Thursday Program Marks Veterans Day Here

A day dedicated to veterans will be marked in Wayne Thursday, Nov. 11, with a program at the Wayne City auditorium. The public is invited to attend.

The 8:15 event is scheduled to be short and is starting at a time which will enable people to take part in the cash night drawing, and then get to the City auditorium for a complete program.

All Wayne veterans organizations and the auxiliaries are taking part in the program. Sgt. Francis Ham of the Wayne county system will be featured speaker.

Cleo Shaver is master of ceremonies and a chaplain from a veterans unit will give invocation and benediction. Music for the program is being arranged by the auxiliaries.

Following the program a light luncheon will be served. Every thing, including the refreshments, will be free of charge.

Lutheran Teachers Meet

Among the 88 Lutheran teachers attending the Northern Nebraska two-day conference for Missouri synod Lutheran church schools in Norfolk Nov. 12 was Robert Haag, First Trinity Lutheran school, Altona. Dr. Lyle Skov of WSC talked on "Trends in Elementary Education" as one of the program features. Panel discussions, talks, an election and other numbers were features of the conference.

Steve Carman Gets Highest Boy Scout Honor at Services

Steve Carman, son of Mr. and Mrs. Richard Carman, Wayne, received the highest award a Boy Scout can attain Sunday when the God and Country award was presented to him at the 11 a.m. worship services in Redeemer Lutheran church.

Explorer Adviser Everett Rees presented the candidate for the award and read the citation. Mrs. Carman fastened the medal on her son's uniform and Pastor S. K. de Freese had charge of the ceremony.

In the Lutheran church, the "Pro Deo et Patria award" is given only to those who meet requirements of five major aspects. They are expected to be "doers of the Word and not hearers only."

The five requirements are: Christian faith, including knowledge of the commandments, the Creed and Lord's Prayer and the sacraments of baptism and the Lord's supper; Christian witness through good stewardship habits;

Christian life and practice, giving evidence of daily Bible reading and prayer, regular attendance at church and Sunday school, youth group activity and knowledge of selected prayers, Bible passages and hymns; and Christian worship, a knowledge of church liturgy, the altar and its furnishings and the church year.

PROUD PARENTS, Mr. and Mrs. Richard Carman, left, look on during God and Country award rites for their son, Steve. Pastor S. K. de Freese and Explorer Adviser Everett Rees took part in the ceremony.

School Board Presidents Meet to Name Candidates

Notices have been sent out by County Supt. Gladys Porter calling for a meeting Tuesday, Nov. 23, of all school board presidents in the county for the purpose of naming candidates for appointment to an area educational service unit.

The service units were provided for by LB 301. Under the plan, counties could join to provide instruction and facilities which the counties alone could not afford to provide.

Wayne county will not be a member on the service board and that is the same allotted other counties. However, each area will have four members at large.

Dallas Man Appreciative

Dale Milford of WFAA, Dallas, wrote the Wayne C. of C. expressing thanks for the courtesy and hospitality shown during the recent pheasant hunt by Dallas men in this area. "We were most appreciative of the friendliness and generosity of the farmers in your county who allowed us to hunt on their land," he wrote adding, "We shall look forward to returning next year for another hunt."

Sixteen Wayne Musicians Achieve All-State Honors

A total of 16 Wayne high musicians will participate in the all-state clinic at the Nebraska Music Educators convention in Columbus Nov. 19, 20 and 21, according to Don Schumacher, instrumental music instructor at the school.

Pupils will rehearse under the direction of nationally recognized instructors Thursday evening, Friday and Saturday. A concert open to the public will be presented by three groups Saturday at 7:30 p.m.

Woodwind and brass instrument players selected by audition are Kathy Voorhes, clarinet; Paulette Merchant, bassoon; Sallie Bergt, tenor saxophone; Mark Johnson, trumpet; and Phil Kellon, trombone. Kellon was selected for the orchestra while the others will be in the band.

Those selected to play in the orchestra included Kathy Christensen and Margo Jeffrey, first violins; Dan Rees, Dave Rees, Connie Fitch, Duane Shell and Karen Wills, second violins.

Four were named for the all-state chorus. They are Sandra Eynon, first alto; Mavis Swanson, second alto; Harlan Lonze, first alto; and John Brandstetter, first bass.

There are 13 firms indicating they will bid on the general contract and 17 general sub-contractors. Sixteen firms have indicated they will bid on chemistry and biology contracts or on home-making and art contracts.

Almost 100 Firms Obtain School Plans

Interest is unusually high in work on the new Wayne high school building. Davis and Wilson, architects, report 83 firms have taken plans for various aspects of the work.

Bids are to be opened Tuesday, Nov. 16, at 4 p.m. in the office of the superintendent at Wayne high school. The board will then decide whether to accept or reject bids.

The architects report that no local firms had bid on prime contracts. However, one has picked up plans and they claim to bid in yet for sub-contracting, part of the work.

Wayne's All-School Play Will Be Presented Friday

Wayne High school's all-school play, "O Men, Amen!" will be presented Friday. Not in costume but depicting a scene are Linda Garvin, housemother, and five girls in a man-hating dormitory. Left to right the actresses are Debbie Armbruster, Marcia Ehlers, Debbie Wright, Pat Jorgensen, Vicki Gaunt and Miss Garvin.

Carroll Residents Asked to Meeting

All men and women in the Carroll area are invited to a ladies' night dinner meeting of the Carroll Community club Monday, Nov. 15, in the Carroll auditorium. You need not be members to attend.

Purpose of the night is to talk over a major project being considered for Carroll and to hear a report by Mrs. George McKay, Norfolk. Mrs. McKay is secretary of the governor's Keep Nebraska Beautiful committee.

Wayne Professional Men Die Past Week

Two longtime Wayne professional men died during the past week. Paul Harrington died Sunday and Dr. Robert Casper succumbed Monday.

Harrington was 81 and had come to Wayne in 1885. Most of his life since that time was spent in Wayne where he was district manager for Mutual of Omaha for years.

Dr. Casper, 74, marked fifty years of service in 1954. He had come to Wayne in 1926 after starting practice earlier in St. Edward. Since that time he had been active right up to the time of his final illness.

Funeral services for Harrington were held Tuesday at United Presbyterian church. Final rites for Dr. Casper were held Wednesday at Hiseox Funeral home.

City Planning Film Shown to Kiwanians

A film on city planning was shown at the Monday noon meeting of the Wayne Kiwanis club in the Hotel Morrison. The film, prepared for Northern Natural Gas, Omaha, was presented by Wally Peterson of Peoples Natural Gas, Wayne.

A list of area servicemen, in alphabetical order, will be published in the Dec. 1 issue of The Herald. It will be carried to enable everyone to remember them in some way whether overseas or Stateside.

This list is starting from scratch so if addresses have appeared before, they still should be sent in. The listings should be in The Herald office by Friday, Nov. 26 so the names and addresses can be printed in the first section of the following week's paper.

Names and Addresses for Servicemen to Be Printed

It is better to get one address twice than to have someone hold back an address because they figured someone else would turn it in. So, anyone having an address of a serviceman should send it to: Service Directory, Wayne Herald.

Addresses should be typed or printed because "o" cannot always be distinguished from "a" in handwriting and other errors are possible. It is hoped the list will be accurate to such an extent that it will be clipped and saved.

With many now in Vietnam and other lands, the idea of remembering men in service is almost as strong as it was during "dreaded" wars. Anyone mailing after Dec. 1 should use airmail to insure delivery in time for Christmas but even mail received after that date will be appreciated.

Only you can make the list a success. If the addresses are not turned in, the people will not know where the servicemen are and therefore cannot send cards or letters. If servicemen have APO numbers, the country in which they are serving can be listed after the addresses so everyone will know where the men are — something that cannot be told from the APO numbers themselves.

State Tax Man in Agreement on Tax

State Tax Commissioner George Dworak called The Herald Wednesday afternoon of last week to report on his findings regarding the levies in this county. What he had to say was virtually the same as local men had reported.

Dworak said he had been misquoted by wire services in the first place. He said the assessors were pelted at the state meeting where he spoke and a reporter misinterpreted what he had meant.

According to Dworak, Wayne county has no levy problem at all. The urban valuation was unchanged and the rural valuation change was received before this county's levies were set. Therefore, the levies are correct.

Christmas Lighting Contest at Carroll

A Christmas lighting contest is being planned for Carroll. Prizes will be given for the best home decorations and there may be awards for the business area decorations.

To help with the over-all appearance, the town has bought more Christmas lights. It is planned to have new additions to the village-owned decorations each year.

The Carroll town board met last week and discussed the new flag pole at the auditorium. Mayor Bus Hansen agreed to make one at his machine shop and that project has started.

Assessor in Lincoln

County Assessor Henry Arp attended the third annual Nebraska assessors school Nov. 1-5 in Lincoln. Attendance is required by law. The course this year consisted of real estate appraising, explanation of old and new laws pertaining to assessment and personal property assessments with instruction by members of the state tax commissioner's staff. An examination was given following the course. Beannard Barnard, research director for the International Association of Assessing Officials, was chief speaker.

National Guard Unit Seeking Men to Meet Member Quota

The Wayne unit of the national guard is short of men. It is actively seeking 51 more men to bring its membership up to the full strength approved recently.

There are 75 men in the unit now and 26 is the allotted strength. Of the 75, five or six have enlisted in recent weeks.

It is pointed out that young men can fulfill their military obligations without leaving home by serving in the national guard. Even if called into active service, they would be among men from their home area.

Enlistment is not restricted to men from Wayne county. Anyone over 17 in this area is eligible to join the guard.

Performs on Drill Team

Neal Rohrer has been selected as a member of the crack drill team, the Kemper Guardsmen of Kemper Military school, Homeville. Mo. Son of Fred Rohrer, Wayne, he is one of 29 cadets chosen for the select group. The Guardsmen performed recently at the 24th chapter OES installation in Kansas City and at Missouri university's homecoming football game.

YMCA Survey Will Be Made Before 1966

James Eggleston, Topeka, area representative for the Young Men's Christian association, was in Wayne the past week. He was securing preliminary information for a survey to be conducted before 1966.

According to Don Reed, president of the Kiwanis club which is sponsoring the survey, the work is planned to determine the need for a family type YMCA and the demand for services. When the survey is complete, a report will be made to the Kiwanis club.

Initial information on the type of services Wayne would require was given Eggleston while he was here. It was indicated that the functions in mind would not necessarily require a building as other local facilities could be used.

The Kiwanis club had heard Eggleston speak at a meeting during this year. He had pointed out the function of a family YMCA and had it to members to decide whether or not they wanted further action on securing one. The members decided they did and that brought about the planned survey.

District 17 Will Appeal Appraisal

The board of education voted Monday night to appeal the appraisal of the Rohrer land. This means it will probably be taken to district court.

Attorney for the board, Budd Boinhoff, has been directed to file the appeal. The board felt that \$36,000 as set by appraisers was too much for the property.

The land, west of the West elementary and the new high school, was sought for future use of the district. The appeal will not affect the project far as construction of a new high school is concerned.

Coleridge Woman Misses \$150 Prize

A Coleridge woman was the unlucky absentee registrant Thursday night in Wayne. Had she been in town, she could have taken home \$150 to splurge or to buy necessities.

Irene Tromble's name was called for the cash night prize. She was not in any of the stores of participating merchants at 8 p.m. so all she gets is a \$10 consolation prize.

This week someone will have a chance to miss out on \$200. All they have to do is to be some where besides Wayne at 8 p.m. and their name is called they will get a head-line next week and a \$10 consolation prize.

Being in Wayne Thursday nights is THE place to be. Even the ones who do not win do not lose for stocks are more complete than ever and bargains are offered at almost every firm.

The Spook Speaks

A group of girls in a sorority who hate men will be presented Friday, Nov. 12, at 8 p.m. in the Wayne City auditorium. Myron Jenness is director of the all-school production.

Proceeds from the play will be given to the junior class. They read the funds to put on the junior-senior banquet and prom in the spring.

Described as a light comedy, "O Men, Amen!" involves a sorority made up of girls who hate men — or do they? How the matter is decided is what the play is all about.

Linda Garvin plays the house mother, Miss Brackie. Other cast members are Vicki Gaunt, Debbie Wright, Marcia Ehlers, Debi Armbruster, Rose Ann Renner, Pat Jorgensen, Sue Behmer, Belinda Bebee, Jo Merriman, Tom Denasia, Dean Skokan and Jeffery Eulberg.

Sharon Cleveland is student director. Other pupils are taking part in the production by serving as prompters, making up characters, staging the play, ushering, taking tickets, and doing other work connected with such productions.

People Like Good Musical Programs

There was a good pro football game on television, it was a nice day to be outside in a period when such days get more rare and it was a day for hunting pheasants, ducks and deer but people from the Wayne area like good musical programs so a lot of them attended the fall vocal concert Sunday.

Clayton Southwick, vocal music instructor, has a strong following as people recognize his programs as being extra good. They picked a winner Sunday as four groups presented a variety of music all ages could appreciate.

"Wagon Wheels" was given a different treatment by the WHS chorus. Ten other numbers were sung and the audience demanded more so "There's No Business Like Show Business" was the finale encore.

Mark Johnson, Bob Morris and Terry Kardell on trumpets and Phil Kelton, Don Koeber and Dan Rees on trombones offered a touch on "All Hail the Power of Jesus' Name" that made it a song to remember.

The seventh and eighth grade choir sang three numbers, including a novelty Latin number complete with bongo drums and other accompaniment and "No Man is an Island" always a favorite. A 19-voice group from WHS sang "Shenandoah" and "John the Baptist" in pleasing style.

