other Mercurys is an exclusive new 410-cubic-inch 330-horsepower engine. The new Mercurys will go on sale in dealer showrooms October 1.

rainy anyway, classes using films and instructors have been held to teach the fundamentals of bowling.

The two-week series is a start-off for physical education but another two-week course will be offered if there is a demand. Those who don't want to bowl can keep score or help in other ways. Bus transportation is provided all classes.

Bowling is one of the few activities that can be continued from school into later life. In fact, many could still be bowling 40 to 70 years from now.

Robert Vogel Tops Rodeo Performers

Robert Vogel, Winside, was the leading winner in a rodeo held Sunday by the Winside Saddle club. Riders from Yankton, Sioux City, Pierce, Howells, Wayne, Carroll, Winside and Dodge competed.

Vogel won first in the bare-back riding, wild cow ride and calf roping. He was kept from a clean sweep when Larry Krekmeier, Dodge, won the Brahma bull riding contest.

A jackpot competition, all entry money was paid out in prizes. Stock was furnished by Clarence Papsstein, Norfolk. Giving an added entertainment touch were junior members of the Winside Saddle club who put on a "cowboy and Indian" drill.

John Riibe, Hartington, was judge and Larry Cyhka, Yankton, second judge. Leroy Barner, Wayne, was timer. Lunch was served on the grounds by members of the club.

Coming the greatest distance to compete was Kenny Brockmoller, Winside. He didn't come solely for the rodeo, but he had just arrived home from Okinawa.

Two Home Extension Club Events Planned

Wayne County Home Extension clubs have two events coming up this next week. The council will meet at the court room Tuesday,

Oct. 5, and the achievement day will be held at Hoskins Friday, Oct. 8.

The council's meeting will be its fall quarterly session. Executive committee will meet with Mrs. Val Damme at 12:45. All club presidents and club secretaries will receive their 1966 literature at this time.

Achievement day is to be in the Hoskins Brotherhood building with registration at 1 p.m. Clubs will observe the 30th anniversary of extension work with a program and recognition of past officers.

All 1966 extension officers will be installed. Past members and friends are invited to join extension club members for the day.

Local Woman Active in Lutheran Synod Group

One Wayne woman was elected to the board of directors and another was a devotional leader at the annual convention of Lutheran Church Women of the Nebraska synod (LCA) in Omaha Wednesday and Thursday. There were 800 delegates representing over 10,000 women in 170 Nebraska congregations at the meeting.

Mrs. Glenn Magnuson, Wayne, was a devotional leader. Mrs. Darrell Heier, Wayne, was elected to serve on the executive board.

St. Paul's Lutheran church delegates were Mrs. John Sherry, Mrs. Clair Myers and Mrs. Robert Shirk. Attending from Redeemer Lutheran church were Mrs. Fritz Ellis, Mrs. Heier, Mrs. S. K. Freese, Mrs. Dean Pierson, Mrs. Keith Jech, Mrs. Bob Nelson, Mrs. Bill Kugler, Mrs. Herman Wacker, Mrs. Ted Bahe and Mrs. Howard Floor.

Lois Leffler, LCW staff official from Philadelphia, Pastor Dana Johnson, LCA commission on evangelism, Dr. Reuben Swanson, president of the Nebraska synod, Dr. Viola Fischer, missionary to Africa, and others were on the program for the two-day gathering.

Funeral Services For Emmett Kane Held at Wisner

Altona, Wisner — Funeral services for Emmett Vincent Kane, 68, were held Sept. 24 at St. Joseph's Catholic church. Mr. Kane died at West Point Memorial hospital Sept. 22.

Rev. Norbert Boland officiated at the rites. He was assisted by Father Kane, Chattsworth, Calif., and Father Benedict, Palbearers were Dick and Jerry Kane, Pat McGill, Jr., Otto Albers and Clem and Louis McGuire, all of Wisner. Burial was in Wisner cemetery.

Emmett Vincent Kane, son of Mr. and Mrs. Tim Kane, was born Dec. 2, 1896 at Wisner. He attended Wisner school. He was a feed salesman at Albers Dehy Co.

Survivors include his wife, Catherine; a son, James, Omaha; four daughters, Mrs. Arthur (Kathleen) Brand, San Jose, Calif., Mrs. Glen (Genevieve) Myers and Margaret Kane, Omaha and Mrs. Gene (Mary Ellen) Beecham, Lincoln.

