

Time Draws Short to Get Exchange Student Family

Less than a month remains in which to get a family to volunteer to host a foreign exchange student in Wayne. In spite of all other efforts and the intense desire of the WIHS students to have another AFS student, getting a host family remains the prime consideration.

Counselor Ken Deissler of Wayne High wants any town, Carroll or Wayne couple willing to host a family to call him this week if possible. It would be even better if the husband or wife were to call at his office to pick up application forms and get a better idea of what to expect.

A couple must be 37 or older (both man and wife) and they must have children at home or have had children of their own at home at one time. They must live in a locality where transportation to school will be no problem since the AFS student coming here will not be allowed to drive.

This coming year a boy or a girl can be selected, depending on the host family. The American Field Service will send the name of a candidate and the host family can accept or reject without the student knowing he or she has been rejected. This can go on until the family decides the one selected for them is the one they want to accept.

The student council at WIHS is most anxious to have another exchange student. Students are working hard to raise the money required to bring a foreign student here.

Council members have scheduled a dance in February and a carnival in March. A slave auction is being planned, organizations have indicated they will help out and donations will be accepted from individuals and organizations.

Phadet Gwasombat, Thailand, is the present foreign exchange student. He is the first exchange student Wayne has had but the young people at Wayne High are determined he will not be the last.

Carl Ellermeier Dies Saturday

Carl Ellermeier, 51, coach and professor at Wayne State College since 1955, died Saturday at the Wayne Hospital. He had been stricken Thursday on the campus.

Funeral services will be held Thursday at 2 p.m. in Redeemer Lutheran Church with burial in Greenwood Cemetery. Pastor S. K. de Freese will be in charge of services.

Ellermeier had been head coach of track and cross country since 1959, assisted in coaching football and basketball until four years ago and was associate professor teaching physical sciences and mathematics.

His track teams were noted for their small size and gifted performers. Greats included Darrell Reiferauth and Fred Kjer, sprinters, Merle McGee, Don Weitzenkamp and Carl Owczarzak, distance runners, Bill Nelson, vaulter, and Ed Humpal, weight man.

Survivors include his wife, two sons and two daughters. A full obituary appears on an inside page.

ASCS Holds Yearly Feed Past Week

The Agricultural Stabilization and Conservation Service annual dinner was held Friday in the Carroll Auditorium. Marlene's Cafe catered the meal.

Chairman John Mohr was in charge of the program. The commodity loan, ACP and CAP programs were explained.

Following the smorgasbord meal, Diane Morris played musical selections and Mayor Maurice Hansen welcomed the group. The county committee made introductions and issued certificates after which Charles Broderson, See ASCS — pg. 8

Karen Wills Gets Lion Essay Prize

Karen Wills, daughter of Dr. and Mrs. Stanley Wills, Wayne, was revealed as winner of the peace essay contest sponsored by the Wayne Lions Club. She was presented her prizes at the Tuesday night meeting of the club at St. Mary's School basement.

The contest was sponsored by the club in conjunction with a national peace essay contest. She received a framed gold certificate from International Lions Clubs and a \$25 bond from the Wayne Lions Club.

Her essay will be entered in regional and state competition. State winners will go on to national and international competition with the final winners getting thousands of dollars in prizes.

Wayne Lions had ladies' night Tuesday to give wives a chance to see the slides of Russia taken by Dr. Robert Bentback. He and his wife were special guests of the club and furnished the program.

Other guests were Mr. and Mrs. Otto Wagner, Carroll, Mr. and Mrs. Joe Corbit, Mr. and Mrs. Dean Backstrom, Mr. and Mrs. Jim Coan, Dr. and Mrs. Wills and Mrs. Stanley Morris.

President Harold Maciejewski had charge of the meeting. Cleve Sharer was in charge of the program. Around 70 were in attendance.

Dixon Family of Eight Loses Home in Flames

A home in Dixon occupied by a family of eight was termed a complete loss after a fire gutted a portion of the house Friday afternoon. Most of the family's clothes and virtually all of the furnishings were also lost in the fire, smoke and water.

Mr. and Mrs. Donald Knoell own the house where they and their six sons live. Both parents were away at the time with only two children at home, Randy 4, and Don, 13, who was sick.

Mrs. Knoell works at Waldbaums in Wakefield. Knoell is employed by a survey crew currently re-evaluating land in Kansas.

Four boys were in school at the time. Jerry and Carol are in Allen High School while Marlin and Darrell attend Dixon Grade School. Mrs. Carroll Hirschert ordinarily baby sits with the youngest child, the only one of the boys not in school.

Fire Chief John Young said the flames were so intense by the time the Dixon firemen were called, help was asked from Concord, two trucks coming from there. The two fire departments were able to save the house and some furnishings, carried outside but the damage was later assessed as being complete on the structure.

It is thought the fire started from an over-heated oil burner in the bedroom. Donald discovered the fire and notified a neighbor who called the fire department.

There were some bright spots. The Knoells were grateful most of all that the fire had not occurred when all were at home. See DIXON FAMILY — pg. 8

Wayne Family Has Late Night Scare

Awakened by the screams of their two youngest children shortly after midnight Thursday morning, Mr. and Mrs. Gary Lund, Wayne, found they were sick themselves with throbbing headaches and their home was filled with gaseous fumes.

School Board Meets

The board of education of District 17 will meet at Wayne High School Tuesday, Jan. 24, at 7:30 p.m. The middle school curriculum will be the principal item of business although a variety of other topics will also be discussed.

Winside Furnace Out

When Howard Iverson, custodian, arrived at the Winside High School Wednesday morning, he found a cold building. The furnace had gone out and the temperature had hit around 16 below during the night. There was not time to get the building warmed up for school and repairs had to be made so grade school and high school classes were called off with the hope that school could resume Thursday. Three buses went out on the route before the trouble was discovered but parents were advised by radio that the buses would be back at once taking the children home.

Three Serve Local Chest Staff Terms

Three members have completed terms on the Wayne Community Chest and three more have been named to take three-year terms on the board. Naming of new board members took place at the annual board meeting Thursday.

Retiring members are Mrs. Gordon Ndergaard, Charles McDermott and Mike Karel. Named to the board for three years are Mrs. Cecil Wreidt, Dan Titze and Doug Spencer.

Another member resigned after serving one year of a three-year term. Mrs. Irvin Brandt resigned, her place on the board being filled by Mrs. Harold Kemble, who will serve the remaining two years.

Members of the board holding over are Howard See CHEST — pg. 8

Christmas Seal Sales Increase

Christmas Seal sales in Wayne County are the highest they have been in more than ten years, according to Mrs. Robert Bentback, Wayne County Tuberculosis committee chairman.

As of Dec. 31, Mrs. Bentback had recorded contributions totaling \$1,315.40. This is \$125 more than the sale has brought in during the last ten years.

Mrs. Bentback credits the new Seal Sale Chairman, Mrs. William Koerber, with much of the gain. She said Mrs. Koerber's efficient and tireless handling of the campaign was bound to produce beneficial results.

Books on the Seal sale drive will be closed soon. Anyone who has overlooked sending in a contribution may still do so.

SILVER DOLLAR Night winner was Mrs. Merlin Thompson, Wisner. She is shown receiving a Chamber of Commerce check for \$100 from Leo Wortman, owner of Wortman Auto Co.

Wisner Woman Wins in Drawing Thursday Night

Mrs. Merlin Anderson, Wisner, claimed \$100 for being in Wayne Thursday night. It was the second week in a row there has been a Silver Dollar Night winner here.

A regular visitor to Wayne, Mrs. Anderson and her husband were at Wortman Auto Co at the time of the 8 p.m. drawing. Although Wortman's has backed the promotion ever since it was started, it was the first time a winner had been present at that agency.

Mr. and Mrs. Anderson are frequent visitors to Wayne and do much of their shopping here. They have no definite plans for the \$100 but will spend that much or more in Wayne over the months ahead.

Because there was a winner, there is no increase in the prize fund this week and \$100 will again be given away. To win, the person whose name is drawn must be in a participating Wayne business place at 8 p.m. when the name is announced.

Anyone who is 18 or over may take part. It is not necessary to register if one has registered in the past. A call to the Chamber of Commerce office will gain a listing of the places sponsoring the promotion.

This method uses the principle of directing a beam of high frequency sound into the body tissue of live hogs. As sound beams pass through tissues with different densities, some of the waves are reflected back or echoed on the screen. By accurate calibration of the machine, the fat or muscle thickness may be measured at a given point. In addition to having ample meat, the animal must be efficient to produce (superior rate and efficiency of gain), plus high fertility.

The morning program from 10 to 11:45 includes: Use of Ultrasonics in Swine, Dr. Lucas; Ulcers in Swine, M. Twiehaus; Grinding and Processing Swine Rations, E. R. Peo; and a noon lunch with many swine exhibits of all types.

At 1 p.m. the program will begin. Features include: Future of Nebraska's Pork Industry, F. Baker; New Developments in Marketing Contracts, M. Turner; My Management and Building Program, Frank Hussey, Lewisville, Minn.; and panel discussion with questions and answers from audience.

All farmers of the area are invited. There is no charge and the more who attend the more the area's swine industry and economy will benefit.

Wayne and York are the sites of the two area swine days being held in Nebraska this year. York's session is Wednesday, Jan. 25, and Wayne's is Thursday, Jan. 26.

The Wayne program gets underway at 9 a.m. with registration and a coffee period with the Chamber of Commerce hosting. Wayne C. of C. is sponsoring the program through the agriculture committee.

Development of a lean, high quality product for the consuming public is one of the major jobs facing pork producers. Since less than 40 per cent of hogs marketed have carcasses grading No. 1, an opportunity exists for improving the general leanness of pork and the percentage of carcasses grading No. 1.

Genetics or heredity play a major role in improving pork leanness with around 50 per cent of the variation in backfat or percentage of lean cuts in a carcass attributed to parents of the hog. To swine producers, this means selection of animals with superior carcasses is the route to improvement, although limited feeding, confinement, production and hormones in development of muscles and leanness are also important.

One of the tools used by the swine breeder in identifying the superior meat animal for breeding purposes is the ultrasonic technique, which will be discussed at the program by Dr. Leo Lucas, NU extension swine specialist.

Crippled Clinic Set for Norfolk

A crippled children's clinic will be held Saturday, Jan. 21, in Norfolk under sponsorship of the Elks Lodge and the Crippled Children's Services. No clinic will be held in Wayne this year and area youngsters can be taken to this clinic free of charge.

In addition to the crippled children and those who have cerebral palsy, the clinic will serve those with oral plastic needs. A full resume of the services offered can be obtained by calling Mrs. Ethel Martell, Wayne County welfare director.

The clinic will be at Norfolk Elks Lodge with registration 7:30-10:30. Noon lunch for children registered and their parents will be provided by the Elks. Additional information is available at Mrs. Martell's office in the basement of the courthouse.

A Wayne resident attending the governor's inaugural ball observed the plight of the girls at the concession stands, few in numbers with thousands present. When he reached the counter, he offered to help hold the 7-Up button so the girl could fill cups with ice faster. After pushing the button for about 25, he decided he was ready to take his own. As the girl helped him she noted he was pressing the button for sparkling water instead of 7-Up. He had been pressing the wrong button all along. Somewhere in that inaugural crowd were about 25 people who no doubt thought that was the most bitter 7-Up they had ever tasted.

One couple in Wayne has not received any mail from a son who left recently for a coastal port and foreign lands. He had promised to drop them a card from each point. However, they know he reached the port—a check he had written came through, cashed on a firm in the port city.

South of Wakefield a farmer is hoping the two guineas that rode six miles into town atop his truck and six miles back did not enjoy the trip too much. He has a big flock of the birds and would hate to look up and find all of them atop his truck after arriving in town as he did with two guineas last week.

Four Regents Winners Announced for Wayne

Four Regents Scholarship winners for Wayne High School have been announced by Counselor Ken Deissler. One is a full-year scholarship winner and the other three are alternates.

In almost every instance in the past, the alternate winners have eventually ended up with Regents Scholarships also. This comes about because winners in some schools decide to enter some school other than the University of Nebraska.

Regents Scholarships are awarded on the basis of tests given earlier in

the year. Not every school gets a winner and few schools of Wayne High's size have as many as four winners.

Karen Wills, daughter of Mr. and Mrs. Stanley Wills, is the winner of a full scholarship. She had the highest score of all 28 seniors taking the tests.

