## State Boosts County Rural Urban, Suburban Valuations

To the surprise of no one, the state board of equalization boosted the valuation in most counties Monday. Wayne County received boosts on rural land valuations, urban property valuations and suburban property valuations.

There was no change in farm building valuations. Rural land was boosted 11 per cent, urban property 10 per cent and suburban property a whopping 27 per cent.

Assessor Henry Arp had not received an official note from the state by the first of the week. However, he indicated that increases were expected following the hearing in Lincoln last week.

If the county commissioners leave the levy as previously set up, this will mean increased money coming into county coffers. However, they have two weeks in which to decide and they may maintain the budget figure set earlier and lower the levy to meet the new higher valuations.

The state has set a property tax of 30.85 mills but this was expected to be lower as officials had not included one column of figures. See TAX BOOST page 3.

## Around 300 Stop Here to Eat Meal

Around 300 men, women, boys and girls attended the breakfast served here Monday morning. It was the meal members of the Nebraska Hereford Association and others looked forward to on a beef tour in Northeast and North Central Nebraska.

Registration at the starting point near Howells came to about 100. An additional 200 registered at Hereford Farms east of Wayne for breakfast.

O. A. Cooper, Humboldt, and Farmers Elevator, Wayne provided the breakfast. Wayne Chamber of Commerce assisted. See AROUND 300 page 2.

## Wayne Lady Does Not Get Big Prize

The Silver Dollar Night prize, Thursday was \$300. It could have gone to a Wayne woman but she was not in a participating firm at 8 p.m. when her name was called.

NOT PRESENT

Adele J. Daniels was the name called for the prize. Because she was not present, she will receive a \$10 check as consolation from the sponsoring Chamber of Commerce.

This week's prize takes a jump because of the miss last week. Someone could gain \$350 by being in Wayne Thursday night when the drawing is held.

A lot of back-to-school needs could be filled with \$350. In fact, for a student going back to college, this amount could be a real boost.

## Nancy Falk of Hoskins to Wear County Queen Crown

Nancy Falk, 19, daughter of Mr. and Mrs. Harold Falk, Hoskins, was crowned Miss Wayne County Centennial Queen Saturday evening in the pageant at the county fair sponsored by the Wayne Jaycees.

Miss Falk will be a senior in nursing training at Methodist Hospital, Omaha, this fall. She will attend the state pageant in Lincoln Nov. 30.-Dec. 3, when the "Girl of the Century" will be named to mark Nebraska's centennial year.

The comely brunette was sponsored by Kruger Tank Wagon Service and Hoskins Oil Co. She received a \$100 savings bond, \$150 cash, a charm bracelet, her crown and the trip to the state competition.

Jackie Stevens, daughter of Mr. and Mrs. Guy Stevens, Winside, was first runner-up. She was sponsored by Winside Community Club and received flowers, a charm bracelet and \$75 in cash.

Second runnerup was Joyce Wittler, daughter of Mr. and Mrs. Willard Wittler, Hoskins. Her sponsor was Commercial State Bank, Hoskins, and her prizes included a charm bracelet, flowers and \$50 in cash.

Judges for the pageant were Mrs. Robert Crabb, Norfolk, Lee Corrigan, Yankton, and See NANCY FALK page 2.

A BROKEN LEG means a full-body cast for Hugh "Skip" Deck, Hoskins. Here he lies on a "bed" on the floor while his cousin, Minnie Muhs, Norfolk, is visiting him.

## Cast Encases Boy After Hoskins Fall

Most of Hugh "Skip" Deck, 6, is encased in a plaster cast following a fall while playing football with his brothers in a pasture near Hoskins Monday of last week. He faces eight to ten weeks of living in the cast.

## LEFT LEG BROKEN

Skip is the son of Mr. and Mrs. Myron Deck, who farm about midway between Hoskins and Winside on Highway 35. He broke his left leg above the knee when he fell.

Doug and Scott Deck, his two brothers, were playing with him at the time. Although quite a bit smaller than his big brothers, he had been having a "See BOY'S CAST" page 2.

## Rain Douses Fair Friday but Exposition Still One of Best

A four-inch deluge all but washed out the Wayne County Fair Friday. However, the show went on and Saturday was a great day with a huge barbecue as a highlight. Some events were carried over until Sunday.

The barbecue benefited from the delay. It was estimated 5,000 attended and almost all comments were favorable. Many thought the extra cooking time had given the meat a better flavor than it had ever had before.

It could hardly have worked out better as far as crowd and food turning out at the same time. Workmen from the county's farms and business places were cutting the last barbecued beef as the last stragglers went through the food line.

Beans, potato chips, milk, orangeade, ice cream, bars and sandwiches made up the menu. Volunteers from every town and every rural part of the county helped cook, serve and clean-up.

Mary Ann Dorsey showed the grand champion steer, a Hereford. Reserve champ was a Shorthorn showed by Mickey Topp. John Claus had the champion market heifer, a Hereford, and Judy Herrmann showed a Hereford that won reserve market heifer award.

CHAMPION MARKET PIG

Gary Krusemark had the champion market pig and Rex Hansen the reserve champion. Mary Pat Finn, Alan Finn, Carol Wagner, Ruth Gustafson, Mindy Anderson and Joe Dorsey were top winners in the dairy division with Joe Dorsey having grand champion, Holstein, Edwin Bull, Maurice Boeckenhauer and Curtis Brudigan had sheep award winners.

Tractor pulling fell into three divisions with John Sandahl, Wayne, on a Massey-

## Tax Payment Due

County Treasurer Leona Bahde reports the second half of 1965 real estate taxes are delinquent Thursday, Sept. 1. If not paid by then, they will start drawing interest at 7 per cent. She urges Wayne County residents to come in as early as possible and avoid any delay should there be a rubs as the deadline draws nearer.

## The Spook Speaks

Two Hoskins youths wish a uniform plan on identifying restrooms would be used, preferably "Ladies" and "Gentlemen." In Central City they went through a door labeled "Rest Rooms" and then found "Men" on one door so entered. They learned to their dismay that with the "Rest Rooms" door open the right distance they could see only the last three letters of "Women."

A Wayne youngster at the county fair had picked up one of the helium-filled balloons. The Democrats gave out to promote Clair Callan's candidacy for congress. He had been told what the "Callan" on the balloon was for so when the balloon drifted away he philosophically wondered out loud: "There it goes into space. I wonder if an astronomer will see it and vote for Callan."

One of the most avid fishermen in Wayne finds his wife is not quite the enthusiast he is. She has put her foot down. "No night crawlers will be kept in the refrigerator!" is the rule at their home.

## Investigate Cause of Fire On Thursday

An investigation continued this week into the cause of a fire at the Farmers Co-op of Wayne building adjacent to the city limits on the east side of Wayne Thursday, according to Fire Chief Ivan Beeks.

FIRE IN FORMER KITCHEN

The fire broke out in the former kitchen area of an apartment in the building now used by the firm. No use is made of the second floor where the fire broke out and feed is stored in the lower rooms.

Flames gutted the room in which the fire started and there was heavy smoke and heat damage. The roof also was damaged as shingles were burned off or blown off.

Firemen fought the flames for 1½ hours and investigation started at once on learning the cause. No one was in the building which used to be a residence when the fire was discovered.

It was the first of two fire calls for the department the past week. Details of the second appear in a separate article.

## County Receives More Than Four Inches of Good Rain

Wayne County received a soaking Friday night and Saturday morning. Many places reported over four inches of rain, some up to five in a general run that covered much of Nebraska.

State National Bank reported an official 3.49 inches of rain in the Friday Saturday rain. An additional .02 fell in a shower Sunday night.

The rain was welcome but could have been timed better, according to county fair officials. It washed out the Friday fair for all practical purposes and Friday was supposed to be the biggest day of the fair.

Rain was so heavy at the fairgrounds it caused one tent sheltering livestock to go down. One side collapsed under the weight of the water pooled in the big canvas tent. Another smaller display tent also went down and was not put up again.

Areas southwest of here in the Fullerton-Genoa area and parts of the river valley, from five to nine inches of rain. This caused flooding on the Loup River and tributaries.

Since the days' temperatures have been crawling upward again and the high Tuesday was near the 90 mark, forecasters were calling for more showers the last of this week with temperatures again tumbling to below seasonal normals.

Figures on the temperatures for the past week were compiled by People's Natural Gas Co. They can be found in a box on the first page of this section.

## C. of C. Closing

Wayne's Chamber of Commerce will be closed Aug. 22 through Aug. 27. Manager Wanda Owens will be on vacation during that period. Silver Dollar Night will be held as usual and the office will be open again Monday, Aug. 29.

## Council Approves Plans for \$167,000 Addition to Plant

### High School Yearbook Winside Schools to Register Thursday

The yearbooks are here! Bob Porter reports that the Wayne High School yearbook school pupils will register from 8 a.m. to 4 p.m.

Classes get underway Monday, Aug. 29. Opening class is at 8:25 in the morning and a full schedule of bus routes, classes and lunch will be offered.

Football practice starts Monday, Aug. 22, at 7 a.m. There will also be a 5 p.m. practice and Coach Pete Kropp will have two practice sessions each day until school starts.

First football game is Sept. 9 with Emerson Hubbard the foe. Allen, Harrington, Pigeon, Ponce, Rankolph, Colveridge, Dodge and Norfolk Catholics are the other opponents for the Wildcats.

In a special meeting Monday, the Wayne City Council approved plans and specifications for power plant expansion as prepared by the city engineer, plans which call for \$167,000 addition to Wayne's generating facilities.

SEALED BIDS

Sealed bids for construction of the building are to be received until 5:30 p.m. Tuesday, Sept. 5. They are to be opened and contract let at the council meeting that evening.

W. H. Backlund & Associates have prepared the plans for the building, mechanical work and electric work. Separate bids will be let for the engine, switch gear, heat exchanger, piping and power wiring.

An addition 11 feet by 64 feet is planned just south of the present power plant. This is the site of the former Liveringhouse building which was badly damaged by fire and later razed.

A full basement, full street-level floor and partial mezzanine are to be included. An overhead traveling crane, steel beams, drilled concrete caissons and other features are planned.

The expansion is required because of Wayne's growing demands for power.

POWER LOAD INCREASES

As reported in another article, the electric load this summer has increased 28 percent over the past year.

During the hottest period of the summer so far, business places were asked to shut off some electrical units during peak load hours due to the fact generating equipment was operating at capacity with no "rest" periods in which it could cool off.

## All of Schools Except One Have Teachers for Term No Apologies

County Supt. Gladys Porter reports all teaching positions in Wayne County rural schools have been filled except one. The exception was learned Monday when a teacher found she could not teach due to orders from her doctor.