Dramatic styling — including a new 2-door hardtop roof line — is shown in three photos of the Ford Galaxie 500 2-door hardtop, top, and the Ford Galaxie 500 7 Liter 2-door hardtop, bottom. The "7 Liter" is an entirely new series available in 2-door hardtop and convertible models. It features a new 428-cubic-inch V8 engine and front-wheel power disc brakes as standard equipment. Both the disc brakes and the new 28-cubic-inch engine are optional on all other Fords. Other features include unique 7 Liter identification, distinctively styled steel wheelcovers, and special "dual accent paint stripes." All 1966 Fords will be in Ford dealer showrooms October 1.

One-Day Parakeet Fling Has Gratifying Ending

A one-day fling for a parakeet named Buttons had an unusual but gratifying ending Saturday. The ending might have been somewhat less pleasing had not Wayne State had a home football game.

That morning Buttons had spent an open door in the Grosse residence at 416 W. 10th and took off to see the inviting outdoors. The Grosse family watched and called but the bird took off in a southeasterly direction above the tree tops.

Parakeets have flown outside before and never been seen again so the Grosse's made up their mind they had seen the last of Buttons. There was no use brooding. Buttons had no conception of where the house was and would not return.

That night Mr. Grosse attended the Wayne State-Morris football game. He saw a pure white bird fly over the southwest part of the stadium and was surprised to see it land among the Wayne State players.

It was just possible this was Buttons so Grosse went down to the bench where the bird had landed. A WSC player had picked the bird up and was holding it. Sure enough, it was Buttons, attracted there by the lights.

Later that night Buttons was back in his cage and happy about it. He had served as a good luck omen for WSC and the college re-elected by bringing good luck to him. None the worse for his experience, Buttons has not indicated any interest in doors open to the outside world since that time.

Court of Honor in City Unusually Big

A Boy Scout court of honor Monday night was an unusually big one as awards and promotions went to almost every member of Troop 175. Many of the awards and merit badges were earned at Camp Eagle this summer.

Five boys were welcomed to the tenderfoot rank, Randy Goshorn, Tim Wittig, Bobby Nelson, Duane Grosse and Blane Ruback; advanced to second class rank were Bill Fletcher and Kit Russell; two were advanced to first class, Kirk Russell and Doug Maurer; and one was advanced to star rank, Scott Kraomaer.

Merit badges went to Ted Armbruster, David Ellis, Tom Love, Mark Ellis, Doug Maurer, Kirk Russell, Terry Ellis, Tom Karel, Jim Sturm, Steve Hall, Scott Kraemaer and Jay Williams. Camp segments for spring camp and Camp Eagle went to almost every boy in the troop and ten chief scouts went to Billy McNatt, Mark Witte and Kit Russell.

Camp Eagle was one of the most successful camps a Wayne troop has ever had. All 16 from here were in the top rank of swimmers; 12 from here entered the mile swim and all 12 finished although only 17 out of 21 finished for all troops; Jay Williams won the mile swim; National Rifle association awards were earned; 28 merit badges were earned; and all boys camped in Pioneer camp the true outdoor section.

Plans are being made for the fall camporee Oct. 15-18 at Stanton. Order of the Arrow ceremonies are also scheduled with Mark Ellis to be one of those inducted into the order.

Math Teachers Learn New Teaching Methods

Three Wayne county teachers, Mrs. James Troutman, Winside, Beulah Bornhoft and Loren Park, Wayne, attended a special math meeting in Lincoln last week to learn about math teaching. Raymond Teszen, Wayne, was also scheduled to attend but was ill.

Sections on "new math" were held with demonstrations and a discussion of the trends in math curriculum. All teachers agreed it was one of the most outstanding math sessions they had ever attended.

Sponsored by the Nebraska Council of Teachers of Mathematics, the session featured Dr. Lola May of the University of Illinois

District Court to Hold Jury Trials

Wayne County District court has set hearings before juries for five civil cases and one criminal case. Three cases were heard the past week by Judge Fay Pollock.

Friday, Dec. 3, the case of the State versus Richard Key will be heard before a jury. Key is charged with carrying a concealed weapon.

Monday, Dec. 13, civil cases will be heard by jury members: Paul Vahle versus Kurt Blankenmeyer and Marilyn Vahle versus Kurt Blankenmeyer, both auto damage suits; William Otterpohl versus Leo Stephens, auto damage; Bloom field creamery versus Don Anderson, negligence; and William Schnitker versus Lowell Kimble, auto damage.

Court records of Clerk of the District Court John T. Bressler, jr., showed these decisions last week: Margaret Cunningham, divorce case, temporary allowance for child support ordered paid her by Dallas Cunningham; Jeanie Olson, divorce, granted absolute divorce from Kenley Olson with plaintiff gaining custody of two minor children and defendant to pay child support; and Harry Wickman, divorce, granted absolute divorce from Lily Wickman with plaintiff to pay alimony.