The alternates, in the order of scoring are: Latty Hamley, son of Mrs. Evelyn Hamley, Wayne; Duane Shell, grandson of Mrs. C. A. Berry, Wayne; and Linda Canner, daughter of Mr. and Mrs. William Canner, Wayne.

HAPPY FAMILY was that of Mr. and Mrs. A. F. Gulliver (in front) gathered to mark his 90th birthday. Standing left to right are Henry Gulliver, Dorothy Hanks and Arthur Gulliver.

A. F. Gulliver's 90th Year Noted

A 51-year resident of Wayne, A. F. Gulliver, observed his 90th birthday Jan. 14. The occasion was marked by a family gathering Sunday in his home with 20 being present, including three children.

Gulliver is well-known as one of the ageless residents of the area, keeping so busy with a number of interests he has not had time to change much in many years. He has resided here since 1916 when he came to teach at Wayne State Teachers College, where he remained until 1952.

He is known for many interests, one of which was the college itself. He had come here in September of 1916 from Bloomfield, where he had been school superintendent 10 years. His assignment to WSTC was as principal of the training high school on the campus.

When he "retired" in 1952 from the college after 50 years of teaching in rural, town and college schools, he did not retire from activity. He started driving 30 miles a day doing bookkeeping work at a general store in Laurel.

Gulliver taught in the army air corps training program at WSC as civilian coordinator of pilot training for ground school. He handled these duties in the evening, continuing as principal of the campus school one year and the following year taught one campus school class and devoting the rest of day and to the air corps and gram.

For over 12 years he was on leave to give further service to the air corps program. During those 18 months he taught men preparing for the air force at Peru State College. After completing that assignment, he returned here.

Gulliver is also noted for his work with Scouts. In the "Follow Me Boys" tradition, he started a troop and was Scoutmaster 25 years for Troop 174 now headed by Dick Manley. A son, Henry, was in the first troop. Gulliver received the Silver Beaver award for his long years of service to Scouting and has a 25-year service pin.

As a Scoutmaster he was an active man. When he was 70 years old, he took a troop of boys to Garden of the Gods, Colo., with the assistance of a collegiate helper.

He is also known for his work with the Masonic lodge, owning a 50-year pin. He was not as active as he would have liked to be in the lodge due to devoting so much time to other work.

Gulliver is known for his work in the Presbyterian Church. He was clerk of the sessions and an elder many years, with his wife attends Sunday School and church regularly and was Sunday School superintendent for seven years.

He is known as a gardener. Years ago he decided the vacant one-fourth

block next to his home should be used so he asked to make use of a portion of it for a garden. Instead of a part of it, he was told to take it all. He has had gardens since that time and many a neighbor has benefitted at the dining table from the produce from Gulliver's garden.

Gulliver and his wife were "guests" of the family in their own home Sunday, but as usual they were as busy as anyone else. Mrs. Gulliver hated to stop getting dinner long enough to have a picture taken.

There are five children in the family, three present Sunday. Present were Mr. and Mrs. Henry Gulliver, Ames, Ia., Mrs. Dorothy Hanks and husband, Wichita, Kan., and Mr. and Mrs. Arthur Gulliver and two daughters, Ralston.

Unable to be present were Robert Gulliver of Gardena, Calif., and Mary Marx, Yorba Linda, Calif. The Gullivers were joined by grandchildren, Mr. and Mrs. Robert Meeker and two children, Lincoln, Mr. and Mrs. Bill Gulliver and three children, Ames, and Ross Hanks, jr., Lincoln.

They have five children, 17 grandchildren and 21 great-grandchildren. Gulliver also has four sisters, one of them older than he is, 93.

The family has a tradition of longevity. Records going back to Milton, Mass., tell of Anthony Gulliver who lived to be 87. One Gulliver family member lived anywhere from 80 to 98. One of these was Gulliver's grandfather.

Gulliver is a native of Providence, Ill., born Jan. 14, 1877. He came to Crete, Nebr., in 1884, lived with his folks at Wellfleet and Aurora before attending Doane College where he received his bachelor's degree and attended the University of Nebraska to get his master's degree. Bloomfield was his first teaching assignment.

Gulliver must have had a good influence on his students for living long and active lives. When the 1915 class of Bloomfield had its 50 year reunion in 1965, every member of the graduating class was still alive, every member of the class was present (with husbands and wives) and there among them was oldest-youngest of them all, their former superintendent, A. F. Gulliver, Wayne.

Attends Conference

Supt. Francis Haun of Wayne High School and Dr. Don Merriman of Wayne State College attended a conference in Lincoln the fore part of the week sponsored by the Nebraska Psychiatric Institute, Omaha, on "The School As a Mental Health Resource." Superintendents from the 44 largest schools in the state were invited. Representatives of the Psychiatric Institute, Northwestern University, Public Health Service, National Institute of Mental Health and Menninger Foundation of Topeka were among those participating in what the local men called "an outstanding forum."

Kiwanis Club's New Officers Installed

New officers of the Wayne Kiwanis Club were installed at the Monday noon meeting in the Woman's Club Rooms. Ted Foster, Dundee Kiwanis Club of Omaha, was installing officer. He is lieutenant governor for Division 11, Iowa-Nebraska District.

Foster also spoke to the club at the program following dinner. He told of the objectives of Kiwanis and what each club and individual could do to achieve these objectives.

Committees were announced for the Shrove Tuesday pancake feed Feb. 7. Tickets were handed out for members to sell, with the hope expressed that the response would be as great as it was last year when a near-record-breaking number attended.

Kiwanis Club is sponsoring the pick-up of trees yet. Boy Scouts will pick up trees off terraces Friday afternoon and burn them without ceremony at the baseball park. Residents are asked to shake snow and ice from trees so the boys can lift them.

President Harold Ingalls was not present to get his past president pin. It will be presented next week. New president is Ray Schreiner.

Buying Plans Asked

Interviewers for the bureau of the census will be asking about consumer intentions to buy cars, houses and domestic appliances during the current population survey. The "intentions to buy" survey is made quarterly as a supplement to the monthly survey on employment and unemployment conducted for the department of labor.

Ruth Koehler and Muriel Watland, Norfolk, are census interviewers calling in this area this month.

THIS PANEL answered questions of farmers among the 700 present at the corn-soybean clinic in the Wayne City Auditorium Friday. The moderator is directing a question to one of the panelists who is using a hand mike to answer.

Hochstein Transferred

Ronald J. Hochstein, son of Mr. and Mrs. John J. Hochstein, Wayne, has been transferred from Kansas City, Mo., to O'Hare Airport, Chicago. Hochstein is employed as a ticket agent. He will assume his new duties Feb. 1 at Chicago. Hochstein, a graduate of Wayne High, attended WSC. He began working for Ozark last June.

Wayne Cubs Plan for 'Genie Sacks' Theme

Both Wayne Cub Scout packs are working on the "Genie Sacks" theme. This makes use of sacks and odd items to "produce something useful out of nothing."

Pack 175 held a committee meeting this week to plan for next Tuesday's pack meeting. Plans are also being made by Pack 174 committees.

Cubmasters Bud Froehlich and Alvin Ehlers report the Cubs are "hibernating" during the cold spell. Most of their activities have been inside the past week.

Parallel Parking's Advantages Evident

Are you happy with parallel parking on Main Street in the business district? The Wayne Police Department is, with proof positive, of the safety advantages over diagonal parking.

In a report compiled by Chief of Police Vern Fairchild, it is shown that the city had nine accidents due to direct results of pulling in or pulling out of parking stalls on Main between First and Fourth during the first six months of the year when diagonal parking was used. The last six months with parallel parking there were three accidents in the same district.

Parallel parking went into effect July 1. The first accident recorded came July 26. The next was Aug. 19 and the last Oct. 15. There were four accidents due to diagonal parking in June alone.

Where is the most dangerous downtown intersection? Fourth and Main with traffic signals. There were

seven accidents there last year, more than at Seventh, Second and Third and Main put together.

Now there is a flasher at Fourth and Main but the new control has not been in use long enough to know results. Third and Main had three accidents, Second and Main one, Seventh and Main two and Fourth and Main seven the past year.

Heads District Unit

Mrs. O. K. Brandstetter, Wayne, is the lay board member for District 4 of the Nebraska division of the American Cancer Society, according to the society's official publication, William Berrick, M.D., Madison, is the professional representative for the district on the board. The two serve Antelope, Cedar, Cumming, Dakota, Dixon, Knox, Madison, Pierce, Stanton, Thurston and Wayne Counties.

Sandra Meyer Weds Glen Nichols
In Double Ring Ceremony Dec. 28

Sandra Lee Meyer, daughter of Mr. and Mrs. Dean Meyer, Wayne, and Glen C. Nichols, son of Mr. and Mrs. Charles Nichols, Wayne, were married Dec. 28 at St. Paul's Lutheran Church, Wakefield, roses.

Larry E. Nichols, Wayne, was best man. The bridegroom and his attendant wore dark business suits with white carnation boutonnières.

The bride's mother wore a powder blue knit suit with black accessories. The bridegroom's mother also chose a powder blue knit suit with black accessories. Each had a yellow carnation corsage.

A reception was held at the Dean Meyer home following the ceremony. Immediate family members were guests.

The bride, a graduate of Wayne High School, attended W.S.C. The bridegroom is a graduate of Wayne High School and Universal Trade School, Omaha.

The couple will reside at 1310 Jefferson St., Olympia, Wash. 98501 where the bridegroom is stationed.

A reception was held in the church parlors following the ceremony. Mrs. Russell Hipke was hostess. Mrs. Herbert Sweet cut and served the wedding cake. Mrs. Percy Sweet poured. Mrs. Daniel Ring served punch. Mrs. Roger Brink was in charge of the guest book. Gifts were arranged by Donna McClurg. Women of the church were in charge of serving.

The bride, a graduate of Atkinson High School, is a senior at the University of Nebraska, majoring in Home Economics. The bridegroom will receive his master's degree in mechanical engineering from the University in June.

The couple reside at 326 N. 26th Lincoln.

Janice Speck Weds Curtis P. Ring in Rites at Stuart

Janice Sweet Speck, daughter of Mr. and Mrs. Linford Sweet, Stuart, became the bride of Curtis Phillip Ring, son of Mr. and Mrs. Phillip Ring, Wakefield, in afternoon ceremonies Dec. 29 at Cleveland Presbyterian Church, Stuart.

Pastor Richard Skelley, O'Neill, officiated at the double ring rites. Mrs. William Schorn, accompanied by Mrs. Elmer Allyn, sang "The Lord's Prayer." The church was decorated with holly and cedar.

The bride, given in marriage by her father, wore a modified A-line wool dress with a pink veiled hat. She carried a bouquet of American Beauty roses and English heather. Judith Seaver, Wahoo, was maid of honor. She wore a burgundy modified A-line dress with matching accessories and carried a bouquet of pink carnations.

Daniel Ring, Stillwater, Okla., was best man. Michael Ring, Wakefield, was usher.

Connie F. Nichols, Wayne, was maid of honor. She wore a beige knit suit with matching accessories and a corsage of yellow

Randolph Lady Hurt

After Car Overturms

Mrs. Lloyd Dunklau, Randolph, was brought to the Wayne Hospital Jan. 6 after being injured when a car went out of control and overturned in a ditch along a country road 2.5 miles south and 1.2 miles east of Sholes.

Trooper Ron Stokes, Nebraska Safety Patrol, said the eastbound Dunklau station wagon went off the road as it was being driven by Lynette Dunklau, 17, daughter of the injured woman. Lynette suffered a broken collarbone and a cut on one knee and was taken to Randolph for medical care.

The patrolman said the road had icy patches and there was snow and blowing and drifting snow, making for bad driving conditions. The car was deemed a total loss following the mishap.

The Randolph Times reports Mrs. Dunklau, a teacher at Sholes, was transferred from Wayne to Sioux City and underwent surgery on her right elbow Jan. 10. She suffered a broken arm, pulled muscles, cuts and bruises. She was expected to be out of the hospital this week.

Faculty Recital Set at College

A faculty recital featuring Jay O'Leary, clarinetist, is on Wayne State College's music calendar at 3 p.m. Sunday in Ramsey Theater.

His accompanist is Anthony Garlick, pianist, organist on the faculty, and also a composer of several dozen published works. Among selections O'Leary will play is a Garlick composition, "Concert Piece." Joining O'Leary and Garlick for one number will be Connie Matthews, of the music faculty in a Schubert song for soprano, clarinet and piano.

Also on the program are a Mozart quintet with O'Leary, violinists Benjamin Bernstein and Bonita Vandegrift, violist Marian Loseke and cellist Barbara Kelton.

