

Wayne High School Band Giving Mid-winter Concert

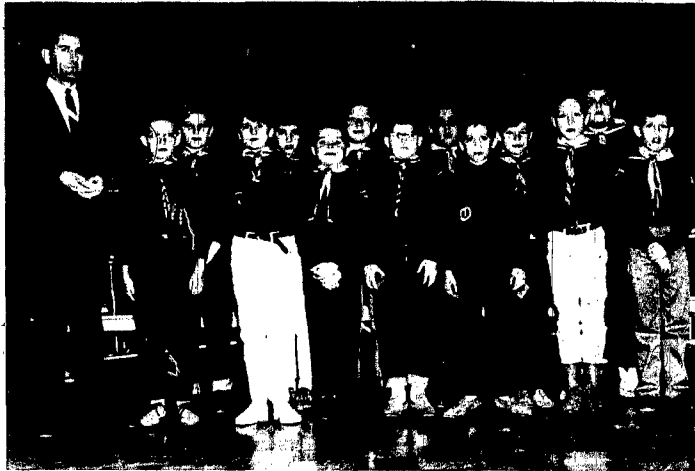

The 105-piece concert band of Wayne High School will present a mid-winter concert Sunday, Feb. 26, at 2 p.m. in the Wayne City Auditorium. Everyone is invited. There is no admission charge.

Don Schumacher is director of the band which will present a program of instrumental numbers. From the difficulty of numbers, it is apparent there has been a lot of practice; from the variety it is possible there will be something to please patrons no matter what their tastes.

Highway 15 Work Not Much Nearer

Last year Wayne representatives were told by the state highway department contracts would be let in June, 1967, for the first nine miles of resurfacing of Highway 15. Now it appears that it will be 1968 before anything is done.

Included are these numbers: "Mustang" concert march by Osterling; "March and Procession of Bacchus" by Delibes; the beautiful "Finale from the New World Symphony" by Dvorak; selections from the Broadway musical, "Do I Hear a Waltz?" by Rodgers and Sondheim; "Overture in B Flat," a contemporary overture by Giovanni; "Seventeen Come Sunday," a march from a folk song suite by Williams; "Man of La Mancha" by Leigh and Darion; "Encore Blues," novelty by O'Neill; "The Sounds of the Ti-Juana Brass," arranged by Russell; and "Marcha 3 de Bebrero" by Roncal, a march commemorating the birthday of Gen. Jose Sucre, first president of Bolivia.

SAVINGS ACCOUNTS were opened for these Cub Scouts to encourage thrift and to encourage participation in Scouting. All boys entering Cub Scouts in Wayne from now on will automatically get a savings account started. Al Voorhies, First National Bank, is shown with

Cub Scout Boost First of Type for United States

A program for promoting Cub Scouts and to encourage boys to enter Scouting has been outlined by First National Bank, Wayne. It is the first such program of its type in the nation as far as is known and local Scout officials intend to give it national attention in "Scouting Magazine."

The bank is giving every Cub Scout and every boy who joins Cub Scouts in Wayne from now on a savings account. Pass books will be presented to the Cub Scouts to get them started and the bank will provide the first dollar in each account.

Business Notes

A source of Boy Scout and Cub Scout equipment is available now in Wayne with the opening of the new Scout department in J. M. McDonald store. The store recently was named an official distributor of Scout clothing and equipment. For further details see the McDonald ad in this issue of the Wayne Herald.

License Tab Sales Lag; Assessing Not So Slow

With time drawing short, there are still around 500 vehicles in the county that do not have 1967 license tabs on the plates. There are fewer who have assessed to be done.

County Treasurer Leona Bakke reported Monday her office was over 500 behind on license renewals. She emphasized that if you wish to take your car on the highway legally after midnight Feb. 28, you must have new tabs on the plates.

The sale of tabs and the payment of taxes has lagged since they went on sale. This is typical of years when no new plates are included, this being the second year for use of the reflecting plates and next year being the third year for using them.

Fine Arts Festival This Friday Open to Public

The annual fine arts festival sponsored by the Wayne Woman's Club will be held Friday at the Wayne City Auditorium. The public is invited to view the items, eat lunch at noon and in the evening and attend a program at 8 p.m.

School Contracts Due

Teachers contracts in District 17 are due this week, Supt. Francis Haun reports. The teachers were given contracts early with the instructions to return them by Feb. 24 if they wish to return to the local school system next term. All teachers were offered contracts.

Wayne Lady Not Thursday Winner

Mrs. Don Draghu, Wayne, had a chance for \$300 Thursday night. She will get \$10 consolation for missing out on the big prize.

Her number was drawn and her name called for the Silver Dollar Night prize. She did not respond at any of the business places that cooperate with the Chamber of Commerce in sponsoring the promotion.

Winside Holding Annual Caucuses

Two caucuses are slated for Tuesday, Feb. 28, at 7:30 p.m. in Winside. They will name candidates for two members of the town board and two members of the school board.

Two Counties Give Study to Road Change to Winnebago

Representatives of the Emerson and Wayne Chambers of Commerce met with Wayne County commissioners Tuesday on behalf of a proposal to improve county road connections between Wayne and Winnebago.

At present the only way to stay on surfaced roads in coming from Winnebago to Wayne is to go north to Dakota City and then west or go south to Walthill, across to Pender and then follow Highway 16.

County roads are not surfaced and offer "detours" of a sort. Due to a wide "dredge" roads have not been built straight through. Going either direction one has to go south or north to get around.

What is proposed is a road going straight east from the Highway 35-16 junction two miles south of Wakefield. This could connect with a county road coming west from Winnebago.

School, City Caucuses in Wayne Tuesday Night

School board and city council candidates will be named at caucuses in Wayne Tuesday, Feb. 28. Each of the three wards in the city has a council post to be filled and there are two terms on the school board of District 17 expiring.

E. G. Smith in the first ward, Jack Kingston in the second and Dr. Lyle Seymour in the third are serving city council terms that expire. Morris Sandahl and Dean Schram are school board members completing terms.

Citizens Party will meet in the Firemen's Room, Second Ward in the Wayne Public Library and Third Ward in the basement lobby of the courthouse.

Popular Party will meet at 7:30 in the City Auditorium to name two school board candidates. They will disburse for three separate ward meetings at 7:45.

First Ward will meet in the City Auditorium, Second Ward in Wiltse Mortuary Chapel and Third Ward in the main floor lobby of the courthouse.

Citizens Party chairman and secretary are Al Kern and John Addison. Popular Party chairman is Ken Desser.

Ask 12,000 Extra Trees For Farmers

Farmers of Wayne County have ordered over 12,000 trees to be planted in windbreaks this spring, according to Arnold Marr, work until conservationist for the Wayne County Soil Conservation District.

Some of the trees will be planted in new windbreak, Marr reports. Others will be evergreen trees to be planted on the north and west sides of existing windbreaks.

Farmers planning tree planting this spring include Morris Sandahl, Donald

Corn Shucks Fire at Noon South of Wayne

Wayne firemen were called out just three minutes before noon Tuesday. Corn shucks on land farmed by Lester Hansen 7 1/2 miles south and 3 miles west of Wayne had caught fire.

Hansen was burning a pile of old logs when the fire blazed up, sending sparks into a nearby pile of husks. The burning husks threatened corn piles nearby.

Making a hurried trip to the nearby Bob Thomas farm home, Hansen called for the fire department. Neighbors also responded and by the time the firemen arrived, Hansen, Hansen and others had the flames about whipped.

The firemen were gone about an hour. They did wet down the ground in the area to keep the fire from spreading in case it should ignite again. Hansen said no damage was done as the wood he was burning and the husks were all that burned.

Poll Seeks Your Opinion on 'Time'

A poll is being taken among Nebraska newspaper readers to find out how they feel about daylight saving time. An opinion ballot appears in an ad in this week's Herald.

Residents getting this issue of the paper are invited to cut the ballot out and mail it to the address shown. By this means, it is hoped the people will indicate whether they want fast time or regular time. While the advertising is sponsored by a group favoring standard time, the ballots provide only for indicating which is preferred by the one sending the ballot in. Whether this influences the legislators or not is another thing.

Rose Kelsheimer, Oto, Ia., called The Herald Wednesday to call attention to a statewide poll in Iowa, which has had DST. That tabulation shows people favor standard time by 2 to 1. The poll was made similar to the one being conducted through newspapers this week in Nebraska.

Wayne City and County officials are marking time awaiting the outcome of a new ruling before the state in a moral which would allow cities, counties and other units to join in providing ambulance service.

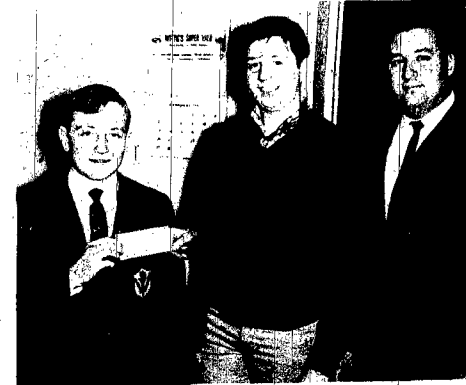

The new law is required because a federal law will cause many of the private firms now operating ambulances to eliminate the service. Without an enabling law, a great many towns face the prospect of no ambulances for any needs.

Al Wittig and Jack Kingston, Wayne city councilmen, attended the meeting of the Wayne County commissioners Tuesday to discuss the problem. Charles Thomas, Wayne hospital administrator, and Chief of Police Vern Fairchild also attended.

City attorney and county attorney offices are checking the laws to see what provisions can be made so Wayne County can have ambulance service when Wiltse and Hiscox both give up operation of ambulances May 15.

The commissioners and councilmen decided no definite action can be taken now. However, they agreed that the problem needs to be studied and all aspects considered so action can be taken as soon as an opening is found.

L.B. 628 was given 7-0 committee approval Tuesday in Lincoln. It is an act. See AMBULANCE — pg. 8

Winside Plans Complete Power Lines Renovation

A proposal calling for complete renovation of the power lines in Winside was approved at a special meeting of the Winside town board Monday. Bids will be sought as soon as an engineer has drawn up plans.

Winside has experienced outage problems for several years. Cause of most of the trouble is the single circuit which serves the entire town.

Due to this set-up, if a tree limb takes a wire down in one part of town, all Winside loses power. Under the new arrangement, the town would be "sectionalized" so only a

small area would be affected when there is such an outage.

Two feeders would be constructed to sectionalize the distribution system. In addition, because of increased usage, lines will be "reefed up" to give better service to all parts of town, including the business and commercial area.

Mayor N. L. Dittman said the project will be a major one for the town. He said Winside owns the distribution system but electricity is brought into town by Wayne County Public Power District with the bureau of reclamation furnishing the power.

Explorers in Big Boost to AFS Project

Another \$100 boost to the fund to bring an American Field Service exchange student to Wayne was received this week. Wayne Explorer Scouts gave \$100 to the project.

Dan Rees, Explorer treasurer, presented the check to Mark Johnson, student council president at WHS. The student council is conducting the drive to bring another exchange student here.

The fund now stands at \$503.21. Need in order to bring an AFS student here is \$750.

The Wayne AFS Chapter will welcome donations from individuals and organizations. It also welcomes members and visitors at meetings.

People, adults and young people, interested in the AFS program make up the AFS Chapter here. Anyone interested in joining can contact Supt. Francis Haun or Counselor Ken Desser.

The AFS Chapter is in the organizational stage for the coming year. People interested in the program are needed to help with the planning.

THIS WINDBREAK on the north side of the farm home of Mr. and Mrs. Willis Meyer, Wayne, is an illustration of the way farmers use tree plantings. This windbreak, planted seven years ago, stops much snow, helps shield the farmyard from wind and drifts and adds to the beauty. It consists of four rows of cedar and three rows of broadleaf trees.

The Spook Speaks
A Wayne State coach had an athlete here looking over the campus. The boy ate his meals at a local cafe. Here's what two meals came to: Breakfast, three eggs, hash browns, sausage, two large glasses orange juice, toast, two large glasses milk, \$2.65; lunch, three hot beef sandwiches, three large glasses of milk, \$2.55.

Then there's the Wayne area cattle feeder who chartered a plane to fly south to buy cattle. The plane had just left the runway and was climbing when the pilot turned and remarked: "This is the last trip for this old plane." The cattle feeder's heart sank. However, the pilot had not meant the plane was on its last wings, merely that he would have a new plane.

Since The Wayne Herald will be printed twice weekly, we will now be able to use pictures with stories of engagements for the social page. In the past we were unable to use the pictures due to lack of space.

Mrs. Jaycees Host Valentine Supper

Mrs. Jaycees hosted their husbands at a valentine party and supper last Tuesday at Hotel Morrison. The ladies exchanged heart sister gifts and the men exchanged gag gifts.

Mr. and Mrs. Keith Kasselner were guests. Mrs. Ken Dahl and Mrs. Larry Stevenson were hostesses. Mrs. Jaycees will meet Mar. 14 to wrap candy Easter eggs.

Bridal Shower Held Honoring Judy Loeb

Judy Loeb was honored at a bridal shower Feb. 11 at Carroll Presbyterian Church. Decorations were in royal blue and white with miniature white wedding bells for favors.

Mrs. R. I. Jones gave a short reading and told the origin of many of our present wedding day customs. Several contests were conducted.

Jane Williams and LuRee Jones assisted at the gift table. Hostesses were Mrs. R. I. Jones, Mrs. Wayne Williams, Mrs. Ray Roberts, Mrs. Evan Williams, Mrs. Lem Jones, Mrs. Morris Jenkins and Mrs. Ralph Olson.

Tell Favorite Spices At Happy Homemakers

Happy Homemakers Club meeting was held Feb. 16 with Mrs. Val Damme. Ten members and a guest, Mrs. Ronnie Wert, answered roll call by naming a favorite spice.

Mrs. Kenneth Frevort read an article, "The Tired American." A discussion on poisons in the home was led by Mrs. V. Damme. Mrs. Ed Watkins presented a lesson on spices. Mar. 16 meeting will be at 2 p.m. with Mrs. Kenneth Frevort.

Wakefield Couple

Mr. and Mrs. Hjalmer Lund, Wakefield, observed their golden wedding anniversary Feb. 11 with open house at Salem Lutheran Church, Wakefield.

A granddaughter, Mary Lynne Anderson, Sioux City, was in charge of registering the 150 guests. Mrs. Eldon Bareiman, Allen, and Mrs. Fred Utecht arranged the gifts. The only wedding attendant present was Mrs. Ethyle Fredrickson, the former Ethyle Lund.

Mrs. J. I. Pedersen, Laurel, accompanied by Mrs. Thure Johnson, Wakefield, sang "The Lord's Prayer." Charles Soderberg, accompanied by Mrs. Martha Olson, sang "O Perfect Love." Pastor Robert V. Johnson gave a brief talk. Burdette Fredrickson, Omaha, read an account of the wedding which was held Feb. 8, 1917.

Mrs. Thure Johnson and Mrs. Tom Shellington, Grand Island, cut and served the cake, which had been baked and decorated by Mrs. Edwin Fabrenholz, Allen.

