

Sue Glass, Roger Hill Get Crowns in Win

Sue Ann Glass, daughter of Mr. and Mrs. Marion Glass and Roger Hill, son of Mr. and Mrs. Vernon Hill, were crowned queen and king at Winside's homecoming dance Friday following the successful game with Randolph on the WHS gridiron.

Hoskins Student Named

Gene Langenberg, son of the Henry Langenbergs, Hoskins, has been named to the pledge class of Arnold Air society, honorary for air force ROTC students at the University of Nebraska. A freshman majoring in business administration, Langenberg is one of the students carrying an average of B or above chosen for the honorary which works for a more efficient relationship within AF-ROTC.

Wayne Man Gets ANHA Recognition

Mr. and Mrs. Cliff Dahl of Dahl's Retirement center were in Chicago last week where he was honored in several ways at the annual convention of the American Nursing Home Association.

Wednesday night at the main banquet, Dahl received a plaque in honor of "exceptional service" to the association. He was also awarded a lifetime membership, free registration for he and his wife for all future ANHA conventions and special seating at all future national banquets.

Dahl is a past-president of the national group, having served two years. He was one of the pioneer organizers of the association, has attended most conventions, was national secretary two years, served as national consultant to the division of civilian health requirements, Washington, D. C., edited the national magazine of the ANHA and held other offices.

A formal reception was held prior to the meeting for all former presidents and the new officers. The Dahls also attended various other functions in conjunction with the meeting.

The local man has also served in several state offices in addition to serving the national group. He has been president five different times (including the first year the state had an organization) and has held other state offices.

WINSIDE ROYALTY was Sue Glass and Roger Hill. They are shown with the pair who crowned them, Connie Nydahl and Greg Kirsch.

Omaha Man Fined for 'Joyriding' in Wayne

Michael Sheehan, Omaha, was fined in county court Monday. He appeared on a charge of "joyriding" with a car picked up locally.

He was stopped in Norfolk, allegedly driving a car belonging to Jimmie Thomas, Wayne. Held overnight in Madison, he was brought from there to the Wayne county jail.

Judge David Hamer fined him \$100 plus costs of \$19.70. He was also given a six-month jail sentence which was suspended and he was put on probation for one year.

Contest at West Point

The district "Make It Yourself with Wool" sewing contest will be held Nov. 15 at West Point's auditorium. Registration for contestants is 9 a.m. and a style show for the public will be at 3 p.m. Home economics students and 4-H members may already have garments made that are eligible and any one else is welcome. Divisions are: 10-13, skirt or jumper; juniors, 14-16; seniors, 17-21; and adults. All make dresses except as noted. District winners will go to the state contest. Contest information may be secured from Mrs. Otwin Schlueter, Pender.

Will Meet in Norfolk

Elementary teachers of District 3 will meet Friday noon, Oct. 29 in Norfolk during the district teachers' convention. Mrs. Ann Campbell of the Lincoln system will talk upon "Federal Programs for Improvement of Instruction."

Kiwanis Club Inducts Several New Members

Wayne Kiwanis club inducted five members at its Monday noon meeting in the Hotel Morrison. Loren Kamish, new coordinator of student activities at WSC, was a guest.

New members inducted were Claude Harder, Dale Carstens, Glen White, Jim Hummel and Tom Lambert. All had recently joined Kiwanis but the induction was not officially taken care of until Monday.

Dr. Donald Merriman, WSC, discussed the post-doctorate school on counseling he attended at Stanford university this summer. He also brought out some of the psychological problems of students today.

Meet at Emerson School

The faculty of St. Mary's school attended a meeting at Emerson Sacred Heart Monday for sisters, priests and lay teachers from Catholic schools in South Sioux City, Winnebago, Wayne and Emerson. They instituted a self-evaluation program to enable them to recognize their weaknesses, share their common problems and work towards more effectively serving their children and their communities.

Sister Odilia, who is in charge, said one new family brought in three new pupils, accounting for the new record. She said Workman Auto Co., which has furnished cars for the school's use, has supplied a 1966 station wagon for this term.

None of the faculty members except Sister Grace, first and second grade teacher, can drive. The school tries to get at least one sister who can drive for the faculty each year.

New License Plan Will Be Used in State

If your present Wayne county license plate number is higher than 27-999, you will not get the same number on your new plates, according to County Treasurer Leona Bahde, who received the new plates this week.

Under the new plan, smaller counties will have numbers from A1 to A99 and will start over at B1 and go to B99, then to C and so on. Larger counties will go from A1 to A9999, then go to B for the same system.

The ones who have numbers over 999 will get their same number minus 1000, 2000, 3000 or 4000. For instance, if you have 27-4999 now, you will get 27-E999. If you have 27-1437 now, you will get 27-B437.

Most pleasant aspect about the plates would be either the absence of the words "The Beef State" or the reflectorizing plan. The new plates will be red on gray with an abstract outline of the state around the edges. Like them or not, they will be used three years.

Reflecting plates mean higher costs. Miss Bahde said the new type plates will cost 50 cents extra on each registration. They will go on sale Jan. 2, 1966. In honor of the state's centennial in 1967, they will bear the word "Centennial" at the top.

Dixon Man Misses Chance for Check

Showing no favoritism, the weekly silver dollar nights have brought out names from towns all over the area in recent weeks. Last Thursday a Dixon man missed a chance for a check when he was not in Wayne at 8 when his name was called.

Dudley Blainchford missed a chance for \$250. As a result of his absence, the fund this week is \$300.

Thursday night will be a good night to be in Wayne. There will be a pep rally downtown, stores are offering bargains as usual and some lucky person may go home with enough money to buy some hunting gear or some Christmas presents.

Stricken in Scottsbluff

Ed Glassmeyer, 74, Wayne, suffered a heart attack Oct. 9 while visiting his son and family, Mr. and Mrs. Don Glassmeyer, Scottsbluff. He is reported in satisfactory condition at St. Mary's hospital, Scottsbluff. Cards and letters from friends would be appreciated.

WHS Homecoming Activities Will Get Start Thursday, Run Through Saturday

Homecoming activities get underway Thursday afternoon at Wayne high school and last through Saturday night. Balloting for royalty, painting store windows, downtown pep rally, Blue and White day, coronation rites, a football game and a dance are among activities.

Five boys and five girls from the senior class are candidates for king and queen. The winners will be determined during balloting the seventh period Thursday but will not be announced until Friday night.

At 4 p.m. Thursday, Pep club girls will decorate merchants' windows. That night at 7 a pep rally will be held just south of the First National bank at which time the royalty candidates will be introduced. Coach Jerry Ball will speak and a skit will be presented. From there the rally moves to the base ball diamond for a bonfire.

Friday is "Blue and White Day" at the school. All pupils and teachers are expected to wear blue and white clothing to school.

At 7 p.m., the king and queen candidates will appear for the coronation. Both Wayne hands, junior high and senior high, will play preceding the Wayne-West Point Central Catholic game Saturday the final event of the series will be held, a gridiron dance at the City auditorium from 7:30 to 11. "The Chessmen" will play teen type music for the crowd.

Queen candidates are: Kaki Christensen, daughter of the Roy Christensens; Sandy Eynon, daughter of the Mike Eynons; Mary Jane Kern, daughter of the Al Kerns; Cheryl Lessmann, daughter of the Merlound Lessmanns; and Julie Woods, daughter of the Walter Woods.