O'Leary joined the WSC faculty last fall as instructor in woodwinds. A former member of the U.S. Army Field Band, Washington, D.C., he has degrees from the University of Colorado and Boston University, where he has started studies for a doctorate.

Final Rites for Carl Ellermeier Planned Thursday

Funeral services for Carl R. Ellermeier, 51, are planned today (Thursday) at 2 p.m. at Redeemer Lutheran Church, Wayne. Mr. Ellermeier died Jan. 14 at Wayne Hospital.

Rev. S. K. de Freese will officiate at the rites. Music will be furnished by Lyle Seymour, Walter Peterson and Ted Bahe, accompanied by Mrs. Bill Kugler.

Honorary pallbearers will be W. A. Brandenburg, Willard Wollenhaupt, Robert Lund, Don Reed, Al Svenningsson, Lionel Moore, John Jermier, Ralph Barclay, Dale Pennybaker, W. G. Ingram, Walter Peterson, Carlyle Garvin, Anton Netherda and O. K. Brandstetter. Pallbearers will be Irvin Brandt, Robert Sutherland, Dale Johansen, Max Lundstrom, Lyle Seymour and Frank Prather. Burial will be in Greenwood Cemetery.

Carl Ralph Ellermeier, son of Manuel and Anna Ellermeier, was born Nov. 8, 1915 at Fairfield, Nebr. He attended Wartburg College and the University of Iowa. He taught at Selma, Ia., Trenton, Nebr., and West Liberty, Ia., before coming to WSC 12 years ago. He served as head track coach and professor in the physical science department.

He was married May 22, 1941 to Arlene Steiner at Glenvil, Nebr. He served as a lieutenant in the Coast Guard during WWII. He was active in church work and was a member of the church council.

His parents preceded him in death. Survivors include his widow; four children, Duane, Dennis, Phyllis and Carolyn, all at home and two brothers, Robert of Bruning, Nebr., and Louis of Scribner.

Crime Specialist is Speaker at Guest Day

Ben Goble, Lincoln, who might be described as a "crime specialist" was speaker for Woman's Club guest day Jan. 13. Using the topic, "Crime—Our Number One Problem," he cited numerous statistics showing the increase in crime in the world. He emphasized that the size of Wayne does not exempt it from being a victim of the increase in all crimes—juvenile and otherwise. He distributed brochures concerning P.A.L. (People and the Law.)

Mr. Gobel was introduced by Mrs. Lester From. Mrs. Arthur Bleyhl, Emerson, gave the opening prayer. Mrs. Richard Arett, Mrs. J. M. Brown and Mrs. Ed Wolske, accompanied by Mrs. Vernon Predeohl, sang "Let There Be Peace On Earth." Mrs. R. W. Casper accompanied group singing. Mrs. Mildred West was chairman of the serving committee.

Mrs. Ottwin Schlueter, Pender, will give a demonstration on hat making at the Jan. 27 meeting.

Two WSC Scholar Awards Revealed

Two students at Wayne State College have received scholarships for second-term studies.

They are Lonnie Zrust, Clarkson, awarded the \$50 John F. Kennedy Peace Scholarship, and A. D. Benson, Sidney, Ia., the \$100 Fred Dale Athlete-Scholar Award.

Zrust, son of Mr. and Mrs. John Zrust, is a senior majoring in social sciences; president of Pi Gamma Mu, national honorary in social sciences; treasurer of Wayne Student Education Association of Nebraska, and member of Kappa Delta Pi, national honorary in education.

Benson, son of Mr. and Mrs. Gilbert Benson, is a junior majoring in speech and minoring in physical sciences. He is a track and cross country letterman, one of Nebraska's leading distance runners. The Dale Award, established by the Wayne State Foundation, goes to a prominent athlete not majoring in physical education. It is named for Wayne's professor emeritus, Fred Dale, who coached all sports at Wayne in the

1920's then taught geography until retirement in 1961. His 40-year faculty tenure was the longest in WSC history.

Winners in the Wayne Women's Bowling Association annual tournament were named over the weekend, the tourney being held Friday and Saturday at Melodee Lanes, Hotel Morrison team with a 2,725 score won the team title (Tootie Lowe, Bonnie Koch, Diane Wurdinger, Dee Schwartz, Joan Ostrander); Sharon Tell and Geri Marks with 1,126 won the doubles; Norma Wittig with 594 won the singles; and Dixie Wurtle with 1,693 scratch won the all-events.

Winside Beaten Soundly Tuesday

A Winside team that gave Wisner a run for its money and then clicked against Osmond, floundered hopelessly against Wausa on the latter's court Tuesday, going down to defeat by a convincing 91-49 margin.

Coach Dan Cahill's charges go against another tough foe Friday at home. Randolph will furnish the opposition for volleyball and basketball teams. Rebounding was one faulty department. Winside managed only 25. Keith Krueger had 14, Don Longe 4, Randy Jacobsen and Reed Wacker 3 and Bob Wacker 1.

Wausa led 25-10 after one quarter and kept up the pressure to take a 41-19 halftime lead. At the end of three periods the Vikings still poured it on to lead 65-33. With no mercy, the host team outscored Winside

side 26-14 the last period. Krueger led Winside with 18 points and Jacobsen added 11. For Wausa, David Holmquist had 28, Mark Pfeil 17, Jim Lindquist 11 and Ron Nelson 10.

The second team game was a duplicate of the varsity tilt. Wausa led 12-6 after one period, 29-6 at the half, 46-12 after three quarters and 52-20 at the end of the game.

Doug Deck hit 8 for Winside. Bob Jackson and Fritz Weible added 4 each and Phil Witt and Mike Jeffery 2 apiece. For Wausa, R. Nelson had 13, F. Anderson 9, R. Buhrman 10, L. Holmquist and L. Theroff 4 and K. Johnson and J. Anderson 2.

For the first time since around 1948 an organized team representing Wayne State will compete in the Norfolk Golden Gloves boxing tournament Jan. 31-Feb. 1. While not sponsored by the college, it is made up of students at the school.

Two champions from the Norfolk meet last year are back for the team. Rusty Nyberg won the welterweight division and Bob Hixson won the middleweight title last year.

Coaching, training and managing the team is Craig Rosengren, Chicago, who has been a lot of help in correcting mistakes and helping improve style and effectiveness for the nine boxers who have been in training since last October. Wendell McConaha, Tekamah, and Jim Brown, Omaha, are corner men for the team.

There are no flyweight or featherweight entries from here. However, the boxers out for the squad are: Terry Artman, Chicago, bantamweight; Mike Christensen, Council Bluffs, lightweight; Rusty Nyberg and Bill Cartwright, both of Chicago, welterweight; Bob Hixson, Neligh, and Bob Meredith, Chicago, middleweight; Syd LaMore, Chicago, and Oran Nelson, Neola, Ia., lightweight; James Milek, Chicago, heavyweight; Roscoe Goodpasture, Norfolk, heavyweight; Steve Totten, Hooper, novice middleweight; and Darrel Cates, Missouri Valley, Ia., novice heavyweight.

The team poses a definite threat for taking the team championship. Sioux City is a perennial winner at Norfolk but the WSC boxers feel they have a good chance for the team title. With no overconfidence, they work nightly on their own time after studies and classes in working out.

In case some of the names are familiar, they

Wayne State in Loss at Kearney

Wayne State cagers, down 10 points at halftime, fought back into the lead six times in the second half, but lost an 81-79 decision to Kearney State here Saturday night.

The host Antelopes made good use of free throws, 23 of 30, to overcome Wayne's 34 to 29 advantage from the field. The Wildcats got only 18 charity chances and made but 11. Kearney trailed from the start till moving ahead, 16-15, midway through the first half, then gained a 43-33 lead, mainly on the 16-point effort of Joe Hoppes, who finished with a team-leading 21.

The teams matched goals for the first seven minutes after intermission until Wayne erased a 10-point deficit and gained a 57-57 tie during a 45-minute Kearney scoring blank.

Six times Wayne moved ahead, once by four points, before the Antelopes took over to stay, 75-73, with 3:10 left. They had an 81-75 pad at 34 seconds, missed several more shots while Wayne closed to the final 81-79.

Bob Strathman and Joel Parks contributed 13 points each to the second-half attack. Parks (finishing with 22 before he fouled out with 2:36 left, Strathman hitting 21.

Wayne now is 1-3 in the Nebraska College Conference, 4-9 for the season; Kearney 1-1 and 5-9.

WSC Swim, Wrest

Teams See Action

Wayne State College swimming and wrestling teams have seen action the past week. They also are on the road in competition this week.

Southwest Missouri Wrestlers will be in Wayne Tuesday evening for a meet. Southern Wrestlers will be here Feb. 2. Swimmers will take part in a quadrangular relay swim meet at Grinnell, Ia.

Wayne swimmers beat Kearney Saturday and set several records doing it. It took the final event to give WSC a 59-45 win.

Russ Nyberg set three meet records: 100 free-

style in 54.0 seconds; 500 freestyle in 5:49.7; and 1,000 freestyle in 11:45.8.

Jim Brown set a 2:29.2 meet record in the 200 butterfly and Marty Sears set a 2:29.7 record in the 200 backstroke. Brown also won the 200 freestyle in 2:05.8 and the Wayne 400-yard freestyle team set a meet record of 3:42.4 in the final event.

WSC beat Yankton in wrestling at Rice Gym 28-7 Saturday. Terry Artman and Ron Tone pinned their opponents; Jeff Meineke won by forfeit; and Rich Gray, Steve Hanson, Larry Michelson and Dave Mathias won by decisions. Charles Peters drew with his opponent.

Colorado State wrestlers beat Wayne 29-6 Friday. Jeff Meineke and Rich Gray were the only WSC winners, both taking decisions. The Bears have been facing big university opposition lately.

Monday WSC beat Morningside 19-11 at Sioux City, the first dual loss of the season for the Iowans. Larry Michelson scored the only pin for Wayne State.

Jeff Meineke, Ron Tope, Rich Gray, Steve Hanson won decisions and Charles Peters scored a draw. WSC is in a triangular at St. Cloud, Minn., Saturday and will host Southwest Missouri at 4 Tuesday at Rice Gym.

NOW, TAKE IT EASY: This appears to be what Wayne State's Rich Gray is telling Pat Menke of Colorado State College. But chances are he was thinking something else enroute to a 2-1 decision, one of Wayne's two victories over the powerful CSC mat team.

Over 200 Register at New Jail Open House

Over 200 registered at the open house held in the new county jail and sheriff's office Friday. Many others failed to register and none of the children registered.

Sheriff Don Weible and Deputy Sheriff Scott Thompson were kept busy from 1:30 until after 5 conducting tours through the facilities. Much interest was shown in the new features which made the jail one of the most modern and break-out-proof in the area.

Flowers were sent to help add to the appearance of the interior. One country school teacher was unable to get into town on Friday with her pupils so arranged for a special tour for the youngsters Saturday.

Visitors are welcome at the county jail at any time. However, groups wishing to see the building should make arrangements in advance.

The Girl Scouts of Wayne are making tray favors for the hospital to be used in January. Different weeks are being assigned to the different GS units. Mrs. Max Lundstrom is leader with Sally Sinclair and Mrs. Steven DeWitt new assistants.

Wayne Debaters Win Meet Honors Twice

Competing for the most part against Class A schools, Wayne High School debaters coached by Chet Christensen have done well in meets at the University of South Dakota and Nebraska Wesleyan University the past two weeks.

At Vermillion, Wayne won only one debate and lost five. However, the debaters, Duane Shell, Larry Hamley, Jo Merriman and Tom Havener, finished second in "speaker points" for the meet.

In Lincoln this past weekend, Havener and Merriman won 3 and lost 3. Shell and Hamley won 2 and lost 4. No ratings on speaker points were given. Coming up for the team are the meets at Midland College Feb. 4 and at Norfolk Feb. 28. Subject being debated is: "Resolved that the foreign aid policy of the United States should be limited to non-military assistance."

Adult Education at School Gets Started

Knitting, typing, food and defensive driving are four adult education classes getting started Tuesday, Jan. 24, at Wayne High School, according to Supt. Francis Haun.

Classes will meet each Tuesday starting at 7:30. The charge will be \$10 per course except for defensive driving which will be \$4. Typing will be for beginners and those wishing to get refresher training. Business letters, office forms and office supplies will be included.

Knitting will be offered to meet the demands of those enrolled. Food will be in a fun course on ready-to-eat, partially-prepared and homemade products. Driving will be on keeping out of accident-producing situations. Anyone wanting information should contact the public school. Only the courses having the required number of registrants will be offered.

