

Hoskins Pair Wins Award

Mr. and Mrs. Lester Prawitz, Hoskins, have been named winners of the Wayne County Conservation Photo Award for the year. A colored picture of their farm was shown Monday night at the State SWCD banquet in Lincoln.

Arnold Marr, work unit conservator for the Wayne County SWCD, said the award will be presented formally to Mr. and Mrs. Prawitz at the Wayne County banquet later this year, since they were unable to be present in Lincoln for the award.

Winside Club's Meeting Monday

Winside Community Club will meet Monday, Sept. 25, at 7 p.m. in the St. Paul Lutheran Church. New officers of the organization will be in charge.

Jim Troutman is the new president. He takes over leadership of the WCC from Cliff Burris, who has presided the past year.

Other new officers of the club will also take over that night. Committee appointments are to be made and other business matters discussed.

Carroll Soldier in Auto Accident

Sp-4 Bill Landanger, son of Mr. and Mrs. Fay Landanger, Carroll, was scheduled to get out of the army Wednesday, Sept. 20, but Monday, Sept. 18, he was injured in an automobile accident so he is still in the army and will be for several more weeks while hospitalized.

Landanger was riding with an army buddy near their base at Leavenworth, Kans., where he is in a military police unit. No details on the accident are known, but his buddy, who was driving, was killed in the mishap.

Injuries to the Carroll youth included a fractured jaw and a fractured arm. He was in the intensive care ward until Thursday when he was transferred to another room. His address is: Manson Army Hospital, Ward 2, Leavenworth, Kans. 66048.

Mr. and Mrs. Landanger planned to leave Sunday to visit their son. They will bring back information on the accident.

The Spook Speaks

A Dixon farm wife reports she has had cosmetics salesmen, brush salesmen, ice cream salesmen, condiments salesmen, insurance salesmen, securities salesmen, fish salesmen, citrus fruit salesmen, magazine salesmen, seed salesmen, vacuum cleaner salesmen, encyclopedia salesmen and other salesmen of routine types call at their farm. Last week a new one showed up. Two men with a truckload of little pigs drove into the yard and gave her a pig-sales-pitch. Over at Allen a 2-year-old boy wandered away from his mother. He walked into a business place, saw the back of a head that looked familiar and ran forward crying, "Mama." The head was not so familiar when it turned around. It belonged to a boy with extra long locks. A Wayne coach attended a meeting and then went to the school to check game films to be ready for teams coming up. Stretched out watching the film, he fell asleep. A fellow teacher woke him up at 8 the next morning. The coach's wife may never believe his story as to where he was all night.

Wayne Resident in Winside Accident

Fred Ruser, Wayne, was in a one-car accident a mile north of Wayne Friday night around 10:30. He was taken to the Wayne Hospital and kept overnight for observation.

Trooper D. Matejka of the Nebraska State Patrol investigated. He said the driver went off the road while northbound on Highway 35 just north of Winside.

The car clipped off a number of guard posts and turned completely over, sailing through the air and coming to a stop on its wheels headed in the opposite direction. Trooper Matejka called the car a total loss.

Ruser was alone at the time. When the car came to a stop, he was found by a passerby. He is now recovering at the hospital.

Parents, Pupils Get College Orientation

Wayne High school juniors and seniors and their parents are invited to a special Wayne State College orientation session Monday, Sept. 25, from 8 to 9 p.m. in the lecture hall at the high school.

Jim Hummel, director of admissions at the college, will be present to give parents and pupils an idea of what to expect in the way of admission, tuition and courses at the school. A question and answer period will follow.

Following the welcome by Mrs. Thomsen, Mrs. Bill Kugler and Mrs. Wayne Thomas will lead in singing. The program "Come to the International Coffee Table" will be presented.

Two Duos Appear in WSC Special Series

Two pairs of singing artists will perform in Wayne Wednesday night to inaugurate Wayne State's 1967-68 special program series.

The program is scheduled for 8 p.m. in Rice Auditorium. Tickets for the public will be sold at the door.

The performers are Ian and Sylvia, a Canadian folk duo, and Vicar and the Deacon, a domestic two some.

Randolph Man Misses Weekly Prize

Gilbert Appel, Randolph, would have won \$200 had he been in Wayne Thursday night. Business places sponsoring the Silver Dollar Night drawing had that amount in the "kitty."

Because he was not there, Next drawing will be Thursday, Sept. 28, at 8 p.m. In order to win that \$250, the one whose name is drawn will have to be in one of the participating business places at 8 p.m.

Anyone 18 or over is eligible to register. The Chamber of Commerce is anxious to have Wayne newcomers as well as residents living in neighboring towns and rural districts register for the drawing. Information may be secured at any of the business places in and near Wayne taking part.

To Meet Twice

Wayne City Council will meet twice this week. Monday night the council will meet at 8 as a board of equalization to consider the street improvement assessments in two areas of town. Tuesday night the regular meeting of the council will be held at 8 in the Woman's Club Rooms. In both cases the council meetings are open to the public and anyone wanting to come and observe will be welcome.

Winside School Levy Dips

There is good news for residents of District 95R (Winside). The levy is almost two mills lower than previously indicated.

County Clerk Norris Weible reports an error was made in estimating the amount the Winside school district would need this year. The error was made by the school board and was simply a matter

of a mistake in subtraction. Originally the amount thought to be needed was \$186,602. Instead the figures have been checked and the budget calls for \$176,602.

This is a difference of \$10,000. What it means to people of Winside and the rural districts surrounding Winside and belonging in 95R is that their levy is 1.97 mills less than thought several weeks ago.

For instance, Winside town residents were scheduled for a total levy of 76.18 mills. Instead it will be 74.21 mills. This is a decrease of 10.80 mills

Achievement Day Tuesday

"International Understanding" is the theme of the Wayne County extension clubs' annual Achievement Day Tuesday, Sept. 26, at the Wayne City Auditorium. Registration is 1 to 1:30 with the program starting at 1:30. All-area women are invited.

Mrs. Laurence Thomsen is achievement day committee chairman. Other committee members are Mrs. John Bergquist, Mrs. Delmar Ghissman, Mrs. Elgin Toelle, Mrs. Marvin Victor and Mrs. James Robinson.

A Teen-Club will handle the welcome. Serve All Club the tea table; Highlands, Scattered Neighbors and Town and Country clubs the serving; Merry Mixers Club the coffee; and Live and Learn and Star Extension clubs the cleaning.

Following the welcome by Mrs. Thomsen, Mrs. Bill Kugler and Mrs. Wayne Thomas will lead in singing. The program "Come to the International Coffee Table" will be presented.

Set Health Exams

Representatives of the Nebraska state department of education are to visit Wayne Middle School, Supt. Francis Haun has been informed. Four or more men from Lincoln will be here all day Wednesday, Sept. 27, and possibly longer to observe and make reports.