PHI-OPENING

According to Mrs. Porter, schools in the county will start Monday, Aug. 29. Pre-opening will be held Friday, Aug. 26, at 9 for teachers who are new in Wayne county and at 1:30 for those who have taught in the county before.

Hoskins has four teachers in the public school and three in Lutheran parochial school this year. There are three other districts with more than one teacher.

Teachers in District 9 (Hoskins) will be Zita Jenkins, Carroll, Ethel Malmberg and Helen Chmeler, Norfolk, and Ruby Nelson, Winside. Lutheran (9P) are Holland Menk. See RURAL TEACHERS - Page 5.

The Herald has made an effort to give as much coverage to the Wayne County Fair as possible. No apologies are offered for the fact that some results and pictures are not included.

Pictures were taken of stock in side due to Friday's rain. The fair for livestock and farm equipment for farmers throughout the day and night and got as many pictures as possible but some were bound to be missed.

The weather did not make for an ideal situation but the staff did the best it could. What pictures are omitted this week will be printed next week and information on fair events not given this week will be printed next week if possible.

## Record \$9,000 Goal for Community Chest's Drive Boy Goes Through Auto's Windshield

A goal of \$9,000 has been set for Wayne's Community Chest drive this year. It is a new record, exceeding the \$8,933 set for the community last year.

In a meeting Tuesday, the board decided on the goal and approved the drive period Sept. 26 to Oct. 9 an intensive campaign will be conducted throughout the residential and business areas.

Don Reed is in charge of the business area drive which also covers accounts for a major portion of the funds. Mrs. Alan Kramer, Mrs. Irvin Brandt, Mrs. Gordon Nedergaard and Mrs. Wayne Tietgen will be co-chairmen for the residential drive.

Howard Witt is president of Wayne Community Chest. Mrs. Cramer is vice president and Mrs. Wanda Owens secretary-treasurer.

Again this year the Heart Fund, National Foundation and Cancer Fund drives will be separate. They have declined to join the Wayne Community Chest, preferring to conduct separate drives.

Mrs. Owens takes over secretary duties from K. N. Parker who has worked with the Chest since it was formed here. These duties are in addition to her work for the C. of C.

## Danger from Pistol Taken Out of Auto

Wayne police were worried Tuesday. A pistol was among the items taken from cars at the county shed, Wayne.

The pistol was a "starter" type that shoots blanks. However, the police figured if youngsters had taken it, they could get ammunition, attempt to fire it and the pistol would blow up, there being no other way for the explosive force to get out.

Some youngsters had been seen in the area so Chief Vern Fairchild figured the kids could have taken the pistol. Also missing were cigarettes, flash light, cigarette lighter and an ash tray.

Tuesday afternoon four boys confessed to the police they took the items and turned all except the cigarettes back. They had smoked them.

The boys, all between 6 and 10 years of age, were turned over to their parents for disciplining. As for the police, they were glad to have the matter settled, fearing they would find out the tragic way who had the pistol.

## STAFFS COMPLETE

(Continued from Page 1) and eleventh grades from 1 until 3:30.  
Tuesday, Aug. 30, classes will meet on regular schedule. Rosters showing pupils' names and room assignments will be posted outside each room of the elementary schools.  
Boundaries for Northeast

Elementary will be the same as last year, Seventh Street north and Lincoln Street east. All other town pupils and rural pupils will attend West Elementary. Special education classes will meet at Northeast.  
Classes for elementary pupils, kindergarten through sixth, will be held all day Aug. 29. They start at 8:50 in the morning and dismissed at 3:45 for lower grades and 3:45 for upper grades.  
Kindergarten will be from 8:50 to 11:15 for the morning class and 1 to 1:30 for the afternoon at West Elementary. Kindergarten at Northeast Elementary and Carroll Elementary will meet in morning sessions only.  
Pupils who will be enrolling in Wayne school for the first time are asked to pre-register Aug. 22 or Aug. 23 with the building principals. Seventh grade pupils who will be reporting to the junior-senior high school for the first time will find staff members on hand to help register and show them around.  
Maps of bus routes will be mailed to parents prior to the

first day of school. Lunch price will be \$1.75 a week or 40 cents for single tickets. If there are any questions pupils or parents may call the school office.

### TAX BOOST

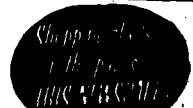

(Continued from page 1)

This means the property tax for the state would be around 10 mills — the tax that voters will decide on eliminating or keeping when they vote on the millage in November.

State equalization board figures are set on the basis of 35 per cent of the actual property value which is what taxpayers pay on. Equalizing is necessary to bring about a fair valuation throughout the state instead of having one county's valuations low and a neighboring county's high.

Here's how neighboring counties fared in the state culling with the first figure representing rural land, the second farm build-

ings, the third urban property and the fourth suburban property: Stanton, up 20, no change, up 15, no change; Dixon, up 15, no change, no change; Cedar, no change, down 5, down 5, down 6; Cumming, up 10, no change, up 6, up 12; Thurston, up 27, no change, up 17, no change; Pierce, up 25, no change, up 11, up 18, and Madison, no change, no change, no change, no change.

# Wayne Midgets Finish 24-0; Win Championship of State

Wayne Midgets wound up a perfect season Thursday by winning the state Legion Midgets championship at Aurora. Hank Overin's boys went undefeated while winning 24 games in a row.

The title came against three other tough teams. Auburn upset O'Neill the first night, O'Neill having a 24-0 record until then. Wayne ousted Gering 7-3 the next night and then slugged down Auburn 7-5 in the finals.

State title jackets were awarded to each member of the team and the coach. A huge trophy was also brought this way to add to the many others displayed in the Boys Club.

The championship game started off with Wayne scoring two runs. Steve Schram walked, came home on Gordon Jorgensen's triple and Steve Kerl brought Jorgensen in with a single.

The local team appeared to have a runaway in the second frame after George Eynon held Auburn scoreless. Lynn Lessman and Doug Farrans walked, Dave Tietgen got on through an error and Schram and Jorgensen came up with timely singles that brought in four more runs and gave Wayne a 6-0 advantage.

Auburn scored a run in the third when Terry Ratliff singled, advanced on an error and came in on a fly ball. Wayne came right back with another run, Kerl walking, Randy Helgren moving him forward with a sacrifice and Eynon getting a single to drive in the run.

Wayne didn't know it then but Auburn pitchers weren't allowing any more hits or runs. The run-up team came up with three runs on two walks, a single and an error to make it a 7-4 ball game. Even then Wayne was not safe and Byron Orton, pitcher, drove in a run when he hit a homer to the top of the seventh to make it 7-5.

Eynon got credit for the victory, although Delmar Wacker went to pitch in the fourth. Eynon fanned three and Wacker five. Orton

hurled to start for Auburn and was replaced by Ted Shevly in the third. Orton fanned four and Shevly three.

Jorgensen had a triple and a single and Schram, Kerl and Eynon a single each for Wayne. Auburn hits included a home run by Orton and a single apiece for Mike McConnell and Terry Rathil.

Wayne advanced to the finals by beating Gering 9-3 Wednesday. The game was a preview of what was to come as Wayne built up a 4-4 lead in the first inning, went in front 7-0 in the third and then coasted.

Jorgensen hit a home run after Tietgen walked to give Wayne an early lead. Larry Hix walked, Kerl singled, Helgren walked to load the bases. Eynon walked to bring in a run and Lessman walked to make it 4-0.

Wacker set Gering down in order. Wayne threatened when Schram walked, Jorgensen walked, Helgren walked and Gering managed to get the side out without a man coming home. Again Wacker set Gering down in order.

Lessman started the third by walking. Tietgen walked, Schram hit a single to drive in a run, Schram and Tietgen pulled a double steal and Hix walked. Tietgen came in on a perfect slide following a passball, Kerl walked, Schram came in on a pass ball and Wayne led 7-0.

For the third time in a row Wacker set Gering down in order but Gering managed to set Wayne down in order in the top of the next frame. Gering got its first hits in the fourth with three runs scoring on three singles. Wayne went down in order the next frame and Gering followed suit.

Kerl started the sixth with a walk, Helgren laid down a perfect bunt to move him to second and the threat died there. Wacker yielded his first base on balls in the bottom of the frame but Gering could not score.

In the final frame, Tietgen walked, Schram walked, Jorgensen

doubted and Schram was put out on a good throw and relay from right field to first to catcher. Jorgensen came in on a wild throw and it was 9-3. Hix walked but he was the final runner for Wayne. Gering went down in order in the last half of the inning.

Wacker struck out six and gave up three hits. Ron Brazeal and Bob Crossman fanned a total of 12 and yielded only four hits. Jorgensen had a homer and a double, Schram and Kerl a single for Wayne. Brazeal, Bill Holfort and Mark Schmekle each a single for Gering.

The local team had a good following at Aurora for the tournament and received royal treatment at the hands of Wayne residents, staying in private homes and enjoying a great time with lots of "cortras" few towns could offer. For Wayne it was the first state baseball championship since 1963 when the Juniors and the Midgets won both titles.

## City Football for Boys Leagues Set

Flag and tackle football for Wayne boys under the city's recreation program is scheduled to start Monday, Aug. 29, according to Hank Overin. Opening of the Boys Club is also scheduled for the same day.

Mondays and Wednesdays the fifth and sixth grade boys will play flag football; Tuesdays and Thursdays, seventh and eighth grades, tackle football; Saturday morning, 9:15-10:30, 5-6 grades; and 10:30-12, 7-8 grades.

First two weeks of the football program will be devoted to conditioning and fundamentals of the game. Boys will then be divided into eight-man teams to play in a league.

Older boys out for the program will make up an all-star team. This unit will represent Wayne in competition with other towns.

Coach Overin said boys may join the program at any time although he likes to have as many as possible out from the first practice on. Anyone who shows up any time during the season will be taken into the program.

Sign-up will be held at the first practice sessions, Aug. 29 for 5-6 grade boys and Aug. 30 for 7-8 grade boys. Further information will be given on football and Boys Club membership fees later on.

## Wayne Loses First Playoff Game 2-1

Keith Winter struck out 20 as Emerson defeated Wayne 2-1 in the first of the playoff games between Emerson and Wayne got underway at Homer Thursday night. The locals were able to get only three hits.

Don Helgren had two of the Wayne hits. Don Goeden hurled for Wayne and Tom Fulcher caught.

Wayne led 1-0 from the third inning to the bottom of the ninth. Emerson loaded the bases but Wayne managed to get two out with the bases still loaded. Then the roof fell in as a blooper fly over shortstop fell safe and two runs came in.

Winter struck out 20 in hurling the victory. Larry Utemark caught for the winners who garnered nine hits but who made three errors.

## New Football Coach Takes Over at WHS; Squad of Around 90 Expected for Teams

A new football coach, Allen Hansen, is in charge of football at Wayne High this year, succeeding Jerry Ball. Coach Hansen comes to Wayne from a successful stint at Wakefield High.

