

Lions Club Will Aid Blind

Wayne Lions Club members will become house-to-house salesmen Thursday and Friday, June 15-16. They will not be making money for themselves, however, but for the blind. A truck will be in Wayne from the Nebraska department that serves the visually handicapped. All of the items precision made will be those made by blind people.

According to Stan Smith, who is in charge of the sale, the blind are just as anxious as the sighted to earn their own way.

The one means for doing this is making things with their hands and they work to become skillful so there will be a demand for their products.

Over the years the blind of Nebraska have offered more and more products. At the same time, more and more visually handicapped have been able to hold heads higher as they make their own way.

Items will be sold directly from the truck. The Lions and the blind will appreciate all support given the project.

NEW SIDEWALKS went in on the west side of the main street in Hoskins the past week. Planks were used to enter business places while the concrete was hardening. This is one of the improvement projects for the centennial.

Rural Districts Must Meet

Annual meetings of all Class I schools in Nebraska are Monday, June 12, according to Co. Supt. Gladys Porter. Each district must make five reports, one of them in triplicate.

The five reports include: Financial status; census figures; list of handicapped children; minutes of the annual meeting; and certificate of taxation. The last-named must be made in triplicate, one copy for the district, one for the county superintendent and one for the county clerk.

Supt. Porter said there are 39 districts operating in Wayne County. Eight of these are contracting and the other 31 holding school.

Districts contracting are 7, 15, 36, 47, 64, 40, 72 and 84. District 15 will reopen next year so there will be only seven contracting. District 54 no longer exists, having merged with the district in Randolph.

When reports are in, Supt. Porter and Mrs. Darold Kraemer will compile a full report to send to the state department of education. For this reason, all reports must be turned in at once.

All district school meetings except that of District 72 where the schoolhouse burned. The meeting there will be in a home.

Methodist Church Pastorate Change

Methodist churches in Winside, Carroll and Allen will be served by new pastors at once. Changes were announced the past week at the annual convention.

Rev. E. J. Kess, who has served the Carroll and Winside Methodist churches, will go to Silver Creek. He will serve the church in town and a rural church near there.

Rev. John Craig, jr., Ponca, will move to Carroll. He will serve the Methodist churches at Winside and Carroll and serve with Rev. Cecil Bliss, Wayne, in a new Wayne-Winside-Carroll parish in the role of chaplain for Wayne State College and with Wesley Foundation.

The Allen-Ponca charge will have two ministers, Rev. Roger Jacobs coming to Allen and Rev. Joe Baer going to Ponca. Maskell will also be served by the two. Rev. Alfred Winkler has served at Allen.

Dixon and Wayne will see no changes. Rev. Jesse Withee, Laurel, will serve the Dixon church and the Logan Center EUB Church. Rev. Cecil Bliss will remain at First Methodist, Wayne, and will also serve Wayne State College with Rev. Craig as associate pastor in the parish.

Other area pastors returning to the same churches are: Rev. Richard Burgess, Laurel; Rev. Vivian Hand, Randolph; Rev. Howard Robertson, Stanton and Pilger. Rev. Craig was named district secretary for evangelism and Rev. Burgess district secretary for missionary work.

New Walks in Hoskins

Several lot-owners in downtown Hoskins have put on a sidewalk-building project. New side walks were put in this week.

Mary's Tavern, Commercial State Bank, Fred Kruger and Clarence Hoeman Plumbing have the new walks. They replace walks that were uneven and broken in spots.

Mayor Ed Kollath said the work was done as part of the dressing-up Hoskins is doing in preparation for the centennial celebration. The main business area of the town is included in the project.

Northeast Press Meeting in Wayne

The annual summer meeting of the Northeast Nebraska Press Association will be held Saturday, June 17, at the Wayne Country Club. Registration is at 10 a.m.

From 10 until 12, visitors will attend an open house at the Wayne Herald plant. A noon luncheon will be served. At 1:15, William "Mike" Eynon, district probation officer, will speak on "Probation and the Press."

At 2 the business session and election of officers will be held followed by a bridge tournament in the clubhouse and golf.

Junior Golf Jaycee Event

Wayne Jaycees are sponsoring a junior golf tournament Friday, June 16, at the Wayne Country Club. It is one of a number of projects the chapter has planned for the months ahead.

Entries are invited from all area communities, according to Ken Dahl and Larry Stevenson, who are in charge. Either one can give information or boys can get information at the country club.

Play is scheduled to start at 10 a.m. with each competitor playing 18 holes. All boys who will not have reached the age of 18 by Sept. 1 are eligible.

Trophies will be awarded winners. Top four golfers will get expense-paid trips to the state finals at Sidney July 13-15 and winners there will go to the national junior finals with all expenses paid.

Jaycees are working on several plans of action in the fiscal year ahead. Their projects are in civic improvement, community health and safety, agriculture and conservation, inter-club relations, Americanism, public relations, youth and sports, leader training, chapter management and other fields.

The Jaycees at their Tuesday night meeting reviewed the final report on the Scout Fun Fair they sponsored, the street numbers project for clubs, the awards banquet, minimum tillage days, work on getting a club in a nearby town, completing benches for the baseball diamond, centennial promotion and other projects.

Marvin Young, chapter president, will be one of the presidents attending a Jaycees presidents' meeting June 19 in Wayne.

Wayne Guard Unit to Electric Metronomes Memorial Gift

The music department of Wayne State College has received three electric metronomes as a memorial to Mrs. Bette Michaelson Krohn from her family.

Daughter of Mrs. Edna Michaelson of Norfolk, Mrs. Krohn was a music major at WSC from 1957 until her graduation in 1960. Many former Wayne Staters will remember her as an active music student, especially as a pianist, but also a member of the band, orchestra, choir, and Music Educators National Conference. She also was elected to Who's Who

Among students in American Colleges and Universities.

James Day, WSC piano instructor who taught Mrs. Krohn during part of her Wayne career, said "the music department is pleased to receive the gift of metronomes, which will be of valuable assistance to many developing musicians."

Among the first to try out the metronomes was Penny Shupe of Wayne, a senior piano major. The metronomes are devices which click tempo at whatever speed is set.

A WORTHY CRUSADE for new band uniforms was made by these members of the Wayne Junior High School. Shown left to right are Dawn Comon, Stephanie Spencer, Jeannie Wacker, Neil Preston, Bruce Zimmerman, Joe Manley, David Anderson and Duane Grosse. The sign that appears to be blank actually had writing on it but the film in our camera was not sensitive to its red paint. The uniforms are some old ones brought out of storage to emphasize the need. Band members are not really as bad off as the pained expressions indicate.

Band in Need of Uniforms

The Wayne High School band really needs new uniforms. The suits are not in as bad shape as those worn Thursday night by pupils selling tickets, but they do need replacing.

Music Boosters are sponsoring an old-fashioned ice cream social Friday, June 16. The members of the band sold tickets last Thursday and will sell tickets again Thursday of this week.

The tickets are helping to raise money through sale of a quarter of beef. This was donated to the band by Central Market.

Don Schumacher, WHS band instructor, reports there will be around 120 to 130 eligible for senior high band this coming term. He estimates 90 new uniforms are needed for the expanded program.

According to Supt. Francis Haun, the band will probably be divided for programs and classes and will join for marching. This would give the school a "varsity" band and a "cadet" band.

The new band room at the high school will afford ample storage space for uniforms for the first time. Soundproof facilities are being constructed.

Homemade ice cream and cake will be sold. The band will give a concert. Prizes will be given for the best centennial or authentic costumes by a family and by a woman and for the best beard grown by a man.

The Spook Speaks

One of Wayne's leading golfers went to the Neligh golf tournament. He forgot two things—his golf shoes and his golf clubs.

The editor of The Wayne Herald received a letter from Hoskins with this address and nothing more: "Chas 68787."

A sign outside Fremont advertises "Downtown Motel." Just in case you can't find the location, the entire sign reads: "Downtown Motel (uptown)."

Carroll Festival This Week

The first of the area celebrations comes up this week. The Carroll Festival will be held Tuesday, June 13, and Wednesday, June 14.

Main activity is on Wednesday. However, there will be a carnival set up Tuesday and there will be afternoon and evening events, all free.

Queen City Rides will have the carnival. It will include rides and the usual concessions. A food stand will also be operated the two days.

Those attending are asked to wear centennial or authentic oldtime clothes. People in Carroll hosting the affair are especially urged to be in dress of long ago.

Tuesday's events include a baseball game and a water fight. The baseball game will put the farmers of the area against the men of the town at 2. Water fights will begin at 7.

Wednesday will be the big day. A kiddie parade for those 12 and under will be held at 10:30 a.m. The grand parade (buggies, antique cars, floats, etc.) will be at 1:30, a Wayne High band concert at 4:20 and a square dance at 8.

Members of the sponsoring Carroll Community Club report there has been an unusually high interest in the parade. They have more and better entries and are giving some of the credit to this being the state's centennial with a lot more people willing to participate.

MEMORIAL METRONOMES: Penny Shupe, given to the college as a memorial to Bette WSC music student, inspects three metronomes Michaelson Krohn.

Carroll Men Go to Capitol

A delegation from Carroll and Belden visited the state capitol building Friday. They were seeking promises of road work on Highway 57 between the two communities.

They called on Sen. Elmer Wallwey, Emerson, who represents this district, Gov. Norbert Tiemann and the state highway department. They made up one of the largest delegations to ever go from the two towns.

Rallying point was the fact only ten miles of the road needs to be surfaced to provide a connecting link between Highways 2 and 98 which connect with 35.

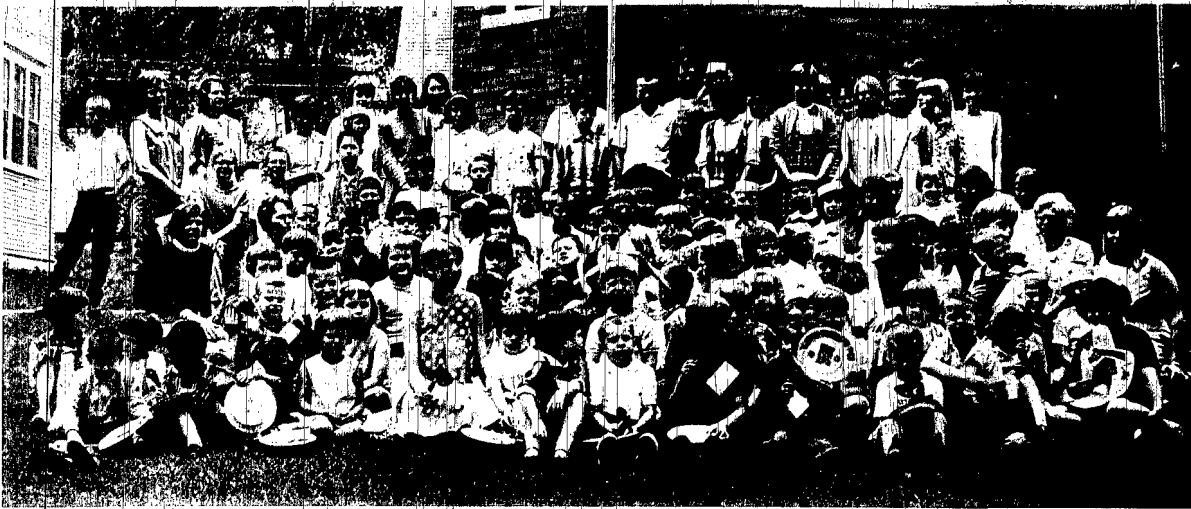

A bit of inspiration was given their move when an outside firm recommended that the state not only not pave the ten miles but drop it from the state highway system. In other words, the firm suggested that it be turned over to the county.

A Carroll businessman said the general feeling there was: "It is ridiculous to spend money for outside boards to investigate road needs when we have our own qualified highway board that is more aware of Nebraska needs than any outsiders could be."

Carroll had sent a delegation to Lincoln over a year ago seeking the same work. However, the delegation lacked a lot of being as big as the one that went by car caravan to Lincoln Friday.

CARROLL AND BELDEN area men went to Lincoln Friday to talk to their legislators, the governor and the highway department concerning Highway 57 from Carroll to Belden. This is the group, just before they left in a caravan of cars. Everyone can be seen except Arnold Junck, who kept standing directly behind someone else.

VACATION BIBLE SCHOOL of the First Methodist Church, Wayne, drew this group of youngsters. Teachers of the various classes are shown with the group outside the church. The children hold some of the items they had made during the school.

Bible School Ends at First Methodist Church

Vacation Bible School ended Tuesday at Wayne's First Methodist Church with a program featuring all 15 youngsters who had enrolled. The program, which demonstrated some of the things the children had learned during the one-week session, was presented after a lunch, was served.

Mrs. Herb Niemann and Mrs. Gary Henriks served as superintendents throughout the term while Linda Preston assumed the secretary-treasurer position. The nursery was taken care of by Mrs. Don Helgren

The Wayne (Nebr.) Herald, Monday, June 12, 1967

and Dolores Bull. The four-year-olds were under the supervision of Mrs. Darrell Fuelberth, Linda McKinley and Marcia Ehlers. Mrs. Ken Deissler, Mrs. Larry Stevenson, Diane Olds, Nancy Hamley and Tracy Preston taught the kindergarten class.

The first and second grades were instructed by Mrs. Duane Lutt, Mrs. Gerald Hamm, Claudia Niemann and Sue Ehlers. Mrs. Robert Sutherland, Ann Preston, Susan Stokes and Marilyn Stokes directed the third and fourth grades. The fifth and sixth grades

studied under Mrs. Lester Hanssen, Lorraine Summers and Karen Willis. Mrs. Rachel Wolske furnished the cookies and kool-aid for the lunch.

Bible Schools Held
St. Paul's Lutheran Bible School closed June 2 with a wiener roast and program at the church. Theme of this year's session was "The God I Have." Mrs. Carl Ehlers served as superintendent. One hundred fifty-one students from Carroll and Winside were enrolled. On the teaching staff were Mrs. Richard Ditman, Mrs. David Warnemunde, Mrs. Don Larsen, Mrs. Louie Willers, Mrs. Wayland Zimmermann, Mrs. Guy Stevens, Mrs. LeRoy Damme, Mrs. Evelyn Schreiner, Mrs. Adolf Miller, Mrs. Alvin Schmode, Mrs. LeRoy Barner, Mrs. Arnold Janke, Mrs. Cyril Hansen, Mrs. Ben Fenske, Judy Brader, Charlene Johnson, Judy Stevens, Dianna Janke, Patty Frevert, Patty Brader, Patty Hoeman, Marilyn Stevens, Connie Deck, Cindy Broehlich, Jana Reeg, Patty Menke, Carol Bleich, Sandra Deck, Jane Witt and Beverly Junck, and Darrell Grothe.

