

Hundreds of Children Will See WS's 'Sleeping Beauty'

An annual delight for the youngsters of the area is the final stage production of the Wayne State College drama department. Four presentations are expected to attract several hundred youngsters here Thursday through Saturday.

Dr. Helen Russell, director of the musical, "Sleeping Beauty," reports some showings are sold out. There is still ample seating for the others, however, she said.

The musical, sub-titled "Sing Ho For a Prince," will be presented at 1 p.m. Thursday, Friday and Saturday and at 8 p.m. Friday. Reservations can be made by calling Ramsey Theatre, 375-9985.

Group rates are being offered for the many being brought in by car and bus. Each adult accompanied by a child will be admitted free.

A poster contest is being conducted in conjunction with the showing. Area elementary schools have submitted posters for competition at various grade levels and cash prizes will be given for winning posters at each level.

The production is based on a Grenzbeck and Bergh effort which tells how Treacle (Susan Cook) is a fairy who wants to become a full-moon fairy and tries to do so by performing good deeds. She finally discovers the secret that removes the briar bush from around the castle in which everyone is asleep.

Linda Garvin is the fair Rosmond who is put to sleep by a curse and Edd Fox is the handsome prince who comes to kiss her and awaken her. Eileen Blitke is the evil fairy who puts the curse on Rosmond, and Gynny Fisher, Mary Mahlberg, Irene Kulszewski, Vicki Ankerstar and Ellen Dickey are the fairies (Fee, See SLEEPING BEAUTY, pg. 8)

Enrolling for Carnegie Class

Reservations for the Wayne Dale Carnegie Class are now being accepted, it was announced Tuesday by Leonard Eichhorn, Dale Carnegie area manager.

The course is being offered in Wayne under the sponsorship of the Wayne Herald as a community service.

Inquiries already received in the Herald office indicate a high degree of interest in this world-famous adult education program," Eichhorn said.

"Since enrollment in the class is limited," he added, "anyone interested in knowing more about the course should call or write the Wayne Herald as soon as possible."

Cancer Crusade Drive in This Region Starts Soon

County Cancer Crusade chairmen have been named for area counties with April the month for raising the money needed. Another year has gone by and the world is that much nearer a cure for cancer.

The scientific world has been treated to word that a cure for cancer of the blood (leukemia) has been found. Other forms of cancer will be next and although the cost is now high, eventually it will be down to a cost as low as that for polio immunization.

Cancer's warning signals will be emphasized this year. The point being made is: If cancer is detected early enough, there is often a cure.

Every family in Northeast Nebraska should get a pamphlet telling of cancer warning signals. American Cancer Society volunteer

Winside's Heart Fund Drive Ends

The Heart Fund Drive in Winside is over. Mrs. Paul Zoffka, chairman, reports \$83.95 collected.

In Winside the drive was made by volunteers calling from house-to-house in the residential district. Several women of the community helped.

Volunteer workers in the drive with Mrs. Zoffka were Mrs. Kenneth Brockmoller, Mrs. Ted Hoeman, Mrs. Hilbert Libengood, Mrs. Don Wacker, Mrs. Don Warnemund and Mrs. Dean Wollgram.

WSC Orchestra, Ballet Giving Special Program

The Wayne State orchestra and the college ballet troupe will join in concert and dance Monday night at 8 in Ramsey Theater.

Ballet classes are doing dances choreographed by their instructor, Nina Youshkevitch, to the music of Schubert's "Waltz Suite" and Glinka's "Russian and Ludmilla Overture."

The ballet troupe, with 36 students, is among the largest the college has presented.

Dr. Benjamin Bernstein, orchestra director, will conduct the ballet numbers and the concert finale, a

Light Vote Turnouts in Communities in Region

All of the smaller communities in the area reported light turnouts for the election Tuesday. Some had no races and they had fewer voters than usual.

Winside had the most interesting circumstances. One race ended in a tie and the board had to cast a lot with one of the candidates.

Dr. N. L. Ditman received 55 votes for the village board. Warren Jacobsen and Willis Reichert each received 43 and Don Wacker 37. The board cast its lot with Jacobsen so he is the new board member. On the board of education George Farran with 97 votes, Mrs. Edwin Vahlkamp with 84 and Warren Baird with 76 were the totals, the first two being elected.

Hoskins vote totals were not available but there was no opposition for any town board positions so there was a smaller than usual turnout. J. A. Krause, Ward Johnson and George Langenberg were re-elected to the board.

Send Three Jaycee Members to Prison

Three members of the Wayne Jaycees were sent to prison last week. They attended the area meeting at the Nebraska State Penitentiary where Unit 111 is located, one of the top Jaycee posts in the state.

Wes Wangott, Allen, Dick Hammer and Marvin Young represented the Wayne chapter at the meeting inside the prison walls. They report a most unusual gathering which attracted 170 Jaycees from all over the state.

Young also attended the area meeting for this region at Oakland. Plans were See PRISON JAYCEES, pg. 8

Rites for Allen Youth Thursday

Final rites for Alan Dale Barelman, 15, Allen, will be held Thursday at 1:30 p.m. in First Lutheran Church, Allen. He died Monday of self-inflicted gun-shot wounds.

The popular young AHS sophomore had missed around a month of school

due to ill health. He had been dependent over his condition.

His parents are Mr. and Mrs. Eldon Barelman. They had lived at Wakefield, where he was born May 27, 1951. About five years ago they moved to Allen.

He has three brothers, Jerry, Lindsborg, Kan., Richard and Ward at home, a sister, Kathy, in Lincoln, and grandparents, Mr. and Mrs. Emil Lund and Mr. and Mrs. H. C. Barelman, all of Wakefield.

Rev. John Erlandson is to have charge of the rites. He was Alan's pastor. Burial will be in the Wakefield Cemetery. A full obituary will be carried in one of next week's papers.

Few Show Up for VFD's Open House

Wayne Volunteer Fire Department's open house at the present fire hall failed to set attendance records Sunday. Less than 50 people showed up to look over the old hall.

Firemen were present all afternoon to answer questions and to show what equipment they have. They had coffee and cookies for many more than showed up, the Firemen's Auxiliary doing the serving.

The firemen had scheduled the open house to show the public what they put up with in the way of facilities and inconvenience in the present quarters. They were seeking a favorable vote for a new fire station.

Although the firemen were disappointed, they did feel that the ones who showed up were genuinely interested in the problems of the VFD. They expressed appreciation to those who did attend.

Schools Get Money from County Fees

Wayne County schools had \$5,800 turned over to them last week from county court. This represents one of the best fiscal years in history as far as fines and licenses through the court are concerned.

County Supt. Gladys Porter reports the division is made on the basis of \$2.31 per child. The sum is well above the \$4,100 turned in last year, one of the lowest totals in years.

Wayne-Carroll district receives the greatest amount, \$2,386.95. Smallest amount is \$9.25, going to District 47 southeast of Wayne (which is closed but contracting).

Other districts with larger amounts were: Winside, \$891.93; Hoskins, \$408.99; and Sholes, \$127.09. All were credited to the districts by County Treasurer Leona Bahde.