California Services Held for Mrs. Duling

Mrs. Pauline Braunger Duling, a native of Wayne, was killed Dec. 9 when she was struck by an auto while crossing the street near her home in Montrose, Calif. She was a graduate of Wayne State Teachers College and she had recently attended a Nebraska reunion in Long Beach, Calif.

Requiem mass was celebrated in Blessed Sacrament Church, Hollywood, where Mrs. Duling had resided 22 years. Bural was in Holy Cross Cemetery.

Survivors include two sons, John M., San Marino, Calif., and Paul A., Alhambra, Calif.; three daughters, Mrs. Joseph Lease and Mrs. Wilbur Hoffman, both of Sacramento, and Mrs. Arthur Lousen, La Crescenta, Calif.; 16 grandchildren and three great grandchildren. A number of cousins reside in the Wayne area.

Doane Plays Wayne Tuesday Night Here

This is breathing time for Wayne State's basketball team. A full week precedes the next game—Tuesday night at home against Doane—after six games in two weeks, five of them on the road.

The 7:30 match with Doane renews rivalry that has lapsed for two years. The Tigers, with a strong winning record, are expected to give Wayne's 5-9 Wildcats a stiff tussle.

Wayne continued a long domination of Southern State with a 65-60 squeak Tuesday at Springfield, S.D. The Wildcats, after trailing in the first six minutes pulled to a 35-30 half and survived a Southern threat in the second half.

The Pointers managed a one-point lead briefly in the middle of that half, but the Wildcats regained control and thwarted Southern efforts with timely defensive plays.

Bob Hoped led Wayne with 21 points, and Bob Strathman tallied 19. For Southern, Jim Uttech and Tom Cole were high with 12 each.

Colorful Film to Be Shown at Auditorium

Folks in the Wayne area will have an opportunity to see the famous Gordon Eastman's wildlife adventure film, "Challenging the Northwest Territory" on Tuesday evening, Jan. 31, in Wayne City auditorium. The film will be in Wayne for one night only, under the sponsorship of the local Izaak Walton Chapter.

Ike President Norris Weible said individual members will be selling advance tickets soon.

Phadet, Ambassador

Meet This Past Week

Phadet Gawsombat, Thailand exchange student staying at the Dr. J. M. Brown home, and the ambassador of Thailand met at Yankton College the past week. The Thai ambassador was in Yankton for a speaking engagement.

Supt. Francis Haun of WHS had taken Phadet to Yankton Tuesday but the ambassador was called to Washington so the speech was rescheduled. To make the trip more worthwhile, Phadet was shown around Gavins Point and visited the Carroll school enroute home.

Thursday Ken Deissler, guidance counselor, and Mrs. Deissler took Phadet back to Yankton for the second scheduled appearance of the ambassador. This time he spoke and Phadet met him personally.

Phadet also spent about one-half hour walking around and visiting with the ambassador's counselor. Pictures were exchanged and points of mutual interest in the embassy and here in Wayne were discussed.

The young exchange student is ready to make public appearances. He has slides of his country and will appear on programs in the area. Anyone wishing to schedule a talk should contact Mrs. Howard Witt or Ken Deissler.

Out of Old Nebraska

Scorched Earth In Nebraska

The Official Records of the Union and Confederate Armies, a multi-volume set of books in the Nebraska State Historical Society Library contain many accounts of interest to our state. One such account is the report of Colonel Robert R. Livingston of the First Nebraska Cavalry. He was Commander of the Eastern Sub-District of Nebraska during the autumn of 1864, a time of Indian outbreak along the Platte River trails. His report written at Fort Kearney, Nebraska Territory on November 1, 1864 describes scorched earth tactics used against hostile Indians in that year.

Livingston wrote, "On the 22nd of October last, the wind being from the north and favorable I caused the prairie south of the Platte River Valley to be simultaneously fired from a point twenty miles west of Julesburg continuously to a point ten miles east of the post (Fort Kearney) burning the grass in a continuous line of 200 miles as far south as the Republican River."

Livingston sent detachments to seek out areas where the great fire had gone out due to thin grass and there they relit the prairie. Every canyon and stream valley between the two rivers was burned. The Indians were deprived of hay for their horses and the game was driven south of the Republican.

In the area extending from ten miles east of Fort Kearney to Little Blue Station, Livingston's men burned out only the creek valleys compelling the Indians to graze their stock on the high prairies in plain sight. Livingston did not burn all of this area in order to leave some game for the friendly Pawnee who proposed to hunt between the Little Blue and Republican Rivers. They promised to report any sightings of hostiles.

Livingston had received reports that his huge planned prairie fire had spread "universal consternation" among the Indians "to whom this mode of warfare is apparently new." He felt that no fear of Indians harassing the trail need be felt for that winter.

Officers at Fort Laramie reported that the burning

had rendered the hostiles anxious to make peace. Livingston was not certain whether this was because of threatened starvation due to the lack of game, or because the Indians wished to halt the fires until spring when they could renew hostility. However, the Colonel recommended that the scorched earth policy be continued as punishment for past misdeeds and a warning as to the future. It would bring a respect of white man's power to the Indians.

Colonel Livingston pointed out that the Platte Valley proper, the area lying between the bluffs, had been spared. This had been done for the benefit of the many wagon trains which would be using the trail and needing forage.

Indian Reservation Nurse

For many Nebraskans, it is difficult to realize that many Indians still live within the boundaries of our state and that many more live nearby. For too many people, the problem of the American Indian ended with the last of the Indian wars. A recent addition to the library of the Nebraska State Historical Society is a small volume by Elinor D. Gregg, entitled The Indians and the Nurse, which tells of life on the Rosebud and Pine Ridge Agencies in South Dakota, along the Nebraska border.

During World War I, Miss Gregg was a Red Cross nurse in France. Upon her return she went on a Chautauqua tour, which crossed Nebraska, speaking on public health nursing. In 1922, she was offered the job of serving as a nurse on the Sioux reservations in South Dakota. No program of duties was planned; she would be allowed to develop this as time passed.

Later Miss Gregg remembered that upon her arrival she had been too busy sizing-up the agency employees to notice the barren country which surrounded the agency, but also realizing that it made no difference as she agreed upon the job sight unseen.

Miss Gregg found that she was the only registered nurse for the six thousand Indians at Rosebud. There were two doctors, a hospital nurse and several field matrons, who did some nursing, as well as advising the Indian women in modern housekeeping methods.

Roads across the reservation were few and the trails were often vague. Miss Gregg tells of having to stop her car and get out to inspect the ground, hoping to select the most recent of several trails and then hope that it was the real trail rather than the tracks of a random rider. One of the Indians gave her lessons in sign reading, to aid her in making her choice.

As there were no clinics on the reservation, Miss Gregg had to travel many miles in good weather and bad, hot weather and cold. Though living in log or frame houses, the Sioux continued many of their old customs. Modern hygiene was not known, and modern conveniences were few. Miss Gregg often found herself working under more primitive conditions in South Dakota than she had known during the war in France.

After two years, Miss Gregg was offered the position of supervisor of the Public Health Nursing for the Department of Indian Affairs. Thus her pioneer work at Pine Ridge and Rosebud Agencies helped fit her in advising her workers on the various American reservations.

Business Notes

Larry Stevenson, Wayne, is attending a four-day Nutrena feeds sales meeting in Minneapolis Jan. 17-20. Livestock and poultry experiments being conducted at the firm's research farm were scheduled to be observed and research scientists were on hand to discuss latest feeding and management studies data.

The Grasshopper Convention of 1876

One of the most frightening and destructive obstacles confronting Nebraska pioneers in the early 1870's was the grasshopper, or Rocky Mountain locust. These insects could in a very short time devour entire fields of grain or a garden. On August 1, 1876 John S. Pillsbury, Governor of Minnesota, issued a call for the chief executives of neighboring states and territories to meet with him to discuss ways of combating the locusts. The Omaha Republican stated that the meeting of governors from Missouri, Iowa, Kansas, Nebraska, Minnesota and Dakota Territory on October 25-26, 1876 in the Grand Central Hotel was "the most important gathering ever held in Omaha."

Nebraska's delegation was headed by Governor Silas Garber and included former Governor Robert W. Furnas, Professors C. D. Wilber and A. D. Williams, from the University of Nebraska, and George W. Frost of Omaha. Garber stated that he had little knowledge about the insects and had no specific plan to combat the locusts but that he did favor the proposal of asking for Congressional financial aid. Furnas stated that it was most important that all efforts be directed at destroying the insects within ten days after they hatched and recommended killing them with a hickory broom or spade...or a mere touch of coal oil. Professor Williams commented on the habits of the locusts and on their future numbers saying that they usually laid their eggs in plowed ground, or grassy or sandy land; and that in some places, such as Kearney Junction no eggs had been laid the previous year.

Professor Wilber talked to the conference later about securing aid from the federal government to exterminate the locusts and to assist those areas of the country now afflicted with the swarms of insects. Wilber discussed several methods of combating them including one used by a Saline County farmer who caught the insects in a long trough-like box as they approached a field; the burning of brimstone in a large

pan which forced the insects out of a field of corn; and other more common measures such as digging deep ditches to hinder their movements or driving the locusts into a small prairie fire started by a farmer. Omaha, George W. Frost, believed that the Timber Culture Act would be a big step in the direction of exterminating the locusts as they never came into the vicinity of shade.

The convention asked Congress to establish a commission consisting of "three entomologists and two practical men of experience with the locusts" to examine "the history, nature and habits of the insects, and to suggest means of destroying them, and remedies against their ravages." It was recommended that an offer of bounties be made for practical suggestions that might help in coping with the problem. The convention hoped that Congress would appropriate \$25,000 to pay the salaries of the investigators and for payment of the bounties. A letter was sent to President U.S. Grant by the conference asking for his support in appointing an investigating commission and for him to authorize the Signal Service Bureau to publish observations on "egg deposits, periods of hatching and movements of the insects."

Before adjourning the Omaha convention also passed a resolution urging "that all our people in the States and Territories afflicted with the locusts, of all denominations and sects, offer up special prayers in their respective churches for deliverance from this great enemy."

Matters had been further complicated by the death of Hugh Butler, the holder of Nebraska's other Senate seat. Senator Butler died on July 1, 1954. Governor Crosby appointed Omaha business man, Samuel Reynolds, who served from July 1954 until November 1954 and did not file for re-election. The election of November 1954 ended rapid change-overs. In that election Roman L. Hruska of Omaha was selected to fill the remainder of Senator Butler's term.

In the three years Nebraska had been served by nine Senators, two of whom had been women. Mrs. Abel was the ninth woman to serve in the Senate, the third woman to be elected to that body and the only one to have succeeded another woman, Mrs. Bowring.

Nebraska's Nine Senators

Senators of the United States are elected to six year terms. This usually results in a state's senatorial representation changing but slowly over the years. For example George W. Norris was Senator from Nebraska for thirty years. However, in the short space of three years from November 1951 until November 1954 our state was represented in the Senate by nine individuals.

The December 1966 issue of the magazine, Nebraska History, published by the Nebraska State Historical Society contains an article which explains the unusual circumstance of so many senatorial vacancies in so short a time. The article is written by Dr. Justus Paul, a professor of history at Wisconsin State University, Stevens Point, Wisconsin.

Around 700 at Wayne's Clinic

Around 700 attended the corn-soybean clinic at the Wayne City Auditorium Friday. Sponsors were well-pleased with the program which attracted farmers from long distances.

The crowd was well-ahead of the clinic crowd for a year ago. Word-of-mouth advertising following the 1966 clinic plus promotional efforts through The Wayne Herald and other newspapers made it a widely-known event.

Gene Fletcher of Standard Farm Service, Sherry Farm Service, Nutra Flo Chemicals, Loberg Construction of Carroll, Mary's Feed of Thurston, Farmers Co-op of Pilger, Behlen, DeKalb, Kern Implement of Wayne, Hansen Implement of Coleridge, Grause Implement of Pierce and Allis-Chalmers were sponsors.

Alvin Wagner, Hoskins, won the Remington shotgun and Don Dover, Madison, won the tractor radio. Other prizes included: Wrench set, Duane Swanson, Bassett; sacks of seed, Alvin Meyer, Wayne, Otto Koch, Winside, and Harold Morris, Carroll; and grease, C. L. Hookham, Neligh.

There were 670 farmers signed through on the free dinner at noon. Free souvenirs and promotional items were also given out by a number of firms.