Bible School was held at Trinity Lutheran Church from June 5 through 9. Mrs. Clarence Pfeiffer was the chairman. Theme was "God in My Life." Thirty-four students were enrolled. A picnic and program was held Friday. Teachers and assistants were Mrs. Lowell Rohlf, Bonnie Frahm, Mrs. Warren Jacobsen, Beverly Gallop, Diane Krueger, Lynette Carstens, Barbara Gallop, Kathy Pfeiffer, Mrs. Jack

Krueger and Mrs. Pfeiffer. Methodist Church Bible School sessions were held June 5 through 9. Mrs. James Christensen was general chairman. All lessons dealt with Paul's travels. A picnic and hike was enjoyed Friday. Teachers and assistants were Mrs. Robert Cleveland, Terry Cleveland, Jack Christensen, Nancy Mansdall, Rita and Ora Quinn, and Mona and Renee Langenberg.

Card Club Meets
Mrs. Bruce Wylie was hostess to Town and Country Card Club Tuesday. Prizes went to Mrs. Morris and Mrs. Don Quinn. The birthday song honored Mrs. Wylie and Mrs. Paul Zoffka. Next meeting will be August 8 with Mrs. Zoffka.

Mr. and Mrs. John Rohlf, Mr. and Mrs. Herb Jaeger and Mrs. Paul Zoffka and LeNel attended the silver wedding anniversary of Mr. and Mrs. Harry Weise at Blair Saturday.

In Randolph District

District 54, Wayne County, is no more. It became a part of the Randolph Public School District this past week. County Supt. Gladys Porter reports the law's requirements have been met and for all practical purposes it is in Randolph's district. Two farms are all but in District 17. The Sals and Heithold farms were allowed to come in when no one appeared to protest the transfer.

Social and Club News

S. Mason - J. Fluhart Set August Wedding

Mr. and Mrs. Milton J. Mason, Wayne, announce the engagement of their daughter, Sheryl Lynn, to John Fluhart, son of Mr. and Mrs. Carl Fluhart, Hastings.

An August wedding is being planned.

E. McCoy - D. Harrison Betrothal Announced

Mr. and Mrs. Ford H. McCoy, Omaha, have announced the engagement of their daughter, Evonne Ann, to DeWayne "Todd" Harrison, son of Mr. and Mrs. Darrell W. Harrison, Wayne.

Miss McCoy attended Duchesne College, Omaha, and will be an August graduate of the University of Nebraska. Her fiancé attended WSC and is a graduate of the University of Nebraska. He is a member of Alpha Social Fraternity, Mu Upsilon Nu and Pi Epsilon Delta honoraries. Both have signed contracts to teach in the Milwaukee public school system.

The wedding is planned Aug. 12 at Immaculate Conception Chapel at Boystown.

Hillside Club Meets With Mrs. Rethwisch

Mrs. Lowell Rethwisch entertained Hillside Club June 6. Twelve members were present. Mrs. Laurence Thomson was in charge of entertainment. Prizes were won by Mrs. Henry Rethwisch, Mrs. Norman Maben and Mrs. Felix Dorcey. July 5 meeting will be at Bressler Park.

Carol Andersen, Bernard Craven Wed in Randolph

Carol J. Andersen, daughter of Mr. and Mrs. Leonard Andersen, Winside, and Bernard R. Craven, son of Mr. and Mrs. Ray Craven, Randolph, were married May 27 at St. Frances de Chantal, Randolph. Father, Emmett Meyer officiated at the double ring ceremony. Music was furnished by Kathy Mannion.

The bride, given in marriage by her father, wore a floor length gown of peaseutta and rose point lace. The bodice featured a jewel neckline over-topped with matching lace, trimmed with sequins and pearls. A detachable train of lace and sequin trim fell from an empire, A-line silhouette. Her bouffant elbow length veil was held in place by an imported headpiece made of illusion leaves trimmed with tiny glitter buds backed with two sweetheart roses. She carried a cascade of white butterfly roses and white pompons accented with aqua net and white piquet satin streamers.

Betty Andersen, Winside, served as maid of honor. Nancy Ofer was bridesmaid. They wore identical floor length empire style gowns of crystal aqua. The fitted bodice of lace featured a scoop neckline and ruffle trimmed elbow length sleeves. The sheath

Esther M. Loberg, Larry L. Coble Repeat Vows in Rites at Norfolk

Esther Marie Loberg, daughter of Mr. and Mrs. Reynold E. Loberg, Carroll, and Larry L. Coble, son of Mr. and Mrs. Lavern Stevens, Madison, were married May 29 in 11 a.m. rites at St. Mary's Catholic Church, Norfolk. Officiating were Rev. Ralph Stephensmeier, Norfolk, and Rev. Emmett Meyer, Randolph. Music was furnished by Lawrence Huddle, Madison, soloist,

and Sister M. Cecilia, Norfolk, accompanist.

The bride, given in marriage by her father, wore a floor length gown of silk organza and chantilly lace. The fitted bodice was fashioned with a Sabrina neckline and long tapered sleeves. The full skirt featured a panel of lace scalloped at the hemline and an aisle wide train formed of tiers of lace ruffles. Her silk illusion, shoulder length veil was held by a white satin bow accented with a smaller bow of beaded lace. She carried a cascade arrangement of white pompons featuring a removable corsage of two white cymbidium orchids highlighted with blue net tufts and white piquet satin streamers.

Betty Rae Loberg, Carroll, served her sister as maid of honor. Bridesmaids were Mrs. Ray Loberg, Wayne, Mrs. Harold Loberg, Carroll, and Mrs. Dennis Ronspies, Pierce. They wore identically styled gowns of blue satin featuring bodices of light blue brocade. Each wore a circular hat of light blue net with a blue satin bow. They carried semi-colonial bouquets of white mums and white pompons accented with blue satin streamers and net tufts. Liz Ann Stevens, Madison, was flower girl, and Bill Stevens, Madison, was ringbearer.

A reception for 140 guests was held in the church parlors following the ceremony. Mr. and Mrs. Vern Jensen were hosts. Barbara Farran registered the guests. Gifts were arranged by Linda Wiltler, Jodie Graber and Sharon Dickes.

The cake was served by Mrs. Marvin Andersen and Mrs. Dewey Jensen. Mrs. John Borgmann and Mrs. Erving Reding, poured. Mrs. George Farran served punch. Waitresses were Mrs. Gary Bowder, Mrs. Jim Bottolfsen, Mrs. Gaylord McKeown, Mrs. Larry Scott, Joan Reding and Mary Borgmann. Mrs. Paul Zoffka, Mrs. Vernon Hill, Mrs. Herman Ofer and Mrs. Richard Berniel were in charge of the kitchen.

The bride attended Winside High school, Norfolk Beauty College and is presently employed by Norfolk Beauty College. The bridegroom is a graduate of Randolph St. Francis high school, Norfolk Junior College and is presently employed by Sears Co., Norfolk.

After a wedding trip to Lake Okoboji the couple will reside in Norfolk.

Staudenmaier was in charge of the guest book.

Mrs. Leland Dewitz poured. Mrs. Jerry Lapour and Mrs. Terry Nelson served punch. Mrs. Joe Bonowitz and Mrs. Melvin Loberg cut and served the cake. Waitresses were Carolyn and Marilyn Fick, Patty and Karen Menke and Diane and Debbie Stapleman. Assisting in the kitchen were Mrs. Clarence Stapleman, Mrs. Lester Menke, Mrs. Glenn Loberg and Mrs. William Loberg.

The bride was graduated in 1961 from Wayne High School and has been employed by Northwestern Bell Telephone Co., Norfolk. The bridegroom, a 1960 graduate of Madison High School, served four years in the U.S. Navy and is presently employed at Automatic Electric, LaCygne, Kan.

Following a wedding trip to Lake Okoboji, the couple will reside in LaCygne, Kan.

Art Survey Presented At Presbyterian Meet

A survey of American paintings from the Revolutionary times to the present was presented with slides and narration by Mrs. Carl Lentz at the meeting of Presbyterian Women's Association Wednesday. Mrs. Evan Hamer led devotions. Mrs. Wilmer Griess was chairman of the hostess committee.

A birthday party is planned June 21 with Mrs. Tom Lambert in charge of the program. She will present a chalk talk. Mrs. Paul Mines will be hostess chairman.

Wedding This Month

Mary Wert, daughter of Mrs. Archie Wert, Wayne, will become the bride of Larry Nichols June 25. Her fiancé is the son of Mr. and Mrs. Charles Nichols, Wayne.

Two From Area Get Nurse Caps

Two area young women were among those getting nursing caps at St. Joseph Mercy School of Nursing, Sioux City, Sunday, June 4. They are Mary Wert, Wayne, and Shirley Grella, Laurel.

Miss Wert is the daughter of Mrs. Archie Wert. Miss Grella is the daughter of Mr. and Mrs. Charles Sutton.

The award for the highest scholastic achievement went to Miss Grella, who had a 3.5 average. Both young ladies attended baccalaureate mass and commencement Sunday.

Allen Plans Indefinite

The Herald carried information last week on the K. R. Mitchell Scholarship being planned at Allen. It was stated that the scholarship would be to Wayne State College. This is wrong, due to a misunderstanding. Personnel at WSC have been helping to work out the plans for the scholarship but there has been no decision as to where it will be good.

Business Notes

Mr. and Mrs. Everett Newman, Hoskins, have purchased the facilities at Weetown, which include a cafe, tavern and service station. They are continuing to farm but have moved to Weetown and the youngsters will attend school at Pierce this fall.

Dixon Nun to Study Session in Minnesota

Sister Mary Hugh McGowan, daughter of Mr. and Mrs. Anthony Mc-

Gowan, Dixon, will be one of three area Benedictine Sisters from Yankton attending special courses at colleges and universities this summer.

Sister Mary Hugh will attend a summer session at the University of Minnesota.

Three WS Faculty Members Get Grants

Three members of the Wayne State English faculty have received grants from the Nebraska Council on the Humanities and Social Science Development Program.

David Allen was selected for a teacher exchange grant giving him a full academic year of doctoral study with full salary at the University of Nebraska. This grant comes under a new federally financed program similar to National Science Foundation grants in effect for several years.

There will be 131 sisters in all going from Yankton to the schools. They are all from Sacred Heart Convent, Yankton. Another from Northeast Nebraska taking special courses is Sister Brenden Rush of Ponca.

Mrs. Ruby Pederson both received research grants-in-aid from the same council, both providing about \$500. Mrs. Rice will do research on the topic, "A textual evaluation of the various manuscripts of Mari Sandoz's 'Old Jules'." Mrs. Pederson's topic is "Mari Sandoz as Teacher."

Another member of the WSC faculty, Dr. Glenn Baker of the applied arts division, is the author of an article entitled "Safety in the School Laboratory," printed in the May 1, 1967 issue of School Shop.

COMMUNITY WELFARE CLUB, Concord, had several members in centennial clothes Wednesday. Seated (left to right) are Mrs. Delmar Holdorf, Mrs. Meredith Johnson, Mrs. Fritz Rieth, Mrs. Norman Anderson and Mrs. Kenneth

Klausen. Standing are Mrs. Bob Fritschen, Mrs. Arthur Johnson, Mrs. Vaughn Benson, Cheryl Anthony, Mrs. Jim Kirchner, Gertie Erwin, Mrs. Ivyn Clark and Mrs. Dan Anthony.

MIDGET PLAYER Dero Austin says "Batter up," as he tries his hand in the catcher's position. He is one of the many characters appearing with the Indianapolis Clowns baseball team Friday, June 16, at 8 p.m. in Wayne.

Midget, Clown Pace Indianapolis Team

A 31-inch midget and a player who can really clown it up are two of the stars of the Indianapolis Clowns who will be in Wayne Friday, June 16, at 8 p.m. at the baseball diamond. Dero Austin is the midget and Birmingham Sam is the player-clown.

Dero says he has been juggling baseballs since he was "knee high to a grasshopper." He has grown a little since then. His father, also a midget, is manager of a team at Grandfield, Okla.

The manager of the team, Ed Hamman, says Austin is worth his weight in gold—he can sleep in his suitcase, saving hotel costs. He also checks figures at the gate, fills in at second base and is the club secretary.

Sam is one of the spark-plugs of the team. He keeps a running line of chatter which keeps the crowd laughing. He is team captain and his "signs" are so noticeable to keep the opposition fooled. "I have more signs than the club has baseballs," Sam Brison says.

He is the pic who peps the team up when it's behind. He can hit when two are out when the bases are loaded. He supplies the laugh that keeps the crowd roaring for more. He is just one of many stars on the team.

Hoskins Drivers Hold First Three Spots in Norfolk

After two sessions at Riviera Raceway, Norfolk, Hoskins stock car drivers hold the first three spots in winnings. In addition, all six of the racers from Hoskins are among the top ten in wins.

As many as 43 cars have been entered at the Sunday night races at Riviera. More than two nights of races have been scheduled but rains have forced cancellation some nights.

Gene Brudigan is the leader in points at the present time. Gene Wagner is second and Harold Brudigan third. Other Hoskins drivers are Danny Friend, Harold Brudigan, Gerald Bruggeman and Arvon Kruger.

Wayne County also has two other cars competing at Norfolk. Louis Meyer, Wayne, has a car driven by Gary Nelson, Omaha. A Weyhrich entry from Winside is also taking part.

Norfolk plans call for rescheduling races Wednesday night's whenever Sunday races have to be postponed. Many of the Hoskins drivers are also competing Friday nights at Albion. Results of the Albion and Norfolk races as far as Wayne County entries are concerned will be carried in Thursday issues of The Herald from now on.

Hoskins Baseball Program Begins

Dale Carter is handling the baseball program at Hoskins again this year. He has two groups, 13-14 and 10-11-12 so far and expects to start with the 8-11 year olds this week, depending on how much interest there is.

There are 11 boys out for the Pony League, which is the older group. Pee-wees, the next age group, have about 14 boys showing up.

First practice was held last Monday. Practices are now scheduled Tuesdays and Thursdays at 6:30 for the Pee-wees. Pony League practices Mondays, Wednesdays and Fridays at 6:30.

No games have been scheduled for the Hoskins teams yet. However, Carter is contacting area towns where baseball programs are similar and expects to line up a number of tilts.

Carter taught at Hoskins until last year. He has been going to college but will resume teaching this fall, having signed a contract with Northern Hills elementary school, Norfolk, where he will teach the sixth grade.

Teams Go to Laurel

Wayne's Midget and Junior teams go to Laurel for baseball games Monday, June 12. They had been scheduled to play Schuyler Friday but rain forced postponement. Wayne Town Team plays Lyons in a league tilt Thursday, June 15, at Wayne. Next Tuesday the Midgets and Juniors go to Pierce and next Friday the Midgets and Juniors play Wisner here.