Wayne residents voted in favor of the fire station but by only 52.7 per cent Tuesday with a small turnout. In the only race, R. H. Banister defeated incumbent Dr. Lyle Seymour by 14 votes.

City Attorney John Addison said the fire station bond issue had to carry by 60 per cent. With 531 votes cast, this means it would have had to have had 318 favorable votes. It received 280 favorable votes.

First ward was the only one opposing the bond issue, voting 97 against and 95 for. Second ward gave the issue a 90-66 favorable vote and Third ward a 95-88 favorable vote for a final total of 280 in favor and 251 against with less than a half dozen absentee votes to be counted.

The voters of the Third ward had a close race for city council. R. H. "Dick" Banister, retired mail carrier, won out over incumbent, Dr. Lyle Seymour, 98-84. First ward re-elected Ed Smith with 173 votes and Second ward re-elected Jack Kingston with 144 votes.

There was no race for two positions on the school board. Dean Schram was elected with 532 votes and Morris Sandahl by 479 votes. By districts Schram had these totals: First ward 170; second 148; third 162; Carroll 52. Sandahl votes were: First 155; second 127; third 148; Carroll 49.

The turnout of 499 voters in Wayne was lower than a year ago when over 600 turned out. In spite of the fire station proposal not much interest was generated.

Help Wanted!

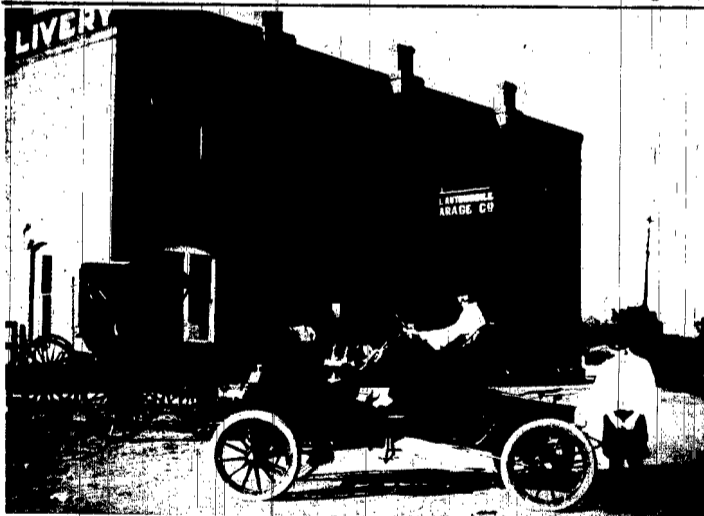

Area residents are asked to bring in antiques and old mementoes to display Apr. 13-15 in Wayne store windows for old fashioned bargain days. Prizes will be given for the most interesting displays. Old vehicles for the parade are also needed. Contact Bob Merchant for information.

Winner of Prize Could Get \$300

Last week the Silver Dollar Night winner took home a check for \$400. This week the winner could be almost as lucky as the reserve pot has been building up and now stands at \$300.

To win that \$300, the person whose name is announced at 8 Thursday night must be in one of the participating business places in the Wayne area.

Mrs. Henry Langenberg, jr., won the \$400 prize last week. She is from the Hoskins-Winside area and has been coming to Wayne regularly Thursday nights for bargains and a chance at the big prize.

OLD VEHICLES such as this (maybe some newer ones too) will take part in the big parade in Wayne Apr. 15. This picture is one of a group furnished by Mrs. Ralph Crockett, Wayne. It was taken around 1906. The building, once a livery stable, had changed over to a garage as the sign indicates. A buggy still stands outside. No identification of the people was possible. In 1967 this building is occupied by Wayne Ice & Cold Storage Co. Jack Kingston, owner, reports the building was built of bricks made by a brick plant here and has been painted several times.

Old Fashioned Bargain Days List Parade, Antiques, Prizes

Old Fashioned Bargain Days will be held in Wayne Apr. 13, 14 and 15. Among the features will be prizes for the most interesting antiques, a parade with antique cars, old equipment and modern bands and retailers dressed in centennial clothes.

Bank robberies are being planned as events. The parade will be a Saturday, Apr. 15, event at 1:30 with the rain date a week later Apr. 22.

The antique cars from Norfolk, three from Sioux City and individual old vehicles from the Wayne trade territory are expected for the parade. Res-

idents who have old tractors, buggies, bikes or any other vehicles that move are asked to bring them in to parade and show off south of Wayne Grain & Feed afterward. They should contact Bob Merchant for information.

Two bands, WSC and WHS, are being sought for the parade. The saddle club may ride. Other attractions are being lined up.

People with antique pictures, items, papers or other items can display them in the windows of their favorite stores. Cash prizes will be given to the best entries.

Retailers, clerks, em-

ployees (men and women alike) will be asked to wear centennial clothes or at least clothes from years ago. Customers who come to town in oldtime costumes will find themselves right at home.

Wayne County Historical Society is planning a hospitality room at the Woman's Club Rooms in the auditorium from 11 a.m. on. All "oldtimers" will be welcomed as a place to just sit and rest is provided.

Further details on the plans for the three days will be given in the Monday and Thursday copies of The Herald next week.

Allen, Laurel and Wayne Men Vo-Tech Governors

Men from Allen, Laurel and Wayne are among the ten governors selected Tuesday night for the board of the proposed vocational-technical school for Northeast Nebraska.

Meeting at Norfolk, the steering committee learned that the current 14-county valuation is over the \$400 million mark. Figures for the past year could raise this.

Alan Gramer, Wayne, was named for a six-year term as governor. Craig Williams, Allen, was named for a four-year term and J. K. Cook, Laurel, was named for a two-year term.

Other two-year terms went to F. D. McLeay, Norfolk, and H. C. Larson, Decatur; four-year terms to John Watson, O'Neill and Ronald Aschoff, Osmond; and six-year terms to Steve Finn, Neligh, Gerhard Alberts, Beemer, and Dennis Poeschl, Stanton.

Aschoff and Gramer represent the Wayne-Knox-Pierce district. Two governors were named from each of the five districts in the area.

Bill Cox, Pierce, is publicity chairman and Dan Titze, Wayne, is finance chairman. The Wayne Chamber of Commerce has several education committee members trained as speakers in behalf of the school and any group wanting one of these men to appear at a meeting or on a program can get one by contacting Chamber Manager Wanda Owens.

Program 'Special'

Wayne PTA will have a special program Tuesday, Apr. 11, at 8 p.m. in the West Elementary School. The public is invited. Three foreign exchange students will be present to compare educational systems in their countries with that in the USA. Details will be given in Monday's Herald.

Stock Feeders to Eat in Wakefield

The second largest feeders group in Nebraska, Northeast Nebraska Livestock Feeders Association, will meet in Wakefield Saturday, Apr. 8 for a banquet. A social hour at 6:30 precedes the banquet at 7:30 in the new school.

Cong. Robert Demney will be the featured speaker on a program accenting the lighter side of the livestock industry. Warren Kester, Sioux City livestock news man, will be master of ceremonies.