Ever-important accompanists for the various groups were Paulette Merchant, Dianne Olds, Beth Bergt and Sallie Bergt.

Funeral Services Held Tuesday For Paul Harrington

Funeral services for Paul L. Harrington, 81, were held Tuesday afternoon at United Presbyterian church. Mr. Harrington died Sunday at Wayne hospital.

Increased Income Should Be Reported by Veterans

County Service Officer Chris Bargholz says veterans receiving pensions should notify the VA if they increase their annual income since the amount of a pension is dependent upon two things: Number of people in the family and yearly income.

If either factor changes, the VA should know about it. Divorce, deaths, marriages, births or marriage of a child can all affect pension payments.

Failure to report income changes may result in overpayments. This sounds all right for the veteran, but he may be required to refund it or have it deducted from future payments, Bargholz reports.

Blue Devils Lose Finale Friday to Pierce Eleven

The Wayne High Blue Devils ended their 35 grid season with a 7-1 record on Friday night at Wayne. The Blue Devils were held to a 14-0 score in the first quarter, but the Bluejays' winning drive was completed in the first quarter, leaving the Blue Devils with only 45 minutes of play. The game was a toss-up on both offense and defense. Wayne's offense kept the game close, stopping many potential drives. The game started with Wayne kicking off and downing the ball on the 21 of Pierce. Following one offensive pass and three downs that gained only 4 yards, Pierce was forced to punt on fourth and eleven. The punt was downed on Wayne's 39 yard line

where the Devil offense took over. On the first play from scrimmage, a stunting defense caused Wayne to fumble, giving Pierce possession of the ball on Wayne's 40. Wayne's hopes were again lifted when Mark Robinson intercepted a pass from Bluejay quarterback Bob Cox and returned it to the 15. Wayne again controlled the ball, but this time were deep in their own territory. Following runs by Randy Pedersen to the 21 and Bob Teeg to the 31, a costly fumble resulted when Keith Lehmann was hit hard as he crossed the 31. Pierce again assumed control of the football, this time driving 31 yards for their game-winning touchdown. The drive

was concluded when Cox hit Rick Sirek with a 5-yard pass. The extra point was good and Pierce had a 7-point lead that was to prevail throughout the game. Wayne was unable to move the ball in the remaining minutes of the first quarter, but the Devils launched a drive in the second quarter following a punt by Pierce to Wayne's 31. Pedersen gained a first down on the first play following the punt when he ran off-tackle for 10 yards to the 41. Lehmann then picked up 6 yards to the 47. Six plays and 16 yards later, the Devils' drive was stalled and they were forced to punt from the 37 of Pierce. With 8:15 left in the first half, Lessmann punted to Pierce's 10 where the ball was downed.

Wayne's defensive unit sparked as they forced Pierce into a fourth and 19 situation deep in their own territory. Pedersen returned the punt to the 34 of Pierce before he was brought down by a host of Bluejay tacklers. With 5:07 left in the first half, Wayne started a drive that appeared to result in a game-tying touchdown. Following a sustained drive that carried them to the 10, the Devils were faced with a third and 3 situation which was met with a 4-yard run by Pedersen to the 6. With 2:05 remaining in the half,

Mr. and Mrs. Erwin Meyer, Paulina, Ia, and Mr. and Mrs. Merlin Meyer, Fremont, spent Sunday in the Ben Meyer home.

FREE-FOR ALL is what this appears to be. Actually, it's a Wayne back going through Pierce for a nice gain Friday.

RANDY PEDERSEN gained on this play against Pierce but Jim Froehlich finally brought him down.

Mr. and Mrs. Ray Conyers, Florence, Kan., visited last week in Wayne. Mrs. Conyers' birthday. Mr. and Mrs. Lavern Harder and family visited Wednesday in the Har-ley Daum home, Norfolk.

Oldtimers Attend Yearly Meet Here

The 11th annual meeting of the North Nebraska Oldtimers Baseball Association was held Monday night at the Wayne City auditorium with between 300 and 400 attending. Oldtimers were honored at the session.

Stars of the gathering were the oldtimers themselves and two members of the Minnesota Twins. Entertainment was also furnished by Don Cassidy, Twins public relations man, and "Three Mustangs and a Filly" barber shop quartet from Arlington. Frank Quiller and Dwight Shober were the Twins players present. Each gave a short talk. Shober drew local interest when he told of pitching for Winslow one game several years ago. The peewee baseball team from Lewton, Ia, was brought over en masse. They were honored for finishing just three games away from the state championship. Autographed baseballs were pre-

sent to area oldtimers chosen for membership in the Oldtimers association. Reminiscing took up much of their time before, during and after the meeting. A film of highlights of the 1934 Twins season was also shown.

Rules Meeting at Rice

One of a series of basketball rules meetings, scheduled for Rice auditorium at Wayne State college. The session here will be Thursday night, Nov. 18 with about 50 to 100 expected from 35 to 40 schools. A representative of the NBA will be present to discuss the rules for the coming season. Officials who hope to referee are required to attend one of the sessions and coaches are usually in attendance. Some also bring teams to view the films on how the game should be played. Refreshments will be served by WSC.

SENIOR WILDCATS: Eleven seniors will play their final game for Wayne State Saturday afternoon. Front row: Phil Sock, Jerry Kilcoin, Roger Koenig, Van Steckelberg. Back row: Dick Mintken, Roger Bentley, George Hoelker, Burt Matthies, Dean deBuhr, and Vic Hurd. Not pictured: Don Koenig. Of the 11, eight have earned three letters.

Midland Upsets Wildcats Season Finale to Be Here

A surprising upset loss to Midland, 26-14, Saturday set the stage for Wayne State's football finale at home, this Saturday at 2 p.m. against St. Cloud State of Minnesota.

The host Wildcats, 6-3 for the season, hope to put their offensive power back in gear against a St. Cloud team that lost its first six games, then beat Minnesota Morris 26-0, and tied Minnesota of North Dakota, 14-14.

Morris, the only common foe, was a 54-4 victim of Wayne. St. Cloud and Wayne never have met in football although the Huskies have appeared in two holiday basketball tournaments here.

St. Cloud fields a predominantly sophomore freshman squad which has only six seniors, four juniors. The Huskies have scored 73 points, their opponents 125.

Wayne has added up 201 points to the opposition's 114 — a ratio that last some of its margin in the loss to Midland.

The Wildcats were not long in learning the Warriors had upset notions. Wayne's first play resulted in a lost fumble on the Wildcat 25. Midland made a yard on a run, then Quarterback Jerry Vickery found End Maury Prauner alone behind Wayne's rush-oriented defense, and the Warriors had a touchdown with only 49 seconds elapsed.

The fired-up hosts added another jolt on their next possession as they traveled 58 yards to a second TD, this by Bruce Green, who also kicked the conversion.

A Midland fumble late in the first period gave Wayne the spur it needed for a 51-yard assault which scored on Burt Matthies' three-quarter smash on the second quarter's first play. Dennis Kirby kicked the punt.

Wayne defenses stiffened and so did Midland's until, with a minute to go in the half, the Wildcats took over on their 20 following a missed Warrior field goal attempt. Three running plays ripped off 31 yards, but only six seconds remained.

End Gene Hunting pulled it in, deep in Warrior territory. Midland's lone defender got a hand on him, but Hunting wriggled loose to score the first touchdown of his Wayne career. Kirby then put the Cats ahead, 14-13.

Tough defense marked third-quarter play before Vickery and Prauner teamed again for passes of 16 and 50 yards to the Wayne seven. Midland's rushing bogged down for two plays — it had been mostly futile all afternoon — and Vickery was expected to pass on the next effort. But on a pass-run option, he brat, breaking away from two or three Wayne tacklers, and scoring the go-ahead touchdown.

The Wildcats retaliated with an authoritative drive to the Midland 16, but lost eight yards on the next series, and the Warriors were off again. Prauner's sixth pass reception covered the last 35 yards to an insurance touchdown, with 11:39 left in the fourth quarter. Green's conversion kick hit the goalposts, but a Wildcat penalty gave the Warriors another chance for the point, and Prauner this time booted the conversion.

Again Wayne struck back, but floundered when a 29-yard de-Buhr-Hunting pass ended in a lost fumble on the Midland 30. From then on the game reverted to defensive heroics.

Wayne outtrashed Midland 165 to 107 and posted its best passing effort of the year with 177 yards on 11 of 18 completions. Midland's 8 of 16 yielded 196. Both teams made 16 first downs. Both intercepted once. But the margin was in fumbles — Wayne losing three of five, Midland one of two. Several Wayne infractions also were costly.

Mr. and Mrs. Edward Gnirk and family spent Sunday in the Mrs. Arthur Watchorn home, Leigh, to help celebrate Mrs. Watchorn's birthday and Barbara Gnirk's third birthday.

Freshmen Defeat 7-8 Grades in 19-12 Tilt

In tackle football the past week the Wayne freshmen had their hands full before downing the seventh and eighth grade 19-12. Hank Overin's team will continue play until weather forces a halt to play.

Merle Rasmussen scored for the winners first on a 15-yard run, Dave Teigen came back with an 8-yard keeper to make it 12-0 and then added an extra point to make it 13-0 in the first five minutes of play.

Don Maurer passed to Mike Averinghouse on a 44-yard touchdown pass that brought the young team to a 13-6 contention 13-6. However, Rasmussen came right back with a 20-yard run to pay dirt and it was 13-6.

On the kickoff, Mike Biltfort ran 55 yards with the return to put the count at 13-12. A. D. Benson kicked the field goal to tie the game at 13-13.

In a Black Gray game, the Blacks won 33-18. Vaughn Korth had a yard touchdown and a 42-yard touchdown. Jerry Titzer ran 4 yards to score and took a pass from Steve Lux for an extra point.

Mike Biltfort went 30 yards to tally and passed to Don Mau for 10 yards and a score. Hix took a pass from Biltfort for a 15-yard touchdown play. Mike Livinghouse scored twice on plays covering 8 and 2 yards. The Blacks also scored a safety when they dropped a would-be kicker in the end zone.

The regular season for flag football is over. Hank Overin says here is still enough interest so that 11 man teams are playing among themselves with a 19-6 decision going to one of the teams in a Saturday game. No record of the scoring was available.

Dangberg Tackled Too

Bob Dangberg, Winside halfback, was neglected in the report of the WHS-Dodge football game. He led for the lead in having the most tackles with seven. Dangberg was also one of the leading ground-rainers of the evening but his name was overlooked in mentioning the defensive standouts.

Wayne Native's Team Setting New Records

Larry Berres, son of Mrs. George Berres, Wayne, is making a mark for himself at Southwest high school in St. Louis. His team has just won the Missouri cross country meet.

A native of Wayne, he also attended WSC and graduated from the college. His father was in the Wayne post office for years.

Southwest had four runners in the top 11 finishers to upset the favored team in the state meet. His team finished seven points ahead of the second place barriers.

The record for Berres-coached teams in three years is impressive. In 1963, runners won second in the state, his 1964 entries third and now he has come up with the championship team.

A. D. Benson Second Saturday in CC Meet

A. D. Benson of Wayne State finished second Saturday in the Midwest AAU cross country meet held at Kearney, and Wayne graduate Carl Owczarzak came in sixth.

Benson, who earlier had won the Nebraska College Conference

A. D. Benson

cross country, covered the four miles in 20:36, not far behind winner Ken Gould of Omaha university, 20:19.5. Owczarzak's time was 20:58.

Louis Fritz of Peru came in fourth at 20:37.5. Al Schneider and Carroll Kinnaman of Kearney at 20:54.5 and 20:55.5.

Kearney won the team title with 20 points while Omaha, the only other team entering the minimum five runners, scored 43.

WINSIDE'S WILDCATS won eight and lost one this season. Doug Lyman took this picture of the squad. From left to right in the back row they are: Larry Redel, Roger Hill, Roger Miller, Bob Wagner, Dick Ditman and Greg Kirsch; third row, Don Longo, Bob Dangberg, Randy Brudigan, Roger Miller, Reed Wacker, Assistant Coach Dan Cahill and Coach Pete Kropp; second row, Warren Gallop, Randy Jacobson, Keith Schmude, Larry Pfeiffer, Roger Deck, Dan Jaeger, Bob Jenkins and Roy Wagner; and first row, Charles Langenberg, Bob Wacker, Andy Mann, Mark Witt, Tom Witt, Bob Farran and Leo Troutwein.

Former Resident Cannot Be Found

Dr. A. V. Brunke, Plainview, a former veterinarian in Wayne, is one of two men presumed lost in the Missouri river's main channel near Niobrara Thursday. A third man was rescued from a sandbar.

Eldon Fox, Plainview, and James Pollock, Pilger, were the three in the boat which overturned when an anchor became lodged. Fox held onto the boat until he reached a sandbar but the other two men disappeared.

Search crews were out every day since then but by Monday afternoon Pollock (son of District Judge Fay Pollock) and Brunke had not been found. The search was continuing along the shore and from boats, however.

Dr. Brunke had gone to Plainview from Wayne. He is well-known throughout Pierce, Knox, Antelope and Wayne counties.

Explorer Post Dance Makes Hit with Kids

With 453 paid admissions, the Wayne Explorer Scout post dance Saturday night at the Wayne City auditorium was the most popular one the post has had. "The Red Dogs" furnished "music" for the session.

Over the weekend the previous week ten Explorers went to Lincoln to tour the air force base. Mrs. Norris Weible and the State National Bank provided transportation for the group.

Adviser Everett Ross said fathers of the Explorers have helped out at the dances. They have received compliments on the absence of rowdiness and the fact that there was absolutely no trouble of any kind.