Homer Hurler in No-Hit Victory

Paul Splittorff threw a no-hit no-run game against Wayne Town Team Thursday night on the Homer diamond. His teammates were banging out ten hits against three Wayne hurlers to coast to a 10-0 victory.

Homer Juniors Defeat Wayne

Don Goeden struck out three, Jim Mau two and Larry Wilbeck one for Wayne. They gave up nine singles and one home run. The home run was by B. Jacobsen, who also had a single. Don Chicoine and Bill Goodwin each had a pair of singles for Homer and Leon Popevis, Ray Casey, Tom Sawyer and Tom Stringer each hit a single.

Homer Juniors defeated their Wayne counterparts 2-1 on the Homer diamond Wednesday night. The host team scored twice in the final frame to earn the victory after Wayne had led 1-0 from the first inning.

Allen Youth in National Finals

Bob Meyer, an Allen High School pupil, has earned a berth in the national judo finals. He won second in the regional championships in Des Moines Sunday.

Carroll

Mrs. Forrest Nettleton Phone 585-4833

Carrolliners Club Meets

Carrolliners 4-H club met Monday afternoon at the Carroll auditorium with 19 members and a guest, Debbie Landanger, present. Roll call was to name a favorite movie; serving were Vina Olson and Debbie Davis. Cyndia Owens demonstrated sharp stitching and Jill Kinney, making a "Skirt & Blouse Group" are starting to make blouses; "Let's sew group" pin cushions and "Groom your room" group worked on laundry bags. The cooking group discussed vegetables. June 19 will be a centennial meeting. Members are to wear centennial dresses. Dorothy Denson and Sharon Petersen will serve.

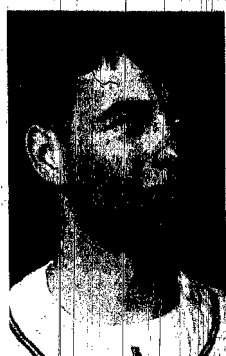

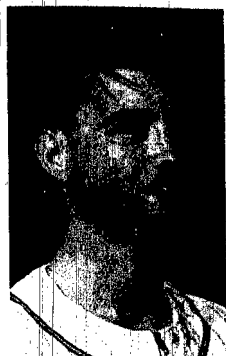

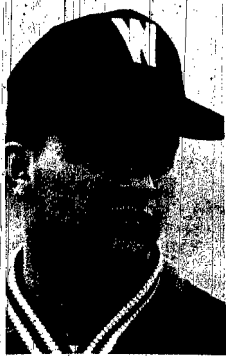

Winside Midgets Playing Thursday

Winside Midgets will see their first action Thursday, June 15, according to Frank Weible, who is scheduling games for the team this year. Pilger will be in Winside for a 6:30 game.

Kenny Fleer is in charge of the Midgets. They practice Tuesdays, Thursdays and Sundays at 6:30.

Pete Kropp is in charge of the boys too young for Midgets. They will start practice at that time each Monday, Wednesday and Friday. The Pender tournament is on the schedule but no other games are definite yet.

Winside has no Junior team this year. Most of the boys eligible for Juniors last year are too old this

THREE WAYNE STATE baseball players earned All-Nebraska College Conference honors, and a fourth received honorable mention. Named to the first team by conference coaches were (left to right) pitcher Jim Rasicot, sophomore from Bloomington, Minn.; outfielder Bob Gaeta, senior from Omaha, and Rich

Symonds, junior from Cumberland, Ia.; Bob Symonds, also a junior from Cumberland, was the honorable mention. Usually a centerfielder, he switched to first base this season after recovering from a leg fracture.

Confirmed at Church

Eleven young people were confirmed at St. Paul's Lutheran Church recently. They are: Karen Baker, daughter of the Clyde Bakers; Delbert Clausen, son of the Dale Clausens; Lorna Harder, daughter of the Lavern Harders; Gregg Jager, son of the Walter Jagers; Roger Kay, son of the Harry Kays; Scott Kraemaer, son of the Darold Kraemaers; Linda Lesh, daughter of Mr. and Mrs. Richard Lesh; Karen Nedergaard, daughter of the Gordon Nedergaards; Fred Netherda, son of the Anton Netherdas; Dennis Redel, son of the John Redels; and Douglas Stanley, son of the Robert Stanleys.

Business Notes

Ed Wolske, owner of Wolske Auto Service, has been notified that his dealership won first place among the 41 dealers in the district on a percentage basis for sales in the March through May 1967 period. As the top Pontiac agency, Wolske and his wife have won an expense-paid trip from Wayne to Omaha and to Mexico City and Acapulco, Mexico. They will be guests of Pontiac for a week at no cost whatsoever to them from the time they leave home until they get back.

CONCORD'S DEPOT is being razed. This is how it looks now. But going up in Concord are two new homes, the one almost finished being that of Anna Marie Kraetzels and Margaret Stehly, and the one just barely started belonging to Arvid Peterson. Ricky Rees is the boy standing on the pile of dirt.

Concord Landmark's Days Are Numbered The Concord depot of the Chicago, Minneapolis, St. Paul and Omaha Railway are numbered. Now a CS&NW branch, the line has not had the depot open in Concord for around 20 years.

Ernest Bates is tearing down the structure. He works at this as he finds time so the final razing activities will be extended over a long period of time. Concord Produce was the last user of the building, storing feed for several years. Even that was given up two years ago and pigeons had taken over with the predicatable result that kids with rocks and guns also took over, breaking out most of the glass. While the old disappears, it is not a sign of decline for Concord. Two new homes are going up within sight of the depot.

Misc. Services HOT TARRED ROOF—steep roofs. Contact Casey Roofing Co., Laurel, Nebr. 256-3459. m30tf

Guard -

(Continued from p. 1)
the 168th artillery, the 43rd army band the 111th public information detachment.
Around 3,700 guardsmen will go to Ft. Carson for the two weeks. An unusual feature will be training exercises with the active mechanized unit stationed at Ft. Carson. Another unusual feature will be remaining in the field the entire two-week period.
A new officer in the Wayne unit is Mark F. Utecht, Wayne. He was commissioned in Lincoln Thursday, a graduate of Ft. Sill OCS and one of 14 guardsmen commissioned as second lieutenants in the guard.

Farm Woman Getting Around on Crutches

Mrs. Glenn Olson, farm wife living south of Winside, is getting around on crutches at times and in a wheel chair at other times. She suffered a broken leg in a mishap at the farm Memorial Day.
She is able to do some of the work but also has help. Her husband's parents, Mr. and Mrs. Anton Olson, are staying with the couple to help out for a short period.
Mrs. Olson was coming out of the brooder house May 30 when she slipped. She broke her left leg above the ankle.
She was brought to Wayne to have the broken bone set. A cast from toe to knee was put on her leg and she was told she could expect to keep the cast on for about six weeks.

Honor Pastor, Youth

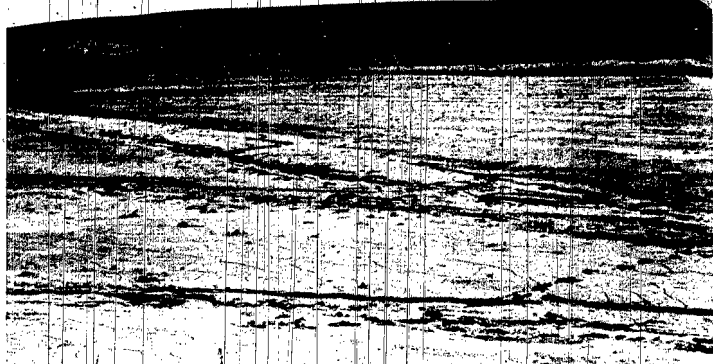

The Carroll Methodist Church honored the pastor, his wife and the young people at a fellowship dinner Sunday. Rev. and Mrs. E. J. Kess, who are going to Silver Creek, were given a farewell and gift. Children who had attended Vacation Bible School were also honored. They presented a short program during the Sunday School hour showing some of the work they had covered in lessons.

We've Had Rain!

It was just a little over two weeks ago this area was enduring an unseasonal heat wave with readings in the 100's. Since then, we have had rain!
Ralph Watson, who has government gauges at his farm three miles north of Wayne, reports almost seven inches of rain has fallen since the first shower fell Friday, May 26.
The total was boosted again Friday night and Saturday morning. A total of 1.04 inches of rain fell in the area accompanied by sharp cracks of lightning and rolling thunder at first and then giving way to a slower more gentle rain.
In all, Watson estimated 6.86 inches of rain fell from May 26 through June 9. The word "estimated" is used because he had sent in the report sheet for May to the government weather bureau but recalled most of the rainfall amounts.
State National Bank gauges showed slightly less rain in town for Friday night and Saturday morning. A reading at 7:30 Saturday showed the total at .90 of an inch.
Forecasters were calling for more of the wet stuff through the weekend with rains ending Monday. Two weeks ago that might not be good news but after all the rain the area has had, a respite will be welcome.

Choose Carpet Colors

Two colors of carpet have been chosen for three areas of the new high school in Wayne. King's Carpets will put in carpeting as follows: Library and offices, olive green; home-making living area, gold. Mohawk Carpet was selected for the work.

RECENT HEAVY RAINS have caused flooding on soil in the bottomland of Wayne County, the SCS reports. The picture shows how the bottomland is covered with light soil and the soil of the hill is exposed.

Flooding of 'Valley' Soils in This Area

Wayne County Soil Conservation District personnel shows McPaul silty loamy soil, the rich soil of bottomland valley areas in the county, is being covered by soil that is not so rich due to the flooding in heavy rains.
The McPaul soils are light-colored surface layers. The light color is caused by washed in materials.
Dark soil should be protected from this less-protective washing in soil from the surrounding upland. It is much more productive if the soil from above never washes down to cover it.

Bible School Open

Peace Evangelical and Reformed Church, Hoskins, held an open house Sunday at 9:15 a.m. Summer Bible School classes at Peace and Hoskins look part.

House for Hoskins

At 10:30 a.m. the children's day services for the two churches were held at the church two miles southwest of Hoskins on Highway 35. A picnic was held at noon in the church grove.
Rev. John Saxton, pastor, reports the second week of SES will be held 9 to 11:30 a.m. daily. A guest of WMS Tuesday will be Pastor Edmund Tawia, Ghana, Africa. Youth fellowship cookout will be held evening at 7:30 at Judy Walker's.

Conducts Workshop

Mrs. Marvin Fuhrman, Hoskins, a teacher at Norfolk, left Sunday for Overland Park, Kan., to conduct a week's workshop in project English using the Nebraska curriculum of English materials. The Overland Park area is a suburb of Kansas City. Mrs. Fuhrman will work with 75 elementary teachers from the rapidly expanding school district.

Heavy Loss in Farm Blaze

Mr. and Mrs. Lowell Glassmeyer, Wayne, incurred heavy loss on their farm five miles south and three miles west of Wayne Monday night. Where buildings once stood there is now level ground.
The farm home is occupied by Ed Glassmeyer, who was gone at the time. Mrs. Paul Dangberg saw the fire and called the Wayne and Winside fire departments and then notified the Lowell Glassmeyers.
A huge barn, loaded with hay, was completely destroyed. The fire was so far along by the time the two departments arrived the heat made it almost impossible to get near the burning structure. Before the fire could spread, firemen watered down the granary and corn crib. However, 38 tons of hay, some straw and some grain burned along with the barn itself.
The fire alarm was turned in at 6:20. Firemen finally left at 1 a.m. and friends and neighbors remained at the Glassmeyer farm until

Summer School Begun in Allen

Summer school under the Title I provisions started Monday at Allen. Don Pack, Ponca, is in charge of the program.
Pack reports 34 enrolled in elementary classes and 15 in high school classes. Pupils come from Allen, Ponca and many rural districts in the area.

The past year Pack has been teaching at Waterbury's elementary school and was named project coordinator for the Allen program. This coming year he will teach at Des Moines.

He reports elementary pupils working at three different types of reading: Science Research Associates laboratory; Educational Development Laboratories; programmed readers; and individual reading involving children's books. Mathematics, language arts and physical education are also offered.

Mrs. Noelyn Isom is in charge of first, second and third grades. Mrs. Marvin Reuter has fourth and fifth and Mrs. John Meyer sixth, seventh and eighth.
High school courses are a American history and world history taught by Wes Wingett and language arts and science taught by Mrs. LeRoy Wilch.

The Allen program runs eight weeks starting June 5. Iowa Basic Skills tests will be used to determine educational growth. Last year the pupils showed six months growth in the two months period.
Physical education for both high school and grade school is handled by Jon Olson using the youth fitness manual from the American Association for Health, Physical Education and Recreation.

Two sessions of driver's education at Allen are under a separate plan. Ron Fixsel, Battle Creek, Ia., is in charge. His wife is attending school at Wayne State College this summer. The classes last from 7 to 10 daily with one session ending in July and the other starting immediately.

Landscape Plan Set for School

The school board of District 17 has voted to have a landscaping plan drawn up for the new high school. This will be submitted to the board for approval and then submitted to nurseries for bids.
Another problem is not so easily solved—drainage onto Sherman St. Residents of that street near the high school met with the board Monday. The board agreed there is a problem, agreed to investigate several solutions but arrived at no decision.

Larry King, King's Carpets, also met with the board to submit the specifications on carpet for the school. The board voted to accept his bid of \$3,245 on Mohawk Carpet for the points where specified.

Officials of the First National Bank, Wayne, met with the board to describe the computerized payroll plan which the board has voted to adopt Sept. 1. First National will become the depository for school funds this month, the board rotating deposits every three years between State National and First National.
Supt. Francis Haun asked the board if it would approve leasing a small office in the middle school to the educational service unit for Supt. Harry Mills. A few small rooms will be available and the board gave approval to making one available to the unit.
A report was given by Supt. Haun on the visit he, Mrs. Warren Summers and Mrs. Edna Nissen made to Crete and Seward to inspect their methods of transporting school hot lunches. Seward transports some meals as far as 20 miles to education units while Crete's situation is more like Wayne's. A state ex-

pert will be here to make suggestions on the use of thermal containers on large casters in such a program.
Budgets for the coming year were discussed. The board will give consideration to the budget in July, the first figures being preliminary.
Libraries will be set up in the middle school and high school this summer. Mrs. Laura Fredrickson at WMS and Mrs. Donald Merriman at WHS will sort, repair and catalog during the vacation period.
In other action, the plans were considered for moving to the new high school Aug. 1, and fixing the roof on the elementary school. The bonding company will be asked again to get the repairs made as earlier requests have brought no action.