Hoegberg Gets Ousted at WSC

The board of education of the state normal schools has voted unanimously to "terminate the services" of Norman Hoegberg as of Mar. 31. Hoegberg received considerable publicity when he used profane language in a letter of resignation, distributed copies of it, staged a sit-out and engaged in other activities several weeks ago.

He joined the faculty of Wayne State College last September. President William Brandenburg asked for his dismissal following the incidents.

The state board found President Brandenburg's charges to be well-founded. It also affirmed its commitment to a responsible exercise of academic freedom in the state colleges but said Hoegberg's conduct exceeded reasonable limits of rights of a faculty member.

Hoegberg has been under suspension since Jan. 31. His salary is to be paid through Mar. 31, the board decided.

WHS Musicians' Numbers Please

Due to an oversight in publicity, the quantity of the audience was down but the quality of performance was as high as ever Tuesday night as the instrumental and vocal musicians of Wayne High School presented a spring concert at the Wayne City Auditorium. Clayton Southwick was in charge of vocal groups and Don Schumacher directed instrumental groups. Both deserved the enthusiastic applause they shared with the performers for jobs well done.

The senior high orchestra played three numbers, all difficult. Few schools around have orchestras so the WHS instrumental group has to be compared with those in much larger schools and it fares well by comparison.

Senior high chorus sang nine numbers, including an encore, "Somewhere My Love" as adapted from the theme of "Doctor Zhivago." A favorite of singers and crowd alike was "No Other Love." John Brandstetter, recent talent show winner, sang a difficult Hebrew number with the chorus.

The madrigal, a select group, sang two numbers. It is hard to imagine a better small group.

Career Night Work

The career night for Laurel and Wayne pupils was the subject of a talk by Ken Deissler, WHS guidance counselor, at the Monday noon meeting of the Wayne Kiwanis Club. The club has helped in arranging for the project.

Deissler explained that the event was successful in

every way thanks to the help of individuals, schools and the club. He covered in detail some of the benefits to be derived from such youth programs.

Harold Kemble reported on the bleacher seat project for the swimming pool. He said word has been received that delivery can be expected within the next two weeks.

G. E. Barks, Belden, showed slides of his trip to South America. He is with the First National Bank of Belden and was introduced by Adon Jeffrey, program chairman.

President Ray Schreiner and Yale Kessler were elected Wayne delegates to the Kiwanis International convention in Houston. Aaron Butler was named alternate.

Jacquelyn Rae Kjer, daughter of Mr. and Mrs. Harold Kjer, Allen, and Eldon E. Sweet, Sioux City, son of Mr. and Mrs. Elmer A. Sweet, Nemaha, Ia., were married April 2 at First Lutheran Church, Allen.

Pastor John C. Erlandson, Concord, officiated at the 2:30 p.m. ceremony. Music was furnished by Annie Krie, soloist, and Judy Hagge, organist.

The bride, given in marriage by her father, wore a gown of peau silk trimmed with re-embroidered alencon lace. The high rise bodice featured a portrait neckline and three-quarter length sleeves. The slim skirt was fashioned with a wattleau panel outlined in lace and a full chapel train. Her illusion veil was held by a peau de soie wedding ring crown encircled with embroidered motifs. She carried a cascade of cymbidium orchids and white carnations.

Mrs. Rodney Nickerson served her sister as matron of honor. Bridesmaids were Kathryn and Sherilyn Kjer, sisters of the bride. They wore floor length gowns of mint green crepe and brocade. The empire bodices were styled with scoop necklines and elbow length sleeves. The skirts featured ribbon encircled waistlines and back floating panels. Each carried a cascade arrangement of white roses and carnations. Teresa Kjer was flower girl.

Allan Sweet, Storm Lake, was best man for his brother. Groomsmen were Darrel Meyer, Omaha, and Robert Cogdill, Sioux City. Ushers were Rodney Nickerson, Cordova, Nebr., Donald Jensen, Wakefield, and Thomas Studer, Sioux City. Joe and Mick Widner, Sioux City, lighted the candles.

Mr. and Mrs. Loren Carr, Allen, were hosts at

the reception in the church parlors. Janice Rozell, Sioux City, registered the guests. Assisting with serving were Mrs. Robert Widner, Sioux City, Mrs. Gaylen Kjer, Allen, Mrs. Earl Ehlers, Cleghorn, Ia., and Mrs. Allan Sweet.

Marie Ann Meier Weds Lyle Potter In Norfolk Rites

Marie Ann Meier, Norfolk, daughter of Mr. and Mrs. Cecil C. Hayes, Plainview, and Lyle Robert Potter, Hoskins, son of Mr. and Mrs. Clifford Potter, Norfolk, were married at 7 p.m. Mar. 26 at First Methodist Church, Norfolk.

Rev. David L. Hansen officiated at the double ring rites. Music was furnished by Mrs. Robert Moreland, soloist, and Mrs. Earl Mitchell, organist.

The bride wore an aqua blue crepe sheath dress with a lace coat and a tiered veil of aqua blue with pearl scallops. She carried a cascade arrangement of pink sweetheart roses and stephanotis.

Attendants were Mr. and Mrs. Ralph Potter, Casper, Wyo. Mrs. Potter wore a pink knit sheath and carried a cascade of painted pink daisies.

Virgil Potter, Norfolk, and Landreth Maas, Hoskins, were ushers. Jeffery Lynn Makris, Mitchell, S.D., and Michael Dean Cochran, Casper, Wyo., lighted the candles.

A reception for 50 guests was held at the Clifford Potter home. Mrs. Janice Wantlin, Mrs. Ralph Cochran and Mrs. George Makris registered the guests and arranged the gifts.

The bride attended Plainview schools and is employed as a decorator for Schweser's Norfolk. The bridegroom attended Ewing High School and Western College of Auctioneering, Billings, Mont.

Following a wedding trip to Mexico, Texas and Oklahoma the couple will reside on a farm north of Hoskins.

Sholes Pupils Put on Centennial Program

Pupils of District 76, Sholes, presented a program for parents and guests Wednesday evening of last week. "In Those Days," a centennial playlet, was a highlight.

The skit involved the growth of Nebraska from 1803 to the present. Narration, songs, dances and pantomime were used to tell the story.

Also included was a short operetta, "The Lemonade Stand," put on by pupils of the third, fourth and fifth grades. A lunch closed the evening.

Sholes teachers who were in charge are Mrs. Lois Dunklau and Mrs. Edith Cook.

Choir Appears in Pair of Concerts

The choir of St. John's Academy, Winfield, Kan., will present concerts in Carroll and Winside Sunday, Apr. 9, according to Rev. H. M. Hilpert, pastor. The public is invited to attend either or both.

The Carroll concert will be at 8:45 a.m. at St. Paul's Lutheran Church. The one at Winside will be at 10:20 a.m. at St. Paul's Lutheran Church. Nine other concerts are planned on the tour.

The 30-voice choir is directed by Lee Stocker and is made up of students from several states and districts of the Lutheran Church, Missouri Synod. Most of the members are preparing to enter Lutheran work as pastors, teachers, parish workers and deacons.