The Explorers hope to sponsor more dances in the future. Telephone lines are being used to contact a teenage combo for a December appearance here.

Farm Management Short Course Planned November 22-23 at Northeast Station

The University of Nebraska's Northeast Station, Concord, will be the scene of a farm management short course Monday and Tuesday, Nov. 22-23, according to Hugo Zimmerman, area extension agent.

Sessions will begin at 9:30 and last until 3:30. The course will be divided into four sections.

Two sections will cover farm business analysis, planning and budgeting, leasing arrangements and farm credit. The basic conflicts between the individual point of view and that of all producers as a group in farm business management will be discussed, led by Dr. Phil Henderson.

A third section will deal with agricultural marketing, including budgeting alternative outlets for livestock, how prices are determined, costs of marketing and weights and price differentials affecting maximum returns. Dr. Michael Turner, agricultural marketing specialist being instructor.

Agricultural law will include discussions and illustrations of re-

Deadend Corners, Foggy Weather Cause Accidents

Two accidents over the weekend in Wayne county were attributed to the combination of deadend intersections and foggy weather. Two boys were injured in one mishap but no one was hurt in the second.

Saturday night Trooper Don Matejka investigated a crash six miles south of Wakefield in which two were hurt and a 1965 car was demolished. Three young men were in the vehicle at the time.

James Muhle, Walthill, was east-bound on a county road when he came over a rise and found a stop sign. Highway 16 and a deadend. Unable to stop, he went across the road and into a field before coming to a stop in a creek.

He suffered head injuries. Duane Harris, Pentler, suffered hip and leg injuries and Rod Pearson, Dakota City, incurred head injuries. Muhle and Harris were hospitalized at Wakefield.

A few hours later between Sholes and Randolph on a county road, Gerald Lienemann, Randolph, was driving in fog

when he came to a deadend intersection. He attempted to turn and might have made it only his right rear fender scraped and his car flipped over, coming to a stop on its top.

Trooper C. Fransen of the NSP said damage was heavy to the front, hood, windshield and the top, the hardtop collapsing as it came to a stop. Lienemann and passenger, unnamed in the report, were unharmed in the mishap three miles south of Randolph.

College Night Will Be Held at Wisner School

Wisner will be the site of the annual Husker conference college night Wednesday, Nov. 10. Around 40 of the 104 seniors in Wayne high school plan to attend.

According to Stan Hansen, Wayne counselor, 13 high schools have signed to take part. Each pupil will be allowed to visit representatives of first and second choices for colleges as well as representatives of all branches of the armed forces.

Purpose of the night is to bring representatives of colleges, universities and vocational schools to a central location so pupils can meet

with them. Not every school is represented but the ones most pupils are interested in do send representatives.

Signing to be represented are University of Nebraska, Nebraska Wesleyan university, University of South Dakota, Wayne State college, Midland college, Dana college, Doane college, Hastings college, Briar Cliff college, J. F. Kennedy college.

Creighton university, Concordia Teachers college, Nebraska Vocational Technical school, Universal Trade school, Norfolk Junior college, Lincoln School of Commerce, National Business Training school, Nettleton-Boyles Van Sant school, Nebraska Methodist school of nursing, Personnel Training institute,

Grand Island school of commerce, Commercial Extension school of Business, Franco school of hair styling, Stewart's school of hair styling, air force, navy, army, marines and women's service units.

Mrs. Mary Weible Dies

Mrs. Mary Christina Weible, 92, former Wayne county resident, died Tuesday in Canas, Wash. Graveside rites are planned Friday at 2 p.m. at Pleasant View cemetery, Winside.

Worker Hurt When 26-Ton Truck Hits

Kenny Liggett, 25, Chambers, probably considers himself unlucky. On the other hand, he may consider himself exceedingly lucky after being struck by a 26-ton truck.

Liggett, employed by Cornhusker Paving Co., was lying on the ground fixing a chain at the Rice parking lot on the WSC campus Sunday. A driver of a cement truck did not see him and backed up, striking the prone man.

The truck had a full load, making the total weight 26 tons. Liggett was seriously injured when his ankle was almost torn off and his hip injured.

Rushed to Wayne hospital, he was transferred at once to a Sioux City hospital where an attempt was made to save the ankle. At last reports it appeared the doctors were successful.

Fellow workers visited him Monday night and found him in good spirits with chances for full recovery excellent. He faces two or three weeks of hospitalization but may not work for a year but he's alive and considering the close call, that is fortunate.

Liggett is married and lives at Chambers. His family did not accompany him here when he came to work on the parking lot paving project.

Adult Classes End This Week at WHS

Adult classes offered this fall by the Wayne Adult Education program met for their final sessions on Monday and Tuesday nights. Instructors distributed attendance certificates to the 59 adults who were enrolled in the various courses.

Classes taught this fall and their instructors included: Tailoring, Mrs. Stanley Smith; bobbing/knitting, Mrs. Paul Oliver; intermediate sewing, Mrs. Robert Porter; and typing, Don Johnson.

Class enrollees were given an opportunity to indicate their interest in future adult classes and to name courses they would like to have offered by the Wayne Adult Education program.

Now We Can Believe November Has Come!

After weeks of hard-to-believe weather for this time of year, people are finally convinced—November is here!

A cold snap moved in the fore part of the week and the weather has been nippy since that time. Tuesday morning the coldest reading at State National bank was 18 degrees.

The weather has been near-perfect for about everyone except some hunters. After weeks of Indian summer extending through October and well into November it appears the area is reminded that November is a cold month and there are colder months ahead.

No moisture has fallen in recent weeks. The total for all of October and the first 10 days of November is negligible.

Don Reed Named State Director

Wayne Attorney Don Reed has been elected a director-at-large of the Nebraska State Chamber of Commerce. The announcement was made at the annual meeting of the C. of C. and Associated Industries of Nebraska in Hastings.

This is his second appearance on the state board. He has also been an appointed director.

Richard Herman, Omaha, is president for the 1965-66 fiscal year. Other officers and directors include Robert Thomas, Norfolk; Wayne Barber, Columbus; Kermit Wagner, Schuyler; and Ed Jaksha and Ed Mitten, Fremont.

The NSCC board of directors consists of 53 members, including the president, six vice presidents representing districts, a treasurer and the executive vice president. Only 28 communities in the state are represented on the board.

BASIL RATHBONE: Dedicates John H. Watson Room.

Noted Actor Has Busy Days Here

Basil Rathbone, a renowned personality of stage and screen whose dramatic career extends back to 1919, entertained a Wayne State audience last Thursday night with a program entirely Shakespeare. A crowd that more than filled the seating for some 850 in Ramsey Theater listened spellbound while the veteran actor recited from and commented on prominent roles he has played in Shakespeare plays.

Without introduction, Rathbone strode down the aisle, mounted the stage, bowed in greeting to his listeners, lighted a single candle on a table, his traditional stage prop, and then sat casually on the table to chat awhile about his experiences in the theater, some solemn, some hilarious.

The program opened suddenly with Rathbone reading the "Speech to the Players" from Hamlet. With interludes of comment he moved on to great moments from "As You Like It," "Richard III" and "Henry V," a pair of sonnets, "Titus Andronicus" and "Julius Caesar."

Following a brief intermission—with the candle extinguished—Rathbone returned to read from "Othello," "Macbeth," "Hamlet," and "The Tempest." And the audience realized that two hours had fled by.

Though his presentation was essentially serious, he diverted to moments of humor. He recalled being summoned to the White House when Mrs. John Kennedy asked him to perform at a state dinner party. The First Lady especially wanted him to include

Henry's inspiring Crispian speech, which President Kennedy loved and often recited.

Time being short before the occasion, Rathbone recalled that he hastened to learn the speech, which he never had played. Came the night, the elaborate state dinner—and the tension.

"Toward the end of the dinner, I asked to be excused and went out to compose myself," Rathbone reminisced. "It suddenly struck me that I could not remember a word of the Crispian speech. Finally, I said, 'Oh, to hell with it!' remembering that the president would be sitting there not as far away as I am now from the first row. He knows every word of it."

But as the old maxim of acting goes, the show must go on, and on on the old pro did.

"I suppose it would make a better story to say the president prompted me, but thank God, he didn't have to."

Following his performance, Rathbone chatted over coffee at a reception, then relaxed in the office of Dr. Robert G. Johnson while listeners came in to compliment him—and stayed to hear some more recollections of show business, most of them uproariously funny.

Less than a week earlier the actor had completed filming a movie, and had since then been plagued by a severe cold. Yet weariness did not overcome his British poise or prevent him from standing to bow a goodbye when visitors left.

Friday morning he kept a busy schedule of talking to classes and answering student questions.

And in the afternoon he switched from Shakespeare to another of his famed roles, that of Sherlock Holmes which he played in some 14

Rural School Now Located at WSC

One of the oldest rural school buildings in Wayne county has been moved to the Wayne State college. With the Bowen nine-story building it shows honors with being newest additions to the campus.

The District 13 school building was moved from two miles south of Wakefield to a site just west of the Fine Arts building. It will be known as the Marnie McCorkindale school, honoring a former Wakefield teacher, stands as a monument to the one-room schools so long a part of the Nebraska scene.

There are several older schools than the one moved. District 2 eight miles southeast of Wayne still uses the original building. It used to be in LaPorte but now stands a mile south of where LaPorte was located.

Another school still operating in the same building and older than the District 13 school is the District 8 structure two miles west of District 2. Classes are being held in both districts this year.

more and more pressure on wildlife supplies, he points out. And since about 85 per cent of our wildlife is produced on privately owned farmland, hunting success depends pretty much on how well farmers have done in providing wildlife food and cover areas.

For this reason, conservation projects carried out by farmers with cost share assistance from the ACP have played a big part in maintaining and improving the game supply on Wayne county farms.

For example, farmers have improved or established over 34,826 acres of cover crops during the past year with the ACP sharing about half the cost. Since these cover crops consist largely of broom and alfalfa, they provide excellent nesting cover and food for a variety of wild game, the vice chairman pointed out.

The fact that farmers have built 1,900 acres of terraces, strip-cropped over 160 acres, and established more than 50 miles of sod waterways in the past year has done a great deal to not only prevent erosion but to protect wildlife in lowland nesting areas that might otherwise have been flooded. During this same period, farmers have provided additional food and cover by planting more than 20 acres of trees and shrubs.

The vice chairman also pointed out that in Wayne county 415 farmers have invested their own time and money this year to establish special food and cover plots for wildlife under the ACP.

Sportsmen have also benefited from the wildlife produced on acreage farmers have diverted

to conservation use under the wheat and feed grain programs, Mr. Heinemann emphasized.

In 1965, acreage diverted from wheat and feed grains and planted to some type of cover crop totaled 32,931 acres. And since 1961, when these voluntary programs first began, over 123,600 acres have been diverted to this type of conservation use.

Three Draw Fines on City Traffic Charges

Three drivers were fined in county court the past week. All were appearing on charges filed by the Wayne police department.

Nov. 2, Ron Pearson, Ponca, was charged with making an improper turn, charges being made by Officer Keith Reed. The fine and costs came to \$15.

Two cases were heard Nov. 5. Kenneth Mark, Humphrey, was charged with speeding and paid \$10 fine and \$5 costs. Chief of Police Vern Fairchild was the complaining officer.

Also that day, Dean Christensen, Wayne, was charged with making an improper turn and paid \$15 in fine and costs. Officer S. C. Thompson filed charges.

Most of Estate Given Charity

Cedwick Swanson, Wayne, died Oct. 3. He left an estate worth around \$40,000, most of it being left to charitable, school or church organizations.

Terms of the will provided that the real and personal property be converted to cash. From this \$1,000 was to be sent to a sister-in-law in Sweden.

One-third was to go to St. Paul's Lutheran church, Wayne; one-fifth each was left to Tabitha home, Lincoln, Central Theological seminary, Fremont, and Lutheran Children's Service society, Omaha. One-fifteenth was bequeathed to Midland college, Fremont.

The elderly resident was preceded in death by his parents, wife and other members of his family. His will was filed in county court the past month by his attorney.

DWIGHT SIEBLER, Omaha, a pitcher for the Minnesota Twins, is shown talking to a group of Oldtimers at the annual Northeast Nebraska Oldtimers Baseball association meeting in Wayne Monday night. Siebler is in the grey coat.

No Accidents, Police Still Have Busy Time

Wayne had an accident-free week in traffic but the police had a variety of other calls. In addition to three court cases at which they had to appear, they gave assistance in many ways.

Fremont sought help on a possible hit-and-run driver being her. Police there described damage to a car involved, Wayne police checked the car of a WSC student from Fremont and found his car had no such damage.

Overtime parking resulted in a car being towed in but when police went to investigate a complaint of a truck blocking an alley they found no truck at the location. Pigs from a farm adjoining town broke loose and a city resident did not appreciate them on his lawn.

People leaving town count on police to help. One told the dates he would be away while another figured her son might try to contact her and not finding her home might call the police. Just in case, she left word as to where she would be.

A WSC coach was out of town and remembered she left her purse in

Concert Violinist Will Be Here Next Week

A violinist whose playing has inspired ecstatic reviews from critics in the major music meccas of America and Europe comes to Wayne State College Thursday, November 18, for a Special Programs concert.

Tosky Spivakovsky will perform at 8 p.m. in the Ramsey Theatre of the Peterson Fine Arts Center. His concert is open to the public, with a limited number of tickets available.

Ranked as a violinist with few if any equals in the contemporary scene, Spivakovsky is an enthusiast for new music, especially American, and has introduced a number of works that have become classics in their time and made their composers famous.

