

WS Foundation Drive Ends

The annual fund drive conducted by Wayne businessmen and professional leaders for the Wayne State Foundation is nearing completion. A large part of the Foundation's annual budget of \$10,000 is raised locally each year.

Foundation President Val Peterson has expressed his appreciation for the local effort and the continuing support shown the college in the past five years.

Chairmen of the Wayne drive were Henry Ley and Adon Jeffrey. Ley is vice president of the Founda-

tion and Jeffrey is secretary-treasurer.

Contributions from this drive are used to provide matching funds for the college's student loan program. More than 1,000 students have been aided in the past five years through this program. No students are delinquent in repayment of their loan. All students aided have high scholastic averages.

A list of area donors to date is published in an advertisement in this issue of The Wayne Herald.

Mrs. Dunklau Injured

Mrs. Marvin Dunklau, Wayne, was injured Friday when she fell while washing windows at her home.

She was taken to the Wayne Hospital where Dr. Robert Bentback gave medical attention. He found she had fractured a hip and fractured a wrist. As a result, she is wearing a cast on her arm and is in traction to help the hip bones heal.

Funeral Rites Held

Funeral services were held Sunday afternoon at 2 in the Redeemer Lutheran Church, Wayne, for Mrs. Herman Sung, who passed away the past week. Willase Funeral Home was in charge.

Hoskins Getting Organized

Hoskins is still ahead of the rest of the county in organizing for the centennial observance. "Centennial Belles" are active for women and "Brothers of the Brush" for men.

The women are to wear old-time clothing, authentic or special for the occasion, two or three times a week. Men are asked to grow beards which they wear at all times.

Pins are on hand for identifying members of the two groups. The women's has a lacy trim with a girl in an old-fashioned bonnet. The men's has a bearded man with an old-time hat.

For the women who want to join, the membership is \$1. For the men not wanting to bother with the old-time dress, the fee is exactly twice as much.

Men pay \$2.50 for the pin identifying them as willing to grow beards—or mustaches. They can get

Wayne Musicians Get Ten 'Superiors'

With only the girls' glee club and the mixed chorus not yet judged, Wayne High School musicians had earned ten "superiors," nine "excellents" and one "good" in the district music contest in Wayne Friday afternoon.

Don Schumacher and Clayton Southwick were in charge of WIS entries. The results of the two group numbers were not received in time to be included in this paper which was printed Saturday noon.

Following are the superior ratings: Band, madrigal, John Braddock; vocal, Jane Predehler; piano, brass quintet, Sallie Berg; vocal, Mark Johnson; trumpet solo, Mary de Freese; flute solo, the flute

The Spook Speaks

A Wayne girl, age 10, was riding with her mother going north on Main one Sunday morning. They went by the Baptist Church and two blocks later came to the Methodist Church. In front of the Methodist Church in the street was a sign: "Stop for Pedestrians". The little girl suddenly asked: "How come we have to stop for the Pedestrians and we didn't have to stop for the Baptists?"

Then there's the farm woman living near Wayne who needed two new teeth in front. When she finally got them, everyone complimented her on how nice they looked. Even her five-year-old son complimented her (in a manner of speaking). He said: "Mom! I think your teeth look real pretty—just like Duke's." (Duke is the family's pet pony for the children).

An avid Wayne golfer had his "lemon" of a golf cart repaired, had a new motor put in and was ready to take it to the country club. A friend came to the house so the cart owner just had to show how nice it worked. He pulled the cord, the cart took off and didn't stop until it had rammed into the owner's house, front wheels protruding into the living room.

HOSKINS CENTENNIAL boosters include this group at Commercial State Bank. The women are showing off "Centennial Belles" pins and the men "Brothers of the Brush" pins. Left to right are Russ Rathman, Sandy Lenz, Bev Schwede, Shirley Mann and Ed Kollath.

Reveal WSC Appointments

Dr. Lyle E. Seymour has been appointed dean of instruction at Wayne State College. Dr. Seymour, who is presently chairman of the Division of mathematics and science, is the son of Mr. and Mrs. Ed Seymour of Wayne. He joined the Wayne State faculty in 1953 and holds the rank of Professor of Chemistry.

His B.S. degree was received at Iowa State University. The B.S. in Ed. degree from Wayne State College, the M.S. degree from Iowa State University, and the Ph.D. degree from the University of South Dakota. He became chairman of the division following the retirement of Dr. Walter Ingram.

Dr. Seymour has been active in Wayne community leadership, including service on the City Council. He is President of the Wayne State Alumni Association and a Trustee of the Wayne State Foundation.

Named Assistant dean of

instruction is Dr. Stanley Willis, who is presently the registrar at Wayne State. He joined the staff in 1963 after teaching in Pakistan. He holds the A.B. and Ed.M. degrees from Adams State College and the Ed.D. degree from Colorado State College. Dr. Willis will retain his duties as registrar in the new position.

Dr. Walter Peterson will become chairman of the division of education and psychology. Presently head of the department of elementary education, he joined the faculty in 1955. Dr. Peterson holds the B.A. in Ed. degree from Kearney State College, the M.A. in elementary education degree from Colorado State College, and the Ed.D. degree from the University of South Dakota.

Richard Lesh has been named head of the department of art. Lesh, joined the faculty in 1951, holds

Wayne Woman Misses Opportunity

Mrs. Lucille Shierf, Wayne, missed the opportunity to collect the Silver Dollar Night prize Thursday. She gets a \$10 consolation check instead of one for \$400.

Because she was not in a participating store in Wayne at 8 she did not get the cash from the Chamber of Commerce. Also, because there was no winner, next week's prize will be \$400 again.

With \$400 being the maximum, the \$50 that is added each week goes into the reserve fund. Until there is a winner and then it will

Truck Backs Into Parked Car Tuesday

The Wayne City police investigated an accident during the past week. On April 18 a city light department truck driven by Earl Foss backed into a parked car owned by Grant Tietgen of Wayne. Police officer E. L. Hailey investigated the accident which occurred at 1:10 p.m. at the 300 block on E. 6th street. No damage estimate has been given on either vehicle.

An investigation was also made concerning a complaint of a dog running loose. The owner was contacted and the animal was tied up.

Tillage Day Plans Readied

Wayne will host the Quad-State Minimum Tillage Day Tuesday, May 2. It will be the first time the event has ever been held in Nebraska.

Around 3,000 farmers are expected from Minnesota, South Dakota, Nebraska and Iowa for the event to be held on the adjacent farms of Ivan Freese and Robert Shultheis three miles west of Wayne on Highway 35.