Don Swanson, district representative for Allis-Chalmers, was over-all director of the clinic. He was elated over the turnout, the number who came from a great distance and the favorable response on all phases of the free clinic.

Chamber Has Coffees

Wayne Chamber of Commerce is welcoming new business and professional people to Wayne with coffees in their honor. The first will be Wednesday, Jan. 25, from 10 to 11 a.m. at the C. of C. building. Everyone is invited in at that time to meet Dr. Sidney Hillier, chiropractor; Ole Anderson, manager Carr Implement; Larry Turner, manager Swanson TV; and Dennis Skokan, manager Fullerton Lumber.

Local Pastor Named Secretary of Group

Rev. S. K. de Freese, pastor of Redeemer Lutheran Church, Wayne, was named secretary to Nebraska Lutheran Welfare at the recent annual meeting held in Lincoln, according to word received here last week.

NLW is an intersynodical representation made up of all major Lutheran synods. This includes American Lutheran Church, Lutheran Church of America and Lutheran Church-Missouri Synod.

Most local Lutheran churches participated in this annual gathering and Pastor de Freese is the synodical representative for the region. Eventual unity of all Lutheran faiths is one of the goals of the body.

Fickle Weather Offers Variety

Weather! In this area it's as unpredictable as a woman!

It rained last Saturday. It has snowed during the week. It has been warmer than usual. It has been colder than usual. It has been windier than usual. It has been more unusual than usual.

The rain Saturday was not extensive and did not offer more than a trace of moisture but it does indicate the balmy weather the area had. However, it was followed by some not-so-balmy "breezes" gusting up around 45-50 miles an hour.

Temperatures were as high as 39-40 Saturday and Monday. The high came in the early morning hours Friday and things cooled off rapidly.

Tuesday it hit eight below and Wednesday morning it was even more frigid. Temperatures were recorded by Peoples Natural Gas Co. The firm reported a high of zero Thursday with a low Wednesday morning of 16 below.

Wayne Industries Has Annual Meet Tuesday

The annual meeting of the stockholders and board members of Wayne Industries was held Tuesday evening at the Chamber of Commerce Building.

Current activities as well as those for the past year were explained by President R. G. Fuelberth. Three directors were named and three advisory council members were selected.

Named to the board of directors for three-year terms were R. G. Fuelberth, Adon Jeffrey and Walter Moller. Named to the advisory council were Henry Ley for a two-year term and Alan Cramer for a three-year term.

Shrove Tuesday Feed Scheduled by Kiwanis

Shrove Tuesday, the last day before Lent, will again be the day of the Wayne Kiwanis' annual pancake feed.

Kiwanians will serve pancakes and trimmings from 5 to 8 p.m. Tuesday, Feb. 7 in the Wayne City auditorium. Plenty to eat for young and old is the club's promise.

Tickets are being sold by individual Kiwanians. They are expecting several hundred hungry folks to attend, as the event has become more popular each year. More details will be given next week.

Memorial Rites Set for Soldier

Memorial services will be held Sunday, Jan. 22, at 2 p.m. in the United Lutheran Church, Laurel, for Sp-5 Donald Grella, son of Mrs. Alberta Sutton, Laurel, who has been declared dead in Vietnam as a result of non-hostile action.

Specialist Grella entered the army in February, 1961, and served two years. He re-enlisted in February, 1964, intending to make the service his career. He was sent to Korea for 13 months.

Following his Korean tour, he returned to the States and volunteered for duty in Vietnam. He arrived there in September, 1965.

A helicopter crew chief, he was reported missing Dec. 28, 1965. Since that time he had been listed as missing in action but the defense department notified his parents this month that he was now listed as deceased.

Survivors include his mother and stepfather, Mr. and Mrs. Ernie Sutton, Laurel; one sister, Shirley, Sioux City; and his grandparents, Mr. and Mrs. Tom Grella, Ashton, and Mr. and Mrs. George Rath, Laurel.

Zurich Musical Group Performs

The Zurich Chamber Orchestra of Switzerland will perform at Wayne State Wednesday, Jan. 25, at 8 p.m. in Ramsey Theater.

Appearance here of the highly acclaimed orchestra is of exceptional interest to music devotees who thrive on the great works of orchestral literature, says Dr. Robert Johnson, director of WSC special programs.

The Zurich Orchestra, a small ensemble of 28, is noted for its ability to interpret the music of the masters as they intended it to be played—according to the comments of numerous critics.

The orchestra began to form in 1945 when Edmond de Stoutz finished his studies at Zurich Conservatory and, on the insistence of fellow musicians, organized a small group. Before long it was in frequent demand for Swiss concerts. A 1951 performance in Italy began its fame throughout Europe, and the orchestra members found themselves giving it their full time.

DeStoutz remains the conductor of this unusual orchestra which has been so successful that it supports itself without subsidy from outside sources.

Safe Peeled in Wakefield Store

A big safe holding checks and currency was peeled open and totally ruined at the Fair Store and Bossman's V Store in Wakefield late Saturday night or early Sunday morning. Amount of the cash taken has not been determined.

Charles Soderberg is the new owner of the Fair Store, taking over from his father, Paul Soderberg, Jan. 1. Harley Bossman, Ponca, is owner of the V Store, who shares part of the huge building and the big safe.

Someone broke open a rear door, took a small amount of merchandise, an undetermined amount of cash and left all checks. The break-in was discovered Sunday morning when Soderberg went to the store to check the refrigeration.

Safety Patrol criminal investigators are heading the group checking the break-in. Dixon County and Wakefield officers are assisting.

Labor Interviews Set

Labor interviewers will be in Wayne Wednesday, Jan. 25, at 9:30 a.m. Anyone interested in employment or employees may contact them at the courthouse. Information may also be secured at the Nebraska department of labor's office, 1224 Norfolk Ave., Norfolk.

4-H Club News

High Raters 4-H club met Jan. 3 above the fire hall. Jon and Joy Rethwisch were hosts. Programs were worked on for 1967. Diana and Dana Johnson became members. Games were played after the business meeting. Sheryl Wittler, reporter.

C&NW Paid \$7,321 in County Taxes in '66

Chicago & North Western Railway paid \$7,231.22 in taxes to Wayne County in 1966, the railroad has reported. Almost 50 per cent of this has gone to support public schools.

The first half of the total tax has been paid. The second half will become due and payable next June.

Paid in Wayne County by C&NW will be: \$1,224 in state taxes, \$1,030 in county taxes, \$73.86 in township, road, sanitary, cemetery and fire protection district taxes, \$3,880.35 in school district taxes, \$1,112.51 in city or village taxes.

Other area counties and the amounts paid include: Cedar \$8,939.89; Cuming, \$6,160.44; Dakota, \$7,905.42; Dixon, \$8,082.40; Madison, \$9,817.94; Pierce, \$5,331.74; Stanton, \$4,873.81; and Thurston, \$3,311.09.

The C&NW taxes are paid on Chicago, St. Paul, Minneapolis and Omaha Railway property in the county under lease to the C&NW.

Concord Firemen Plan Another Big Stag Feed

For over 35 years Concord's Volunteer Fire Department has sponsored a yearly stag feed. This year's feed is being planned for Thursday, Feb. 2, starting at 7:30 p.m.

Cards will be played until the wee hours of the following morning. Wives of firemen will serve lunch and everyone will be welcome to go back for seconds, thirds, fourths and maybe even fifths.

Firemen are selling tickets to men in the area with proceeds to go into a special fire department fund. Plans for the event were made at the annual meeting of the VFW Tuesday of last week.

from headaches of their own. The oldest boy, Keith, four, was almost overcome, being unable to walk, talk or move much.

Mr. and Mrs. Lund gathered the children into the car and rushed to the Wayne Hospital. However, the children revived while being brought there. Nevertheless, oxygen was administered by nurses.

According to the Lunde, the gas came from a furnace that had not worked properly. Had it not been for the youngest children being in such pain and screaming so loudly the entire family might never have awakened.

Mr. and Mrs. Lund and family stayed with his parents, Mr. and Mrs. Verdel Lund, Wakefield, throughout Thursday while recuperating. Their home was also aired out that day to get rid of the last of the fumes and the furnace was checked to make sure of proper functioning.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

It is the duty of an editorial writer to search all available facts before he sits down to write. From this basis the writer should be able to give a clear picture of important topics.

Nothing But Pre-Mixed Food
Residents of this area must live on little else but food that is heated and served, mixed with water then cooked and served or put in the oven in the container and then served as a complete meal.

At least that is the supposition to be taken from the response to our Molly McKay department. It offers \$5 each month to a local resident for a top recipe. Either the women have no recipes they use and want to share or they just don't think it's worth the time and effort for a \$5 prize.

Perhaps Molly McKay's corner should be dropped. Still, many claim they read it, but then turn around and admit that they also have not taken time to send in any recipes or hints of their own.

Turn to the Molly McKay department right now. Notice how few local recipes there are. Similar departments in other papers are crammed with local recipes submitted by readers and there is keen competition and intense pride in being named a winner.

The feature is being read. It's your department. Your help in making it a purely local feature will be helped. You might even want to try the recipes instead of the prepared foods you've been serving. Who knows, your family might like your cooking.—CFG.

A Brick Building
You drive by that brick building on the corner of Third and Pearl several times a week. Maybe you glance at it and maybe you don't. You do recognize it for what it is—a three-story hospital.

But it's more than that. It's a throbbing hive of activity, quiet only during the early hours of morning but sometimes springing into life even at those hours as emergencies arise.

The people who "man the posts" are a breed apart. Of course there are doctors, never getting enough credit, being called all times of the day and night, expected to know at once why a pain returns, why relief is not instantaneous and a hundred and one other things doctors are expected to know.

Wayne Hospital, like all hospitals, is also filled with nurses, aides, cooks, cleaning women, office workers and others. Their roles are important and once they enter the doors of that building the needs of the patients surpass their own needs, their own wants, and their own desires.

There are the cute little aides, called on to give enemas, wash feet, massage weary muscles, and do countless other tasks. There are the cooks who have to please a multitude of tastes, prepare for those who can't eat salt, those who must not have sugar, those whose stomachs react to spices and acids and those who just won't eat certain foods. There are the cleaning women who make their way around with regularity, keeping the floors, walls, furnishings and equipment spotless, dropping a cheery word, hearing a dreary complaint and in general doing more than expected of them.

There are the office and administrative workers, the x-ray and lab technicians, the administrator and others. Each has a role in providing a facility that caters to those who need help and find it only in hospitals such as ours.

And the nurses. God bless 'em, they

earn more than they could possibly be paid. They take the calls in the night. They reassure the father with the injured child who cannot see why the doctor has not arrived yet, they make uncounted trips to the room of the suffering woman who wakes up in pain and needs assurance that all will be better soon, they do the work for which they prepared, but they do work that nurses in bigger hospitals might not have to do, the tasks being assigned them in a small hospital such as Wayne's being much more numerous than those in city hospitals.

It's just a brick building, but it's a pulsing, living building, the heartbeat for the new-born and those who may not live long. It's a building constructed of brick, mortar, blood, grief, heartaches, joy and hope. It's a credit to the community, a monument to those who provided it and a memorial to those who have lived, live now and will live.

Wayne Hospital is THE place to be if you're sick, not just because it is a nice building planned for a specific use but because it is a building peopled by some wonderful men and women dedicated to serving when needed most. There is not room in the columns of this paper or in the hearts of this area's inhabitants to hold the grateful respect and admiration this institution deserves. It stands taller than its three stories indicate.—CFG.

Great Day — for the Criminal
This nation of ours is getting to be a better place—for the criminal. Each week it seems as if some edict comes up which indicates a law enforced for years is unconstitutional and the criminal gets the benefit of the doubt without regard to the "rights" of the common man.

Latest to come up is the ruling by a judge that the Lindbergh Law is not constitutional. What it means is that those convicted under it possibly could be turned free.

Police have been handicapped by new interpretations of laws standing for decades. Suddenly they are almost powerless to seize a man, get him to make a statement and hold him in custody. Men have been released because their "rights" were violated under a law that was suddenly decreed unconstitutional. No one asked if the peoples' rights were at stake.

Any criminal in the land can now buy a gun of any type. Hunters have objected to registering gun sales because they say their rights would be violated, yet so many have given concern to the rights of the people who have been victimized by guns in the hands of the unstable, the maniacal, the perverted and the crazed. If there were a control law, cases such as those involving Charles Starkweather, Lee Harvey Oswald, the Texas Tower sniper, the Chicago nurse killer and others might not have happened. Sure, they could use other weapons but at least killing could be made more difficult for them at no inconvenience to the average man.