Focus on Teaching Day Set for WSC

In the wake of a successful inauguration of a "Focus on Teaching" day at Wayne State last year, another such event is scheduled this year. Around 150 seniors from 23 schools have indicated they will attend.

Monday, Nov. 15, WSC will hold the event under the direction of Dr. B. E. Ross. It is sponsored by Kappa Delta Pi, educational honorary fraternity. Larry Carlson, KDP president, is in charge.

Dr. Ross said leaders in teacher education have recognized the need for such a program for years but WSC is one of the few places where something is being done about it. According to Dr. Ross, it is not aimed as a "lure" to attract students to WSC as it is a program to attract students to the teaching field.

Stan Hanson of WHS said 25 seniors will attend from the local school. He said it is an opportunity for seniors interested in teaching as a career to gain insight into the profession and to look specifically into the various aspects of teaching.

Pupils will get an orientation in the morning, hear about the need for teachers, learn of the supply and demand problem and then be taken to the areas in which they feel they would like to teach. WSC faculty members in all divisions will take part to show those visiting their departments what the fields have to offer and what is needed to be teachers in their particular areas.

WATSON ROOM: Sherlock lives again (or still).

movies. As a loyal member of the Baker Street Irregulars, he happily joined the Nebraska BSI branch, known as the Maiwand Jezails Scion Society, in dedicating a Conn Library reading room as the John H. Watson Room — complete with permanent bronze plaque and temporary Victorian and Sherlockian furnishings.

Faithful Irregulars, one from Tulsa, Okla., listened to Rathbone's dedicatory address, observed his cutting of a ribbon across the doorway, then swarmed into the room. There they exclaimed over countless artifacts depicting Holmesiana and declared the event a success.

To make the day complete, the Irregulars gathered for a sumptuous supper in the Walnut Room of the Student Center. And to make the event truly memorable, Commandant Richard Lesh had arranged for BSI member Harry Snyder of Fremont to transport Rathbone to the campus from the hotel in his (Snyder's) Rolls Royce.

Ak-Sar-Ben honors Nebraska's citizen-soldiers

In September, Ak Sar-Ben presented its annual "Citizen-Soldiers Award" to members of Nebraska's soldier, sailor and Marine Reserve and Guard units. For the seventh year, the Ak Sar-Ben Gold Medal has been given to those members of the units who excelled in performance and proficiency. Ak-Sar-Ben salutes these men who give much of their valuable time for the security of Nebraska and their country. This is one of the many ways Ak-Sar-Ben recognizes the dedicated Nebraska citizens who work for the good of Nebraska.

SHERLOCK HOLMES could have been at home in the Watson room Friday. Here Basil Rathbone (hatless with glasses) and Bill Ross of WSC look over the room.

Tired Rathbone Stays Congenial

Basil Rathbone obviously tired, suffering from a week of flu and longing for "a good hot bath" more than anything, remained congenial throughout his stay in Wayne.

In a talk with The Herald editor, he said he did not consider Wayne as "the sticks." As Variety terms just about everything outside New York. He said he was here because the col-

lege was here and the town wouldn't be here either if the college weren't.

Revised by fans and Baker Street Irregulars, he had performed Shakespeare, attended a luncheon and cut the ribbon for the opening of the Watson room in the library. He was kept busy signing autographs, answering questions and hearing other people's versions of Sherlock Holmes, Broadway and numerous other things.

Always smiling, always extending a firm handshake, he won respect and admiration. He finally

just had to leave, declining an invitation to just sit around in a private home. He said at that time he preferred to "just sit around in a private bath."

Rathbone said he had made many pictures as Sherlock Holmes and he got just a little bored with it. "After all," he said, "if you were a pianist and were asked to play nothing but Chopin for seven years, you'd get a little tired of that too."

He said he regretted having an all-Shakespeare program here as he has a repertoire of many other poetic works. "I prefer a program made up of 50 per cent Shakespeare and 50 per cent other poems," he said. His all-Shakespeare program here was requested, he added.

Commenting on the Wayne audience, he said it was attentive and gracious. He said the people took on quite a burden in attending an all-Shakespearean evening such as this.

Asked if he had hunted in the Wayne area, he said: "Goodness, no. I hate killing things. I could kill a man just as easy as I could kill a pheasant." He indicated he much preferred the life of reading, performing and touring.

Finally, Rathbone was asked about any late films. He said: "Yes, I have just made a movie—but I don't care to talk about it." He enjoys touring, enjoys appearances at colleges such as Wayne State and loves the theatre but he would prefer to feel more up to it, indicating the flu he had fought for a week was pretty wretched.

A star for several decades, he earned new friends in Wayne with his appearance in the theatre and in personal contact with the people. Not every man could do that, but then every man is not a Basil Rathbone.

Plan Winside Sessions

Parent-teacher conferences will be held this week at Winside schools. Classes will be dismissed at 2:15 Wednesday, Thursday and Friday, according to Superintendent Geserich. Parents of pupils are asked to make this year's series the most successful yet in percent of parents showing up for discussions with teachers.

Concord Man New Dixon Fair Prexy

Dick Hansen, Concord, is the new chairman of the Dixon County Fair board. He was chosen at the annual stockholders meeting at the Northeast station.

Outgoing chairman is Bernard Hurley, Ponca, who was named vice chairman. Norman Anderson, Concord, was named for a third term as secretary and Elray Hank, Wakefield, was chosen treasurer to take the place of Harold Hughes.

Two new board members are Ben Lienemann, Wakefield, and Verdel Erwin, Concord. They take the place of outgoing members Emil Schutt, Dixon, and Paul Koester, Allen.

A change has been made in the fair dates for the coming year. Instead of being the last part of the week it will be the first three days.

The 1966 exposition at Concord is scheduled for Monday, Tuesday, and Wednesday, Aug. 15-16-17. Board members are now seeking a Carnival or playing those dates and are working on other plans.

Disabled Vets to Get Increase Payments

According to Chris Bargholz, county service officer, disabled veterans are due to get more money and better service. A bill passed and approved last week provides this.

Disability benefits for 2 million veterans will increase by about \$176 million starting Jan. 1 Bargholz reports. Several of these veterans are in Wayne county and surrounding counties.

Average increase will be about 10 per cent. It will not take the place of the facilities lost, such as sight, use of an arm or ability to walk, but it will lessen economic

hardships.

The bill, first increase in basic compensation in three years, may also provide information services in cities not now served and a one-stop plan where all information needed from several agencies may be obtained through a central office.

Totally disabled veterans will get the biggest increase in compensation in 40 years. All disabled vets will benefit in several ways.

JAMES DAY, right, received a courteous driver award from the Wayne Lions club after being commended for his careful, defensive and considerate operation of a motor vehicle. Jay Preston is shown with the WSC teacher and the certificate he received.

Deposits in Banks of Wayne County Show Increase of Over 12 Per Cent Past Year

Wayne county banks have well over \$10,000,000 in deposits at this time. That represents an increase in the past 12 months of over 12 per cent.

Deposits in 1964 at this time came to \$14,902,000. Without exception the five banks in four towns showed increases in deposits and loans.

Biggest banks are the State National and First National of Wayne. They have over 7.5 and 1.8 million dollars in deposits respectively, each showing a 12 per cent increase.

Fastest growing is the Farmers State bank of Carroll. It increased its deposits by 21 per cent during the last year. Winside State bank's deposits increased 11 per cent during the same period.

The Commercial State bank of Hoskins showed an increase of 7 per cent during the period. It is, however, the third largest bank in the county although located in the smallest town in Wayne county having a bank.

Loans increased by 1.5 million dollars during the last year in the five banks. The loans now stand at \$11,088,000 compared to \$9,801,000 in 1964. Both deposits and loans rounded off here reflect a healthy economic situation.

Deposits for 1965 and 1964 are as follows: State, \$7,520,000 and \$6,715,000; First, \$4,876,000 and \$4,339,000; Commercial, \$2,025,000 and \$1,882,000; Winside, \$1,740,000 and \$1,524,000; and Farmers \$534,000 and \$442,000.

Loans for 1965 compared with 1964 are: State, \$5,054,000 and \$1,892,000; First, \$2,353,000 and \$2,358,000; Commercial, \$1,145,000 and \$1,267,000; Winside, \$1,373,000 and \$987,000; and Farmers, \$364,000 and \$317,000.

Luncheon guests Thursday in the Mrs. Art Auker home were Mrs. Genny Lauman, Marion, Ore., Mr. and Mrs. Jake Evans, Bloomfield, Mr. and Mrs. George Noakes and Mrs. Earl Merchant.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers. It is the duty of an editorial writer to search all available facts before he sits down to write. From this basis the writer should be able to give a clear picture of important topics.

Some Came Home

Some of the veterans who left for service in wars of this country came back. Others are buried overseas. Those who did not return can do nothing to encourage remembrance of their sacrifice. They would have liked to have lived but they died on foreign soil.

Here in Wayne we have veterans in business, some of whom have forgotten they too might have been among the lost. Others, veterans and non-veterans, are unwilling to forget that two decades ago a war ended and before that about another two decades another war had come to a halt.

If it were not for the veterans in Wayne, the city would probably not have any Veterans Day observance Thursday. On the post office and courthouse would have been closed but otherwise it would have been business as usual.

Veterans organizations and their auxiliaries are sponsoring a short evening program Thursday to make sure some people remember the men who served, those who did not come back, those who came back whole and those who came back disabled. In this blasé commercial world of ours, few will find time to attend that program.

Merchants who stood by the graves of the deceased or sent sympathy cards and flowers back in the 1940's will not be closing for even an hour in the 1960's. Too soon is forgotten the patriotic fervor with which they hailed the boys in uniform in wars that seem like bad dreams now.

Perhaps it is not surprising. One should not be amazed at this reaction. After all, the same stores cannot devote two hours by closing for Good Friday services to mark the death of Jesus Christ.

Never mind, God, we'll remember you on Sunday; that's Your day. As for you veterans, over there and over here, we'll salute when the flag goes by—but don't ask us to remember with a day all your own just because you made sure that flag is still the Stars and Stripes instead of the swastika or rising sun.

'The Thing to Do'

A writer from Wayne in the Herald Town section of the Omaha World-Herald says drinking is "the thing to do" around Wayne among teenagers.

With all due respect to the letter writer, this paper disagrees. Granted there are some who drink. There are some in every town and neither her letter nor our editorial is going to change this situation.

However, this entire area seems to be comparatively free of widespread drinking among teenagers. The same situation does not exist in all communities we have visited.

It's a lot more common to find teenagers engaged in useful interests that veer sharply away from drinking as an activity. Looking at them and ignoring the drink problem would be an ostrich-like solution, but at least "the other side" should be called to the public's attention.

You may not agree with an editorial—but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

Attention.

In recent weeks teenagers have conducted the most successful drive for UNICEF Wayne has ever had. Currently the students of Wayne high are sponsoring a drive for funds to bring an exchange student here in July.

Teenage dances in Wayne are commended because of their orderliness and the kids themselves admit they have more fun here because there is no trouble with unfulfilling. Teenage youngsters are active in sports, Scouts, 4-H and other youth groups. As far as church activities go, Wayne seems to have an exceptionally high percentage of young people belonging to church units for youth and being active in them.

A neighboring town, Winside, has a similar situation. One college youth, long active as athlete, scholar and church member, reveals he still does not drink or smoke and does not intend to. An oddball? No, he's one of the most popular members of his class.

Unfortunately, the situation is much like the draft-card-burning incidents. The ones who raise the fuss with their anti-American activities get a lot more space than those who carry a draft card, enter the service and perform honorably. Drinking in Wayne is no more "the thing to do" than burning your draft card is "the thing to do" in this country.

The object of your scorn should be the ones who obtain alcoholic beverages for the young, who return from college "grown up" and show the kids at home how they have "matured" by taking them out for a keg party. Every means to crack down on this type of illegal consumption and buying for teenagers should be used and the penalty should be the maximum. "The thing to do" in Wayne is to discover this type of activity.

Unhappy Merchants

Some Wayne businessmen have expressed themselves as being unhappy with two recent events at Wayne State college. Perhaps they have a grievance and perhaps the circumstances are unavoidable.

Both the concert by the marine band and the appearance of Basil Rathbone have come on Thursday nights. As anyone around here knows, Thursday nights the stores in Wayne are open until 9.

As a result, the merchants who buy tickets, who advertise in the playbill, who give to the foundation and who boost WSC in other ways are forced to forego the pleasure of going themselves and have to advertise specials designed to bring people downtown and away from such programs.

The businessmen want to go along with WSC, its students and its special events. If the Thursday night dates are a "last resort" in order to get artists, then there is no other course open. However, if any other nights are available, they should be chosen.

On the rest of the series there are no more Thursdays scheduled. They'll be expected to turn out and show they do want to attend.

Fast Plan Needed

A Federal official has urged community leaders to use "de-liberate speed" in drawing up a comprehensive plan to use the Lincoln Air Force Base.

Medicare Explained

State Health Director Dr. E. A. Rogers has announced some of the state functions in administering the national Medicare Program.

He said initially Nebraska will certify hospitals, nursing homes and other medical facilities as having satisfied set standards.

A central coordinating agency will also be established to administer the program on the state level. This will be headed by a medical doctor.

The Medicare Act, Dr. Rogers said, will benefit 175,000 Nebraskans.

The request came from Don Bradford, director of the office of the economic adjustment.

The Lincoln Base is scheduled to be shut down by the military next June. State and local officials have been seeking alternative uses for the facility.

Employee Retires

A long-time State Roads Department employee, A. T. Lobdell, has retired as special assistant to the personnel division.

Lobdell started with the Highway Department in 1919 as project engineer. He was cited for his outstanding service to the state by Nebraska Highway Engineer John Hossack.