Gene Schwartz, area agronomist at Northeast Station, Concord, minimum tillage is the modern approach to soil management. For that reason, this field day will feature a variety of corn-planting machines in actual operation, plant-

Portraits of Nebraskahood

A living picture-in-motion presentation put on by the Wayne County Historical Society, will be given Tuesday, Apr. 25, at 8 p.m. in the Wayne City Auditorium. Proceeds will go to a county museum fund.

Dr. T. H. McDonald, WSC, will narrate. Committee in charge includes Ken Magill, chairman, Filie Harms, Dorothy Kabisch and Goldie Leonard.

Opening number will be the color guard in uniforms worn in the service by the men wearing them. Men of Winside and Wayne will "Salute Our Country's Defenders."

Scene One is "Pioneers Entering Nebraska." Judy Hunkeler and Leon Lump will be the pioneer couple with Danny and Julie Ahlvers their children.

Kitchen Klatterettes Band, made up of women of the county, will play followed by Scene Two:

Working in the Fields

The same characters as the first scene will take part.

WIS girls' sextet will sing before Scene Three: "Pioneer School." Teacher will be Penny Schlueter with Debbie Pokett, Linda Kay and Danny and Julie Ahlvers the children.

A flute trio follows after which Scene Four will be given: "Pioneer Entertainment Bee." Pioneer men and women will be portrayed by Merton Hilton, Harold Kraemer, Elhardt Possibility, Marilyn Hendricks, Dorothy Kabisch and Goldie Leonard.

Dr. Aaron Butler will sing a solo, Scene Five will follow: "Oldtime Medicine Man." Leon Ellis will be the medicine man with Sandra Gabie his assistant. Townspeople will be played by the group from the entertainment bee.

Before Scene Six Brian Nelson will play an organ solo. The scene, "Wedding in 1900," will have Rev. S. K. de Freese as minister, Mrs. Antony Garlick as the bride and Bob Stanley as the groom.

Mrs. Morris Anderson will sing a song followed

Seek WS Queen Candidates

Wayne State College dismissed before many could be signed up for the Queen of Nebraska competition. All college girls from Nebraska are eligible.

Miss Nebraskaland will be chosen from queens selected at Nebraska colleges and universities. She will reign for one year.

A \$1,000 scholarship will be awarded to the winner by the Cooper Foundation. Each of the girls going to the finals will be featured as "Hostess of the Month" in color in Nebraska Land Magazine.

Last year the WSC representative was Jolene Pearson, Wakefield. She received a rodeo outfit in addition to her trip to the state competition.

A pageant is scheduled in Wayne Wednesday, May 3. At that time the girls to represent WSC will be chosen.

Any college girl wanting more information can contact Loren Kamish at the student activities office at the student center. He has application blanks for the contest and can give full details on the prizes and other benefits.

Winside Has 'New' City Auditorium

Winside has a "new" auditorium. It is not new in that it is in the same building as it has been for years but anyone going inside will think they are in a new structure.

The Winside town board has ordered a complete renovating and "complete" is the word. From the moment one steps into the new entryway right on through to the stage and kitchen it looks new.

Floors have been sanded

after years of roller skating. They will be finished so they are ballroom-smooth.

Walls and ceilings have been painted new and brighter colors. Taking the place of the grubby gray is a fresh clean look.

Chairs are being cleaned and other work being done. The kitchen work is finished. In all, two weeks will be devoted to the renovation.

Let Bids for Concord Project

The initial structures for the swine research center at the Northeast Station, Concord, have been scheduled for construction with approval of a bid for \$14,400 by Vako Construction Co., Lincoln. Two housing-management units are in the bid.

University of Nebraska regents approved the bids Thursday, according to R. D. Fritschen, swine project leader. He said the units are two of six growing-finishing structures planned for the center.

July completion is aimed at for two concrete tilt-up houses. One will have open front facing south while the other will be completely enclosed. Pans will be partially slotted.

All buildings will have the same basic floor plan with 12 pens designed to hold 10 pigs each. Fritschen points out that one of the objectives is to compare performance of pigs in the open unit with pigs in an enclosed unit.

The overall purpose of the Concord project is to answer questions confronting Nebraska swine producers as a result of swine production moving toward confinement or semi-confinement at an increasingly rapid pace, according to Fritschen.

University of Nebraska funds totaling \$30,000 have been set for the project. A fund drive among swine interests in Northeast Nebraska is being conducted

to supplement the appropriation. The NEFA granted \$6,000. Fritschen expects further grants from industry.

Just how far the research center goes in its plans depends on the support from the swine industry, Fritschen points out. The more facilities that can be built and the more information that can be gained for benefit of swine producers, he said.

Kindergarten Pupils Hold Allen Roundup

A schedule has been arranged for the kindergarten roundup at Allen Tuesday, Wednesday and Thursday of this week. Supt. K. R. Mitchell reports the schedule was arranged so there would be a large group one day with a small group another day.

Allen PTA is assisting in the roundup for parents and children. Those coming to the morning sessions from 9:30 to 11 each day will be invited to have lunch under PTA sponsorship.

Children invited with parents are those who will be the right age to enter kindergarten this fall. They must be five years old by Oct. 15 in order to attend.

Enrollment blanks are available from Mrs. Barbara Heming, kindergarten teacher, or from Supt. Mitchell.

TWO WORKERS repairing the auditorium ceiling at Winside are shown on the job. Left to right are Chris Weible and Jim Jensen. The brighter part of the ceiling can be seen behind them.

COMMENCEMENT SPEAKER

Senator Gale McGee of Wyoming addresses the graduating class at Wayne State's commencement Wednesday. The graduate of WSC devoted his speech to Asian policy in Asia, saying the nation must finish its war in Vietnam—not solely because of that nation, but because it has long been U.S. policy to prevent any one tyrannical nation from dominating a continent. Senator McGee said America's Southeast Asia leaders have told him on his several trips there, that Asia's presence is vital. Without it, they said, China would run over all of Southeast Asia.

ALLEN CLASS "SKIPS" When the fifth grade class of Allen School played hockey last Wednesday, even the teacher didn't care. That's because the teacher, Mae Reuter, received her bachelor of arts in education degree from Wayne State College, and the kids were there, 23 of them. They had planned the

"skip" without telling teacher And Mrs. Reuter loved it. Teacher and pupils are pictured following the commencement ceremony in the Willow Bowd. Below, Mrs. Reuter receives her diploma from President W. A. Brandenburg.