Mrs. Lyle Johanson served punch. Mrs. Marlin Holmgren, Mrs. Jack Park and Mrs. Verda Lund served coffee.

Guests were present from Wakefield and surrounding towns as well as from Omaha, Sioux City, Council Bluffs, Essex, Ia., South Sioux City, Ogallala, Grand Island and Columbus.

B. Daum - W. Hutchins Plan Spring Wedding

Mr. and Mrs. Alvin Daum, Wisner, announce the engagement of their daughter, Beverly, to William Hutchins, jr., son of Mrs. Beulah E. Hutchins, Poughkeepsie, N. Y., and William W. Hutchins, sr., Washington D. C.

Miss Daum, a graduate of Wayne High School and Strayer Junior College School for Secretaries, Washington, D.C., is presently employed as a legal secretary at Riggs National Bank, Trust Department, Washington, D. C.

Her fiance, a graduate of Poughkeepsie High School served in the U.S. Air Force. He is presently an apprentice printer at the Washington Post.

A spring wedding is being planned.

WAYNE FRESHMEN cagers compiled an impressive record this year. Kneeling (left to right) are Mike Biltoff, Terry Ellis, Les Echtenkamp, Randy Helgren, Ted Armbruster; standing, Coach Ron Carnes, Pat Chambers, Jerry Titze, Doug Maurer, Dan Sutherland, Alan Meyer, Bruce Mordhorst; back row, Bruce Pflueger, Fred Netherland, Scot Kerl, Monte Neiman and Jim Sturm.

Wayne State Wrestlers Champions of Nebraska College Conference Again

Conference wrestling champion for the fourth straight year—that was Wayne State's achievement last Thursday night when the Wildcat mat team humbled Kearney State, 36-3.

The dual meet served as the Nebraska College Conference championship event this year because conference officials had decided a full-scale tournament was not necessary with only three teams competing. Hastings and Peru do not have wrestling teams.

Since both Wayne and Kearney had defeated Chadron in previous duals, their scheduled dual provided the title action—and action there was! Without doubt, this was the liveliest meet of the Wayne year.

To pick the most entertaining match would be impossible, though perhaps the heavyweight scrap rated as the No. 1 crowd pleaser. It featured the old Wayne favorite, All-American Bob Kruse, who had wrestled in only one meet, the January invitational at Morningside.

Bob came in because it was necessary to add the 191-pound class, and there being no 191-pounder available, Harvey Matthias wrestled at that weight and Kruse went in the heavy class. Matthias, though only a 177-pounder, has fought as a heavy most of the season.

Kruse followed his usual routine, sizing up the foe (Bruce Widick) for a minute or so, then—boom!—he struck and Widick was smothered on the mat. The first-round buzzer prolonged his fate momentarily, but Kruse needed only 53 seconds of the second round to pin Widick.

The irony of it is that despite his win, three-time conference champ, Kruse could not claim another title because he had not wrestled in previous NCC duals. The heavyweight title went to Chadron's Steve Gremm, who had defeated the

Wayne Frosh Defeat Laurel, WPCC Teams

Laurel and West Point Central Catholic were defeated by Wayne freshmen in the final two games of the season. LHS was beaten 36-28 and WPCC 43-35.

In the Laurel game, Terry Ellis led Ron Carnes' freshmen to victory with 10 points. Randy Helgren and Les Echtenkamp each made 6, Ted Armbruster, Mike Biltoff and Jerry Titze 4 and Dan Sutherland 2. Ebmeier and Hattig with 9 and 8 led Laurel.

Ellis also led scoring against WPCC, making 13. Titze had 7, Armbruster 6, Echtenkamp and Helgren 5, Pat Chambers and Biltoff 3 and Sutherland 2. Decker with 9 and Reason with 8 led Central Catholic.

ton made 8, Breck Gleese 6, Dick Tietgen, Dwight Clatanoff, Craig Johnson and Steve Peterson 5, Lonnie Biltoff 4 and Ken Peterson 2. Pollack with 11 and Otto and Coony with 9 led Norfolk Catholic.

Wayne State College Award Banquet Expected to Attract Big Attendance

A large crowd is expected to attend the Ellermeyer Awards Banquet Monday, Feb. 27, at 7:30 p.m. in the WSC Student center. The affair was named in honor of the late Carl Ellermeyer who died this year.

George Kelly, defensive line coach at the University of Nebraska, will talk and show a film. A buffet-style meal will be served.

W Club members are selling tickets. For those not contacted previously, members will be at Wayne Book Store Thursday evening and all day Saturday to sell tickets.

Outstanding athletes at the college will be honored for their participation in the various sports. Mothers, dads, faculty members, coaches and friends will be in attendance.

Kelly is one of the popular NU coaches on the banquet circuit. He has helped Nebraska maintain a national ranking on defense for several years and is one of the few members Coach Bob Devaney kept at NU when he moved there from Wyoming.

Freshmen Paced by Armbruster, Biltoff

Wayne High freshmen closed their season the past week with two wins. This brought their record for the year to 12 wins and 4 losses with Ted Armbruster and Mike Biltoff the scoring leaders.

No tabulation was given for individual scoring, except naming the top two. Armbruster and Randy Helgren shared the most-points scored-in-one-game record with 17 points apiece.

Les Echtenkamp and Dan Sutherland were the leading rebounders on the team this season, according to Coach Ron Carnes. Several others also ranked high.

Cedar Catholic Loses to Wayne

Hartington Cedar Catholic went down to defeat 71-52 to Wayne on the Rice Gym floor Tuesday night. The Trojans dropped behind in the second quarter and were never able to catch up.

Coach Harold Maciejewski's Blue Devils saw the lead change hands five times before Wayne took over for good at 20-19. With the score 19-18 in favor of HCC, the Blue Devils warmed up and scored 12 consecutive points to move to a 30-19 halftime advantage. At the end of three periods they led 51-33.

Herb Swan was mighty useful around the basket. He batted down three shots that shorter players had sent basketward. He also led in rebounds with 12, stole the ball once and had two assists.

Gordon Jorgensen had 9 rebounds, Dave Brown 7, Lynn Lessmann 5, Mark Johnson 4, Bob Morris 3, Dave Tietgen, Steve Johnson, Larry Hix and Steve Kerl 2, George Eynon and Gordon Shupe 1. Brown had 7 steals, Jorgensen 6, M. Johnson 3, Lessmann 2 and Morris and Swan 1. Brown had 6 assists, Tietgen 3, Jorgensen, Lessmann, Swan and S. Johnson 2 and M. Johnson and Shupe 1.

Jorgensen led all scorers with 28. M. Johnson had 10. Cedar Catholic's leaders were Steve Becker with 24 and Jim Wintz with 8.

The reserve game was a little more exciting. The lead changed hands 13 times and the score was tied 6 times in the first three stanzas. Wayne led 21-20 at the half after leading 13-10 at the end of one period. They led 37-33 going into the final period and won 51-46.

Harry Lindner and Dave Tietgen had 6 rebounds each, Bernie Binger and Dan Sutherland 4, Charles Fisher and Joedy Hoogner 3 and Tom Denesia 1. Hoogner had 3 steals, Fisher 2 and Binger, Tietgen and Lindner 1. Ted Armbruster, Hoogner, Tietgen and Fisher each had an assist.

WSC Swimmers Lose Mankato State Dual

Mankato State defeated Wayne State swimmers 63-41 Friday. Each team won six events but the Minnesotans copped 10 seconds to make the difference.

Wayne, with a 6-2 record, finishes its dual season Friday and Saturday with meets at Wyoming and Colorado State. After that, the team goes to the combined Nebraska College Conference-District 11 NAA meet at Kearney Mar. 2-4.

Mankato-Wayne results included: 400-yard medley relay, Wayne first, 4:03.7; Barry Phelps, Jim Brown, Dave Noyes, Russ Nyberg; 200-yard freestyle, Russ Nyberg first, 1:58.7; 1,000-yard freestyle, Ron Fazio third.

The 50-yard freestyle, Steve Angerer third; 200-yard individual medley, Jim Brown first, Barry Phelps second, 2:19.7; diving, Rich Brown third; 200-yard butterfly, Dave Noyes third; 100-yard freestyle, Steve Angerer third.

The 200-yard backstroke, Barry Phelps first, Mary Sears third, 2:24.2; 500-yard freestyle, Russ Nyberg first, 5:34.5; 200-yard breaststroke, Jim Brown first, 2:35.1; 400-yard freestyle relay, Wayne second.

Wayne State Girls in Tournament in Omaha

The women's basketball team of Wayne State is down one game in, but not out of, the Midwest AAU Women's Class A Basketball Tournament at Omaha. Six teams are competing.

The Kittens, as the WSC players call themselves, won their first game in the double-elimination tourney Sunday with a

69-28 decision over Omaha YWCA. Then on Monday night the co-eds tangled with an old nemesis, Midwestern College of Denison, Ia., and lost, 65-48.

"It was a bit disappointing," said Coach Peggy Plath, "because we were ahead, 23-21, at the half."

The loss was the third this season to Midwestern, a team composed of veterans who played something like 20 games last year.

Next action in the tour-

WSC Swimmers Place High in Omaha Meet

Six swimmers from Wayne State pulled off something of a surprise in the Midwestern AAU Championship Meet at Omaha Saturday. At least, Coach Ralph Barclay conceded surprise after learning his small squad scored second.

The winner: a combined team of Omaha Westside and Creighton prep top swimmers who a week earlier had sizzled through the state high school meet.

The entry list numbered about 30 teams, Barclay reported.

Russ Nyberg won two firsts for Wayne, the 100 freestyle in :50.9 and the 500 freestyle. Jim Brown placed third in the 200 breaststroke; Dave Noyes third in the 200 butterfly; Barry Phelps third in the 100 individual medley and third in the 200 backstroke.

Wayne's 800 freestyle relay team of Nyberg, Brown, Roger Jorgensen and Mike Maulick placed first, and the same foursome finished second in the 400 freestyle relay.

Following is the varsity game box score:

Allen	fg	ft	r	f	pts
D. Jackson	7	10	2	25	5
D. Schlines	3	4	0	10	1
J. Ellis	5	4	1	13	3

The 400 medley relay of Noyes, Phelps, Brown and Maulick was second.

Cuming County Backing School

Cuming County commissioners have agreed to petition for inclusion in Northeast Nebraska vocational-technical school district. It is the tenth county to cast lots with the plan.

With the addition of Cuming, the valuation of the district has reached about \$270 million. There are more counties to be contacted and this should go even higher.

Bob Carhart and Supt. Francis Haun met with the Randolph Chamber of Commerce last week to discuss the plan. They meet again Tuesday with the Cedar County commissioners to seek that county's support.

Norfolk representatives made contacts in Cuming County. They will meet with Buft County commissioners Tuesday to try to get that county included.

A steering committee met in Norfolk Tuesday night. Wayne County representatives were Francis Haun, Dan Titze and Chamber Manager Wanda Owens.

Further plans call for sending petitions from each of the counties to the state board for approval of plans for the area district. If approved, the plan would then be offered to the people at the polls.

Teams will go out in the counties petitioning to be included to give information on the vocational-technical school plan. Present plans call for people to vote on the issue in late spring.

Winside Native Gets Salute from UNIVAC

Leon Niemann, son of Mr. and Mrs. Lorenz Niemann, Winside, was cited last month as "worker of the month" by Sperry Rand's Univac division. He had his picture and a write-up in the company publication, "Univac News."

Niemann graduated from Winside High School in 1954. He attended the University of Nebraska, served in the air force where he gained a back-

ground in electronics and joined Univac in St. Paul in 1961.

He is a sales representative in the data processing center in Denver. He recently married a young lady in Colorado.

The article in the Univac publication quotes him as saying: "A customer must have confidence in a company and in the people who represent that firm." The article goes on to add that in saying this he put his finger on the secret of success for companies such as Univac.

His manager in Denver calls Niemann "One of the outstanding employees in the region; an all-around man." Niemann was cited for his versatility, dividing time among selling, systems analyst work and programming. "He does them all well, and he can run the equipment too," his manager adds.

Univac has 19,000 employees. One is cited each month for a special story. In January it was the Winside native, who lists a sister, Mrs. Ray Reeg, Wayne, as a relative still in this area, in addition to his parents.

Answers Questions About VA Services

Chris Bargholz, Wayne County veterans service officer, has answered some questions that come up concerning Veterans Administration services. He is ready to answer questions concerning veterans at his office in Wayne.

The new VA school law does allow approved correspondence courses; the VA can help get a copy of a discharge; NSLI and VA insurance policies for \$10,000 each can be carried at the same time;

Date for application for the special "J Insurance" has come and gone; if a veteran dies, pension money received after his death must be returned; widow's pension can be secured for the surviving mate.

Mrs. Roy Lennart left by plane from Sioux City Tuesday to visit her aunt, Mrs. Emelia Norberg, Minneapolis, who observed her 85th birthday Wednesday. Enroute home she will visit her brother and family, Mr. and Mrs. Lloyd Carlson, Luverne, Minn. Mrs. Lennart plans to be gone about 10 days.

BOY SCOUTS of Troop 175 had problems while camping out last weekend. They had tents facing south to avoid north winds. So, the wind shifted to the south and they shifted tents to open to the north. This is a scene in the new Boy Scout park which includes a creek, trees, lots of grass and other features but which is going to require work in the years ahead before becoming the all-around camping park intended.

Students Name Iowan Leader

Bob Sosalla, a sophomore from Sac City, Ia., will be the next president of the Wayne State Student Senate. He was the winner

in the annual election Monday, defeating Ron Withem of Pisgah, Ia.

Sosalla, a pre-law student and one of the college's top debaters, ran on the Dynamic-Activist Party ticket with Alice Turner of Wayne as the vice-presidential candidate.

However, the students split their party votes and elected the Union Party

vice-presidential candidate, Dick Thompson, junior from York, Nebr. Withem was the Union nominee for president.

The new officers, along with senators elected by the residence halls and off-campus students will take office this spring.

The Student Senate is what formerly was called the Student Council. Change of the name, effected this year, follows the trend in many other colleges.

Guests Sunday in the Robert Nissen home to celebrate Michael Nissen's birthday were Mr. and Mrs. Kenneth Stenwall, Winside, Mr. and Mrs. Glenville Sampson and family, Norfolk, Mr. and Mrs. Henry Hoffman, Frieda and Marie Hoffman, and Mrs. Edna Nissen and Shirley.

Weather Comes Back Warm, Cool, Hot, Cold

Wayne area weather has come back on alternating current, warm, cold, warm, cold. No snowfall of consequence makes it an extremely dry winter so far with one of the worst months for storms yet to come.

Wednesday last week was a good illustration of how fickle the weather can be. The mercury climbed to 70 degrees and then plummeted 78 degrees to 8 below.

It was below zero five of the seven mornings last week. Monday it got no warmer than 12 degrees but Tuesday it was in the 40's.

The gauges at Peoples Natural Gas Co. are used for these reports. However, the State National Bank's big temperature sign showed a reading of 55 degrees at one time Tuesday (15 degrees above the gas company's high reading).

It is unusual weather. Winds have blown from about all directions, sometimes in several directions in one day.

Music Recital Thursday Night

The Wayne State College music faculty, which spends most of its time instructing students, will demonstrate its own talents tonight (Thursday).