Candidates for king are: Mark Robinson, son of the David Robinsons; Bob Reed, son of the Arnie Rees; Reggie Pedersen, son of the Donald Pedersens; Kendall Longe, son of Mrs. Ida Longe; and Phil Kelton, son of the Raymond Keltons.

Marine Band Appearing Here in Two Concerts

"The Red-Coats are coming!" In 1775 that announcement was ominous for it heralded the militant approach of British troops.

The Chamber office will be headquarters for hunters and will be open all day Saturday, Oct. 22 and Saturday, Oct. 30, from 5 a.m. on. Lists of guides, rooms, farmers willing to house hunters, cleaning and freezing facilities, transportation services, camper rentals, licenses and other information will be kept.

A "Longest Tail Feather" contest will be held one day only, Saturday, Oct. 23. The feather must be brought to the C. of C. office prior to 6 p.m. A \$25 bond will go to the hunter bringing in the longest feather.

In addition to the work the Chamber is doing, individual farmers have been accepting reservations. It is not known how many reservations have been made with farmers.

Wayne county was publicized in a recent ad in "Outdoor Nebraska" in which "Slow pheasants for tired hunters" was the slogan. The ad drew praise from the state game commission for its originality and appeal.

Plan 'Vacation'

The first big "vacation" of the present school term will come this next Thursday and Friday, Oct. 28-29. Teachers' conventions will be held throughout the state. Wayne, Carroll, Winside and some other schools will be dismissed at teachers go to school and pupils sleep late.

Jaycees Make Plans to Sponsor More Projects

At a meeting Tuesday night, Wayne Jaycees made plans for projects coming up. They also discussed ways the organization can take part in the community betterment program.

Committees were appointed for a New Year's eve dance. Tickets will go on sale the fore part of December.

Honey Sunday is scheduled for Nov. 21. Committees have been appointed and the honey ordered for this annual fund-raising event.

Only Seven Days Left for Licenses

If you do not have your new driver's license, you have just seven days in which to get one. The seven days represent the working days at the courthouse before Nov. 1 when all licenses expire.

County Treasurer Leona Bahde said Monday her office had sold 3300 driver's licenses. This means another 1500 would have to be sold before Oct. 31 if everyone was to be properly licensed on time.

The courthouse is open Thursday and Friday of this week and Monday through Friday of next week. Offices are open during the noon hour to accommodate customers.

Oct. 31 is the real deadline but since the courthouse is closed Saturday and Sunday, Oct. 29 is the last day they can be purchased. If course, if you do not intend to drive until Nov. 1, you can get a license that date — but be sure you don't get caught driving after a new license that date because your old license will not be good.

The Spook Speaks

Two Wayne firemen were demonstrating how to throw a blanket over a fire still burning. The blanket went too far, leaving one end open to air and the fire still burning. They managed to pull the blanket off before it caught fire, but one fireman had singed hair, eyebrows and eyelashes to show members of the Junior Fire patrol who were watching.

A Wayne county woman, an ardent Cornhusker football fan, hated to miss a football broadcast one Saturday. However, her good judgment got the best of her and she did not carry her transistor in her purse with an ear plug in her ear as she had thought of doing while attending a funeral.

Another young Wayne county woman just learned to drive, remembering to "pump" her brakes rather than make sudden stops. As she pumped the brakes and had the turn signal going it looked from the back as if she might be trying to decide which way she was going to turn. No one passed until she did turn.

Ever wonder how those brides manage those beautiful smiles for their wedding photos? One Wayne professional photographer admits using a puppet-like Woody Woodpecker doll that contains a wire recording that talks like Woody. Originally bought to get "the right look" from youngsters, it is equally successful with brides.

A relative of a Wayne man had a son who lost his contact lenses when he dived into a pool in a town where he was visiting. Later a call was made to see if they might be found when the pool was drained. They were and were in good condition so were mailed in a regular envelope — they arrived shattered, apparently by a postoffice cancelling machine.

Appraisal Value of Land for School District 17 \$36,000

The second of three reports on appraisal of land for public use has come in. The appraisers set a value of \$36,000 on the Fred Rohrke land wanted for use by School District 17.

Last week a report of appraisers set a value of \$43,120 on 21 acres of land wanted for future expansion of Wayne State college. Scheduled to be given next week is the appraisers' report on land wanted from the George Claycomb land for extension of the runway at Wayne Municipal airport.

The Rohrke land consists of about 13.9 acres. It is to the west of the present West elementary school and the new high school building site.

Report of the appraisers does not have to be accepted by either the school board or Rohrke. Each is given 30 days in which to appeal the appraisal figure.

Supt. Francis Haun said the plans for the new WHS structure are now in his office and are available for inspection by anyone. Copies of the plans can be secured from the architects in Lincoln.

St. Mary's Gets New Car, Pupils

St. Mary's school has a new car and three new pupils. The added enrollment puts the total at 111, the highest in the history of the Catholic school.

Sister Odilia, who is in charge, said one new family brought in three new pupils, accounting for the new record. She said Workman Auto Co., which has furnished cars for the school's use, has supplied a 1966 station wagon for this term.

None of the faculty members except Sister Grace, first and second grade teacher, can drive. The school tries to get at least one sister who can drive for the faculty each year.

Mr. and Mrs. Philip March will be guests of Miss Jeanette Schoeneman, Lincoln, this weekend. They will also attend homecoming activities at the university.

NEW LICENSE plates for Wayne county in 1966-67-68 will look like this. Whoever has 27-200 will get 27-A200, 1200 will get B200 and 2200 will get C200. County Treasurer Leona Bahde, Mrs. Juleene Miller and Gerry Gilbert display the new plates.

QUEEN CANDIDATES for homecoming at Wayne high school are (left to right): Sandy Eynon, Kaki Christensen, Mary Jane Kern, Cheryl Lessmann and Julie Woods.

VISITOR FROM DENMARK: Esper Boel (center), President Brandenburg (left) and Val Peterson at W Club lunch, with trophies.

Danish Manufacturer Visits Local College

It was not business as usual when Danish cheese manufacturer Esper Boel visited Wayne Friday and Saturday.

He took time from a two-continent sales trip to see the college, Wayne State, where several Danish girls have been students in recent years, and especially to see the present Danish school, Birthe Thybo.

The reason for his interest: he has helped select some of these students for Wayne, at the request of his good friend Val Peterson, former ambassador to Denmark and a Wayne State graduate. Boel also took special interest in the selection as a member of the Copenhagen Rotary Club which is active in helping Danes to study abroad.

Boel is president of the family firm, Boel Foods, Ltd., Copenhagen, which ranks among the world's largest manufacturers of bleu cheese and other kinds. In fact, his company developed the manufacture of bleu cheese in Denmark. The firm has plants in De-

troit and in Canada, exports to 70 countries.

His current trip's purpose is to find new markets in the United States, Canada, several South American nations, and the Caribbean. Boel's itinerary happened to include Hastings, to visit Peterson last week, and the former ambassador suggested, Boel accompany him to Wayne for homecoming and the Wayne State foundation meeting.

While here they were house guests of WSC President and Mrs. W. A. Brandenburg. Homecoming proved a fascinating experience for Boel, and he recorded it lavishly with camera and tape recorder.

Scouts, Explorers Get Autumn Camping Fever

Wayne Boy Scouts and Explorer Scouts have camping fever. Every unit of the troops and past has had or will have camps this month.