Dixon Council Not

Happy With 'Dumper'

The Dixon town board is not happy with a dumper who made use of the town's dump last week. However, they are not sure who the dumper is or there could be action. Someone used the town's dump as a place to dispose of 15 dead coyotes. They were not buried, covered or anything else, just hauled in and left in the

open air.

Doing what comes naturally, the bodies started decomposing, which creates an odor. Insects moved in, rats joined the scene and in general a nuisance was created.

Unless the guilty one is found, there is little to be done except to burn what can be burned and cover the rest. The council is having that done and will keep trying to find out who the thoughtless person is.

Wayne Baseball Association May Put Team in Different League This Year

No decision has been reached on what league the new team will play this year. Wayne Baseball Association is considering two leagues, one mainly east of here and the other mainly west of here. The league to the east goes into Iowa and is the one which Wayne has played in for several years. Going west from here the other loop takes in Randolph, Pierce, Plainview and as far west as Orchard. Big difference in the two conferences is the type of players sought. In the league to the west, players must come from within 15 miles of town. In the Northeast Nebraska League players can be brought in from anywhere. The WBA met Wednesday night at the State National Bank and elected a new chairman, Stan Morris. He succeeds Cleve Sharer, who has been a big factor in the success of town team baseball in Wayne during the three years he has been chairman. Other officers are:

Wayne Tietgen, vice chairman; Ted Bahe, treasurer; Hub Johnson, secretary; Hank Overin, manager. All these are also on the board along with Cleve Sharer, Gene Nuss, Jim Pakett, Charles Nichols, Charles Denesiva and Chas Greenlee. Improvements are planned at the Wayne baseball diamond this year. Among the projects scheduled are drinking fountains, two gates and improvement of the infield.

Winside Girls Defeat Orchard

With little practice, Winside girls took on Orchard in a dual track meet at Orchard Thursday and came back victorious 56-47. Gary Klindt is coach of the girls' team. Coach Klindt plans two more competitive events for the girls' team. He will take them to John F. Kennedy College, Wahoo, for a playday May 6 and will have Orchard at Winside for a return dual meet after that.

All of the times and distances are records for Winside since it is the first year of the sport. They won on the basis of three places given with five points for first, three for second and one for third. Following are the results: The 100-yard low hurdles, Diane Wacker first in 16.2; Sandy Deck second in 16.7; the girls had no practice in this event since girls' hurdles

Sports Teams Busy

High school teams in the area will be busy this week. Wayne High goes to South Sioux City for a dual track meet Tuesday; the Blue Devil golfers play in the Husker Conference meet at Indian Trails, Bemmer, Monday; Allen and Winside compete in the Lewis & Clark Conference track meet at Wayne State College Thursday; and Wayne plays West Point Central Catholic in baseball at West Point next Monday.

Hastings Beats WSC in Baseball

Wayne State lost its Nebraska College Conference baseball opener to Hastings, 3-2, Wednesday at Hastings.

Rain was the winner in the second game, interrupting it while Wayne was leading, 1-0. The game will be rescheduled if either team figures in the conference championship.

Hastings took a first-inning lead with one run, added another in the third, before Wayne caught up with single runs in the fifth and sixth.

Then Hastings scored the winning tally in the bottom of the sixth to hand Wayne pitcher Jim Basciot his second loss in three decisions.

The Wildcats got three hits, the Broncs six. Both teams committed four errors.

Wayne plays next in a home doubleheader against Creighton University at 1 p.m. Monday.

Five Wayne State Resignations Told

The resignations of five Wayne State College faculty members have been accepted by the school's governing board.

Dr. A. Warren Williams, dean of instruction, submitted his resignation, effective June 30. Dr. Williams joined the Wayne State faculty in 1963 as chairman of the division of social sciences and became dean of instruction in 1965.

The resignation of Dr. Billy E. Ross, chairman of the division of education and psychology, will be effective at the close of the summer session. Dr. Ross joined the faculty in 1962 and developed the college's off-campus student teaching program when the Hahn campus school was discontinued.

Francisco Sosa, instructor in French and Spanish, has accepted a three-year fellowship for doctoral study at Yale University. He joined the faculty in 1965.

Penelope Schlueter, instructor in economics, will return to graduate school for further studies. Miss Schlueter taught two years at Wayne State.

Brice Wilkinson, assistant professor of speech, resigned at the completion of the second term. Wilkin-

Restored Rural School Opening

Wayne State's restored one-room school house will open to visitors May 1 and will remain open from 1:00 to 4:00 each afternoon through the school's summer session.

Named the Mamie McCorkindale school, the restored building contains antique items from the turn of the century. Restored as a project of the Wayne State Foundation, the school is recognized as a museum by the Nebraska Centennial Commission.

Visitors are invited to try out the vintage school desks and to browse freely throughout the building. Those who wish a special tour may arrange such by calling the publications office on campus.

Contest Set for County

A county beard-growing contest is being planned. The Wayne County Centennial Committee met Thursday night at Bowen Hall to plan the event. Two men from Carroll, two from Hoskins and two from Wayne will make up the committee. The final winners will be sent to Lincoln for the state fair competition. Wayne County will also have a tree at Arbor Lodge, Nebraska City. Mr. and Mrs. Ray Schreiner will represent the Wayne County Centennial Committee at Nebraska City Sunday, April 23, for Arbor Day observance when a tree will be planted for this county and a plaque installed. It is an annual Arbor Day observance. An all-night square dance will be held Saturday, April 29, at Carroll. A float in the Nebraska parade at Lincoln June 21 is another project—it depends on whether enough memberships are sold or not. Next meeting of the board will be May 9 at Carroll. Invitations had gone out to every organization in the county to have a delegation at Thursday's meeting. There were 16 present.

Carnegie Preview Will Be Friday

It was announced Saturday by Leonard Eichhorn, area manager for the Dale Carnegie Course being offered in Wayne, that the class will begin with a special preview meeting Friday, April 28, in the Women's Club Room at the City Auditorium at 7:33 P.M. The public is invited. The purpose of the meeting is to give the people of this community an opportunity to see for themselves just how the Dale Carnegie Course, through its unique teaching methods, is able to accomplish so much in a short period of time. Eichhorn said, "As a public service to the community, the Dale Carnegie Course is being offered under the sponsorship of The Wayne Herald. For further information about the preview meeting or the course, write or call The Herald, 376-2600."