Carl Curtis CAPITOL COMMENTS

Although the first session of the 89th Congress ramrodded into law a large number of Administration proposals, some were left hanging for next year.

The White House scorecard shows 86 "major" measures enacted, and 23 remaining on Capitol Hill.

Foremost among the Administration's bills still awaiting final action by Congress is one providing for repeal of Section 14(b), the right-to-work language in the Taft-Hartley Act. This bill, H. R. 77, was passed by the House of Representatives on July 28, 1965, by a 221-203 vote, after the House had undergone a masterful bit of arm-twisting.

In the Senate, however, resistance stiffened and those advocating repeal were forced to carry the bill over until next year. This was regarded by the repeal troops with some surprise—and not a little chagrin—because they had expected the House would be the tougher nut to crack.

Retreat of the repeal forces is simply temporary. Renewed efforts are to be expected next year. This is seen in the statement of Vice President Hubert Humphrey who described as a "commitment" the Administration's pledge to repeal Section 14(b). The Vice President was quoted as saying the Administration will do "everything in our power" to bring about this end.

Also, AFL-CIO President George Meany recently called a special meeting of his Executive Council, made up of the labor movement's top leadership, to plan a renewed and intensified campaign against Section 14(b) in 1966.

It is clear that those of us who believe in preservation of the right of free choice have only won the first round. There will be more to come next year. Not all of the bills left stranded until next year were Administration proposals.

Of particular interest in Nebraska is the legislation dealing with boxcar shortages. The Senate on June 30 passed S. 1098, designed to provide incentive for railroads to acquire and maintain boxcar fleets adequate to meet the needs of commerce and national defense. Both Nebraska Senators are listed as co-sponsors of this bill.

Following some prodding from this writer, the House Committee on Interstate and Foreign Commerce held hearings on S. 1098, and reported out a rewritten bill

bearing the same number. This was not until Oct. 20, however, just two days before adjournment, and the House did not take action.

Since the 89th Congress has another year ahead, the bill is not dead but will remain on the 1966 agenda in the House.

— CTC —

Quotable Quotes: Columnist David Lawrence—"While the country is being told that the 89th Congress made a 'great record', the people know little about how much was left undone and what burdens for future years will result from the commitments made by the last Congress. Expenditures to fulfill these commitments will grow year by year in the various fields in which the Federal government has heretofore not entered. This will inevitably mean hereafter a bigger and bigger tax burden on the American people."

The point at which washing and drying at home begin to pay is five loads a week. For fewer than 5 loads a week, the cost is higher at home than at a self-service laundry. For 5 loads or more the cost is less at home.

The cost of home laundering with an automatic washer and dryer ranges from 73 cents per load for three loads to about 45 cents per load for eight loads. Laundering at a self-service unit costs about 57c a load. These figures may vary with the location.

Estimated costs for laundering at home were based on investment in appliances, operating expenses such as electricity, water, etc., and supplies including detergents, bleaches, etc. Depreciation and the cost of repairs were also included.

Costs at the self-service laundry were figured on the basis of 25 cents per load for washing, 20 cents for drying and 12 cents for detergents, bleaches, etc. These charges are for equipment taking the same size load as home equipment. The cost of transportation was not included.

The cost of home laundry equipment representing a major expense for most families. However, the convenience of laundering at home influences many homemakers to invest in laundry equipment. In a household where there are small children, laundering at home has numerous advantages. The newly married couple who is budget minded can often save by using the local laundromat.

First, get soil sample boxes, crop history sheets and information on how to get good soil samples. Your county Extension office has them. Probably your fertilizer dealer has them too.

You will need a soil auger or probe. A probe is a sampling tube with one side cut away. Just push it in the ground, pull it up and dump the core out of the open side of the tube into your sample box.

Take at least 8 cores in each soil type in your field. Take your samples to plow depth only. The soil below the plow depth is different, so keep it out.

Take as many cores with the probe or auger as you need to fill the sample box.

Put a number on your soil sample and the same number on the sketch map, to show you where the sample came from.

When you have taken as many samples as you want, take them to the county Extension office. They will help you complete the crop history sheet and mail the samples to the laboratory.

That's the way to check up on soil fertility this fall for better crops and more profit next year.

Any way, we tried! Last week we learned Wednesday morning about the new service story on Wayne and Thurston counties possibly not having enough funds due to the revised valuations. We called Lincoln, we called the city clerk, the county clerk and the school to get the local concept. At about 3, Tax Commissioner George Dworak called from Lincoln. We had wanted to include a statement from him but by then many of the papers had been run off. Besides, his statement only confirmed what local officials had told us—Wayne county had gone about setting up levies in the proper manner using the correct valuations and there would be no shortage. We're glad it worked out that way because the local men were so positive everything was all right and time proved they were correct.

The student was explaining his poor grades to his irate father. "You just can't beat the system, Dad. Last year I decided to take basket-weaving. It's a snap course. I figured I would sail through it. Know what happened?"

With a sigh of resignation his father said, "No. What happened?"

"Well—two Navajos enrolled, raised the class average, and I flunked."

We've driven rough roads but Highway 15 is ridiculous. Our car is in pretty good shape and we usually drive around the

There are gas wars and then there are gas wars. We were pleased to have the price of fuel lowered even four cents. We came across two wars last week one at Hastings, the other at South Sioux City. Major brand regular was 23.9 cents and cut-rate brands 21.9 cents in both places. We hope someone does not go broke doing that. The Interstate is killing off enough gas stations in the state—we don't need to lose them in other areas too.

Junior was not impressed. He pointed to the guns over their shoulders. "Shucks, I'd go to church every day if I could shoot Indians on the way."

We certainly have some fine friends in this area. A call from Dixon last week led us to one story, a man came in to give us a lead on a story we have this week, a minister suggested a church activity might be worthy of special mention. A Scouter told us of some interesting work being done and others have given us leads. Can't we have about a half dozen who are ever on the watch for a news story of interest, Winders stop us on the street to ask if we know of certain happenings. Intensive Training Plan Receives State Approval

Lincoln—State officials have given approval to a plan to bring Nebraska National Guard units to the highest possible state of combat readiness.

The plan must next be endorsed by the Defense Department.

Some elements of the Guard will be reassigned, but in no case will troop strength be reduced, Maj. Gen. Lyle Welch, Nebraska adjutant general, said.

"This is a new intensive training program that is aimed at increasing the effectiveness of the Guard throughout the country," he said.

Under the accelerated training program, 21 company-size units of the Nebraska 67th Infantry Brigade will be boosted to full strength.

The 4,677-man force, including some Western Iowa units, will be trained and equipped to handle wartime situations most anywhere in the world.

The Brigade, which normally trains in late summer, will go to camp next year June 5-18. Weekly sessions will be held during the winter.

Gen. Welch said the Governor will have about 1,000 Guard troops under his instant command at all times under the re-organization.

Johnson Files Again
State auditor Ray C. Johnson feeling "young and full of vigor," has filed for re-election for a 15th consecutive term. He vowed two years ago that he would not run again, for public

office in Nebraska. "I changed my mind, that's all," the 72-year-old Auditor said. "I thought two years ago that I would quit, but I'm feeling so good that I decided to stay with it."

Johnson, a Republican, said he was urged by many friends to seek re-election. He said it was "awfully hard to turn them down."

Johnson, who has held public office in Nebraska longer than anyone else in state history, said he will campaign on his record.

Urges Voting Age Cut
Sen. Kenneth L. Bowen, Red Cloud, speaker of the 1965 Legislature, has urged that the voting age in Nebraska be reduced from 21 to 18.

He said young people should have a greater voice in electing public officials in Nebraska.

"This is one way to keep them from staging demonstrations and throwing rocks and get them interested in something worthwhile," Bowen said.

Federal Funds Allocated
The Nebraska Education Department has appropriated \$6.9 million in Federal school aid funds to 1,400 school districts in the state.

The money must be used to finance programs for educationally deprived children from low-income families.

Largest share of the funds, \$749,196, went to the Omaha School District, Lincoln receiv-

ed \$244,165, Fremont \$121,542, Grand Island \$114,416 and Beatrice \$104,447.

The funds were distributed under the new Elementary and Secondary Education Act.

Help Is Needed
Nebraska Tax Commissioner George Dworak has asked the State Justice Department to appoint a county board action reducing by nearly \$200,000 the personal property inventory of a Dakota City firm.

The Dakota County Board of Equalization cut the personal property inventory of the company from \$240,461 to \$40,495.

Governor Returns
Governor Morrison, who sold Nebraska in Europe for three weeks, has returned home full of high hopes for the state's farm products in the international trade markets.

The Governor said western European countries are in need of wheat, corn and livestock products like those raised in the Cornhusker State.

"There are some definite possibilities that should be pursued," he said.

Power Problem Seen
A U. S. Bureau of Reclamation official warns that Nebraska will face a serious power supply problem in the next two years unless new sources of electrical energy are found.

N. B. Bennett, assistant commissioner of the USBR, urged the state's power leaders to move in a hurry toward determining where additional power can be obtained.

"You people are going to be in trouble, deep trouble, in terms of power supply in the next two years," Bennett said.

He said the USBR is prepared to discuss construction of a high voltage transmission line

A gas clothes dryer is quick, quicker, quickest.

A gas clothes dryer is the fastest clothes dryer you can buy.

Cycle for cycle, load for load, a gas dryer will keep up with your washer. Gas heats to operating temperature in a matter of seconds. That's why an average washer load is dry in 15 to 25 minutes, depending on the weight of the fabrics. A gas clothes dryer is the most dependable, economical dryer you can buy. And it's the fastest. If you live beyond the city gas mains, see your LP dealer.

Social Security Man Will Come Next Week

John Cook, field representative of the social security office, Norfolk, will be in Wayne Thursday, Nov. 18, from 1 to 3 p.m. No indication is given as to which office he will be in, but somewhere at the courthouse.

If you want an appointment, you can write the office at Box 884, Norfolk (zip code not given). Several amendments have been made in the social security law and Cook will be prepared to answer them.

If you are working and are over 65, you should contact the office. Delay in finding out retirement benefits may result in the loss of money.

WE GIVE S & H GREEN STAMPS

THESE CAGERS will probably be representing Wayne State in basketball this season. They have been conducting clinics and working out since mid-October. Kneeling (left to right) are Joe Mueller, Dick Franssen, Bob Symonds, Jack Carrington, Bob Strathman, Paul Cassens and Ron Hintz. Standing are Coach Al Svenningson, John Lang, Randy Harkabus, Bob Hope, Steve Rasmussen, Gary Towell, Phil Borrero, Denny Neubrand and assistant coach, Steve Schoenherr. Dean de Buhr was missing when the picture was taken.

Wayne State Cagers Lacking Height but Quick Around Hoops According to Coach

"We lack overall good height but our 62" and 63" men jump well and are quick around the baskets, which makes up for the lack of height." Those are the words of Coach Al Svenningson of Wayne State college, commenting on the Wildcat basketball

team opening the season Nov. 30. A 6'8" sophomore from Hooper, Steve Rasmussen, is pushing for a position on the starting five. Two shorter men, Dick Franssen, 5'8" sophomore from Burwell and John Carrington,

6'2" sophomore from St. Louis, are also pressing for varsity berths. Carrington and Rasmussen are transfers. At present Dean deBuhr is not out and the five who have been playing together are Dennis Neubrand 6'3", Randy Harkabus 6'3", Bob Hope 6'4", Ron Hintz 6'0" and Bob Strathman 6'2". The first two are seniors, Hope a junior and the other two are sophomores. Tuesday of this week the squad conducted a clinic at Sutherland, Ia., with Coach Svenningson and Assistant Steve Schoenherr in charge. Clinics have also been conducted at Clarkson, O'Neil and Bellevue.

Visitors are welcome for three special scrimmages, Nov. 16 at 4 p.m. Concordia will be here; Nov. 19 at 4 p.m. Yorkton college will be here; and Nov. 23 a varsity-fresh game will be played at Rice gym at 7:30. All are free and open to the public.

That freshmen-varsity game will be nothing to sneeze at. WSC has a group of talented freshmen. "One of the best groups I've had in my seven years here," Svenningson said. They have been giving the varsity a lot of competition in scrimmages.

In addition to the five named above, those playing varsity ball now and taking part in clinics include: Phil Borrero, Gary Towell (a transfer out of the air force who looks good), Paul Cassens, Bob Symonds, Joe Mueller, John Lang (up from the freshmen and showing lots of promise), Carrington, Rasmussen and Franssen.

Practicing since Oct. 18, the Gold and Black are looking forward to the scrimmages and to the opener against Dana here Nov. 30. Other games at Wayne before the holiday tourney include Northern State and Washburn. Neubrand, Harkabus, Borrero, Hope, Hintz, Strathman and de-

Buhr are lettermen back. This group and Rasmussen (a big boy with a good scoring touch), Carrington and Franssen are most likely starters. Schoenherr, graduate assistant coach, comes to Wayne State from St. Ignace, Mich., where he coached in high school. He played at Michigan university and coached at St. Ignace three years before coming here.

Tough Under Pressure, WHS Wildcats Edge Burns 7-6

Winside ended one of its most successful football seasons in a decade Friday night, spotting Norfolk Burns a touchdown, coming right back to go ahead and then proving tough when the pressure was the greatest to eke out a 7-6 decision over the Knights and win second place in the Lewis and Clark conference.

Bob Tesar, Dennis Hodgs, Chuck Clark, Mike Holschusch and Rusty Mailliard made up a quintet of BHS backs who dealt the Wildcats fits. They just couldn't be trusted, breaking loose at the most improbable moments to help give their team in almost every team statistic except scoring.