LET WANT ADS WORK FOR YOU

BIGGEST WINNER in Bonus Bingo at Super Valu so far is Earl Rhodes, Winnebago. He is shown receiving \$200 cash from Al Wittig (left) and Don Wittig. Rhodes, who lives 28 miles from Wayne, comes here often to shop. His family includes six children so the prize money will come in handy.

FIRST LUTHERAN CHURCH, Allen, had this group taking part in Vacation Bible School. The teachers and pupils took time out from their closing program to go outside and pose on the steps of the church. Pastor John Erlendson is in the back row.

United Church June 13 and Theophilus Church near Winside June 22 and at Winside Methodist Church June 27. Women are asked to wear centennial costumes. Westridge Evangelical United Brethren Church, Norfolk, will have a centennial tea June 28 at 2 p.m. Mrs. Edwin Meierhenry and Mrs. Awalt Walker are to purchase coffee pots for the Brotherhood Building. Mrs. H. C. Falk read articles on Canada. Mrs. Awalt Walker reported on social relations and Mrs. George Wittler urged members to read books. Mrs. Fred Jochens led in prayer for missions. The next meeting will be a 1 p.m. luncheon in the Mrs. Edwin Meierhenry home July 5 and a tour of churches in Norfolk with Mrs. Ray Jochens in charge.

Mayflower Club Meets
Mayflower 4-H Club met Wednesday afternoon at the Eugene Hartman home from there Mrs. Pauline Marquardt, leader, and the members walked to the Waller Strate farm. The meeting was conducted by Lou Ann Wells, president. Fifteen members answered roll call. Committees were appointed for cooking projects. June 14 meeting will be held at the Clinton Reber home with Paula Reber as hostess. The lesson will be on cinnamon toast. Debra Kruger, reporter.

Mr. and Mrs. Erwin Ulrich, Mr. and Mrs. Emil Puls, Mr. and Mrs. Reuben Puls, Mr. and Mrs. Dennis Puls, Denise, Renee and Dianne and Mr. and Mrs. Dallas Puls returned from Elmhurst, Ill. Tuesday after attending the wedding of Darrel E. Puls and Joan Tschudy. They also visited the Ben Meptink family. Mrs. Elphia Schellenberg, Mr. and Mrs. Edwin Brogren and Mr. and Mrs. Donald Soidschlage and family attended the birthday party Wednesday of Brian, two-year-old son of Mr. and Mrs. Dennis Bowers, at Winside.

Mr. and Mrs. Lyle Marotz entertained at dinner Tuesday evening in honor of Joan Bredthauer, Grand Island, and Loy Marotz, Lincoln, who will be married Aug. 19 at Grand Island. Other guests were Mickle Marotz, Ashton, Idaho, Mr. and Mrs. Oscar Bredthauer, jr., Mr. and Mrs. Oscar Bredthauer, jr., Grand Island, Mr. and Mrs. Verne Fuhrman and family, Mr. and Mrs. Lon Marotz and Laura, Mrs. Minnie Marotz, Norfolk, Mr. and Mrs. Lane Marotz, Sherri and Kevin and Mrs. Augusta Wollschlager.

Mrs. Ruth Langenberg went to Omaha Saturday to visit her daughters and families. She was an overnight guest Saturday in the Roy Jensen home and spent Sunday and Monday in the

Jack O'Kane home. Monday evening all attended graduation exercises for her grandson, Mike Jensen. Mr. and Mrs. Henry Langenberg, jr., and Mr. and Mrs. Donald Langenberg also attended.

Mr. and Mrs. J. E. Pingel attended funeral services for Frederick G. Meiners Tuesday at Osmond. Kirt Schellenberg was surprised on his 15th birthday Sunday evening by his parents, Mr. and Mrs. Dallas Schellenberg who entertained Mr. and Mrs. Richard Tegeler, Delvin and Bruce Hamm, Norfolk, Mr. and Mrs. Herbert Wills and family, Mr. and Mrs. Pate Moody and Loren Winside, Mrs. Elphia Schellenberg and Mr. and Mrs. Clarence Hamm. Prizes went to Mr. and Mrs. Richard Tegeler, Clarence Hamm, Delvin Hamm and Loren Moody.

Winside Youth on List
Rodney Hilpert, son of Rev. and Mrs. H. M. Hilpert, Winside, is one of the dean's honor list for the spring term at Concordia Senior College, Fort Wayne, Ind. Students whose grade point average is 3.5 (out of a possible 4) or better are recognized on the list. He is a graduate of St. John's College, Winfield, Kan., and is in the pre-theological program at CSC.

William Koerber, jr. Being Ordained Here

William Koerber, jr., son of Dr. and Mrs. William Koerber, Wayne, will be ordained Sunday, June 18, at Redeemer Lutheran Church, Wayne. It will be the first congregational ordination, he having been ordained at good meetings previously.

Taking part in the services will be two other former congregation members, now ministers, Rev. Harlan Dever, York, son of the Fred Dever, Wayne, and Rev. Robert Sackman, Omaha, son of the Charles Sackman, Wayne. Another congregation member who is still in the church worker is Sister Sophia Damme, daughter of the late J. D. Damme and Mrs. Damme. Sister Damme is a deaconess on the board of parish education.

The ordination services will follow a prescribed pattern for all such services. Several others have been ordained in Nebraska in this period, including two from Wakefield.

A picture of the pastor-to-be and more details on the rites will appear in next Thursday's Herald.

Dixon County Group Seeking Oldtimers

The Dixon County centennial committee met Monday at the Historical Society Museum, Allen. Reports were made on the search for oldtimers who own land that has been in the family a long time or oldtimers whose families have lived in the state a long time.

Ak-Sar-Ben awards will go to Dixon County residents who can prove 100 years of continuous ownership of land by one family. Recognition will go to Dixon County families showing evidence of family residence in Nebraska for 100 years or more.

Norman Anderson, Concord, displayed a large outdoor sign that has been prepared by the committee for the native grass plot at Northeast Station, Mrs. Allen Prescott, Dixon, had painted the sign. It will be erected soon.

Plans were discussed for the religious service at the county fairgrounds. It will be held in the evening Aug. 20 at the fairgrounds in Concord.

Why you'll be glad you bought a Fox Custom-7 Forage Harvester

Because its rugged construction gives you "good-as-new" performance and dependability 10 or even 15 years from now.

For example:

- Tough one-piece welded frame. Stays in line, keeps shafts and bearings in perfect alignment.
- Anti-friction bearings. At every major point of wear. Fifty of them to reduce friction, save power, increase life.
- Heavy-duty roller chains, universal joints, shafts and bearings.
- Heavy-gauge cutter housing. One-piece welded steel unit, keeps knives in perfect alignment with shear bar.

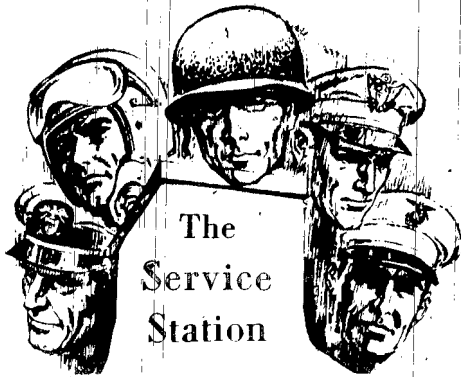

With construction like this, the heavy-duty Fox Custom-7 just can't help but last longer. Yet it costs little if any more than other forage harvesters.

One- or two-row corn unit, 5 or 6 ft pick-up, 6 or 7 ft mower bar available.

Come in, see for yourself

Morris Machine Shop **FOX**

Ph. 375-2055 Wayne, Nebr.

The Service Station

Sp-4 David Stringer, son of Mr. and Mrs. Mark Stringer, Wayne, is serving in Korea as a helicopter mechanic. He reports sporadic outbreaks of gunfire in that divided country. He was one of three chosen for a trip to the demilitarized zone and to Seoul. He reports the DMZ is a desolate wooded area with signs warning all to stay on the roads because land has been mined in the area. Deer wander about freely in the mined areas, apparently their sense of smell enabling them to stay away from the mines with their odor of man's touch. In Seoul, he rode the cable car to the top of Nam San, a mountain. From it a view of the city and area is offered. His address is: Sp-4 David Stringer, RA 7502221, 593rd Trans.

Det., APO San Francisco, Calif. 96271. After writing the above, this was received concerning his trip to Nam San: "We went up by cable car. Many of the rich Koreans went too and we were packed in like sardines. The poor can't afford to go. From the top of the mountain you can look all over Seoul. We also went to some of the old Korean palaces. They are so beautiful with their courtyards and beautiful lily ponds and the oriental-looking buildings. They are just tourist attractions now. Then we went to the Korean House and saw a sample of the old Korean culture." (David says the trips are taken on Sundays, leaving early in the morning and returning in the evening. At

the demilitarized zone they also saw communist guards, and they didn't look very friendly). The picture with this paragraph shows David beside one of the helicopters he helps keep flying. (More pictures of servicemen at their bases or where they work are wanted.)

Sgt. Douglas Manske came June 3 from Munich, Germany, to visit his parents, Mr. and Mrs. Lloyd Manske, Wayne. He is based with an artillery outfit and is in charge of a self-propelled howitzer. He leaves the latter part of June for his base in Germany.

Pvt. E-2 Vincent J. Haase has been at Ft. Sam Houston, Tex., attending medical school for 10 weeks, graduating May 27. He leaves June 11 for Ft. Dix, N.J., and then flies to Germany where he will work in administration. He

entered the service Jan. 6 and the fact that he and Kenneth were home at the same time was pure coincidence and unplanned. His new address will be: Pvt. E-2 Vincent J. Haase, RA 16981099, 24th AG Co. Adm., APO New York, N.Y. 09112.

A/1c and Mrs. Steven Glassmeyer left Sunday for Grand Forks, AFB, N.D., where he is based. They had spent ten days in the Floyd Glassmeyer and Gilbert Rauss homes.

Leslie E. Hintz, son of Mrs. Elmer Zastrow, Hoskins, is serving on Okinawa and has been promoted to specialist sixth class. He has been in the service almost five years. His wife and son, Michael, are residing in Norfolk with her parents, Mr. and Mrs. Harland Kelly, while he is overseas. His address is: Sp-6 Leslie E. Hintz, 86th Signal Det., APO San Francisco, Calif. 96331.

A promotion to private pay grade E-2 has been received by Vincent Streeter, son of Mr. and Mrs. V. C. Streeter, Wisner. He has just completed basic training at Ft. Bliss, Tex. Selected as an outstanding trainee, Streeter received the advance in rank two months earlier than is customary. Scores on range firing, physical combat proficiency, military bearing and leadership potential are compiled to determine which soldiers are outstanding and rate the advancement early. He is now eligible for another "early" promotion as he goes through advanced individual training.

Stan Whitney, son of Mr. and Mrs. C. M. Whitney, Carroll, writes about his first trip aboard the USS Pioneer Mills as third assistant engineer returning from Okinawa, Manila, Hong Kong, Taiwan, Korea, Japan and Panama Canal Zone. He leaves New York soon on a similar trip. Writing from Japan, he told of waiting for open ship berths in Okinawa, loading 465,000 gallons of fuel, standing watch in the

engine room eight hours straight at night and then working days, working inside the boiler furnaces to clean and remove fuel oil slag and residue, patching brickwork, spending a little time ashore, visiting Hong Kong, recording music wherever he goes and getting in a lot of reading time. His permanent address is: Stanley A. Whitney, PO 702, Flushing, N. Y. 11352.

Pfc. Gregory Kirsch is on Okinawa. He is a former Winside resident whose parents now live at Meadow Grove. His new address is: Pfc. Gregory L. Kirsch, 2311991, USMC, H & S Bn., 3rd FSR Support Co., MHE, FMF PAC, c/o FPO, San Francisco, Calif. 96602.

Larry Fuoss started an eight-week rocket and missile course at Ft. Sill, Okla., May 21. He is the son of Mr. and Mrs. Ted Fuoss, Wayne. His address now is: Pvt. Larry Fuoss, US 56543160, Btry D, 5th Tng. Bn., USAIG, FA, Ft. Sill, Okla. 73503.

Vincent and Kenneth Haase, sons of Mr. and Mrs. Henry Haase, Wayne, are home for a few days at the same time. A/1c Kenneth Haase has been at Pope AFB, N. C., and leaves June 20 for the West Coast to take a plane to Clark AB, Philippine Islands. He is a flight engineer for a Lockheed project, C-130. He has been an engineer at Pope AFB and prior to that served at Minot AFB, N. D., and on Okinawa for two years. On temporary duty assignments he has visited these places: France, England, Germany, Italy, Greece, Finland, Denmark, Azores, Nova Scotia, Philippines, Midway, Hawaii, Puerto Rico, Dominican Republic, Cuba, Bermuda, Guam, Vietnam, Thailand, Alaska,

Japan, Okinawa, Formosa, Korea and several points in the United States. (Join the air force, see the world). His wife, the former Lila Doose, Norfolk, will stay in Sioux City with a sister while he is overseas for a year and a half. He expects to get out of the armed forces in 1968. His address in the Philippines will be: A/1c Kenneth J. Haase, AF 1751243, 773 Trp. Carr. Sqd. (PACAF), APO San Francisco, Calif. 96274.

Identifies Many of People in Picture

Mrs. Elsie Heine, Wayne, is in the picture of the Sons of Herman Lodge carried in Thursday's edition of The Herald. She was able to identify many others in the picture.

If you still have that paper, here are some names of people you might know: Anton Lerner is first on the left in the second row of men; Mr. Hofeldt is third from left in second row of men; William Piepenstock is sixth from the left in the first row of men;

Herman Mildner is the man in the very center with a white hat with dark

band on it; Frank Tilman is in right center in back of smallest girl (he has black hat and black moustache); Herman Sund is the first man moving to the left from Tilman; Henry Koch is the first man moving to the right from Tilman;

Leonard Lejndecker is second from the right in the second row of men; Marcus Kroger is first from the right in the second row of men; Frank Kroger is the only boy in the picture; Pete Henkel is one row back and a little to the right of Piepenstock; George Den-

kinger is third from left in the first row of men; George Harder is the fifth from the left row of men; Elsie Lerner Heine is the smallest girl; Helen Tilman is the first girl moving left from Elsie; Camille Liedtke is the tallest girl; Margaret Hofeldt is the fourth girl from the left; and Elsie Biegler is the third girl from the left. Others could not be identified.