Built on the theme of the liturgical church year, the program is in two parts exploring the dominant thought and mood of four festival seasons. In all, there will be 19 selections at each concert.

St. John's is a high school affiliated with St. John's College. It is maintained by the Lutheran Church, Missouri Synod.

Two Accidents Last Day of Past Month

March went out with a bang in Wayne. There were two accidents investigated by Wayne police.

The first occurred on the Coast-to-Coast parking lot in the alley between Second and Third. The Mel and Ruth Elofson vehicle was parked, the automatic shift was not put in the "park" position and the car rolled back into the parked car of Helen and Wanda Hofeldt. Chief of Police Vern Fairchild investigated.

Late the same day, Lawrence Texley, Carroll, turned left off Main onto Third. He passed in front of Alan Thomsen, Wakefield, turning right off Main onto Third. The Thomsen car hit the Texley car in the side, doing \$39.10 damage to the latter, according to Officer E. L. Halley, who investigated.

Over 300 at Laurel Farm Bureau Dinner

Over 300 attended the tenth annual Cedar-Dixon Farm Bureau banquet at Laurel High School Thursday evening. Kenneth Thatcher, secretary of the Iowa Farm Bureau, spoke on "The New Economics, the New Politics and the New Agriculture."

Thatcher stated that the law of supply and demand as a major price-determining factor could no more be repealed than could the law of gravity and the government efforts to force-feed the economy results in continuous inflation and increasing budget deficits.

Commenting on politics, he said Americans were proud to stand on their own two feet in the past. Now the federal government has taken power from state and local governments and is regulating "everything from highways to corn flakes."

He expressed optimism for the future of agriculture if it is not made a "public utility regulated by the government." He said farmers are going to be doing more to feed the hungry of the world in the future.

Group singing was led by Bob Dickey accompanied by Mrs. Paul Fischer, Mayor Gene Sohler, Laurel, welcomed the group. Steve Johnson, state talent winner last year, sang with Vicky Smith accompanying.

Lynette and Joelyn Noe read "A Tired American Gets Antry." The Farm Bureau quartet sang accompanied by Mrs. Lucille Thompson, Clarence Johnson was MC, invocation was by Ray Dickey.

Guests included Derwin Quist, Wahoo, representing Cong. Robert-Demney; Walt Beerman, Dakota County FB president; Har old Chase, area fieldman; Melvin Froehlich and Paul Fischer, insurance representatives; and board members from Cedar and Dixon Counties.

Safety Reminders at Meeting in Hoskins

A session on Nebraska's driving regulations and traffic safety reminders was held Thursday evening at the Clarence Schroeder home in Hoskins. Bill Edwards, chief examiner for the department of motor vehicles, and R. D. Schnieder, safety director for the NU extension service, were in charge.

Those attending took tests based on the Nebraska driver's manual and then discussed answers. Each was checked by a reaction timer and a visual acuity tester.

Edwards gave the eye examination required by Nebraska law. Schnieder showed safety slides. All was a follow-up on the defensive driving course and a precedent for driver re-licensing.

Pastor John Saxton, Mrs. Ezra Jochens, Mr. and Mrs. Erwin Ulrich, Mr. and Mrs. Clarence Schroeder, Mr. and Mrs. Jim Robinson, Mrs. A. Bruggeman, Mrs. Emil Gutzman and Elmer Jones attended.

SDU Swamps WSC in Track Meet Tuesday

Wayne State's track team and Nebraska's football team have something in common—both swamped by a crimson tide. For Nebraska it was the Crimson Tide (capital letters) of Alabama. For Wayne it was the red-shirted track tide of South Dakota University, which Tuesday submerged the Wildcats, 112 to 29, in a dual here.

Wayne salvaged firsts in the pole vault, by Mike Oglevie at 12 feet, and the javelin, by Jerry Poulsen, 180-9.

Scoring seconds in Wayne's first outdoor meet were Stan Thorpe, high hurdles; Dean Weible,

his parents, Mr. and Mrs. Adolph Bruggeman, with his sister and family, the Elmer Peters and brothers Gerald Bruggeman and Dwight Bruggeman and families.

Mr. and Mrs. Clarence Schroeder entertained Birthday club Sunday. Guests were Mr. and Mrs. Louis Moritz, Mr. and Mrs. Ezra Jochens, Mr. and Mrs. Clarence Hoeman, Mr. and Mrs. Clinton Reber and Mr. and Mrs. J. E. Pingel. Prizes went to Mrs. Eric Meierhenry, Ed Maas, Mrs. Erwin Ulrich, Ernest Machmiller and Mrs. Clinton Reber. The birthdays of Clarence Schroeder and Clinton Reber were observed.

Verne Langenberg, Phoenix, Ariz., was an overnight guest in the Donald Langenberg home.

Mrs. C. L. Cunningham was hostess at a birthday dinner Sunday in honor of David Cunningham and Clinton Reber. Guests were Pastor John Saxton, Mrs. Q. Speese, Arlington, Mr. and Mrs. L. V. Cunningham, David and Jill, Omaha, and Mr. and Mrs. Clinton Reber and Lynn, Carla and Paula.

Mrs. J. E. Pingel, Mrs. Edwin Brogie and Mrs. Kathryn Reich attended the District III Spring meeting of NSFSA at South Sioux Saturday.

Wildcats Come Back for 9-8 Win

It was a mite discouraging at first for Wayne State in a baseball game with Nebraska Wesleyan here Tuesday. The first five Plainsmon scored four of them on a grand slam by Giles Lowden.

But the Wildcats dug in their claws, tallied three runs in the bottom of the first inning, tied with two more in the third, and went ahead to stay with two in the fourth. Final score: 9-8.

The go-ahead runs resulted from a freakish

error. Rich Symonds smashed a sizzling drive along the right foul line, and Wesleyan's right fielder Jerry Metzger muffed the pickup attempt. While he chased the ball back to the fence, Symonds raced all the way home, scoring Tom Zimmermann ahead of him. The play was ruled a single and a three-base error.

The Wildcats added two runs in the bottom seventh, and Wesleyan scored twice in the eighth.

Larry Hulme was the winning pitcher after relieving starter Duane Mendlik in the first. Hulme yielded to Jim Rasicot in the sixth. For Wesleyan, loser John Laird pitched the whole game, giving up 10 hits while his mates hit 15, including three triples and the home run. Wayne had four doubles—two by Claire Jordan, one each by Symonds and Doug Townsend.

Light Vote

(Continued from Page 1)
Harder were elected to the board with Jerry Martin-dale losing out. Jack Erwin led Quinten Erwin for school board with Ted Johnson a favorite in that district. Laurel voters helped swing the vote so Jack Erwin and Quinten Erwin were elected, winning out over Ted Johnson and Clarence Johnson.
Carroll vote totals were not available. Clarence Morris, Larry Dahlkoetter and Lyle Cunningham won town board positions, defeating John Bergquist and Jack Kavanaugh. The school board totals were 52 for Schram and 49 for Sandahl.