Hoskins School Gets Stage Curtains

The Hoskins Public School will get new stage curtains. Hoskins PTA will make them and they will be ready for use next fall. PTA members held a bake sale this past week and had such success they ran out of food. This did not raise the needed amount but combined with funds the PTA will add it made possible the project. Material is to be ordered and the members will make the curtains. The ones in use now in the HGS auditorium have been in use for years and have needed replacing for some time. Mrs. Don Johnson is president of Hoskins PTA. Mrs. Norris Langenberg, Mrs. Ray Jochnes, Mrs. Ed Broge and Mrs. J. E. Fingel were on the committee in charge of fund-raising.

Wayne High Baseball Team Defeats Dodge 6-2 to Remain Undefeated

The state champion baseball team the past two years went down to defeat 6-2 at the hands of Wayne High Friday afternoon. Dodge was the victim on the Dodge diamond, the win for WHS allowing the locals to stay undefeated. A game with West Point Central Catholic has been moved back. It will be played this coming Monday at West Point. Delmar Wacker did the hurling for Coach Mike Mallette's team Friday, giving up five hits and striking out two. Prokop went the route for Dodge, allowing nine hits and fanning seven. Gordon Jorgensen had a double and a single for Wayne. Mark Johnson and Steve Schram each had two singles and Steve Kerl, Herb Swan and Wacker one each. For Dodge, Prokop helped his own cause with two hits and Sindelar, Grossrohde and Kucera each had one.

Wayne Herald Second Place in Excellence

The Wayne Herald won second place in general excellence for Nebraska newspapers in towns over 2,000 population for the past year. The award was given Friday night at the banquet of the Nebraska Press Association. Winning first place in the division was the Sidney Telegraph. In towns from 1,000 to 2,000 the Burt County Plaindealer of Tekamah was first and the Bridgeport News-Blade second; towns 500 to 1,000, Springfield Monitor and Wauwata Breeze; and towns under 500, Comstock News and Springfield Herald.

Weather Variety Offered in Area

Mother Nature continues to shower the area with a variety of weather. Warm, cold, dry, wet, windy, cloudy, sunny, still, the area has had it all. Residents woke up Saturday to frost. The mercury had dropped below the freezing mark during the early morning hours. A little moisture has fallen but not in sufficient quantities. Less than three-tenths of an inch fell Wednesday evening. Winds have offered variety of their own. Sometimes they have beengentle breezes while other times they blew with gale-like force. Often they were from the south but they also blew from every other direction.

Wayne Herald Want Ads Provide INSTANT RESPONSE

HAVE YOU ever tried to get ten puppies together for a picture? Darrell Erwin, Dixon, has a registered silver German Shepherd with ten puppies. They were not anxious to see or be photographed when this was taken so only seven can be seen. Erwin obtained registered dog several years ago, decided to sell it and when he found out the demand for such animals he decided to raise more. The demand for the intelligent hard-working dog is greater than ever so a ten-litter family was quite welcome, except mama dog didn't know how to handle all ten of 'em.

Attend Omaha Meet

Rev. and Mrs. A. D. Weage, Theophilus Church, Winside, attended a three-day meeting of the Nebraska Conference of the United Church of Christ Apr. 14-16. One of the outcomes was a call for all nations to enter into peace negotiations. Delegates also called for elimination of racial discrimination in housing, called for teaching religion in public schools and called for turning to God for Divine direction in light of our inadequacies.

Cable-TV Ready, Manager Reports

Wayne residents can get their sets connected to cable-TV now, Manager Ray Bendig of Wayne Cable Television Co. reports. The firm has been working on the little "bugs" that always show up in any new system.

The cable-TV office is in the Professional Building and sign-ups can be taken there. A number have been connected to the cable for weeks and report considerable success on both TV and FM reception.

At present the lower southwest of Wayne is bringing in three Omaha stations, Albion, two Sioux City stations, two Sioux Falls station and an educational TV station. Additional channels are to be provided and a local weather-scanning unit is to be installed for 24-hour time, temperature and weather.

Excellent clarity is reported on color pictures. There is also a great deal more selection because some stations offer local programs, some buy syndicated film programs and virtually every station has different offerings after the 10 p.m. news so a big choice in movies or variety is offered.

For those signing up now, there is no connection fee. Later on there will be. The only cost is by the month and if a subscriber wants off after one month all he has to do is make his wants known. It is like a telephone connection or utility connections in being a month-to-month service.

The only connection is a line into the home from the nearest cable terminal. Additional cable TV outlets are available so if a home has more than one set they can all be on cable and if one has six or seven sets each can be on a different program at the same time. No antennas are required.

Anyone wanting further information can contact Bendig at his office. His telephone is listed under Wayne Cable Television.

HOW WILL YOU HANDLE ALL OF THOSE STALKS?

BRADY 4-IN-1 CHOPPER
 The best way to handle the tangled mass of tough, heavy hybrid stalks is a Brady flat shredder. It shreds your stalks, makes plowing easier, faster, better... knocks out most of your corn borers, too. You can even pull a tandem disc behind a Brady and be ready for minimum tillage. It's a great labor-saver... and excellent for clipping pastures and idle acres.

Soil Stewardship to Be Observed

Apr. 30 through May 7 is Soil Stewardship Week. Werner Mann, chairman of the Wayne County Soil and Water Conservation District, points out that the theme is "Three-fourths of Our Land," emphasizing the land in the USA is owned by private citizens.

Almost 100 per cent of the local land is in private ownership, Mann pointed out. He added that "Our soil and water conservation district is an organization designed to aid individual citizens with their conservation problems" on this land.

Many of the churches in the county will participate in the week. This comes about because the Soil Stewardship observance originated early in the century when Southern churches and congregations set aside the fifth Sunday after Easter as "Soil and Soul Sunday."

The observance grew and became known as "Soil Stewardship Sunday" in 1946. Nine years later the National Association of Soil Conservation Districts undertook encouragement of a nationwide observance and in 1956 the name was changed to Soil Stewardship Week. The observance now starts the fifth Sunday after Easter and lasts through the sixth Sunday.

Mental Health Clinic Set Thursday

A mental health clinic in Wayne Thursday, Apr. 27, is expected to attract around 50 superintendents, principals, teachers and guidance counselors from public schools in North-east Nebraska.

Sponsored by the Nebraska Psychiatric Institute, Omaha, the clinic is also supported by the state department of education, the state department of health and the Norfolk State Hospital. The community service division of NPI is in charge.

Supt. Francis Haun of Wayne High will moderate an opening session shortly after the welcoming speech by Dr. William Brandenburg, president of Wayne State College. Theme will be "The Pupil, the School and the Community."

