

Municipal, School Election Set in Area Towns Tuesday

Town boards and school boards will be the object of elections in area towns Tuesday, Apr. 4. Wayne has a special issue in the fire hall bond proposal.

Allen will name two members of the town board. Craig Williams, George Van Cleave, Burt Ellis and Ken Linafelter are candidates.

Carroll is to elect three to the town board. Six candidates are Jack Kavanaugh, Larry Dahlkoetter, Clarence Morris, Lyle Cunningham, John Bergquist and Leonard Hallesen.

At Concord they will elect three town board members and one member of the Laurel-Concord school board. Town board candidates are Jack Erwin, Fritz Reith, Jerry Martin, Dale and Duane Harder. School board candidates are Quinten Erwin and Jack Erwin.

Dixon voters will elect two town board members for two years and one for one year to fill a vacancy. Candidates for two years are Jim McCaw, Frank Tomason and Allen Prescott. Kenneth Dowling is the only candidate for one year.

Hoskins has three candidates for three positions on the town board. They are George Langenberg, Ward Johnson and J. A. Krause.

Wayne will elect a school board member, Dean Schram and Morris Sandahl being candidates. Three members of the city council are to be named.

Men Invited to Cancer Session

Men are especially invited to the Wayne County Cancer Society meeting Friday, Mar. 31, at 1:30 p.m. in the Birch Room of the student center on the WSC campus. The main topic is a type of cancer affecting men most.

Dr. G. E. Larson, Lincoln, will be main speaker. He will talk on "Cancer of the Digestinal System." Coffee will be served following the program. Everyone is welcome but it is hoped men especially will make it a point to attend.

See MEN INVITED pg. 8

Ed Smith being the only first ward candidate, Mike Lynon and Jack Kingston the second ward candidates and Dr. Lyle Seymour and Dick Banister the third ward candidates.

In Winside they will elect two school board members from three candidates, Warren Baird, George Farran and Mrs. Edwin Vahlkamp. Two town board members will be elected from four candidates, Warren Jacobsen, Dr. N. L. Ditman, Don Wacker and Willis Reichert.

Science Pupils' Writing Chosen

Selected science students from eight high schools will present papers Saturday to the annual meeting of the Northeast Nebraska Junior Academy of Science at Wayne State College.

The papers, about 25 of them, describe significant projects the students have developed in class at Wayne, Battle Creek, Cole-ridge, Humphrey St. Francis, Lyons, Scribner, Spalding Academy, and West Point Central Catholic High Schools.

Michael McGuire, New-aman Grove, chairman of the academy, said all the papers will be read in the morning, from 10 to 12, and from these several of the best will be chosen for reading to the whole group at lunch.

Dr. Lyle Seymour, academy secretary and chairman of the WSC mathematics and science division, is making local arrangements for the meeting.

Hoskins Farmer 'Target of Bee'

Orville Anderson was the "target of a bee" Wednesday of last week. Friends gathered to help out with spring work at the Anderson farm near Hoskins.

Farm Work Gets Underway Just a Little Bit Earlier Here

NORTHEAST NEBRASKA'S rich black soil is being readied for crops again. The past weekend saw many farmers get into the fields for spring work. Noelyn Isom, Dixon, had two tractors going on his place. Alan Smith, Allen, was on one and Isom on the other. Isom is an Allen teacher so has to catch up on work on weekends until school lets out.

STILL AFIRE, a post was left scorched and gutted by the fire that threatened Dixon Monday. Blackened fields lie on all sides. Firemen are just about to leave the area as seen over the horizontal wooden brace.

'Wall of Fire' Gives Dixon Major Scare

Dixon residents could stand on Main Street and see a wall of flame and smoke 40 to 50 feet high in the west Monday afternoon. Wind was from the west and there was considerable concern.

Laurel, Dixon and Concord fire departments were called to fight the fire. Many farmers in the area also turned out to bring the flames under control.

Over 40 acres burned in what was almost a prairie fire at times. The Dick Chambers and Les Bowers farms west of Dixon were hardest hit but some fire also burned on Burlington Railroad right-of-way and on the White Brothers farm.

A smaller fire had burned on the White Brothers farm Feb. 13, according to Dixon Fire Chief John Young. That held down the fire on that farm but the blaze swept along with a light breeze over pasture, government acres, broom brass and bean stalks on the other two farms.

Road maintainers were used to plow up the fire guard. Every fire-fighting method was used before the fire was finally put out.

City Will Buy Ambulance; Seek County Fund Support

New Scout Troop Sets Honor Court

Troop 221, the youngest Boy Scout troop in Wayne, has scheduled its first court of honor for Monday, Apr. 10, at 7:30 p.m. in St. Paul's Lutheran Church, Scoutmaster Jewell Schock reports.

Almost all of the members will be making the Tenderfoot rank. Parents and others have been invited to attend a ceremony.

New officers were elected the past week. Randall Miller was named as-

Scouts Go Camping; Weather Turns Damp

Troop 174 is more sure than ever that it ought to hire out to the Weather Bureau or a rain-making company. The troop camped out Friday night, and, true to form, there was rain. Not much, but the only rain that has fallen in these parts for months.

Only three or four times in recent years has the troop gone camping without rain, snow, sandstorm, duststorm, or something.

Twenty-two boys attended this campout at Boy Scout

The city of Wayne is going into the ambulance business. Meeting Tuesday night, the city council approved a plan for operating a service formerly provided by two private firms and agreed to ask county help on financing the unit.

A representative of an ambulance - manufacturing firm was present to show brochures on different types of ambulances. He told what types were best for each kind of situation and explained why ambulance-service is unprofitable for private firms now in areas with less than 80,000 population.

Considerable time was spent considering the need before Al Wittig made the motion to have the engineer draw up specifications for Wayne's needs and for the city clerk to then advertise for bids. Ed Smith seconded the motion and it was passed unanimously.

Under plans as they now stand, the ambulance would be housed in the fire hall. It would be manned, however, by personnel from the Wayne Hospital.

Councilmen will meet with the county commissioners. Since the ambulance will serve all of the city plus the entire surrounding territory, it is hoped the county can give some financial support.

William Brinkerhoff presented a plan for removing 215 stumps that are now on terraces (city property therefore). He will remove them for \$3.50 each.

His regular fee is 50 cents per diameter inch. The council approved his plan and approved an offer he made to remove stumps on private property at the same rate offered the city.

Open House Planned at City Fire Station Sunday

Wayne Volunteer Fire Department will hold open house Sunday at the fire station. They are hoping a large crowd will turn out between 2 and 5 p.m.

They will have the hall cleaned but otherwise things will be just as they always are. Firemen want the public to see the station as firemen see it when they come to the station to answer fire calls.

Some of the modern equipment will be shown and explained. Firemen will be present throughout the three-hour period to answer questions and to show people through the hall.

Chief Ivan Beeks said the firemen feel that the best way to tell the story of their need for more facilities is to let the public see what the situation is. No one expects to give a "hard sell talk" because the VFD members do not think it will be necessary once the situation is seen.

As for the amount of the proposed bond issue, \$75,000, the firemen say this is the "trimmed" figure. Originally the engineer gave a higher estimate but frills were cut out and the firemen now feel they are asking for the bare minimum.

Firemen are taxpayers and accent the point that they are willing to pay the increased taxes, work on drill nights, attend meetings and promote a better department with better equipment and better personnel.

They will be disappointed if there is not a big turnout Sunday. If the public responds as readily as the firemen do when they're "invited," there should be a packed house in more ways than one.