Wayne Middle School is the only public school of its type in the state. There is one other similar system in the state as far as is known, that being in the Lincoln Catholic parochial system.

Supt. Haun talked with Hugh Harlan Friday concerning the visit. Harlan as consultant on school administration and junior-high education will head the delegation.

Carroll Club Plans Park Addition

Carroll Woman's Club is taking on a man-sized job. Members are planning a fireplace in the community park and have undertaken some of the preparatory work themselves.

They will use money received two years ago from The Wayne Herald as a financial start. The Herald gave communities in the area portion of the \$200 won in the community betterment program and Carroll Woman's Club received \$20 for a project aid.

But it was old-fashioned back-work of the blister-producing type that supplied the bricks Wednesday. Women went into the rubble of the razed Carroll post office building and salvaged bricks to be used in the fireplace. Several men joined to help out.

The women worked all morning with the knowledge that they needed 400 bricks.

Victor and Mrs. Wittler pouring. The silver offering at the tea table will go to the Norfolk Opportunity Center.

Wayne County extension council achievements for 1967 include: Donated to the Norfolk Opportunity Center; helped at the county fair; sent youth to National Youth Institute; each of the 16 clubs visited residents of real homes in the area; helped promote the Nebraska Centennial; sponsored a tour to Pioneer Village, Minden; wrote a historical pageant, "I Wanta Ask Ya About Nebraska"; sponsored floats; and attended state and national conferences in Brookings and North Platte.

Food and supplies for the tea will be furnished by Farm Fans, Happy Homemakers, Hilltop Larks, North Valley, Star, Town and Country, Highlands, Hillcrest, Sunshine, Hoskins Homemakers, Scattered Neighbors, Merry Mixers, Klicek and Klatter, Live and Learn and Serve All extension clubs.

Mrs. James Robinson is Wayne County chairman and will make introductions. Area Extension Agent Myrtle Anderson will give recognition awards and handle installation.

Mrs. Thomsen will be in charge of serving with Mrs. Victor.

Local Woman Wins Archdiocesan Honor

Mrs. Fred Berry, Wayne, received the Mullen award Tuesday at the annual convention of Omaha Archdiocesan Council of Catholic Women. The award is given annually in memory of Mrs. Arthur Muller, charter member of the national association, second president and first Omaha deanery council president.

The award was given Mrs. Berry because of her life-long dedication to the aims and principles of the council, spiritually, educationally and in community service.

A St. Mary's parish member in Wayne 57 years, Mrs. Berry was president of St. Mary's Guild several years, organized the Jackson Deanery Council with 14 parishes affiliated and was elected first president, an office she held 16 years. In the archdiocesan council, she held the office of vice president one term and then served on the advisory board. She was study

Home Firearms Safety Course Set

The National Rifle Association has authorized a short course of practical instruction in "Home Firearms Safety" for the Wayne area, according to Richard Lesh. Anyone interested can contact him.

Lesh reports the course is free to all those interested. It is designed to bring information to those unskilled in the use and handling of guns. NRA reports many housewives and businessmen have firearms on their premises. They should know how to effectively handle, use and store the guns safely, according to NRA officials. This is not a course See FIREARMS, page 8

Skunk Killed on Area Farm Rabid

A skunk killed Sept. 14 on a farm near Wayne has been found to have been rabid. Confirmation was received this week from the University of Nebraska department of veterinary medicine.

The skunk was seen at the Fred Mann farm three miles west of Wayne. Mann noticed the strange antics of the animal in the yard and decided it should not be allowed around the domestic animals. He got on his tractor and ran over the animal. Dr. Donald Vrba, Winside Veterinary Clinic, was called to dispose of the skunk. Dr. Vrba sent the head See SKUNK, page 8

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

It is the duty of an editorial writer to search all available facts before he sits down to write. From this basis the writer should be able to give a clear picture of important topics.

You may not agree with an editorial - but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

Turn 'em Loose With A Gun

How many of you would take your son out to the car, give him a few basic instructions and then let him take off in it alone? Not a one? Then how come there are some who are doing about the same thing in regard to guns?

Some parents let their boys go hunting with the rest of the guys. Boys start out with a bee-bee gun or a .410 and then work up. They learn as they go along. Fortunately, most of them learn without accident.

However, there is a right way to go about this business of learning to handle a gun just as there is a right way of going about learning to handle a car. Wayne is fortunate in having a short course offered. It has also had Junior National Rifle Association instructions for boys.

There could be many homes in the area where there are guns about the premises. But, at the same time, for every person in the house where there is a gun who knows how to use it, there are probably two or more who do not know how to use it.

Richard Lesh has devoted a lot of work to the proper handling of firearms for the young. Now he is offering to help housewives and businessmen who keep

guns on their premises and want to know how to handle and store guns safely.

This particular course is aimed at home safety. There is also a hunter safety course that should be given these kids before they are turned loose this coming hunting season. It wouldn't even hurt if some of the longtime hunters took it. (Longtime drivers have benefitted from defensive driving courses and hunters can always afford to learn more about gun safety).

Tuesday, Sept. 26, at 7:30 p.m., a film, "At Home With Guns," will be shown at the National Guard Armory. Various types of firearms will be shown and demonstrations given. A short course is planned, free of charge, to teach the unskilled proper handling of guns.

Can you afford to stay away if there is a gun around your place? Can you in good conscience let your son go out with less training with a gun than he has had with a car?

Gun safety is pretty important, no matter which end of the gun you're looking at. Wayne has a program of safety. Those using firearms or having them around should take advantage of every opportunity to learn more about them. —CEG.

In Praise of Dixon

Dixon has lost its only grocery store. Residents are anxious to get a replacement.

Dixon's only cafe is for sale and if it cannot be sold it may be closed. Residents are hoping someone will keep it open.

Dixon is the smallest town we visit regularly each week for news. It has some faults but it sure makes up for them with some of the nicest people you will want to meet.

Dixon won us right away. We thought maybe we were just lucky. However, others have gone up there when we could not go and they have come back praising the friendly, helpful and appreciative people of that town.

Dixon deserves the best. It has worked hard on a celebration each year. In spite of a small population and limited finances, it has gone ahead, each year wondering if maybe the celebration should not be

forgotten and each year going ahead and holding one.

Dixon has Scouts, 4-H, church youth groups, a community organization and some talented pupils both in its own school and winning honors in Laurel and Allen.

Dixon is not the prettiest town we have ever seen, but it's what's inside that counts and Dixon has "it." Just as character is more important than looks in a person, so the people are more important than looks in a town. Dixon is a better town than some of you might think.

Dixon deserves better than it is getting lately. We're hoping it does get a break soon so some mighty nice people can be happier. If they're happier, we're going to be happier.