For Winside, the pounding drives of Dick Ditman, the steady gains by "old reliable" Bog Wagner, the shifty running of Bob Dangberg and the heady quarterbacking of Larry Redel kept the host eleven out of trouble. But it was the defense that preserved a one-point lead for three periods.

Redel returned the opening kickoff from the 17 to the 32. Dangberg gained 5, Ditman 1 and Wagner 2 before Mailliard intercepted on the 48 and returned to the 29. Clark gained 9, Mailliard

4, Hodge 8 and Tesar 4 before the Wildcats held on the one yard line and took possession.

Ditman bulled forward for 7, Dangberg gained 2 and Redel 2 for a first down. Ditman's 12-yard run was nullified by a penalty but he gained 8 before Hill had 16 kick, the ball going to the Burns 40. From that point Hodge passed to Mailliard who made a spectacular catch, pulling the ball in while two men were covering him.

With the ball on the 4 after the 50-yard gain, it took just two plays for Burns to score. Clark going the final yard. The kick was no good. It took Winside seconds to tie the count. Dangberg returning the kickoff 81 yards with Greg Kirsch's block being the one that broke him loose after almost every WHS player blocked someone out. Hill's kick for extra point made it 7-6 and no one knew it but the scoring was over for the evening.

After the kickoff Mailliard made 3 but Don Longe set them back 1. Tesar passed to Mailliard for 5 and the Knights kicked. Redel gained 1, Ditman 4 and Hodge intercepted on the 36. Dangberg

over with an incomplete Burns aerial. Wacker kicked to the 12 and Burns was off again, returning to the 33. Two plays gained 17, a penalty set the visitors back and they had to kick. Hill partially blocking the punt Redel passed to Dangberg for 37. Ditman made 4 and Wagner 7 but the drive died after Dangberg gained 2 and Wagner 1, Burns taking over.

Holschusch smashed through for 11, 7 and 9, Tesar added 3, Mailliard gained 3, Holschusch 4, a pass gained 15 and Burns threatened. Wagner intercepted on the 24 and returned to the 31 as the quarter ended.

Ditman started another drive with a 9-yard gain. Redel added 5, Wagner 5, Dangberg 5 and 26, Wagner 3 and again Burns intercepted. Holschusch gained 4 but that was all they could manage so the Knights kicked, Redel returning to the 34 from the 50. Ditman managed 6, Dangberg 1, Ditman 1 and Hill kicked to the end zone. Three plays failed to gain so the BHS team kicked out on the 23. Ditman burst through for 8, Wagner sneaked through for 11 and 8 before Hill kicked to the 24, only to have a 15-yard penalty aid the Knights. A pass play gained 15 but Wagner threw the visitors back 3 on the last play of the game and Winside had won again.

Longe and Dangberg led in tackles with 11 apiece with Redel right up there with 10. Miller had 9, Hill 7, Kirsch and Ditman 6, Randy Brudigan, Wagner, Wacker, Terry Thies and Warren Gallop 3 and Roy Wagner 1.

TWO TIRED Winside players were caught in the shower room after the Norfolk Burns game. Bob Dangberg (left) ran 81 yards for the only TD for Winside and Greg Kirsch threw the block that gave him room to break away. Roger Hill, not shown, produced the winning margin with a perfect PAT attempt.

Dixon Community Draws Many Pheasant Hunters

Dixon's correspondent, Mrs. Sterling Beck, reports hunters have been successful in bringing down pheasants in the area. Farmers are generally pleased with the cooperative attitude of the hunters.

With the farmers in the field, their wives have had to answer the door or phone when hunters asked permission to hunt. Most of the gunner gained permission with a plea of being careful of shooting in the farmyard area, shooting around livestock and breaking down unharvested and dry soybean plants. Many dinners of fried pheasant have been enjoyed by the farmers themselves as they have put in a little hunting time before going about the regular farm duties. Those who could dress or store birds found their services in demand. Mrs. Borg said the weather has been splendid for being out hunting. For the birds, she said there was somewhat less rejoicing and as for her own feelings, four words at mealtime expressed her reaction: "Please pass the pheasant."

Hoskins PTA Will Meet

Hoskins Parent-Teacher association will meet Tuesday, Nov. 16, at 8 p.m. in the school building. Mrs. Lola May Langenberg, president, will have the program which will include a question and answer period. All parents of pupils in the Hoskins schools are invited to attend.

A clean-sculptured new sport coupe with recessed rear window, and—for the first time—a 4-door Chevelle Sport Sedan. Pick from 12 racy-looking new Chevilles in all for '66.

Not only will you find more variety in the '66 Chevelle lineup, but even more of what makes a Chevelle a Chevelle.

Say you pick a new Malibu Sport Sedan and specify the new 220-hp V8. You've got yourself quite a machine.

Or pick a Malibu Sport Coupe, equip it with the new Strato-bucket front seats, and order the new 275-hp V8. You've got yourself even more machine.

Or maybe you'd like to pick a new black-grilled SS 396 Coupe or Convertible. (Standard engine is a Turbo-Jet 396 V8 with 325 hp. And there's also a 360-hp version you can specify.) Now you've got yourself the most.

Which '66 Chevelle for you? The answer to that covers a lot more ground than we can here. And that's where your Chevrolet dealer comes in.

Pumpkin-ways

Pumpkin pie is as much a part of the American Thanksgiving dinner as the turkey itself. It has become one of the most traditional holiday pies—and rightly so. "Pompions," as they were called by the Indians, were grown by many native tribes. They were found by the Pilgrims when they landed at Plymouth Rock.

A recipe book called *AMERICAN COOKERY* by Amelia Simmons published in 1796 carried the first printed copy of a pumpkin pie recipe. Today every American cookbook boasts of at least one pumpkin pie recipe—often many more. For this Farm and Home Food Fashion Fair section we have selected some of the best—plus a host of other ways to use this versatile vegetable.

PUMPKIN DESSERT BREAD

3 cups flour	2 cups pumpkin
1 teaspoon baking soda	4 eggs, beaten
1 teaspoon salt	1 1/4 cups cooking oil
3 teaspoons cinnamon	1/2 cup California walnuts, chopped
2 cups sugar	

Sift together flour, baking soda, salt and cinnamon. Place in large mixing bowl. Make a well in the center and add sugar, pumpkin, beaten eggs, cooking oil and chopped California walnuts. Stir carefully, just enough to dampen all the dry ingredients. Pour into 2 loaf pans, 9 1/2 x 5 1/4 x 2 1/4 inches each. Bake at 350°F. for 1 hour.

PUMPKIN SOUP

Cut half a small pumpkin into wedges, remove seeds and outer skin. Chop pulp into pieces and cook in boiling, salted water until tender when tested with a fork. Drain and work through a sieve. Combine 2 cups pumpkin puree with 3 tablespoons margarine, 1 teaspoon sugar, 1 teaspoon salt and 1/4 teaspoon pepper. Cook over low heat about 10 minutes. Stir in 3 cups hot milk, a little at a time, and simmer gently for several minutes. Serve with croutons. Serves 4.

PUMPKIN RING

1 3-pound pumpkin	1/4 cup fresh bread crumbs
1/4 cup margarine, melted	1 tablespoon grated onion
1/4 cup milk	1/2 teaspoon salt
3 eggs, well beaten	1/8 teaspoon pepper

Cut pumpkin into halves. Remove the seeds, stringy portion and outside shell. Cut into small pieces. Cover with boiling water and cook until tender, about 20 minutes. Drain and mash thoroughly, or put through a coarse sieve or food mill. Add remaining ingredients to the pumpkin and mix well. Pack the mixture into a greased 1-quart ring mold. Set the mold in a pan of hot water and bake in 350°F. oven until firm, about 45 minutes. Turn out on a serving dish and fill the center with buttered peas, tiny whole onions or creamed mushrooms. Makes 8 servings.

PEACE PIPE PIE

1 10-inch pie shell, baked and cooled	1/4 teaspoon cloves
1 pint vanilla ice cream	1/4 teaspoon ginger
1 1/2 cups sugar—part or all brown, well packed	1/4 teaspoon nutmeg
1 No. 303 can (2 cups) pumpkin	1 cup whipping cream, beaten stiff
1/2 teaspoon salt	1/2 cup whipping cream, whipped for garnish
1 teaspoon cinnamon	Candied Walnuts**
1 teaspoon vanilla	

Spread vanilla ice cream into baked pie shell. Place in freezer. Meanwhile, mix together sugar, pumpkin, salt, cinnamon, vanilla, cloves, ginger and nutmeg; blend thoroughly. Fold in 1 cup whipping cream, beaten stiff. Spread over ice cream in pie shell. Cover with foil, freeze. At serving time whip 1/2 cup cream to garnish border of pie. Top with Candied Walnuts**.

**To make Candied Walnuts: Boil together, stirring often, 1/2 cup sugar, 1/8 teaspoon salt, 4 teaspoons honey and 3 tablespoons water to 242°F. (firm-soft-ball stage). Remove from heat, add 1/4 teaspoon vanilla and 1 cup California walnuts. Stir until creamy. Turn out on waxed paper; separate walnuts.

SPICY PUMPKIN CAKE

1/2 cup margarine	1/4 teaspoon cloves
1 cup sugar	1 teaspoon cinnamon
1 egg	1/2 teaspoon baking soda
3/4 cup chopped California walnuts	1/2 teaspoon salt
2 3/4 cup flour	1/2 cup milk
1/2 teaspoon nutmeg	1 cup cooked pumpkin
	Creamy White Frosting**

In mixing bowl cream margarine and sugar; add egg and beat until light and fluffy. Stir in California walnuts. Sift together flour, nutmeg, cloves, cinnamon, baking soda and salt. Add a third of the dry ingredients to creamed mixture; mix well. Stir in milk. Add remaining dry ingredients alternately with pumpkin. Pour into greased and floured 9 1/2 x 5 1/4 x 2 1/4-inch pan. Bake at 350°F. for 50 to 60 minutes. Cool 10 minutes; turn out on cake rack. When completely cool frost with Creamy White Frosting**. If desired, garnish top with additional chopped walnuts.

**Creamy White Frosting:

1/4 cup margarine	2 tablespoons milk
2 cups Confectioners' sugar, sifted	1/4 teaspoon vanilla

In mixing bowl cream margarine; blend in half of confectioners' sugar. Mix in milk and vanilla; add remaining confectioners' sugar and beat until smooth.

"FROST-ON-THE-PUMPKIN" GOODIES

1 1/4 cups flour	1 teaspoon cinnamon
1 1/2 teaspoons salt	1/2 teaspoon nutmeg
1 teaspoon baking powder	1 egg
1/4 teaspoon baking soda	1 cup canned, drained pumpkin
3/4 cup rolled oats	1 6-ounce package (1 cup) semi-sweet chocolate morsels
3/4 cup granulated sugar	1 cup raisins
1/2 cup firmly-packed brown sugar	1 cup chopped California walnuts
1/4 cup shortening	

Sift together flour, salt, baking powder and baking soda. Mix in rolled oats; set aside. Combine granulated sugar, brown sugar, shortening, cinnamon and nutmeg; blend well. Beat in egg. Gradually mix in flour-rolled oats mixture alternately with drained pumpkin. Stir in semi-sweet chocolate morsels, raisins and walnuts. Drop by rounded tablespoonfuls on lightly greased baking sheet. Bake at 375°F. for 12 to 14 minutes. Makes 3 dozen cookies.

PUMPKIN CHIFFON PIE

1 baked 9-inch pastry shell	1/2 cup firmly-packed brown sugar
2 envelopes unflavored gelatin	1 teaspoon cinnamon
1/2 cup cold water	1/2 teaspoon salt
1 1/2 cups mashed cooked pumpkin	1/2 teaspoon ginger
3 egg yolks, slightly beaten	1/2 teaspoon clove
1 1/2 cups undiluted evaporated milk	3 egg whites
1/2 cup all purpose syrup	1/2 cup all purpose syrup

Sprinkle gelatin over cold water to soften. Combine pumpkin, egg yolks, evaporated milk, 1/2 cup all purpose syrup, brown sugar, cinnamon, salt, ginger and clove in saucepan. Cook over low heat, stirring constantly, until mixture is slightly thickened. Add gelatin; stir until completely dissolved. Chill until mixture mounds when dropped from spoon. Meanwhile, beat egg whites to stiff peaks. Gradually beat in 1/2 cup all purpose syrup. Fold into chilled pumpkin mixture. Chill until mixture mounds when dropped from spoon, about 1/2 hour. Pile into baked pastry shell. Chill until set. Makes 8 servings.

How not to be taken for granted...bake sticky buns from scratch.

It's not every wife who takes the time (and trouble) to bake from scratch. He'll notice. He'll appreciate. Of course you get some help from Fleischmann's Yeast. But the credit's yours.

ANOTHER FINE PRODUCT OF STANDARD BRANDS

BUTTERSCOTCH BUNS

1/3 cup milk 1/2 cup sugar 2 teaspoons salt
 1/2 cup (1 stick) Fleischmann's Margarine
 2 packages Fleischmann's Active Dry Yeast
 1/2 cup warm water (105°-115°F.)
 1 egg 4 cups unsifted flour

BUTTERSCOTCH TOPPING

1/4 cup light corn syrup 1 tablespoon water
 2 tablespoons Fleischmann's Margarine
 1 cup (6-ounce package) butterscotch bits
 1/2 cup chopped Planters Pecans

BROWN SUGAR 'N RAISIN FILLING

melted Fleischmann's Margarine
 1/2 cup firmly packed dark brown sugar
 1/4 cup raisins

STEP 1—Scald milk; stir in sugar, salt and 1/2 cup Fleischmann's Margarine. Cool to lukewarm. Dissolve Fleischmann's Yeast in warm water in large warm bowl. Stir in lukewarm milk mixture, egg, half the flour. Beat until smooth. Stir in rest of flour to make a stiff batter. Cover tightly with aluminum foil. Refrigerate at least 2 hours (or up to 3 days).