Read and Use The Wayne Herald Want Ads — The Little Ads That Do the Big Job

Answers Queries on Veterans' Benefits

Chris Bargholz, Wayne County veterans service officer, has answered queries concerning veterans' benefits. The answers are reprinted here to be shared with others who may seek the same information. One question concerned a man discharged from the army who had served in Vietnam wanting to know if a GI home loan and

schooling under the new GI Bill were available at the same time. They are. There is no bar to participating in each of these benefit programs at the same time. Another concerned compensation from the VA, wanting to know if arrangements can be made to pay a policy loan on National Service Life Insurance out of the monthly benefit. They can be made, but the VA has to be notified of authorization so policy loan accounts can be credited.

OVER 230 WORKERS and pupils of Redeemer Lutheran Church, Vacation Bible School posed for this picture following the week of classes. This photo was developed from a print that was about one-fourth this size, taken by Pastor S. K. de Freese with a one-minute camera.

Redeemer Lutherans

Have Many at School

Redeemer Lutheran Church had 230 youngsters taking part in Vacation Bible School, Pastor S. K. de Freese reports. Mrs. Oscar Thun was in charge, assisted by Mrs. Dale Johansen.

Dr. Walter Peterson had charge of audio-visual devotions. The school was held May 29 through June 3 from 9 to 12 with Memorial Day off and a picnic the final day in Bressler Park. Projects were on display at church Sunday, June 4.

Feature of the school was showing of the film, "And Lo, I am with You

The Wayne (Nebr.) Herald, Monday, June 12, 1967

Always, a little of the missionary film being shown each day. Lutheran

Church Women served cookies and Kool Aid the day of the picnic.

Many Listed as Supporters of SWAY; Another List Will Be Printed Soon

Many business places, professional firms and individuals have contributed to SWAY (Servicemen We Appreciate You). An initial list has been made to go with the cash gifts being sent to servicemen each week and another list will be added to this as more contributions come in.

Following is the list in near-alphabetical order: Altona Store, Andy's Pizza

House, Addison & Addison Attorneys, Arnie's Super Saver, Brandstetter Implement, B. B. Bornhoft Attorney, Bill's Market Basket, Barner's TV, Bill's Cafe, Ivan Beeks, Benthack Clinic, Ben Franklin, Leona Bahde (county treasurer), Ben's Paint Store, Chris Bargholz Insurance, Coryell Auto, Carhart Lumber, Carl's Conoco,

Season favorite STRAWBERRIES

BY BETTY STERN
FARM & HOME FOOD CONSULTANT

RING AROUND STRAWBERRY SHORTCAKE

- | | |
|--|--|
| $\frac{1}{4}$ cup cream or $\frac{1}{2}$ cup milk
plus $\frac{1}{4}$ cup margarine,
melted | 2 tablespoons sugar
Vanilla ice cream
Fresh strawberries |
| 2 cups bisquick | |

Heat oven to 450°. Add $\frac{1}{4}$ cup cream (or $\frac{1}{2}$ cup milk plus $\frac{1}{4}$ cup margarine, melted) to 2 cups bisquick. Add 2 tablespoons sugar, if desired. Mix thoroughly with fork. Keep dough soft; if top sticky, add bisquick. Knead 10 times on floured surface. Pat or roll dough to half the thickness desired for shortcake. Shortcake doubles in volume in baking. Spread dough in a greased 8 or 9-inch ring mold. Bake 10 to 15 minutes. Unmold on serving plate. Cut cooled shortcake in half and spread with ice cream. Place fresh strawberries in center of ring and serve immediately. 6-8 servings.

STRAWBERRY-PINEAPPLE ICE CREAM PIE WITH UNIQUE CRUST

- CRUST
- 3 cups corn flakes
 - 1 6-ounce package semi-sweet morsels
 - $\frac{1}{4}$ cup corn syrup
 - Dash of salt
 - $\frac{1}{4}$ cup miniature marshmallows

Measure corn flakes and pour into mixing bowl. Combine morsels, syrup, and salt in top of double boiler. Place over hot water and melt chocolate. Stir until smooth. Add marshmallows and stir until marshmallows are half melted. Add chocolate to corn flakes and mix carefully until chocolate is evenly mixed through flakes. Turn into greased 9-inch pie plate and carefully spread (without packing) over bottom and sides of dish pulling mixture up over edge.

FILLING

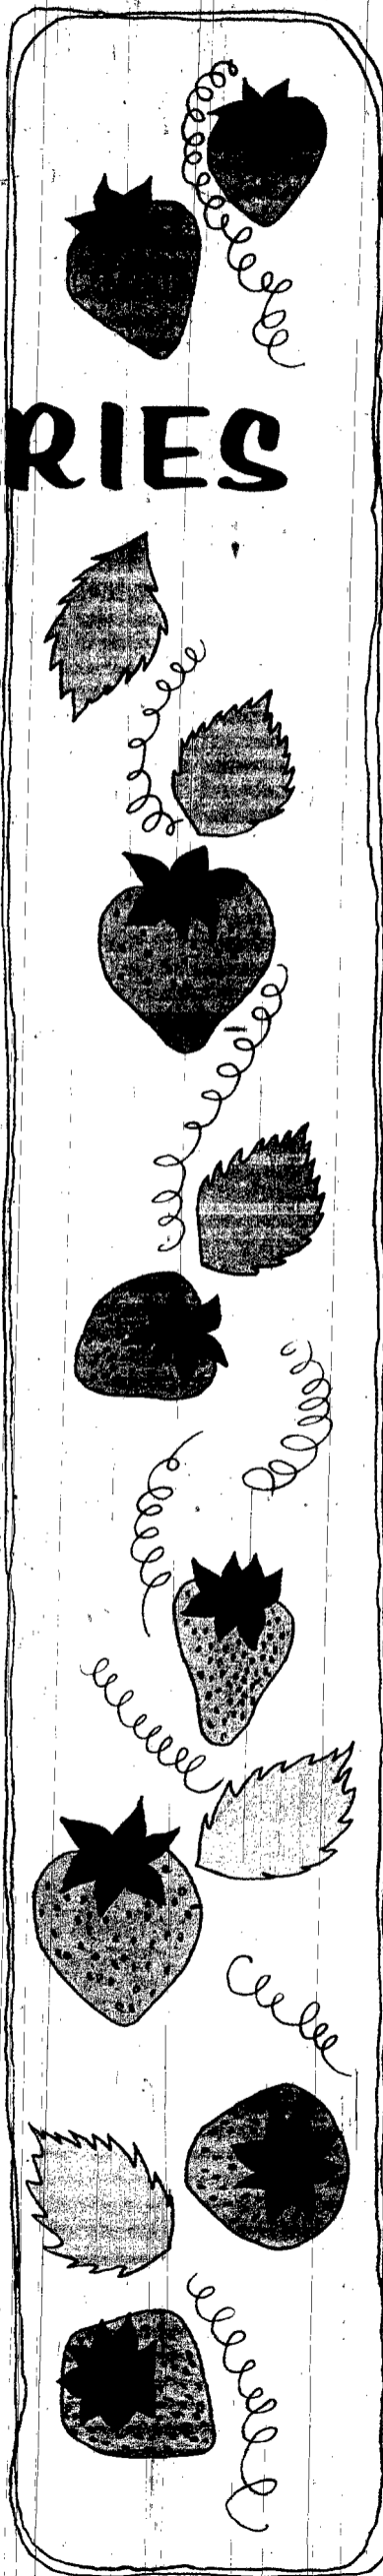

- | | |
|--|--|
| 1 cup well-drained canned
crushed pineapple | 1 10-ounce package frozen,
sliced and sweetened straw-
berries |
| 1 tablespoon grated orange
rind (optional) | 2 quarts vanilla ice cream |

Mix and chill pineapple and orange rind. Cut or chop frozen strawberries into small pieces. Soften ice cream slightly. Mix in chilled pineapple, orange rind, and strawberries quickly and pack into crust. Place in freezer to become firm. Serve plain or with strawberries, or garnish top with sliced pineapple, whipped cream, and strawberries. Yield: 1 9-inch pie.

STRAWBERRY HONEYDEW RINGS

- | | |
|--|---------------------------|
| 1 package lemon flavored
gelatin (3 ounces) | 1 pint fresh strawberries |
| 2 cups hot water | 1 large honeydew melon |

Dissolve gelatin in hot water; chill. Wash, hull and slice strawberries; save a few for garnish. When gelatin is slightly thickened, fold in strawberries. Remove rind and seeds from melon; pour gelatin mixture into hollow. Place in refrigerator to set. Slice to serve.

AL FRESCO PUNCH

- | | |
|--|---|
| 2 cups pineapple juice | $\frac{1}{2}$ quarts water |
| 1 10-ounce package
frozen strawberries,
thawed or 2 cups
fresh strawberries,
sweetened | 1 6-ounce can frozen
lemonade concentrate,
thawed |
| | 5 tablespoons instant tea |

Combine juice, strawberries and lemonade. Let stand 1 hour. Combine water and instant tea in punch bowl. Stir briskly. Add fruit mixture and block of ice. Garnish with twists of fresh lime peel or fresh mint leaves. Ladle into punch cups. Makes about 20 $\frac{1}{2}$ -cup servings.

GRAHAM TROPICANA

- | | |
|--|---|
| 1 cup honey graham crack-
er crumbs | 1 cup sliced strawberries |
| $\frac{1}{4}$ cup flaked coconut | 1 cup blueberries |
| $\frac{1}{4}$ cup coarsely chopped
California walnuts | 1 cup sliced seeded or seed-
less grapes |
| $1\frac{1}{2}$ tablespoons sugar | 1 cup fresh or canned pine-
apple chunks |
| $\frac{1}{4}$ teaspoon ground
cinnamon | $\frac{1}{2}$ cup sugar |
| $\frac{1}{4}$ teaspoon ground mace | Grated rind and juice of 1
lemon |
| $\frac{1}{4}$ cup margarine, melted | Vanilla ice cream |

Place first six ingredients in a bowl. Add margarine; toss lightly with a fork. Cover; set aside at room temperature. Place fruits in a second bowl. Thoroughly blend sugar with lemon rind; add juice. Sprinkle over fruits; toss. Cover and chill. Just before serving, drain fruits thoroughly. Combine with crumb mixture and toss lightly until fruits are coated with crumbs. Serve topped with ice cream. Makes 6 servings.

STRAWBERRY PARTY PIE

CRUST

- | | |
|-------------------------------------|-------------------------------------|
| 1 package vanilla wafers
crushed | $\frac{1}{4}$ cup margarine, melted |
|-------------------------------------|-------------------------------------|

Combine melted margarine and crushed vanilla wafers and pack in a deep 9-inch pie pan.

FILLING

- | | |
|------------------------------------|---|
| 2 cups miniature marsh-
mallows | 1 pint heavy cream,
whipped |
| $\frac{1}{2}$ cup strawberry juice | 1 10-ounce package frozen
strawberries |
| $\frac{1}{2}$ cup milk | |

Melt marshmallows, strawberry juice, and milk in double boiler. Cool. Add $\frac{1}{2}$ pint whipping cream whipped and package frozen strawberries. Whip other $\frac{1}{2}$ pint of heavy cream and put on top. Refrigerate overnight.

ROYAL STRAWBERRY PARFAIT

- | | |
|---|---|
| 1 package custard flavor
dessert mix | $\frac{1}{2}$ cup sugar |
| $2\frac{1}{4}$ cups milk | $\frac{1}{4}$ teaspoon vanilla |
| 1 cup heavy cream,
whipped | 1 box fresh or frozen straw-
berries |

Blend custard flavor dessert mix with milk and cook over moderate heat, stirring constantly. Bring to a boil. Remove from heat. Pour into bowl. Chill until firm. Beat with rotary egg beater until smooth. Pour into refrigerator freezing tray. Set cold control for fast freezing. Chill about one hour. Turn into chilled bowl. Beat until smooth. Fold in whipped cream flavored with $\frac{1}{4}$ cup sugar and vanilla. Return to freezing tray and freeze $\frac{3}{4}$ hour. When frozen, set cold control to normal for storage. Reserve several large strawberries for garnish. Crush remaining fruit with $\frac{1}{4}$ cup sugar and chill. Serve frozen custard flavor dessert in parfait glasses, sandwiched with layers of crushed strawberries. Garnish each parfait with a teaspoon of whipped cream (optional) and a strawberry. Yield: slightly over 1 quart parfait.

If you're trying
an instant tea for
the first time, be
sure it's 100% tea.

Here's why: Not all instant teas are 100% tea. Some are half-tea, half-additive. But Nestea is 100% tea. You see, Nestea didn't want to change the pure tea flavor that made tea great in the first place—we just wanted to make it easier for you to make tea at home. And that's what we did. Stir up a frosty glass and see how good it tastes.

Because Nestea is 100% tea, it gives you all the refreshing lift of the best tea bags and loose teas. *But*—no dripping tea bags, no strainers, no water to heat for iced Nestea. It's *instant*.

Costs about a penny a glass

NESTEA

Instant tea that's 100% tea

NOW! amazing new scientific breakthrough!
new **KILL-RAY** black-lite insect killer
100% SAFE • EFFECTIVE • COMPLETELY HARMLESS TO
PEOPLE & PETS • NO CHEMICALS, ODORS OR SPRAY!
**KEEP UP TO 3/4 ACRE
FREE OF FLYING
INSECTS ALL SUMMER
LONG!**

USE FOR LESS THAN 1 CENT PER DAY!
NEW DISCOVERY BY GENERAL ELECTRIC
NO MORE FLIES... NO MORE MOSQUITOES... NO MORE FLYING INSECT PROBLEM WHATSOEVER!
SAVE \$5 — PRE-SEASON OFFER!

enjoy the pleasure of outdoor living & dining in comfort, free of the annoyance of flying insects & pests.

Effective both indoors & outdoors. Sprays & chemicals swiftly lose their effectiveness when used outdoors. Kill-Ray insect killer constantly remains 100% effective both inside your home and outdoors as well. Outside, Kill-Ray has an effective range, in all directions, of up to 30,000 sq. feet. Insects within this huge zone are irresistibly attracted by the Black-lite rays as though by magic. Once they have homed in on the rays, the instant killing power of the electric grid will dispose of them for ever. We wish to quote in part an article from a nationally distributed garden publication with the largest circulation in its field: "We put our trap into operation about mid-July of last year. We were amazed at the effects. We could open our windows; no moths or mosquitoes entered. We could sit out-of-doors & truly enjoy it. Our trap captured from a pint to a quart of flying insects every night. Even our neighbors remarked about the decrease in insects, so we knew the effects were far-reaching enough to cover our own property. All night-flying moths and many destructive day flies as well are attracted to light. We kept ours in operation until after freezing weather, a period of 5 months. The decrease in insect damage in just this short time was noticeable. By putting it into use in early spring, we are hopeful of even better results." Recent tests at the University of Kentucky Agriculture Experiment Station showed experiments since 1962 in other southern states have had very promising results.