The 8 p.m. recital in Ramsey Theater of the Fine Arts Center will present a flute-harp-sichord-cello trio by Jay O'Leary, Antony Garlick and Mrs. Barbara Kelton; piano concerto by James Day, songs by soprano Connie Matthews, a violin sonata by Dr. Benjamin Bernstein, songs by baritone William McMurtry, a soprano-baritone duet by Miss Matthews and McMurtry, and several euphonium selections by Dr. Raymond Kelton.

Their recital is open to the public.

Area Firemen in 'Ambulance Talk'

"Ambulance talk" drew much of the attention at a meeting of the Northeast Nebraska Firemen's Association in Allen Tuesday evening of last week. Problems the communities face were discussed.

Some fire departments are going to try to provide rescue service in communities with the loss of ambulance service private firms have been providing. Others agreed that the thing to do was to wait and see.

Firemen from Dixon, Wakefield, Allen, Wayne, Belden, Battle Creek, Nickerson, Emerson, Wisner, Dakota City, Norfolk, Scribner, South Sioux City, Cole-ridge, Fremont and Pierce attended. Deputy State Fire Marshal Paul Thein, Ainsworth, and Deputy State Fire Marshal Harley Minnear, Central City, were present.

A film on how to fight butane fires was shown. Plans were made for another meeting in Wakefield May 3.

HELPFUL HINTS FOR BETTER GAS HEATING FROM PEOPLES NATURAL GAS

- ★ Obviously no thermostat setting can be satisfactory for all places and all people. You purchased automatic gas heat for the comfort that it gives! Don't spoil that comfort by setting your thermostat at some point that somebody else says is the right temperature to carry. Find the point at which YOU are comfortable and keep it there.
- ★ Frequent or large changes of thermostat settings are not recommended.
- ★ Well-fitting storm windows and good insulation promote comfort and reduce fuel cost.
- ★ The damper on an open fireplace should be kept closed when not in use; otherwise drafts and excessive loss of heat up the chimney will ensue and higher operating costs will result.
- ★ Lowering shades at night and closing drapes will reduce loss of heat at windows.
- ★ Avoid placing obstructions in front of any registers or on top of radiators. These devices depend upon the "free" flow of air to do an effective job of heating.
- ★ Always remember that when you change the thermostat setting, that a two degree advance will bring the heat up just as quickly as a ten degree advance . . . and will avoid overheating.
- ★ If your thermostat is in a room adjacent to the kitchen, it is advisable to keep the communicating door closed while cooking.
- ★ Don't place a lamp, radio, or television set near the thermostat since its heat will interfere with the proper temperature control.
- ★ For safety's sake, always keep papers or rubbish away from the heating plant.
- ★ Never block your chimney, flue or draft diverter. A heating system that can't breathe can't operate efficiently.
- ★ Change your filters as often as needed. Your home will stay cleaner and your fuel bills will be smaller.
- ★ Keep your pilot light burning during the summer months. It prevents your furnace or boiler from rusting and you'll have instant heat during cold snaps.
- ★ When vacating the house for several days while heat is necessary, set your thermostat at 60 degrees and be sure to have some friend or neighbor enter your home every day you are away (particularly in severe weather) to make sure that temperature is being maintained. Current failure, a blown fuse, or a number of other such reasons can render your equipment inoperative.
- ★ Peoples Natural Gas Free Service is available to you 24 hours a day, 7 days a week on your heating equipment and all your gas appliances.

No Inductions So Far in 1967

Wayne County has had no inductions for armed forces so far in 1967. However, the selective service board has orders for one to report for induction Mar. 23.

Clerk Mary Graef reports three will go for physicals in March. One was sent for physicals in February.

Two left for induction in December and five went for physicals. No word on future inductions has been given.

Lions Club Members Plan Three Projects

Wayne Lions Club members met Tuesday night at St. Mary's School. Due to conflicts with church and school activities, the attendance was small, but work was accomplished on three projects.

A talent contest for everyone within 20 miles of Wayne or further if living in this county is being planned. Details are contained in a separate article this week.

Another caravan sale of blind-made items has been scheduled. A new date is being sought to avoid conflict with other community activities.

Clete Sharer reported on the baseball program. Plans are being made for next summer's baseball season with advanced ticket sales the big item.

Arnold Zach is the newest member of the club.

Regional Conference Scheduled Saturday

Out of Old Nebraska

'She That Was Fort Kearny'
In November 1872, one Rie Porter, who claimed to have been stationed at Fort Kearny during the winter of 1865-66, revisited the old fort "or as Widow Bedott would say, 'She that was Fort Kearny.'" Porter wrote his impressions to the Chicago Weekly Mail, which was published in the issue of November 21, 1872, and a copy of this long letter is now in the files of the Nebraska State Historical Society.

First he noted that the glory of the old fort was gone, with only a single sergeant and his family living on the post, inhabiting "the old cedar log quarters, in which I spent the winter of 1865 and '66, eating wormy hard tack and bacon for Uncle Sam," while not out campaigning against the Indians.

"I found the old garrison sadly dilapidated. The old sod fort, the crowning glory of Gen. Mitchell's military career, has melted away before the storms and winds and suns of the plains. . . . The old flagstaff, where Polk Bennett, a plucky little private, was tied up by the thumbs, because he refused to chop wood on Christmas for the lazy officers, still stands. He was under sentence of death. . . . whipping a drunken captain who had attempted to beat his brains out with a chair. . . . The Captain's name was Lawler, and. . . could drink more whiskey than he would allow his whole company." Though many of the old buildings were gone, "Some relics of the guardhouse, where the unfortunate, who had incurred the displeasure of the military despots, were confined, still remains and the old magazine, built of red cedar logs and covered with earth, still remains as in days of yore."

He commented upon the children of the sergeant, saying, "How I do pity them. That is judging from the amount of vermin that was in that building in the spring of 1866. No wonder the gentleman who was with me asked them if they had the smallpox. As I had just told him that I used to occupy a bunk in that building, I didn't rise to explain."

Though Porter had few memories of the old fort or its officers, he was impressed with the new town of Kearney Junction, which was just then being developed five miles northwest of the remains of the old fort, and he described the new town in detail, which was springing up almost overnight, where a man who had lived there four weeks was described by his fellows as an "old settler."

In two months, the town had grown from one house to one hundred and twenty-five, with stores, hotels, a newspaper, livery stable, and such other businesses as demanded by all Nebraska boom towns.

He felt that the town would be hindered by the lack of rain, plus the lack of wood, though, as long as the rains came each summer, so that good crops could be grown, the scarcity of wood would not be noticed. This, he explained, was because corn prices were so low that the settlers and townspeople found it cheaper and better for fuel than the wood which could be found for burning.

A group of visitors helped Mrs. Ted Kai observe her birthday Friday.

Scout Troop to Camp Overnight this Week

Boy Scout Troop 174 will camp out overnight at the new Boy Scout Camp in Wayne Friday. While there, they will study ways of making the park more useful to everyone.

Scoutmaster Dick Mandle reports most of the boys are past the first class rank. Rather than working on merit badges, they will see where tree planting, shelter belts and other conservation practices will help.

They will also explore the possibility of putting in a bridge over Logan Creek in the park. Routine camping out procedures, cooking knowledge and preparedness for the elements will not be forgotten.

Carroll Caucus Will Choose Six

A caucus will be held Tuesday, Feb. 28, at 7:30 p.m. to name six candidates for Carroll's board. Three are to be elected for three-year terms at the April election.

Three members serving terms that expire are Jack Kavanaugh, Clarence Morris and Larry Dahlkoetter. Dahlkoetter is also town clerk. Holding over are Maurice Hansen, chairman of the board, and Perry Johnson. Hansen is also mayor of Carroll.

Dedicating Allen Concert Friday

K. R. Mitchell, superintendent of schools at Allen since 1935, will be honored Friday night when the Allen music department will dedicate the concert to him. Mary Jeanne Ducey is directing the concert.

Taking part in the program will be the concert band, clarinet quartet, brass sextet, percussion ensemble, woodwind choir, girls' glee club, triple trio, select choir, mixed quartet, trio and mixed chorus.

The band will play a variety of music ranging from a tango to Scotch folk music. Girls' glee club will sing four numbers as diversified as Hungarian folk songs and religious music. Mixed chorus will be accompanied by percussion instruments on "Dry Bones" and will sing two other numbers. The other groups will sing or play one or two numbers.

There are 49 members in the concert band and 49 in the choir. Jean Durantis is accompanist for the various soloists and small groups.

Hoskins Holding Caucus Tuesday

A caucus will be held Tuesday, Feb. 28, at 8 p.m. in the Firemen's Hall, Hoskins. Nominations will be made for town board members for two-year terms.

A. J. Krause, Ward Johnson and George Langenberg are serving two terms that expire. Mayor Ed Kollath, chairman of the board, and Herman Opfer will hold over another year on the board.

Gene Hartman is town clerk. He reports those attending will nominate one or more candidates for each of the vacancies that will exist and voters will decide on who they want at the April election.

Lions Club Planning Talent Contest Again

A committee meeting of Lions Club members planning the second annual talent contest was held Sunday. The talent contest itself is set for Tuesday, Mar. 28.

The contest is open to Wayne County residents and anyone else living within 20 miles of Wayne. Information on divisions will be announced later.

President Harold Maciejewski announced the following committee members to plan the event: Pat Atkins, chairman; Clarence Boling, assistant; Larry DeForge, Clete Sharer and Wes Pflueger.

authorizing counties, cities and villages to provide ambulance service and providing for contracts with other public agencies.

If this bill passes, Wayne County and Wayne could join forces to provide ambulance service. The bill probably will pass but it will be necessary to know every legal aspect before definite action is taken and May 15 is coming up fast. The city of Wayne has asked the local automobile dealers to submit bids on a station wagon for the police department. This is a substitute for a regular patrol car. Fitted out with equipment, it would be used as a rescue unit as well as a patrol car.

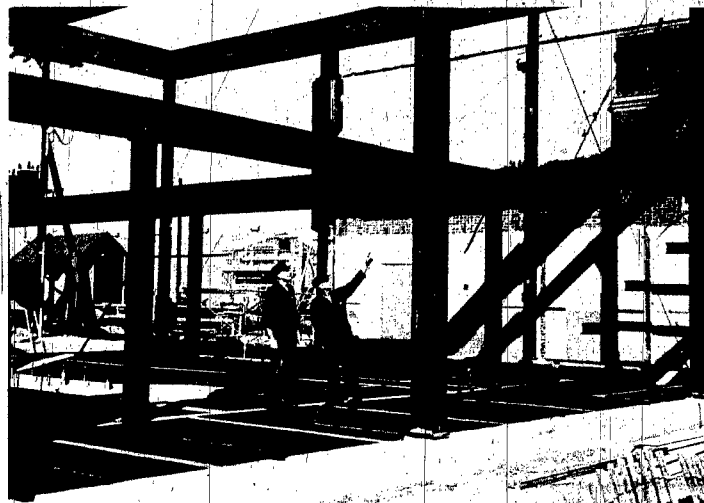

If the county and city decide to operate an ambulance service, one could be ordered. However, thousands of cities and counties are forced into the same predicament so there could be a big backlog of orders and delivery date could be a long time in the future, meaning some interim service would be

needed between May 15 and ambulance delivery date. Wayne Hospital has been giving consideration to operating an ambulance service. This set-up is getting consideration along with the city-county plan and other arrangements.

Three Plays on WHS Calendar

Three one-act plays are being prepared by Wayne High pupils for presentation Tuesday, Mar. 7, at 8 p.m. in the Wayne City Auditorium under the direction of Chet Christensen with Belinda Hebec student assistant. "Twelve Pound Look" stars Tom Havener, Jane Williams, Pat Jorgensen and Doug Danielson. "The Happy Journey" features Jo Merriman, Louise Kamish, Larry Magnuson, Marilyn Stoakes, Doug Stanley and Linda Lesh.

In "Sorry, Wrong Number" are Debi Armbruster, Doug Danielson, Eric Nedergaard, Jeanne Whorlow, Marcia Ehlers, Dennis Elmerjeer, Debbie Wright, Jo Merriman and Jon Merriman.

STEEL BEAMS for the new addition to the Wayne Municipal Power Plant make an impressive setting for a picture. Herman "Bud" Wacker, plant engineer, is shown pointing at heavy beams as utility superintendent Norb Brugger looks on. The big addition is higher than the main plant now and includes a full basement.

Harmer, Marvin Isom, Lyle Cunningham and Kermit Benschoff of Carroll; Don Langenberg, Alvin Wagner, Elton Weich and Fred Langenberg of Hoskins; Walter Biermann of Wisner; Louis Lutt and Merlin Beiermann of Wayne; Delmar Kremke, Stanley Soden, Lester Deck, Howard Voss, Lyle Krueger and Ervin Jaeger of Winside; and Robert Thomsen of Wakefield.

Marr points out that well-planned windbreaks add beauty and comfort to farm homes. Experiments show that windbreaks reduce home fuel cost 15 per cent or more and livestock winter well behind windbreak shelters and come through winters in better condition.

But the biggest advantage of good windbreaks is for protection against snowstorms. Windbreaks that are planned right trap snow and keep it out of building areas. The trees also furnish good habitat for birds and other wildlife.

Road Change —

(Continued from Page 1)
a direct route from Wayne to Winnebago would be open. Winnebago interests have pointed out that col-

lege students coming here cannot come directly to Wayne. There is also considerable trucking through the area which has to bypass the area due to the dredge.

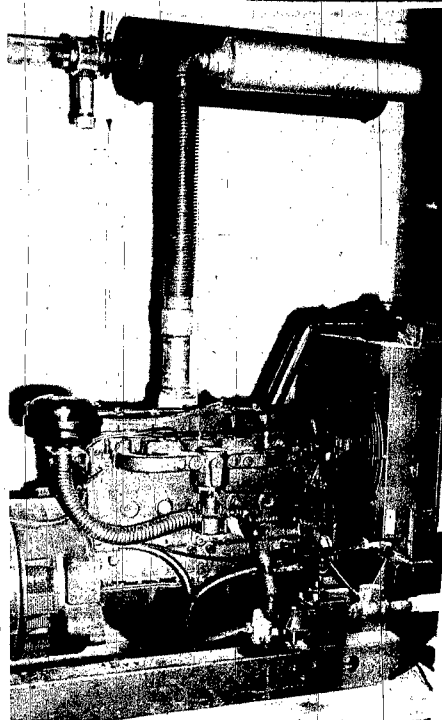

The Wayne County commissioners agreed to meet with Thurston County commissioners Tuesday, Feb. 28, in Pender. They will seek an agreement on securing a consulting engineer to come in, check the costs, plan the route and suggest how money for the project would be paid. Members of the highway committee from Wayne Chamber of Commerce and from the Emerson Chamber of Commerce were at the meeting here Tuesday. They appeared satisfied with the reception the commissioners gave and the plan for a joint meeting as outlined.

Wayne Caucuses —

(Continued from Page 1)
Party counterparts are Jim Thomas and Paul Koplun. City Clerk Dan Sherry reports councilmen serve two years. School board members serve three years. Holding over on the school board are Mrs. Dorothy Ley, Dean Pierson, Lynn Roberts and Don Echtenkamp. City council members holding over are Al Wittig, Wilmer Marra and Bob McLean.