School Savings Stamps Will Be Sold in Wayne

United States treasury department school savings stamps will go on sale Wednesday, Oct. 13, in the Wayne public and parochial elementary schools. The American Legion Auxiliary, Mrs. Herb Lutt, president, is sponsoring the sale.

Mrs. Julia Haas is chairman of the school stamp committee which will offer ten cent stamps each Wednesday. Stamps will be sold at 8:30 a.m. at West and Northeast elementary schools and at 3:30 p.m. at St. Mary's.

There will be no open solicitation of the children to buy stamps, no competition between classes or schools and no school time used for stamp sales. The idea is to teach children the importance of thrift and love of country.

School savings stamps may be converted into U. S. savings bonds. The 268 programs in the state cover 74 counties and sold \$225,000 worth of stamps last school year on a purely voluntary basis.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

It is the duty of an editorial writer to search all available facts before he sits down to write. From this basis the writer should be able to give a clear picture of important topics.

You may not agree with an editorial — but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

The Trials of O'Brien

This is not a plug for a television program called "The Trials of O'Brien." It is a plea for the new postmaster general, Larry O'Brien, to straighten out the mess the previous postal head created.

From the start John Gronouski was hard to like. For the first time that most people can remember, he wanted not only the president's picture but the postmaster general's picture in every post office in the United States. The hundreds of thousands spent on that idiotic scheme were enough.

Then it was ZIP, which was supposed to stand for "Zone Improvement Plan," but which as far as most of us can tell, rated a ZIP of its own: Zero for Initiating Progress. On that basis alone, it appears that the best thing he ever did for the mail service was to accept a position overseas.

Adding insult was the sectional center plan. This has slowed mail up so much that service is being criticized by people and papers all over the nation. The fact is: Mail service was better before the sectional center plan was implemented.

Newspapers especially have suffered. One newspaper in Iowa reported that mailed papers used to reach all towns in Iowa overnight. Now it takes five or six days for papers to get to some of the nearby towns.

For The Wayne Herald, similar instances can be cited. A California reader used to get The Herald Friday or Saturday. He reports that he now looks forward to Wednesdays as that's when he gets the paper — a week after it's mailed!

The dailies fare no better. Often the Sunday Lincoln Journal and Star is not here until Monday. Where the new sectional center idea hurts on the Omaha World-Herald is that we get earlier editions than we used to and thus news that ordinarily would be in the edition coming here is too late to be included because the papers are sent out earlier than before so they can go to the sectional center first.

At Marengo, Ia., the paper reports subscribers in Garrison, less than 50 miles away, get a newspaper mailed Thursday on the following Tuesday and comments: "We could send a carrier boy on a bike faster than that."

Long distance service is no better. Airmail letters to and from the West coast to Wayne used to make it in one day. Now it takes two or three.

A Randolph reader reports mail coming from Coleridge, 15 miles away, takes two days to get there. Out at Oshkosh The Herald is arriving on Saturday or Sunday instead of Friday.

The fault does not lie in the local post offices. We know the postmasters and clerks at every town in the immediate area and they get mail sent out as soon as they can. Mail coming in cannot be distributed until it arrives and they do a good job of getting that out at once.

Apparently the trouble lies in the sectional centers where mail is piled on understaffed departments. Not only does Norfolk handle mail going out that direction but mail going the other way — mail a letter to Wakefield and it goes to Norfolk then comes back through Wayne enroute to Wakefield. Multiplied a thousandfold, it's no wonder there is delay.

The Herald would like to have letters, cards or calls about mail delivery delays. It is possible the service is even worse

Townsend To Begin New Job In Administrative Services

LINCOLN — Nebraska's first director of Administrative Services sees his job as a state government coordinator and trouble shooter.

Willard Townsend, who officially takes over Oct. 1, says it will not be an easy task — but he isn't running scared.

"My job is to create a climate permitting the technicians to get done what the legislature intended," the 61-year-old former Lincoln laundry firm operator asserted.

Townsend said he has been preparing for his new role for about three weeks. "Each day the mountain is getting bigger," he said.

Townsend will head the new Department of Administrative Services which will have virtually absolute control over state budgeting, accounting, purchasing, personnel and social security.

He will be responsible only to the Governor.

"The Legislature created the new department at the urging of Hallings Sen. Richard D. Marvel to centralize control of the state's many and scattered record-keeping activities.

Governor Morrison has said he considers Townsend's post second only to his own."