Troop 175 is planning to camp out the last part of next week during leaders convention holidays. Rowan Wilste is also teaching first aid under a plan where the full troop will meet merit badge requirements together.

A camporee at Stanton last week drew Scouts from Troop 174. They camped overnight Saturday and returned home Sunday. Some Explorers also were at the camp.

The Explorer unit is planning a "dinner Friday, Nov. 5, with a teenage camp providing the music. Details on the affair will be given next week.

SIMPLE or DIFFICULT?

INEXPENSIVE or Costly?

There are several factors that determine the price of prescribed medicine. Is the prescription difficult to prepare — or simple? Are the drugs inexpensive — or costly? That is why there can be no mythical "average price" that would be fair to all customers.

Therefore, we price each prescription individually, basing the price on the cost of the drugs and the time required to prepare the medicine. Isn't that the fairest way to do it?

a new exciting organ sound...

We've created a new musical instrument especially for you...

the new K-100 HAMMOND ORGAN

There's never been a musical instrument quite like it. There are 28 control tabs, 4 new percussive tabs, a new sound system, concert hall reverberation—all designed to make you sound good without a word of practice. You create, automatically, the sounds of guitar, banjo, harpischord, marimba, mandolin, Hawaiian guitar, trumpet, trombone, woodwinds, strings, cymbals, celeste. (You can even play banjo with one finger!) You can have each instrument sound by itself. Often using only one finger. Or you can blend instruments together for brilliant orchestral effects. Or you can play with full organ accompaniment—all with the flick of a wrist. All this musical fun is sealed inside four square feet of some of the most beautiful cabinetry that ever graced a home.

There's never been a better year to buy a Hammond Organ.

STEVE KERL, Wayne sophomore, breaks loose for a gain against Bloomfield Friday night. None of the other players are identified.

Blue Devils Lose to Bees; Two Tough Tilts Coming Up

After being held scoreless the first half, Bloomfield tallied for two touchdowns in the second half defeating Wayne 13-0 on the Bee's home field Friday night. Senior halfback Bob Hoffman scored both of Bloomfield's touchdowns on runs of 8 and 34 yards, the latter the result of a fake punt following a fourth and five situation. In this writer's opinion, the turning point of the game came in the second quarter when Wayne moved the ball to the 16 of Bloomfield, only to lose possession when a fourth and four gamble run by halfback Keith Lehmann was short by inches. In the same quarter, the Devil defense sparked in holding Bloomfield to no yards on four downs after the Bees moved the ball to Wayne's 5-yard line.

Wayne won the toss of the coin and elected to receive to start the game. Keith Tietgen returned the kickoff to the 25 where he was swamped by a host of Bloomfield tacklers. After three unsuccessful attempts to gain a first down, Quarterback Lynn Lessmann, punted on a fourth and four situation. The punt rolled to a stop on the midfield stripe, and Bloomfield's offense set up their formation for the first time. On the first play, Wayne was caught off guard as a pass from Saung to Skirvan netted 22 yards, giving the Bees a first down on Wayne's 28 yard line. The Devil defense contained Bloomfield's drive during the next four plays, and Wayne once again controlled the football on their own 25.

Bob Reeg, senior tackle converted to fullback, ran the next four plays consecutively, picking up one first down while advancing the ball to the 36. With fourth and one, Lessmann punted this time from his own 26 yard line.

The punt reception was fumbled on Bloomfield's 40, but was immediately recovered.

Neither team was able to effectively move the ball in the remainder of the first quarter, and the second quarter opened with Bloomfield in possession on their own 27 yard line. With a first and ten situation on the 30, a backfield fumble was recovered by Wayne's Emery Fields. The Devils then progressed to pick up two first downs in moving the ball to the 16 where a fourth and four situation was met by a four yard run by Keith Lehmann. Lehmann's effort appeared to give Wayne a first and ten, but an official measurement showed the Devils were just inches short of a first down. Both teams were held to minimum yardage in the remainder of the second quarter, and the halftime score found Wayne and Bloomfield in a 0-0 stalemate.

The second half opened with Wayne kicking off. The Devils attempted to catch Bloomfield sleeping with an on-side kick. The attempt failed and the Bees began the second half on their own 45 yard line. Thirty-seven yards and four first downs later, Bloomfield was on Wayne's 8 yard line with a first and ten. On the next play, Hoffman ran around end for his first touchdown of the evening. The PAT was good, and the Bees held a 7 point advantage over Wayne with two minutes remaining in the third quarter.

Again in the fourth quarter neither team was able to advance the football into scoring position, but Bloomfield converted a fake punt into 6 points when Hoffman sprinted 34 yards for his second touchdown of the game. The extra point attempt was not good, but Bloomfield's 13 points were sufficient, as Wayne was unable to score in the remainder of the game.

Keith Lehmann was the leading rusher for Wayne, compiling 88 yards in 13 carries. Dave Brown led the defensive unit with 6 unassisted tackles. Bob Wriedt and Phil Kelton, with 5 tackles each, were followed by Allen Rasmussen with 4.

Wayne entertains West Point Catholic in their homecoming game Friday night. Next Wednesday night, Oct. 27, Wayne travels to Laurel to play their sixth conference game.

FISHING TIPS

By VIRGIL WARD

World's Fresh-Water Fishing Champion

Where To Find WHITE BASS

White bass are abundant in many of the Midwest lakes. . . . Texoma, Tenkiller and Grand Lake in Oklahoma; Table Rock, Lake of the Ozarks in Missouri; and Fall River Reservoir and Kanopolis in Kansas. They are found, too, in Nebraska and Iowa! Usually you find them in open water over sandy shoals and when the water warms to about 50° in the spring, they will gather in still water or back water to get ready for their spawning run. When the temperature reaches about the 60° mark, they start their surge up stream to spawn. This is when you can take great strings of white bass with the small jig and a light or ultra-light spinning outfit. This fish is a prolific spawner and will often overstock a lake, so it is good conservation to keep every one you catch, up to the limit.

Listen to Virgil Ward each week night at 6:20 on KPAB Radio, Omaha, 1110 on your radio, courtesy of your Vickers Dealer. In Wayne see . . .

DICK DITMAN broke away from Clarence Oberding and Norton Dowling (16) for a Winside gain against Randolph. Terry Thies (48) and Bob Wagner (43) can be seen coming up to help Ditman.

Winside Wins Homecoming Tilt Friday; Play Coleridge and Dodge Games Next

Rolling to their fifth victory in six weeks, the Wildcats of Winside high, pleased a homecoming crowd Friday night at the WHS field with a 24-0 win over Randolph. The Red and White face Coleridge at Winside Friday and travel to Dodge Tuesday night.

Gene Van Auken was a one-man gang for the Cardinals but was not enough to cope with the WHS corps of running backs. The tireless Van Auken was injured but later came back to resume action at his usual speed.

Red Wacker kicked off to open the game. RHS returning to the 25 but being penalized. Van Auken went 1 and 3. Everett Rokahr 1 and Van Auken boosted to the 44. In seven plays the host eleven scored. Bob Dangberg going 5. Bob Wagner 17. Dick Ditman 4. Wagner 5. Ditman 3 and Larry Redel passing to Wacker for 11 and a TD. Winside led 6-0.