Highway 15 —

(Continued from Page 1)
the highway program has been cut back by the federal authorities. He said that it appears now that "this road work will probably be let this winter so construction could start early in 1968." The C. of C. members want to find out why the local project has been shunted back. They have faint hopes of getting any change in the program previously announced that would call for work on the highway this year.

STANDBY POWER will be offered Wayne Hospital from now on. Tiedtke's installed this standby power unit the past week. It will be available in emergencies to maintain power when the supply is shut off for any reason from city lines.

Feed Grain Men Face Deadline

Farmers of the area are advised that the signup period for the 1967 feed grain program ends Friday, Mar. 17. Chairman John Mohr of the ASCS office reports the program is similar to that last year.

The 1967 voluntary program has been strengthened some ways. Advance payments will again be available and farmers wishing to receive half of his total payment at signup time may do so.

Local ASCS officials urge farmers to contact the office before Mar. 17 so payments to be received can be figured out. All members of the office staff are ready to help on this computation.

Win Trip to Mexico

Harold Field, Wayne, has won a trip to Mexico for himself and his wife. He is division manager for Walnut Grove Feeds with nine salesmen in the area

WAYNE CHAIRMAN for community betterment was R. G. "Dutch" Fuelberth, shown with the citation from CBS and WOW. The picture in the background hangs on the wall of the office of Chamber Manager Wanda Owens.

Wayne Gets Another Betterment Award

Wayne has received a plaque in recognition of its community betterment work accomplished the past year and planned for the year ahead.

The award is the result of Wayne being a runner-up in the Nebraska Community Betterment contest Mar. 1, 1965, to Sept. 30, 1966, culminating in a banquet Nov. 11.

R. G. "Dutch" Fuelberth was the Chamber of Commerce chairman throughout the contest. Many meetings were held, records were kept on the progress of Wayne, reports were made periodically to the sponsoring Nebraska Resources and most organizations of Wayne worked together to improve the city.

WOW and CBS are saluting the towns doing the most work toward improving themselves. The plaque for Wayne, according to Chamber Manager Wanda Owens, "belongs to all who helped win this recognition for Wayne."

ENTIRE FAMILIES enjoyed Grace Lutheran Church's chili feed Sunday. The Melvin Urecht family was among these. Melvin Mordhorst, with coat, is shown with the family. Children left to right are Sandra, Jennifer and Ronald.

Winside Caucuses —

(Continued from Page 1)
will nominate at the Peoples Party caucus at the grade school and the Citizens Party caucus at the light plant. All school district residents can join the caucuses for nominating the school board candidates. Dr. N. L. Ditman, town board chairman and mayor, and Earl Duering are serving terms that will expire. Holding over on the town

council are Dale Langenberg, John Gallop and Warren Hill. School board members whose terms expire are Orville Lage and George Farran. Holding over on the board are Carl Trubman, Warren Marotz, Bob Koll and Henry Langenberg, jr.

Arlene Zoffka is now clerk for the board and town of Winside. She takes the place of Helen Witt, who has served the village for many years as clerk.

LLOLIPOP LANE School had a lamb in class Friday Mrs. Bob Ditman is shown telling the children about the scared lamb that refused the bottle of milk being offered. One tot found the camera as interesting as the lamb.

Lollipop Lane's School Success

Lollipop Lane School is in its first year of opera-

tion. It is a success. The teacher, the pupils and the parents seem to like it. Friday the youngsters in the school studied a lamb close up. They petted him,

cuddled him and learned all about him. What school is this? It's a school for pre-school children started in September by Mrs. Bob Ditman

in the basement of her home. There are 15 enrolled in the 4-5 age group and 5 in the 3-year-old group. The older pupils attend Monday, Wednesday and Friday and the smallest ones Tuesday and Thursday. In each case, the classes are from 9 to 10:30 a.m.

Most of the children have been "enrolled" because there are no other children their age in the neighborhood or because there are no other young ones in the family. There is so much interest in it, Mrs. Ditman plans to have two groups next term, one in the morning and one in the afternoon, each with a limit of 12.

The younger children spend the time learning to get along, learning to share and learning to participate. They get over shyness or boldness and their personalities start developing.

They learn little things. An example: When they first started pasting, they invariably would use about a cup of paste for a three-inch square of paper. They soon learned it takes somewhat less than a cup of paste to do the job.

Another example of an unexpected benefit was

overcoming one boy's fear of dogs. "Tinkle," the Ditmans' big boxer, is gentle with the children and woe be to anyone who menaces them. He seemed to sense that one boy was afraid of him so each day when the children went outside, Tinkle made it a point to go out right beside that boy. Now it's so routine the boy is no longer afraid of Tinkle or other dogs.

The older children love to act out plays. "Billy Goat Gruff" and "Three Bears" are the usual type, but the boys love plays involving gunfights and all children like "finger plays" of various types. They sing songs, cut out paper, color books, cut out records, do finger painting, use water colors, work with play dough, learn about the common things around them, try to remember the right hand is placed over the heart for "Pledge of Allegiance," have parties (imaginary) during which they learn manners by act-

ing out parts, bringing things to show, learn discipline by putting things where they belong (including toys and overcoats), making things out of paper plates and other items and in general get a variety of knowledge while having fun.

Games of all types include "Who Stole Rover's Bone?" This is popular, but being young, they can't keep secrets sometimes and the one with Rover's bone is sometimes so overjoyed with the fact he just can't keep from telling someone. Still, they are always ready to play that again or "Musical Chairs" or other challenging games.

With such a short school session each day it might seem it would not be necessary for a "break," but they have one. Each morning they get juice with crackers after saying a prayer. While enjoying this lunch they continue to learn manners and etiquette.

Mrs. Ditman said the children are not able to concentrate long on any certain thing. A few minutes of reading is fine but then they lose interest. The same is true of other activities. The attention-span-limit keeps her on the go to maintain interest for everyone the full 1 1/2 hours.

If Mrs. Ditman sounds as if she should have been a teacher in the first place, it is not surprising. She was a teacher in the first place. She attended Wayne State College, taught kindergarten at Winside a year and has done substitute teaching.

She was Barbara Ewert, Columbus, when she came here to college, met Bob Ditman and married him. Now they have two children of their own, Debra, 9, and David, 7. Even this has not kept her from realizing her ambition to teach.

She had taken courses in the nursing school at WSC (the building where Dr. and Mrs. Brandenburg now live). She cherished the idea of teaching youngsters so when she and her husband acquired a home with a big basement they went to work setting up a school.

Now the field trips to the bakery, fire station, police station, greenhouse and other places are all routine. Planned for the future are trips to the airport, a farm, a grocery and other places.

Mrs. Ditman can see in the youngsters that they are not quite ready for kindergarten. That is why they learn terms and their meanings such as up, down, sideways, under, high, low. No attempt is made to take over kindergarten functions but the children are better

prepared for the schooling that lies ahead.

She is a busy woman and at nights she works with her own youngsters to help them be better prepared. She works on plans for days ahead, takes the magazine, "Grade Teacher," to get ideas, and devotes a lot of extra time to make this extra school extra special. She's not sure whether she or the children look forward with the most anticipation to each new day of nursery school.

Winside Student Presents Recital

Jerilyn Thompson, daughter of Mr. and Mrs. Duane Thompson, Winside, is one of two WSC students who will appear in a senior recital Sunday, Feb. 26, at 3 p.m. in Ramsey Theatre. Also in the reci-

Jerilyn Thompson

tal is April Swan Montgomery, daughter of Mr. and Mrs. Elmer Swan, Sloan, Ia.

Miss Thompson, WSC piano major, is an active member of the music department. She has participated in band and orchestra and served as choir accompanist three terms. She is president of MENC and is an honor student.

Her number's will include: "La Puerta del Vino" by Debussy; "Hungarian Rhapsody No. 3" by Liszt; and one movement each from a Beethoven and Haydn Sonata, "Nocturne in F" by Chopin and three preludes by Gershwin.

Mrs. Montgomery is an honor student and vice president of MENC. As oboist she is in the WSC woodwind quintet, band and orchestra, playing many solo parts. She also participates in choir.

Program numbers include two movements from the "Haydn Concerto in C for Oboe" and one movement from a Saint Saens sonata. Cheri Hank, Wakefield, will play accompaniment.

Final Rites for Lily Langdon Held at Sidney

Funeral services for Mrs. Lily Langdon, former Wayne County resident, were held Feb. 17 at Holy Trinity Lutheran Church, Sidney.

Lily Brogren, daughter of Mr. and Mrs. Hans Brogren, sr., was born April 8, 1917. She grew up in Wayne County and was graduated from Norfolk Beauty School. She operated beauty shops in eastern Nebraska before going to Cheyenne County in 1949. She lived at Dalton and Potter and in 1955 moved to Sidney where she operated a beauty salon.

She was married in 1944 to John M. Langdon at Grant. She was preceded in death by her parents, a son, James in 1965, and a brother, Chris Brogren.

Survivors include her husband; two sons, John in the U.S. Navy, and Jerome, a student at the University of Nebraska; five sisters; Dora Stahl, Carroll, Meta McDonald, Dalton, Emelie Holt, Sidney, and Marie Parker and Martha Maas, Potter; five brothers, Hans Brogren, Winside, William Brogren, Hoskins, Louis and Edwin Brogren, Norfolk, and Ala Brogren, Dalton.

Mrs. Dora Stahl, Carroll, Mrs. Annie Anderson and Hans Brogren, Winside, Mr. and Mrs. William Brogren, Hoskins, Mr. and Mrs. Louie Brogren and Mr. and Mrs. Edwin Brogren, Norfolk, attended the services in Sidney.

Caramel Creme Sandwich Cookie
Cream 1 cup butter or margarine. Gradually add 1/2 cup firmly packed brown sugar, creaming well. Blend in 1 un-beaten egg yolk. Add 2 1/4 cups sifted flour, stir until mixture forms a dough. Shape dough into balls the size of a marble. Place on an ungreased cookie sheet and flatten to 1/4 inch thick. Mark a design by pressing with a fork or stick hammer. Bake in slow oven (325 degrees) nine to 12 minutes until cookies begin to brown very lightly. Remove from sheets while warm. Place flat sides of two cookies together with powd-

sugar frosting. Mrs. Arthur Rabe, Rt. 1, Winside, Nebr. 68790.

For a wonderful night out come to Connie's for delicious food and cool refreshments. Connie's Red Satin Lounge open nightly except Sunday.

Lemon Cake
1 pkg. lemon cake mix, 1 box lemon jello, 3/4 cup cold water, 4 eggs, 3/4 cup mazzola oil (add last). Bake at 350 degrees 25 to 40 minutes. Prick with fork and frost while warm with 2 cups powdered sugar, 1/2 cup lemon juice. Mrs. Laurence J. Hansen, Rt. 2, Wayne, Nebr. 68787.

This week try shopping at Arnie's where prices and quality go hand in hand. You'll be pleasantly surprised.

Sweet Rolls
4 cups flour, 1 tsp. salt, 3 tbsp. sugar, 1 cup lard. Mix as for pie crust. Dissolve pkg. yeast in 1/2 cup warm water. 1 cup lukewarm milk, 3 eggs beaten. Mix all liquid and add to the above. Cover and place in refrigerator overnight. Next morning, divide dough into 3 parts. Roll out in an oval shape, about

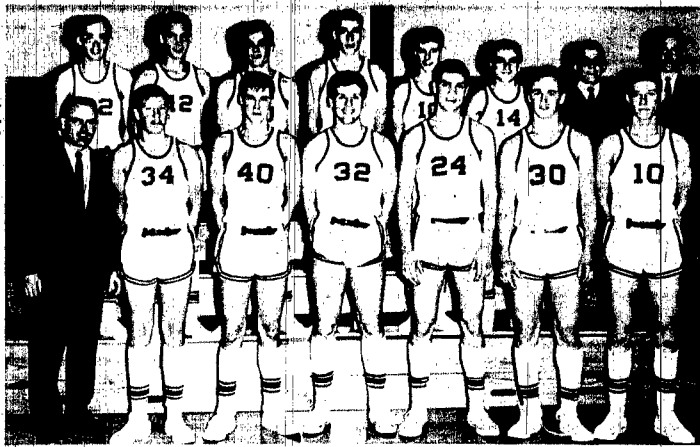

the length of a cookie sheet. Spread filling throughout center. Fold sides over slightly. Let rise 20 min. and bake in a 350-degree oven for about 30 minutes. Frost if desired. Filling may be peach jam, cooked sweetened mashed potatoes, or slightly thickened crushed pineapple. Mrs. Henry Kock, Winside, Nebr. 68790.

Magnificent Winside Rally Results in 54-53 Victory

Trailing 36-20 at half-time, Winside came back in magnificent style the second half to overtake Emerson Friday on the Winside court and eventually pull out a 54-43 victory. Even with 11 seconds left in the game the Wildcats were still behind.

Unable to do much right the first half, Coach Dan Cahill's Winside quintet did just about everything right the second half. So perfect were they, Emerson did not get a field goal in the third quarter until 28 seconds remained in the period.

Starting the second half with a 16-point deficit, Winside made 17 points while Emerson was making two free throws to make it 38-37. The Pirates hit a field goal before the quarter was over to hold a 40-37 advantage.

Then the heart-stopping action started. The count was tied at 43-43, 46-46, 48-48, 50-50 and 53-53. The lead changed hands three times the last six minutes.

Bob Wacker tied it up at 48-all with two free throws. Bob Dangberg stole the ball to tie it up again at 50-all but Fred Mackling hit a field goal and a free throw to make it 53-50. Randy Jacobsen put Winside back in contention with a field goal, 53-52, and Reed Wacker put the Cats ahead with two free shots. Before the buzzer sounded, Keith Krueger rebounded an EHS desperation shot, threw to Jacobsen who shot and hit but time had run out. Fortunately, the basket was not needed.

Dick Hingst had 23 for Emerson to lead all scorers. Fred Mackling had 12 and Dale Oetken 11.

Winside defeated Coleridge 52-46 Wednesday night to earn a finals berth. B. Wacker had 21, D. Witt and K. Wacker 10, Jackson 4, P. Witt 3, Scott Duering 2 and Farran and Brandl and Frerichs had 14, Hoffart 12, Rohde 4 and Steve Lewon 2.

HCC made the finals by beating Wakefield 71-39. For the winners Paul had 10, Preston 9, Addink 8, Jensen 6, Terry Baker and Lyle Brown 2 and Eaton and Gustafson 1. For HCC, Becker and Wintz had 15, Rossiter 12, D. Kramer 8, Litz, Miller and Sandrock 5 and Solberg, J. Kramer and Monte Goeden 2.

Trophies were awarded Cedar Catholic, Winside and Wakefield. The tournament is an annual affair sponsored by the W Club. This year's proceeds will go to a fund to provide a new scoreboard for the football field.

Wayne in Finals of Junior High Tourney

Wayne and Norfolk Catholic made it to the finals of the junior high tournament Monday. They will meet at 8 for the championship with Laurel and Pierce. St. Joe playing at 6:45 for the third place trophy.