STEP 2—When ready to shape dough, prepare Butterscotch Topping. In pan combine light corn syrup, water and 2 tablespoons Fleischmann's Margarine; bring to a boil over medium heat, stirring constantly. Remove from heat; add the butterscotch bits and stir until melted. Spread butterscotch mixture over bottom

of two ungreased 8 x 8 x 2-inch pans; sprinkle with chopped Planters Pecans.

STEP 3—Divide dough in half. On lightly floured board, roll each half into a 9 x 12-inch rectangle. Brush each rectangle with melted margarine and sprinkle with half the brown sugar and raisins. Roll each rectangle up tightly from 9-inch side as for jelly roll. Seal edges.

STEP 4—Cut each roll into nine 1-inch slices; place, cut side up, over butterscotch mixture in pans. Cover; let rise in warm draft-free place until doubled, about 1 hour. Bake in 350°F. oven 30 to 35 minutes, or until done. Makes 18 butterscotch buns.

Morning Coffee

This is the time to invite neighbors and friends in for an informal morning coffee. Homes are taking on that festive holiday air and yet you can catch your friends before they are swamped with social invitations.

Your morning menu can be as simple as coffee and Cranberry Nut Bread. Or you can make it a bit more elaborate by adding fruit or juice and serving a variety of yeast rolls or coffee cakes. Either way is certain to win praise from the gals who take a break in their holiday preparations to sit and chat a bit.

CRANBERRY NUT BREAD

(A 'no-sift' recipe)

2 cups flour*	1/2 cup warm water
1 cup sugar	1/4 cup orange juice
1 1/2 teaspoons baking powder*	1 egg
1 teaspoon salt*	2 tablespoons grated orange rind
1/2 teaspoon soda	1 cup raw cranberries, halved
2 tablespoons shortening	1 cup chopped California walnuts

Spoon or pour flour into dry measuring cup. Level off and pour measured flour into mixing bowl. Add sugar, baking powder, salt and soda to flour. Stir well to blend. Cut in shortening with pastry blender until mixture resembles coarse meal. Combine water, orange juice, egg and orange rind in small bowl. Beat slightly. Add liquid ingredients to blended dry ingredients all at once. Stir until all ingredients are moistened. Stir in cranberries and walnuts. Blend thoroughly. Spread in well-greased 9 x 5 x 3-inch loaf pan. Bake at 325°F. for 60 to 65 minutes or until toothpick inserted in center comes out clean. Remove from pan immediately. Cool on rack.

*If you use Self-Rising Flour omit baking powder and salt.

Karo Lace Cookies... for holiday giving and eating!

1 cup sifted flour • 1 cup chopped flaked coconut or nuts • 1/2 cup Karo Crystal-Clear Syrup (light corn syrup) • 1/2 cup firmly packed brown sugar • 1/2 cup margarine • 1 tsp. vanilla

Mix flour and coconut. Combine Karo, brown sugar and margarine in heavy saucepan. Bring to boil over medium heat, stirring constantly. Remove from heat; gradually blend in flour mixture, then vanilla. Drop onto foil-covered cookie sheet by scant teaspoonfuls, 3 inches apart. Bake in 350° oven 8 to 10 min. Cool 3 to 4 min. on wire rack until foil may be easily peeled off. Remove foil; place cookies on rack covered with absorbent paper. Makes about 4 doz. cookies.

Surely the most festive Christmas cookies ever—and deliciously easy to make with Karo! These Karo cookies are so lacy and elegant, you can serve them to company, give them as gifts, hang them on the tree. And they're so crisp and crunchy the kids will love them, too. Karo Syrup adds appealing new flavor, appetizing new texture to all kinds of food—meats, vegetables, sauces, desserts. Karo is available in pint and quart bottles; in 5 and 10 lb. cans.

The new way to cook is with Karo!

CHRISTMAS BUNS

3/4 cup milk
 1/2 cup sugar
 1 1/4 teaspoons salt
 6 tablespoons shortening
 3/4 cup warm, not hot, water
 (lukewarm for compressed yeast)

3 tablespoons sugar
 3 packages or cakes yeast, active dry or compressed
 3 eggs, beaten
 1 cup chopped candied fruits
 6 cups flour

Scald milk and stir in 1/2 cup sugar, salt and shortening. Cool to lukewarm. Measure water and 3 tablespoons sugar into mixing bowl. Sprinkle or crumble in yeast. Stir until dissolved. Combine milk and yeast mixture. Add eggs. Mix candied fruit with half the flour. Add and stir into mixture. Stir in remaining flour, or enough to make a dough. Turn out on lightly floured board and knead 8 to 10 minutes or until surface is smooth and satiny and dough feels springy and elastic and does not stick to board. Put dough into greased bowl and brush top lightly with soft or melted shortening. Cover with cloth; let rise in warm place, free from draft, until doubled in bulk, about 1 1/2 hours. Punch down, pull sides into center, turn out on board. Shape into very even ropes 1/2 inch thick and about 14 inches long. Shape each rope a tree on greased cookie sheets. Start with a 2 1/2-inch base and wind rope back and forth getting smaller and smaller until the 14 inch rope is used up and the tree is formed. Attach a piece of dough to form trunk. Cover with cloth and let rise in a warm place, free from draft, until doubled in bulk. Bake at 425°F. about 20 minutes or until lightly brown. While warm, brush with Confectioners' Sugar Frosting, sprinkle with green or red sugar crystals; or tint Confectioners' Sugar Frosting with green food coloring, then frost buns.

Confectioners' Sugar Frosting: Mix 1/2 cup sifted confectioners' sugar with 1/2 teaspoon vanilla and enough beaten egg white to make soft spreading consistency.

NUT TARTS

1 cup milk
 4 cups flour
 1/4 cup sugar
 1 teaspoon salt
 1 teaspoon grated lemon rind
 1 cup (2 sticks) margarine

1 package or cake yeast, active dry or compressed
 1/4 cup warm water
 2 eggs, beaten
 Light cream
 Confectioners' sugar icing

Scald milk; cool to lukewarm. In large bowl combine flour, sugar, salt and lemon rind. Cut margarine into flour mixture until like coarse meal. Sprinkle or crumble yeast into warm water. Stir until dissolved. To flour mixture, add yeast, lukewarm milk and beaten eggs. Combine lightly. Cover tightly; refrigerate for at least 2 hours or up to 2 days.

Divide dough in half (dough will be soft and sticky). On a well-floured board roll half the dough to 1/4-inch thickness. Using both a 5-inch and a 3-inch cookie cutter, cut equal number of circles. Place 5-inch circles in greased tart shells. Spoon about 2 1/2 tablespoons of the cooled Nut Filling (below) into each tart. If desired, leave part of the tarts uncovered. With remaining tarts place 3-inch circles over filling. Press edges together. Prick surfaces and brush with cream. Repeat with remaining dough. Bake in 400°F. oven for 10 to 15 minutes. Remove from tart shells and cool. Frost with Confectioners' sugar frosting.

Nut Filling: In a saucepan boil 1 cup water and 1 cup sugar until thickened, about 15 minutes. Stir in 4 cups chopped California walnuts, 4 egg yolks and 1 teaspoon cinnamon. Bring to a boil again and let cool.

VIENNESE COFFEE

Measure 2 level tablespoons coffee for each 1/2 cup water in coffeemaker. Brew according to directions. Pour into cups. Top each with generous spoonful of unsweetened whipped cream and sprinkling of grated orange rind. Serve sugar for those who wish a sweetened coffee. Offer cinnamon stick stirrers.

APPLE MAIRE

Makes 6 servings

1 cup flour
 1 1/4 cups dark brown sugar, firmly packed
 1 teaspoon cinnamon
 1/2 cup (1 stick) Blue Bonnet Margarine
 1/4 teaspoon nutmeg
 6 baking apples
 1/4 cup chopped Planters Pecans
 2 tablespoons currants
 Whipped cream

Combine flour, 1 cup brown sugar, cinnamon and nutmeg in a bowl. Cut in Blue Bonnet Margarine until mixture is crumbly. Set aside. Core and pare apples. With a fork, pierce apples over complete surface and roll in crumb mixture. Place apples in a greased baking pan. Combine remaining 1/4 cup sugar, chopped Planters Pecans and currants. Fill cavities of apples.

Bake in moderate oven (350°F.) for 45 minutes or until apples are tender and crisp. Serve warm with whipped cream.

Dazzling Desserts

The Holiday Season is the time for spectacular desserts. On this page you will find desserts that we think are very special. There are pies that make fancy holiday eating... pretty puddings dressed in color... and luscious cakes with a frosty touch. If you're looking for a dessert to serve for dinner or for a buffet party—or for something to serve in the afternoon, you will find a taste-tempting recipe here. All are easy to make and all are sure to bring cheers from your family and guests.

HOLIDAY PARTY WREATH

3 cups commercially prepared eggnog
1 can (1 lb. 16 oz.) fruit cocktail
2 envelopes plain gelatin
1/2 cup cold water
1 cup whipping cream
2 to 4 tablespoons rum or brandy (optional)
1 1/2 teaspoons vanilla

Allow eggnog to stand at room temperature. Drain 1 cup fruit cocktail. Arrange fruit in bottom of 9-inch ring mold. Soften gelatin in cold water; dissolve over hot water. Stir gradually into eggnog. Chill until mixture will mound on spoon. Whip cream with 2 tablespoons rum or brandy and vanilla. Fold into eggnog mixture and spoon into mold. Chill until set, about 4 hours or overnight. Chill remaining fruit cocktail, adding 2 tablespoons rum, if desired. Turn mold out onto serving plate and serve with remaining fruit cocktail. Makes 6 to 8 servings.

SNOW PEAK FROSTING

2 egg whites
1/2 cup light corn syrup
1/2 cup sugar
1/4 teaspoon salt
1 teaspoon vanilla
2 cups miniature marshmallows
2 8-inch chocolate cake layers

Beat egg whites, corn syrup, sugar and salt in top of double boiler set over rapidly boiling water, with rotary beater or electric mixer until frosting stands in firm peaks. This should take from 3 to 4 minutes. Remove from heat, beat in vanilla and beat 1 minute longer. Fold in marshmallows. Fill and frost cake layers.

HEAVENLY HASH

2 cups cold cooked rice
2 cups miniature marshmallows
1 1/3 cups (13 1/2-ounce can) drained pineapple tidbits
1/4 cup California walnuts, halved
1/2 cup heavy cream
1/4 cup sugar
1 teaspoon vanilla
Maraschino cherries

Combine rice, marshmallows, pineapple and walnuts. Whip cream, gradually adding sugar and vanilla. Fold into rice mixture; chill. Garnish with cherries.

WALNUT PARTY TORTE

6 eggs, separated
1/2 cup granulated sugar
1 tablespoon instant coffee dissolved in 3 tablespoons cold water
1 cup ground California walnuts
2 tablespoons graham cracker crumbs
2 tablespoons flour
2 teaspoons baking powder
1/4 teaspoon salt
1/2 teaspoon vanilla
2 tablespoons granulated sugar
Chocolate Filling*

Beat egg yolks until smooth and lemon colored; beat in the 1/2 cup sugar gradually, then beat for 5 minutes. Beat in coffee. Stir in ground walnuts, crumbs, flour, baking powder, salt and vanilla. Beat egg whites until stiff. Beat in the two tablespoons sugar and fold into yolk mixture. Turn into three 9-inch pans, greased and floured. Bake at 300°F. for 30 minutes, or until top springs back. Turn out and cool.

*Chocolate Filling:

1 6-ounce package (1 cup) semi-sweet chocolate morsels
2 cups rich milk
2 teaspoons instant coffee
2 eggs
2 tablespoons cornstarch
2 tablespoons cold water
1/2 teaspoon vanilla
1/2 cup whipping cream, whipped

Melt chocolate morsels in milk, along with instant coffee, in top of double boiler. Beat eggs and mix in cornstarch dissolved in cold water; stir in part of the chocolate milk. Return to double boiler and cook until thickened. Stir in vanilla. Cool. Spread filling between layers and frost top with whipped cream sweetened to taste. Makes 10 to 12 servings.

BUTTERSCOTCH SUNDAE SAUCE

1 cup sugar
1 cup all purpose corn syrup
1 cup heavy cream
1/4 cup margarine
Dash salt

Combine all ingredients in saucepan. Bring to boil over medium heat, stirring constantly. Simmer 20 minutes, stirring frequently. Serve warm over ice cream. Makes about 2 cups.

CHRISTMAS PUDDING

1/4 cup margarine
1/2 cup sugar
1 egg
1/2 cup milk
1 teaspoon allspice
1 teaspoon cinnamon
1/2 teaspoon salt
2 1/2 cups zwieback crumbs, finely rolled (about 22 slices)
1 1/2 cups chopped apple
1 cup chopped dates
1 8-ounce jar fruits and peels
1/2 cup chopped California walnuts
Hard Sauce*

Cream together margarine and sugar. Add egg and beat. Stir in remaining ingredients. Turn into greased 1 1/2-quart mold. Cover with waxed paper; then cover tightly with aluminum foil. Steam 4 hours. Serve hot with Hard Sauce*.

*Hard Sauce: (Can be made ahead and stored in refrigerator.)