Wacker's boot to the 22 was returned to the 39. Ditman and Wacker threw the visitors back 3. Norton Dowling made 9 and Van Auken backed to the 19. Again WHS drove. Dangberg picking up 4. Ditman 2. Redel 18. Ditman 1. Dangberg 22 and Ditman 9 before Randolph recovered a Winside fumble.

Wacker set the visitors back 2 as the quarter ended and back 1 as the next period opened. Wacker picked up a fumble and ran for a TD but a penalty nullified it. One play later there was no penalty and Roger Hill intercepted

PURSUERS close in on Bob Wagner, Winside, in the game with Randolph. Lew Mueller (86), Clarence Oberding (64), Everett Rokahr (12), Dick Ditman (52) and Norton Dowling (16) can be identified.

Wakefield's Trojans Post Another Victory

Wakefield Trojans made it five wins in a row Friday at Oakland by defeating the Vikings 20-7. Friday the Maroon and White play West Point at Wakefield in a contest having bearing on the Huskie conference title.

Greg Kirsch and Ditman led in tackles with 8 each. Red Wacker and Don Longe had 7 apiece, Randy Brudigan 6, Warren Gallop and Hill 4, Dangberg 3, Wagner 2 and Redol, Terry Thies and Roger Miller 1. Following are the team statistics:

First downs	12	6
Yards rushing	214	67
Yards passing	88	17
Total yards	302	84
Passes attempted	10	10
Passes completed	5	4
Intercepted by	3	0
Fumbles	2	1
Own recovered	1	3
Opponent's recovered	1	3
Yards penalized	70	13

RUNNING INTERFERENCE is important in a football game. Here Don Longe (55) and an unidentified Winside player get out in front of Bob Wagner on a play against Randolph. The play gained almost 20 yards thanks to such blocking and running.

WSC Wildcats Win Game Saturday; Travel to Chadron for Conference Tussle

A Wayne State squad depleted in manpower but strengthened by two victories in a row goes to Chadron Saturday night for a Nebraska College conference tussle. The Wildcats' 23-14 win over William Jewell at homecoming last Saturday cost the season services of tackles Roger Pohlman and Jim McNamara and injured starting quarterback Dean deBuhr. All three suffered knee injuries. Pohlman and McNamara both requiring surgery. deBuhr's injury was less serious but may hobble him this week.

The casualties stemmed from a rugged battle which kept a capacity crowd on edge until the last seconds, wondering which play would get the distance. Any play could have.

In the end, Wayne's size and power, coupled with alert defense, overpowered the lighter Jewell invaders, who rely on speed and the "big play" operated out of the rare single wing offense.

That offensive strategy may have been the cause for one costly mistake. Jewell fullback Gary Toney led a center pass from the Jewell 19 zip past him, and it reached the end zone before he could hustle back to recover. That gave Wayne a 9-7 lead with seconds left in the first half.

Slashing play in the third quarter produced seven more points for each team. Wayne traveled 65 yards to score on deBuhr's one-yard keeper, and Dennis Kirby kicked the extra point, one of his three. Jewell retaliated after the next kickoff and covered the last 49 yards on a mighty aerial from Rick Fette to Bob Buschmann. Dave Schroeder kicked the second of his extra points.

Wayne protected its 16-14 edge with savage defense until late in the fourth quarter when the Cardinals, after a futile series on their own 20, gambled on a fourth-down pass. A Jewell receiver snared it out-of-bounds and Wayne took over.

On the second play, Jerry Kilcoin dashed for a touchdown, only to have it nullified by penalty—the second time this season this has happened to him. deBuhr, a passing demerit all afternoon, cancelled the 15-yard penalty on the next play, a 15-yard pass to Roger Bentley. Burt Matthies snared another 15-yard aerial on the fol-

Ainsworth, Crofton Win WSC Cross Country Meet

Ainsworth and Crofton won Class A and B championships Tuesday in the Invitational High School Cross Country Meet sponsored by Wayne State.

Ainsworth runners came close to making a sweep as they won five of the first six places in Class A, scoring 18 points. Runner-up Ord tallied 54, Wayne 77 and Bloomfield 93.

Melvin Campbell and John Pasyska of Ainsworth came in first with 10:05 clockings. Campbell perhaps a couple of inches ahead. Their time on the soggy 1.9-mile course, in the rain, was excellent, only five seconds off the high school record for the course.

John Linke of Ord ran third at 10:20. Ainsworth took the next three places—Mike Skillman, 10:22; Doug Medcalf, 10:28; and Steve Carr, 10:53. Two other Ainsworth runners, Steve Skillman and Bill Huelle, finished seventh and ninth, but did not contribute to the score since only the first five from a team count points.

Larry Popusko, Ord, was eighth. Allen Rasmussen of Wayne tenth. Other Wayne High finishers were Mark Robinson, 14th; Leon Jorgensen, 16th; Gordon Shupe, 18th; George Eynon, 19th; Mike Olson, 20th and Gene Hanson, 22nd.

Crofton, competing in Class B instead of A as in the past, took home a championship trophy for the sixth time in eight meets.

Glenn Loecker of Crofton paced the B field with a 10:05 time, followed by Mark Meyer Uehling, 10:06; Ron Meier, Hooper, 10:07; Keith Kube, Crofton, 10:21; and Gary Kasselner, Wheeler county 97, Uehling 104; Hooper 121; Creighton St. Ludwig 138, Craig 160.

The second five finishers in Class B: David Cox, Creighton, 10:36; the next four from Crofton, Duane Wilken, 10:39; David Donner, 10:41; Jerome Donner, 10:51; and Larry Arens, 10:54.

Jewell stiffened for two plays, then Kirby belted over two yards for the insurance touchdown, and kicked the point, with 1:12 left to play.

Jewell's desperation assault ended shortly on Dennis Radtke's second interception of the game.

Wayne opened the scoring early with a 76-yard drive capped by a 14-yard deBuhr-Bentley pass and Kirby's conversion. The Cardinals, marked the scoreboard in the second period following recovery of a Wayne fumble. Phil Colwell scored on a one-yard plunge.

deBuhr's passing highlighted generally excellent Wayne performance. He hit 11 of 16 efforts for 159 yards and, as a result, vaulted into total offense lead with a season net of 341 yards. Matthies ranks second with 311, all by rushing.

Kirby tops Wayne scoring with 24 points on two touchdowns, nine conversions and one field goal. Bentley is second with 19 points.

The Wildcats will take a 1-1 conference record (3-2 season) against the win hungry Chadron Eagles who have lost NCC tilts to Peru and Kearney in an 0-4 season. Wayne owns a six-game win streak over Chadron, but the Eagles hold a 22-18 margin in a series dating back to 1912.

Good Crowd Sees Kids' Teams Play Two Tilts

A good crowd was on hand Sunday afternoon for two midget football games involving three Wayne teams. In order to cut down on playing time, games will be played two different days from now on, one Wednesday at 5 p.m. and the other Sunday at 2 p.m. All games are at the baseball diamond.

Hank Over'n coaches all teams. Ted Armbruster, Mike Liveringhouse and Randy Heig on are captains.

Sunday Armbrusters beat Liveringhouses 13-7 and Armbrusters and Heigons tied 12-12. Outstanding defensive play was by Liveringhouse, Doug Maurer, Ken Jorgensen, Mike Biltoff, Armbruster and Heigens. Mike Creighton's long runs set up some scores but he never crossed the goal himself.