The locals won over Pierce St. Joseph's 37-19. Laurel was upset by Norfolk Catholic 53-48.

Leading Coach Hank Overin's Wayne team in scoring was Dick Tietgen with 11 points. Breck Giese and Lonnie Biltoft made 6, Don Mau 5, Steve Peterson 3, Dwight Clatanoff and Jack Suhr 2 and Steve Kamish and Mike Creighton 1. Tom Schleppebach and Dave Korth with 11 and 6 led St. Joseph's.

Pollack hit 30 points to lead Norfolk Catholic to a win. Cooney added 11. Norfolk was led by Erwin with 21, Schroeder adding 11 and Sarha 9.

First National Bank and State National Bank are furnishing three trophies for the tournament.

Winside Loses in Class C Tourney

Winside ran out of gas in the first round of the Class C tournament at Pender Monday night, losing to meet-favorite Walthill 62-51. The Wildcats held the Blujays to 6 points the third period but instead of catching up could manage only 8 points of their own.

The Red and White of Coach Dan Cahill effectively controlled one of the best ball players in the area, Don Snow. The Walthill ace has been averaging 24 points or more a game. Winside held him to 13.

However, the Blujays had a better balanced scoring attack. Joe VanAckerman made 15, Snow 13, Mike Looft 12, Steve Kilzer 11 and Don Nottelman 8 for Walthill. Winside's leaders were Reed Wacker with 19, Randy Jacobsen 15 and Keith Krueger 7.

Walthill was leading 15-11 midway through the first quarter, caught fire and outscored Winside 12-2 to take a 27-13 lead. It was 26-13 at the end of the period, 43-26 at halftime, 49-34 after three quarters and Winside outscored Walthill 17-13 the final canto. In the third quarter the Jays never hit a field goal until 5:40 was gone.

The winners used a lot of reserves in the fourth quarter. This shows up in the box score where Walthill had only one more field goal than Winside. At the free throw line, Winside hit 11 of 17 while Walthill made 20 of 35.

Krueger led rebounding with 11. R. Wacker had 6, Jacobsen 4, B. Wacker and Don Longe 3 and Bob Dangberg 2. R. Wacker, Dangberg, Dave Witt and Jacobsen each had 4 steals. Krueger 3 and B. Wacker and Keith Wacker 1. Jacobsen had 3 assists, R. Wacker, Dangberg and Krueger 2 and Witt, B. Wacker and K. Wacker 1.

Winside Loses in Tourney Finals

Winside was soundly beaten by Hartington Cedar Catholic in the finals of the freshman-sophomore tournament at Winside Thursday night. HCC won 81-49. In consolation play, Wakefield defeated Coleridge 69-53.

In the championship game, it was no-contest. The Trojans went ahead early and stayed ahead. Most of the last quarter was played by reserves for both teams as the issue was no longer in doubt.

Bob Wacker was the game's leading scorer with 20 for WHS. He had support from Dave Witt with 10, Keith Wacker and Bob

Expect 500 Swimmers for Junior Olympics Saturday

Around 500 swimmers 17 years or younger are expected in Wayne Saturday, Feb. 25. The Midwest AAU will hold its junior olympics swimming championships at the Esther Dewitz Carlson Natatorium in Rice Gym.

So many parents and fans will attend the contests it is doubtful if there will be room for many other spectators. However, the event is open to the public.

Hastings, Grand Island, Lincoln Swim Team, Omaha Swim Club, Omaha Westside, Fremont Swim Club, Norfolk Aquajets, Sioux City Mariners and South

place trophies will also be given for high scorers in each of the eight divisions. Medals will be given for the first six places in each swimming event. There will be no diving competition.

The Midwest AAU is made up of Nebraska and the western two tiers of counties in Iowa. Bob Eldredge, Sioux City, is president and John Lederer, South Sioux City, is meet director.

Reverses Decision Regarding Transfer

The Nebraska Supreme Court reversed a lower court decision Friday involving transfer of land from the Wakefield school district to the Wayne school district. By a 5-2 vote the tribunal ruled that transfers under the freeholder's

petition would not be allowed if payment of non-resident tuition for two or more years is the sole claim of the property owner. Land involved is that occupied by the Glen Olsons. It is located one-half mile closer to Wakefield than to Wayne but the Olson children have attended school in Wayne and have paid non-resident tuition.

District Judge George Ditttrick had approved the transfer. The court ruled that allowing such a policy would result in dismemberment of many school districts and could result in a "substantial reduction in the children of school age in the district to its serious detriment."

The dissenting justices contended that tuition payment alone is sufficient grounds for transfer.

Wayne High Blue Devils Tip Cadets

Wayne High's Blue Devils bumped West Point High here Friday night 80 to 64 to post their eighth win against seven losses this year.

Starting for Wayne in their win were Mark Johnson offensively and Dave Brown defensively. Mark Johnson scored 16 as he captained the Blue Devils and Brown showed well on both boards as well as scoring six. A pleasant feature of the balanced scoring stood out in two departments. The scoring by quarters read: 20, 20, 21, 19, while individual scoring saw four of Coach Harold Maciejewski's cagers in double figures. Johnson with 16, Gordon Jorgensen 15, Lynn Lessmann 14 and Herb Swan 13. Adding to the Devil scoring were Steve Johnson and Bob Morris with seven each, Brown 6

and George Eynon with a pair of free throws.

Wayne jumped to a 4-0 lead and extended it to 20 to 8 at the end of the first quarter. All five starters scored in the quarter with Jorgensen hitting 7, Brown 5, Swan 4 and M. Johnson and Lessmann 2 each.

Second quarter play found West Point's Cadets still seeking a hot hand drawing to within five points with a minute left before the half only to have two quick buckets by Jorgensen and a tip-in by Swan stretch the lead to 17 points, 40 to 29.

Mark Johnson opened third quarter action for the machine-like Devils to extend their lead to 13 before the Cadets went to work in earnest to close the gap to four points. With 3:04 left in the period M. Johnson and Lessmann hit on 25-footers before West Point's last try to overcome Wayne. The Cadets came within one point, 49-48 with 2:38 left. Wayne employed

Wayne State Now Even for Season

It was a milestone of sorts. Wayne State's basketball team reached the 500 mark for the first time this season Monday night with a 98-67 victory over Southern State. The Wayne record: 11-11 before Wednesday night's finale with Peru State.

The 3-point margin over Southern might indicate that it was a runaway game. Well, it was, finally. But as late as seven minutes into the second half, the outcome remained in doubt. At that point, Wayne broke a 54-54 tie, then shifted into a fast break which demoralized the visiting Pointers.

Before long, the Wildcats led by 10, 15, 20 points, and even after Coach Al Svenningson ran in sophomore and freshman subs, the margin mounted.

Had the regulars played all the way, there's no telling what points they might have totaled. As it was, Bob Strathman finished with 23, Joel Parks 16, Bob Hope 14, Dean Elofson 11, Ron Hintz 10, Dave Johnston 8.

The first half started with a seesaw struggle that ended with a 42-39 Wayne lead.

Friday night the Wildcats played the same sort of first half against Doane at Crete. They broke a 22-22 tie with 4:40 left in the period, never trailed again, and had a 34-27 half edge.

Doane pulled within one point, 66-65, with 2:50 re-

maining in the second half, but could not score another point while Wayne added nine. Among the nine were five Strathman free throws in his 24 total. Elofson contributed 20.

Beating Doane on its home court was a rare achievement, Svenningson noted, especially since Doane has one of the better Nebraska records, now 15-10.

Following is the box score:

C. Geiger	0	0-1	0

Coach Don Johnson ignited the fire under his boys at halftime to down West Point reserves 67 to 50. Wayne led 21-20 with 1:20 left to play in the first half but took a 25-21 deficit to the halftime break. Whatever Coach Johnson told his charges during the break—it worked as they hit for 29 points in the third quarter to lead 50-36.

As in the varsity game four Junior Blue Devils were in double figures with Dave Tietgen scoring 14, Chuck Fisher and Joedy Hoogner 13 each, Harry Lindner 10, Bernie Binger 9, Tom Denesia 6 and Jerry Titze and Les Echtenkamp 1 each for the win.

Leading West Point Reserves were Albertson with 11, Wimmer 9, Niedner and Yelkin 8 each, Engelbart 6 and Nyquist 1.

Congratulations MERLE SIELER

You Passed the Test!

Before hiring, we require all Standard field representatives to have some basic knowledge of animal nutrition. Once hired, he must enroll in Standard's comprehensive educational and training program conducted by Standard's staff of expert nutritionists and laboratory technicians.

Standard's Animal Nutrition Training Program is second to none in the feed industry. Training never stops. Each man is continuously schooled and kept current on all phases of modern feeding requirements, new scientific and technological breakthroughs, sound management practices, scientific ration formulations and animal health symptoms and preventatives.

How much each man absorbs is pretty much up to the individual. So, we test them. The Standard nutritional tests are a big part of our over-all program to better serve livestock men through knowledgeable field men.

The most recent test was a complete comprehensive examination covering all phases of animal nutrition.

Few outsiders could pass this rigid Standard test as well as our Merle Sieler did.

Wouldn't you really rather buy your feeds from a man who knows something about animal nutrition?

High School Juniors Will Take Merit Test

Counselor Ken Deissler, Wayne High School, has reported 37 juniors signing up to take the National Merit Scholarship Qualifying Test Saturday, Feb. 25.

All of the pupils were allowed to sign if they wish to take the test but only 37 signed. Purpose of the test is to identify students of unusual intellectual ability and promise and to help as many as possible to achieve their academic goals.

Out of the hundreds of thousands of pupils across the nation who take the NMSQ Test, the top 14,000 are selected as semi-finalists. Less than 2,000 receive merit scholarships.

Merit scholars are selected on the basis of merit, without regard to financial need and may receive from \$100 to \$1,500 a year for four college years. The amount of the scholarship is determined by family income and assets, children in the family and cost of the college chosen.

Those taking the test Saturday will be notified next fall if they have received semi-finalist status. Over \$6 million in scholarships will be given with Ford Foundation furnishing one-third and the rest coming from businesses, colleges, other foundations and individuals.

Class B District Tourney Could Be Best in Nebraska

Wayne will host what could be the best Class B district basketball tournament in the state this coming week. Three of the eight teams participating are ranked in the top ten in Nebraska.

Madison, ranked No. 4, is Wayne's opening opponent. Bloomfield, ranked No. 8, goes against Hartington Cedar Catholic, and Laurel, ranked No. 9, meets Neligh in opening round play.

The tournament opens Monday at Wayne State's Rice Gym for a four-night stand. There will be two games, at 7 and 8:30 Monday, Tuesday and Thursday and one game at 8 Friday, Mar. 3.

Monday's action sees Bloomfield going against HCC in upper bracket play at 7. The other upper bracket game follows with O'Neill meeting Pierce.

The following night, Laurel tangles with Neligh at 7. The Wayne-Madison game in the lower bracket follows.

There will be no games Wednesday. Thursday night the two upper bracket winners play at 7 followed by the lower bracket winners. Championship and a trip to the state tournament will be at stake Friday night.

Darrell Anderson, Don Anderson and Colin Kapitani, Yankton, will officiate. Prin. Fred Rickers of Wayne High is tournament director.

Area Wrestlers Lose State Meet Matches

The three wrestlers from the immediate area who earned trips to Lincoln and the state wrestling meet all lost in the preliminaries. Wakefield and Winside were the two schools represented.

Joel Gustafson was Wakefield's sole representative. Competing in the 133-pound

class, he was decisioned by Merlin Peterman, Arapahoe.

Winside had two competitors. Mike Jaeger, 103, was decisioned by Lynn Young, Cambridge, and Randy Brudigan, heavyweight, was pinned by Bill Thomas, Rushville.

Both Winside and Wakefield offered wrestling as a competitive sport for the first time this year.

Special Section of Herald Honors Team

This week's edition of the Wayne Herald includes a four-page special section. Honoring this year's Wayne High Blue Devils, it also pays tribute to all the teams that have gone before.

Credit for the excellent photographs, the comprehensive review of the season and the records of years gone by, the makeup and the selling of the ads goes to Jack Manske, newest fulltime member of the Herald staff.

Businessmen of Wayne responded wholeheartedly to the idea, making the full four pages possible. Because of their sponsorship, Wayne area residents and former residents will have a complete section to save as a souvenir.

Two Caucuses in Allen Next Week

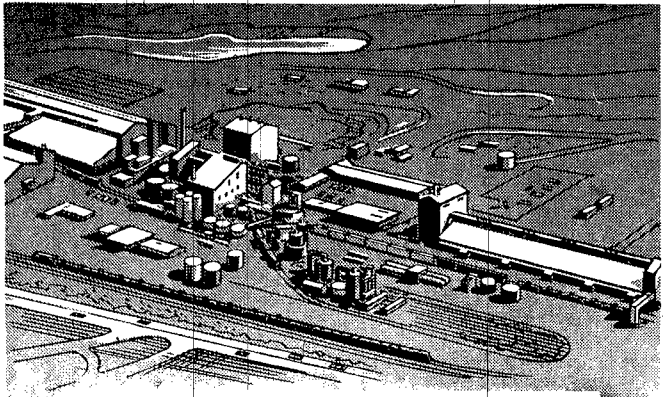

Two caucuses will be held in Allen Tuesday night, Feb. 28, to nominate candidates for the town board. Each will nominate two candidates for such of two posts for two year terms.

Craig Williams, town clerk, reports the Citizens and Peoples' Parties will convene at 8:30 at the Allen Fire Hall. Purpose is to name candidates for two council positions.

Williams and George Van Cleave are serving terms on the board. LeRoy Roberts, chairman and mayor, and Hollis Hank and Mrs. Helen Ellis.

Allen voters will select two council members from among the four nominees at the April election.

Funeral services for L. B. McClure, 78, were held Feb. 18 at Hiscox Funeral Home. Mr. McClure died Feb. 15 at his home in Wayne.

Mrs. Lizzie Belle Antisdale was reader for the service. Music was furnished by Ralph Titus, soloist, and Paulette Merchant, pianist. Pallbearers were Stanley Morris, Kenneth Olds, Adon Jeffrey, Charles McDermott, Dean Backstrom and Robert Merchant. Burial was in Greenwood Cemetery.

Linn B. McClure, son of James and Caroline McClure, was born May 22, 1888 at Cherokee, Iowa. When he was a child he moved with his family to Holt County, Nebr. In 1905 they moved to Wayne. In 1917 Mr. McClure joined First National Bank as bookkeeper. He was married Sept. 15, 1919 at Dakota City to Lucile Carpenter. He retired as senior vice president of First National Bank on July 1, 1966.

His parents, three brothers and four sisters preceded him in death. Survivors include his widow; a daughter, Mrs. Everett Lindsay, Prospect Heights, Ill.; a brother, Arthur McClure, Callaway, Nebr.; two granddaughters and a grandson.

Final Rites for Mrs. W. Swanson Held Here Tuesday

Funeral services for Mrs. W. C. Swanson, 58, were held Feb. 21 at First Baptist Church, Wayne. Mrs. Swanson died Feb. 16 at Clearwater, Fla., where she had been vacationing with her husband. She had been in ill health for several months.