Dixon rates a word of praise and some action to back it up. This is the praise—now for the action. —CEG.

Great When You're Young . . .

A Wayne teacher handed a copy of a letter to us last week. It contained a message from a girl copied from some publication. We knew the message was intended to be passed along so here it is, not as it appeared but with some additions of our own.

The girl wrote of being young, when life is almost all happiness with little dark spots here and there. Your mother speaks you for crossing the street without asking. You cut your finger trying to fix a peanut butter sandwich. You're shaken with sorrow when you find your pet goldfish lying dead on its side.

Then you get to high school. You go places. You enjoy life. Being young is so great. Dates are fun. Going out with the boys is fun. Life is so beautiful.

It suddenly changes. One morning you wake up. You're married and only 17. You have a baby. Such a short time ago you were free. Now you hear the baby screaming for his bottle. You love your

husband but he doesn't seem to feel the same about you.

You're stuck with dirty diapers, sleepless nights, boredom, heartbreak—the price paid for a little adventure.

You seek desperately for a rock on which to place your faith and love. You're still young, but life is no longer so beautiful. You just wish you could start all over again.

That's the girl's message. She wrote from experience. Her heartbreak may be greater than others have known but it also could be less than others have known. It's a cinch there have been others before her who know of what she writes and there will be others who don't believe her now who will believe her before the year is over.

Actually, the girl's letter needed no extra comment. She told in a few words a story of tragedy involving the young. Like so many others, she will never get that chance to start all over again.

Are there any questions? —CEG.

Out of Old

Nebraska

A display in the Nebraska State Historical Society Museum at Fort Robinson, near Crawford, shows the various items sold to the Indians by early fur traders. One of the problems faced by these early fur traders was disease epidemics among the Indians.

As more and more pioneers headed west along the Oregon Trail, it was inevitable that the Indians would come into contact with diseases brought by the white man. Cholera, small pox, and measles were entirely new diseases to the Indians, and the epidemics which resulted wiped out whole villages and sometimes whole tribes.

The effect of these epidemics was felt by two pioneers who had established trading posts in Nebraska. James Bordeaux

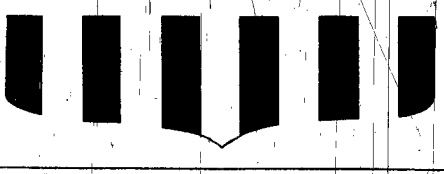

the men were eating dinner, they heard an Indian singing his death song. A rider came to the door and said, "Be on the lookout. This man coming, singing, is White Roundhead. He is coming to kill every white man he sees."

White Roundhead, with gun in hand and bow and arrows strapped to his back, would not heed the warning not to come further. As the sick Indian advanced slowly, he stopped with a stomach cramp. A shot rang out, and White Roundhead tumbled out of sight over the bank of the creek which he had been following. To prevent the spread of disease the men took spades and crumbled the creek bank over the body of White Roundhead. This Indian had lost his whole camp of four or five tents. During the epidemic no visitors were allowed into a healthy camp. Anyone coming in sick was shot on the spot.

Bordeaux returned from St. Louis in a buggy with some medicine just intine to save the life of his ten-month-old son, Louis, who had contracted cholera. All water was boiled and food and milk was thoroughly cooked. Susan Bordeaux recalled later that "Horse mint, wild peppermint, and

Sign Up For U.S. Savings Bonds / New Freedom Shares

wild mustard, made into a tea, allayed the scourge."

In later years, the memory of this dread epidemic, combined with an ever increasing tide of gold-seekers and settlers, who did not understand the Indians as the fur traders had, could not help but increase the Indians' desire to drive the invaders from their lands.

Letters to the Editor

Dear Editor:

Your readers might be interested in what happened when a man went to vote not too long ago and not too far from the Fire Station: an attendant gave him a ballot, he marked it and started toward the ballot box when this attendant held out his hand for the ballot, took it, looked at how it was marked, folded it and lowered his hand for several seconds without moving toward the ballot box when an observer seated nearby told him to put my ballot into the ballot box, which he did.

Now your readers might happen to know if the "low-cost" public housing units ever entail the demolishing of already built and being used houses. They might know if this be good business. Most builders, I hear, like to put up a new house where there isn't any. I hear it costs less and when the new house is finished there is still the old one he did not demolish still paying taxes into the public treasury. I hear that tearing down an old house costs money and people in private enterprise would try to keep it as long as it can be rented or sold profitably. Of course, to the big-spender politician, this does not count. Look

at the price they are willing to pay (from the public treasury) for a property which cannot attract near that amount. And to make the sort of increase in population which you Mister Editor so much desire, Wayne will want as many houses as it can get. Some owners of houses made improvements, with their labor and funds before the big-spenders devalued the currency. Will these valuable be junked and the home-owner become reduced to a renter from the big-spender politician? Now I am not a formal student of the ethics and/or economics of these projects but surely some of your readers can explain away the following objections to your "it will not increase taxes." Someone will want to be paid a) for the ground the "low-cost" units will go upon, b) for any houses already on this ground c) for removing same, d) for the materials and the labor (such) to put up the new "units" and e) little matters like administration, upkeep, etc. If these units are really to be "low-cost" the tax-payer is going to pay for them, and I doubt if the Collector of Internal Revenue will excuse anyone for living in Wayne. Good for those who want to make money from these taxes, who will get to move from taxable to tax-free living accommodations, who will rejoice in the demolition of usable property, who say it will not increase taxes, who say the money is already in the U.S. of A. Treasury where there is no deficit and never has been. This is the way to cobl an overheated economy. And henceforth cease admonishing the Soviets for double-talking.

Yours truly,
John Violette

Here in the Midwest, where winter is really winter, gas heat heats best.

Midwest winters get cold. Really cold. That's why natural gas is such a popular fuel. Gas is so dependable, and flexible, too. Look at all the different types of gas heat from which you can choose: Modern, whole-house gas furnaces. Gas conversion burners. Gas space heaters. Gas wall heaters. Gas unit heaters. And gas ceiling-mounted heaters. There's a gas heating system that's just right for every heating job in your home. Look into dependable, flexible natural gas heat today. 60 YEARS AGO THIS WEEK

The Wayne Herald, Sept. 26, 1907

The latest autocratic freak reports from Wayne county, Nebr., where County Superintendent Little has ruled that school teachers shall not dance during the school year. Put a bit in some men's mouths and they will run away with the whole harness. Without going into the merits or demerits of dancing it is enough to say that you cannot make rules like that hold in these days. School teachers are too scarce in the first place and secondly our young American women feel they know fully as much about conserving their own morals as some political freak that may meet with an accident and be elected Superintendent. If there is any class of public servants that need some relaxation from the strain of mental torture it is the public school teachers. Many a woman who in after years has been compelled to visit hospitals to be treated has learned that her trouble was caused by the strain of being continually on her feet while trying to make ladies and gentlemen out of young American products whose own parents have disparaged of the problem. —Taken from Nebraska Liberal (a newspaper).