## Horseshoe Tournament Held in Winside Park

A round-robin horseshoe tournament was held Aug. 14 at the Winside Ball Park. James Troutman, Tom Durham, Jr., and Cliff Burris won titles in their respective classes.

Walter Hamm and Alvin Bergstadt directed the tournament which was divided into three classes. Lunch was served on the grounds by the Winside Federated Women's Club.

Trouman took Class A followed by Isidor Gubbeis, Randolph, and Floyd Erickson. Wausa Durham won Class B with Art Brummond, Stanton, and Melvin Goeden, Yankton, trailing; and Burris won Class C followed by Don Wacker, Winside, and Maurice Davenport, Emerson.

## Jerry Wehrer Promoted

Jerry Wehrer, son of Mr. and Mrs. V. G. Wehrer, Wayne, has been promoted to private first class at Darmstadt, Germany, where he is a lineman in a signal battalion. His address is: Pfc. Jerry Wehrer, U. S. 5585756, Co. D, 93rd Signal Bn, APO, New York, NY 09175.

### Teachers Have to Go Back to School First

If you school pupils feel sorry for yourselves because you have to return to school Aug. 29, save your sympathy for your teachers. They return to "classes" Aug. 25.

Supt. Francis Haun has announced the workshop schedule for Aug. 25-26-27. All teachers in District 17 schools (Wayne and Carroll) will be expected to attend.

Following a general assembly at 8:30 in the library, at which everyone will be introduced, a coffee hour will be held, new teachers will have a special meeting, group meetings will be held. Principals Fred Bickers and Loren Park and state department of education personnel will meet with teachers.

Friday's schedule calls for a group insurance meeting at 9:15, coffee, explanation of the new Mid-Continent Regional Educational Laboratory located here, staff dinner as guests of the school board, group meetings and other business. The teachers have to go to school Saturday too. They will have a general session, coffee hour, departmental meetings, lesson plan deadline and room preparation, Monday they enter the " fray " with several hundred elementary, junior

high and senior high pupils depending on them for a productive and instructive year.

### RURAL TEACHERS —

The district without a teacher is No. 109. It is possible this post could be filled later this week or the first of next week.

### Wayne Wins 2-1 to Tie Playoff Series

Look about an exciting series, the playoffs in the Northeast Nebraska League has one Tuesday night Wayne defeated Emerson 2-1 on the local diamond to even the series. Emerson had won the opening game by the same score.

Final game of the series is scheduled for 8 p.m. Sunday in the Wayne baseball park. A huge crowd from Emerson attended Tuesday's game and is expected here Sunday to back the favorites. Tuesday's game went ten innings. The tie-breaking run came in the bottom of the tenth when Rod Tietson drove home Ray Vitiska with a triple.

Wayne had been able to get only five hits off Larry Anderson, pitcher for Emerson. Don Meyer was on the mound for Wayne the full distance and was equally effective.

Don Helgren and Tietson each had a triple. Vitiska, Larry Helner and Tietson each hit a single for the only Wayne hits.

Once again no scoreboard was kept for Wayne so details of the contest are not available. It is hoped the final game of the series will find more information available.

Special tribute was paid Mrs. Walter Herman, Ieland Herman and Jack and Roy Hesson for the facilities provided for the dinner in which everyone was accommodated. Even though the rain Friday had made things muddy and the cattle were just as clean as planned, everyone was well-pleased with the stop.  
Among those present were O. A. Cooper, president of the firm bearing his name; Harry Brown, Bassett, NHA, presi-

dent; John Cookley, Broken Bow, NHA secretary; Fred Rohrke of Farmers Elevator; Wanda Owens, Wayne Chamber of Commerce manager; and Delester Angle, Lake Oswego, Ore., who came the greatest distance to take in the tour.

### Area Congressman Convention Report at Will Be in Wayne Kiwanis Club Meeting

Congressman Clair Callan will head a delegation making an hour long visit to Wayne Friday, Aug. 19, at 2:30 p.m. Purpose of the visit is to discuss the availability of funds for park development under a federal program.  
The fair board, city council, planning board, school board, mayor and anyone else can attend. A representative of the park department of interior will be on hand.  
Pat Swem of Washington, will represent the department of interior. He will explain how the city and county can avail itself of the federal funds for park development.  
It has been proposed that the fairgrounds be developed into a complete park with all types of recreation and sports facilities. This idea is in the early stages but local residents want to know how far the federal agencies will go in assisting in the plan.  
Callan and party will arrive at the airport at 2:30 p.m. The meeting with him and the department of interior representative will be at the Wayne City Auditorium.

President Harold Engalla was featured on the Kiwanis Club program Monday noon at the Woman's Club Rooms. He reported on the international convention of Kiwanis in Portland, which he and his wife attended.

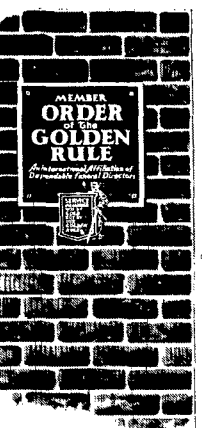

**KIWANIS GUESTS**  
Two guests of the club were Ken Dreissler and Jack Niles. Dreissler is the new teaching counselor at Wayne High School and Niles is the new manager of International Harvester.

Next Monday, Pat Tolley, new Boy Scout executive in Wayne for the Lewis & Clark District, will be featured speaker. He will tell of progress made in getting the new district set up.

A watermelon feed is tentatively scheduled for later in the week. Details will be given in next week's paper.

### Hoskins, Pierce in Championship Roles

Hoskins won the Pony League title and Pierce won the PeeWee title in the tournaments. At Hoskins the past week Pierce and Hoskins won third place respectively in the two divisions.  
There were two team forfeits in the final play. Carroll forfeited in the Pony League third place game to give Pierce that honor and Wayne forfeited to Hoskins in the Pony League championship tilt due to some of the players being at the state tournament at Aurora and rain preventing scheduling the game later in the week.  
In the PeeWee game for third place, Hoskins beat Wisner 4-3. Ed die Brogie, Duane Walker and Kevin Johnson pitched for the winners and B. Heinemann for the losers. Larry Bruggeman and Mike Anderson were catchers for the two teams.  
Hoskins hits included a triple by Doug Moritz and a single apiece by Larry Bruggeman and David Kleensang. R. Bonenkamp had a double and a single, Al Rabe a double, M. Cornell two singles and J. Breikreutz . . . on a single each for Wisner.  
Pierce beat Maple Creek for championship in the PeeWee championship tilt. Mark Luebe pitched no hit ball for Pierce with Tom Schleppebach doing the receiving. Dale Stadala pitched and Ron Stadala caught for Maple Creek.  
Hits for Pierce included a triple by Luebe and a single each by Gary German, Tom Schleppebach, Roger Cox and Mike Christensen.

## Dixon Celebration Draws Big Crowd on Perfect Day for Variety Entertainment

MISS DIXON at the festival in Dixon was Cloude Dirks, right. Cheryl Dowling was first runnerup. They are shown with Mayor Frank Tomason.

Picking a most pleasant day and with a variety of entertainment to draw all ages, the Dixon Festival was held Monday. Population of the town increased around ten-fold as well over 1,000 people attended events.

Cloude Dirks, daughter of Mr. and Mrs. Myron Dirks, was crowned queen. Cheryl Dowling, daughter of the Kenneth Dowlings, was first runnerup.

The tractor-pulling contest drew 42 entries for one of the biggest such competitions in the area. It was not possible for everyone to see as crowds were allowed too close but next year the town will have this situation corrected for the popular "drag races" of tractors. Jim Nelson, Wakefield, won the Class A event (under 6,000 pounds) with an International MD. Rodney Monk, Laurel, with a John Deere R, won the 6-8,000 pound class; Duane White, Dixon, had a 4,010 John Deere diesel that won the 8-10,000 weight division; and Owen Longe, Wayne, won 10-12,000 with a John Deere 4010.

Two candidates for governor appeared, both speaking to large and receptive crowds on Dixon's main street. Norbert Tiemann appeared following the parade in the afternoon and Lt. Gov. Phil Sorenson appeared prior to the crowning of Miss Dixon in the evening.

Kiddies had a parade of their own and although no prizes were given, each received free ride tickets. There were 45 entries in the main parade, counting the Allen band twice, that aggregation going around the block after leading the parade and marching through again in mid-parade.

Entries included: Allen band, Miss Dixon candidates, Miss Wakefield, Miss Allen, Allen Community Club, mule wagon fire tanker, 1960 Ford, Dixon Belles 4-H, 1930 Chevrolet, 1924 Model T, 1926 Ford, Laurel Chamber of Commerce, Allen VFD, Dixon County Historical Society, Lyle Cleveland's old fire truck, 1918 Lexington.

Dixon MYF, Wayne-WSC float, Laurel Feed, St. Paul's Lutheran of Allen, Holmquist's of Laurel, Dixon Cafe, F-20 tractor, Laurel

Advocate Wayne Herald-Farm Bureau entry by Mr. and Mrs. Sterling Borg, Laurel, Co-op Motorcycles, Concord Community Float, Allen Band, McCorkinville Implement of Laurel, 14 horses and Hampton's Elevators.

Eldred Smith was MC for the parade and afternoon program with Mrs. Sterling Borg assisting in describing parade entries. Frank Sailors, former Dixon resident, was MC for the evening show.

There was a variety of music throughout the day, the crowning ceremony, a dance and a good carnival plus local booths and food stands. It all added up to a big celebration indicating Aug. 15 may once again become "Dixon's day" when everyone heads for that town.

### State Officers Catch Out-of-County Drivers

State officials were the only officers having court cases coming before Judge David Hamer the past week. All of the drivers were from outside Wayne County.

Aug. 8, Ronald Hair, Norfolk, appeared on a speeding charge. He paid \$10 fine and \$5 costs. Trooper C. Franssen, Nebraska Safety Patrol, brought charges. Two cases were heard Aug. 10. The first involved Ronald Carlson, Sioux City, who was charged with speeding. Fine and costs came to \$15. Trooper Gary Kinney, NSP, filed the complaint.

The same day, Earl Baker, Norfolk, was charged with a stop sign violation. Marvin Adams, NSP, filing the charges. Baker paid \$10 fine and \$5 costs.

There were also two hearings Aug. 12. Robert Galitz, Norfolk, appeared on a charge of overloading a truck on both axle and capacity plates. Scale Operator H. Johnson brought charges. Fine was \$10 and costs \$5. Sharon Dietrich, Laurel, had a speeding charge the same day. Trooper Adams filing that complaint also. Fine was \$10 and costs \$5.

## Funeral Services Held at Concord For Ray A. Rice

Funeral services for Ray A. Rice, 64, were held Aug. 14 at Evangelical Free Church, Concord. Mr. Rice died Aug. 11 at a Sioux City Hospital.