Rev. Russell Dacken, Winona, Minn., and Rev. Frank Pedersen officiated at the rites. Mrs. Albert Stone, Omaha, sang "He, The Pearly Gates Will Open" and "Amazing Grace." Mrs. Donna Miller, Fremont, was organist. Pallbearers were Carlos Martin, John Ream, Jr. and Richard Chinn, Wayne, Harlan Dewitz, Wisner, Donald Johanson, Oakland, and Tom O. Lally, Bridgeport. Burial was at Oakland Cemetery.

Violet Carolyn Johnson, daughter of Swan P. and Carrie Erickson Johnson, was born Mar. 4, 1908 at Oakland. She attended Burt County rural school district 60 and was grad-

uated from Oakland High School in 1926. After teaching one year in Burt County she entered Nebraska Wesleyan University, Lincoln, where she was a member of Theta Upsilon Sorority and several other scholastic groups.

After her graduation in 1931 she taught four years in Emerson Public Schools. She was married Aug. 7, 1935 at Oakland to Winston C. Swanson of Wayne. She became a member of Oakland's First Baptist Church Jan. 13, 1924 and later transferred her membership to First Baptist Church, Wayne, where she was active as organist, music director and Sunday school and vacation Bible school teacher for more than 20 years. She was a member of Chapter 194 Order of the Eastern Star and Business and Professional Women's Club of Wayne. She served as substitute teacher in Wayne Public Schools for many years.

She was preceded in death by her father in 1934. Survivors include her husband; her mother, a sister, Viola Johanson, Oakland; a brother, Carroll S. Johnson, Oakland; three nieces; three nephews and numerous relatives and friends.

Service Families to Get Service Decals

Wayne American Legion is offering red, white and blue service decals free of charge to area service families. A coupon for obtaining them is contained in an ad in this week's Herald.

In addition to the decals for the homes, the Legion will send gifts to the servicemen and servicewomen. The promotion is a part of the over-all "Operation Show Your Colors" and "Back Our Boys in Vietnam" projects.

Irwin Sears Post 43 will keep information supplied in coupons for local use only and will not make names or information available to others.

Police Check on Trio of Mishaps

Three accidents occurred on Wayne streets the past week. No one was injured in the trio of two-car mishaps.

Officer Keith Reed investigated the accident Feb. 13 in the 800 block on Logan St. Rosadale Whorlow, Fremont, was backing into the street. Her car backed in front of that of James Sturm who was northbound. His car received \$68.45 damage and her car \$94.75 damage in the resulting impact.

At Eighth and Sherman Feb. 14, Janice Brasch, Wayne, was northbound and Theodore Laible, Wayne, was westbound, turning left onto Sherman. Laible did not see the Brasch car because of a terrace, tried to get out of the way but could not make it. Damage was estimated at \$183.43 to the Brasch car and \$182.95 to the Laible vehicle, according to Officer Alan Peck, who investigated.

Feb. 16 in the 400 block of Lincoln St., Officer Reed investigated an accident. Mrs. Bonnell Stanley, Wayne, was northbound, swerved to miss a southbound car and in doing so struck a parked car belonging to Derald Hamm, Wayne. The southbound vehicle did not stop.

Scout-Cub Banquet at Dixon Tuesday Night

The annual Blue and Gold Banquet will be held Tuesday, Feb. 28, in Dixon in the Methodist Church basement. It will be a potluck affair with Scouts, Cubs, families and friends attending.

Awards will be presented to many of the boys who have earned various ranks and badges. Other program arrangements are being worked out.

Father John Rizzo is Scoutmaster. Bill Garvin is Cubmaster for that area.

St. Mary's Men's Club Tries Out Breakfast

Men's Club of St. Mary's Catholic Church inaugurated a plan for serving breakfast Sunday. They will try the idea once or twice a month to see whether they want to continue it.

The men prepared, cooked, served and cleaned up. Shifts were on duty to serve all masses from early to late with diners present most of the time from 8 to 11:30.

A good turnout of parishioners and others was reported for the initial feed. Much of the food for the

meal was donated by church members. Larry DeForge, Merle Stielor and Cleve Sharer were general chairmen for the project.

Europe Tour for 4-H

Members of 4-H clubs in this area 16 or over are eligible to join a tour to Europe June 27-July 18. Any interested should write before April 1 to Harold Stevens, Lexington. The people-to-people tour will go to France, Germany, Switzerland, Hungary, Czechoslovakia, Belgium and Sweden. Details can be secured from county agents.

CATHOLIC MEN are getting a taste of cooking Sundays. They also do dishes. Here some of the men do dishes at the breakfast Sunday. From left to right they are Bob Friend, Don Goeden, Jack Niles, Pat Gross, Ken Sitzman and Tom McCright.

If you thought Pontiac was coming out with just another sports car, you don't know Pontiac!

Pontiac announces not one, two, three or four, but five magnificent new Firebirds for every kind of driving.

Now you can choose from five new Firebirds with the same advanced Pontiac styling; but with five entirely different driving personalities. And they all come with supple expanded vinyl interiors, wood grain styled dash, exclusive space-saver collapsible spare, bucket seats and wide-oval tires.

Firebird 400. Coiled under those dual scoops is a 400 cubic inch V-8 that shrugs off 325 hp. It's connected to a floor-mounted heavy-duty three-speed. On special suspension with redline wide-oval tires. This could be called the ultimate in grand touring. After this, there isn't any more.

Firebird HO. HO stands for High Output. As a split second behind the wheel will attest. The Firebird HO boasts a 285-hp V-8 with a four-barrel carburetor, dual exhausts and sport striping. Standard stick is a column-mounted three-speed. Naturally, all Firebird options are available.

Firebird 326. Is there room for a family in a sports car? There is now. The excitement of a sports car with the practicality of a 326 cubic inch V-8 that delivers 250 hp on regular gas. Standard transmission is an all-synchro three-speed; but you can order an automatic.

Firebird Sprint. Now you don't have to go to Europe for a sophisticated road machine. This is the 215-hp version of our eager Overhead Cam Six. It's mounted on special suspension that practically welds it to the road. (Any road!) With a floor-mounted all-synchro 3-speed.

Firebird. This is our economy Firebird—with the same exciting options and interiors as the more exotic ones. It's Overhead Cam Six squeezes 165 hp from regular (or inexpensive) fun driving. See them all at your Pontiac dealer's.

The Magnificent Five are here!

Concord Caucus Will Be Tuesday

Concord residents will meet in a caucus Tuesday, Feb. 28, at 8 p.m. in the Fire Hall to choose candidates for three town board positions. The council posts are for two-year terms, according to Clerk Ivor Anderson.

Jack Erwin, Fritz Reith and Jerry Martindale are serving terms that expire. Holding over on the board are Bob Sherry, chairman of the board and mayor, and Clarence Pearson.

Those attending the caucus will be expected to name one or more candidates for each office. Voters will elect the board members at the regular election in April.

HOW WILL YOU HANDLE ALL OF THOSE STALKS?

BRADY 4-ROW CHOPPER

The best way to handle the tangled mass of tough, heavy hybrid stalks is a Brady flail shredder. It shreds your stalks, makes plowing easier, faster, better... knocks out most of your corn borers, too. You can even pull a tandem disc behind a Brady and be ready for minimum tillage. It's a great labor-saver... and excellent for clipping pastures and idle acres.

Two, three and four-row available. See them today at

Allen Sweetheart Royalty Revealed

Darryl Geiger and Debbie Carr were crowned royalty at the annual Sweetheart Ball sponsored by the Allen High School Future Homemakers of America and Future Farmers of America Saturday night in the AHS Gym.

Miss Carr is the daughter of Mr. and Mrs. Maurice Carr and Geiger is the son of Mr. and Mrs. Jim Geiger. They were chosen by vote, FFA members voting for the king and FFA members for the queen.

Junior attendants were Steve Macklem and Elayne Snyder; sophomores, Debbie Jones and Mark Carlson; and freshmen, LeAnn Von Minden and Bill Sachau.

The FFA had nominated candidates from the senior class for queen and FFA had named candidates from the senior class for queen. Candidates from each class were selected as attendants.

Sponsors are Mrs. K. R. Mitchell, FFA, and Roger Sandman, FFA. Sand-

man read a letter from Dennis Mitchell, last year's king now in the air force, who could not be present: Last year's queen, Kathy Barelman, crowned both the king and queen.

Wayne Rasmusson, FFA president, and Diann Ellis, FFA president, were in charge for the crowning service during the dance. They conducted attendants and royalty to the throne.

Prior to the crowning, a trio composed of Cindy Ellis, Debbie Carr, Ron Kraemer and Bruce Linafelter sang "Let Me Call You Sweetheart."

The gym was decorated in red and white with cupid on the wall opposite the elevated thrones. A picture of a couple under a tree centered the east wall. Many spectators attended to witness the crowning. Refreshments and more dancing followed the ceremony.

Mr. and Mrs. Jim Hein and Mr. and Mrs. John Bressler left Wednesday for a two-week vacation in the Bahamas. They were accompanied by Mrs. Bressler's brother and sister-in-law, Mr. and Mrs. Hays Main, Aurora, Ill.

NOTICE OF ANNUAL MEETING

Notice is herewith given that the annual meeting of Carroll Rural Fire District No. 1 will be held at the Carroll Fire House at 2 p.m. on March 11, 1967 for the purpose of electing three members to the board and also take care of any other business as may come before the meeting. Your presence is urgently requested.

Dixon Caucus Later

With most area towns scheduling caucuses this coming Tuesday, Feb. 28, Dixon is the exception. Town Clerk Don Knoell has moved to Kansas and the board members have been handling the Dixon clerk's duties. A caucus is scheduled for early March in that town.

Washington's Birthday...

George Washington, whose birthday we celebrate on February 22nd, was famed for his integrity, his qualities of leadership, his devotion to the ideals of freedom. We salute him as the father of our country.

The same high principles which he brought to the leadership of a nation served him well in private life, too. A man of sound judgment and foresight, Washington early became an advocate of thrift. With his savings from his first job as a surveyor, he bought property, becoming a landowner at 16.

One good way to observe Washington's Birthday, as he himself might have done: Open a Savings Account, soon.

The Wayne (Nebr.) Herald, Thursday, February 23, 1967 7

All other members of the cast, Gary Rains, Fred Wington, Arne Nelson (two roles), Brad Ford, Gerry Melis, Dean Dartman, John Russell, Irene Kulczewski and Terri Edwards, handled minor roles well. Susan Cook and Ellen Dickey were charmers as the pages who pulled curtains, moved "rocks", changed scenery and bumped heads—even coming in (on purpose) once to change scenery, realizing they were changing at the wrong time and apologetically bowing their way off the stage as the actors came in.

The costumes were perfect. They should be, as they were furnished by a professional outfit. Scenery was once again outstanding with six different settings (palace, garden, seacoast, cellar, kitchen and street). There were 11 changes of scenery throughout the play.

Credit has to go to those in charge of scenery and those handling makeup and lighting. Someone is learning a lot about professional-type work in these lines. Just as Dr. Russell thrives on perfection by her actors, she encourages perfection in all other facets of production, which helps a lot from the audience's viewpoint.

Gary Rains was stage manager, Dean Dartman and Ron Wachholz technical directors, Dean Dartman scene designer and Mark Monson light and sound technician. Many drama department members had other assignments, all of which contributed to the success of a difficult undertaking that can be considered a theatrical success.

A FUNNY SCENE in "Twelfth Night" took place in the kitchen. Lyle Gourley is the jester, Ron Wachholz is the pompous steward in the nightgown, Norman Strizek is the drunken Sir Toby punching him in the chest, Marcia Lunz

is the jolly lady in waiting and George Tubbs is the drunken Sir Andrew. The coarse appearance of the wall is caused by camera flash and did not appear that way in the play.

Shakespeare Play Triumph at WSC

Wayne is not Stratford-on-Avon but it can appreciate Shakespeare. A triumph in production, staging and acting, "Twelfth Night," was presented the fore part of this week by the drama department of WSC under the direction of Dr. Helen Russell.

Although the play did not draw the boisterous laughter anticipated, there were moments of good comedy and at times loud guffaws. The humor was there but often escaped the audience.

Biggest laugh the first act came as Sir Toby and Sir Andrew plotted drunkenly in the kitchen. Malvolio came in dressed in a nightgown and Feste and Maria joined the fun.

In the second act, Fabian, Sir Toby and Sir Andrew hid behind bushes as Malvolio read a letter "planted" for him to find. Their antics as they laughed at his gullibility provoked many audience reactions. A later scene as Fabian and Sir Toby tried to promote a duel between Cesario (really the girl, Viola) and Sir Toby provided laughter.

Third act laughter was loudest when both Sir Toby and Sir Andrew were hurt by Cesario. The final revelation that Cesario was Viola and Sebastian was her brother provided some tender moments.

Lyle Gourley as Feste, the clown, was perfect for his role. He is short and that helped but shortness alone would not fill the bill. He lived his part and provided clownlike court jester humor that was near-perfect.

Sir Toby Belch, who enters for the first time with a loud belch, was well played by Norman Strizek. His mere presence was enough to provide laughter and he maintained his drunken portrayal at all times, never once lapsing into just plain acting.

After portraying a crochety old man in the last production, George Tubbs moved into the role of a mild-mannered fop, suitably scatter-brained. Tubbs has the ability to fit himself into the most challenging of roles.

Ed Fox as the duke was the easiest of all the characters to understand—that is, he spoke most distinctly, which helps a lot when the characters are speaking Shakespeare's language. Cyndy Fisher was excellent in the role of Countess Olivia.

A real winner was Geri Filipowski as Viola and Cesario. Cute as a bug,

she was equally adept at being a winsome miss in boy's clothing or a handy lad in boy's clothing. Her twin brother, Sebastian, played by Bob Hall, was a perfect choice as the look-alike who shows up in time to claim Olivia's hand so Viola can claim the duke. Of the others, credit

must go to Ron Wachholz who was so good as a pompous boor he made everyone dislike and pity him—just what the role calls for; Marcia Lunz was a jolly maidservant who was most easy to understand because she too spoke distinctly, another bit of casting that was in-

NEW CITIZENS of the United States are Mr. and Mrs. Herman Lindner, Wayne. They are shown with her mother, Mrs. Emily Rosberg, who was brought out from behind the Iron Curtain.

Wayne Couple New Citizens of US; Memory of Iron Curtain Still Lingers

When Mr. and Mrs. Herman Lindner, Wayne, became citizens of the United States Jan. 26 in Omaha, they had to consider it as one of the nicest things that ever happened to them. It did not remove all their memories of the years ago when "The Iron Curtain" was involved in their lives, but it did help.

Mrs. Lindner was born Emily Rosberg in Poland of German descent. She

with other children accompanied her mother and father in fleeing Poland as the Russians moved in during World War II. It was not safe for Germans in that area.

Lindner lived in the part of Germany that is West Germany now. He served in the German army three years during the war, being based in both Germany and

France with an anti-aircraft unit.

The two met in Germany and were married in 1949. Three children were born to them before they decided to come to the United States. Lutheran Church services helped them come here and they decided to make the change even though neither could speak a word of English.