Our new 1967 model will give you many years of trouble-free service. There are no moving parts to fail. It is completely silent, and is transformer-operated for maximum safety, featuring solid-state circuitry. This unit, designed for a lifetime of service, consumes only 10 watts and operates for less

than 1 CENT PER DAY. Additional Black-lite bulbs are available in local stores or shipped from factory for \$2. Shaped like a beautiful lantern, it can also be used as an attractive night light. While the Kill-Ray unit weighs only 3 lbs. and is a compact 10" high x 9" dia., its tremendous blitz-like action has the amazing ability to destroy thousands of insects daily, never getting a chance to lay their destructive eggs. In most cases it is their larvae which causes the damage to your plants, trees, clothing, etc.

You no longer need to spend a small fortune for moth-proofing your home. Just figure up how much you spend yearly for insect sprays & moth-proofing products and you will realize what a great bargain our Kill-Ray really is, especially at this pre-season low price. There is no other product in the U.S. today which can offer you this 100% protection at a cost of less than one cent per day. We urge you to give our Kill-Ray a fair 30-day test. Unless it does everything we claim, to your satisfaction, you may return the unit for full purchase price refund and it costs you absolutely nothing!

This insect trap is manufactured by a reliable, well known maker. It is a quality product designed to give many years of trouble-free service. Similar units have been sold for \$25 to \$35. Take advantage now of our pre-season offer and save \$5.00 on one unit and \$12.40 on the purchase of 2. This is the first time we have been able to offer our Kill-Ray for sale to the public by mail-order. Our supply is very limited. Orders will be filled on a first-come, first-served basis. We anticipate far more orders than we will be able to fill. Orders for more than 2 units per customer will not be accepted; orders, however, from hospitals will be given first priority. The sooner you start, the more effective the results. Destroy these pest in the spring before they are able to lay their damaging eggs! Order now as this offer may not be repeated.

WAS \$19.95 NOW \$14.95 ONLY
MFR. SUG. LIST
2 for \$27.50
SEND FOR FREE BROCHURE

Now at last this all-new bug trap can give you insect-free, carefree living this year and for years to come. Your first investment is your only cost. Just plug in this amazing new black-lite electron ray bug killer and it goes to work instantly. This new insect trap is one of the most powerful of its kind on the market today. Its black-lite, developed by General Electric, attracts scores of insects like a magnet, from grass, gardens, foliage and shrubbery. The high-frequency electric grid kills these pests instantly. In no time at all, the entire area, up to 3/4 of an acre, has been cleared of annoying flies, mosquitoes, moths and other flying insects which have always made life miserable for you.

The action is completely automatic. Once you have switched on this electronic insect trap, it continues its silent operation, 100% effective, with no further attention. Compare this with expensive, time-consuming sprays and vile-smelling insecticides; you spray & spray the air only to find, minutes later, you're back to swatting & scratching at the swarms of annoying bugs again! Modern electronic technology has now come up with this new answer to an age-old problem.

100% SAFE
FOR ADULTS, CHILDREN, PETS, BIRDS AND PLANTS

Black-lite insect traps were originally developed for commercial use. These were huge traps used at ballparks, racetracks, picnic grounds, etc. They cost \$1,000 to \$2,000 each; expensive, but they did the job. A number were installed at the N.Y. Worlds Fair where they proved their amazing effectiveness over a 2-year period. Now a smaller model for home use has been developed, and has proved its effectiveness in over 100,000 homes, hospitals, restaurants, motels, universities, etc. It has been used successfully on farms, shopping centers, golf courses, at swimming pools, and most of all, in homes like yours, inside and outside — on porch, patio & garden areas. You and your loved ones can now enjoy a quiet, restful night's sleep. Your customers or friends can now

New 1967 Model with Insect Killer Grid

GUARANTEE
We invite you to try our Black-Lite Insect Trap, not for a week or 10 days, but for a full 30 DAYS at absolutely no cost to you. At the end of 30 days, you are the sole judge; you must be completely satisfied. If you can not honestly say that you are now enjoying the pleasure of insect-free living, if you do not agree with us that our KILL-RAY insect trap is worth many times our low introductory price, simply return the unit to us via insured Parcel Post and you will receive your full purchase price by return mail! This double guarantee is backed by a written unconditional one year factory warranty against all manufacturing defects PLUS our own 30 Day warranty. Established in 1947 with 20 years of customer service behind us, we are proud of receiving the 1966 Gold Seal Award from the leading publication in its field for outstanding service to its mail-order customers. Copy furnished upon request.

Last month you read about Farm and Home's newly announced tour for next Fall . . . to Eastern Europe. The itinerary is arranged, the tour folders are ready—have you sent for your folder yet?

Departure date is set for Monday, October 2. You'll leave New York for 21 days in Poland, Russia, Hungary, Czechoslovakia, East Germany and Holland. (Originally, it was thought that Bulgaria and Rumania would be included in the travel itinerary, but further consideration by Farm & Home resulted in eliminating those two countries and adding Czechoslovakia and East Germany instead.)

For only \$1,280 from New York and back to New York, you'll visit the most talked about, the most exciting, the most unforgettable countries in the world!

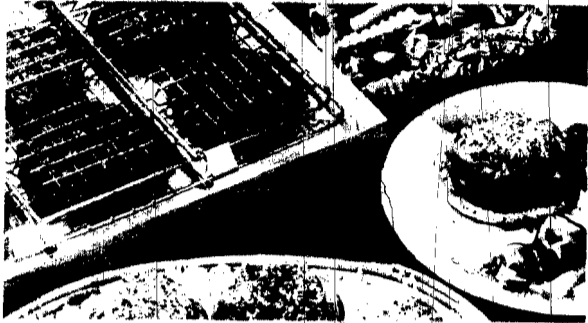

And, for that \$1,280, your air arrangements are handled by KLM Royal Dutch Airlines . . . you'll stay at First Class and Deluxe Hotels with private baths . . . you'll get continental breakfast and table d'Hote throughout except in the Soviet Union where all meals are included. And, there will be a multilingual tour conductor traveling with the group who is familiar with the local customs and will handle all of your needs.

Of all of the tours which Farm and Home has conducted, this one to the Eastern European countries promises to be "the best ever!" You'll spend time in Berlin, Amsterdam, Moscow, Warsaw, Leningrad, Kiev, Budapest and you will visit collective farms, Chopin's birthplace, the Kremlin, Lenin's tomb, Gypsy dancers will entertain you in Hungary and in Amsterdam you will see Rembrandt's works.

To make certain your seat on this Farm and Home Tour to Eastern Europe is assured, clip and mail the coupon appearing elsewhere on this page. Read over the tour folder which will be sent to you by return mail, and then we ask you to make your \$50 deposit early because space is limited! Because a limited number of accommodations have been granted Farm & Home, reservations will undoubtedly close early on a "first deposit, first get" basis. Send for your Eastern Europe tour folder today!

Summer Picnic

BY BETTY CURREN

ONION-MUSTARD BUNS

1 package yeast, compressed or dry
 1/4 cup water (lukewarm for compressed, warm for dry)
 2 cups milk
 2 tablespoons sugar
 1 tablespoon dry mustard
 1 teaspoon salt
 1/4 teaspoon pepper
 2 tablespoons instant minced onion
 2 tablespoons shortening or oil
 6 cups sifted flour
 2 tablespoons instant minced onion
 1/4 cup water
 Poppy seed

Dissolve yeast in water. Heat milk until almost simmering. Into large mixing bowl measure sugar, mustard, salt, pepper, 2 tablespoons instant minced onion and shortening or oil. Stir in milk until sugar dissolves and shortening melts. Cool to lukewarm. Stir in about 2 cups flour and beat until smooth. Beat in yeast. Stir in enough more flour to make a moderately stiff dough. Onto lightly floured board or pastry cloth turn out dough and knead until smooth and satiny, 5 to 8 minutes. Shape into ball and place in lightly greased bowl, turning to grease all sides. Cover and let rise in warm place (80-85°) until doubled, about 1 1/2 hours. Punch down. Divide dough into 2 equal portions; shape into balls. Let rest 10 minutes. Meanwhile, grease two large baking sheets. Roll or pat each half of dough into 9-inch square. Using sharp knife, cut each into 9 squares. Tuck corners under to form buns. Place on baking sheet and flatten with palm of hand. Let rise in warm place until doubled, about 30 minutes. Meanwhile, preheat oven to 400°. Combine 2 tablespoons instant minced onion and 1/4 cup water; allow to stand five minutes. Just before baking, sprinkle with onion and poppy seed, pressing lightly into surface. Bake 25 to 30 minutes, or until golden brown. Yield: 18 sandwich buns.

SALAD AND DRESSING IN A BAG

4-5 cups crisp, freshly-washed lettuce in plastic bag
 3/4 cup (small can) evaporated milk
 3/8 cup salad oil
 2 tablespoons lemon juice
 1/2 teaspoon salt
 3-4 tablespoons crumbled bleu cheese

Combine evaporated milk, salad oil, lemon juice, salt and bleu cheese. Shake to blend well. Carry to picnic in covered jar. Yield: 1 1/4 cups dressing. At eating time, pour this dressing over the lettuce, knead the bag lightly and you're ready to serve.

EASY CREAMY POTATO SALAD

1 envelope White Sauce Mix
 2 tablespoons sugar
 1 teaspoon salt
 1 teaspoon celery salt
 1 1/2 cups milk
 1 egg, beaten
 2 tablespoons prepared mustard
 1/4 cup salad oil
 1/4 cup cider vinegar
 2 tablespoons minced onion
 6 cups cubed (1/2 inch) potatoes
 1 1/2 cups slant-sliced celery
 1/2 cup chopped sweet pickle
 6 hard-cooked eggs

Combine white sauce mix, sugar, salt, celery salt in a small saucepan. Blend in milk, then beaten egg. Heat just to boiling, stirring constantly. Add mustard, salad oil, vinegar, and minced onion. Pour hot mixture over cubed potatoes, toss to coat potatoes with dressing. Chill. Add celery, pickles and 5 of the eggs, diced. Slice remaining egg for garnishing top. Yield: 2 quarts salad.

A really up-to-date picnic menu can be as interesting and nourishing as a meal served at home. Chilled fresh fruit and crisp green vegetables, as well as hot foods, may appear on the picnic table along with the traditional sandwiches, potato salad and pickles — even though the food isn't served for hours after it is prepared.

Proper packing is the secret. Vegetables such as celery, carrots, and crisp freshly-washed lettuce will keep fresh in plastic bags. Kept on ice, they retain their crispness still better.

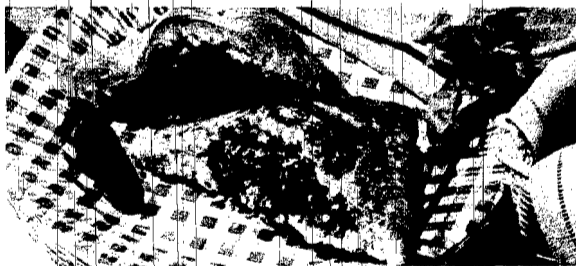

Deviled eggs, sliced meat, chicken salad — in fact, any protein food, in sandwiches or packed separately — which should be kept cold, not merely cool, can be added safely to the picnic meal, if kept on ice until time to eat.

For the iced food, insulated containers, which can be bought in various shapes and sizes, help solve the refrigerating problem. However, picnic foods can be kept cold successfully without special equipment. A kettle, for example, or other cooking vessel with a lid, makes an effective picnic "ice chest". Select one large enough to accommodate all the foods which must be kept chilled. Cover the bottom thickly with crushed ice. Then place the food, in plastic bags or glass jars, in the vessel and pack with more crushed ice. Wrap thick layers of paper or towels around the kettle to act as an insulator. Now that you have everything packed properly and ready to go, what are we waiting for?

"PAR" CHEESY FRANKS

90 cheese tid-bit crackers, crushed (about 1 cup crumbs)
 2 tablespoons prepared mustard
 2 tablespoons finely chopped parsley
 1 teaspoon crushed oregano leaves
 1/2 teaspoon onion powder
 8 to 10 frankfurters
 16 to 20 bacon slices (about 3/4 pound)
 8 to 10 frankfurter rolls

Combine first five ingredients. Split frankfurters lengthwise and stuff with cracker mixture. Wrap 2 strips of bacon around each stuffed frankfurter and secure with toothpicks. Grill over hot coals, turning occasionally, until bacon is crisp. Remove toothpicks and serve in warm rolls. Makes 8-10 servings.

PICNIC BASKET BUNWICH

1 package active dry yeast (or 1 cake compressed yeast)
 1/4 cup warm water
 1/4 cup shortening
 1 tablespoon sugar
 1 teaspoon salt
 3/4 cup hot scalded milk
 2 1/2 to 2 3/4 cups flour
 Cream

Soften yeast in water. Combine in mixing bowl shortening, sugar, salt, and milk. Cool to lukewarm. Add softened yeast. Gradually add flour to form a stiff dough. Knead on floured surface until smooth and satiny, 3 to 5 minutes.

Roll out to an 18x12-inch rectangle. Cut into 3-inch squares. Brush centers with melted margarine. Place 2 tablespoonfuls of Ham Filling in center of 6 squares; top with remaining squares. Seal edges and prick with fork. Brush with cream. Place on greased cookie sheet. Let rise in warm place (85° to 90° F.) until light and doubled in size, about 45 minutes. Bake at 400° for 15 to 20 minutes.

HAM FILLING

3 cups (1 pound) ground cooked ham
 2 tablespoons chopped stuffed olives
 2 teaspoons prepared mustard
 1 beaten egg
 1/4 cup cream
 Combine all ingredients and mix well.

RASPBERRY LEMON PIES

(Six 9-inch pies)

2 1/2 pounds honey graham cracker crumbs
 1 pound margarine, softened
 1 pound (2 cups) brown sugar, packed
 1/2 #10 can frozen raspberries OR
 5 (10-ounce packages OR
 6 1/2 cups
 1/2 cup cornstarch
 1 1/2 cups lemon juice
 1/2 cup lemon rind, grated
 6 quarts vanilla ice cream
 24 egg whites
 3 cups sugar
 1 1/2 cups flaked coconut

Mix graham cracker crumbs with margarine and sugar. Divide mixture equally into six 9-inch pie plates. Press firmly against bottoms and sides of pie plates. The easy way is to press crumbs into place using an 8-inch plate. Heat frozen raspberries with cornstarch, lemon juice, and rind. Simmer until juice is clear and slightly thickened. Cool. Make very thin layers of sauce and ice cream in pie crusts, using about 1/2 of the sauce. Freeze pies. Beat egg whites until foamy. Continue beating, gradually adding sugar until stiff. Spread over ice cream, sealing to edges of crust. Sprinkle coconut over tops of pies. Freeze until serving time. Just before serving, place pies in a preheated oven (500° F.) for two to three minutes or until meringue is slightly browned. Serve immediately or return to freezer and cut as needed.