But, more laws will be found unconstitutional in the future. Protected will be the "rights" of the communist, the criminal, the mentally or emotionally unstable and others of their kind. Forgotten will be the "rights" of you, the average citizen, victims of the criminal mind. Conviction today may not mean punishment tomorrow. Someone may give a new interpretation and out will go a law next week that was quite acceptable this week. It's a great world—for the criminal.—CFG.

Capitol News ...
On the tax front, a proposal to open Nebraska to Nevada-type gambling has been introduced in the legislature but Revenue Committee Chairman Jules W. Burbach held out little hope for the measure.

"Nebraskans have indicated in the past they do not care for this method of raising money for their government," Burbach said.

But, he added, the proposal "will receive a full and fair hearing. It will get early consideration."

Specifically, the plan would lift Nebraska's 100-year-old ban on gambling and permit such gaming pleasures as slot machines, roulette and black jack.

In another development, Sen. Terry Carpenter of Scottsbluff urged newspaper executives to "come to the Capitol" and present lawmakers their ideas on solving the state's tax problems. "I get a little tired of people who sit in swivel chairs and use a pen to tell us how easy it is to solve all these problems," he said.

"If they have the answers, I would like to hear them. They formulate public opinion and they should come forth."

The legislators agreed to schedule a briefing by three out-of-state tax experts

early next month. The experts will explain the pitfalls and advantages of various taxing systems but will not take sides for or against any bill in the unicameral.

"We may learn from the mistakes of others," explained Adamson.

Two senators—one a Republican, the other a Democrat—have proposed a constitutional amendment for a partisan legislature.

Ross H. Rasmussen of Hooper and Richard F. Proud of Omaha say they "firmly believe" the time has come for legislators to be identified by party label.

Nebraska has elected its lawmakers on a nonpartisan ticket since it adopted the one house system in 1937. Often Democrats are elected for predominantly Republican districts, and vice versa.

The first bill killed by a committee of the legislature was LB 37, proposing persons over 65 be exempt from hunting and fishing permit fees.

It was opposed by the State Game Commission, which said it could cost Nebraska as much as \$100,000 a year in lost wildlife management revenue.

Tax Commissioner Resigns
State Tax Commissioner George Dworak, who guided Nebraska through some of its most turbulent tax years, has resigned at the request of Gov. Norbert T. Tiemann.

Dworak, a Democrat, was appointed Dec. 1, 1964, by former Gov. Frank B. Morrison for a term expiring Sept. 28, 1969. However, the 1965 legislature provided that the tax commissioner shall serve at the pleasure of the governor. There was a question whether Dworak was covered by the change but he decided not to test the provision in court.

New Board President
Norman Otto, 48, Omaha, has been elected new president of the State Board of Education, succeeding Frank Landis of Lincoln.

Otto is a former three-term state senator from Kearney. He served as former Governor Morrison's top aide for three years.

Refuses Request
The State Justice Department has rejected a request to file an original action with the Nebraska Supreme Court to determine if any new tax system adopted by the legislature could be legally repealed by the people. State Sen. Fred W. Carstens of Beatrice asked the question be submitted directly to the high tribunal.

"I was told there were no grounds for presenting the matter to the court," Carstens reported. He said he disagrees "but there is nothing I can do about it."

Carstens contends there are conflicting sections in the state constitution covering the people's right to repeal by a referendum vote major revenue-raising

Letters to The Editor
Dear Editor:
Can you tell me where I can get a copy of "History of Dixon County" by Mr. Huse? I understand he was an early editor of The Wayne Herald.

I would also appreciate any information anyone else might have about early Concord. My Cub Scout den is studying this and we need all the help we can get.

Two dogs were watching the latest teenage dance craze. "What are they doing?" one asked.

"I don't know," replied the other, "but when I act like that they give me worm pills."

We're glad to have Jack Manks join us in the news department. With his help, we'll be able to bring you some new features in the months ahead and we'll be able to make this a better paper. Jack is so conscientious in his work—he's the one who makes those pictures come out so clear and puts the color in those ads so cleverly—so we're sure he'll be a lot of help. We hope to help him too. Look for more and better news coming soon. We think you'll like what The Herald has in mind to better serve the area.

A Sunday School teacher was telling her small charges about the Sermon on the Mount. To start things off, she asked: "Where do you find the Beatitudes?"

Finally, one little fellow in the class hopefully piped up: "Could we find them in the Yellow Pages?"

The school year is half over. How tempus fugit! It probably cannot go too fast for the pupils (or maybe the teachers) but when they look back, they will wish time might have gone a little more slowly. We're already assembling pictures of the Wayne and Win-

California was hit by an earthquake. One couple, fearing for the safety of their Dennis-aged-son, sent him to stay with an uncle in Nevada.

A few days after the boy arrived at his uncle's, the parents received this telegram from the uncle: "Am returning your boy. Send earthquake."

Among the thoughtful cards we received we have to mention the one that was in the form of a newspaper—real clever for an editor; the one signed by all the Winside basketball team; one from the gang at Park Place Tavern in Winside; the one from a mother who said it was a shame she waited until the editor was sick before saying thanks for the stand taken on helping the young; the home-made cards from six nephews and nieces; the many cards from towns we call in each week (where we missed going far more than they could have missed our not coming around); and (we shouldn't have started listing them) all the other beautiful and clever cards. Thanks to each and every one of you.

Are you thinking about taking that adult driving course at either Concord or Wayne? We are, if our back will allow it. Call your county agent if you want more information on what the course is driving at. We wouldn't give you a bum steer and it may be just the brake you need so wheel in to the house or office and write a note to remind yourself not to forget to remember to sign up. This is not time to yield, not when you have the right-of-way and you have the chance to accelerate your knowledge of driving. You auto be convinced by now that the course can do you some good. One good turn indicator deserves another so don't back up, switch on your ignition, get out of neutral and put some drive ability into your think-tank. The strife you waive may be your own.

Out in Los Angeles a group of kids reads this paper each week. City boys all the way, they probably have a hard time believing there are towns such as we have in this area where people care so much about each other and where in-

cidents that would not get passing mention in The Los Angeles Times rate headlines in The Wayne Herald. They are welcome to come see for themselves. Others from big cities had to be convinced that the city is not even close to being the best place in the world to live. We're a lot closer to it on any area farm or in any area town.

"Don't you ever listen to the voice of conscience?"
After a moment's hesitation, the boy replied: "I don't think so—what channel does that come on?"

BUS DRIVER Alfred Wagner sits at the wheel of his bus. Typical of school bus drivers of the area, he has to remain virtually sealed off from the uproar behind him much of the time as he drives on roads of all types. The two lights shown are reflections of the camera flash.

Life of Bus Driver Noisy One; Full of Responsibilities and New Challenges

It was noisy on the school bus enroute back to Winside from Osmond Friday night. Winside had won in basketball. Nights when the Wildcats lose the bus is considerably quieter, according to Alfred Wagner, driver.

Wagner is one of those men who drive the area school buses. Each trip he makes is full of noise, responsibilities and new challenges.

The bus he took Friday for the 80-mile round trip to Osmond is listed as having a seating capacity of 48. However, there were only 32 on the bus, including the driver, and it was crowded.

According to Wagner, the "capacity" is figured by assigning three to a seat. With 16 seats, this gives 48 little kids a place to sit. But 32 athletes, coaches and helpers filled the 16 seats.

On the bus were 22 players, coaches Dan Cahill and Pete Kropp, Scorekeeper Earl Koch, two chart-keepers, two student managers, the son of Coach Kropp and the editor.

Leaving Winside at 5,

Wagner went north to Carroll and Belden and west to Randolph. From the moment the bus left, there was a myriad of conversations filling the air and drowning out the noise of the bus and the road. Quietest part of the bus was in the front one third where the coaches were sitting.

Subjects of conversation in little clusters included: Winside losing to Hoskins a year ago; pheasants; the B-Squad having to shoot free throws to see who gets to wear game jackets since there are not enough for all; hum jokes; imitations of Bill Cosby; getting stuck during the last snowstorm.

Using flashcubes with cameras; an imitation of a greasy kid stuff commercial; doing difficult tricks; television shows; girls; basketball; baseball; not-so-funny jokes; and a hundred and one other topics.

Here are some of the "hum" and "not-so-funny" jokes the driver could overhear if he cared to listen: How do you get off a donkey? You don't. You get down off a duck.

Why is there a fence

around a cemetery? So many people are dying to get in.

A man was walking down the street, he fell into a manhole and yelled to a friend. "Hey, give me a hand." So the friend applauded.

Why did the elephant paint his toenails orange? I don't know. To hide in an orange tree. Did you ever see an elephant in an orange tree? No. Hide pretty good, don't they?

Why do ducks have flat feet? I don't know. To stamp out fires. Why do elephants have flat feet? I don't know. To stamp out flaming ducks.

After an hour of this, Osmond is reached and Wagner opens the doors, disgorging a chattering group. He has driven on gravel, snow, ice and paving, stopped at railroad crossings (even those with signals and the signals indicating no trains near), approached intersections cautiously, traveled below the speed limit and turned the heat up for those who were too cool, down for those who were too warm.

Going back was a noisier trip, noisier because Winside won. Wagner drove Highway 81 this time, taking Highway 98 east to get better gravel. The trip to Winside took about the same time the trip to Osmond had taken.

Conversation was about basketball and how great it was to win. Tests, books,

girls, planned trips and school events were prominent in conversations all over the bus.

The past week was busier than usual for Wagner. Saturday he took a busload to Lincoln for the Colorado-Nebraska basketball game. Tuesday he took a bus to Wausa.

For some of the kids—the St. Paul Lutheran Church members also on the basketball team—there was 700 miles of bus riding in a five-day period. They traveled to Osmond (80 miles) Friday, to Lincoln for the NC game (260) Saturday, to Omaha to see "The Bible" (230) Sunday and to Wausa for a game (94) Tuesday. In addition, some travel to and from school on buses such as the one Wagner drives five days a week.

Men (and some women) drive school buses regularly, many on days when other drivers will not get out on the roads. Bus drivers have to be tested, have to follow rules of the road plus special rules for railroads, hauling children and meeting schedules.

How long do they last? Some keep it up for years. Some give it up for something a little less disconcerting. Any who drive a bus have to have a special makeup. Not everyone can do it. Alfred Wagner is one who can. He seems to thrive on it. He's typical of his calling, the school bus drivers of the area.

A BUS LOAD of Winside basketball players was ready to leave for Osmond when this picture was taken. A few of the players in front and the coaches were too close to be "seen" by the camera lens.

Owners of boats subject to registration in Nebraska must have that registration by April 1.

First choose Cadillac. Then choose the year.

The decision to purchase a Cadillac—regardless of model or year—is the wisest move a motorist can make. Cadillac's remarkably luxurious interiors and superb driving qualities are unmatched. Cadillac's renowned durability, craftsmanship and advanced engineering also gives it long-lasting value—and its owner loyalty ranks highest in the world of luxury motoring. You, of course, are best prepared to judge which model is most suited to your needs and your budget. But avoid compromise with a lesser make. For no other car at a comparable price can provide you greater pleasure and satisfaction than the Standard of the World. And, of course, most previously owned Cadillacs—even those several years old—feature a complete complement of conveniences such as power brakes, steering, windows and seats to provide more driving pleasure than many of today's new cars. See your authorized dealer and let him help you select your favorite model... whether it be new or previously owned. Then all the wonderful rewards of Cadillac ownership can be yours as soon as today or tomorrow.

SUTIN PANTHARACH, left, exchange student from Thailand at Watertown, S. D., was in Wayne last week visiting Phadet Gawsombat, exchange student from Thailand at Wayne. Sutin avers that Americans are "most loved people" in Thailand and other Asian countries.

Thai Youth Loves America, Reports Americans Welcome in His Country

A first-hand report on a country much in the news concerning American servicemen based there, was given in Wayne last week when a Thailand youth came here from South Dakota to visit a fellow countryman. Sutin Pantharach, Watertown, S. D., was a weekend guest of Phadet Gawsombat in the Dr. J. M. Brown home.

Sutin is a personable young man here as an AFS exchange student for a year. His charm and per-

sonality, his obvious love for his own nation and this nation and his easy manner and friendly ways won admirers and friends for him during his short stay here.

According to Sutin, there are many American servicemen in Thai. He says they are there because the Thai people want them there and believe that if the Americans leave the communists will move in fast to take over that country. He expressed the belief that the same situation exists in Vietnam where the people want the Americans to stay to keep all that nation from being taken over by communists.