Dixon elected Jim McCaw and Frank Tomason to the town board, with 39 and 47 votes respectively over Allen Prescott with 9. Ken Dowling was unopposed for a one-year term, receiving 44 votes. There were 51 voters showing up.
Allen elected Craig Williams with 74 votes and George Van Cleave with 37 to the town board. Burt Ellis and Ken Linafelter each had 34. Jim Warner had 80 and Cliff Stalling 84 to win school board seats. Merle Rubeck had 62 and Norris Emry 53.

workers will distribute them.
Chairmen for area counties include: Mrs. O. K. Brandsletter, Wayne; Fritz Renz, Thurston; Mrs. Walter Roenfeldt, Stanton; Mrs. Robert Kopp, Pierce; Mrs. Otwin Schlueter, Cuming; and Mrs. Floyd Dawson, Cedar. (Dixon and Madison Counties had not designated chairmen as of this writing).
The chairmen hope the warning signal pamphlets will be fastened in medicine cabinets. They have secured hundreds of volunteer workers to help make sure every home gets one.
The goal for Nebraska is \$300,000. This sounds like quite a bit, but when one considers the toll cancer takes in the state, it is not much at all.
Your donation will be appreciated. Your keeping of the danger signals pamphlet and your scheduling of a checkup regularly will all be part of the American Cancer Society's program to conquer the disease eventually.

Business Notes

Hanson's Elevators, Dixon and Concord, hosted about 75 area farmers at a ham supper in the newly redecorated Dixon Auditorium Friday. Dixon WSCS prepared and served the meal. Following dinner a program on farm chemicals and fertilizers was presented by Dixon Hansen and Geigy Chemical Co. Door prizes went to Melvin Swick, Ervin Kraemer and George Rasmussen.

WSC stage productions have been exceedingly good this year. It appears that the musical chosen for the finale for the year could be a record breaker for the department with more kids than ever, more fun for those putting it on and happy adults who are always pleased when their young ones can see the best in entertainment. (Actually, "see" is a misnomer for the kids who attend these children specials at WSC "live" the parts and they are as much a show for adults as that being presented on the stage.)

Wayne Jaycees have added two members recently. Wingett is an Allen instructor and transfers from Wakefield. Doug Trampe is a newcomer from Pierce.
The unit is looking forward to the election of officers Apr. 18, the state convention in Grand Island Apr. 28-30, the awards banquet scheduled for El Rancho and a charter night banquet for the Butte chapter sponsored by O'Neill.

Two Teachers Resign at WH; Sign Four New Ones

Two Wayne teachers have resigned and four new teachers have been signed for the local staff. Supt. Francis Haun reports. The facts were brought out at a board meeting Monday night.

Ray Tieszen, math teacher, and Jerome Knutson, biology teacher, are the two who resigned. Mrs. Doris Clatanoff, Wayne, was signed to teach eleventh grade English, Don Koenig, Wakefield, middle school science and wrestling, and Vern Mills, Naper, biology. Details on the new basketball coach are in the sports section.

There are still several vacancies. The system needs teachers in industrial arts, English 10, K-4 supervisor, chemistry (with math or science combination), German, senior high math and librarian.
Doris Daniels will become secretary-treasurer to the board to take the place of Mrs. Ruth Ellis July 1, Mrs. Ellis having resigned. The new secretary-treasurer is presently the elementary school secretary.

Monday, Apr. 17, the board will call for bids on new high school furniture. Specifications are available for study desks and tables for pupils. A display of furniture will be set up in the West Elementary School and bidders will get chances to show their products and "sell" the board.

Band room furniture changes have been decided upon. The board will buy through the architect from millwork people at a saving, it was agreed.
New minimum wage and hour laws could affect the district. However, the matter is in litigation so the board merely discussed the matter now to be aware of provisions and will await the court decision before making any decision.

Veterans Can Be in Two Schools at Once

Can a veteran be enrolled in two schools at the same time and draw GI Bill benefits? Chris Bargholz, Wayne County veterans service officer says: "Yes!"
According to Bargholz, a veteran who cannot get the program where he is attending or cannot obtain it within a reasonable time may get it at an authorized secondary school and take courses in two schools at once.
Bargholz also pointed out that "old established schools" are not always approved for GI training. Often this is because such schools never have applied for approval but sometimes it is because they fail to meet standards of the states in which they are located.
Information on any phase of the VA program, VA hospitalization, VA burial allowance or any other phases of the program may be obtained from Bargholz at his office in Wayne.

Five Pupils Garner Science Honors Here

Four students from West Point Central Catholic High School and one from Scribner gleaned the honors awarded by the Northeast Nebraska Academy of Sciences Saturday.

From 33 papers read at the academy's annual meeting, four were selected as representing the best science projects.

The winners: Phil Hugg, West Point, a biology study on plant succession; Dick Stieren and Glen Prinz, West Point, a chemistry project entitled "Ascorbic Acid—A Daily Need"; Bill Baumert, West Point, a physics project on transformers; and Nancy Stuehmer, Scribner, a biology project on "Treating Mice with X-Rays."

Hugo is a senior; Stieren and Prinz juniors; Miss Stuehmer a sophomore; Baumert a freshman.
The academy, at its business meeting, elected Mar-

Junior Leaders

(Continued from Page 1)

leaders from a dozen counties in Northeast Nebraska. Discussed will be what junior leadership means to junior leaders, adult leaders, younger members and county extension workers.
The morning program gets underway at 8:30 with registration until 9, followed by a get-acquainted period until 9:30, a session on leadership roles and the traditional "buzz sessions" until noon when a meal will be served in the Birch Room.

A campus tour starts at 1 followed by a general session lasting 1½ hours, one-hour workshops from 4 to 5 and 5 to 6 and concluding with a banquet at which Rev. John Craig, Methodist pastor from Ponca, will speak.
Workshop topics are: 4-H Promotes Nebraska Centennial; Earning 4-H Awards and Recognition; a Going County Junior Leader Club; Adult Leaders and Junior Leaders (communicate); and Using the Junior Leader Record Book.

Seven Top Honor Roll

Listings for Wayne

Seven pupils had "1" averages, the highest possible, for the past nine weeks at Wayne High School, Prin. Fred Rickers reports. They lead the school on the period's honor roll.

Listed with perfect grade averages of 1.0 were Lorna Harder, Mark Johnson, Paulette Merchant, Lyle Nelson, Susan Shirck, Mary Stevenson and Karen Willis.

Next were those with 1.2 averages: Bernie Binger, Dave Brown, Leone Coryell, Lana Danielson, Lynn Danielson, Kathy Dunklau, Patricia Ewing, Marion Geewe, Maichelle Harms, Tom Hayener, Kenneth Jones, Verl Preston, Bruce Ring, Ronald Seymour and Dan Sutherland.