Career Night Here Friday Draws Many

Representatives of 45 or more different careers will be present for the Laurel-Wayne career night Friday, Mar. 31, from 7:30 to 9:40 p.m. Three 40-minute sessions will be held.

Kiwanis Club of Wayne is helping through its vocational guidance committee. Members have helped secure speakers for the various fields.

Most of the speakers are business and professional people, teachers at WSC, University of Nebraska, Norfolk and Milford Trade School and other successful adults.

Wayne and Laurel juniors and seniors will take part. Those interested were given an opportunity to sign up for their three choices of fields previously.

From Agriculture to Zoology, something is offered for both boys and girls. When it is over, all should have a better idea of what the future holds in the vocations they are considering as their own.

Someone May Win \$400 This Week

Someone could win \$400 Thursday night by being in the right place at the right time. There are several right places but only one right time.

The places are the business firms that sponsor Silver Dollar Night in Wayne, some being in town and others just out of town a mile or two. The time is 8 p.m.

Alden Dunklau could have won \$400 last week. Because he was not present, the prize remains the same and the reserve fund goes up another \$50.

WHS Musicians to Give Recitals Thursday Night

Soloists and small groups in the vocal and instrumental departments of Wayne High School will give recitals starting at 7:30 p.m. Thursday, Mar. 30, in the multi-purpose room of West Elementary School.

Clayton Southwick will present 11 soloists in vocal numbers and two small girls, sophomore girls' triple trio and junior girls' sextet. Don Schumacher will present seven instrumental solos and three, small groups, woodwind quartet, flute trio and trumpet trio.

All of those appearing have been taking individual lessons. Six or seven from each group will be chosen to go to the district music

contest following the recitals.

Vocal solos will be by Cindy Meyer, Lou Ann Agler, Karen Willis, Jo Merriman, Sallie Bergt, Sherrie Nelson, Debi Armbruster, Marcia Ehlers, Bob Barr, Tom Havenner and Ann Bajer.

Instrumental solos include: trumpet, Mark Johnson and Mike Olson; flute, Mary de Freese; clarinet, Beth Olds; alto saxophone, Beth Bergt; piano, Jane Predoehl; and trumpet, Bruce Ring.

Joyce Bose Marries Dennis Sutton In Concord Church Rites March 18

Joyce Bose, daughter of Mr. and Mrs. Paul Bose, Wayne, and L.T. Dennis A. Sutton, son of Mr. and Mrs. Boyd Sutton, Laurel, were married Mar. 18 at St. Paul's Lutheran Church, Concord.

Rev. H. K. Niemann officiated at the 7 p.m. ceremony. Cheri Hank, Wakefield, sang "The Wedding Prayer" and "The Lord's Prayer." Mrs. Willis Johnson, Laurel, was accompanist. The altar was decorated with candelabra and bouquets of aqua carnations and white pompons. The pews were sprinkled with white wedding bells.

The bride, given in marriage by her father, chose a floor-length gown of organza and lace fashioned with an empire bodice with bateau neckline and long tapered sleeves. The slim skirt of organza was accented with alcon lace and iridescents. The detachable organza train fell from a high-rise back. Her silk bouffant veil was held by a sunburst flower of lace outlined with seed pearls and crystals. She carried a cascade arrangement of pink sweetheart rose and white stephanotis accented with French greeners and satin streamers.

Janice Bose served her sister as maid of honor. Bridesmaids were Mrs. Donald Benjamin, Lincoln, the bride's sister, and Linda Sutton, the bridegroom's sister. They wore identically styled gowns of aqua chiffon over taffeta. The empire bodices of re-embroidered lace over chiffon

TENNIS TEAM members at Wayne State pose on the new court. Kneeling (left to right) are Mark Robinson, Charles Frazier, Larry Beebe, Dan Kirchhefer, Roger Uecker, standing, Coach Kent Stephenson, Don Lang, Gary Rittenhouse, Rich Brown, Rod Whorlow.

Tennis Team at Wayne State Sure to Make History During Next Few Weeks

History has to be made at Wayne State College during the next few weeks when the tennis team goes into action. A home meet is scheduled on the WSC court and as far as is known it will be the first tennis match ever held here.

Taking the place of the old courts which were taken over by the new nunsitory Bowen Gym is a set of six courts. They are the finest courts in Northeast Nebraska (and some of the best in the state).

Coach Kent Stephenson is coaching for the first time this year. He has only two lettermen, both from Fremont.

Rod Whorlow and Rich Ollenburg, Fremont, won second in NC doubles two years ago and Whorlow was second in singles last year. Larry Dietrich, transfer from Lincoln University, is not eligible for the team but will be next year and in the meantime works out, helps others and plays in exhibition matches that help a great deal.

Coach Stephenson said the public is invited to use the courts on a "take your turn" basis weekday evenings and Saturdays. The public is also invited to the matches with other schools.

First meet will be Apr. 6 at Sioux Falls. First home meet is Apr. 11. The Nebraska College Conference meet will be on the six grassed courts Apr. 11. Naturally this will make history too.

At present the lights are not complete so night play is not possible. Later on they will be usable and tennis should become more popular than ever for WSC and the area.

Others on the team besides Whorlow and Ollenburg this year are: Mark Robinson and Rich Brown, Wayne; Gary Rittenhouse, Valley; Charles Frazier and Don Lang, Sioux City; Dan Kirchhefer, Hastings; Larry Beebe, DeWitt, Ia.; and Roger Uecker, Norfolk.

Mr. and Mrs. Merwin A. Jarrell and Lavon, Evans, Ia., spent Mar. 22 to Mar. 27 with Mrs. Jarrell's mother, Mrs. Mary Horstman, and other relatives and friends.

Junior High Teams Enter Last Round

Junior high teams in the Wayne recreation league under the direction of Hank Overin have entered the final round. Mau is leading 5-1 with Tietgen second at 5-2, Biltoff third at 3-3, Kamish 1-5 and St. Mary's 0-3.

On play last week, Tietgen beat Kamish 52-22 and St. Mary's forfeited to Mau. For Tietgen, Don Hansen had 2, Duane Chatanoff 10 and Dick Tietgen 20, Joe Dorsey had 7 and Breck Giese 9 for the losers.

Saturday there will be one game, Biltoff meeting Mau. Final games will be played this coming week.

No Lettermen on WSC's Golf Squad

"We will field a team," says Wayne State Golf Coach Al Svenningson, "but I don't know who we'll have for any one meet."

The 1967 squad is all new—none of last year's golfers back.

Opening event is scheduled Monday afternoon against Morningside on the Wayne course. Then South Dakota University visits Wayne Apr. 7, and Wayne returns the match Apr. 25 at Vermillion.

Two more duals are on the calendar, May 1 at Concordia and May 4 at Morningside, before the Nebraska College Conference meet May 12 at Wayne.

Four Games in Grade School Loop Saturday

There will be four games in the grade school league of the Wayne recreation program Thursday and Saturday. Girls will practice from 2 to 3 following the boys' hills Saturday.

Thursday at Hahn Sturm plays Giese at 4:15 and Brown meets Scheel at 5:15. Saturday at 12 Sturm plays Scheel and at 1 Brown meets Giese.

Sturm beat Brown 24-22 last week, Doug Sturm with 14 and Earle Overin with 6 led the winners. Roger Saul had 9 and Bill Brown 7 for the losers.

Scheel beat Giese 16-15.

team on runs batted in, 28, and doubles, five.

Three good prospects for outfield patrol are Dennis Christianson, Schaller, Ia., a transfer from Ellsworth Junior College; Randy Olson, freshman from Mapleton, Ia., and Roger Parr, junior from Scribner.