Note: Recipe can be cut in half to make 3 9-inch pies.

SPECIAL LIMITED ENROLLMENT! EXPIRES MIDNIGHT, JULY 16, 1967

A board of doctors creates a new kind of health plan for people over 40 only!

Gives you extra cash* over and above your present hospital insurance for the "danger years" ahead and — for the first time — actually pays money to help keep you well!

If you are over 40, you can qualify for the new 40-PLUS BENEFIT PLAN, if you mail your Enrollment no later than July 16, 1967—and you can enroll for only \$1 00!

This, surely, is among the greatest values, as well as the most unusual health insurance program, ever offered to men and women over 40! Think of it. Simply by the stroke of your pen, you can now get the valuable "extra cash" protection you've wanted at the very time when you are most apt to need it... all at a cost substantially less than you might expect!

How the 40-PLUS BENEFIT PLAN Differs from Ordinary Health Insurance

The 40-PLUS Benefit Plan has been created by an insurance company run by doctors, the Physicians Mutual Insurance Company, which has specialized in health and accident protection for physicians, surgeons and dentists exclusively for more than 65 years. Now this fine old "doctors company" offers a wonderful new "extra cash" plan to men and women over 40! And you may enroll during this Limited Enrollment Period—without having to see a company representative and without any red tape!

In short, if you are over 40, you can now qualify for 40-PLUS. No other qualifications are required—provided you enroll during this Limited Enrollment Period.

How 40-PLUS Helps Your Doctor Keep You Well

Your doctor will tell you... people who have regular physical examinations have a better chance to stay well and live longer. For example, if cancer is discovered in its early stages there is a much better chance of curing it. To encourage you to see your doctor regularly, 40-PLUS will pay up to \$10 to help pay the cost of an annual routine physical check-up. You see your own doctor any time within 60 days after you receive your notice—but only if you want to.

But, of course, even if you see your doctor regularly, you can still be struck by sudden accident or illness and land in the hospital tomorrow. This is especially true during the dangerous "over 40" years when cancer, heart attack and other serious diseases are most apt to strike. That's why 40-PLUS also pays you extra cash benefits—in addition to any

other insurance or Medicare—to use any way you wish.

40-PLUS and the "Danger Years"

Of course, like most people over 40, you probably have some hospital insurance. But, as everyone knows, the most complete hospital insurance—even Medicare—simply doesn't cover everything. The fact is, you need more protection.

But now that you're over 40, and in the "danger years," it may be difficult to obtain the extra protection you need at a price you can afford—or, because of the condition of your health, you may not be able to obtain it at any price!

That's why the new 40-PLUS Benefit Plan is so important—it brings you the hard-to-obtain "over 40" protection you need, at remarkably low rates. For only pennies a day, it helps fill the "financial gap" probably not covered by your present insurance or Medicare.

And remember—even if your basic hospital expenses are covered—you'll still need help with your household expenses!

Think for a moment—if you're a husband, father and breadwinner, and you're suddenly hospitalized, what happens? Your income stops. Your expenses go up. Even if you have some kind of "salary insurance," it probably won't come close to replacing your full-time pay. It's quite likely that you and your family will never fully recover the tremendous financial loss!

If you're a wife, mother and homemaker, and are suddenly hospitalized, what happens? Who will look after your family, see that the children get hot meals, are properly clothed? Who will do the laundry, the marketing, the cleaning? Your husband may lose time from his job... friends and relatives may have to help out temporarily... you may even have to hire domestic help! Everything will be upset. Debts may be incurred, savings lost—worse still, peace of mind may be shattered, and even recovery seriously delayed!

If you're over 65, and are suddenly hospitalized, what happens? Medicare won't pay all of your hospital expenses or any of your household expenses. Most senior citizens won't

want to dip into savings it may have taken a lifetime to accumulate... or become a "burden" to their children or community. Surely you wouldn't want to become "dependent" after all the years it has taken you to become independent.

Now you can stop worrying—now that you can obtain the remarkable two-way protection of 40-PLUS.

Actually, important as all these extra cash benefits are, they are far from the only advantages you can now enjoy... if you act before the enrollment deadline. For example:

Benefits Tax-Free—Can't Be Reduced

■ For as long as you live and continue to pay premiums, we will never cancel or refuse to renew your policy for health reasons—and we guarantee we will never cancel, modify or terminate your policy unless we decline renewal on all policies of this type in your entire state. Furthermore, your benefits will never be reduced—and all your benefits are tax-free!

Pays In Addition To Your Other Insurance

■ Yes, the 40-PLUS Benefit Plan pays you extra cash in addition to any other company's health insurance you may carry, individual or group—even pays you in addition to Medicare! Of course, you may have only one like policy with Physicians Mutual.

Surprisingly Low Cost

■ With these wonderful "keep well" and "get better" benefits, you might expect 40-PLUS to cost much more than other health plans—but, in fact, it costs considerably less than you might expect! Only \$3.95 a month from age 40 through age 64—only \$6.95 a month when you are 65 or over—no additional premiums can ever be assessed—and, regardless of your age, your first month is only \$1.00!

A Respected Company

■ As important as all the valuable benefits, the low cost, and ease of enrollment is this vital fact: Your policy is backed by the resources, integrity and reputation of the Physicians Mutual Insurance Company, "the doctors company," specializing in health and accident protection for physicians,

***\$100 a week paid direct to you
in addition to any other hospital insurance—even Medicare!**

Here's how this valuable "extra cash" protection pays off in your time of need; \$100 a week (\$14.28 a day) will be paid directly to you from the very first day of hospital confinement, for as long as 52 weeks, each time you are hospitalized for a new sickness or accident! You get paid for every day—even if you are hospitalized for only one day—as much as \$5200 for a full year! Even if you are hospitalized for a full year and have received your full \$5200 in benefits, you are still entitled to all benefits all over again, as long as you have been out of the hospital for at least six months between your hospital

confinements.

Important: Here is a real "plus" for you if you have been told you are uninsurable. Even if you have suffered from chronic ailments in the past—ailments that come back again and again or are likely to recur—40-PLUS will cover you for these pre-existing conditions after your policy has been in force for two years.

Naturally, 40-PLUS will cover you for any new accident or sickness. Accidents are covered immediately as soon as your policy is in force. After your policy is 30

days old, you are covered for sicknesses which begin thereafter. There are only a few usual exceptions: war, military service, mental disorder or alcoholism, or if something happens "on the job" and is covered by Workmen's Compensation or Employers Liability Laws. You are free to go to any hospital of your own choice that makes a charge for room and board, with these exceptions only: nursing homes, convalescent or self-care units of hospitals, Federal hospitals, or any hospital primarily for treatment of tuberculosis, alcoholism, drug addiction or mental disorder.

surgeons and dentists all across America, for more than 65 years. Doctors *right in your own community* know about us and may actually be insured by Physicians Mutual. Serving hundreds of thousands of policyholders throughout the United States direct by mail, Physicians Mutual has its headquarters in Omaha, Nebraska, and is licensed and incorporated in that state. Its Board of Directors is composed *entirely* of respected members of the medical, dental and insurance professions.

How Can They Offer So Much For So Little?

The question is sensible; and the answer makes good sense, too: By encouraging our members to see their doctors for routine check-ups each year... we hope to keep more people out of the hospital. This means *lower claims costs*.

In addition, we have *lower total sales costs*. 40-PLUS is a mass enrollment plan. *All business is conducted directly* between you and the company by mail. *No salesmen are used*.

It all adds up to real savings we share with you by giving you *high quality protection at low cost*.

Easy to Enroll—No Red Tape— No Salesman Will Call!

Simply fill out the short Enrollment at right and mail it with \$1.00 for your first month's coverage! We will issue your 40-PLUS Benefit Policy (Form P302 Series) *immediately*—the same day your Enrollment is received. This automatically puts your policy in force. Along with your policy, you will receive an easy-to-use Claim Form. When you *need* your benefits, you can be *sure* that your claim will be given "top priority" treatment. In addition, we'll send you special forms yearly to take to your doctor for your physical examination.

\$100 NO RISK ENROLLMENT OFFER

There's No Risk or Obligation— Read Your Policy Before You Decide!

When you receive your policy, you'll see that it is direct, honest, easy to understand. But—note this—if for any reason you change your mind, you may return your policy in 10 days and we will promptly refund your dollar!

URGENT: WHY THIS OFFER HAS A DEADLINE AND WHY YOU SHOULD ENROLL NOW

This plan is offered to people over 40 *without any qualifications* only during this limited enrollment period. (Two Enrollments are provided so that husbands and wives may both enroll. In that case, please be sure to enclose \$1.00 for each Enrollment.) Your Enrollment must be postmarked no later than Midnight of the date on the form at right—otherwise it cannot be accepted.

Your policy will be issued the day we receive your Enrollment. You can't gain; you can actually lose by waiting for the last minute. *Sickness or accident can strike without warning*—and you will not be covered until your policy is in force.

You are wise to play it safe by enrolling now. Only \$1 pays for your first month. Since there's no obligation and you risk nothing, why not mail your Enrollment today?

17 Important Questions Answered

ABOUT THE NEW 40-PLUS BENEFIT PLAN

The New Plan That Pays You Extra Cash When You Are Hospitalized—Plus Extra Benefits To Help Keep You Well

1. What is the 40-PLUS BENEFIT PLAN?

It is a new health insurance plan for people over 40 only—that pays an extra cash income direct to you when you are hospitalized and, in addition, provides a physical examination benefit each year to help your doctor keep you well.

2. Why do I need 40-PLUS in addition to my regular health insurance or Medicare?

Probably your present hospital insurance—even Medicare—won't cover *all* your hospital expenses. But even if it did, you would still need help to pay all your regular household expenses while you are hospitalized.

3. Can I collect in addition to any other health insurance or Medicare?

Yes. 40-PLUS pays you *in addition* to any other company's health insurance you carry, group or individual—even in addition to Medicare! Of course, you may have only one like policy with Physicians Mutual.

4. Is there a lot of red tape to qualify?

No. The *only* qualification is that you be 40 or over—even people over 65 are welcome.

5. If I become hospitalized, when do my benefits begin?

\$100 a week (\$14.28 a day) will be paid directly to you from the very first day of hospital confinement.

6. How long will I be paid?

For as long as 52 weeks (as much as \$5200.00) while you are hospitalized for each new sickness or accident. If the full 52 weeks has been used, and the same condition recurs, a new 52-week period will be provided if 6 months has elapsed between hospital confinements.

7. When does my policy go into force?

It becomes effective on the date your Enrollment is received. Accidents are covered on that date. After your policy has been in force for 30 days, you are covered for sicknesses which begin thereafter.

8. What if I have had a health problem that may occur again?

Pre-existing conditions are covered after your policy has been in force for two years.

9. What conditions aren't covered?

Only the usual exceptions: war, military service, mental disorder or alcoholism, or any condition covered by Workmen's Compensation or Employers Liability Laws.

10. Does 40-PLUS pay in any hospital?

You will be covered in any hospital anywhere in the world that makes a charge for room and board, except nursing homes, convalescent or self-care units of hospitals, Federal hospitals, or any hospital primarily for treatment of tuberculosis, alcoholism, drug addiction or mental disorder.

11. Can I drop out any time? Can you drop me?

No matter how many claims you make or how much you collect, we will *never* cancel or refuse to renew your policy for health reasons—for as long as you live. We guarantee that we will never cancel, modify or terminate your policy unless we decline renewal on *all* policies of this type in your entire state. You, of course, can drop your policy on *any* renewal date.

12. Will my claims be handled promptly?

Yes. With your policy, you will receive a simple, easy-to-use Claim Form. Your claims will be processed quickly and your checks will be sent directly to you.

13. How do I get my "physical" each year?

40-PLUS actually pays your *own* doctor up to \$10 annually toward your routine physical examination (but only if you want it). You receive special forms yearly to take to your doctor, so that he can give you your check-up within 60 days.

14. Why are the premiums so low?

Because this is a mass enrollment plan—and no salesmen are used—our volume is higher and our total sales costs are lower.

15. How much does my first month cost?

Only \$1.00, regardless of age. After your first month, you pay only \$3.95 a month until age 65; only \$6.95 a month from age 65 and over.

16. Why is there a "deadline" date?

In order to offer the Plan to people over 40 without *any* qualifications and still maintain our low rate, we can only make the Plan available on this basis during a limited enrollment period. The deadline date is firm—we cannot accept your Enrollment unless postmarked on or before that date.

17. Why should I enroll right now?

Because an unexpected sickness or accident could strike without warning—and you will not be covered until your policy is in force. Remember, if for any reason you change your mind, you may return your policy within 10 days and your \$1.00 will be refunded immediately.

Iowa's quaint amana villages

BY WILLIAM C. NELSON

Amana, Iowa—Three decades ago, an air of gloom hung over the seven villages comprising the Amana Colonies. The communal society had slipped to the brink of bankruptcy; and the financial muddle was badly compounded by the depression.

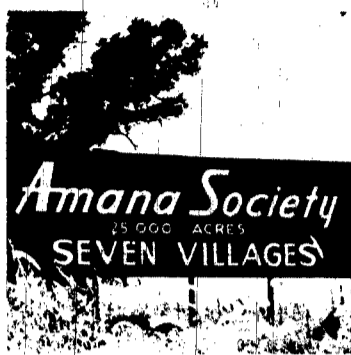

Today, the 2,500 descendants of the German craftsmen who started this quaint little community on the Iowa prairie live comfortably in an aura of prosperity.

Row upon row of shiny, late-model cars are parked outside the Amana Refrigeration plant in Middle Amana. The steady hum of a factory turning out its wares at near capacity pierces the stillness of the quiet country.

Post Office at Amana reflects somber, brick style prevalent in older buildings in the Colonies. Amanas are located in east-central Iowa in some of the best farm land in the nation.

Amanas are still basically an agricultural settlement, although industries have helped the villages attain a new height of prosperity.

The modern appearance of Amana Refrigeration Plant contrasts with older homes. Amana today is a delightful blend of the old and new.

In another village (Amana), the clackety-clack of weaving machines at the Amana Woolen plant is almost deafening to the tender ears of an outsider. Inside, women working busily over the looms scarcely notice the din.

At the Amana Furniture factory, skilled workers labor painstakingly over walnut and cherry wood, turning out beautifully fashioned furniture.

On the farms surrounding the villages, Amana farmers watch over herds of well-fed beef cattle and hogs.