Cindy Swinney had a 1.3 average; those with 1.4 average were Debi Armbruster, Carla Beck, Mary Jo Cook, Dennis Echtenkamp, Nancy Hamley, Joedy Hoogner, Douglas Ritze, Carol Willers, DeAnn Geewe; 1.5 Christine Bernthal, Steve Carman, Marcia Ehlers, Diane Olds;

Those with 1.6, Janice Giese, Leah Havener, Kathy Junck, Ruth Kenny, Bob Penn, Cindy Sals, Jim Williams, 1.7, Rebecca Bernthal, Karen Dall, Sally Haase, Daniel Roberts;

Carrying 1.8 averages were Linda Boyce, Sandra Hansen, Susan Heithold, Randal Helgren, Jannene Johnson, Cyndee Kerstine, Darlene Miller, Jeane Pankratz, Dan Rees, Jo Ann Sals, Linda Schneider, Donald Skokan; and 2.0 averages, Tom Denesia, Dave Jensen, Trixie Jones, Larry Magnuson, Ann Preston and James Wacker.

WSC Program

(Continued from Page 1)

William McMurtry, who spends most of his time on vocal music as choir director, will take the baton as the orchestra plays the Brandenburg Concerto No. 5 for flute, harpsichord, violin and strings, by Bach. The soloists: Jay O'Leary, flute; Antony Garlick, harpsichord; Dr. Bernstein, violin.
O'Leary, instructor in woodwinds, will direct the orchestra's other selection, Mozart's Symphony No. 41 in C major.
The concert is, Dr. Bernstein commented, an ambitious undertaking, especially with the full symphony.
The public is invited—no admission charge.

Members Could Have Watched All Night

Wayne Lions Club had Dr. T. H. McDonald of Wayne State College as a guest Tuesday night for a ladies' night meeting. So fascinating was his presentation they felt they could have watched all night.

Dr. McDonald showed color slides of a trip he took up the Mackenzie River in the Northwest Territories and Arctic. He divided his program and told those present he could show more if they wished. They wished and he continued. Before they knew it, three hours had gone by and they were still interested.

Called "one of the best meetings and programs of the year" by President Harold Maciejewski, it attracted 50 members and guests to St. Mary's Catholic School. Little business was conducted because of the program.
Ken Dahl gave a pres-

entation on the area vocational-technical school and nominees for the offices were selected for the election at the Apr. 18 meeting.

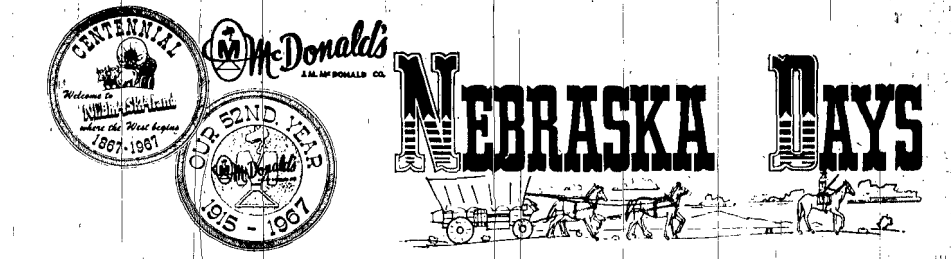

Stock Feeders

(Continued from Page 1)

Nebraska's new director for the National Livestock Feeders Association, will be introduced. He has just returned from Washington, where he represented>NNLFA.

From 500 to 600 are expected in Wakefield for Saturday's meeting, according to Kenneth Schroeder. The association members and their wives from Dakota, Dixon, Thurston and Wayne Counties will attend.

President Robert Backowies, Emerson, reports more interest than ever in spite of disappointing livestock prices. The association heads provides a year-round program of production information, market study and public relations for Northeast Nebraska stockmen.

THE CANOE seemed to float across the stage as Diann Ellis entered the scene for the Allen senior play, "Dirty Work at the Crossroads". Left to right standing are Carol Lippolt, Delores Nobbe and Garyl Jeffrey.

Allen Seniors Get Loads of Laughs

With no weak characterizations and with a cast that seemed to enjoy what it was doing, the Allen High School seniors put on an oldtime melodrama Friday and Saturday nights to the delight of good-sized audiences. Many went the first night and enjoyed "Dirty Work at the Crossroads" so much they went back for the second night.

Wes Wingett directed the play with Debby Carr assisting. The entire senior class did a lot of work in setting up a stage that could include a canoe ride, a railroad track, exit ramps off the front and other unusual settings.

Ingenious was the word. The class made "tracks" for the railroad with perspective. When a train was supposed to be coming, a hole in the back scenery opened and a spotlight representing the train headlight appeared. When the tracks were "laid" between scenes, the work was done by a group of boys dressed in the oldtime railroad style, complete with red bandanas.

Jean Durant deserves a lot of credit for her mood-setting piano. She had to be on cue with a different tune for each character. Without seeing the villain one could tell he was the villain just by hearing the piano. The same goes for the hero, the heroine, the country bumpkin and all others.

If anyone stole the show it was a ham called "Munro Murgatroyd," the villain, played by Dale Jackson. The way he leered as he plotted his evil ways, the method of sneaking about

while pursuing fair maidens and the confidential "asides" to the audience were all highlights. He would have been a credit to the stage in 1899. He did justice to it in 1967.

Diann Ellis was easy to understand with a clear, strong voice. She did not have as colorful a role as some but she handled it splendidly and if the play had called for a female villain she could have handled it up just as much as Jackson did.

The hero and heroine were excellent. Paulette Thomas was sweet and innocent looking and one was tempted to warn her of the villain's evil motives. Dennis Schlines was brave and bashful much of the play but his scenes as a drunk betrayed by his love and as a prisoner (in stripes) about to go to the gallows were highlights.

Barbara Mead has never studied French but she was a real French maid. Ooolala, was she French! As a country rube, Rick Barelman was properly stupid and properly strong. His characterization made it hard to realize he's really a top student.

Delores Nobbe died at the hands of the villain. Too bad too for she had a good role and was doing well in it before her tea was poisoned. Carol Lippolt and Garyl Jeffrey as the society queens were good in short roles. Denise Linafelter, a fifth grade pupil, showed talent as the daughter of the heroine and the imprisoned hero, singing a song and showing emotions with considerable skill for one so young.

Everyone spoke clearly, perhaps because they knew they had to, perhaps because Wingett made them

do so. Too often high school plays are marred by characters speaking too fast and too loud. Allen had none of this.

It was hard to determine who had the most fun, the cast or the crowds. At any rate, the period costumes gave the kids a chance to be real cornballs and they played it to the hilt. They and Wingett deserve a lot of credit. Their play could be a centennial attraction anywhere they gave it. Too bad it only lasted two nights at Allen.

A FRENCH MAID gave a country bumpkin a kiss in "Dirty Work at the Crossroads" in Allen Friday and Saturday. They were portrayed by Rick Barelman and Barbara Mead.

Carroll Woman Takes Role in State Meet

Mrs. Charles Whitney, Carroll, is an officer in the Nebraska Methodist Woman's Society of Christian Service which will have a meeting in Lincoln Apr. 11-12. Approximately 1,300 are expected.

President of the Northeast District WSCS, Mrs. Whitney will join other district leaders in the program. Featured speakers include Mrs. William Bartlett, missionary to Uruguay, Uniola Adams, missionary to Liberia, and Mrs. C. C. Coffee of Lubbock, Tex., president of an eight-state group of WSCS.