Tom Zimmerman, junior from Council Bluffs, Ia., is pressing for a first-base berth. Likely choice to replace Fulcher at catcher is Bob Jurka, sophomore from Chicago, Ill.

The schedule, all seven-inning doubleheaders except as noted:

Apr.—1, Yankton; 4, Nebraska Wesleyan; 8, at Peru State; 12, Dana; 18, Concordia (one game, nine innings); 19, at Hastings; 24, Creighton; 29, at Chadron State.

May—1, at Omaha (7 p.m.); 6, Kearney State; 9, at Iowa University.

Wayne Businesses in Trophy-Donor Roles

Wayne business places are again sponsoring 16 relay trophies for the Blue Devil Relays Friday. Each year they come through with awards that make the local trophies among the finest offered in the state.

Team championship trophies are provided by the banks. First National is giving the Class C title trophy and State National the Class B title trophy.

Relay trophies for Class C are being made possible by Triangle Finance, Wayne Sporting Goods, Carl's Coinco, Don's Shoe's, Felber's Pharmacy, Siouxland Credit and Peoples Natural Gas.

In Class B the relay trophies are being provided by Wortman Auto, Arnie's, Coryell Auto, Wittig's Super Valu, Wayne Herald, Larson-Kuhn and Carhart Lumber Co.

Boys Club League in Tie As Season Ending

The Sophomores and Boys Club B are in a tie in the senior high league of Wayne's recreation program. If they are still tied next week, they will play each other April 10 to establish the playoff pairings where the first place team plays fourth place and third place plays second.

Boys Club A is in second place with a 2-1 record. Freshman A has a 1-2 record and Sophomores Juniors and Freshman B are tied with 0-3 records.

The Boys Club A beat Freshman B 54-36 Monday. Carl Matson and Duane Peterson led the winners with 15 points. John Matson had 10, Terry Ellis with 19, Pat Ellis 8 and Doug Maurer 4 led the losers.

Sophomores beat Boys Club Sophomores Juniors 77-42. Dave Tietgen hit 30, Joedy Hoogner 22 and Tom Denesia 15 for the winners. Bill Carlson had 10, Steve Msrny 6 and Steve Hix 5 for the losers.

It was 64-48 as Boys Club B beat Freshman A. Dennis Redel hit 20, Mike Liveringhouse 13 and Wayne Magdanz 12 for the winners. Ted Armbruster hit 11 and Les Echtenkamp and Jerry Titze 10 each for the losers.

Monday, the Freshman A team plays Freshman B

Blue Devil Relays Set Friday

Several hundred athletes are expected in Wayne Friday for the Blue Devil Relays sponsored by Wayne High School at Wayne State College. Coach Bob Tollakson reports a new champion is assured in Class C and strong battles for titles are expected in both Class C and Class B.

Laurel won Class C last year but has moved up to Class B this year. The Bears are expected to challenge Tekamah and Bloomfield (last year's B champion) for the title. In Class C around eight teams are strong enough to win but Lyons and Pender, perennial powers, could battle for the title down to the last event.

Class B teams entered are Bloomfield, Hartington Cedar Catholic, Laurel, Madison, Neligh, O'Neill, Pierce, Tekamah and Wayne. Class C teams are Battle Creek, Coleridge, Creighton, Crofton, Dodge, Emerson-Hubbard, Humphrey, Lyons, Newcastle, Newman Grove, Norfolk Catholic, Oakland, Pender, Pilger, Ponca, Snyder,

at 6:45 and Sophomores play Boys Club A at 8. Boys Club B practice 9 to 9:45. Tuesday the Sophomores Juniors play Freshman B at 6:45 and Boys Club A plays Boys Club B at 8.

Stanton, West Point, Winnsboro and Wisner.

Purpose of the meet is to give Class B, C and D high schools in the area an opportunity to compete against each other and to promote interest and competition in the sport of track in this region. The meet, scored 8, 6, 4, 2, 1, will start at 1 with the hurdle relay. There will be seven relays in each class plus the 100-yard dash and shot put. Presentation of trophies will be at 5.

Laurel, Pender, Lyons and Pender have won the last four C titles. Bloomfield won B last year and Columbus St. Bonaventure (now Scotus) won B three years straight before that.

Class C record holders included: 480 shuttle hurdle, Lyons, Creighton, 1:10; two mile, Crofton, 8:49.8; 440, Lyons, 46.5; mile medley, Newman Grove, 3:53.1; 880, Pender, 1:38.2; sprint medley, Pender, 1:40.2; and mile, Ponca, 3:40.1.

Records in class B include: 480 shuttle hurdle, St. Bonaventure, 1:08.8; two mile, Wayne, 8:42.5; 440, St. Bon, 46.7; mile medley, St. Bon, 3:49.0; 880, St. Bon, 1:35.3; sprint, Tekamah, 1:41.1; mile, Tekamah, 3:37.4. Feature

EASTER PARADE for Cub Scouts of Pack 175 meant fancy hats, fancy numbers. The event was a part of the regular pack meeting held at West Elementary School.

BINGO PLAYERS wait as a winner's card is called out the numbers at Monday's session checked by Jerry Pospisil. Clea Shaier was the winner. The winner was officially a winner

Bingo Players Loyal; Showing up Regularly

Bingo is played the second and fourth Monday of each month at St. Mary's Catholic School basement. The regulars show up for each session while others come now and then and newcomers try it out at intervals.

Monday was not atypical night, there being conflicting activities. The crowd was smaller than the usual 70 or 80 who attend.

Jerry Pospisil, Larry DeLonge, Dan Sherry and Clea Shaier call out the numbers for the games. The numbers come out of a little "third cage" device that simplifies the whole process.

Games is the corn on a board. The modern Bingo cards have plastic slides that can blot out numbers called. Once a game is over a shake of the card and the board is cleared again.

Monday night the bonus prize was \$25. Mrs. Ed Rathman won. Because there was a winner, the bonus prize for the Apr. 10 session will be \$50.

The plan calls for taking 67 numbers and if someone wins by that time the bonus prize is won. If no one wins on 67 numbers, play continues until there is a winner, the prize being

\$10 then. Highest bonus ever won is \$80.

One admission price gives a person a card for the entire evening. There is no limit to the number of cards you can buy at the same price.

All sorts of games are played, such as: Blackout, regular, T-shape, double Bingo, picture frame (around all four sides), L-shape and others. Lunch is served as a feature of the gathering.

Bingo was made legal by a law passed a few years ago in Nebraska. The rules for the game are strictly adhered to and those conducting games either follow the state laws or lose the right to sponsor the games.

It's a game young and old enjoy. Winning still brings the shrieks of delight, the groans from others and the comments such as "I just needed one more number." Then there's always the unlucky one who goes as many as 11 numbers without getting anything on the board besides the free one.

Bingo is here to stay. It has never been played under nicer circumstances than at St. Mary's.

Bond Sales for Area Stay High

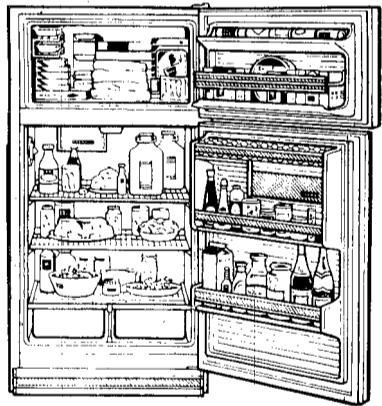

February sales of United States bonds remained high, the state office reports. With a big "Share in Freedom" drive coming up in April and May, the state is in a good savings bond position.