Ted Armbruster went 5 for the first TD in the 13-6 win and passed to Jerry Tizzo for the extra point. Mike Liveringhouse passed to Paul Thun on a 35-yard scoring play. Armbruster led the game with a pass to Tizzo that carried 35 yards for a tally. Randy Heigens raced 65 yards to score only to have a penalty nullify the score.

In the second game, Heigens passed to Don Mau for 20 yards and a touchdown with Armbruster retaliating on a 25 yard pass play to Craig Johnson to tie the count. Heigens passed to Brock Giese for 85 yards and a score and the game was tied after time ran out as one team was penalized on the last play in regular time. Maurer went three yards to

Grubough rushed an astonishing 86 yards on 10 carries, all in the second half, while Dan Reusa achieved an even higher average on fewer plays. 66 yards in six plays. Morlan traveled 69 on 10 carries.

Earlier, the Wayne fresh defeated Buena Vista and Concordia, won by forfeit from Yankton.

Wayne coaches, after the last game, expressed confidence that next year's varsity will pick up ran out as one team was penalized on the last play in regular time. Maurer went three yards to

A PRIVATE LAKE is taking form on this Wayne county farm.

Carroll Man Will Have His Own Private Lake

Frank Vlasak of Carroll has decided to make his own fishing lake. Vlasak and his neighbor Don Frink are watching the dragline operator make the excavation.

The lake will be 200 feet long and about 100 feet wide. It will be excavated to a depth of 12 feet. Springs will supply the water for the lake.

The Soil Conservation Service supervised the construction and will stock the pond with bass, bluegill and catfish next spring. The ACP helped with the construction cost.

This will be one of the better fishing ponds in the area, as it will be protected from silty runoff water. It will be fenced and livestock will drink from a tank below the pond.

Vlasak plans to retire soon and he says that this is going to be a "fishing hole" for those boys over 65. But it wouldn't be surprising if some of the grandchildren will be spending some happy hours there too.

Local People Appear Monday on Television

Three Wayne citizens and two college students will present Wayne State's first television show of the 1965-66 year Monday, Oct. 25.

The half-hour program on KVTU's "College on Camera" series at 11:30 p.m., will concern the early-day rural school — specifically, the one-room schoolhouse which the Wayne State foundation plans to move onto campus soon.

Participants include Mrs. Helen Bressler, Mrs. Anna Gamble and Ralph Carhart, all Wayne residents. Richard Jordan, a WSC junior from Omaha and Birthe Thybo, student from Denmark.

Mrs. Bressler is a trustee of the foundation, which is financing the transfer of a one-room schoolhouse near Wakefield to the campus as a museum of early education.

Mrs. Gamble will reminisce as a former student and teacher in one-room schools, and Carhart will add his observations as a former State Normal Board member, relating the growth of Wayne State.

Jordan will interview Miss Thybo on her impressions of Wayne. Speech instructor Carlton Benz is director of the program. A second televising of the show is scheduled for 1:30 p.m. Oct. 30.

ions, respectively, for scoring highest in all phases of homecoming competition.

Even the weather was a winner — at least, threatening wind and rain held off long enough.

The college also was a winner, from actions by the Wayne State Foundation at its annual meeting of trustees Friday. The trustees allotted more than \$11,000 to special projects for which state funds are not available. Chief among these: funds for an FM radio station on campus, completion of a one-room schoolhouse to be moved from its present site near Wakefield, and gifts to the student loan and scholarship program.

The trustees voted to name the one-room school museum for Marie McCorkindale, who taught education at Wayne State from 1920 to 1949 and now lives in Wakefield.

All officers of the foundation were re-elected: Val Peterson, Hastings president; Henry Ley, Wayne, vice-president; Adon Jeffrey, Wayne, secretary-treasurer; and Kenneth Olds, Wayne, resident agent.

Trustees elected to three-year terms are: Senator Gale McGee of Wyoming; Jim D. Reynolds, vice-president of Reynolds Metals Co., Richmond, Va.; Frank J. Brokensky of Schuyler; Helen Main Bressler of Wayne; and director of Boelter Camps, Des Moines, Ia., Earl H. Schreier of Omaha; and Palmer Root of Richfield, Minn.

The W Club, organization of athletics lettermen, had its second annual alumni reunion at Saturday lunch and elected officers for one-year terms: Keith Boughn, Sr., Coleridge, president; George Macklin, Wayne, vice-president; and Dr. J. B. Merriman, Wayne State, secretary-treasurer.

Judges of float display and skit competition reported difficulty in choosing winners among many fine entries. Their choices:

Floats, dormitory division, first, Morey Hall ("Courage Triumphs"); second, Terrace Hall ("Banking on a Victory"); third, Anderson Hall ("They Came, We Saw, We Conquered"); fourth, WSEAN ("Give 'em Helen Defeat"); second, Phi Beta Lambda and Pi Omega Pi ("The Wright Way to Victory"); third, Student Wives ("Knock the Spirits Out of William Jewell").

Campus displays, first, Anderson Hall; second, Berry Hall West; third, Pile Hall, Freshman skits, first, Pile Hall; second, Anderson Hall; third, Terrace Hall.

And finally, the homecoming ball Saturday night presented the polished music of Wayne King and the Waltz King. Maestro King commented to an observer late in the evening: "We play all over the country, and I am impressed by your students—such fine behavior, such dignity!"

HER MAJESTY: Sue Weich, mustering poise at the astonishment of being announced as WSC queen, addresses the throng of some 3,500 Saturday at homecoming. Other candidates for the honor from left: Marlene Hodquist, Marilyn Wright and Ilene Thomsen (both partly hidden), Pam White, Marilyn Hendricks and Lynn Zimmerman.

HOMECOMING KING at WHS will be chosen from these five: Front row (left to right), Kendall Longe and Bob Reag; back row, Randy Pedersen, Mark Robinson and Phil Kelton.

Hunting Seasons Underway in Area

With the goose hunting season open until Dec. 14, three more seasons open this week. This part of Nebraska is said to be the prime pheasant region in the state which has the longest season in the nation.

Ducks, mergansers and coots were fair game starting Wednesday, Oct. 20. The season lasts through Nov. 28. Rails and gallinules can be hunted Oct. 2, Dec. 10 and snipe Oct. 2-Nov. 20.

Daily bag limit for ducks is four with possession limit eight. Shooting hours for all waterfowl are sunrise to sunset.

Pheasant season (cocks only) runs Oct. 23-Jan. 23 with a bag and possession limit of four and twenty. A special cock and hen pheasant season Jan. 8-23 includes this part of Nebraska and most of the panhandle.

Quail may be hunted Oct. 30-Jan. 2. Bag and possession limits are six and eighteen. Shooting hours for quail and pheasant are one-half hour before sunrise to sunset.

Wayne county will be expected to handle more hunters than ever this year. With Iowa and South Dakota cutting their seasons, Nebraska is expected to be the destination of pheasant hunters by the thousands and many of them will wind up in this area.

Some cities are planning to stay open all night during the season and there may be other accommodations offered to hunters. It could be the biggest hunting season in recent history for Wayne and adjoining counties.

WSC's Benson Winner of First in Cross Country

A. D. Benson of Wayne State won a cross country meet here Saturday between Wayne and Nebraska Wesleyan, but Wesleyan runners copied the next five places to win the team scoring, 20-10.