The matter of laying a four inch water main on eighth street two blocks west from Main street to Lincoln was taken and favorably acted upon. This addition has been built up since the water district was established and its residents have not paid water tax, altho they have had nearly the same degree of fire protection enjoyed by other property owners. Street Commissioner Heady made report on sidewalks badly needed in several parts of town, and upon motion the report was adopted, and city attorney instructed

No preacher can inspire a man who is looking into a lopsided aggregation of dead birds, stuffed weasels, chameleon skins, ribbons, beads, sticks, straws, corn tassels and thistle down. It makes a sinner feel lost in the wilderness."

This was part of a wedding writup: "The bride wore a handsome brown silk dress with white trimmings, a white veil and carried a bouquet of white roses. The bridegroom is one of Winslow's most prominent businessmen, being in the harness and shoe business, and everybody speaks well of him, in fact it is the universal testimony of all that he is a 'good fellow.' The bride is almost a stranger in Winslow but pleasing reports of her ladylike and winning ways have reached us. CONNIE'S RED SATIN

A 95-YARD TOUCHDOWN was recorded by Randy Helgren on a punt return for Wayne Sutherland can be seen getting out in front of block as the WHS team cut down NHS threats against Neligh Friday. Lynn Lessman and Dan all the way down the field. (Photo by Lyman).

Wayne Handles Neligh With Ease 40-0

Neligh ran into a buzz-saw in Wayne Friday night. Playing the Wayne High Blue Devils on a night when the Blue and White could do no wrong, the visiting Warriors went down to defeat 40-0 as seven different players from three separate squads figured in the scoring.

This coming Friday night it will be a "horse of a different color." The horse will be the Stanton Mustang and Wayne will travel to Stanton to meet a team that buried a good Bloomfield squad 19-7 Friday. It will be a Husker Conference game for Coach Allen Hansen's Blue Devils.

Wayne's domination of the game Friday was greater than the score indicates. The locals held Neligh to a total gain of 13 yards the last half and outdistanced the Maroon and White 405-68 on the ground and in the air. WHS completed 9 of 14 passes while NHS could complete only 2 of 15.

Jerry Titze kicked off to the 18 to open the game, Neligh drove for a first down, was slowed by a 3-yard loss thrown by Don Skokan and then had a pass blocked by Skokan and intercepted by Doug Maurer. Five plays later Wayne had a TD, Lynn Lessmann going 3, Skokan 5, Lessmann passing to Dave Tietgen for 50 and Skokan going over from

the 2 on the second try. Gordon Jorgensen kicked the extra point to make it 7-0.

Titze's kick to the 22 was returned to the Wayne 49 by Neligh. One first down was all the visitors could manage, Bernie Binger throwing them back 5 to half progress. Dan Sutherland received the punt on the 20 and returned to the 26. Sutherland carried for 1 and 13, Lessmann 3, Skokan 4, Tietgen 5, Sutherland 11, Helgren passed to Dave Brown for 15, Skokan gained 3, Sutherland 4, Helgren 4 and Wayne was at the Neligh 4. The visitors pushed WHS back and took over on the 10.

Lavern Brown threw the Warriors back 1, three other plays failed to gain and NHS kicked, Lessmann receiving on the 29, handing off to Helgren who returned to the 49. Jorgensen took a pass from Tietgen, lateral to Lessmann and 15 yards were gained. Tietgen passed to Jorgensen for 36 yards and a TD. Jorgensen kicked the extra point to give Wayne a 14-0 lead.

Titze kicked to the 35, Wayne held Neligh to 5 yards, forcing a punt. In a beautiful display of sharp blocking and heady running, Randy Helgren returned the kick from the Wayne 5 to the NHS goal line for a 95-yard touchdown play.

It was easily the most precise workmanlike team performance of the game, blockers forming in front after Helgren had out-guessed Neligh the initial yards. Jorgensen kicked the PAT to make it 21-0.

Titze's kick went to the 21 and was returned to the 32. Neligh gained 5 and kicked. Lessmann gained 2, Sutherland 11, Neligh took over on a fumble, took to the air and Jorgensen intercepted. Sutherland gained 2 and Lessmann 4 as the first half ended.

Helgren returned the second half kickoff from the 17 to the 33. Lessmann gained 5, Bob Penn 27, Lessmann 3, Tietgen passed to Lessmann for 14, Sutherland gained 2, Penn 2 and Neligh took over on downs. Lavern Brown threw the visitors back 3, Wayne held on three more plays and Neligh kicked. Wayne fumbled on the first play and Neligh recovered.

The Warriors went nowhere except backward, Binger throwing a 6-yard loss on one play and Dave Roberts setting the visitors back 10 on the next. Wayne took over, Lessmann starting a drive with 5 yards, Sutherland 16, Penn 5, Tietgen 3, Sutherland 11, Tietgen passed to Lessmann for 17, Penn gained 2, Lessmann 3 and 2, Penn 11, 4 and the final 1 for a TD. Jorgensen kicked the PAT to make it 28-0.

Defensive reserves were in as Titze kicked to the 29 with NHS returning to the 35. After a first down was yielded, Wayne took over. Penn went 6, Les Echtenkamp 6, Randy Robins 3, Helgren 1, Helgren passed to Echtenkamp for 3, Echtenkamp ran for 13 and Helgren passed to Eynon who took the ball looking back over his shoulder for a 28-yard touchdown play. No extra point was made but it was 34-0.

Titze kicked to the 17. Wayne held with Echtenkamp throwing the Warriors back 2 and then blocking the punt. Wayne took over on the 18. Jarold Meyer ran for 5, Helgren 3, Steve Johnson 3 and Randy Robins the final 6. A pass for extra point was no good and Wayne was ahead 40-0.

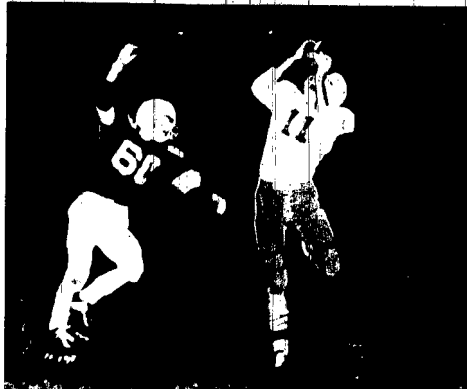

Coach Hansen kept pour-

ing in reserves. Scott Kerl kicked a short punt to the 45 on purpose but Neligh downed it there. Rick Robins and Myron Gust threw Neligh back 10, giving Wayne possession after four plays. Rick Burt ran for 9, Mike Biltott picked up another 9 and before another play could be started the game was over.