Wayne County residents bought \$43,087 worth of bonds in February, according to Henry Ley, county bond sales chairman. This brought the total for two

months in the county to \$97,935, or 24 per cent of its quota for the year. Robert Anderson, Dixon County bond sales chairman, reported sales of \$34,590 in February. This brought that county's record to \$91,102, or 22.6 per cent of the year's quota.

Other area counties have totals for two months that look like this: Cedar, \$279,052, 35.5 per cent; Thurston, \$62,447, 27.5 per cent; Madison, \$401,731, 25.4 per cent; Stanton, \$73,203, 24.4 per cent; Pierce, \$102,594, 17.0 per cent; and Cumming, \$173,835, 20.5 per cent.

Tells Winside Club About TV Del Benjamin, promotion manager of KTVV, Channel 9, Sioux City, provided an interesting program for Winside Community Club Monday evening at St. Paul's Lutheran Church.

Some of the facts Benjamin gave were eye-openers. The new tower the Sioux City stations use is 3,000 feet high...

The paint on the tower weighs one ton. The tower itself weighs 372 tons and the antenna weighs 61 tons.

Benjamin told of the television of the future. It sounded impossible but he assured the crowd that all the plans are feasible.

Other guests were all newcomers to Winside in the past year; Supt. James Christensen, who became a member; Mr. Nelson, who has moved to Winside from Columbus; and Jay Morris, new plumber.

My SINCERE THANKS to all who remembered me on my 100th birthday with cards, gifts and flowers. I appreciated them so much and may God bless you all. Gust Carlson. m30

I WOULD LIKE to thank everyone for the lovely plants, flowers, gifts, cards and visits while I was in the Sioux City Hospital. They were greatly appreciated. Mrs. Harold Shell m30

Friday-9:30 a.m. at Lyons, 11:30 a.m. at Bancroft, 12:45 p.m. at Pender.

The 50-member tour choir will sing a group of a capella works entitled "Salvation Is Created"; a motet by Poulenc, six chansons by Hindemith, and "Jubilate Deo" by G. Gabrieli.

Jay O'Leary, Wayne State instructor in woodwind instruments, will play two clarinet selections.

Accompanist for the choir is Cheri Hank, Wakefield.

The choir's spring concert on campus is scheduled for Tuesday, April 4, at 8 p.m. in Ramsey Theater.

be done from the ground next fall and winter. For that reason and because a sprayer is needed at other times, the council voted to keep the sprayer purchased recently.

Also approved was a man-lift device for use of the street, light and park departments. It would be used for power line changes, tree trimming and other work. Bids will be sought from local dealers for the truck on which the unit would be installed.

A new contract has been authorized with Consolidated Engineers, Omaha, and the City of Wayne. Formerly this contract was with Sid Magdanz and Associates but the latter is now a part of Consolidated as far as personnel goes so the new contract was logical the council felt.

Storm sewers, water main extensions and water main districts present a problem. Since it will take time to work out a solution, the council adjourned its Tuesday night meeting to meet again Wednesday noon and consider the aspects of the situation.

Air conditioning and heating with electricity are to be encouraged. The council has authorized a study to bring rates into line with those in other cities for homes where heating and air-conditioning are done electrically.

The council learned that the Wayne swimming pool is in good repair after some minor changes were made. Applications are now being accepted for positions on the pool staff this coming summer.

The sound system at the Wayne City Auditorium is also in the best condition in years. A new system has been installed and a lot of praise has been given the new installation.

Police department vehicles will soon include a patrol station wagon. The council was offered the first aid equipment from Wilse Funeral Home's ambulance at a fraction of the cost and is considering buying this for the police unit.

Dixon Fire

Ground was black in every direction from the top of one hill overlooking the area when the final flames were being put out.

Bowers had just put fertilizer on one field. It burned. Fence posts had to be put out separately as the grass burned out, the fire moved on and the wooden posts kept blazing away.

Trees were damaged, some permanently. Brush and cover for game was destroyed.

It took over an hour for the fire fighters to get the job done and Dixon

Dixon was faced with needing help from other fire departments in the future. Both fire trucks got stuck going to the fire and both were taken to repair shops following the blaze. Mechanics were getting them back in the best shape possible just in case they were to be called out again.

voted unanimously that he had "utterly failed to produce a scintilla of evidence to support any one of his so-called 19 grievances."

Elaborating on its findings, the board reported it was "appalled at the complete irresponsibility demonstrated." It said evidence refutes his posture as "a teacher battling for academic freedom and, rather, reveals in sum a young man whose action seem based far more on immature and irrational emotion than on logic or fact."

The board said that it indeed made a difference when such charges are made in spite of Wilkinson's assertion that it did not make a difference. "Innuendo and emotional tantrums are not acceptable to this board in lieu of proof," the board stated.

In concluding, the board announcement praised President William Brandenburg, the administrative staff and the faculty for the concern with Wilkinson's rights and privileges.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

It is the duty of an editorial writer to search all available facts before he sits down to write. From this basis the writer should be able to give a clear picture of important topics.

You may not agree with an editorial — but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

Who Do They Think They Are?

Just who do the Wayne Jaycees think they are anyway, conducting a kangaroo court, firing people, growing beards, stirring up interest in the centennial and in general carrying on as if something special was afoot?

Who do they think they are indeed! They just happen to be a group of young men who have less tied up in a Nebraska centennial than a lot of other men in a lot of other organizations. And they just happen to be the ones who are doing something about it.

The spirit they have put into their beard-growing activity is a real credit to them and the community. Not to be overlooked is the good sportsmanship shown by almost everyone who has been rounded up as a Jaycee "victim."

As the Jaycees conducted a court one night just off Main Street, a teenage girl was heard to remark: "The men have all the fun. Isn't there something we girls could do so we could feel as if we're a part of the centennial too?"

What a shame that something has not been done. No beards, of course, but there are other projects. Anything connected with reminiscing about the past, bringing back the good old days or reminding the young of today what it was like to be young years ago deserves consideration in Wayne.

The Jaycees are working with the Mrs. Jaycees on some projects. They have put more life and enthusiasm into their bit of centennial horseplay than all other groups put together. They stand ready to assist on any other city activities brought up.

Who do the Jaycees think they are? They think they are a group of young men interested in the future of Wayne, proud of the past in Nebraska and ever-considerate of the present in our nation. That's what they think. You know what they're right! —CEG.

There's No One Over the Hill

It's spring in Northeast Nebraska and farmers necessarily have to use county roads and state highways to get to fields. It's surprising, however, to find out how many people using roads drive as if no slow moving vehicle could be just over a hill.

Sure, most of the farmers have put the SMV (slow moving vehicle) emblems on their farm equipment. That emblem helps as long as equipment is in sight but when it's over a hill the emblem is as out of sight as the equipment is.

The night speed limit is 60 on state roads, 50 on county roads. This does not mean that you have to go that fast. At dusk you CAN drive faster, but no one claims that it is safe to do so.

A farmer can be just over the crest of a hill but completely out of sight with a tractor and some low and long equipment. Another car can be coming from the other direction. You never know.

Those taking the defensive driving course learn that you don't assume there is no one over the hill—you assume that there COULD BE someone over the hill.

Precautions taken in advance could save a lot of trouble and heartache.

Sure, it is not convenient in this hilly section of Nebraska to approach each hill with the idea someone could be in your lane. However, it is not much of an effort to prepare yourself for that eventuality and the seconds you save by being prepared could be the margin between life and death.

No farmer wants to be involved in an accident. Some have been observed checking traffic behind them before they continue over the crest of a hill, evidently believing that if there is traffic coming up from behind there is a possibility that the driver has failed to see his farm equipment in the dim light of dawn or dusk.