Benson's time on the four-mile course was 21:44. Following him were Jim Comstock, 22:00; Larry Stephens, 22:05; Ralph Merriman, 22:05; Steve Bell, 23:35; and Bob

Briggs, 23:41, all of Wesleyan. Peter Strals was the second Wayne Stater finishing at 24:04. Also scoring for Wayne: Larry Wehrer, ninth; Bruce Hopkins, thirteenth; and Dennis Schulyer, fifteenth.

Three Flag Football Games Finish in Tie

Three of the four flag football games played in Wayne the past week ended in ties. Kelly's beat Todd's 13-0 and the Todd-Mike, Kelly-Mike and Kelly-Todd games all ended in ties.

Tuesday evening Hank Overin's teams had two hits, Kelly winning 13-0 over Todd. Kelly Dill ran 20 yards for one TD and had a punt return of 75 yards to set up another score, going over on fourth down. Dill also passed to Kyle Willis for the extra point.

Todd came back to forge a 6-6 tie with Mike. Todd Bornhoff went 25 yards for his team's tally. Mike Creighton passed to David Scheel on a play covering 58 yards and yielding six points. Creighton also went 35 yards before being stopped on the 3 in the final play of the game.

Kelly and Mike also tied 6-6. Creighton passed to Craig Johnson for a 25-yard play that produced a score. Breck Giese passed to John Hansen for 22 yards and the tying tally.

Todd and Kelly had a 13-13 tie. Craig Johnson intercepted a pass and went 65 yards to give Todd a 6-0 lead. Bornhoff made the extra point. Giese broke into the scoring column on a 50-yard punt return to make it 7-0. Bornhoff passed to Johnson to go in front 13-6 and Kyle Willis went a yard and then added the extra point to knot the count.

WHS Students Will Sell Cushions in Big Drive

The Wayne high school student council voted to sponsor a cushion selling contest for all WHS pupils. The leading cushion seller will get a \$15 gift certificate and second place prize will be a \$5 gift certificate.

A drive will start Monday, Oct. 25, and last through Monday, Nov. 8. During that time students will call house-to-house in Wayne, Carroll and the rural areas.

Purpose of the project is to raise money for bringing a foreign student to Wayne in July. The money has to be raised by the first of the year and \$750 is a lot of money to be earned in that time so all assistance will be appreciated.

Lions Pleased With Projects, Plan More

The successful Pant, Pass and Kick contest co-sponsored by the Lions, Ford and Wortmann's was discussed at the Tuesday night meeting of the Lions club at Hotel Morrison. Ideas were exchanged on future projects.

Initiation night is scheduled for Tuesday, Nov. 16. Wives of the members will also be guests for the occasion.

The turkey project is coming along fine, according to preliminary reports. Additional books were passed out and members were urged to make more contacts. Glen Walker was a guest of the club. He showed colored slides taken on a recent trip into Canada.

Firemen's Ball Crowd Smaller Than Year Ago

The Wayne Firemen's ball Friday night failed to pack 'em in as it did a year ago. However, this was not due to fewer ticket sales but to conflicting activities.

Ivan Creighton, chairman for the project, said the firemen were well-satisfied with the response. The public liked the music of Paul Moorhead, the crowd on hand was about the right size but concession sales were below last year's packed-house business.

The firemen do not know what the money will be used for yet since several pieces of equipment are needed. Last year's dance proceeds were used to buy Resuser, Annie, a device proving a valuable and popular aid to firemen and others.

Carroll Club Has Four Big Projects

Carroll Community club met Monday night at Marlene's cafe. The dozen members present discussed four big projects on the agenda for action. Leonard Hal- been president.

Added Christmas lights are to be purchased. With what the town already has, it is planned to make Carroll more beautiful than ever during the yule season.

A flag pole is needed in front of the Carroll auditorium. The matter was discussed as to ways and means of procuring one, types considered and location of the staff.

Street signs may soon mark intersections in town. Carroll is not a town where one can get lost but street names will help in locating people and will indicate the type of progressive ideas the community has.

Lincoln will be the destination of several Carroll area men Monday, Oct. 25. An appointment has been made for a delegation to meet with the state highway commission regarding surfacing of Highway 57 from Carroll to Highway 20.

WSC Homecoming Winner All Ways

Homecoming 1965 was a winner for Wayne State, in many ways. The football team was a 23-14 winner over William Jewell college—details of the lively game in the sports section.

Sue Weich, a senior from Hoskins, daughter of Mr. and Mrs. Clemens Weich, was the winner of the homecoming queen title, chosen in a student body election among seven finalists.

Val Peterson was the recipient of the W Club's annual award, a W blanket, to an alumni letterman.

Anderson Hall and WSEAN won sweepstakes trophies in the dormitory and organization divi-

Christmas Gifts Going Overseas Should Be Sent

Planning on sending a Christmas gift to someone in the armed services overseas? Oct. 21 to Nov. 10 is the period the post office department designates as being the best time to mail such gifts.

The packages sent during this period will go by surface transportation and should reach all service personnel by Christmas. Items airmailed will be delivered for Christmas if mailed from Dec. 1 to Dec. 10.

Greetings cards for armed forces personnel should be mailed during these same two periods. All mail should be wrapped well, addressed on the packages (not gummed labels which sometimes are lost), should show return address and Zip code numbers of the sender and the recipient.

Postmasters at Sholes, Dixon, Concord, Hoskins, Carroll, Winside and Wayne will be glad to help on any information as will their clerks. They can furnish any Zip code numbers you may not have.

Air Force Needs Men

Sgt. S. G. Burkinshaw at the air force recruiting station, Norfolk, reports the station has changed its manpower procurement plan due to the world situation. Trained personnel with military experience are needed to help in the air force buildup. Men with experiences in any armed service, marines, navy, coast guard, army or air force, may qualify. Many can enlist in the same rank as that held when they got out if they were discharged within the past 12 months. Assignments can be chosen before enlisting.

Winside Juniors Will Stage "The Egg and I"

Cast members have been chosen for the junior class play at Winside. With Mrs. Judy Picard directing and Mrs. Jane Liebig assisting, the class will present "The Egg and I," Tuesday, Nov. 30.

Connie Jones and Bob Dangberg have the leads in the two-act play which is made up of many scenes. Judy Walker, Connie Nishal and Keith Krueger have major supporting roles. These five make up the McDonald family, subject of Betty McDonald's famous book from which the play is adapted.

Ma and Pa Kittie started their rise from this production on the screen. Playing the roles in the Winside production will be Barbara Gallop and Gene Berg.

Other cast members are Diana Weible, Bill Holtgreve, Don Longe, Reed Wacker, Terry Thies, Dorinda Trautwein, Ruth Vahikamp, Vicki Wade, Linda Gehring, Randy Brudigam, Keith McClary, Mary Jane Hansen, Darlene Avo, Judy Stevens and Charlene Johnson.

Work is now underway on learning parts and the first practices are lined up. It could wind up being the most-looked-forward-to production in recent WHS history.

SASS by CHAS

(Continued from page 2)

One day, the principal of Johnny's school was making an inspection of the pupils' hands. When he got to Johnny he looked at the boy's extremely dirty right hand and remarked, "Johnny, if I can find a dirtier hand up this school, I won't punish you."

Cathy, Johnny raised his left hand.

West Point is going to vote on a new high school. We won't help either way but we have this to say: As a newcomer to this part of Nebraska, we have been as much impressed by West Point as by any town we've visited. People there must care to have such a progressive and aggressive town. We would guess the people there will favor the new school, it's that kind of town. This is no reflection on Wayne for we like it here but if we were to be transferred to any of the bigger towns in the region, we think we'd like to have it be West Point. Please, if you get the urge to tell us where to go—

make it be either West Point or West Nebraska!