Rev. Marvin Litorja officiated at the rites. Mrs. Clarence Rastede and Mrs. Frederick Kraemer sang "The Old Rugged Cross" and "Beyond the Sunset." Mrs. Ervin Kraemer was accompanist. Pallbearers were Roy Koch, Arnold Witte, George Shufelt, Alden Serven, Stend Kastrop and Clifford Stalling. Burial was in Concord Cemetery.

Ray A. Rice, son of Stanley K. and Anna B. Cates Rice, born Dec. 12, 1901 near Concord. He farmed near Concord until a year ago when illness forced his retirement. He was married April 24, 1936 to Fern Hurley at Parker, S.D.

His parents, a brother and a sister preceded him in death. Survivors include his widow, two sons, Clyde Denver, and Dale Danbury, two brothers, Glenn, Allen and Orville, Concord, a sister, Stella Rice, Concord, and four grandchildren.

### Hoskins Driver Moves Up in Race Standings

Gene Brudigan moved into second place in season point standings in stock car racing at Norfolk Sunday. He won the trophy dash, second in A Feature and second in the third heat to boost his rank.

Brudigan and other drivers will race at Albion and Norfolk this coming week. He is also planning on entering the state fair stock car races.

Other Hoskins drivers fared like this: Gary Kant, first in the first heat and fifth in A Feature; Willie Mahler, second in the third heat; Harold Brudigan, first in C Feature; and Arvon Kruger, second in B Feature.

Gene Behmer was the only local racer at South Sioux City, Louis Meyer still being unable to compete. Behmer won second in the trophy dash, fifth in A Feature and fifth in his heat at Sunday's races.

Mrs. Mae Young entertained at dinner Sunday at Miller's Tea Room for Wilma Gildersleeve, Sherman Oaks, Calif.; Mrs. Joseph Phillips, Imperial, Pa.; Mr. and Mrs. H. E. Radaker, Wisner; Mrs. R. D. Moodie and Pam, West Point, and Mr. and Mrs. David Young, Concordia, Kan.

Mrs. Alma Geewe and three children, Mrs. Tena Hammer, Wayne and Mrs. Lillie Henschke, went to Lyman, Wyo., last week to visit at the Harold Tanner home. They also toured Salt Lake City, Utah.

Mr. and Mrs. Ed Krusemark and family returned last Tuesday from a visit at Biloxi, Miss., with their son who is stationed there. They were guests at the Rev. Ritchey home, DeRidder, La., and were with friends at Nashville, Ark.

Mr. and Mrs. Merlin Bressler and family and Mrs. Myrtle Bressler returned Sunday from a 2,000-mile trip. They were guests of relatives at Poplar, Wis., later going to Duluth, Lake Superior and Canada. Saturday night they were guests at the James Kventensky home, Omaha.

District 7 will be closed this school year. Five pupils will enroll at Wakefield; three at District 25 and one at Pender.

Mr. and Mrs. Arnold Hammer, Mr. and Mrs. Willis Hammer, Mr. and Mrs. LeRoy Hammer, Mr. and Mrs. Elmer Bargholz and families and Mr. and Mrs. Fred Tappan went to Norfolk Sunday to meet Mr. and Mrs. Melvin Hollman and family. Leigh for picnic dinner.

Mrs. Ed Zessin and three daughters, Denver, and Mr. and Mrs. Fred Thomas, Norfolk, were supper guests Sunday at the Clark Kai home.

St. Paul Aid met Tuesday with Mrs. Dan Dolph and Mrs. Robert Hansen serving. September hostesses are Mrs. Deloyd Meyer and Mrs. Walter Utecht.

Mrs. Arnold Brudigan and Mrs. Mabel Clinkenbeard attended a shower Saturday at Pender for Jane Frey.

Mr. and Mrs. Eugene Herding of Starden, Minn., were guests Sunday at the Paul Henschke home. Kathy Schutte of Laurel and Anita Schneekloth will be roommates when they enter nurses training class at Omaha Methodist Hospital this fall.

The William Hansens attended Mueller reunion at Norfolk Sunday. Terry Kai, Harry Steinhoff and daughter, Noreen, spent Thursday in Council Bluffs at the Maurice Steinhoff home.

COLONEL THOMPSON, Dixon auctioneer, right demonstrates how he goes about selling an item. The dog was not being sold. Prospective buyers left to right are Gaylord Strivens, Donald Knoll and Monte Burns.

### Resident of Dixon Young Auctioneer

Col. Jim Chandler Dixon may be the youngest auctioneer in the state of Nebraska. He is 14 and returned Friday from Mason City, Ia., where he had completed a course in auctioneering.

Jim's parents, Mr. and Mrs. L. D. Thompson, said their son has long shown an interest in auctioneering and enjoyed going to livestock and farm sales to watch auctioneers. When he asked about becoming an auctioneer, he was told he would have to raise the money for the school costs himself.

That did it. Jim mowed lawns, cut burrs out of corn, raised a calf and made money wherever he could. When he had enough, his dad told him if he "flunked out" he'd be wasting a lot of time and money.

But Jim was not about to flunk out. He took the two weeks course which includes study and work 12 hours a day. When he was through, he was given encouragement for the enthusiasm and ability he had shown.

He doesn't expect to make a living auctioneering yet but he'd be glad to team up with any other auctioneer for sales. He will also be available for church benefits and other auction work that will give him experience.

Col. Thompson rattles off the auctioneer's chant like a professional — and that's what he

is. His diploma from Reich American School of Auctioneering proves it and with graduation comes the honorary title "Colonel".

He is anxious to try out the phrases, the bidding methods and the other talent he learned at the school. It is possible he could also be a special attraction at sales as he is sound, personable and capable. He's no threat to the established auctioneers, yet but he could be an asset to anyone who had him for a partner for sales.

Clarence Schroeder is a patient in the St. Joseph Hospital, Sioux City.

James Puckett, Munich, Germany, has been visiting his grandparents, Mr. and Mrs. Willard Munson. Dinner guests Wednesday in the Munson home were Mr. and Mrs. Ed Boulden, El Monte, Calif.; Mrs. Neil Puckett, Sioux City, and Mrs. Laura Swanson, South Sioux City.

Mrs. Willard Munson received word of the accidental death of her brother, James Kellogg Kellogg was riding a horse when he was thrown and killed. Funeral services were held at Grand Island. She also received word of the death of Mrs. Ann Iredale of Grand Island. Mrs. Iredale was the

former Mrs. Jiles Kellogg of Allen. Mr. and Mrs. A. W. Johnson, Youngtown, Ariz., were dinner guests Friday at Mr. and Mrs. Basil Wheeler. Mr. Johnson donated two pictures which he had painted to the Dixon County Museum.

Mr. and Mrs. Ken Linafelter and family and Mrs. Wendell Roth, Sioux City, spent several days last week fishing in Minnesota. They were joined for the week-end by Mr. and Mrs. Bill Kjer and family.

### Guys and Dolls Meet

Guys and Dolls 4-H Club held a meeting Aug. 8. Mary Ann Freichs went to the district dairy show Aug. 3 where she won a blue ribbon. Record books were discussed. Demonstrations given were DeAnn Troth, how to break an egg and how to straighten material and Kenton Emry, how to make a first aid kit. The sewing girls practiced modeling. Members will meet at the Bill Kjer residence Aug. 16 to practice. Sheri Kjer, reporter.

Methodist WSCS will meet at 1:30 Aug. 18 for a 1 p.m. luncheon. Mrs. Mary Milner, El Centro, Calif.; Mrs. Emma Shortt and family, Robert and Leslie Noe and

family were guests Sunday in the Lloyd Temperly home, Tilden. Mr. and Mrs. George Baker, Whiting, Ia., and Mrs. Harry Goodwin, Sloan, Ia., were dinner guests Sunday at Mr. and Mrs. John Karjberg. Mr. and Mrs. Lowell Nygren and family, Battle Creek, and Mr. and Mrs. Harold Johnson and family, Wakefield, were dinner guests Friday at Mr. and Mrs. Basil Wheeler honoring Mrs. Wheeler's birthday. Mr. and Mrs. Vern Jones received word that their daughter, Marjorie Denver, had been injured in an automobile accident. She was riding in a car with two other friends when the car went out of control around a corner. They were thrown over a 300-foot embankment. Marjorie received many cuts which will require skin grafting. The two friends were killed. Her address is Mrs. Don Rasmussen, 1264 Stuart St., Denver.

## Wayne Police Check on Three Traffic Mishaps

Three traffic accidents occurred in Wayne the past week. Details are contained in a separate article. Friday at the swimming pool parking lot, it had been raining and car windows steamed over. Roger Schwank, Wayne, backed out and struck the side of the car parked by Myron Good, Wakefield.

Steam on the back window had prevented Schwank from seeing the Gust car. Officer Alan Pack, who investigated, reported no injuries.

The following day at 516 Fairview Road, Ruth Moñie, Salina, Kan., was backing out of a driveway when her car struck the right front of a vehicle driven by Nyle Exelbren, Wayne. Damages were light. Officer Pack investigated.

AREA SHIPPERS... Area shippers to Sioux City last week included George Janger, Winslow, 35 butcher hogs, weight 231 lbs., \$26.75 per cwt.; Melvin Magnusson, Carroll, 36 butchers, weight 219.5 lbs., \$26.75 cwt.

## Sheriff's Officer Checks Accidents

Deputy Sheriff S. C. Thompson investigated two accidents for the sheriff's office the past week. Both occurred in the evening hours.

Saturday night at Carroll, Raymond Hammer, Carroll, was driver of a car that struck the parked car of Maurice Hansen in front of the Hansen home. No one was injured and there was minor vehicular damage.

The following night three miles south and five miles east of Wayne an intersection crash occurred. Deputy Thompson said if one car had been ahead a foot or the other been a foot further back the accident would not have occurred. Wendell Korth, Wayne, was east-bound. His car caught the right rear end of a car driven by Richard Hamner, Wayne, south bound. There were no injuries and damages were not extensive.

## FOR SALE LIVING ROOM SET

(Think it would qualify as an antique)

Davenport, 8-ft. long with seven plush or velvet cushions. Large arm chair with two cushions; large rocking chair with two cushions.

The set originally belonged to some pioneers who came to Nebraska from Illinois in the early 1890's.

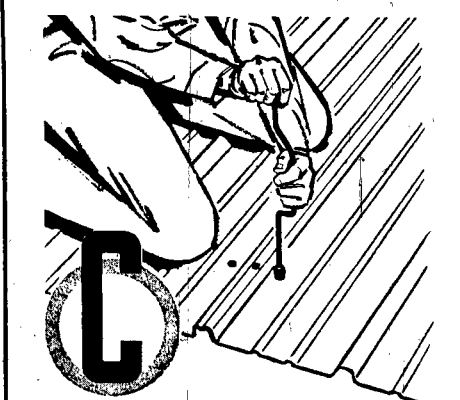

All three pieces are in excellent shape, each has rattan in the back and ends. Black mahogany, each piece is as solid as the Rock of Gibraltar. Not a shiver or a squeak in it. The cushions are all good and the rattan is perfect, not a hole in it.