It will take effort on the part of both farmers and travelers to save this area from tragedy on the highway during these weeks of busy field work. The farmers who have put on the SMV reflectors have helped. Even those who do not use state highways but use county roads should be considerate enough of themselves, their sons, others who will use the equipment and the traveling public to install those reflectors.

More than likely there will be no one over that next hill. Whether or not there is, it will not hurt to be prepared. You can hardly be too cautious and the ones who show caution today will be the ones who will be here to show more caution tomorrow.

Watch for slow moving equipment, especially at dawn or dusk—and just over the hill.—CEG.

You Have the Right!

Wayne County is involved in the Cancer Fund drive. You have the right to ignore it.

You also have the right to ignore the warnings about cigarette smoking. Agree? Well, we don't.

Do you as a prospective mother have a right to affect the future of your baby? Do you as a father have a right to suddenly die of cancer when you should have had years of good life and family-supporting ability ahead of you?

Is it right for you to warn the youngsters about the hazards of smoking and then to continue smoking yourself? Do you have the right to be unfair to yourself?

Are you one of those who will look back when you have lung cancer and wish you had shown just a little more will power? Wouldn't you like to be here to see the year 2000 roll around?

Cigarettes can cause emphysema, heart disease and circulatory diseases. These smokes of yours might bring on all three. One is enough to kill.

Ignore the plea for the Cancer Fund if you choose, but give a long thought to the warnings about the dangers of smoking. You are not immune. Do you have the right to be unfair to your family by continuing to smoke?

Burn this editorial if you want to. Just try not to burn another cigarette. You are enough of an adult to quit right now aren't you? —CEG.

Do You Smoke Cigarettes?

Three times as many Americans die each year from cigarette smoking as were killed in action in World War I.

AMERICAN CANCER SOCIETY

been working overtime in recent weeks to set up the machinery for the new tax system. But he would not predict if collections could begin as planned.

"If the Legislature enacts the law with the May 1 starting date on the sales tax, then we must comply," the tax commissioner remarked.

"Some problems, of course, could develop. But one thing is most encouraging—the Nebraska Retailers' Association has promised its utmost cooperation."

The sales tax would be imposed on a retailer's gross receipts. He would retain three percent of the tax for collecting the levy.

McNeil announced a three-point program has been drawn to insure swift implementation of the sales tax. It consists of:

—An extensive taxpayer information effort so all citizens, including retailers, are thoroughly familiar with the new law.

—Distribution of sales tax collection applications to the some 40,000 retailers operating in the state.

—Issuance of licenses to retailers to permit them to collect and remit the tax.

Personnel System Urged
The Legislature has been urged to create a state personnel system in a hurry to boost employe morale and cut worker turnover.

The request came from a number of government administrators and Sen. Richard D. Marvel of Hastings, chairman of the Budget Committee.

Similar proposals were defeated in the 1963 and 1965 sessions of the Unicameral. The fear then was that the cost would be prohibitive.

However, Marvel said the system would not increase employe pay. He said the objective would be to establish job qualifications.

"A personnel system would guarantee much more stable state government by encouraging qualified persons to enter the ranks of state employment and stay there," Marvel said.

Junior College Boards
Lawmakers have given final legislative approval to a measure permitting the creation of public junior college boards of education.

Under present law, these colleges are governed by local school district boards. This has developed some administrative problems.

Careful Shopping
Made another vow to economize on your food budget?

One important factor in stretching your food dollar is to shop wisely and well for the foods you plan to serve—both as to price and quality. Watch local food ads. Consider, also, which foods are in abundant seasonal supply and plan your menus around them.

Buying by grade, whenever possible, is a big help in wise shopping. This helps you select the

U.S.D.A. grade quality that best suits your needs. Since lower-grade products have essentially the same nutritional value and are usually cheaper, you may find them ideal for certain uses. However, do not forget to consider waste loss.

County Agent's Column

by Harold Ingalls

1967 Corn Rootworm
University of Nebraska corn rootworm control recommendations have been developed for 1967 and are summarized in a new publication, Campaign Circular 203, available at the County Extension office.

A late hatch of corn rootworm eggs in 1966, coupled with decomposition of insecticides applied at planting time, resulted in many cases of unsatisfactory control. Research by University entomologists

in 1966 showed that later applications of organic phosphate and carbamate insecticide granules gave better rootworm control. Recommendations have been altered for 1967 in an attempt to have a greater amount of the insecticides in the soil when rootworm larvae are at their peak activity.

CC 203 lists chemical application methods, chemicals and the rates at which they should be applied, and precautions to take in regard to residues which might affect livestock feed.

Some recommendations as to combination control of corn pests—spider mites and rootworms, or rootworms and European corn borers—also are offered.

Did you put your lawn mower into winter hibernation in a rather "neglected" condition?

Now is the time to correct that situation before the spring rush of lawn and gardening chores is upon you.

Here is a checklist of maintenance steps that will put the old chopper into fine form for the coming season:

—Wash off the machine to remove any dirt, clippings, grease or oil.

—Drain the gas tank and carburetor. Flush with "fresh" gas to remove gum which may have formed.

—Remove the air cleaner and clean it according to the manufacturer's directions.

—Drain the crankcase and put fresh oil in it.

—Remove and clean the spark plug. Before replacing it, squirt a little oil in the spark plug hole and pull the starter rope several times to lubricate the cylinder walls.

—Lubricate the wheel bearings and other moving parts.

—Check the blade and replace or sharpen if necessary. Then give it a light coat of oil to prevent rust.

These steps won't completely erase the problem of lawn care during the coming season, but it may enable you to concentrate on spending more time on cutting the grass and less on cursing the lawn mower.

Twice lately we have been stopped by strangers as we pick up the Sunday mail at the post office. In each case the stranger wanted to know where postage stamps could be secured. We've seen postage stamp machines in Omaha's multi-story post office, in the new stream-lined post office in Lisco (Pop. 100) and in post offices in between. Just what keeps Wayne from having a stamp machine is something we'll have to guess at. We went to The Herald office to get stamps for both strangers and they seemed to appreciate it. They (and we) would appreciate a postage machine even more. (We know, the post office windows are usually open when the post office doors are, but the times we're talking about are those when the windows are not open but the doors are.)

Did you read Dick Manley's report on the four convicts from the Nebraska penal complex who spoke at WSC? We thought it was excellent and the next time such a group speaks here we intend to attend. What's more, if given enough advance notice, we'll recommend you and your kids attend. These convicts are not being given special treatment. They just happen to be men who made one mistake too many to late. What they aim to do is to speak to the young to keep them (if possible) from making a similar first step mistake that might lead them on the path to prison. This is a terrific program. We hope it is repeated here soon!

Legislature Now Braced For 'Historic' Session

LINCOLN—The State Legislature has returned from its biennial Easter vacation braces for what looks like the last half of the 77th lawmaking session.

Everyone agrees it has accomplished more than expected in the past three months—but opinions differ on whether it was good or bad.

A few used such words as "historic" and "progressive" to describe the record so far. They said it was without equal in modern times.

Speaker Elvin Adamson of Valentine conceded that "we're doing a lot of things." He added, though: "But I'm not sure all of 'em are good."

One observer opined the legislators have been the victim of some gubernatorial arm-twisting, especially on taxes.

At any rate, here's the record for the first half of the current session:

—Placed Nebraskans on daylight saving time six months a year beginning April 30. The last time the state was on so-called fast time was prior to World War II.

—Established a new department of economic development to convince out-

of-state interests Nebraska is a good place to live and do business.