She: "I don't like all of these life." Pick out the ones you do like and I'll fill the rest."

We have now witnessed all our seasons in Wayne and we like them all. True, we like some better than others, but we don't hate any. Perhaps we have not experienced a really severe winter, and an extremely hot summer, but what we have experienced so far has not been too hard to take. If you have time, drive around your town, your county, and your state. Try to get up Ponca way—it's terrific! Northeast Nebraska, we like you!

Shmae: "What do you call it when you're outfumbled for the dinner check?"
Joe: "I haven't the slightest idea. What do you call it?"
Schmoe: "Shelfoul fighter."

Yea farmers are keeping your hands out of those moving machines aren't you? We want this

to be an accident-free fall. Don't lose your patience when a machine clogs, or you may lose a hand. Stop those machines, if you make it through the season complete with no losses, there will be men willing to shake hands with you in congratulation—men who have on right hand to shake yours with. They join us in asking you to stop those power takeoffs, corn shellers and other machines to erect something some wrong. Lose a minute, save a hand!

A farmer stopped the veterinarian on the street for free advice. "Doc," he said, "I have a horse that sometimes walks normal and at other times has a decided limp. What do you think I should do?"
The vet replied: "The next time he walks normal, sell him."

We were puzzled as to how Doug Lyman could take a time exposure picture showing fiery batons whirling but everything else motionless. Doug, being used to our shortcomings, took time to explain that the flash bulb caught the twirler (Jeanne Karel) and the hand members behind her but the time ex-

posure went on and all it picked up was the flaming ends of the batons arcing through space. It was a such a good shot we decided it deserved front page space. With Doug, Charlotte Blake, Dick Mauley, Jack Manske, Jim Marsh and Jack Schreiber all involved in getting pictures for The Herald, we are sorry you let them—let us know by supporting our advertisers (the nicest compliment we can get).

A naughty little girl was put in the clothes closet for punishment. For 15 minutes there was no sound. Finally the stern but anxious mother opened the door and peered inside. What are you doing in there?" she asked.
From the darkness came the emphatic answer: "I'm thumping on your new hat. I'm thumping on your new dress. I'm thumping on your new thain thimppeth and-and—" There was a breathless pause.
"And what?" cried the mother.
Came the angry voice of vengeance: "Now I'm waiting for more thain!"

Dixon Buildings Will Get New Roofs Soon

Two Dixon buildings owned by the town are due to get new roofs soon. The fire house and the town hall, both on main street, are scheduled for the improvement.
Storage for the town and rural fire truck is provided in the fire house. The town hall across the street used to be used for a gym when there was a high school in Dixon and is still used for meetings, dinners, dances and other activities.

Frank Tomason is chairman of the board which meets the first Monday of every month. Other council members are John Young, Donald Knobl, Lowell Saunders and Jim McQuay.

Mr. and Mrs. Harry Brower, San Pablo, Calif., left Wednesday after a visit in the Joe Hinkle home.

CONCRETE PAVING on two streets in Allen got underway Friday. Mayor Leroy Roberts (in the center) watches the process. A picture of Allen's new fire hall appears on another page.

Allen Goes First Class on Two Projects; Paving and Fire Hall Projects in Town

The town of Allen is making two municipal improvements and in each case is going "first class." New concrete paving is being laid and a new fire hall is nearing completion.
Mayor Leroy Roberts points out that the concrete being put in Allen's Main street and Harrison streets in the business district is six inches thick. The curb-to-curb concrete will cover 2 1/2 blocks on east-west Main and 1 1/2 blocks on north-south Harrison.
Cornhusker Paving Co., Omaha, has the contract for the job. Forms were installed after the streets were cleared and leveled. First concrete was in place Friday.
"Main street had more holes than surfacing before," Mayor Roberts said. He indicated that the pavement takes the place of the worn-out and chuck-hole filled oil-coating the town has put up with for years.
The fire hall is of cinder block construction with brick facing. A 62 by 36 building, it will house the fire department's equipment plus providing office space. It is being built by R & B Construction Co., Martinsburg and Allen.
Serving with Roberts on the

town board are Craig Williams, clerk, Bob McLeod, George Van Cleave and Marvin Wheeler.

Concord Town Board Seeking to Buy Land

Unable to get action from the Dixon county commissioners, the Concord village board is now considering buying land for a town dump. Delegates had asked the commissioners to straighten a road running south from the northeast station so the area could be used as a dump.
Two other matters are also getting attention of council members. Halloween policing and action on sewer repairs have both been discussed.
Special officers will be deputized for Halloween. The town used to have considerable activity (some of it vandal-type in nature) on Halloween but the last three years men have been deputized to keep such activity under control.
Concord has been having trouble with its sewer system. So far the town board has been unable to get much action in the way of solution to the problem.

Texan Will Speak at Services in Carroll

Harry Peacock, San Benito, Tex., Methodist layman, will speak at an alliance for missions meetings in Carroll's Methodist church Friday, Oct. 22, at 7:30 p.m. It is one of a series of seven meetings being held in the Northeast district.

Peacock has been a teacher and school administrator in Bolivia for four years. In addition to having many Bolivians, the rapidly-growing area he served has many immigrants from Ja-

pan, Okinawa and Korea. He was a seminary teacher in an only community, directed a Methodist school in another and was pastor of a Methodist church. His last assignment was as principal of a Methodist rural institute and supervisor of a network of rural elementary schools.

The speaker is a native of MeAllen, Tex., holds a bachelor of science degree and master of arts degrees and is currently touring as a speaker in Methodist churches to emphasize the mission aspect of Methodism. He and Rev. John Horner, Carroll pastor, invite everyone to attend the Friday night meeting.

CONCORD GAINED from projects in two towns. Allen and Wayne have paving projects and Cornhusker Paving Co., Omaha, set up this plant in Concord to serve both areas.

Concord Benefits from Other Towns' Projects

A big cement plant is in operation in Concord, not because of any construction activity there but because of three projects in neighboring cities. Trucks roll out in two directions with cement.

The Allen paving project is keeping several trucks busy. Cornhusker Paving Co., Omaha, has the contract. The same firm

will also do paving in Wayne on city streets and at the WSC parking lot.

Concord was chosen because it was close to both towns, a site was available and roads are pretty good. A large crew is working, eating and staying there with others staying in Allen and Wayne.

The Allen project should be finished this week. Work in Wayne will continue for several more weeks.

WOODEN GOODIES

Can't part with a certain magazine picture, comic strip or postcard? Don't! Ask your lumberyard for a piece of scrapwood to fit. Stain or paint the wood's edges. Spray the picture with clear plastic. Spread a thin, even layer of wallpaper paste on the wood. Press picture in place, then quickly soak a cloth in wallpaper paste. With circular motion, smooth paste lightly over picture, making sure all air bubbles leave. Dry. Respray with plastic, and put a hook on the back for hanging; gives you Christmas gift-ideas, doesn't it? Why not start saving pictures now?