Election of officers, report on EUB-Methodist union, special music and other talks will be given. A drama "Nebraska Methodism, 1867-1967-2067," will be a banquet highlight.

"but how does it get to the bottom?" Retorted Samson, "That's your question."

Now we have a question: Have you had a procto check for cancer when you've had a physical checkup? The chances are you have not, yet this check can catch cancer at an early stage and the cancer it detects more often than not can be cured. We went through one of these checks at Mayo Clinic and we admit it is an experience to tell about. But what it does far outweighs the few seconds of standing on your head and clinging to the side of a wall—or at least that is what it seems like. Why not ask your doctor about such a check? Especially you men, as a procto check is aimed at finding a type of cancer that affects men more than women and affects more men than most other types of cancer. (The cancer crusade is on, in case you wonder why we're devoting space to cancer—which is one heck of an excuse since cancer deserves our attention and yours all year through).

Joe: "Did you know that a grasshopper can jump four times its length?" Shmoe: "No, but I once saw a wasp lift a 200-pound man four feet off the ground."

In Concord the other day a businessman said he sure hoped Wayne would get industry soon as Concord stands to prosper if Wayne does. Almost the same week an Allen resident said he looks to Wayne for future employment for some of those who wish to remain in Allen. It's logical to have them think of our city that way and we know there are residents of this town who are wishing and working to get industry to help Wayne. If all communities would work together for the common good, something great might happen. This is one policy that is showing up in the efforts to get a vocational-technical school in the area. We would be for it if it were in Concord, Dixon, Plainview or anywhere else in the area. It's bound to help the entire region.

What have you been watching on TV lately? We've watched Omaha stations, Albion, educational TV and many others. We're almost appalled at the choice we now have since we never found much time to watch TV before. One thing, there is variety. We are going to like cable television and we think you will too. We could be wrong

but we think we're right: Cable TV is here to stay and you'll only be cutting your own enjoyment by not connecting your set. (You guessed it, we connected early, having known from past experience what cable TV has to offer. We don't get a cent for plugging it in this column but we want to share a good thing with you).

At a beach near San Diego, three girls on vacation wearing scanty

swimsuits, walked into a combination nightclub-restaurant late one afternoon. The head waiter stopped them at the door.

"I'm sorry, ladies," he said, "but we have a minimum cover here."

"How much is it?" one of the girls asked.

"Well," replied the head waiter, "You're not wearing it!"

"Morning," drawled the recruit from the hill country. This enraged the officer and he proceeded to give the rookie a stinging lecture on military courtesy, with special emphasis on saluting.

"Well," said the recruit, "if I'd known you was gonna carry on like that, I wouldn't of spoke to you at all."

RAILROAD MEN moved in tracks for a scene in the Allen senior class play Friday and Saturday. They were dressed in authentic outfits even for this job. Left to right are Don Ankeny, Vern Puckett and Darryl Gaiger. Seated is Jean Durant who set the mood for the play with her piano wizardry.

SASS by Chas Greenlee

(continued from pg 2)

A club had as one of its rules that on Monday evenings any man in the club who posed a question which he himself was unable to answer, would pay a fine. One Monday night Samson asked: "Why doesn't a ground squirrel leave any dirt around the top of his hole when he digs it?" After some deliberation he was called upon to answer his own query. "That's easy," he replied, "the squirrel starts at the bottom and digs up."

"All very nice," countered another member.

Announcing Buick's new GS-340.

(The minipriced GS-400)

If you read the papers, you know how great our new GS-340 is. It's the one in the back-seat. And you also know you don't get a GS-100 for peanuts. It's a great car. But it's just a little tub for some people. So we set to work and designed the GS-340. It has a smaller engine (but the whole machine weighs less). Its interior is clean and simple and beautiful. And it has its own ornamentation, paint job, see the fully striped hood scoops, and, of course, all the GM safety features. So now you have a car that costs less than the GS-100, but one with its own special brand of excitement. How can you beat that kind of a deal?

Concord Scouts Beautify Town

Concord Boy Scouts and Cub Scouts are working together on a project to beautify a vacant lot along Nebraska Spur 1116 in Concord. They intend to make it a fulltime project. Friday they cleaned up the lot owned by the county. They raked, hauled, burned and cleared. Afterward they had a wiener roast to satisfy the appetites they had worked up. Cubmaster Jerry Allvin, Scoutmaster Delmar Holdorf and other adults helped. The Cubs of Pack 266 and the Scouts of Troop 266 will appreciate the support of these adults and others in their work.

What they plan is to make the lot a thing of beauty instead of an eyesore. Flowers will be planted, the lot will be cared for and progress will be noted from time to time.

Donations to help buy seeds and fill other needs will be appreciated. But most of all the Cubs and Scouts want encourage-

ment on their Concord betterment work. In spite of this work, they have found time to sell sets of pencils to raise money. As of Friday they had sold over 50 sets.

Carroll, Belden Fire Departments Get Call

Carroll and Belden fire departments were called to the Kearney Lackas farm five miles north and one mile west of Carroll Saturday evening around 10. It was the third time this year Belden VFD has been called to assist at a fire in another district. As it was, the assistance was not needed. Carroll firemen had the blaze under control by the time Belden arrived. Lightning is blamed for starting a fire in the hog house containing four sows and several little pigs. All of the animals got out of the burning shed safely. The hog shed burned to the ground, loss being estimated at \$500. The Lackas family was not at home at the time, a passerby turning in the alarm. Alan Hurbert drove the truck for the Carroll VFD.

'I Will Prepare Myself ...'

A beautiful Indian princess sat one day, in her tepee, combing and braiding her long black hair. Suddenly she heard a noise. She looked up at the entrance flap of the tepee and there stood an Indian brave. He quickly told her that her father, the Chief, wanted to see her. Hurrledly she finished grooming her hair, put on her best of clothing and hastened to her father. As she approached the circle where the old Chief was sitting, she noticed a strange silence. The Indian princess stood before her father and anxiously waited for the sound of his voice. And then the Chief looked into the dark eyes of the girl and said, "My lovely daughter, my beautiful Indian princess, today you have become a woman, you are no longer a child." He handed her a large basket and said, "I want you to take this basket, go to my best field of corn, select a row with the tallest stalks, walk down the row and pick enough of the finest corn in the row to fill your basket. It is all for yourself my daughter, but there is one condition, once you have passed an ear of corn you cannot

turn back. The princess took the basket. She went to her father's best field of corn. She picked the row with the tallest stalks. She started down the row. She felt an ear of corn but it was too soft. Then she examined another, but it was crooked. The next was too hard, and the next was irregular. On and on, down the row she went, finding something wrong with each ear of corn and then, to her amazement she reached the end of the row and her basket was empty. What a parallel with the multitudes of people today. We are so often prone to look away off into the distant future and hope, and dream, and wait for something good and wonderful to happen. But herein is a great fallacy because tomorrow can never come. We will never see anything but today. This is life; this very day, this very hour, this very moment. Why then, should we not resolve to take advantage of the present. To live each day to the fullest and stop futilely waiting for

the tomorrow that cannot come? We can acquire a greater appreciation for the beauty of life. We can learn how to bring our dreams into present reality if we will spend a portion of our time each day cultivating and developing the latent talents that nature has given us. We know that we have far more potential ability than we shall ever be able to use in one lifetime. Therefore, there is virtually no limit to what we can accomplish if we prepare ourselves, by developing our potential ability.