Dr. Conrad Wurtz, clinical psychologist with NPI, will speak on "Classroom Conflicts." A general discussion session will follow

Child Provides Scarb

Jana Cunningham, 14, daughter of Mr. and Mrs. Gerald Cunningham, Laurel, provided her parents with a scarf Thursday. She did not exactly enjoy the experience herself. The Cunninghams were enroute to Wayne when Mrs. Cunningham noticed Jana had taken a bottle of adult medicine from her purse. The bottle was open, Jana was swallowing and they were not sure how much she had swallowed so they rushed her to Dr. Roy Matson. A stomach pump was used to get the medicine back up. It was found Jana had not swallowed enough of the pills to hurt but the Cunninghams had to be sure so the stomach pump was necessary.

Twenty-One Tractors Join to Plow Injured Farmer's Land in Four Hours

Twenty-one area farmers joined Wednesday to plow for a Wayne County farmer who was injured in a tractor accident last month. Laurence Carlson, 5000 farms, three miles southwest of Wakefield, suffered a broken hip March when he slipped off a tractor. The plowing job began at eight o'clock in the morning and the entire 400 acres were finished by noon. A meal was served after the work was completed. In addition to the ladies pictured, Mrs. Lawrence Nelson, Mrs. Leroy Cooper and Mrs. Elvis Olson furnished food. Carlson has been unable to do any of his farm duties since his accident last month. He spent four weeks in the Wakefield Hospital and one week in the Sioux City Hospital before he was allowed to return home. His brother, Vern Carlson, aided by Elvis Olson and Gordon Bard, have been doing the twice-a-day chores since the mishap.

THESE LADIES prepared and served the meal at the Laurence Carlson plowing bee Wednesday. Standing left to right are Mrs. Gordon Bard, Mrs. Jim Stout with daughter Angie, Mrs. Pearl Scott, Mrs. Mabel Bard, Mrs. LeVerne Lundahl, Mrs. Vern Carlson and Mrs. Laurence Carlson.

'I Will Prepare Myself ...'

By Mike Rothberger, Staff Representative

A farmer awoke one morning in the wee hours. He turned and tossed but he could not sleep because he was troubled. He was thinking about Old Sam, his old mule, out in the barn. Old Sam had been a faithful servant for many years.

He got out of bed, put on his clothes and went to the barn. There, in his stall, stood Old Sam. His head hung low, his knees were bent and his back was swayed, from the many long years of hard work.

The farmer stepped up to Old Sam and gently slapped him on the back. He said, "Sam, for all these many years you have been my faithful servant; you have worked very long and hard but those days are past. You will never have to work again as long as you live because I am going to retire you, Sam. You can go to the meadow and have all you want to eat and drink. From here on it is all on me."

Sam was taken to the meadow and, as the days passed, he seemed to enjoy his retirement. Then, one day, he was missing. The farmer looked for him in every corner of the meadow but no place could Sam be found. The farmer thought of the old abandoned well. Perhaps Sam had fallen into it. He rushed to the

well and usually walked out across the meadow. Surely, we all experience setbacks and disappointments from time to time. The important thing is how we face them. We can stand still and let the dirt of adversity overwhelm us, or we can shake it off our backs, step on top of it and go on to enjoy the happiness of a rewarding life.

Wes Wingett, Allen teacher and a member of the Wayne Jaycees, went to Moorhead, Minn., Friday to attend a tri-state records and recognition meeting. He is community development state chairman for the Jaycees. Wingett, Dick Hammer, Marvin Young and Keith Kasselord of the Wayne Jaycees went to Plainview Wednesday to visit Plainview Jaycees and to issue a board-growing challenge which Plainview

accepted. He threw a shovel of dirt into the well. It fell on Old Sam's back. The mule just shook the dirt off and stepped on top of it. The farmer kept throwing dirt on Old Sam, but each time the dirt fell Old Sam shook it off and stepped on top of it. Along toward evening the dirt in the well rose near the top. Old Sam

Dixon, Concord, Laurel, Allen School Pupils Get Youth Temperance Ideas

Friendship Women's Christian Temperance Union of Dixon, Concord and Laurel areas is placing pamphlets in grade schools in Dixon and Concord and high schools in Allen and Laurel in observance of "Youth Temperance Education Week Apr. 23-30."

This year for the first time the week is being observed on a national level. Proclamations for the week have been issued by President Johnson and Governor Tieemann.

Two types of pamphlets are being used. One is aimed at pupils in the fourth through sixth grades. The other is of interest to those in the seventh through twelfth grades.

For the younger people, fallacies are pointed out and the true facts given on alcohol. Rules for healthful living are given

and brain teasers offer a challenge to the youngsters.

The pamphlet for the older pupils quotes famous people on the use of tobacco and liquor. Results of drinking, perils of alcohol and the dangers that accompany alcoholism (disease, crime, addiction to dope, etc.) are pointed out.

The aim of the program is to convince young people that drinking is not the mark of "maturity" some kids think it is. In fact, drinking often is a result of immaturity, the week will point out.

President Johnson points out that "false sophistication" often leads the young into wrong attitudes. He calls on the people to help youngsters develop moral and spiritual strength this

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

You may not agree with an editorial but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

Watch That Litter

How much does it cost you as a resident of Northeast Nebraska to clean up litter from highways? Don't guess—it costs only \$2.50 a year.

Small potatoes, eh? But if you have a family, say you, your wife and four children, the bill comes to \$15.00 a year. The bill for people in a town the size of Wakefield would be between \$2,500 and \$3,000 a year, for Wayne people it would be \$19,000 to \$15,000 a year.

But this bill is for keeping litter off highways and other public areas. How about the costs for the cities and county? There's bound to be more tax money spent in these divisions of government.

When it comes down to it each person probably has to put up \$5 or more every year for litter collecting. Yet few people get arrested for littering in spite of state and local laws which are supposed to be restraining the litterbug.

But the big cost cannot be measured in what it costs to clean up. Litter tends

Who Needs Dick Manley?

Do Wayne and Wayne State College really need Dick Manley?

He just handles his teaching chores, directs the college news bureau, teaches Sunday school, stays active in Kiwanis, serves as Scoutmaster and handles a lot of other small jobs all of which add up to one continuous one.

He is being honored Monday by the Mid-America Council of the Boy Scouts in Omaha. Recognition comes for service to Scouting.

How come he's getting that? Just because he has been in Scout work since he started as a Scout in Topeka, Kan., at the age of 12? Because he worked his way up to the Eagle rank?