Binger, Keith Warrelmann and Harry Lindner each had 7 tackles to lead Wayne. Doug Maurer and

Lavern Brown were right behind with 6. Other statistics on tackling were not available.

Winside Wildcats Lose Third Tilt

Being defeated for the third consecutive time, Winside lost to the Hartington Wildcats 27-6 at Hartington Friday night.

Having an open night, Winside will not play Sept. 28, but will return to action Oct. 4 on the Ponca gridiron. The Wildcats and Indians both are after a first win.

Winside kicked off to Hartington to the 30 with the ball returned to the 39. HHS was forced to kick and Winside took over on the 38.

On the first play by Winside, Roy Wagner went for 3, and a 15-yard penalty gave Winside their initial first down. Randy Jacobsen went for 6, a pass from Jacobsen to Bob Wacker was good for 16 and a first down to the 26 of Hartington. Wagner went for 3 and 5, Jacobsen 6, and 4, Wagner 3, and Hartington recovered a Winside fumble on the 24.

Hartington gained 35 yards before being forced to kick, the ball going to the Wildcat 16.

David Witt gained 6, Wagner 3, Jake 2 and Witt 1, as the quarter ended 0-0.

Opening the second quarter Winside was forced to kick. The ball was returned to Winside's 34. HHS made their way down to the 10 before giving the ball over to Winside.

The Hartington defense held the Wildcats to one yard before blocking a Winside punt and recovering it in the end zone for the first score. Hartington failed on the extra point try and it was 6-0.

The kickoff was to the Winside 15, returned by Keith Wacker to the 33. Wacker went for 15 but Winside was forced to give

up the ball as the first half ended with the score 6-0.

Opening the second half Jacobsen took the kickoff on the 15 and carried to 22. Wagner gained 2, K. Wacker 4, Jacobsen 10, and WHS had to kick.

Hartington's second touchdown came in the next few plays with Dave Eickhoff passing to Dennis Cummins for 47 yards. Extra Point was good making the score 13-0.

The kickoff was fumbled and Hartington regained possession on the Wildcat 29. Eickhoff hit Cummins for a 18 yard touchdown pass, making it 20-0 with the extra point.

Jacobsen returned the kickoff from the 20 to 35. Wagner went for 4, Jacobsen passed to B. Wacker for 23, a penalty moved the ball to the 26 where Hartington recovered another Winside fumble.

Hartington's first play was a pass that was intercepted by sophomore linebacker Phil Witt to give Winside possession.

Jacobsen completed a pass to B. Wacker for 19 and Jacobsen again found Wacker for a 51-yard touchdown pass, putting the Wildcats on the scoreboard. The kick failed and it was 20-6.

Winside's kickoff was re-

turned to the 36, Hartington accumulated 64 yards with Richard Palmer scoring from the 4. The kick was good, making it 27-6.

Hartington's kick was returned by Larry Pfeiffer to the 41. A pass from Jacobsen to Fritz Weible for 9 yards was the closing play of the game.

Leading tacklers for Winside were Phil Witt 9, Dan Jaeger 7, Larry Pfeiffer and Keith Wacker 5, Lee Trautwein, Mark Witt, Randy Jacobsen, and Roy Wagner 4, Andy Mann and Bob Wacker 3, Roger Deck 2 and David Witt 1.

Wayne Freshmen in Odd Loss at Laurel

The Wayne Freshmen went down to defeat 7-6 at Laurel Thursday afternoon in an odd contest. Laurel gained only 20 yards total in the air and on the ground while Wayne went 206 yards the two ways.

Coach Ron Carnes will play his team at home this coming Thursday on the elementary school field. Norfolk Freshmen will be the opposition in a 4 p.m. contest.

Wayne scored on the first play of the game for the locals after holding Laurel to no gain. Lynn Gunderson had kicked to the 18. Dick Tietgen passed to Dwight Clatanoff for a play covering 53 yards for a TD and Wayne led 6-0.

Gunderson kicked to the 20, Steve Burns went 40 and Steve Pennington intercepted for Wayne on the 22. Steve Kamish gained 5 for the locals but Laurel held, Clatanoff kicking to the 45. Laurel's drive was slowed by Jerry Reeg who threw them back 5 and Clatanoff who tossed them back 6. Steve Smith finally scored for the Cubs early in the second quarter on a five-yard run. Rick Smith made it 7-6 with the extra point.

Mike Creighton carried the kickoff back to the 9 but a 15-yard penalty nullified that run. Jim Kenny gained 7 but Laurel held, Clatanoff kicking to the 38. The host team could not gain, Clatanoff receiving on the 13 and returning to the 20. Clatanoff gained 6 and 5, Kamish 6, Creighton 1, Clatanoff 2 and Wayne had to kick before the half ended.

Creighton received the second half kick on the 17, returning to the 36. Laurel

stole the ball on the next play but Kamish threw a 10-yard loss and Mau took a short kick, making a 5-yard return. Tietgen passed to Mau for 8. Clatanoff gained 1 and 10, Kamish 8, Creighton 3 and 7. Clatanoff 3, Tietgen passed to Mau for 9 and then to Mau for 44 yards and a TD but two 15-yard penalties in that series cost yardage and a score. Laurel intercepted next play to take over.

Gunderson set the Cubs back, they could not recover and kicked. Clatanoff gained 6 and 5, Creighton 7, Kenny 5, Tietgen 1 and Laurel took over on a fumble. Gunderson and Clatanoff set the host team back 2 and Kamish threw them back 12. Kamish gained 4, Wayne fumbled twice and gave up possession. Clatanoff threw Laurel back 3 and a kick followed.

Tietgen passed to Mau for 14, Kenny gained 4 and Laurel took over, only to fumble with Kamish recovering. Clatanoff gained 2, Creighton 6, Clatanoff 1 and Laurel took over. Gunderson threw Laurel back 4, Dennis Harmeier threw them back 8, Harmeier and Kamish threw them back 7 on one play and 7 on the next and as the game ended Wayne would have had possession on the Laurel 1-

Podoll, 12 Tac. Recon. Photo Jet Sq., PACAF, APO San Francisco, Calif. 96307. His wife and family will remain in Montgomery, Ala., while he is overseas. Col. Podoll is the son of Mrs. Joy Podoll, Winside.

Dennis Sutton has been appointed an admiral in the "Great Navy of the State of Nebraska" by Gov. Norbert Tiemann. He is the son of Mr. and Mrs. Boyd Sutton, Laurel, and is married to the former Joyce Bose, Wayne. Dennis left in mid-August for a four-month goodwill tour of South America. His ship will visit almost every major port and all of the

South American countries with coastlines. He does communications and electronics work in the radio department on a destroyer. His wife is residing at the home of her parents, Mr. and Mrs. Paul Bose, while he is gone. She is employed at Pat's Beauty Salon. Her husband's address is: ETN-2 Dennis Sutton, 5983976, USS Gyatt, DD-712, FPO New York, N.Y. 09501.