This set is in the basement of the Pierson Insurance Agency and you may look at it any time. I do believe that a set of this quality would be priced at \$600 or more. Each piece has a brass tag on it by the manufacturer "Abernathy Furniture Co." Am told this is an old company with a reputation for quality. It was located in Pennsylvania.

This set should be in a rather large room, Dandy for a rumpus or recreation room or a large enclosed porch.

PRICE — \$350.00

The folks in the Pierson office will let you look at it. YOU MAY CALL MARTIN L. RINGER, PHONE 375-2316

## He's Joining Roof Panels that Won't Leak CUCKLER'S CROWN SEAL

Cuckler's Crown Seal roofing and siding panels positively won't leak at the lap. The exclusive design has a three-fold block against moisture trying to get into a Cuckler building.

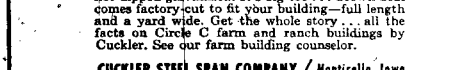

1. Large drain channel runs uninterrupted from the ridge to the eave on each lap . . . assures complete draining of any wind-driven moisture.

2. The height of the crown-shaped rib gives added protection against the entrance of moisture in any form—simply makes a lap too high for the water to get into. And it adds strength to the entire panel.

3. Anti-siphon edge . . . this special edge where the panels overlap prevents siphoning of water up into the joint. The long air pocket created by the slight hump also prevents capillary action of any moisture inside the lap.

These three points offer positive assurance of a moisture-tight building under Cuckler's Crown Seal. It's tough . . . Crown Seal is heavy 26 gauge steel, hot-dipped galvanized. 1 1/2" high top . . . Crown Seal comes factory-cut to fit your building—full length and a yard wide. Get the whole story . . . all the facts on Circle C farm and ranch buildings by Cuckler. See our farm building counselor.

## Wayne, Norfolk Join Iowa Cities in New Industrial Development Project for Area

R. J. Fuelberth, president of Wayne Industries, has revealed that Wayne and Norfolk are joining 12 Iowa communities in an industrial development project. It is thought to be one of the first such organizations to cross state lines.

Ida Grove, Onawa, Spencer, Sheldon, Sanborn, Rock Valley,

LeMars, Sioux Center, Sioux City, Sac City, Denison and Orange City are Iowa towns involved. All joined in the belief that what helps one community in the area helps the economy of all.

Population in most of the communities has been declining. Therefore

communities decided to work to get industry as an economic area instead of in competition with each other.

An Iowa study had recommended industrial development on the basis of communities. This is the first such area set up in Iowa.

Initial promotional efforts to be sponsored will be an area tour for industrialists interested in locating plants in the Midwest. Around 25 factory representatives are expected to take the tour in October.

They will spend a weekend at Lake Okoboji then go to the Iowa and Nebraska cities, taking part in an evening banquet which climaxes the visit.

During the next few weeks, committees in Wayne and other communities will organize for the tour. A pre-tour trip over the route will be taken in September to eliminate unforeseen problems.

Cooperation in the development work in the tour is being sought from railroads serving the area, Northern Natural Gas of Omaha, Iowa Public Service Co., Iowa Development Commission and Division of Nebraska Resources.

## Concord Firemen Talk About Building Work

Concord Volunteer Fire Department held a meeting Tuesday night of last week. Rural Fire District representatives met with the VFD to talk over building proposals.

The kitchen in the fire hall is still a live issue although there has been little activity along that line lately. Agreement was reached Tuesday on making a final de-

cision on the matter soon.

Repairs are also needed for the front of the fire hall. The Rural Fire District representatives informed the VFD that a man will be hired to brace the front and make other needed stabilizing changes.

Concord's firemen are going to be called out more between now and the county fair Aug. 25-27. Each man is to know the use and operation of equipment so no matter who is on hand the department will be prepared for all situations.

## Veterans Getting Some Civil Service Benefit

Chris Bargholz, Wayne County service office, points out that there is a civil service benefit provision in the new GI Bill. Most interest has been in educational benefits, he said, but there are provisions that affect civil service.

Veterans get five points added to their scores in civil service tests and ten points added if they were disabled or awarded the purple heart. Veterans who served since January 1955 are eligible for veterans' preference in job selection.

Prior to enactment of the new GI Bill, veterans who served since 1955 did not receive veterans' job preference even though they rated high on tests. This information and other information on the new GI Bill and its benefits can be obtained from Bargholz at his office on Main Street, Wayne.

## Let's Lock Those Doors!

For the unpeppery time in recent weeks, Wayne police patrolling the business area and checking doors at night have found a business place door left unpeppery. Again they were instructed to lock up as there was no sign of anyone having entered the place. In other activities the past week, the officers escorted the Stanton County Fair boosters, unpeppery a dog that wouldn't move out of a business house doorway. Two carnival workers, a night's lodging in jail when they couldn't find rooms on a rainy night, delivered a telephone message to carnival operators at the fairgrounds, patrolled the streets, escorted fairs, investigated accidents and conducted other routine business.

## Mudders Win Fair Horse Race Prizes

The horses and ponies that could run on a muddy track did the best in two days of horse races at the Wayne County Fair. Friday's races were held Sunday due to the rain.

One race was run Friday in the rain with a Hixson entry from Neligh winning. Jim Robinson was second and Bill Koepke third.

Here are the divisions and the order of finish for Saturday's races: Shetland (small), Susan Dorsey; Dan Asmus, boys' Welsh (small), Roger Anderson; Larry Anderson, Rick Schluns, boys' Welsh (big), John Behmer, J. D. Vogel and Larry Carstens; Girls' saddle horse, Kathy Anderson, Pat Nelson, Cindy Swinney; boys' saddle race, Dan Frink, Rick Schluns, Terry Davis, Class B open, Eldon Schultz, Don Langenberg; Randy Schluns; Class B open No. 2, Bill Koepke, Ray Junck, Terry Davis; Class A open, Orval Anderson, Alvin Schultz, Ivan Koepke.

Half mile, Lee Anderson, Butch Carlson, Dale Westerholt; Class B open, Bill Koepke, Gary Jenkins, Wayne Anderson.

Sunday's race results were as follows: Shetland (small), Susan Dorsey; Dan Asmus, Kevin Johnson; Shetland (large), Roger Anderson, Larry Anderson, Mary Jo Thompson; Welsh (small), Doug Cunningham, J. D. Vogel, Steve Schluns; Welsh, Jon Behmer, Larry Carstens, Bob Fuhrman.

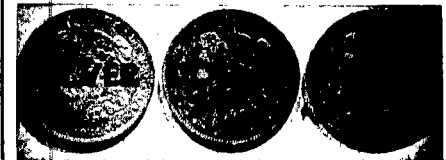

Girls' saddle horse, Amy Coryell, Cathy Anderson, Kevin Christensen; boys' saddle, Bob Harmeister, Terry Davis, Ray Junck; Class B (small), Ivan Koepke, Randy Schluns, Ray Junck; Class B (large), Don Asmus, Leon Sieck, Gary Jenkins; Class A

INDUSTRIAL ARTS work from Wayne High School classes taught by Mike Mallette, was being inspected by three members of the class when this picture was taken. Mike Gust, right, made the table and lamp rating superior. Jody Hoagner, left, and Wayne Magdanz also had work not shown in the picture.

Orval Anderson, Eldon Schultz, Leon Sieck, Kevin Johnson, Mary Jo Thompson, Class B non-winners (over 16), Larry Carstens, Doug Cunningham, Steve Schluns, and Class B non-winners (over 16), Ivan Koepke, Eldon Schultz, Tom Thompson.

Sliding a curtain rod through a curtain is sometimes tough on the curtain and the curtain hanger. Slip a finger off an old glove and slip it over the curtain rod before working it into the curtain. Saves wear and tear on both curtains and people.

Yeast Rolls  
2 cups milk "scalded", 1 cup lard, 1 cup sugar, 1 tsp. salt, 6 beaten eggs, 10 cups flour (approximate), 3 pkgs. dry yeast in 2 cups lukewarm pot water. Mix as for any yeast bread. A large recipe that freezes well. Can be made into a variety of rolls, buns, cinnamon rolls etc. Mrs. Dorothy Grashorn, Wisner, Nebr.

Most men would howl their heads off if served a dairy salad for lunch but for a women's gathering — bridge club and the like — this one would be very appropriate. 1/4 cup minced tuna fish, 1 hard-boiled egg chopped fine, 1/4 cup chopped walnut meats, 1 cup chopped cooked string beans, 1/2 cup shredded dill pickle, 1 cup shredded cabbage, 1 1/2 tbsps. minced chives, 1/4 cup mayonnaise and 1/4 tsp. salt. Combine ingredients with mayonnaise and serve on lettuce. Garnish with mayonnaise sprinkled with capers or minced parsley. Serves four.

### Truck Overtakes Near Carroll Saturday Night

A loaded semi-trailer truck overturned at the junction of Highway 98 and 57 three miles south of Carroll Saturday evening. No one was injured but there was considerable damage to the 40-foot trailer.

Trooper C. L. Howell, Nebras-

IN F.H. COMPETITION Cindy Kniesch, Wayne, showed the reserve champion Halcyon and the junior champion Heifer in her class at the Wayne County Fair.

ka Safety Patrol investigated the mishap. He said the tractor and trailer were owned by Davis Feed & Produce, Carroll, and the driver was Larry Dahlkoetter, Carroll.

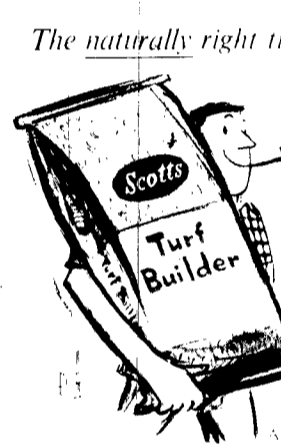

Dahlkoetter was to be met by a wrecker. The truck was loaded into the dump by the wrecker and transported in making a trip to a local repair shop.

The truck loaded with 480 bushels of seed, fitted with and turned onto its left side.

The overturned seed crates on the tractor were found on his knee. The tractor was found to Wayne County. The driver was taken to the hospital and transported in making a trip to a local repair shop.

### Dixon County Fair, Concord, Ready for Three-Day Run Latter Part of Next Week

The Dixon County Fair, Concord, hoping for better weather than prevailed last year when it rained the first two days, will get under way Thursday, Aug. 25, for a three-day run.