Townsend said his aim is to provide Nebraskans one dollar of services for every one dollar of expenditure.

"My goal is to work so diligently that future administrators will recognize the merit of people in the department and keep them on career appointments," he said.

Townsend said forthcoming bookkeeping changes under the new department will be explained to state agency heads so there will be no misunderstanding.

"You always get better cooperation from people if they know the why of an operation," he said.

Fire Marshal Hits Parents

State Fire Marshal Joseph F. Divis says marauding teenagers are responsible for a growing number of intentional fires in Nebraska.

He said only in "very rare" cases are they convicted of arson. Many of the fires they set are never reported.

Divis said it's impossible to estimate the number of fires started by youths, but he noted that in one town alone teenagers are suspected of setting three fires in the past month.

Divis blamed lax parents,

drinking and a reluctance by some county officials to enforce the law for the "serious situation."

He said vacant farm houses are a favorite target for teenage firebugs.

Nebraska to Get Aid

Nebraska is expected to receive about \$8.5 million in federal aid under the massive new Elementary and Secondary Education Act, state officials announced.

The money will become available after President Johnson signs the act financing the new program.

Purposes are to upgrade the quality of education and to expand the opportunities available to needy youngsters.

State Education Commissioner Floyd Miller said the act "can be an overwhelming breath of fresh air to live up to what has become a state situation."

He said the degree to which the act is a "threat or a promise depends frighteningly upon a strong, well-staffed state department."

Future Pondered

Speculation over the political future of Governor Morrison is running rampant again as the Nebraska election year draws near.

The latest rumor is centered on a possible appointment of Morrison to succeed retired Federal Circuit Judge Harvey M. Johnson.

But as usual, Morrison is keeping a decision about his future plans to himself.

Morrison is also considered a

possible candidate for the U. S. Senate and for re-election to the governorship.

The judgeship post pays \$33,000 a year, with retirement at full pay available at 70 if a judge serves 10 consecutive years.

Some political buffs argue that the post is too glamorous for Morrison to pass up if the President taps him.

Chamber May Change

The Capital's East Senate Chamber, an honored showpiece of the state's old two-house system, may be converted to a modern engineer's drafting room because of a pinch for space.

State Administrative Services Director Willard Townsend said approval to use it when the Legislature is not in session has been obtained.

But he said this approach will only be used as a "last resort."

Installation of a huge data computer in the space now occupied by Highway Department engineers may force the shift.

State Officials Disagree

Four top state officials say they disagree with Governor Morrison that their posts should be appointive rather than elective.

They are Atty. Gen. Clarence Meyer, Secretary of State Frank Marsh, Auditor Ray Johnson and Treasurer Fred Sorenson.

Meyer, Marsh and Johnson are Republicans. Sorenson, like Morrison, is a Democrat.

Marsh said he is "unalterably" opposed in principle and in theory to government by appointment.

"In my opinion, whenever you seize from the electorate the expression of a free ballot, you weaken what I have always been taught to revere as a constitutional government."

Morrison said appointive posts would shorten the statewide election ballot and centralize responsibility in the Governor's office.

Attorney Selected

State Atty. Gen. Clarence Meyer has selected Omahan Cecil Johnson to defend the last reapportionment act passed by the Legislature.

State Sen. Terry Carpenter of Scottsbluff has challenged the act in a suit filed with the State Supreme Court.

Johnson, a private attorney, is regarded as a student of legislative apportionment.

Record To Be Set

Deputy State Highway Engineer G. C. Strobel said Interstate Highway construction costs will set a record in Nebraska this year. He estimated them at \$26 million, compared to the previous high of \$20.1 million in 1960.

Clean That Marble Surface

Grease, oil, tea, coffee and ink are useful products — but not on your marble top bureau or coffee table.

Homemakers should find these hints helpful on removing stains from marble to furniture.

To remove grease and oil, place a white blotter or cloth over the stained area. Pour lighter fluid or a non-oily solvent directly on the blotter or cloth until saturated. Cover with a thin piece of glass to prevent drying out.

For tea and coffee stains wash the surface with warm water. Bleach the stained area. Place blotter, cloth or paper napkins over it, and moisten this with hydrogen peroxide. Then add a few drops of household ammonia and place a piece of glass over the moistened cloth to prevent drying out. An old stain may require 24 hours to remove. Rinse the entire surface in clear water and wipe dry.

To remove ink stains wash with warm water. Wipe off with a cloth dampened in household ammonia. If the stain remains,

Not long after Medicare became the law of the land. Under Secretary Wilbur Cohen of the Department of Health, Education and Welfare said between 7,000 and 8,000 additional Federal employees would be needed to administer the program.