—Approved for voter determination six constitutional amendments, including a proposal to lower the state voting age from 21 to 19.

—Enacted a state dollar an hour minimum wage law. Sponsors say it will cover an estimated 25,000 blue collar workers not now under the federal minimum wage standard.

—Required all Nebraska voters to register their political preference, be it Republican, Democrat, or independent. The past six sessions rejected similar legislation.

While many headline-making proposals have passed, most legislators agree the biggest problems still lie ahead.

These include taxes, spending, highways, public power and education.

Republican Gov. Norbert T. Tiemann submitted what he called a "program of action and progress" to the Legislature in January. So far it has met with little resistance.

Tiemann has limited his top requests—as sweeping as they may seem to opponents—to what he thought he could get. But he has not been afraid to fly in the face of precedent.

As for the gubernatorial

"arm-twisting" complained of by some critics. Tiemann supporters view this more as friendly persuasion.

Traditionally, a new governor enjoys a honeymoon with the Legislature—period when the senators are disposed to be as generous as possible. Sooner or later, though, a lot of this ends.

The Legislature over the last three months passed 175 bills and killed 64 others. Forty-nine measures were withdrawn. Still pending are 580 proposals.

The unusually fast pace of the pre-Easter break period likely will slow down to the normal speed for this time of the session soon. It always has in the past.

Legislative leaders are happy with progress so far, optimistic about accomplishment still to come, and hopeful this year—for a change—will wind up the session early.

After experiences of the last couple of sessions, most members say early can be defined as any time before August 1.

Retailers Ready to Collect Acting State Tax Commissioner Murrell McNeil reports Nebraska retailers have pledged their "utmost cooperation" in implementing the prospective sales tax on May 1.

He issued the statement amid talk that a legislative slow-down on Governor Tiemann's sales-income tax bill could delay the first sales tax collections until June or July.

McNeil said his staff has

Chatter-Sew Meets
Chatter-Sew Club met in the Larry McAfee home Thursday. Officers elected were Mrs. Monie Lundahl, president; Mrs. Jule Swanson, vice president; Mrs. Basil Wheeler, secretary-treasurer; Mrs. Barney Geiger, card chairman. Mrs. Ezra Christenson read Easter thoughts. Mrs. Jule Swanson won a prize. A tour is planned in April.

School Notes:
Fifth grade: A unit study of Alaska has been the topic of interest in the fifth grade room. One group of children erected an igloo home from sugar cubes while another group made salt and flour maps. To complete the unit on nutrition in Science the children have been learning about the ill-effects of tobacco and alcoholic beverages. Magazine and television advertisements were discussed and criticized for hidden implications. Outlines and essays

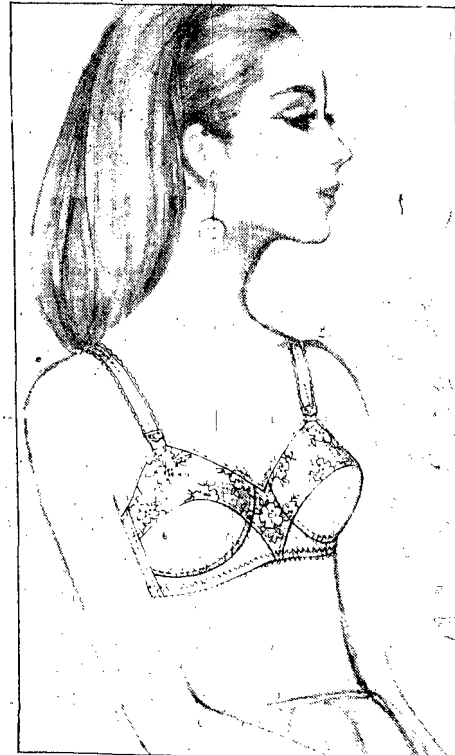

have been written, "Why Be Foolish and Begin Using Alcoholic Beverages" and "Five Good Reasons for Not Smoking". Their learning can be summarized in the closing sentence of Kay Schroeder's essay: "If God wanted us to use our nose as a chimney, He would have turned it up!"

Wranglers Meet
Mar. 21 Wranglers 4-H club held a meeting in the Duane Koester home. New members are Ronald and Richard Kraemer. Nancy Chapman was appointed to plan a project tour for June. Further discussion was held on the project board. Wayne Chapman gave a demonstration on grooming tools. Lunch was served by Mrs. Koester. The next meeting will be Apr. 18 at the Larry McAfee home. Reporter, Nancy Chapman.

Mr. and Mrs. Ken Linafelter and family and Mr. and Mrs. Delbert Linafelter were dinner guests Sunday of Mr. and Mrs. Wendell Roth, Sioux City. Mr. and Mrs. Harold Thom, Rushmore, Minn., spent the weekend visiting

Reservations for Leaders' Feed Due

Reservations for the 4-H Leaders' Recognition Banquet are due Saturday, Apr. 1, County Agent Harold Ingalls reminds Wayne County residents. The deadline is necessary so women will know how many to plan on feeding.
The dinner will be served Thursday, Apr. 6, at 6:30 p.m. in St. Mary's Catholic School. Husbands and wives of 4-H leaders will be guests along with the leaders.
All five banks in Wayne County share the costs of sponsoring the event each year. Dr. T. H. McDonald, WSC instructor, will be featured speaker on "Exploring the Northwest Territories."

Soldier-Sailor Home Addition Plans Made

Chris Bargholt, Wayne County veterans service officer, has given some information on the soldiers and sailors home nursing care building project at Grand Island. This serves veterans of this area.
A three-story building is planned with a medical center, canteen, central kitchen for all the home, tray assembly center for heated carts to serve all the home, wards for 100 on two floors, sun and living rooms, enclosed corridors and electrically-operated doors for convenience of wheel chair patients.
The project is to cost almost \$2 million. Almost half of the costs will be paid by members of the home. Residents of the home provided by the state are in need of special nursing care but not in need of hospitalization.

Set Itinerant Plans

The itinerant service schedule of the Nebraska division of employment for Wayne County and the south half of Dixon County has been set by the Norfolk office of the Nebraska State Employment Service. Representatives are to be here alternate Wednesdays at 9:30 a.m. in the courthouse. The dates for representatives to be here are Apr. 5 and 19, May 3, 17 and 31 and June 14 and 28. Kenneth Boyer will be the representative coming here. He invites inquiries concerning work, workers or other labor matters.

A COOL DAY did not keep the Easter Bunny away from Wayne. Mrs. Jaycees saw to that. The group near the Easter Bunny (Mrs. Jerry Dorcay) won prizes. The three in front (left to right) are Chris Probst, Terri McNeil and Mark Middleton. The back

five are Walter Orte, Gema Beth Giese, Patty Glass, Clint Nelson and Jimmy Fairchild. Mrs. Marvin Young of Mrs. Jaycees is on the far right. The children standing around with baskets, sacks and balloons were not identified.

District Head Visits Wayne's Kiwanis Club

Russ Pearson, Omaha, Ia., district Kiwanis president, was one of the guests of the Wayne Kiwanis Club Monday noon at the Woman's Club Rooms. He talked on the international convention of Kiwanis coming up.
The district president had praise for Jim Hummel of the Wayne club for the public relations job he is doing for the district. He also suggested that the Wayne Kiwanis work on getting two new clubs started in the area, including a Circle K Club at Wayne State College.
Ed Kollath, Hoskins, a member of the Norfolk Kiwanis Club, John Parke, Fremont teacher, and Robert Johnson, trust officer of the First National Bank,

Omaha, were also guests. Johnson talked briefly on establishing trusts for future security for anyone. A question and answer period on trusts followed his talk.