They had friends and relatives urging them both not to come and to be sure to come. Mrs. Lindner had relatives in Nebraska who wanted them to make the change, while other relatives and friends insisted they would be made to feel unwelcome in this country.

Before coming, they had to try to get her mother, Mrs. Emil Rosberg, out of East Germany. Mrs. Rosberg and two daughters and their families were on the "wrong side" of the Iron Curtain.

Previous attempts to get her out had failed so Mrs. Lindner and a sister went to East Germany under cover of darkness on a cold December night. They waded knee deep through an icy river and then walked miles to reach the home where her mother was staying.

Then, instead of trying to get her out at night, they brought her out in daylight. They took a train to the station nearest the "curtain" and then walked out at night along the railroad right-of-way. Hundreds of others were fleeing East Germany the same way at the time.

Mrs. Rosberg, who is now 77, came with them to the U.S. She has not learned English but she understands a lot of what she hears and she too is happy here.

When the group arrived in New York City, they just couldn't believe America was going to look like that. The pier area reminded them of Hamburg but they did not like what they saw.

Omaha was their first touch of Nebraska and they loved it. Waiting in a station, unable to speak English, they were befriended. One woman talked to the children even though she could not understand them. They appealed to her so much she bought each of the girls dolls. It was an incident that never could have happened in Europe.

Arriving in Wayne, they were even happier. They had been small town people. Still, they did not speak

English. Their first home was near that of Mr. and Mrs. Heinie Victor, which they feel is one of the best things that could have happened. Both the Victors were friendly and Mr. Victor helped them get utilities turned on, helped them shop for themselves and helped them in many other ways.

Now they live in a different neighborhood but they love their neighbors. Instead of each family keeping to itself as they did in Europe, their Wayne neighbors welcomed them and even though the children get in other yards they have never been told that the children must stay home. This does not happen in Germany.

Neither Mr. or Mrs. Lindner ever took English, yet both speak it well. German is also spoken in the home. The Lindners have learned English from their children.

Getting their own citizenship was a matter of working and studying. They have to know much more about this country than natural-born citizens do, but they obtained books and they studied. They wanted to know more, so it was no chore to learn about their adopted country.

Now they have seven children and they have three different situations involving citizenship for those children. The four youngest, born in Wayne, are American citizens by birth. They are Paul, 8; Karen, 6; Cindy, 5; and Susie, 2.

The two oldest girls, Greda, 14, and Ella, 12, are citizens when they get papers proving that their parents are citizens now. But, Harry, 16, is at the wrong age. Because he is 16, he too will have to be naturalized. Anyone 16 or over has to study and work to get citizenship papers and he is close to getting them.

Mrs. Lindner has a sister at Oakland, a brother in Beatrice, a sister in Tecumseh and two sisters in East Germany. The sisters in East Germany would like to get out but cannot. They write that they work hard but they cannot say much more in the letters sent out from behind the Iron Curtain. His mother, two sisters and four brothers all live in West Germany.

Lindner is a cabinet maker and has been since years ago in Germany. He has been employed by Otte Construction Co. since

coming to Wayne. His home shows his ability as applied, for rooms in the home they own have tables, desks, cabinets and other useful items, all sturdily built, all beautiful and practical, all made by him.

Are they glad they came? Definitely. They like the friendly people, the freedom of choice and the many advantages this country offers. Sure, they want to go back to Germany to visit but not to stay.

"We came from a jail to live in freedom-in-paradise," Mrs. Lindner said. She means it too, for she has been in Poland, East Germany and West Germany and none at this best are equal to this country, this state and this town, she believes.

Nebraska has won them over. A big picture covers much of one wall in their dining room. It is a color picture of the Wildcat Hills in Western Nebraska, beautifully framed by Lindner. They like all the state, not just this part. They like their neighbors, they like Wayne.

They like America and are glad to be Americans. Their friends in Germany were wrong, America not only opened her arms, but now holds them close.

Dixon Youth Wins Allen Scholarship

Dixon made a sweep of Regents Scholarship honors at Laurel and Allen. Lynette Noe had been named as Regents winner at Laurel two weeks ago and Donald Ankeny was revealed this week as Regents winner at Allen.

Ankeny is the son of Mr. and Mrs. Ronald Ankeny, Dixon. He has played football and competed in track, took part in FFA for two years, was in the junior class play and maintained a high grade average at AHS.

In Dixon he is a member of the Methodist Church and is active in MYF. He also participates in other community, school, church and farm activities.

Don and Lynette's fathers are both farmers. Both families attend the same church and at Sunday services Rev. Jesse Withee paid tribute to the young people and their families for the achievements in the two schools.

Court 'Business' in Slump Several Days

After 20 cases the previous week, there was bound to be a "slump" in the number of hearings by Judge David Hamer the past week. There were seven hearings during the period.

Michael Ogilvie, Columbus, appeared Feb. 14. He paid \$10 fine and \$5 costs on a stop sign violation charge brought by Officer John Redel.

Majorie Fréchette, Carroll, appeared the same day on a speeding charge brought by County Attorney Don Reed. She paid \$10 fine and \$5 costs.

The following day, Robert Symonds, WSC, paid \$15 fine and costs for speeding. Officer Alan Peck signed the complaint.

Also Feb. 15, Roger Deck, Winside, paid \$10 fine and \$5 costs for having an improper muffler on his car. Chief of Police Vern Fairchild brought charges. Dennis Downs, Omaha, appeared Feb. 16. He was charged with making an illegal turn and paid \$15 fine and costs. Officer Keith Reed signed the complaint.

Two truckers were in Feb. 17. Each paid \$52 fine on over weight-on-axle charges; \$10 each on over weight-on-capacity charges and \$5 court costs for a

total of \$67 each. H. Johnson and A. Buchholz were scale operators, each signing one complaint.

Winside Winners in Oratorical Contest

Winside is one of six towns in District 3 entering winners in the oratorical contest sponsored by the American Legion. Wisner, Hartington Cedar Catholic, Winnebago, and Emerson-Hubbard are other schools participating.

Chris Bargholz, Wayne, is chairman for the contest. He reports Emerson has been selected for district competition and Allen will be the site of the finals.

There are 14 districts in the state. District champions are \$250 and the right to compete in the state finals. The state finals will be in Lincoln Apr. 13 with \$1,000 in scholarships going to four finalists.

Topics for discussion this year are taken from the Constitution. Information on the speech contest was sent to various schools and only six chose to have contests to choose entries.

Kiwanis Club Hears About Middle School

Almost all Kiwanis Club members were present for the Monday noon meeting. Loren Park, newly-elected principal of the Wayne Middle School, was featured on the program.

Park told the club about the history of "grade level alignments" in schools. He outlined the 4-4-4 setup planned in Wayne.

Guests were Robert Nuernberger, a new resident of Wayne, and Robert Fuller, jewelry salesman. Dr. Orvid Owens was introduced as newest member of the club.

Sunday of last week Kiwanians had the club's birthday party at WSC. Featured speaker was Arnold Peterson, former director of WOW Radio, Omaha. He told of his trip to Japan and showed colored slides taken on the trip.

Wives of the Kiwanians were guests along with members from Fremont, Wahoo and Norfolk. A bus load came from Norfolk. In all, there were 132 present.

Report Mail Opened

Once again the police report book shows someone violating federal laws. A Wayne couple reported their mail had been opened by unauthorized people the past week. Postal authorities have been notified.

In other fields, the police reported a trucker losing two cases of beer off his truck, a party being located who had a call from San Francisco, checking on a party after neighbors complained of the noise by both men and women, taking a traveler to the hospital after she became ill, checking parking, patrolling streets and making routine rounds of business places to check doors.

Lyons Will Host Farm Association

Lyons will host the annual meeting of the Northeast Nebraska Experimental Farm Association Tuesday, Mar. 14. Cooperating with Northeast Association in presenting the all-day program will be Lyons Chamber of Commerce, Burt County Extension Service and NU Northeast Station, Concord.

According to President Gordon Nuernberger, Wayne, the program will begin at 10 a.m. Featured will be a wide range of livestock and crop topics and reports by Northeast Station staff members on experimental work at the station.

All interested persons are welcome. Following the business meeting, the NNEFA board of directors will hold a business meeting (approximately 2:30).

Out Price Gets Boost for 1967

The price-support rate for 1967-crop oats in Wayne County will be four cents a bushel higher than the 1966 rate, according to John Mohr, chairman of the county ASCS committee. The national average has increased three cents a bushel. The national average is now 63 cents. Variations from the three-cent increase were made to improve loan rate relationships with historical prices. County support rates are established on the basis of Grade No. 3 oats. Participation in the 1967 feed grain program is not a condition of eligibility for price support on oats. Price support will be carried out through loans on oats stored on farms and in elevators and by purchases. Mohr pointed out that operating procedures for loans on farm-stored grains, in use the past three years, enable farmers to obtain loans promptly. Producers do not have to pay delivery charge in connection with 1967-crop loans if they redeem crops instead of delivering them to CCC as payment of loans.

Singing in Concord

The Kordsmen Quartet will present a musical program Friday, Feb. 24, at 8 p.m. in the Evangelical Free Church, Concord. It will be one of the features of the family night session of the Northeast Nebraska Christian Men's Fellowship, according to the church pastor, Rev. Marvin Litorja.

Prayer Breakfast Held
Friday morning Mrs. Jesse Withee was hostess to 14 ladies at a prayer breakfast at her home. Those attending were members of Logan Center EUB church and Dixon Methodist church.

Speech Contest Planned
Tuesday afternoon Friendship Union of WCTU met at Concord Lutheran church. Mrs. Oliver Noe was the lesson leader. Mrs. Arthur Johnson presented devotions. An offering was taken for the Frances Willard fund. Plans were begun for a speech contest to be held Apr. 11 at Dixon Methodist church. The next meeting will be Mar. 14 at Logan Center EUB church. Members of the host church served refreshments.

You're ahead... with better ideas from Ford

SelectShift Cruise-O-Matic shifts both automatically and manually

Magic Door gate on wagons opens out for people and down for cargo

You're ahead...with the strongest Ford ever built

On the Olympic ski jump at Lake Placid, Ford passes a rugged test of strength and durability. A regular-production 1967 Ford plunges down a 40-meter slope and soars 53 feet through the air... lands hard and rides away still quiet, still strong. Strong enough, in fact, to take the same jump again and again. What's the difference between this car and the Ford you buy? Only a skid plate was added for driver protection. And you don't need that... unless you're planning to take some ski jumps of your own.

You're ahead in a FORD all the way!
Ford demonstrates its performance and durability in impartial tests. Ford, Fairlane, Mustang all won their class at Union/Pure Oil's '67 Performance Trials. These trials test acceleration, braking and economy. Fairlane went on to beat all comers in this year's Riverside 500.

Quieter because it's stronger...stronger because it's better built

LIVING CHARACTERS from the Bible appear in Lenten services at Redeemer Lutheran Church. Mrs. Dick Carman was photographed helping Mrs. Jim Hummel prepare for an appearance as Mary. Pastor S. K. de Freese was looking on.

Church Continues Colorful Series

Redeemer Lutheran Church, Wayne, is continuing a series of living portrayals of Biblical characters connected with passion week of Christ. The series is now in its third year, according to Rev. S. K. de Freese, church pastor.

Members of the congregation take character parts of the various persons related to Christ and His going to the cross. They are made up to look the parts in costumes, beards, wigs and makeup.

At the time of meditation in the midweek Lenten services, they are brought out to make their presentation and give a message. In a dialogue with the pastor, they tell of their part in the activities prior to Christ's crucifixion and arising from the grave. In 1965 the series started

and it has been continued at most services. The series has proved instructive and colorful with many favorable comments by visitors and congregation members of the effectiveness of the story as told in worship and in the dialogue.

Dr. William Koeber has played Disciple Peter, Pilate and the thief; Kent Hall, Disciple John; Dr. Lyle Skov, Disciple Judas; Robert Lund, Caiaphas; Erv Hageman, jr., Simon of Cyrene; Mrs. Richard Carman, Mary Magdalene.

Mary, the mother of Jesus, was portrayed by Mrs. Jim Hummel Feb. 15. Dr. Lyle Skov will portray The Centurion at one service and another member of the congregation will depict Joseph of Arimathea at still another.

The last three Lenten services on Wednesdays at 8 p.m. are scheduled for Mar. 1, 8 and 15. Characters will appear on Mar. 1 and 15. An invitation is extended to the public to attend.

Nephew on Television

Kevin Braunger, nephew of Dick Braunger, Wayne, will be on Art Linkletter's House Party on TV on Feb. 27. He is the son of the Robert Braungers, formerly of Sioux City. The local people have not seen their nephew since he was 3, about 7 1/2 years ago. Kevin was one of four selected from around 800 children interviewed. A niece of Dick Braunger, Debbie Sudealtege, will be in Wayne for the junior Olympics tests Feb. 26. Her mother, Braunger's sister, was also a junior olympic swimmer. Debbie has swum competitively since she was 3.

WAYNE'S HOME-OWNED

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

It is the duty of an editorial writer to search all available facts before he sits down to write. From this basis the writer should be able to give a clear picture of important topics.

Welcome to Wayne, You Jerks

Are the big gym signs ready for the tournament in Wayne next week? Has anyone thought of some good ones to downgrade the officials or belittle the visitors?

Along with the signs boosting teams, how about some boosting good sportsmanship: "Good Sports Don't Boo!" or "Wayne Good Sports, Are you?" or "Wayne Welcomes All Good Sports" or "Cheering Helps; Jeering Hurts."

The people who come to Wayne will be our guests. They should receive the same treatment guests in your home would have. After all, when you have friends in for cards you don't abuse them just because they're trying to beat you. Is this so different from athletic endeavors?

Let's make these other towns glad they chose to hold the tournament in Wayne. Let's make them realize the tournament is here not only because of the excellent facilities at the college but because we're a friendly people and we make visitors glad they came.

If you don't agree with this, then maybe you feel the heading on this editorial is correct. If that is true, maybe you should try to arrange your vacation trip so you'll be gone the week the tournament is on. We'll try to get along without you—CEG

He Made His Point

A Wayne State College youth was in recently, wanting to know why it had to be reported that he had been picked up for a driving offense. He admitted it was his second offense, and he said the first violation was also reported.

We thought we had him there. Why not report them?

But he did not end the matter there. He cited two or three acts of kindness he had performed. None had gotten any mention.

He told of instances of where he had protected other people's property. Never did he get recognition.

In the past he has done many good things. They have not made the newspapers.

He made his point. Such cases are unfair.

That's the world we live in. Records are kept on one's misdeeds but no earthly records are kept of all the good we do.

In other peoples' hearts, in memories, in self-satisfaction we have to gain the acknowledgment we all crave for doing what is right. In life we will write our good deeds. In our later years we can gain mental pleasure out of knowing what we did was the right thing at the time.

We too would like to overlook the little slips that bring people into court. However, just as we have to pay our fines when we get caught speeding, so we expect others to pay theirs. The fact that the publicity goes along with the fine is part of the system.