It now appears that Mr. Cohen was too conservative. News coming recently from HEW's Baltimore office — headquarters for what is now the nation's biggest health insurance enterprise, indicated that 12,000 new employees will be required.

Since training newcomers presents a problem, it has been decided to rely at first on overtime work by seasoned employees and hire an additional 8,500 at this time. Of this number, about 2,000 will be employed in the Baltimore area; the rest will be stationed at 1,616 district offices and 91 "temporary" offices throughout the United States.

Parade of the Paint Rollers

No longer can you walk into a store and say "give me a paint roller." Now there are a variety of coverings from which to choose.

Learning which will do the best job can lead you to a neater, better job of home painting. The type of roller cover to choose depends upon the kind of paint to be used. Wool is excellent for oil-based paints. However, wool mats down when used with latex or water based paints.

New modacrylic fiber covers are very versatile and can be used for many jobs. They are especially suited for water-based paints. They come in a variety of pile heights, suitable for smooth walls, rough concrete, masonry, cinder blocks, chain link fence, roof coating, and even driveway tops.

Modacrylic fibers are easily cleaned with water or mineral spirits; however, they may be damaged by paint removers.

Carl Curtis CAPITOL COMMENTS

Post Office Department planners have sent Congress their proposal to establish a car-leasing program for rural mail carriers, and their bill has been introduced in the House of Representatives. As this is written, the Department has not yet persuaded any Senator to sponsor the proposal.

When the plan first became known last winter, a storm of protest was heard from many quarters, not the least of which came from rural carriers themselves.

Many regard the scheme un-sound and impractical. It would, first of all reverse a program used successfully for many years, whereby rural carriers provide their own vehicles and are reimbursed on a mileage basis. But simply because it would discard a successful system is not the only objection.

Doubt is widespread that the car-leasing arrangement would produce the savings anticipated by the planners. Companies making a tidy profit leasing cars to salesmen soon would find that rural mail delivery is another kettle of fish entirely. Speeding over paved highways with few stops is not exactly the same as battling mud on a rural mail route in Nebraska, stopping at every mail box along the way.

Adoption of a car-leasing program would lead to creation of another postal division to administer the program, with all the attendant costs for another layer of bureaucracy.

Farm Accident Toll High

An accident kills a farm resident every hour, and every 40 seconds, another suffers an injury that disables him beyond that day, according to the National Safety Council.

Dramatic as they are, these figures do not take into consideration the pain, grief, permanent disability potentials and the economic loss that always accompany non-fatal accidents.

We, in the United States, spend millions of dollars for the prevention and treatment of disease, and rightfully so. But often there seems to be a fatalistic attitude toward accidents as though they are necessary evil, a price we have to pay for progress.

Accidents are not inevitable. They can be prevented. But this prevention can only result from all Americans becoming safety-conscious and constantly working to prevent accidents.

Special Course

Young farmers and ranchers who don't want a college education but do want to improve their farming and ranching operations will have the opportunity this winter, according to Clinton A. Hoover, head of the Hall of Youth at the Nebraska Center for Continuing Education.

A short course designed to give a more complete knowledge of modern farming and ranching practices will be offered by the University of Nebraska College of Agriculture and Home Economics in cooperation with the Hall of Youth.

The Farm and Ranch Short Course will be offered in two terms. The first begins November 29 and ends February 4. The second starts February 7 and ends April 1.

Any young man beyond high school age, regardless of residence, may enroll for either term.

University experts will offer instruction in crops and soils, machinery management, animal

Sept. 29, 1955: An estimated 500 persons attended cornerstone laying ceremonies at the new WSTC library Friday afternoon in which Grand Master Herbert T. White, Omaha, Grand Marshal Herbert Ronin, Lincoln and Ralph Eaton, Wayne Mason took part.

Floyd Raymer, Wayne painter, suffered severe leg bruises and his car was badly damaged last Wednesday in an auto accident on Highway 35 two miles northeast of Hoskins.

Carl O. Sundell, Wakefield, was re-elected chairman of the Wayne County ASC committee at the annual county convention Wednesday morning at Wayne.

State National Guard officials will be in Wayne Friday morning to inspect possible sites for the proposed new army.

County Judge and Mrs. David J. Hamer, will leave Saturday for a month's visit in Wales. It will be the Judge's first visit with his parents in 42 years.

15 Years Ago

Sept. 28, 1950: Wayne State's enrollment of 761 resident students has dropped 8.4 per cent over last year's resident total of 833. Women student totals continue to gain over the men's totals.