Taking Tour Group

Mr. and Mrs. Floyd Root, Belden, will take a tour group to Georgia, Florida, Tennessee and other points this next month, 35 from Nebraska signing to go. Among those planning to take the trip are Mr. and Mrs. William Oehlman, Laurel, and Mr. and Mrs. Ben Jackson, Allen. Points where John Wesley preached to the Indians, where Andrew Jackson lived, where satellites are launched, where Truman's library is located and other tourist attractions will be visited. This is the ninth tour group the Roots have taken.

Saturday Cool Day for Hunt

Saturday was a cool day—naturally—for an Easter Egg hunt. The hunt was held anyway under sponsorship of the Wayne Mrs. Jaycees.
One of the first projects the Mrs. Jaycees ever had, the hunt has been sponsored every year since the club was organized. More often than not the weather is cool or stormy or both no matter when Easter comes.
In spite of the weather and conflicting activities, over 100 youngsters showed up at Bressler Park. Most of them brought baskets, pails or sacks for egg-gathering purposes.
Prizes of coloring books, candy eggs and stuffed bunnies were given to three age groups. The pre-school were in one group, 4 to 5

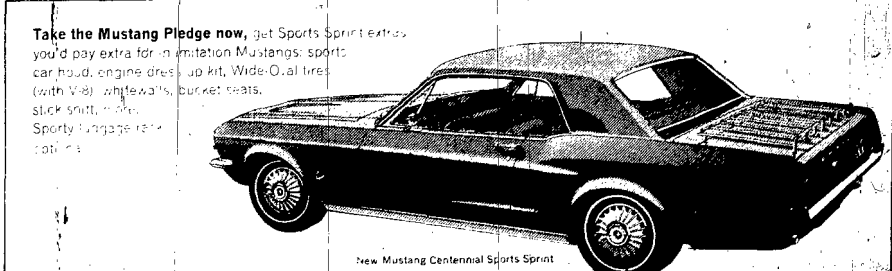

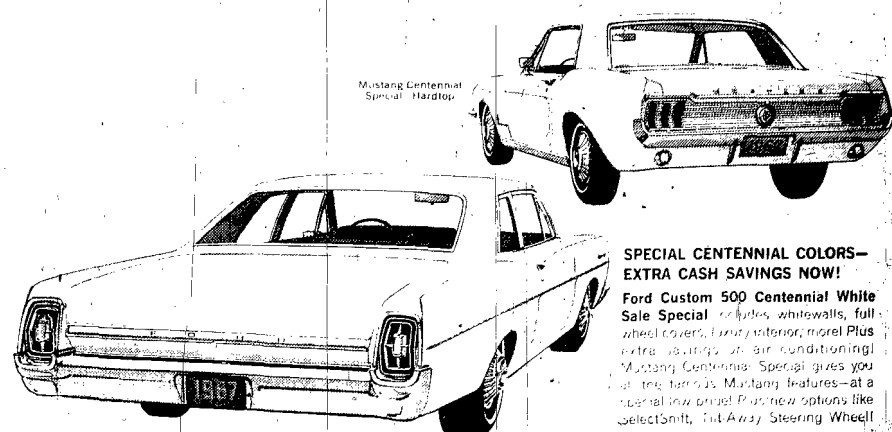

in another and 6-7 in the third.
Mrs. Jerry Dorcay was the Easter bunny for the event. Mrs. Jaycees had an added bonus in the form of free balloons for all the youngsters present, Arnie's furnishing these.

House Owned by Few

The house owned by Dr. L. A. Jensen is in good shape for good reason. It has been owned by only two families. Editorially The Herald had commented on the excellent care the house built in 1900 has received. It was built for the D. C. Main family and they owned it until the Jensens purchased it. The house has been proposed as being an ideal museum for the county.

DOOR PRIZE at the Allen High senior class play will be this oldtime piano. These girls were anting the piano which will be used to provide background music for the play "Dirty Work at the Crossroads" Friday and Saturday nights. In front of the piano (left to right) are Jackie Demke, Diann Ellis and Debbi Carr. The other four (same order) are Barbara Mead, Caryl Jeffrey, Janet Lux and Connie Sullivan.

Three-Act Melodrama, Complete With Hero, Villain, Piano, Set for Allen

The three-act melodrama, complete with a hero to cheer, a villain to hiss and a rinky piano to set the mood, will be presented by the Allen High School seniors two nights, Friday and Saturday, Mar. 31 and April 1, at 7:30 in the AHS gym.

The class is going all-out in making the production one that will be fun to do as a play and a pleasure to viewers as a reminiscence of days gone by. "Dirty Work at the Crossroads" (emptied, filled and lined) is a sentimental choice by Wes Winget, AHS dramatics instructor.

Take a look at these cast members: Nellie Lovelace, Mam O'Khart, Widow Lovelace, Murre Murgatroid, Ida Rhinegold, Mollie Murgatroid, Mrs. Dipsen Asterbill, Leonie Asterbill, Cleopatra (a French maid) and Little Nell (who never had a father).

Maintaining the atmosphere will be an antiqued piano which the seniors have been preparing. Because they do not know what else to do with it when through, they are giving it as a door prize to some lucky (?) person.

The play-bill for the production calls the two-night stand "a remarkable engagement" by a "renowned company of superlative players." It adds: "The cast embraces within its limits nearly the entire strength of the acting company."

"The emoluments arising from the exertions of this society will be appropriated to worthy purposes," a footnote adds (that probably means sneak day). Finally, smoking "segars" is prohibited and "the number of tickets for sale will be limited to the magnitude of the building."

Debbi Carr is the student assisting Winget in directing the play. Jean Dant will provide the rinky-tink piano music. The entire cast is working on making the two-night stand one of the best a senior class play has had.

To keep the audience informed as to the true meaning of some action, there will be little hand-to-the-mouth "asides" thrown out occasionally. This should assure everyone of knowing the right one to hiss or applaud.

Cast members are Paulette Thomas as the true and tender heroine; Dennis Schlins as the brave and

bashful hero; Delores Nobbe as the sweet and simple widow; Dale Jackson as the wild and wicked villain; Dianne Ellis as a dyed woman; Rick Barelman as a rude and rustic rube;

Carol Lippolt as a Newport socialite; Caryl Jeffrey as her daughter; Barb Mead as the "oolala" French maid; and Little Denice Linafelter (only non-member of the class) as the little orphan girl.

State Warns Region Farmers on Burning

The state has twice warned farmers on burning the past week. First open burning was banned by the state fire marshal due to the dry conditions and then the ban was lifted. The danger to wildlife brought a warning on burning from a different state department, games, parks and forestation.

In this area fire is being used to burn brush and weeds. M. O. Steen of the game commission asks that farmers refrain from doing this along roadways and railroads.

According to Steen, burning removes the nesting areas for pheasants, quail and other game birds. About one-fourth of the state's pheasants come from roadside ditches each year, he said.

More cover means more pheasants and quail, Steen concluded. He asked that farmers not destroy that cover the birds need as they have enough natural enemies during nesting period without the added trouble of burned-out homes.

Winside Girls in Honors 'Victory'

By a narrow margin, Winside girls captured more places than the boys did on the third nine-weeks honor roll, Supt. James Christensen reports. There were 19 girls and 17 boys listed.

Kirk Troutman had the only straight-A average. Phyllis Miller, Kevin Frevort, Terry Cleveland, Keith Krueger and Philip Witt each had A in all subjects except one.