What brought about the 180 degree financial turnabout?

It began in 1932 when, with heavy heart, villagers voted to abandon religious communism. A modified capitalism was adopted, and it immediately pumped new life into the mainstream of Amana life.

Each adult in the community received one share of common stock in a joint stock corporation, which included all the Amana industries. Additional shares of non-voting stock were issued in proportion to a person's years of service in the society.

Products of the Amana Society were sent out into the competitive markets.

The shares of voting stock, worth only \$50 apiece in 1932, skyrocketed in value as Amana businesses prospered. Today, they're worth more than \$3,500 each.

The change is doubly impressive in view of the fact that few "utopian" societies, such as Amana professed to be, possessed the qualities of adaptability and flexibility.

It is a remarkable change from the 75-year era when Amana wanted little to do with the outside world. Then, everything was provided for the Amana people. The community assumed all their cares and responsibilities—medical and dental care, schooling, funerals, clothing, food, shelter.

Villagers dressed alike (in somber clothes), worked alike, ate in communal kitchens in each village, and worshipped God alike. Sensual frivolities of the outside world were frowned upon. Jewelry was forbidden; as was music, poetry, dancing or any of the arts which did not relate directly to the Bible.

The drab existence, though, was not unpleasant, at least not to the older generations. There was little bitterness or selfishness. There was no want or loneliness. Amanites enjoyed the comradeship resulting from daily prayer meetings and eating dormitory style in communal dining rooms.

But, as is so often the case under communism, lack of incentive began to affect the quality of work. The younger generation (caustically referred to as the 'drones' by some older men) began to slide away from Old Order ideas, and did not want to ignore the exciting, dynamic ways of the outside world. The automobile and radio brought increased exposure to a faster-paced life.

Then came the depression and the need to join a nation evolving around capitalism, competition and rugged individualism.

When Amana changed its way, it went about the job with a flourish. New techniques were integrated into every industry.

Today, Amana, High Amana, Middle Amana, East Amana, West Amana, South Amana and Homestead are a primary Iowa attraction on the newly created Hiawatha Pioneer trail for tourists.

Each of the villages, situated "one hour apart by oxen", radiates a quiet prosperity. Their crooked streets are lined with neat lawns, small vegetable gardens and somber, well-kept two-story homes of brick and stone.

But the Amana of the 1960's is a blend of the old and the new.

A startling contrast to the older homes, for example, is in the village of Amana where expensive split-level homes dot the south section of town. The homes belong to Amana men who fought in the wars and were given the land upon their return.

Despite its swing to contemporary life and tourist promotion, Amana still retains many of its cherished traditions. Religion and industriousness remain the guideposts of Amana life. German is still spoken by elder Amanites and the language is taught in schools.

Amana residents have few regrets that 33 years ago they relinquished the distinction of being the oldest and most successful communal society in the United States.

ARTHRITIS

Please write for my free information

I am an arthritic. I tried so many things. Then one day a friend in pharmaceutical circles told me about a wonderful medicine. I am so grateful I want to tell everyone about Norkon, the wonderful medicine for temporary relief in easing the minor pains and aches of arthritis, rheumatism, sciatica, neuralgia, neuritis, lumbago or bursitis.

Write for my remarkable experience and how thousands of others are now praising Norkon, too. It costs nothing and you may win so much. No obligation whatsoever. Just send your name and address to:

HOME CANNING?

You can't go wrong for a penny a pound.

You get perfect results with Fruit-Fresh every time. It preserves the natural color and flavor of fruits when canning and freezing—keeps fresh-cut fruits appetizing for hours before serving. One can of Fruit-Fresh does up to 75 lbs. of fruit for about 1¢ per pound. Look for it at drug and grocery stores, and wherever you buy Kerr jars, caps and lids.

1. There comes a day when little Faunteroy must be weaned away from his mama's protective side.

2. A thumb dripping with sweet, warm milk should taste familiar. So, easy boy—just take your time.

THERE COMES A DAY...

3. GET down in there, you ornery little critter! —

4. Up-ending the whole bucketful of milk might just possibly get a few drops down where they'll do some good.

5. Gravity being what it is, the pail must be kept upright, no matter what position the principles may get into.

6. A stalemate calls for a sit-and-glower situation until the commotion brings mama to the scene.

7. Little Faunteroy prefers a gabful of warm milk to your pailful of tricks any day in the week.

Have you counted the bales you tie?

Farmer Glenn Fritz, of Lennox, South Dakota, is one of many farmers who report tying extra bales of hay per bale of Eastman Baler Twine. That's "Scoops" going along for the ride. He's Eastman's expert on twine. Look for him at farm shows.

With EASTMAN Baler Twine, farmers report tying many extra bales of hay after switching from natural fiber twines. There's no doubt—you always get more than 9,000 feet of uniform twine, bale after bale. And there are no thick or thin sections to break or foul baler knotters. Means every foot of Eastman twine is usable.

Added advantages: ideal for outdoor hay storage; resistant to rot, insects, and weather; tough yet soft and flexible; has outstanding knot strength. Eastman Baler Twine is produced in the U. S. A., always available.

Look for the twine with the FARM JOURNAL Family Test Group Seal on the distinctive yellow-

and-black label—EASTMAN Baler Twine. It's the original and best-selling black plastic twine.

If your dealer doesn't have it in stock, write:

BAKED HAM WITH RAISIN SAUCE

Since ham shrinks during cooking, about one-third pound uncooked boneless or one-half pound uncooked whole ham must be purchased for each portion to be served. To roast hams, follow directions on wrapper or can or place fat side up on a rack in a shallow roasting pan. Bake in a slow oven (325° F.) for about 15 minutes per pound. Garnish with whole cloves, if desired.

RAISIN SAUCE FOR HAMS

10 ounces (2 cups) raisins, light or dark
 ¼ cup cornstarch
 1 tablespoon dry mustard
 2 teaspoons salt
 ¼ cup ham drippings

1 quart water
 1 cup (packed) brown sugar

2 tablespoons vinegar
 3 tablespoons lemon juice

Rinse and drain raisins. Blend cornstarch, mustard and salt into ham drippings. Add water, sugar and raisins. Cook and stir until clear and slightly thickened. Blend in vinegar and lemon juice. Serve hot.

GLAZED SWEET POTATOES

(24 servings)

3 cups maple-blended syrup
 1 cup margarine
 6-8 pounds sweet potatoes, peeled, cooked,

and cut up or four cans (1 pound, 1 ounce each) vacuum-packed whole sweet potatoes

Simmer syrup and margarine in skillet 2 minutes. Add sweet potatoes. Cook over low heat, uncovered, 10 minutes, turning potatoes frequently to glaze.

PERFECTION SALAD (FOR 25)

Three 3-ounce packages lemon gelatin
 3 cups hot water
 6 tablespoons lemon juice
 1 tablespoon salt

3 cups finely shredded cabbage
 3 cups diced celery
 6 pimientos, chopped fine
 18 small sweet pickles, chopped fine

Dissolve gelatin in hot water. Add lemon juice. Chill. When partially set, add remaining ingredients. Pour into lightly oiled pans. Chill. Cut into diamond shapes or as desired. Can use one 20x12x2 ½-inch pan.

GERMAN'S CHOCOLATE CAKE

(two 12x18 inch cakes)

2 packages sweet cooking chocolate
 1 cup boiling water
 1½ cups shortening
 3½ cups sugar
 8 egg yolks, unbeaten

2 teaspoons salt
 2 teaspoons vanilla
 2 teaspoons soda
 2 cups buttermilk
 5 cups sifted flour
 8 egg whites

Melt chocolate in 1 cup boiling water. Cool. Cream shortening and sugar for 1 minute, or until light and fluffy, using flat paddle at medium speed. Add egg yolks, salt, vanilla, and melted chocolate. Beat at medium speed for about 1 minute, or until well blended. Dissolve soda in buttermilk. Then add sifted flour alternately with buttermilk to egg mixture; beat after each addition at low speed, scraping bowl as needed, until batter is smooth—takes about 2 minutes. Beat egg whites with mixer, whip until stiff peaks will form. Then using whip at low speed, beat egg whites into batter until just blended. Pour into two 12x18x1-inch pans, greased and floured on bottoms only; allow about 3 pounds of batter a pan. Bake in 350°F. oven about 25 minutes, or until cake springs back when lightly pressed. Cool before frosting.

COCONUT-WALNUT FROSTING

2 cups evaporated milk
 2 cups sugar
 6 egg yolks
 1 cup margarine

1 teaspoon vanilla
 2½ cup flake coconut
 2 cups California walnuts, chopped

Combine milk, sugar, egg yolks, margarine, and vanilla. Cook and stir over medium heat until thickened, about 12 minutes. Add coconut and walnuts. Beat until thick enough to spread.

GRASSROOTS GLEANINGS

by Bill Stokes

"The moon must be made of wonderful stuff," speculates the **Burlington (Wis.) Standard-Press**. "It not only pulls the ocean back and forth to cause tides but it also often stops cars along side roads."

"When a man gets too old to set a bad example, he starts giving good advice," comments **The Morris (Minn.) Tribune**.

"Long hair music isn't what it used to be," says **The Ogden (Iowa) Reporter**.

The **Ripon (Wis.) Commonwealth-Press** advises: "A hair in the head is worth two in the brush."

"Sandwich spread" is what you get from eating between meals, claims **The Review of Plymouth, Wis.**

The **Wabasha (Minn.) County Herald** reports this sign on the door of a marriage license office: "OUT TO LUNCH — THINK IT OVER."

According to **The Times Record of Aledo, Ill.**, nothing makes people go into debt like trying to keep up with people who already are.

"Anybody who thinks the automobile has made people lazy, has never had to pay for one," claims the **O'Brien County Bell of Primghar, Iowa**.

On the same subject, the **Lake Mills (Iowa) Graphic** says: "Here's a toast to your new car and mine — may they never meet."

"Don't borrow trouble," advises **The Clear Lake (Iowa) Mirror-Reporter**, "be patient and you'll soon have some of your own."

The **Weekly Valley Herald of Chaska, Minn.**, reminds readers of the sign which was posted at a public school: "In case of atomic attack, the federal ruling concerning prayer in this building will be temporarily suspended."

Last year, every person in the United States made 620 telephone calls, reports **The Herald-Tribune of Batesville, Ind.**

No wonder the confounded line is always busy.

"The man who wants a girl who is good, clever and beautiful may need a trio," says **The Sisseton (S.D.) Courier**.

It obviously helps to worry, claims **The Reinbeck (Iowa) Courier**, because so many of the things you worry about never happen.

In a related vein, **The Angola (Ind.) Herald** advises, "If you really want to get your wife home from a vacation, just send her a copy of the local newspaper with one item clipped out."

The **Salisbury (Mo.) Press-Spectator** tells about the beaming father who brought the news to his six-year-old son that the stork had brought him a lively baby sister.

"Aw," the lad said, "I wanted an older brother."

"Old Bookkeepers never die, they just lose their balance," claims **The Marshall (Minn.) Messenger**.

It is indeed the age of the computer, according to the **Steuben Republican of Angola, Ind.**, which reported the following entry made in a computer-oriented firm's ledger: "This correcting entry is to correct an incorrect correction made incorrectly in January."

An egotist is defined by the **Adair County Free Press of Greenfield, Iowa**, as "One suffering from I strain."

The **La Crescent (Minn.) Echo** says that about the three toughest things in the world are to climb a fence that is leaning toward you, kiss a girl leaning away from you, and land a customer leaning toward your competition.

"The fellow who is his own best friend always has to be blind to a good many faults," claims **The Herald of East Moline, Ill.**

July 28, 1967

Since 1794, generation after generation of craftsmen, from the Schwarzwald in Western Germany, have been making these wonderful little "Wetterhauschen". For over 2 centuries, they have been imitated, but never equaled. Their ancient art, jealously guarded, has been passed on down through the years, from father to son. Each little house is fashioned with quality components and the rich dark woods of the Black Forest. Every one is put together by hand—piece by piece—with typical German precision. Now—for a SHORT TIME ONLY—readers of this publication may get this genuine, original Wetterhauschen at a DEEP SLASHED PRICE by following the conditions shown above.

Fascinating Go-Go Action

Grumpy Herr Hans and his flaxen haired daughter Brunnhilde "live" in this Black Forest cottage. When grumpy Hans sallies forth with his diminutive umbrella, be on guard! Rain, snow or sleet may be on the way! But when Brunnhilde goes for a stroll, be cheerful! Clear, dry weather and sunny skies are ahead. These tiny little "persons" look so real, they almost seem alive! Their go-go movements are controlled by an ingenious yet simple mechanism based on the principle of hydrometrics. In fact, it is depended upon to help foretell local weather conditions in scores of countries round the world. This genuine Wetterhauschen will thrill and fascinate you and your friends, year after year.

Every Little House a Masterpiece of Famous German Woodcrafters

Please do not confuse this finely made Weather House with the cheap, plastic imitations selling for a dollar or

two. This is the genuine-original "WETTERHAUSCHEN"—imported direct from the Black Forest factory in Western Germany. Truly a product of fine artistry and skill! The dark stained woods are carefully mounted—by hand—piece by piece! Interior walls are covered in velvety green. A Bavarian balcony is adorned with tiny overhanging flowers, hand painted in lovely colors. A Dual Thermometer gives you the correct temperature in Fahrenheit and Centegrade too!

Marvel of Miniature Art!

You will be delighted at the miniature water pump . . . the proverbial toadstool . . . the nightingale poised to warble its glorious song . . . the Lilliputian flowers and bushes! Everything is perfectly shaped and meticulously fitted together, by nimble fingered craftsmen. The figurines, flowers, pump etc., are hand painted with great care. You'd expect to pay a tidy sum for this little marvel, but for a short time it can be yours at an incredibly low price!

You are Invited to Take One for Free Home Trial!

No risk. No obligation. We ask you to put this lovely little marvel in your own home on FREE TRIAL. Compare it! Notice the fine, precision detailing . . . the rich sepia-stained woods . . . the lovely hand painted figurines and flowers. Then see it in operation for an entire week. Precision Made by Proud Artisans in famous German Black Forest

Genuine, Original Wetterhauschen are made only in the Schwarzwald (Black Forest) of Germany. In tiny hamlets of this fairy tale region, the art of making weather houses was refined and perfected. The secrets of staining, moulding, cutting, mounting, were passed from generation to generation. They were never revealed to outsiders. Down through the centuries these little weather houses have been imitated but no one has ever equalled the quaint charm and precision workmanship of the originals. In fact, every genuine wetherhauschen is hand assembled, hand finished and hand painted. When you receive the genuine-original, you will agree that it is truly a little masterpiece of miniature craftsmanship.