Veterans ranks are slowly but surely being thinned out.

Second Lt. William C. Podoll, son of Mrs. Joy Podoll, Winslow, was chosen as an outstanding cadet of Class 50-E at Reese Air Force Base, Tex.

Dr. J. R. Johnson, professor at Wayne State college, was appointed to the Wayne library board by Mayor Glen Houdersheldt.

Mrs. Viola Woehler, 78, was injured Sunday evening after the car she was driving struck a culvert and slewed into a pasture on the east side of highway 15, three miles south of Wayne. Her son, Henry, 38, a passenger, suffered a cut leg.

20 Years Ago

Sept. 26, 1935: The largest of the five corn demonstration meetings held in the state was that at the Ernest Peterson farm northeast of Wayne last Thursday with 450 farmers attending the field test.

Sixty-five men are out for football at WSTC this season, 12 of those, former lettermen.

Dr. J. G. Lewis, Wayne, filed last week at Lincoln as an candidate for the unicameral legislature. The district which he seeks to represent includes Wayne, Stanton and Galtair. Dr. Lewis, who is 59 years old, was a member of the state's 1929 constitutional convention.

While in New York City last summer, Margaret Schimmel contacted a number of former Wayne people and, enjoyed visiting with them. The Lyle Dowlings have been there a little over a year. She also visited other friends.

Farm Tractor Safety

Good judgment and consideration for the other fellow are never more important than when operating a tractor on a public road.

Since tractors and other farm machinery move more slowly than normal highway traffic, farm machinery can be a real hazard for motorists if the tractor operator stubbornly—or even unintentionally—hoggs the road.

Why? Because such action encourages other drivers to take reckless chances in passing. And one of those impatient drivers could involve the tractor driver in his own accident trouble.

So for the sake of everyone's well-being, keep well to the right to permit easy passing for those behind you when you are driving a slow moving vehicle.

And if a long line of traffic is being held up behind, pull off onto the shoulder until the cars can pass.

Insure that all auxiliary lights are burbling if you must move machinery at night on a public road.

Junior Women's Clubs of Nebraska Want Your USED Stamps

Junior Women's clubs of Nebraska want your USED stamps, not the run-of-the-mill five-cent stamps, but any foreign stamps, revenue stamps, postage stamps, postage-due stamps and hunting and fishing stamps you have. If you would save them and mail them to Mrs. Dennis Pelowski, 800 North Lexington, Hastings, Nebr., they will be sent to veterans hospitals and convalescent centers. Many such patients cannot read, and the stamps are used to buy them books.

This little project won't cost a thing except maybe a postage stamp and it will help out a lot. We'd like to see Mrs. Pelowski's mail folder with stamps from this area so she'll wonder what happened to bring on such a deluge of stamps. Then we'll explain — this area is populated with nice people who like to do things for others. Can we count on you? Save her address and save the stamps!

The hillbilly walked into the general store. "Gimme a can of talcum," he requested.

"Mennens?" inquired the clerk politely.

"It's fer m'wife so make it wimmens'," answered the rube.

The clerk shrugged. "You want it scented?"

"Nope," replied the hillbilly. "I can take it with me."

Been to Omaha lately? We hope if you do get down that way, you'll take time to see three of the finest movies we've ever seen: "My Fair Lady," "The Sound of Music" and "The Greatest Story Ever Told." Each one is worth the trip even if you have nothing else to go to Omaha for. We're sorry there are not more

Two girls were talking. "I had a horrible experience," said one. "I was sitting on a train, minding my own business, when all of a sudden this young guy sat down beside me. No sooner did he get on the train than he began to hug me, kiss me and squeeze me."

"Why didn't you tell him to leave you, alone?" inquired her friend.

"Well," the first girl explained, "my mother told me not to talk to strangers."

We wish Ak-Sar-Ben would go after a major league franchise in baseball. The way franchises are shovled around nowadays, Omaha might get one. Surely there is no group more capable of handling a franchise right than Ak-Sar-Ben. Some may think Omaha does not have the population but there are around 400,000 in the metropolitan area and the way Nebraska backs up sports a team like the Omaha Nebraskans could draw from all this state, most of Iowa and portions of Missouri, Kansas and South Dakota. In the drawing area, there is probably a population of well over 4,000,000. Some might call us dreamers, but we know Ak-Sar-Ben and we know area sports fans. You'd go to Omaha to watch your team play the Twins, the Giants, the coultan area? So would thousands of others. If we're dreaming, please don't wake us up!

A country bumpkin walked into the bakery. "How much for the cookies?" he asked the girl behind the counter.