Maybe it's because he was assistant Scoutmaster for a few months in Horrell, N. Y., after getting out of the air force and completing more college. Or perhaps it goes back to Alliance, Nebr., where he was Cubmaster three years.

Still, Wayne is in the Mid-America Council and maybe the recognition comes for his work as a Scoutmaster for Troop 174 since 1958. Perhaps it was next in

to draw more litter. Ugliness multiplies. Morale goes down. Contempt for law builds up. Property values shrink. Disease-bearing rodents breed. Insects thrive. Decay sets in. Maybe it started with a cigarette package or a candy wrapper, but certainly did not start big regardless of how it ends.

Think before you throw that bottle out of the car. Ask yourself if you're being fair when you dump trash on public or private land. Do unto others as you would have others do unto you. Use litterbags in cars and boats. Dispose of trash in receptacles provided.

It's your money that will be used to clean up afterward. You might as well save what you can by not littering in the first place. Then you can help preserve your natural beauty in the second place. You can tell others to do the same in the third place. And you shouldn't have to be told in the first place.

By all means—don't be a bitter lug because we don't want you to be a litterbug.—CEG.

line for awards after he received the Scouters Key, the Scouters Award and the Mid-America Council Award of Merit.

Then again, it could be to pay him back for the college students he has enlisted to help, for those campouts in freezing weather in winter, the hikes, the conservation projects at Ikes Lake, the meetings week after week and year after year or the awards his Scouts have won over the years.

It could be for his own two sons, one an Eagle after Cubbing and Scouting, the other in Scouting after completing Cubbing. Or his daughter, in 4-H work. It could be for his wife who has been almost as active as he has and has backed him in every project.

Is it possible it could be for all these things? Could be.

So who needs Dick Manley? We all do! We need lots of Dick Manleys. There is only one, and Wayne has him. We're proud a punch of him, his family and his Scouts who have followed his leadership to become better young men.

Definitely we need more like Dick Manley. Scout's honor!—CEG.

Not Signing This Petition

There is talk of a petition drive to get the sales tax and income tax rescinded in Nebraska. As one who pushed the campaign to get the sales-income tax voted out, we're having none of it.

In the first place, the people voted against the tax. They voted against a property tax too. Obviously the people can't do without taxes of all kinds so the legislature went ahead and set up the income and sales tax it wanted in the first place, paying no attention at all to the fact more people were against that combination tax than against the property tax.

Some individuals and groups told the people they would be better off with the state property tax removed. Many believed this, thinking the state tax was quite a load when actually it was just a fraction of the total property tax levy. Now they will have almost as high a property tax as before, plus income tax plus sales tax.

The people of Northeast Nebraska may have been against both, but they were not vehement enough about it. Now they will have to live with it and signing petitions is not the way to do something about it. What they could do is vote

against the men they elected who did not vote in the legislature as they would have them vote.

But let's give the income and sales tax a chance. We may learn to live with it and even like it. If the state spends the extra money wisely, we may be so happy with the extra benefits we will be glad the legislature acted in opposition to our wishes.

Schools and roads need the money and if the legislature can use the extra money to show us some improvements and gains in these two fields, we will be happy. There will be foolish expenditures, of course, but gains toward better roads and better schools ought to come first.

Don't sign any petitions calling for a 1968 vote on the income and sales tax—at least not yet. There is time later in case we are not satisfied. Better yet, we can vote out the ones we don't want back in case we don't like what they did.

This is a switch on our part and no admission that our stand was wrong. However, the people have made a bed of taxes and they're going to have to lie in it for a while. Who knows, a bed of taxes may be more comfortable than some of the lumps we've put up with before!—CEG.

a Nebraska thunderstorm upon their camp also attracted his attention, for he had little faith in the stability of his tent.

On July 11, 1873, the expedition returned to Fort McPherson and Dr. Maghee was assigned quarters with Dr. D. F. Powell, another contract surgeon. Powell quickly became Maghee's least favorite person, and the diary contains numerous references to Powell's lack of social graces, his unilitary habits, and his apparently hazardous medical practices.

Maghee was a temperance man and he was continually scandalized by the drinking habits of the military, both officers and enlisted men. His medical supply was continually broken into and stolen, while enlisted men went on sick-calls in hopes of obtaining a dose of whiskey for their various and ingenious ills.

If Dr. Maghee had little patience with the drinking habits of the enlisted men, he had no patience at all for the officers, particularly when they followed the lead of the enlisted men and raided his hospital sup-

ply. Following one parade at Camp Stambaugh, Maghee recorded, "The inspection passed off finely and the Col. was not drunk." A few days later he wrote, "Lieut Griffith was not tight last eve," which implies the occasion was exceptional.

Beginning in late summer 1874 Dr. Maghee's diary becomes somewhat brighter in outlook, for at that time he was joined by his wife Ellen. With her at his side, the young doctor became less interested in the personality defects of the officers and other doctors, taking a greater interest in living quarters and other domestic issues.

Upon fulfilling his army contract, Dr. Maghee remained in Wyoming, mainly in the vicinity of Lander, where he died on the 28th of September, 1927.

It seems all the bad days along with the good ones are forgotten once the ship pulls into port and liberty is sounded for the crew. At that point the Bonnie Dick's crew invades the streets, bars, and theaters of the liberty port.

During this cruise we have stopped in Hawaii and now Yokuska. There are several guys in the same boat as myself, this being their first time overseas. There are so many things you want to see and purchase that time and money won't allow.

Take Hawaii for example, it is just like any other city with only twice as many tourists. I did take advantage of Waikiki Beach, so now I can say I have been swimming there too.

I also find Japan very interesting, not only from the different little shops which it offers, but the people are really fascinating. It is really too

60 YEARS AGO THIS WEEK

The new Free High School Law has passed both houses of the state legislature with the emergency clause, has been signed by the governor, and is now in force. The purpose of the law is to provide for four years of free public high school education for all of the youth of this state whose parents or guardians live in public school districts which maintain less than a four-year high school course of study.

A number of enterprising Wayne ladies have started a movement for a Reading Room and Gymnasium for the benefit of the boys. The need of a place where our youth might gather and spend their evenings and other spare hours, has long been felt by many of our Wayne people. A little investigation on the part of the ladies has revealed a strong sentiment in favor of the movement. Liberal support has been rendered the project and it seems possible that pledges for some \$2000 can be secured. Besides a room where choice books and the best of newspapers and periodical literature will be provided, it is proposed to have a well-equipped gymnasium, with a swimming pool and various bath arrangements. In order that the boys may feel an individual interest in the affair it is that best to charge a small monthly fee of all who enjoy the privilege. However, the amount will only be nominal and will be paid in once a month at a social meeting of all members, when light refreshments will be served.