Sp-5 Randall Carlson, son of Mr. and Mrs. Vern Carlson, Wakefield, is out of the service now. He received his discharge in July

after two years in the army, 15 months of it spent at what has been called the nation's most beautiful army base, Presidio of San Francisco. He had taken basic at Ft. Leonard Wood, Mo., after entering the service in July, 1965. For

six months he attended electronics school at Ft. Bliss, Tex., to learn maintenance work on missiles. Then he was assigned to the 40th artillery brigade at San Francisco and last January made his final promotion. He received a marksmanship medal, National Defense medal, good conduct award and a citation of achievement from the brigade in recognition of outstanding work in the Nike Hercules program. He had attended grade school at Concord several years and then went to Wakefield, graduating from high school there in 1961. He farmed until going into the service and has returned to farming now.

Investigate Two Rural Accidents

The county sheriff's department investigated two rural accidents Thursday. Five head of stock died as a result of the mishaps.

The first occurred on a county road 4 miles south and 2.6 miles west of Wayne. Vern Grimm, Winside, was westbound when some pigs came up out of the ditch in front of his car.

The vehicle hit one pig, went out of control, hit three more pigs and traveled 72'10" with the right wheels off the road. Four pigs were killed and damage was done to the right front fender and the right side of the bumper of the compact car; Albert Gamble was owner of the pigs.

A 1400-pound Black Angus bull had to be killed later that night after it had been struck by a car 3 miles south and 3/4 miles west of Carroll on Highway 98. The bull belonged to Ed Fork, Carroll, and suffered a broken leg so was shot and butchered.

John Hansen, Randolph, was driver of the car. He was westbound and told investigating officers an eastbound car failed to dim lights. The black bull came out of the ditch and he could not see it in time to avoid hitting it, mainly because of the bright lights of the approaching car.

Hansen was accompanied by his wife and daughter. Extensive damage was done to the car on the right side, front and windshield. Mrs. Hansen complained of stiffness but no injuries were reported at the time.

Winside Turnip Big

Turnips are growing big in the Maurice Lindsay garden 2 1/2 miles west of Winside. He has dug up many large ones, the biggest being on display at George's Market. The "granddaddy of them all" is a turnip weighing five pounds ten ounces.

District PTA Meet Set for Wakefield

The District 3 PTA conference will be held Wednesday, Sept. 27, in the elementary school on the south edge of Wakefield, 2:30 to 9 p.m. Conference theme will be "The Truth About the PTA."

Mrs. Harold Thompson, Lincoln, is acting director for the district and first vice president for the state. She will preside.

Keynote remarks will be made by Mrs. J. W. Kirkman, North Platte, second vice president for the state PTA. Mrs. George Bledley, a member of the national PTA field staff, will conduct a workshop, "How to Succeed in Leadership."

A dinner will be served in the evening. Following the dinner, Mrs. Thompson will explain the national PTA project, "Hazardous of Teenage Smoking." Judge David Hamer, Wayne, will speak on "Judicial Concern for Children in Trouble."

Ten Cases Heard Here in Two Days

County Judge David Hamer heard ten court cases Wednesday and Thursday. Together they made up one of the busiest court periods he has had in many months. Four cases were heard Sept. 20. The first involved Robert Shirck, Wayne, fined \$10 plus \$5 costs for speeding. Officer Melvin Lamb filed charges. Roger Deck, Hoskins, appeared on a complaint brought by Officer Ron Haplerick. Deck paid \$15 fine and costs for a stop sign violation.

Charged with illegal use of a truck was Larry Goforth, Omaha, who paid \$10 fine and \$5 costs. Scale Operator H. Johnson filed charges.

Mervyn McDonough, Tekamah, was charged with making an illegal u-turn and was fined \$15 including costs. Sgt. Keith Reed was the complaining officer. There were six cases Sept. 21. Jill McDonald, Kingsley, Ia., paid \$15 fine and costs for illegal parking. Officer John Redel brought charges.

Appearing for a stop sign violation was John Ortnier, Mapleton, Ia. He paid \$15 fine and costs on charges brought by Officer Lamb. Co. Atty. Don Reed filed charges of driving with .15 per cent alcoholic content in the blood against Gene Sandahl, Wayne. Fine was \$50 and costs \$25.

Larry Caudle, Tekamah, was fined \$10 and paid costs of \$5 on a charge of illegal parking. Officer Redel signed the complaint. David Ziegman, Osceola, Ia., paid \$15 fine and costs on a stop sign violation. Sgt. Reed was complaining officer.

A fine of \$100, costs of \$24 and a six-month suspension of driver's license went to Gene Sandahl, Wayne. He was charged with driving while under the influence of alcoholic beverages. Atty. Reed signed the complaint.

Neighbors Help Get Hay Stacked

Neighbors helped out at the Walter Splitzger farm Wednesday afternoon. They stacked hay for Splitzger, who has been hospitalized in Wayne and unable to get some of his work done.

Four farmhands were brought for stacking. Men working were Alvin Daum, Robert Greenwald, Leon Daum, Allen Splitzger and Larry Thompson. Lunch was served to the men after the hay had been stacked. Mrs. Alvin Daum assisted Mrs. Walter Splitzger with the lunch.

Not Much Activity

There was not much activity for Wayne Police Department most of last week except for routine patrol, traffic and checking duties. No accidents occurred. One call involved a boy who broke off an aerial on a car; another, littering of a street; and still another, a business office door left unlocked.

ALLEN ROYALTY posed for this picture Thursday. In front (left to right) are Craig Rahn, Jody Kraemer, Becky Jacobs and Michael Wilch, second row, Barbara Rastade, Elaine Snyder, Donna Kay Peters, Jim Ellis, Wayne Rasmussen, Mike

Roeber, back row, Melvin Johnson, Larry Carr, Craig Schultz, Kevin Hill, Barbara Adams, Cindy Ellis, Linda Rasmussen and Rayme Adams.

Allen High School Royalty Crowned

Donna Peters, daughter of Mr. and Mrs. Donald Peters of Dixon, and Jim Ellis, son of Mr. and Mrs. Vernon Ellis, Allen, were crowned homecoming queen and king in a jam-packed gym at special rites Thursday afternoon in Allen.

School had elected the pair from the senior class. Three finalists for each throne were elected with those having the next highest number of votes being attendants.

Chosen attendants to the queen were Elaine Snyder and Barbara Rastade.

King's attendants were Wayne Rasmussen and Mike Roeber. All royalty was chosen from the senior class.