An effort is made to report the good things people do in Wayne, things such as Scout work, athletics, church groups, AFS projects, 4-H activities, civic projects, and many many more. Added up,

You may not agree with an editorial—but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

these are impressive. To the college boy, we say: Being picked up for speeding, illegal turns or similar offenses is not a crime. Being picked up numerous times might be. When you make an error, you expect to correct it; you are not expected to keep making similar errors.

You made your point. We would like to report your good deeds but we know not where to find the records. We do know where to find the records when you do something wrong. Have we made our point?—CEG

Who Needs Another University?

The idea of adding Omaha University to the University of Nebraska strikes two chords. One rings out: "Good deal." The other: "Who needs it?"

The "good deal" sentiment would have us believe that we are getting something for nothing—a campus in Omaha, and all we have to do is move in.

But there's another aspect. How much is it going to cost to operate it either as a separate university or as a part of the state university?

Looking in any direction except west, we can find states with two state-supported schools. Smallest is South Dakota with two small universities. Iowa has two large ones, Kansas two, Colorado two, Wyoming has one.

Nebraska is not Michigan or California. In fact, it's not even Kansas. It has about one-half the population of Kansas and it is supporting a big university plus four state colleges, ranging in size from Peru through Kearney.

Omaha University is a fine municipal school. However, the people of Omaha (who are also supporting the state colleges and state university) have voted down tax increases to support that municipal university time after time. Their solution is to get Nebraska to take it over.

Up to there it sounds great—for Omaha and for Nebraska. But it will take money, tax money, to operate the facilities. Will we taxpayers have our tax load increased to support a "second university" in theory or in fact, or will the state divert money that would have gone to the University of Nebraska or to Wayne, Peru, Chadron or Kearney State Colleges?

What happens if North Platte Junior College has financial troubles? The people supporting that school also support state colleges and NU. Can North Platte people turn their facilities over to Nebraska to bail them out?

Where does the "merger" of facilities end? Omaha has a good offer, but it has strings. Do we need OU as much as OU needs us? Can Nebraska support another state university or a merged state university and continue to support the highway work, other aid to education, the various state institutions and the many services we have come to expect and are being told we expect?

Nebraska needs Omaha U. as a state school about as much as China needs Tibet to help ward off India. We taxpayers need another state university about as much as the capitol building needs another Sower atop the tower.—CEG

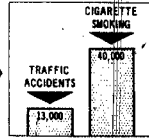

WHICH IS DEADLIER—TRAFFIC ACCIDENTS OR CIGARETTE SMOKING?

1. TRAFFIC ACCIDENTS CLAIM 13,000 LIVES YEARLY AMONG PERSONS AGED 30-60 IN UNITED STATES.

2. LONG-TERM FRAMINGHAM (Mass.) STUDY INDICATES ELIMINATION OF SMOKING IN THIS SAME AGE GROUP COULD CUT HEART ATTACK DEATH RATE THERE BY AT LEAST 40%.

3. IF FRAMINGHAM'S EXPERIENCE IS TYPICAL OF NATION, THEN ELIMINATION OF SMOKING COULD MEAN 40,000 FEWER HEART ATTACK DEATHS IN THIS AGE GROUP YEARLY.

YOUR HEART ASSOCIATION reports that cigarette smoking's role as a key risk factor in coronary heart disease has been established in the 18-year Framingham study involving 5,000 persons, of whom 400 have died. Other major risk factors include obesity, high blood pressure, high blood cholesterol and physical inactivity. An intensive risk reduction program is among activities supported by public contributions to the 1967 Heart Fund, being conducted throughout February.

to the floor; the bill to put Nebraska on Daylight Saving Time six months a year.

The measure will need 33 votes for final reading to take effect this year. Foes say it will never make it.

However, there is uncertainty whether Nebraska will be forced to adopt it any time anyway when April 30 rolls around—the date all clocks in the nation must be set ahead one hour unless legislative exemption is approved.

Nebraska has a 1957 law which, in effect, bans daylight saving time. Some legal eagles aren't so sure this would hold up in a court (test under provisions of the 1966 Federal Uniform Time Act).

The State Justice Department believes it would, though. If told senators in a formal opinion that the federal act does not automatically pre-empt the state law.

Support for fast time has come from airlines, buslines, railroads, television interests and business groups. It is opposed by some farm groups, theater interests and so-called daytime radio stations—those that broadcast from dawn to dusk only.

Fast time is one of the most controversial issues before the current session. More senators than not report they get more mail on it than any other single subject, taxes notwithstanding.

First Wage Act Passed

The Legislature has passed the state's first minimum wage act, a dollar an hour standard its sponsors say will affect an estimated 20,000 blue collar workers.

Governor Tiemann promptly signed the measure into effect. He said it should avert a "federal take-over" in certain wage categories.

The bill was thoroughly watered-down by amendment before reaching its final floor stage. But supporters say it will have a considerable impact, especially as effects common laborers.

A host of workers are exempted. These include farm help, domestic servants, governmental employees, students, persons on welfare and individuals compensated primarily by tips, such as waitresses, hotel bellmen and shoe shine boys.

The act will be enforced by the state labor officials and county attorneys. The penalty section is relatively mild.

In another surprise, the lawmakers have accorded preliminary approval to a controversial measure liberalizing Nebraska's abortion laws.

The vote was 25-20, the exact number of affirmative ballots that will be needed to pass it into law. Basically, the proposal permits abortion where continued pregnancy would jeopardize the physical

health of the mother or when pregnancy resulted from rape by force or incest.

Courses Offered

Popular demand has brought about two new one-week Crops and Soils Short Courses at the University of Nebraska College of Agriculture and Home Economics.

The first session lasts from Feb. 27 to March 3 and the second from March 13 to 17, according to Robert C. Mason, coordinator of short courses and conferences.

The courses are designed to answer questions about minimum tillage, insect and weed control, plant populations, fertilizers, irrigations, and narrow rows, he said.

Graduates of the longer Farm and Ranch Short Course have been invited to participate, but anyone who is interested can register, Mason said.

Mason is hoping for 30 to 50 students for each session, to be held in the Youth Wing of the Nebraska Center for Continuing Education near the University East Campus.

Those interested should write to Crops and Soils Short Course, Room 154, Nebraska Center, 33rd and Holdrege, Lincoln, Nebraska 68503.

Lab Analysis

The nutrient content, or feeding value, of different feeds can vary a great deal. That's why a laboratory analysis of feed is needed to determine how to properly supplement these feeds or how to combine them for a well-balanced ration.

For example, in crude protein content, corn grain can vary from 7 to 11 per cent. Corn silage can vary from less than 1 1/2 per cent protein to more than 3 1/2 per cent. Hay can vary from less than 10 to more than 20 per cent.

It is easy to feed too much or too little for a supplement, or the wrong kind, if it is assumed that feeds are equal in feeding value. A lab analysis can indicate the nutrient content of a feed and allow proper levels of supplements to be computed.

Here's how to get a lab analysis of your feed:

1. Get a representative sample of two or three pounds. This is the same process as getting a good soil sample. Gather feed from several different areas of the feed supply, and mix them together thoroughly.
2. If the feed is a wet

Weed Control

Herbicides are only supplements to mechanical weed control in corn and soybeans. The role of herbicides on farms is to provide an alternative method of weed control, if wet weather should delay rotary hoe operations, or to provide a time-saving substitute for timely shallow cultivations.

Whether successful weed control is achieved with shallow cultivation or a pre-emergence herbicide depends largely on rainfall within two weeks of planting. 1/2 to 3/4 inch of rain is needed during this time to leach the herbicide into the zone of germinating weed seeds.

Excessive rainfall during this time does not destroy the effectiveness of the herbicide, but it generally delays mechanical cultivation.

Band application of modern herbicides is a nominal insurance against the hazards of wet weather. The net cost of herbicide treatments under normal conditions, will probably be no greater, and usually considerably less, than the value of crops lost through failure to control infestations.

Future developments in herbicide technology will undoubtedly increase in importance in row crop production. However, present herbicides are not effective enough to permit the adoption of corn and soybean production systems based on drilling and little or no cultivation.

them complete coverage. We hope you approve because we've met so many friendly Allen folks we want to go back again and again.

A customer bought a tape recorder and took it home. The next day he was back with a complaint. "Did you speak into the microphone?" asked the clerk.

"Did it record and repeat?"

"Yes."

"Then what's wrong?"

"Hit spikes wid an heccenti!"

Before leaving the subject of Allen we want to point out that not so long ago that community acquired a tavern. It ended a long dry spell for the town. Residents tell us Allen had been dry for 75 years prior to the bar opening there. Allen has acquired more than a bar in recent years though. It has a newly-paved main street, a fine addition to the school, a new fire hall and an impressive business district for a town of its size. We're glad to add Allen to the list of towns we cover regularly on our "beat": Concord, Dixon, Carroll, Winside, Hoskins and Wayne. What a nice bunch of towns to be allowed to serve!

Joe: "How would you get a girl to marry you?"
Shmoe: "Well, if she don't want to, you can't; but if she does, there ain't hardly no way to prevent it."

Our bouquet this week will offer little more than "a petal apiece" to those involved. It goes to the rural and town firemen of the area. We've seen what they do in the coldest weather—they respond just as readily as they do in the nicest weather. We've seen them spend hours at fires when they have business of their own to take care of, work that must be done so they'll have to put in overtime to get it finished and plans that must be changed because they have been delayed. Dixon and Concord firemen battled railroad right-of-way blazes last week and with Laurel firemen and other volunteers there were around 75 men helping; Laurel, Randolph, Belden and Carroll firemen spent hours at a fire near Sholes because they were needed, not because they expected praise or pay; Wayne firemen have gone out in the coldest weather to fight flames; Hoskins firemen maintain a rescue service that appears more valuable than ever in addition to a fire-fighting service; Allen has new quarters for fire-

"Don't cry, dear. Maybe he had to."

"No he didn't. He promised me I could."

Young Lady: "Can you squeeze me in here?"
Elevator Man: "Sure, lady, if someone else will operate the elevator."

We've been snagged by Allen. We went there once to get news. Several other stories were suggested. We followed them up. Now we're hooked; we must go back. It appears that we'll go back regularly because there seems to be enough going on that is newsworthy to make a weekly jaunt across from Concord or Dixon worthwhile. In covering Allen school news at the same time, we'll get more news about the Dixon and Concord kids who attend school there. Allen has rather patchy news coverage at present. We aim to correct that by giving

Capitol News... Showdown Is Expected On Tiemann's Tax Bill

CORRECTION: Last week's Capitol News contained a very obvious error in copy. In referring to the Tiemann blueprint of spending the statement was used "with a flat rate personal income tax." The complete statement should have read "...with a flat rate sales tax and a graduated rate personal income tax." Our apologies.—Melvin Paul.

LINCOLN—The struggle over Gov. Norbert T. Tiemann's income-sales tax bill is moving into high gear—with a legislative showdown expected to erupt soon.

Principal concern has centered on rates, exemptions and prospective revenue receipts.

Tiemann, a Republican, wants a 2 1/2 per cent sales tax imposed May 1 of this year. The individual and corporate income tax would go into effect in 1968.

Several legislators want a three per cent sales tax and no graduated personal income tax. Others want a two per cent sales tax. "The war has only begun," commented one long-time legislative observer.

Revenue Committee Chairman Jules W. Burbach expects floor debate on the bill (LB377) to begin in late February or

early March. He admits it could go on for some time.

"The pressure will build. Senators will want their say. The battle will get hot. But a decision will be made sooner than a lot of people think," the Crofton lawmaker said.

"No one likes the heat—but when taxes are involved, it happens every time."

Tieman and Burbach are worried about the transition from the banished state property tax to the income-sales tax program. They fear revenue problems may develop before the new tax system is in full force.

The critical period will come in 1968. "We must be sure the pot doesn't run dry," Burbach said.

Tieman believes the 2 1/2 per cent sales tax rate will generate sufficient revenue to pull the state through the change-over period. He based the forecast on cash flow projections submitted by the State Tax Commissioner.

Burbach prefers three per cent. He called it a "safer" rate—"one that won't fall short of the goal in the stretch."

Another concern is gathering 33 affirmative votes for the bill when it comes up for final reading next month. That will take some doing.

"It won't be easy but there's no other way to approach the problem," said the speaker of the Legislature, Elvin Adamson of Valentine.

"If we don't start collecting money this year under a sales tax, we will be in real trouble. I'm sure most of the senators are aware of this."

Nebraska voters banished the state property tax last fall and routed the 1965 income tax as well. This has put the state in a fiscal dilemma since one-third of its operating revenue will be shut off this fall.

Tied to the crisis are agency requests for record budgets and the Governor's legislative program for additional government services.

Best estimates indicate the 1967-69 appropriations package will be anywhere from 50 to 80 per cent higher than the current spending level.

The Budget Committee, headed by Sen. Richard D. Marvel of Hastings, will submit its recommendations sometime this spring or summer. They will divide the senators into fiscal conservatives, moderates and liberals.

At this point it is hard to judge which camp will win. One thing is certain, the battle will be hard-fought and the discussion stirring.

DST Moves Ahead

After a month-long stalemate, members of the Legislature's Miscellaneous Subjects Committee voted recently to advance

We're a little excited about the "new" Wayne Herald. In another week we will be preparing for the initial "first-of-the-week" issue of the paper. We hope you will look forward to it too. We will divide up features so some will be in one time and some the next time. In other words—you won't have to put up with this column twice a week. You advertisers will find that for some purposes it will pay to have a sale start the first of the week and last all week, making the Monday edition ideal for you. Others will want week-end specials and news coverage in depth to the area we serve. You can help by getting news and pictures in for social coverage, service items, school news and all other departments. If your community has a correspondent, help her by giving her news while it's hot and give us a chance to print it while it's hot. (If you've been cross about us in the past, you'll soon have double chances to be cross—which we won't refer to as the double cross).

The hillbilly and his wife came to the movie with nine children of assorted sizes. They had a hard time controlling the children, much to the annoyance of the theatre manager. "You should have left half of your kids home," he said.

The hillbilly looked the manager in the eye. "We did," he said sadly.

If we were giving a basketball trophy for "most improved team" this year, it would have to go to the kids at Dixon. They don't get much practice time and they still make a lot of mistakes, but they have improved a great deal considering the few practices they have had and the experience the other teams have. "Wait until next year!" we can hear the Fighting Irish cry.

Scouts Will Do Big Good Turn

Boy Scouts and Cub Scouts of this area will do one exceptionally big "good turn" in March. They will collect for Goodwill Industries again.

Mar. 4 they will take clothing bags to every home in Wayne. One week later they will collect the filled bags and boxes for storage until Goodwill trucks can come after them.

Melvin Froehlich and Alvin Ehlers are in charge of the distribution of sacks by Cubs Mar. 4, Dick Manley, Jewell Schock and Bill Richardson are in charge of the Scouts who will collect the filled sacks and boxes a week later.

The particular need this year is for clothing, shoes, small toys, repairable electrical appliances and kitchen utensils. Residents are asked NOT to include newspapers and magazines this drive.

Handicapped men and women at Goodwill Industries will use the items to keep employed. Sale of

the goods will give the needy a chance to buy at low cost so the project has double and triple benefits.

All of the Mid-American Council will take part. Cubs and Scouts in other towns in this area may also be distributing and collecting the same dates as listed for Wayne.