Adj. Gen. Culver in making an assignment of territory, entitled to a company of the Nebraska National Guards, decided about a month ago that the North Platte country should be next in order of recognition. Rep. J. O. Milligan, Wakefield, took the matter up with the Adjutant at the time and strongly recommended Wayne for the honor. Milligan then wrote Wayne parties regarding the matter,

urging them to talk it up and get the proper parties interested. There is a good list of available young men for such an organization in and around Wayne, and we believe they are all anxious to enlist. A militia company is a great benefit in many ways, and the discipline of the organization is of inestimable value to its members. It is often made the star social order of the community and the annual encampment affords a vacation of recreation that is above all desirable. It should develop the qualities of manhood in its members and instill the reasons why our stately emblem should be honored upon every occasion. After all, the thrilling stories of the Nation's history are clustered about the soldier. A militia company in our midst would stimulate all the elements of patriotism and that gets a community loyalty that makes us forget our petty strifes in our anxiety for the general good. Why of course Wayne should have a company of the National Guards, and we hope this opportunity will not go by default.

Manager Gossard of the local cream station is quite elated over the amount of business coming their way. The association is now patronized by about 125 customers and last week 55 cans of cream were shipped out, besides 14 additional cans that came too late to be consigned that day. The returns at present to the farmers is 30¢ cents per pound. During the first half of the month the price ranged around 27¢ cents, while during March the returns varied between 27 and 28 cents.

R. Philloco and J. W. Johnson were in Carroll between trains Tuesday. A yeartling colt belonging to Wm. Simmerman broke one of its legs Tuesday night. (Carroll News).

While Chas. App was on his way to F. Shrader's last Sunday both the horses which he was driving took ill. He reached his destination but was forced to let the team remain there until Tuesday. (Leslie Item).

William Hughes had quite an accident one day last week. He and his son, Robbie, were un hitching some bronchos from a disc and they started to run dragging Mr. Hughes and injuring him quite badly. (North Garfield News).

Car Out of Control

Deputy Sheriff S. C. Thompson investigated an accident Wednesday night four miles north of Wayne on Highway 15. According to Thompson a southbound car driven by James A. Sommerfeldt of Wayne went out of control on a resurfaced portion of the road and traveled 100 feet in the ditch on the east side of the highway before coming to a halt. No one was injured in the accident but a damage estimate of the auto was given of \$67.20.

Letters to The Editor

Dear Editor:

Ladies, gentlemen, and all the younger generation, due to the thoughtfulness of Chas Greenlee I would like to take the next few minutes to inform you of what your son, brother, uncle, etc, might be doing if he is in the United States Navy.

At the present time I'm an airman aboard the USS BON HOMME RICHARD (CVA 31) and I feel very fortunate to be a member of the air intelligence team. Our primary job is brief and debrief the pilots on missions they will be making during our tour in Vietnam.

The crew gave the ship the nick name of "Bonnie Dick". It is a 21-year-old aircraft carrier which came out of an eight-month major overhaul in 1966. By the way if you're wondering where some of your income tax went, it only cost twenty million dollars to overhaul her. They mainly put in air-conditioning for the comfort of the crew, and a new flight deck.

The ship is almost like a moving city because it offers just about any type of entertainment a person could want.

There are jobs we don't like to take on because they mean long hours, a lack of sleep, and sweat because they are filthy hot tasks. Believe me every one seems to live through them and after a while they make enjoyable stories to talk about.

The ship pulled out of San Diego on the 26th of January and it was a time of sorrow for many and a time of rejoicing for others. The tear drops fell from both men and women just before the brows lifted for the last time, but can you imagine the cheers and happiness which will return after it is all over for another cruise?

Since the date of departure there have been longer days, shorter tempers, and all sorts of hard work accomplished.

A Frontier Military Doctor in the spring of 1873, Dr. Thomas G. Maghee of Warrinton, Indiana, contracted with the U. S. Army to serve as a military doctor. He was assigned to the U. S. Cavalry and served at Fort McPherson, Nebraska, and Camp Stambaugh, Wyoming Territory. In 1871, the Nebraska State Historical Society published Dr. Maghee's diary, which covered the period from May 28, 1873, to August 14, 1875.

He enjoyed the excitement of aiding in scientific discovery, as well as the hunting of deer and antelope for the first time. The results of

Denny Mitchell, who is stationed at Adak, Alaska, telephoned his mother, Mrs. Marguerite Lange, Belden, Sunday, Apr. 16. Adak is one of the Aleutian Islands. It was 11:45 at night when Denny called and 4:45 in the morning in Belden. Both could hear conversation quite good. Dennis said time was going fast because he is busy most of the time. He said the call was costing only for the Omaha to Belden portion. He expects to be stationed on the island about a year.

Concord Will Have Another New Home

Nebraska's Mum City, Concord, will have another new home soon. It is the second new home to be started in recent months and the fourth in three years.

While this may not sound much like a building boom for some towns, it is encouraging to the 150 residents of Concord. They like their town and are happy to see it grow.

Mr. and Mrs. John Arvin Peterson, who farm southwest of Concord, are to build a new home and will move to town. Margaret Stahly and Anna Marie Krefels, Wayne, have a new home well underway which they will occupy as soon as contractors have it built.

The problems of owning a Cougar — and remaining a bachelor.

We know a customer. Perfectly happy young bachelor. Bought a Mercury Cougar in November. Became engaged two days ago. It's a problem. There's something about this cool new luxury

personal car that women really go for. Maybe it's the lithe lines, the sports car flair, the gleaming die-cast grille, the muscular V-8 engine. Or maybe it's all of these. (It's easy to see why

Cougar has been named "Car of the Year" by Motor Trend Magazine. Quite an honor. Quite a car!) Come in and see for yourself. But if you're a bachelor, don't say we didn't warn you.

ALLEN FFA officers lined up to congratulate Supt. K. R. Mitchell for being named honorary chapter farmer. The picture of the president, Dave Rasmussen, was spoiled by the microphone which obscured his face. This picture shows the vice president, Darryl Geiger, shaking hands with Supt. Mitchell as Dick Abris, reporter, waits his turn.

Honors Presented at Annual Allen Future Farmers Dinner Wednesday

Supt. K. R. Mitchell, Wayne Rasmussen, Bill Sachau and Darryl Geiger received the top honors Wednesday, Apr. 19, when the Allen Future Farmers of America held their annual banquet in the AHS gym. Several others were also recognized.