These are pretty thought-provoking words from a high school senior, but Sutin is no average senior. He is obviously a well-read young man with a knowledge of his country and world affairs deceptively greater than expected in one so young.

Americans in Thailand are almost universally loved, Sutin said. He cited servicemen, Peace Corps workers and others, pointing out that they all seemed to love children and wanted to help them, they all seemed to deplore misery and poverty and wanted to help and all seemed to want peace.

Sutin came here with relatives of the Charles Gawkers, Wayne, who came here from the Yankton-Watertown game. He and Phadet put on a demonstration of Thai boxing (including the use of bare feet) at halftime of the Bloomfield-Wayne game and entertained friends with slides, music and food at the Brown home after the game.

Phadet and Sutin lived

only 78 miles apart in Thailand but never knew each other until they met at an orientation course in Bangkok. They came to New York together and rode a bus together to Chicago enroute to Watertown and Wayne.

In Watertown, Sutin stays in the Jim Miner home—Miners being relatives of the Carroll Costellos of Wayne. Sutin, like Phadet, plans to take part in track and will run distance events while in this country.

Sutin is a jockey as an avocation in Thailand and rode horseback over snow-covered fields at the Roy Coryell farm while here. Like Phadet, he is anxious to make public appearances and talk before groups while in this country.

Both young men admit to liking America and both make the same exception—the cold weather. They don't really mind it, but just don't like it. Everything else about this country is great, they concede. Their American friends feel that if these young men are typical of their country, everything about Thailand must be great too.

Sutin is the oldest of seven children. His father is a policeman who was called to fight communists in northern Thailand. He reports that in a recent letter his parents received word that a fellow policeman was killed by the communists but Sutin's father was saved.

That's one of the blights on a nation known for its happy people, the efforts by any means to force communism on them. If it were not for that, the happy people of Thailand such as Sutin and Phadet would be even happier.

THAI BOXING was demonstrated by Sutin Pantharach (left) and Phadet Gawsombat at the Wayne-Bloomfield basketball game. The high kicking sport where the feet are used as much or more than the fists proved a real crowd-pleaser Sutin has just lashed out with his right foot in this shot. Most of the kicks landed — on faces, thighs, sides, stomachs, heads, necks, arms or chests.

Expanded Staff, Additional Car Give Wayne Police Added Work Past Year

With five staff members instead of four and with two patrol cars instead of one, Wayne Police Department was able to give more thorough coverage in law enforcement in 1966 as compared to 1965, according to a resume of the year's activities prepared by Chief of Police Vern Fairchild.

The chief and four officers put on 34,607 miles with two patrol cars. The previous year with only one car the department logged 31,443 miles.

There were 259 arrests the past year, a big increase over 141 recorded in 1965. Fines came to \$3,630 in 1966, compared to \$2,580 in 1965. Parking warnings increased from 1,330 to 2,201 and other warnings decreased from 437 to 343. Car "fix-it" tickets went to 216 in 1966. No record of these tickets was kept in 1965.

Just about anyone could name the chief offense for arrests: Speeding. There were 52 clocked by radar and 24 by patrol car with a total of \$840 in fines. Improper turns brought 25 tickets, stop sign violations and vandalism 16 each, parking between midnight and 5 a.m. and reckless driving 13 each, exceeding two-hour parking limit 12, petit larceny 7, stop light violations, larceny from auto and depositing rubbish 5 each, vagrancy, intoxication and careless driving 4 and 29 other categories 3 or less (16 having only one violation per category).

Chief Fairchild reported 482 complaints and requests for police service as compared to 712 in 1965. There were 68 criminal complaints compared to 95 the year before but there were 35 criminal arrests as compared to 19 a year previous.

Only 22 animals were impounded, down drastically from 38 the previous years. Two dozen vehicles were towed in (an increase of 4), there were 11 fewer traffic accidents (156) but accidents on private property increased from 5 to 19.

The chief and officers worked 9,844½ man-hours. In addition, they spoke at 15 meetings, attended 198 man-hours of training, Chief Fairchild was elected to the legislative committee of the Police Officers Association of Nebraska for 1967 and was elected President of the Northeast Nebraska Sheriffs and Peace Officers Association of Nebraska for 1967 and 578 radio messages were handled, down from 891 the previous year.

to the sheriff and 1 case was continued.

Biggest cause for parking warnings was exceeding the twohour limit, 511 warnings being issued. There were 434 warnings for parking midnight to 5 a.m., 344 for not parking in a marked stall, 324 for parking left side to curb, 294 for parking in no parking zones, 53 for exceeding 15-minute limit, 49 for double parking, 44 for rear end of car to curb, 39 for exceeding 24-hour limit, 38 for blocking alley, 31 for blocking driveway, 32 for blocking sidewalk, 31 for blocking driveway, 6 for being too far from curb, 1 too close to corner and 1 exceeding 30-minute limit.

Of the other warnings, 84 were for speeding as clocked by car, 57 for speeding as clocked by radar, 56 for improper turn, 36 for no dog license, 21 each for stop sign violation and reckless driving, 19 each for stop light violation and improper burning of trash and 5 or less for failure to dim, improper passing, failing to yield right-of-way, failing to remove snow from sidewalk, dog running loose, improper use of horn, following too close, depositing rubbish, improper use of skateboard, possession of firecrackers and not having closed garbage container.

Fix-it cards were issued for 104 headlights out, 50 cars lacking mufflers, 37 with no tail lights, 12 with no driver's license on person, 9 for license plate missing, 2 for no registration and 1 for each no turn signals and no clearance lights. Of the 216 warnings, 207 have reported being corrected.

All of this information could be used to prevent 1967 from being a busier year for the police. It should be obvious people will not get by with speeding, improper turns, stop sign violations, parking violations, improper parking, faulty headlights, no mufflers, no dog license, improper burning of trash, no tail lights and no driver's license.

The police cannot make the record better in 1967. Chief Fairchild feels that those who read this can. Whether or not they do remains to be seen when another year-end resume is made.

DAIRYMEN

Representatives of the Coop Marketing Association of Laurel, Nebraska have been visiting many of the dairymen in this area advising these dairymen that many Neu Cheese Company producers are having troubles with low milk tests.

Just to set the record straight, this advertisement is to inform and remind these representatives of the Coop Marketing Association that 26 producers who sold their milk to the Coop Marketing Association on January 1, 1966 are now selling their milk to the Neu Cheese Company on January 1, 1967. Whereas only 4 producers switched to the Coop Marketing Association from the Neu Cheese Company during this year.

We believe that these 26 producers who switched to us and the producers we had previously, wouldn't continue to sell to us if they weren't treated honestly.

We also invite any producer who is selling to some place other than the Neu Cheese Company to give us a try. You will be treated fairly and honestly and we give the best route service possible.

Big Second Half Aids Winside '5'

A big second half which saw the Winside Wildcats outscoring Osmond's Tigers 35-23 turned a tight battle into a 71-52 Friday night on the OHS court. Prior to halftime the teams had tied the score six times and the lead had changed hands seven times.

Osmond led for the last time at 29-28, Winside moving into a 32-29 halftime advantage after going in front 17-16 just before the initial stanza ended. From the time when Osmond led 29-26 in the second period until three minutes were gone in the third period Coach Dan Cahill's WIS cagers outscored the host crew 13-1 to move to a 35-40 lead. They were in front 45-41 going into the last quarter.

Bob Dangberg led all scorers with 19 points for Winside. Reed Wacker had 16, Randy Jacobsen 12, Bob Wacker 9 and Dave Witt 8 to give the Wildcats fair balance at hoop-hitting. D. Kumm with 17, S. Moore with 12 and R. Brunckhorst with 8 led the Tigers.

Keith Krueger helped hold back the Orange and Black with 13 rebounds. Reed Wacker and Bob Wacker each had 10, Jacobsen 9, Witt 8, Dangberg 3 and Keith Wacker 1. Dangberg and B. Wacker each stole the ball 3 times and Jacobsen 1. In assists, Jacobsen had 5, Dangberg 5, B. Wacker 3, R. Wacker 2, Krueger 2 and Witt and B. Troutman 1.

The Winside reserves went down to defeat 29-27,

GOING UP for a shot against Osmond is **Keith Krueger** as **D. Kumm** vainly tries to stop the shot. **Bob Wacker** (41) and **Reed Wacker** are Wildcats also in the scene. **Tigers** shown are **B. Rohberg** (50), **R. Claussen** (42) and **R. Brunckhorst** (24).

Winside Seeded Third for Meet

Winside High School was seeded third in the Stanton Invitational basketball pairings released this week. Tilden is seeded first, Clarkson second and Howells fourth.

Coach Dan Cahill's cagers drew Leigh in the first round game Tuesday, Jan. 31. In the same bracket with the Wildcats are Battle Creek and Clarkson. Playing in the other bracket and opening play Jan. 30 are Tilden against Wakefield and Stanton versus Howells.

Plans call for the Monday losers to play a consolation game Wednesday at 7 and the Tuesday losers to play at 7 Thursday. Winners Monday play the second game Wednesday and winners Tuesday play the second game Thursday. Finals and consolation of the five day meet will be Friday, Feb. 3.

Winside has already played Tilden and Wakefield in regular season play. Tilden won with ease over the Wildcats and Wakefield went down to defeat before the Winside cagers.

Wayne High Reserves Split Weekend Games

Wayne High School reserves split weekend action. The B Squad defeated Stanton here 58-39 Friday and then went down to defeat at the hands of Bloomfield Saturday night at Rice Gym 50-47.

Against Stanton, Wayne led all of the way, taking an 18-6 lead in the first stanza and building up a 33-19 advantage at halftime. In the third quarter they lost a little ground as the bench was cleared but still led 43-31. The locals outscored Stanton 15-8 the final period.

Joedy Hoogner led Wayne scoring with 16 points, Harry Lindner coming right behind with 13. Bernie Binger added 8, Les Echtenkamp 5, Mark Ellis 4, Ted Armbruster and Larry Hix 3 and Mike Bilttoft, Dan Sutherland and Randy Helgren 2.

For Stanton, Dahlkoetter had 10, Breikreitz 8, Miller 6, Hinnerichs 4, Benson 3 and Roberts, Cisler, Brooks and Steckleberg 2.

Saturday night the lead changed hand three times the first quarter and the count was tied four times before Bloomfield took a 12-10 lead. Wayne trailed 25-20 at the half and 38-30 after three periods.

The locals went cold after the score was 10-10 and were outscored 11-4 to give BHS a 21-14 advantage. Later in the game, trailing 37-24, they got hot and outscored the visitors 15-5 to pull up to a 42-39 lag. They stayed even in scoring the rest of the game but with 23 seconds left trailed 48-47, BHS making the final basket.

Charles Fisher led Wayne in rebounds with 12. Harry Lindner had 6, Larry Hix 5, Dave Tietgen 3, Joedy Hoogner 2 and Bernie Binger and Tom Denesia 1. Fisher had 3 steals, Hoogner 2 and Tietgen, Denesia and Ted Armbruster 1. In assists, Fisher also led with 4. Hix had 3, Denesia 2 and Hoogner 1.

Hoogner led Wayne scoring with 16. Hix had 10, Fisher 11, Binger and Tiel-

Norfolk Catholic in Champs' Role Repeat

Norfolk Catholic added the Lewis & Clark basketball tournament crown to its laurels last week. The tourney title came as added lustre to the football championship gained last fall.

The Knights beat Ponca 85-59 in the first round, Randolph 70-62 in the second and Hartington 79-58 in the finals. Hartington Cedar Catholic won third place, defeating Winside 69-49, losing to Hartington 69-49 and then edging Randolph 65-60.

Winside was eliminated the first round by HCC. Randolph eliminated Emerson 62-50. NCC beat Ponca and Hartington ousted Allen 95-70. HCC beat Coleridge 57-54 in overtime the second round, Hartington beat HCC, Norfolk Catholic beat Randolph and HCC won over Randolph for third place in the finals.

The tournament started Jan. 3 at Coleridge. It had to be postponed two nights due to the storm. Semifinals were played Jan. 9 and finals Jan. 10.

VOLLEYBALL PLAYERS for Winside High. Standing are Liz Jenkins, Diane Bruggeman, Judy Stevens, Barbara Gallop, Diane Wacker, Diana Weible and Coach Mrs. Harlin Brueger. The team hopes to have better uniforms soon.