Senior honorees were Bob Dangberg, Mary Jane Hansen, Keith Krueger, Connie Nydahl, Linda Gohring, Connie Jones, Keith McClary and Ruth Vahlkamp; juniors, Lois Diedrichsen, Charles Prince and Kirk Troutman;

Sophomores, Peggy Eckert, Patricia Frevort, Lynne Troutman, Robert Farran and James Jackson; freshmen, Terry Cleveland, Scott Duerfing, Robert Jackson, Kirt Schellenberg, Nancy Diedrichsen, Robert Holtgrew, Stanley Nathan and Philip Witt;

Eighth grade, Kevin Frevort, Nancy Jones, Linda Prince, Debbie Thompson, Jeanette Hansen, Mona Langenberg, Gary Soden and Jane Witt; and seventh grade, Donald Holtgrew, Diane Schreiner, Phyllis Miller and June Wacker.

STORY HOUR has been popular at Wayne Public Library's children's department this winter. As many as 47 attended Saturday the smallest group yet attended (possibly due to Easter activities including the egg hunt). Mrs. Rodella Wacker, librarian, paused in her storytelling long enough to have the children face the photographer.

Library Story Hour Tells About Bunnies

The winter story hours came to an end at the Wayne Public Library Saturday. Featured were some bunnies, some odd ones, for Easter.

One story was about an Easter bunny that overslept. Another concerned a bunny that mixed up names and misspelled them. A third told of a bunny who spent so much time looking for Easter and then found it was a time instead of a place.

Mrs. Rodella Wacker, librarian, reports the children have been an enthusiastic audience each Saturday afternoon for the story hours. She said 47 (last Saturday) was the largest group and 14 (last Saturday) was the smallest.

The free matinee, the Easter egg hunt, the fact that many children accompanied their parents out of town and the threatening weather combined to hold down attendance at the story hour but those who did attend were of the age group that appreciated the type of stories told the most.

Masons in Fremont

York Rite Masons of Nebraska will meet Apr. 4-7 in Fremont with around 300 attending, including some from this area. Sessions of the grand council, Royal Arch Masons, Knights Templar and other units are scheduled. The York Rite banquet will be held Apr. 5 in the evening.

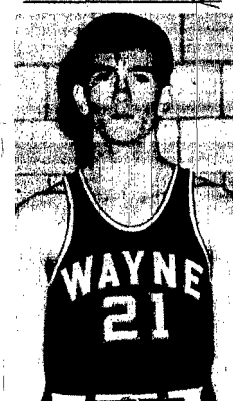

Girl Scouts to Deliver Cookies

Wayne-Belden Girl Scouts as well as others in the Prairie Hills Girl Scout Council will start delivering cookies starting this weekend. Orders for them were taken in February.

Mrs. Walter Peterson, Wayne, is cookie chairman of Neighborhood 21, which includes Wayne and Belden. Mrs. Louis Gross is council publicity chairman.

According to Mrs. Gordon Marshall, council cookie chairman, the girls sold 10,600 more boxes of cookies this year than they did last. They sold almost 60,000 boxes of cookies in their February sales drive. Of the 50 cents paid in, 15 cents goes to the troop selling; 12 3/4 cents goes to a fund to maintain Crossed Arrows Girl Scout Camp; and 22 1/4 cents goes to the company making the cookies.

Wayne and Belden Girl Scouts were especially elated over the response. The entire council is appreciative of the public support.

BEST RECORD for free throw shooting at Wayne High School the past season was by Bob Morris. He hit 66 per cent of his free throws.

Wayne High Pupils Mark Centennial Next Week With Oldtime Dress-up Day

Most centennial activities in this area have been directed at adults, the Wayne High School Future Homemakers of America chapter has decided so a centennial dress-up day is planned Friday, Apr. 7, when young people will wear clothes typical of other periods of time.

The FHA is asking boys and girls to wear clothes reminiscent of another day. It is not an "old clothes day" in any sense, but rather a day in which to appear as their parents, grandparents or others might have dressed in bygone days.

The girls will wear long dresses, bonnets and other clothing of another period. They will style their hair to look like the popular styles of that day.

Boys will part their hair in the middle. They will wear vests, armbands and other clothing from out of the past.

For the FHA it will be just one part of Future Homemakers of America Week. Details on the other events in conjunction with the observance will be given in Monday's paper.

Belden Girl Scouts Sponsor Easter Hunt

Belden Girl Scouts sponsored an Easter basket hunt on the Belden school grounds Thursday. Around 90 youngsters from preschool through the third grade hunted baskets.

Scouts and pupils from the fourth through the sixth grades helped the youngsters. The older pupils also received Easter treats when hunts were held in their school room following the hunt outside.

Teachers assisting Scouts were Mrs. Evonne Hattig, Mrs. Gordon Casal and Mrs. Elsie May. Mothers of preschool and younger school pupils were guests at a luncheon in the school lunch room, around 20 attending.

This is the second time Belden Girl Scouts have held such a hunt for the younger people of the area.

Wakefield Firemen Get Fire Out Fast

Wakefield Rural Fire Department made a speedy run to the Gordon Bard farm two miles south and

one mile west of Wakefield Monday. They are credited with saving a poultry house and a grove of trees.

Mrs. Bard noticed fire had spread from rubbish to an unused converted feed house. She also saw fire in a tree nearby so called the firemen.

The poultry house and the grove of trees were nearby and would have been next in line. Firemen had the fire out before it could get to the poultry house. The small unused feed house was a total loss.

Sharp-tailed grouse and prairie chickens are closely related and sometimes hybridize or cross.

Three Out-of-Area Men Receive Fines

Three residents from outside Wayne County made court appearances before Judge David Hamor. Each paid \$5 court costs in addition to the fine listed.

Mar. 23, Rend Nagrasus, Commerce City, Colo., appeared on two charges, overweight on axle and overweight on capacity. He paid \$50 on the first and \$10 on the second. A. Buchholz signed the complaint.

Janke Auto Co., Pender, paid \$10 fine Mar. 24. The fine was for improper use of dealer plates with Trooper E. L. Cooper bringing charges.

The same day, Allen Kunert, Humboldt, Ia., appeared on a charge of

speeding at night. Trooper C. L. Howell signed the complaint. Kunert was fined \$10.

Dixon Native Chosen Member of Institute

Darrel Gene Rahn, son of Mr. and Mrs. Max Rahn, Dixon, has been chosen to participate in the 1967-68 academic year Institute at the University of Utah. Only 40 were chosen from 16 states.

Rahn is one of the high school and junior high teachers chosen from among hundreds considered. He has been a science teacher at Walnut Junior High, Grand Island, for the past four years.

He is a graduate of Wayne State College and taught at Norfolk before going to Grand Island. His wife, the

daughter of Mr. and Mrs. Marvin Dunklau, Wayne, is an elementary teacher in Grand Island.

Rahn's grant includes tuition, travel allowance and living allowance.

Night of Music for Church in Wakefield

A special program of vocal and instrumental music will be presented Sunday, Apr. 2, at 7 p.m. in the Christian Church, Wakefield. Pastor Merlin Wright invites the public to attend.

"A Night of Music" is the first of a series being planned in April at the church. Theme is "Five Sunday Nights with the Savior." Mr. and Mrs. Merle Ring

are in charge of arrangements and will participate with organ and piano music. Guest vocal soloist will be Mrs. Ralph Taylor, LeMars, Ia.

Pastor Wright has coordinated the music with selected portions of the Psalms, which are themselves lyrics from ancient Judaism.

All persons 16 years of age or older are required to have a fishing permit to fish in any of Nebraska's waters.