"They're a dollar a pound," replied the clerk, "but the broken ones are half price."

"Fine," smiled the hick. "Could you please break up about three pounds for me?"

STATE HIGHWAY DEPARTMENT provided a well-paved junction for Spur 116 and Highway 116 near Concord but drivers around there prefer the "shortcut" which doesn't require so much slowing down for a sharp turn. Consequently, the little "road" to the left of the stop sign is almost better traveled than the paving to the right.

Gas Company Presents National 4-H Week Observance Ending
National 4-H Club week ends Saturday. The theme, "Each one enroll one" is the goal for Wayne county 4-H members and those in other parts of the state.
Margaret Ann Stehly, area extension agent at Concord, pointed out some of the work of 4-H members: Home economics, agriculture, handicrafts, games, campings, achievement days and good fellowship.
Over 300,000 volunteer workers serve as leaders in this county and help keep the program expanding to meet the growing youth population. During the week, needs for leaders and openings for membership activities may be obtained from any of the county extension agents in this region.

Two Attending Academy
Neal and Keith Rohrke, son of Fred Rohrke, Wayne, are students at Kemper Military academy, Booneville, Mo. There are almost 500 enrolled this year, the highest in the school's history. Neal is a senior and Keith a freshman but this is the first year they have attended Kemper.

The City of Wayne accepted a check for \$3,296.30 the past week from Peoples Natural Gas Co. Wallace Peterson, district manager for PNG, presented the check.
Payment is voluntary by the utility and is based on annual gross revenue. This check covers revenues for the first half of 1965.
Peoples serves 194 communities in four states and is a division of the huge Northern Natural Gas Co. Omaha. Payments such as this one are made to show the gas company's recognition of its responsibilities in aiding in the solution of economic problems in the communities served.

Senator Hruska Offers Academies Nominations

Young men in Wayne county and other areas interested in getting an appointment to an academy should contact Sen. Roman Hruska, 315 Senate Office Bldg., Washington, D.C. 20510.

The senator has appointments open for one vacancy at the air force academy and two for the army's academy at West Point. He can also nominate ten to compete for three vacancies from Nebraska at the merchant marine academy. No appointments to the naval academy are available through him in 1966.

Applicants must be over 17 but no older than 22 by July 1, 1966. They must also meet academic and physical requirements as established by the academies. Deadline for getting approval to take Nov. 6 exams is Oct. 13.

Winside Freshmen Sell

Anyone wanting salesmen might check the freshmen at Winside high school. Supt. Wayne Geisrich reports the freshmen have set a new school record for sales of magazines. The class set \$850 worth of publications as a goal and with the drive not over the total has passed \$1,000. Two groups competing in sales have stayed within \$25 of each other in the standings thus far, Supt. Geisrich said.

SACRED HEART shrine in the yard of Mr. and Mrs. Frank Heine attracts attention night and day.

Religious Shrine Highlight of Yard

A hobby shared by a Wayne man and wife resulted in a religious shrine in their yard. Flood lighted at night and a stand-out feature by day, it has drawn many favorable comments and has been pictured in publications.

Mrs. Frank Heine made the shrine with the ingenious help of her husband. He took a discarded drinking fountain, fixed it to drain, set it in concrete and Mrs. Heine took over.

She used venetian glass to represent the colors of the catholic ideal windows and all types of shells they had gathered while visiting their son and family at Manhattan Beach, Calif. A flood light on the eaves of the house casts a blue light over it in the dark.

Central feature is a Sacred Heart statue of Christ. Flowers and rocks (they're rockhounds too) surround the little shrine.

The work of putting in the shells and glass came naturally to Mrs. Heine who has a hobby of working with glass, tile and other items to make beautiful mosaic pictures and dishes. A mosaic tile from a can can be turned into a colorful coaster.

Using glass (milk of magnesia bottles make a beautiful blue), she heats it in the oven at 475 then puts it under real cold water. It breaks into small pieces without any sharp points or edges and she can safely work with it.

A colorful butterfly on the ceiling, colored fish on the walls,

worn out bowls that have been rejuvenated with mosaic making it more beautiful than before and many other items around the house attest to her skill. She modestly asked that her ability not be played up, but it is this ability that makes her work so remarkable.

She has covered table tops for her daughter, made gifts for friends and relatives, used borrowed designs for wall plaques, made her own designs and had some other work of the type, all without any lessons, picking up the knack of the work as she went.

Her husband works with her in preparing glass or tile and has contributed greatly to her hobby. However, they like to fish, gather rocks and just stay home and work in the yard so they have other hobbies to share.