1/2 cup margarine
1 1/2 cups confectioners' sugar, sifted
1/4 teaspoon rum flavoring

Cream margarine until soft. Blend in sugar and rum flavoring. Cut a paper pattern in the shape of a holly leaf. Pat or roll hard sauce 1/2 inch thick. Cut out holly leaves. Use toothpick dipped in green food coloring to make veins in leaves. Press red cinnamon candies into ends for holly berries. Arrange around pudding just before serving.

FUDGE SUNDAE PIE

1 cup evaporated milk
1 6-ounce package (1 cup) semi-sweet chocolate marshmallows
1 cup miniature marshmallows
1/4 teaspoon salt
Vanilla wafers
1 quart vanilla ice cream
California walnut halves

Combine milk, chocolate, marshmallows, and salt. Stir over medium heat until marshmallows and chocolate melt and mixture thickens; cool. Line bottom and sides of a 9-inch pie tin (or two 1-quart refrigerator trays) with vanilla wafers. Fill with half of ice cream; cover with half the chocolate sauce. Repeat layers; garnish with walnuts. Freeze.

EGGNOG CHIFFON PIE

2 envelopes unflavored gelatin
4 cups bottled eggnog
1/4 cup sugar
1 cup heavy cream, whipped
1/4 teaspoon nutmeg, optional
4 teaspoons rum flavoring, optional
1 10-inch baked pie shell

Soften gelatin in 1 cup of the cold eggnog in top of double boiler. Place over boiling water. Add sugar and stir until gelatin and sugar are dissolved. Add remaining eggnog. If additional flavoring is desired, add nutmeg and flavoring. Chill until the consistency of unbeaten egg white. Whip gelatin mixture until light and fluffy; fold into whipped cream. Turn into pie shell; chill until firm. Garnish with additional whipped cream, shaved chocolate, chopped maraschino cherries, orange peel and citron.

Note: To make Nesselrode Pie, fold in 1/2 cup chopped maraschino cherries and 1/2 cup chopped California walnuts just before turning into pie shell.

TURKEY HASH

2 tablespoons margarine	1/2 cup chopped onion
2 tablespoons flour	2 tablespoons chopped parsley
1/2 cup heavy cream	1/2 teaspoon ground sage
3 cups diced cooked turkey	1/2 teaspoon salt
1/2 cup soft bread crumbs	Freshly ground black pepper
1/2 cup chopped green pepper	2 tablespoons margarine

In large saucepan, melt 2 tablespoons margarine. Blend in flour; gradually stir in cream and cook, stirring constantly, until thickened and smooth. Stir in turkey, bread crumbs, green pepper, onion, parsley, sage, salt and pepper. In large skillet melt 2 tablespoons margarine; add turkey mixture. Sauté, uncovered, 25 minutes. Place under broiler until top of hash is browned. Makes 6 servings.

TURKEY CURRY

2 tablespoons margarine	1 chicken bouillon cube
1/2 cup sliced onions	1 1/2 cups milk
1 cup diced celery	1 cup pitted whole ripe olives
2 1/2 tablespoons flour	1 cup diced, cooked turkey
1/2 teaspoon salt	1 3-ounce can chow mein noodles
1/4 teaspoon curry powder	

In hot margarine in saucepan or skillet, cook onions and celery until tender. Add flour, salt, curry powder, crumbled bouillon cube and cook until bubbling. Slowly add milk, stirring constantly; cook over medium heat until thickened. Add olives and turkey; heat. Serve over noodles. Makes 4 servings.

BAKED TURKEY SANDWICH PUFF

8 slices enriched bread	1 1/2 cups milk
8 slices turkey	1/2 cup dry white wine
4 slices American cheese	Salt, celery salt and pepper to taste
3 eggs, slightly beaten	

Spread bread lightly with margarine. Arrange slices of turkey and cheese on four slices of bread. Top with remaining slices. Place in a greased shallow baking pan. Combine eggs, milk, sherry and seasonings; blend well. Pour mixture over sandwiches and let stand at least one hour. Bake in a 325°F oven for 1 hour. Serve immediately. Makes 4 servings.

CRANBERRY GLAZED TURKEY CASSEROLE

2 packets (1 package) instant mashed potatoes or 4 cups leftover mashed potatoes
 2 eggs, slightly beaten
 1 cup packaged bread stuffing
 1/2 cup chopped fresh parsley
 1 teaspoon salt
 Dash pepper
 1/2 cup margarine
 1 cup finely chopped onion
 1 cup finely chopped celery
 1/2 to 20 large cooked turkey slices
 2 (1-pound) cans whole cranberry sauce drained

Make up potatoes according to package directions. Beat in egg. Stir in bread stuffing, parsley, salt and pepper. Melt margarine in small skillet. Sauté onion and celery in margarine until tender. Stir into potato mixture. Lightly grease 2 large baking dishes. Spread half of drained cranberry over bottoms of baking dishes. Arrange half of turkey covering cranberry sauce. Spread meat with potato mixture. Place remaining meat slices on top of potato. Top with remaining cranberry sauce. Bake in 375° F. oven for 10 to 15 minutes, or until thoroughly heated. Makes 10 to 12 servings.

TURKEY OVEN

Dough:
 1/2 cup milk
 1 tablespoon sugar
 1/2 teaspoon salt
 1/4 cup (1/2 stick) margarine
 1/2 cup warm water (105° to 115° F.)
 1 package or cake yeast, active dry or compressed
 2 eggs, beaten
 3 cups flour

Filling:
 1/2 cup (1/2 stick) margarine
 2 cups (2 large onions) chopped onion
 1/2 cup condensed cream of mushroom soup
 3 cups ground cooked turkey
 2 teaspoons parsley flakes
 2 teaspoons oregano
 1 teaspoon salt

Sauce:
 1/2 cup condensed cream of mushroom soup
 1 4-ounce can sliced mushrooms
 1/2 teaspoon oregano

To make **Dough**: Scald milk; add sugar, salt, and margarine. Cool to lukewarm. Measure warm water into large warm bowl. Sprinkle or crumble in yeast; stir until dissolves. Stir in lukewarm milk mixture, eggs, and half the flour. Beat until smooth. Stir in remaining flour, beat well. Cover tightly with foil; refrigerate overnight.

To make **Filling**: Melt margarine in large skillet over medium heat. Add onions, sauté until tender. Remove from heat. Add turkey, 1/2 cup mushroom soup and spices. Toss lightly until well mixed.

Place dough on well floured board, roll out to a 9 x 12-inch rectangle. Spread with filling. Roll up as for a jelly roll starting from the 12-inch side. Seal edge firmly. Place on greased baking sheet. Cover; let rise in warm place, free from draft, until doubled in bulk, about 1 hour. Bake in 425° F. oven for about 30 minutes or until done. Serve with Mushroom Sauce.

To make **Sauce**: Combine 1/2 cup mushroom soup, sliced mushrooms and 1/2 teaspoon oregano in saucepan. Bring to a boil over moderate heat, stirring occasionally. If necessary, thin with milk.

TURKEY 'N' STUFFING SCALLOP

1 8-ounce package (3 1/2 cups) herb seasoned stuffing
 3 cups cubed cooked turkey
 1/2 cup margarine
 1/2 cup flour
 1/4 teaspoon salt
 Dash of pepper
 4 cups turkey broth*
 6 slightly beaten eggs
 1 recipe Pimiento Mushroom Sauce**

Prepare stuffing according to package directions for dry stuffing. Spread in 13 x 9 x 2-inch baking dish; top with layer of turkey. In large saucepan, melt margarine; blend in flour and seasonings. Add cool broth; cook and stir till thick. Stir small amount hot mixture into eggs; return to hot mixture; pour over turkey. Bake at 325° F. for 40 to 45 minutes, or till knife inserted halfway to center comes out clean. Let stand 5 minutes to set; cut in squares. Serve with Pimiento Mushroom Sauce**. Serves 12.

*4 cups chicken bouillon may be substituted for turkey broth, if desired.

**Pimiento Mushroom Sauce: Mix 1 can condensed cream of mushroom soup, 1/2 cup milk, 1 cup dairy sour cream and 1/2 cup chopped pimiento. Heat and stir till hot.

CORN GROWERS ADD PROFIT WITH SOYBEAN ROTATION

Getting a fair share of 1965's billion-dollar soybean crop has caused many corn growers to review their crop rotation practices. Production of this "orphan crop" has, in the past few years, assumed the status of the number-one cash crop in a great many counties in midwestern and delta states.

One example of a corn and soybean rotation program which gives a good indication of its profit potential exists on the farm of Cliff and Binks Saathoff, Rembrandt, Iowa. Farming since they were boys, the Saathoff brothers now work 900 acres of rich Webster soil north of Storm Lake.

Basically corn men, the Saathoffs planted 185-200 acres of land to soybeans in 1965 and tested some new ideas regarding minimum tillage, narrow row planting and chemical weed control. A limited test planting in 1964 convinced the brothers that there are definite advantages to being "two-crop" farmers.

The Saathoff brothers are not typical Iowa farmers. They are what marketing men would call "innovators" or "early adopters." Farming land valued at well over \$400 per acre, they welcome the challenge of making a good farm great and they use every means and method available to them.

They are also diversified farmers, turning over an average of about 750 head of feeder cattle each year in modern confined feeding quarters and farrowing about 300 hogs "... to clean up after the cattle," as Binks Saathoff says. Thus, the brothers employ every available natural means of production and, mechanically, they make use of 15 motor-driven tractors, trucks, cars and other machinery—every device that they can prove will help harvest profitable yields.

Weighing scales and records also play an important part in the brothers' operation as they carefully measure all the farm's production so they can accurately calculate exactly which management practices increase yields and at what cost. Even Cliff's daughter, Shirley, has a frankly business-like approach toward farming. Acting as secretary-treasurer of the Scott Township Sodbusters chapter of 4-H, she has become involved with keeping records and showing light horses. Like her father, she believes that good management and record keeping elevates farming to the status of business. "And quite a profitable enterprise, too," she claims.

Increasing their acreage for soybean production is just one of the innovations planned by the Saathoffs but it offers a good example of the business reasoning they apply to all aspects of their operation. "Things are changing so fast," says Cliff Saathoff, "you have to spend a lot of time reading just to keep track of what's going on and what other farmers are doing."

After reading an account about minimum tillage, the brothers are going to try an experiment. When they harvested soybeans in 1964, they chopped the straw in the field with a straw chopper attachment on the combine and then disked it in. This spring, they disked again without plowing and planted 10 test acres of corn on soybeans and another 10 acres soybeans on soybeans. For weed control, they used a broadcast application of Amiben pre-emergence herbicide, the chemical they banded over soybean rows in 1964. In this test, they harvested two extra bushels of beans by eliminating broad-leaf weeds and grasses growing directly in the crop row — 9 more bushels per acre than some neighboring growers.

Undecided about narrow row planting, they are still considering the possibility of going to 30-inch rows, at least in a test plot. A 40-inch corn planter was used to drill in beans in the past. "While this allows for cultivation," they say, "broadcast Amiben should eliminate the need. Also, if it's too wet to get in to cultivate, you've got something working for you. Chemicals are good crop insurance. It's one of the innovations we've tried that we're going to keep using."

"Healthy" serving

Contains Terramycin® plus 50% more vitamins to keep cattle healthy through the worst winter weather

Even for hardy cattle in their winter coats, sub-zero cold and blizzards are stresses.

And winter stresses set up a chain reaction in cattle that costs you money.

Their resistance goes down.

Disease level and germ count go up. Performance and profits go down.

Now, short of opening an Arizona feedlot, you can't prevent winter stresses. But you can prevent stresses from lowering cattle's resistance.

Just do this: Keep a close eye on the weather report. When cold is predicted, serve up Terramycin A/D Fortified Crumbles to your beef or dairy animals immediately.

Terramycin keeps cattle's ability to resist disease at a

high level... even though their natural resistance may be down due to stress.

And Terramycin Crumbles has 50% more vitamins A and D than the other crumbles.

That's important, because cattle don't get nearly the "A" from winter hay that they get from summer pasture.

And cattle, like the rest of us, depend on the sun for vitamin D. And there's not much sun in the winter.

Try stoking up your herd's stress resistance with Terramycin® A/D Fortified Crumbles. You'll soon be hot for this cold weather idea.

Considering the possibility of going to 30-inch rows, Cliff (left) and Binks Saathoff survey a test plot after planting. This year they plan to disc without plowing, testing whether minimum tillage will conserve moisture.

Heavy with pods and clear of weeds, the Saathoff Brothers harvested 37 bushels of soybeans per acre. This year they planted 200-250 acres to soybeans, testing broadcast application of Amiben pre-emergence herbicide on 10 acres and applying banding treatments to the remainder.

Binks (left) and Cliff Saathoff preparing a tank of chemical pre-emergence herbicide/spray for banding over Soybean rows. By eliminating broadleaf weeds and grasses growing in the crop row, the brothers harvested two extra bushel per acre over yield from plots which were only cultivated.

DEKALB XL

The Big NEW
"BUY-WORD"
in Seed Corn

BREAKTHRU to Higher Yields-Thicker Planting- Shorter Stalks-Tougher Shanks- Greater Disease Tolerance

Three years ago, DeKalb introduced its now famous family of XL Breakthru hybrids. This new generation of single cross and 3-way hybrids came from a remarkable Breakthru in research and breeding, and produced a corresponding Breakthru in performance and yield under the stresses of thicker planting, additional fertilizer and continuous corn. The most demanding research methods selected inbreds capable of transmitting the ability to fight disease and insects and add bushels at higher populations. Out of this program came the DeKalb XL Hybrids—the elite, tough hybrids that are today the "Buy-word" in seed corn and performance on Corn Belt farms.