Winside Volleyball Team Suffers Loss

Winside girls' volleyball team made a battle of it before going down to defeat at the hands of Osmond on the OHS court Friday night. Osmond won the first set 15-4, Winside the second 15-7 and Osmond the third 15-7.

Coach of the team, Mrs. Harlin Brueger, reports the squad is improving. So far the team has not won a game but it has lacked experience and has had to fight back. Next chance for a win is Friday at home against Randolph.

Girls on the team are Sue Paulson, Dorinda Trautwein, Wilma Ritze, Sandra Muehlemaier, Sharon Paulson, Donna Krueger, Liza Jenkins, Diane Bruggeman, Judy Stevens, Barbara Gallop, Diane Wacker and Diana Weible.

Girl 'Athlete' Hurt

A Winside girl "athlete" is back in action this week after having been injured three weeks ago in volleyball practice. Sue Paulson, daughter of Mr. and Mrs. Lloyd Paulson, cracked her left elbow and has been wearing it in a sling since the injury occurred in a practice session when she fell to the floor. The sling has eliminated her activity as cheerleader but she has been at all games and yelled with the Pep Club as other cheerleaders led yells. She resumed cheerleading this week also.

Perfectionist Blue Devils Defeat Bloomfield's Ninth - Rated Quintet

A Wayne High basketball team that played just about perfect ball Friday night stunned the high-flying Bloomfield Bees 58-39 on the Rice Gym court. The Bees had won nine in a row, won the Northeast Conference championship and were ranked ninth best Class B team in the state prior to the loss.

Coach Harold Maciejewski's cagers take on two tough teams at home this weekend. Neligh will be here Friday and Ralston comes here Saturday.

In Friday night's clash, Wayne played deliberate ball. Some called it "stalling," but the Blue Devils were always trying to move the ball in for the sure shot and did not take the off-balance and out-of-position shots that have sometimes lost possession without adding points. Players also went in for shots and foiled the Bees by passing off to team-mates with better shot opportunities.

Bloomfield last led at 4-3 early in the first quarter. After Wayne broke a 7-7 tie, the locals were never again behind although six points was the biggest lead they could manage the first half. With seven minutes left in the game, Wayne led 42-32, at six minutes it was 44-34, five minutes 46-34, three minutes 48-37, two minutes 51-37 and one minute 55-39.

Wayne led 14-11 after one period, 23-20 at the half and 39-31 at the end of three stanzas. Bloomfield hit only two field goals the final period. In the second they had managed only one.

The Bees did not lack for height with 6-6 Randy Lemke, 6-4 Luther Frerichs and 6-2 Jim Hoppe leading the attack. Tallest player for Wayne was 6-2 Herb Swan.

In rebounds, steals and assists the figures are not sensational but the smaller totals are due to the deliberate-type game the Blue and White played. George Eynon and Bob Morris led in rebounding with 6 each, Gordie Jorgensen adding 5, Herb Swan 4, Lynn Lessmann 2 and Dave Brown 1. Brown and Jorgensen each had 3 assists, Lessmann and Morris 2 and Eynon 1. Lessmann and Morris stole the ball 3 times, Jorgensen 2 and Eynon 1.

Jorgensen's 23 points were tops for any player and Lessmann was second high in the game with 14. Jim Hoppe and Luther Frerichs each made 12 and Randy Lemke 10 for the Bees.

Wrestlers Enjoy Farm

Colorado State College wrestlers, in the midst of a long road trip which keeps them in hotels, motels and restaurants much of the time, got a taste of farm life, home cooking and the relaxed atmosphere of a country home Friday.

Coach Jack LaBonde, the trainer and ten wrestlers were guests of Mr. and Mrs. Don Meyer at their farm for dinner prior to the wrestling meet with Wayne State College. One of the wrestlers had been in the Meyer home before as a freshman when he came here with Don Wayne Meyer, CSC basketball and baseball player. CSC has had little snow so when the young men alighted at the Meyer farm they took advantage of the new snow to engage in a snowball fight. Mrs. Earl Bennett helped Mrs. Meyer prepare and serve the meal for the grappling squad.

WHS Freshmen Take Two of Three Tilts

The freshmen of Wayne High School won two of three games the last two weeks. They lost to West Point Central Catholic 44-40 but beat Madison 35-20 and Stanton 55-40.

Coach Ron Carnes' cagers play two games at Norfolk Thursday evening. Tuesday they start action in the freshman tournament at Schuyler, opening against David City. First round games will be this week with finals next week.

Against WPC, Mike Biltoff led Wayne with 12 points. Jerry Titze made 10, Dan Sutherland 6, Les Echtenkamp 5, Ted Armbruster 4 and Bruce Pflueger 1. Scoring by the winners was not kept in the local book.

Doug Maurer and Titze led Wayne against Madison with 8 points each. Randy

Helgren made 6, Sutherland 5, Armbruster 4 and Echtenkamp and Biltoff 2. Schmidt had 5 to lead the losers. Wehrle and Makelin hit 4 each, Rotherham 3 and Eulberg and Unger 2 each.

Monday night Wayne was never behind against Stanton. Every player on the WHS squad saw action after Wayne had taken a 24-point lead (53-29) early in the final period.

Sutherland led in rebounds with 12. Helgren had 6, Maurer and Pat Chambers 5, Biltoff 4, Armbruster 3, Echtenkamp and Jim Sturm 2 and Titze,

Pflueger, Terry Ellis, Bruce Mordhorst, Fred Netherda, Allen Meyer and Ron Seymour 1 each. Biltoff stole the ball 8 times, Sutherland 6, Maurer 5, Titze, Echtenkamp, Armbruster, Helgren and Chambers 2 and Sturm 1.

Echtenkamp, Biltoff, Maurer and Chambers each had 2 assists, Sutherland and Armbruster 1. In scoring, Armbruster had 12, Helgren 11, Sutherland 8, Chambers 7, Pflueger 5, Biltoff 4, Titze 3, Ellis and Scott Kerl 2 and Echtenkamp 1.

Cites VA Hospitals' Benefits to Nation

Chris Bargholz, Wayne County Service Officer, has cited some of the ways Veteran Administration hospitals benefit not only the veterans and their families but the general public.

He points out that other hospital beds are free for public use because the VA provides care for vets who have had maximum hospital benefits but still require skilled nursing care.

VA hospitals are affiliated with 75 medical schools in this nation and accomplish much medical research. They accommodated 11,302 more veterans in 1966 than they did in 1965 without any increase in the number of beds.

The link between smoking and lung damage was established at a VA hospital, Bargholz reports. There are many other ways the public shares the benefits of the VA hospital program, he points out.

Friday the 13th Unlucky for Few

Friday the Thirteenth was an unlucky day for a few Wayne motorists. Of the eight accidents the past week, seven occurred on that unlucky day. Snowy surface conditions existed when all eight took place.

The only Thursday the Twelfth accident was at Fifth and Lincoln. Rev. John Voth, Wayne, was going south on Lincoln and H.W. Kugler, Wayne, was going west on Fifth. Officer Alan Peck, who investigated, reported the Voth car skidded on ice, striking the Kugler car in the right rear. Damage estimates were \$35 on the Voth car and \$47.50 on the Kugler car.

All others took place Friday. The first came at 7:50 a.m. at Seventh and Nebraska. Officer Peck investigated an accident where Albert Benson, Sidney, Ia., was northbound on Nebraska and Rafael Sosa, Wayne, was westbound on Seventh. Benson stopped for a stop sign, did not see Sosa and pulled onto Seventh, striking the Sosa car in the side. Damage estimates were \$31 to Benson's car and \$63 to Sosa's.

Peck also investigated an 8:45 accident at Fifth and Pearl. Scott Nelson, Wakefield, was northbound on Pearl. He turned left onto Fifth, cut a little too short and hit the front of a car driven by Yvonne Dill, Wayne, doing about \$114.40 damage to the Dill vehicle.

At 11:55, Peck was called to Seventh and Walnut Drive. Leslie Doescher, Wayne, backed out of his drive, thinking a truck belonging to Gillette Dairy, Norfolk, had been moved. The truck was still there and Doescher backed into

the front end of the truck. One minute later in the 300 block of West Second, William Pfeil, Wayne, was westbound. Jason Preston, Wayne, was backing a Schmode-Weible truck from Winside out of an alley. He failed to see Pfeil and backed into the side of the latter's car doing about \$20 damage, according to Officer Peck.

Officer Keith Reed investigated a 9:30 p.m. accident at Fourteenth and Main. Doris Zimmerman, Wayne, was coming off Fourteenth. Her car's foot feed stuck, the car spun and slid into the side of a stopped car driven by Robert Kobza, Ulysses, forcing the Kobza car into the side of the police car. The police car was undamaged.

At 10:20 p.m. at Twelfth and Walnut, Melvin Meyer, Wayne, was eastbound on Twelfth. He made a right turn, slid on the ice and struck the left front corner of a car driven by Jackie Lee Juelsgaard, Elk Horn, Ia. Officer Reed reports \$20.85 damage to the Meyer car.

A hit-run case was reported but no time given. In the 800 block on Logan, Officer Peck investigated. Norvin Hansen's parked car had been hit and \$240 damage done. A brown or tan car is thought to have been involved as that color paint was left on the Hansen bumper.

Hits Stalled Auto

The car of Arnold Hansen, Carroll, stalled south of Belden on the Wayne-Cedar County line Monday evening of last week. Blowing snow had caused the road to drift shut again. Barry Caster, Randolph, with a full load of passengers, was unable to see the stalled car and hit it. No one was injured. Hansen operates a garage in Belden.

WHS Band Entertains Reports, Plans Given

The Wayne High School band puts on quite a show in sight and sound at Blue Devil home games. Friday, for example, the bandmen directed by Don Schumacher played the traditional pep songs plus some unusual ones. Top numbers included: Saints in Concert, Marching Boogie, Rock Around the Clock, Crazy Cats, Bittersweet Samba and Up Above My Head. The numbers require a lot of practice and the WHS band shows the results of working hard. They add much to the evening's enjoyment. Friday's entertainment also included Thai boxing by Sutin Pantharch and Phadet Gawsombat, AFS exchange students.

Reports, Plans Given

Annual reports of three Dixon County cultural groups were given to Dixon County farmers at a meeting at Northeast Station, Concord, Friday.

William Galbraith, Beemer, member of the Nebraska Centennial Commission and national vice commander of the American Legion, was main speaker. He centered his talk on Nebraska's centennial plans and urged Dixon County to take part.

Paul Koester, chairman of the SWCD, presented conservation awards, a 16 by 20 colored aerial photo of their farm to Mr. and Mrs. Rudolf Kunz and SCS name signs to Charles Victor, Wayne, Gene Swanson and Verl Carlson, Wakefield, and Harlan Stark, Emerson, for outstanding conservation.

Vern Jones and Fred Hickman told of weed control activities and showed slides of noxious weeds; Ulverd Alexander and Walt Tolman reported on research at Northeast Station; and William Yost showed a centennial film, "Nebraska - Land of Grass."

Local Dentist Named

D. W. E. Wessel, Wayne, has been appointed chairman of Children's Dental Week for Wayne County by Dr. L. A. Ambrage, Omaha, state chairman for the program scheduled Feb. 5-11. The week is marked nationwide to call attention to "the importance of maintaining good dental health habits throughout life." Theme of the 1967 observance will be "Smile." A program encouraging daily dental care will be carried out.

City's Traffic Mark

Bad for First Weeks

Wayne is off to a fender-bending record in accidents this year. Chief of Police Vern Fairchild reports 20 traffic mishaps in the city the first two weeks as compared to 9 a year ago at this time. The policemen have been busy investigating accidents the past week. They also were called to deliver an emergency message from Columbus, helped a stricken man at his home, towed in six cars parked over 24 hours in restricted zones.

Helped round up a steer loose in the streets, looked for a lost dog, ordered a car moved blocking a drive, patrolled the streets, checked on parking, checked locks on front and back doors and did the hundred and one other routine jobs of the department.

Laurel Pastor Has Accident Near Here

Rev. Larry Spomer, Laurel, was uninjured Monday when the car he was driving was caught by a gust of wind on an icy stretch

of Highway 15 south of Wayne and went into a snowbank where it overturned. Deputy Sheriff Scott Thompson, who investigated, said the Laurel pastor was southbound on dry road when his vehicle hit the icy patch in a sheltered area on a hill. The

strong winds were enough but the gusts were too much combined with the ice and the vehicle went into the left ditch, coming to a stop on its top. Roy Spomer was shaken up but uninjured. His car suffered \$480 damage.