A free barbecue opening at 5:30 will be one of the highlights. Regular admission tickets to the grounds or season tickets entitle fair visitors to all they can eat at the feed sponsored by the fair board and towns of Dixon county.

All towns of the county are also sponsoring the Miss Dixon County Centennial Queen contest. Winner will go to the state contest in Lincoln the last week in November.

Each contestant will receive a silver centennial bracelet engraved with their name. Five girls in the finals will receive corsages, four runners-up will get \$5 each and the queen will get the trip to the state finals, \$25 and a bouquet.

Tractor pulling will be a Thursday feature along with horse judging. Friday there will be band concerts, stage shows, baseball, livestock parade, presentation of special awards and a night program.

Saturday, Aug. 27, there will be a band concert, free acts, queen

judging, baseball, parade of bands, floats and queen candidates, final judging of the centennial queen candidates, music by the Dixon County Centennial Chorus, crowning of the queen, and free fireworks.

The Dixon County Fair Board believes this year's fair could be the biggest and best the county has ever had. With a break in the weather following the beneficial rains, the Concord fairgrounds could be teeming with people all three days and nights.

to his family and country and we hope he gains a new insight into America and Americans from his contacts while in Wayne. It must be remembered that "Wayne IS America" to him. Much will be new, almost every thing strange and some things bewildering. Yet we expect him to adapt fast and within a short time become so accustomed to the way of life we take for granted he will soon feel at home. He couldn't have been sent to a nicer home than the Browns and we think Wayne is one of the nicest towns to which he could be assigned. This is as it should be for I hadet appears to be one of the nicest things that could happen to a family and town. He is a welcome guest and we hope he will never have regrets for having come here from Thailand.

Two women were gossiping in a theatre during matinee intermission. The first asked the second: "Where did you go on your vacation?"

"We went to Majorca."

"Majorca? Where in the world is that?"

"How should I know? We flew."

## Hoskins Boy Has Tractor Tire Treads Showing Ten Days After Hurt in Accident

Galen Koepke, 15, son of Mr. and Mrs. Herman Koepke, Hoskins, still has tractor tire tread marks on his back this week after being run over by a tractor Aug. 8. He was hospitalized one week but is now home recuperating.

The youth was operating a tractor with a two-wheeled cart loaded with spray equipment. A nut holding a pin came off and the pin shook out, allowing the tongue of the cart to break loose from the tractor.

This slowed the cart but the spray hoses were still connected to the cart and power take-off on the tractor so it jerked the cart forward. Two barrels of spray in the back of the cart "shot the tongue into the air" and Galen was knocked off his seat.

A big wheel of the tractor passed over him but the cart stopped about a foot from his chest. The tractor continued moving until it stopped against a fence.

A bumpy field and a ridge near which the fell probably helped save the plucky youth from major injuries. As it was, the tractor bounced over a ridge near where Galen fell so the full weight of the old small tractor did not come down on his body.

Galen blacked out momentarily

but when he recovered consciousness he did what most farm boys would do in the situation. He got the tractor away from the fence and drove it almost a mile to the Koepke farm.

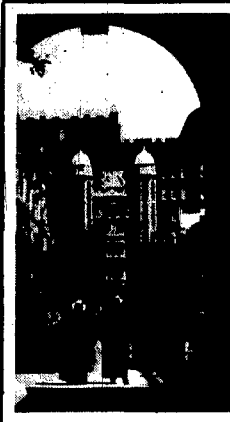

An ambulance was called to take him to a Norfolk hospital where it was found he had suffered a ruptured spleen complicated by internal hemorrhaging. Surgery was performed and for several days the youth was uncomfortable but not in danger. His parents said he had no broken bones, no complications and no permanent injuries. He expects to be able to start to school later this month at Pierce where he is a sophomore.

### Repeat Therapy Program

Norfolk State Hospital is repeating the therapy program broadcast recently over WJAG. There was so much interest, the program will be presented again Sunday, Aug. 21, at 8:30 a.m. The occupational therapy department will be featured. Chaplain Paul Laabs, Mrs. Ramona Lamson, Supervisor Inez Rolf, Mrs. Martha Sipson and LeRoy Meisinger will take part. Area residents are being urged to tune in.

THIS ENTRY by Carol Wagner, Winside, is named "Bob." It was named champion of its breed in the dairy cattle division for 4-H members of the Wayne County Fair

### What's the cost of a good college education?

Plenty! If your child is deprived of one. Or if you have not prepared sufficiently to pay for one. Or if you are not on the scene to make sure your child has the money to go to college, whether you are here or not. And, by starting now, when your children are young, the cost of educating them in later years will not pinch you financially. Choose a program on your life in an amount sufficient to pay the way to opportunity for your children. Call...

by Mrs. Lawrence Ring

To observe the birthday of Paul Severs Wednesday, the family was in the Merle Ring home for supper. Mr. and Mrs. Norman Haglund and family spent the weekend with relatives in Minnesota. Mr. and Mrs. Walter Haglund and Elmer Anderson were at the farm during their absence.

Mrs. Dean Sandahl and Bruce Lincoln, spent most of last week with relatives here.

Last Tuesday afternoon, Mr. and Mrs. Ed Sandahl were guests in the Virgil Mutz home, Pender to visit Mrs. Blanche Miller, Omaha.

Mrs. C. L. Bard and Mrs. Elmer Nelson were in the Wm. Buckholz home Sunday afternoon to celebrate Brooks' fifth birthday.

Mrs. C. L. Bard was in the Austin Ring home for dinner Monday. She will be in the home while the Rings go to San Diego to get Jim, who has completed his basic training, and will accompany them home for a furlough.

Rev. and Mrs. Albert Bengston, Miami, Fla., Mr. and Mrs. Melvin Lundin and Mr. and Mrs. Fred Lundin were visitors Saturday in the Martin Holmberg home. Sunday, the Holmbergs were at Yank-

**Dr. J. R. Johnson  
Ends WSC Career**

The end of Wayne State's 1966 year marks the end of a 31 year career on the campus by Dr. J. R. Johnson.

Professor of history and former chairman of the division of social sciences, Dr. Johnson resides at Wayne but will continue teaching at Kennedy College, Wahoo, a new institution beginning its second year this fall.

Dr. Johnson joined the WSC faculty in 1935. This was the oldest faculty member in tenure. Another long timer, Russell Anderson, who came in 1930, also retired this year, in April, as did his wife, Virginia.

The departure of Dr. Johnson is practically everybody called him including students among themselves, ends a colorful era extending back to the phinistration of President F. S. Johnston. Johnson was the only permanent faculty member who served under all five Wayne State presidents.

American history and especially Nebraska history were his specialty, and he wrote a book "Representative Nebraskans," chronicling some of the state's notable figures.

After the legislature established the Nebraska Historical Land Mark Council in 1955, Gov. Ralph Brooks named Dr. Johnson to the five-member council. He was chosen as its chairman, a position he still holds and enjoys because it gives him opportunity to keep alive the history of Nebraska.

Now in his second four year

term on the council, Dr. Johnson has presided over an attending most of the observations of about 38 historical markers.

Before the year ends, about 52 markers will have been erected and some 20 more are in planning stage to commemorate notable people, places and events of Nebraska history. One of the markers, at Wayne's airport, records Wayne county history.

Dr. Johnson was dean of Norfolk Junior College and superintendent of Wakefield schools before coming to Wayne State in the summer session of 1935. He became chairman of the social sciences division in 1963 when the late O. B. Bowen retired, and continued as chairman until 1963.

A native of Indiana, born at Jackson Hill, he earned three degrees from the University of Nebraska and, in the summer of 1937, was visiting professor of history at the university.

He has written numerous articles and book reviews for various historical journals and he is a member of many professional organizations. Past president of the Wayne County Historical Society, the Nebraska History Teachers Association, and the Nebraska Writers Guild, member of the Nebraska Folklore Society's executive board, member of the Omaha Fusse of the Wisceners and of several state and regional historical associations.

Mrs. Ramunda, Newman, Kennewick, Wash., and Mrs. Dorothy Smith, Winston, Mont., spent several weeks with Bernadina Perdue.

# EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern the readers.

You may not agree with an editorial — but if you read the editorial and are serious about the subject discussed you may gain. You as a reader have a right to know the important points and the writer should be called your attention to an important subject that you may have overlooked.

## A Low Bow to Aurora

Those from Wayne who went to the state baseball tournament in Aurora will confirm this statement: Aurora is a friendly town and deserves great credit for the manner in which it handled the state meet.

Many towns put the word "friendly" on signboards but Aurora puts friendliness in its actions. From years when Oshkosh went to Aurora, to the present when Wayne has been back again, Aurora has held a high place of esteem for ball players and fans who have experienced that special friendliness Aurora possesses.

It's nice enough to have a splendid ball park with the best of facilities. It really helps to have a Legion post that is aggressive enough to care about making the

tournament something extra special. But the merchants, the townspeople and the surrounding farmers go out of their way to help too. They house and feed the players and coaches; they provide extra entertainment; they devote time, ears and telephones to making the visitors feel at home.

You can seldom hear an unkind word said of Aurora — and never among Legion baseball fans. It is a friendly place, a fine city and one that deserves to grow bigger, better and more prosperous.

Any town that can claim to be "almost as good as Aurora" is making a strong claim as far as many visitors are concerned. They just aren't many towns that nice. Even coming close would be gratifying. — CEG

## Be Kind to the Big Boys

Do you understand the measure you'll be voting on regarding prohibiting the state from assessing a property tax? It sure is a "be kind to the big boys" measure.

If the voters approve this, under the delusion it is going to cut their own taxes markedly, they are going to cut their own throats. The ones who benefit the most will be the big property owners and the big industrial firms.

Take Union Pacific for instance. Its yearly taxes paid to Nebraska come to hundreds of thousands of dollars. Under the new plan, the railroad would not pay a cent for property tax to the state.

Or there's Western Electric, just outside Omaha with a multi-million dollar installation. Its tax bill is considerable but it could be reduced to zero as far as the state is concerned if the people are kind enough to remove the property tax from the state fund-raising powers.

Somewhat says "We'll boost industry if we eliminate this tax." It is doubtful

if this is true either, for of all states in the area, only Colorado exceeds Nebraska in growth since 1960 on a percentage basis. Other states have different tax set-ups, the type of set-ups for which Nebraskans are being prepared.

Wayne County residents may like the looks of that proposal to forbid the state to levy a property tax to raise money. It glitters but it is not gold. A little more research into the true situation that will exist should they approve this bill might reveal what will happen.

Basically it is this: If Union Pacific, Western Electric and other big outfits no longer have to pay property taxes to the state, the funds will still have to be raised. Where will they come from? They'll come from your pocket. Picture all the "big boys" there are in the state and then ask yourself if you want to help make up the money they won't be paying.