Escorting the royalty were Kevin Hill, Barbara Adams, Cindy Ellis, Craig Schultz, Linda Rasmussen and Larry Carr. Jody Kraemer and Becky Jacobs sprinkled flower petals along a white walkway

ahead of the royal pair and Michael Wilch and Craig Rahn carried the crowns on golden pillows.

The crowning setting was a raised platform with blue and gold crepe paper trimming. Homecoming was spelled out in silver and blue. White runners led to the throne and from each end of the gym for royal couples to enter by twos.

Rayme Adams and Melvin Johnson were in charge of the program. Ron Kraemer sang two solos accompanied by Cindy Ellis, "Climb Every Mountain" and "More." Mrs. Keith Hill, Allen Alumni Association president, spoke briefly, wishing the team the best of luck against Ponca Friday in the homecoming game. Mary Dacey directed the band in "More" for background music as the royal couples marched in.

Mrs. Christine Ellis Isom crowned the pair on behalf of the royalty from 1966, her sister, Diann Ellis, and Dale Jackson. Both are away at school now.

Homecoming observance started Wednesday night with a snake dance and rally. Royalty was introduced at the football game with Ponca Friday night and following the game a homecoming dance was held to climax the annual observance.

Another touchdown was added to Allen's score with 7:45 left in the third quarter when Alan Smith intercepted a pass on Ponca's 27 yard line and returned it all the way. Smith also scored the PAT.

Ponca came right back on the first play from scrimmage following Allen's kickoff when Tom Watchorn ran 61 yards around the right end for the TD. Allen's aggressive interior line stopped the extra point attempt and with 7:18 left in the third quarter the score was 14-6 in favor of Allen.

Watchorn scored for Ponca again with 3:30 remaining in the third quarter when he galloped 38 yards for the touchdown. The PAT attempt failed and Allen

WSC Cross Country Team Runs Twice

The Wayne State College cross country team runs twice this week. Tuesday, Sept. 26, the team runs at Yankton in a dual meet. Friday, Sept. 29, a quadrangular will be held here with WSC, Peru, Midland and South Dakota University competing.

Coach Bill Silverberg, now at the helm this year, has a lot of enthusiasm for the sport and for the squad. It is contagious as

evidenced by the team spirit and that of the assistant coach, Bob Davis.

Four freshmen are on the squad: Jim Forbes, Shawnee Mission, Kan.; Duane Wilkins, Crofton; Larry Kuehl, Loup City; and Mike Olmstead, Creighton. Lettermen are A. D. Benson, Sidney, Ia., and Dennis Kasischke, New Providence, Ia., seniors, and Jim Belts, Denison, Ia., sophomore.

Allen Wins Homecoming Game 27-18

Allen High School scored three times in the second half while gliding to a 27-18 homecoming victory over Ponca Friday night. The Eagles led throughout the game but two touchdowns in the final quarter cinched the victory.

The first Allen touchdown was scored with 5:21 remaining in the first half when the Eagles moved the ball 55 yards in 14 plays following a Ponca fumble. The drive ended with a three-yard dive by Jim Ellis on a third down play. Craig Schultz scored the extra point. Neither team posed a serious scoring threat for the remainder of the first half.

Another touchdown was added to Allen's score with 7:45 left in the third quarter when Alan Smith intercepted a pass on Ponca's 27 yard line and returned it all the way. Smith also scored the PAT.

Ponca came right back on the first play from scrimmage following Allen's kickoff when Tom Watchorn ran 61 yards around the right end for the TD. Allen's aggressive interior line stopped the extra point attempt and with 7:18 left in the third quarter the score was 14-6 in favor of Allen.

Watchorn scored for Ponca again with 3:30 remaining in the third quarter when he galloped 38 yards for the touchdown. The PAT attempt failed and Allen

held a two-point lead going into the final period.

Some of the pressure was relieved with 8:02 left

in the game when Jim Ellis hit Mike Roeber with a 14-yard touchdown pass. The touchdown capped an Allen drive that began on the 50-yard line. Ellis scored the extra point, increasing Allen's lead to 21-12.

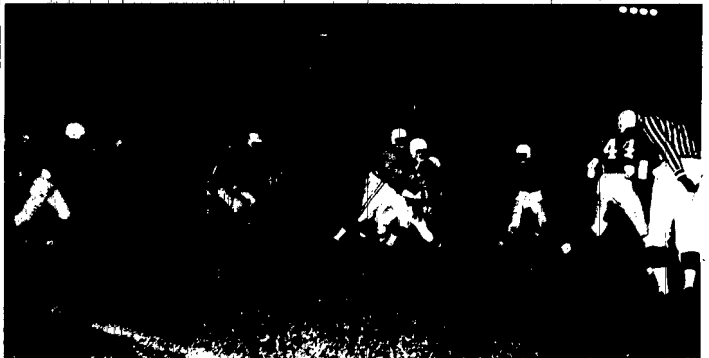

The final Eagle touchdown was scored with 2:17 left in the game when Larry Carr dove two yards across the goal line, ending a drive that began on Ponca's 35. The PAT attempt failed but the Eagles held a 15-point lead.

With one second left in the game Ponca scored a touchdown from the three yard line. The extra point attempt failed as time ran out and Allen walked away with a 27-18 homecoming victory.

Allen will be idle next Friday night but Tuesday, October 3, the Eagles will meet Wakefield on the Trojans' home field.

Leading defensive players for Allen were Mike Prescott (2, 11 assist), Alan Smith (3, 7 assist), Craig Schultz (3, 6 assist), Roger Lanser (1, 9 assist), Larry Carr (1, 7 assist).

ALLEN'S DEFFENSE played an aggressive homecoming game Friday night against Ponca. In this picture the Eagles were stopping an end run while paving the way for the 27-18 victory.

Light-shirted Allen players who can be identified are Alan Smith (42), Larry Carr (20), Jim Ellis (11) and Rick Hank (15). Number 35 was not listed on the program.

Radishes Grow Big

John Barnes, Wayne, is growing big radishes this year. Two years ago his garden produced oversized sweet potatoes, including one that weighed over four pounds. This year he has many large white radishes, the biggest of which is one weighing one pound six ounces. He reports the radishes are mild and delicious eating, something the larger radishes sometimes are not.

A 47-foot Stan-Hoist Auger reaches as high as competitive 53-footers

Yes, the compact Stan-Hoist Auger really puts your materials up fast. A Stan-Hoist 4-inch, galvanized tube will deliver up to 1800-bu. per hour. The 8-inch up to 2400-bu. per hour. Specially designed, telescoping carriage allows you to get closer to bins. Allows you to use a shorter auger. You can reach further with Stan-Hoist. You'll also like the welded, galvanized, seamless tube "U" box structure under the auger tube gives greater support. Sealed self-aligning bearings throughout galvanized drive shaft.