The Honorary Chapter farmer honor for a non-member who has contributed to the good of FFA went to Supt. Mitchell in recognition of his years' work with the Allen chapter. He was presented a plaque and personally thanked by each FFA officer in turn.

Wayne Rasmussen was honored with the FFA scholarship going to the member with the highest grade. He is president this year and was re-elected president for next year.

Two outstanding FFA members receiving plaques are Darryl Geiger and Bill Sachau. Geiger won the star Chapter Farmer award for the outstanding officer, barely edging out Ken Swanson for that honor.

Ken Swanson was the Green Hand award as the outstanding freshman in FFA.

Three of the first members of FFA when the Allen chapter was organized were introduced. They are Morris Carr, Fay Bock and Jim Geiger.

Sandman introduced as special guests the superintendent and board of education members of AHS, two guests from the Emerson chapter, the two area vice presidents and his own parents from Cambridge. Around 150 attended the affair put on by the 48-member Allen chapter.

Fifteen Cases in Wayne Court

Fifteen cases were presented before Wayne County Judge David Hamer during the past week. A total of \$845 in fines and court costs was collected from Monday to Thursday, with five of the assessments due to speeding arrests.

April 17, Leslie Graham, Lynch, was fined \$15 plus \$5 costs on a speeding charge filed by city policeman Keith Reed.

Rick Perry, Shelby, paid fines of \$25 for reckless driving and \$10 for a minor in possession of alcoholic beverages. Court costs of \$5 were paid of the complaint signed by Officer Reed.

The same day Sam Jensen, Wayne, was fined \$100 plus costs of \$5 for a minor in possession. Chief of Police Vern Fairchild was the officer bringing charges.

April 17, Wayne Wittig, Beemer, paid \$25 and \$5 court costs for reckless driving. Keith Reed brought the case before the court.

The final case of Monday was one in which Larry Tuttle, Laurel, was fined \$100 and \$5 costs and sentenced to 30 days in the county jail for being a minor in possession of alcoholic beverages. City policeman Fairchild filed the complaint.

April 18, Aubrey Nelson, Albion, was fined \$10 plus \$7.50 court costs and made restitution on a check in the sum of \$44.25. Raymond Nelson, manager of Merchant Oil Company, signed the complaint.

The same day Randy Dehn, Blencoe, Iowa, paid a fine of \$10 and court costs of \$7.50 and made restitution on a check for \$37.75. Raymond Nelson, manager of Merchant Oil Company, signed the complaint.

April 18, Paul Schulte, Norfolk, was assessed \$10 and costs of \$5 for speeding. State patrolman D. Matejka made the arrest.

The fourth case on Tuesday was one charging Richard Kaiser, Crofton, with disposing rubbish on the roads. A fine of \$25 plus \$5 costs resulted from the complaint filed by sheriff Don Weible.

Marvin Anderson, Laurel, was fined \$100 and costs of \$5 for being a minor in possession. Police Chief Fairchild signed the complaint.

The final case on April 18 was a speeding charge

filed against Dennis Rasmussen, Allen. A fine of \$10 and \$5 costs resulted from the complaint signed by Wayne County Attorney Donald Reed.

April 19, Lester Grose of Wakarusa paid \$10 and costs of \$5 for speeding. Patrolman L. Svoboda signed the complaint.

The same day Gerald Luehcke, Norfolk, paid \$70 for over-weight on tandem axles, \$55 for over gross weight, \$70 for over-weight on a group of axles, and \$10 for over-weight on capacity plates. Court costs of \$5 were also rendered on the complaint filed by scale operator H. Johnson.

April 20, Gary Delp, Norfolk, paid \$10 plus \$5 costs for fishing without a

Unfastened Seat Belt Results in Injury to Hoskins Man Thursday

Wayne Thomas Hoskins, was injured Thursday morning in a two-car accident on a county road one mile east and three miles south of Winside. According to Wayne County Deputy Sheriff S. C. Thompson who investigated the mishap, Thomas was thrown against the windshield when his car collided with one driven by Billy Suehl, jr., of Winside.

Thomas was rushed to a Norfolk doctor by his son, Bob Thomas, of Wayne, where stitches were required to close the gash beginning behind the right ear and ending just below the cheekbone. Thomas also suffered lacerations on the hands, elbow and leg. Suehl was not injured.

The accident occurred at 9:15 when a high embankment prevented the drivers of the northbound Suehl auto or the eastbound Thomas vehicle from seeing each other.

The Suehl car was extensively damaged in the

Identifies Veterans

Mrs. Art Auker was able to identify Roy Thorpe, Spanish-American War officer in the GAR picture Thursday. He is third from left in the bottom row. She said he was considered quite a hero in his day. He was from Wayne. The three men in the lower right corner were in the life and drum corps. Unfortunately, in making the picture for reproduction it was made for a larger space. When it came time to print there was not enough space and the men on the right and the men on the left were cut off the picture, making identification incorrect in the caption. Subtract one from each count given in the caption and you'll have the right ones identified.

Allen Boy Runs Fork Tine Through Hand

Mike Wilch, son of Mr. and Mrs. LeRoy Wilch, Allen, is recovering from an unusual injury incurred in an unusual way. He ran the tine of a pitchfork through his left hand.

The lad, who is in the kindergarten, was playing with his dog. As they ran, Mike accidentally tripped over his pet, falling on a pitchfork and sending the tine through his palm.

He pushed the pitchfork loose and then ran to his mother. She took him to Dr. Robert Bentback, Wayne, who has been treating the injury. Mike has had to have shots to help insure complete recovery.

Downtown Winside Undergoes Change

The Winside business district is getting a "new look". Changes are being made. Additions are being built and moves are contemplated.

A new business building is going up just across the alley west from Cliff's Tavern. It will house a new firm, Winside Building Supply.

Earl Duering, former manager of the Chicago Lumber Co., will operate the business. He will deal in builders' supplies, cupboards and other such "smooth" lumber and carpentry supplies.

Tri-County Co-op will move to the Chicago Lumber Co. site and will handle dimension and rough lumber. The firm will also continue to operate in the other fields as in the past and will be nearer its fertilizer plant.

Waterhouse Garage will move from its present location to the building being vacated by Co-op. Schmode-Weible Trucking Co. will use the location where Waterhouse is now for expansion.

Witt's Cafe is getting a new stone front with decorative stone trim on at Midland College, Fremont, Monday.

the side. Hill's Locker Plant has completed a renovation program that gives it an entire new front with a big new identification sign.