What we do in our lives today, what we do to discover and develop our latent talents and abilities, now when we do not have to, this will determine what and where we will be when they day shall come that we can no longer help it.

Herein lies the secret of the accomplishment of a rich and rewarding life. When but a very young man, the great Lincoln said, and he meant it: "I will prepare myself and some day my time will come."

James Hughes Helps Plan Special 'Week'

James Hughes, Wayne, is co-chairman for Engineering Week at the University of Nebraska. He is the son of Mr. and Mrs. J. W. Hughes.

The week is an effort of students of the college of engineering and architecture to inform people on engineering and the college. Activities include open house, awards banquet, athletic competition and a convocation.

Highlight of the week will be open house Apr. 27 2-10 p.m. Displays showing applications of engineering techniques will be exhibited for the more than 10,000 visitors expected.

Hughes and his co-chairman will direct their department's work in building displays and in other activities. He is a senior of electrical engineering and a member of Institute of Electrical and Electronic Engineers.

1965:

USAC-supervised tests proved that a '65 Ford rode quieter than a \$17,000 Rolls-Royce

1966:

After comparison rides, owners of the world's most expensive luxury cars like Jaguar and Mercedes-Benz agreed that a '66 Ford was quieter

1967:

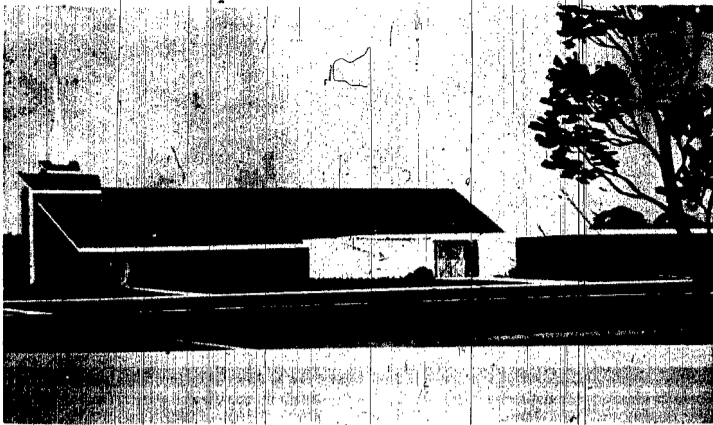

At the Lake Placid Olympic ski jump, a '67 Ford took leap after punishing leap and rode away still quiet, still strong. Other '67 Fords went on a bone-jarring steep-chamber ride and a grueling trip up and down the Los Angeles Coliseum steps. The results were always the same: still quiet, still strong.

Year after year, you're ahead in a Ford -ahead in quiet, ahead in strength.

Year after year, we do things you'd never do to demonstrate Ford's quiet and strength. This year's tests were the toughest yet. But the durable Ford came through again — quiet and strong. That's because the 1967 Ford is the strongest, quietest Ford we've ever built. Over 150 important parts have been strengthened and improved. And the '67s offer plenty of convenience and luxury features, too. SelectShift Cruise-O-Matic transmission that's fully automatic and fully manual. It all adds up to a pretty strong argument for saving at your Ford Dealer's now. Quieter because it's stronger...stronger because it's better built.

WAKEFIELD CHRISTIAN CHURCH will soon look like this. The congregation voted Wednesday to build this church around the present church and then remove the old building. The spire will be to the north, the same as that of the present church.

Wakefield Church Plans Structure

Wakefield Christian Church, Merlin Wright pastor, will get a new building. Members voted Wednesday night in favor of the structure.

Construction will begin on an \$80,000 church when financing is available. Goodman Church Builders, Joplin, Mo., will erect it.

Included will be a sanctuary, fellowship hall, kitchen, choir room, minister's study, social room, rest rooms, nursery, foyer and nine classrooms. The fellowship hall can be divided into four classrooms when necessary.

The church itself will seat 247, the choir area 26, an overflow area 127 for a total of 390. It will be constructed around the present church. The Parsonage is to be removed before construction and the area where the church is now will be landscaped when the old structure is removed.

Cost of the building includes pews, pulpit furniture, carpeting, cathedral glass windows and air-conditioning. All is made possible by a dedicated firm that builds fine churches at a low cost.

Rev. Wright began his ministry in Wakefield around 15 years ago. Attendance has doubled, even though a dozen active families have left the community. The need for better facilities has long been recognized.

and to make certain there are educational programs that will provide the manpower for the positions.

Few Farm Openings Anticipated in County

There are only five openings a year for farmers in Wayne County, a survey by Douglas Genereux, University of Nebraska, has shown. Dixon and Cedar Counties do much better with 15 and 16 openings a year, the report shows. Cumming County offers 20, Madison County 20, Pierce County 27, Stapleton 14, Thurston 9. The state offers 951 farmer replacement opportunities each year, according to the Genereux survey.

About 35 per cent of the 17-year-old males in Nebraska could find opportunities on the farms he said. Assumption was made that farmers will retire at 65, farm consolidation trends will continue as they have and farmers under 55 will leave at the rate of 1.5 per cent annually.

The number of farms has decreased from 100,000 in

1954 to 80,000 in 1964. It is estimated there will be 71,000 in 1969. Wayne county has 1,025 farms now compared to 1,393 ten years ago and 948 expected in 1969. Dixon county figures are 1,049, 1,321 and 931 and Cedar County 1,610, 1,948 and 1,434.

Farms are getting bigger. There are now 148 farms in Wayne County of less than 140 acres, about 100 less than ten years ago. Cedar County has lost only 70 and Dixon County 70. There are 216 farmers 55-64 years of age in Wayne County and 115 farmers 65 and over. For Cedar County the figures are 292 and 194 and for Dixon County 272 and 152.

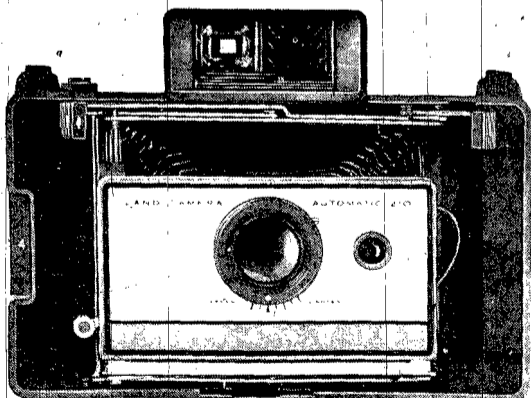

Genereux says: "If we are to maintain our economy and increase our efficiency it will be necessary to provide replacement personnel in areas of specific employment need." He adds that studies should be made in employment to determine the need