GOBLIN-OSTER

Is there a "goblin" at your house — an ancient stove, outworn water heater or outmoded clothes dryer that keeps haunting you? Hurry to

DOUBLE DRAMA

Who ever decided all four walls in one room had to wear the same wall paper? My neighbor decided they didn't. The effect is great! She used one pattern suggesting open iron grillwork, another linen-like design in a new turquoise blue. The couch-wall in her living room has panels of the two patterns, like stripes. One wall — backgrounding a big library table — wears the grillwork, while the other two are blue. Think of a fun you could have with a mix-match like that! If Dad's a do-it-your-selfer, you could do it over a weekend.

TAMER GAME

When the young ones at your Halloween party reach the jump-and-bellow stage, bring out this button game to tame them! Paint one or two egg cartons a bright color. Set one score for buttons tossed into the back sections, a lower score for buttons landing in the front. Kids take turns by teams, and add up their scores when finished. Prizes? Cookies trimmed with Jack O'Lantern faces, or hard-boiled eggs wearing witches' hats and painted frowns.

FAREWELL, FAIR

As the World's Fair draws to a close, I just must remind you once more that 90% of the heating and 80% of the cooling at the entire fair was supplied by gas. There's a moral there for you and me! Gas heating costs less, and works more efficiently. Keeps places cleaner, too. And if you convert to gas heat — which takes only a day, in most cases — you're all ready to add whole-house gas air conditioning later. Why not have your Peoples Natural Gas Company supplies clean, efficient, economical natural gas to your local gas company so you can live modern, for less.

Three Traffic Cases Heard by Judge Hamer

Three traffic cases were heard in Wayne county court the past week. In addition, Judge David Hamer heard a case growing out of an accident and a case involving a car, details of the latter two being given in separate stories. Daryl, Daum, Pilger, appeared Oct. 13 on a speeding charge.

C. L. Howell of the Nebraska Safety patrol brought charges. Fine and costs came to \$10 and \$5.

Oct. 13 Tom Michalowski, Merrill, Ia., appeared on a charge of overtime parking brought by Chief of Police Vern Fairchild. The lowan paid fine and costs totaling \$15.

Kenneth Croley, Columbus, appeared on a speeding charge Oct. 18 with Fairchild also bringing charges in this case. The fine was \$10 and the costs \$5.

Census Bureau Finds New Questions to Ask
 The bureau of the census will have some more questions to ask Wayne county residents and other people in the area in October. Questions on school will be asked in addition to the annual October questions.
 Questions will cover attendance from nursery school through high school, dropouts, employment, car owned, homes owned and major appliances owned. Two interviewers will call in selected homes in the area to fill out questionnaires.
 Comparisons will be made with the results of similar surveys made a year ago which were contrasted with the 1960 figures and showed 31.7 million people in the 5-14 age group in school or college, an 11.7 per cent increase in four years.

Dr. Clegg Speaker at Kansas Extension Meet
 Dr. Denzil Clegg, Wayne, superintendent of the Northeast station, Concord, spoke at the meetings of the Kansas Extension service workers in Manhattan Oct. 18. His topic concerned the problem of agricultural extension surviving without sufficient excellence.
 According to Clegg, there is an immediate need for a first class extension in agriculture, home economics and related fields. Extension staffs must be organized to achieve first class excellence. In disseminating information, he cited the five counties in this area going together for an area station as an example of the approach.
 He said extension agents develop into excellent area agents, more help is available area staffs than county staffs; efforts can be multiplied through better adaptation to local situations in the area level. Interest remains high in 4-H work; new services to new "exhibitors" have been available; an adequate staff can be maintained under the area concept; and there are points both favorable and unfavorable to the idea.

Vesper Circle Meets
 Eight members of Vesper circle met Tuesday evening in the Methodist church. Mrs. Chester Wylie gave the lesson and devotions. Mrs. William Wylie was hostess.
Ruth Circle Meets
 Mrs. Charles Farrans was hostess to Ruth circle in the Methodist church Tuesday. Guests were Mrs. William Fletcher, Sterling, Colo., Mrs. Henry Langenberg, Hoskins, and Mrs. Harry Perkins, Stanton. Mrs. Henry Siehl, Sr., had devotions and the lesson. The birthday song honored Mrs. Herman Rasmussen.
Ladies Aid Meets
 Twenty members and two guests, Mrs. Chris Peterson, Norfolk, and Mrs. Lyle Krueger were present. Mrs. Leo Jensen presided at the meeting. Mrs. Joy Padoll had scripture and prayer. Mrs. Fred Wittler gave the lesson, assisted by members. Mrs. Russell Baird and Mrs. Clarence Pfeiffer were appointed as a nominating committee. Plans were made to fill Christmas boxes for servicemen.

WINSIDE HOMECOMING second place skit was by the juniors. They featured a chant about "Big Ben Wildcat" with Reed Wacker (above) emerging victorious over Randolph Cardinals.

New Chevelle SS 396 Sport Coupe— with clean-sculpted all-new Body by Fisher.

by Chevrolet

Two new Super Sport beauties for '66—a hardtop and convertible—propelled by nothing less than the new Turbo-Jet 396 V8.

This remarkably efficient power plant, with aircraft-type valves, deep-breathing ports and other design advances, develops 325 hp in the standard version. And you're welcome to order more—in a 360-hp version—if you're so inclined.

Both Chevelle SS 396 models ride on a special flat-cornering chassis. A fully synchronized 3-speed transmission with floor-mounted stick shift is standard. Or you can order a 4-speed or Powerglide—also Strato-bucket front seats, center console and full SS instrumentation.

Your Chevrolet dealer's is the place to see how all this feels from behind the wheel. He's a great believer in letting the customers handle the merchandise.

NEW PICK-CHOP CORN HEAD

chops ears from one row . . . ears and stalks from the other

Double the grain in your corn silage . . . while field chopping. It's now possible—with the exclusive Pick-Chop Corn Head attachment for the Gehl Chop-All Forage Harvester.

The Pick-Chop picks and chops only the ears from one row, the ears and stalks from the other. Result: A concentrated, high-energy silage ration for both beef and dairy cattle. And . . . no supplemental shelled corn to add. Saves labor and storage costs.

Other benefits include: More acres of corn stored per silo; less spoilage loss; saving in harvesting labor and time; less than the usual field loss (from picking and shelling dry corn).

The Pick-Chop Corn Head fits all recent Chop-Alls. Just switch attachments to match your Chop-All to the type of forage. For more details and a close-up look . . . stop in soon.

HOSKINS NEWS

Mrs. J. E. Pingel — Phone 565-4507

HOSKINS' HALLOWEEN will be brightened by these masks made over balloons by sixth and seventh grade pupils. Left to right in the first row are Michael Behmer, Lou Ann Wells and Karmon Schellenberg; second row, John Behmer and Denise Puls; third row, Duane Shufelt, Cindy Moritz and Jean Mann; fourth row, Doug Siegart, Mike Friend, Susan Walker and Debbie Graves.

Hoskins Pupils Make New Halloween Masks

Sixth and seventh grade pupils of Hoskins grade school have made some unusual Halloween masks. They may never get outside the school with them but they plan to use in other classes to show what they have done.

Phil Carter, instructor, said the masks were made by inflating balloons and covering them with paper mache in any shape wanted. Paints were then used to make hideous faces on masks which when dried slipped off the balloons and fit over heads.

In another Halloween activity, Hoskins, sixth, seventh and eighth grades will have a hayride Wednesday, Oct. 27, from 7 to 11 p.m. They will ride in a hayrack to the Leroy Graves farm southwest of Hoskins, have a wiener roast and then return home on the hayrack.