The dollars you save could be your own. — CEG

## The Real Show Stars

Bring on any nationally famous personage and you'll draw a crowd to a fair or any other program. However, no matter who the stars are and what they do the real "stars" of the Wayne County Fair are the local people.

The 4-H kids with their stock, home-making and demonstrations, the school youngsters with their prize-winning displays, the farmers and farmers' wives with open class exhibits, the tractor-pulling contest entrants, the horse show participants, the queen candidates, the bands and others are all home grown. Take them away and it would not be a fair.

Wayne County individuals, professional people and businessmen put on the barbecue. Again it is a local "show" that reflects credit upon Wayne County itself. Al Bahe is a one-man-gang. The

county agents, the area agents, the class superintendents, the school teachers, the school superintendent and others contribute much to the show.

Then there are the crowds. People at a fair put on a show of their own and it's all free. The kids with cotton candy, riding motorcycles around in circles, running around chasing each other, vying for cheap prizes at stands and sleeping in mothers' arms are all part of the biggest show in the county.

Wayne County puts on quite a show each year. Again this year the fact is obvious: The biggest part of the fair comes from the county's farms, out of the county's stock barns, out of farm and town homes and from the business places. They make the fair the success it is. — CEG

# Capitol News . . . Requests 80 New Troopers State Safety Patrol Head

LINCOLN—Col. Dan J. Casey, commander of the State Safety Patrol, reports he will ask for at least 80 new troopers from the 1967 Legislature.

He said the additional patrolmen, which would boost the force's uniform capacity to 350, are needed primarily for increased coverage of primary and interstate highways.

Casey said the patrol is now undermanned and underpaid. He said the next legislature "must do something about it."

The patrol chief's plea for more manpower comes as Nebraska's highway death toll spirals toward a new all-time high. So far, more than 245 persons have been killed on the state's roads this year.

Casey said his troopers have responsibilities on 10,000 miles of state highway as well as 100,000 miles of county roads.

"That means each patrolman has the responsibility of covering about 500 miles of road and 7,000 people, including 4,000 drivers. That's a good-sized town," he said.

Additionally, the patrol covers the Interstate Highway, which will be open from Omaha to beyond North Platte — a distance of 340 miles — by year-end.

"We would like to patrol the Interstate 24 hours a day. But this will be impossible unless the new troopers are added," Casey said.

"Traffic accidents and deaths are continually on the rise. We need this additional manpower to catch up."

Casey also called for 24-hour operation of stations at North Platte, Scottsbluff, Sidney, McCook, Ainsworth and Alliance.

said recent disturbances in Omaha are good examples.

Other factors are the addition of more hard-surfaced roads and heavier travel to recreation areas; and growth of urban population and resulting increases in the number of motor vehicles on the road.

It estimated it would cost more than \$1 million to add 80 new troopers to the patrol. This includes equipment and training.

**Water Supply Plentiful**  
Nebraska's underground water supply is as large or larger than ever, a U. S. Interior Department-University of Nebraska survey has concluded.

However, the study added, in areas of the state where withdrawals continue to exceed the rate of replenishment, the supply will diminish progressively.

The study identified northwest and northeast Nebraska as the areas with the smallest quantities of underground water. Medium supplies are available in eastern and southern regions, and large supplies in central and western Nebraska.

According to the survey, there is roughly 1.7 billion acre-feet of water beneath Nebraska, enough to cover the entire state with 34 feet of water.

Maintenance of the supply has resulted from the use of surface water for irrigation, seepage from canals and irrigation saturation or previously dry lands.

**Head-Start Improves IQ's**  
Project Head Start, the federally-financed pre-school training program, is producing higher IQ's among the state's disadvantaged youngsters, state officials report.

Jon Jensen, director of the Nebraska Technical Assistance Agency, said this has been evident from progress observations as well as national tests over the past two years.

gence hasn't been measured, he added, "but we know it is there."

Jensen also said the Head Start Program has uncovered and begun correction of physical defects in numerous children 3 to 5 years old.

Additionally, the benefits both of learning and social adjustment are being shared by the children's parents, he said.

**ETV Budget Proposed**  
The State Educational Television (ETV) Commission has adopted a record \$5,172,850 budget proposal for the 1967-69 biennium.

The spending blueprint, which is up more than \$3 million from the 1965 appropriation, will be submitted to the Governor, then the legislature.

It is keyed to establishment of two additional ETV stations and construction of a \$1.5 million telecommunications building on the University of Nebraska campus.

The new stations would be at Hastings and near Merriman in northwest Nebraska, which cannot presently receive signals from the seven-station network which must blanket the state.

**Board Releases Report**  
A State Power Review Board report warns that Nebraska faces a threat of electricity blackouts during hot summer months for at least three more years.

The conclusion and several others were reached during an investigation of the two-stage July 11 eastern Nebraska power collapse.

While equipment failures were the primary cause of the black-out, the board said electricity usage in July was higher than industry officials anticipated.

Foremost, the five-member unit said, the outage underscores the need for more generation plants and inter-connection transmission facilities with U. S. Bureau of Reclamation sources.

**Status Is Sought**  
An increased budget and departmental status for the Nebraska Resources Division will be proposed to the 1967 Legislature by the Nebraska Resources Division.

### Drown-Proof Your Family

Each Monday morning we hear the latest tally on the weekend drownings. We hear about the failures of rubber rafts, water wings and the list of other contraptions that we supposedly use for insurance against the same fate.

There is no substitute for caution in water safety but with just a little practice you can make yourself drown-proof in case there is an accident. In fact, you can be drown-proof when you can't even swim. This is easy and possible when you learn and practice the simple five-step drown-proofing technique developed by Fred R. Lannan of Georgia Tech University.

Small children, expert swimmers, and even people who used to be afraid of the water can make themselves virtually unsinkable. The technique is based on the principle that the human body is naturally buoyant, and most everybody floats.

The first step is to relax, letting your body float in the water with your face down and the back of your head protruding from the water. Then bring your arms slowly up to the surface of the water. Give a slow, easy, downward push with your arms and legs, at the same time, raising your head high enough out of the water to get a breath. Exhale as you rise.

Fourth, hold your breath, relax, and let your body slide back beneath the water again. Within a second or two, your body will stop sinking and will start rising toward the surface, and you are ready to begin the next stroke.

The advantage of this method is that a person can remain in the water for hours without expending a great deal of energy. A sailor fell over the side of his ship in the China Sea off Viet Nam recently and stayed afloat nine hours.

It is a good idea for the entire family to practice drown-proofing when they go swimming. For further information on the technique, contact your County Extension Agent, State Extension Safety Specialists or American Red Cross.

## Carl Curtis CAPITOL COMMENTS

It isn't my desire to engage in a running fight with Secretary of Agriculture Orville Freeman, but I can't stand silent when government takes steps which tend to undermine farm prices.

Therefore, I must take issue with the Agriculture Department's expenditure of tax funds to publish and distribute three pamphlets primarily for non-farm use.

The publications are designated officially as Leaflet No. 542, entitled "Raising A Few Cattle for Beef"; Leaflet No. 537, entitled "Raising A Few Hogs"; and Farmers' Bulletin No. 2222, "Raising A Small Flock of Sheep."

Nebraskans engaged in the business of raising hogs, cattle or sheep aren't likely to receive copies through normal channels, but they should know about these publications, for the pamphlets promote do-it-yourself pork, beef, mutton and wool production in competition with farmers and ranchers.

The first paragraph of the pork pamphlet advises "You can raise hogs on your place for less money per pound of pork than it takes to buy pork for your family. Not only can you eat for less by raising your own hogs, but you may be able

to sell pigs to your neighbors or to a livestock dealer."

The pamphlet counsels "Raising cattle can put meat on your table a little more in your pocket cheaper and easier than any other way of farming."

to sell pigs to your neighbors or to a livestock dealer."

The pamphlet states that they were "prepared especially for families in Appalachia, a region that includes all of West Virginia and parts of Alabama, Georgia, Kentucky, Maryland, New York, North Carolina, Ohio, Pennsylvania, South Carolina, Tennessee and Virginia."

But they add that the information "can be used almost everywhere in the United States."

They don't say how the urban dweller should go about raising pigs, cattle or sheep on a city lot or in a high-rise apartment. However, I don't believe the government should be promoting do-it-yourself pork, beef, mutton or wool any more than it should tell citizens how to build their own automobiles, television sets or houses in competition with private enterprise.

— CTC —

I have joined with five other members of the Senate Finance Committee in sponsoring a bill to increase the maximum interest rate the President can set on United States Savings Bonds from 4 1/2 per cent to 5 per cent.

It isn't realistic to expect people to continue buying Savings Bonds at the present rate of 4.15 per cent when banks are offering 5 1/2 per cent and other government bonds are paying up to 3 1/2 per cent.

— CTC —

Veterans Administration Director W. J. Driver has replied somewhat encouragingly to my request that the Omaha, Lincoln and Grand Island VA hospitals be air conditioned.

He advised me in a letter that "every possible consideration will be given to air conditioning these hospitals at the earliest possible date."

— CTC —

The campaign kicked off by the Surgeon General a couple of years ago against cigarette smoking has not been very successful.

About 15 per cent of the people who smoked then have quit, and most of them were light smokers. An estimated 45 hundred children start smoking every day of this year, approximately 10 per cent are sixth graders.

## Field Day Planned

A beef cattle feeder's day will be held at the University of Nebraska Northeast Station August 18, beef nutritionist Walter Tolman announces this week.

The event will give cattle producers a chance to see cattle before they go to market. Tolman said. The meeting will be held at the Station headquarters at 6:30 p.m.

Cosponsors are the University of Nebraska, the Northeast Nebraska Experimental Farm Association, and the Northeast Nebraska Livestock Feeders Association.

Substantial rains Saturday night, following a hot, dry spell, brightened corn prospects wonderfully in this vicinity. Footings for new Grace Church will be poured the last of this week and construction starts next week. Merrill Mulreedy who has been with a Simax City radio station, has accepted a position with WNAX at Yankton. He starts work Aug. 25.

Aug. 22, 1946: Rev. Robert Hipp pastor of St. Mary's Church Wayne, was elected department chaplain for Nebraska's American Legion at the annual state convention in Omaha, Sunday. Ward has been re-elected. Pastor Robert W. St. John's son of Mr. and Mrs. W. U. Shullbills, Wayne is taking part in an army exercise "Southern Pine" now in progress at Fort Bragg, N. C. Souths attending the sub-district meeting from the Wayne Methodist Youth fellowship were: Jay B. Munsell, Lee Wert, Juanita Boeckenhauer, Judy Woods and Ethel Johnson. James Allen, Wayne announced this week he had purchased a produce business in South Dakota. Pastor J. H. Shiry is serving as one of the Bible instructors this week at the annual Luther League convention-camp of the Nebraska Synod being held at Columbus.

our area, we know they have to have good associates. You in our sectional center must know how we feel because we have expressed ourself before. If we may be of further service, please feel free to call upon us. Your letters to us will be available only if it means a lot to know they are men such as you in big post offices ready to take the time to explain a situation that we perhaps did not fully comprehend but which we covered as best we could in news and editorial columns. —Editor

Dear Editor: We would like to express Aurora's thanks for the fine show your team made in Aurora during the state Midget Baseball Tournament.