Carroll 'Flea Market' Date Revealed

A "flea market" is planned for Carroll. Sponsor will be the Carroll Woman's Club, but all organizations in the Carroll area are invited to participate.

The Woman's Club will serve lunch as a fund-raising project. Other organizations and clubs are invited to have tables or booths to make money for their pet projects.

Mrs. Jack Kavanaugh is the member in charge of lining up entries. Early notification of club plans are to be given to her to help in eliminating duplication in events or tables.

The money earned by the Woman's Club will be used for remodeling the meeting room upstairs in the Carroll Auditorium. All help on this project will be appreciated.

Members of the club changed plans for their Oct. 12 meeting. It is now scheduled for Oct. 19. Trooper James O'Dell of the state patrol will speak on the new state driver's licensing law. This will be guest night and anyone wanting to attend may contact any CWC officers.

Savings Stamp Program Gets Start

Another Savings Stamp program is starting at Wayne Elementary School and Wayne Middle School. Mrs. Julia Haas, who has been in charge for five years, will again be in charge with several others volunteering to help.

Plans call for Wednesday, Oct. 4, to be the first "stamp day" at the schools. Each Wednesday throughout the school year the women will sell 10-cent savings stamps to pupils from 8:30 to 8:50.

Stamps can be redeemed to buy savings bond. Parents are urged to let the children buy from their allowances to learn both thrift and patriotism.

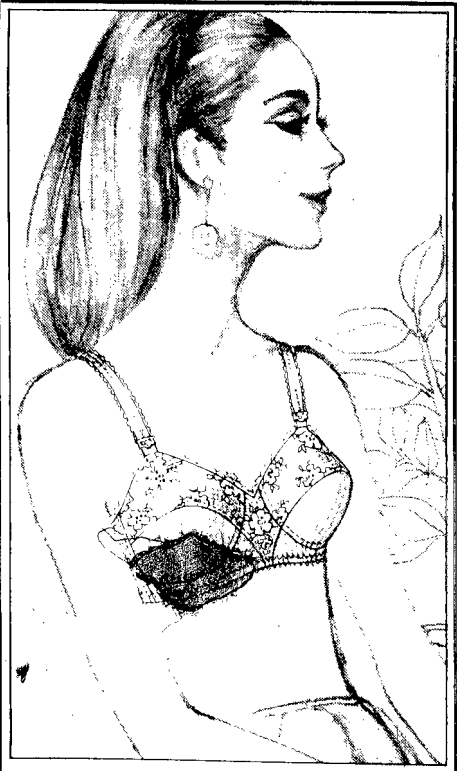

Clair Swanson Carroll Choice

Clair Swanson is the new president of the Carroll Community Club. He took over leadership of the club Monday night, succeeding Leonard Hallean in the top position.

Continuing as secretary-treasurer is John Bergquist. He has served other terms in that post.

The club's meeting Monday drew 18 members to the Carroll Cafe. Election of officers and discussion of the successful mailbox beautification contest were the main business topics.

Letters of thanks were read from two couples, Mr. and Mrs. Tom Roberts for the get well cards, and Mr. and Mrs. Tom Kerstine for the mailbox contest award. Closing signs to indicate days Carroll firms would be closed were discussed.

to the agriculture college. The report came back this week and read in part: "We can report that the presence of Negri bodies was observed, and the fluorescent antibody test for rabies virus also gave positive results. We classify this skunk as being positive for rabies."

According to the veterinarian, no human contact had been made with the skunk and no farm animals had been bitten as far as is known. Area residents might be on the lookout for other animals that act strangely, he said. Any suspicious cases should be reported to county authorities or veterinarians, and other animals and people should be kept away from such animals until the situation is clarified by authorities.

Learn About Taxing

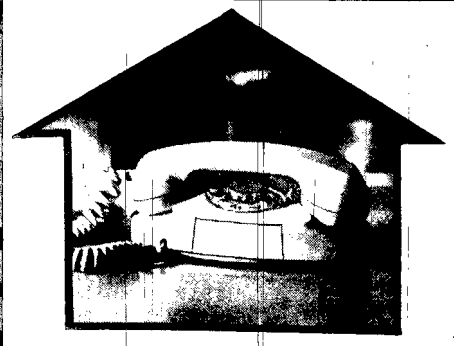

Mrs. Doris Stipp of the county assessor's office spoke Tuesday to the housing and home furnishing class in the senior homemaking department taught by Mrs. Marie Mohr at Wayne High. She explained real and personal property and how they are assessed, how assessed valuations are figured, how the mill levy is figured and what makes up city and county taxes. Mrs. Stipp explained the tax on intangibles, the head tax and the per mill tax. Mrs. Mohr reports girls in the class are going to be able to figure taxes on the homes they plan in class now.

Dixon Boy Scouts to Hold Board of Review

A board of review is scheduled Thursday, Sept. 28, at 7:30 p.m. in the Boy Scout Building, Dixon, for members of the Dixon Boy Scout troop. The public is invited.

Father John Rizzo is Scoutmaster of the troop. Several of his Scouts will get certificates for taking a 50-mile hike this summer, a hike the Scoutmaster also made.

There are several who are ready for advancement in rank. Several others have earned various merit badges.

Zip-A-Lists Coming to Residents

Postmasters at Dixon, Concord, Hoskins, Carroll, Allen, Winside, Wakefield and Wayne are getting Zip-A-Lists to their patrons this week and next. All residents are asked to make use of them.

The postage-free cards supplied can be mailed out without the name of anyone, just the addresses. They will be returned to the senders with the zip codes for the addresses.

Postmasters hope people will use a lot of these now so it will speed up the Christmas delivery later. Last year 96 million addresses were coded with zip numbers for people and even more may be added this year.

The country has been divided into a number of areas, the first two numbers of the zip code indicating the area. The third number gives the location in that area and the final two numbers belong to one

post office alone.

For instance, a number such as 68978: The 68 indicates it comes to Nebraska. The 689 sends it to the Hastings sectional and the 78 is the final club, being the numbers after 689, belonging solely to Superior, Nebr. It's a faster matter than that for postal workers and electronic devices that sort by number.

If you have a mailing list which does not include zip codes, you are asked to put one address on each card and your own name and address in the upper left corner—with your local zip code, of course. The cards will go to the post offices involved, zip numbers put on and the cards "returned to sender" all at no charge to you.

If you desire more cards, they are available from postal workers or carriers free of charge. The more you use, postmasters say, the better the service will be from now on.

Land Judging Contest Scheduled at Wisner

Wisner is expecting between 300 and 400 vocational agriculture students Wednesday, Oct. 4, for the annual area land judging contest. Competing will be 441 and FFA members from 20 Northeast Nebraska communities.

Two Wisner farms will be used but their locations will not be revealed until the day of the contest, according to Richard Herzog, WIS vocational agriculture instructor, who is assisting in planning the contest.