On their 40th anniversary two years ago Father William Kliffman had a picture of the shrine taken for publication in "The True Voice", Catholic weekly. The shrine, the pride and joy of all their work, has drawn comments from strangers and friends alike. They did not do it for publicity purposes, it was just something they undertook and the enjoyment they have known has been shared with others.

Concord Store Changes

Wands After 35 Years

A Concord business name is no more. Clark Bros. grocery, a household word in that town for 35 years, has been sold.

New owners are Mr. and Mrs. Glenn Paul, Concord residents. They took over operation of the store Monday, of last week and changed the name to Paul's grocery.

Cecil Clark and Ivan Clark have been in the grocery business most of their lives so far. They are longtime Concord residents and intend to continue living there now that they have sold the firm.

Announcing: Mercury for 1966

a new definition of driving pleasure

Moving ahead in the Lincoln Continental tradition

This is the year to move ahead to the new Mercury's year. Your year. And just look at all the news there is! Ride news: the way Mercury moves is unique. Smooth, substantial, hushed — the finest ride this side of the Lincoln Continental. Style news: clean, classic lines — the only car in its class with a look all its own. Power news: engines range up to a muscular [428 cu. in. V-8]. Luxury news: options such as the [Stereo Sound Tape System] that uses plug-in cartridges. Safety news: helpful options such as [cornering lights] that show you the way when turning into dark driveways. Travel news: options such as [rear doors that lock automatically] at 8 miles per hour. And in every Mercury, without extra cost, you get 12 important safety features including [back-up lights, emergency flasher, padded dash and visors, front and rear seat belts, front and rear, and out-of-view mirror].
Mercury's ever 17 models in 4 series — sedans, hardtops, convertibles — and 2 wagons with the new "Dist-A-ction Tailgate" that turns into a door. It's the time to see your Mercury dealer — and move ahead with

Area Residents Outdo

That story about Detroit area residents turning in 50,000 pairs for Eyes for the Needy is not quite so impressive...

Now 50,000 is more impressive than 600 but percentage-wise Detroit were to equal the Wayne...

Wiltse Funeral home collected 408 pairs of complete glasses since the last big shipment...

Mr. and Mrs. Dennis Korh and family, Rochester, Minn., were weekend guests in the T. C. Bathke home...

LABOR DEPARTMENT MAN SCHEDULES VISITS HERE
 The department of labor's division of employment has scheduled visits through the rest of 1965 in Wayne. Interviewers will come here from the Norfolk office.
 Walter Burns, manager of the Norfolk office of the Nebraska unemployment service, said the service is scheduled to serve the people from all Wayne county and the south half of Dixon county. Visits will be made to the courthouse.
 The dates for visitors here (all weekdays) are: Oct. 6 and 20, Nov. 3 and 17 and Dec. 1, 15 and 29. Kenneth Boyer will be in the courthouse starting at 9:30 a.m. each of those dates.

CONDÉMNATION FOR THREE PROJECTS IN AREA GETS STARTED
 Considerable appraisal work is underway in Wayne. Condemnation proceedings on three different projects have come up at the same time.
 The city has expressed an active interest in the expansion of the airport to a low runway extension, which paving goes in. Ruth Brazler, Claycomb, et al, are owners of the property involved.
 District 17 of Wayne secures the area west of the present West elementary school and the new high school. This land is owned by Fred Rohlf.
 Wayne State college had previously started action to get 24 acres of land north of the college. The land is owned by several people and is sought for future expansion of the school.

PENDER WOMAN HONORED
 Mrs. Lambert Zvack, Pender, was one of the group of cancer volunteers throughout Nebraska who were honored at a dinner in Omaha Sept. 24. She received a certificate of merit citation for her work with the American Cancer society. State, county and local workers were honored at the dinner.

COMET

Introducing the lively new driving machines: the big, new-generation Comets.

Listen to the roar of the '66 Comets. They're bigger, wider, up to 8 inches longer than any Comet before. They make driving other cars seem like walking. Comet's new fire and spirited luxury come in 11 roomier models.

For a sample of Comet's style, take the Caliente. Notice the smart upholstery... the handsome, simulated wood-grain panels. For a spine-tingling action try Comet's new Cyclone GT. Its now 390 4-barrel V-8 delivers the kind of go that can shove you right back in your bucket seat. Whatever you want — action cars with pure excitement, 3-speed or 4-speed manual transmissions or automatics, inviting interiors — Comet's got it.

Plus a long, tempting list of options that includes built-in air conditioning, power windows, power brakes, and power everything. All this in the most exciting parade of Comets ever. Drive a test driving machine at your Mercury dealer's today.