Besides their fine sportsman ship displayed in the ball diamond, they showed our greater citizenship during their two night stay in Aurora.

Your team is certainly an asset to our community. Thank you, Ron Furse publisher Aurora News Register Aurora, Nebraska

We did not write the editorial praising Aurora's hospital staff after receiving this letter. We wrote the editorial Thursday. Just thought you and the other Herald readers ought to know we felt the way we did before we received the letter and even more so now that this letter was received Saturday. We think we have a pretty good bunch of kids too as we wrote in "SASS" Thursday — again before receiving this letter. —Editor

Dear Editor: I read with interest your editorial, "Nothing Valuable". The second paragraph almost covers the extent of my reply to the quizzing newswriter.

In the post office, when we speak of valuable mail, we are making reference to mail which might have monetary value. We are aware that first-class letters have their own special value to the individual recipients.

When I received a call from the postal inspector in Omaha and until such determination could be made, we were trying to keep the speculation down, and had you quoted a few words ahead of that the meaning to a great number of readers would be changed, that is, "Postmaster Toy said that he had no word that anything especially valuable was in the truck." My answer related to registered mail. We felt that anyone taking the truck would be interested in going through registered mail only.

In the heat of this incident, phone calls were constant, and I am not adept at such interviews as newspaper people. I will agree the wording was unfortunate, and it will be one of the first to admit that letters are one of the most valuable items we carry as registers, in most cases, can be replaced by insurance, letters cannot. If you were to be in any postmaster's office when a patron has lost a letter, I imagine you would see the importance of this mail, and the scene would probably compare to a newspaper office when someone's article was wrong or misquoted. Such things are extremely important.

You may rest assured that all postal people consider all mail to be important and valuable and do their utmost in seeing such mail is handled in a businesslike manner.

Thank you for covering this incident, and we hope that you will never have to repeat such an editorial because of this type of lost mail.

Sincerely yours, Howard Toy, postmaster Norfolk, Nebr. 68701

"I know what you meant, but in this day and age it is too common to think of monetary gains or worldly possessions as all-important when there are so many other things that are "valuable" too. We hope you were not embarrassed in any way by our editorial. It was written with tongue-in-cheek somewhat and was just one more way a small town editor found to write on happenings of local interest. We have such good relations with all of the post offices and workers in

the local draft office are John Saha, Carroll, James Suber, Wakefield, Wilbur Bruns, Floyd Glassmeyer, Donald Kandler and William Milder, Wayne. Garold Wacker, 3, son of Mr and Mrs. Clyde Wacker, suffered bruises and a couple cuts on the head last Wednesday evening when one of the doors of the Wacker car came open and he fell out a mile east of Carroll. Among recently elected rural teachers are the following: Mrs. Dottie Andersen, district 24, Miss Laura Fredrickson 80, Miss Leonard Jones, 55, Miss Darlene Roberts, 37. Miss Jacqueline Helleberg will leave the last of August for Albany, Ore., where she has accepted a position as teacher of instrumental and vocal music and English in junior high school.

The telephone rang, the father replied. "We are sometimes embarrassed by those identified with Wayne when we feel they don't know the difference between rooting for the "Sam" and taunting the opponents." It's one thing to yell encouragement to your own team but it's a entirely different matter to yell taunts at an opposing player, especially when that player is on a team that is losing. It reflects on the entire area to have a few toss jobs at an individual on the playing field because he's an opposing player's batteries are if he is based in Wayne he just might be one of your family's best friends. If you can't yell to show your backing of the team, don't resort to that low form of taunting the small talk remark. No one in particular need be offended by this paragraph if the editor catches it, just stop and think about it. The next time you yell something degrading to an opponent you'll be representing Wayne, not just yourself.

"The little boy wasn't interested in anything except sports. Listening to his sister read "Cinderella" had him in the mood to read "And the fairy godmother turned the pumpkin into a coach." "A coach," the boy exclaimed. "What kind of a record did his team have?"

We are aware of the fact that at least twice with the new process we have printed pictures backward. One showed a left-handed painter. Another identified 4 H girls, in just the opposite order. We won't go into detail to describe how this can happen but we'll attempt to get a system going that will prevent such happenings. In the meantime, bear with us. We hope we never do what one paper did. It had captions on pictures the same size starting out with about the same wording. One showed four new council members. One showed four fat boys. You got used to the one telling about "The four fat boys" was under the council picture and the boy picture had the other caption. How do you "unprint" something like that?

The teacher was telling her class you cannot subtract one thing from another unless they are of the same denomination. "For example, you cannot take two apples from four pears." "Well, that's funny," a youngster said. "This morning I took four apples from two trees."

Our personal congratulations to the Wayne baseball team, not just the Midgets for their splendid achievement but to all the boys of all ages. They have been a credit to the community in more ways than one and we're sure they represented us well as young athletes and young gentlemen. Hank Overin deserves separate praise but he feels the boys on the field have to learn to play and then remember to do as they have been taught. They have done an exceptionally good job of doing this. We are proud of them individually and collectively.

A family of tourists stopped in an Oregon forest to watch a lumberjack chop down trees in one two or three strokes. "Where did you learn to cut trees like that?" asked the father. "In the Sahara Forest," the lumberjack said without breaking his rhythm. "You mean the Sahara Desert." The tourist responded. "Yeah, desert now," the lumberman replied.

A newcomer is among us. His name, Phadet Gawnsonbat, is not a familiar one yet. Before a year has gone by, it will be. From all indications, in person, in character references and in past actions, Phadet has proved Mrs. SASS — Section 2.

"Next week we'll be on a little vacation so you'll miss some of our features — well, let's put it this way. Some of the features we write will be left out and we hope you'll miss some of them. Any help you can give us on news tips and getting items in will be appreciated by the newspaper staff. (Don't be too helpful though—we don't want the paper to show too much improvement the week we're gone!)"

Judge: "And what is the charge against this man?"

Officer: "Intoxication, Your honor."

Prisoner: "Judge, I'm as sober as you are."

Judge: "Prisoner pleads guilty. Ten days. Next case."

A Carroll resident writes in to say "While you're growing boys, this would be a good time to honor the 4-H leaders who give time, effort, and above all patience to the kids in Wayne County." Specifically mentioned is Mrs. Martin Hansen, Carroll, with her assistant Mrs. Don Harmer. They work with one of the girls on many projects while taking care of their own families' needs and doing other civic work. If any girl comes over or telephones for help, these leaders are willing to help and patiently devote hours to doing so. On behalf of all 4-H leaders in the county, each of whom has earned recognition far greater than we could give, we offer this bouquet to Mrs. Hansen and Mrs. Harmer. They typify the small town-rural area in which we live where adults help youngsters get started in the right direction instead of turning them loose and wondering how they ever got off the wrong path.

"My teenage daughter gave us a time last night," said a weary father. "She started to run away from home. Luckily she never got beyond the front door."

"What happened?" a concerned friend replied.

**Gets Master's Degree**

Thomas, Charles Hansen, son of Mrs. Luella Hansen, Wayne, has received a master of arts degree at Creighton University, Omaha. He had been majoring in history there. Presentation was made at the close of the summer session Aug. 5 when 104 students were candidates for degrees at the Jesuit school. No formal graduation ceremony was held.

**Carroll Lod Wears Cast**

Scott Schlus, 4, son of Mr. and Mrs. Merle Schlus, Carroll, is wearing a cast on his right arm. The cast covers his arm from wrist to shoulder. Scott fell off a gate recently and broke the arm above the elbow. He is being checked to see if surgery may be necessary.

You wouldn't stay at a Motel without Air-Conditioning

Gas Light Inn, Rochester, Minnesota

**Experts recommend  
GAS air conditioning  
for motels  
because it's dependable.  
Give your home the same  
long-life,  
whole-house  
comfort.**

Install gas air conditioning. Dependable service is as close as your gas utility. See your local gas air conditioning contractor or Peoples Natural Gas for complete information. Gas makes the big difference. Costs less, too.

The truly modern motel is also heated with modern gas heat. Gas heat is economical, dependable and clean. It's great for your home.

Mr and Mrs Vick Jackson and Vicki, Baltimore, were weekend guests in the Ken Jackson home.

**Station at Carroll Reports Break-in**

Late Thursday night or early Friday morning someone broke in to Bailey Oil Co. service station, ravaged the crime.

Carroll Sheriff Don Weible investigated the crime.

Claude Bailey, owner of the firm on Carroll's main street, said as near as he could find out there was only cash missing. Checks were left in the cash register, in bills and coins, it is estimated \$7 was taken.

The break-in was one of a series in Carroll during the past year. The last break-in at the station was over ten years ago when a safe was blown open and \$50 in cash and some tires were taken.

Last week's break-in was made through a window on the side of the station. Someone broke the window, reached in to unlatch it and then crawled in. Exit was more simple—through the front door.

**Discuss Concord Streets**

At a meeting of the Concord town board Thursday night in the fire hall, street repair work on three blocks was the main business item. No definite decision was made. A decision was made to repair chuck holes on the state spur leading to the fairgrounds before the Aug. 25-27 county fair. Paying bills was the only other major activity of the session.

**Boost County Centennial**

Boosters from Stanton County were in Wayne and other area towns Thursday. They were promoting the Stanton County Fair and the centennial celebration being held in conjunction with it Aug. 24-27. A program of music and other entertainment was presented at each stop.

**At Leadership Meeting**

Noelyn Isom, Allen, was one of over 350 Nebraska educational leaders attending the three-day Nebraska State Education Association leadership conference at Chadron Aug. 8-10. Appearances of candidates for governor, Norbert Thieman and Phil Sorenson, and discussion of an expanded program of service for NSEA were highlights of the session.

## A Herd of Buffalo Was Like Money in the Bank to the Indians

To the Indians of the Old West, a herd of buffalo brought provision for the present . . . meat and hides for food and clothing to take care of immediate needs. And for those Indians who planned wisely, the buffalo meant "money in the bank" for the future, too. A stock of surplus hides was precious . . . a means of "buying" from other tribes, more of the things that make life better.

Are things different now? Not so very! True, you use money, not hides, to buy the things you want today . . . but, for your future, you need money in the bank, too. Which prompts us to ask: What are you doing with your extra "buffalo hides"? Set aside some money every payday, in an interest-bearing Savings Account here . . . and soon, you'll have more of the things that make life better. Start now!
